district that takes effect prior to April 6, 2017, from the 31628  
portion determined under division (B)(1) of this section. At no 31629  
time, however, shall that district's portion of the basic project 31630  
cost be less than five per cent. 31631

(3) If an eligible school district is given priority under 31632  
division (B)(1) of this section, the commission may reduce that 31633  
district's portion of the basic project cost by ten percentage 31634  
points from the portion determined under section 3318.032 of the 31635  
Revised Code or, if the district results from a transfer, merger, 31636  
consolidation, or creation of a new local district that takes 31637  
effect prior to April 6, 2017, from the portion determined under 31638  
division (B)(1) of this section, if the district's project 31639

satisfies the following conditions: 31640

(a) The project involves construction of a building on land 31641  
owned by a state institution of higher education, as that term is 31642  
defined in section 3345.011 of the Revised Code, or on land 31643  
originally owned by a state community college, as that term is 31644  
defined in section 3358.01 of the Revised Code, with the intention 31645  
of collaboratively working with the state community college on 31646  
workforce development programs and curriculum, and the commission 31647  
approves the project. 31648

(b) The district and the state institution of higher 31649  
education enter into a written agreement regarding the continued 31650  
use of the institution's land by the district, and the commission 31651  
approves the agreement. Division (B)(3)(b) of this section does 31652  
not apply to a district that satisfies the condition described in 31653  
division (A)(1)(a)(ii) of this section. 31654

(c) On the date that the district and the state institution 31655  
of higher education enter into the written agreement described in 31656  
division (B)(3)(b) of this section, the state institution of 31657  
higher education is participating in the college credit plus 31658  
program established under Chapter 3365. of the Revised Code. 31659  
Division (B)(3)(c) of this section does not apply to a district 31660  
that satisfies the condition described in division (A)(1)(a)(ii) 31661  
of this section. 31662

At no time, however, shall that district's portion of the 31663  
basic project cost be less than five per cent. 31664

The reduction of the district's portion of the basic project 31665  
cost described in division (B)(3) of this section may be in 31666  
addition to a reduction of the district's portion of the basic 31667  
project cost under division (B)(2) of this section. 31668

(C) Except as provided in division (B) of this section, a 31669  
district's project undertaken pursuant to this section shall be 31670

subject to all other requirements in sections 3318.01 to 3318.20 31671  
of the Revised Code. 31672

Sec. 3318.037. (A) For purposes of this section: 31673

(1) "Basic project cost," "percentile," and "school 31674  
district's portion of the basic project cost" have the same 31675  
meanings as in section 3318.01 of the Revised Code. 31676

(2) "Eligible school district" is a city, local, or exempted 31677  
village school district that satisfies all of the following 31678  
conditions: 31679

(a) The district intends to build new classroom facilities on 31680  
land originally owned by a state community college, as that term 31681  
is defined in section 3358.01 of the Revised Code, with the 31682  
intention of collaboratively working with the state community 31683  
college on workforce development programs and curriculum. 31684

(b) The district has previously participated in the school 31685  
building assistance expedited local partnership program 31686  
established under section 3318.36 of the Revised Code but did not 31687  
construct any new facilities as part of that program. 31688

(c) The district reapplies for the expedited local 31689  
partnership program between January 1, 2019, and July 1, 2020. 31690

(B) Notwithstanding anything to the contrary in this chapter, 31691  
if an eligible school district reapplies for the expedited local 31692  
partnership program between January 1, 2019, and July 1, 2020, and 31693  
subsequently enters into a new agreement for that program, both of 31694  
the following shall occur: 31695

(1) The district shall retain its percentile ranking that was 31696  
determined at the time the district entered into its initial 31697  
agreement under the expedited local partnership program. 31698

(2) The Ohio facilities construction commission shall give 31699  
that district first priority for funding for a project under 31700

sections 3318.01 to 3318.20 of the Revised Code as such funds 31701  
become available, regardless of the district's percentile rank 31702  
under section 3318.011 of the Revised Code, and the district's 31703  
portion of the basic project cost under sections 3318.01 to 31704  
3318.20 of the Revised Code shall be the same percentage of the 31705  
basic project cost as under its initial agreement under the 31706  
expedited local partnership program. 31707

**Sec. 3318.36.** (A)(1) As used in this section: 31708

(a) "Ohio facilities construction commission," "classroom 31709  
facilities," "school district," "school district board," "net 31710  
bonded indebtedness," "required percentage of the basic project 31711  
costs," "basic project cost," "valuation," and "percentile" have 31712  
the same meanings as in section 3318.01 of the Revised Code. 31713

(b) "Required level of indebtedness" means five per cent of 31714  
the school district's valuation for the year preceding the year in 31715  
which the commission and school district enter into an agreement 31716  
under division (B) of this section, plus [two one-hundredths of 31717  
one per cent multiplied by (the percentile in which the district 31718  
ranks minus one)]. 31719

(c) "Local resources" means any moneys generated in any 31720  
manner permitted for a school district board to raise the school 31721  
district portion of a project undertaken with assistance under 31722  
sections 3318.01 to 3318.20 of the Revised Code. 31723

(2) For purposes of determining the required level of 31724  
indebtedness, the required percentage of the basic project costs 31725  
under division (C)(1) of this section, and priority for assistance 31726  
under sections 3318.01 to 3318.20 of the Revised Code, the 31727  
percentile ranking of a school district with which the commission 31728  
has entered into an agreement under this section between the first 31729  
day of July and the thirty-first day of August in each fiscal year 31730  
is the percentile ranking calculated for that district for the 31731

immediately preceding fiscal year, and the percentile ranking of a 31732  
school district with which the commission has entered into such 31733  
agreement between the first day of September and the thirtieth day 31734  
of June in each fiscal year is the percentile ranking calculated 31735  
for that district for the current fiscal year. 31736

(B)(1) There is hereby established the school building 31737  
assistance expedited local partnership program. Under the program, 31738  
the Ohio facilities construction commission may enter into an 31739  
agreement with the board of any school district under which the 31740  
board may proceed with the new construction or major repairs of a 31741  
part of the district's classroom facilities needs, as determined 31742  
under sections 3318.01 to 3318.20 of the Revised Code, through the 31743  
expenditure of local resources prior to the school district's 31744  
eligibility for state assistance under those sections, and may 31745  
apply that expenditure toward meeting the school district's 31746  
portion of the basic project cost of the total of the district's 31747  
classroom facilities needs, as recalculated under division (E) of 31748  
this section, when the district becomes eligible for state 31749  
assistance under sections 3318.01 to 3318.20 or section 3318.364 31750  
of the Revised Code. ~~Any~~ 31751

Any school district that is reasonably expected to receive 31752  
assistance under sections 3318.01 to 3318.20 of the Revised Code 31753  
within two fiscal years from the date the school district adopts 31754  
its resolution under division (B) of this section shall not be 31755  
eligible to participate in the program established under this 31756  
section unless that school district divides its project under 31757  
those sections into segments as authorized by section 3318.034 of 31758  
the Revised Code. In the case of a school district that has 31759  
segmented its project as authorized in section 3318.034 of the 31760  
Revised Code, the district shall select a discrete portion of one 31761  
or more future segments of its project, to which the district may 31762  
apply local resources under an agreement under this section prior 31763

to further state assistance for those future segments under 31764  
sections 3318.01 to 3318.20 of the Revised Code. 31765

(2) To participate in the program, a school district board 31766  
shall first adopt a resolution certifying to the commission the 31767  
board's intent to participate in the program. 31768

The resolution shall specify the approximate date that the 31769  
board intends to seek elector approval of any bond or tax measures 31770  
or to apply other local resources to use to pay the cost of 31771  
classroom facilities to be constructed under this section. The 31772  
resolution may specify the application of local resources or 31773  
elector-approved bond or tax measures after the resolution is 31774  
adopted by the board, and in such case the board may proceed with 31775  
a discrete portion of its project under this section as soon as 31776  
the commission and the controlling board have approved the basic 31777  
project cost of the district's classroom facilities needs as 31778  
specified in division (D) of this section. The board shall submit 31779  
its resolution to the commission not later than ten days after the 31780  
date the resolution is adopted by the board. 31781

The commission shall not consider any resolution that is 31782  
submitted pursuant to division (B)(2) of this section, as amended 31783  
by this amendment, sooner than September 14, 2000. 31784

(3) For purposes of determining when a district that enters 31785  
into an agreement under this section becomes eligible for 31786  
assistance under sections 3318.01 to 3318.20 of the Revised Code 31787  
or priority for assistance under section 3318.364 of the Revised 31788  
Code, the commission shall use the district's percentile ranking 31789  
determined at the time the district entered into the agreement 31790  
under this section, as prescribed by division (A)(2) of this 31791  
section. 31792

(4) Any project under this section shall comply with section 31793  
3318.03 of the Revised Code and with any specifications for plans 31794

and materials for classroom facilities adopted by the commission 31795  
under section 3318.04 of the Revised Code. 31796

(5) If a school district that enters into an agreement under 31797  
this section has not begun a project applying local resources as 31798  
provided for under that agreement at the time the district is 31799  
notified by the commission that it is eligible to receive state 31800  
assistance for its project under sections 3318.01 to 3318.20 of 31801  
the Revised Code or for a segment of its project, if the district 31802  
previously segmented its project as authorized in section 3318.034 31803  
of the Revised Code, all assessment and agreement documents 31804  
entered into under this section are void. 31805

(6) Only construction of or repairs to classroom facilities 31806  
that have been approved by the commission and have been therefore 31807  
included as part of a district's basic project cost qualify for 31808  
application of local resources under this section. 31809

(C) Based on the results of on-site visits and assessment, 31810  
the commission shall determine the basic project cost of the 31811  
school district's classroom facilities needs. The commission shall 31812  
determine the school district's portion of such basic project 31813  
cost, which shall be the greater of: 31814

(1) The required percentage of the basic project costs, 31815  
determined based on the school district's percentile ranking; 31816

(2) An amount necessary to raise the school district's net 31817  
bonded indebtedness, as of the fiscal year the commission and the 31818  
school district enter into the agreement under division (B) of 31819  
this section, to within five thousand dollars of the required 31820  
level of indebtedness. 31821

(D)(1) When the commission determines the basic project cost 31822  
of the classroom facilities needs of a school district and the 31823  
school district's portion of that basic project cost under 31824  
division (C) of this section, the project shall be conditionally 31825

approved. Such conditional approval shall be submitted to the 31826  
controlling board for approval thereof. The controlling board 31827  
shall forthwith approve or reject the commission's determination, 31828  
conditional approval, and the amount of the state's portion of the 31829  
basic project cost; however, no state funds shall be encumbered 31830  
under this section. Upon approval by the controlling board, the 31831  
school district board may identify a discrete part of its 31832  
classroom facilities needs, which shall include only new 31833  
construction of or additions or major repairs to a particular 31834  
building, to address with local resources. Upon identifying a part 31835  
of the school district's basic project cost to address with local 31836  
resources, the school district board may allocate any available 31837  
school district moneys to pay the cost of that identified part, 31838  
including the proceeds of an issuance of bonds if approved by the 31839  
electors of the school district. 31840

All local resources utilized under this division shall first 31841  
be deposited in the project construction account required under 31842  
section 3318.08 of the Revised Code. 31843

(2) Unless the school district board exercises its option 31844  
under division (D)(3) of this section, for a school district to 31845  
qualify for participation in the program authorized under this 31846  
section, one of the following conditions shall be satisfied: 31847

(a) The electors of the school district by a majority vote 31848  
shall approve the levy of taxes outside the ten-mill limitation 31849  
for a period of twenty-three years at the rate of not less than 31850  
one-half mill for each dollar of valuation to be used to pay the 31851  
cost of maintaining the classroom facilities included in the basic 31852  
project cost as determined by the commission. The form of the 31853  
ballot to be used to submit the question whether to approve the 31854  
tax required under this division to the electors of the school 31855  
district shall be the form for an additional levy of taxes 31856  
prescribed in section 3318.361 of the Revised Code, which may be 31857

combined in a single ballot question with the questions prescribed 31858  
under section 5705.218 of the Revised Code. 31859

(b) As authorized under division (C) of section 3318.05 of 31860  
the Revised Code, the school district board shall earmark from the 31861  
proceeds of a permanent improvement tax levied under section 31862  
5705.21 of the Revised Code, an amount equivalent to the 31863  
additional tax otherwise required under division (D)(2)(a) of this 31864  
section for the maintenance of the classroom facilities included 31865  
in the basic project cost as determined by the commission. 31866

(c) As authorized under section 3318.051 of the Revised Code, 31867  
the school district board shall, if approved by the commission, 31868  
annually transfer into the maintenance fund required under section 31869  
3318.05 of the Revised Code the amount prescribed in section 31870  
3318.051 of the Revised Code in lieu of the tax otherwise required 31871  
under division (D)(2)(a) of this section for the maintenance of 31872  
the classroom facilities included in the basic project cost as 31873  
determined by the commission. 31874

(d) If the school district board has rescinded the agreement 31875  
to make transfers under section 3318.051 of the Revised Code, as 31876  
provided under division (F) of that section, the electors of the 31877  
school district, in accordance with section 3318.063 of the 31878  
Revised Code, first shall approve the levy of taxes outside the 31879  
ten-mill limitation for the period specified in that section at a 31880  
rate of not less than one-half mill for each dollar of valuation. 31881

(e) The school district board shall apply the proceeds of a 31882  
tax to leverage bonds as authorized under section 3318.052 of the 31883  
Revised Code or dedicate a local donated contribution in the 31884  
manner described in division (B) of section 3318.084 of the 31885  
Revised Code in an amount equivalent to the additional tax 31886  
otherwise required under division (D)(2)(a) of this section for 31887  
the maintenance of the classroom facilities included in the basic 31888  
project cost as determined by the commission. 31889

(3) A school district board may opt to delay taking any of 31890  
the actions described in division (D)(2) of this section until the 31891  
school district becomes eligible for state assistance under 31892  
sections 3318.01 to 3318.20 of the Revised Code. In order to 31893  
exercise this option, the board shall certify to the commission a 31894  
resolution indicating the board's intent to do so prior to 31895  
entering into an agreement under division (B) of this section. 31896

(4) If pursuant to division (D)(3) of this section a district 31897  
board opts to delay levying an additional tax until the district 31898  
becomes eligible for state assistance, it shall submit the 31899  
question of levying that tax to the district electors as follows: 31900

(a) In accordance with section 3318.06 of the Revised Code if 31901  
it will also be necessary pursuant to division (E) of this section 31902  
to submit a proposal for approval of a bond issue; 31903

(b) In accordance with section 3318.361 of the Revised Code 31904  
if it is not necessary to also submit a proposal for approval of a 31905  
bond issue pursuant to division (E) of this section. 31906

(5) No state assistance under sections 3318.01 to 3318.20 of 31907  
the Revised Code shall be released until a school district board 31908  
that adopts and certifies a resolution under division (D) of this 31909  
section also demonstrates to the satisfaction of the commission 31910  
compliance with the provisions of division (D)(2) of this section. 31911

Any amount required for maintenance under division (D)(2) of 31912  
this section shall be deposited into a separate fund as specified 31913  
in division (B) of section 3318.05 of the Revised Code. 31914

(E)(1) If the school district becomes eligible for state 31915  
assistance under sections 3318.01 to 3318.20 of the Revised Code 31916  
for its entire project or for future segments, if the district 31917  
previously segmented its project as authorized in section 3318.034 31918  
of the Revised Code, based on its percentile ranking under 31919  
division (B)(3) of this section or is offered assistance under 31920

section 3318.364 of the Revised Code, the commission shall conduct 31921  
a new assessment of the school district's classroom facilities 31922  
needs and shall recalculate the basic project cost based on this 31923  
new assessment. The basic project cost recalculated under this 31924  
division shall include the amount of expenditures made by the 31925  
school district board under division (D)(1) of this section. The 31926  
commission shall then recalculate the school district's portion of 31927  
the new basic project cost, which shall be the percentage of the 31928  
original basic project cost assigned to the school district as its 31929  
portion under division (C) of this section. The commission shall 31930  
deduct the expenditure of school district moneys made under 31931  
division (D)(1) of this section from the school district's portion 31932  
of the basic project cost as recalculated under this division. If 31933  
the amount of school district resources applied by the school 31934  
district board to the school district's portion of the basic 31935  
project cost under this section is less than the total amount of 31936  
such portion as recalculated under this division, the school 31937  
district board by a majority vote of all of its members shall, if 31938  
it desires to seek state assistance under sections 3318.01 to 31939  
3318.20 of the Revised Code, adopt a resolution as specified in 31940  
section 3318.06 of the Revised Code to submit to the electors of 31941  
the school district the question of approval of a bond issue in 31942  
order to pay any additional amount of school district portion 31943  
required for state assistance. Any tax levy approved under 31944  
division (D) of this section satisfies the requirements to levy 31945  
the additional tax under section 3318.06 of the Revised Code. 31946

(2) If the amount of school district resources applied by the 31947  
school district board to the school district's portion of the 31948  
basic project cost under this section is more than the total 31949  
amount of such portion as recalculated under this division, within 31950  
one year after the school district's portion is recalculated under 31951  
division (E)(1) of this section the commission may grant to the 31952  
school district the difference between the two calculated 31953

portions, but at no time shall the commission expend any state 31954  
funds on a project in an amount greater than the state's portion 31955  
of the basic project cost as recalculated under this division. 31956

Any reimbursement under this division shall be only for local 31957  
resources the school district has applied toward construction cost 31958  
expenditures for the classroom facilities approved by the 31959  
commission, which shall not include any financing costs associated 31960  
with that construction. 31961

The school district board shall use any moneys reimbursed to 31962  
the district under this division to pay off any debt service the 31963  
district owes for classroom facilities constructed under its 31964  
project under this section before such moneys are applied to any 31965  
other purpose. However, the district board first may deposit 31966  
moneys reimbursed under this division into the district's general 31967  
fund or a permanent improvement fund to replace local resources 31968  
the district withdrew from those funds, as long as, and to the 31969  
extent that, those local resources were used by the district for 31970  
constructing classroom facilities included in the district's basic 31971  
project cost. 31972

**Sec. 3319.074.** (A) As used in this section: 31973

(1) "Core subject area" means reading and English language 31974  
arts, mathematics, science, social studies, foreign language, and 31975  
fine arts. 31976

(2) "Properly certified or licensed teacher" means a any of 31977  
the following individuals: 31978

requirements for certification or licensure under this chapter 31980  
applicable to the subject areas and grade levels in which the 31981  
teacher provides instruction and the students to whom the teacher 31982  
provides the instruction; 31983

(b) The holder of an early childhood long-term substitute license issued under former section 3319.226 of the Revised Code who provides instruction to students in any of grades pre-kindergarten through three; 31984  
31985  
31986  
31987

(c) The holder of a valid middle-childhood, adolescence to young adult, or multi-age long-term substitute license issued under former section 3319.226 of the Revised Code who provides instruction in the subject for which that license was issued; 31988  
31989

service charges are due to the owners or holders of the 32981  
obligations. 32982

(D) Whenever a district or the community or technical college 32983  
it operates notifies the chancellor that it will not be able to 32984  
pay the bond service charges when they are due, subject to the 32985  
withholding provisions of this section, or whenever the applicable 32986  
paying agent or fiscal agent notifies the chancellor that it has 32987  
not timely received from a district or from the college it 32988  
operates the full amount needed for payment of the bond service 32989

charges when due to the holders or owners of such obligations, the 32990  
chancellor shall immediately contact the district or college and 32991  
the paying agent or fiscal agent to confirm that the district and 32992

charges, the chancellor shall continue to pay to the agent from 33004  
each periodic distribution thereafter, and until the full amount 33005  
due the agent for unpaid bond service charges is paid in full, the 33006

state share of instruction. 33010

(E) The chancellor may make any payments under this section 33011  
by direct deposit of funds by electronic transfer. 33012

district or community or technical college subject to this section 33016  
or to the reimbursement of the provider of a credit enhancement 33017  
facility that has paid the bond service charges. 33018

(F) The chancellor may make payments under this section to 33019  
paying agents or fiscal agents during any fiscal biennium of the 33020  
state only from and to the extent that money is appropriated to 33021

community or technical college. Obligations of the issuing 33026  
authority or of a community or technical college district to which 33027  
this section is made applicable do not constitute an obligation or 33028  
a debt or a pledge of the faith, credit, or taxing power of the 33029  
state, and the holders or owners of those obligations have no 33030  
right to have excises or taxes levied or appropriations made by 33031  
the general assembly for the payment of bond service charges on 33032  
the obligations, and the obligations shall contain a statement to 33033  
that effect. The agreement for or the actual withholding and 33034  
payment of money under this section does not constitute the 33035  
assumption by the state of any debt of a community or technical 33036  
college district or a community or technical college, and bond 33037  
service charges on the related obligations are not anticipated to 33038  
be paid from the state general revenue fund for purposes of 33039  
Section 17 of Article VIII, Ohio Constitution. 33040

(G) In the case of obligations subject to the withholding 33041

college district, or the issuing authority in the case of 33043  
obligations issued by the issuing authority, shall appoint a 33044  
paying agent or fiscal agent who is not an officer or employee of 33045  
the district or college. 33046

(H) The chancellor, with the advice and consent of the office 33047  
of budget and management, may adopt reasonable rules not 33048  
inconsistent with this section for the implementation of this 33049  
section to secure payment of bond service charges on obligations 33050  
issued by a community or technical college district or by the 33051  
issuing authority for the benefit of a community or technical 33052  
college district or the community or technical college it 33053

operates. Those rules shall include criteria for the evaluation 33054  
and approval or denial of community or technical college district 33055  
requests for withholding under this section. 33056

(I) The authority granted by this section is in addition to 33057  
and not a limitation on any other authorizations granted by or 33058  
pursuant to law for the same or similar purposes. 33059

**Sec. 3333.65.** The chancellor of higher education shall 33060  
require each state university or college that the controlling 33061  
board approves to receive an award under the Ohio innovation 33062  
partnership to enter into an agreement governing the use of the 33063  
award. The agreement shall contain terms the chancellor determines 33064  
to be necessary, which shall include performance measures, 33065  
reporting requirements, and an obligation to fulfill pledges of 33066  
other institutional, public, or nonpublic resources for the 33067  
proposal. 33068

The chancellor may require a state university or college that 33069  
violates the terms of its agreement to repay the award plus 33070  
interest at the rate required by section 5703.47 of the Revised 33071  
Code to the chancellor only as the award and any interest due is 33072  
collected from a student for repayment. The chancellor shall not 33073  
hold a state university or college responsible for repayment to 33074  
the department of higher education until the state university or 33075  
college is able to obtain repayment from the student or if the 33076  
state university or college has certified collection of the 33077  
repayment to the attorney general and has sent a copy of the 33078  
certification to the chancellor. 33079

If the chancellor makes an award to a program or initiative 33080  
that is intended to be implemented by a state university or 33081  
college in collaboration with other state institutions of higher 33082  
education or nonpublic Ohio universities or colleges, the 33083  
chancellor may enter into an agreement with the collaborating 33084

universities or colleges that permits awards to be received 33085  
directly by the collaborating universities or colleges consistent 33086  
with the terms of the program or initiative. In that case, the 33087  
chancellor shall incorporate into the agreement terms consistent 33088  
with the requirements of this section. 33089

to the chancellor, who shall approve or disapprove such a request. 33149

college district may provide for the investment of district funds 33365  
in any manner authorized under section 3345.05 of the Revised 33366

long-term care facility in which the beds are being placed or a 35211  
nursing home owned or operated by the applicant or a principal 35212  
participant, unless in the case of such a nursing home ~~the~~ either 35213

a principal participant if the deficiencies or violations were 35257  
attributable to circumstances that arose under the previous owner 35258  
or operator and the applicant or principal participant has 35259

following family members of the individuals described in division 35278  
(C)(2) of this section: mothers, fathers, brothers, sisters, 35279  
brothers-in-law, sisters-in-law, or children. Such a facility may 35280

the director of health shall accept, for review under section 35289  
3702.52 of the Revised Code, certificate of need applications for 35290  
any of the following purposes if the proposed increase in beds is 35291  
attributable solely to relocation of existing beds from an 35292  
existing long-term care facility in a county with excess beds to a 35293  
long-term care facility in a county in which there are fewer 35294  
long-term care beds than the county's bed need: 35295

(1) Approval of beds in a new long-term care facility or an 35296

Chapter 3721. of the Revised Code; 35299

(2) Approval of beds in a new county home or new county 35300  
nursing home, or an increase of beds in an existing county home or 35301

in the county in order for the statewide occupancy rate for a 35334  
projected population aged sixty-five and older to be ninety per 35335  
cent. 35336

In determining each county's bed need, the director shall use 35337

health. 35342

(C) The director's consideration of a certificate of need 35343  
that would increase the number of beds in a county shall be 35344  
consistent with the county's bed need determined under division 35345  
(B) of this section ~~except as follows:~~ 35346

cent, the county shall be considered to have no need for 35348  
additional beds. 35349~~

~~(2) Even if a county is determined not to need any additional 35350  
long term care beds, the director may approve an increase in beds 35351

director accepts and reviews certificate of need applications as 35367  
provided in division (D)(2) of this section. If the director 35368  
determines that there will be acceptance and review of additional 35369  
certificate of need applications, the second phase of the review 35370  
period shall begin on the first day of July of the third year of 35371  
the review period. The second phase shall be limited to acceptance 35372~~

~~and review of applications for redistribution of beds made~~ 35373  
~~available pursuant to division (I) of this section. During the~~ 35374

only beds available for relocation from another county and shall 35382  
not exceed the bed need of the receiving county; 35383

(2) The director shall consider the existence of community 35384

(4) The director shall approve relocation of beds from a 35392  
long-term care facility only if, after the relocation, the number 35393

county and the number of beds for which certificates of need are 35409  
being requested totals more than the number of beds available in 35410  
the county from which the beds are to be relocated. 35411

(2) The applications propose to relocate beds to the same 35412  
county and the number of beds for which certificates of need are 35413  
being requested totals more than the number of beds needed in the 35414  
county to which the beds are to be relocated. 35415

(3) The applications propose to relocate beds from the same 35416  
service area and the number of beds left in the service area from 35417  
which the beds are being relocated would be less than the state 35418  
bed need rate determined by the director. 35419

(G) In determining which applicants should receive preference 35420  
in the comparative review process, the director shall consider all 35421  
of the following as weighted priorities: 35422

(1) Whether the beds will be part of a continuing care 35423

such as low-income individuals, individuals with disabilities, or 35426  
individuals who are members of racial or ethnic minority groups; 35427

(3) Whether the project in which the beds will be included 35428

day-care, home health care, respite or hospice care, mobile meals, 35430  
residential care, independent living, or congregate living 35431  
services; 35432

(4) Whether the long-term care facility's owner or operator 35433

will participate in medicaid waiver programs for alternatives to institutional care; 35434  
35435

(5) Whether the project in which the beds will be included will reduce alternatives to institutional care by converting residential care beds or other alternative care beds to long-term care beds; 35436  
35437  
35438  
35439

(6) Whether the facility in which the beds will be placed has positive resident and family satisfaction surveys; 35440

35443

(8) Whether the long-term care facility in which the beds will be placed is located within the service area of a hospital and is designed to accept patients for rehabilitation after an in-patient hospital stay; 35444  
35445  
35446  
35447

35455  
35456  
35457

(I) When a certificate of need application is approved ~~during the initial phase of a four year review period~~, in addition to the actions required by division (D) of section 3702.52 of the Revised Code, the long-term care facility from which the beds were relocated shall reduce the number of beds operated in the facility by a number of beds equal to at least ten per cent of the number 35458  
35459  
35460  
35461  
35462

~~the first phase of~~ a four-year review period is complete, the 35476  
director shall make a new determination of the bed need for each 35477  
county by reducing the county's bed need by the number of beds 35478  
approved for relocation to the county. The new bed-need 35479  
determination shall be made not later than the first day of April 35480  
of the third year of the review period. 35481

(2) The director may publish on the department's web site the 35482  
~~remaining updated~~ bed need for counties that ~~will be considered~~ 35483  
~~for redistribution of beds that, in accordance with division (I)~~ 35484

this section. The total number of beds approved for redistribution 35499  
in the second phase of a review period shall not exceed the number 35500

division (I) of this section. Beds that are not approved for 35502

37139

As used in this division, "blood products" does not include patient care waste such as bandages or disposable gowns that are lightly soiled with blood or other body fluids unless those wastes are soiled to the extent that the generator of the wastes determines that they should be managed as infectious wastes. 37140

In the case of solid wastes that are taken to a solid waste 37311  
transfer facility located in this state prior to being transported 37312  
for disposal at a solid waste disposal facility located in this 37313  
state or outside of this state, the fees levied under this 37314  
division shall be collected by the owner or operator of the 37315  
transfer facility as a trustee for the state. The amount of fees 37316  
required to be collected under this division at such a transfer 37317  
facility shall equal the total tonnage of solid wastes received at 37318  
the facility multiplied by the fees levied under this division. In 37319  
the case of solid wastes that are not taken to a solid waste 37320  
transfer facility located in this state prior to being transported 37321  
to a solid waste disposal facility, the fees shall be collected by 37322  
the owner or operator of the solid waste disposal facility as a 37323  
trustee for the state. The amount of fees required to be collected 37324  
under this division at such a disposal facility shall equal the 37325  
total tonnage of solid wastes received at the facility that was 37326  
not previously taken to a solid waste transfer facility located in 37327  
this state multiplied by the fees levied under this division. Fees 37328  
levied under this division do not apply to materials separated 37329  
from a mixed waste stream for recycling by a generator or 37330  
materials removed from the solid waste stream through recycling, 37331  
as "recycling" is defined in rules adopted under section 3734.02 37332  
of the Revised Code. 37333

The owner or operator of a solid waste transfer facility or 37334  
disposal facility, as applicable, shall prepare and file with the 37335  
director of environmental protection each month a return 37336  
indicating the total tonnage of solid wastes received at the 37337  
facility during that month and the total amount of the fees 37338  
required to be collected under this division during that month. In 37339  
addition, the owner or operator of a solid waste disposal facility 37340  
shall indicate on the return the total tonnage of solid wastes 37341

received from transfer facilities located in this state during 37342  
that month for which the fees were required to be collected by the 37343  
transfer facilities. The monthly returns shall be filed on a form 37344  
prescribed by the director. Not later than thirty days after the 37345  
last day of the month to which a return applies, the owner or 37346  
operator shall mail to the director the return for that month 37347  
together with the fees required to be collected under this 37348  
division during that month as indicated on the return or may 37349  
submit the return and fees electronically in a manner approved by 37350  
the director. If the return is filed and the amount of the fees 37351  
due is paid in a timely manner as required in this division, the 37352  
owner or operator may retain a discount of three-fourths of one 37353  
per cent of the total amount of the fees that are required to be 37354  
paid as indicated on the return. 37355

The owner or operator may request an extension of not more 37356  
than thirty days for filing the return and remitting the fees, 37357  
provided that the owner or operator has submitted such a request 37358  
in writing to the director together with a detailed description of 37359  
why the extension is requested, the director has received the 37360  
request not later than the day on which the return is required to 37361  
be filed, and the director has approved the request. If the fees 37362  
are not remitted within thirty days after the last day of the 37363  
month to which the return applies or are not remitted by the last 37364  
day of an extension approved by the director, the owner or 37365  
operator shall not retain the three-fourths of one per cent 37366  
discount and shall pay an additional ten per cent of the amount of 37367  
the fees for each month that they are late. For purposes of 37368  
calculating the late fee, the first month in which fees are late 37369  
begins on the first day after the deadline has passed for timely 37370  
submitting the return and fees, and one additional month shall be 37371  
counted every thirty days thereafter. 37372

The owner or operator of a solid waste facility may request a 37373

refund or credit of fees levied under this division and remitted 37374  
to the director that have not been paid to the owner or operator. 37375  
Such a request shall be made only if the fees have not been 37376  
collected by the owner or operator, have become a debt that has 37377  
become worthless or uncollectable for a period of six months or 37378  
more, and may be claimed as a deduction, including a deduction 37379  
claimed if the owner or operator keeps accounts on an accrual 37380  
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 37381  
U.S.C. 166, as amended, and regulations adopted under it. Prior to 37382  
making a request for a refund or credit, an owner or operator 37383  
shall make reasonable efforts to collect the applicable fees. A 37384  
request for a refund or credit shall not include any costs 37385  
resulting from those efforts to collect unpaid fees. 37386

A request for a refund or credit of fees shall be made in 37387  
writing, on a form prescribed by the director, and shall be 37388  
supported by evidence that may be required in rules adopted by the 37389  
director under this chapter. After reviewing the request, and if 37390  
the request and evidence submitted with the request indicate that 37391  
a refund or credit is warranted, the director shall grant a refund 37392  
to the owner or operator or shall permit a credit to be taken by 37393  
the owner or operator on a subsequent monthly return submitted by 37394  
the owner or operator. The amount of a refund or credit shall not 37395  
exceed an amount that is equal to ninety days' worth of fees owed 37396  
to an owner or operator by a particular debtor of the owner or 37397  
operator. A refund or credit shall not be granted by the director 37398  
to an owner or operator more than once in any twelve-month period 37399  
for fees owed to the owner or operator by a particular debtor. 37400

If, after receiving a refund or credit from the director, an 37401  
owner or operator receives payment of all or part of the fees, the 37402  
owner or operator shall remit the fees with the next monthly 37403  
return submitted to the director together with a written 37404  
explanation of the reason for the submittal. 37405

For purposes of computing the fees levied under this division 37406  
or division (B) of this section, any solid waste transfer or 37407  
disposal facility that does not use scales as a means of 37408  
determining gate receipts shall use a conversion factor of three 37409  
cubic yards per ton of solid waste or one cubic yard per ton for 37410  
baled waste, as applicable. 37411

The fees levied under this division and divisions (B) and (C) 37412  
of this section are in addition to all other applicable fees and 37413  
taxes and shall be paid by the customer or a political subdivision 37414  
to the owner or operator of a solid waste transfer or disposal 37415  
facility. In the alternative, the fees shall be paid by a customer 37416  
or political subdivision to a transporter of waste who 37417  
subsequently transfers the fees to the owner or operator of such a 37418  
facility. The fees shall be paid notwithstanding the existence of 37419  
any provision in a contract that the customer or a political 37420  
subdivision may have with the owner or operator or with a 37421  
transporter of waste to the facility that would not require or 37422  
allow such payment regardless of whether the contract was entered 37423  
prior to or after October 16, 2009. For those purposes, "customer" 37424  
means a person who contracts with, or utilizes the solid waste 37425  
services of, the owner or operator of a solid waste transfer or 37426  
disposal facility or a transporter of solid waste to such a 37427  
facility. 37428

(B) For the purposes specified in division (G) of this 37429  
section, the solid waste management policy committee of a county 37430  
or joint solid waste management district may levy fees upon the 37431  
following activities: 37432

(1) The disposal at a solid waste disposal facility located 37433  
in the district of solid wastes generated within the district; 37434

(2) The disposal at a solid waste disposal facility within 37435  
the district of solid wastes generated outside the boundaries of 37436  
the district, but inside this state; 37437

(3) The disposal at a solid waste disposal facility within 37438  
the district of solid wastes generated outside the boundaries of 37439  
this state. 37440

The solid waste management plan of the county or joint 37441  
district approved under section 3734.521 or 3734.55 of the Revised 37442  
Code and any amendments to it, or the resolution adopted under 37443  
this division, as appropriate, shall establish the rates of the 37444  
fees levied under divisions (B)(1), (2), and (3) of this section, 37445  
if any, and shall specify whether the fees are levied on the basis 37446  
of tons or cubic yards as the unit of measurement. A solid waste 37447  
management district that levies fees under this division on the 37448  
basis of cubic yards shall do so in accordance with division (A) 37449  
of this section. 37450

The fee levied under division (B)(1) of this section shall be 37451  
not less than one dollar per ton nor more than two dollars per 37452  
ton, the fee levied under division (B)(2) of this section shall be 37453  
not less than two dollars per ton nor more than four dollars per 37454  
ton, and the fee levied under division (B)(3) of this section 37455  
shall be not more than the fee levied under division (B)(1) of 37456  
this section. 37457

Prior to the approval of the solid waste management plan of a 37458  
district under section 3734.55 of the Revised Code, the solid 37459  
waste management policy committee of a district may levy fees 37460  
under this division by adopting a resolution establishing the 37461  
proposed amount of the fees. Upon adopting the resolution, the 37462  
committee shall deliver a copy of the resolution to the board of 37463  
county commissioners of each county forming the district and to 37464  
the legislative authority of each municipal corporation and 37465  
township under the jurisdiction of the district and shall prepare 37466  
and publish the resolution and a notice of the time and location 37467  
where a public hearing on the fees will be held. Upon adopting the 37468  
resolution, the committee shall deliver written notice of the 37469

adoption of the resolution; of the amount of the proposed fees; 37470  
and of the date, time, and location of the public hearing to the 37471  
director and to the fifty industrial, commercial, or institutional 37472  
generators of solid wastes within the district that generate the 37473  
largest quantities of solid wastes, as determined by the 37474  
committee, and to their local trade associations. The committee 37475  
shall make good faith efforts to identify those generators within 37476  
the district and their local trade associations, but the 37477  
nonprovision of notice under this division to a particular 37478  
generator or local trade association does not invalidate the 37479  
proceedings under this division. The publication shall occur at 37480  
least thirty days before the hearing. After the hearing, the 37481  
committee may make such revisions to the proposed fees as it 37482  
considers appropriate and thereafter, by resolution, shall adopt 37483  
the revised fee schedule. Upon adopting the revised fee schedule, 37484  
the committee shall deliver a copy of the resolution doing so to 37485  
the board of county commissioners of each county forming the 37486  
district and to the legislative authority of each municipal 37487  
corporation and township under the jurisdiction of the district. 37488  
Within sixty days after the delivery of a copy of the resolution 37489  
adopting the proposed revised fees by the policy committee, each 37490  
such board and legislative authority, by ordinance or resolution, 37491  
shall approve or disapprove the revised fees and deliver a copy of 37492  
the ordinance or resolution to the committee. If any such board or 37493  
legislative authority fails to adopt and deliver to the policy 37494  
committee an ordinance or resolution approving or disapproving the 37495  
revised fees within sixty days after the policy committee 37496  
delivered its resolution adopting the proposed revised fees, it 37497  
shall be conclusively presumed that the board or legislative 37498  
authority has approved the proposed revised fees. The committee 37499  
shall determine if the resolution has been ratified in the same 37500  
manner in which it determines if a draft solid waste management 37501  
plan has been ratified under division (B) of section 3734.55 of 37502

the Revised Code. 37503

The committee may amend the schedule of fees levied pursuant 37504  
to a resolution adopted and ratified under this division by 37505  
adopting a resolution establishing the proposed amount of the 37506  
amended fees. The committee may repeal the fees levied pursuant to 37507  
such a resolution by adopting a resolution proposing to repeal 37508  
them. Upon adopting such a resolution, the committee shall proceed 37509  
to obtain ratification of the resolution in accordance with this 37510  
division. 37511

Not later than fourteen days after declaring the new fees to 37512  
be ratified or the fees to be repealed under this division, the 37513  
committee shall notify by certified mail the owner or operator of 37514  
each solid waste disposal facility that is required to collect the 37515  
fees of the ratification and the amount of the fees or of the 37516  
repeal of the fees. Collection of any fees shall commence or 37517  
collection of repealed fees shall cease on the first day of the 37518  
second month following the month in which notification is sent to 37519  
the owner or operator. 37520

