loss of liberty. 2692

(3) The state public defender may provide legal 2693
representation to any person incarcerated in any correctional 2694

provide legal representation in parole and probation revocation 2704
matters or matters relating to the revocation of community control 2705
or post-release control under a community control sanction or 2706

finds that the alleged parole or probation violator or alleged 2708
violator of a community control sanction or post-release control 2709
sanction has the financial capacity to retain the alleged 2710
violator's own counsel. 2711

(6) If the state public defender contracts with a county 2712
public defender commission, a joint county public defender 2713
commission, or a board of county commissioners for the provision 2714

(B) The state public defender shall not be required to 2718

the state public defender first is satisfied that there is 2721

arguable merit to the proceeding. 2722

(C) A court may appoint counsel or allow an indigent person 2723
to select the indigent's own personal counsel to assist the state 2724
public defender as co-counsel when the interests of justice so 2725
require. When co-counsel is appointed to assist the state public 2726
defender, the co-counsel shall receive any compensation that the 2727
court may approve, not to exceed the amounts provided for in 2728
section 2941.51 of the Revised Code. 2729

(D)(1) When the state public defender is designated by the 2730

defender ~~each of the following amounts:~~ 2740

(3) When the state public defender provides investigation or mitigation services to private appointed counsel or to a county or joint county public defender as approved by the appointing court, other than pursuant to a contract entered into under authority of division (C)(7) of section 120.04 of the Revised Code, the state public defender shall send to the county in which the case is filed a bill itemizing the actual cost of the services provided. The county, upon receipt of an itemized bill from the state public defender pursuant to this division, shall pay one hundred per cent of the amount as set forth in the itemized bill. Upon payment of the itemized bill received pursuant to this division, the county may submit the cost of the investigation and mitigation services to the state public defender for reimbursement pursuant to section 120.33 of the Revised Code.

(4) There is hereby created in the state treasury the county representation fund for the deposit of moneys received from counties under this division. All moneys credited to the fund shall be used by the state public defender to provide legal representation for indigent persons when designated by the court or requested by a county or joint county public defender or to provide investigation or mitigation services, including investigation or mitigation services to private appointed counsel or a county or joint county public defender, as approved by the court.

(E)(1) Notwithstanding any contrary provision of sections 109.02, 109.07, 109.361 to 109.366, and 120.03 of the Revised Code that pertains to representation by the attorney general, an assistant attorney general, or special counsel of an officer or employee, as defined in section 109.36 of the Revised Code, or of an entity of state government, the state public defender may elect to contract with, and to have the state pay pursuant to division (E)(2) of this section for the services of, private legal counsel

to represent the Ohio public defender commission, the state public 2785
defender, assistant state public defenders, other employees of the 2786
commission or the state public defender, and attorneys described 2787
in division (C) of section 120.41 of the Revised Code in a 2788
malpractice or other civil action or proceeding that arises from 2789
alleged actions or omissions related to responsibilities derived 2790
pursuant to this chapter, or in a civil action that is based upon 2791
alleged violations of the constitution or statutes of the United 2792
States, including section 1983 of Title 42 of the United States 2793
Code, 93 Stat. 1284 (1979), 42 U.S.C.A. 1983, as amended, and that 2794
arises from alleged actions or omissions related to 2795
responsibilities derived pursuant to this chapter, if the state 2796
public defender determines, in good faith, that the defendant in 2797
the civil action or proceeding did not act manifestly outside the 2798
scope of the defendant's employment or official responsibilities, 2799
with malicious purpose, in bad faith, or in a wanton or reckless 2800
manner. If the state public defender elects not to contract 2801
pursuant to this division for private legal counsel in a civil 2802
action or proceeding, then, in accordance with sections 109.02, 2803
109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 2804
attorney general shall represent or provide for the representation 2805
of the Ohio public defender commission, the state public defender, 2806
assistant state public defenders, other employees of the 2807
commission or the state public defender, or attorneys described in 2808
division (C) of section 120.41 of the Revised Code in the civil 2809
action or proceeding. 2810

(2)(a) Subject to division (E)(2)(b) of this section, payment 2811
from the state treasury for the services of private legal counsel 2812
with whom the state public defender has contracted pursuant to 2813
division (E)(1) of this section shall be accomplished only through 2814
the following procedure: 2815

(i) The private legal counsel shall file with the attorney 2816

general a copy of the contract; a request for an award of legal 2817
fees, court costs, and expenses earned or incurred in connection 2818
with the defense of the Ohio public defender commission, the state 2819
public defender, an assistant state public defender, an employee, 2820
or an attorney in a specified civil action or proceeding; a 2821
written itemization of those fees, costs, and expenses, including 2822
the signature of the state public defender and the state public 2823
defender's attestation that the fees, costs, and expenses were 2824
earned or incurred pursuant to division (E)(1) of this section to 2825
the best of the state public defender's knowledge and information; 2826
a written statement whether the fees, costs, and expenses are for 2827
all legal services to be rendered in connection with that defense, 2828
are only for legal services rendered to the date of the request 2829
and additional legal services likely will have to be provided in 2830
connection with that defense, or are for the final legal services 2831
rendered in connection with that defense; a written statement 2832
indicating whether the private legal counsel previously submitted 2833
a request for an award under division (E)(2) of this section in 2834
connection with that defense and, if so, the date and the amount 2835
of each award granted; and, if the fees, costs, and expenses are 2836
for all legal services to be rendered in connection with that 2837
defense or are for the final legal services rendered in connection 2838
with that defense, a certified copy of any judgment entry in the 2839
civil action or proceeding or a signed copy of any settlement 2840
agreement entered into between the parties to the civil action or 2841
proceeding. 2842

(ii) Upon receipt of a request for an award of legal fees, 2843
court costs, and expenses and the requisite supportive 2844
documentation described in division (E)(2)(a)(i) of this section, 2845
the attorney general shall review the request and documentation; 2846
determine whether any of the limitations specified in division 2847
(E)(2)(b) of this section apply to the request; and, if an award 2848
of legal fees, court costs, or expenses is permissible after 2849

applying the limitations, prepare a document awarding legal fees, 2850
court costs, or expenses to the private legal counsel. The 2851
document shall name the private legal counsel as the recipient of 2852
the award; specify the total amount of the award as determined by 2853
the attorney general; itemize the portions of the award that 2854
represent legal fees, court costs, and expenses; specify any 2855
limitation applied pursuant to division (E)(2)(b) of this section 2856
to reduce the amount of the award sought by the private legal 2857
counsel; state that the award is payable from the state treasury 2858
pursuant to division (E)(2)(a)(iii) of this section; and be 2859
approved by the inclusion of the signatures of the attorney 2860
general, the state public defender, and the private legal counsel. 2861

(iii) The attorney general shall forward a copy of the 2862
document prepared pursuant to division (E)(2)(a)(ii) of this 2863
section to the director of budget and management. The award of 2864
legal fees, court costs, or expenses shall be paid out of the 2865
state public defender's appropriations, to the extent there is a 2866
sufficient available balance in those appropriations. If the state 2867
public defender does not have a sufficient available balance in 2868
the state public defender's appropriations to pay the entire award 2869
of legal fees, court costs, or expenses, the director shall make 2870
application for a transfer of appropriations out of the emergency 2871
purposes account or any other appropriation for emergencies or 2872
contingencies in an amount equal to the portion of the award that 2873
exceeds the sufficient available balance in the state public 2874
defender's appropriations. A transfer of appropriations out of the 2875
emergency purposes account or any other appropriation for 2876
emergencies or contingencies shall be authorized if there are 2877
sufficient moneys greater than the sum total of then pending 2878
emergency purposes account requests, or requests for releases from 2879
the other appropriation. If a transfer of appropriations out of 2880
the emergency purposes account or other appropriation for 2881
emergencies or contingencies is made to pay an amount equal to the 2882

portion of the award that exceeds the sufficient available balance 2883
in the state public defender's appropriations, the director shall 2884
cause the payment to be made to the private legal counsel. If 2885
sufficient moneys do not exist in the emergency purposes account 2886
or other appropriation for emergencies or contingencies to pay an 2887
amount equal to the portion of the award that exceeds the 2888
sufficient available balance in the state public defender's 2889
appropriations, the private legal counsel shall request the 2890
general assembly to make an appropriation sufficient to pay an 2891
amount equal to the portion of the award that exceeds the 2892
sufficient available balance in the state public defender's 2893
appropriations, and no payment in that amount shall be made until 2894
the appropriation has been made. The private legal counsel shall 2895
make the request during the current biennium and during each 2896
succeeding biennium until a sufficient appropriation is made. 2897

(b) An award of legal fees, court costs, and expenses 2898
pursuant to division (E) of this section is subject to the 2899
following limitations: 2900

(i) The maximum award or maximum aggregate of a series of 2901
awards of legal fees, court costs, and expenses to the private 2902
legal counsel in connection with the defense of the Ohio public 2903
defender commission, the state public defender, an assistant state 2904
public defender, an employee, or an attorney in a specified civil 2905
action or proceeding shall not exceed fifty thousand dollars. 2906

(ii) The private legal counsel shall not be awarded legal 2907
fees, court costs, or expenses to the extent the fees, costs, or 2908
expenses are covered by a policy of malpractice or other 2909
insurance. 2910

(iii) The private legal counsel shall be awarded legal fees 2911
and expenses only to the extent that the fees and expenses are 2912
reasonable in light of the legal services rendered by the private 2913
legal counsel in connection with the defense of the Ohio public 2914

defender commission, the state public defender, an assistant state 2915
public defender, an employee, or an attorney in a specified civil 2916
action or proceeding. 2917

(c) If, pursuant to division (E)(2)(a) of this section, the 2918
attorney general denies a request for an award of legal fees, 2919
court costs, or expenses to private legal counsel because of the 2920
application of a limitation specified in division (E)(2)(b) of 2921
this section, the attorney general shall notify the private legal 2922
counsel in writing of the denial and of the limitation applied. 2923

(d) If, pursuant to division (E)(2)(c) of this section, a 2924
private legal counsel receives a denial of an award notification 2925
or if a private legal counsel refuses to approve a document under 2926
division (E)(2)(a)(ii) of this section because of the proposed 2927
application of a limitation specified in division (E)(2)(b) of 2928
this section, the private legal counsel may commence a civil 2929
action against the attorney general in the court of claims to 2930
prove the private legal counsel's entitlement to the award sought, 2931
to prove that division (E)(2)(b) of this section does not prohibit 2932
or otherwise limit the award sought, and to recover a judgment for 2933
the amount of the award sought. A civil action under division 2934
(E)(2)(d) of this section shall be commenced no later than two 2935
years after receipt of a denial of award notification or, if the 2936
private legal counsel refused to approve a document under division 2937
(E)(2)(a)(ii) of this section because of the proposed application 2938
of a limitation specified in division (E)(2)(b) of this section, 2939
no later than two years after the refusal. Any judgment of the 2940
court of claims in favor of the private legal counsel shall be 2941
paid from the state treasury in accordance with division (E)(2)(a) 2942
of this section. 2943

(F) If a court appoints the office of the state public 2944
defender to represent a petitioner in a postconviction relief 2945
proceeding under section 2953.21 of the Revised Code, the 2946

petitioner has received a sentence of death, and the proceeding 2947
relates to that sentence, all of the attorneys who represent the 2948
petitioner in the proceeding pursuant to the appointment, whether 2949
an assistant state public defender, the state public defender, or 2950
another attorney, shall be certified under Rule 20 of the Rules of 2951
Superintendence for the Courts of Ohio to represent indigent 2952
defendants charged with or convicted of an offense for which the 2953
death penalty can be or has been imposed. 2954

(G)(1) The state public defender may conduct a legal 2955
assistance referral service for children committed to the 2956
department of youth services relative to conditions of confinement 2957
claims. If the legal assistance referral service receives a 2958
request for assistance from a child confined in a facility 2959
operated, or contracted for, by the department of youth services 2960
and the state public defender determines that the child has a 2961
conditions of confinement claim that has merit, the state public 2962
defender may refer the child to a private attorney. If no private 2963
attorney who the child has been referred to by the state public 2964
defender accepts the case within a reasonable time, the state 2965
public defender may prepare, as appropriate, pro se pleadings in 2966
the form of a complaint regarding the conditions of confinement at 2967
the facility where the child is confined with a motion for 2968
appointment of counsel and other applicable pleadings necessary 2969
for sufficient pro se representation. 2970

(2) Division (G)(1) of this section does not authorize the 2971
state public defender to represent a child committed to the 2972
department of youth services in general civil matters arising 2973
solely out of state law. 2974

(3) The state public defender shall not undertake the 2975
representation of a child in court based on a conditions of 2976
confinement claim arising under this division. 2977

(H) A child's right to representation or services under this 2978

section is not affected by the child, or another person on behalf 2979
of the child, previously having paid for similar representation or 2980
services or having waived legal representation. 2981

(I) The state public defender shall have reasonable access to 2982
any child committed to the department of youth services, 2983
department of youth services institution, and department of youth 2984
services record as needed to implement this section. 2985

(J) As used in this section: 2986

(1) "Community control sanction" has the same meaning as in 2987
section 2929.01 of the Revised Code. 2988

(2) "Conditions of confinement" means any issue involving a 2989
constitutional right or other civil right related to a child's 2990
incarceration, including, but not limited to, actions cognizable 2991
under 42 U.S.C. 1983. 2992

(3) "Post-release control sanction" has the same meaning as 2993
in section 2967.01 of the Revised Code. 2994

Sec. 120.18. (A) The county public defender commission's 2995
report to the board of county commissioners shall be audited by 2996
the county auditor. The board of county commissioners, after 2997
review and approval of the audited report, may then certify it to 2998
the state public defender for reimbursement. If a request for the 2999
reimbursement of any operating expenditure incurred by a county 3000
public defender office is not received by the state public 3001
defender within sixty days after the end of the calendar month in 3002
which the expenditure is incurred, the state public defender shall 3003
not pay the requested reimbursement, unless the county has 3004
requested, and the state public defender has granted, an extension 3005
of the sixty-day time limit. Each request for reimbursement shall 3006
include a certification by the county public defender that the 3007
persons provided representation by the county public defender's 3008

office during the period covered by the report were indigent and, 3009
for each person provided representation during that period, a 3010
financial disclosure form completed by the person on a form 3011
prescribed by the state public defender. The state public defender 3012
shall also review the report and, in accordance with the 3013
standards, guidelines, and maximums established pursuant to 3014
divisions (B)(7) and (8) of section 120.04 of the Revised Code and 3015
the payment determination provisions of section 120.34 of the 3016
Revised Code, prepare a voucher for ~~fifty per cent of the total~~ 3017
cost of each county public defender's office for the period of 3018
time covered by the certified report and a voucher for ~~fifty per~~ 3019
~~cent of the costs and expenses that are reimbursable under section~~ 3020
~~120.35 of the Revised Code, if any, or, if the amount of money~~ 3021
~~appropriated by the general assembly to reimburse counties for the~~ 3022
~~operation of county public defender offices, joint county public~~ 3023
~~defender offices, and county appointed counsel systems is not~~ 3024
~~sufficient to pay fifty per cent of the total cost of all of the~~ 3025
~~offices and systems, for the lesser amount required by section~~ 3026
~~120.34 of the Revised Code. The amount of payments to be included~~ 3027
in and made under the voucher shall be determined as specified in 3028
section 120.34 of the Revised Code. For the purposes of this 3029
section, "total cost" means total expenses minus costs and 3030
expenses reimbursable under section 120.35 of the Revised Code and 3031
any funds received by the county public defender commission 3032
pursuant to a contract, except a contract entered into with a 3033
municipal corporation pursuant to division (E) of section 120.14 3034
of the Revised Code, gift, or grant. 3035

(B) If the county public defender fails to maintain the 3036
standards for the conduct of the office established by rules of 3037
the Ohio public defender commission pursuant to divisions (B) and 3038
(C) of section 120.03 or the standards established by the state 3039
public defender pursuant to division (B)(7) of section 120.04 of 3040
the Revised Code, the Ohio public defender commission shall notify 3041

the county public defender commission and the board of county 3042
commissioners of the county that the county public defender has 3043
failed to comply with its rules or the standards of the state 3044
public defender. Unless the county public defender commission or 3045
the county public defender corrects the conduct of the county 3046
public defender's office to comply with the rules and standards 3047
within ninety days after the date of the notice, the state public 3048
defender may deny payment of all or part of the county's 3049
reimbursement from the state provided for in division (A) of this 3050
section. 3051

Sec. 120.28. (A) The joint county public defender 3052
commission's report to the joint board of county commissioners 3053
shall be audited by the fiscal officer of the district. The joint 3054
board of county commissioners, after review and approval of the 3055
audited report, may then certify it to the state public defender 3056
for reimbursement. If a request for the reimbursement of any 3057
operating expenditure incurred by a joint county public defender 3058
office is not received by the state public defender within sixty 3059
days after the end of the calendar month in which the expenditure 3060
is incurred, the state public defender shall not pay the requested 3061
reimbursement, unless the joint board of county commissioners has 3062
requested, and the state public defender has granted, an extension 3063
of the sixty-day time limit. Each request for reimbursement shall 3064
include a certification by the joint county public defender that 3065
all persons provided representation by the joint county public 3066
defender's office during the period covered by the request were 3067
indigent and, for each person provided representation during that 3068
period, a financial disclosure form completed by the person on a 3069
form prescribed by the state public defender. The state public 3070
defender shall also review the report and, in accordance with the 3071
standards, guidelines, and maximums established pursuant to 3072
divisions (B)(7) and (8) of section 120.04 of the Revised Code and 3073

the payment determination provisions of section 120.34 of the 3074
Revised Code, prepare a voucher for ~~fifty per cent~~ of the total 3075
cost of each joint county public defender's office for the period 3076
of time covered by the certified report and a voucher for ~~fifty~~ 3077
~~per cent~~ of the costs and expenses that are reimbursable under 3078
section 120.35 of the Revised Code, if any, ~~or, if the amount of~~ 3079
~~money appropriated by the general assembly to reimburse counties~~ 3080
~~for the operation of county public defender offices, joint county~~ 3081
~~public defender offices, and county appointed counsel systems is~~ 3082
~~not sufficient to pay fifty per cent of the total cost of all of~~ 3083
~~the offices and systems, for the lesser amount required by section~~ 3084
120.34 of the Revised Code. The amount of payments to be included 3085
in and made under the voucher shall be determined as specified in 3086
section 120.34 of the Revised Code. For purposes of this section, 3087
"total cost" means total expenses minus costs and expenses 3088
reimbursable under section 120.35 of the Revised Code and any 3089
funds received by the joint county public defender commission 3090
pursuant to a contract, except a contract entered into with a 3091
municipal corporation pursuant to division (E) of section 120.24 3092
of the Revised Code, gift, or grant. Each county in the district 3093
shall be entitled to a share of such state reimbursement in 3094
proportion to the percentage of the total cost it has agreed to 3095
pay. 3096

(B) If the joint county public defender fails to maintain the 3097
standards for the conduct of the office established by the rules 3098
of the Ohio public defender commission pursuant to divisions (B) 3099
and (C) of section 120.03 or the standards established by the 3100
state public defender pursuant to division (B)(7) of section 3101
120.04 of the Revised Code, the Ohio public defender commission 3102
shall notify the joint county public defender commission and the 3103
board of county commissioners of each county in the district that 3104
the joint county public defender has failed to comply with its 3105
rules or the standards of the state public defender. Unless the 3106

joint public defender commission or the joint county public 3107
defender corrects the conduct of the joint county public 3108
defender's office to comply with the rules and standards within 3109
ninety days after the date of the notice, the state public 3110
defender may deny all or part of the counties' reimbursement from 3111
the state provided for in division (A) of this section. 3112

Sec. 120.33. (A) In lieu of using a county public defender or 3113
joint county public defender to represent indigent persons in the 3114
proceedings set forth in division (A) of section 120.16 of the 3115
Revised Code, the board of county commissioners of any county may 3116
adopt a resolution to pay counsel who are either personally 3117
selected by the indigent person or appointed by the court. The 3118
resolution shall include those provisions the board of county 3119
commissioners considers necessary to provide effective 3120
representation of indigent persons in any proceeding for which 3121
counsel is provided under this section. The resolution shall 3122
include provisions for contracts with any municipal corporation 3123
under which the municipal corporation shall reimburse the county 3124
for counsel appointed to represent indigent persons charged with 3125
violations of the ordinances of the municipal corporation. 3126

(1) In a county that adopts a resolution to pay counsel, an 3127
indigent person shall have the right to do either of the 3128
following: 3129

(a) To select the person's own personal counsel to represent 3130
the person in any proceeding included within the provisions of the 3131
resolution; 3132

(b) To request the court to appoint counsel to represent the 3133
person in such a proceeding. 3134

(2) The court having jurisdiction over the proceeding in a 3135
county that adopts a resolution to pay counsel shall, after 3136
determining that the person is indigent and entitled to legal 3137

representation under this section, do either of the following: 3138

(a) By signed journal entry recorded on its docket, enter the 3139
name of the lawyer selected by the indigent person as counsel of 3140
record; 3141

(b) Appoint counsel for the indigent person if the person has 3142
requested the court to appoint counsel and, by signed journal 3143
entry recorded on its dockets, enter the name of the lawyer 3144
appointed for the indigent person as counsel of record. 3145

(3) The board of county commissioners shall establish a 3146
schedule of fees by case or on an hourly basis to be paid to 3147
counsel for legal services provided pursuant to a resolution 3148
adopted under this section. Prior to establishing the schedule, 3149
the board of county commissioners shall request the bar 3150
association or associations of the county to submit a proposed 3151
schedule for cases other than capital cases. The schedule 3152
submitted shall be subject to the review, amendment, and approval 3153
of the board of county commissioners, except with respect to 3154
capital cases. With respect to capital cases, the schedule shall 3155
provide for fees by case or on an hourly basis to be paid to 3156
counsel in the amount or at the rate set by the capital case 3157
attorney fee council pursuant to division (D) of this section, and 3158
the board of county commissioners shall approve that amount or 3159
rate. 3160

(4) Counsel selected by the indigent person or appointed by 3161
the court at the request of an indigent person in a county that 3162
adopts a resolution to pay counsel, except for counsel appointed 3163
to represent a person charged with any violation of an ordinance 3164
of a municipal corporation that has not contracted with the county 3165
commissioners for the payment of appointed counsel, shall be paid 3166
by the county and shall receive the compensation and expenses the 3167
court approves. With respect to capital cases, the court shall 3168
approve compensation and expenses in accordance with the amount or 3169

at the rate set by the capital case attorney fee council pursuant 3170
to division (D) of this section. Each request for payment shall 3171
include a financial disclosure form completed by the indigent 3172
person on a form prescribed by the state public defender. 3173
Compensation and expenses shall not exceed the amounts fixed by 3174
the board of county commissioners in the schedule adopted pursuant 3175
to division (A)(3) of this section. No court shall approve 3176
compensation and expenses that exceed the amount fixed pursuant to 3177
division (A)(3) of this section. 3178

The fees and expenses approved by the court shall not be 3179
taxed as part of the costs and shall be paid by the county. 3180
However, if the person represented has, or may reasonably be 3181
expected to have, the means to meet some part of the cost of the 3182
services rendered to the person, the person shall pay the county 3183
an amount that the person reasonably can be expected to pay. 3184
Pursuant to section 120.04 of the Revised Code, the county shall 3185
pay to the state public defender a percentage of the payment 3186
received from the person in an amount proportionate to the 3187
percentage of the costs of the person's case that were paid to the 3188
county by the state public defender pursuant to this section. The 3189
money paid to the state public defender shall be credited to the 3190
client payment fund created pursuant to division (B)(5) of section 3191
120.04 of the Revised Code. 3192

The county auditor shall draw a warrant on the county 3193
treasurer for the payment of counsel in the amount fixed by the 3194
court, plus the expenses the court fixes and certifies to the 3195
auditor. The county auditor shall report periodically, but not 3196
less than annually, to the board of county commissioners and to 3197
the state public defender the amounts paid out pursuant to the 3198
approval of the court. The board of county commissioners, after 3199
review and approval of the auditor's report, or the county 3200
auditor, with permission from and notice to the board of county 3201

commissioners, may then certify it to the state public defender 3202
for reimbursement. The state public defender may pay a requested 3203
reimbursement only if the request for reimbursement includes a 3204
financial disclosure form completed by the indigent person on a 3205
form prescribed by the state public defender or if the court 3206
certifies by electronic signature as prescribed by the state 3207
public defender that a financial disclosure form has been 3208
completed by the indigent person and is available for inspection. 3209
If a request for the reimbursement of the cost of counsel in any 3210
case is not received by the state public defender within ninety 3211
days after the end of the calendar month in which the case is 3212
finally disposed of by the court, unless the county has requested 3213
and the state public defender has granted an extension of the 3214
ninety-day limit, the state public defender shall not pay the 3215
requested reimbursement. The state public defender shall also 3216
review the report and, in accordance with the standards, 3217
guidelines, and maximums established pursuant to divisions (B)(7) 3218
and (8) of section 120.04 of the Revised Code and the payment 3219
determination provisions of section 120.34 of the Revised Code, 3220
prepare a voucher for ~~fifty per cent of the total~~ cost of each 3221
county appointed counsel system in the period of time covered by 3222
the certified report and a voucher for ~~fifty per cent of the costs~~ 3223
and expenses that are reimbursable under section 120.35 of the 3224
Revised Code, if any, ~~or, if the amount of money appropriated by~~ 3225
~~the general assembly to reimburse counties for the operation of~~ 3226
~~county public defender offices, joint county public defender~~ 3227
~~offices, and county appointed counsel systems is not sufficient to~~ 3228
~~pay fifty per cent of the total cost of all of the offices and~~ 3229
~~systems other than costs and expenses that are reimbursable under~~ 3230
~~section 120.35 of the Revised Code, for the lesser amount required~~ 3231
~~by section 120.34 of the Revised Code. The amount of payments to~~ 3232
be included in and made under the voucher shall be determined as 3233
specified in section 120.34 of the Revised Code. 3234

(5) If any county appointed counsel system fails to maintain 3235
the standards for the conduct of the system established by the 3236
rules of the Ohio public defender commission pursuant to divisions 3237
(B) and (C) of section 120.03 or the standards established by the 3238
state public defender pursuant to division (B)(7) of section 3239
120.04 of the Revised Code, the Ohio public defender commission 3240
shall notify the board of county commissioners of the county that 3241
the county appointed counsel system has failed to comply with its 3242
rules or the standards of the state public defender. Unless the 3243
board of county commissioners corrects the conduct of its 3244
appointed counsel system to comply with the rules and standards 3245
within ninety days after the date of the notice, the state public 3246
defender may deny all or part of the county's reimbursement from 3247
the state provided for in division (A)(4) of this section. 3248

(B) In lieu of using a county public defender or joint county 3249
public defender to represent indigent persons in the proceedings 3250
set forth in division (A) of section 120.16 of the Revised Code, 3251
and in lieu of adopting the resolution and following the procedure 3252
described in division (A) of this section, the board of county 3253
commissioners of any county may contract with the state public 3254
defender for the state public defender's legal representation of 3255
indigent persons. A contract entered into pursuant to this 3256
division may provide for payment for the services provided on a 3257
per case, hourly, or fixed contract basis. 3258

(C) If a court appoints an attorney pursuant to this section 3259
to represent a petitioner in a postconviction relief proceeding 3260
under section 2953.21 of the Revised Code, the petitioner has 3261
received a sentence of death, and the proceeding relates to that 3262
sentence, the attorney who represents the petitioner in the 3263
proceeding pursuant to the appointment shall be certified under 3264
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 3265
represent indigent defendants charged with or convicted of an 3266

offense for which the death penalty can be or has been imposed. 3267

(D)(1) There is hereby created the capital case attorney fee 3268
council, appointed as described in division (D)(2) of this 3269
section. The council shall set an amount by case, or a rate on an 3270
hourly basis, to be paid under this section to counsel in a 3271
capital case. 3272

(2) The capital case attorney fee council shall consist of 3273
five members, all of whom shall be active judges serving on one of 3274
the district courts of appeals in this state. Terms for council 3275
members shall be the lesser of three years or until the member 3276
ceases to be an active judge of a district court of appeals. The 3277
initial terms shall commence ninety days after September 28, 2016. 3278
The chief justice of the supreme court shall appoint the members 3279
of the council, and shall make all of the appointments not later 3280
than sixty days after September 28, 2016. When any vacancy occurs, 3281
the chief justice shall appoint an active judge of a district 3282
court of appeals in this state to fill the vacancy for the 3283
unexpired term, in the same manner as prescribed in this division. 3284
The chief justice shall designate a chairperson from the appointed 3285
members of the council. Members of the council shall receive no 3286
additional compensation for their service as a member, but may be 3287
reimbursed for expenses reasonably incurred in service to the 3288
council, to be paid by the supreme court. The supreme court may 3289
provide administrative support to the council. 3290

(3) The capital case attorney fee council initially shall 3291
meet not later than one hundred twenty days after September 28, 3292
2016. Thereafter, the council shall meet not less than annually. 3293

(4) Upon setting the amount or rate described in division 3294
(D)(1) of this section, the chairperson of the capital case 3295
attorney fee council promptly shall provide written notice to the 3296
state public defender of the amount or rate so set. The amount or 3297
rate so set shall become effective ninety days after the date on 3298

which the chairperson provides that written notice to the state 3299
public defender. The council shall specify that effective date in 3300
the written notice provided to the state public defender. All 3301
amounts or rates set by the council shall be final, subject to 3302
modification as described in division (D)(5) of this section, and 3303
not subject to appeal. 3304

(5) The capital case attorney fee council may modify an 3305
amount or rate set as described in division (D)(4) of this 3306
section. The provisions of that division apply with respect to any 3307
such modification of an amount or rate. 3308

Sec. 120.34. The total amount of money paid to all counties 3309
in any fiscal year pursuant to sections 120.18, 120.28, ~~and~~ 3310
120.33, 120.35, and 2941.51 of the Revised Code for the 3311
reimbursement of ~~a percentage of~~ the counties' cost of operating 3312
county public defender offices, joint county public defender 3313
offices, and county appointed counsel systems, the counties' costs 3314
and expenses of conducting the defense in capital cases, and the 3315
counties' costs and expenses of appointed counsel covered by 3316
section 2941.51 of the Revised Code shall not exceed the total 3317
amount appropriated for that fiscal year by the general assembly 3318
for the reimbursement of the counties for the operation of the 3319
offices and systems and for those appointed counsel costs and 3320

the amount appropriated by the general assembly in any fiscal year 3322
is insufficient to pay ~~fifty per cent of~~ the total cost in the 3323
fiscal year of all county public defender offices, all joint 3324
county public defender offices, ~~and~~ all county appointed counsel 3325
systems, and all costs and expenses of appointed counsel covered 3326
by section 2941.51 of the Revised Code, the amount of money paid 3327

120.33, 120.35, and 2941.51 of the Revised Code to each county for 3329

year for operating its county public defender system, its joint 3332
county public defender system, and its county appointed counsel 3333
system, an equal percentage of its costs and expenses of 3334
conducting the defense in capital cases in the fiscal year, and an 3335

~~The total amount of money paid to all counties in any fiscal 3338
year pursuant to section 120.35 of the Revised Code for the 3339
reimbursement of a percentage of the counties' costs and expenses 3340
of conducting the defense in capital cases shall not exceed the 3341
total amount appropriated for that fiscal year by the general 3342
assembly for the reimbursement of the counties for conducting the 3343
defense in capital cases. If the amount appropriated by the 3344
general assembly in any fiscal year is insufficient to pay fifty 3345
per cent of the counties' total costs and expenses of conducting 3346
the defense in capital cases in the fiscal year, the amount of 3347
money paid in that fiscal year pursuant to section 120.35 of the 3348
Revised Code to each county for the fiscal year shall be reduced 3349
proportionately so that each county is paid an equal percentage of 3350
its costs and expenses of conducting the defense in capital cases 3351
in the fiscal year.~~ 3352

If any county receives an amount of money pursuant to section 3353
120.18, 120.28, 120.33, ~~or~~ 120.35, or 2941.51 of the Revised Code 3354
that is in excess of the amount of reimbursement it is entitled to 3355

request the board of county commissioners to return the excess 3357
payment and the board of county commissioners, upon receipt of the 3358
request, shall direct the appropriate county officer to return the 3359
excess payment to the state. 3360

Within thirty days of the end of each fiscal quarter, the 3361
state public defender shall provide to the office of budget and 3362

management and the ~~legislative budget office of the~~ legislative 3363
service commission an estimate of the amount of money that will be 3364
required for the balance of the fiscal year to make the payments 3365
required by sections 120.18, 120.28, 120.33, ~~and~~ 120.35, and 3366
2941.51 of the Revised Code. 3367

