

SB311 Proponent Testimony

June 23, 2020

Chairman Burke, Vice Chair Huffman, Ranking Member Antonio and honorable members of the Health, Human Services and Medicaid Committee my name Anthony DiBiase and I am in support of SB311.

I urge you to vote yes on SB311 so that there is reasonable oversight on any emergency lockdown of the entire State of Ohio as has been experienced in 2020, This disastrous lockdown and abuse of power has made a mockery of the republic form of government and has had negative consequences on the health, governmental, financial, educational, emotional, employment and other related human impacts throughout the entire State of Ohio

Voting YES on SB311 will at least provide for improvement of check and balances to avoid the disastrous consequences experienced by many constituents as a result of the recent decisions made by government leaders and government agencies.

Thank you for your time.

Anthony DiBiase