Fees levied under this division also may be established, 37521  
amended, or repealed by a solid waste management policy committee 37522  
through the adoption of a new district solid waste management 37523  
plan, the adoption of an amended plan, or the amendment of the 37524  
plan or amended plan in accordance with sections 3734.55 and 37525  
3734.56 of the Revised Code or the adoption or amendment of a 37526  
district plan in connection with a change in district composition 37527  
under section 3734.521 of the Revised Code. 37528

Not later than fourteen days after the director issues an 37529  
order approving a district's solid waste management plan, amended 37530  
plan, or amendment to a plan or amended plan that establishes, 37531  
amends, or repeals a schedule of fees levied by the district, the 37532  
committee shall notify by certified mail the owner or operator of 37533  
each solid waste disposal facility that is required to collect the 37534

fees of the approval of the plan or amended plan, or the amendment 37535  
to the plan, as appropriate, and the amount of the fees, if any. 37536  
In the case of an initial or amended plan approved under section 37537  
3734.521 of the Revised Code in connection with a change in 37538  
district composition, other than one involving the withdrawal of a 37539  
county from a joint district, the committee, within fourteen days 37540  
after the change takes effect pursuant to division (G) of that 37541  
section, shall notify by certified mail the owner or operator of 37542  
each solid waste disposal facility that is required to collect the 37543  
fees that the change has taken effect and of the amount of the 37544  
fees, if any. Collection of any fees shall commence or collection 37545  
of repealed fees shall cease on the first day of the second month 37546  
following the month in which notification is sent to the owner or 37547  
operator. 37548

If, in the case of a change in district composition involving 37549  
the withdrawal of a county from a joint district, the director 37550  
completes the actions required under division (G)(1) or (3) of 37551  
section 3734.521 of the Revised Code, as appropriate, forty-five 37552  
days or more before the beginning of a calendar year, the policy 37553  
committee of each of the districts resulting from the change that 37554  
obtained the director's approval of an initial or amended plan in 37555  
connection with the change, within fourteen days after the 37556  
director's completion of the required actions, shall notify by 37557  
certified mail the owner or operator of each solid waste disposal 37558  
facility that is required to collect the district's fees that the 37559  
change is to take effect on the first day of January immediately 37560  
following the issuance of the notice and of the amount of the fees 37561  
or amended fees levied under divisions (B)(1) to (3) of this 37562  
section pursuant to the district's initial or amended plan as so 37563  
approved or, if appropriate, the repeal of the district's fees by 37564  
that initial or amended plan. Collection of any fees set forth in 37565  
such a plan or amended plan shall commence on the first day of 37566  
January immediately following the issuance of the notice. If such 37567

an initial or amended plan repeals a schedule of fees, collection 37568  
of the fees shall cease on that first day of January. 37569

If, in the case of a change in district composition involving 37570  
the withdrawal of a county from a joint district, the director 37571  
completes the actions required under division (G)(1) or (3) of 37572  
section 3734.521 of the Revised Code, as appropriate, less than 37573  
forty-five days before the beginning of a calendar year, the 37574  
director, on behalf of each of the districts resulting from the 37575  
change that obtained the director's approval of an initial or 37576  
amended plan in connection with the change proceedings, shall 37577  
notify by certified mail the owner or operator of each solid waste 37578  
disposal facility that is required to collect the district's fees 37579  
that the change is to take effect on the first day of January 37580  
immediately following the mailing of the notice and of the amount 37581  
of the fees or amended fees levied under divisions (B)(1) to (3) 37582  
of this section pursuant to the district's initial or amended plan 37583  
as so approved or, if appropriate, the repeal of the district's 37584  
fees by that initial or amended plan. Collection of any fees set 37585  
forth in such a plan or amended plan shall commence on the first 37586  
day of the second month following the month in which notification 37587  
is sent to the owner or operator. If such an initial or amended 37588  
plan repeals a schedule of fees, collection of the fees shall 37589  
cease on the first day of the second month following the month in 37590  
which notification is sent to the owner or operator. 37591

If the schedule of fees that a solid waste management 37592  
district is levying under divisions (B)(1) to (3) of this section 37593  
is amended or repealed, the fees in effect immediately prior to 37594  
the amendment or repeal shall continue to be collected until 37595  
collection of the amended fees commences or collection of the 37596  
repealed fees ceases, as applicable, as specified in this 37597  
division. In the case of a change in district composition, money 37598  
so received from the collection of the fees of the former 37599

districts shall be divided among the resulting districts in 37600  
accordance with division (B) of section 343.012 of the Revised 37601  
Code and the agreements entered into under division (B) of section 37602  
343.01 of the Revised Code to establish the former and resulting 37603  
districts and any amendments to those agreements. 37604

For the purposes of the provisions of division (B) of this 37605  
section establishing the times when newly established or amended 37606  
fees levied by a district are required to commence and the 37607  
collection of fees that have been amended or repealed is required 37608  
to cease, "fees" or "schedule of fees" includes, in addition to 37609  
fees levied under divisions (B)(1) to (3) of this section, those 37610  
levied under section 3734.573 or 3734.574 of the Revised Code. 37611

(C) For the purposes of defraying the added costs to a 37612  
municipal corporation or township of maintaining roads and other 37613  
public facilities and of providing emergency and other public 37614  
services, and compensating a municipal corporation or township for 37615  
reductions in real property tax revenues due to reductions in real 37616  
property valuations resulting from the location and operation of a 37617  
solid waste disposal facility within the municipal corporation or 37618  
township, a municipal corporation or township in which such a 37619  
solid waste disposal facility is located may levy a fee of not 37620  
more than twenty-five cents per ton on the disposal of solid 37621  
wastes at a solid waste disposal facility located within the 37622  
boundaries of the municipal corporation or township regardless of 37623  
where the wastes were generated. 37624

The legislative authority of a municipal corporation or 37625  
township may levy fees under this division by enacting an 37626  
ordinance or adopting a resolution establishing the amount of the 37627  
fees. Upon so doing the legislative authority shall mail a 37628  
certified copy of the ordinance or resolution to the board of 37629  
county commissioners or directors of the county or joint solid 37630  
waste management district in which the municipal corporation or 37631

township is located or, if a regional solid waste management 37632  
authority has been formed under section 343.011 of the Revised 37633  
Code, to the board of trustees of that regional authority, the 37634  
owner or operator of each solid waste disposal facility in the 37635  
municipal corporation or township that is required to collect the 37636  
fee by the ordinance or resolution, and the director of 37637  
environmental protection. Although the fees levied under this 37638  
division are levied on the basis of tons as the unit of 37639  
measurement, the legislative authority, in its ordinance or 37640  
resolution levying the fees under this division, may direct that 37641  
the fees be levied on the basis of cubic yards as the unit of 37642  
measurement based upon a conversion factor of three cubic yards 37643  
per ton generally or one cubic yard per ton for baled wastes. 37644

Not later than five days after enacting an ordinance or 37645  
adopting a resolution under this division, the legislative 37646  
authority shall so notify by certified mail the owner or operator 37647  
of each solid waste disposal facility that is required to collect 37648  
the fee. Collection of any fee levied on or after March 24, 1992, 37649  
shall commence on the first day of the second month following the 37650  
month in which notification is sent to the owner or operator. 37651

(D)(1) The fees levied under divisions (A), (B), and (C) of 37652  
this section do not apply to the disposal of solid wastes that: 37653

(a) Are disposed of at a facility owned by the generator of 37654  
the wastes when the solid waste facility exclusively disposes of 37655  
solid wastes generated at one or more premises owned by the 37656  
generator regardless of whether the facility is located on a 37657  
premises where the wastes are generated; 37658

(b) Are generated from the combustion of coal, or from the 37659  
combustion of primarily coal, regardless of whether the disposal 37660  
facility is located on the premises where the wastes are 37661  
generated; 37662

(c) Are asbestos or asbestos-containing materials or products 37663  
disposed of at a construction and demolition debris facility that 37664  
is licensed under Chapter 3714. of the Revised Code or at a solid 37665  
waste facility that is licensed under this chapter. 37666

(2) Except as provided in section 3734.571 of the Revised 37667  
Code, any fees levied under division (B)(1) of this section apply 37668  
to solid wastes originating outside the boundaries of a county or 37669  
joint district that are covered by an agreement for the joint use 37670  
of solid waste facilities entered into under section 343.02 of the 37671  
Revised Code by the board of county commissioners or board of 37672  
directors of the county or joint district where the wastes are 37673  
generated and disposed of. 37674

(3) When solid wastes, other than solid wastes that consist 37675  
of scrap tires, are burned in a disposal facility that is an 37676  
incinerator or energy recovery facility, the fees levied under 37677  
divisions (A), (B), and (C) of this section shall be levied upon 37678  
the disposal of the fly ash and bottom ash remaining after burning 37679  
of the solid wastes and shall be collected by the owner or 37680  
operator of the sanitary landfill where the ash is disposed of. 37681

(4) When solid wastes are delivered to a solid waste transfer 37682  
facility, the fees levied under divisions (B) and (C) of this 37683  
section shall be levied upon the disposal of solid wastes 37684  
transported off the premises of the transfer facility for disposal 37685  
and shall be collected by the owner or operator of the solid waste 37686

(5) The fees levied under divisions (A), (B), and (C) of this 37688  
section do not apply to sewage sludge that is generated by a waste 37689  
water treatment facility holding a national pollutant discharge 37690  
elimination system permit and that is disposed of through 37691  
incineration, land application, or composting or at another 37692  
resource recovery or disposal facility that is not a landfill. 37693

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an order exempting from the fees levied under this section solid wastes, including, but not limited to, scrap tires, that are generated, transferred, or disposed of as a result of a contract providing for the expenditure of public funds entered into by the administrator or regional administrator of the United States environmental protection agency, the director of environmental protection, or the director of administrative services on behalf of the director of environmental protection for the purpose of remediating conditions at a hazardous waste facility, solid waste facility, or other location at which the administrator or regional administrator or the director of environmental protection has reason to believe that there is a substantial threat to public health or safety or the environment or that the conditions are causing or contributing to air or water pollution or soil contamination. An order issued by the director of environmental protection under division (D)(8) of this section shall include a

determination that the amount of the fees not received by a solid waste management district as a result of the order will not adversely impact the implementation and financing of the district's approved solid waste management plan and any approved amendments to the plan. Such an order is a final action of the director of environmental protection.

(E) The fees levied under divisions (B) and (C) of this section shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. a similar capacity under a county charter, in a county district or 37758  
to the county treasurer or other official designated by the board 37759  
of directors in a joint district and kept in a separate and 37760  
distinct fund to the credit of the district. If a regional solid 37761  
waste management authority has been formed under section 343.011 37762  
of the Revised Code, moneys received by the board of trustees of 37763  
that regional authority under division (E) of this section shall 37764  
be kept by the board in a separate and distinct fund to the credit 37765

most recent calendar year ending before the beginning of a year 38703  
exceeds the consumer price index for calendar year 1989. Upon 38704  
calculating an increase in fees authorized by division (E)(1) of 38705  
this section, the director shall compile revised fee schedules for 38706

the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4)	39518

of this section, each sewage sludge facility shall pay a 39519  
nonrefundable annual sludge fee equal to three dollars and fifty 39520  
cents per dry ton of sewage sludge, including the dry tons of 39521  
sewage sludge in materials derived from sewage sludge, that the 39522  
sewage sludge facility treats or disposes of in this state. The 39523  
annual volume of sewage sludge treated or disposed of by a sewage 39524  
sludge facility shall be calculated using the first day of January 39525  
through the thirty-first day of December of the calendar year 39526  
preceding the date on which payment of the fee is due. 39527

(2)(a) Except as provided in division (Y)(2)(d) of this 39528  
section, each sewage sludge facility shall pay a minimum annual 39529  
sewage sludge fee of one hundred dollars. 39530

(b) The annual sludge fee required to be paid by a sewage 39531  
sludge facility that treats or disposes of exceptional quality 39532  
sludge in this state shall be thirty-five per cent less per dry 39533  
ton of exceptional quality sludge than the fee assessed under 39534  
division (Y)(1) of this section, subject to the following 39535  
exceptions: 39536

(i) Except as provided in division (Y)(2)(d) of this section, 39537  
a sewage sludge facility that treats or disposes of exceptional 39538  
quality sludge shall pay a minimum annual sewage sludge fee of one 39539  
hundred dollars. 39540

(ii) A sewage sludge facility that treats or disposes of 39541  
exceptional quality sludge shall not be required to pay the annual 39542  
sludge fee for treatment or disposal in this state of exceptional 39543  
quality sludge generated outside of this state and contained in 39544  
bags or other containers not greater than one hundred pounds in 39545  
capacity. 39546

A thirty-five per cent reduction for exceptional quality 39547  
sludge applies to the maximum annual fees established under 39548  
division (Y)(3) of this section. 39549

(c) A sewage sludge facility that transfers sewage sludge to another sewage sludge facility in this state for further treatment prior to disposal in this state shall not be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred. In such a case, the sewage sludge facility that disposes of the sewage sludge shall pay the annual sludge fee. However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge resulting from an average daily discharge flow of less than five thousand gallons per day is not subject to the fees assessed under division (Y) of this section.

(3) No sewage sludge facility required to pay the annual sludge fee shall be required to pay more than the maximum annual fee for each disposal method that the sewage sludge facility uses. The maximum annual fee does not include the additional amount that may be charged under division (Y)(5) of this section for late payment of the annual sludge fee. The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(c) Land application, land reclamation, surface disposal, or any other disposal method not specified in division (Y)(3)(a) or (b) of this section: twenty thousand dollars.

(4)(a) In the case of an entity that generates sewage sludge 39581  
or a sewage sludge facility that treats sewage sludge and 39582  
transfers the sewage sludge to an incineration facility for 39583  
disposal, the incineration facility, and not the entity generating 39584  
the sewage sludge or the sewage sludge facility treating the 39585  
sewage sludge, shall pay the annual sludge fee for the tons of 39586  
sewage sludge that are transferred. However, the entity or 39587  
facility generating or treating the sewage sludge shall pay the 39588  
one-hundred-dollar minimum fee required under division (Y)(2)(a) 39589  
of this section. 39590

(b) In the case of an entity that generates sewage sludge and 39591  
transfers the sewage sludge to a landfill for disposal or to a 39592  
sewage sludge facility for land reclamation or surface disposal, 39593  
the entity generating the sewage sludge, and not the landfill or 39594  
sewage sludge facility, shall pay the annual sludge fee for the 39595  
tons of sewage sludge that are transferred. 39596

(5) Not later than the first day of April of the calendar 39597  
year following March 17, 2000, and each first day of April 39598  
thereafter, the director shall issue invoices to persons who are 39599  
required to pay the annual sludge fee. The invoice shall identify 39600  
the nature and amount of the annual sludge fee assessed and state 39601  
the first day of May as the deadline for receipt by the director 39602  
of objections regarding the amount of the fee and the first day of 39603  
July as the deadline for payment of the fee. 39604

Not later than the first day of May following receipt of an 39605  
invoice, a person required to pay the annual sludge fee may submit 39606  
objections to the director concerning the accuracy of information 39607  
regarding the number of dry tons of sewage sludge used to 39608  
calculate the amount of the annual sludge fee or regarding whether 39609  
the sewage sludge qualifies for the exceptional quality sludge 39610  
discount established in division (Y)(2)(b) of this section. The 39611  
director may consider the objections and adjust the amount of the 39612

fee to ensure that it is accurate. 39613

If the director does not adjust the amount of the annual 39614  
sludge fee in response to a person's objections, the person may 39615  
appeal the director's determination in accordance with Chapter 39616  
119. of the Revised Code. 39617

Not later than the first day of June, the director shall 39618  
notify the objecting person regarding whether the director has 39619  
found the objections to be valid and the reasons for the finding. 39620  
If the director finds the objections to be valid and adjusts the 39621  
amount of the annual sludge fee accordingly, the director shall 39622  
issue with the notification a new invoice to the person 39623  
identifying the amount of the annual sludge fee assessed and 39624  
stating the first day of July as the deadline for payment. 39625

Not later than the first day of July, any person who is 39626  
required to do so shall pay the annual sludge fee. Any person who 39627  
is required to pay the fee, but who fails to do so on or before 39628  
that date shall pay an additional amount that equals ten per cent 39629  
of the required annual sludge fee. 39630

(6) The director shall transmit all moneys collected under 39631  
division (Y) of this section to the treasurer of state for deposit 39632  
into the surface water protection fund created in section 6111.038 39633  
of the Revised Code. The moneys shall be used to defray the costs 39634  
of administering and enforcing provisions in Chapter 6111. of the 39635  
Revised Code and rules adopted under it that govern the use, 39636  
storage, treatment, or disposal of sewage sludge. 39637

(7) Beginning in fiscal year 2001, and every two years 39638  
thereafter, the director shall review the total amount of moneys 39639  
generated by the annual sludge fees to determine if that amount 39640  
exceeded six hundred thousand dollars in either of the two 39641  
preceding fiscal years. If the total amount of moneys in the fund 39642  
exceeded six hundred thousand dollars in either fiscal year, the 39643

director, after review of the fee structure and consultation with 39644  
affected persons, shall issue an order reducing the amount of the 39645  
fees levied under division (Y) of this section so that the 39646  
estimated amount of moneys resulting from the fees will not exceed 39647  
six hundred thousand dollars in any fiscal year. 39648

If, upon review of the fees under division (Y)(7) of this 39649  
section and after the fees have been reduced, the director 39650  
determines that the total amount of moneys collected and 39651  
accumulated is less than six hundred thousand dollars, the 39652  
director, after review of the fee structure and consultation with 39653  
affected persons, may issue an order increasing the amount of the 39654  
fees levied under division (Y) of this section so that the 39655  
estimated amount of moneys resulting from the fees will be 39656  
approximately six hundred thousand dollars. Fees shall never be 39657  
increased to an amount exceeding the amount specified in division 39658  
(Y)(7) of this section. 39659

Notwithstanding section 119.06 of the Revised Code, the 39660  
director may issue an order under division (Y)(7) of this section 39661  
without the necessity to hold an adjudicatory hearing in 39662  
connection with the order. The issuance of an order under this 39663  
division is not an act or action for purposes of section 3745.04 39664  
of the Revised Code. 39665

year by the commission and one race track has been authorized to 39786  
conduct thoroughbred racing meets and the other race track has 39787  
been authorized to conduct harness racing meets. When such second 39788  
permit is issued pursuant to this division for racing at the one 39789  
race track, racing shall not be conducted at that race track on 39790  
the same day that racing is conducted at the other race track in 39791

(D) No permit shall be issued so as to permit live racing 39801  
programs on the same hour at more than one track in one county or 39802  
on tracks in operation in 1975 within fifty miles of each other, 39803  
nor shall any other form of pari-mutuel wagering other than horse 39804  
racing be permitted within seventy-five miles of a track where 39805  
horse racing is being conducted, except that this provision shall 39806  
not apply to a horse-racing meeting held at the state fair or at a 39807  
fair conducted by a county agricultural society or at a fair 39808  
conducted by an independent agricultural society. Distribution of 39809  
days shall not apply to fairs or horse shows not required to 39810  
secure a permit under such section. ~~Notwithstanding~~ 39811

(E) ~~Notwithstanding any other contrary provision of this~~ 39812  
~~chapter, a~~The Revised Code: 39813

persons or entities that have been issued permits to conduct 39822  
horse-racing meetings at more than two facilities in this state at 39823  
any one time. 39824

(4) A person or entity is not prohibited from owning more 39825

and at all reasonable times shall be exhibited to any authorized 39832  
person requesting to see the same. 39833

**Sec. 3770.06.** (A) There is hereby created the state lottery 39834

of state but shall not be part of the state treasury. All gross 39836  
revenues received from sales of lottery tickets, fines, fees, and 39837  
related proceeds in connection with the statewide lottery and all 39838  
gross proceeds from statewide joint lottery games shall be 39839  
deposited into the fund. The treasurer of state shall invest any 39840  
portion of the fund not needed for immediate use in the same 39841  
manner as, and subject to all provisions of law with respect to 39842  
the investment of, state funds. The treasurer of state shall 39843  
disburse money from the fund on order of the director of the state 39844  
lottery commission or the director's designee. 39845

Except for gross proceeds from statewide joint lottery games, 39846  
all revenues of the state lottery gross revenue fund that are not 39847  
paid to holders of winning lottery tickets, that are not required 39848  
to meet short-term prize liabilities, that are not credited to 39849  
lottery sales agents in the form of bonuses, commissions, or 39850  
reimbursements, that are not paid to financial institutions to 39851  
reimburse those institutions for sales agent nonsufficient funds, 39852  
and that are collected from sales agents for remittance to 39853  
insurers under contract to provide sales agent bonding services 39854  
shall be transferred to the state lottery fund, which is hereby 39855  
created in the state treasury. In addition, all revenues of the 39856  
state lottery gross revenue fund that represent the gross proceeds 39857  
from the statewide joint lottery games and that are not paid to 39858  
holders of winning lottery tickets, that are not required to meet 39859  
short-term prize liabilities, that are not credited to lottery 39860  
sales agents in the form of bonuses, commissions, or 39861

reimbursements, and that are not necessary to cover operating 39862  
expenses associated with those games or to otherwise comply with 39863  
the agreements signed by the governor that the director enters 39864  
into under division (J) of section 3770.02 of the Revised Code or 39865  
the rules the commission adopts under division (B)(5) of section 39866  
3770.03 of the Revised Code shall be transferred to the state 39867  
lottery fund. All investment earnings of the fund shall be 39868  
credited to the fund. Moneys shall be disbursed from the fund 39869  
pursuant to vouchers approved by the director. Total disbursements 39870  
for monetary prize awards to holders of winning lottery tickets in 39871  
connection with the statewide lottery and purchases of goods and 39872  
services awarded as prizes to holders of winning lottery tickets 39873  
shall be of an amount equal to at least fifty per cent of the 39874  
total revenue accruing from the sale of lottery tickets. 39875

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 39876  
there is hereby established in the state treasury the lottery 39877  
profits education fund. Whenever, in the judgment of the director 39878  
of the state lottery commission, the amount to the credit of the 39879  
state lottery fund that does not represent proceeds from statewide 39880  
joint lottery games is in excess of that needed to meet the 39881  
maturing obligations of the commission and as working capital for 39882  
its further operations, the director of the state lottery 39883

For purposes of sections 3.a. and c. of this article, a subset of 40925

<u>yield a significant increase in survival with respect to the</u>	40949
<u>diseases if early death is the usual outcome;</u>	40950
<u>iii. It requires less than one year of the treatment or</u>	40951
<u>protocol to completely cure the disease.</u>	40952
<u>c. The procedure for determining the diseases for which to</u>	40953
<u>award prizes, which includes the option to award prizes for more</u>	40954
<u>than ten diseases that meet the above criteria, if agreed to by</u>	40955

<u>person or entity submitting the cure bears the burden of proof in</u>	40960
<u>demonstrating that the treatment or therapeutic protocol meets the</u>	40961
<u>above criteria, and limitations preventing public access to</u>	40962
<u>treatment or protocol submissions.</u>	40963
<u>e. The estimated five-year public health savings that would</u>	40964
<u>result from a cure, which shall be equal to the five-year public</u>	40965
<u>health expenses for each disease in each compacting state, and a</u>	40966
<u>procedure to update these expenses every three years in</u>	40967
<u>conjunction with the requirements in section 3.c. of this article.</u>	40968

The estimated five-year public health savings amount shall be 40969  
calculated, estimated, and publicized every three years by 40970  
actuaries employed or contracted by the commission. 40971

f. The prize amount with respect to cures for each disease, 40972  
which shall be equal to the most recent estimated total five-year 40973  
savings in public health expenses for the disease as calculated in 40974  
section 3.e. of this article in all of the compacting states; 40975

other factors that the commission deems appropriate. 40978

g. The prize distribution procedures and guidelines, which 40979  
shall include the following requirements: 40980

to the commission the patent and all related intellectual property 40982  
for the manufacture and distribution of the treatment or 40983  
therapeutic protocol in exchange for the prize, except in the case 40984  
that the prize money is considered by the commission to be too 40985  
low, and that a prize will be awarded only to the first person or 40986  
entity that submits a successful cure for a disease for which a 40987  
prize may be awarded. 40988

ii. Donation amounts intended for the prize shall be kept in 40989  
a separate, interest-bearing account maintained by the commission. 40990  
This account shall be the only account in which prize money is 40991  
kept. 40992

iii. Each compacting state shall have the responsibility to 40993  
pay annually the compacting state's actual one-year savings in 40994  
public health expenses for the particular disease for which a cure 40995  
has been accepted. The compacting state shall make such an annual 40996  
payment until it has fulfilled its prize responsibility as 40997  
established in section 3.f. of this article. Each compacting 40998  
state's payment responsibility begins one year after the date the 40999

cure becomes widely available. The commission shall employ or 41000  
contract with actuaries to calculate each state's actual one-year 41001  
savings in public health expenses at the end of each year to 41002  
determine each state's responsibility for the succeeding year. 41003

iv. Compacting states may meet prize responsibilities by any 41004  
method including the issuance of bonds or other obligations, with 41005  
the principal and interest of those bonds or obligations to be 41006  
repaid only from revenue derived from estimated public health 41007  
expense savings from a cure to a disease. If the compacting state 41008  
does not make such revenue available to repay some or all of the 41009  
revenue bonds or obligations issued, the owners or holders of 41010  
those bonds or obligations have no right to have excises or taxes 41011  
levied to pay the principal or interest on them. The revenue bonds 41012  
and obligations are not a debt of the issuing compacting state. 41013

v. A compacting state may issue bonds or other debt that are 41014  
general obligations, under which the full faith and credit, 41015  
revenue, and taxing power of the state is pledged to pay the 41016  
principal and interest under those obligations, only if authorized 41017  
by the compacting state's constitution or, if constitutional 41018  
authorization is not required, by other law of the compacting 41019  
state. 41020

vi. Upon acceptance of a cure, the commission shall obtain a 41021  
loan from a financial institution in an amount equal to the most 41022  
recently calculated total estimated five-year public health 41023  
expenses for the disease in all compacting states, in accordance 41024  
with section 3.f. of this article. The commission reserves the 41025  
right to continuously evaluate the cure in the interim and rescind 41026  
a prize offer if the commission finds that the cure no longer 41027  
meets the commission's criteria. 41028

4. The commission may award a prize for a treatment or 41029  
therapeutic protocol that yields a survival rate that is less than 41030  
what is established in the cure criteria through at least five 41031

years after the treatment or protocol has ended. In that case, the 41032  
prize amount awarded for that treatment or therapeutic protocol 41033  
shall be reduced from the prize amount originally determined by 41034  
the commission for a cure for that disease. The reduction shall be 41035  
in proportion to the survival rate yielded by that treatment or 41036  
protocol as compared to the survival rate established in the cure 41037  
criteria. 41038

5. The commission also shall adopt rules that do the 41039  
following: 41040

a. Establish the following regarding commission records: 41041

i. Conditions and procedures for public inspection and 41042  
copying of its information and official records, except such 41043  
information and records involving the privacy of individuals or 41044  
would otherwise violate privacy laws under federal law and the 41045  
laws of the compacting states; 41046

ii. Procedures for sharing with federal and state agencies, 41047  
including law enforcement agencies, records and information 41048  
otherwise exempt from disclosure; 41049

state agencies to receive or exchange information or records 41051  
subject to nondisclosure and confidentiality provisions. 41052

b. Provide a process for commission review of submitted 41053  
treatments and therapeutic protocols for curing diseases that 41054  
includes the following: 41055

i. An opportunity for an appeal, not later than thirty days 41056  
after a rejection of a treatment or protocol for prize 41057  
consideration, to a review panel established under the 41058  
commission's dispute resolution process; 41059

ii. Commission monitoring and review of treatment and 41060  
protocol effectiveness consistent with the cure criteria 41061

established by the commission for the particular disease; 41062

iii. Commission reconsideration, modification, or withdrawal 41063  
of approval of a treatment or protocol for prize consideration for 41064  
failure to continue to meet the cure criteria established by the 41065  
commission for the particular disease. 41066

c. Establish a dispute resolution process to resolve disputes 41067  
or other issues under the compact that may arise between two or 41068  
more compacting states or between the commission and individuals 41069  
or entities who submit treatments and therapeutic protocols to 41070  
cure diseases, which process shall provide for: 41071

i. Administrative review by a review panel appointed by the 41072  
commission; 41073

ii. Judicial review of decisions issued after an 41074  
administrative review; and 41075

iii. Qualifications to be appointed to a panel, due process 41076  
requirements, including notice and hearing procedures, and any 41077  
other procedure, requirement, or standard necessary to provide 41078  
adequate dispute resolution. 41079

d. Establish and impose annual member dues on compacting 41080  
states, which shall be calculated based on the percentage of each 41081  
compacting state's population in relation to the population of all 41082  
the compacting states. 41083

6. Recognizing that the goal of the compact is to pool the 41084  
potential savings of as many states and countries as possible to 41085  
generate sufficient financial incentive to develop a cure for many 41086  
of the world's most devastating diseases, the compact will respect 41087  
the laws of each of these United States by adopting rules that 41088  
establish ethical standards for research that shall be followed in 41089  
order for a prize to be claimed. The compact, in the rules, shall 41090  
establish a common set of ethical standards that embodies the laws 41091  
and restrictions in each of the states so that to be eligible for 41092

claiming a prize the entity submitting a cure must not have 41093  
violated any of the ethical standards in any one of the fifty 41094  
states, whether the states have joined the compact or not. The 41095  
compact will publish these common ethical standards along with the 41096  
specific criteria for a cure for each of the diseases the compact 41097  
has targeted. 41098

So long as a researcher follows the common ethical standards 41099  
in effect at the time the research is done, an entity presenting a 41100  
cure will be deemed to have followed the standards. On or before 41101  
January 1 of each year, the compact shall review all state laws to 41102  
determine if additional ethical standards have been enacted by any 41103  
of the fifty states and the federal government. Any changes to the 41104  
common ethical standards rules based on new state laws shall be 41105  
adopted and published by the compact, but shall not take effect in 41106  
cure criteria for a period of three years to allow for sufficient 41107  
notice to researchers. 41108

7. All rules may be amended as the commission sees necessary. 41109

8. All rules shall be adopted pursuant to a rule-making 41110  
process that conforms to the model state administrative procedure 41111  
act of 1981 by the uniform law commissioners, as amended, as may 41112  
be appropriate to the operations of the commission. 41113

9. In the event the commission exercises its rule-making 41114  
authority in a manner that is beyond the scope of the purpose of 41115  
this compact, or the powers granted hereunder, then such rule 41116  
shall be invalid and have no force and effect. 41117

Article VII. Committees 41118

1. Management Committee 41119

a. The commission may establish a management committee 41120  
comprised of not more than fourteen members when twenty-six states 41121  
enact the compact. 41122

<u>b. The committee shall consist of those members representing</u>	41123

<u>iii. Planning, implementing, and coordinating communications</u>	41132
<u>and activities with state, federal, and local government</u>	41133
<u>organizations in order to advance the goals of the compact.</u>	41134
<u>d. The commission annually shall elect officers for the</u>	41135
<u>committee, with each having such authority and duties as may be</u>	41136
<u>specified in the commission's bylaws and rules.</u>	41137
<u>e. The management committee, subject to commission approval,</u>	41138
<u>may appoint or retain an executive director for such period, upon</u>	41139
<u>such terms and conditions, and for such compensation as the</u>	41140
<u>committee determines. The executive director shall serve as</u>	41141
<u>secretary to the commission, but shall not be a member of the</u>	41142
<u>commission. The executive director shall hire and supervise such</u>	41143
<u>other staff as may be authorized by the committee.</u>	41144
<u>2. Advisory Committees</u>	41145
<u>The commission may appoint advisory committees to monitor all</u>	41146
<u>operations related to the purposes of the compact and make</u>	41147
<u>recommendations to the commission; provided that the manner of</u>	41148
<u>selection and term of any committee member shall be as set forth</u>	41149
<u>in the commission's bylaws and rules. The commission shall consult</u>	41150
<u>with an advisory committee, to the extent required by the</u>	41151
<u>commission's bylaws or rules, before doing any of the following:</u>	41152

<u>a. Approving cure criteria;</u>	41153
<u>b. Amending, enacting, or repealing any bylaw or rule;</u>	41154
<u>c. Adopting the commission's annual budget;</u>	41155
<u>d. Addressing any other significant matter or taking any other significant action.</u>	41156 41157
<u>Article VIII. Finance</u>	41158
<u>1. The commission annually shall establish a budget to pay or provide for the payment of its reasonable expenses. To fund the cost of initial operations, the commission may accept contributions and other forms of funding from the compacting states and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of the commission concerning the performance of its duties shall not be compromised.</u>	41159 41160 41161 41162 41163 41164 41165 41166
<u>2. The commission shall be exempt from all taxation in and by the compacting states.</u>	41167 41168
<u>3. The commission shall keep complete and accurate accounts of all of its internal receipts, including grants and donations, and disbursements of all funds under its control. The internal financial accounts of the commission shall be subject to the accounting procedures established under the commission's bylaws or rules. The financial accounts and reports including the system of internal controls and procedures of the commission shall be audited annually by an independent certified public accountant. Upon the determination of the commission, but not less frequently than every three years, the review of the independent auditor shall include a management and performance audit of the commission. The commission shall make an annual report to the governors and legislatures of the compacting states, which shall include a report of the independent audit. The commission's internal accounts shall not be confidential and such materials may</u>	41169 41170 41171 41172 41173 41174 41175 41176 41177 41178 41179 41180 41181 41182 41183

be shared with any compacting state upon request provided, 41184  
however, that any work papers related to any internal or 41185  
independent audit and any information subject to the compacting 41186  
states' privacy laws, shall remain confidential. 41187

4. No compacting state shall have any claim or ownership of 41188  
any property held by or vested in the commission or to any 41189  
commission funds held pursuant to the provisions of the compact. 41190

Article IX. Records 41191

Except as to privileged records, data, and information, the 41192  
laws of any compacting state pertaining to confidentiality or 41193  
nondisclosure shall not relieve any member of the duty to disclose 41194  
any relevant records, data, or information to the commission; 41195  
provided, that disclosure to the commission shall not be deemed to 41196  
waive or otherwise affect any confidentiality requirement; and 41197  
further provided, that, except as otherwise expressly provided in 41198  
the compact, the commission shall not be subject to the compacting 41199  
state's laws pertaining to confidentiality and nondisclosure with 41200  
respect to records, data, and information in its possession. 41201  
Confidential information of the commission shall remain 41202  
confidential after such information is provided to any member. All 41203  
other submissions received by the commission are confidential. 41204

Article X. Compliance 41205

The commission shall notify a compacting state in writing of 41206  
any noncompliance with commission bylaws and rules. If a 41207  
compacting state fails to remedy its noncompliance within the time 41208  
specified in the notice, the compacting state shall be deemed to 41209  
be in default as set forth in Article XIV. 41210

Article XI. Venue 41211

Venue for any judicial proceedings by or against the 41212  
commission shall be brought in the appropriate court of competent 41213  
jurisdiction for the geographical area in which the principal 41214

office of the commission is located. 41215

Article XII. Qualified Immunity, Defense, and Indemnification 41216

1. The members, officers, executive director, employees, and 41217  
representatives of the commission shall be immune from suit and 41218  
liability, either personally or in their official capacity, for 41219  
any claim for damage to or loss of property or personal injury or 41220  
other civil liability caused by or arising out of any actual or 41221  
alleged act, error, or omission that occurred, or that such person 41222  
had a reasonable basis for believing occurred within the scope of 41223  
the person's commission employment, duties, or responsibilities; 41224  
provided, that nothing in section 1. of this article shall be 41225  
construed to protect any such person from suit or liability for 41226  
any damage, loss, injury, or liability caused by the intentional 41227  
or willful and wanton misconduct of that person. 41228

2. The commission shall defend any member, officer, executive 41229  
director, employee, or representative of the commission in any 41230  
civil action seeking to impose liability arising out of any actual 41231  
or alleged act, error, or omission that occurred within the scope 41232  
of the person's commission employment, duties, or 41233  
responsibilities, or that such person had a reasonable basis for 41234  
believing occurred within the scope of commission employment, 41235  
duties, or responsibilities; provided, that nothing in the compact 41236  
or commission bylaws or rules shall be construed to prohibit that 41237  
person from retaining his or her own counsel; and provided 41238  
further, that the actual or alleged act, error, or omission did 41239  
not result from that person's intentional or willful and wanton 41240  
misconduct. 41241

3. The commission shall indemnify and hold harmless any 41242  
member, officer, executive director, employee, or representative 41243  
of the commission for the amount of any settlement or judgment 41244  
obtained against the person arising out of any actual or alleged 41245  
act, error, or omission that occurred within the scope of the 41246

person's commission employment, duties, or responsibilities, or 41247  
that such person had a reasonable basis for believing occurred 41248  
within the scope of commission employment, duties, or 41249  
responsibilities; provided, that the actual or alleged act, error, 41250  
or omission, did not result from the intentional or willful and 41251  
wanton misconduct of that person. 41252

Article XIII. Compacting States, Effective Date, and 41253  
Amendment 41254

1. Any state is eligible to become a compacting state. 41255

2. The compact shall become effective and binding upon 41256  
legislative enactment of the compact into law by two compacting 41257  
states; provided, the commission shall only be established after 41258  
six states become compacting states. Thereafter, the compact shall 41259  
become effective and binding as to any other compacting state upon 41260  
enactment of the compact into law by that state. 41261

3. Amendments to the compact may be proposed by the 41262  
commission for enactment by the compacting states. No amendment 41263  
shall become effective and binding until all compacting states 41264  
enact the amendment into law. 41265

Article XIV. Withdrawal, Default, and Expulsion 41266

1. Withdrawal 41267

a. Once effective, the compact shall continue in force and 41268  
remain binding upon each and every compacting state; provided, 41269  
that a compacting state may withdraw from the compact by doing 41270  
both of the following: 41271

i. Repealing the law enacting the compact in that state; 41272

ii. Notifying the commission in writing of the intent to 41273  
withdraw on a date that is both of the following: 41274

I. At least three years after the date the notice is sent; 41275

II. After the repeal takes effect. 41276

b. The effective date of withdrawal is the date described in section 1.a.ii. of this article. 41277  
41278

c. The member representing the withdrawing state shall immediately notify the management committee in writing upon the introduction of legislation in that state repealing the compact. If a management committee has not been established, the member shall immediately notify the commission. 41279  
41280  
41281  
41282  
41283

d. The commission or management committee, as applicable, shall notify the other compacting states of the introduction of such legislation within ten days after its receipt of notice thereof. 41284  
41285  
41286  
41287

e. The withdrawing state is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal. The commission's actions shall continue to be effective and be given full force and effect in the withdrawing state. 41288  
41289  
41290  
41291  
41292  
41293

f. Reinstatement following a state's withdrawal shall become effective upon the effective date of the subsequent enactment of the compact by that state. 41294  
41295  
41296

2. Default 41297

a. If the commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under the compact or the commission's bylaws or rules, then, after notice and hearing as set forth in the bylaws, all rights, privileges, and benefits conferred by this compact on the defaulting state shall be suspended from the effective date of default as fixed by the commission. The grounds for default include failure of a compacting state to perform its obligations or responsibilities, and any other grounds designated in commission rules. The commission shall immediately notify the 41298  
41299  
41300