Sec. 120.35. The state public defender shall, pursuant to 3368
section 120.18, 120.28, 120.33, or 2941.51 of the Revised Code, 3369
reimburse ~~fifty per cent of all~~ the costs and expenses of 3370
conducting the defense in capital cases, in an amount determined 3371
as specified in section 120.34 of the Revised Code. ~~If~~ 3372
~~appropriations are insufficient to pay fifty per cent of such~~ 3373
~~costs and expenses, the state public defender shall reimburse such~~ 3374
~~costs and expenses as provided in section 120.34 of the Revised~~ 3375
~~Code.~~ 3376

The treasurer of state may invest moneys contained in the 3384

economic development project. 3893

If a public body holds an executive session to consider any 3894
of the matters listed in divisions (G)(2) to (8) of this section, 3895
the motion and vote to hold that executive session shall state 3896

invalid unless the deliberations were for a purpose specifically 3906
authorized in division (G) or (J) of this section and conducted at 3907
an executive session held in compliance with this section. A 3908
resolution, rule, or formal action adopted in an open meeting is 3909
invalid if the public body that adopted the resolution, rule, or 3910
formal action violated division (F) of this section. 3911

(I)(1) Any person may bring an action to enforce this 3912
section. An action under division (I)(1) of this section shall be 3913
brought within two years after the date of the alleged violation 3914
or threatened violation. Upon proof of a violation or threatened 3915
violation of this section in an action brought by any person, the 3916
court of common pleas shall issue an injunction to compel the 3917
members of the public body to comply with its provisions. 3918

(2)(a) If the court of common pleas issues an injunction 3919
pursuant to division (I)(1) of this section, the court shall order 3920

the public body that it enjoins to pay a civil forfeiture of five 3921
hundred dollars to the party that sought the injunction and shall 3922
award to that party all court costs and, subject to reduction as 3923
described in division (I)(2) of this section, reasonable 3924
attorney's fees. The court, in its discretion, may reduce an award 3925
of attorney's fees to the party that sought the injunction or not 3926
award attorney's fees to that party if the court determines both 3927
of the following: 3928

(i) That, based on the ordinary application of statutory law 3929
and case law as it existed at the time of violation or threatened 3930
violation that was the basis of the injunction, a well-informed 3931
public body reasonably would believe that the public body was not 3932
violating or threatening to violate this section; 3933

(ii) That a well-informed public body reasonably would 3934
believe that the conduct or threatened conduct that was the basis 3935
of the injunction would serve the public policy that underlies the 3936
authority that is asserted as permitting that conduct or 3937
threatened conduct. 3938

(b) If the court of common pleas does not issue an injunction 3939
pursuant to division (I)(1) of this section and the court 3940
determines at that time that the bringing of the action was 3941
frivolous conduct, as defined in division (A) of section 2323.51 3942
of the Revised Code, the court shall award to the public body all 3943
court costs and reasonable attorney's fees, as determined by the 3944
court. 3945

(3) Irreparable harm and prejudice to the party that sought 3946
the injunction shall be conclusively and irrebuttably presumed 3947
upon proof of a violation or threatened violation of this section. 3948

(4) A member of a public body who knowingly violates an 3949
injunction issued pursuant to division (I)(1) of this section may 3950
be removed from office by an action brought in the court of common 3951

pleas for that purpose by the prosecuting attorney or the attorney 3952
general. 3953

(J)(1) Pursuant to division (C) of section 5901.09 of the 3954
Revised Code, a veterans service commission shall hold an 3955
executive session for one or more of the following purposes unless 3956
an applicant requests a public hearing: 3957

(a) Interviewing an applicant for financial assistance under 3958
sections 5901.01 to 5901.15 of the Revised Code; 3959

(b) Discussing applications, statements, and other documents 3960
described in division (B) of section 5901.09 of the Revised Code; 3961

(c) Reviewing matters relating to an applicant's request for 3962
financial assistance under sections 5901.01 to 5901.15 of the 3963
Revised Code. 3964

(2) A veterans service commission shall not exclude an 3965
applicant for, recipient of, or former recipient of financial 3966
assistance under sections 5901.01 to 5901.15 of the Revised Code, 3967
and shall not exclude representatives selected by the applicant, 3968
recipient, or former recipient, from a meeting that the commission 3969
conducts as an executive session that pertains to the applicant's, 3970
recipient's, or former recipient's application for financial 3971
assistance. 3972

(3) A veterans service commission shall vote on the grant or 3973
denial of financial assistance under sections 5901.01 to 5901.15 3974
of the Revised Code only in an open meeting of the commission. The 3975
minutes of the meeting shall indicate the name, address, and 3976
occupation of the applicant, whether the assistance was granted or 3977
denied, the amount of the assistance if assistance is granted, and 3978
the votes for and against the granting of assistance. 3979

(4) The cabinet council shall develop and implement the 4050
following: 4051

(a) An interagency process to select the indicators that will 4052

outlined in the county's service coordination mechanism 4128
implemented pursuant to division (C) of this section. 4129

The cabinet council shall establish a state appeals process 4130
to resolve disputes among the members of a county council 4131
concerning whether reasonable responsibilities as members are 4132
being shared. The appeals process may be accessed only by a 4133

Service of a judge as a judicial advisor pursuant to this section 4147
is a judicial function. 4148

(2) The purpose of the county council is to streamline and 4149

comprehensive, coordinated, multi-disciplinary, interagency system 4160
for infants and toddlers with developmental disabilities or delays 4161

(e) Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the county system.	4169 4170 4171
(3) A county council shall develop and implement the following:	4172 4173
(a) An interagency process to establish local indicators and monitor the county's progress toward increasing child well-being in the county;	4174 4175 4176

On an annual basis, the county council shall submit a report on the status of efforts by the county to increase child well-being in the county to the county's board of county commissioners and the cabinet council. This report shall be made available to any other person on request.	4187 4188 4189 4190 4191
(4)(a) Except as provided in division (B)(4)(b) of this section, a county council shall comply with the policies, procedures, and activities prescribed by the rules or interagency agreements of a state department participating on the cabinet council whenever the county council performs a function subject to	4192 4193 4194 4195 4196

those rules or agreements. 4197

(b) On application of a county council, the cabinet council 4198
may grant an exemption from any rules or interagency agreements of 4199
a state department participating on the council if an exemption is 4200
necessary for the council to implement an alternative program or 4201
approach for service delivery to families and children. The 4202
application shall describe the proposed program or approach and 4203
specify the rules or interagency agreements from which an 4204
exemption is necessary. The cabinet council shall approve or 4205
disapprove the application in accordance with standards and 4206
procedures it shall adopt. If an application is approved, the 4207
exemption is effective only while the program or approach is being 4208
implemented, including a reasonable period during which the 4209
program or approach is being evaluated for effectiveness. 4210

(5)(a) Each county council shall designate an administrative 4211
agent for the council from among the following public entities: 4212
the board of alcohol, drug addiction, and mental health services, 4213
including a board of alcohol and drug addiction or a community 4214
mental health board if the county is served by separate boards; 4215
the board of county commissioners; any board of health of the 4216
county's city and general health districts; the county department 4217
of job and family services; the county agency responsible for the 4218
administration of children services pursuant to section 5153.15 of 4219
the Revised Code; the county board of developmental disabilities; 4220
any of the county's boards of education or governing boards of 4221
educational service centers; or the county's juvenile court. Any 4222
of the foregoing public entities, other than the board of county 4223
commissioners, may decline to serve as the council's 4224
administrative agent. 4225

A county council's administrative agent shall serve as the 4226
council's appointing authority for any employees of the council. 4227
The council shall file an annual budget with its administrative 4228

agent, with copies filed with the county auditor and with the 4229
board of county commissioners, unless the board is serving as the 4230
council's administrative agent. The council's administrative agent 4231
shall ensure that all expenditures are handled in accordance with 4232
policies, procedures, and activities prescribed by state 4233
departments in rules or interagency agreements that are applicable 4234
to the council's functions. 4235

The administrative agent of a county council shall send 4236
notice of a member's absence if a member listed in division (B)(1) 4237
of this section has been absent from either three consecutive 4238
meetings of the county council or a county council subcommittee, 4239
or from one-quarter of such meetings in a calendar year, whichever 4240
is less. The notice shall be sent to the board of county 4241
commissioners that establishes the county council and, for the 4242
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 4243
section, to the governing board overseeing the respective entity; 4244
for the member listed in division (B)(1)(f) of this section, to 4245
the county board of developmental disabilities that employs the 4246
superintendent; for a member listed in division (B)(1)(g) or (h) 4247
of this section, to the school board that employs the 4248
superintendent; for the member listed in division (B)(1)(i) of 4249
this section, to the mayor of the municipal corporation; for the 4250
member listed in division (B)(1)(k) of this section, to the 4251
director of youth services; and for the member listed in division 4252
(B)(1)(n) of this section, to that member's board of trustees. 4253

The administrative agent for a county council may do any of 4254
the following on behalf of the council: 4255

(i) Enter into agreements or administer contracts with public 4256
or private entities to fulfill specific council business. Such 4257
agreements and contracts are exempt from the competitive bidding 4258
requirements of section 307.86 of the Revised Code if they have 4259
been approved by the county council and they are for the purchase 4260

of family and child welfare or child protection services or other 4261
social or job and family services for families and children. The 4262
approval of the county council is not required to exempt 4263
agreements or contracts entered into under section 5139.34, 4264
5139.41, or 5139.43 of the Revised Code from the competitive 4265
bidding requirements of section 307.86 of the Revised Code. 4266

(ii) As determined by the council, provide financial 4267
stipends, reimbursements, or both, to family representatives for 4268
expenses related to council activity; 4269

(iii) Receive by gift, grant, devise, or bequest any moneys, 4270
lands, or other property for the purposes for which the council is 4271
established. The agent shall hold, apply, and dispose of the 4272
moneys, lands, or other property according to the terms of the 4273
gift, grant, devise, or bequest. Any interest or earnings shall be 4274
treated in the same manner and are subject to the same terms as 4275
the gift, grant, devise, or bequest from which it accrues. 4276

(b)(i) If the county council designates the board of county 4277
commissioners as its administrative agent, the board may, by 4278
resolution, delegate any of its powers and duties as 4279
administrative agent to an executive committee the board 4280
establishes from the membership of the county council. The board 4281
shall name to the executive committee at least the individuals 4282
described in divisions (B)(1)(b) to (h) of this section and may 4283
appoint the president of the board or another individual as the 4284
chair of the executive committee. The executive committee must 4285
include at least one family county council representative who does 4286
not have a family member employed by an agency represented on the 4287
council. 4288

(ii) The executive committee may, with the approval of the 4289
board, hire an executive director to assist the county council in 4290
administering its powers and duties. The executive director shall 4291
serve in the unclassified civil service at the pleasure of the 4292

executive committee. The executive director may, with the approval 4293
of the executive committee, hire other employees as necessary to 4294
properly conduct the county council's business. 4295

(iii) The board may require the executive committee to submit 4296
an annual budget to the board for approval and may amend or repeal 4297
the resolution that delegated to the executive committee its 4298
authority as the county council's administrative agent. 4299

(6) Two or more county councils may enter into an agreement 4300
to administer their county councils jointly by creating a regional 4301
family and children first council. A regional council possesses 4302
the same duties and authority possessed by a county council, 4303
except that the duties and authority apply regionally rather than 4304
to individual counties. Prior to entering into an agreement to 4305
create a regional council, the members of each county council to 4306
be part of the regional council shall meet to determine whether 4307
all or part of the members of each county council will serve as 4308
members of the regional council. 4309

(7) A board of county commissioners may approve a resolution 4310
by a majority vote of the board's members that requires the county 4311
council to submit a statement to the board each time the council 4312
proposes to enter into an agreement, adopt a plan, or make a 4313
decision, other than a decision pursuant to section 121.38 of the 4314
Revised Code, that requires the expenditure of funds for two or 4315
more families. The statement shall describe the proposed 4316
agreement, plan, or decision. 4317

Not later than fifteen days after the board receives the 4318
statement, it shall, by resolution approved by a majority of its 4319
members, approve or disapprove the agreement, plan, or decision. 4320
Failure of the board to pass a resolution during that time period 4321
shall be considered approval of the agreement, plan, or decision. 4322

An agreement, plan, or decision for which a statement is 4323

required to be submitted to the board shall be implemented only if 4324
it is approved by the board. 4325

(C) Each county shall develop a county service coordination 4326
mechanism. The county service coordination mechanism shall serve 4327
as the guiding document for coordination of services in the 4328
county. For children who also receive services under the help me 4329
grow program, the service coordination mechanism shall be 4330
consistent with rules adopted by the department of health under 4331
section 3701.61 of the Revised Code. All family service 4332
coordination plans shall be developed in accordance with the 4333
county service coordination mechanism. The mechanism shall be 4334
developed and approved with the participation of the county 4335
entities representing child welfare; developmental disabilities; 4336
alcohol, drug addiction, and mental health services; health; 4337
juvenile judges; education; the county family and children first 4338
council; and the county early intervention collaborative 4339
established pursuant to the federal early intervention program 4340
operated under the "Individuals with Disabilities Education Act of 4341
2004." The county shall establish an implementation schedule for 4342
the mechanism. The cabinet council may monitor the implementation 4343
and administration of each county's service coordination 4344
mechanism. 4345

Each mechanism shall include all of the following: 4346

(1) A procedure for an agency, including a juvenile court, or 4347
a family voluntarily seeking service coordination, to refer the 4348
child and family to the county council for service coordination in 4349
accordance with the mechanism; 4350

(2) A procedure ensuring that a family and all appropriate 4351
staff from involved agencies, including a representative from the 4352
appropriate school district, are notified of and invited to 4353
participate in all family service coordination plan meetings; 4354

(3) A procedure that permits a family to initiate a meeting 4355
to develop or review the family's service coordination plan and 4356
allows the family to invite a family advocate, mentor, or support 4357
person of the family's choice to participate in any such meeting; 4358

(4) A procedure for ensuring that a family service 4359
coordination plan meeting is conducted for each child who receives 4360
service coordination under the mechanism and for whom an emergency 4361
out-of-home placement has been made or for whom a nonemergency 4362
out-of-home placement is being considered. The meeting shall be 4363
conducted within ten days of an emergency out-of-home placement. 4364
The meeting shall be conducted before a nonemergency out-of-home 4365
placement. The family service coordination plan shall outline how 4366
the county council members will jointly pay for services, where 4367
applicable, and provide services in the least restrictive 4368
environment. 4369

(5) A procedure for monitoring the progress and tracking the 4370
outcomes of each service coordination plan requested in the county 4371
including monitoring and tracking children in out-of-home 4372
placements to assure continued progress, appropriateness of 4373
placement, and continuity of care after discharge from placement 4374
with appropriate arrangements for housing, treatment, and 4375
education; 4376

(6) A procedure for protecting the confidentiality of all 4377
personal family information disclosed during service coordination 4378
meetings or contained in the comprehensive family service 4379
coordination plan; 4380

(7) A procedure for assessing the needs and strengths of any 4381
child or family that has been referred to the council for service 4382
coordination, including a child whose parent or custodian is 4383
voluntarily seeking services, and for ensuring that parents and 4384
custodians are afforded the opportunity to participate; 4385

(8) A procedure for development of a family service 4386
coordination plan described in division (D) of this section; 4387

(9) A local dispute resolution process to serve as the 4388
process that must be used first to resolve disputes among the 4389
agencies represented on the county council concerning the 4390
provision of services to children, including children who are 4391
abused, neglected, dependent, unruly, alleged unruly, or 4392
delinquent children and under the jurisdiction of the juvenile 4393
court and children whose parents or custodians are voluntarily 4394
seeking services. The local dispute resolution process shall 4395
comply with sections 121.38, 121.381, and 121.382 of the Revised 4396
Code. The local dispute resolution process shall be used to 4397
resolve disputes between a child's parents or custodians and the 4398
county council regarding service coordination. The county council 4399
shall inform the parents or custodians of their right to use the 4400
dispute resolution process. Parents or custodians shall use 4401
existing local agency grievance procedures to address disputes not 4402
involving service coordination. The dispute resolution process is 4403
in addition to and does not replace other rights or procedures 4404
that parents or custodians may have under other sections of the 4405
Revised Code. 4406

The cabinet council shall adopt rules in accordance with 4407
Chapter 119. of the Revised Code establishing an administrative 4408
review process to address problems that arise concerning the 4409
operation of a local dispute resolution process. 4410

Nothing in division (C)(4) of this section shall be 4411
interpreted as overriding or affecting decisions of a juvenile 4412
court regarding an out-of-home placement, long-term placement, or 4413
emergency out-of-home placement. 4414

(D) Each county shall develop a family service coordination 4415
plan that does all of the following: 4416

(1) Designates service responsibilities among the various state and local agencies that provide services to children and their families, including children who are abused, neglected, dependent, unruly, or delinquent children and under the jurisdiction of the juvenile court and children whose parents or custodians are voluntarily seeking services;

(2) Designates an individual, approved by the family, to track the progress of the family service coordination plan, schedule reviews as necessary, and facilitate the family service coordination plan meeting process;

(3) Ensures that assistance and services to be provided are responsive to the strengths and needs of the family, as well as the family's culture, race, and ethnic group, by allowing the family to offer information and suggestions and participate in decisions. Identified assistance and services shall be provided in the least restrictive environment possible.

(4) Includes a process for dealing with a child who is alleged to be an unruly child. The process shall include methods to divert the child from the juvenile court system;

(5) Includes timelines for completion of goals specified in the plan with regular reviews scheduled to monitor progress toward those goals;

(6) Includes a plan for dealing with short-term crisis situations and safety concerns.

(E)(1) The process provided for under division (D)(4) of this section may include, but is not limited to, the following:

(a) Designation of the person or agency to conduct the assessment of the child and the child's family as described in division (C)(7) of this section and designation of the instrument or instruments to be used to conduct the assessment;

(b) An emphasis on the personal responsibilities of the child	4447
and the parental responsibilities of the parents, guardian, or	4448
custodian of the child;	4449
(c) Involvement of local law enforcement agencies and	4450
officials.	4451
(2) The method to divert a child from the juvenile court	4452
system that must be included in the service coordination process	4453
may include, but is not limited to, the following:	4454
(a) The preparation of a complaint under section 2151.27 of	4455
the Revised Code alleging that the child is an unruly child and	4456
notifying the child and the parents, guardian, or custodian that	4457
the complaint has been prepared to encourage the child and the	4458
parents, guardian, or custodian to comply with other methods to	4459
divert the child from the juvenile court system;	4460
(b) Conducting a meeting with the child, the parents,	4461
guardian, or custodian, and other interested parties to determine	4462
the appropriate methods to divert the child from the juvenile	4463
court system;	4464
(c) A method to provide to the child and the child's family a	4465
short-term respite from a short-term crisis situation involving a	4466
confrontation between the child and the parents, guardian, or	4467
custodian;	4468
(d) A program to provide a mentor to the child or the	4469
parents, guardian, or custodian;	4470
(e) A program to provide parenting education to the parents,	4471
guardian, or custodian;	4472
(f) An alternative school program for children who are truant	4473
from school, repeatedly disruptive in school, or suspended or	4474

(g) Other appropriate measures, including, but not limited	4476

to, any alternative methods to divert a child from the juvenile 4477
court system that are identified by the Ohio family and children 4478
first cabinet council. 4479

(F) Each county may review and revise the service 4480
coordination process described in division (D) of this section 4481
based on the availability of funds under Title IV-A of the "Social 4482
Security Act," 110 Stat. 2113 (1996), 42 U.S.C.A. 601, as amended, 4483
or to the extent resources are available from any other federal, 4484
state, or local funds. 4485

Sec. 121.374. (A) It is the intent of this state and the 4486
general assembly that custody relinquishment for the sole purpose 4487
of gaining access to child-specific services for multi-system 4488
children and youth shall cease. 4489

(B) The Ohio family and children first council established 4490
under section 121.37 of the Revised Code shall develop a 4491
comprehensive multi-system youth action plan that does the 4492
following: 4493

(1) Defines and establishes shared responsibility between 4494
county and state child-serving systems for providing and funding 4495
multi-system youth services; 4496

(2) Provides recommendations for flexible spending at the 4497
state level within the cabinet council; 4498

(3) Defines the model and process by which the flexible 4499
spending may be accessed to pay for services for multi-system 4500
youth; 4501

(4) Identifies strategies to assist with reducing custody 4502
relinquishment for the sole purpose of gaining access to services 4503
for multi-system children and youth; 4504

(5) Implements the full final recommendations of the joint 4505
legislative committee for multi-system youth; 4506

(6) Conducts an assessment of the legal and financial conditions that contribute to custody relinquishment for the purposes of receiving child-specific services. 4507
4508
4509

(C) Not later than December 31, 2019, the cabinet council shall submit its final action plan to the general assembly. 4510
4511

Sec. 121.93. (A) An agency, ~~at reasonable intervals,~~ shall 4512
review its operations to identify principles of law or policy that 4513
have not been stated in a rule and that the agency is relying upon 4514
in conducting adjudications or other determinations of rights and 4515
liabilities or in issuing writings and other materials, such as 4516
instructions, directives, policy statements, guidelines, 4517
handbooks, manuals, advisories, notices, circulars, 4518
advertisements, forms, letters, and opinions. An agency is not 4519
required to identify principles of law or policy relied upon in 4520
issuing internal management rules as defined in section 111.15 of 4521
the Revised Code. The agency shall complete at least one of the 4522
reviews during a governor's term. ~~Within~~ 4523

Within three months after the expiration of a governor's 4524
term, the agency electronically shall transmit a report to the 4525
joint committee on agency rule review, ~~a notice stating~~ containing 4526
the following: 4527

(1) A statement that the agency has completed one or more of 4528
the reviews, specifying the exact number of reviews completed 4529
during the governor's expired term; 4530

(2) The principles of law or policies identified under this 4531
division; 4532

(3) The agency's considerations regarding the identified 4533
principles of law or policies under division (B) of this section; 4534

(4) Any principles of law or policies for which the agency 4535
determines rulemaking is indicated or for which the agency has 4536

commenced the rule-making process under division (C) of this section. 4537
4538

The joint committee on agency rule review shall make the reports available on its web site. 4539
4540

(B) The agency shall determine whether a principle of law or 4541
policy thus identified has a general and uniform operation and 4542
establishes a legal regulation or standard that would not exist in 4543
its absence. If the principle of law or policy has these 4544
characteristics, the agency shall determine whether the principle 4545
of law or policy should be supplanted by its restatement in a rule 4546
to achieve one or more of the following as they are relevant to 4547
the principle of law or policy: 4548

(1) Assert the general and uniform operation of the principle 4549
of law or policy; 4550

(2) Make the principle of law or policy more readily 4551
available to the public; 4552

(3) Make the principle of law or policy more readily 4553
available to persons who specifically are affected by the 4554
principle of law or policy; 4555

(4) Enable the principle of law or policy to be better known 4556
in advance of its application; 4557

(5) Enable greater public participation in improvement and 4558
further development of the principle of law or policy; 4559

(6) Enable greater participation by persons specifically 4560
affected by the principle of law or policy in the improvement and 4561
further development of the principle of law or policy; 4562

(7) Make the principle of law or policy more easily 4563
understandable; or 4564

(8) Make the principle of law or policy more readily 4565
available to those legally charged with monitoring or reviewing 4566

the agency's operations. 4567

If a principle of law or policy aids in the interpretation of 4568
an existing rule or statute, the agency shall consider whether the 4569
aiding effect clarifies or otherwise resolves an uncertainty in 4570
the existing rule or statute. If the principle of law or policy 4571
can be so characterized, the agency shall consider whether the 4572
principle of law or policy should be supplanted by its restatement 4573
in an interpretive rule. The agency may not presume that a 4574
principle of law or policy that aids in the interpretation of an 4575
existing rule or statute is simply a reiteration of the existing 4576
rule or statute. 4577

(C) If the agency determines, in light of the foregoing 4578
standards, that rulemaking is indicated, the agency shall commence 4579
the rule-making process as soon as it is reasonably feasible to do 4580
so, but not later than the date that is six months after the 4581
determination was made. The principle of law or policy as it is 4582
restated in a rule does not need to be wholly congruent with the 4583
supplanted principle of law or policy. The agency lawfully may 4584
improve or develop further the supplanted principle of law or 4585
policy as it is restated in a rule. 4586

The agency may continue to rely upon the principle of law or 4587
policy, but only while it is complying with the preceding 4588
paragraph. The agency may not rely upon the principle of law or 4589
policy in advising with regard to or in determining the rights or 4590
liabilities of a person if the agency fails to commence the 4591
rule-making process by the deadline specified in the preceding 4592
paragraph, or if, after commencing the rule-making process, the 4593
agency neglects or abandons the rule-making process before it is 4594
completed. 4595

(D) A principle of law or policy that is relied upon directly 4596
or by clear implication from a statute applying to the agency does 4597
not need to be supplanted by rule. 4598

(B) For the purpose of improving the air quality in this state, the director of development services shall establish an alternative fuel transportation program under which the director may make grants and loans to businesses, nonprofit organizations, public school systems, or local governments for the purchase and installation of alternative fuel refueling or distribution	4622 4623 4624 4625 4626 4627

facilities and terminals, for the purchase and use of alternative 4628
fuel, to pay the cost of fleet conversion, and to pay the costs of 4629
educational and promotional materials and activities intended for 4630
prospective alternative fuel consumers, fuel marketers, and others 4631
in order to increase the availability and use of alternative fuel. 4632

(C) The director, in consultation with the director of 4633
agriculture, shall adopt rules in accordance with Chapter 119. of 4634
the Revised Code that are necessary for the administration of the 4635
alternative fuel transportation program. The rules shall establish 4636

funding from other sources, including, but not limited to, private 4645
or federal incentives; 4646

(c) Entities that have presented compelling evidence of 4647
demand in the market in which the facilities or terminals will be 4648
located; 4649

(d) Entities that have committed to utilizing purchased or 4650
installed facilities or terminals for the greatest number of 4651
years; 4652

(e) Entities that will be purchasing or installing facilities 4653
or terminals for any type of alternative fuel. 4654

(3) A requirement that the maximum incentive for the purchase 4655
and installation of an alternative fuel refueling or distribution 4656
facility or terminal be eighty per cent of the cost of the 4657

facility or terminal, except that at least twenty per cent of the 4658
total cost of the facility or terminal shall be incurred by the 4659
recipient and not compensated for by any other source; 4660

(4) A requirement that the maximum incentive for the purchase 4661
of alternative fuel be eighty per cent of the cost of the fuel or, 4662
in the case of blended biodiesel or blended gasoline, eighty per 4663
cent of the incremental cost of the blended biodiesel or blended 4664
gasoline; 4665

(5) Any other criteria, procedures, or guidelines that the 4666
director determines are necessary to administer the program, 4667
including fees, charges, interest rates, and payment schedules. 4668

(D) An applicant for a grant or loan under this section that 4669
sells motor vehicle fuel at retail shall agree that if the 4670
applicant receives funding, the applicant will report to the 4671
director the gallon or gallon equivalent amounts of alternative 4672
fuel the applicant sells at retail in this state for a period of 4673
three years after the project is completed. 4674

The director shall enter into a written confidentiality 4675
agreement with the applicant regarding the gallon or gallon 4676
equivalent amounts sold as described in this division, and upon 4677
execution of the agreement this information is not a public 4678
record. 4679

(E) There is hereby created in the state treasury the 4680
alternative fuel transportation fund. The fund shall consist of 4681
money transferred to the fund under division (B) of section 4682
125.836 and under ~~division (B)(2) of section 3706.27~~ of the 4683
Revised Code, money that is appropriated to it by the general 4684
assembly, money as may be specified by the general assembly from 4685
the advanced energy fund created by section 4928.61 of the Revised 4686
Code, and all money received from the repayment of loans made from 4687
the fund or in the event of a default on any such loan. Money in 4688

the fund shall be used to make grants and loans under the 4689
alternative fuel transportation program and by the director in the 4690
administration of that program. 4691

Sec. 122.121. (A) A local organizing committee, endorsing 4692
municipality, or endorsing county that has entered into a joinder 4693
undertaking with a site selection organization may apply to the 4694
director of development services, on a form and in the manner 4695
prescribed by the director, for a grant from the sports event 4696
grant fund created under section 122.122 of the Revised Code with 4697
respect to a game ~~that has not been held in this state by the~~ 4698
~~organization in either of the two preceding years and~~ to which 4699
either of the following applies: 4700

(1) The organization accepts competitive bids to host the 4701
game. 4702

(2) The game is a one-time centennial commemoration of the 4703
founding of a national football organization, association, or 4704
league. 4705

The amount of the grant shall be based on the projected 4706
incremental increase in the receipts from the tax imposed under 4707
section 5739.02 of the Revised Code within the market area 4708
designated under division (C) of this section, for the two-week 4709
period that ends at the end of the day after the date on which the 4710
game will be held, that is directly attributable, as determined by 4711
the director, to the preparation for and presentation of the game. 4712
The director shall determine the projected incremental increase in 4713
the tax imposed under section 5739.02 of the Revised Code by using 4714
a formula approved by the director in consultation with the tax 4715
commissioner. The application shall include an estimate of the 4716
committee's, municipality's, or county's qualifying costs under 4717
the game support contract. The local organizing committee, 4718
endorsing municipality, or endorsing county is eligible to receive 4719

a grant under this section only if the projected incremental 4720
increase in receipts from the tax imposed under section 5739.02 of 4721
the Revised Code, as determined by the director, exceeds two 4722
hundred fifty thousand dollars. The amount of the grant ~~shall be~~ 4723
shall be not less than fifty per cent of the projected incremental 4724
increase in receipts, as determined by the director, but shall not 4725
exceed the lesser of two million dollars or the amount of the 4726
committee's, municipality's, or county's qualifying costs under 4727
the game support contract. The director shall disburse the grant 4728
to the local organizing committee, endorsing municipality, or 4729
endorsing county from the sports event grant fund. 4730

(B) If the director of development services approves an 4731
application for a local organizing committee, endorsing 4732
municipality, or endorsing county and that local organizing 4733
committee, endorsing municipality, or endorsing county enters into 4734
a joinder agreement with a site selection organization, the local 4735
organizing committee, endorsing municipality, or endorsing county 4736
shall file a copy of the joinder agreement with the director. The 4737
grant shall be used exclusively by the local organizing committee, 4738
endorsing municipality, or endorsing county to pay its qualifying 4739
costs under the game support contract. 4740

(C) For the purposes of division (A) of this section, the 4741
director of development services, in consultation with the tax 4742
commissioner, shall designate the market area for a game. The 4743
market area shall consist of the combined statistical area, as 4744
defined by the United States office of management and budget, in 4745
which an endorsing municipality or endorsing county is located. 4746

(D) A local organizing committee, endorsing municipality, or 4747
endorsing county shall provide information required by the 4748
director of development services and tax commissioner to enable 4749
the director and commissioner to fulfill their duties under this 4750
section, including annual audited statements of any financial 4751

records required by a site selection organization; data obtained 4752
by the local organizing committee, endorsing municipality, or 4753
endorsing county relating to attendance at a game and to the 4754
economic impact of the game; and financial records from the 4755
committee, municipality, or county verifying its qualifying costs 4756
under the game support contract. A local organizing committee, an 4757
endorsing municipality, or an endorsing county shall provide an 4758
annual audited financial statement if so required by the director 4759
and commissioner, not later than the end of the fourth month after 4760
the date the period covered by the financial statement ends. 4761

(E) Within thirty days after the game, the local organizing 4762
committee, endorsing municipality, or endorsing county shall 4763
certify to the director of development services a statement of its 4764
qualifying costs under the game support contract and a report 4765
about the economic impact of the game. The certification shall be 4766
in the form and substance required by the director, including, but 4767
not limited to, a final income statement for the event showing 4768
total revenue and expenditures and revenue and expenditures in the 4769
market area for the game, and ticket sales for the game and any 4770
related activities for which admission was charged. The director 4771
shall determine, based on the reported information and the 4772
exercise of reasonable judgment, the incremental increase in 4773
receipts from the tax imposed under section 5739.02 of the Revised 4774
Code directly attributable to the game and the committee's, 4775
municipality's, or county's qualifying costs under the game 4776
support contract. If the actual incremental increase in sales tax 4777
receipts is less than the projected incremental increase in such 4778
receipts, or if the actual qualifying costs are less than the 4779
estimated qualifying costs, the director may require the local 4780
organizing committee, endorsing municipality, or endorsing county 4781
to refund to the state all or a portion of the grant. Any refund 4782
remitted under this division shall be credited to the sports event 4783
grant fund. 4784

(F) No disbursement may be made under this section if the 4785
director of development services determines that it would be used 4786
for the purpose of soliciting the relocation of a professional 4787
sports franchise located in this state. 4788

(G) This section may not be construed as creating or 4789
requiring a state guarantee of obligations imposed on an endorsing 4790
municipality or endorsing county under a game support contract or 4791
any other agreement relating to hosting one or more games in this 4792
state. 4793

Sec. 122.171. (A) As used in this section: 4794

(1) "Capital investment project" means a plan of investment 4795
at a project site for the acquisition, construction, renovation, 4796
or repair of buildings, machinery, or equipment, or for 4797
capitalized costs of basic research and new product development 4798
determined in accordance with generally accepted accounting 4799
principles, but does not include any of the following: 4800

(a) Payments made for the acquisition of personal property 4801
through operating leases; 4802

(b) Project costs paid before January 1, 2002; 4803

(c) Payments made to a related member as defined in section 4804
5733.042 of the Revised Code or to a consolidated elected taxpayer 4805
or a combined taxpayer as defined in section 5751.01 of the 4806
Revised Code. 4807

(2) "Eligible business" means a taxpayer and its related 4808
members with Ohio operations ~~satisfying all of the following that~~ 4809
had a capital investment project reviewed and approved by the tax 4810
credit authority as provided in divisions (C), (D), and (E) of 4811
this section and that satisfies either of the following 4812
requirements: 4813

(a) ~~The~~ If engaged at the project site primarily in 4814

significant corporate administrative functions, as defined by the 4815
director of development services by rule, the taxpayer meets both 4816
of the following criteria: 4817

(i) The taxpayer either is located in a foreign trade zone, 4818
employs at least five hundred full-time equivalent employees, or 4819
has an annual Ohio employee payroll of at least thirty-five 4820
million dollars at the time the tax credit authority grants the 4821
tax credit under this section; 4822

~~(b) (ii) The taxpayer makes or causes to be made payments for~~ 4823

(B) The tax credit authority created under section 122.17 of the Revised Code may grant a nonrefundable tax credit to an eligible business under this section for the purpose of fostering job retention in this state. Upon application by an eligible business and upon consideration of the determination of the director of budget and management, tax commissioner, and the superintendent of insurance in the case of an insurance company, and the recommendation and determination of the director of development services under division (C) of this section, the tax credit authority may grant the credit against the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 5751.02 of the Revised Code.

