

Opposition Testimony on SB 317

Senator Coley and Commttee,

Thank you for this chance to testify on SB 317.

I am a long time Ohio resident, mother of a son who graduated from Jackson Local Schools, active in my church and proud grandmother of a child with special needs who lives in Columbus, OH.

I do not think that Senate Bill 317 should pass as this sounds extremely dangerous. Teachers should not have a gun in the class room with very little training. This could prove to be dangerous without proper training or if the students were to get a hold of the gun. This sounds like a terrible accident waiting to happen.

Thank you for your attention,
Nancy Pierson