41304  
41305  
41306  
41307

defaulting state in writing of the suspension pending cure of the 41308  
default. The commission shall stipulate the conditions and the 41309  
time period within which the defaulting state shall cure its 41310  
default. If the defaulting state fails to cure the default within 41311  
the time period specified by the commission, the defaulting state 41312  
shall be expelled from the compact and all rights, privileges, and 41313  
benefits conferred by the compact shall be terminated from the 41314  
effective date of the expulsion. Any state that is expelled from 41315  
the compact shall be liable for any cure prize or prizes for three 41316  
years after its removal. The commission shall also take 41317  
appropriate legal action to ensure that any compacting state that 41318  
withdraws from the compact remains liable for paying its 41319  
responsibility towards a prize for a cure that was accepted while 41320  
the compacting state was a member of the commission. 41321

b. The expelled state must reenact the compact in order to 41322  
become a compacting state. 41323

3. Dissolution of Compact 41324

a. The compact dissolves effective upon the date of either of 41325  
the following: 41326

i. The withdrawal or expulsion of a compacting state, which 41327  
withdrawal or expulsion reduces membership in the compact to one 41328  
compacting state; 41329

ii. The commission votes to dissolve the compact. 41330

b. Upon the dissolution of the compact, the compact becomes 41331  
null and void and shall be of no further force or effect, and the 41332  
business and affairs of the commission shall be wound up and any 41333  
surplus funds shall be distributed in accordance with the 41334  
commission's bylaws, provided, that the commission shall pay all 41335  
outstanding prizes awarded before the dissolution of the compact, 41336  
as well as any other outstanding debts and obligations incurred 41337  
during the existence of the compact. Any unawarded funds donated 41338

to be a part of a prize shall be returned to the donor, along with 41339  
any interest earned on the amount. 41340

Article XV. Severability and Construction 41341

1. The provisions of the compact shall be severable; and if 41342  
any phrase, clause, sentence, or provision is deemed 41343  
unenforceable, the remaining provisions of the compact shall be 41344  
enforceable. 41345

2. The provisions of the compact shall be liberally construed 41346  
to effectuate its purposes. 41347

Article XVI. Binding Effect of Compact and Other Laws 41348

1. Other Laws: Nothing herein prevents the enforcement of any 41349  
other law of a compacting state, except as provided in section 41350  
2.b. of this article. 41351

2. Binding Effect of the Compact 41352

a. All lawful actions of the commission, including all 41353  
commission rules, are binding upon the compacting states. 41354

b. All agreements between the commission and the compacting 41355  
states are binding in accordance with their terms. 41356

c. Except to the extent authorized by the compacting state's 41357  
constitution or, if constitutional authorization is not required, 41358  
by other law of the compacting state, such state, by entering into 41359  
the compact does not: 41360

i. Commit the full faith and credit or taxing power of the 41361  
compacting state for the payment of prizes or other obligations 41362  
under the compact; 41363

ii. Make prize payment responsibilities or other obligations 41364  
under the compact a debt of the compacting state. 41365

d. Upon the request of a party to a conflict over the meaning 41366  
or interpretation of commission actions, and upon a majority vote 41367

of the compacting states, the commission may issue advisory 41368  
opinions regarding the meaning or interpretation in dispute. 41369

e. In the event any provision of the compact exceeds the 41370  
constitutional limits imposed on any compacting state, the 41371  
obligations, duties, powers or jurisdiction sought to be conferred 41372  
by that provision upon the commission shall be ineffective as to 41373  
that compacting state, and those obligations, duties, powers, or 41374  
jurisdiction shall remain in the compacting state and shall be 41375  
exercised by the agency thereof to which those obligations, 41376  
duties, powers, or jurisdiction are delegated by law in effect at 41377  
the time the compact becomes effective. 41378

**Sec. 3901.381.** (A) Except as provided in sections 3901.382, 41379  
3901.383, 3901.384, and 3901.386 of the Revised Code, a 41380  
third-party payer shall process a claim for payment for health 41381  
care services rendered by a provider to a beneficiary in 41382  
accordance with this section. 41383

(B)(1) Unless division (B)(2) or (3) of this section applies, 41384  
when a third-party payer receives from a provider or beneficiary a 41385  
claim on the standard claim form prescribed in rules adopted by 41386  
the superintendent of insurance under section 3902.22 of the 41387  
Revised Code, the third-party payer shall pay or deny the claim 41388  
not later than thirty days after receipt of the claim. When a 41389  
third-party payer denies a claim, the third-party payer shall 41390  
notify the provider and the beneficiary. The notice shall state, 41391  
with specificity, why the third-party payer denied the claim. 41392

(2)(a) Unless division (B)(3) of this section applies, when a 41393  
provider or beneficiary has used the standard claim form, but the 41394  
third-party payer determines that reasonable supporting 41395  
documentation is needed to establish the third-party payer's 41396  
responsibility to make payment, the third-party payer shall pay or 41397  
deny the claim not later than forty-five days after receipt of the 41398

claim. Supporting documentation includes the verification of 41399  
employer and beneficiary coverage under a benefits contract, 41400  
confirmation of premium payment, medical information regarding the 41401  
beneficiary and the services provided, information on the 41402  
responsibility of another third-party payer to make payment or 41403  
confirmation of the amount of payment by another third-party 41404  
payer, and information that is needed to correct material 41405  
deficiencies in the claim related to a diagnosis or treatment or 41406  
the provider's identification. 41407

Not later than thirty days after receipt of the claim, the 41408  
third-party payer shall notify all relevant external sources that 41409  
the supporting documentation is needed. All such notices shall 41410  
state, with specificity, the supporting documentation needed. If 41411  
the notice was not provided in writing, the provider, beneficiary, 41412  
or third-party payer may request the third-party payer to provide 41413  
the notice in writing, and the third-party payer shall then 41414  
provide the notice in writing. If any of the supporting 41415  
documentation is under the control of the beneficiary, the 41416  
beneficiary shall provide the supporting documentation to the 41417  
third-party payer. 41418

The number of days that elapse between the third-party 41419  
payer's last request for supporting documentation within the 41420  
thirty-day period and the third-party payer's receipt of all of 41421  
the supporting documentation that was requested shall not be 41422  
counted for purposes of determining the third-party payer's 41423  
compliance with the time period of not more than forty-five days 41424  
for payment or denial of a claim. Except as provided in division 41425  
(B)(2)(b) of this section, if the third-party payer requests 41426  
additional supporting documentation after receiving the initially 41427  
requested documentation, the number of days that elapse between 41428  
making the request and receiving the additional supporting 41429  
documentation shall be counted for purposes of determining the 41430

third-party payer's compliance with the time period of not more than forty-five days. 41431  
41432

(b) If a third-party payer determines, after receiving initially requested documentation, that it needs additional supporting documentation pertaining to a beneficiary's preexisting condition, which condition was unknown to the third-party payer and about which it was reasonable for the third-party payer to have no knowledge at the time of its initial request for documentation, and the third-party payer subsequently requests this additional supporting documentation, the number of days that elapse between making the request and receiving the additional supporting documentation shall not be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days. 41433  
41434  
41435  
41436  
41437  
41438  
41439  
41440  
41441  
41442  
41443  
41444

(c) When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim. 41445  
41446  
41447  
41448

(d) If a third-party payer determines that supporting documentation related to medical information is routinely necessary to process a claim for payment of a particular health care service, the third-party payer shall establish a description of the supporting documentation that is routinely necessary and make the description available to providers in a readily accessible format. 41449  
41450  
41451  
41452  
41453  
41454  
41455

Third-party payers and providers shall, in connection with a claim, use the most current CPT code in effect, as published by the American medical association, the most current ICD-10 code in effect, as published by the United States department of health and human services, the most current CDT code in effect, as published by the American dental association, or the most current HCPCS code in effect, as published by the United States ~~health care financing~~ 41456

administration centers for medicare and medicaid services. 41463

(3) When a provider or beneficiary submits a claim by using 41464  
the standard claim form prescribed in the superintendent's rules, 41465  
but the information provided in the claim is materially deficient, 41466  
the third-party payer shall notify the provider or beneficiary not 41467  
later than fifteen days after receipt of the claim. The notice 41468  
shall state, with specificity, the information needed to correct 41469  
all material deficiencies. Once the material deficiencies are 41470  
corrected, the third-party payer shall proceed in accordance with 41471  
division (B)(1) or (2) of this section. 41472

It is not a violation of the notification time period of not 41473  
more than fifteen days if a third-party payer fails to notify a 41474  
provider or beneficiary of material deficiencies in the claim 41475  
related to a diagnosis or treatment or the provider's 41476  
identification. A third-party payer may request the information 41477  
necessary to correct these deficiencies after the end of the 41478  
notification time period. Requests for such information shall be 41479  
made as requests for supporting documentation under division 41480

provider for the product, service, or procedure; 42212

(d) If the patient is not insured under a health benefit 42213  
plan, the total amount the provider will charge the patient if the 42214

patient is paying out-of-pocket for each product, service, or 42215  
procedure the patient is to receive, inclusive of facility, 42216  
professional, and other fees, along with a short description and 42217

arises, such as unknown, unanticipated, or subsequently needed 42247  
health care products, services, or procedures provided for any 42248  
reason after the initial appointment. Only one estimate is 42249  
required per visit. 42250

If specific information, such as the health care provider who 42251  
will be providing the health care product, service, or procedure, 42252  
is not readily available at the time the appointment is made, the 42253  
provider may base the cost estimate information specified in 42254  
division (A)(1) of section 3962.04 of the Revised Code on either 42255  
an average estimated charge for the product, service, or procedure 42256  
that is submitted to the patient's health plan issuer or the 42257  
average out-of-pocket price for the product, service, or procedure 42258

appointment for the health care product, service, or procedure is 42263  
made, as specified in section 3962.011 of the Revised Code, or, if 42264  
the product, service, or procedure is to be provided less than 42265  
twenty-four hours after the appointment for the product, service, 42266  
or procedure is made, as specified in section 3962.011 of the 42267  
Revised Code, at the time the patient presents to receive the 42268  
product, service, or procedure. 42269

(2) If the health care product, service, or procedure is to 42270  
be provided by one or more independent contractors of the 42271  
provider, the cost estimate shall be provided not later than 42272  
thirty-six hours after the time the appointment for the product, 42273  
service, or procedure is made, as specified in section 3962.011 of 42274

(E)(1) If the patient is insured, a health care provider 42296  
shall, not later than twenty-four hours after an appointment is 42297  
made, as specified in section 3962.011 of the Revised Code, 42298  
transmit to the patient's health plan issuer the patient's name; 42299  
the patient's identification number, if one has been assigned; the 42300  
CPT code or other identifier the issuer requires for each health 42301  
care product, service, or procedure the patient is to receive; the 42302  
provider's identification number; the provider's charge for each 42303  
product, service, or procedure the patient has scheduled that will 42304  
be delivered by a provider who is not in-network for the patient's 42305  
health benefit plan; notification that the provider is providing 42306  
the cost estimate to the patient or the patient's representative; 42307  
and any other information the issuer requires from the provider. 42308

(2) If the provider is to provide a product, service, or procedure pursuant to a prescription or order from another provider, the provider who received the prescription or order shall transmit the information specified in division (E)(1) of this section to the patient's health plan issuer not later than twenty-four hours after receiving the prescription or order or, if received when the provider's office or facility is closed, twenty-four hours after the office or facility reopens. 42309  
42310  
42311  
42312  
42313  
42314  
42315  
42316

(3) Not later than five minutes after receiving information pursuant to division (E)(1) or (2) of this section, the health plan issuer shall give to the health care provider all information the provider needs to generate a cost estimate. 42317  
42318  
42319  
42320

If a health plan issuer does not provide the information necessary to generate the estimate, the health care provider shall notify the patient. The provider may note in the portion of the estimate pertaining to the information required by divisions (A)(2) and (3) of this section that health plan issuer information was not provided as required by law. In this case, the provider may specify only the information required by division (A)(1) of this section and, at the provider's discretion, the information required by division (A)(2) of this section. If the information necessary to complete the estimate is subsequently received and an updated estimate can be provided within the time limit established by division (D) of this section, the health care provider shall provide the updated estimate. 42321  
42322  
42323  
42324  
42325  
42326  
42327  
42328  
42329  
42330  
42331  
42332  
42333

(F) The cost estimate required by this section shall contain a disclaimer that the information is only an estimate based on facts available at the time it was prepared and that the amounts estimated could change as a result of unknown, unanticipated, or subsequently needed health care products, services, or procedures; changes to the patient's health benefit plan; or other changes. The provider has discretion in how the disclaimer is expressed. 42334  
42335  
42336  
42337  
42338  
42339  
42340

(G) If the amount estimated under division (A)(3) or (4) of this section changes by more than ten per cent before the patient initially presents for the health care product, service, or procedure, the health care provider shall supply to the patient an updated estimate within the time limit established by division (B) or (D) of this section, as applicable.

(H) The cost estimate required by this section may be provided verbally or in electronic or written form and shall be easy to understand. If the estimate is provided in electronic or written form, all of the following apply:

(1) It shall be provided in large font.

(2) Unless the estimate contains more than nine CPT codes or other identifiers, it shall be limited to one page.

(3) The subject line of the communication containing the estimate shall state "Your Ohio Healthcare Price Transparency Estimate."

(I) A patient may decline to receive a cost estimate under this section.

(J) Nothing in this section prohibits a health care provider or health plan issuer from collecting payment from a patient for an administered health care product, service, or procedure regardless of whether the patient does or does not receive a cost estimate under this section before the product, service, or procedure is received.

**Sec. 3962.05.** (A)(1) If a health care provider elects for a patient's health plan issuer to provide a cost estimate in lieu of the provider, the provider shall notify the issuer of this election through the issuer's portal described in section 1751.72, 3923.041, or 5160.34 of the Revised Code or, beginning January 1, 2020, the connector portal established under section 3962.09 of

the Revised Code. In addition, the provider shall, except as 42371  
provided in division (B) of this section, also transmit to the 42372  
health plan issuer through the appropriate portal all of the 42373  
following: 42374

(a) The patient's name; 42375

(b) The patient's identification number, if one has been 42376  
assigned; 42377

(c) The CPT code or other identifier the health plan issuer 42378  
requires for each health care product, service, or procedure the 42379  
patient is to receive; 42380

(d) The provider's identification number; 42381

(e) The charge for each product, service, or procedure the 42382  
patient has scheduled that will be delivered by a provider who is 42383  
out-of-network for the patient's health benefit plan; 42384

(f) Any other information the health plan issuer requires 42385  
from the provider. 42386

The portal also shall be able to transmit a copy of this 42387  
information directly to the patient to whom the information 42388  
pertains. 42389

Except as provided in division (A)(2) of this section, the 42390  
transmission shall occur not later than twenty-four hours after 42391  
the time the appointment for the health care product, service, or 42392  
procedure is made, as specified in section 3962.011 of the Revised 42393  
Code. 42394

(2) If the health care product, service, or procedure is to 42395  
be provided by one or more independent contractors of the 42396  
provider, the transmission shall occur not later than thirty-six 42397  
hours after the time the appointment for the product, service, or 42398  
procedure is made, as specified in section 3962.011 of the Revised 42399  
Code. 42400

A health plan issuer shall modify its portal as necessary to accommodate the information transmission. 42401  
42402

(B) If a health care provider attests to the department of insurance that it is unable to transmit information through a health plan issuer's portal or through the connector portal, the provider may transmit the information by facsimile or telephone call to the department of insurance. The department shall enter the information on the provider's behalf in the relevant portal. Under these circumstances, the provider may compile patient information and transmit it to the department in a batch once every business day. 42403

42406  
42407  
42408

42410  
42411

Sec. 3962.06. (A) Under the circumstances described in division (A)(1) of section 3962.05 of the Revised Code, a health plan issuer shall provide a cost estimate to the patient or the patient's representative containing the information specified in divisions (A)(1) to (3) of section 3962.04 of the Revised Code, as well as the average rate the health plan issuer reimburses in-network providers for the same health care product, service, or procedure. 42412  
42413  
42414  
42415  
42416  
42417  
42418  
42419

(B) A health plan issuer shall ask the patient or the patient's representative whether the patient would prefer to receive cost estimates by electronic mail or other electronic means or by regular mail. The issuer shall send cost estimates by the means elected. 42420  
42421  
42422  
42423  
42424

If the means elected is by electronic mail or or other electronic means, the estimate shall be sent automatically, but not later than five minutes after the health plan issuer has received the necessary information from the health care provider. If the means elected is by regular mail, the estimate shall be mailed not later than forty-eight hours after the issuer has received the necessary information from the health care provider 42425  
42426  
42427  
42428  
42429  
42430  
42431

if the health care product, service, or procedure will be provided 42432  
more than three days from the time the estimate is generated. For 42433  
purposes of calculating the forty-eight hours, hours on a 42434  
Saturday, Sunday, or legal holiday shall be excluded. 42435

If no election is made, the estimate shall be sent as 42436  
follows: 42437

(1) If the health care product, service, or procedure will be 42438  
provided more than three days from the time the estimate is 42439  
generated, by regular mail; 42440

(2) If the health care product, service, or procedure will be 42441  
provided less than three days from the time the estimate is 42442  
generated and the electronic mail address of the patient or 42443  
patient's representative is on file with the issuer, by electronic 42444  
mail. 42445

A health plan issuer shall be held harmless if the electronic 42446  
mail address of the patient or the patient's representative on 42447  
file with the issuer is incorrect, invalid, or no longer used. 42448

(C)(1) The cost estimate required by this section shall be 42449  
based on information provided at the time an appointment is made, 42450  
as specified in section 3962.011 of the Revised Code. In addition, 42451  
the estimate need not take into account any information that 42452  
subsequently arises, such as unknown, unanticipated, or 42453  
subsequently needed health care products, services, or procedures 42454  
provided for any reason after the initial appointment. Only one 42455  
estimate is required per visit. 42456

(2) If specific information, such as the provider who will be 42457  
providing the health care product, service, or procedure, is not 42458  
readily available at the time the appointment is made, the health 42459  
care provider may transmit that a provider is unknown and the 42460  
health plan issuer may base the estimate on an average estimated 42461  
charge submitted to the health plan issuer for the product, 42462

service, or procedure at that facility or location. 42463

(3) If a health care provider does not transmit to the health 42464  
plan issuer the information necessary to generate the cost 42465  
estimate, the issuer shall send to the patient or the patient's 42466  
representative, by the same means used to send estimates, a notice 42467  
that the provider failed to transmit the necessary information as 42468  
required by law and, consequently, a cost estimate could not be 42469  
generated. This action shall be taken in the event a provider 42470  
gives the issuer any indication that receipt of a health care 42471  
product, service, or procedure is scheduled, such as through 42472  
precertification. 42473

(D) The estimate required by this section shall contain both 42474  
of the following: 42475

(1) A disclaimer that the information is only an estimate 42476  
based on facts available at the time it was prepared and that the 42477  
amounts estimated could change as a result of other factors; 42478  
unknown, unanticipated, or subsequently needed health care 42479  
products, services, or procedures; or changes to the patient's 42480  
health benefit plan. The health plan issuer has discretion in how 42481  
the disclaimer is expressed. 42482

(2) If applicable, a notation that a specific health care 42483  
provider is out-of-network for the enrollee. 42484

(E) The cost estimate required by this section shall be 42485  
provided in large font, be easy to understand, and, unless the 42486  
estimate contains more than nine CPT codes or other identifiers, 42487  
be limited to one page. The subject line of the communication 42488  
containing the estimate shall state "Your Ohio Healthcare Price 42489  
Transparency Estimate." 42490

(F) If the amount in a cost estimate required by this section 42491  
changes by more than ten per cent before the patient presents for 42492  
the health care product, service, or procedure, the health plan 42493

issuer shall supply to the patient an updated estimate by the 42494  
means the patient or the patient's representative has elected 42495  
under division (B) of this section and within the time frames 42496  
specified in that division. 42497

(G) A patient may decline to receive a cost estimate under 42498  
this section. 42499

(H) A patient is responsible for payment for an administered 42500  
health care product, service, or procedure even if the patient 42501  
does not receive a cost estimate under this section before the 42502  
product, service, or procedure is received. 42503

Sec. 3962.07. (A) Regardless of whether a cost estimate is 42504  
provided to a patient by a health care provider under section 42505  
3962.04 of the Revised Code or by a health plan issuer under 42506  
section 3962.06 of the Revised Code, a provider shall give the 42507  
patient or the patient's representative the CPT code or other 42508  
identifier the patient's health plan issuer requires for each 42509  
health care product, service, or procedure the patient is to 42510  
receive along with the charge information specified in division 42511  
(A)(1) of section 3962.04 of the Revised Code associated with each 42512  
code or other identifier. The provider has the following options 42513  
for fulfilling this requirement: 42514

(1) The provider may send this information to the patient or 42515  
the patient's representative through electronic means. 42516

(2) The provider may send this information to the patient or 42517  
patient's representative by regular mail if the health care 42518  
product, service, or procedure will be provided more than three 42519  
days from the time the appointment for the product, service, or 42520  
procedure is made, as specified in section 3962.011 of the Revised 42521  
Code. 42522

(3) The provider may provide to the patient or the patient's 42523

representative a web site address where that individual may enter 42524  
each code or identifier and retrieve the charge information. If 42525  
this option is elected and the provider transmits the codes or 42526  
identifiers to the patient's health plan issuer through a portal 42527  
as described in section 3962.05 of the Revised Code, the provider 42528  
may have the portal generate an automatic electronic mail message 42529  
to the individual with instructions on how to retrieve charge 42530  
information through the web site. 42531

(4) If the product, service, or procedure is to be provided 42532  
less than three days from the time the appointment for the 42533  
product, service, or procedure was made, the provider may give the 42534  
information to the patient or the patient's representative at the 42535  
time the patient presents for the product, service, or procedure 42536  
to be received. 42537

Regardless of the manner in which the provider has elected to 42538  
fulfill this requirement, the provider shall fulfill the 42539  
requirement in accordance with all applicable state and federal 42540  
laws pertaining to the privacy of patient-identifying information. 42541

The CPT codes or other identifiers and charge information 42542  
shall, except as provided in division (B) of this section, be 42543  
given to the patient or the patient's representative not later 42544  
than twenty-four hours after the time the appointment for the 42545  
health care product, service, or procedure is made, as specified 42546  
in section 3962.011 of the Revised Code, or, if the product, 42547  
service, or procedure is to be provided less than twenty-four 42548  
hours after the appointment for the product, service, or procedure 42549  
is made, as specified in section 3962.011 of the Revised Code, at 42550  
the time the patient presents to receive the product, service, or 42551  
procedure. 42552

(B) If the health care product, service, or procedure is to 42553  
be provided by one or more independent contractors of the 42554  
provider, the CPT codes or other identifiers and charge 42555

information shall be given to the patient or the patient's 42556  
representative not later than thirty-six hours after the time the 42557  
appointment for the product, service, or procedure is made, as 42558  
specified in section 3962.011 of the Revised Code, or, if the 42559  
product, service, or procedure is to be provided less than 42560  
thirty-six hours after the appointment for the product, service, 42561  
or procedure is made, as specified in section 3962.011 of the 42562  
Revised Code, at the time the patient presents to receive the 42563  
product, service, or procedure. 42564

**Sec. 3962.08.** (A) As used in this section, "office visit" 42565  
means the family of CPT codes for "Evaluation and Management, 42566  
Office Visits Established" (codes 99211, 99212, 99213, 99214, and 42567  
99215) used for office or other outpatient visits for an 42568  
established patient and the family of CPT codes for services 42569  
similar to the foregoing, including vision services. 42570

(B) The requirement of section 3962.03 of the Revised Code 42571  
does not apply in any of the following circumstances: 42572

(1) When the only service a health care provider will provide 42573  
is an office visit; 42574

(2) When the patient was scheduled for only an office visit 42575  
but during the visit it is determined that the patient needs a 42576  
product, service, or procedure to be provided during that single 42577  
visit; 42578

(3) When the patient seeks care without an appointment and 42579  
without a prescription or order from another provider. 42580

(C) In the event a patient schedules or presents for health 42581  
care products, services, or procedures in addition to an office 42582  
visit but the health care provider is unable to estimate the level 42583  
of office visit to be provided, or in the circumstances described 42584  
in division (B)(3) of this section, the provider may enter a 42585

general designation for an unknown level of office visit. The 42586  
estimate provided through the health care provider or health plan 42587  
issuer under section 3962.03 of the Revised Code shall list the 42588  
general designation and price range for all levels of office 42589  
visits. 42590

**Sec. 3962.081.** In the event that a health care provider 42591  
believes that a delay in care associated with fulfilling the cost 42592  
estimate requirement of section 3962.03 of the Revised Code could 42593  
harm the patient, the provider shall inform the patient or the 42594  
patient's representative of this fact and provide the health care 42595  
product, service, or procedure to the patient. After the product, 42596  
service, or procedure is provided, the provider shall submit to 42597  
the department of insurance a report, in the form and manner 42598  
prescribed by the department, detailing why the provider believed 42599  
that a delay in care could harm the patient. Annually, the 42600  
department shall analyze the reports and prepare a summary of its 42601  
findings. Each summary shall be submitted to the governor and, in 42602  
accordance with section 101.68 of the Revised Code, the general 42603  
assembly. 42604

**Sec. 3962.09.** Not later than January 1, 2020, the department 42605  
of insurance shall create or procure a connector portal that 42606  
health care providers may use to transmit the information 42607  
specified in section 3962.05 of the Revised Code to health plan 42608  
issuers. The department shall ensure that the computer systems and 42609  
software used in operating the connector portal are compatible 42610  
with the computer systems and software manufactured by various 42611  
vendors and used by health care providers and health plan issuers. 42612  
In doing so, the department shall engage in active efforts to 42613  
share with those vendors any information necessary to operate the 42614  
connector portal in a manner that accomplishes both of the 42615  
following, while also ensuring that the portal maintains the 42616

privacy of patient-identifying information in accordance with all 42617  
applicable state and federal laws: 42618

(A) Grants health care providers a means by which they may 42619  
instantly transmit information and populate data fields that 42620  
health plan issuers need to generate cost estimates under section 42621  
3962.06 of the Revised Code; 42622

(B) Grants health plan issuers a means by which they may 42623  
retrieve information directly from the connector portal in a 42624  
seamless manner. 42625

Sec. 3962.10. A health care provider or health plan issuer 42626  
that provides a cost estimate under this chapter is not liable in 42627  
damages in a civil action for injury, death, or loss to person or 42628  
property that allegedly arises from an act or omission associated 42629  
with providing the estimate if the health care provider or health 42630  
plan issuer made a good faith effort to collect the information 42631  
necessary to generate the estimate and a good faith effort to 42632  
provide the estimate to the patient or the patient's 42633  
representative. 42634

Sec. 3962.11. (A) If, after completing an examination, the 42635  
superintendent of insurance, department of health, department of 42636  
medicaid, or appropriate regulatory board, as applicable, finds 42637  
that a health plan issuer or health care provider has committed a 42638  
series of violations that, taken together, constitute a consistent 42639  
pattern or practice of violating the requirements of this chapter 42640  
to provide cost estimates to patients or their representatives, 42641  
the superintendent, department, or board may impose on the issuer 42642  
or provider any of the administrative remedies specified in 42643  
division (B) of this section. 42644

Before imposing an administrative remedy, the superintendent, 42645  
department, or board shall give written notice to the health plan 42646

issuer or health care provider informing that party of the reasons 42647  
for the finding, the administrative remedy that is proposed, and 42648  
the opportunity to submit a written request for an administrative 42649  
hearing regarding the finding and proposed remedy. If a hearing is 42650  
requested, the superintendent, department, or board shall conduct 42651  
the hearing in accordance with Chapter 119. of the Revised Code 42652  
not later than fifteen days after receipt of the request. 42653

(B) In imposing administrative remedies under this section, 42654  
the superintendent, department, or appropriate regulatory board 42655  
may do either or both of the following: 42656

(1) Levy a monetary penalty in an amount determined in 42657  
accordance with division (C) of this section; 42658

(2) Order the health plan issuer or health care provider to 42659  
cease and desist from engaging in the violations. 42660

(C)(1) A finding by the superintendent, department, or 42661  
appropriate regulatory board that a health plan issuer or health 42662  
care provider has committed a series of violations that, taken 42663  
together, constitutes a consistent pattern or practice of 42664  
violating the requirements of this chapter to provide cost 42665  
estimates to patients or their representatives, shall constitute a 42666  
single offense for purposes of levying a fine as described in 42667  
division (B)(1) of this section. 42668

(2) For a first offense, the superintendent or department may 42669  
levy a fine of not more than one hundred thousand dollars; the 42670  
appropriate regulatory board may levy a fine of not more than ten 42671  
thousand dollars. 42672

For a second offense, the superintendent or department may 42673  
levy a fine of not more than one hundred fifty thousand dollars; 42674  
the appropriate regulatory board may levy a fine of not more than 42675  
fifteen thousand dollars. 42676

For a third or subsequent offense, the superintendent or 42677

department may levy a fine of not more than three hundred thousand 42678  
dollars; the appropriate regulatory board may levy a fine of not 42679  
more than thirty thousand dollars. 42680

(3) In determining the amount of a fine to be levied within 42681  
the limits specified in division (C)(2) of this section, the 42682  
superintendent, department, or appropriate regulatory board shall 42683  
consider the following factors: 42684

(a) The extent and frequency of the violations; 42685

(b) Whether the violations were due to circumstances beyond 42686  
the control of the health plan issuer or health care provider; 42687

(c) Any remedial actions taken by the health plan issuer or 42688  
health care provider; 42689

(d) The actual or potential harm to others resulting from the 42690  
violations; 42691

(e) If the health plan issuer or health care provider 42692  
knowingly and willingly committed the violations; 42693

accordance with Chapter 119. of the Revised Code, prohibiting the 42737

detrimental to the health and well-being of minors. 42739

In adopting the rules, the director of commerce shall 42740  
consider the orders issued pursuant to the "Fair Labor Standards 42741  
Act of 1938," 52 Stat. 1060, 29 U.S.C. 201, as amended. 42742

The director of commerce shall not adopt any rule that 42743  
prohibits a minor who is sixteen or seventeen years of age and who 42744  
is employed by an employer under the manufacturing mentorship 42745  
program created in section 4109.22 of the Revised Code from being 42746

pursuant to the "Fair Labor Standards Act of 1938," 29 U.S.C. 201, 42748  
et seq., permit the employment of the minor in the manufacturing 42749  
occupation. As used in this division, "manufacturing occupation" 42750  
has the same meaning as in section 4109.22 of the Revised Code. 42751

(B) No minor may be employed in any occupation found 42752  
hazardous or detrimental to the health and well-being of minors 42753

to manufacturing occupations in this state through temporary 42766  
employment with an employer. An employer employing a minor under 42767  
the mentorship program shall do all of the following: 42768

(1) Determine the duration of the minor's employment; 42769

(2) Assign the minor a mentor to provide direct and close 42770  
supervision while the minor is engaged in any workplace activity; 42771

(3) Provide the minor with the training described in division 42772  
(C) of this section; 42773

(4) Encourage the minor to participate in a career-technical 42774  
education program approved by the department of education, if the 42775  
minor is not participating in a career-technical education program 42776  
when the minor begins employment; 42777

(5) Comply with all applicable state and federal laws and 42778

minor may participate in a thirty-hour course in general industry 42795  
safety and health hazard recognition and prevention approved by 42796

(4) An employer is not required to provide the training 42802  
described in division (C)(1) or (2) of this section if the minor 42803  
presents proof of completing the training during the six-month 42804  
period immediately before beginning employment with the employer. 42805

(D) The director of commerce, in consultation with employers, 42806  
shall adopt rules in accordance with Chapter 119. of the Revised 42807  
Code specifying a list of the tools that a minor who is sixteen or 42808  
seventeen years of age who is employed under the mentorship 42809  
program may operate during the minor's employment in a 42810  
manufacturing occupation. The director shall use the manual issued 42811  
by the wage and hour division of the United States department of 42812  
labor titled "field operations handbook" or its successor for 42813  
guidance in developing the list. Nothing in this division requires 42814  
the director to include a tool on the list if the orders issued 42815  
pursuant to the "Fair Labor Standards Act of 1938," 29 U.S.C. 201, 42816  
et seq., and section 4109.05 of the Revised Code or rules adopted 42817  
under that section specifically permit minors of that age to 42818  
operate the tool. 42819

(E) A minor who is sixteen or seventeen years of age who is 42820  
employed by an employer under the mentorship program may work in 42821  
any manufacturing occupation not denied by law to minors of that 42822  
age under section 4109.05 of the Revised Code or rules adopted 42823

<u>to the "Fair Labor Standards Act of 1938," 29 U.S.C. 201, et seq.,</u>	42834
<u>and section 4109.05 of the Revised Code or rules adopted under</u>	42835
<u>that section.</u>	42836
<b>Sec. 4109.99.</b> (A) Whoever violates section 4109.04, division	42837
(C) of section 4109.07, division (A), (B), or (D) of section	42838

(C) Whoever violates section 4109.03, division (A), (B), or	42843
(D) of section 4109.07, or section 4109.10 of the Revised Code is	42844

of the third degree on each subsequent offense.	42846
(D) Whoever violates division (A) of section 4109.12 of the	42847
Revised Code is guilty of a minor misdemeanor for each day the	42848
violation continues.	42849
(E) Whoever violates division (A) of section 4109.21 of the	42850
Revised Code is guilty of a misdemeanor of the fourth degree on a	42851
first offense and a first degree misdemeanor on each subsequent	42852
offense. If, however, the violation on a first offense contains	42853
aggravating circumstances, including, but not limited to, threats	42854

to a minor, reckless operation of a motor vehicle, or abandonment 42855  
of or endangerment to a minor but not including circumstances that 42856  
are the basis of a felony violation of section 2919.22 of the 42857  
Revised Code, then the person is guilty of a misdemeanor of the 42858  
first degree. If the offender previously has been convicted under 42859  
this section and if the subsequent offense contains aggravating 42860  
circumstances other than circumstances that are the basis of a 42861  
felony violation of section 2919.22 of the Revised Code, then the 42862

(F) Whoever violates division (F) of section 4109.22 of the 42864

**Sec. 4141.35.** (A) If the director of job and family services 42867  
finds that any fraudulent misrepresentation has been made by an 42868  
applicant for or a recipient of benefits with the object of 42869  
obtaining benefits to which the applicant or recipient was not 42870  
entitled, and in addition to any other penalty or forfeiture under 42871  
this chapter, then the director: 42872

(1) Shall within four years after the end of the benefit year 42873  
in which the fraudulent misrepresentation was made reject or 42874  
cancel such person's entire weekly claim for benefits that was 42875  
fraudulently claimed, or the person's entire benefit rights if the 42876  
misrepresentation was in connection with the filing of the 42877  
claimant's application for determination of benefit rights; 42878

(2) Shall by order declare that, for each application for 42879  
benefit rights and for each weekly claim canceled, such person 42880  
shall be ineligible for two otherwise valid weekly claims for 42881  
benefits, claimed within six years subsequent to the discovery of 42882  
such misrepresentation; 42883

(3) By order shall require that the total amount of benefits 42884  
rejected or canceled under division (A)(1) of this section be 42885

repaid to the director before such person may become eligible for 42886  
further benefits, and shall withhold such unpaid sums from future 42887  
benefit payments accruing and otherwise payable to such claimant. 42888

benefits are not repaid within thirty days after the director's 42890  
order becomes final, interest on the amount remaining unpaid shall 42891  
be charged to the person at a rate and calculated in the same 42892  
manner as provided under section 4141.23 of the Revised Code. When 42893  
a person ordered to repay benefits has repaid all overpaid 42894  
benefits according to a plan approved by the director, the 42895  
director may cancel the amount of interest that accrued during the 42896  
period of the repayment plan. The director may take action in any 42897  
court of competent jurisdiction to collect benefits and interest 42898  
as provided in sections 4141.23 and 4141.27 of the Revised Code, 42899  
in regard to the collection of unpaid contributions, using the 42900  
final repayment order as the basis for such action. Except as 42901  
otherwise provided in this division, no administrative or legal 42902  
proceedings for the collection of such benefits or interest due, 42903  
or for the collection of a penalty under division (A)(4) of this 42904  
section, shall be initiated after the expiration of six years from 42905  
the date on which the director's order requiring repayment became 42906  
final and the amount of any benefits, penalty, or interest not 42907

as uncollectible. The time limit for instituting proceedings shall 42909  
be extended by the period of any stay to the collection or by any 42910  
other time period to which the parties mutually agree. 42911

(4) Shall, for findings made on or after October 21, 2013, by 42912  
order assess a mandatory penalty on such a person in an amount 42913  
equal to twenty-five per cent of the total amount of benefits 42914  
rejected or canceled under division (A)(1) of this section. The 42915  
first sixty per cent of each penalty collected under division 42916  
(A)(4) of this section shall be deposited into the unemployment 42917  
compensation fund created under section 4141.09 of the Revised 42918

Code and shall be credited to the mutualized account, as provided 42919  
in division (B)(2)(g) of section 4141.25 of the Revised Code. The 42920  
remainder of each penalty collected shall be deposited into the 42921  
unemployment compensation special administrative fund created 42922  
under section 4141.11 of the Revised Code. 42923

(5) May take action to collect benefits fraudulently obtained 42924  
under the unemployment compensation law of any other state or the 42925  
United States or Canada. Such action may be initiated in the 42926  
courts of this state in the same manner as provided for unpaid 42927  
contributions in section 4141.41 of the Revised Code. 42928

(6) May take action to collect benefits that have been 42929  
fraudulently obtained from the director, interest pursuant to 42930  
division (A)(3) of this section, and court costs, through 42931  
attachment proceedings under Chapter 2715. of the Revised Code and 42932  
garnishment proceedings under Chapter 2716. of the Revised Code. 42933

(B) If the director finds that an applicant for benefits has 42934  
been credited with a waiting period or paid benefits to which the 42935  
applicant was not entitled for reasons other than fraudulent 42936  
misrepresentation, the director shall: 42937

(1)(a) Within six months after the determination under which 42938  
the claimant was credited with that waiting period or paid 42939  
benefits becomes final pursuant to section 4141.28 of the Revised 42940  
Code, or within three years after the end of the benefit year in 42941  
which such benefits were claimed, whichever is later, by order 42942  
cancel such waiting period and require that such benefits be 42943  
repaid to the director or be withheld from any benefits to which 42944  
such applicant is or may become entitled before any additional 42945  
benefits are paid, provided that the repayment or withholding 42946  
shall not be required where the overpayment is the result of the 42947  
director's correcting a prior decision due to a typographical or 42948  
clerical error in the director's prior decision, or an error in an 42949  
employer's report under division (G) of section 4141.28 of the 42950

Revised Code. 42951

(b) The limitation specified in division (B)(1)(a) of this 42952  
section shall not apply to cases involving the retroactive payment 42953  
of remuneration covering periods for which benefits were 42954  
previously paid to the claimant. However, in such cases, the 42955  
director's order requiring repayment shall not be issued unless 42956  
the director is notified of such retroactive payment within six 42957  
months from the date the retroactive payment was made to the 42958  
claimant. 42959

(2) The director may, by reciprocal agreement with the United 42960  
States secretary of labor or another state, recover overpayment 42961  
amounts from unemployment benefits otherwise payable to an 42962  
individual under Chapter 4141. of the Revised Code. Any 42963

"Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 42968  
3301 to 3311. 42969

(3) If the amounts required to be repaid under division (B) 42970  
of this section are not recovered within three years from the date 42971  
the director's order requiring payment became final, initiate no 42972  
further action to collect such benefits and the amount of any 42973  
benefits not recovered at that time shall be canceled as 42974  
uncollectible, provided that the time limit for collection shall 42975  
be extended by the period of any stay to the collection or by any 42976  
other time period to which the parties mutually agree. 42977