The credit amount may not be based on the Ohio employee payroll for a calendar year before the calendar year in which the tax credit authority specifies the

director of development services shall prescribe the form of the 4922

management, the tax commissioner, and the superintendent of 4925
insurance in the case of an insurance company, each of whom shall 4926
review the application to determine the economic impact the 4927
proposed project would have on the state and the affected 4928
political subdivisions and shall submit a summary of their 4929
determinations to the authority. The authority shall also forward 4930
a copy of the application to the director of development services, 4931
who shall review the application to determine the economic impact 4932
the proposed project would have on the state and the affected 4933
political subdivisions and shall submit a summary of the 4934
director's determinations and recommendations to the authority. 4935

(D) Upon review and consideration of the determinations and 4936
recommendations described in division (C) of this section, the tax 4937
credit authority may enter into an agreement with the taxpayer for 4938
a credit under this section if the authority determines all of the 4939

following: 4940

(1) The taxpayer's capital investment project will result in 4941
the retention of employment in this state. 4942

(2) The taxpayer is economically sound and has the ability to 4943
complete the proposed capital investment project. 4944

(3) The taxpayer intends to and has the ability to maintain 4945

decision to begin, continue with, or complete the project. 4949

(E) An agreement under this section shall include all of the 4950
following: 4951

(1) A detailed description of the project that is the subject 4952
of the agreement, including the amount of the investment, the 4953

state for the entire term of the credit, ~~or a requirement that the~~ 4967
~~taxpayer~~ maintain an annual Ohio employee payroll of at least 4968
thirty-five million dollars for the entire term of the credit, or 4969

remain located in a foreign trade zone for the entire term of the 4970
credit; 4971

credit. 4977

(5) A requirement that the taxpayer annually report to the 4978
director of development services full-time equivalent employees, 4979
Ohio employee payroll, capital investment, and other information 4980

section. 4982

(6) A requirement that the director of development services 4983
annually review the annual reports of the taxpayer to verify the 4984
information reported under division (E)(5) of this section and 4985
compliance with the agreement. Upon verification, the director 4986
shall issue a certificate to the taxpayer stating that the 4987
information has been verified and identifying the amount of the 4988
credit for the taxable year or calendar year that includes the tax 4989
period. In determining the number of full-time equivalent 4990
employees, no position shall be counted that is filled by an 4991
employee who is included in the calculation of a tax credit under 4992
section 122.17 of the Revised Code. 4993

(7) A provision providing that the taxpayer may not relocate 4994
a substantial number of employment positions from elsewhere in 4995
this state to the project site unless the director of development 4996
services determines that the taxpayer notified the legislative 4997
authority of the county, township, or municipal corporation from 4998
which the employment positions would be relocated. 4999

For purposes of this section, the movement of an employment 5000

position from one political subdivision to another political 5001
subdivision shall be considered a relocation of an employment 5002
position unless the movement is confined to the project site. The 5003
transfer of an employment position from one political subdivision 5004
to another political subdivision shall not be considered a 5005
relocation of an employment position if the employment position in 5006
the first political subdivision is replaced by another employment 5007
position. 5008

(8) A waiver by the taxpayer of any limitations periods 5009
relating to assessments or adjustments resulting from the 5010
taxpayer's failure to comply with the agreement. 5011

(F) If a taxpayer fails to meet or comply with any condition 5012
or requirement set forth in a tax credit agreement, the tax credit 5013
authority may amend the agreement to reduce the percentage or term 5014
of the credit. The reduction of the percentage or term may take 5015
effect in the current taxable or calendar year. 5016

(G) Financial statements and other information submitted to 5017
the department of development services or the tax credit authority 5018
by an applicant for or recipient of a tax credit under this 5019
section, and any information taken for any purpose from such 5020
statements or information, are not public records subject to 5021
section 149.43 of the Revised Code. However, the chairperson of 5022
the authority may make use of the statements and other information 5023
for purposes of issuing public reports or in connection with court 5024
proceedings concerning tax credit agreements under this section. 5025
Upon the request of the tax commissioner, or the superintendent of 5026
insurance in the case of an insurance company, the chairperson of 5027
the authority shall provide to the commissioner or superintendent 5028
any statement or other information submitted by an applicant for 5029
or recipient of a tax credit in connection with the credit. The 5030

of the statement or other information. 5032

(H) A taxpayer claiming a tax credit under this section shall 5033
submit to the tax commissioner or, in the case of an insurance 5034
company, to the superintendent of insurance, a copy of the 5035
director of development services' certificate of verification 5036
under division (E)(6) of this section with the taxpayer's tax 5037
report or return for the taxable year or for the calendar year 5038
that includes the tax period. Failure to submit a copy of the 5039
certificate with the report or return does not invalidate a claim 5040
for a credit if the taxpayer submits a copy of the certificate to 5041
the commissioner or superintendent within the time prescribed by 5042
section 5703.0510 of the Revised Code or within thirty days after 5043
the commissioner or superintendent requests it. 5044

a partnership, a corporation that has made an election under 5046
subchapter S of chapter one of subtitle A of the Internal Revenue 5047
Code, or any other business entity through which income flows as a 5048
distributive share to its owners. A partnership, S-corporation, or 5049
other such business entity may elect to pass the credit received 5050
under this section through to the persons to whom the income or 5051
profit of the partnership, S-corporation, or other entity is 5052
distributed. The election shall be made on the annual report 5053
required under division (E)(5) of this section. The election 5054
applies to and is irrevocable for the credit for which the report 5055
is submitted. If the election is made, the credit shall be 5056
apportioned among those persons in the same proportions as those 5057
in which the income or profit is distributed. 5058

(J)(1) If the director of development services determines 5059
that a taxpayer that received a certificate under division (E)(6) 5060
of this section is not complying with the requirements of the 5061
agreement, the director shall notify the tax credit authority of 5062
the noncompliance. After receiving such a notice, and after giving 5063
the taxpayer an opportunity to explain the noncompliance, the 5064

authority may terminate the agreement and require the taxpayer, or
any related member or members that claimed the tax credit under
division (N) of this section, to refund to the state all or a
portion of the credit claimed in previous years, as follows:

(a) If the taxpayer fails to comply with the requirement
under division (E)(3) of this section, an amount determined in
accordance with the following:

(i) If the taxpayer maintained operations at the project site
for less than or equal to the term of the credit, an amount not to
exceed one hundred per cent of the sum of any tax credits allowed
and received under this section.

(ii) If the taxpayer maintained operations at the project
site longer than the term of the credit, but less than the greater
of seven years or the term of the credit plus three years, the
amount required to be refunded shall not exceed seventy-five per
cent of the sum of any tax credits allowed and received under this
section.

number of full-time equivalent employees and the amount of Ohio
employee payroll,~~ satisfy the employment, payroll, or location
requirements required under the agreement, as prescribed under
division (E)(4)(a) or (b), as applicable to the taxpayer, at any
time during the term of the agreement or during the post-term
reporting period, an amount determined at the discretion of the
authority.

(2) If a taxpayer files for bankruptcy and fails as described
in division (J)(1)(a) or (b) of this section, the director may
immediately commence an action to recoup an amount not exceeding
one hundred per cent of the sum of any credits received by the
taxpayer under this section.

(3) In determining the portion of the credit to be refunded

to this state, the authority shall consider the effect of market 5096
conditions on the taxpayer's project and whether the taxpayer 5097
continues to maintain other operations in this state. After making 5098
the determination, the authority shall certify the amount to be 5099
refunded to the tax commissioner or the superintendent of 5100
insurance. If the taxpayer, or any related member or members who 5101
claimed the tax credit under division (N) of this section, is not 5102
an insurance company, the commissioner shall make an assessment 5103
for that amount against the taxpayer under Chapter 5726., 5733., 5104
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 5105
any related member or members that claimed the tax credit under 5106
division (N) of this section, is an insurance company, the 5107
superintendent of insurance shall make an assessment under section 5108
5725.222 or 5729.102 of the Revised Code. The time limitations on 5109
assessments under those chapters and sections do not apply to an 5110
assessment under this division, but the commissioner or 5111
superintendent shall make the assessment within one year after the 5112
date the authority certifies to the commissioner or superintendent 5113
the amount to be refunded. 5114

(K) The director of development services, after consultation 5115
with the tax commissioner and the superintendent of insurance and 5116
in accordance with Chapter 119. of the Revised Code, shall adopt 5117
rules necessary to implement this section. The rules may provide 5118
for recipients of tax credits under this section to be charged 5119
fees to cover administrative costs of the tax credit program. The 5120
fees collected shall be credited to the tax incentives operating 5121
fund created in section 122.174 of the Revised Code. At the time 5122
the director gives public notice under division (A) of section 5123
119.03 of the Revised Code of the adoption of the rules, the 5124
director shall submit copies of the proposed rules to the 5125
chairpersons of the standing committees on economic development in 5126
the senate and the house of representatives. 5127

(L) On or before the first day of August of each year, the 5128
director of development services shall submit a report to the 5129
governor, the president of the senate, and the speaker of the 5130
house of representatives on the tax credit program under this 5131
section. The report shall include information on the number of 5132
agreements that were entered into under this section during the 5133
preceding calendar year, a description of the project that is the 5134
subject of each such agreement, and an update on the status of 5135
projects under agreements entered into before the preceding 5136
calendar year. 5137

(M) The aggregate amount of nonrefundable tax credits issued 5138
under this section during any calendar year for capital investment 5139
projects reviewed and approved by the tax credit authority may not 5140
exceed the following amounts: 5141

ninety-five million dollars. 5146

The limitations in division (M) of this section do not apply 5147
to credits for capital investment projects approved by the tax 5148
credit authority before July 1, 2009. 5149

(N) This division applies only to an eligible business that 5150
is part of an affiliated group that includes a diversified savings 5151
and loan holding company or a grandfathered unitary savings and 5152
loan holding company, as those terms are defined in section 5153
5726.01 of the Revised Code. Notwithstanding any contrary 5154
provision of the agreement between such an eligible business and 5155
the tax credit authority, any credit granted under this section 5156

the tax credit authority, may be shared with any member or members 5160

by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 5163
of the Revised Code. Credits shall be claimed by the eligible 5164
business in sequential order, as applicable, first claiming the 5165

certificate holder is subject to, then against the tax imposed by, 5167
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 5168
lastly 5726.02 of the Revised Code. The credits may be allocated 5169
among the members of the affiliated group in such manner as the 5170
eligible business elects, but subject to the sequential order 5171
required under this division. This division applies to credits 5172
granted before, on, or after March 27, 2013, the effective date of 5173

(5) "Eligible computer data center" means a computer data 5268
center that satisfies all of the following requirements: 5269

(a) One or more taxpayers operating a computer data center 5270
business at the project site will, in the aggregate, make payments 5271
for a capital investment project of at least one hundred million 5272
dollars at the project site during one of the following cumulative 5273
periods: 5274

(i) For projects beginning in 2013, six consecutive calendar 5275

(ii) For projects beginning in 2014, four consecutive 5277
calendar years; 5278

(iii) For projects beginning in or after 2015, three 5279
consecutive calendar years. 5280

(b) One or more taxpayers operating a computer data center 5281
business at the project site will, in the aggregate, pay annual 5282
compensation that is subject to the withholding obligation imposed 5283
under section 5747.06 of the Revised Code of at least one million 5284
five hundred thousand dollars to employees employed at the project 5285
site for each year of the agreement beginning on or after the 5286
first day of the twenty-fifth month after the agreement was 5287
entered into under this section. 5288

(6) "Person" has the same meaning as in section 5701.01 of 5289
the Revised Code. 5290

(7) "Project site," "related member," and "tax credit 5291
authority" have the same meanings as in sections 122.17 and 5292
122.171 of the Revised Code. 5293

(8) "Taxpayer" means any person subject to the taxes imposed 5294
under Chapters 5739. and 5741. of the Revised Code. 5295

exempt from the taxes levied under Chapters 5739. and 5741. of the 5297
Revised Code the sale, storage, use, or other consumption of 5298
computer data center equipment used or to be used at an eligible 5299
computer data center. Any such exemption shall extend to charges 5300
for the delivery, installation, or repair of the computer data 5301
center equipment subject to the exemption under this section. 5302

(C) A taxpayer that proposes a capital improvement project 5303
for an eligible computer data center in this state may apply to 5304
the tax credit authority to enter into an agreement under this 5305
section authorizing a complete or partial exemption from the taxes 5306
imposed under Chapters 5739. and 5741. of the Revised Code on 5307
computer data center equipment purchased by the applicant or any 5308
other taxpayer that operates a computer data center business at 5309
the project site and used or to be used at the eligible computer 5310
data center. The director of development services shall prescribe 5311

the form of the application. After receipt of an application, the authority shall forward copies of the application to the director of budget and management and the tax commissioner, each of whom shall review the application to determine the economic impact that the proposed eligible computer data center would have on the state and any affected political subdivisions and submit to the authority a summary of their determinations. The authority shall also forward a copy of the application to the director of development services who shall review the application to determine the economic impact that the proposed eligible computer data center would have on the state and the affected political subdivisions and shall submit a summary of their determinations and recommendations to the authority.

(D) Upon review and consideration of such determinations and recommendations, the tax credit authority may enter into an agreement with the applicant and any other taxpayer that operates a computer data center business at the project site for a complete or partial exemption from the taxes imposed under Chapters 5739. and 5741. of the Revised Code on computer data center equipment used or to be used at an eligible computer data center if the authority determines all of the following:

(1) The capital investment project for the eligible computer data center will increase payroll and the amount of income taxes to be withheld from employee compensation pursuant to section 5747.06 of the Revised Code.

(2) The applicant is economically sound and has the ability to complete or effect the completion of the proposed capital investment project.

(3) The applicant intends to and has the ability to maintain operations at the project site for the term of the agreement.

(4) Receiving the exemption is a major factor in the

applicant's decision to begin, continue with, or complete the 5343
capital investment project. 5344

(E) An agreement entered into under this section shall 5345
include all of the following: 5346

(1) A detailed description of the capital investment project 5347
that is the subject of the agreement, including the amount of the 5348
investment, the period over which the investment has been or is 5349
being made, the annual compensation to be paid by each taxpayer 5350
subject to the agreement to its employees at the project site, and 5351
the anticipated amount of income taxes to be withheld from 5352
employee compensation pursuant to section 5747.06 of the Revised 5353
Code. 5354

(2) The percentage of the exemption from the taxes imposed 5355
under Chapters 5739. and 5741. of the Revised Code for the 5356
computer data center equipment used or to be used at the eligible 5357
computer data center, the length of time the computer data center 5358
equipment will be exempted, and the first date on which the 5359
exemption applies. 5360

(3) A requirement that the computer data center remain an 5361
eligible computer data center during the term of the agreement and 5362
that the applicant maintain operations at the eligible computer 5363
data center during that term. An applicant does not violate the 5364
requirement described in division (E)(3) of this section if the 5365
applicant ceases operations at the eligible computer data center 5366
during the term of the agreement but resumes those operations 5367
within eighteen months after the date of cessation. The agreement 5368
shall provide that, in such a case, the applicant and any other 5369
taxpayer that operates a computer data center business at the 5370
project site shall not claim the tax exemption authorized in the 5371
agreement for any purchase of computer data center equipment made 5372
during the period in which the applicant did not maintain 5373
operations at the eligible computer data center. 5374

(4) A requirement that, for each year of the term of the agreement beginning on or after the first day of the twenty-fifth month after the date the agreement was entered into, one or more taxpayers operating a computer data center business at the project site will, in the aggregate, pay annual compensation that is subject to the withholding obligation imposed under section 5747.06 of the Revised Code of at least one million five hundred thousand dollars to employees at the eligible computer data center.

(5) A requirement that each taxpayer subject to the agreement annually report to the director of development services employment, tax withholding, capital investment, and other information required by the director to perform the director's duties under this section.

(6) A requirement that the director of development services annually review the annual reports of each taxpayer subject to the agreement to verify the information reported under division (E)(5) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to each such taxpayer stating that the information has been verified and that the taxpayer remains eligible for the exemption specified in the agreement.

(7) A provision providing that the taxpayers subject to the agreement may not relocate a substantial number of employment positions from elsewhere in this state to the project site unless the director of development services determines that the appropriate taxpayer notified the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated. For purposes of this paragraph, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position unless the

movement is confined to the project site. The transfer of an 5407
employment position from one political subdivision to another 5408
political subdivision shall not be considered a relocation of an 5409
employment position if the employment position in the first 5410
political subdivision is replaced by another employment position. 5411

(8) A waiver by each taxpayer subject to the agreement of any 5412
limitations periods relating to assessments or adjustments 5413
resulting from the taxpayer's failure to comply with the 5414
agreement. 5415

(F) The term of an agreement under this section shall be 5416
determined by the tax credit authority, and the amount of the 5417
exemption shall not exceed one hundred per cent of such taxes that 5418
would otherwise be owed in respect to the exempted computer data 5419
center equipment. 5420

(G) If any taxpayer subject to an agreement under this 5421
section fails to meet or comply with any condition or requirement 5422
set forth in the agreement, the tax credit authority may amend the 5423
agreement to reduce the percentage of the exemption or term during 5424
which the exemption applies to the computer data center equipment 5425
used or to be used by the noncompliant taxpayer at an eligible 5426
computer data center. The reduction of the percentage or term may 5427
take effect in the current calendar year. 5428

(H) Financial statements and other information submitted to 5429
the department of development services or the tax credit authority 5430
by an applicant for or recipient of an exemption under this 5431
section, and any information taken for any purpose from such 5432
statements or information, are not public records subject to 5433
section 149.43 of the Revised Code. However, the chairperson of 5434
the authority may make use of the statements and other information 5435
for purposes of issuing public reports or in connection with court 5436
proceedings concerning tax exemption agreements under this 5437
section. Upon the request of the tax commissioner, the chairperson 5438

of the authority shall provide to the tax commissioner any 5439
statement or other information submitted by an applicant for or 5440
recipient of an exemption under this section. The tax commissioner 5441
shall preserve the confidentiality of the statement or other 5442
information. 5443

(I) The tax commissioner shall issue a direct payment permit 5444
under section 5739.031 of the Revised Code to each taxpayer 5445
subject to an agreement under this section. Such direct payment 5446
permit shall authorize the taxpayer to pay any sales and use taxes 5447
due on purchases of computer data center equipment used or to be 5448
used in an eligible computer data center and to pay any sales and 5449
use taxes due on purchases of tangible personal property or 5450
taxable services other than computer data center equipment used or 5451
to be used in an eligible computer data center directly to the tax 5452
commissioner. Each such taxpayer shall pay pursuant to such direct 5453
payment permit all sales tax levied on such purchases under 5454
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 5455
Code and all use tax levied on such purchases under sections 5456
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 5457
consistent with the terms of the agreement entered into under this 5458
section. 5459

During the term of an agreement under this section each 5460
taxpayer subject to the agreement shall submit to the tax 5461
commissioner a return that shows the amount of computer data 5462
center equipment purchased for use at the eligible computer data 5463
center, the amount of tangible personal property and taxable 5464
services other than computer data center equipment purchased for 5465
use at the eligible computer data center, the amount of tax under 5466
Chapter 5739. or 5741. of the Revised Code that would be due in 5467
the absence of the agreement under this section, the exemption 5468
percentage for computer data center equipment specified in the 5469
agreement, and the amount of tax due under Chapter 5739. or 5741. 5470

of the Revised Code as a result of the agreement under this 5471
section. Each such taxpayer shall pay the tax shown on the return 5472
to be due in the manner and at the times as may be further 5473
prescribed by the tax commissioner. Each such taxpayer shall 5474
include a copy of the director of development services' 5475
certificate of verification issued under division (E)(6) of this 5476
section. Failure to submit a copy of the certificate with the 5477
return does not invalidate the claim for exemption if the taxpayer 5478
submits a copy of the certificate to the tax commissioner within 5479
the time prescribed by section 5703.0510 of the Revised Code. 5480

(J) If the director of development services determines that 5481
one or more taxpayers received an exemption from taxes due on the 5482
purchase of computer data center equipment purchased for use at a 5483
computer data center that no longer complies with the requirement 5484
under division (E)(3) of this section, the director shall notify 5485
the tax credit authority and, if applicable, the taxpayer that 5486
applied to enter the agreement for the exemption under division 5487
(C) of this section of the noncompliance. After receiving such a 5488
notice, and after giving each taxpayer subject to the agreement an 5489
opportunity to explain the noncompliance, the authority may 5490
terminate the agreement and require each such taxpayer to pay to 5491
the state all or a portion of the taxes that would have been owed 5492
in regards to the exempt equipment in previous years, all as 5493
determined under rules adopted pursuant to division (K) of this 5494
section. In determining the portion of the taxes that would have 5495
been owed on the previously exempted equipment to be paid to this 5496
state by a taxpayer, the authority shall consider the effect of 5497
market conditions on the eligible computer data center, whether 5498
the taxpayer continues to maintain other operations in this state, 5499
and, with respect to agreements involving multiple taxpayers, the 5500
taxpayer's level of responsibility for the noncompliance. After 5501
making the determination, the authority shall certify to the tax 5502
commissioner the amount to be paid by each taxpayer subject to the 5503

agreement. The tax commissioner shall make an assessment for that 5504
amount against each such taxpayer under Chapter 5739. or 5741. of 5505
the Revised Code. The time limitations on assessments under those 5506
chapters do not apply to an assessment under this division, but 5507
the tax commissioner shall make the assessment within one year 5508
after the date the authority certifies to the tax commissioner the 5509
amount to be paid by the taxpayer. 5510

(K) The director of development services, after consultation 5511
with the tax commissioner and in accordance with Chapter 119. of 5512
the Revised Code, shall adopt rules necessary to implement this 5513
section. The rules may provide for recipients of tax exemptions 5514
under this section to be charged fees to cover administrative 5515
costs incurred in the administration of this section. The fees 5516
collected shall be credited to the tax incentives operating fund 5517
created in section 122.174 of the Revised Code. At the time the 5518
director gives public notice under division (A) of section 119.03 5519
of the Revised Code of the adoption of the rules, the director 5520
shall submit copies of the proposed rules to the chairpersons of 5521
the standing committees on economic development in the senate and 5522
the house of representatives. 5523

(L) On or before the first day of August of each year, the 5524
director of development services shall submit a report to the 5525
governor, the president of the senate, and the speaker of the 5526
house of representatives on the tax exemption authorized under 5527
this section. The report shall include information on the number 5528
of agreements that were entered into under this section during the 5529
preceding calendar year, a description of the eligible computer 5530
data center that is the subject of each such agreement, and an 5531
update on the status of eligible computer data centers under 5532
agreements entered into before the preceding calendar year. 5533

(M) A taxpayer may be made a party to an existing agreement 5534
entered into under this section by the tax credit authority and 5535

another taxpayer or group of taxpayers. In such a case, the 5536
taxpayer shall be entitled to all benefits and bound by all 5537
obligations contained in the agreement and all requirements 5538
described in this section. When an agreement includes multiple 5539
taxpayers, each taxpayer shall be entitled to a direct payment 5540
permit as authorized in division (I) of this section. 5541

Sec. 122.178. (A) As used in this section, "microcredential" 5542
means an industry-recognized credential or certificate that an 5543
applicant may complete in not more than one year and that is 5544
approved by the chancellor of higher education. 5545

(B) There is hereby created the TechCred program to reimburse 5546
eligible employers from appropriations made for that purpose for 5547
training costs for incumbent or prospective employees to earn a 5548
microcredential. The development services agency, in consultation 5549

training costs for incumbent or prospective employees who are 5559
residents of this state. 5560

(D)(1) Each employer seeking reimbursement for training costs 5561
for an incumbent or prospective employee shall submit an 5562
application to the director of development services that includes 5563
all of the following information for each employee: 5564

(a) The employee's position at the time of submitting the 5565

application or the position for which the employee will be 5566
qualified after earning the microcredential; 5567

(b) The training provider from which the employee will 5568
receive or received the microcredential; 5569

(c) The cost that will be incurred by the employer for the 5570
training. 5571

(2) Before receiving reimbursement for an approved 5572
application, the employer shall submit both of the following to 5573
the director: 5574

(a) Evidence that the employee earned a microcredential; 5575

(b) If the employee at the time of receiving the training was 5576
a prospective employee, evidence that the employer hired the 5577
employee for a position located in this state. 5578

(3) The director shall approve applications for reimbursement 5579
based on the priority guidelines established in division (E)(2) of 5580
this section. An employer shall receive at least five hundred 5581
dollars but not more than two thousand dollars for each 5582
microcredential an employee receives. 5583

(E) The director may do all of the following regarding the 5584
operation of the program: 5585

(1) Create a reimbursement application; 5586

(2) Establish guidelines for prioritizing approval for 5587
applications for reimbursement, including the efficiency of a wage 5588
increase for an incumbent employee or expected wage for a 5589
prospective employee; 5590

(3) Establish additional requirements for employers to be 5591
eligible for a reimbursement under this section; 5592

(4) Create an internet web site with the application for and 5593
information regarding the program created in this section and the 5594
grant program created in section 122.179 of the Revised Code. 5595

adopt rules in accordance with Chapter 119. of the Revised Code as 5597
the director considers necessary to administer the program, 5598

this section. 5600

awarded under this section to do any of the following: 5621

(1) Hire employees to coordinate industry sector partnership 5622
activities; 5623

(2) Develop curricula or other educational resources to 5624

established under division (C)(1) of this section. 5636

(D) The director may adopt rules in accordance with Chapter 5637
119. of the Revised Code as the director considers necessary to 5638

created in the state treasury for the purposes of the program 5641
established under section 122.24 of the Revised Code. The director 5642

Sec. 122.84. (A) As used in this section: 5645

(1) "Ohio qualified opportunity fund" means a qualified 5646
opportunity fund that holds one hundred per cent of its invested 5647
assets in qualified opportunity zone property situated in an Ohio 5648
opportunity zone. 5649

In the case of qualified opportunity zone property that is 5650
qualified opportunity zone stock or qualified opportunity zone 5651
partnership interest, the stock or interest is situated in an Ohio 5652

opportunity zone only if, during all of the qualified opportunity 5653
fund's holding period for such stock or interest, all of the use 5654
of the corporation's or partnership's tangible property was in an 5655
Ohio opportunity zone. In the case of qualified opportunity zone 5656
property that is qualified opportunity zone business property, the 5657
property is situated in an Ohio opportunity zone only if, during 5658
all of the fund's holding period for such property, all of the use 5659
of the property was in an Ohio opportunity zone. 5660

All terms used in division (A) of this section have the same 5661
meaning as in 26 U.S.C. 1400Z-2, except that "all" shall be 5662
substituted for "substantially all" wherever "substantially all" 5663
appears in the definition of those terms or in the definition of 5664
terms used in those terms. 5665

(2) "Ohio opportunity zone" means a qualified opportunity 5666
zone designated in this state under 26 U.S.C. 1400Z-1 before, on, 5667
or after the effective date of the enactment of this section by 5668
H.B. 166 of the 133rd general assembly. 5669

(3) "Taxpayer" and "taxable year" have the same meanings as 5670
in section 5747.01 of the Revised Code. 5671

(4) "Qualifying taxable year" means a taxpayer's taxable year 5672
that includes the first day of a calendar year during which an 5673
Ohio qualified opportunity fund in which the taxpayer invests 5674
makes an investment in a project located in an Ohio opportunity 5675
zone. 5676

(B) A taxpayer that invests in one or more Ohio qualified 5677
opportunity funds may apply to the director of development 5678
services for a nonrefundable credit against the tax levied under 5679
section 5747.02 of the Revised Code. The application shall be made 5680
on forms prescribed by the director on or after the first day of 5681
January and on or before the first day of February of each year. 5682
The credit shall equal ten per cent of the amount of the 5683

taxpayer's investment in the fund that the fund invested during 5684
the preceding calendar year in projects located in Ohio 5685
opportunity zones. 5686

The taxpayer shall include the following information with the 5687
taxpayer's application: 5688

(1) The amount of the taxpayer's investment in Ohio qualified 5689
opportunity funds during the taxpayer's qualifying taxable year, 5690

taxpayer invested in more than one such fund; 5692

(2) A statement from an employee or officer of each Ohio 5693
qualified opportunity fund identified by the taxpayer under 5694
division (B)(1) of this section certifying the amount of the 5695
taxpayer's investment in the fund and the amount of that 5696
investment the fund invested in projects located in Ohio 5697
opportunity zones during the preceding calendar year. The 5698
statement shall describe each project funded by the investment and 5699
state each project's location and the portion of the taxpayer's 5700
investment invested in each such project. Unless the fund 5701
demonstrates otherwise to the director's satisfaction, the amount 5702
of a taxpayer's investment that the fund invested in a project 5703
located in an Ohio opportunity zone equals the same proportion of 5704
the amount of the fund's investment in the project as the 5705
taxpayer's investment in the fund bears to the total investment by 5706
all investors in that fund on the date the fund makes the 5707
investment in the project. 5708

The director shall review applications in the order in which 5709
applications are received. 5710

(C)(1) Subject to division (C)(2) of this section, if the 5711
director determines that the applicant qualifies for a credit 5712
under this section, the director shall issue, within sixty days 5713
after the receipt of a complete application under division (B) of 5714

this section, a tax credit certificate to the taxpayer identified 5715
with a unique number and listing the amount of credit the director 5716
determines the taxpayer is eligible to claim. 5717

(2) The director shall not issue certificates in a total 5718
amount that would cause the tax credits claimed in any fiscal 5719
biennium to exceed fifty million dollars. The director shall not 5720
issue certificates to a single applicant in an amount that would 5721
cause the tax credits claimed in any fiscal biennium by that 5722
applicant, and any person to whom the applicant transfers the 5723
certificate under division (E) of this section, to exceed one 5724
million dollars. 5725

The director may not issue a certificate under this section 5726
on the basis of any investment for which a small business 5727
investment certificate has been issued under section 122.86 of the 5728
Revised Code. 5729

(3) The credit may be claimed for the taxpayer's qualifying 5730
taxable year or the next ensuing taxable year. The taxpayer shall 5731
claim the credit in the order prescribed by section 5747.98 of the 5732
Revised Code. Any unused amount may be carried forward for the 5733
following five taxable years. If the certificate is issued to a 5734
pass-through entity for an investment by the entity, any taxpayer 5735
that is a direct or indirect investor in the pass-through entity 5736
on the last day of the entity's qualifying taxable year may claim 5737
the taxpayer's proportionate or distributive share of the credit 5738
against the taxpayer's aggregate amount of tax levied under that 5739
section. 5740

date it is certified as a tax credit-eligible production, the 5908
director shall rescind the certification unless the director finds 5909

director shall notify the applicant that the certification has 5914
been rescinded. Nothing in this section prohibits an applicant 5915

(C)(1) A ~~motion picture~~ production company whose motion 5919

tax credit-eligible production may apply to the director of 5921
development services on or after July 1, 2009, for a refundable 5922

consultation with the tax commissioner shall prescribe the form 5925

required to be submitted with the application. 5927

The credit is determined as follows: 5928

(a) If the total budgeted eligible ~~production~~ expenditures 5929
stated in the application submitted under division (B) of this 5930
section or the actual eligible ~~production~~ expenditures as finally 5931

determined under division (D) of this section, whichever is least, 5932
is less than or equal to three hundred thousand dollars, no credit 5933
is allowed; 5934

