

University Circle Inc. (UCI) is the community service corporation serving the University Circle neighborhood in Cleveland, OH. UCI frequently holds seasonal community events including the WOW! Wade Oval Wednesdays summer concert series and the Holiday CircleFest winter festival and hosts events on Wade Oval, the neighborhood's central greenspace. In order to sell alcoholic beverages at these events, UCI applies for and receives permits from the State of Ohio. We support Senate Bill No. 274 as it will give organizations like ours another permit option to sell beer and wine at events.