(C) The appeal provisions of sections 4141.281 and 4141.282 42978  
of the Revised Code shall apply to all orders and determinations 42979  
issued under this section, except that an individual's right of 42980  
appeal under division (B)(2) of this section shall be limited to 42981  
this state's authority to recover overpayment of benefits. 42982

(D) The director shall deposit any repayment collected under this section that the director determines to be payment of interest or court costs into the unemployment compensation special administrative fund established pursuant to section 4141.11 of the Revised Code. 42983  
42984  
42985  
42986  
42987

(E) If an individual makes a full repayment or a repayment that is less than the full amount required by this section, the director shall apply the repayment to the mutualized account under division (B) of section 4141.25 of the Revised Code, except that the director shall credit the repayment to the accounts of the individual's base period employers that previously have not been credited for the amount of improperly paid benefits charged against their accounts based on the proportion of benefits charged against the accounts as determined pursuant to division (D) of section 4141.24 of the Revised Code. 42988

purposes, and not as a pledge or other security interest. The 43116

regulations, or any other reason whatsoever. An absolute 43130  
conveyance and true sale or lease shall exist under this section 43131  
regardless of whether JobsOhio has any recourse against the state 43132  
or the treatment or characterization of the transfer as a 43133  
financing for any purpose. Upon and following the transfer, the 43134  
state shall not have any right, title, or interest in the 43135

combination thereof, related to, useful for, or in furtherance of 43861  
any authorized purpose, in compliance with Chapter 133. of the 43862  
Revised Code, except that the bonds or notes only may be issued 43863  
pursuant to a vote of the electors residing within the territory 43864  
of the port authority. The net indebtedness incurred by a port 43865  
authority shall never exceed two per cent of the total value of 43866  
all property within the territory comprising the authority as 43867  
listed and assessed for taxation. 43868

(4) By resolution of its board of directors, issue revenue 43869  
bonds beyond the limit of bonded indebtedness provided by law, for 43870  
the acquisition, construction, furnishing, or equipping of any 43871  
real or personal property, or any combination thereof, related to, 43872  
useful for, or in furtherance of any authorized purpose, including 43873  
all costs in connection with or incidental thereto. 43874

The revenue bonds of the port authority shall be secured only 43875  
by a pledge of and a lien on the revenues of the port authority 43876  
derived from those loan payments, rentals, fees, charges, or other 43877  
revenues that are designated in the resolution, including, but not 43878  
limited to, any property to be acquired, constructed, furnished, 43879  
or equipped with the proceeds of the bond issue, after provision 43880  
only for the reasonable cost of operating, maintaining, and 43881  
repairing the property of the port authority so designated. The 43882  
bonds may further be secured by the covenant of the port authority 43883  
to maintain rates or charges that will produce revenues sufficient 43884  
to meet the costs of operating, maintaining, and repairing such 43885

property and to meet the interest and principal requirements of 43886  
the bonds and to establish and maintain reserves for the foregoing 43887  
purposes. The board of directors, by resolution, may provide for 43888  
the issuance of additional revenue bonds from time to time, to be 43889  
secured equally and ratably, without preference, priority, or 43890  
distinction, with outstanding revenue bonds, but subject to the 43891  
terms and limitations of any trust agreement described in this 43892  
section, and of any resolution authorizing bonds then outstanding. 43893  
The board of directors, by resolution, may designate additional 43894  
property of the port authority, the revenues of which shall be 43895  
pledged and be subject to a lien for the payment of the debt 43896  
charges on revenue bonds theretofore authorized by resolution of 43897  
the board of directors, to the same extent as the revenues above 43898  
described. 43899

In the discretion of the board of directors, the revenue 43900  
bonds of the port authority may be secured by a trust agreement 43901  
between the board of directors on behalf of the port authority and 43902  
a corporate trustee, that may be any trust company or bank having 43903  
powers of a trust company, within or without the state. 43904

The trust agreement may provide for the pledge or assignment 43905  
of the revenues to be received, but shall not pledge the general 43906  
credit and taxing power of the port authority. A trust agreement 43907  
securing revenue bonds issued to acquire, construct, furnish, or 43908  
equip real property, plants, factories, offices, and other 43909  
structures and facilities for authorized purposes consistent with 43910  
Section 13 or 16 of Article VIII, Ohio Constitution, may mortgage 43911  
the real or personal property, or a combination thereof, to be 43912  
acquired, constructed, furnished, or equipped from the proceeds of 43913  
such revenue bonds, as further security for the bonds. The trust 43914  
agreement or the resolution providing for the issuance of revenue 43915  
bonds may set forth the rights and remedies of the bondholders and 43916  
trustee, and may contain other provisions for protecting and 43917

enforcing their rights and remedies that are determined in the 43918  
discretion of the board of directors to be reasonable and proper. 43919  
The agreement or resolution may provide for the custody, 43920  
investment, and disbursement of all moneys derived from the sale 43921  
of such bonds, or from the revenues of the port authority, other 43922  
than those moneys received from taxes levied pursuant to section 43923  
4582.14 of the Revised Code, and may provide for the deposit of 43924  
such funds without regard to section 4582.15 of the Revised Code. 43925

All bonds issued under authority of this chapter, regardless 43926  
of form or terms and regardless of any other law to the contrary, 43927  
shall have all qualities and incidents of negotiable instruments, 43928  
subject to provisions for registration, and may be issued in 43929  
coupon, fully registered, or other form, or any combination 43930  
thereof, as the board of directors determines. Provision may be 43931  
made for the registration of any coupon bonds as to principal 43932  
alone or as to both principal and interest, and for the conversion 43933  
into coupon bonds of any fully registered bonds or bonds 43934  
registered as to both principal and interest. 43935

The revenue bonds shall bear interest at such rate or rates, 43936  
shall bear such date or dates, and shall mature within forty-five 43937  
years following the date of issuance and in such amount, at such 43938  
time or times, and in such number of installments, as may be 43939  
provided in or pursuant to the resolution authorizing their 43940  
issuance. The final maturity of any original issue of revenue 43941  
bonds shall not be later than forty-five years from their date of 43942  
issue. Such resolution also shall provide for the execution of the 43943  
bonds, which may be by facsimile signatures unless prohibited by 43944  
the resolution, and the manner of sale of the bonds. The 43945  
resolution shall provide for, or provide for the determination of, 43946  
any other terms and conditions relative to the issuance, sale, and 43947  
retirement of the bonds that the board of directors in its 43948  
discretion determines to be reasonable and proper. 43949

Whenever a port authority considers it expedient, it may 43950  
issue renewal notes and refund any bonds, whether the bonds to be 43951  
refunded have or have not matured. The final maturity of any 43952  
notes, including any renewal notes, shall not be later than five 43953  
years from the date of issue of the original issue of notes. The 43954  
final maturity of any refunding bonds shall not be later than the 43955  
later of forty-five years from the date of issue of the original 43956  
issue of bonds. The refunding bonds shall be sold and the proceeds 43957  
applied to the purchase, redemption, or payment of the bonds to be 43958  
refunded and the costs of issuance of the refunding bonds. The 43959  
bonds and notes issued under this chapter, their transfer, and the 43960  
income therefrom, shall at all times be free from taxation within 43961  
the state. 43962

(5) Do any of the following, in regard to any interests in 43963  
any real or personal property, or any combination thereof, 43964  
including, without limitation, machinery, equipment, plants, 43965  
factories, offices, and other structures and facilities related 43966  
to, useful for, or in furtherance of any authorized purpose, for 43967  
such consideration and in such manner, consistent with Article 43968  
VIII, Ohio Constitution, as the board in its sole discretion may 43969  
determine: 43970

(a) Loan moneys to any person or governmental entity for the 43971  
acquisition, construction, furnishing, and equipping of the 43972  
property; 43973

(b) Acquire, construct, maintain, repair, furnish, and equip 43974  
the property; 43975

(c) Sell to, exchange with, lease, convey other interests in, 43976  
or lease with an option to purchase the same or any lesser 43977  
interest in the property to the same or any other person or 43978  
governmental entity; 43979

(d) Guarantee the obligations of any person or governmental 43980

entity. 43981

A port authority may accept and hold as consideration for the 43982  
conveyance of property or any interest therein such property or 43983  
interests therein as the board in its discretion may determine, 43984  
notwithstanding any restrictions that apply to the investment of 43985  
funds by a port authority. 43986

(6) Construct, maintain, repair, furnish, equip, sell, 43987  
exchange, lease, or lease with an option to purchase, any property 43988  
that it is authorized to acquire. A port authority that is subject 43989  
to this section also may operate any property in connection with 43990  
transportation, recreational, governmental operations, or cultural 43991  
activities. 43992

(a) Any purchase, exchange, sale, lease, lease with an option 43993  
to purchase, conveyance of other interests in, or other contract 43994  
with a person or governmental entity that pertains to the 43995  
acquisition, construction, maintenance, repair, furnishing, 43996  
equipping, or operation of any real or personal property, or any 43997  
combination thereof, related to, useful for, or in furtherance of 43998  
an activity contemplated by Section 13 or 16 of Article VIII, Ohio 43999  
Constitution, shall be made in such manner and subject to such 44000  
terms and conditions as may be determined by the board of 44001  
directors in its discretion. 44002

(b) Division (A)(6)(a) of this section applies to all 44003  
contracts that are subject to the division, notwithstanding any 44004  
other provision of law that might otherwise apply, including, 44005  
without limitation, any requirement of notice, any requirement of 44006  
competitive bidding or selection, or any requirement for the 44007  
provision of security. 44008

(c) Divisions (A)(6)(a) and (b) of this section do not apply 44009

contemplates the use of amounts payable under the agreement either 44018  
to pay the costs of the improvement that is the subject of the 44019

to the procedure provided in sections 163.01 to 163.22 of the 44032  
Revised Code, if funds equal to the appraised value of the 44033  
property to be acquired as a result of such proceedings are 44034  
available for that purpose, except that nothing contained in 44035  
sections 4582.01 to 4582.20 of the Revised Code shall authorize a 44036  
port authority to take or disturb property or facilities belonging 44037

provided that: 44236

(a) If any restoration or duplication proposed to be made 44237  
under this section involves a relocation of the property or 44238  
facilities, the new facilities and location shall be of at least 44239  
comparable utilitarian value and effectiveness and shall not 44240  
impair the ability of the public utility, cable operator, or 44241  
common carrier to compete in its original area of operation; 44242

(b) If any restoration or duplication made under this section 44243

advisory recommendations of the crematory review board, the 45083  
written transcript of the crematory review board's proceedings, 45084  
and any objections filed by a party, the board of embalmers and 45085

(4) of this section in accordance with section 119.12 of the 45089

any rules adopted under it. The board may compel witnesses by 45100  
subpoena to appear and testify in relation to investigations 45101  
conducted under this chapter and may require by subpoena duces 45102  
tecum the production of any book, paper, or document pertaining to 45103  
an investigation. If a person does not comply with a subpoena or 45104  
subpoena duces tecum, the board may apply to the court of common 45105  
pleas of any county in this state for an order compelling the 45106  
person to comply with the subpoena or subpoena duces tecum, or for 45107

rules adopted under this chapter governing or in connection with 45113  
embalming, funeral directing, cremation, funeral homes, embalming 45114  
facilities, or cremation facilities, or the operation of funeral 45115  
homes, embalming facilities, or crematory facilities, it may, 45116  
after providing the opportunity for an adjudicatory hearing, issue 45117  
an order directing the person to cease the acts or practices that 45118  
constitute the violation. The board shall conduct the adjudicatory 45119  
hearing in accordance with Chapter 119. of the Revised Code except 45120  
that, notwithstanding the provisions of that chapter, the 45121  
following shall apply: 45122

(1) The board shall send the notice informing the person of 45123  
the person's right to a hearing by certified mail. 45124

(2) The person is entitled to a hearing only if the person 45125  
requests a hearing and if the board receives the request within 45126  
thirty days after the mailing of the notice described in division 45127  
(H)(1) of this section. 45128

(3) A stenographic record shall be taken, in the manner 45129  
prescribed in section 119.09 of the Revised Code, at every 45130  
adjudicatory hearing held under this section, regardless of 45131  
whether the record may be the basis of an appeal to a court. 45132

(I) If, as a result of its investigation conducted under 45133  
division (G) of this section, the board of embalmers and funeral 45134  
directors has reasonable cause to believe that the person 45135  
investigated is violating any provision of this chapter or any 45136  
rules adopted under this chapter governing or in connection with 45137  
crematory operators, crematory facilities, or cremation, the board 45138  
shall send written notice of the alleged violation to the 45139  
crematory review board. If, after the conclusion of the 45140  
adjudicatory hearing in the matter conducted under division (F) of 45141  
this section, the board of embalmers and funeral directors finds 45142

that a person is in violation of any provision of this chapter or 45143  
any rules adopted under this chapter governing or in connection 45144  
with crematory operators, crematory facilities, or cremation, the 45145  
board may issue a final order under that division directing the 45146  
person to cease the acts or practices that constitute the 45147  
violation. 45148

(J) The board of embalmers and funeral directors may bring a 45149  
civil action to enjoin any violation or threatened violation of 45150  
sections 4717.01 to 4717.15 of the Revised Code or a rule adopted 45151  
under any of those sections; division (A) or (B) of section 45152  
4717.23; division (B)(1) or (2), (C)(1) or (2), (D), (E), or 45153

Revised Code. The action shall be brought in the county where the 45157  
violation occurred or the threatened violation is expected to 45158  
occur. At the request of the board, the attorney general shall 45159  
represent the board in any matter arising under this chapter. 45160

(K) The board of embalmers and funeral directors and the 45161  
crematory review board may issue subpoenas for any person holding 45162  
a license or permit under this chapter or persons holding 45163  
themselves out as such, or for any other person whose testimony, 45164  
in the opinion of either board, is necessary. The subpoena shall 45165  
require the person to appear before the appropriate board or any 45166  
designated member of either board, upon any hearing conducted 45167  
under this chapter. The penalty for disobedience to the command of 45168  
such a subpoena is the same as for refusal to answer such a 45169  
process issued under authority of the court of common pleas. 45170

(L) Except as provided in section 4717.41 of the Revised 45171  
Code, all moneys received by the board of embalmers and funeral 45172  
directors from any source shall be deposited in the state treasury 45173

On receipt of the petition and supporting court documents, the board shall temporarily rescind its action. If the board determines that the decision on appeal was a decision on the merits, it shall permanently rescind its action. If the board determines that the decision on appeal was not a decision on the merits, it shall conduct an adjudication to determine whether the registered nurse, licensed practical nurse, or dialysis technician committed the act on which the original conviction, plea, or judicial finding was based. such act, or if the registered nurse, licensed practical nurse, or dialysis technician does not request an adjudication, the board shall reinstate its action; otherwise, the board shall permanently rescind its action.

Notwithstanding the provision of division (C)(2) of section 2953.32 of the Revised Code specifying that if records pertaining to a criminal case are sealed under that section the proceedings in the case shall be deemed not to have occurred, sealing of the following records on which the board has based an action under this section shall have no effect on the board's action or any sanction imposed by the board under this section: records of any conviction, guilty plea, judicial finding of guilt resulting from a plea of no contest, or a judicial finding of eligibility for a pretrial diversion program or intervention in lieu of conviction.

The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(G) During the course of an investigation conducted under this section, the board may compel any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter to submit to a mental or physical examination, or both, as required by the board and at the expense of the individual, if the board finds reason to believe that the individual under investigation may have a physical or mental impairment that may

affect the individual's ability to provide safe nursing care. 45758  
Failure of any individual to submit to a mental or physical 45759  
examination when directed constitutes an admission of the 45760  
allegations, unless the failure is due to circumstances beyond the 45761  
individual's control, and a default and final order may be entered 45762  
without the taking of testimony or presentation of evidence. 45763

If the board finds that an individual is impaired, the board 45764  
shall require the individual to submit to care, counseling, or 45765  
treatment approved or designated by the board, as a condition for 45766  
initial, continued, reinstated, or renewed authority to practice. 45767  
The individual shall be afforded an opportunity to demonstrate to 45768  
the board that the individual can begin or resume the individual's 45769  
occupation in compliance with acceptable and prevailing standards 45770  
of care under the provisions of the individual's authority to 45771  
practice. 45772

For purposes of this division, any registered nurse, licensed 45773  
practical nurse, or dialysis technician or applicant under this 45774  
chapter shall be deemed to have given consent to submit to a 45775  
mental or physical examination when directed to do so in writing 45776  
by the board, and to have waived all objections to the 45777  
admissibility of testimony or examination reports that constitute 45778  
a privileged communication. 45779

(H) The board shall investigate evidence that appears to show 45780  
that any person has violated any provision of this chapter or any 45781  
rule of the board. Any person may report to the board any 45782  
information the person may have that appears to show a violation 45783  
of any provision of this chapter or rule of the board. In the 45784  
absence of bad faith, any person who reports such information or 45785  
who testifies before the board in any adjudication conducted under 45786  
Chapter 119. of the Revised Code shall not be liable for civil 45787  
damages as a result of the report or testimony. 45788

(I) All of the following apply under this chapter with 45789

respect to the confidentiality of information: 45790

(1) Information received by the board pursuant to a complaint 45791  
or an investigation is confidential and not subject to discovery 45792  
in any civil action, except that the board may disclose 45793  
information to law enforcement officers and government entities 45794  
for purposes of an investigation of either a licensed health care 45795  
professional, including a registered nurse, licensed practical 45796  
nurse, or dialysis technician, or a person who may have engaged in 45797  
the unauthorized practice of nursing or dialysis care. No law 45798  
enforcement officer or government entity with knowledge of any 45799  
information disclosed by the board pursuant to this division shall 45800  
divulge the information to any other person or government entity 45801  
except for the purpose of a government investigation, a 45802  
prosecution, or an adjudication by a court or government entity. 45803

(2) If an investigation requires a review of patient records, 45804  
the investigation and proceeding shall be conducted in such a 45805  
manner as to protect patient confidentiality. 45806

(3) All adjudications and investigations of the board shall 45807  
be considered civil actions for the purposes of section 2305.252 45808  
of the Revised Code. 45809

(4) Any board activity that involves continued monitoring of 45810  
an individual as part of or following any disciplinary action 45811  
taken under this section shall be conducted in a manner that 45812  
maintains the individual's confidentiality. Information received 45813  
or maintained by the board with respect to the board's monitoring 45814  
activities is not subject to discovery in any civil action and is 45815  
confidential, except that the board may disclose information to 45816  
law enforcement officers and government entities for purposes of 45817  
an investigation of a licensee or certificate holder. 45818

(J) Any action taken by the board under this section 45819  
resulting in a suspension from practice shall be accompanied by a 45820

written statement of the conditions under which the person may be 45821  
reinstated to practice. 45822

(K) When the board refuses to grant a license or certificate 45823  
to an applicant, revokes a license or certificate, or refuses to 45824  
reinstate a license or certificate, the board may specify that its 45825  
action is permanent. An individual subject to permanent action 45826  
taken by the board is forever ineligible to hold a license or 45827  
certificate of the type that was refused or revoked and the board 45828  
shall not accept from the individual an application for 45829  
reinstatement of the license or certificate or for a new license 45830  
or certificate. 45831

(L) No unilateral surrender of a nursing license, ~~certificate~~ 45832  
~~of authority~~, or dialysis technician certificate issued under this 45833  
chapter shall be effective unless accepted by majority vote of the 45834  
board. No application for a nursing license, ~~certificate of~~ 45835  
~~authority~~, or dialysis technician certificate issued under this 45836  
chapter may be withdrawn without a majority vote of the board. The 45837  
board's jurisdiction to take disciplinary action under this 45838  
section is not removed or limited when an individual has a license 45839  
or certificate classified as inactive or fails to renew a license 45840  
or certificate. 45841

this section against any licensee who waives deductibles and 45843  
copayments as follows: 45844

(1) In compliance with the health benefit plan that expressly 45845  
allows such a practice. Waiver of the deductibles or copayments 45846

purchaser, payer, and third-party administrator. Documentation of 45848  
the consent shall be made available to the board upon request. 45849

(2) For professional services rendered to any other person 45850  
licensed pursuant to this chapter to the extent allowed by this 45851

chapter and the rules of the board. 45852

fitness in the capacity involved" means that the applicant for a 45854  
pawnbroker's license demonstrates sufficient financial 45855  
responsibility, reputation, and experience in the pawnbroker 45856  
business, or in a related business, to act as a pawnbroker in 45857

(B) The superintendent may grant a license to act as a 45883  
pawnbroker to any person of good character and having experience 45884  
and fitness in the capacity involved to engage in the business of 45885  
pawnbroking upon the payment to the superintendent of a license 45886  
fee determined by the superintendent pursuant to section 1321.20 45887  
of the Revised Code. A license is not transferable or assignable. 45888

(C) The superintendent may consider an application withdrawn 45889  
and may retain the investigation fee required under division (D) 45890  
of this section if both of the following are true: 45891

(1) An application for a license does not contain all of the 45892  
information required under division (B) of this section. 45893

(2) The information is not submitted to the superintendent 45894  
within ninety days after the superintendent requests the 45895  
information from the applicant in writing. 45896

(D) The superintendent shall require an applicant for a 45897  
pawnbroker's license to pay to the superintendent a nonrefundable 45898  
initial investigation fee of two hundred dollars, which is for the 45899  
exclusive use of the state. 45900

(E)(1) Except as otherwise provided in division (E)(2) of 45901  
this section, a pawnbroker's license issued by the superintendent 45902  
expires on the thirtieth day of June next following the date of 45903  
its issuance, or on a different date set by the superintendent 45904  
pursuant to section 1181.23 of the Revised Code, and may be 45905  
renewed annually ~~by the thirtieth day of June~~ in accordance with 45906  
the standard renewal procedure set forth in Chapter 4745. of the 45907  
Revised Code. Fifty per cent of the annual license fee shall be 45908  
for the use of the state, and fifty per cent shall be paid by the 45909  
state to the municipal corporation, or if outside the limits of 45910  
any municipal corporation, to the county, in which the office of 45911  
the licensee is located. All such fees payable to municipal 45912

corporations or counties shall be paid annually. 45913

(2) A pawnbroker's license issued or renewed by the 45914  
superintendent on or after January 1, 2006, expires on the 45915  
thirtieth day of June in the even-numbered year next following the 45916  
date of its issuance or renewal, as applicable, and may be renewed 45917  
biennially by the thirtieth day of June in accordance with the 45918  
standard renewal procedure set forth in Chapter 4745. of the 45919  
Revised Code. Fifty per cent of the biennial license fee shall be 45920  
for the use of the state, and fifty per cent shall be paid by the 45921  
state to the municipal corporation, or if outside the limits of 45922  
any municipal corporation, to the county, in which the office of 45923  
the licensee is located. All such fees payable to municipal 45924  
corporations or counties shall be paid biennially. If deemed 45925  
necessary for participation, the superintendent may reset the 45926  
renewal date and require annual registration pursuant to section 45927  
1181.23 of the Revised Code. 45928

(F) The fee for renewal of a license shall be equivalent to 45929  
the fee for an initial license established by the superintendent 45930  
pursuant to section 1321.20 of the Revised Code. Any licensee who 45931  
wishes to renew the pawnbroker's license but who fails to do so on 45932  
or before the date the license expires shall reapply for licensure 45933  
in the same manner and pursuant to the same requirements as for 45934  
initial licensure, unless the licensee pays to the superintendent 45935  
on or before the thirty-first day of August of the year the 45936  
license expires, a late renewal penalty of one hundred dollars in 45937  
addition to the regular renewal fee. Any licensee who fails to 45938  
renew the license on or before the date the license expires is 45939  
prohibited from acting as a pawnbroker until the license is 45940  
renewed or a new license is issued under this section. Any 45941  
licensee who renews a license between the first day of July and 45942  
the thirty-first day of August of the year the license expires is 45943  
not relieved from complying with this division. The superintendent 45944

may refuse to issue to or renew the license of any licensee who 45945  
violates this division. 45946

(G) No license shall be granted to any person not a resident 45947  
of or the principal office of which is not located in the 45948  
municipal corporation or county designated in such license unless 45949  
that applicant, in writing and in due form approved by and filed 45950  
with the superintendent, first appoints an agent, a resident of 45951  
the state, and city or county where the office is to be located, 45952  
upon whom all judicial and other process, or legal notice, 45953  
directed to the applicant may be served. In case of the death, 45954  
removal from the state, or any legal disability or any 45955  
disqualification of any such agent, service of such process or 45956  
notice may be made upon the superintendent. 45957

The superintendent may, upon notice to the licensee and 45958  
reasonable opportunity to be heard, suspend or revoke any license 45959  
or assess a penalty against the licensee if the licensee, or the 45960  
licensee's officers, agents, or employees, has violated this 45961  
chapter. Any penalty shall be appropriate to the violation but in 45962  
no case shall the penalty be less than two hundred nor more than 45963  
two thousand dollars. Whenever, for any cause, a license is 45964  
suspended or revoked, the superintendent shall not issue another 45965  
license to the licensee nor to the legal spouse of the licensee, 45966  
nor to any business entity of which the licensee is an officer or 45967  
member or partner, nor to any person employed by the licensee, 45968  
until the expiration of at least two years from the date of 45969  
revocation or suspension of the license. The superintendent shall 45970  
deposit all penalties allocated pursuant to this section into the 45971  
state treasury to the credit of the consumer finance fund. 45972

Any proceedings for the revocation or suspension of a license 45973  
or to assess a penalty against a licensee are subject to Chapter 45974  
119. of the Revised Code. 45975

(H) If a licensee surrenders or chooses not to renew the 45976

pawnbroker's license, the licensee shall notify the superintendent 45977  
thirty days prior to the date on which the licensee intends to 45978  
close the licensee's business as a pawnbroker. Prior to the date, 45979  
the licensee shall do either of the following with respect to all 45980  
active loans: 45981

(1) Dispose of an active loan by selling the loan to another 45982  
person holding a valid pawnbroker's license issued under this 45983  
section; 45984

(2) Reduce the rate of interest on pledged articles held as 45985  
security for a loan to eight per cent per annum or less effective 45986  
on the date that the pawnbroker's license is no longer valid. 45987

**Sec. 4728.03.** (A) As used in this section, "experience and 45988  
fitness in the capacity involved" means that the applicant for a 45989  
precious metals dealer's license has had sufficient financial 45990  
responsibility, reputation, and experience in the business of 45991  
precious metals dealer, or a related business, to act as a 45992  
precious metals dealer in compliance with this chapter. 45993

(B)(1) The division of financial institutions in the 45994  
department of commerce may grant a precious metals dealer's 45995  
license to any person of good character, having experience and 45996  
fitness in the capacity involved, who demonstrates a net worth of 45997  
at least ten thousand dollars and the ability to maintain that net 45998  
worth during the licensure period. The superintendent of financial 45999  
institutions shall compute the applicant's net worth according to 46000  
generally accepted accounting principles. 46001

(2) In place of the demonstration of net worth required by 46002  
division (B)(1) of this section, an applicant may obtain a surety 46003  
bond issued by a surety company authorized to do business in this 46004  
state if all of the following conditions are met: 46005

(a) A copy of the surety bond is filed with the division; 46006

(b) The bond is in favor of any person, and of the state for the benefit of any person, injured by any violation of this chapter;

(c) The bond is in the amount of not less than ten thousand dollars.

(3) Before granting a license under this division, the division shall determine that the applicant meets the requirements of division (B)(1) or (2) of this section.

(C) The division shall require an applicant for a precious metals dealer's license to pay to the division a nonrefundable, initial investigation fee of two hundred dollars which shall be for the exclusive use of the state. The license fee for a precious metals dealer's license and the renewal fee shall be determined by the superintendent, provided that the fee may not exceed three hundred dollars. A license issued by the division shall expire on the last day of June next following the date of its issuance or annually on a different date set by the superintendent pursuant to section 1181.23 of the Revised Code. Fifty per cent of license fees shall be for the use of the state, and fifty per cent shall be paid to the municipal corporation, or if outside the limits of any municipal corporation, to the county in which the office of the licensee is located. All portions of license fees payable to municipal corporations or counties shall be paid as they accrue, by the treasurer of state, on vouchers issued by the director of budget and management.

(D) Every such license shall be renewed annually by the last day of June, or annually on a different date set by the superintendent pursuant to section 1181.23 of the Revised Code, according to the standard renewal procedure of Chapter 4745. of the Revised Code. No license shall be granted to any person not a resident of or the principal office of which is not located in the municipal corporation or county designated in such license,

unless, and until such applicant shall, in writing and in due 46039  
form, to be first approved by and filed with the division, appoint 46040  
an agent, a resident of the state, and city or county where the 46041  
office is to be located, upon whom all judicial and other process, 46042  
or legal notice, directed to the applicant may be served; and in 46043  
case of the death, removal from the state, or any legal disability 46044  
or any disqualification of any agent, service of process or notice 46045  
may be made upon the superintendent. 46046

(E) The division may, pursuant to Chapter 119. of the Revised 46047  
Code, upon notice to the licensee and after giving the licensee 46048  
reasonable opportunity to be heard, revoke or suspend any license, 46049  
if the licensee or the licensee's officers, agents, or employees 46050  
violate this chapter. Whenever, for any cause, the license is 46051  
revoked or suspended, the division shall not issue another license 46052  
to the licensee nor to the husband or wife of the licensee, nor to 46053  
any copartnership or corporation of which the licensee is an 46054  
officer, nor to any person employed by the licensee, until the 46055  
expiration of at least one year from the date of revocation of the 46056  
license. 46057

(F) In conducting an investigation to determine whether an 46058  
applicant satisfies the requirements for licensure under this 46059  
section, the superintendent may request that the superintendent of 46060  
the bureau of criminal identification and investigation 46061  
investigate and determine whether the bureau has procured any 46062  
information pursuant to section 109.57 of the Revised Code 46063  
pertaining to the applicant. 46064

If the superintendent of financial institutions determines 46065  
that conducting an investigation to determine whether an applicant 46066  
satisfies the requirements for licensure under this section will 46067  
require procuring information outside the state, then, in addition 46068  
to the fee established under division (C) of this section, the 46069  
superintendent may require the applicant to pay any of the actual 46070

expenses incurred by the division to conduct such an 46071  
investigation, provided that the superintendent shall assess the 46072  
applicant a total no greater than one thousand dollars for such 46073  
expenses. The superintendent may require the applicant to pay in 46074  
advance of the investigation, sufficient funds to cover the 46075  
estimated cost of the actual expenses. If the superintendent 46076  
requires the applicant to pay investigation expenses, the 46077  
superintendent shall provide to the applicant an itemized 46078  
statement of the actual expenses incurred by the division to 46079  
conduct the investigation. 46080

(G)(1) Except as otherwise provided in division (G)(2) of 46081  
this section a precious metals dealer licensed under this section 46082  
shall maintain a net worth of at least ten thousand dollars, 46083  
computed as required under division (B)(1) of this section, for as 46084  
long as the licensee holds a valid precious metals dealer's 46085  
license issued pursuant to this section. 46086

(2) A licensee who obtains a surety bond under division 46087  
(B)(2) of this section is exempt from the requirement of division 46088  
(G)(1) of this section, but shall maintain the bond for at least 46089  
two years after the date on which the licensee ceases to conduct 46090  
business in this state. 46091

Sec. 4729.261. Not later than July 1, 2020, the state board 46092  
of pharmacy shall adopt rules in accordance with Chapter 119. of 46093  
the Revised Code to define "specialty drug" and "specialty 46094  
pharmacy" for the purpose of contracts entered into under section 46095  
125.93 of the Revised Code. The board may consult with the 46096  
department of medicaid in adopting the rules. 46097

Sec. 4729.48. When filling a prescription, if a pharmacist, 46098  
pharmacy intern, or terminal distributor of dangerous drugs has 46099

the patient's health benefit plan exceeds the amount that may 46101  
otherwise be charged for the same drug, both of the following 46102  
apply: 46103

(A) The pharmacist, pharmacy intern, or terminal distributor 46104  
shall provide this information to the patient. 46105

(B) The patient shall not be charged the higher amount. 46106

**Sec. 4729.571.** (A) The state board of pharmacy may suspend 46107  
without a hearing the license of a terminal distributor of 46108  
dangerous drugs if the board determines that there is clear and 46109  
convincing evidence of a danger of immediate and serious harm to 46110  
others due to either of the following: 46111

(1) The method used by the terminal distributor to possess or 46112  
distribute dangerous drugs; 46113

(2) The method of prescribing dangerous drugs used by a 46114  
licensed health professional authorized to prescribe drugs who 46115  
holds a terminal distributor license or practices in the employ of 46116  
or under contract with a terminal distributor. 46117

(B) The board shall follow the procedure for suspension 46118  
without a prior hearing in section 119.07 of the Revised Code. The 46119  
suspension shall remain in effect, unless removed by the board, 46120  
until the board's final adjudication order becomes effective, 46121  
except that if the board does not issue its final adjudication 46122  
order within one hundred twenty days after the suspension, the 46123  
suspension shall be void on the one hundred twenty-first day after 46124  
the suspension. 46125

If the terminal distributor holds a license with a pain 46126  
management clinic classification issued under section 4729.552 of 46127  
the Revised Code or a license with an office-based opioid 46128

Revised Code and the person holding the license also holds a 46130

~~certificate~~ license issued under Chapter 4731. of the Revised Code 46131  
to practice medicine and surgery or osteopathic medicine and 46132  
surgery, prior to suspending the license without a hearing, the 46133  
board shall consult with the secretary of the state medical board 46134  
or, if the secretary is unavailable, another physician member of 46135  
the board. 46136

with division (A) or (B) of this section. 46699

(2) If the board finds, through a review conducted under this 46700  
section or through any other means, that a physician or physician 46701  
assistant failed to comply with division (D) of this section, the 46702  
board may do either of the following: 46703

A 46713

(4) A civil penalty imposed under that division may be in 46714  
addition to or in lieu of any other action the board may take 46715  
under section 4730.25 or 4731.22 of the Revised Code (E)(1) or 46716

(2)(a) of this section or paid under division (E)(2)(b) of this section shall be in an amount specified by the board of not more than five thousand dollars and shall be deposited in accordance with section 4731.24 of the Revised Code.