(b) If the total budgeted eligible ~~production~~ expenditures 5935
stated in the application submitted under division (B) of this 5936
section or the actual eligible ~~production~~ expenditures as finally 5937
determined under division (D) of this section, whichever is least, 5938
is greater than three hundred thousand dollars, the credit equals 5939
thirty per cent of the least of such budgeted or actual eligible 5940
expenditure amounts. 5941

(2) Except as provided in division (C)(4) of this section, if 5942
the director of development services approves a ~~motion picture~~ 5943
production company's application for a credit, the director shall 5944
issue a tax credit certificate to the company. The director in 5945
consultation with the tax commissioner shall prescribe the form 5946

unique identifying number to each tax credit certificate and shall 5948
record the certificate in a register devised and maintained by the 5949

based and the amount of the credit. Upon the issuance of a 5952
certificate, the director shall certify to the tax commissioner 5953
the name of the applicant, the amount of eligible ~~production~~ 5954
expenditures shown on the certificate, the amount of the credit, 5955
and any other information required by the rules adopted to 5956
administer this section. 5957

(3) The amount of eligible ~~production~~ expenditures for which 5958
a tax credit may be claimed is subject to inspection and 5959
examination by the tax commissioner or employees of the 5960
commissioner under section 5703.19 of the Revised Code and any 5961
other applicable law. Once the eligible ~~production~~ expenditures 5962
are finally determined under section 5703.19 of the Revised Code 5963

and division (D) of this section, the credit amount is not subject 5964
to adjustment unless the director determines an error was 5965
committed in the computation of the credit amount. 5966

(4) No tax credit certificate may be issued before the 5967
completion of the tax credit-eligible production. Not more than 5968
forty million dollars of tax credit may be allowed per fiscal year 5969
~~beginning July 1, 2016,~~ provided that, for any fiscal year in 5970
which the amount of tax credits allowed under this section is less 5971
than that maximum annual amount, the amount not allowed for that 5972
fiscal year shall be added to the maximum annual amount that may 5973
be allowed for the following fiscal year. 5974

(5) ~~In approving~~ The director shall review and approve 5975
applications for tax credits under this section in two rounds each 5976
fiscal year. The first round of credits shall be awarded not later 5977
than the last day of July of the fiscal year, and the second round 5978
of credits shall be awarded not later than the last day of the 5979
ensuing January. The amount of credits awarded in the first round 5980
of applications each fiscal year shall not exceed twenty million 5981
dollars plus any credit allotment that was not awarded in the 5982
preceding fiscal year and carried over under division (C)(4) of 5983
this section. For each round, the director shall rank applications 5984
on the basis of the extent of positive economic impact each tax 5985
credit-eligible production is likely to have in this state and the 5986
effect on developing a permanent workforce in motion picture or 5987
theatrical production industries in the state. For the purpose of 5988
such ranking, the director shall give priority to tax-credit 5989
eligible productions that are television series or miniseries due 5990
to the long-term commitment typically associated with such 5991
productions. The economic impact ranking shall be based on the 5992
production company's total expenditures in this state directly 5993
associated with the tax credit-eligible production. The effect on 5994
developing a permanent workforce in the motion picture or 5995

theatrical production industries shall be evaluated first by the 5996
number of new jobs created and second by amount of payroll added 5997
with respect to employees in this state. 5998

The director shall approve productions in the order of their 5999
ranking, from those with the greatest positive economic impact and 6000
workforce development effect to those with the least positive 6001
economic impact and workforce development effect. 6002

(D) A ~~motion picture~~ production company whose motion picture 6003
or Broadway theatrical production has been certified as a tax 6004
credit-eligible production shall engage, at the company's expense, 6005
an independent certified public accountant to examine the 6006
company's production, postproduction, and advertising and 6007
promotion expenditures to identify the expenditures that qualify 6008
as eligible ~~production~~ expenditures. The certified public 6009
accountant shall issue a report to the company and to the director 6010
of development services certifying the company's eligible 6011
~~production~~ expenditures and any other information required by the 6012
director. Upon receiving and examining the report, the director 6013
may disallow any expenditure the director determines is not an 6014
eligible ~~production~~ expenditure. If the director disallows an 6015
expenditure, the director shall issue a written notice to the 6016
~~motion picture~~ production company stating that the expenditure is 6017
disallowed and the reason for the disallowance. Upon examination 6018
of the report and disallowance of any expenditures, the director 6019
shall determine finally the lesser of the total budgeted eligible 6020
~~production~~ expenditures stated in the application submitted under 6021
division (B) of this section or the actual eligible ~~production~~ 6022
expenditures for the purpose of computing the amount of the 6023
credit. 6024

(E) No credit shall be allowed under section 5726.55, 6025
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 6026
director has reviewed the report and made the determination 6027

prescribed by division (D) of this section. 6028

(F) This state reserves the right to refuse the use of this 6029
state's name in the credits of any tax credit-eligible motion 6030
picture production or program of any Broadway theatrical 6031
production. 6032

(G)(1) The director of development services in consultation 6033
with the tax commissioner shall adopt rules for the administration 6034
of this section, including rules setting forth and governing the 6035
criteria for determining whether a motion picture or Broadway 6036
theatrical production is a tax credit-eligible production; 6037
activities that constitute the production or postproduction of a 6038
motion picture or Broadway theatrical production; reporting 6039
sufficient evidence of reviewable progress; expenditures that 6040
qualify as eligible ~~production~~ expenditures; a schedule and 6041
deadlines for applications to be submitted and reviewed; a 6042
competitive process for approving credits based on likely economic 6043
impact in this state and development of a permanent workforce in 6044
motion picture or theatrical production industries in this state; 6045
consideration of geographic distribution of credits; and 6046
implementation of the program described in division ~~(I)~~(H) of this 6047
section. The rules shall be adopted under Chapter 119. of the 6048
Revised Code. 6049

(2) To cover the administrative costs of the program, the 6050
director shall require each applicant to pay an application fee 6051
equal to the lesser of ten thousand dollars or one per cent of the 6052
estimated value of the tax credit as stated in the application. 6053
The fees collected shall be credited to the tax incentives 6054
operating fund created in section 122.174 of the Revised Code. All 6055
grants, gifts, fees, and contributions made to the director for 6056
marketing and promotion of the motion picture industry within this 6057
state shall also be credited to the fund. 6058

~~(H)(1) After the director of development services makes the~~ 6059

~~determination required under division (D) of this section, a 6060
motion picture company to which a tax credit certificate is issued 6061
may transfer the authority to claim all or a portion of the amount 6062
of the tax credit the motion picture company is authorized to 6063
claim pursuant to that certificate under section 5726.55, 5733.59, 6064
5747.66, or 5751.54 of the Revised Code to one or more other 6065
persons. Within thirty days after a transfer under this division, 6066
the motion picture company shall submit the following information 6067
to the director, on a form prescribed by the director: 6068~~

~~(a) Information necessary for the director to identify the 6069
certificate that is the basis for the transfer; 6070~~

~~The director shall deliver a copy of any submission received 6079
under division (H)(1) of this section to the tax commissioner. 6080~~

~~(2) A transferee may not claim a credit under section 6081
5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless 6082
and until the transferring motion picture company complies with 6083
division (H)(1) of this section. A transferee may claim the 6084
transferred amount of any credit or portion of a credit for the 6085
same taxable year or tax period for which the transferring motion 6086
picture company was authorized to claim the credit or portion of a 6087
credit pursuant to the certificate. A motion picture company shall 6088
make no transfer under division (H)(1) of this section after the 6089~~

~~last day of the tax period or taxable year for which the motion picture company is required to claim the credit pursuant to the certificate.~~

~~A motion picture company may make not more than one transfer under division (H)(1) of this section for each tax credit certificate, but pursuant to that transaction, may allocate the authority to claim a portion of the credit to more than one transferee. A motion picture company may not authorize more than one transferee to claim the same portion of a credit.~~

federal ~~funds~~ revenue. 7088

(2) If the federal ~~funds~~ revenue received ~~are~~ is greater than 7089
the amount of ~~such funds~~ the revenue appropriated by the general 7090
assembly for a specific purpose, the total appropriation of 7091
federal and state funds for such purpose shall remain at the 7092
amount designated by the general assembly, except that the 7093
expenditure of federal ~~funds~~ revenue received in excess of such 7094
specific appropriation may be authorized by the controlling board, 7095
subject to division (D) of this section. 7096

(3) To the extent that the expenditure of excess federal 7097
~~funds revenue~~ is authorized, the controlling board may transfer a 7098
like amount of general revenue fund appropriation authority from 7099
the affected agency to the emergency purposes appropriation of the 7100
controlling board, if such action is permitted under federal 7101
regulations. 7102

(4) Additional funds may be created by the controlling board 7103
to receive revenues not anticipated in an appropriations act for 7104
the biennium in which such new revenues are received. Subject to 7105
division (D) of this section, expenditures from such additional 7106

funds may be authorized by the controlling board, but such 7107
authorization shall not extend beyond the end of the biennium in 7108
which such funds are created. 7109

(5) Controlling board authorization for a state agency to 7110
make an expenditure of federal ~~funds~~ revenue constitutes authority 7111
for the agency to participate in the federal program providing the 7112
~~funds~~ revenue, and the agency is not required to obtain an 7113
executive order under section 107.17 of the Revised Code to 7114
participate in the federal program. 7115

(B) With respect to nonfederal ~~funds~~ revenue received into 7116
~~the waterways safety fund, the wildlife fund, and any fund of the~~ 7117

fund listed in division (D) of section 127.14 of the Revised Code: 7119

(1) No state agency may make expenditures of any ~~such funds~~ 7120
of the revenue unless the expenditures are made pursuant to 7121
specific appropriations of the general assembly. 7122

(2) If the ~~receipts~~ revenue received into any fund ~~are~~ is 7123
greater than the amount appropriated, the appropriation for that 7124
fund shall remain at the amount designated by the general assembly 7125
or, subject to division (D) of this section, as increased and 7126
approved by the controlling board. 7127

(3) Additional funds may be created by the controlling board 7128
to receive revenues not anticipated in an appropriations act for 7129
the biennium in which such new revenues are received. Subject to 7130
division (D) of this section, expenditures from such additional 7131
funds may be authorized by the controlling board, but such 7132
authorization shall not extend beyond the end of the biennium in 7133
which such funds are created. 7134

(C) The controlling board shall not authorize more than ten 7135
per cent of additional spending from the occupational licensing 7136
and regulatory fund, created in section 4743.05 of the Revised 7137

Code, in excess of any appropriation made by the general assembly 7138
to a licensing agency except an appropriation for costs related to 7139
the examination or reexamination of applicants for a license. As 7140
used in this division, "licensing agency" and "license" have the 7141
same meanings as in section 4745.01 of the Revised Code. 7142

(D) If federal revenue is received in the waterways safety 7143
fund or wildlife fund, the controlling board, at the request of 7144
the director of natural resources, may approve the expenditure of 7145
the federal revenue for purposes for which the federal revenue was 7146
granted. 7147

5747.02 of the Revised Code. 7181

(4) "Estimated general revenue fund appropriation and 7182

(B)(1) Not later than the thirty-first day of July each year, 7196
the director of budget and management shall determine the surplus 7197
revenue that existed on the preceding thirtieth day of June and 7198

transfer from the general revenue fund, to the extent of the 7199

the income tax reduction fund is of the amount of revenue that the 7218
director estimates will be received from the tax levied under 7219
section 5747.02 of the Revised Code in the current fiscal year 7220
without regard to any reduction under division (B) of that 7221

commissioner not later than the thirty-first day of July. 7224

(C) The director of budget and management shall transfer 7225

prescribed by ~~division (A) of~~ section 5747.03 and divisions (A) 7231
and (B) of section 131.51 of the Revised Code as if the amount 7232

division that affect revenue received in the current fiscal year, 7235
the director shall not transfer money from the income tax 7236
reduction fund to the general revenue fund, the local government 7237
fund, and the public library fund. 7238

(D) On or after the day the tax commissioner's adjustment to 7239
the method of determining the amount of income tax to be withheld 7240

director of budget and management shall transfer money in the 7242
income tax withholding fund to the general revenue fund, the local 7243
government fund, and the public library fund in the respective 7244
amounts and percentages prescribed under section 5747.03 and 7245
divisions (A) and (B) of section 131.51 of the Revised Code as if 7246
the amount transferred had been collected as taxes under Chapter 7247
5747. of the Revised Code. 7248

Within ten days before the last day of a fiscal year, the 7249
director shall transfer any money remaining in the income tax 7250

Sec. 131.511. (A) In addition to the amounts credited to the 7252
local government fund under section 131.51 of the Revised Code, 7253
the director of the office of budget and management shall credit 7254
monthly to the local government audit support fund a portion of 7255

(B) The director of budget and management shall develop a 7259
schedule identifying the specific tax revenue sources to be used 7260

to make the monthly transfers required under division (A) of this 7261
section. The director may, from time to time, revise the schedule 7262
of revenue sources as the director considers necessary. 7263

Sec. 133.06. (A) A school district shall not incur, without a 7264
vote of the electors, net indebtedness that exceeds an amount 7265
equal to one-tenth of one per cent of its tax valuation, except as 7266
provided in divisions (G) and (H) of this section and in division 7267
(D) of section 3313.372 of the Revised Code, or as prescribed in 7268
section 3318.052 or 3318.44 of the Revised Code, or as provided in 7269
division (J) of this section. 7270

(B) Except as provided in divisions (E), (F), and (I) of this 7271
section, a school district shall not incur net indebtedness that 7272
exceeds an amount equal to nine per cent of its tax valuation. 7273

(C) A school district shall not submit to a vote of the 7274
electors the question of the issuance of securities in an amount 7275
that will make the district's net indebtedness after the issuance 7276
of the securities exceed an amount equal to four per cent of its 7277
tax valuation, unless the superintendent of public instruction, 7278
acting under policies adopted by the state board of education, and 7279
the tax commissioner, acting under written policies of the 7280
commissioner, consent to the submission. A request for the 7281
consents shall be made at least one hundred twenty days prior to 7282
the election at which the question is to be submitted. 7283

The superintendent of public instruction shall certify to the 7284
district the superintendent's and the tax commissioner's decisions 7285
within thirty days after receipt of the request for consents. 7286

If the electors do not approve the issuance of securities at 7287
the election for which the superintendent of public instruction 7288
and tax commissioner consented to the submission of the question, 7289
the school district may submit the same question to the electors 7290
on the date that the next special election may be held under 7291

section 3501.01 of the Revised Code without submitting a new 7292
request for consent. If the school district seeks to submit the 7293
same question at any other subsequent election, the district shall 7294
first submit a new request for consent in accordance with this 7295
division. 7296

(D) In calculating the net indebtedness of a school district, 7297
none of the following shall be considered: 7298

(1) Securities issued to acquire school buses and other 7299
equipment used in transporting pupils or issued pursuant to 7300
division (D) of section 133.10 of the Revised Code; 7301

(2) Securities issued under division (F) of this section, 7302
under section 133.301 of the Revised Code, and, to the extent in 7303
excess of the limitation stated in division (B) of this section, 7304
under division (E) of this section; 7305

(3) Indebtedness resulting from the dissolution of a joint 7306
vocational school district under section 3311.217 of the Revised 7307
Code, evidenced by outstanding securities of that joint vocational 7308
school district; 7309

(4) Loans, evidenced by any securities, received under 7310
sections 3313.483, 3317.0210, and 3317.0211 of the Revised Code; 7311

(5) Debt incurred under section 3313.374 of the Revised Code; 7312

(6) Debt incurred pursuant to division (B)(5) of section 7313
3313.37 of the Revised Code to acquire computers and related 7314
hardware; 7315

(7) Debt incurred under section 3318.042 of the Revised Code; 7316

(8) Debt incurred under section 5705.2112 or 5705.2113 of the 7317
Revised Code by the fiscal board of a qualifying partnership of 7318
which the school district is a participating school district. 7319

(E) A school district may become a special needs district as 7320
to certain securities as provided in division (E) of this section. 7321

(1) A board of education, by resolution, may declare its school district to be a special needs district by determining both of the following:

(a) The student population is not being adequately serviced by the existing permanent improvements of the district.

(b) The district cannot obtain sufficient funds by the issuance of securities within the limitation of division (B) of this section to provide additional or improved needed permanent improvements in time to meet the needs.

(2) The board of education shall certify a copy of that resolution to the superintendent of public instruction with a statistical report showing all of the following:

(a) The history of and a projection of the growth of the tax valuation;

(b) The projected needs;

(c) The estimated cost of permanent improvements proposed to meet such projected needs.

(3) The superintendent of public instruction shall certify the district as an approved special needs district if the superintendent finds both of the following:

(a) The district does not have available sufficient additional funds from state or federal sources to meet the projected needs.

(b) The projection of the potential average growth of tax valuation during the next five years, according to the information certified to the superintendent and any other information the superintendent obtains, indicates a likelihood of potential average growth of tax valuation of the district during the next five years of an average of not less than one and one-half per cent per year. The findings and certification of the

superintendent shall be conclusive. 7352

(4) An approved special needs district may incur net 7353
indebtedness by the issuance of securities in accordance with the 7354
provisions of this chapter in an amount that does not exceed an 7355
amount equal to the greater of the following: 7356

(a) Twelve per cent of the sum of its tax valuation plus an 7357
amount that is the product of multiplying that tax valuation by 7358
the percentage by which the tax valuation has increased over the 7359
tax valuation on the first day of the sixtieth month preceding the 7360
month in which its board determines to submit to the electors the 7361
question of issuing the proposed securities; 7362

(b) Twelve per cent of the sum of its tax valuation plus an 7363
amount that is the product of multiplying that tax valuation by 7364
the percentage, determined by the superintendent of public 7365
instruction, by which that tax valuation is projected to increase 7366
during the next ten years. 7367

(F) A school district may issue securities for emergency 7368
purposes, in a principal amount that does not exceed an amount 7369
equal to three per cent of its tax valuation, as provided in this 7370
division. 7371

(1) A board of education, by resolution, may declare an 7372
emergency if it determines both of the following: 7373

(a) School buildings or other necessary school facilities in 7374
the district have been wholly or partially destroyed, or condemned 7375
by a constituted public authority, or that such buildings or 7376
facilities are partially constructed, or so constructed or planned 7377
as to require additions and improvements to them before the 7378
buildings or facilities are usable for their intended purpose, or 7379
that corrections to permanent improvements are necessary to remove 7380
or prevent health or safety hazards. 7381

(b) Existing fiscal and net indebtedness limitations make 7382

adequate replacement, additions, or improvements impossible. 7383

(2) Upon the declaration of an emergency, the board of 7384
education may, by resolution, submit to the electors of the 7385
district pursuant to section 133.18 of the Revised Code the 7386
question of issuing securities for the purpose of paying the cost, 7387
in excess of any insurance or condemnation proceeds received by 7388
the district, of permanent improvements to respond to the 7389
emergency need. 7390

(3) The procedures for the election shall be as provided in 7391
section 133.18 of the Revised Code, except that: 7392

(a) The form of the ballot shall describe the emergency 7393
existing, refer to this division as the authority under which the 7394
emergency is declared, and state that the amount of the proposed 7395
securities exceeds the limitations prescribed by division (B) of 7396
this section; 7397

(b) The resolution required by division (B) of section 133.18 7398
of the Revised Code shall be certified to the county auditor and 7399
the board of elections at least one hundred days prior to the 7400
election; 7401

(c) The county auditor shall advise and, not later than 7402
ninety-five days before the election, confirm that advice by 7403
certification to, the board of education of the information 7404
required by division (C) of section 133.18 of the Revised Code; 7405

(d) The board of education shall then certify its resolution 7406
and the information required by division (D) of section 133.18 of 7407
the Revised Code to the board of elections not less than ninety 7408
days prior to the election. 7409

(4) Notwithstanding division (B) of section 133.21 of the 7410
Revised Code, the first principal payment of securities issued 7411
under this division may be set at any date not later than sixty 7412
months after the earliest possible principal payment otherwise 7413

provided for in that division. 7414

(G)(1) The board of education may contract with an architect, 7415
professional engineer, or other person experienced in the design 7416
and implementation of energy conservation measures for an analysis 7417
and recommendations pertaining to installations, modifications of 7418
installations, or remodeling that would significantly reduce 7419
energy consumption in buildings owned by the district. The report 7420
shall include estimates of all costs of such installations, 7421
modifications, or remodeling, including costs of design, 7422
engineering, installation, maintenance, repairs, measurement and 7423
verification of energy savings, and debt service, forgone residual 7424
value of materials or equipment replaced by the energy 7425
conservation measure, as defined by the Ohio facilities 7426
construction commission, a baseline analysis of actual energy 7427
consumption data for the preceding three years with the utility 7428
baseline based on only the actual energy consumption data for the 7429
preceding twelve months, and estimates of the amounts by which 7430
energy consumption and resultant operational and maintenance 7431
costs, as defined by the commission, would be reduced. 7432

If the board finds after receiving the report that the amount 7433
of money the district would spend on such installations, 7434
modifications, or remodeling is not likely to exceed the amount of 7435
money it would save in energy and resultant operational and 7436
maintenance costs over the ensuing fifteen years, the board may 7437
submit to the commission a copy of its findings and a request for 7438
approval to incur indebtedness to finance the making or 7439
modification of installations or the remodeling of buildings for 7440
the purpose of significantly reducing energy consumption. 7441

The facilities construction commission, in consultation with 7442
the auditor of state, may deny a request under division (G)(1) of 7443
this section by the board of education of any school district that 7444
is in a state of fiscal watch pursuant to division (A) of section 7445

3316.03 of the Revised Code, if it determines that the expenditure 7446
of funds is not in the best interest of the school district. 7447

No district board of education of a school district that is 7448
in a state of fiscal emergency pursuant to division (B) of section 7449
3316.03 of the Revised Code shall submit a request without 7450
submitting evidence that the installations, modifications, or 7451
remodeling have been approved by the district's financial planning 7452
and supervision commission established under section 3316.05 of 7453
the Revised Code. 7454

~~No board of education of a school district for which an 7455
academic distress commission has been established under section 7456
3302.10 of the Revised Code shall submit a request without first 7457
receiving approval to incur indebtedness from the district's 7458
academic distress commission established under that section, for 7459
so long as such commission continues to be required for the 7460
district. 7461~~

(2) The board of education may contract with a person 7462
experienced in the implementation of student transportation to 7463
produce a report that includes an analysis of and recommendations 7464
for the use of alternative fuel vehicles by school districts. The 7465
report shall include cost estimates detailing the return on 7466
investment over the life of the alternative fuel vehicles and 7467
environmental impact of alternative fuel vehicles. The report also 7468
shall include estimates of all costs associated with alternative 7469
fuel transportation, including facility modifications and vehicle 7470
purchase costs or conversion costs. 7471

If the board finds after receiving the report that the amount 7472
of money the district would spend on purchasing alternative fuel 7473
vehicles or vehicle conversion is not likely to exceed the amount 7474
of money it would save in fuel and resultant operational and 7475
maintenance costs over the ensuing five years, the board may 7476
submit to the commission a copy of its findings and a request for 7477

approval to incur indebtedness to finance the purchase of new 7478
alternative fuel vehicles or vehicle conversions for the purpose 7479
of reducing fuel costs. 7480

The facilities construction commission, in consultation with 7481
the auditor of state, may deny a request under division (G)(2) of 7482
this section by the board of education of any school district that 7483
is in a state of fiscal watch pursuant to division (A) of section 7484
3316.03 of the Revised Code, if it determines that the expenditure 7485
of funds is not in the best interest of the school district. 7486

No district board of education of a school district that is 7487
in a state of fiscal emergency pursuant to division (B) of section 7488
3316.03 of the Revised Code shall submit a request without 7489
submitting evidence that the purchase or conversion of alternative 7490
fuel vehicles has been approved by the district's financial 7491
planning and supervision commission established under section 7492
3316.05 of the Revised Code. 7493

~~No board of education of a school district for which an 7494
academic distress commission has been established under section 7495
3302.10 of the Revised Code shall submit a request without first 7496
receiving approval to incur indebtedness from the district's 7497
academic distress commission established under that section, for 7498
so long as such commission continues to be required for the 7499
district. 7500~~

(3) The facilities construction commission shall approve the 7501
board's request provided that the following conditions are 7502
satisfied: 7503

(a) The commission determines that the board's findings are 7504
reasonable. 7505

(b) The request for approval is complete. 7506

(c) If the request was submitted under division (G)(1) of 7507
this section, the installations, modifications, or remodeling are 7508

consistent with any project to construct or acquire classroom 7509
facilities, or to reconstruct or make additions to existing 7510
classroom facilities under sections 3318.01 to 3318.20 or sections 7511
3318.40 to 3318.45 of the Revised Code. 7512

Upon receipt of the commission's approval, the district may 7513
issue securities without a vote of the electors in a principal 7514
amount not to exceed nine-tenths of one per cent of its tax 7515
valuation for the purpose specified in division (G)(1) or (2) of 7516
this section, but the total net indebtedness of the district 7517
without a vote of the electors incurred under this and all other 7518
sections of the Revised Code, except section 3318.052 of the 7519
Revised Code, shall not exceed one per cent of the district's tax 7520
valuation. 7521

(4)(a) So long as any securities issued under division (G)(1) 7522
of this section remain outstanding, the board of education shall 7523
monitor the energy consumption and resultant operational and 7524
maintenance costs of buildings in which installations or 7525
modifications have been made or remodeling has been done pursuant 7526
to that division. Except as provided in division (G)(4)(b) of this 7527
section, the board shall maintain and annually update a report in 7528

(B)(1) Upon request and subject to division (B)(8) of this 8588
section, all public records responsive to the request shall be 8589
promptly prepared and made available for inspection to any person 8590
at all reasonable times during regular business hours. Subject to 8591
division (B)(8) of this section, upon request by any person, a 8592
public office or person responsible for public records shall make 8593
copies of the requested public record available to the requester 8594
at cost and within a reasonable period of time. If a public record 8595
contains information that is exempt from the duty to permit public 8596
inspection or to copy the public record, the public office or the 8597
person responsible for the public record shall make available all 8598
of the information within the public record that is not exempt. 8599
When making that public record available for public inspection or 8600
copying that public record, the public office or the person 8601
responsible for the public record shall notify the requester of 8602
any redaction or make the redaction plainly visible. A redaction 8603
shall be deemed a denial of a request to inspect or copy the 8604
redacted information, except if federal or state law authorizes or 8605
requires a public office to make the redaction. 8606

(2) To facilitate broader access to public records, a public 8607
office or the person responsible for public records shall organize 8608
and maintain public records in a manner that they can be made 8609
available for inspection or copying in accordance with division 8610
(B) of this section. A public office also shall have available a 8611
copy of its current records retention schedule at a location 8612

readily available to the public. If a requester makes an ambiguous 8613
or overly broad request or has difficulty in making a request for 8614
copies or inspection of public records under this section such 8615
that the public office or the person responsible for the requested 8616
public record cannot reasonably identify what public records are 8617
being requested, the public office or the person responsible for 8618
the requested public record may deny the request but shall provide 8619
the requester with an opportunity to revise the request by 8620
informing the requester of the manner in which records are 8621
maintained by the public office and accessed in the ordinary 8622
course of the public office's or person's duties. 8623

(3) If a request is ultimately denied, in part or in whole, 8624
the public office or the person responsible for the requested 8625
public record shall provide the requester with an explanation, 8626
including legal authority, setting forth why the request was 8627
denied. If the initial request was provided in writing, the 8628
explanation also shall be provided to the requester in writing. 8629
The explanation shall not preclude the public office or the person 8630
responsible for the requested public record from relying upon 8631
additional reasons or legal authority in defending an action 8632
commenced under division (C) of this section. 8633

(4) Unless specifically required or authorized by state or 8634
federal law or in accordance with division (B) of this section, no 8635
public office or person responsible for public records may limit 8636
or condition the availability of public records by requiring 8637
disclosure of the requester's identity or the intended use of the 8638
requested public record. Any requirement that the requester 8639
disclose the requester's identity or the intended use of the 8640
requested public record constitutes a denial of the request. 8641

(5) A public office or person responsible for public records 8642
may ask a requester to make the request in writing, may ask for 8643
the requester's identity, and may inquire about the intended use 8644

of the information requested, but may do so only after disclosing 8645
to the requester that a written request is not mandatory, that the 8646
requester may decline to reveal the requester's identity or the 8647
intended use, and when a written request or disclosure of the 8648
identity or intended use would benefit the requester by enhancing 8649
the ability of the public office or person responsible for public 8650
records to identify, locate, or deliver the public records sought 8651
by the requester. 8652

(6) If any person requests a copy of a public record in 8653
accordance with division (B) of this section, the public office or 8654
person responsible for the public record may require that person 8655
to pay in advance the cost involved in providing the copy of the 8656
public record in accordance with the choice made by the person 8657
requesting the copy under this division. The public office or the 8658
person responsible for the public record shall permit that person 8659
to choose to have the public record duplicated upon paper, upon 8660
the same medium upon which the public office or person responsible 8661
for the public record keeps it, or upon any other medium upon 8662
which the public office or person responsible for the public 8663
record determines that it reasonably can be duplicated as an 8664
integral part of the normal operations of the public office or 8665
person responsible for the public record. When the person 8666
requesting the copy makes a choice under this division, the public 8667
office or person responsible for the public record shall provide a 8668
copy of it in accordance with the choice made by that person. 8669
Nothing in this section requires a public office or person 8670
responsible for the public record to allow the person requesting a 8671
copy of the public record to make the copies of the public record. 8672

(7)(a) Upon a request made in accordance with division (B) of 8673
this section and subject to division (B)(6) of this section, a 8674
public office or person responsible for public records shall 8675
transmit a copy of a public record to any person by United States 8676

mail or by any other means of delivery or transmission within a 8677
reasonable period of time after receiving the request for the 8678
copy. The public office or person responsible for the public 8679
record may require the person making the request to pay in advance 8680
the cost of postage if the copy is transmitted by United States 8681
mail or the cost of delivery if the copy is transmitted other than 8682
by United States mail, and to pay in advance the costs incurred 8683
for other supplies used in the mailing, delivery, or transmission. 8684

(b) Any public office may adopt a policy and procedures that 8685
it will follow in transmitting, within a reasonable period of time 8686
after receiving a request, copies of public records by United 8687
States mail or by any other means of delivery or transmission 8688
pursuant to division (B)(7) of this section. A public office that 8689
adopts a policy and procedures under division (B)(7) of this 8690
section shall comply with them in performing its duties under that 8691
division. 8692

(c) In any policy and procedures adopted under division 8693
(B)(7) of this section: 8694

(i) A public office may limit the number of records requested 8695
by a person that the office will physically deliver by United 8696
States mail or by another delivery service to ten per month, 8697
unless the person certifies to the office in writing that the 8698
person does not intend to use or forward the requested records, or 8699
the information contained in them, for commercial purposes; 8700

(ii) A public office that chooses to provide some or all of 8701
its public records on a web site that is fully accessible to and 8702
searchable by members of the public at all times, other than 8703
during acts of God outside the public office's control or 8704
maintenance, and that charges no fee to search, access, download, 8705
or otherwise receive records provided on the web site, may limit 8706
to ten per month the number of records requested by a person that 8707
the office will deliver in a digital format, unless the requested 8708

records are not provided on the web site and unless the person 8709
certifies to the office in writing that the person does not intend 8710
to use or forward the requested records, or the information 8711
contained in them, for commercial purposes. 8712

(iii) For purposes of division (B)(7) of this section, 8713
"commercial" shall be narrowly construed and does not include 8714
reporting or gathering news, reporting or gathering information to 8715
assist citizen oversight or understanding of the operation or 8716
activities of government, or nonprofit educational research. 8717

(8) A public office or person responsible for public records 8718
is not required to permit a person who is incarcerated pursuant to 8719
a criminal conviction or a juvenile adjudication to inspect or to 8720
obtain a copy of any public record concerning a criminal 8721
investigation or prosecution or concerning what would be a 8722
criminal investigation or prosecution if the subject of the 8723
investigation or prosecution were an adult, unless the request to 8724
inspect or to obtain a copy of the record is for the purpose of 8725
acquiring information that is subject to release as a public 8726
record under this section and the judge who imposed the sentence 8727
or made the adjudication with respect to the person, or the 8728
judge's successor in office, finds that the information sought in 8729
the public record is necessary to support what appears to be a 8730
justiciable claim of the person. 8731

(9)(a) Upon written request made and signed by a journalist, 8732
a public office, or person responsible for public records, having 8733
custody of the records of the agency employing a specified 8734
designated public service worker shall disclose to the journalist 8735
the address of the actual personal residence of the designated 8736
public service worker and, if the designated public service 8737
worker's spouse, former spouse, or child is employed by a public 8738
office, the name and address of the employer of the designated 8739
public service worker's spouse, former spouse, or child. The 8740

request shall include the journalist's name and title and the name 8741
and address of the journalist's employer and shall state that 8742
disclosure of the information sought would be in the public 8743
interest. 8744

