

Testimony on Senate Bill 317
Government Oversight and Reform Committee

Submitted by:
Elizabeth Wallace

Chair Coley, Vice Chair Huffman, Ranking Member Craig, and members of the committee, thank you for allowing me to present this testimony in opposition to SB 317.

I have family and friends who live in the suburbs of Cleveland and have children who attend both public and private schools. I vehemently oppose SB317 not only for their safety but for the overall safety of the community. Why isn't common sense being applied? Teachers have enough to focus on - educating children and shouldn't be expected to be an expert marksman. Guns are NOT the solution. We're better than this as a society and as humans.