46819  
46820

the drug enforcement administration of the United States 46845  
department of justice. 46846

(C) Disciplinary actions taken by the board under divisions 46847  
(A) and (B) of this section shall be taken pursuant to an 46848  
adjudication under Chapter 119. of the Revised Code, except that 46849  
in lieu of an adjudication, the board may enter into a consent 46850  
agreement with a physician assistant or applicant to resolve an 46851  
allegation of a violation of this chapter or any rule adopted 46852  
under it. A consent agreement, when ratified by an affirmative 46853  
vote of not fewer than six members of the board, shall constitute 46854  
the findings and order of the board with respect to the matter 46855  
addressed in the agreement. If the board refuses to ratify a 46856  
consent agreement, the admissions and findings contained in the 46857  
consent agreement shall be of no force or effect. 46858

(D) For purposes of divisions (B)(12), (15), and (16) of this 46859  
section, the commission of the act may be established by a finding 46860  
by the board, pursuant to an adjudication under Chapter 119. of 46861  
the Revised Code, that the applicant or license holder committed 46862  
the act in question. The board shall have no jurisdiction under 46863  
these divisions in cases where the trial court renders a final 46864  
judgment in the license holder's favor and that judgment is based 46865  
upon an adjudication on the merits. The board shall have 46866  
jurisdiction under these divisions in cases where the trial court 46867  
issues an order of dismissal upon technical or procedural grounds. 46868

(E) The sealing of conviction records by any court shall have 46869  
no effect upon a prior board order entered under the provisions of 46870

this section or upon the board's jurisdiction to take action under 46871  
the provisions of this section if, based upon a plea of guilty, a 46872  
judicial finding of guilt, or a judicial finding of eligibility 46873  
for intervention in lieu of conviction, the board issued a notice 46874  
of opportunity for a hearing prior to the court's order to seal 46875  
the records. The board shall not be required to seal, destroy, 46876  
redact, or otherwise modify its records to reflect the court's 46877  
sealing of conviction records. 46878

(F) For purposes of this division, any individual who holds a 46879  
license issued under this chapter, or applies for a license issued 46880  
under this chapter, shall be deemed to have given consent to 46881  
submit to a mental or physical examination when directed to do so 46882  
in writing by the board and to have waived all objections to the 46883  
admissibility of testimony or examination reports that constitute 46884  
a privileged communication. 46885

(1) In enforcing division (B)(4) of this section, the board, 46886  
upon a showing of a possible violation, may compel any individual 46887  
who holds a license issued under this chapter or who has applied 46888  
for a license pursuant to this chapter to submit to a mental 46889  
examination, physical examination, including an HIV test, or both 46890  
a mental and physical examination. The expense of the examination 46891  
is the responsibility of the individual compelled to be examined. 46892  
Failure to submit to a mental or physical examination or consent 46893  
to an HIV test ordered by the board constitutes an admission of 46894  
the allegations against the individual unless the failure is due 46895  
to circumstances beyond the individual's control, and a default 46896  
and final order may be entered without the taking of testimony or 46897  
presentation of evidence. If the board finds a physician assistant 46898  
unable to practice because of the reasons set forth in division 46899  
(B)(4) of this section, the board shall require the physician 46900  
assistant to submit to care, counseling, or treatment by 46901  
physicians approved or designated by the board, as a condition for 46902

an initial, continued, reinstated, or renewed license. An 46903  
individual affected under this division shall be afforded an 46904  
opportunity to demonstrate to the board the ability to resume 46905  
practicing in compliance with acceptable and prevailing standards 46906  
of care. 46907

(2) For purposes of division (B)(5) of this section, if the 46908  
board has reason to believe that any individual who holds a 46909  
license issued under this chapter or any applicant for a license 46910  
suffers such impairment, the board may compel the individual to 46911  
submit to a mental or physical examination, or both. The expense 46912  
of the examination is the responsibility of the individual 46913  
compelled to be examined. Any mental or physical examination 46914  
required under this division shall be undertaken by a treatment 46915  
provider or physician qualified to conduct such examination and 46916  
chosen by the board. 46917

Failure to submit to a mental or physical examination ordered 46918  
by the board constitutes an admission of the allegations against 46919  
the individual unless the failure is due to circumstances beyond 46920  
the individual's control, and a default and final order may be 46921  
entered without the taking of testimony or presentation of 46922  
evidence. If the board determines that the individual's ability to 46923  
practice is impaired, the board shall suspend the individual's 46924  
license or deny the individual's application and shall require the 46925  
individual, as a condition for initial, continued, reinstated, or 46926  
renewed licensure, to submit to treatment. 46927

Before being eligible to apply for reinstatement of a license 46928  
suspended under this division, the physician assistant shall 46929  
demonstrate to the board the ability to resume practice or 46930  
prescribing in compliance with acceptable and prevailing standards 46931  
of care. The demonstration shall include the following: 46932

(a) Certification from a treatment provider approved under 46933  
section 4731.25 of the Revised Code that the individual has 46934

successfully completed any required inpatient treatment; 46935

(b) Evidence of continuing full compliance with an aftercare 46936  
contract or consent agreement; 46937

(c) Two written reports indicating that the individual's 46938  
ability to practice has been assessed and that the individual has 46939  
been found capable of practicing according to acceptable and 46940  
prevailing standards of care. The reports shall be made by 46941  
individuals or providers approved by the board for making such 46942  
assessments and shall describe the basis for their determination. 46943

The board may reinstate a license suspended under this 46944  
division after such demonstration and after the individual has 46945  
entered into a written consent agreement. 46946

When the impaired physician assistant resumes practice or 46947  
prescribing, the board shall require continued monitoring of the 46948  
physician assistant. The monitoring shall include compliance with 46949  
the written consent agreement entered into before reinstatement or 46950  
with conditions imposed by board order after a hearing, and, upon 46951  
termination of the consent agreement, submission to the board for 46952  
at least two years of annual written progress reports made under 46953  
penalty of falsification stating whether the physician assistant 46954  
has maintained sobriety. 46955

(G) If the secretary and supervising member determine that 46956  
there is clear and convincing evidence that a physician assistant 46957  
has violated division (B) of this section and that the 46958  
individual's continued practice or prescribing presents a danger 46959  
of immediate and serious harm to the public, they may recommend 46960  
that the board suspend the individual's license without a prior 46961  
hearing. Written allegations shall be prepared for consideration 46962  
by the board. 46963

The board, upon review of those allegations and by an 46964  
affirmative vote of not fewer than six of its members, excluding 46965

the secretary and supervising member, may suspend a license 46966  
without a prior hearing. A telephone conference call may be 46967  
utilized for reviewing the allegations and taking the vote on the 46968  
summary suspension. 46969

The board shall issue a written order of suspension by 46970  
certified mail or in person in accordance with section 119.07 of 46971  
the Revised Code. The order shall not be subject to suspension by 46972  
the court during pendency of any appeal filed under section 119.12 46973  
of the Revised Code. If the physician assistant requests an 46974  
adjudicatory hearing by the board, the date set for the hearing 46975  
shall be within fifteen days, but not earlier than seven days, 46976  
after the physician assistant requests the hearing, unless 46977  
otherwise agreed to by both the board and the license holder. 46978

A summary suspension imposed under this division shall remain 46979  
in effect, unless reversed on appeal, until a final adjudicative 46980  
order issued by the board pursuant to this section and Chapter 46981  
119. of the Revised Code becomes effective. The board shall issue 46982  
its final adjudicative order within sixty days after completion of 46983  
its hearing. Failure to issue the order within sixty days shall 46984  
result in dissolution of the summary suspension order, but shall 46985  
not invalidate any subsequent, final adjudicative order. 46986

(H) If the board takes action under division (B)(11), (13), 46987  
or (14) of this section, and the judicial finding of guilt, guilty 46988  
plea, or judicial finding of eligibility for intervention in lieu 46989  
of conviction is overturned on appeal, upon exhaustion of the 46990  
criminal appeal, a petition for reconsideration of the order may 46991  
be filed with the board along with appropriate court documents. 46992  
Upon receipt of a petition and supporting court documents, the 46993  
board shall reinstate the individual's license. The board may then 46994  
hold an adjudication under Chapter 119. of the Revised Code to 46995  
determine whether the individual committed the act in question. 46996  
Notice of opportunity for hearing shall be given in accordance 46997

with Chapter 119. of the Revised Code. If the board finds, 46998  
pursuant to an adjudication held under this division, that the 46999  
individual committed the act, or if no hearing is requested, it 47000  
may order any of the sanctions identified under division (B) of 47001  
this section. 47002

(I) The license to practice issued to a physician assistant 47003  
and the physician assistant's practice in this state are 47004  
automatically suspended as of the date the physician assistant 47005  
pleads guilty to, is found by a judge or jury to be guilty of, or 47006  
is subject to a judicial finding of eligibility for intervention 47007  
in lieu of conviction in this state or treatment or intervention 47008  
in lieu of conviction in another state for any of the following 47009  
criminal offenses in this state or a substantially equivalent 47010  
criminal offense in another jurisdiction: aggravated murder, 47011  
murder, voluntary manslaughter, felonious assault, kidnapping, 47012  
rape, sexual battery, gross sexual imposition, aggravated arson, 47013  
aggravated robbery, or aggravated burglary. Continued practice 47014  
after the suspension shall be considered practicing without a 47015  
license. 47016

The board shall notify the individual subject to the 47017  
suspension by certified mail or in person in accordance with 47018  
section 119.07 of the Revised Code. If an individual whose license 47019  
is suspended under this division fails to make a timely request 47020  
for an adjudication under Chapter 119. of the Revised Code, the 47021  
board shall enter a final order permanently revoking the 47022  
individual's license to practice. 47023

(J) In any instance in which the board is required by Chapter 47024  
119. of the Revised Code to give notice of opportunity for hearing 47025  
and the individual subject to the notice does not timely request a 47026  
hearing in accordance with section 119.07 of the Revised Code, the 47027  
board is not required to hold a hearing, but may adopt, by an 47028  
affirmative vote of not fewer than six of its members, a final 47029

order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the physician assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue to an applicant a license to practice as a physician assistant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold the license and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a license may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license in accordance with section 4730.14 of the Revised Code shall not remove or limit

the board's jurisdiction to take disciplinary action under this 47061  
section against the individual. 47062

~~Sec. 4730.28. (A) An individual whose license to practice as 47063  
a physician assistant issued under this chapter has been suspended 47064  
or is in an inactive state for any cause for more than two years 47065  
may apply to the state medical board to have the license restored. 47066~~

~~(B)(1) The board shall not restore a license under this 47067  
section unless the applicant complies with sections 4776.01 to 47068  
4776.04 of the Revised Code. The board shall determine the 47069  
applicant's present fitness to resume practice. The board shall 47070  
consider the moral background and the activities of the applicant 47071  
during the period of suspension or inactivity. 47072~~

~~(2) When restoring a license, the board may impose terms and 47073  
conditions, including the following: 47074~~

~~(a) Requiring the applicant to obtain additional training and 47075  
pass an examination upon completion of the training; 47076~~

~~(b) Restricting or limiting the extent, scope, or type of 47077  
practice as a physician assistant that the individual may resume 47078  
This section applies to both of the following: 47079~~

~~(1) An applicant seeking restoration of a license issued 47080  
under this chapter that has been in a suspended or inactive state 47081  
for any cause for more than two years; 47082~~

~~(2) An applicant seeking issuance of a license pursuant to 47083  
this chapter who for more than two years has not been practicing 47084  
as a physician assistant as either of the following: 47085~~

~~(a) An active practitioner; 47086~~

~~(b) A student in a program as described in division (B) or 47087  
(C) of section 4730.11 of the Revised Code. 47088~~

~~(B) Before issuing a license to an applicant subject to this 47089~~

section or restoring a license to good standing for an applicant 47090  
subject to this section, the state medical board may impose terms 47091  
and conditions including any one or more of the following: 47092

(1) Requiring the applicant to pass an oral or written 47093  
examination, or both, to determine the applicant's present fitness 47094  
to resume practice; 47095

(2) Requiring the applicant to obtain additional training and 47096  
to pass an examination upon completion of such training; 47097

(3) Requiring an assessment of the applicant's physical 47098  
skills for purposes of determining whether the applicant's 47099  
coordination, fine motor skills, and dexterity are sufficient for 47100  
performing evaluations and procedures in a manner that meets the 47101  
minimal standards of care; 47102

(4) Requiring an assessment of the applicant's skills in 47103  
recognizing and understanding diseases and conditions; 47104

(5) Requiring the applicant to undergo a comprehensive 47105  
physical examination, which may include an assessment of physical 47106  
abilities, evaluation of sensory capabilities, or screening for 47107  
the presence of neurological disorders; 47108

(6) Restricting or limiting the extent, scope, or type of 47109  
practice of the applicant. 47110

The board shall consider the moral background and the 47111  
activities of the applicant during the period of suspension or 47112  
inactivity. The board shall not issue or restore a license under 47113  
this section unless the applicant complies with sections 4776.01 47114  
to 4776.04 of the Revised Code. 47115

**Sec. 4730.43.** (A) A physician assistant who holds a valid 47116  
prescriber number issued by the state medical board and has been 47117  
granted physician-delegated prescriptive authority may personally 47118  
furnish to a patient samples of drugs and therapeutic devices that 47119

are included in the physician assistant's physician-delegated prescriptive authority, subject to all of the following: 47120  
47121

Sec. 4735.052. (A) Upon receipt of a written complaint or 48391

(2) After the conclusion of formal hearings, the hearing 48418

superintendent. 48464

(B)(1) If the applicant is a partnership, limited liability 48465  
company, limited liability partnership, or association, the names 48466  
of all the members also shall be stated, and, if the applicant is 48467  
a corporation, the names of its president and of each of its 48468  
officers also shall be stated. 48469

The superintendent has the right to reject the application of 48470  
any partnership, association, limited liability company, limited 48471  
liability partnership, or corporation if the name proposed to be 48472  
used by such partnership, association, limited liability company, 48473  
limited liability partnership, or corporation is likely to mislead 48474  
the public or if the name is not such as to distinguish it from 48475  
the name of any existing partnership, association, limited 48476  
liability company, limited liability partnership, or corporation 48477  
licensed under this chapter, unless there is filed with the 48478

(2) The superintendent shall approve the use of a trade name 48485  
by a brokerage, if the name meets both of the following criteria: 48486

(a) The proposed name is not the same as or is clearly 48487  
distinguishable from a name registered with the division of real 48488  
estate and professional licensing by another existing brokerage. 48489  
If the superintendent determines that the proposed name is not 48490  
clearly distinguishable from any other existing brokerage, the 48491

filed with the superintendent the written consent of the existing 48493  
brokerage with the same or similar name. 48494

(b) The name is not misleading or likely to mislead the 48495  
public. 48496

(3) The superintendent may approve the use of more than one 48497

(4) When a brokerage has received the approval of the 48499

those trade names shall be the only identifying names used by the 48501  
brokerage in all advertising. 48502

(C) A fee of one hundred thirty-five dollars shall accompany 48503  
the application for a real estate broker's license. The initial 48504  
licensing period commences at the time the license is issued and 48505  
ends on the applicant's first birthday thereafter. However, if the 48506  
applicant was an inactive or active salesperson immediately 48507  
preceding application for a broker's license, then the initial 48508  
licensing period shall commence at the time the broker's license 48509  
is issued and ends on the date the licensee's continuing education 48510  
is due as set when the applicant was a salesperson. The 48511  
application fee shall be nonrefundable. A fee of one hundred 48512  
thirty-five dollars shall be charged by the superintendent for 48513  
each successive application made by an applicant. In the case of 48514

issuance of a three-year license, upon passing the examination, or 48515  
upon waiver of the examination requirement, if the superintendent 48516  
determines it is necessary, the applicant shall submit an 48517  
additional fee determined by the superintendent based upon the 48518  
number of years remaining in a real estate salesperson's licensing 48519  
period. 48520

(D) One dollar of each application fee for a real estate 48521  
broker's license shall be credited to the real estate education 48522  
and research fund, which is hereby created in the state treasury. 48523  
The Ohio real estate commission may use the fund in discharging 48524  
the duties prescribed in divisions (E), (F), (G), and (H) of 48525  
section 4735.03 of the Revised Code and shall use it in the 48526  
advancement of education and research in real estate at any 48527  
institution of higher education in the state, or in contracting 48528  
with any such institution or a trade organization for a particular 48529  
research or educational project in the field of real estate, or in 48530  
advancing loans, not exceeding two thousand dollars, to applicants 48531  
for salesperson licenses, to defray the costs of satisfying the 48532  
educational requirements of division (F) of section 4735.09 of the 48533  
Revised Code. Such loans shall be made according to rules 48534  
established by the commission under the procedures of Chapter 119. 48535  
of the Revised Code, and they shall be repaid to the fund within 48536  
three years of the time they are made. No more than twenty-five 48537  
thousand dollars shall be lent from the fund in any one fiscal 48538  
year. 48539

The governor may appoint a representative from the executive 48540  
branch to be a member ex officio of the commission for the purpose 48541  
of advising on research requests or educational projects. The 48542  
commission shall report to the general assembly on the third 48543  
Tuesday after the third Monday in January of each year setting 48544  
forth the total amount contained in the fund and the amount of 48545  
each research grant that it has authorized and the amount of each 48546

research grant requested. A copy of all research reports shall be 48547  
submitted to the state library of Ohio and the library of the 48548  
legislative service commission. 48549

(E) If the superintendent, with the consent of the 48550  
commission, enters into an agreement with a national testing 48551  
service to administer the real estate broker's examination, 48552  
pursuant to division (A) of section 4735.07 of the Revised Code, 48553  
the superintendent may require an applicant to pay the testing 48554  
service's examination fee directly to the testing service. If the 48555  
superintendent requires the payment of the examination fee 48556  
directly to the testing service, each applicant shall submit to 48557  
the superintendent a processing fee in an amount determined by the 48558  
Ohio real estate commission pursuant to division (A)(2) of section 48559

superintendent and shall contain such information as is required 48565  
by this chapter and the rules of the Ohio real estate commission. 48566  
The application shall be accompanied by the recommendation of the 48567

been convicted of a felony or a crime involving moral turpitude, 48571  
and has not been finally adjudged by a court to have violated any 48572  
municipal, state, or federal civil rights laws relevant to the 48573  
protection of purchasers or sellers of real estate, which 48574  
conviction or adjudication the applicant has not disclosed to the 48575  
superintendent, and recommending that the applicant be admitted to 48576  
the real estate salesperson examination. 48577

(B) A fee of ~~sixty~~ eighty-one dollars shall accompany the 48578

the licensing period, if a license is issued. The initial year of 48580  
the licensing period commences at the time the license is issued 48581  
and ends on the applicant's first birthday thereafter. The 48582

may enter into an agreement with a recognized national testing 48591  
service to administer the real estate salesperson's examination 48592  
under the superintendent's supervision and control, consistent 48593  
with the requirements of this chapter as to the contents of the 48594  
examination. 48595

If the superintendent, with the consent of the commission, 48596  
enters into an agreement with a national testing service to 48597  
administer the real estate salesperson's examination, the 48598  
superintendent may require an applicant to pay the testing 48599  
service's examination fee directly to the testing service. If the 48600  
superintendent requires the payment of the examination fee 48601  
directly to the testing service, each applicant shall submit to 48602

received a passing score on each portion of the salesperson's 48608  
examination as determined by rule by the real estate commission, 48609

automatically without the taking of any action by the 48707

of court costs, the order of the court of common pleas then may 48773  
direct their payment from the fund. 48774

(3) The application shall specify the nature of the act or 48775  
transaction upon which the underlying judgment was based, the 48776  
activities of the applicant in pursuit of remedies available under 48777  
law for the collection of judgments, and the actual and direct 48778  
losses, attorney's fees, and the court costs sustained or incurred 48779  
by the applicant. The applicant shall attach to the application a 48780  
copy of each pleading and order in the underlying court action. 48781

(4) The court shall order the superintendent to make such 48782  
payments out of the fund when the person seeking the order has 48783  
shown all of the following: 48784

(a) The person has obtained a judgment, as provided in this 48785  
division; 48786

(b) All appeals from the judgment have been exhausted and the 48787  
person has given notice to the superintendent, as required by 48788  
division (C) of this section; 48789

(c) The person is not a spouse of the judgment debtor, or the 48790  
personal representative of such spouse; 48791

(d) The person has diligently pursued the person's remedies 48792  
against all the judgment debtors and all other persons liable to 48793  
the person in the transaction for which the person seeks recovery 48794  
from the fund; 48795

(e) The person is making the person's application not more than one year after termination of all proceedings, including appeals, in connection with the judgment. 48796  
48797  
48798

(5) Divisions (B)(1) to (4) of this section do not apply to any of the following: 48799  
48800

(a) Actions arising from property management accounts maintained in the name of the property owner; 48801  
48802

(b) A bonding company when it is not a principal in a real estate transaction; 48803  
48804

(c) A person in an action for the payment of a commission or fee for the performance of an act or transaction specified or comprehended in division (A) or (C) of section 4735.01 of the Revised Code; 48805  
48806  
48807  
48808

(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment. 48809  
48810

(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses, verification of actual and direct losses, and challenges to the underlying judgment required in division (B)(4)(a) of this section to determine whether the underlying judgment is based on activity only a licensed broker or licensed salesperson is permitted to perform. The superintendent may move the court at any time to dismiss the application when it appears there are no triable issues and the application is without merit. The motion may be supported by affidavit of any person having knowledge of the facts and may be made on the basis that the application, including the judgment referred to in it, does not form the basis for a meritorious recovery claim; provided, that 48811  
48812  
48813  
48814  
48815  
48816  
48817  
48818  
48819  
48820  
48821  
48822  
48823  
48824  
48825  
48826

the superintendent shall give written notice to the applicant at 48827  
least ten days before such motion. The superintendent may, subject 48828  
to court approval, compromise a claim based upon the application 48829  
of an aggrieved party. The superintendent shall not be bound by 48830  
any prior compromise or stipulation of the judgment debtor. 48831

(D) Notwithstanding any other provision of this section, the 48832  
liability of the fund shall not exceed forty thousand dollars for 48833  
any one licensee. If a licensee's license is reactivated as 48834  
provided in division (E) of this section, the liability of the 48835  
fund for the licensee under this section shall again be forty 48836  
thousand dollars, but only for transactions that occur subsequent 48837  
to the time of reactivation. 48838

If the forty-thousand-dollar liability of the fund is 48839  
insufficient to pay in full the valid claims of all aggrieved 48840  
persons by whom claims have been filed against any one licensee, 48841  
the forty thousand dollars shall be distributed among them in the 48842  
ratio that their respective claims bear to the aggregate of valid 48843  
claims or in such other manner as the court finds equitable. 48844  
Distribution of moneys shall be among the persons entitled to 48845  
share in it, without regard to the order of priority in which 48846  
their respective judgments may have been obtained or their claims 48847  
have been filed. Upon petition of the superintendent, the court 48848  
may require all claimants and prospective claimants against one 48849  
licensee to be joined in one action, to the end that the 48850  
respective rights of all such claimants to the fund may be 48851  
equitably adjudicated and settled. 48852

(E) If the superintendent pays from the fund any amount in 48853  
settlement of a claim or toward satisfaction of a judgment against 48854  
a licensed broker or salesperson, the license of the broker or 48855  
salesperson shall be automatically suspended upon the date of 48856  
payment from the fund. The superintendent shall not reactivate the 48857  
suspended license of that broker or salesperson until the broker 48858

or salesperson has repaid in full, plus interest per annum at the 48859  
rate specified in division (A) of section 1343.03 of the Revised 48860  
Code, the amount paid from the fund on the broker's or 48861  
salesperson's account. A discharge in bankruptcy does not relieve 48862  
a person from the suspension and requirements for reactivation 48863  
provided in this section unless the underlying judgment has been 48864  
included in the discharge and has not been reaffirmed by the 48865  
debtor. 48866

(F) If, at any time, the money deposited in the fund is 48867  
insufficient to satisfy any duly authorized claim or portion of a 48868  
claim, the superintendent shall, when sufficient money has been 48869  
deposited in the fund, satisfy such unpaid claims or portions, in 48870  
the order that such claims or portions were originally filed, plus 48871  
accumulated interest per annum at the rate specified in division 48872  
(A) of section 1343.03 of the Revised Code. 48873

(G) When, upon the order of the court, the superintendent has 48874  
paid from the fund any sum to the judgment creditor, the 48875  
superintendent shall be subrogated to all of the rights of the 48876  
judgment creditor to the extent of the amount so paid, and the 48877  
judgment creditor shall assign all the judgment creditor's right, 48878  
title, and interest in the judgment to the superintendent to the 48879  
extent of the amount so paid. Any amount and interest so recovered 48880  
by the superintendent on the judgment shall be deposited in the 48881  
fund. 48882

(H) Nothing contained in this section shall limit the 48883  
authority of the superintendent to take disciplinary action 48884  
against any licensee under other provisions of this chapter; nor 48885  
shall the repayment in full of all obligations to the fund by any 48886  
licensee nullify or modify the effect of any other disciplinary 48887  
proceeding brought pursuant to this chapter. 48888

(I) The superintendent shall collect from the fund a service 48889  
fee in an amount equivalent to the interest rate specified in 48890

division (A) of section 1343.03 of the Revised Code multiplied by 48891  
the annual interest earned on the assets of the fund, to defray 48892  
the expenses incurred in the administration of the fund. 48893

**Sec. 4735.13.** (A) Every real estate broker licensed under 48894  
this chapter shall have and maintain a definite place of business 48895  
in this state. A post office box address is not a definite place 48896  
of business for purposes of this section. The license of a real 48897  
estate broker shall be prominently displayed in the office or 48898  
place of business of the broker, and no license shall authorize 48899  
the licensee to do business except from the location specified in 48900  
it. If the broker maintains more than one place of business within 48901  
the state, the broker shall apply for and procure a duplicate 48902  
license for each branch office maintained by the broker. Each 48903  
branch office shall be in the charge of a licensed broker or 48904  
salesperson. The branch office license shall be prominently 48905  
displayed at the branch office location. 48906

(B) The license of each real estate salesperson shall be 48907  
mailed to and remain in the possession of the licensed broker with 48908  
whom the salesperson is or is to be associated until the licensee 48909  
places the license on inactive or resigned status or until the 48910  
salesperson leaves the brokerage or is terminated. The broker 48911  
shall keep each salesperson's license in a way that it can, and 48912  
shall on request, be made immediately available for public 48913  
inspection at the office or place of business of the broker. 48914  
Except as provided in divisions (G) and (H) of this section, 48915  
immediately upon the salesperson's leaving the association or 48916  
termination of the association of a real estate salesperson with 48917  
the broker, the broker shall return the salesperson's license to 48918  
the superintendent of real estate. 48919

The failure of a broker to return the license of a real 48920  
estate salesperson or broker who leaves or who is terminated, via 48921

certified mail return receipt requested, within three business 48922  
days of the receipt of a written request from the superintendent 48923  
for the return of the license, is prima-facie evidence of 48924  
misconduct under division (A)(6) of section 4735.18 of the Revised 48925  
Code. 48926

(C) A licensee shall notify the superintendent in writing 48927  
within fifteen days of any of the following occurrences: 48928

(1) The licensee is convicted of a felony. 48929

(2) The licensee is convicted of a crime involving moral 48930  
turpitude. 48931

(3) The licensee is found to have violated any federal, 48932  
state, or municipal civil rights law pertaining to discrimination 48933  
in housing. 48934

(4) The licensee is found to have engaged in a discriminatory 48935  
practice pertaining to housing accommodations described in 48936  
division (H) of section 4112.02 of the Revised Code. 48937

(5) The licensee is the subject of an order by the department 48938  
of commerce, the department of insurance, or the department of 48939  
agriculture revoking or permanently surrendering any professional 48940  
license, certificate, or registration. 48941

(6) The licensee is the subject of an order by any government 48942  
agency concerning real estate, financial matters, or the 48943  
performance of fiduciary duties with respect to any license, 48944  
certificate, or registration. 48945

If a licensee fails to notify the superintendent within the 48946  
required time, the superintendent immediately may suspend the 48947  
license of the licensee. 48948

Any court that convicts a licensee of a violation of any 48949  
municipal civil rights law pertaining to housing discrimination 48950  
also shall notify the Ohio civil rights commission within fifteen 48951

days of the conviction. 48952

(D) In case of any change of business location, a broker 48953  
shall give notice to the superintendent, on a form prescribed by 48954  
the superintendent, within thirty days after the change of 48955  
location, whereupon the superintendent shall issue new licenses 48956  
for the unexpired period without charge. If a broker changes a 48957  
business location without giving the required notice and without 48958  
receiving new licenses that action is prima-facie evidence of 48959  
misconduct under division (A)(6) of section 4735.18 of the Revised 48960  
Code. 48961

(E) If a real estate broker desires to associate with another 48962  
real estate broker in the capacity of a real estate salesperson, 48963  
the broker shall apply to the superintendent to deposit the 48964  
broker's real estate broker's license with the superintendent and 48965  
for the issuance of a real estate salesperson's license. The 48966  
application shall be made on a form prescribed by the 48967  
superintendent and shall be accompanied by the recommendation of 48968  
the real estate broker with whom the applicant intends to become 48969  
associated and a fee of ~~twenty-five~~ thirty-four dollars for the 48970  
real estate salesperson's license. One dollar of the fee shall be 48971  
credited to the real estate education and research fund. If the 48972  
superintendent is satisfied that the applicant is honest, 48973  
truthful, and of good reputation, has not been convicted of a 48974  
felony or a crime involving moral turpitude, and has not been 48975  
finally adjudged by a court to have violated any municipal, state, 48976  
or federal civil rights laws relevant to the protection of 48977  
purchasers or sellers of real estate, and that the association of 48978  
the real estate broker and the applicant will be in the public 48979  
interest, the superintendent shall grant the application and issue 48980  
a real estate salesperson's license to the applicant. Any license 48981  
so deposited with the superintendent shall be subject to this 48982  
chapter. A broker who intends to deposit the broker's license with 48983

the superintendent, as provided in this section, shall give 48984  
written notice of this fact in a format prescribed by the 48985  
superintendent to all salespersons associated with the broker when 48986  
applying to place the broker's license on deposit. 48987

(F) If a real estate broker desires to become a member or 48988  
officer of a partnership, association, limited liability company, 48989  
limited liability partnership, or corporation that is or intends 48990  
to become a licensed real estate broker, the broker shall notify 48991  
the superintendent of the broker's intentions. The notice of 48992  
intention shall be on a form prescribed by the superintendent and 48993  
shall be accompanied by a fee of ~~twenty-five~~ thirty-four dollars. 48994  
One dollar of the fee shall be credited to the real estate 48995  
education and research fund. 48996

A licensed real estate broker who is a member or officer of a 48997  
partnership, association, limited liability company, limited 48998  
liability partnership, or corporation shall only act as a real 48999  
estate broker for such partnership, association, limited liability 49000  
company, limited liability partnership, or corporation. 49001

(G)(1) If a real estate broker or salesperson enters the 49002  
armed forces, the broker or salesperson may place the broker's or 49003  
salesperson's license on deposit with the Ohio real estate 49004  
commission. The licensee shall not be required to renew the 49005  
license until the renewal date that follows the date of discharge 49006  
from the armed forces. Any license deposited with the commission 49007  
shall be subject to this chapter. 49008

Any licensee whose license is on deposit under this division 49009  
and who fails to meet the continuing education requirements of 49010  
section 4735.141 of the Revised Code because the licensee is in 49011  
the armed forces shall satisfy the commission that the licensee 49012  
has complied with the continuing education requirements within 49013  
twelve months of the licensee's first birthday after discharge or 49014  
within the amount of time equal to the total number of months the 49015

licensee spent on active duty, whichever is greater. The licensee 49016  
shall submit proper documentation of active duty service and the 49017  
length of that active duty service to the superintendent. The 49018  
extension shall not exceed the total number of months that the 49019  
licensee served in active duty. The superintendent shall notify 49020  
the licensee of the licensee's obligations under section 4735.141 49021  
of the Revised Code at the time the licensee applies for 49022  
reactivation of the licensee's license. 49023

(2) If a licensee is a spouse of a member of the armed forces 49024  
and the spouse's service resulted in the licensee's absence from 49025  
this state, both of the following apply: 49026

(a) The licensee shall not be required to renew the license 49027  
until the renewal date that follows the date of the spouse's 49028  
discharge from the armed forces. 49029

(b) If the licensee fails to meet the continuing education 49030  
requirements of section 4735.141 of the Revised Code, the licensee 49031  
shall satisfy the commission that the licensee has complied with 49032  
the continuing education requirements within twelve months after 49033  
the licensee's first birthday after the spouse's discharge or 49034  
within the amount of time equal to the total number of months the 49035  
licensee's spouse spent on active duty, whichever is greater. The 49036  
licensee shall submit proper documentation of the spouse's active 49037  
duty service and the length of that active duty service. This 49038  
extension shall not exceed the total number of months that the 49039  
licensee's spouse served in active duty. 49040

(3) In the case of a licensee as described in division (G)(2) 49041  
of this section, who holds the license through a reciprocity 49042  
agreement with another state, the spouse's service shall have 49043  
resulted in the licensee's absence from the licensee's state of 49044  
residence for the provisions of that division to apply. 49045

(4) As used in this division, "armed forces" means the armed 49046

forces of the United States or reserve component of the armed 49047  
forces of the United States including the Ohio national guard or 49048  
the national guard of any other state. 49049

(H) If a licensed real estate salesperson submits an 49050  
application to the superintendent to leave the association of one 49051  
broker to associate with a different broker, the broker possessing 49052  
the licensee's license need not return the salesperson's license 49053  
to the superintendent. The superintendent may process the 49054  
application regardless of whether the licensee's license is 49055  
returned to the superintendent. 49056

**Sec. 4735.15.** (A) The nonrefundable fees for reactivation or 49057  
transfer of a license shall be as follows: 49058

(1) Reactivation or transfer of a broker's license into or 49059  
out of a partnership, association, limited liability company, 49060  
limited liability partnership, or corporation or from one 49061  
partnership, association, limited liability company, limited 49062  
liability partnership, or corporation to another partnership, 49063  
association, limited liability company, limited liability 49064  
partnership, or corporation, ~~twenty-five~~ thirty-four dollars. An 49065  
application for such transfer shall be made to the superintendent 49066  
of real estate on forms provided by the superintendent. 49067

(2) Reactivation or transfer of a license by a real estate 49068  
salesperson, ~~twenty-five~~ thirty-four dollars. 49069

(B) Except as may otherwise be specified pursuant to division 49070  
(F) of this section or any rules adopted by the Ohio real estate 49071  
commission pursuant to division (A)(2)(b) of section 4735.10 of 49072  
the Revised Code, the nonrefundable fees ~~for a branch office~~ 49073  
~~license, license renewal, late filing, and foreign real estate~~ 49074

- (1) Branch office license, ~~fifteen~~ twenty dollars; 49077
- (2) Renewal of a three-year real estate broker's license, 49078  
~~sixty two hundred forty-three~~ dollars. If the licensee is a 49079  
partnership, association, limited liability company, limited 49080  
liability partnership, or corporation, the full broker's renewal 49081  
fee shall be required for each member of such partnership, 49082  
association, limited liability company, limited liability 49083  
partnership, or corporation that is a real estate broker. If the 49084  
real estate broker has not less than eleven nor more than twenty 49085  
real estate salespersons associated with the broker, an additional 49086  
fee of sixty-four dollars shall be assessed to the brokerage. For 49087  
every additional ten real estate salespersons or fraction of that 49088  
number, the brokerage assessment fee shall be increased in the 49089  
amount of thirty-seven dollars. 49090
- (3) Renewal of a three-year real estate salesperson's 49091  
license, ~~forty-five~~ one hundred eighty-two dollars; 49092

license filed within twelve months after the licensee's renewal 49094  
date, an additional late filing penalty of fifty per cent of the 49095  
required three-year fee; 49096
- (5) Foreign real estate dealer's license and each renewal of 49097

credited to the real estate education and research fund, except 49104  
that for fees that are assessed only once every three years, three 49105  
dollars of each triennial fee shall be credited to the real estate 49106  
education and research fund. 49107

(D) In all cases, the fee and any penalty shall accompany the application for the license, license transfer, or license reactivation or shall accompany the filing of the renewal.

(E) The commission may establish by rule reasonable fees for services not otherwise established by this chapter.

(F) The commission may adopt rules that provide for a reduction in the fees established in divisions (B)(2) and (3) of this section.

**Sec. 4735.18.** (A) Subject to section 4735.32 of the Revised Code, the superintendent of real estate, upon the superintendent's own motion, may investigate the conduct of any licensee. Subject to division (E) of this section and section 4735.32 of the Revised Code, the Ohio real estate commission shall impose disciplinary sanctions upon any licensee who, whether or not acting in the licensee's capacity as a real estate broker or salesperson, or in handling the licensee's own property, is found to have been convicted of a felony or a crime of moral turpitude, and may impose disciplinary sanctions upon any licensee who, in the licensee's capacity as a real estate broker or salesperson, or in handling the licensee's own property, is found guilty of:

incompetency, or misconduct; 49141

(7)(a) By final adjudication by a court, a violation of any 49142  
municipal or federal civil rights law relevant to the protection 49143  
of purchasers or sellers of real estate or, by final adjudication 49144  
by a court, any unlawful discriminatory practice pertaining to the 49145  
purchase or sale of real estate prohibited by Chapter 4112. of the 49146  
Revised Code, provided that such violation arose out of a 49147  
situation wherein parties were engaged in bona fide efforts to 49148  
purchase, sell, or lease real estate, in the licensee's practice 49149  
as a licensed real estate broker or salesperson; 49150

(b) A second or subsequent violation of any unlawful 49151  
discriminatory practice pertaining to the purchase or sale of real 49152  
estate prohibited by Chapter 4112. of the Revised Code or any 49153

rights laws relevant to purchasing or selling real estate whether 49155  
or not there has been a final adjudication by a court, provided 49156  
that such violation arose out of a situation wherein parties were 49157  
engaged in bona fide efforts to purchase, sell, or lease real 49158  
estate. For any second offense under this division, the commission 49159  
shall suspend for a minimum of two months or revoke the license of 49160  
the broker or salesperson. For any subsequent offense, the 49161  
commission shall revoke the license of the broker or salesperson. 49162

chapter; 49168

reasonable cause, other than from a broker licensed under this	49170
chapter, a commission to which the licensee is not entitled, or,	49171

Applications shall be submitted to the board in a manner 51695  
prescribed by the board. Each application shall be accompanied by 51696  
a biennial renewal fee of one hundred dollars. 51697

The applicant shall report any criminal offense that 51698  
constitutes grounds for refusing to issue a ~~certificate~~ license to 51699

applicant has pleaded guilty, of which the applicant has been 51701

for intervention in lieu of conviction, since last signing an 51703

The board shall not restore a ~~certificate to practice~~ license unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a certificate issued pursuant to section 4760.04 of the Revised Code. The penalty for restoration is fifty dollars.

51774  
51775  
51776  
51777  
51778

(B) The board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend an individual's ~~certificate~~ license to practice as an anesthesiologist assistant, refuse to issue a ~~certificate~~ license to an applicant, refuse to renew a ~~certificate~~ license, refuse to reinstate a ~~certificate~~ license, or reprimand or place on probation the holder of a ~~certificate~~ license for any of the following reasons: 51779

(4) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances whether or not actual injury to the patient is established;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a certificate license to practice as an anesthesiologist assistant.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(17) Any of the following actions taken by the state agency responsible for regulating the practice of anesthesiologist assistants in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;	51846 51847 51848 51849 51850 51851 51852 51853
(18) Violation of the conditions placed by the board on a <del>certificate</del> <u>license</u> to practice;	51854 51855

(20) Failure to cooperate in an investigation conducted by 51859  
the board under section 4760.14 of the Revised Code, including 51860  
failure to comply with a subpoena or order issued by the board or 51861  
failure to answer truthfully a question presented by the board at 51862  
a deposition or in written interrogatories, except that failure to 51863  
cooperate with an investigation shall not constitute grounds for 51864  
discipline under this section if a court of competent jurisdiction 51865  
has issued an order that either quashes a subpoena or permits the 51866  
individual to withhold the testimony or evidence in issue; 51867

(21) Failure to comply with any code of ethics established by 51868  
the national commission for the certification of anesthesiologist 51869

(22) Failure to notify the state medical board of the 51871  
revocation or failure to maintain certification from the national 51872  
commission for certification of anesthesiologist assistants. 51873

(C) Disciplinary actions taken by the board under divisions 51874  
(A) and (B) of this section shall be taken pursuant to an 51875  
adjudication under Chapter 119. of the Revised Code, except that 51876  
in lieu of an adjudication, the board may enter into a consent 51877  
agreement with an anesthesiologist assistant or applicant to 51878  
resolve an allegation of a violation of this chapter or any rule 51879  
adopted under it. A consent agreement, when ratified by an 51880  
affirmative vote of not fewer than six members of the board, shall 51881  
constitute the findings and order of the board with respect to the 51882  
matter addressed in the agreement. If the board refuses to ratify 51883  
a consent agreement, the admissions and findings contained in the 51884  
consent agreement shall be of no force or effect. 51885

(D) For purposes of divisions (B)(11), (14), and (15) of this 51886

section, the commission of the act may be established by a finding 51887  
by the board, pursuant to an adjudication under Chapter 119. of 51888  
the Revised Code, that the applicant or ~~certificate~~ license holder 51889  
committed the act in question. The board shall have no 51890  
jurisdiction under these divisions in cases where the trial court 51891  
renders a final judgment in the ~~certificate~~ license holder's favor 51892  
and that judgment is based upon an adjudication on the merits. The 51893  
board shall have jurisdiction under these divisions in cases where 51894  
the trial court issues an order of dismissal on technical or 51895  
procedural grounds. 51896

(E) The sealing of conviction records by any court shall have 51897  
no effect on a prior board order entered under the provisions of 51898  
this section or on the board's jurisdiction to take action under 51899  
the provisions of this section if, based upon a plea of guilty, a 51900  
judicial finding of guilt, or a judicial finding of eligibility 51901  
for intervention in lieu of conviction, the board issued a notice 51902  
of opportunity for a hearing prior to the court's order to seal 51903  
the records. The board shall not be required to seal, destroy, 51904  
redact, or otherwise modify its records to reflect the court's 51905  
sealing of conviction records. 51906

(F) For purposes of this division, any individual who holds a 51907  
~~certificate~~ license to practice issued under this chapter, or 51908  
applies for a ~~certificate~~ license to practice, shall be deemed to 51909  
have given consent to submit to a mental or physical examination 51910  
when directed to do so in writing by the board and to have waived 51911  
all objections to the admissibility of testimony or examination 51912  
reports that constitute a privileged communication. 51913

(1) In enforcing division (B)(5) of this section, the board, 51914  
on a showing of a possible violation, may compel any individual 51915  
who holds a ~~certificate~~ license to practice issued under this 51916  
chapter or who has applied for a ~~certificate~~ license to practice 51917  
pursuant to this chapter to submit to a mental or physical 51918

examination, or both. A physical examination may include an HIV 51919  
test. The expense of the examination is the responsibility of the 51920  
individual compelled to be examined. Failure to submit to a mental 51921  
or physical examination or consent to an HIV test ordered by the 51922  
board constitutes an admission of the allegations against the 51923  
individual unless the failure is due to circumstances beyond the 51924  
individual's control, and a default and final order may be entered 51925  
without the taking of testimony or presentation of evidence. If 51926  
the board finds an anesthesiologist assistant unable to practice 51927  
because of the reasons set forth in division (B)(5) of this 51928  
section, the board shall require the anesthesiologist assistant to 51929  
submit to care, counseling, or treatment by physicians approved or 51930  
designated by the board, as a condition for an initial, continued, 51931  
reinstated, or renewed ~~certificate~~ license to practice. An 51932  
individual affected by this division shall be afforded an 51933  
opportunity to demonstrate to the board the ability to resume 51934  
practicing in compliance with acceptable and prevailing standards 51935  
of care. 51936

(2) For purposes of division (B)(6) of this section, if the 51937  
board has reason to believe that any individual who holds a 51938  
~~certificate~~ license to practice issued under this chapter or any 51939  
applicant for a ~~certificate~~ license to practice suffers such 51940  
impairment, the board may compel the individual to submit to a 51941  
mental or physical examination, or both. The expense of the 51942  
examination is the responsibility of the individual compelled to 51943  
be examined. Any mental or physical examination required under 51944  
this division shall be undertaken by a treatment provider or 51945  
physician qualified to conduct such examination and chosen by the 51946  
board. 51947

Failure to submit to a mental or physical examination ordered 51948  
by the board constitutes an admission of the allegations against 51949  
the individual unless the failure is due to circumstances beyond 51950

the individual's control, and a default and final order may be 51951  
entered without the taking of testimony or presentation of 51952  
evidence. If the board determines that the individual's ability to 51953  
practice is impaired, the board shall suspend the individual's 51954  
~~certificate~~ license or deny the individual's application and shall 51955  
require the individual, as a condition for an initial, continued, 51956  
reinstated, or renewed ~~certificate~~ license to practice, to submit 51957  
to treatment. 51958

