Sponsor Testimony HB 130

March 26, 2019

Chairman Green, Vice Chair McClain, Ranking Member Sheehy, and members of the House Transportation and Public Safety Committee, thank you for the opportunity to provide sponsor testimony on House Bill 130.

House Bill 130 would create a “La Salle High School” license plate. This plate will cost \$40, with \$10 of the cost going toward bureau administrative fees. The remaining \$30 from this specialty plate would go to La Salle High School. The school may use this money however they best see fit, so long as it is not for political purposes.

As a product of La Salle High School, I can personally attest to the great education and opportunities this institution provides. This legislation would allow people to show their pride for La Salle High School while assisting its current and future students to achieve their full potential in body, mind, and spirit in the Lasallian tradition.

Chairman Green and members of the committee, I thank you for your time and would be happy to answer any questions you may have.
