

Mason Caminti
Senate Bill 23 – Six-Week Abortion Ban
Opponent Testimony
Ohio Senate Health, Human Services, and Medicaid Committee
February 26, 2019

Chairman Burke, Vice Chair Huffman, Ranking Member Antonio, and Members of the Ohio Senate Health, Human Services, and Medicaid Committee,

Thank you for allowing me to testify today. My name is Mason Caminiti, from Cleveland Ohio. I am son, brother to my two sisters, an uncle to my grown niece, a husband, a soon to be father, Presbyterian and I am strongly opposed to SB 23

Women and men should be treated and respected equally. I therefore don't agree with any legislation that dictates what a woman can and not do with her own body. There isn't any legislation in existence that I know of that dictates control over a man's body, so why don't we entrust women with the same respect as their male counterparts?

Too often women's reproductive health is used as a ruse and pawn piece on a partisan political chess board as a distraction to what's really important and what really matters to most Ohioans and most people in general. What we should really be focusing our time, attention and money on are the economy, education and jobs.

I ask you to consider my testimony and vote no on SB 23

Thank you again for the opportunity to testify.

I will now take any questions you may have.

Sincerely,
Mason Caminiti