(b) Division (B)(9)(a) of this section also applies to 8745
journalist requests for: 8746

(i) Customer information maintained by a municipally owned or 8747
operated public utility, other than social security numbers and 8748

methods, credit card numbers, and bank account information; 8750

(ii) Information about minors involved in a school vehicle 8751
accident as provided in division (A)(1)(gg) of this section, other 8752
than personal information as defined in section 149.45 of the 8753
Revised Code. 8754

(c) As used in division (B)(9) of this section, "journalist" 8755
means a person engaged in, connected with, or employed by any news 8756
medium, including a newspaper, magazine, press association, news 8757
agency, or wire service, a radio or television station, or a 8758
similar medium, for the purpose of gathering, processing, 8759
transmitting, compiling, editing, or disseminating information for 8760
the general public. 8761

(10) Upon a request made by a victim, victim's attorney, or 8762
victim's representative, as that term is used in section 2930.02 8763
of the Revised Code, a public office or person responsible for 8764
public records shall transmit a copy of a depiction of the victim 8765
as described in division (A)(1)(gg) of this section to the victim, 8766
victim's attorney, or victim's representative. 8767

(C)(1) If a person allegedly is aggrieved by the failure of a 8768
public office or the person responsible for public records to 8769
promptly prepare a public record and to make it available to the 8770
person for inspection in accordance with division (B) of this 8771

section or by any other failure of a public office or the person 8772
responsible for public records to comply with an obligation in 8773
accordance with division (B) of this section, the person allegedly 8774
aggrieved may do only one of the following, and not both: 8775

(a) File a complaint with the clerk of the court of claims or 8776
the clerk of the court of common pleas under section 2743.75 of 8777
the Revised Code; 8778

(b) Commence a mandamus action to obtain a judgment that 8779
orders the public office or the person responsible for the public 8780
record to comply with division (B) of this section, that awards 8781
court costs and reasonable attorney's fees to the person that 8782
instituted the mandamus action, and, if applicable, that includes 8783
an order fixing statutory damages under division (C)(2) of this 8784
section. The mandamus action may be commenced in the court of 8785
common pleas of the county in which division (B) of this section 8786
allegedly was not complied with, in the supreme court pursuant to 8787
its original jurisdiction under Section 2 of Article IV, Ohio 8788
Constitution, or in the court of appeals for the appellate 8789
district in which division (B) of this section allegedly was not 8790
complied with pursuant to its original jurisdiction under Section 8791
3 of Article IV, Ohio Constitution. 8792

(2) If a requester transmits a written request by hand 8793
delivery, electronic submission, or certified mail to inspect or 8794
receive copies of any public record in a manner that fairly 8795
describes the public record or class of public records to the 8796
public office or person responsible for the requested public 8797
records, except as otherwise provided in this section, the 8798
requester shall be entitled to recover the amount of statutory 8799
damages set forth in this division if a court determines that the 8800
public office or the person responsible for public records failed 8801
to comply with an obligation in accordance with division (B) of 8802
this section. 8803

The amount of statutory damages shall be fixed at one hundred 8804
dollars for each business day during which the public office or 8805
person responsible for the requested public records failed to 8806
comply with an obligation in accordance with division (B) of this 8807
section, beginning with the day on which the requester files a 8808
mandamus action to recover statutory damages, up to a maximum of 8809
one thousand dollars. The award of statutory damages shall not be 8810
construed as a penalty, but as compensation for injury arising 8811
from lost use of the requested information. The existence of this 8812
injury shall be conclusively presumed. The award of statutory 8813
damages shall be in addition to all other remedies authorized by 8814
this section. 8815

The court may reduce an award of statutory damages or not 8816
award statutory damages if the court determines both of the 8817
following: 8818

(a) That, based on the ordinary application of statutory law 8819
and case law as it existed at the time of the conduct or 8820
threatened conduct of the public office or person responsible for 8821
the requested public records that allegedly constitutes a failure 8822
to comply with an obligation in accordance with division (B) of 8823
this section and that was the basis of the mandamus action, a 8824
well-informed public office or person responsible for the 8825
requested public records reasonably would believe that the conduct 8826
or threatened conduct of the public office or person responsible 8827
for the requested public records did not constitute a failure to 8828
comply with an obligation in accordance with division (B) of this 8829
section; 8830

(b) That a well-informed public office or person responsible 8831
for the requested public records reasonably would believe that the 8832
conduct or threatened conduct of the public office or person 8833
responsible for the requested public records would serve the 8834
public policy that underlies the authority that is asserted as 8835

permitting that conduct or threatened conduct. 8836

(3) In a mandamus action filed under division (C)(1) of this 8837
section, the following apply: 8838

(a)(i) If the court orders the public office or the person 8839
responsible for the public record to comply with division (B) of 8840
this section, the court shall determine and award to the relator 8841
all court costs, which shall be construed as remedial and not 8842
punitive. 8843

(ii) If the court makes a determination described in division 8844
(C)(3)(b)(iii) of this section, the court shall determine and 8845
award to the relator all court costs, which shall be construed as 8846
remedial and not punitive. 8847

(b) If the court renders a judgment that orders the public 8848
office or the person responsible for the public record to comply 8849
with division (B) of this section or if the court determines any 8850
of the following, the court may award reasonable attorney's fees 8851
to the relator, subject to division (C)(4) of this section: 8852

(i) The public office or the person responsible for the 8853
public records failed to respond affirmatively or negatively to 8854
the public records request in accordance with the time allowed 8855
under division (B) of this section. 8856

(ii) The public office or the person responsible for the 8857
public records promised to permit the relator to inspect or 8858
receive copies of the public records requested within a specified 8859
period of time but failed to fulfill that promise within that 8860
specified period of time. 8861

(iii) The public office or the person responsible for the 8862
public records acted in bad faith when the office or person 8863
voluntarily made the public records available to the relator for 8864
the first time after the relator commenced the mandamus action, 8865
but before the court issued any order concluding whether or not 8866

the public office or person was required to comply with division 8867
(B) of this section. No discovery may be conducted on the issue of 8868
the alleged bad faith of the public office or person responsible 8869
for the public records. This division shall not be construed as 8870
creating a presumption that the public office or the person 8871
responsible for the public records acted in bad faith when the 8872
office or person voluntarily made the public records available to 8873
the relator for the first time after the relator commenced the 8874
mandamus action, but before the court issued any order described 8875
in this division. 8876

(c) The court shall not award attorney's fees to the relator 8877
if the court determines both of the following: 8878

(i) That, based on the ordinary application of statutory law 8879
and case law as it existed at the time of the conduct or 8880
threatened conduct of the public office or person responsible for 8881
the requested public records that allegedly constitutes a failure 8882
to comply with an obligation in accordance with division (B) of 8883
this section and that was the basis of the mandamus action, a 8884
well-informed public office or person responsible for the 8885
requested public records reasonably would believe that the conduct 8886
or threatened conduct of the public office or person responsible 8887
for the requested public records did not constitute a failure to 8888
comply with an obligation in accordance with division (B) of this 8889
section; 8890

(ii) That a well-informed public office or person responsible 8891
for the requested public records reasonably would believe that the 8892
conduct or threatened conduct of the public office or person 8893
responsible for the requested public records would serve the 8894
public policy that underlies the authority that is asserted as 8895
permitting that conduct or threatened conduct. 8896

(4) All of the following apply to any award of reasonable 8897
attorney's fees awarded under division (C)(3)(b) of this section: 8898

(a) The fees shall be construed as remedial and not punitive. 8899

(b) The fees awarded shall not exceed the total of the 8900
reasonable attorney's fees incurred before the public record was 8901
made available to the relator and the fees described in division 8902
(C)(4)(c) of this section. 8903

(c) Reasonable attorney's fees shall include reasonable fees 8904
incurred to produce proof of the reasonableness and amount of the 8905
fees and to otherwise litigate entitlement to the fees. 8906

(d) The court may reduce the amount of fees awarded if the 8907
court determines that, given the factual circumstances involved 8908
with the specific public records request, an alternative means 8909
should have been pursued to more effectively and efficiently 8910
resolve the dispute that was subject to the mandamus action filed 8911
under division (C)(1) of this section. 8912

(5) If the court does not issue a writ of mandamus under 8913
division (C) of this section and the court determines at that time 8914
that the bringing of the mandamus action was frivolous conduct as 8915
defined in division (A) of section 2323.51 of the Revised Code, 8916
the court may award to the public office all court costs, 8917
expenses, and reasonable attorney's fees, as determined by the 8918
court. 8919

(D) Chapter 1347. of the Revised Code does not limit the 8920
provisions of this section. 8921

(E)(1) To ensure that all employees of public offices are 8922
appropriately educated about a public office's obligations under 8923
division (B) of this section, all elected officials or their 8924
appropriate designees shall attend training approved by the 8925
attorney general as provided in section 109.43 of the Revised 8926
Code. A future official may satisfy the requirements of this 8927
division by attending the training before taking office, provided 8928
that the future official may not send a designee in the future 8929

official's place. 8930

(2) All public offices shall adopt a public records policy in 8931
compliance with this section for responding to public records 8932
requests. In adopting a public records policy under this division, 8933
a public office may obtain guidance from the model public records 8934
policy developed and provided to the public office by the attorney 8935
general under section 109.43 of the Revised Code. Except as 8936
otherwise provided in this section, the policy may not limit the 8937
number of public records that the public office will make 8938
available to a single person, may not limit the number of public 8939
records that it will make available during a fixed period of time, 8940
and may not establish a fixed period of time before it will 8941
respond to a request for inspection or copying of public records, 8942
unless that period is less than eight hours. 8943

The public office shall distribute the public records policy 8944
adopted by the public office under this division to the employee 8945
of the public office who is the records custodian or records 8946
manager or otherwise has custody of the records of that office. 8947
The public office shall require that employee to acknowledge 8948
receipt of the copy of the public records policy. The public 8949
office shall create a poster that describes its public records 8950
policy and shall post the poster in a conspicuous place in the 8951
public office and in all locations where the public office has 8952
branch offices. The public office may post its public records 8953
policy on the internet web site of the public office if the public 8954
office maintains an internet web site. A public office that has 8955
established a manual or handbook of its general policies and 8956
procedures for all employees of the public office shall include 8957
the public records policy of the public office in the manual or 8958
handbook. 8959

(F)(1) The bureau of motor vehicles may adopt rules pursuant 8960
to Chapter 119. of the Revised Code to reasonably limit the number 8961

of bulk commercial special extraction requests made by a person 8962
for the same records or for updated records during a calendar 8963
year. The rules may include provisions for charges to be made for 8964
bulk commercial special extraction requests for the actual cost of 8965
the bureau, plus special extraction costs, plus ten per cent. The 8966
bureau may charge for expenses for redacting information, the 8967
release of which is prohibited by law. 8968

(a) "Actual cost" means the cost of depleted supplies, 8970
records storage media costs, actual mailing and alternative 8971
delivery costs, or other transmitting costs, and any direct 8972
equipment operating and maintenance costs, including actual costs 8973
paid to private contractors for copying services. 8974

(b) "Bulk commercial special extraction request" means a 8975
request for copies of a record for information in a format other 8976
than the format already available, or information that cannot be 8977
extracted without examination of all items in a records series, 8978
class of records, or database by a person who intends to use or 8979
forward the copies for surveys, marketing, solicitation, or resale 8980
for commercial purposes. "Bulk commercial special extraction 8981
request" does not include a request by a person who gives 8982
assurance to the bureau that the person making the request does 8983
not intend to use or forward the requested copies for surveys, 8984
marketing, solicitation, or resale for commercial purposes. 8985

(c) "Commercial" means profit-seeking production, buying, or 8986
selling of any good, service, or other product. 8987

(d) "Special extraction costs" means the cost of the time 8988
spent by the lowest paid employee competent to perform the task, 8989

the bureau, or the actual cost incurred to create computer 8991
programs to make the special extraction. "Special extraction 8992

costs" include any charges paid to a public agency for computer or 8993
records services. 8994

(3) For purposes of divisions (F)(1) and (2) of this section, 8995
"surveys, marketing, solicitation, or resale for commercial 8996
purposes" shall be narrowly construed and does not include 8997
reporting or gathering news, reporting or gathering information to 8998
assist citizen oversight or understanding of the operation or 8999
activities of government, or nonprofit educational research. 9000

(G) A request by a defendant, counsel of a defendant, or any 9001
agent of a defendant in a criminal action that public records 9002
related to that action be made available under this section shall 9003
be considered a demand for discovery pursuant to the Criminal 9004
Rules, except to the extent that the Criminal Rules plainly 9005
indicate a contrary intent. The defendant, counsel of the 9006
defendant, or agent of the defendant making a request under this 9007
division shall serve a copy of the request on the prosecuting 9008
attorney, director of law, or other chief legal officer 9009
responsible for prosecuting the action. 9010

(H)(1) Any portion of a body-worn camera or dashboard camera 9011
recording described in divisions (A)(17)(b) to (h) of this section 9012
may be released by consent of the subject of the recording or a 9013
representative of that person, as specified in those divisions, 9014
only if either of the following applies: 9015

(a) The recording will not be used in connection with any 9016
probable or pending criminal proceedings; 9017

(b) The recording has been used in connection with a criminal 9018
proceeding that was dismissed or for which a judgment has been 9019
entered pursuant to Rule 32 of the Rules of Criminal Procedure, 9020
and will not be used again in connection with any probable or 9021
pending criminal proceedings. 9022

(2) If a public office denies a request to release a 9023

restricted portion of a body-worn camera or dashboard camera 9024
recording, as defined in division (A)(17) of this section, any 9025
person may file a mandamus action pursuant to this section or a 9026
complaint with the clerk of the court of claims pursuant to 9027
section 2743.75 of the Revised Code, requesting the court to order 9028
the release of all or portions of the recording. If the court 9029
considering the request determines that the filing articulates by 9030
clear and convincing evidence that the public interest in the 9031
recording substantially outweighs privacy interests and other 9032
interests asserted to deny release, the court shall order the 9033
public office to release the recording. 9034

Sec. 153.02. (A) The executive director of the Ohio 9035

for the proposed debarment and the procedure for requesting a 9079
hearing on the proposed debarment. The hearing shall be conducted 9080
in accordance with Chapter 119. of the Revised Code. If the 9081
contractor does not respond with a request for a hearing in the 9082
manner specified in Chapter 119. of the Revised Code, the 9083
executive director shall issue the debarment decision without a 9084
hearing and shall notify the contractor of the decision by 9085

certified mail, return receipt requested. 9086

governmental entity awarding a contract for construction of a 9098
public improvement or project may use a contractor's presence on 9099
the debarment list to determine whether a contractor is 9100

~~section, the issuing authority shall first have received from the~~ 9252
~~agency of the municipal corporation if within its limits, or from~~ 9253
~~the agency of the county if in unincorporated territory, a~~ 9254
~~certification that such project is in accordance with its plan,~~ 9255
~~except that no such certification is necessary if the request for~~ 9256
~~issuance of the bonds is made by the port authority.~~ 9257

(D) If the issuer is a county, township, or municipal 9258
corporation, then, ~~prior to~~ before the delivery of bonds issued 9259

signed the bonds or coupons or caused the person's facsimile 9271
signature to be affixed thereto had not ceased to be such officer. 9272
Any bonds or coupons may be executed on behalf of the issuer by an 9273

Provision may be made for the registration of any coupon bonds as 9283
to principal alone or as to both principal and interest, and for 9284

into organized criminal activity conducted by a task force, shall 10543
be paid by the commission. ~~For~~ 10544

county auditor under this division. 10924

(D) On or before the thirty-first day of October, in each 10925

the time of making such settlement. 10931

(E) In the event the time for the payment of taxes is 10932
extended, pursuant to section 323.17 of the Revised Code, the date 10933
on or before which settlement for the taxes so extended must be 10934

been levied and collected as taxes. The county auditor shall 10961
distribute the amount remaining among the various taxing districts 10962
in the county as if it had been levied, collected, and settled as 10963
real property taxes. The amount distributed to each taxing 10964
district shall be reduced by the total of the amounts computed for 10965
the district under section 5703.80 of the Revised Code, but the 10966
reduction shall not exceed the amount that otherwise would be 10967
distributed to the taxing district under this division. The amount 10968
distributed to a taxing district shall account for any reduction 10969
required by the commissioner under division (D) of section 718.83 10970
of the Revised Code. The tax commissioner shall make available to 10971

revenue fund of an amount equal to the amount certified under 10980
former section 319.311 of the Revised Code and paid in the state's 10981
fiscal year 2003 multiplied by the percentage specified in 10982
division (G)(2) of this section. The payment shall be credited 10983
upon receipt to the county's undivided income tax fund, and the 10984
county auditor shall distribute the amount thereof among the 10985
various taxing districts of the county as if it had been levied, 10986
collected, and settled as personal property taxes. The amount 10987
received by a taxing district under this division shall be 10988
apportioned among its funds in the same proportion as the current 10989
year's personal property taxes are apportioned. 10990

(2) Payments required under division (G)(1) of this section 10991
shall be made at the following percentages of the amount certified 10992
under former section 319.311 of the Revised Code and paid under 10993

division (G)(1) of this section. 11002

(H)(1) On or before the fifteenth day of April each year, the 11003
county treasurer shall settle with the county auditor for all 11004
manufactured home taxes that the county treasurer has collected on 11005

the manufactured home tax duplicate at the time of making the settlement. 11006
11007

(2) On or before the fifteenth day of September each year, 11008
the county treasurer shall settle with the county auditor for all 11009
remaining manufactured home taxes that the county treasurer has 11010
collected on the manufactured home tax duplicate at the time of 11011
making the settlement. 11012

(3) If the time for payment of such taxes is extended under 11013
section 4503.06 of the Revised Code, the time for making the 11014
settlement as prescribed by divisions (H)(1) and (2) of this 11015
section is extended for a like period of time. 11016

(I) On or before the second Monday in September of each year, 11017
the county treasurer shall certify to the tax commissioner the 11018
total amount by which the manufactured home taxes levied in that 11019
year were reduced pursuant to section 319.302 of the Revised Code. 11020
Within ninety days after the receipt of such certification, the 11021
commissioner shall provide for payment to the county treasurer 11022
from the general revenue fund of an amount equal to the amount 11023
certified by the treasurer. Such payment shall be credited upon 11024
receipt to the county's undivided income tax fund, and the county 11025
auditor shall transfer to the county general fund from the amount 11026
thereof the total amount of all fees and charges that the auditor 11027
and treasurer would have been authorized to receive had such 11028
section not been in effect and that amount had been levied and 11029
collected as manufactured home taxes. The county auditor shall 11030
distribute the amount remaining among the various taxing districts 11031
in the county as if it had been levied, collected, and settled as 11032
manufactured home taxes. 11033

Sec. 323.131. (A) Each tax bill prepared and mailed or 11034
delivered under section 323.13 of the Revised Code shall be in the 11035
form and contain the information required by the tax commissioner. 11036

The commissioner may prescribe different forms for each county and 11037
may authorize the county auditor to make up tax bills and tax 11038
receipts to be used by the county treasurer. For any county in 11039
which the board of county commissioners has granted a partial 11040
property tax exemption on homesteads under section 323.158 of the 11041
Revised Code, the commissioner shall require that the tax bills 11042
for those homesteads include a notice of the amount of the tax 11043
reduction that results from the partial exemption. In addition to 11044
the information required by the commissioner, each tax bill shall 11045
contain the following information: 11046

to each unit, including, in the case of the county, the various 11053
county purposes to which such taxes are to be allocated and the 11054
respective amounts. 11055

(4) The following notices: 11056

(a) "Notice: If the taxes are not paid within sixty days from 11057
the date they are certified delinquent, the property is subject to 11058
foreclosure for tax delinquency." Failure to provide such notice 11059
has no effect upon the validity of any tax foreclosure to which a 11060
property is subjected. 11061

(b) "Notice: If the taxes charged against this parcel have 11062
been reduced by the 2-1/2 per cent tax reduction for residences 11063

by the owner, the owner must notify the county auditor's office 11065
not later than March 31 of the year following the year for which 11066
the taxes are due. Failure to do so may result in the owner being 11067

convicted of a fourth degree misdemeanor, which is punishable by 11068
imprisonment up to 30 days, a fine up to \$250, or both, and in the 11069
owner having to repay the amount by which the taxes were 11070
erroneously or illegally reduced, plus any interest that may 11071
apply. 11072

If the taxes charged against this parcel have not been 11073
reduced by the 2-1/2 per cent tax reduction and the parcel 11074
includes a residence occupied by the owner, the parcel may qualify 11075
for the tax reduction. To obtain an application for the tax 11076

solely to confine a person for the purposes specified in divisions 11344
(B)(1)(a) or (b) and (B)(2)(a) or (b) of this section. 11345

corporations, under the control of the specified county or 11361

used under this section shall be given verbal and written 11378
notification, at the time of the person's admission to the jail, 11379
that purposely leaving, or purposely failing to return to, the 11380
jail without proper authority or permission constitutes the felony 11381

offense of escape. 11382

(E) If a person who has been convicted of or pleaded guilty 11383
to an offense is sentenced to a term of imprisonment or a 11384
residential sanction in a minimum security jail as described in 11385

Upon the filing of such petition, the organizational board of commissioners shall determine whether such petition complies with the requirements of this section as to form and substance. The board in subsequent proceedings may at any time permit the petition to be amended in form and substance to conform to the facts by correcting any errors in the description of the proposed new community district or in any other particular.

Upon the determination of the organizational board of commissioners that a sufficient petition has been filed in accordance with this section, the board shall fix the time and place of a hearing on the petition for the establishment of the proposed new community authority. Such hearing shall be held not less than ninety-five nor more than one hundred fifteen days after the petition filing date, except that if the petition has been signed by all proximate cities or if the organizational board of commissioners is the legislative authority of the only proximate city for the proposed new community district, such hearing shall be held not less than thirty nor more than forty-five days after the petition filing date. a proximate city which did not sign the petition does not approve 11634
by ordinance, resolution, or motion the establishment of the 11635
proposed new community authority and does not deliver such 11636
ordinance, resolution, or motion to the clerk of the 11637
organizational board of commissioners with which the petition was 11638
filed within ninety days following the date of the first 11639

Upon the hearing, if the organizational board of 11644

development of a new community, the board shall by its resolution, 11648

the board of trustees of the new community authority and fix the 11653
surety for their bonds in accordance with section 349.04 of the 11654

If the organizational board of commissioners finds that the 11656
establishment of the district will not be conducive to the public 11657
health, safety, convenience, or welfare, or is not intended to 11658
result in the development of a new community, it shall reject the 11659
petition thereby terminating the proceedings for the establishment 11660
of the new community authority. 11661

(B) At any time after the creation of a new community 11662
authority, the developer may file an application with the clerk of 11663
the organizational board of commissioners with which the original 11664
petition was filed, setting forth a general description of 11665

territory it desires to add or to delete from such district, that 11666
such change will be conducive to the public health, safety, 11667
convenience, and welfare, and will be consistent with the 11668
development of a new community and will not jeopardize the plan of 11669
the new community. If the developer is not a municipal 11670
corporation, port authority, or county, all of such an addition to 11671
such a district shall be owned by, or under the control through 11672
leases of at least seventy-five years' duration, options, or 11673
contracts to purchase, of the developer. Upon the filing of the 11674
application, the organizational board of commissioners shall 11675
follow the same procedure as required by this section in relation 11676
to the petition for the establishment of the proposed new 11677
community. The organizational board of commissioners also may 11678
determine by resolution to add territory to such district, 11679
provided that the owner or other person who controls such 11680
territory through leases of at least forty years' duration, 11681
options, or contracts to purchase files a written consent to the 11682
addition of such territory with the clerk of the organizational 11683
board of commissioners, and the developer does not object to the 11684
addition of such territory by filing a written objection to the 11685
addition of such territory with the clerk of the organizational 11686
board of commissioners before the adoption of the resolution 11687
adding such territory to the district. The organizational board of 11688
commissioners shall follow the same procedure as required by this 11689
section in relation to the petition for the establishment of the 11690
proposed new community when adopting such a resolution. 11691

(C) If all or any part of the new community district is 11692
annexed to one or more existing municipal corporations, their 11693
legislative authorities may appoint persons to replace any 11694
appointed citizen member of the board of trustees. The number of 11695
such trustees to be replaced by the municipal corporation shall be 11696
the number, rounded to the lowest integer, bearing the 11697
proportionate relationship to the number of existing appointed 11698

citizen members as the acreage of the new community district 11699
within such municipal corporation bears to the total acreage of 11700
the new community district. If any such municipal corporation 11701
chooses to replace an appointed citizen member, it shall do so by 11702
ordinance, the term of the trustee being replaced shall terminate 11703
thirty days from the date of passage of such ordinance, and the 11704
trustee to be replaced shall be determined by lot. Each newly 11705
appointed member shall assume the term of the member's 11706
predecessor. 11707

Sec. 349.07. Notwithstanding any other rule of law, any 11708
covenant or agreement in deeds, land contracts, leases and any 11709
other instruments or conveyance by which real estate or any 11710
interest in real estate is conveyed by or to the developer or by 11711
the new community authority to any person or entity, including the 11712
developer, or any declaration of covenants executed by the owner 11713
of real estate, whereby such person or entity agrees, by 11714
acceptance of any such instrument of conveyance containing said 11715
covenant of agreement or execution of said declaration, to pay 11716
annually or semiannually a community development charge for the 11717
benefit and use of the new community authority to cover all or 11718
part of the cost of the acquisition, construction, operation and 11719
maintenance of land, land development and community facilities, 11720
the debt service thereof and any other cost incurred by the 11721
authority in the exercise of the powers granted by Chapter 349. of 11722
the Revised Code shall be deemed to be a covenant running with the 11723
land and shall, in any event and without regard to technical 11724
classification, after such instrument has been duly recorded in 11725
the land records of the county, be fully binding on behalf of and 11726
enforceable by the new community authority against each such 11727
person or entity and all successors and assigns of the property 11728
conveyed by such instrument of conveyance or encumbered by such 11729
declaration. 11730

No purchase agreement for any real estate or interest in real estate upon which a community development charge exists by reason of a covenant running with the land shall be enforceable by the seller or binding upon the purchaser unless such purchase agreement specifically refers to such community development charge and identifies the volume and page number of the deed records of the county in which the covenant running with the land establishing such community development charge is recorded, provided that in the event a conveyance of such real estate or interest in real estate is made pursuant to a purchase agreement which does not make such reference and identification, the covenant shall continue to be deemed to be a covenant running with the land fully binding on behalf of and enforceable by the community authority against such person or entity accepting the conveyance pursuant to such purchase agreement.

The new community authority may certify the community development charge to the county auditor, who shall enter the unpaid charge on the tax list and duplicates of real property opposite the parcel against which it is charged, and certify the charge to the county treasurer. An unpaid community development charge is a lien on property against which it is charged from the date the charge is entered on the tax list, and shall be collected in the manner provided for the collection of real property taxes. Once the charge is collected, it shall be paid immediately to the new community district.

No community development charge established pursuant to this chapter shall be construed as prohibiting or limiting the taxing power of municipal corporations.

Code, the aggregate rate of which does not exceed one-half of one 11784
per cent on September 29, 2015. 11785

(B)(1) The board of trustees of an eligible township, by 11786
resolution, may declare an unincorporated area of the township to 11787
be a tourism development district for the purpose of fostering and 11788

a municipal corporation, that is within or adjoining the township 11964
may be added to a fire district upon the board's adoption of a 11965
resolution authorizing the addition and the municipal legislative 11966
authority's adoption of a resolution or ordinance requesting the 11967
addition of the municipal corporation or a portion of the 11968
municipal corporation to the fire district. 11969

If the township fire district imposes a tax, additional 11970
unincorporated territory of the township or a municipal 11971
corporation or a portion of a municipal corporation that is within 11972
or adjoining the township shall become part of the fire district 11973
only after all of the following have occurred: 11974

(1) Adoption by the board of township trustees of a 11975
resolution approving the expansion of the territorial limits of 11976
the district and, if the resolution proposes to add a municipal 11977
corporation or a portion of a municipal corporation, adoption by 11978
the municipal legislative authority of a resolution or ordinance 11979
requesting the addition of the municipal corporation or a portion 11980
of the municipal corporation to the district; 11981

(2) Adoption by the board of township trustees of a resolution recommending the extension of the tax to the additional territory;

(3) Approval of the tax by the electors of the territory proposed for addition to the district.

Each resolution of the board adopted under division (C)(2) of this section shall state the name of the fire district, a description of the territory to be added, and the rate and termination date of the tax, which shall be the rate and termination date of the tax currently in effect in the fire district.

The board of trustees shall certify each resolution adopted under division (C)(2) of this section to the board of elections in accordance with section 5705.19 of the Revised Code. The election required under division (C)(3) of this section shall be held, canvassed, and certified in the manner provided for the submission of tax levies under section 5705.25 of the Revised Code, except that the question appearing on the ballot shall read:

"Shall the territory within
(description of the proposed territory to be added) be added to (name) fire district, and a property tax at a rate of taxation not exceeding (here insert tax rate) be in effect for (here insert the number of years the tax is to be in effect or "a continuing period of time," as applicable)?"

