

Testimony on Senate Bill 317
Government Oversight and Reform Committee

Submitted by:
Donna Abel

Chair Coley, Vice Chair Huffman, Ranking Member Craig, and members of the committee, thank you for allowing me to present this testimony in opposition to SB 317.

As an educator, I am greatly disappointed our legislators are even considering this bill. Arming teachers is dangerous for all involved, students and school staff. To make schools and communities safer, we need common sense gun legislation, not guns in schools.