Before being eligible to apply for reinstatement of a 51959  
~~certificate~~ license suspended under this division, the 51960  
anesthesiologist assistant shall demonstrate to the board the 51961  
ability to resume practice in compliance with acceptable and 51962  
prevailing standards of care. The demonstration shall include the 51963  
following: 51964

(a) Certification from a treatment provider approved under 51965  
section 4731.25 of the Revised Code that the individual has 51966  
successfully completed any required inpatient treatment; 51967

(b) Evidence of continuing full compliance with an aftercare 51968  
contract or consent agreement; 51969

(c) Two written reports indicating that the individual's 51970  
ability to practice has been assessed and that the individual has 51971  
been found capable of practicing according to acceptable and 51972  
prevailing standards of care. The reports shall be made by 51973  
individuals or providers approved by the board for making such 51974  
assessments and shall describe the basis for their determination. 51975

The board may reinstate a ~~certificate~~ license suspended under 51976  
this division after such demonstration and after the individual 51977  
has entered into a written consent agreement. 51978

When the impaired anesthesiologist assistant resumes 51979  
practice, the board shall require continued monitoring of the 51980  
anesthesiologist assistant. The monitoring shall include 51981

monitoring of compliance with the written consent agreement 51982  
entered into before reinstatement or with conditions imposed by 51983  
board order after a hearing, and, on termination of the consent 51984  
agreement, submission to the board for at least two years of 51985  
annual written progress reports made under penalty of 51986  
falsification stating whether the anesthesiologist assistant has 51987  
maintained sobriety. 51988

(G) If the secretary and supervising member determine that 51989  
there is clear and convincing evidence that an anesthesiologist 51990  
assistant has violated division (B) of this section and that the 51991  
individual's continued practice presents a danger of immediate and 51992  
serious harm to the public, they may recommend that the board 51993  
suspend the individual's ~~certificate~~ license without a prior 51994  
hearing. Written allegations shall be prepared for consideration 51995  
by the board. 51996

The board, on review of the allegations and by an affirmative 51997  
vote of not fewer than six of its members, excluding the secretary 51998  
and supervising member, may suspend a ~~certificate~~ license without 51999  
a prior hearing. A telephone conference call may be utilized for 52000  
reviewing the allegations and taking the vote on the summary 52001  
suspension. 52002

The board shall issue a written order of suspension by 52003  
certified mail or in person in accordance with section 119.07 of 52004  
the Revised Code. The order shall not be subject to suspension by 52005  
the court during pendency of any appeal filed under section 119.12 52006  
of the Revised Code. If the anesthesiologist assistant requests an 52007  
adjudicatory hearing by the board, the date set for the hearing 52008  
shall be within fifteen days, but not earlier than seven days, 52009  
after the anesthesiologist assistant requests the hearing, unless 52010  
otherwise agreed to by both the board and the ~~certificate~~ license 52011  
holder. 52012

A summary suspension imposed under this division shall remain 52013

in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the ~~certificate~~ license to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(I) The ~~certificate~~ license to practice of an anesthesiologist assistant and the assistant's practice in this state are automatically suspended as of the date the anesthesiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another

jurisdiction: aggravated murder, murder, voluntary manslaughter, 52046  
felonious assault, kidnapping, rape, sexual battery, gross sexual 52047  
imposition, aggravated arson, aggravated robbery, or aggravated 52048  
burglary. Continued practice after the suspension shall be 52049  
considered practicing without a ~~certificate~~ license. 52050

The board shall notify the individual subject to the 52051  
suspension by certified mail or in person in accordance with 52052  
section 119.07 of the Revised Code. If an individual whose 52053  
~~certificate~~ license is suspended under this division fails to make 52054  
a timely request for an adjudication under Chapter 119. of the 52055  
Revised Code, the board shall enter a final order permanently 52056  
revoking the individual's ~~certificate~~ license to practice. 52057

(J) In any instance in which the board is required by Chapter 52058  
119. of the Revised Code to give notice of opportunity for hearing 52059  
and the individual subject to the notice does not timely request a 52060  
hearing in accordance with section 119.07 of the Revised Code, the 52061  
board is not required to hold a hearing, but may adopt, by an 52062  
affirmative vote of not fewer than six of its members, a final 52063  
order that contains the board's findings. In the final order, the 52064  
board may order any of the sanctions identified under division (A) 52065  
or (B) of this section. 52066

(K) Any action taken by the board under division (B) of this 52067  
section resulting in a suspension shall be accompanied by a 52068  
written statement of the conditions under which the 52069  
anesthesiologist assistant's ~~certificate~~ license may be 52070  
reinstated. The board shall adopt rules in accordance with Chapter 52071  
119. of the Revised Code governing conditions to be imposed for 52072  
reinstatement. Reinstatement of a ~~certificate~~ license suspended 52073  
pursuant to division (B) of this section requires an affirmative 52074

(L) When the board refuses to grant or issue a ~~certificate~~ 52076

renew an individual's ~~certificate~~ license, or refuses to reinstate 52079  
an individual's ~~certificate~~ license, the board may specify that 52080  
its action is permanent. An individual subject to a permanent 52081  
action taken by the board is forever thereafter ineligible to hold 52082  
a ~~certificate~~ license to practice as an anesthesiologist assistant 52083  
and the board shall not accept an application for reinstatement of 52084  
the ~~certificate~~ license or for issuance of a new ~~certificate~~ 52085  
license. 52086

(M) Notwithstanding any other provision of the Revised Code, 52087  
all of the following apply: 52088

(1) The surrender of a ~~certificate~~ license to practice issued 52089  
under this chapter is not effective unless or until accepted by 52090  
the board. Reinstatement of a ~~certificate~~ license surrendered to 52091  
the board requires an affirmative vote of not fewer than six 52092  
members of the board. 52093

(2) An application made under this chapter for a ~~certificate~~ 52094  
license to practice may not be withdrawn without approval of the 52095  
board. 52096

(3) Failure by an individual to renew a ~~certificate~~ license 52097  
to practice in accordance with section 4760.06 of the Revised Code 52098  
shall not remove or limit the board's jurisdiction to take 52099  
disciplinary action under this section against the individual. 52100

**Sec. 4760.131.** On receipt of a notice pursuant to section 52101  
3123.43 of the Revised Code, the state medical board shall comply 52102  
with sections 3123.41 to 3123.50 of the Revised Code and any 52103  
applicable rules adopted under section 3123.63 of the Revised Code 52104  
with respect to a ~~certificate~~ license to practice as an 52105  
anesthesiologist assistant issued pursuant to this chapter. 52106

**Sec. 4760.132.** If the state medical board has reason to 52107

believe that any person who has been granted a ~~certificate~~ license 52108  
to practice as an anesthesiologist assistant under this chapter is 52109  
mentally ill or mentally incompetent, it may file in the probate 52110  
court of the county in which the person has a legal residence an 52111  
affidavit in the form prescribed in section 5122.11 of the Revised 52112  
Code and signed by the board secretary or a member of the board 52113  
secretary's staff, whereupon the same proceedings shall be had as 52114  
provided in Chapter 5122. of the Revised Code. The attorney 52115  
general may represent the board in any proceeding commenced under 52116  
this section. 52117

If any person who has been granted a ~~certificate~~ license to 52118  
practice is adjudged by a probate court to be mentally ill or 52119  
mentally incompetent, the person's ~~certificate~~ license shall be 52120  
automatically suspended until the person has filed with the state 52121  
medical board a certified copy of an adjudication by a probate 52122  
court of the person's subsequent restoration to competency or has 52123  
submitted to the board proof, satisfactory to the board, that the 52124  
person has been discharged as having a restoration to competency 52125  
in the manner and form provided in section 5122.38 of the Revised 52126  
Code. The judge of the probate court shall forthwith notify the 52127  
state medical board of an adjudication of mental illness or mental 52128  
incompetence, and shall note any suspension of a ~~certificate~~ 52129  
license in the margin of the court's record of such ~~certificate~~ 52130  
license. 52131

**Sec. 4760.14.** (A) The state medical board shall investigate 52132  
evidence that appears to show that any person has violated this 52133  
chapter or the rules adopted under it. Any person may report to 52134  
the board in a signed writing any information the person has that 52135  
appears to show a violation of any provision of this chapter or 52136  
the rules adopted under it. In the absence of bad faith, a person 52137  
who reports such information or testifies before the board in an 52138  
adjudication conducted under Chapter 119. of the Revised Code 52139

shall not be liable for civil damages as a result of reporting the 52140  
information or providing testimony. Each complaint or allegation 52141  
of a violation received by the board shall be assigned a case 52142  
number and be recorded by the board. 52143

(B) Investigations of alleged violations of this chapter or 52144  
rules adopted under it shall be supervised by the supervising 52145  
member elected by the board in accordance with section 4731.02 of 52146  
the Revised Code and by the secretary as provided in section 52147  
4760.15 of the Revised Code. The board's president may designate 52148  
another member of the board to supervise the investigation in 52149  
place of the supervising member. A member of the board who 52150  
supervises the investigation of a case shall not participate in 52151  
further adjudication of the case. 52152

(C) In investigating a possible violation of this chapter or 52153  
the rules adopted under it, the board may administer oaths, order 52154  
the taking of depositions, issue subpoenas, and compel the 52155  
attendance of witnesses and production of books, accounts, papers, 52156  
records, documents, and testimony, except that a subpoena for 52157  
patient record information shall not be issued without 52158  
consultation with the attorney general's office and approval of 52159  
the secretary and supervising member of the board. Before issuance 52160  
of a subpoena for patient record information, the secretary and 52161  
supervising member shall determine whether there is probable cause 52162  
to believe that the complaint filed alleges a violation of this 52163  
chapter or the rules adopted under it and that the records sought 52164  
are relevant to the alleged violation and material to the 52165  
investigation. The subpoena may apply only to records that cover a 52166  
reasonable period of time surrounding the alleged violation. 52167

On failure to comply with any subpoena issued by the board 52168  
and after reasonable notice to the person being subpoenaed, the 52169  
board may move for an order compelling the production of persons 52170

or records pursuant to the Rules of Civil Procedure. 52171

A subpoena issued by the board may be served by a sheriff, 52172  
the sheriff's deputy, or a board employee designated by the board. 52173  
Service of a subpoena issued by the board may be made by 52174  
delivering a copy of the subpoena to the person named therein, 52175  
reading it to the person, or leaving it at the person's usual 52176  
place of residence. When the person being served is an 52177  
anesthesiologist assistant, service of the subpoena may be made by 52178  
certified mail, restricted delivery, return receipt requested, and 52179  
the subpoena shall be deemed served on the date delivery is made 52180  
or the date the person refuses to accept delivery. 52181

A sheriff's deputy who serves a subpoena shall receive the 52182  
same fees as a sheriff. Each witness who appears before the board 52183  
in obedience to a subpoena shall receive the fees and mileage 52184  
provided for under section 119.094 of the Revised Code. 52185

(D) All hearings and investigations of the board shall be 52186  
considered civil actions for the purposes of section 2305.252 of 52187  
the Revised Code. 52188

(E) Information received by the board pursuant to an 52189  
investigation is confidential and not subject to discovery in any 52190  
civil action. 52191

The board shall conduct all investigations and proceedings in 52192  
a manner that protects the confidentiality of patients and persons 52193  
who file complaints with the board. The board shall not make 52194  
public the names or any other identifying information about 52195  
patients or complainants unless proper consent is given. 52196

The board may share any information it receives pursuant to 52197  
an investigation, including patient records and patient record 52198  
information, with law enforcement agencies, other licensing 52199  
boards, and other governmental agencies that are prosecuting, 52200  
adjudicating, or investigating alleged violations of statutes or 52201

administrative rules. An agency or board that receives the 52202  
information shall comply with the same requirements regarding 52203  
confidentiality as those with which the state medical board must 52204  
comply, notwithstanding any conflicting provision of the Revised 52205  
Code or procedure of the agency or board that applies when it is 52206  
dealing with other information in its possession. In a judicial 52207  
proceeding, the information may be admitted into evidence only in 52208  
accordance with the Rules of Evidence, but the court shall require 52209  
that appropriate measures are taken to ensure that confidentiality 52210  
is maintained with respect to any part of the information that 52211  
contains names or other identifying information about patients or 52212  
complainants whose confidentiality was protected by the state 52213  
medical board when the information was in the board's possession. 52214  
Measures to ensure confidentiality that may be taken by the court 52215  
include sealing its records or deleting specific information from 52216  
its records. 52217

(F) The state medical board shall develop requirements for 52218  
and provide appropriate initial training and continuing education 52219  
for investigators employed by the board to carry out its duties 52220  
under this chapter. The training and continuing education may 52221  
include enrollment in courses operated or approved by the Ohio 52222  
peace officer training commission that the board considers 52223  
appropriate under conditions set forth in section 109.79 of the 52224  
Revised Code. 52225

(G) On a quarterly basis, the board shall prepare a report 52226  
that documents the disposition of all cases during the preceding 52227  
three months. The report shall contain the following information 52228  
for each case with which the board has completed its activities: 52229

(1) The case number assigned to the complaint or alleged 52230  
violation; 52231

(2) The type of ~~certificate~~ license to practice, if any, held 52232  
by the individual against whom the complaint is directed; 52233

(3) A description of the allegations contained in the 52234  
complaint; 52235

(4) The disposition of the case. 52236

The report shall state how many cases are still pending, and 52237  
shall be prepared in a manner that protects the identity of each 52238  
person involved in each case. The report is a public record for 52239  
purposes of section 149.43 of the Revised Code. 52240

**Sec. 4760.15.** (A) As used in this section, "prosecutor" has 52241  
the same meaning as in section 2935.01 of the Revised Code. 52242

issued pursuant to this chapter pleads guilty to, is subject to a 52244  
judicial finding of guilt of, or is subject to a judicial finding 52245  
of eligibility for intervention in lieu of conviction for a 52246  
violation of Chapter 2907., 2925., or 3719. of the Revised Code or 52247  
of any substantively comparable ordinance of a municipal 52248  
corporation in connection with the person's practice, the 52249  
prosecutor in the case, on forms prescribed and provided by the 52250  
state medical board, shall promptly notify the board of the 52251  
conviction. Within thirty days of receipt of that information, the 52252  
board shall initiate action in accordance with Chapter 119. of the 52253  
Revised Code to determine whether to suspend or revoke the 52254  
~~certificate~~ license under section 4760.13 of the Revised Code. 52255

(C) The prosecutor in any case against any person holding a 52256  
valid ~~certificate~~ license to practice issued pursuant to this 52257  
chapter, on forms prescribed and provided by the state medical 52258  
board, shall notify the board of any of the following: 52259

practice, or a case in which the trial court issues an order of 52268  
dismissal upon technical or procedural grounds of a charge of a 52269  
misdemeanor, if the alleged act was committed in the course of 52270  
practice; 52271

(3) A plea of guilty to, a finding of guilt by a jury or 52272  
court of, or judicial finding of eligibility for intervention in 52273  
lieu of conviction for a misdemeanor involving moral turpitude, or 52274  
a case in which the trial court issues an order of dismissal upon 52275  
technical or procedural grounds of a charge of a misdemeanor 52276  
involving moral turpitude. 52277

The report shall include the name and address of the 52278  
~~certificate~~ license holder, the nature of the offense for which 52279  
the action was taken, and the certified court documents recording 52280  
the action. 52281

any formal disciplinary action taken by any health care facility, 52283  
including a hospital, health care facility operated by ~~an~~ a health 52284  
insuring corporation, ambulatory surgical facility, or similar 52285

administrator or executive officer of the facility shall report to 52288  
the state medical board the name of the individual, the action 52289

basis for the facility's action. Prior to release to the board, 52293  
the summary shall be approved by the peer review committee that 52294

reviewed the case or by the governing board of the facility. 52295

The filing of a report with the board or decision not to file 52296  
a report, investigation by the board, or any disciplinary action 52297  
taken by the board, does not preclude a health care facility from 52298  
taking disciplinary action against an anesthesiologist assistant. 52299

In the absence of fraud or bad faith, no individual or entity 52300  
that provides patient records to the board shall be liable in 52301  
damages to any person as a result of providing the records. 52302

(B)(1) Except as provided in division (B)(2) of this section, 52303

the belief is based to the monitoring organization conducting the 52315  
program established by the board under section 4731.251 of the 52316  
Revised Code. If any such report is made to the board, it shall be 52317  
referred to the monitoring organization unless the board is aware 52318  
that the individual who is the subject of the report does not meet 52319  
the program eligibility requirements of section 4731.252 of the 52320  
Revised Code. 52321

(C) Any professional association or society composed 52322

assistant. 52335

(D) Any insurer providing professional liability insurance to 52336  
any person holding a valid ~~certificate~~ license to practice as an 52337  
anesthesiologist assistant or any other entity that seeks to 52338  
indemnify the professional liability of an anesthesiologist 52339  
assistant shall notify the board within thirty days after the 52340

dollars. The notice shall contain the following information: 52343

(1) The name and address of the person submitting the 52344  
notification; 52345

chapter or the rules adopted under it that are brought to its 52353  
attention as a result of the reporting requirements of this 52354  
section, except that the board shall conduct an investigation if a 52355

possible violation involves repeated malpractice. As used in this 52356  
division, "repeated malpractice" means three or more claims for 52357  
malpractice within the previous five-year period, each resulting 52358  
in a judgment or settlement in excess of twenty-five thousand 52359  
dollars in favor of the claimant, and each involving negligent 52360  
conduct by the anesthesiologist assistant. 52361

(F) All summaries, reports, and records received and 52362  
maintained by the board pursuant to this section shall be held in 52363  
confidence and shall not be subject to discovery or introduction 52364  
in evidence in any federal or state civil action involving an 52365  
anesthesiologist assistant, supervising physician, or health care 52366

information obtained only as the basis for an investigation, as 52369  
evidence in a disciplinary hearing against an anesthesiologist 52370  
assistant or supervising physician, or in any subsequent trial or 52371

board shall be subject to the same confidentiality provisions as 52380  
when maintained by the board. 52381

have the right to file a statement with the board concerning the 52386  
correctness or relevance of the information. The statement shall 52387

at all times accompany that part of the record in contention. 52388

(H) An individual or entity that reports to the board, 52389  
reports to the monitoring organization described in section 52390  
4731.251 of the Revised Code, or refers an impaired 52391

53247

mental or physical examination required under this division shall 53248  
be undertaken by a treatment provider or physician qualified to 53249  
conduct such examination and chosen by the board. 53250

Failure to submit to a mental or physical examination ordered 53251  
by the board constitutes an admission of the allegations against 53252  
the individual unless the failure is due to circumstances beyond 53253  
the individual's control, and a default and final order may be 53254  
entered without the taking of testimony or presentation of 53255  
evidence. If the board determines that the individual's ability to 53256  
practice is impaired, the board shall suspend the individual's 53257  
~~certificate~~ license or deny the individual's application and shall 53258  
require the individual, as a condition for an initial, continued, 53259  
reinstated, or renewed ~~certificate~~ license, to submit to 53260  
treatment. 53261

Before being eligible to apply for reinstatement of a 53262  
~~certificate~~ license suspended under this division, the oriental 53263  
medicine practitioner or acupuncturist shall demonstrate to the 53264  
board the ability to resume practice in compliance with acceptable 53265  
and prevailing standards of care. The demonstration shall include 53266  
the following: 53267

(a) Certification from a treatment provider approved under 53268  
section 4731.25 of the Revised Code that the individual has 53269  
successfully completed any required inpatient treatment; 53270

(b) Evidence of continuing full compliance with an aftercare 53271  
contract or consent agreement; 53272

(c) Two written reports indicating that the individual's 53273  
ability to practice has been assessed and that the individual has 53274  
been found capable of practicing according to acceptable and 53275  
prevailing standards of care. The reports shall be made by 53276  
individuals or providers approved by the board for making such 53277  
assessments and shall describe the basis for their determination. 53278

The board may reinstate a ~~certificate~~ license suspended under 53279  
this division after such demonstration and after the individual 53280  
has entered into a written consent agreement. 53281

When the impaired individual resumes practice, the board 53282  
shall require continued monitoring of the individual. The 53283  
monitoring shall include monitoring of compliance with the written 53284  
consent agreement entered into before reinstatement or with 53285  
conditions imposed by board order after a hearing, and, upon 53286  
termination of the consent agreement, submission to the board for 53287  
at least two years of annual written progress reports made under 53288  
penalty of falsification stating whether the individual has 53289  
maintained sobriety. 53290

(G) If the secretary and supervising member determine both of 53291  
the following, they may recommend that the board suspend an 53292  
individual's ~~certificate~~ license to practice without a prior 53293  
hearing: 53294

(1) That there is clear and convincing evidence that an 53295  
oriental medicine practitioner or acupuncturist has violated 53296  
division (B) of this section; 53297

(2) That the individual's continued practice presents a 53298  
danger of immediate and serious harm to the public. 53299

Written allegations shall be prepared for consideration by 53300  
the board. The board, upon review of the allegations and by an 53301  
affirmative vote of not fewer than six of its members, excluding 53302  
the secretary and supervising member, may suspend a ~~certificate~~ 53303  
license without a prior hearing. A telephone conference call may 53304  
be utilized for reviewing the allegations and taking the vote on 53305  
the summary suspension. 53306

The board shall issue a written order of suspension by 53307  
certified mail or in person in accordance with section 119.07 of 53308  
the Revised Code. The order shall not be subject to suspension by 53309

the court during pendency of any appeal filed under section 119.12 53310  
of the Revised Code. If the oriental medicine practitioner or 53311  
acupuncturist requests an adjudicatory hearing by the board, the 53312  
date set for the hearing shall be within fifteen days, but not 53313  
earlier than seven days, after the hearing is requested, unless 53314  
otherwise agreed to by both the board and the ~~certificate~~ license 53315  
holder. 53316

A summary suspension imposed under this division shall remain 53317  
in effect, unless reversed on appeal, until a final adjudicative 53318  
order issued by the board pursuant to this section and Chapter 53319  
119. of the Revised Code becomes effective. The board shall issue 53320  
its final adjudicative order within sixty days after completion of 53321  
its hearing. Failure to issue the order within sixty days shall 53322  
result in dissolution of the summary suspension order, but shall 53323  
not invalidate any subsequent, final adjudicative order. 53324

(H) If the board takes action under division (B)(11), (13), 53325  
or (14) of this section, and the judicial finding of guilt, guilty 53326  
plea, or judicial finding of eligibility for intervention in lieu 53327  
of conviction is overturned on appeal, upon exhaustion of the 53328  
criminal appeal, a petition for reconsideration of the order may 53329  
be filed with the board along with appropriate court documents. 53330  
Upon receipt of a petition and supporting court documents, the 53331  
board shall reinstate the ~~certificate to practice~~ license. The 53332  
board may then hold an adjudication under Chapter 119. of the 53333  
Revised Code to determine whether the individual committed the act 53334  
in question. Notice of opportunity for hearing shall be given in 53335  
accordance with Chapter 119. of the Revised Code. If the board 53336  
finds, pursuant to an adjudication held under this division, that 53337  
the individual committed the act, or if no hearing is requested, 53338  
it may order any of the sanctions specified in division (B) of 53339  
this section. 53340

(I) The ~~certificate~~ license to practice of an oriental 53341

medicine practitioner or acupuncturist and the practitioner's or 53342  
acupuncturist's practice in this state are automatically suspended 53343  
as of the date the practitioner or acupuncturist pleads guilty to, 53344  
is found by a judge or jury to be guilty of, or is subject to a 53345  
judicial finding of eligibility for intervention in lieu of 53346  
conviction in this state or treatment or intervention in lieu of 53347  
conviction in another jurisdiction for any of the following 53348  
criminal offenses in this state or a substantially equivalent 53349  
criminal offense in another jurisdiction: aggravated murder, 53350  
murder, voluntary manslaughter, felonious assault, kidnapping, 53351  
rape, sexual battery, gross sexual imposition, aggravated arson, 53352  
aggravated robbery, or aggravated burglary. Continued practice 53353  
after the suspension shall be considered practicing without a 53354  
~~certificate~~ license. 53355

The board shall notify the individual subject to the 53356  
suspension by certified mail or in person in accordance with 53357  
section 119.07 of the Revised Code. If an individual whose 53358  
~~certificate~~ license is suspended under this division fails to make 53359  
a timely request for an adjudication under Chapter 119. of the 53360  
Revised Code, the board shall enter a final order permanently 53361  
revoking the individual's ~~certificate to practice~~ license. 53362

(J) In any instance in which the board is required by Chapter 53363  
119. of the Revised Code to give notice of opportunity for hearing 53364  
and the individual subject to the notice does not timely request a 53365  
hearing in accordance with section 119.07 of the Revised Code, the 53366  
board is not required to hold a hearing, but may adopt, by an 53367  
affirmative vote of not fewer than six of its members, a final 53368  
order that contains the board's findings. In the final order, the 53369  
board may order any of the sanctions identified under division (A) 53370  
or (B) of this section. 53371

(K) Any action taken by the board under division (B) of this 53372  
section resulting in a suspension shall be accompanied by a 53373

written statement of the conditions under which the ~~certificate to~~ 53374  
~~practice~~ license may be reinstated. The board shall adopt rules in 53375  
accordance with Chapter 119. of the Revised Code governing 53376  
conditions to be imposed for reinstatement. Reinstatement of a 53377  
~~certificate~~ license suspended pursuant to division (B) of this 53378  
section requires an affirmative vote of not fewer than six members 53379  
of the board. 53380

(L) When the board refuses to grant or issue a ~~certificate to~~ 53381  
~~practice~~ license to an applicant, revokes an individual's 53382  
~~certificate~~ license, refuses to renew an individual's ~~certificate~~ 53383  
license, or refuses to reinstate an individual's ~~certificate~~ 53384  
license, the board may specify that its action is permanent. An 53385  
individual subject to a permanent action taken by the board is 53386  
forever thereafter ineligible to hold a ~~certificate~~ license to 53387  
practice as an oriental medicine practitioner or ~~certificate~~ 53388  
license to practice as an acupuncturist and the board shall not 53389  
accept an application for reinstatement of the ~~certificate~~ license 53390  
or for issuance of a new ~~certificate~~ license. 53391

(M) Notwithstanding any other provision of the Revised Code, 53392  
all of the following apply: 53393

(1) The surrender of a ~~certificate~~ license to practice as an 53394  
oriental medicine practitioner or ~~certificate~~ license to practice 53395  
as an acupuncturist issued under this chapter is not effective 53396  
unless or until accepted by the board. Reinstatement of a 53397  
~~certificate~~ license surrendered to the board requires an 53398  
affirmative vote of not fewer than six members of the board. 53399

(2) An application made under this chapter for a ~~certificate~~ 53400  
license may not be withdrawn without approval of the board. 53401

(3) Failure by an individual to renew a ~~certificate~~ license 53402  
in accordance with section 4762.06 of the Revised Code shall not 53403  
remove or limit the board's jurisdiction to take disciplinary 53404

action under this section against the individual. 53405

**Sec. 4762.131.** On receipt of a notice pursuant to section 53406  
3123.43 of the Revised Code, the state medical board shall comply 53407  
with sections 3123.41 to 3123.50 of the Revised Code and any 53408  
applicable rules adopted under section 3123.63 of the Revised Code 53409  
with respect to a ~~certificate~~ license to practice as an oriental 53410  
medicine practitioner or ~~certificate~~ license to practice as an 53411  
acupuncturist issued pursuant to this chapter. 53412

**Sec. 4762.132.** If the state medical board has reason to 53413  
believe that any person who has been granted under this chapter a 53414  
~~certificate~~ license to practice as an oriental medicine 53415  
practitioner or ~~certificate~~ license to practice as an 53416  
acupuncturist is mentally ill or mentally incompetent, it may file 53417  
in the probate court of the county in which the person has a legal 53418  
residence an affidavit in the form prescribed in section 5122.11 53419  
of the Revised Code and signed by the board secretary or a member 53420  
of the board secretary's staff, whereupon the same proceedings 53421  
shall be had as provided in Chapter 5122. of the Revised Code. The 53422  
attorney general may represent the board in any proceeding 53423  
commenced under this section. 53424

If any person who has been granted a ~~certificate~~ license is 53425  
adjudged by a probate court to be mentally ill or mentally 53426  
incompetent, the person's ~~certificate~~ license shall be 53427  
automatically suspended until the person has filed with the state 53428  
medical board a certified copy of an adjudication by a probate 53429  
court of the person's subsequent restoration to competency or has 53430  
submitted to the board proof, satisfactory to the board, that the 53431  
person has been discharged as having a restoration to competency 53432  
in the manner and form provided in section 5122.38 of the Revised 53433  
Code. The judge of the probate court shall forthwith notify the 53434  
state medical board of an adjudication of mental illness or mental 53435

incompetence, and shall note any suspension of a ~~certificate~~ 53436  
license in the margin of the court's record of such ~~certificate~~ 53437  
license. 53438

**Sec. 4762.14.** (A) The state medical board shall investigate 53439  
evidence that appears to show that any person has violated this 53440  
chapter or the rules adopted under it. Any person may report to 53441  
the board in a signed writing any information the person has that 53442  
appears to show a violation of any provision of this chapter or 53443  
the rules adopted under it. In the absence of bad faith, a person 53444  
who reports such information or testifies before the board in an 53445  
adjudication conducted under Chapter 119. of the Revised Code 53446  
shall not be liable for civil damages as a result of reporting the 53447  
information or providing testimony. Each complaint or allegation 53448  
of a violation received by the board shall be assigned a case 53449  
number and be recorded by the board. 53450

(B) Investigations of alleged violations of this chapter or 53451  
rules adopted under it shall be supervised by the supervising 53452  
member elected by the board in accordance with section 4731.02 of 53453  
the Revised Code and by the secretary as provided in section 53454  
4762.17 of the Revised Code. The board's president may designate 53455  
another member of the board to supervise the investigation in 53456  
place of the supervising member. A member of the board who 53457  
supervises the investigation of a case shall not participate in 53458  
further adjudication of the case. 53459

(C) In investigating a possible violation of this chapter or 53460  
the rules adopted under it, the board may administer oaths, order 53461  
the taking of depositions, issue subpoenas, and compel the 53462  
attendance of witnesses and production of books, accounts, papers, 53463  
records, documents, and testimony, except that a subpoena for 53464  
patient record information shall not be issued without 53465  
consultation with the attorney general's office and approval of 53466

the secretary and supervising member of the board. Before issuance 53467  
of a subpoena for patient record information, the secretary and 53468  
supervising member shall determine whether there is probable cause 53469  
to believe that the complaint filed alleges a violation of this 53470  
chapter or the rules adopted under it and that the records sought 53471  
are relevant to the alleged violation and material to the 53472  
investigation. The subpoena may apply only to records that cover a 53473  
reasonable period of time surrounding the alleged violation. 53474

On failure to comply with any subpoena issued by the board 53475  
and after reasonable notice to the person being subpoenaed, the 53476  
board may move for an order compelling the production of persons 53477  
or records pursuant to the Rules of Civil Procedure. 53478

A subpoena issued by the board may be served by a sheriff, 53479  
the sheriff's deputy, or a board employee designated by the board. 53480  
Service of a subpoena issued by the board may be made by 53481  
delivering a copy of the subpoena to the person named therein, 53482  
reading it to the person, or leaving it at the person's usual 53483  
place of residence. When the person being served is an oriental 53484  
medicine practitioner or acupuncturist, service of the subpoena 53485  
may be made by certified mail, restricted delivery, return receipt 53486  
requested, and the subpoena shall be deemed served on the date 53487  
delivery is made or the date the person refuses to accept 53488  
delivery. 53489

A sheriff's deputy who serves a subpoena shall receive the 53490  
same fees as a sheriff. Each witness who appears before the board 53491  
in obedience to a subpoena shall receive the fees and mileage 53492  
provided for under section 119.094 of the Revised Code. 53493

(D) All hearings and investigations of the board shall be 53494  
considered civil actions for the purposes of section 2305.252 of 53495  
the Revised Code. 53496

(E) Information received by the board pursuant to an 53497

investigation is confidential and not subject to discovery in any 53498  
civil action. 53499

The board shall conduct all investigations and proceedings in 53500  
a manner that protects the confidentiality of patients and persons 53501  
who file complaints with the board. The board shall not make 53502  
public the names or any other identifying information about 53503  
patients or complainants unless proper consent is given. 53504

The board may share any information it receives pursuant to 53505  
an investigation, including patient records and patient record 53506  
information, with law enforcement agencies, other licensing 53507  
boards, and other governmental agencies that are prosecuting, 53508  
adjudicating, or investigating alleged violations of statutes or 53509  
administrative rules. An agency or board that receives the 53510  
information shall comply with the same requirements regarding 53511  
confidentiality as those with which the state medical board must 53512  
comply, notwithstanding any conflicting provision of the Revised 53513  
Code or procedure of the agency or board that applies when it is 53514  
dealing with other information in its possession. In a judicial 53515  
proceeding, the information may be admitted into evidence only in 53516  
accordance with the Rules of Evidence, but the court shall require 53517  
that appropriate measures are taken to ensure that confidentiality 53518  
is maintained with respect to any part of the information that 53519  
contains names or other identifying information about patients or 53520  
complainants whose confidentiality was protected by the state 53521  
medical board when the information was in the board's possession. 53522  
Measures to ensure confidentiality that may be taken by the court 53523  
include sealing its records or deleting specific information from 53524  
its records. 53525

(F) The state medical board shall develop requirements for 53526  
and provide appropriate initial training and continuing education 53527  
for investigators employed by the board to carry out its duties 53528  
under this chapter. The training and continuing education may 53529

include enrollment in courses operated or approved by the Ohio  
peace officer training commission that the board considers  
appropriate under conditions set forth in section 109.79 of the  
Revised Code.

(G) On a quarterly basis, the board shall prepare a report  
that documents the disposition of all cases during the preceding  
three months. The report shall contain the following information  
for each case with which the board has completed its activities:

(1) The case number assigned to the complaint or alleged  
violation;

(2) The type of ~~certificate to practice~~ license, if any, held  
by the individual against whom the complaint is directed;

(3) A description of the allegations contained in the  
complaint;

(4) The disposition of the case.

The report shall state how many cases are still pending, and  
shall be prepared in a manner that protects the identity of each  
person involved in each case. The report is a public record for  
purposes of section 149.43 of the Revised Code.

