

Respectfully I ask that you agree and take action to eliminate Racism which is a public health crisis. In the state of Ohio I have witnessed many racist acts that caused anxiety and depression for the victim. I have witnessed racial profiling and physical violence that was racially motivated. At 42 years of age, a graduate of an Ohio State school and a program at Capital Law, I urge you to recognize Racism as a Public Health Crisis. We can make a change together. Please use your power to fund, develop policies, and empower organizations to eradicate racism. Most of Ohio Citizens want peace. I want peace in our state.

Respectfully,
