

Dear Sir, Please do not bring this bill to the floor for a vote if it passes the Judiciary Committee, this is an affront to our democracy and our freedom of speech and descent. Our country was founded on the ideals of a government by the people and for the people NOT BY THE POWERFUL .AND FOR THE MONEY.. Fracking is harmful to the environment and the frack waste is the worst part. Please vote NO on OhioSB33.

Thank you, Greta Hanesworth - Guysville, Ohio