**Sec. 4762.15.** (A) As used in this section, "prosecutor" has  
the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid ~~certificate~~ license  
to practice as an oriental medicine practitioner or valid  
~~certificate~~ license to practice as an acupuncturist issued  
pursuant to this chapter pleads guilty to, is subject to a  
judicial finding of guilt of, or is subject to a judicial finding  
of eligibility for intervention in lieu of conviction for a  
violation of Chapter 2907., 2925., or 3719. of the Revised Code or  
of any substantively comparable ordinance of a municipal  
corporation in connection with the person's practice, the

prosecutor in the case, on forms prescribed and provided by the 53560  
state medical board, shall promptly notify the board of the 53561  
conviction. Within thirty days of receipt of that information, the 53562  
board shall initiate action in accordance with Chapter 119. of the 53563  
Revised Code to determine whether to suspend or revoke the 53564  
~~certificate~~ license under section 4762.13 of the Revised Code. 53565

(C) The prosecutor in any case against any person holding a 53566  
valid ~~certificate to practice~~ license issued pursuant to this 53567  
chapter, on forms prescribed and provided by the state medical 53568  
board, shall notify the board of any of the following: 53569

(1) A plea of guilty to, a finding of guilt by a jury or 53570  
court of, or judicial finding of eligibility for intervention in 53571  
lieu of conviction for a felony, or a case in which the trial 53572  
court issues an order of dismissal upon technical or procedural 53573  
grounds of a felony charge; 53574

(2) A plea of guilty to, a finding of guilt by a jury or 53575  
court of, or judicial finding of eligibility for intervention in 53576  
lieu of conviction for a misdemeanor committed in the course of 53577  
practice, or a case in which the trial court issues an order of 53578  
dismissal upon technical or procedural grounds of a charge of a 53579  
misdemeanor, if the alleged act was committed in the course of 53580  
practice; 53581

(3) A plea of guilty to, a finding of guilt by a jury or 53582  
court of, or judicial finding of eligibility for intervention in 53583  
lieu of conviction for a misdemeanor involving moral turpitude, or 53584  
a case in which the trial court issues an order of dismissal upon 53585  
technical or procedural grounds of a charge of a misdemeanor 53586  
involving moral turpitude. 53587

The report shall include the name and address of the 53588  
~~certificate~~ license holder, the nature of the offense for which 53589  
the action was taken, and the certified court documents recording 53590

the action. 53591

**Sec. 4762.16.** (A) Within sixty days after the imposition of 53592  
any formal disciplinary action taken by any health care facility, 53593  
including a hospital, health care facility operated by a health 53594  
insuring corporation, ambulatory surgical center, or similar 53595  
facility, against any individual holding a valid ~~certificate~~ 53596  
license to practice as an oriental medicine practitioner or valid 53597  
~~certificate~~ license to practice as an acupuncturist, the chief 53598  
administrator or executive officer of the facility shall report to 53599  
the state medical board the name of the individual, the action 53600  
taken by the facility, and a summary of the underlying facts 53601  
leading to the action taken. Upon request, the board shall be 53602  
provided certified copies of the patient records that were the 53603  
basis for the facility's action. Prior to release to the board, 53604  
the summary shall be approved by the peer review committee that 53605  
reviewed the case or by the governing board of the facility. 53606

The filing of a report with the board or decision not to file 53607  
a report, investigation by the board, or any disciplinary action 53608  
taken by the board, does not preclude a health care facility from 53609  
taking disciplinary action against an oriental medicine 53610  
practitioner or acupuncturist. 53611

In the absence of fraud or bad faith, no individual or entity 53612  
that provides patient records to the board shall be liable in 53613  
damages to any person as a result of providing the records. 53614

(B)(1) Except as provided in division (B)(2) of this section, 53615  
an oriental medicine practitioner or acupuncturist, professional 53616  
association or society of oriental medicine practitioners or 53617  
acupuncturists, physician, or professional association or society 53618  
of physicians that believes a violation of any provision of this 53619  
chapter, Chapter 4731. of the Revised Code, or rule of the board 53620  
has occurred shall report to the board the information upon which 53621

the belief is based. 53622

(2) An oriental medicine practitioner or acupuncturist, 53623  
professional association or society of oriental medicine 53624  
practitioners or acupuncturists, physician, or professional 53625  
association or society of physicians that believes a violation of 53626  
division (B)(6) of section 4762.13 of the Revised Code has 53627  
occurred shall report the information upon which the belief is 53628  
based to the monitoring organization conducting the program 53629  
established by the board under section 4731.251 of the Revised 53630  
Code. If any such report is made to the board, it shall be 53631  
referred to the monitoring organization unless the board is aware 53632  
that the individual who is the subject of the report does not meet 53633  
the program eligibility requirements of section 4731.252 of the 53634  
Revised Code. 53635

(C) Any professional association or society composed 53636  
primarily of oriental medicine practitioners or acupuncturists 53637  
that suspends or revokes an individual's membership for violations 53638  
of professional ethics, or for reasons of professional 53639  
incompetence or professional malpractice, within sixty days after 53640  
a final decision, shall report to the board, on forms prescribed 53641

The filing of a report with the board or decision not to file 53645  
a report, investigation by the board, or any disciplinary action 53646  
taken by the board, does not preclude a professional organization 53647  
from taking disciplinary action against an individual. 53648

(D) Any insurer providing professional liability insurance to 53649  
any person holding a valid ~~certificate~~ license to practice as an 53650

information: 53658

attention as a result of the reporting requirements of this 53669  
section, except that the board shall conduct an investigation if a 53670  
possible violation involves repeated malpractice. As used in this 53671  
division, "repeated malpractice" means three or more claims for 53672  
malpractice within the previous five-year period, each resulting 53673  
in a judgment or settlement in excess of twenty-five thousand 53674  
dollars in favor of the claimant, and each involving negligent 53675  
conduct by the oriental medicine practitioner or acupuncturist. 53676

(F) All summaries, reports, and records received and 53677  
maintained by the board pursuant to this section shall be held in 53678

within a particular facility. The board shall indicate whether or 53694  
not the information has been verified. Information transmitted by 53695  
the board shall be subject to the same confidentiality provisions 53696  
as when maintained by the board. 53697

(G) Except for reports filed by an individual pursuant to 53698  
division (B) of this section, the board shall send a copy of any 53699  
reports or summaries it receives pursuant to this section to the 53700  
acupuncturist. The oriental medicine practitioner or acupuncturist 53701

result of the report, referral, or provision of the information. 53712

(I) In the absence of fraud or bad faith, a professional 53713

practice of oriental medicine or acupuncture by applying for an 53735  
injunction in any court of competent jurisdiction. 53736

(B) Prior to application for an injunction under division (A) 53737  
of this section, the secretary of the state medical board shall 53738  
notify the person allegedly engaged either directly or by 53739  
complicity in the unlawful practice of oriental medicine or 53740  
acupuncture by registered mail that the secretary has received 53741  
information indicating that this person is so engaged. The person 53742  
shall answer the secretary within thirty days showing that the 53743  
person is either properly licensed for the stated activity or that 53744  
the person is not in violation of this chapter. If the answer is 53745  
not forthcoming within thirty days after notice by the secretary, 53746  
the secretary shall request that the attorney general, the 53747  
prosecuting attorney of the county in which the offense was 53748

committed or the offender resides, or the state medical board 53749  
proceed as authorized in this section. 53750

(C) Upon the filing of a verified petition in court, the 53751  
court shall conduct a hearing on the petition and shall give the 53752  
same preference to this proceeding as is given all proceedings 53753

other remedies provided in this chapter. 53758

(E) An injunction proceeding permitted by division (A) of 53759  
this section may not be maintained against a person described in 53760  
division (B) of section 4762.02 of the Revised Code or a 53761  
chiropractor who holds a valid certificate to practice acupuncture 53762  
issued under section 4734.283 of the Revised Code. 53763

**Sec. 4762.22.** An individual who holds a ~~certificate~~ license 53764  
to practice as an oriental medicine practitioner or ~~certificate~~ 53765  
license to practice as an acupuncturist issued under this chapter 53766  
shall have professional liability insurance coverage in an amount 53767  
that is not less than five hundred thousand dollars. 53768

**Sec. 4763.16.** (A) The real estate appraiser recovery fund is 53769  
hereby created in the state treasury, to be administered by the 53770  
superintendent of real estate. The treasurer of state shall credit 53771  
to the fund amounts collected by the superintendent as prescribed 53772  
in this section and interest earned on the assets of the fund. The 53773  
superintendent shall ascertain the balance of the fund as of the 53774  
first day of October of each year. If that balance is less than 53775  
~~five~~ two hundred thousand dollars at any time, the director of 53776  
budget and management, upon the request of the superintendent and 53777  
approval of the controlling board, may transfer from the real 53778

estate appraiser operating fund to the real estate appraiser 53779  
recovery fund a sum as will bring the real estate appraiser 53780  
recovery fund to that amount. 53781

(B) When any person obtains a final judgment in any court of 53782  
competent jurisdiction against a certificate holder, registrant, 53783  
or licensee, based upon conduct that is in violation of this 53784  
chapter or the rules adopted under it, which conduct occurred on 53785  
or after the date of their certification, registration, or 53786  
licensure, and that is associated with an act or transaction of a 53787  
certificate holder, registrant, or licensee specified in this 53788  
chapter, that person may file a verified complaint, as described 53789  
in this division, in the Franklin county court of common pleas for 53790  
an order directing payment out of the real estate appraiser 53791  
recovery fund of the portion of the judgment that remains unpaid 53792  
and that represents the actual and direct loss of the person for 53793  
the act or transaction upon which the underlying judgment was 53794  
based, and court costs, if awarded in the underlying judgment, 53795  
provided that no person shall receive more than ten thousand 53796  
dollars from the fund for any one judgment. A bonding or insurance 53797  
company or any partnership, corporation, or association that uses 53798  
any tool to develop a valuation of real property for purposes of a 53799  
loan or that employs, retains, or engages as an independent 53800  
contractor a person licensed, registered, or certified as a real 53801  
estate appraiser in its usual or occasional operations may not 53802  
seek an order directing, and is not eligible for, payment out of 53803  
the fund. Punitive or exemplary damages are not recoverable from 53804  
the fund. 53805

The complaint shall specify the nature of the act or 53806  
transaction upon which the underlying judgment was based, the 53807  
activities of the applicant in pursuit of remedies available under 53808  
law for the collection of judgments, and the amount of the fee 53809  
paid by the applicant to the certificate holder, registrant, or 53810

licensee. The applicant shall attach to the complaint a copy of 53811  
each pleading and order in the underlying court action. 53812

The Franklin county court of common pleas shall order the 53813  
superintendent to make payments out of the fund when the person 53814  
seeking the order has shown all of the following: 53815

(1) The person has obtained a judgment, as provided in this 53816  
division; 53817

(2) All appeals from the judgment have been exhausted and the 53818  
person has given notice to the superintendent, as required by 53819  
division (C) of this section; 53820

(3) The person is not a spouse of the certificate holder, 53821  
registrant, or licensee, or the personal representative of the 53822  
spouse; 53823

(4) The person has diligently pursued the person's remedies 53824  
against all the certificate holders, registrants, licensees, and 53825  
all other persons liable to the person in the transaction for 53826  
which the person seeks recovery from the fund; 53827

(5) The person is making a complaint not more than one year 53828  
after termination of all proceedings, including appeals, in 53829  
connection with the judgment. 53830

(C) A person who applies to the Franklin county court of 53831  
common pleas for an order directing payment out of the fund shall 53832  
file notice of the complaint with the superintendent. The 53833  
superintendent shall send notice to the affected certificate 53834  
holder, registrant, or licensee, where possible. The 53835  
superintendent may defend the action on behalf of the fund and 53836  
shall have recourse to all appropriate means of defense and 53837  
review, including examination of witnesses. The superintendent may 53838  
move the court at any time to dismiss the complaint when it 53839  
appears there are no triable issues and the complaint is without 53840  
merit. The motion may be supported by affidavit of any person 53841

having knowledge of the facts and may be made on the basis that 53842  
the complaint, including the judgment referred to in the 53843  
complaint, does not form the basis for a meritorious recovery 53844  
claim. The superintendent may, subject to court approval, 53845  
compromise a claim based upon the complaint of an aggrieved party. 53846  
The superintendent is not bound by any prior compromise or 53847  
stipulation of the certificate holder, registrant, or licensee. 53848  
Upon petition of the superintendent, the court may require all 53849  
claimants and prospective claimants against one certificate 53850  
holder, registrant, or licensee to be joined in one action, to the 53851  
end that the respective rights of all such claimants to the fund 53852  
may be equitably adjudicated and settled. 53853

(D) If the superintendent pays from the fund any amount in 53854  
settlement of a claim or toward satisfaction of a judgment against 53855  
a certificate holder, registrant, or licensee, the certificate, 53856  
registration, or license of the certificate holder, registrant, or 53857  
licensee automatically is suspended upon the date of payment from 53858  
the fund. No certificate, registration, or license that has been 53859  
suspended pursuant to this division shall be reinstated until the 53860  
certificate holder, registrant, or licensee has repaid in full, 53861  
plus interest per annum at the rate specified in division (A) of 53862  
section 1343.03 of the Revised Code, the amount paid from the fund 53863  
on the certificate holder's, registrant's, or licensee's account. 53864  
A discharge in bankruptcy does not relieve a person from the 53865  
suspension and requirements for reinstatement provided in this 53866  
section. 53867

(E) If, at any time, the money deposited in the fund is 53868  
insufficient to satisfy any duly authorized claim or portion of a 53869  
claim, the superintendent shall, when sufficient money has been 53870  
deposited in the fund, satisfy the unpaid claims or portions, in 53871  
the order that the claims or portions were originally filed, plus 53872  
accumulated interest per annum at the rate specified in division 53873

(A) of section 1343.03 of the Revised Code. 53874

(F) When, upon the order of the court, the superintendent has 53875  
paid from the fund any sum to the judgment creditor, the 53876  
superintendent is subrogated to all of the rights of the judgment 53877  
creditor to the extent of the amount so paid, and the judgment 53878  
creditor shall assign all of the judgment creditor's right, title, 53879  
and interest in the judgment to the superintendent to the extent 53880  
of the amount so paid. The superintendent shall deposit in the 53881  
fund any amount and interest so recovered by the superintendent on 53882  
the judgment. 53883

(G) Nothing contained in this section shall limit the 53884  
authority of the real estate appraiser board to take disciplinary 53885  
action against a certificate holder, registrant, or licensee under 53886  
other provisions of this chapter. The repayment in full of all 53887  
obligations to the fund by a certificate holder, registrant, or 53888  
licensee does not nullify or modify the effect of any other 53889  
disciplinary proceeding brought pursuant to this chapter, unless 53890  
repayment is imposed as a condition in that proceeding. 53891

(H) The superintendent shall collect from the fund a service 53892  
fee in an amount equivalent to the interest rate specified in 53893  
division (A) of section 1343.03 of the Revised Code multiplied by 53894  
the annual interest earned on the assets of the fund, to defray 53895  
the expenses incurred in the administration of the fund. 53896

section, the state board of emergency medical, fire, and 53922  
transportation services shall develop a non-opioid directive form. 53923  
The form shall specify that the patient who is the subject of the 53924  
form desires not to be offered, prescribed, administered, 53925  
personally furnished, or otherwise provided with an opioid 53926  
analgesic. When developing the form, the board shall seek input on 53927  
the form's content from all of the following: 53928

(1) Prescribers; 53929

(2) Pharmacists; 53930

(3) Emergency medical services personnel, firefighters, 53931

(B) An individual who receives a non-opioid directive form as described in this section shall not be pressured to sign it. 53964  
53965

Sec. 4765.603. The state board of emergency medical, fire, and transportation services shall adopt rules in accordance with Chapter 119. of the Revised Code to do all of the following: 53966  
53967  
53968

(A) Specify procedures to ensure that a signed non-opioid directive form is properly filed in the medical record of the patient to whom it pertains and that a notification of its existence is sent to the state board of pharmacy; 53969  
53970  
53971  
53972

53976  
53977

(C) Specify a procedure for the transmission, sharing, and distribution of a patient's non-opioid directive form between health care providers, health care facilities, emergency medical services personnel, firefighters, volunteer firefighters, and law enforcement officers that ensures that protected health information is disclosed only in a manner that is consistent with applicable state and federal laws regarding the use and disclosure of such information; 53978  
53979  
53980  
53981  
53982  
53983  
53984  
53985

(D) Specify the circumstances under which a patient may authorize another individual, including an attorney in fact under a durable power of attorney for health care created pursuant to sections 1337.11 to 1337.17 of the Revised Code, to override a patient's non-opioid directive form, and a procedure to accomplish an override. 53986  
53987  
53988  
53989  
53990  
53991

Sec. 4765.604. The patient who is the subject of a non-opioid 53992

time and in any manner that communicates the intent to revoke. 53996  
53997

**Sec. 4765.605.** In an emergency situation, emergency medical 53998  
services personnel, firefighters, volunteer firefighters, and law 53999

form. If a patient is the subject of a non-opioid directive form, 54003  
if any of the foregoing persons provide care to the patient in an 54004  
emergency situation, and if, at that time, those persons do not 54005  
know that the patient is the subject of a non-opioid directive 54006  
form or if they believe based on their professional judgment that 54007  
the patient's chances of recovery would be substantially improved 54008  
through use of an opioid analgesic, the foregoing persons or 54009  
emergency department personnel are not subject to any of the 54010  
following associated with offering, prescribing, administering, 54011  
personally furnishing, or otherwise providing an opioid analgesic 54012  
to the patient if doing so is otherwise in accordance with 54013  
applicable law: 54014

(A) Criminal prosecution; 54015

(B) Liability for damages in a tort or other civil action for 54016  
injury, death, or loss to person or property; 54017

valid prescription for an opioid analgesic is presented for 54020  
dispensing is neither required to inquire about the existence of a 54021  
non-opioid directive form for the patient who is the subject of 54022

the prescription nor is required to determine if the patient is 54023  
the subject of a non-opioid directive form. 54024

(B)(1) Except on evidence that a pharmacist or pharmacy 54025  
intern knowingly failed to comply with a patient's non-opioid 54026  
directive form, the pharmacist or pharmacy intern shall not be 54027  
subject to criminal prosecution associated with dispensing the 54028  
opioid analgesic. 54029

members, shall, to the extent permitted by law, limit, revoke, or 54440  
suspend an individual's ~~certificate~~ license to practice as a 54441

radiologist assistant, refuse to issue a ~~certificate~~ license to an 54442  
applicant, refuse to renew a ~~certificate~~ license, refuse to 54443  
reinstate a ~~certificate~~ license, or reprimand or place on 54444  
probation the holder of a ~~certificate~~ license for any of the 54445  
following reasons: 54446

(1) Permitting the holder's name or ~~certificate~~ license to be 54447  
used by another person; 54448

(2) Failure to comply with the requirements of this chapter, 54449  
Chapter 4731. of the Revised Code, or any rules adopted by the 54450  
board; 54451

(3) Violating or attempting to violate, directly or 54452  
indirectly, or assisting in or abetting the violation of, or 54453  
conspiring to violate, any provision of this chapter, Chapter 54454  
4731. of the Revised Code, or the rules adopted by the board; 54455

(4) A departure from, or failure to conform to, minimal 54456  
standards of care of similar practitioners under the same or 54457  
similar circumstances whether or not actual injury to the patient 54458  
is established; 54459

(5) Inability to practice according to acceptable and 54460  
prevailing standards of care by reason of mental illness or 54461  
physical illness, including physical deterioration that adversely 54462  
affects cognitive, motor, or perceptive skills; 54463

(6) Impairment of ability to practice according to acceptable 54464  
and prevailing standards of care because of habitual or excessive 54465  
use or abuse of drugs, alcohol, or other substances that impair 54466  
ability to practice; 54467

(7) Willfully betraying a professional confidence; 54468

(8) Making a false, fraudulent, deceptive, or misleading 54469  
statement in securing or attempting to secure a ~~certificate~~ 54470  
license to practice as a radiologist assistant. 54471

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) A plea of guilty to, a judicial finding of guilt of, or

a judicial finding of eligibility for intervention in lieu of 54502  
conviction for violating any state or federal law regulating the 54503  
possession, distribution, or use of any drug, including 54504  
trafficking in drugs; 54505

(17) Any of the following actions taken by the state agency 54506  
responsible for regulating the practice of radiologist assistants 54507  
in another jurisdiction, for any reason other than the nonpayment 54508  
of fees: the limitation, revocation, or suspension of an 54509  
individual's license to practice; acceptance of an individual's 54510  
license surrender; denial of a license; refusal to renew or 54511  
reinstate a license; imposition of probation; or issuance of an 54512  
order of censure or other reprimand; 54513

(18) Violation of the conditions placed by the board on a 54514  
~~certificate~~ license to practice as a radiologist assistant; 54515

(19) Failure to use universal blood and body fluid 54516  
precautions established by rules adopted under section 4731.051 of 54517  
the Revised Code; 54518

(20) Failure to cooperate in an investigation conducted by 54519  
the board under section 4774.14 of the Revised Code, including 54520  
failure to comply with a subpoena or order issued by the board or 54521  
failure to answer truthfully a question presented by the board at 54522  
a deposition or in written interrogatories, except that failure to 54523  
cooperate with an investigation shall not constitute grounds for 54524  
discipline under this section if a court of competent jurisdiction 54525  
has issued an order that either quashes a subpoena or permits the 54526  
individual to withhold the testimony or evidence in issue; 54527

(21) Failure to maintain a license as a radiographer under 54528  
Chapter 4773. of the Revised Code; 54529

(22) Failure to maintain certification as a registered 54530  
radiologist assistant from the American registry of radiologic 54531  
technologists, including revocation by the registry of the 54532

assistant's certification or failure by the assistant to meet the 54533  
registry's requirements for annual registration, or failure to 54534  
notify the board that the certification as a registered 54535  
radiologist assistant has not been maintained; 54536

(23) Failure to comply with any of the rules of ethics 54537  
included in the standards of ethics established by the American 54538  
registry of radiologic technologists, as those rules apply to an 54539  
individual who holds the registry's certification as a registered 54540  
radiologist assistant. 54541

(C) Disciplinary actions taken by the board under divisions 54542  
(A) and (B) of this section shall be taken pursuant to an 54543  
adjudication under Chapter 119. of the Revised Code, except that 54544  
in lieu of an adjudication, the board may enter into a consent 54545  
agreement with a radiologist assistant or applicant to resolve an 54546  
allegation of a violation of this chapter or any rule adopted 54547  
under it. A consent agreement, when ratified by an affirmative 54548  
vote of not fewer than six members of the board, shall constitute 54549  
the findings and order of the board with respect to the matter 54550  
addressed in the agreement. If the board refuses to ratify a 54551  
consent agreement, the admissions and findings contained in the 54552  
consent agreement shall be of no force or effect. 54553

(D) For purposes of divisions (B)(11), (14), and (15) of this 54554  
section, the commission of the act may be established by a finding 54555  
by the board, pursuant to an adjudication under Chapter 119. of 54556  
the Revised Code, that the applicant or ~~certificate~~ license holder 54557  
committed the act in question. The board shall have no 54558  
jurisdiction under these divisions in cases where the trial court 54559  
renders a final judgment in the ~~certificate~~ license holder's favor 54560  
and that judgment is based upon an adjudication on the merits. The 54561  
board shall have jurisdiction under these divisions in cases where 54562  
the trial court issues an order of dismissal on technical or 54563  
procedural grounds. 54564

(E) The sealing of conviction records by any court shall have 54565  
no effect on a prior board order entered under the provisions of 54566  
this section or on the board's jurisdiction to take action under 54567  
the provisions of this section if, based upon a plea of guilty, a 54568  
judicial finding of guilt, or a judicial finding of eligibility 54569  
for intervention in lieu of conviction, the board issued a notice 54570  
of opportunity for a hearing prior to the court's order to seal 54571  
the records. The board shall not be required to seal, destroy, 54572  
redact, or otherwise modify its records to reflect the court's 54573  
sealing of conviction records. 54574

(F) For purposes of this division, any individual who holds a 54575  
~~certificate~~ license to practice as a radiologist assistant issued 54576  
under this chapter, or applies for a ~~certificate to practice~~ 54577  
license, shall be deemed to have given consent to submit to a 54578  
mental or physical examination when directed to do so in writing 54579  
by the board and to have waived all objections to the 54580  
admissibility of testimony or examination reports that constitute 54581  
a privileged communication. 54582

(1) In enforcing division (B)(5) of this section, the board, 54583  
on a showing of a possible violation, may compel any individual 54584  
who holds a ~~certificate~~ license to practice as a radiologist 54585  
assistant issued under this chapter or who has applied for a 54586  
~~certificate to practice~~ license to submit to a mental or physical 54587  
examination, or both. A physical examination may include an HIV 54588  
test. The expense of the examination is the responsibility of the 54589  
individual compelled to be examined. Failure to submit to a mental 54590  
or physical examination or consent to an HIV test ordered by the 54591  
board constitutes an admission of the allegations against the 54592  
individual unless the failure is due to circumstances beyond the 54593  
individual's control, and a default and final order may be entered 54594  
without the taking of testimony or presentation of evidence. If 54595  
the board finds a radiologist assistant unable to practice because 54596

of the reasons set forth in division (B)(5) of this section, the 54597  
board shall require the radiologist assistant to submit to care, 54598  
counseling, or treatment by physicians approved or designated by 54599  
the board, as a condition for an initial, continued, reinstated, 54600  
or renewed ~~certificate to practice~~ license. An individual affected 54601  
by this division shall be afforded an opportunity to demonstrate 54602  
to the board the ability to resume practicing in compliance with 54603  
acceptable and prevailing standards of care. 54604

(2) For purposes of division (B)(6) of this section, if the 54605  
board has reason to believe that any individual who holds a 54606  
~~certificate~~ license to practice as a radiologist assistant issued 54607  
under this chapter or any applicant for a ~~certificate to practice~~ 54608  
license suffers such impairment, the board may compel the 54609  
individual to submit to a mental or physical examination, or both. 54610  
The expense of the examination is the responsibility of the 54611  
individual compelled to be examined. Any mental or physical 54612  
examination required under this division shall be undertaken by a 54613  
treatment provider or physician qualified to conduct such 54614  
examination and chosen by the board. 54615

Failure to submit to a mental or physical examination ordered 54616  
by the board constitutes an admission of the allegations against 54617  
the individual unless the failure is due to circumstances beyond 54618  
the individual's control, and a default and final order may be 54619  
entered without the taking of testimony or presentation of 54620  
evidence. If the board determines that the individual's ability to 54621  
practice is impaired, the board shall suspend the individual's 54622  
~~certificate~~ license or deny the individual's application and shall 54623  
require the individual, as a condition for an initial, continued, 54624  
reinstated, or renewed ~~certificate~~ license to practice, to submit 54625  
to treatment. 54626

Before being eligible to apply for reinstatement of a 54627  
~~certificate~~ license suspended under this division, the radiologist 54628

assistant shall demonstrate to the board the ability to resume 54629  
practice in compliance with acceptable and prevailing standards of 54630  
care. The demonstration shall include the following: 54631

(a) Certification from a treatment provider approved under 54632  
section 4731.25 of the Revised Code that the individual has 54633  
successfully completed any required inpatient treatment; 54634

(b) Evidence of continuing full compliance with an aftercare 54635  
contract or consent agreement; 54636

(c) Two written reports indicating that the individual's 54637  
ability to practice has been assessed and that the individual has 54638  
been found capable of practicing according to acceptable and 54639  
prevailing standards of care. The reports shall be made by 54640  
individuals or providers approved by the board for making such 54641  
assessments and shall describe the basis for their determination. 54642

The board may reinstate a ~~certificate~~ license suspended under 54643  
this division after such demonstration and after the individual 54644  
has entered into a written consent agreement. 54645

When the impaired radiologist assistant resumes practice, the 54646  
board shall require continued monitoring of the radiologist 54647  
assistant. The monitoring shall include monitoring of compliance 54648  
with the written consent agreement entered into before 54649  
reinstatement or with conditions imposed by board order after a 54650  
hearing, and, on termination of the consent agreement, submission 54651  
to the board for at least two years of annual written progress 54652  
reports made under penalty of falsification stating whether the 54653  
radiologist assistant has maintained sobriety. 54654

(G) If the secretary and supervising member determine that 54655  
there is clear and convincing evidence that a radiologist 54656  
assistant has violated division (B) of this section and that the 54657  
individual's continued practice presents a danger of immediate and 54658  
serious harm to the public, they may recommend that the board 54659

suspend the individual's ~~certificate~~ license to practice without a 54660  
prior hearing. Written allegations shall be prepared for 54661  
consideration by the board. 54662

The board, on review of the allegations and by an affirmative 54663  
vote of not fewer than six of its members, excluding the secretary 54664  
and supervising member, may suspend a ~~certificate~~ license without 54665  
a prior hearing. A telephone conference call may be utilized for 54666  
reviewing the allegations and taking the vote on the summary 54667  
suspension. 54668

The board shall issue a written order of suspension by 54669  
certified mail or in person in accordance with section 119.07 of 54670  
the Revised Code. The order shall not be subject to suspension by 54671  
the court during pendency of any appeal filed under section 119.12 54672  
of the Revised Code. If the radiologist assistant requests an 54673  
adjudicatory hearing by the board, the date set for the hearing 54674  
shall be within fifteen days, but not earlier than seven days, 54675  
after the radiologist assistant requests the hearing, unless 54676  
otherwise agreed to by both the board and the ~~certificate~~ license 54677  
holder. 54678

A summary suspension imposed under this division shall remain 54679  
in effect, unless reversed on appeal, until a final adjudicative 54680  
order issued by the board pursuant to this section and Chapter 54681  
119. of the Revised Code becomes effective. The board shall issue 54682  
its final adjudicative order within sixty days after completion of 54683  
its hearing. Failure to issue the order within sixty days shall 54684  
result in dissolution of the summary suspension order, but shall 54685  
not invalidate any subsequent, final adjudicative order. 54686

(H) If the board takes action under division (B)(10), (12), 54687  
or (13) of this section, and the judicial finding of guilt, guilty 54688  
plea, or judicial finding of eligibility for intervention in lieu 54689  
of conviction is overturned on appeal, on exhaustion of the 54690  
criminal appeal, a petition for reconsideration of the order may 54691

be filed with the board along with appropriate court documents. On 54692  
receipt of a petition and supporting court documents, the board 54693  
shall reinstate the ~~certificate~~ license to practice as a 54694  
radiologist assistant. The board may then hold an adjudication 54695  
under Chapter 119. of the Revised Code to determine whether the 54696  
individual committed the act in question. Notice of opportunity 54697  
for hearing shall be given in accordance with Chapter 119. of the 54698  
Revised Code. If the board finds, pursuant to an adjudication held 54699  
under this division, that the individual committed the act, or if 54700  
no hearing is requested, it may order any of the sanctions 54701  
specified in division (B) of this section. 54702

(I) The ~~certificate~~ license to practice of a radiologist 54703  
assistant and the assistant's practice in this state are 54704  
automatically suspended as of the date the radiologist assistant 54705  
pleads guilty to, is found by a judge or jury to be guilty of, or 54706  
is subject to a judicial finding of eligibility for intervention 54707  
in lieu of conviction in this state or treatment of intervention 54708  
in lieu of conviction in another jurisdiction for any of the 54709  
following criminal offenses in this state or a substantially 54710  
equivalent criminal offense in another jurisdiction: aggravated 54711  
murder, murder, voluntary manslaughter, felonious assault, 54712  
kidnapping, rape, sexual battery, gross sexual imposition, 54713  
aggravated arson, aggravated robbery, or aggravated burglary. 54714  
Continued practice after the suspension shall be considered 54715  
practicing without a ~~certificate~~ license. 54716

The board shall notify the individual subject to the 54717  
suspension by certified mail or in person in accordance with 54718  
section 119.07 of the Revised Code. If an individual whose 54719  
~~certificate~~ license is suspended under this division fails to make 54720  
a timely request for an adjudication under Chapter 119. of the 54721  
Revised Code, the board shall enter a final order permanently 54722  
revoking the individual's ~~certificate to practice~~ license. 54723

(J) In any instance in which the board is required by Chapter 54724  
119. of the Revised Code to give notice of opportunity for hearing 54725  
and the individual subject to the notice does not timely request a 54726  
hearing in accordance with section 119.07 of the Revised Code, the 54727  
board is not required to hold a hearing, but may adopt, by an 54728  
affirmative vote of not fewer than six of its members, a final 54729  
order that contains the board's findings. In the final order, the 54730  
board may order any of the sanctions identified under division (A) 54731  
or (B) of this section. 54732

(K) Any action taken by the board under division (B) of this 54733  
section resulting in a suspension shall be accompanied by a 54734  
written statement of the conditions under which the radiologist 54735  
assistant's ~~certificate~~ license may be reinstated. The board shall 54736  
adopt rules in accordance with Chapter 119. of the Revised Code 54737  
governing conditions to be imposed for reinstatement. 54738  
Reinstatement of a ~~certificate~~ license suspended pursuant to 54739  
division (B) of this section requires an affirmative vote of not 54740  
fewer than six members of the board. 54741

(L) When the board refuses to grant or issue a ~~certificate~~ 54742  
license to practice as a radiologist assistant to an applicant, 54743  
revokes an individual's ~~certificate~~ license, refuses to renew an 54744  
individual's ~~certificate~~ license, or refuses to reinstate an 54745  
individual's ~~certificate~~ license, the board may specify that its 54746  
action is permanent. An individual subject to a permanent action 54747  
taken by the board is forever thereafter ineligible to hold a 54748  
~~certificate~~ license to practice as a radiologist assistant and the 54749  
board shall not accept an application for reinstatement of the 54750  
~~certificate~~ license or for issuance of a new ~~certificate~~ license. 54751

(M) Notwithstanding any other provision of the Revised Code, 54752  
all of the following apply: 54753

(1) The surrender of a ~~certificate~~ license to practice as a 54754  
radiologist assistant issued under this chapter is not effective 54755

unless or until accepted by the board. Reinstatement of a 54756  
~~eertificate~~ license surrendered to the board requires an 54757  
affirmative vote of not fewer than six members of the board. 54758

(2) An application made under this chapter for a ~~certificate~~ 54759  
license to practice may not be withdrawn without approval of the 54760  
board. 54761

(3) Failure by an individual to renew a ~~certificate~~ license 54762  
to practice in accordance with section 4774.06 of the Revised Code 54763  
shall not remove or limit the board's jurisdiction to take 54764  
disciplinary action under this section against the individual. 54765

**Sec. 4774.131.** On receipt of a notice pursuant to section 54766  
3123.43 of the Revised Code, the state medical board shall comply 54767  
with sections 3123.41 to 3123.50 of the Revised Code and any 54768  
applicable rules adopted under section 3123.63 of the Revised Code 54769  
with respect to a ~~certificate~~ license to practice as a radiologist 54770  
assistant issued under this chapter. 54771

**Sec. 4774.132.** If the state medical board has reason to 54772  
believe that any person who has been granted a ~~certificate~~ license 54773  
to practice as a radiologist assistant under this chapter is 54774  
mentally ill or mentally incompetent, it may file in the probate 54775  
court of the county in which the person has a legal residence an 54776  
affidavit in the form prescribed in section 5122.11 of the Revised 54777  
Code and signed by the board secretary or a member of the board 54778  
secretary's staff, whereupon the same proceedings shall be had as 54779  
provided in Chapter 5122. of the Revised Code. The attorney 54780  
general may represent the board in any proceeding commenced under 54781  
this section. 54782

If any person who has been granted a ~~certificate to practice~~ 54783  
license is adjudged by a probate court to be mentally ill or 54784  
mentally incompetent, the person's ~~certificate~~ license shall be 54785

automatically suspended until the person has filed with the state 54786  
medical board a certified copy of an adjudication by a probate 54787  
court of the person's subsequent restoration to competency or has 54788  
submitted to the board proof, satisfactory to the board, that the 54789  
person has been discharged as having a restoration to competency 54790  
in the manner and form provided in section 5122.38 of the Revised 54791  
Code. The judge of the probate court shall forthwith notify the 54792  
state medical board of an adjudication of mental illness or mental 54793  
incompetence, and shall note any suspension of a ~~certificate~~ 54794  
license in the margin of the court's record of such ~~certificate~~ 54795  
license. 54796

**Sec. 4774.14.** (A) The state medical board shall investigate 54797  
evidence that appears to show that any person has violated this 54798  
chapter or the rules adopted under it. Any person may report to 54799  
the board in a signed writing any information the person has that 54800  
appears to show a violation of any provision of this chapter or 54801  
the rules adopted under it. In the absence of bad faith, a person 54802  
who reports such information or testifies before the board in an 54803  
adjudication conducted under Chapter 119. of the Revised Code 54804  
shall not be liable for civil damages as a result of reporting the 54805  
information or providing testimony. Each complaint or allegation 54806  
of a violation received by the board shall be assigned a case 54807  
number and be recorded by the board. 54808

(B) Investigations of alleged violations of this chapter or 54809  
rules adopted under it shall be supervised by the supervising 54810  
member elected by the board in accordance with section 4731.02 of 54811  
the Revised Code and by the secretary as provided in section 54812  
4774.17 of the Revised Code. The board's president may designate 54813  
another member of the board to supervise the investigation in 54814  
place of the supervising member. A member of the board who 54815  
supervises the investigation of a case shall not participate in 54816  
further adjudication of the case. 54817

(C) In investigating a possible violation of this chapter or 54818  
the rules adopted under it, the board may administer oaths, order 54819  
the taking of depositions, issue subpoenas, and compel the 54820  
attendance of witnesses and production of books, accounts, papers, 54821  
records, documents, and testimony, except that a subpoena for 54822  
patient record information shall not be issued without 54823  
consultation with the attorney general's office and approval of 54824  
the secretary and supervising member of the board. Before issuance 54825  
of a subpoena for patient record information, the secretary and 54826  
supervising member shall determine whether there is probable cause 54827  
to believe that the complaint filed alleges a violation of this 54828  
chapter or the rules adopted under it and that the records sought 54829  
are relevant to the alleged violation and material to the 54830  
investigation. The subpoena may apply only to records that cover a 54831  
reasonable period of time surrounding the alleged violation. 54832

On failure to comply with any subpoena issued by the board 54833  
and after reasonable notice to the person being subpoenaed, the 54834  
board may move for an order compelling the production of persons 54835  
or records pursuant to the Rules of Civil Procedure. 54836

A subpoena issued by the board may be served by a sheriff, 54837

reviewed the case or by the governing board of the facility. 54962

The filing of a report with the board or decision not to file 54963

that provides patient records to the board shall be liable in 54968

board that the applicant meets the requirements specified in 55214  
division (B) of this section. 55215

At the time an application is submitted, the applicant shall 55216

purposes of another application. 55219

(B)(1) To be eligible to receive a license to practice as a 55220  
genetic counselor, an applicant shall demonstrate to the board 55221

later than December 31, 2013, and meets all eligibility 55233  
requirements other than the requirement specified in division 55234  
(B)(1)(b) of this section, the applicant is eligible for a license 55235  
to practice as a genetic counselor if the applicant has attained a 55236

state medical board considers to be closely related to genetic 55238  
counseling. 55239

(C) The board shall review all applications received under 55240  
this section. Not later than sixty days after receiving an 55241  
application it considers complete, the board shall determine 55242  
whether the applicant meets the requirements for a license to 55243  
practice as a genetic counselor. ~~The affirmative vote of not fewer 55244  
than six members of the board is required to determine that the 55245  
applicant meets the requirements for the license.~~ 55246

**Sec. 4778.05.** If the state medical board determines under 55247  
section 4778.03 of the Revised Code that an applicant meets the 55248  
requirements for a license to practice as a genetic counselor, the 55249  
secretary of the board shall issue the license to the applicant. 55250  
The license shall be valid for a two-year period unless revoked or 55251  
suspended, shall expire biennially on the date that is two years 55252

The ~~state medical~~ board shall provide renewal notices to license holders at least one month prior to the expiration date. 55256  
55257  
55258  
55259  
55260  
55261  
55262

Renewal applications shall be submitted to the board in a manner prescribed by the board. Each application shall be accompanied by a biennial renewal fee of one hundred fifty dollars. 55263  
55264  
55265  
55266

The applicant shall report any criminal offense to which the applicant has pleaded guilty, of which the applicant has been found guilty, or for which the applicant has been found eligible for intervention in lieu of conviction, since last signing an application for a license to practice as a genetic counselor. 55267  
55268  
55269  
55270  
55271

(B) To be eligible for renewal, a genetic counselor shall certify to the board that the counselor has done both of the following: 55272

55276

(2) Completed at least thirty hours of continuing education in genetic counseling that has been approved by the national society of genetic counselors or American board of genetic counseling. 55277  
55278  
55279  
55280

(C) If an applicant submits a renewal application that the board considers to be complete and qualifies for renewal pursuant to division (B) of this section, the board shall issue to the 55281  
55282  
55283

applicant a renewed license to practice as a genetic counselor. 55284

(D) The board may require a random sample of genetic 55285  
counselors to submit materials documenting that their status as 55286  
certified genetic counselors has been maintained and that the 55287  
number of hours of continuing education required under division 55288  
(B)(2) of this section has been completed. This division does not 55289  
limit the board's authority to conduct investigations pursuant to 55290  
section 4778.14 of the Revised Code. 55291

(E)(1) If, through a random sample conducted under division 55292  
(D) of this section or any other means, the board finds that an 55293  
individual who certified completion of the number of hours and 55294  
type of continuing education required to renew, reinstate, or 55295  
restore a license to practice did not complete the requisite 55296  
continuing education, the board may do either of the following: 55297

(a) Take disciplinary action against the individual under 55298  
section 4778.14 of the Revised Code, impose a civil penalty, or 55299  
both; 55300

(b) Permit the individual to agree in writing to complete the 55301

under division (E)(1)(a) of this section shall be made pursuant to 55304  
an adjudication under Chapter 119. of the Revised Code and by an 55305  
affirmative vote of not fewer than six of its members. 55306

(3) A civil penalty imposed under division (E)(1)(a) of this 55307  
section or paid under division (E)(1)(b) of this section shall be 55308  
in an amount specified by the board of not more than five thousand 55309  
dollars. The board shall deposit civil penalties in accordance 55310  
with section 4731.24 of the Revised Code. 55311

~~If a genetic counselor certifies that the genetic counselor~~ 55312  
~~has completed the number of hours and type of continuing education~~ 55313  
~~required for renewal of a license, and the board finds through the~~ 55314

~~random sample or any other means that the genetic counselor did 55315  
not complete the requisite continuing education, the board may 55316  
impose a civil penalty of not more than five thousand dollars. If 55317  
a civil penalty is imposed in addition to any other action the 55318  
board takes under section 4778.14 of the Revised Code, the board's 55319  
finding shall be made pursuant to an adjudication under Chapter 55320  
119. of the Revised Code and by an affirmative vote of not fewer 55321  
than six members. A civil penalty imposed under this division may 55322  
be in addition to or in lieu of any other action the board may 55323  
take under section 4778.14 of the Revised Code. The board shall 55324  
deposit civil penalties in accordance with section 4731.24 of the 55325  
Revised Code. 55326~~

**Sec. 4778.07.** (A) A license to practice as a genetic 55327  
counselor issued under section 4778.05 of the Revised Code that is 55328  
not renewed on or before its expiration date is automatically 55329  
suspended on its expiration date. Continued practice after 55330  
suspension shall be considered as practicing in violation of 55331  
section 4778.02 of the Revised Code. 55332

(B) If a license has been suspended pursuant to this section 55333  
for two years or less, ~~the board shall reinstate the license it~~ 55334  
may be reinstated upon an applicant's submission of a complete 55335  
renewal application, the biennial renewal fee, and a monetary 55336  
penalty of twenty-five dollars. 55337

(C)~~(1)~~ If a license has been suspended pursuant to this 55338  
section for more than two years, it may be restored. Subject to 55339  
section 4778.071 of the Revised Code, the board may restore the 55340  
license upon an applicant's submission of a complete restoration 55341  
application, the biennial renewal fee, and a monetary penalty of 55342  
fifty dollars and compliance with sections 4776.01 to 4776.04 of 55343  
the Revised Code. The board shall not restore a license unless the 55344  
board, in its discretion, decides that the results of the criminal 55345

records check do not make the applicant ineligible for a license 55346  
issued pursuant to section 4778.05 of the Revised Code. 55347

~~(2) The board may impose terms and conditions for the 55348  
restoration, including the following: 55349~~

~~(a) Requiring the applicant to pass an oral or written 55350  
examination, or both, to determine the applicant's present fitness 55351  
to resume practice; 55352~~

~~(b) Requiring the applicant to obtain additional training and 55353  
to pass an examination upon completion of such training; 55354~~

~~(c) Restricting or limiting the extent, scope, or type of 55355  
practice of the applicant. 55356~~

Sec. 4778.071. (A) This section applies to both of the 55357  
following: 55358

(1) An applicant seeking restoration of a license issued 55359  
under this chapter that has been in a suspended or inactive state 55360  
for any cause for more than two years; 55361

(2) An applicant seeking issuance of a license pursuant to 55362  
this chapter who for more than two years has not been practicing 55363  
as a genetic counselor as either of the following: 55364

(a) An active practitioner; 55365

(b) A student in a graduate program as described in section 55366  
4778.03 of the Revised Code. 55367

(B) Before issuing a license to an applicant subject to this 55368  
section or restoring a license to good standing for an applicant 55369  
subject to this section, the state medical board may impose terms 55370  
and conditions including any one or more of the following: 55371

(1) Requiring the applicant to pass an oral or written 55372  
examination, or both, to determine the applicant's present fitness 55373  
to resume practice; 55374

(2) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training; 55375  
55376

(3) Requiring an assessment of the applicant's physical skills for purposes of determining whether the applicant's coordination, fine motor skills, and dexterity are sufficient for performing evaluations and procedures in a manner that meets the minimal standards of care; 55377  
55378  
55379  
55380  
55381

(4) Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions; 55382  
55383

(5) Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders; 55384  
55385  
55386  
55387

(6) Restricting or limiting the extent, scope, or type of practice of the applicant. 55388  
55389

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity. The board shall not issue or restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code. 55390  
55391  
55392  
55393  
55394

**Sec. 4928.02.** It is the policy of this state to do the following throughout this state: 55395  
55396

(A) Ensure the availability to consumers of adequate, reliable, safe, efficient, nondiscriminatory, and reasonably priced retail electric service; 55397  
55398  
55399

(B) Ensure the availability of unbundled and comparable retail electric service that provides consumers with the supplier, price, terms, conditions, and quality options they elect to meet their respective needs; 55400  
55401  
55402  
55403

(C) Ensure diversity of electricity supplies and suppliers, 55404

by giving consumers effective choices over the selection of those 55405  
supplies and suppliers and by encouraging the development of 55406  
distributed and small generation facilities; 55407

(D) Encourage innovation and market access for cost-effective 55408  
supply- and demand-side retail electric service including, but not 55409  
limited to, demand-side management, time-differentiated pricing, 55410  
waste energy recovery systems, smart grid programs, and 55411  
implementation of advanced metering infrastructure; 55412

(E) Encourage cost-effective and efficient access to 55413  
information regarding the operation of the transmission and 55414  
distribution systems of electric utilities in order to promote 55415  
both effective customer choice of retail electric service and the 55416  
development of performance standards and targets for service 55417  
quality for all consumers, including annual achievement reports 55418  
written in plain language; 55419

(F) Ensure that an electric utility's transmission and 55420  
distribution systems are available to a customer-generator or 55421  
owner of distributed generation, so that the customer-generator or 55422  
owner can market and deliver the electricity it produces; 55423

(G) Recognize the continuing emergence of competitive 55424  
electricity markets through the development and implementation of 55425  
flexible regulatory treatment; 55426

(H) Ensure effective competition in the provision of retail 55427  
electric service by avoiding anticompetitive subsidies flowing 55428  
from a noncompetitive retail electric service to a competitive 55429  
retail electric service or to a product or service other than 55430  
retail electric service, and vice versa, including by prohibiting 55431  
the recovery of any generation-related costs through distribution 55432  
or transmission rates; 55433

(I) Ensure retail electric service consumers protection 55434  
against unreasonable sales practices, market deficiencies, and 55435

market power;	55436
(J) Provide coherent, transparent means of giving appropriate incentives to technologies that can adapt successfully to potential environmental mandates;	55437 55438 55439
(K) Encourage implementation of distributed generation across customer classes through regular review and updating of administrative rules governing critical issues such as, but not limited to, interconnection standards, standby charges, and net metering;	55440 55441 55442 55443 55444
(L) Protect at-risk populations, including, but not limited to, when considering the implementation of any new advanced energy or renewable energy resource;	55445 55446 55447
(M) Encourage the education of small business owners in this state regarding the use of, and encourage the use of, energy efficiency programs and alternative energy resources in their businesses;	55448 55449 55450 55451
(N) Facilitate the state's effectiveness in the global economy.	55452 55453
<u>(O) Encourage cost-effective, timely, and efficient access to and sharing of customer usage data with customers and competitive suppliers to promote customer choice and grid modernization.</u>	55454 55455 55456
<u>(P) Ensure that a customer's data is provided in a standard format and provided to third parties in as close to real time as is economically justifiable in order to spur economic investment and improve the energy options of individual customers.</u>	55457 55458 55459 55460
In carrying out this policy, the commission shall consider rules as they apply to the costs of electric distribution infrastructure, including, but not limited to, line extensions, for the purpose of development in this state.	55461 55462 55463 55464
<b>Sec. 4928.143.</b> (A) For the purpose of complying with section	55465

4928.141 of the Revised Code, an electric distribution utility may file an application for public utilities commission approval of an electric security plan as prescribed under division (B) of this section. The utility may file that application prior to the effective date of any rules the commission may adopt for the purpose of this section, and, as the commission determines necessary, the utility immediately shall conform its filing to those rules upon their taking effect.