If the question is approved by at least a majority of the electors voting on it, the joinder shall be effective as of the first day of July of the year following approval, and on that date, the township fire district tax shall be extended to the taxable property within the territory that has been added. If the territory that has been added is a municipal corporation or

portion thereof and if it had adopted a tax levy for fire 12013
purposes, the levy is terminated on the effective date of the 12014
joinder in the area of the municipal corporation added to the 12015
district. 12016

Any municipal corporation may withdraw from a township fire 12017
district created under division (C) of this section by the 12018
adoption by the municipal legislative authority of a resolution or 12019
ordinance ordering withdrawal. On the first day of July of the 12020
year following the adoption of the resolution or ordinance of 12021
withdrawal, the withdrawing municipal corporation ~~withdrawing~~ or 12022
the portion thereof ceases to be a part of the district, and the 12023
power of the fire district to levy a tax upon taxable property in 12024
the withdrawing municipal corporation or the portion thereof 12025
terminates, except that the fire district shall continue to levy 12026
and collect taxes for the payment of indebtedness within the 12027
territory of the fire district as it was composed at the time the 12028
indebtedness was incurred. 12029

Upon the withdrawal of any municipal corporation from a 12030
township fire district created under division (C) of this section, 12031
the county auditor shall ascertain, apportion, and order a 12032
division of the funds on hand, moneys and taxes in the process of 12033
collection except for taxes levied for the payment of 12034
indebtedness, credits, and real and personal property, either in 12035
money or in kind, on the basis of the valuation of the respective 12036
tax duplicates of the withdrawing municipal corporation and the 12037
remaining territory of the fire district. 12038

A board of township trustees may remove unincorporated 12039
territory of the township from the fire district upon the adoption 12040
of a resolution authorizing the removal. On the first day of July 12041
of the year following the adoption of the resolution, the 12042
unincorporated township territory described in the resolution 12043
ceases to be a part of the district, and the power of the fire 12044

district to levy a tax upon taxable property in that territory 12045
terminates, except that the fire district shall continue to levy 12046
and collect taxes for the payment of indebtedness within the 12047
territory of the fire district as it was composed at the time the 12048
indebtedness was incurred. 12049

(D) The board of township trustees of any township, the board 12050
of fire district trustees of a fire district created under section 12051
505.371 of the Revised Code, or the legislative authority of any 12052
municipal corporation may purchase, lease, or lease with an option 12053
to purchase the necessary fire equipment described in division (A) 12054
of this section, buildings, and sites for the township, fire 12055
district, or municipal corporation and issue securities for that 12056
purpose with maximum maturities as provided in section 133.20 of 12057
the Revised Code. The board of township trustees, board of fire 12058
district trustees, or legislative authority may also construct any 12059
buildings necessary to house fire equipment and issue securities 12060
for that purpose with maximum maturities as provided in section 12061
133.20 of the Revised Code. 12062

The board of township trustees, board of fire district 12063
trustees, or legislative authority may issue the securities of the 12064
township, fire district, or municipal corporation, signed by the 12065
board or designated officer of the municipal corporation and 12066
attested by the signature of the township fiscal officer, fire 12067
district clerk, or municipal clerk, covering any deferred payments 12068
and payable at the times provided, which securities shall bear 12069
interest not to exceed the rate determined as provided in section 12070
9.95 of the Revised Code, and shall not be subject to Chapter 133. 12071
of the Revised Code. The legislation authorizing the issuance of 12072
the securities shall provide for levying and collecting annually 12073
by taxation, amounts sufficient to pay the interest on and 12074
principal of the securities. The securities shall be offered for 12075
sale on the open market or given to the vendor or contractor if no 12076

sale is made. 12077

Section 505.40 of the Revised Code does not apply to any 12078
securities issued, or any lease with an option to purchase entered 12079
into, in accordance with this division. 12080

(E) A board of township trustees of any township or a board 12081
of fire district trustees of a fire district created under section 12082
505.371 of the Revised Code may purchase a policy or policies of 12083
liability insurance for the officers, employees, and appointees of 12084
the fire department, fire district, or joint fire district 12085
governed by the board that includes personal injury liability 12086
coverage as to the civil liability of those officers, employees, 12087
and appointees for false arrest, detention, or imprisonment, 12088
malicious prosecution, libel, slander, defamation or other 12089
violation of the right of privacy, wrongful entry or eviction, or 12090
other invasion of the right of private occupancy, arising out of 12091
the performance of their duties. 12092

When a board of township trustees cannot, by deed of gift or 12093
by purchase and upon terms it considers reasonable, procure land 12094
for a township fire station that is needed in order to respond in 12095
reasonable time to a fire or medical emergency, the board may 12096
appropriate land for that purpose under sections 163.01 to 163.22 12097
of the Revised Code. If it is necessary to acquire additional 12098
adjacent land for enlarging or improving the fire station, the 12099
board may purchase, appropriate, or accept a deed of gift for the 12100
land for these purposes. 12101

(F) As used in this division, "emergency medical service 12102
organization" has the same meaning as in section 4766.01 of the 12103
Revised Code. 12104

A board of township trustees, by adoption of an appropriate 12105
resolution, may choose to have the state board of emergency 12106
medical, fire, and transportation services license any emergency 12107

medical service organization it operates. If the board adopts such 12108
a resolution, Chapter 4766. of the Revised Code, except for 12109
sections 4766.06 and 4766.99 of the Revised Code, applies to the 12110
organization. All rules adopted under the applicable sections of 12111
that chapter also apply to the organization. A board of township 12112
trustees, by adoption of an appropriate resolution, may remove its 12113
emergency medical service organization from the jurisdiction of 12114
the state board of emergency medical, fire, and transportation 12115
services. 12116

Sec. 505.371. (A) The boards of township trustees of one or 12117
more townships and the legislative authorities of one or more 12118
municipal corporations, or the legislative authorities of two or 12119
more municipal corporations, or the boards of township trustees of 12120
two or more townships, may, by adoption of a joint resolution by a 12121
majority of the members of each board of township trustees and by 12122
a majority of the members of the legislative authority of each 12123
municipal corporation, create a joint fire district comprising all 12124
or any portions of the municipal corporations and all or any 12125
portions of the townships as are mutually agreed upon. A joint 12126
fire district so created shall be given a name different from the 12127
name of any participating township or municipal corporation. 12128

(B) The governing body of the joint fire district shall be a 12129
board of fire district trustees, which shall include one 12130
representative from each board of township trustees and one 12131
representative from the legislative authority of each municipal 12132
corporation in the district. The board of fire district trustees 12133
may exercise the same powers as are granted to a board of township 12134
trustees in sections 505.37 to 505.45 of the Revised Code, 12135
including, but not limited to, the power to levy a tax upon all 12136
taxable property in the fire district as provided in section 12137
505.39 of the Revised Code. The board of fire district trustees 12138
may be compensated at a rate not to exceed thirty dollars per 12139

meeting, not to exceed fifteen meetings per year, and may be 12140
reimbursed for all necessary expenses incurred. The board shall 12141
employ a clerk of the board of fire district trustees. 12142

(C)(1) The board of fire district trustees may establish 12143
reasonable charges for the use of ambulance or emergency medical 12144
services. The board may establish different charges for residents 12145
and nonresidents of the district, and may waive, at its 12146
discretion, all or part of the charge for any resident of the 12147
district. The charge for nonresidents shall be an amount not less 12148
than the authorized medicare reimbursement rate, except that if, 12149
prior to February 4, 1998, the board had different charges for 12150
residents and nonresidents and the charge for nonresidents was 12151
less than the authorized medicare reimbursement rate, the board 12152
may charge nonresidents less than the authorized medicare 12153
reimbursement rate. 12154

(2) In the resolution creating the joint fire district, the 12155
political subdivisions that create the district may provide that 12156
any of those political subdivisions may agree to pay any charges 12157
for the use of ambulance or emergency medical services that the 12158
board of fire district trustees establishes under division (C)(1) 12159
of this section and that are incurred by the residents of the 12160
particular political subdivision. Unless the board elects pursuant 12161
to that division to waive all or part of the charges for the use 12162
of ambulance or emergency medical services that any resident of 12163
the district incurs, the residents of a particular political 12164
subdivision that has not so agreed to pay the charges for the use 12165
of ambulance or emergency medical services incurred by its 12166
residents shall pay those charges. 12167

(3) Charges collected under division (C) of this section 12168
shall be kept in a separate fund designated as the ambulance and 12169
emergency medical services fund and shall be appropriated and 12170
administered by the board. The fund shall be used for the payment 12171

of the costs of the management, maintenance, and operation of 12172
ambulance and emergency medical services in the district. 12173

(4) As used in division (C) of this section, "authorized 12174
medicare reimbursement rate" has the same meaning as in section 12175
505.84 of the Revised Code. 12176

(D) Any municipal corporation or township, or parts of them, 12177
may join an existing joint fire district by the adoption of a 12178
resolution requesting such membership and upon approval of the 12179
board of fire district trustees. Any municipal corporation or 12180
township may withdraw from a joint fire district created under 12181
this section, by the adoption of a resolution ordering withdrawal. 12182
On or after the first day of January of the year following the 12183
adoption of the resolution of withdrawal, the municipal 12184
corporation or township withdrawing ceases to be a part of such 12185
district, and the power of the district to levy a tax upon taxable 12186
property in the withdrawing township or municipal corporation 12187
terminates, except that the district shall continue to levy and 12188
collect taxes for the payment of indebtedness within the territory 12189
of the district as it was comprised at the time the indebtedness 12190
was incurred. 12191

Upon the withdrawal of any township or municipal corporation 12192
from a joint fire district created under this section, the county 12193
auditor shall ascertain, apportion, and order a division of the 12194
funds on hand, including funds in the ambulance and emergency 12195
medical services fund, moneys and taxes in the process of 12196
collection, except for taxes levied for the payment of 12197
indebtedness, credits, and real and personal property, either in 12198
money or in kind, on the basis of the valuation of the respective 12199
tax duplicates of the withdrawing municipal corporation or 12200
township and the remaining territory of the joint fire district. 12201

When the number of townships and municipal corporations 12202
comprising a joint fire district is reduced to one, the joint fire 12203

district ceases to exist by operation of law, and the funds, 12204
credits, and property remaining after apportionments to 12205
withdrawing municipal corporations or townships shall be assumed 12206
by the one remaining township or municipal corporation. When a 12207
joint fire district ceases to exist and an indebtedness remains 12208
unpaid, the board of county commissioners shall continue to levy 12209
and collect taxes for the payment of that indebtedness within the 12210
territory of the joint fire district as it was comprised at the 12211
time the indebtedness was incurred. 12212

(E) Neither this section nor any other section of the Revised 12213
Code requires, or shall be construed to require, that the fire 12214
chief of a joint fire district be a resident of the fire district. 12215

Sec. 513.172. (A) A joint township district hospital board 12216
may do either of the following: 12217

(1) Form, or acquire control of, a domestic nonprofit 12218
corporation or a domestic nonprofit limited liability company; 12219

(2) Be a partner, member, owner, associate, or participant in 12220
a nonprofit enterprise or nonprofit venture. 12221

(B) A joint township district hospital board forming, 12222
acquiring, or becoming involved with a nonprofit corporation, 12223
limited liability company, enterprise, or venture under division 12224
(A) of this section shall do so in furtherance of any of the 12225
following: 12226

(1) To support the joint township hospital district's 12227
mission; 12228

(2) To provide for any or all health care or medical 12229
services, whether inpatient or outpatient services, diagnostic, 12230
treatment, care, or rehabilitation services, wellness services, 12231
services involving the prevention, detection, and control of 12232
disease, home health services or services provided at or through 12233

various facilities, education, training, and other necessary and 12234
related services for the health professions; 12235

(3) The management or operation of any hospital facility as 12236
defined in division (E) of section 140.01 of the Revised Code; 12237

(4) The management, operation, or participation in programs, 12238
projects, activities, and services useful to, connected with, 12239
supporting, or otherwise related to the health, wellness, and 12240
medical services and wellness programs provided in divisions 12241
(B)(2) and (3) of this section; 12242

(5) Any other activities that are in furtherance of the joint 12243
township hospital district or the persons served by the joint 12244
township hospital district or are necessary to perform the joint 12245
township hospital district's mission and functions and respond to 12246
change in the health care industry as determined by the joint 12247
township district hospital board. 12248

Sec. 715.014. (A) As used in this section: 12249

(1) "Tourism development district" means a district 12250
designated by a municipal corporation under this section. 12251

(2) "Territory of a tourism development district" means all 12252
of the area included within the territorial boundaries of a 12253
tourism development district. 12254

(3) "Business" and "owner" have the same meanings as in 12255
section 503.56 of the Revised Code. 12256

(4) "Eligible municipal corporation" means a municipal 12257
corporation wholly or partly located in a county having a 12258
population greater than three hundred seventy-five thousand but 12259
less than four hundred thousand that levies taxes under section 12260
5739.021 or 5739.026 of the Revised Code, the aggregate rate of 12261
which does not exceed one-half of one per cent on September 29, 12262
2015. 12263

(5) "Fiscal officer" means the city auditor, village clerk, 12264
or other municipal officer having the duties and functions of a 12265
city auditor or village clerk. 12266

(B)(1) The legislative authority of an eligible municipal 12267
corporation, by resolution or ordinance, may declare an area of 12268
the municipal corporation to be a tourism development district for 12269
the purpose of fostering and developing tourism in the district if 12270
all of the following criteria are met: 12271

(a) The district's area does not exceed six hundred acres. 12272

(b) All territory in the district is contiguous. 12273

(c) Before adopting the resolution or ordinance, the 12274
legislative authority holds at least two public hearings 12275
concerning the creation of the tourism development district. 12276

(d) Before adopting the resolution or ordinance, the 12277
legislative authority receives a petition signed by every record 12278
owner of a parcel of real property located in the proposed 12279
district and the owner of every business that operates in the 12280
proposed district. 12281

(e) The legislative authority adopts the resolution or 12282
ordinance on or before December 31, 2020. 12283

A legislative authority may declare more than one area of the 12284
municipal corporation to be a tourism development district under 12285
this section. 12286

(2) The petition described in division (B)(1)(d) of this 12287
section shall include an explanation of the taxes and charges that 12288
may be levied or imposed in the proposed district. 12289

(3) The legislative authority shall certify the resolution or 12290
ordinance to the tax commissioner within five days after its 12291
adoption, along with a description of the boundaries of the 12292
district authorized in the resolution. That description shall 12293

include sufficient information for the commissioner to determine 12294
if the address of a vendor is within the boundaries of the 12295
district. 12296

(4) Subject to the limitations of divisions (B)(1)(a) and (b) 12297
of this section, the legislative authority of an eligible 12298
municipal corporation may enlarge the territory of an existing 12299
tourism development district in the manner prescribed for the 12300
creation of a district under divisions (B)(1) to (3) of this 12301
section, except that the petition described in division (B)(1)(d) 12302
of this section must be signed by every record owner of a parcel 12303
of real property located in the area proposed to be added to the 12304
district and the owner of every business that operates in the area 12305
proposed to be added to the district. 12306

(C) For the purpose of fostering and developing tourism in a 12307
tourism development district, a lessor leasing real property in a 12308
tourism development district may impose and collect a uniform fee 12309
on each parcel of real property leased by the lessor, to be paid 12310
by each of the person's lessees. A lessee is subject to such a fee 12311
only if the lease separately states the amount of the fee. Before 12312
a lessor may impose and collect such a fee, the lessor shall file 12313
a copy of such lease with the fiscal officer. A lessor that 12314
imposes such a fee shall remit all collections of the fee to the 12315
municipal corporation in which the real property is located. 12316

The legislative authority of that municipal corporation shall 12317
establish all regulations necessary to provide for the 12318
administration and remittance of such fees. The regulations may 12319
prescribe the time for payment of the fee, and may provide for the 12320
imposition of a penalty or interest, or both, for late 12321
remittances, provided that the penalty does not exceed ten per 12322
cent of the amount of fee due, and the rate at which interest 12323
accrues does not exceed the rate per annum prescribed pursuant to 12324
section 5703.47 of the Revised Code. The regulations shall 12325

provide, after deducting the real and actual costs of 12326
administering the fee, that the revenue be used exclusively for 12327
fostering and developing tourism within the tourism development 12328
district. 12329

(D) The legislative authority of an eligible municipal 12330
corporation that has designated a tourism development district may 12331
levy the tax authorized under section 5739.101 of the Revised Code 12332
or enter into and enforce agreements imposing a development charge 12333
under section 715.015 of the Revised Code. Nothing in this section 12334
limits the power of the legislative authority of a municipal 12335
corporation to levy a tax on the basis of admissions in a tourism 12336
development district pursuant to its powers of local 12337
self-government conferred by Section 3 of Article XVIII, Ohio 12338
Constitution. 12339

(E) On or before the first day of each January and July, 12340
beginning after the designation of a tourism development district, 12341
the fiscal officer shall certify a list of vendors located within 12342
the tourism development district to the tax commissioner, which 12343
shall include the name, address, and vendor's license number for 12344
each vendor. 12345

Sec. 715.015. (A) The legislative authority of an eligible 12346
municipal corporation that has designated a tourism development 12347
district under section 715.014 of the Revised Code may enter into 12348
and enforce agreements with one or more owners of property located 12349
within the district by which the owner or owners agree to pay a 12350
development charge for the purpose of fostering and developing 12351
tourism within the district. The amount of the development charge 12352
shall equal one-half, one, one and one-half, or two per cent of 12353
the gross receipts derived from making sales at or from the 12354
property, whether wholesale or retail, but including sales of food 12355
only to the extent such sales are subject to the tax levied under 12356

section 5739.02 of the Revised Code. 12357

(B) The imposition of a development charge under this section 12358
is subject to approval of the board of county commissioners of the 12359
county in which the property is located. If the property owner 12360
agrees to the development charge and the board of county 12361
commissioners, by resolution, approves the agreement, the 12362
development charge shall be treated in the same manner as taxes 12363
for all purposes of the lien described in section 323.11 of the 12364
Revised Code, including, but not limited to, the priority and 12365
enforcement of the lien and the collection of the development 12366
charge secured by the lien. 12367

(C) Nothing in this section limits the power of the 12368
legislative authority of a municipal corporation to levy taxes 12369
pursuant to its powers of local self-government conferred by 12370
Section 3 of Article XVIII, Ohio Constitution. 12371

Sec. 715.82. A municipal corporation may issue bonds and 12372
exercise all other powers under Chapter 165. of the Revised Code 12373
for one or more projects or parts thereof located in a joint 12374
economic development district created pursuant to a contract 12375
entered into under section 715.70, 715.71, or 715.72 of the 12376
Revised Code to which the municipal corporation is a party, or in 12377
a township adjacent to that municipal corporation, if the 12378
legislative authority of the municipal corporation determines that 12379
the project is in furtherance of the public purposes of the state 12380
to create or preserve jobs and employment opportunities and to 12381
improve the economic welfare of the people of the municipal 12382
corporation and the township. As used in this section, "project" 12383
has the same meaning as in ~~division (H)~~ of section 165.01 of the 12384
Revised Code, except that a project described in this section is 12385
not required to be located within the territorial boundaries of 12386
the municipal corporation. 12387

Sec. 718.01. Any term used in this chapter that is not 12388
otherwise defined in this chapter has the same meaning as when 12389
used in a comparable context in laws of the United States relating 12390
to federal income taxation or in Title LVII of the Revised Code, 12391
unless a different meaning is clearly required. Except as provided 12392
in section 718.81 of the Revised Code, if a term used in this 12393
chapter that is not otherwise defined in this chapter is used in a 12394
comparable context in both the laws of the United States relating 12395
to federal income tax and in Title LVII of the Revised Code and 12396
the use is not consistent, then the use of the term in the laws of 12397
the United States relating to federal income tax shall control 12398
over the use of the term in Title LVII of the Revised Code. 12399

Except as otherwise provided in section 718.81 of the Revised 12400
Code, as used in this chapter: 12401

(A)(1) "Municipal taxable income" means the following: 12402

(a) For a person other than an individual, income apportioned 12403
or situated to the municipal corporation under section 718.02 of 12404
the Revised Code, as applicable, reduced by any pre-2017 net 12405
operating loss carryforward available to the person for the 12406
municipal corporation. 12407

(b)(i) For an individual who is a resident of a municipal 12408
corporation other than a qualified municipal corporation, income 12409
reduced by exempt income to the extent otherwise included in 12410
income, then reduced as provided in division (A)(2) of this 12411
section, and further reduced by any pre-2017 net operating loss 12412
carryforward available to the individual for the municipal 12413
corporation. 12414

(ii) For an individual who is a resident of a qualified 12415
municipal corporation, Ohio adjusted gross income reduced by 12416
income exempted, and increased by deductions excluded, by the 12417
qualified municipal corporation from the qualified municipal 12418

corporation's tax. If a qualified municipal corporation, on or 12419
before December 31, 2013, exempts income earned by individuals who 12420
are not residents of the qualified municipal corporation and net 12421
profit of persons that are not wholly located within the qualified 12422
municipal corporation, such individual or person shall have no 12423
municipal taxable income for the purposes of the tax levied by the 12424
qualified municipal corporation and may be exempted by the 12425
qualified municipal corporation from the requirements of section 12426
718.03 of the Revised Code. 12427

(c) For an individual who is a nonresident of a municipal 12428
corporation, income reduced by exempt income to the extent 12429
otherwise included in income and then, as applicable, apportioned 12430
or situated to the municipal corporation under section 718.02 of 12431
the Revised Code, then reduced as provided in division (A)(2) of 12432
this section, and further reduced by any pre-2017 net operating 12433
loss carryforward available to the individual for the municipal 12434
corporation. 12435

(2) In computing the municipal taxable income of a taxpayer 12436
who is an individual, the taxpayer may subtract, as provided in 12437
division (A)(1)(b)(i) or (c) of this section, the amount of the 12438
individual's employee business expenses reported on the 12439
individual's form 2106 that the individual deducted for federal 12440
income tax purposes for the taxable year, subject to the 12441
limitation imposed by section 67 of the Internal Revenue Code. For 12442
the municipal corporation in which the taxpayer is a resident, the 12443
taxpayer may deduct all such expenses allowed for federal income 12444
tax purposes. For a municipal corporation in which the taxpayer is 12445
not a resident, the taxpayer may deduct such expenses only to the 12446
extent the expenses are related to the taxpayer's performance of 12447
personal services in that nonresident municipal corporation. 12448

(B) "Income" means the following: 12449

(1)(a) For residents, all income, salaries, qualifying wages, 12450

commissions, and other compensation from whatever source earned or 12451
received by the resident, including the resident's distributive 12452
share of the net profit of pass-through entities owned directly or 12453
indirectly by the resident and any net profit of the resident, 12454
except as provided in division (D)(5) of this section. 12455

(b) For the purposes of division (B)(1)(a) of this section: 12456

(i) Any net operating loss of the resident incurred in the 12457
taxable year and the resident's distributive share of any net 12458
operating loss generated in the same taxable year and attributable 12459
to the resident's ownership interest in a pass-through entity 12460
shall be allowed as a deduction, for that taxable year and the 12461
following five taxable years, against any other net profit of the 12462
resident or the resident's distributive share of any net profit 12463
attributable to the resident's ownership interest in a 12464
pass-through entity until fully utilized, subject to division 12465
(B)(1)(d) of this section; 12466

(ii) The resident's distributive share of the net profit of 12467
each pass-through entity owned directly or indirectly by the 12468
resident shall be calculated without regard to any net operating 12469
loss that is carried forward by that entity from a prior taxable 12470
year and applied to reduce the entity's net profit for the current 12471
taxable year. 12472

(c) Division (B)(1)(b) of this section does not apply with 12473
respect to any net profit or net operating loss attributable to an 12474
ownership interest in an S corporation unless shareholders' 12475
distributive shares of net profits from S corporations are subject 12476
to tax in the municipal corporation as provided in division 12477
(C)(14)(b) or (c) of this section. 12478

(d) Any amount of a net operating loss used to reduce a 12479
taxpayer's net profit for a taxable year shall reduce the amount 12480
of net operating loss that may be carried forward to any 12481

subsequent year for use by that taxpayer. In no event shall the 12482
cumulative deductions for all taxable years with respect to a 12483
taxpayer's net operating loss exceed the original amount of that 12484
net operating loss available to that taxpayer. 12485

(2) In the case of nonresidents, all income, salaries, 12486
qualifying wages, commissions, and other compensation from 12487
whatever source earned or received by the nonresident for work 12488
done, services performed or rendered, or activities conducted in 12489
the municipal corporation, including any net profit of the 12490
nonresident, but excluding the nonresident's distributive share of 12491
the net profit or loss of only pass-through entities owned 12492
directly or indirectly by the nonresident. 12493

(3) For taxpayers that are not individuals, net profit of the 12494
taxpayer; 12495

(4) Lottery, sweepstakes, gambling and sports winnings, 12496
winnings from games of chance, and prizes and awards. If the 12497
taxpayer is a professional gambler for federal income tax 12498
purposes, the taxpayer may deduct related wagering losses and 12499
expenses to the extent authorized under the Internal Revenue Code 12500
and claimed against such winnings. 12501

(C) "Exempt income" means all of the following: 12502

(1) The military pay or allowances of members of the armed 12503
forces of the United States or members of their reserve 12504
components, including the national guard of any state; 12505

(2)(a) Except as provided in division (C)(2)(b) of this 12506
section, intangible income; 12507

(b) A municipal corporation that taxed any type of intangible 12508
income on March 29, 1988, pursuant to Section 3 of S.B. 238 of the 12509
116th general assembly, may continue to tax that type of income if 12510
a majority of the electors of the municipal corporation voting on 12511
the question of whether to permit the taxation of that type of 12512

intangible income after 1988 voted in favor thereof at an election 12513
held on November 8, 1988. 12514

(3) Social security benefits, railroad retirement benefits, 12515
unemployment compensation, pensions, retirement benefit payments, 12516
payments from annuities, and similar payments made to an employee 12517
or to the beneficiary of an employee under a retirement program or 12518
plan, disability payments received from private industry or local, 12519
state, or federal governments or from charitable, religious or 12520
educational organizations, and the proceeds of sickness, accident, 12521
or liability insurance policies. As used in division (C)(3) of 12522
this section, "unemployment compensation" does not include 12523
supplemental unemployment compensation described in section 12524
3402(o)(2) of the Internal Revenue Code. 12525

(4) The income of religious, fraternal, charitable, 12526
scientific, literary, or educational institutions to the extent 12527
such income is derived from tax-exempt real estate, tax-exempt 12528
tangible or intangible property, or tax-exempt activities. 12529

(5) Compensation paid under section 3501.28 or 3501.36 of the 12530
Revised Code to a person serving as a precinct election official 12531
to the extent that such compensation does not exceed one thousand 12532
dollars for the taxable year. Such compensation in excess of one 12533
thousand dollars for the taxable year may be subject to taxation 12534
by a municipal corporation. A municipal corporation shall not 12535
require the payer of such compensation to withhold any tax from 12536
that compensation. 12537

(6) Dues, contributions, and similar payments received by 12538
charitable, religious, educational, or literary organizations or 12539
labor unions, lodges, and similar organizations; 12540

(7) Alimony and child support received; 12541

(8) Compensation for personal injuries or for damages to 12542
property from insurance proceeds or otherwise, excluding 12543

compensation paid for lost salaries or wages or compensation from 12544
punitive damages; 12545

(9) Income of a public utility when that public utility is 12546
subject to the tax levied under section 5727.24 or 5727.30 of the 12547
Revised Code. Division (C)(9) of this section does not apply for 12548
purposes of Chapter 5745. of the Revised Code. 12549

(10) Gains from involuntary conversions, interest on federal 12550
obligations, items of income subject to a tax levied by the state 12551
and that a municipal corporation is specifically prohibited by law 12552
from taxing, and income of a decedent's estate during the period 12553
of administration except such income from the operation of a trade 12554
or business; 12555

(11) Compensation or allowances excluded from federal gross 12556
income under section 107 of the Internal Revenue Code; 12557

(12) Employee compensation that is not qualifying wages as 12558
defined in division (R) of this section; 12559

(13) Compensation paid to a person employed within the 12560
boundaries of a United States air force base under the 12561
jurisdiction of the United States air force that is used for the 12562
housing of members of the United States air force and is a center 12563
for air force operations, unless the person is subject to taxation 12564
because of residence or domicile. If the compensation is subject 12565
to taxation because of residence or domicile, tax on such income 12566
shall be payable only to the municipal corporation of residence or 12567
domicile. 12568

(14)(a) Except as provided in division (C)(14)(b) or (c) of 12569
this section, an S corporation shareholder's distributive share of 12570
net profits of the S corporation, other than any part of the 12571
distributive share of net profits that represents wages as defined 12572
in section 3121(a) of the Internal Revenue Code or net earnings 12573
from self-employment as defined in section 1402(a) of the Internal 12574

Revenue Code. 12575

the Revised Code as it existed before March 11, 2004, a majority 12577
of the electors of a municipal corporation voted in favor of the 12578
question at an election held on November 4, 2003, the municipal 12579
corporation may continue after 2002 to tax an S corporation 12580
shareholder's distributive share of net profits of an S 12581
corporation. 12582

(c) If, on December 6, 2002, a municipal corporation was 12583
imposing, assessing, and collecting a tax on an S corporation 12584
shareholder's distributive share of net profits of the S 12585
corporation to the extent the distributive share would be 12586
allocated or apportioned to this state under divisions (B)(1) and 12587
(2) of section 5733.05 of the Revised Code if the S corporation 12588
were a corporation subject to taxes imposed under Chapter 5733. of 12589
the Revised Code, the municipal corporation may continue to impose 12590
the tax on such distributive shares to the extent such shares 12591
would be so allocated or apportioned to this state only until 12592
December 31, 2004, unless a majority of the electors of the 12593
municipal corporation voting on the question of continuing to tax 12594
such shares after that date voted in favor of that question at an 12595
election held November 2, 2004. If a majority of those electors 12596
voted in favor of the question, the municipal corporation may 12597
continue after December 31, 2004, to impose the tax on such 12598
distributive shares only to the extent such shares would be so 12599
allocated or apportioned to this state. 12600

(d) A municipal corporation shall be deemed to have elected 12601
to tax S corporation shareholders' distributive shares of net 12602

majority of the electors of a municipal corporation voted in favor 12604
of a question at an election held under division (C)(14)(b) or (c) 12605
of this section. The municipal corporation shall specify by 12606

resolution or ordinance that the tax applies to the distributive 12607
share of a shareholder of an S corporation in the hands of the 12608
shareholder of the S corporation. 12609

(15) To the extent authorized under a resolution or ordinance 12610
adopted by a municipal corporation before January 1, 2016, all or 12611

(16)(a) Except as provided in divisions (C)(16)(b), (c), and 12614
(d) of this section, qualifying wages described in division (B)(1) 12615
or (E) of section 718.011 of the Revised Code to the extent the 12616
qualifying wages are not subject to withholding for the municipal 12617
corporation under either of those divisions. 12618

(b) The exemption provided in division (C)(16)(a) of this 12619
section does not apply with respect to the municipal corporation 12620
in which the employee resided at the time the employee earned the 12621
qualifying wages. 12622

(c) The exemption provided in division (C)(16)(a) of this 12623
section does not apply to qualifying wages that an employer elects 12624
to withhold under division (D)(2) of section 718.011 of the 12625
Revised Code. 12626

(d) The exemption provided in division (C)(16)(a) of this 12627
section does not apply to qualifying wages if both of the 12628
following conditions apply: 12629

(i) For qualifying wages described in division (B)(1) of 12630
section 718.011 of the Revised Code, the employee's employer 12631
withholds and remits tax on the qualifying wages to the municipal 12632
corporation in which the employee's principal place of work is 12633
situated, or, for qualifying wages described in division (E) of 12634
section 718.011 of the Revised Code, the employee's employer 12635

this section, compensation that is not qualifying wages paid to a 12642
nonresident individual for personal services performed in the 12643
municipal corporation on not more than twenty days in a taxable 12644
year. 12645

(b) The exemption provided in division (C)(17)(a) of this 12646
section does not apply under either of the following 12647
circumstances: 12648

(i) The individual's base of operation is located in the 12649
municipal corporation. 12650

(ii) The individual is a professional athlete, professional 12651
entertainer, or public figure, and the compensation is paid for 12652
the performance of services in the individual's capacity as a 12653

For purposes of division (C)(17)(b)(ii) of this section, 12655
"professional athlete," "professional entertainer," and "public 12656
figure" have the same meanings as in section 718.011 of the 12657
Revised Code. 12658

(c) Compensation to which division (C)(17) of this section 12659
applies shall be treated as earned or received at the individual's 12660
base of operation. If the individual does not have a base of 12661
operation, the compensation shall be treated as earned or received 12662
where the individual is domiciled. 12663

(d) For purposes of division (C)(17) of this section, "base 12664
of operation" means the location where an individual owns or rents 12665
an office, storefront, or similar facility to which the individual 12666
regularly reports and at which the individual regularly performs 12667
personal services for compensation. 12668

(18) Compensation paid to a person for personal services 12669
performed for a political subdivision on property owned by the 12670
political subdivision, regardless of whether the compensation is 12671
received by an employee of the subdivision or another person 12672
performing services for the subdivision under a contract with the 12673
subdivision, if the property on which services are performed is 12674
annexed to a municipal corporation pursuant to section 709.023 of 12675
the Revised Code on or after March 27, 2013, unless the person is 12676
subject to such taxation because of residence. If the compensation 12677
is subject to taxation because of residence, municipal income tax 12678
shall be payable only to the municipal corporation of residence. 12679

(19) In the case of a tax administered, collected, and 12680
enforced by a municipal corporation pursuant to an agreement with 12681
the board of directors of a joint economic development district 12682

period pursuant to a qualifying solicitation received by the 12689
business; 12690

(b) Income of a qualifying employee described in division 12691

by the employee during a disaster response period on critical 12699

infrastructure owned or used by the employee's employer. 12700

(21) Income the taxation of which is prohibited by the 12701
constitution or laws of the United States. 12702

Any item of income that is exempt income of a pass-through 12703
entity under division (C) of this section is exempt income of each 12704
owner of the pass-through entity to the extent of that owner's 12705
distributive or proportionate share of that item of the entity's 12706
income. 12707

(D)(1) "Net profit" for a person who is an individual means 12708
the individual's net profit required to be reported on schedule C, 12709
schedule E, or schedule F reduced by any net operating loss 12710
carried forward. For the purposes of division (D)(1) of this 12711
section, the net operating loss carried forward shall be 12712
calculated and deducted in the same manner as provided in division 12713
(D)(3) of this section. 12714

(2) "Net profit" for a person other than an individual means 12715
adjusted federal taxable income reduced by any net operating loss 12716
incurred by the person in a taxable year beginning on or after 12717
January 1, 2017, subject to the limitations of division (D)(3) of 12718
this section. 12719

(3)(a) The amount of such net operating loss shall be 12720
deducted from net profit to the extent necessary to reduce 12721
municipal taxable income to zero, with any remaining unused 12722
portion of the net operating loss carried forward to not more than 12723
five consecutive taxable years following the taxable year in which 12724
the loss was incurred, but in no case for more years than 12725
necessary for the deduction to be fully utilized. 12726

(b) No person shall use the deduction allowed by division 12727
(D)(3) of this section to offset qualifying wages. 12728

(c)(i) For taxable years beginning in 2018, 2019, 2020, 2021, 12729
or 2022, a person may not deduct, for purposes of an income tax 12730

levied by a municipal corporation that levies an income tax before 12731
January 1, 2016, more than fifty per cent of the amount of the 12732
deduction otherwise allowed by division (D)(3) of this section. 12733

(ii) For taxable years beginning in 2023 or thereafter, a 12734
person may deduct, for purposes of an income tax levied by a 12735
municipal corporation that levies an income tax before January 1, 12736
2016, the full amount allowed by division (D)(3) of this section 12737
without regard to the limitation of division (D)(3)(b)(i) of this 12738
section. 12739

(d) Any pre-2017 net operating loss carryforward deduction 12740
that is available may be utilized before a taxpayer may deduct any 12741
amount pursuant to division (D)(3) of this section. 12742

(e) Nothing in division (D)(3)(c)(i) of this section 12743
precludes a person from carrying forward, for use with respect to 12744
any return filed for a taxable year beginning after 2018, any 12745
amount of net operating loss that was not fully utilized by 12746
operation of division (D)(3)(c)(i) of this section. To the extent 12747
that an amount of net operating loss that was not fully utilized 12748
in one or more taxable years by operation of division (D)(3)(c)(i) 12749
of this section is carried forward for use with respect to a 12750
return filed for a taxable year beginning in 2019, 2020, 2021, or 12751
2022, the limitation described in division (D)(3)(c)(i) of this 12752
section shall apply to the amount carried forward. 12753

(4) For the purposes of this chapter, and notwithstanding 12754
division (D)(2) of this section, net profit of a disregarded 12755
entity shall not be taxable as against that disregarded entity, 12756
but shall instead be included in the net profit of the owner of 12757
the disregarded entity. 12758

(5) For the purposes of this chapter, and notwithstanding any 12759
other provision of this chapter, the net profit of a publicly 12760
traded partnership that makes the election described in division 12761

(D)(5) of this section shall be taxed as if the partnership were a 12762
C corporation, and shall not be treated as the net profit or 12763
income of any owner of the partnership. 12764

A publicly traded partnership that is treated as a 12765
partnership for federal income tax purposes and that is subject to 12766
tax on its net profits in one or more municipal corporations in 12767
this state may elect to be treated as a C corporation for 12768
municipal income tax purposes. The publicly traded partnership 12769
shall make the election in every municipal corporation in which 12770
the partnership is subject to taxation on its net profits. The 12771
election shall be made on the annual tax return filed in each such 12772
municipal corporation. The publicly traded partnership shall not 12773
be required to file the election with any municipal corporation in 12774
which the partnership is not subject to taxation on its net 12775
profits, but division (D)(5) of this section applies to all 12776
municipal corporations in which an individual owner of the 12777
partnership resides. 12778

(E) "Adjusted federal taxable income," for a person required 12779
to file as a C corporation, or for a person that has elected to be 12780
taxed as a C corporation under division (D)(5) of this section, 12781
means a C corporation's federal taxable income before net 12782
operating losses and special deductions as determined under the 12783
Internal Revenue Code, adjusted as follows: 12784

(1) Deduct intangible income to the extent included in 12785
federal taxable income. The deduction shall be allowed regardless 12786
of whether the intangible income relates to assets used in a trade 12787
or business or assets held for the production of income. 12788

(2) Add an amount equal to five per cent of intangible income 12789
deducted under division (E)(1) of this section, but excluding that 12790
portion of intangible income directly related to the sale, 12791
exchange, or other disposition of property described in section 12792
1221 of the Internal Revenue Code; 12793

(3) Add any losses allowed as a deduction in the computation	12794
of federal taxable income if the losses directly relate to the	12795
sale, exchange, or other disposition of an asset described in	12796
section 1221 or 1231 of the Internal Revenue Code;	12797

Sec. 718.83. (A) On or before the last day of each month, the tax commissioner shall certify to the director of budget and management the amount to be paid to each municipal corporation, based on amounts reported on annual returns and declarations of estimated tax under sections 718.85 and 718.88 of the Revised Code, less any amounts previously distributed and net of any audit adjustments made or refunds granted by the commissioner, for the ~~ealender~~ calendar month preceding the month in which the certification is made. Not later than the fifth day of each month, the director shall provide for payment of the amount certified to each municipal corporation from the municipal ~~income~~ net profit tax fund, plus a pro rata share of any investment earnings accruing to the fund since the previous payment under this section, and minus any reduction required by the commissioner under division (D) of this section. Each municipal corporation's share of such earnings shall equal the proportion that the municipal corporation's certified tax payment is of the total taxes certified to all municipal corporations in that quarter. All investment earnings on money in the municipal ~~income~~ net profit tax fund shall be credited to that fund.

