

Opposition Testimony SB 317

Senator Coley

I am an Ohio homeowner, mother of two young children (one just starting school) and a pediatric Speech Language Pathologist. I do not feel as though this bill is ready for passage. There are a lot of missing pieces, most of all a major lack of firearm training for teachers and school personnel. I would be very disappointed in our state for allowing or possibly forcing our educators to wield weapons untrained, putting our young people at higher risk for accidents and the potential for weapons to end up in the hands of children.

Thank you,

Monica Harmon