(B) Notwithstanding any other provision of Title XLIX of the Revised Code to the contrary except division (D) of this section, divisions (I), (J), and (K) of section 4928.20, division (E) of section 4928.64, and section 4928.69 of the Revised Code:

(1) An electric security plan shall include provisions relating to the supply and pricing of electric generation service. In addition, if the proposed electric security plan has a term longer than three years, it may include provisions in the plan to permit the commission to test the plan pursuant to division (E) of this section and any transitional conditions that should be adopted by the commission if the commission terminates the plan as authorized under that division.

(2) The plan may provide for or include, without limitation, any of the following:

(a) Automatic recovery of any of the following costs of the electric distribution utility, provided the cost is prudently incurred: the cost of fuel used to generate the electricity supplied under the offer; the cost of purchased power supplied under the offer, including the cost of energy and capacity, and including purchased power acquired from an affiliate; the cost of emission allowances; and the cost of federally mandated carbon or energy taxes;

(b) A reasonable allowance for construction work in progress

for any of the electric distribution utility's cost of 55497  
constructing an electric generating facility or for an 55498  
environmental expenditure for any electric generating facility of 55499  
the electric distribution utility, provided the cost is incurred 55500  
or the expenditure occurs on or after January 1, 2009. Any such 55501  
allowance shall be subject to the construction work in progress 55502  
allowance limitations of division (A) of section 4909.15 of the 55503  
Revised Code, except that the commission may authorize such an 55504  
allowance upon the incurrence of the cost or occurrence of the 55505  
expenditure. No such allowance for generating facility 55506  
construction shall be authorized, however, unless the commission 55507  
first determines in the proceeding that there is need for the 55508  
facility based on resource planning projections submitted by the 55509  
electric distribution utility. Further, no such allowance shall be 55510  
authorized unless the facility's construction was sourced through 55511  
a competitive bid process, regarding which process the commission 55512  
may adopt rules. An allowance approved under division (B)(2)(b) of 55513  
this section shall be established as a nonbypassable surcharge for 55514  
the life of the facility. 55515

(c) The establishment of a nonbypassable surcharge for the 55516  
life of an electric generating facility that is owned or operated 55517  
by the electric distribution utility, was sourced through a 55518  
competitive bid process subject to any such rules as the 55519  
commission adopts under division (B)(2)(b) of this section, and is 55520  
newly used and useful on or after January 1, 2009, which surcharge 55521  
shall cover all costs of the utility specified in the application, 55522  
excluding costs recovered through a surcharge under division 55523  
(B)(2)(b) of this section. However, no surcharge shall be 55524  
authorized unless the commission first determines in the 55525  
proceeding that there is need for the facility based on resource 55526  
planning projections submitted by the electric distribution 55527  
utility. Additionally, if a surcharge is authorized for a facility 55528  
pursuant to plan approval under division (C) of this section and 55529

as a condition of the continuation of the surcharge, the electric 55530  
distribution utility shall dedicate to Ohio consumers the capacity 55531  
and energy and the rate associated with the cost of that facility. 55532  
Before the commission authorizes any surcharge pursuant to this 55533  
division, it may consider, as applicable, the effects of any 55534  
decommissioning, deratings, and retirements. 55535

(d) Terms, conditions, or charges relating to limitations on 55536  
customer shopping for retail electric generation service, 55537  
bypassability, standby, back-up, or supplemental power service, 55538  
default service, carrying costs, amortization periods, and 55539  
accounting or deferrals, including future recovery of such 55540  
deferrals, as would have the effect of stabilizing or providing 55541  
certainty regarding retail electric service; 55542

(e) Automatic increases or decreases in any component of the 55543  
standard service offer price; 55544

(f) Consistent with sections 4928.23 to 4928.2318 of the 55545  
Revised Code, both of the following: 55546

(i) Provisions for the electric distribution utility to 55547  
securitize any phase-in, inclusive of carrying charges, of the 55548  
utility's standard service offer price, which phase-in is 55549  
authorized in accordance with section 4928.144 of the Revised 55550  
Code; 55551

(ii) Provisions for the recovery of the utility's cost of 55552  
securitization. 55553

(g) Provisions relating to transmission, ancillary, 55554  
congestion, or any related service required for the standard 55555  
service offer, including provisions for the recovery of any cost 55556  
of such service that the electric distribution utility incurs on 55557  
or after that date pursuant to the standard service offer; 55558

(h) Provisions regarding the utility's distribution service, 55559  
including, without limitation and notwithstanding any provision of 55560

Title XLIX of the Revised Code to the contrary, provisions 55561  
regarding single issue ratemaking, a revenue decoupling mechanism 55562  
or any other incentive ratemaking, and provisions regarding 55563  
distribution infrastructure and modernization incentives for the 55564  
electric distribution utility. The latter may include a long-term 55565  
energy delivery infrastructure modernization plan for that utility 55566  
or any plan providing for the utility's recovery of costs, 55567  
including lost revenue, shared savings, and avoided costs, and a 55568  
just and reasonable rate of return on such infrastructure 55569  
modernization. As part of its determination as to whether to allow 55570  
in an electric distribution utility's electric security plan 55571  
inclusion of any provision described in division (B)(2)(h) of this 55572  
section, the commission shall examine the reliability of the 55573  
electric distribution utility's distribution system and ensure 55574  
that customers' and the electric distribution utility's 55575  
expectations are aligned and that the electric distribution 55576  
utility is placing sufficient emphasis on and dedicating 55577  
sufficient resources to the reliability of its distribution 55578  
system. 55579

(i) Provisions under which the electric distribution utility 55580  
may implement economic development, job retention, and energy 55581  
efficiency programs, which provisions may allocate program costs 55582  
across all classes of customers of the utility and those of 55583  
electric distribution utilities in the same holding company 55584  
system. 55585

(C)(1) The burden of proof in the proceeding shall be on the 55586  
electric distribution utility. The commission shall issue an order 55587  
under this division for an initial application under this section 55588  
not later than one hundred fifty days after the application's 55589  
filing date and, for any subsequent application by the utility 55590  
under this section, not later than two hundred seventy-five days 55591  
after the application's filing date. Subject to division (D) of 55592

this section, the commission by order shall approve or modify and 55593  
approve an application filed under division (A) of this section if 55594  
it finds that the electric security plan so approved, including 55595  
its pricing and all other terms and conditions, including any 55596  
deferrals and any future recovery of deferrals, is more favorable 55597  
in the aggregate as compared to the expected results that would 55598  
otherwise apply under section 4928.142 of the Revised Code. 55599  
Additionally, if the commission so approves an application that 55600  
contains a surcharge under division (B)(2)(b) or (c) of this 55601  
section, the commission shall ensure that the benefits derived for 55602  
any purpose for which the surcharge is established are reserved 55603  
and made available to those that bear the surcharge. Otherwise, 55604  
the commission by order shall disapprove the application. 55605

(2)(a) If the commission modifies and approves an application 55606  
under division (C)(1) of this section, the electric distribution 55607  
utility may withdraw the application, thereby terminating it, and 55608  
may file a new standard service offer under this section or a 55609  
standard service offer under section 4928.142 of the Revised Code. 55610

(b) If the utility terminates an application pursuant to 55611  
division (C)(2)(a) of this section or if the commission 55612  
disapproves an application under division (C)(1) of this section, 55613  
the commission shall issue such order as is necessary to continue 55614  
the provisions, terms, and conditions of the utility's most recent 55615  
standard service offer, along with any expected increases or 55616  
decreases in fuel costs from those contained in that offer, until 55617  
a subsequent offer is authorized pursuant to this section or 55618  
section 4928.142 of the Revised Code, respectively. 55619

(D) Regarding the rate plan requirement of division (A) of 55620  
section 4928.141 of the Revised Code, if an electric distribution 55621  
utility that has a rate plan that extends beyond December 31, 55622  
2008, files an application under this section for the purpose of 55623  
its compliance with division (A) of section 4928.141 of the 55624

Revised Code, that rate plan and its terms and conditions are 55625  
hereby incorporated into its proposed electric security plan and 55626  
shall continue in effect until the date scheduled under the rate 55627  
plan for its expiration, and that portion of the electric security 55628  
plan shall not be subject to commission approval or disapproval 55629  
under division (C) of this section, and the earnings test provided 55630  
for in division (F) of this section shall not apply until after 55631  
the expiration of the rate plan. However, that utility may include 55632  
in its electric security plan under this section, and the 55633  
commission may approve, modify and approve, or disapprove subject 55634  
to division (C) of this section, provisions for the incremental 55635  
recovery or the deferral of any costs that are not being recovered 55636  
under the rate plan and that the utility incurs during that 55637  
continuation period to comply with section 4928.141, division (B) 55638  
of section 4928.64, or division (A) of section 4928.66 of the 55639  
Revised Code. 55640

(E) If an electric security plan approved under division (C) 55641  
of this section, except one withdrawn by the utility as authorized 55642  
under that division, has a term, exclusive of phase-ins or 55643  
deferrals, that exceeds three years from the effective date of the 55644  
plan, the commission shall test the plan in the fourth year, and 55645  
if applicable, every fourth year thereafter, to determine whether 55646  
the plan, including its then-existing pricing and all other terms 55647  
and conditions, including any deferrals and any future recovery of 55648  
deferrals, continues to be more favorable in the aggregate and 55649  
during the remaining term of the plan as compared to the expected 55650  
results that would otherwise apply under section 4928.142 of the 55651  
Revised Code. The commission shall also determine the prospective 55652  
effect of the electric security plan to determine if that effect 55653  
is substantially likely to provide the electric distribution 55654  
utility with a return on common equity that is significantly in 55655  
excess of the return on common equity that is likely to be earned 55656  
by publicly traded companies, including utilities, that face 55657

comparable business and financial risk, with such adjustments for 55658  
capital structure as may be appropriate. The burden of proof for 55659  
demonstrating that significantly excessive earnings will not occur 55660  
shall be on the electric distribution utility. For affiliated Ohio 55661  
electric distribution utilities that operate under a joint 55662  
electric security plan, their total earned return on common equity 55663  
shall be used for purposes of assessing significantly excessive 55664  
earnings. If the test results are in the negative or the 55665  
commission finds that continuation of the electric security plan 55666  
will result in a return on equity that is significantly in excess 55667  
of the return on common equity that is likely to be earned by 55668  
publicly traded companies, including utilities, that will face 55669  
comparable business and financial risk, with such adjustments for 55670  
capital structure as may be appropriate, during the balance of the 55671  
plan, the commission may terminate the electric security plan, but 55672  
not until it shall have provided interested parties with notice 55673  
and an opportunity to be heard. The commission may impose such 55674  
conditions on the plan's termination as it considers reasonable 55675  
and necessary to accommodate the transition from an approved plan 55676  
to the more advantageous alternative. In the event of an electric 55677  
security plan's termination pursuant to this division, the 55678  
commission shall permit the continued deferral and phase-in of any 55679  
amounts that occurred prior to that termination and the recovery 55680  
of those amounts as contemplated under that electric security 55681  
plan. 55682

(F) With regard to the provisions that are included in an 55683  
electric security plan under this section, the commission shall 55684  
consider, following the end of each annual period of the plan, if 55685  
any such adjustments resulted in excessive earnings as measured by 55686  
whether the earned return on common equity of the electric 55687  
distribution utility is significantly in excess of the return on 55688  
common equity that was earned during the same period by publicly 55689  
traded companies, including utilities, that face comparable 55690

business and financial risk, with such adjustments for capital 55691  
structure as may be appropriate. In making its determination of 55692  
significantly excessive earnings under this division, the 55693  
commission shall, for affiliated Ohio electric distribution 55694  
utilities that operate under a joint electric security plan, use 55695  
the total of the utilities' earned return on common equity. 55696  
Consideration also shall be given to the capital requirements of 55697  
future committed investments in this state. The burden of proof 55698  
for demonstrating that significantly excessive earnings did not 55699  
occur shall be on the electric distribution utility. If the 55700  
commission finds that such adjustments, in the aggregate, did 55701  
result in significantly excessive earnings, it shall require the 55702  
electric distribution utility to return to consumers the amount of 55703  
the excess by prospective adjustments; provided that, upon making 55704  
such prospective adjustments, the electric distribution utility 55705  
shall have the right to terminate the plan and immediately file an 55706  
application pursuant to section 4928.142 of the Revised Code. Upon 55707  
termination of a plan under this division, rates shall be set on 55708  
the same basis as specified in division (C)(2)(b) of this section, 55709  
and the commission shall permit the continued deferral and 55710  
phase-in of any amounts that occurred prior to that termination 55711  
and the recovery of those amounts as contemplated under that 55712  
electric security plan. In making its determination of 55713  
significantly excessive earnings under this division, the 55714  
commission shall not consider, directly or indirectly, the 55715  
revenue, expenses, or earnings of any affiliate that is not an 55716  
Ohio electric distribution utility or parent company. 55717

**Sec. 4937.01.** As used in sections 4937.01 to 4937.05 of the 55718  
Revised Code: 55719

the Revised Code. 55721

(B) "Member agency" means the state agency of which a member  
of the utility radiological safety board is an officer. 55722  
55723

(C) "Nuclear electric facility" means any facility operated 55724  
by a nuclear electric utility using nuclear energy to produce 55725  
electricity and any facility for the storage of spent nuclear fuel 55726  
arising from such production. 55727

(D) "Nuclear electric facility incident" means any hazard 55728  
within the state which is associated with a nuclear electric 55729  
facility and requires, pursuant to sections 5502.21 to 5502.51 of 55730  
the Revised Code, emergency management to mitigate its effects. 55731

(E) "Nuclear electric utility" includes every person, their 55732  
agents, assignees, or trustees, within this state engaged in the 55733  
business of producing electricity using nuclear energy, or in the 55734  
storage of spent nuclear fuel arising from such production. 55735

(F) "Nuclear electric utility holding company" means any 55736  
company that holds an equity interest in a nuclear electric 55737  
utility and is part of an electric utility holding company system 55738

Company Act of 1935," 49 Stat. 810, 15 U.S.C.A. 79c, and the 55740  
regulations adopted under the act. 55741

**Sec. 4937.05.** (A) Subject to division (B) of this section, 55742  
the utility radiological safety board may apportion among and 55743  
assess against each nuclear electric utility in this state against 55744  
which an assessment may be made under section 4905.10 of the 55745  
Revised Code an amount no greater than the maximums specified in 55746  
the applicable main operating appropriations act. The assessment 55747  
shall be made in proportion to the intrastate gross receipts of 55748  
the utility, excluding receipts from sales to other public 55749  
utilities for resale, for the calendar year next preceding that in 55750  
which the assessments are made, or be made based upon the 55751  
utility's decommissioning budget for the year of the assessment, 55752

if the utility is not engaged in the business of producing 55753  
electricity using nuclear energy. On or before the first day of 55754  
October in each year, the board shall notify each such utility of 55755  
the sum assessed against it, whereupon payment shall be made to 55756  
the board. The board shall deposit the payment into any nuclear 55757  
safety fund for which a maximum is specified, for the purposes of 55758  
this section, in the applicable main operating appropriations act. 55759  
Any assessments so deposited which are not expended shall be 55760  
credited ratably to each nuclear electric utility that paid them, 55761  
according to the respective portions of the amount assessable 55762  
against the utility for the ensuing calendar year. The assessments 55763  
for such calendar year shall be adjusted accordingly. 55764

(B) The board shall assess an amount against the nuclear 55765  
electric utilities pursuant to division (A) of this section only 55766  
in accordance with this division and subject to the conditions it 55767  
specifies. 55768

(1) Nuclear electric utilities and, separately, the 55769  
environmental protection agency, the department of health, the 55770  
department of agriculture, and the emergency management agency of 55771  
the department of public safety, as member agencies of the board, 55772  
shall negotiate, in good faith, amounts to be given as grants by 55773  
the nuclear electric utilities pursuant to this division for 55774  
funding the member agency for a fiscal biennium. Any such grant 55775  
shall cover all costs related to the statutory requirements or 55776  
agreements specified in division (B)(4) of this section, but shall 55777  
not be required to cover any costs of activities not directly 55778  
related to those statutory requirements or agreements. 55779

(2)(a) If any of the member agencies specified in division 55780  
(B)(1) of this section disagrees, before the first day of 55781  
September of the first year of a fiscal biennium, with the nuclear 55782  
electric utilities on a grant amount under that division for the 55783  
agency's funding for that biennium and the agency is requesting a 55784

specified amount not exceeding seventy-five per cent of the 55785  
maximum specified in the applicable main operating appropriations 55786  
act, the agency shall make a written directive to the board for an 55787  
assessment against the nuclear electric utilities for that 55788  
specified amount and shall notify the controlling board, the 55789  
director of budget and management, and the nuclear electric 55790  
utilities in writing of that directive. Upon receipt of the 55791  
directive, the utility radiological safety board shall assess the 55792  
specified amount against the nuclear electric utilities as 55793  
provided in division (A) of this section, notwithstanding any 55794  
provision of that division to the contrary, provided the amount 55795  
assessed does not exceed the maximum specified in the applicable 55796  
main operating appropriations act. 55797

(b) If any of the member agencies specified in division 55798  
(B)(1) of this section disagrees, before the first day of 55799  
September of the first year of a fiscal biennium, with the nuclear 55800  
electric utilities on a grant amount under that division for the 55801  
agency's funding for that biennium and the agency is requesting a 55802  
specified amount that exceeds seventy-five per cent of the maximum 55803  
specified for that agency in the applicable main operating 55804  
appropriations act, the agency may request that the controlling 55805  
board approve an assessment against the electric utilities in the 55806  
specified amount. The controlling board shall not approve an 55807  
assessment so requested if it exceeds that maximum or will not be 55808  
used for the purposes specified in division (B)(4) of this 55809  
section. If the controlling board approves the request, the 55810  
utility radiological safety board shall impose an assessment in 55811  
the approved amount against the nuclear electric utilities as 55812  
provided in division (A) of this section, notwithstanding any 55813  
provision of that division to the contrary. 55814

(c) The board shall not assess against the nuclear electric 55815  
utilities pursuant to division (A) of this section in any fiscal 55816

biennium for which each member agency and the nuclear electric 55817  
utilities agree on grant amounts pursuant to division (B)(1) of 55818  
this section. 55819

(3) Revenues received pursuant to grants or assessments under 55820  
division (B)(1) or (2) of this section shall be deposited into the 55821  
requesting agency's nuclear safety fund, as such fund is specified 55822  
in the applicable main operating appropriations act. 55823

(4) Funding provided under this division to a member agency 55824  
shall be for the purpose of enabling a member agency to fulfill 55825  
its authority and duties under the statutes related to nuclear 55826  
safety or the utility safety radiological board, or under 55827  
agreements with the nuclear regulatory commission. 55828

(5) If a nuclear electric utility makes any recommendation to 55829  
render the nuclear safety programs of member agencies of the 55830  
utility radiological safety board more cost effective, the member 55831  
agencies shall implement the recommendation or provide to the 55832  
utility a written statement explaining why the recommendation will 55833  
not be implemented or will be implemented with substantial 55834  
modification. 55835

**Sec. 5101.061.** (A) There is hereby established in the 55836  
department of job and family services the office of human services 55837

distribution under this section shall be allocated to counties as 55893  
follows: 55894

appropriated for the immediately preceding fiscal year, each 55896  
county shall receive an amount equal to the percentage of the 55897  
funding it received in the immediately preceding fiscal year, 55898  
exclusive of any releases from or additions to the allocation or 55899

shall be allocated to the counties as follows: 55914

If the director denies an application for a license, the 58055

~~(H) If during the application for licensure process the 58059  
director determines that the license of the owner has been 58060  
revoked, the investigation of the center, type A home, or type B 58061

the refusal or inability resulted in a risk to the health or 58100

(D) The department may withhold any money due under this 58921  
chapter and may recover through any appropriate method any money 58922  
erroneously paid under this chapter if evidence demonstrates that 58923  
a provider of publicly funded child care failed to comply with 58924  
either of the following: 58925

(1) The terms of the contract entered into under this 58926  
section; 58927

(2) This chapter or any rules adopted under it. 58928

(E) If the department has evidence that a provider has 58929  
employed an individual who is ineligible for employment under 58930  
section 5104.013 of the Revised Code and the provider has not 58931

released the individual from employment upon notice that the 58932  
individual is ineligible, the department may terminate immediately 58933  
the contract entered into under this section to provide publicly 58934  
funded child care. 58935

of the Revised Code. 58940

**Sec. 5104.34.** (A)(1) Each county department of job and family 58941  
services shall implement procedures for making determinations of 58942  
eligibility for publicly funded child care. Under those 58943  
procedures, the eligibility determination for each applicant shall 58944  
be made no later than thirty calendar days from the date the 58945  
county department receives a completed application for publicly 58946  
funded child care. Each applicant shall be notified promptly of 58947  
the results of the eligibility determination. An applicant 58948  
aggrieved by a decision or delay in making an eligibility 58949  
determination may appeal the decision or delay to the department 58950  
of job and family services in accordance with section 5101.35 of 58951  
the Revised Code. The due process rights of applicants shall be 58952  
protected. 58953

To the extent permitted by federal law, the county department 58954  
may make all determinations of eligibility for publicly funded 58955  
child care, may contract with child care providers or child care 58956  
resource and referral service organizations for the providers or 58957  
resource and referral service organizations to make all or any 58958  
part of the determinations, and may contract with child care 58959  
providers or child care resource and referral service 58960  
organizations for the providers or resource and referral service 58961  
organizations to collect specified information for use by the 58962

county department in making determinations. If a county department 58963  
contracts with a child care provider or a child care resource and 58964  
referral service organization for eligibility determinations or 58965  
for the collection of information, the contract shall require the 58966  
provider or resource and referral service organization to make 58967  
each eligibility determination no later than thirty calendar days 58968  
from the date the provider or resource and referral organization 58969  
receives a completed application that is the basis of the 58970  
determination and to collect and transmit all necessary 58971  
information to the county department within a period of time that 58972  
enables the county department to make each eligibility 58973  
determination no later than thirty days after the filing of the 58974  
application that is the basis of the determination. 58975

The county department may station employees of the department 58976  
in various locations throughout the county to collect information 58977  
relevant to applications for publicly funded child care and to 58978  
make eligibility determinations. The county department, child care 58979  
provider, and child care resource and referral service 58980  
organization shall make each determination of eligibility for 58981  
publicly funded child care no later than thirty days after the 58982  
filing of the application that is the basis of the determination, 58983  
shall make each determination in accordance with any relevant 58984  
rules adopted pursuant to section 5104.38 of the Revised Code, and 58985  
shall notify promptly each applicant for publicly funded child 58986  
care of the results of the determination of the applicant's 58987  
eligibility. 58988

The director of job and family services shall adopt rules in 58989  
accordance with Chapter 119. of the Revised Code for monitoring 58990  
the eligibility determination process. In accordance with those 58991  
rules, the state department shall monitor eligibility 58992  
determinations made by county departments of job and family 58993  
services and shall direct any entity that is not in compliance 58994

with this division or any rule adopted under this division to 58995  
implement corrective action specified by the department. 58996

(2)(a) All eligibility determinations for publicly funded 58997  
child care shall be made in accordance with rules adopted pursuant 58998  
to division (A) of section 5104.38 of the Revised Code. Except as 58999  
otherwise provided in this section, both of the following apply: 59000

(i) Publicly funded child care may be provided only to 59001  
eligible infants, toddlers, preschool-age children, ~~and~~ school-age 59002  
children under age thirteen, or children receiving special needs 59003  
child care. 59004

(ii) For an applicant to be eligible for publicly funded 59005  
child care, the caretaker parent must be employed or participating 59006  
in a program of education or training for an amount of time 59007  
reasonably related to the time that the parent's children are 59008  
receiving publicly funded child care. This restriction does not 59009  
apply to families whose children are eligible for protective child 59010  
care. 59011

(b) In accordance with rules adopted under division (B) of 59012  
section 5104.38 of the Revised Code, an applicant may receive 59013  
publicly funded child care while the county department determines 59014  
eligibility. An applicant may receive publicly funded child care 59015  
while a county department determines eligibility only once during 59016  
a twelve-month period. If the county department determines that an 59017  
applicant is not eligible for publicly funded child care, the 59018  
~~licensed~~ child care ~~program~~ provider shall be paid for providing 59019  
publicly funded child care for up to five days after that 59020  
determination if the county department received a completed 59021  
application with all required documentation. A program may appeal 59022  
a denial of payment under this division. 59023

(c) If a caretaker parent who has been determined eligible to 59024  
receive publicly funded child care no longer meets the 59025

requirements of division (A)(2)(a)(ii) of this section, the 59026  
caretaker parent may continue to receive publicly funded child 59027  
care for a period of up to thirteen weeks not to extend beyond the 59028  
caretaker parent's twelve-month eligibility period. ~~Such~~ 59029  
~~authorization may be given only once during a twelve-month period.~~ 59030

(d) If a child turns thirteen, or if a child receiving 59031  
special needs child care turns eighteen, during the twelve-month 59032  
eligibility period, the caretaker parent may continue to receive 59033  
publicly funded child care until the end of that twelve-month 59034  
period. 59035

Subject to available funds, the department of job and family 59036  
services shall allow a family to receive publicly funded child 59037  
care unless the family's income exceeds the maximum income 59038  
eligibility limit. Initial and continued eligibility for publicly 59039  
funded child care is subject to available funds unless the family 59040  
is receiving child care pursuant to division (A)(1), (2), (3), or 59041  
(4) of section 5104.30 of the Revised Code. If the department must 59042  
limit eligibility due to lack of available funds, it shall give 59043  
first priority for publicly funded child care to an assistance 59044  
group whose income is not more than the maximum income eligibility 59045  
limit that received transitional child care in the previous month 59046  
but is no longer eligible because the twelve-month period has 59047  
expired. Such an assistance group shall continue to receive 59048  
priority for publicly funded child care until its income exceeds 59049  
the maximum income eligibility limit. 59050

(3) An assistance group that ceases to participate in the 59051  
Ohio works first program established under Chapter 5107. of the 59052  
Revised Code is eligible for transitional child care at any time 59053  
during the immediately following twelve-month period that both of 59054  
the following apply: 59055

(a) The assistance group requires child care due to 59056  
employment; 59057

(b) The assistance group's income is not more than one hundred fifty per cent of the federal poverty line.

An assistance group ineligible to participate in the Ohio works first program pursuant to section 5101.83 or section 5107.16 of the Revised Code is not eligible for transitional child care.

(B) To the extent permitted by federal law, the department of job and family services may require a caretaker parent determined to be eligible for publicly funded child care to pay a fee according to the schedule of fees established in rules adopted under section 5104.38 of the Revised Code. The department shall make protective child care services and homeless child care services available to children without regard to the income or assets of the caretaker parent of the child.

(C) A caretaker parent receiving publicly funded child care shall report to the entity that determined eligibility any changes in status with respect to employment or participation in a program of education or training not later than ten calendar days after the change occurs.

(D) If the department of job and family services determines that available resources are not sufficient to provide publicly funded child care to all eligible families who request it, the department may establish a waiting list. The department may establish separate waiting lists within the waiting list based on income.

(E) A caretaker parent shall not receive ~~full-time~~ publicly funded child care from more than one child care provider per child during a week, unless a county department grants the family an exemption for one of the following reasons:

~~(a)~~(1) The child needs additional care during non-traditional hours;

~~(b)~~(2) The child needs to change providers in the middle of

the week and the hours of care provided by the providers do not 59089  
overlap; 59090

~~(e)~~(3) The child's provider is closed on scheduled school 59091  
days off or on calamity days; 59092

~~(d)~~(4) The child is enrolled in a part-time program 59093  
participating in the tiered quality rating and improvement system 59094  
established under section ~~5104.30~~ 5104.29 of the Revised Code and 59095  
needs care from an additional part-time provider. 59096

(F) As used in this section, "maximum income eligibility 59097  
limit" means the amount of income specified in rules adopted under 59098  
division (A) of section 5104.38 of the Revised Code. 59099

**Sec. 5104.38.** In addition to any other rules adopted under 59100  
this chapter, the director of job and family services shall adopt 59101  
rules in accordance with Chapter 119. of the Revised Code 59102  
governing financial and administrative requirements for publicly 59103  
funded child care and establishing all of the following: 59104

(A) Procedures and criteria to be used in making 59105  
determinations of eligibility for publicly funded child care that 59106  
give priority to children of families with lower incomes and 59107  
procedures and criteria for eligibility for publicly funded 59108  
protective child care or homeless child care. The rules shall 59109  
specify the maximum amount of income a family may have for initial 59110  
and continued eligibility. The maximum amount shall not exceed 59111  
three hundred per cent of the federal poverty line. The rules may 59112  
specify exceptions to the eligibility requirements in the case of 59113  
a family that previously received publicly funded child care and 59114  
is seeking to have the child care reinstated after the family's 59115  
eligibility was terminated. 59116

(B) Procedures under which an applicant for publicly funded 59117

specified in the rules as a condition of continuing to employ the 62409  
employee in a position that involves providing home and 62410  
community-based services. However, a criminal records check is not 62411  
required for an applicant or employee if the waiver agency is 62412  
prohibited by division (C)(1) of this section from employing the 62413

applicant or continuing to employ the employee in a position that 62414  
involves providing home and community-based services. If an 62415  
applicant or employee for whom a criminal records check request is 62416  
required by this section does not present proof of having been a 62417  
resident of this state for the five-year period immediately prior 62418  
to the date the criminal records check is requested or provide 62419  
evidence that within that five-year period the superintendent has 62420  
requested information about the applicant or employee from the 62421  
federal bureau of investigation in a criminal records check, the 62422  
chief administrator shall require the applicant or employee to 62423  
request that the superintendent obtain information from the 62424  
federal bureau of investigation as part of the criminal records 62425  
check. Even if an applicant or employee for whom a criminal 62426  
records check request is required by this section presents proof 62427  
of having been a resident of this state for the five-year period, 62428  
the chief administrator may require the applicant or employee to 62429  
request that the superintendent include information from the 62430  
federal bureau of investigation in the criminal records check. 62431

(2) The chief administrator shall provide the following to 62432  
each applicant and employee for whom a criminal records check is 62433  
required by this section: 62434

(a) Information about accessing, completing, and forwarding 62435  
to the superintendent of the bureau of criminal identification and 62436  
investigation the form prescribed pursuant to division (C)(1) of 62437  
section 109.572 of the Revised Code and the standard impression 62438  
sheet prescribed pursuant to division (C)(2) of that section; 62439

(b) Written notification that the applicant or employee is to 62440  
instruct the superintendent to submit the completed report of the 62441  
criminal records check directly to the chief administrator. 62442

(3) A waiver agency shall pay to the bureau of criminal 62443  
identification and investigation the fee prescribed pursuant to 62444  
division (C)(3) of section 109.572 of the Revised Code for any 62445

criminal records check required by this section. However, a waiver 62446  
agency may require an applicant to pay to the bureau the fee for a 62447  
criminal records check of the applicant. If the waiver agency pays 62448  
the fee for an applicant, it may charge the applicant a fee not 62449  
exceeding the amount the waiver agency pays to the bureau under 62450  
this section if the waiver agency notifies the applicant at the 62451  
time of initial application for employment of the amount of the 62452  
fee and that, unless the fee is paid, the applicant will not be 62453  
considered for employment. 62454

(G)(1) A waiver agency may employ conditionally an applicant 62455  
for whom a criminal records check is required by this section 62456  
prior to obtaining the results of the criminal records check if 62457  
both of the following apply: 62458

(a) The waiver agency is not prohibited by division (C)(1) of 62459  
this section from employing the applicant in a position that 62460  
involves providing home and community-based services. 62461

(b) The chief administrator of the waiver agency requires the 62462  
applicant to request a criminal records check regarding the 62463  
applicant in accordance with division (F)(1) of this section not 62464  
later than five business days after the applicant begins 62465  
conditional employment. 62466

(2) A waiver agency that employs an applicant conditionally 62467  
under division (G)(1) of this section shall terminate the 62468  
applicant's employment if the results of the criminal records 62469  
check, other than the results of any request for information from 62470  
the federal bureau of investigation, are not obtained within the 62471  
period ending sixty days after the date the request for the 62472  
criminal records check is made. Regardless of when the results of 62473  
the criminal records check are obtained, if the results indicate 62474  
that the applicant has been convicted of or has pleaded guilty to 62475  
a disqualifying offense, the waiver agency shall terminate the 62476  
applicant's employment unless circumstances specified in rules 62477

authorized by this section exist that permit the waiver agency to 62478  
employ the applicant and the waiver agency chooses to employ the 62479  
applicant. 62480

(H) The report of any criminal records check conducted 62481  
pursuant to a request made under this section is not a public 62482  
record for the purposes of section 149.43 of the Revised Code and 62483  
shall not be made available to any person other than the 62484  
following: 62485

criminal records check or the representative of the applicant or 62487

requires the applicant or employee to request the criminal records 62490

(3) The medicaid director and the staff of the department who 62492  
are involved in the administration of the medicaid program; 62493

(4) The director of aging or the director's designee if the 62494  
waiver agency also is a community-based long-term care provider or 62495  
community-based long-term care subcontractor; 62496

(5) An individual receiving or deciding whether to receive 62497  
home and community-based services from the subject of the criminal 62498  
records check; 62499

(6) A court, hearing officer, or other necessary individual 62500  
involved in a case dealing with any of the following: 62501

(a) A denial of employment of the applicant or employee; 62502

(b) Employment or unemployment benefits of the applicant or 62503  
employee; 62504

(c) A civil or criminal action regarding the medicaid 62505  
program. 62506

(I) The medicaid director shall adopt rules under section 62507

5164.02 of the Revised Code to implement this section. 62508

(1) The rules may do the following: 62509

(a) Require employees to undergo database reviews and 62510  
criminal records checks under this section; 62511

(b) If the rules require employees to undergo database 62512  
reviews and criminal records checks under this section, exempt one 62513  
or more classes of employees from the requirements; 62514

(c) For the purpose of division (E)(7) of this section, 62515  
specify other databases that are to be checked as part of a 62516  
database review conducted under this section. 62517

(2) The rules shall specify all of the following: 62518

(a) The procedures for conducting a database review under 62519  
this section; 62520

(b) If the rules require employees to undergo database 62521  
reviews and criminal records checks under this section, the times 62522  
at which the database reviews and criminal records checks are to 62523  
be conducted; 62524

(c) If the rules specify other databases to be checked as 62525  
part of a database review, the circumstances under which a waiver 62526  
agency is prohibited from employing an applicant or continuing to 62527

included in one or more of those databases; 62529

(d) The circumstances under which a waiver agency may employ 62530