(B) If the tax commissioner determines that the amount of tax paid by a taxpayer and distributed to a municipal corporation under this section for a taxable year exceeds the amount payable to that municipal corporation under sections 718.80 to 718.95 of the Revised Code after accounting for amounts remitted with the annual return and as estimated taxes, the commissioner shall proceed according to divisions (A) and (B) of section 5703.77 of the Revised Code.

(C) If the amount of a municipal corporation's net distribution computed by the commissioner under division (A) of this section is less than zero, the commissioner may notify the municipal corporation of the deficiency. Within thirty days after

receiving such a notice, the municipal corporation shall pay an 13256
amount equal to the deficiency to the treasurer of state. The 13257
treasurer of state shall credit any payment received under this 13258
division to the municipal net profit tax fund. 13259

(D) If a municipal corporation fails to make a timely payment 13260
required under division (C) of this section, the commissioner may 13261
recover the deficiency using any or all of the following options: 13262

(1) Deduct the amount of the deficiency from the next 13263
distribution to that municipal corporation under division (A) of 13264
this section or, if the amount of the deficiency exceeds the 13265
amount of such distribution, withhold such distributions entirely 13266
until the withheld amount equals the amount of the municipal 13267
corporation's deficiency; 13268

(2) Deduct the amount of the deficiency from the next payment 13269
to that municipal corporation under division (A) of section 13270
5745.05 of the Revised Code or, if the amount of the deficiency 13271
exceeds the amount of such distribution, withhold such 13272
distributions entirely until the withheld amount equals the amount 13273
of the municipal corporation's deficiency; 13274

(3) Deduct the amount of the deficiency from the municipal 13275
corporation's share of the next payment made by the commissioner 13276
under division (F) of section 321.24 of the Revised Code or, if 13277
the amount of the deficiency exceeds the amount of the municipal 13278
corporation's share of such payment, withhold the municipal 13279
corporation's share of the payments entirely until the withheld 13280
amount equals the amount of the municipal corporation's 13281
deficiency. 13282

(E) The total amount of payments and distributions withheld 13283
from a municipal corporation under division (D) of this section 13284
shall not exceed the unpaid portion of the municipal corporation's 13285
net distribution deficiency. All amounts withheld under division 13286

(D) of this section shall be credited to the municipal net profit tax fund. 13287
13288

(F) The commissioner may adopt rules necessary to administer this section. 13289
13290

Sec. 718.85. (A)(1) For each taxable year, every taxpayer 13291
shall file an annual return. Such return, along with the amount of 13292
tax shown to be due on the return less the amount paid for the 13293
taxable year under section 718.88 of the Revised Code, shall be 13294
submitted to the tax commissioner, on a form and in the manner 13295
prescribed by the commissioner, on or before the fifteenth day of 13296
the fourth month following the end of the taxpayer's taxable year. 13297

(2) If a taxpayer has multiple taxable years beginning within 13298
one calendar year, the taxpayer shall aggregate the facts and 13299
figures necessary to compute the tax due under this chapter, in 13300
accordance with sections 718.81, 718.82, and, if applicable, 13301
718.86 of the Revised Code onto its annual return. 13302

(3) The remittance shall be made payable to the treasurer of 13303
state and in the form prescribed by the tax commissioner. If the 13304
amount payable with the tax return is ten dollars or less, no 13305
remittance is required. 13306

(B) The tax commissioner shall immediately forward to the 13307
treasurer of state all amounts the commissioner receives pursuant 13308
to sections 718.80 to 718.95 of the Revised Code. The treasurer 13309
shall credit ninety-nine and one-half per cent of such amounts to 13310
the municipal ~~income~~ net profit tax fund which is hereby created 13311
in the state treasury, and the remainder to the municipal income 13312
tax administrative fund established under section 5745.03 of the 13313
Revised Code. 13314

(C)(1) Each return required to be filed under this section 13315
shall contain the signature of the taxpayer or the taxpayer's duly 13316

authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's identification number. Each return shall be verified by a declaration under penalty of perjury.

(2)(a) The tax commissioner may require a taxpayer to include, with each annual tax return, amended return, or request for refund filed with the commissioner under sections 718.80 to 718.95 of the Revised Code, copies of any relevant documents or other information.

(b) A taxpayer that files an annual tax return electronically through the Ohio business gateway or in another manner as prescribed by the tax commissioner shall either submit the documents required under this division electronically as prescribed at the time of filing or, if electronic submission is not available, mail the documents to the tax commissioner. The department of taxation shall publish a method of electronically submitting the documents required under this division on or before January 1, 2019.

(3) After a taxpayer files a tax return, the tax commissioner may request, and the taxpayer shall provide, any information, statements, or documents required to determine and verify the taxpayer's municipal income tax.

(D)(1)(a) Any taxpayer that has duly requested an automatic extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a tax return with the commissioner under this section. The extended due date of the return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may

request that the commissioner grant the taxpayer a six-month 13348
extension of the date for filing the taxpayer's municipal income 13349
tax return. If the commissioner receives the request on or before 13350
the date the municipal income tax return is due, the commissioner 13351
shall grant the taxpayer's extension request. 13352

(c) An extension of time to file under division (D)(1) of 13353
this section is not an extension of the time to pay any tax due 13354
unless the tax commissioner grants an extension of that date. 13355

(2) If the commissioner considers it necessary in order to 13356
ensure payment of a tax imposed in accordance with section 718.04 13357
of the Revised Code, the commissioner may require taxpayers to 13358
file returns and make payments otherwise than as provided in this 13359
section, including taxpayers not otherwise required to file annual 13360
returns. 13361

(E) Each return required to be filed in accordance with this 13362
section shall include a box that the taxpayer may check to 13363
authorize another person, including a tax return preparer who 13364
prepared the return, to communicate with the tax commissioner 13365
about matters pertaining to the return. The return or instructions 13366
accompanying the return shall indicate that by checking the box 13367
the taxpayer authorizes the commissioner to contact the preparer 13368
or other person concerning questions that arise during the 13369
examination or other review of the return and authorizes the 13370
preparer or other person only to provide the commissioner with 13371
information that is missing from the return, to contact the 13372
commissioner for information about the examination or other review 13373
of the return or the status of the taxpayer's refund or payments, 13374
and to respond to notices about mathematical errors, offsets, or 13375
return preparation that the taxpayer has received from the 13376
commissioner and has shown to the preparer or other person. 13377

(F) When income tax returns or other documents require the 13378
signature of a tax return preparer, the tax commissioner shall 13379

accept a facsimile or electronic version of such a signature in 13380
lieu of a manual signature. 13381

Sec. 718.90. (A) If any taxpayer required to file a return 13382
under section 718.80 to 718.95 of the Revised Code fails to file 13383
the return within the time prescribed, files an incorrect return, 13384
or fails to remit the full amount of the tax due for the period 13385
covered by the return, the tax commissioner may make an assessment 13386
against the taxpayer for any deficiency for the period for which 13387
the return or tax is due, based upon any information in the 13388
commissioner's possession. 13389

The tax commissioner shall not make or issue an assessment 13390
against a taxpayer more than three years after the later of the 13391
date the return subject to assessment was required to be filed or 13392
the date the return was filed. Such time limit may be extended if 13393
both the taxpayer and the commissioner consent in writing to the 13394
extension. Any such extension shall extend the three-year time 13395
limit in section 718.91 of the Revised Code for the same period of 13396
time. There shall be no bar or limit to an assessment against a 13397
taxpayer that fails to file a return subject to assessment as 13398
required by sections 718.80 to 718.95 of the Revised Code, or that 13399
files a fraudulent return. The commissioner shall give the 13400
taxpayer assessed written notice of the assessment as provided in 13401
section 5703.37 of the Revised Code. With the notice, the 13402
commissioner shall provide instructions on how to petition for 13403
reassessment and request a hearing on the petition. 13404

(B) Unless the taxpayer assessed files with the tax 13405
commissioner within sixty days after service of the notice of 13406
assessment, either personally or by certified mail, a written 13407
petition for reassessment signed by the authorized agent of the 13408
taxpayer assessed having knowledge of the facts, the assessment 13409
becomes final, and the amount of the assessment is due and payable 13410

from the taxpayer to the treasurer of state. The petition shall 13411
indicate the taxpayer's objections, but additional objections may 13412
be raised in writing if received by the commissioner prior to the 13413
date shown on the final determination. If the petition has been 13414
properly filed, the commissioner shall proceed under section 13415
5703.60 of the Revised Code. 13416

(C) After an assessment becomes final, if any portion of the 13417
assessment remains unpaid, including accrued interest, a certified 13418
copy of the tax commissioner's entry making the assessment final 13419
may be filed in the office of the clerk of the court of common 13420
pleas in the county in which the taxpayer has an office or place 13421
of business in this state, the county in which the taxpayer's 13422
statutory agent is located, or Franklin county. 13423

Immediately upon the filing of the entry, the clerk shall 13424
enter a judgment against the taxpayer assessed in the amount shown 13425
on the entry. The judgment may be filed by the clerk in a 13426
loose-leaf book entitled "special judgments for municipal income 13427
taxes," and shall have the same effect as other judgments. 13428
Execution shall issue upon the judgment upon the request of the 13429
tax commissioner, and all laws applicable to sales on execution 13430
shall apply to sales made under the judgment. 13431

If the assessment is not paid in its entirety within sixty 13432
days after the day the assessment was issued, the portion of the 13433
assessment consisting of tax due shall bear interest at the rate 13434
per annum prescribed by section 5703.47 of the Revised Code from 13435
the day the commissioner issues the assessment until the 13436
assessment is paid or until it is certified to the attorney 13437
general for collection under section 131.02 of the Revised Code, 13438
whichever comes first. If the unpaid portion of the assessment is 13439
certified to the attorney general for collection, the entire 13440
unpaid portion of the assessment shall bear interest at the rate 13441
per annum prescribed by section 5703.47 of the Revised Code from 13442

the date of certification until the date it is paid in its 13443
entirety. Interest shall be paid in the same manner as the tax and 13444
may be collected by issuing an assessment under this section. 13445

(D) All money collected under this section shall be credited 13446
to the municipal ~~income~~ net profit tax fund and distributed to the 13447
municipal corporation to which the money is owed based on the 13448
assessment issued under this section. 13449

(E) If the tax commissioner believes that collection of the 13450
tax will be jeopardized unless proceedings to collect or secure 13451
collection of the tax are instituted without delay, the 13452
commissioner may issue a jeopardy assessment against the taxpayer 13453
liable for the tax. Immediately upon the issuance of the jeopardy 13454
assessment, the commissioner shall file an entry with the clerk of 13455
the court of common pleas in the manner prescribed by division (C) 13456
of this section. Notice of the jeopardy assessment shall be served 13457
on the taxpayer assessed or the taxpayer's legal representative in 13458
the manner provided in section 5703.37 of the Revised Code within 13459
five days of the filing of the entry with the clerk. The total 13460
amount assessed is immediately due and payable, unless the 13461
taxpayer assessed files a petition for reassessment in accordance 13462
with division (B) of this section and provides security in a form 13463
satisfactory to the commissioner and in an amount sufficient to 13464
satisfy the unpaid balance of the assessment. Full or partial 13465
payment of the assessment does not prejudice the commissioner's 13466
consideration of the petition for reassessment. 13467

(F) Notwithstanding the fact that a petition for reassessment 13468
is pending, the taxpayer may pay all or a portion of the 13469
assessment that is the subject of the petition. The acceptance of 13470
a payment by the treasurer of state does not prejudice any claim 13471
for refund upon final determination of the petition. 13472

If upon final determination of the petition an error in the 13473
assessment is corrected by the tax commissioner, upon petition so 13474

filed or pursuant to a decision of the board of tax appeals or any court to which the determination or decision has been appealed, so that the amount due from the taxpayer under the corrected assessment is less than the portion paid, there shall be issued to the taxpayer, its assigns, or legal representative a refund in the amount of the overpayment as provided by section 718.91 of the Revised Code, with interest on that amount as provided by that section.

Sec. 753.21. (A) As used in this section, "building or structure" includes, but is not limited to, a modular unit, building, or structure and a movable unit, building, or structure.

(B)(1) The legislative authority of a municipal corporation, by ordinance, may dedicate and permit the use, as a minimum security jail, of any vacant or abandoned public building or structure owned by the municipal corporation that has not been dedicated to or is not then in use for any municipal or other public purpose, or any building or structure rented or leased by the municipal corporation. The legislative authority of a municipal corporation, by ordinance, also may dedicate and permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for the municipal corporation. Subject to divisions (B)(3) and (C) of this section, upon the effective date of such an ordinance, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation, a misdemeanor, or a violation of a municipal ordinance and is under the jurisdiction of the municipal corporation or is sentenced to a residential sanction in the jail for a felony of the fourth or fifth degree pursuant to sections 2929.11 to 2929.19 of the Revised Code, and the jail administrator

or the jail administrator's designee has classified the person as 13506
a minimal security risk. In determining the person's 13507
classification under this division, the administrator or designee 13508
shall consider all relevant factors, including, but not limited 13509
to, the person's escape risk and propensity for assaultive or 13510
violent behavior, based upon the person's prior and current 13511
behavior. 13512

(b) The person is an inmate transferred by order of a judge 13513
of the sentencing court upon the request of the sheriff, 13514
administrator, jailer, or other person responsible for operating 13515
the jail other than a contractor as defined in section 9.06 of the 13516
Revised Code, who is named in the request as being suitable for 13517
confinement in a minimum security facility. 13518

(2) The legislative authority of a municipal corporation, by 13519
ordinance, may affiliate with the county in which it is located, 13520
with one or more counties adjacent to the county in which it is 13521
located, or with one or more municipal corporations located within 13522
the county in which it is located or within an adjacent county, 13523
and dedicate and permit the use, as a minimum security jail, of 13524
any vacant or abandoned public building or structure owned by any 13525
of the affiliating counties or municipal corporations that has not 13526
been dedicated to or is not then in use for any public purpose, or 13527
any building or structure rented or leased by any of the 13528
affiliating counties or municipal corporations. The legislative 13529
authority of a municipal corporation, by ordinance, also may 13530
affiliate with one or more counties adjacent to the county in 13531
which it is located or with one or more municipal corporations 13532
located within the county in which it is located or within an 13533
adjacent county and dedicate and permit the use, as a minimum 13534
security jail, of any building or structure purchased by or 13535
constructed by or for any of the affiliating counties or municipal 13536
corporations. Any counties and municipal corporations that 13537

affiliate for purposes of this division shall enter into an 13538
agreement that establishes the responsibilities for the operation 13539
and for the cost of operation of the minimum security jail. 13540
Subject to divisions (B)(3) and (C) of this section, upon the 13541
effective date of an ordinance adopted under this division, the 13542
specified building or structure shall be used, in accordance with 13543
this section, for the confinement of persons who meet one of the 13544
following conditions: 13545

(a) The person is sentenced to a term of imprisonment for a 13546
traffic violation, a misdemeanor, or a violation of an ordinance 13547
of a municipal corporation and is under the jurisdiction of any of 13548
the affiliating counties or municipal corporations or is sentenced 13549
to a residential sanction in the jail for a felony of the fourth 13550
or fifth degree pursuant to sections 2929.11 to 2929.19 of the 13551
Revised Code, and the jail administrator or the jail 13552
administrator's designee has classified the person as a minimal 13553
security risk. In determining the person's classification under 13554
this division, the administrator or designee shall consider all 13555
relevant factors, including, but not limited to, the person's 13556
escape risk and propensity for assaultive or violent behavior, 13557
based upon the person's prior and current behavior. 13558

(b) The person is an inmate transferred by order of a judge 13559
of the sentencing court upon the request of the sheriff, 13560
administrator, jailer, or other person responsible for operating 13561
the jail other than a contractor as defined in section 9.06 of the 13562
Revised Code, who is named in the request as being suitable for 13563
confinement in a minimum security facility. 13564

(3) No person shall be confined in a building or structure 13565
dedicated as a minimum security jail under division (B)(1) or (2) 13566
of this section unless the judge who sentenced the person to the 13567
term of imprisonment for the traffic violation or the misdemeanor 13568
specifies that the term of imprisonment is to be served in that 13569

jail, and division (B)(1) or (2) of this section permits the 13570
confinement of the person in that jail or unless the judge who 13571
sentenced the person to the residential sanction for the felony 13572
specifies that the residential sanction is to be served in a jail, 13573
and division (B)(1) or (2) of this section permits the confinement 13574
of the person in that jail. If a rented or leased building or 13575
structure is so dedicated, the building or structure may be used 13576
as a minimum security jail only during the period that it is 13577
rented or leased by the municipal corporation or by an affiliated 13578
county or municipal corporation. If a person convicted of a 13579
misdemeanor is confined to a building or structure dedicated as a 13580
minimum security jail under division (B)(1) or (2) of this section 13581
and the sheriff, administrator, jailer, or other person 13582
responsible for operating the jail other than a contractor as 13583
defined in division (H) of section 9.06 of the Revised Code 13584
determines that it would be more appropriate for the person so 13585
confined to be confined in another jail or workhouse facility, the 13586
sheriff, administrator, jailer, or other person may transfer the 13587
person so confined to a more appropriate jail or workhouse 13588
facility. 13589

(C) All of the following apply in relation to a building or 13590
structure that is dedicated pursuant to division (B)(1) or (2) of 13591
this section for use as a minimum security jail: 13592

(1) To the extent that the use of the building or structure 13593
as a minimum security jail requires a variance from any municipal 13594
corporation, county, or township zoning ordinances or regulations, 13595
the variance shall be granted. 13596

(2) Except as provided in this section, the building or 13597
structure shall not be used to confine any person unless it is in 13598
substantial compliance with any applicable housing, fire 13599
prevention, sanitation, health, and safety codes, regulations, or 13600
standards. 13601

(3) Unless such satisfaction or compliance is required under 13602
the standards described in division (C)(4) of this section, and 13603
notwithstanding any other provision of state or local law to the 13604
contrary, the building or structure need not satisfy or comply 13605
with any state or local building standard or code in order to be 13606
used to confine a person for the purposes specified in division 13607
(B) of this section. 13608

(4) The building or structure shall not be used to confine 13609
any person unless it is in compliance with all minimum standards 13610
and minimum renovation, modification, and construction criteria 13611
for ~~minimum security~~ jails that have been proposed by the 13612
department of rehabilitation and correction, through its bureau of 13613
adult detention, under section 5120.10 of the Revised Code. 13614

(5) The building or structure need not be renovated or 13615
modified into a secure detention facility in order to be used 13616
solely to confine a person for the purposes specified in divisions 13617
(B)(1)(a) and (B)(2)(a) of this section. 13618

(6) The building or structure shall be used, equipped, 13619
furnished, and staffed to provide adequate and suitable living, 13620
sleeping, food service or preparation, drinking, bathing and 13621
toilet, sanitation, and other necessary facilities, furnishings, 13622
and equipment. 13623

(D) Except as provided in this section, a minimum security 13624
jail dedicated and used under this section shall be considered to 13625
be part of the jail, workhouse, or other correctional facilities 13626
of the municipal corporation or the affiliated counties and 13627
municipal corporations for all purposes under the law. All persons 13628
confined in such a minimum security jail shall be and shall 13629
remain, in all respects, under the control of the authority of the 13630
municipal corporation that has responsibility for the management 13631
and operation of the jail, workhouse, or other correctional 13632
facilities of the municipal corporation or, if it is operated by 13633

any affiliation of counties or municipal corporations, under the control of the specified county or municipal corporation with that authority, provided that, if the person was convicted of a felony and is serving a residential sanction in the facility, all provisions of law that pertain to persons convicted of a felony that would not by their nature clearly be inapplicable apply regarding the person. A minimum security jail dedicated and used under this section shall be managed and maintained in accordance with policies and procedures adopted by the legislative authority of the municipal corporation or the affiliated counties and municipal corporations governing the safe and healthful operation of the jail, the confinement and supervision of the persons sentenced to it, and their participation in work release or similar rehabilitation programs. In addition to other rules of conduct and discipline, the rights of ingress and egress of persons confined in a minimum security jail dedicated and used under this section shall be subject to reasonable restrictions. Every person confined in a minimum security jail dedicated and used under this section shall be given verbal and written notification, at the time of the person's admission to the jail, that purposely leaving, or purposely failing to return to, the jail without proper authority or permission constitutes the felony offense of escape.

(E) If a person who has been convicted of or pleaded guilty to an offense is sentenced to a term of imprisonment or a residential sanction in a minimum security jail as described in division (B)(1)(a) or (B)(2)(a) of this section, or if a person is an inmate transferred to a minimum security jail by order of a judge of the sentencing court as described in division (B)(1)(b) or (2)(b) of this section, at the time of reception and at other times the person in charge of the operation of the jail determines to be appropriate, the person in charge of the operation of the jail may cause the convicted offender to be examined and tested

for tuberculosis, HIV infection, hepatitis, including but not 13667
limited to hepatitis A, B, and C, and other contagious diseases. 13668
The person in charge of the operation of the jail may cause a 13669
convicted offender in the jail who refuses to be tested or treated 13670
for tuberculosis, HIV infection, hepatitis, including but not 13671
limited to hepatitis A, B, and C, or another contagious disease to 13672
be tested and treated involuntarily. 13673

Sec. 755.16. (A) Any contracting subdivision, jointly with 13674
one or more other contracting subdivisions, in any combination, 13675
may acquire property for, construct, operate, and maintain any 13676
parks, playgrounds, playfields, gymnasiums, public baths, swimming 13677
pools, indoor recreation centers, educational facilities, or 13678
community centers. Any school district, educational service 13679
center, or state institution of higher education may provide by 13680
the erection of any school, educational service center, or state 13681
institution of higher education building or premises, or by the 13682
enlargement of, addition to, or reconstruction or improvement of 13683

eighteen years at the time of application for a permit. 15026

(b) "Senior" means an applicant who is sixty-six years of age 15027

(F) Every person, while hunting or trapping fur-bearing 15083
animals on lands of another, shall carry the person's fur taker 15084

fur taker permit. The tenant and children of the tenant may hunt 15105
or trap fur-bearing animals on lands where they reside without a 15106
fur taker permit. 15107

(H) A fur taker permit is not transferable. No person shall 15108
carry a fur taker permit issued in the name of another person. 15109

(I) A fur taker permit entitles a nonresident to take from 15110
this state fur-bearing animals taken and possessed by the 15111

Moneys received from the stamp fee shall be paid into the 15121
state treasury to the credit of the wetlands habitat fund, which 15122
is hereby established. Moneys shall be paid from the fund on the 15123
order of the director of natural resources for the following 15124
purposes: 15125

(A) Sixty per cent for projects that the division approves 15126
for the acquisition, development, management, or preservation of 15127
waterfowl areas within the state; 15128

(B) Forty per cent for contribution by the division to an 15129
appropriate nonprofit organization for the acquisition, 15130
development, management, or preservation of lands and waters 15131
within the United States or Canada that provide or will provide 15132
habitat for waterfowl with migration routes that cross this state. 15133

No moneys derived from the issuance of wetlands habitat 15134
stamps shall be spent for purposes other than those specified by 15135
this section. All investment earnings of the fund shall be 15136
credited to the fund. 15137

Wetlands habitat stamps shall be furnished by and in a form 15138
prescribed by the chief of the division of wildlife and issued by 15139
clerks and other agents authorized to issue licenses and permits 15140

kept by the clerks and other agents shall be uniform throughout 15142
the state, in such form or manner as the director prescribes, and 15143

any person on any date, whether or not that date is within the 15148
period in which they are effective. 15149

Every person to whom this section applies, while hunting 15150
ducks, geese, or brant, shall carry an unexpired wetlands habitat 15151
stamp that is validated by the person's signature written on the 15152
stamp in ink and shall exhibit the stamp to any enforcement 15153
officer so requesting. No person shall fail to carry and exhibit 15154
the person's stamp. 15155

A wetlands habitat stamp is not transferable. 15156

The chief shall establish a procedure to obtain subject 15157
matter to be printed on the wetlands habitat stamp and shall use, 15158
dispose of, or distribute the subject matter as the chief 15159

considers necessary. The chief also shall adopt rules necessary to 15160
administer this section. 15161

director, with the approval of the advisory council on amusement 15464
ride safety, may waive or modify the application of a rule to any 15465
amusement ride if the public safety is secure. Any authorization 15466
by the director under this division shall be in writing and shall 15467
set forth the conditions under which the waiver or modification is 15468
authorized, and the department shall retain separate records of 15469

all proceedings under this division. 15470

a chief inspector and additional inspectors and employees as may 15472
be necessary to administer and enforce sections 1711.50 to 1711.57 15473

advisory council on amusement ride safety on whether to contract 15485
with those persons. The advice shall not be binding upon the 15486
director. After having received the advice of the council, the 15487

amusement ride safety, the director may employ a special 15492
consultant to conduct an independent investigation of an amusement 15493
ride accident. This consultant need not be in the civil service of 15494

These supplemental inspections are in addition to any other inspection or reinspection of the ride as may be required under sections 1711.50 to 1711.57 of the Revised Code, and the owner of the temporary amusement ride is not required to pay an inspection or reinspection fee for this supplemental inspection. Nothing in this division shall be construed to prohibit the owner of a temporary amusement ride having a valid permit to operate in this state from operating the ride at a scheduled event before the department conducts a supplemental inspection.

(H) The department may annually conduct a midseason operational inspection of every amusement ride upon which it conducts an annual inspection pursuant to division (A) of this section. or local portion of the compensation shall be that part of each 15827
per diem paid by the state which is proportional to the county or 15828
local shares of the total compensation of a resident judge of such 15829
court. The county treasurer shall forward the payment within 15830
thirty days. After forwarding the payment, the county treasurer 15831
shall seek reimbursement from the applicable local municipalities 15832
as appropriate. 15833

Sec. 1901.26. (A) Subject to division (E) of this section, 15834
costs in a municipal court shall be fixed and taxed as follows: 15835

(1)(a) The municipal court shall require an advance deposit 15836
for the filing of any new civil action or proceeding when required 15837
by division (C) of this section, subject to its waiver pursuant to 15838
that division, and in all other cases, by rule, shall establish a 15839
schedule of fees and costs to be taxed in any civil or criminal 15840
action or proceeding. 15841

(b)(i) The legislative authority of a municipal corporation 15842
may by ordinance establish a schedule of fees to be taxed as costs 15843
in any civil, criminal, or traffic action or proceeding in a 15844
municipal court for the performance by officers or other employees 15845
of the municipal corporation's police department or marshal's 15846
office of any of the services specified in sections 311.17 and 15847
509.15 of the Revised Code. No fee in the schedule shall be higher 15848
than the fee specified in section 311.17 of the Revised Code for 15849
the performance of the same service by the sheriff. If a fee 15850
established in the schedule conflicts with a fee for the same 15851
service established in another section of the Revised Code or a 15852
rule of court, the fee established in the other section of the 15853
Revised Code or the rule of court shall apply. 15854

(ii) When an officer or employee of a municipal police 15855
department or marshal's office performs in a civil, criminal, or 15856
traffic action or proceeding in a municipal court a service 15857
specified in section 311.17 or 509.15 of the Revised Code for 15858
which a taxable fee has been established under this or any other 15859
section of the Revised Code, the applicable legal fees and any 15860
other extraordinary expenses, including overtime, provided for the 15861
service shall be taxed as costs in the case. The clerk of the 15862
court shall pay those legal fees and other expenses, when 15863
collected, into the general fund of the municipal corporation that 15864
employs the officer or employee. 15865

(iii) If a bailiff of a municipal court performs in a civil, 15866
criminal, or traffic action or proceeding in that court a service 15867

specified in section 311.17 or 509.15 of the Revised Code for 15868
which a taxable fee has been established under this section or any 15869
other section of the Revised Code, the fee for the service is the 15870
same and is taxable to the same extent as if the service had been 15871
performed by an officer or employee of the police department or 15872
marshal's office of the municipal corporation in which the court 15873
is located. The clerk of that court shall pay the fee, when 15874
collected, into the general fund of the entity or entities that 15875
fund the bailiff's salary, in the same prorated amount as the 15876
salary is funded. 15877

(iv) Division (A)(1)(b) of this section does not authorize or 15878
require any officer or employee of a police department or 15879
marshal's office of a municipal corporation or any bailiff of a 15880
municipal court to perform any service not otherwise authorized by 15881
law. 15882

(2) The municipal court, by rule, may require an advance 15883
deposit for the filing of any civil action or proceeding and 15884
publication fees as provided in section 2701.09 of the Revised 15885
Code. The court shall waive the requirement for advance deposit 15886
for a party that the court determines qualifies as an indigent 15887
litigant as set forth in section 2323.311 of the Revised Code. 15888

(3) When a jury trial is demanded in any civil action or 15889
proceeding, the party making the demand may be required to make an 15890
advance deposit as fixed by rule of court, unless the court 15891
determines that the party qualifies as an indigent litigant as set 15892
forth in section 2323.311 of the Revised Code. If a jury is 15893
called, the fees of a jury shall be taxed as costs. 15894

(4) In any civil or criminal action or proceeding, each 15895
witness shall receive twelve dollars for each full day's 15896
attendance and six dollars for each half day's attendance. Each 15897
witness in a municipal court that is not a county-operated 15898
municipal court also shall receive fifty and one-half cents for 15899

each mile necessarily traveled to and from the witness's place of residence to the action or proceeding. 15900
15901

(5) A reasonable charge for driving, towing, carting, storing, keeping, and preserving motor vehicles and other personal property recovered or seized in any proceeding may be taxed as part of the costs in a trial of the cause, in an amount that shall be fixed by rule of court. 15902
15903
15904
15905
15906

(6) Chattel property seized under any writ or process issued by the court shall be preserved pending final disposition for the benefit of all persons interested and may be placed in storage when necessary or proper for that preservation. The custodian of any chattel property so stored shall not be required to part with the possession of the property until a reasonable charge, to be fixed by the court, is paid. 15907
15908
15909
15910
15911
15912
15913

(7) The municipal court, as it determines, may refund all deposits and advance payments of fees and costs, including those for jurors and summoning jurors, when they have been paid by the losing party. 15914
15915
15916
15917

(8) Charges for the publication of legal notices required by statute or order of court may be taxed as part of the costs, as provided by section 7.13 of the Revised Code. 15918
15919
15920

(B)(1)(a) The municipal court may determine that, for the efficient operation of the court, additional funds are necessary to acquire and pay for special projects of the court including, but not limited to, the acquisition of additional facilities or the rehabilitation of existing facilities, the acquisition of equipment, the hiring and training of staff, community service programs, mediation or dispute resolution services, the employment of magistrates, the training and education of judges, acting judges, and magistrates, and other related services. Upon that determination, the court by rule may charge a fee, in addition to 15921
15922
15923
15924
15925
15926
15927
15928
15929
15930

all other court costs, on the filing of each criminal cause, civil 15931
action or proceeding, or judgment by confession. 15932

(b) If the municipal court offers a special program or 15933
service in cases of a specific type, the municipal court by rule 15934
may assess an additional charge in a case of that type, over and 15935
above court costs, to cover the special program or service. The 15936
municipal court shall adjust the special assessment periodically, 15937
but not retroactively, so that the amount assessed in those cases 15938
does not exceed the actual cost of providing the service or 15939
program. 15940

(c) Any fee or charge assessed under division (B)(1)(a) or 15941
(b) of this section on the filing of a civil action or proceeding 15942
shall be waived if the court determines that the person on whom 15943
the fee or charge is assessed qualifies as an indigent litigant as 15944
set forth in section 2323.311 of the Revised Code. 15945

(d) All moneys collected under division (B) of this section 15946
shall be paid to the county treasurer if the court is a 15947
county-operated municipal court or to the city treasurer if the 15948
court is not a county-operated municipal court for deposit into 15949
either a general special projects fund or a fund established for a 15950
specific special project. Moneys from a fund of that nature shall 15951
be disbursed upon an order of the court in an amount no greater 15952
than the actual cost to the court of a project. If a specific fund 15953
is terminated because of the discontinuance of a program or 15954
service established under division (B) of this section, the 15955
municipal court may order that moneys remaining in the fund be 15956
transferred to an account established under this division for a 15957
similar purpose. 15958

(2) As used in division (B) of this section: 15959

(a) "Criminal cause" means a charge alleging the violation of 15960
a statute or ordinance, or subsection of a statute or ordinance, 15961

that requires a separate finding of fact or a separate plea before 15962
disposition and of which the defendant may be found guilty, 15963
whether filed as part of a multiple charge on a single summons, 15964
citation, or complaint or as a separate charge on a single 15965
summons, citation, or complaint. "Criminal cause" does not include 15966
separate violations of the same statute or ordinance, or 15967
subsection of the same statute or ordinance, unless each charge is 15968
filed on a separate summons, citation, or complaint. 15969

(b) "Civil action or proceeding" means any civil litigation 15970
that must be determined by judgment entry. 15971

the charitable public purpose of providing financial assistance to 15980
legal aid societies that operate within the state and to support 15981
the office of the state public defender. This division does not 15982
apply to any execution on a judgment, proceeding in aid of 15983
execution, or other post-judgment proceeding arising out of a 15984
civil action. The filing fees required to be collected under this 15985
division shall be in addition to any other court costs imposed in 15986
the action or proceeding and shall be collected at the time of the 15987
filing of the action or proceeding. The court shall not waive the 15988
payment of the additional filing fees in a new civil action or 15989
proceeding unless the court waives the advanced payment of all 15990
filing fees in the action or proceeding for the party that the 15991
court determines is qualified as an indigent litigant as set forth 15992
in section 2323.311 of the Revised Code. All such moneys collected 15993

during a month except for an amount equal to up to one per cent of 15994
those moneys retained to cover administrative costs shall be 15995
transmitted on or before the twentieth day of the following month 15996
by the clerk of the court to the treasurer of state in a manner 15997
prescribed by the treasurer of state or by the Ohio ~~legal~~ 15998

of the Revised Code. 16005

The court may retain up to one per cent of the moneys it 16006
collects under this division to cover administrative costs, 16007
including the hiring of any additional personnel necessary to 16008
implement this division. If the court fails to transmit to the 16009
treasurer of state the moneys the court collects under this 16010
division in a manner prescribed by the treasurer of state or by 16011
the Ohio ~~legal assistance~~ access to justice foundation, the court 16012
shall forfeit the moneys the court retains under this division to 16013
cover administrative costs, including the hiring of any additional 16014
personnel necessary to implement this division, and shall transmit 16015
to the treasurer of state all moneys collected under this 16016
division, including the forfeited amount retained for 16017
administrative costs, for deposit in the legal aid fund. 16018

investigating titles of real estate to be sold or disposed of 16020
under any writ or process of the court may be taxed as part of the 16021

entitled pursuant to division (B) of section 1907.142 of the 16048
Revised Code. 16049

(C) The juvenile court, except as to juvenile courts that are a separate division of the court of common pleas or a separate and independent juvenile court, has jurisdiction to hear, determine,	16334 16335 16336

and make a record of any action for divorce or legal separation 16337
that involves the custody or care of children and that is filed in 16338
the court of common pleas and certified by the court of common 16339
pleas with all the papers filed in the action to the juvenile 16340
court for trial, provided that no certification of that nature 16341
shall be made to any juvenile court unless the consent of the 16342
juvenile judge first is obtained. After a certification of that 16343
nature is made and consent is obtained, the juvenile court shall 16344
proceed as if the action originally had been begun in that court, 16345
except as to awards for spousal support or support due and unpaid 16346
at the time of certification, over which the juvenile court has no 16347
jurisdiction. 16348

(D) The juvenile court, except as provided in divisions (G) 16349
and (I) of section 2301.03 of the Revised Code, has jurisdiction 16350
to hear and determine all matters as to custody and support of 16351
children duly certified by the court of common pleas to the 16352
juvenile court after a divorce decree has been granted, including 16353
jurisdiction to modify the judgment and decree of the court of 16354
common pleas as the same relate to the custody and support of 16355
children. 16356

(E) The juvenile court, except as provided in divisions (G) 16357
and (I) of section 2301.03 of the Revised Code, has jurisdiction 16358
to hear and determine the case of any child certified to the court 16359
by any court of competent jurisdiction if the child comes within 16360
the jurisdiction of the juvenile court as defined by this section. 16361

(F)(1) The juvenile court shall exercise its jurisdiction in 16362
child custody matters in accordance with sections 3109.04 and 16363
3127.01 to 3127.53 of the Revised Code and, as applicable, 16364
sections 5103.20 to 5103.22 or 5103.23 to 5103.237 of the Revised 16365
Code. 16366

(2) The juvenile court shall exercise its jurisdiction in 16367
child support matters in accordance with section 3109.05 of the 16368

Revised Code. 16369

(G) Any juvenile court that makes or modifies an order for 16370
child support shall comply with Chapters 3119., 3121., 3123., and 16371
3125. of the Revised Code. If any person required to pay child 16372
support under an order made by a juvenile court on or after April 16373
15, 1985, or modified on or after December 1, 1986, is found in 16374
contempt of court for failure to make support payments under the 16375
order, the court that makes the finding, in addition to any other 16376
penalty or remedy imposed, shall assess all court costs arising 16377
out of the contempt proceeding against the person and require the 16378
person to pay any reasonable attorney's fees of any adverse party, 16379
as determined by the court, that arose in relation to the act of 16380
contempt. 16381

(H) If a child who is charged with an act that would be an 16382
offense if committed by an adult was fourteen years of age or 16383
older and under eighteen years of age at the time of the alleged 16384
act and if the case is transferred for criminal prosecution 16385
pursuant to section 2152.12 of the Revised Code, except as 16386
provided in section 2152.121 of the Revised Code, the juvenile 16387
court does not have jurisdiction to hear or determine the case 16388
subsequent to the transfer. The court to which the case is 16389
transferred for criminal prosecution pursuant to that section has 16390
jurisdiction subsequent to the transfer to hear and determine the 16391
case in the same manner as if the case originally had been 16392
commenced in that court, subject to section 2152.121 of the 16393
Revised Code, including, but not limited to, jurisdiction to 16394
accept a plea of guilty or another plea authorized by Criminal 16395
Rule 11 or another section of the Revised Code and jurisdiction to 16396
accept a verdict and to enter a judgment of conviction pursuant to 16397
the Rules of Criminal Procedure against the child for the 16398
commission of the offense that was the basis of the transfer of 16399
the case for criminal prosecution, whether the conviction is for 16400

the same degree or a lesser degree of the offense charged, for the 16401
commission of a lesser-included offense, or for the commission of 16402
another offense that is different from the offense charged. 16403

(I) If a person under eighteen years of age allegedly commits 16404
an act that would be a felony if committed by an adult and if the 16405
person is not taken into custody or apprehended for that act until 16406
after the person attains twenty-one years of age, the juvenile 16407
court does not have jurisdiction to hear or determine any portion 16408
of the case charging the person with committing that act. In those 16409
circumstances, divisions (A) and (B) of section 2152.12 of the 16410
Revised Code do not apply regarding the act, and the case charging 16411
the person with committing the act shall be a criminal prosecution 16412
commenced and heard in the appropriate court having jurisdiction 16413
of the offense as if the person had been eighteen years of age or 16414
older when the person committed the act. All proceedings 16415
pertaining to the act shall be within the jurisdiction of the 16416
court having jurisdiction of the offense, and that court has all 16417
the authority and duties in the case that it has in other criminal 16418
cases in that court. 16419

(J) In exercising its exclusive original jurisdiction under 16420
division (A)(16) of this section with respect to any proceedings 16421
brought under section 2151.34 or 3113.31 of the Revised Code in 16422
which the respondent is a child, the juvenile court retains all 16423
dispositionary powers consistent with existing rules of juvenile 16424
procedure and may also exercise its discretion to adjudicate 16425
proceedings as provided in sections 2151.34 and 3113.31 of the 16426
Revised Code, including the issuance of protection orders or the 16427
approval of consent agreements under those sections. 16428

Sec. 2151.353. (A) If a child is adjudicated an abused, 16429
neglected, or dependent child, the court may make any of the 16430
following orders of disposition: 16431

(1) Place the child in protective supervision;	16432
(2) Commit the child to the temporary custody of any of the following:	16433
	16434
(a) A public children services agency;	16435
(b) A private child placing agency;	16436
(c) Either parent;	16437
(d) A relative residing within or outside the state;	16438
(e) A probation officer for placement in a certified foster home;	16439
	16440
(f) Any other person approved by the court.	16441
(3) Award legal custody of the child to either parent or to any other person who, prior to the dispositional hearing, files a motion requesting legal custody of the child or is identified as a proposed legal custodian in a complaint or motion filed prior to the dispositional hearing by any party to the proceedings. A person identified in a complaint or motion filed by a party to the proceedings as a proposed legal custodian shall be awarded legal custody of the child only if the person identified signs a statement of understanding for legal custody that contains at least the following provisions:	16442
	16443
	16444
	16445
	16446
	16447
	16448
	16449
	16450
	16451
(a) That it is the intent of the person to become the legal custodian of the child and the person is able to assume legal responsibility for the care and supervision of the child;	16452
	16453
	16454
(b) That the person understands that legal custody of the child in question is intended to be permanent in nature and that the person will be responsible as the custodian for the child until the child reaches the age of majority. Responsibility as custodian for the child shall continue beyond the age of majority if, at the time the child reaches the age of majority, the child is pursuing a diploma granted by the board of education or other	16455

	16461

governing authority, successful completion of the curriculum of 16462
any high school, successful completion of an individualized 16463
education program developed for the student by any high school, or 16464
an age and schooling certificate. Responsibility beyond the age of 16465
majority shall terminate when the child ceases to continuously 16466
pursue such an education, completes such an education, or is 16467
excused from such an education under standards adopted by the 16468
state board of education, whichever occurs first. 16469

(c) That the parents of the child have residual parental 16470
rights, privileges, and responsibilities, including, but not 16471
limited to, the privilege of reasonable visitation, consent to 16472
adoption, the privilege to determine the child's religious 16473
affiliation, and the responsibility for support; 16474

(d) That the person understands that the person must be 16475
present in court for the dispositional hearing in order to affirm 16476
the person's intention to become legal custodian, to affirm that 16477
the person understands the effect of the custodianship before the 16478
court, and to answer any questions that the court or any parties 16479
to the case may have. 16480

(4) Commit the child to the permanent custody of a public 16481
children services agency or private child placing agency, if the 16482
court determines in accordance with division (E) of section 16483
2151.414 of the Revised Code that the child cannot be placed with 16484
one of the child's parents within a reasonable time or should not 16485
be placed with either parent and determines in accordance with 16486
division (D)(1) of section 2151.414 of the Revised Code that the 16487
permanent commitment is in the best interest of the child. If the 16488
court grants permanent custody under this division, the court, 16489
upon the request of any party, shall file a written opinion 16490
setting forth its findings of fact and conclusions of law in 16491
relation to the proceeding. 16492

(5) Place the child in a planned permanent living arrangement 16493

with a public children services agency or private child placing agency, if a public children services agency or private child placing agency requests the court to place the child in a planned permanent living arrangement and if the court finds, by clear and convincing evidence, that a planned permanent living arrangement is in the best interest of the child, that the child is sixteen years of age or older, and that one of the following exists:

(a) The child, because of physical, mental, or psychological problems or needs, is unable to function in a family-like setting and must remain in residential or institutional care now and for the foreseeable future beyond the date of the dispositional hearing held pursuant to section 2151.35 of the Revised Code.

(b) The parents of the child have significant physical, mental, or psychological problems and are unable to care for the child because of those problems, adoption is not in the best interest of the child, as determined in accordance with division (D)(1) of section 2151.414 of the Revised Code, and the child retains a significant and positive relationship with a parent or relative.

(c) The child has been counseled on the permanent placement options available to the child, and is unwilling to accept or unable to adapt to a permanent placement.

(6) Order the removal from the child's home until further order of the court of the person who committed abuse as described in section 2151.031 of the Revised Code against the child, who caused or allowed the child to suffer neglect as described in section 2151.03 of the Revised Code, or who is the parent, guardian, or custodian of a child who is adjudicated a dependent child and order any person not to have contact with the child or the child's siblings.

(B)(1) When making a determination on whether to place a

child in a planned permanent living arrangement pursuant to 16525
division (A)(5)(b) or (c) of this section, the court shall 16526
consider all relevant information that has been presented to the 16527
court, including information gathered from the child, the child's 16528
guardian ad litem, and the public children services agency or 16529
private child placing agency. 16530

(2) A child who is placed in a planned permanent living 16531
arrangement pursuant to division (A)(5)(b) or (c) of this section 16532
shall be placed in an independent living setting or in a family 16533
setting in which the caregiver has been provided by the agency 16534
that has custody of the child with a notice that addresses the 16535
following: 16536

(a) The caregiver understands that the planned permanent 16537
living arrangement is intended to be permanent in nature and that 16538
the caregiver will provide a stable placement for the child 16539
through the child's emancipation or until the court releases the 16540
child from the custody of the agency, whichever occurs first. 16541

(b) The caregiver is expected to actively participate in the 16542
youth's independent living case plan, attend agency team meetings 16543
and court hearings as appropriate, complete training, as provided 16544
in division (B) of section 5103.035 of the Revised Code, related 16545
to providing the child independent living services, and assist in 16546
the child's transition into adulthood. 16547

(3) The department of job and family services shall develop a 16548
model notice to be provided by an agency that has custody of a 16549
child to a caregiver under division (B)(2) of this section. The 16550
agency may modify the model notice to apply to the needs of the 16551
agency. 16552

(C) No order for permanent custody or temporary custody of a 16553
child or the placement of a child in a planned permanent living 16554
arrangement shall be made pursuant to this section unless the 16555

complaint alleging the abuse, neglect, or dependency contains a 16556
prayer requesting permanent custody, temporary custody, or the 16557
placement of the child in a planned permanent living arrangement 16558
as desired, the summons served on the parents of the child 16559
contains as is appropriate a full explanation that the granting of 16560
an order for permanent custody permanently divests them of their 16561
parental rights, a full explanation that an adjudication that the 16562
child is an abused, neglected, or dependent child may result in an 16563
order of temporary custody that will cause the removal of the 16564
child from their legal custody until the court terminates the 16565
order of temporary custody or permanently divests the parents of 16566
their parental rights, or a full explanation that the granting of 16567
an order for a planned permanent living arrangement will result in 16568
the removal of the child from their legal custody if any of the 16569
conditions listed in divisions (A)(5)(a) to (c) of this section 16570
are found to exist, and the summons served on the parents contains 16571
a full explanation of their right to be represented by counsel and 16572
to have counsel appointed pursuant to Chapter 120. of the Revised 16573
Code if they are indigent. 16574

If after making disposition as authorized by division (A)(2) 16575
of this section, a motion is filed that requests permanent custody 16576
of the child, the court may grant permanent custody of the child 16577
to the movant in accordance with section 2151.414 of the Revised 16578
Code. 16579

(D) If the court issues an order for protective supervision 16580
pursuant to division (A)(1) of this section, the court may place 16581
any reasonable restrictions upon the child, the child's parents, 16582
guardian, or custodian, or any other person, including, but not 16583
limited to, any of the following: 16584

issuance of the order, to vacate the child's home indefinitely or 16586
for a specified period of time; 16587

(2) Order a party, a parent of the child, or a physical 16588
custodian of the child to prevent any particular person from 16589
having contact with the child; 16590

(3) Issue an order restraining or otherwise controlling the 16591
conduct of any person which conduct would not be in the best 16592
interest of the child. 16593

(E) As part of its dispositional order, the court shall 16594
journalize a case plan for the child. The journalized case plan 16595
shall not be changed except as provided in section 2151.412 of the 16596
Revised Code. 16597

(F)(1) The court shall retain jurisdiction over any child for 16598
whom the court issues an order of disposition pursuant to division 16599
(A) of this section or pursuant to section 2151.414 or 2151.415 of 16600
the Revised Code until the child attains the age of eighteen years 16601
if the child is not mentally retarded, developmentally disabled, 16602
or physically impaired, the child attains the age of twenty-one 16603
years if the child is mentally retarded, developmentally disabled, 16604
or physically impaired, or the child is adopted and a final decree 16605
of adoption is issued, except that the court may retain 16606
jurisdiction over the child and continue any order of disposition 16607
under division (A) of this section or under section 2151.414 or 16608
2151.415 of the Revised Code for a specified period of time to 16609
enable the child to graduate from high school or vocational 16610
school. ~~The court shall retain jurisdiction over a person who 16611
meets the requirements described in division (A)(1) of section 16612
5101.1411 of the Revised Code and who is subject to a voluntary 16613
participation agreement that is in effect.~~ The court shall make an 16614
entry continuing its jurisdiction under this division in the 16615
journal. 16616

(2) Any public children services agency, any private child 16617
placing agency, the department of job and family services, or any 16618
party, other than any parent whose parental rights with respect to 16619

the child have been terminated pursuant to an order issued under 16620
division (A)(4) of this section, by filing a motion with the 16621
court, may at any time request the court to modify or terminate 16622
any order of disposition issued pursuant to division (A) of this 16623
section or section 2151.414 or 2151.415 of the Revised Code. The 16624
court shall hold a hearing upon the motion as if the hearing were 16625
the original dispositional hearing and shall give all parties to 16626
the action and the guardian ad litem notice of the hearing 16627
pursuant to the Juvenile Rules. If applicable, the court shall 16628
comply with section 2151.42 of the Revised Code. 16629

(G) Any temporary custody order issued pursuant to division 16630
(A) of this section shall terminate one year after the earlier of 16631
the date on which the complaint in the case was filed or the child 16632
was first placed into shelter care, except that, upon the filing 16633
of a motion pursuant to section 2151.415 of the Revised Code, the 16634
temporary custody order shall continue and not terminate until the 16635
court issues a dispositional order under that section. In 16636
resolving the motion, the court shall not order an existing 16637
temporary custody order to continue beyond two years after the 16638
date on which the complaint was filed or the child was first 16639
placed into shelter care, whichever date is earlier, regardless of 16640
whether any extensions have been previously ordered pursuant to 16641
division (D) of section 2151.415 of the Revised Code. 16642

(H)(1) No later than one year after the earlier of the date 16643
the complaint in the case was filed or the child was first placed 16644
in shelter care, a party may ask the court to extend an order for 16645
protective supervision for six months or to terminate the order. A 16646

The court may retain up to one per cent of the moneys it 18151
collects under this division to cover administrative costs, 18152
including the hiring of any additional personnel necessary to 18153

proceeding. The court shall not waive the payment of the 18173
additional filing fees in a new action or proceeding for 18174
annulment, divorce, or dissolution of marriage unless the court 18175
waives the advanced payment of all filing fees in the action or 18176
proceeding. On or before the twentieth day of each month, all 18177
moneys collected during the immediately preceding month pursuant 18178
to this division shall be deposited by the clerk of the court into 18179

defer sentencing of that offender until it receives from the 18766
department the names of, contact information for, and program 18767
details of one or more community control sanctions that are 18768
available for persons sentenced by the court or for forty five 18769
days, whichever is the earlier. 18770~~

~~If the department provides the court with the names of, 18771
contact information for, and program details of one or more 18772
community control sanctions that are available for persons 18773
sentenced by the court within the forty five day period specified 18774
in this division, the court shall impose upon the offender a 18775
community control sanction under division (B)(1)(a) of this 18776
section, except that the court may impose a prison term under 18777
division (B)(1)(b) of this section if a factor described in 18778
division (B)(1)(b)(i) or (ii) of this section applies. If the 18779~~

~~department does not provide the court with the names of, contact 18780
information for, and program details of one or more community 18781
control sanctions that are available for persons sentenced by the 18782
court within the forty five day period specified in this division, 18783
the court may impose upon the offender a prison term under 18784
division (B)(1)(b)(iv) of this section. 18785~~

~~(d) A sentencing court may impose an additional penalty under 18786
division (B) of section 2929.15 of the Revised Code upon an 18787
offender sentenced to a community control sanction under division 18788
(B)(1)(a) of this section if the offender violates the conditions 18789
of the community control sanction, violates a law, or leaves the 18790
state without the permission of the court or the offender's 18791
probation officer. 18792~~

(2) If division (B)(1) of this section does not apply, except 18793
as provided in division (E), (F), or (G) of this section, in 18794
determining whether to impose a prison term as a sanction for a 18795
felony of the fourth or fifth degree, the sentencing court shall 18796
comply with the purposes and principles of sentencing under 18797
section 2929.11 of the Revised Code and with section 2929.12 of 18798
the Revised Code. 18799

(C) Except as provided in division (D), (E), (F), or (G) of 18800
this section, in determining whether to impose a prison term as a 18801
sanction for a felony of the third degree or a felony drug offense 18802
that is a violation of a provision of Chapter 2925. of the Revised 18803
Code and that is specified as being subject to this division for 18804
purposes of sentencing, the sentencing court shall comply with the 18805
purposes and principles of sentencing under section 2929.11 of the 18806
Revised Code and with section 2929.12 of the Revised Code. 18807

(D)(1) Except as provided in division (E) or (F) of this 18808
section, for a felony of the first or second degree, for a felony 18809
drug offense that is a violation of any provision of Chapter 18810
2925., 3719., or 4729. of the Revised Code for which a presumption 18811

in favor of a prison term is specified as being applicable, and 18812
for a violation of division (A)(4) or (B) of section 2907.05 of 18813
the Revised Code for which a presumption in favor of a prison term 18814
is specified as being applicable, it is presumed that a prison 18815
term is necessary in order to comply with the purposes and 18816
principles of sentencing under section 2929.11 of the Revised 18817
Code. Division (D)(2) of this section does not apply to a 18818
presumption established under this division for a violation of 18819
division (A)(4) of section 2907.05 of the Revised Code. 18820

(2) Notwithstanding the presumption established under 18821
division (D)(1) of this section for the offenses listed in that 18822
division other than a violation of division (A)(4) or (B) of 18823
section 2907.05 of the Revised Code, the sentencing court may 18824
impose a community control sanction or a combination of community 18825
control sanctions instead of a prison term on an offender for a 18826
felony of the first or second degree or for a felony drug offense 18827
that is a violation of any provision of Chapter 2925., 3719., or 18828
4729. of the Revised Code for which a presumption in favor of a 18829
prison term is specified as being applicable if it makes both of 18830
the following findings: 18831

(a) A community control sanction or a combination of 18832
community control sanctions would adequately punish the offender 18833
and protect the public from future crime, because the applicable 18834
factors under section 2929.12 of the Revised Code indicating a 18835
lesser likelihood of recidivism outweigh the applicable factors 18836
under that section indicating a greater likelihood of recidivism. 18837

(b) A community control sanction or a combination of 18838
community control sanctions would not demean the seriousness of 18839
the offense, because one or more factors under section 2929.12 of 18840
the Revised Code that indicate that the offender's conduct was 18841
less serious than conduct normally constituting the offense are 18842
applicable, and they outweigh the applicable factors under that 18843

section that indicate that the offender's conduct was more serious 18844
than conduct normally constituting the offense. 18845

(E)(1) Except as provided in division (F) of this section, 18846
for any drug offense that is a violation of any provision of 18847
Chapter 2925. of the Revised Code and that is a felony of the 18848
third, fourth, or fifth degree, the applicability of a presumption 18849
under division (D) of this section in favor of a prison term or of 18850
division (B) or (C) of this section in determining whether to 18851
impose a prison term for the offense shall be determined as 18852
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 18853
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 18854
Revised Code, whichever is applicable regarding the violation. 18855

(2) If an offender who was convicted of or pleaded guilty to 18856
a felony violates the conditions of a community control sanction 18857
imposed for the offense solely by reason of producing positive 18858
results on a drug test or by acting pursuant to division (B)(2)(b) 18859
of section 2925.11 of the Revised Code with respect to a minor 18860
drug possession offense, the court, as punishment for the 18861
violation of the sanction, shall not order that the offender be 18862
imprisoned unless the court determines on the record either of the 18863
following: 18864

(a) The offender had been ordered as a sanction for the 18865
felony to participate in a drug treatment program, in a drug 18866
education program, or in narcotics anonymous or a similar program, 18867
and the offender continued to use illegal drugs after a reasonable 18868
period of participation in the program. 18869

(b) The imprisonment of the offender for the violation is 18870
consistent with the purposes and principles of sentencing set 18871
forth in section 2929.11 of the Revised Code. 18872

(3) A court that sentences an offender for a drug abuse 18873
offense that is a felony of the third, fourth, or fifth degree may 18874

require that the offender be assessed by a properly credentialed professional within a specified period of time. The court shall require the professional to file a written assessment of the offender with the court. If the offender is eligible for a community control sanction and after considering the written assessment, the court may impose a community control sanction that includes addiction services and recovery supports included in a community-based continuum of care established under section 340.032 of the Revised Code. If the court imposes addiction services and recovery supports as a community control sanction, the court shall direct the level and type of addiction services and recovery supports after considering the assessment and recommendation of community addiction services providers.

(F) Notwithstanding divisions (A) to (E) of this section, the court shall impose a prison term or terms under sections 2929.02 to 2929.06, section 2929.14, section 2929.142, or section 2971.03 of the Revised Code and except as specifically provided in section 2929.20, divisions (C) to (I) of section 2967.19, or section 2967.191 of the Revised Code or when parole is authorized for the offense under section 2967.13 of the Revised Code shall not reduce the term or terms pursuant to section 2929.20, section 2967.19, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code for any of the following offenses:

(1) Aggravated murder when death is not imposed or murder;

(2) Any rape, regardless of whether force was involved and regardless of the age of the victim, or an attempt to commit rape if, had the offender completed the rape that was attempted, the offender would have been guilty of a violation of division (A)(1)(b) of section 2907.02 of the Revised Code and would be sentenced under section 2971.03 of the Revised Code;

(3) Gross sexual imposition or sexual battery, if the victim

is less than thirteen years of age and if any of the following 18907
applies: 18908

(a) Regarding gross sexual imposition, the offender 18909
previously was convicted of or pleaded guilty to rape, the former 18910
offense of felonious sexual penetration, gross sexual imposition, 18911
or sexual battery, and the victim of the previous offense was less 18912
than thirteen years of age; 18913

(b) Regarding gross sexual imposition, the offense was 18914
committed on or after August 3, 2006, and evidence other than the 18915
testimony of the victim was admitted in the case corroborating the 18916
violation. 18917

(c) Regarding sexual battery, either of the following 18918
applies: 18919

(i) The offense was committed prior to August 3, 2006, the 18920
offender previously was convicted of or pleaded guilty to rape, 18921
the former offense of felonious sexual penetration, or sexual 18922

of the Revised Code if the section requires the imposition of a 18928
prison term; 18929

4729.99 of the Revised Code, whichever is applicable regarding the 18933
violation, requires the imposition of a mandatory prison term; 18934

(6) Any offense that is a first or second degree felony and 18935
that is not set forth in division (F)(1), (2), (3), or (4) of this 18936

guilty to aggravated murder, murder, any first or second degree 18938

a person or that resulted in serious physical harm to a person if 18946

(b) An offense under an existing or former law of this state, 18955

or kidnapping offense if, in relation to that offense, the 18976
offender is adjudicated a sexually violent predator; 18977

imposed pursuant to division (B)(9) of section 2929.14 of the 19042

(G) Notwithstanding divisions (A) to (E) of this section, if 19063
an offender is being sentenced for a fourth degree felony OVI 19064
offense or for a third degree felony OVI offense, the court shall 19065
impose upon the offender a mandatory term of local incarceration 19066
or a mandatory prison term in accordance with the following: 19067

(1) If the offender is being sentenced for a fourth degree 19068
felony OVI offense and if the offender has not been convicted of 19069
and has not pleaded guilty to a specification of the type 19070
described in section 2941.1413 of the Revised Code, the court may 19071
impose upon the offender a mandatory term of local incarceration 19072
of sixty days or one hundred twenty days as specified in division 19073
(G)(1)(d) of section 4511.19 of the Revised Code. The court shall 19074
not reduce the term pursuant to section 2929.20, 2967.193, or any 19075
other provision of the Revised Code. The court that imposes a 19076
mandatory term of local incarceration under this division shall 19077
specify whether the term is to be served in a jail, a 19078
community-based correctional facility, a halfway house, or an 19079
alternative residential facility, and the offender shall serve the 19080
term in the type of facility specified by the court. A mandatory 19081
term of local incarceration imposed under division (G)(1) of this 19082
section is not subject to any other Revised Code provision that 19083
pertains to a prison term except as provided in division (A)(1) of 19084
this section. 19085

(2) If the offender is being sentenced for a third degree 19086
felony OVI offense, or if the offender is being sentenced for a 19087
fourth degree felony OVI offense and the court does not impose a 19088
mandatory term of local incarceration under division (G)(1) of 19089
this section, the court shall impose upon the offender a mandatory 19090
prison term of one, two, three, four, or five years if the 19091
offender also is convicted of or also pleads guilty to a 19092
specification of the type described in section 2941.1413 of the 19093

Revised Code or shall impose upon the offender a mandatory prison 19094
term of sixty days or one hundred twenty days as specified in 19095
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 19096

guilty to a specification of that type. Subject to divisions (C) 19098
to (I) of section 2967.19 of the Revised Code, the court shall not 19099
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 19100
any other provision of the Revised Code. The offender shall serve 19101
the one-, two-, three-, four-, or five-year mandatory prison term 19102
consecutively to and prior to the prison term imposed for the 19103
underlying offense and consecutively to any other mandatory prison 19104
term imposed in relation to the offense. In no case shall an 19105
offender who once has been sentenced to a mandatory term of local 19106
incarceration pursuant to division (G)(1) of this section for a 19107
fourth degree felony OVI offense be sentenced to another mandatory 19108
term of local incarceration under that division for any violation 19109
of division (A) of section 4511.19 of the Revised Code. In 19110
addition to the mandatory prison term described in division (G)(2) 19111
of this section, the court may sentence the offender to a 19112
community control sanction under section 2929.16 or 2929.17 of the 19113
Revised Code, but the offender shall serve the prison term prior 19114
to serving the community control sanction. The department of 19115
rehabilitation and correction may place an offender sentenced to a 19116
mandatory prison term under this division in an intensive program 19117
prison established pursuant to section 5120.033 of the Revised 19118
Code if the department gave the sentencing judge prior notice of 19119
its intent to place the offender in an intensive program prison 19120
established under that section and if the judge did not notify the 19121
department that the judge disapproved the placement. Upon the 19122
establishment of the initial intensive program prison pursuant to 19123
section 5120.033 of the Revised Code that is privately operated 19124
and managed by a contractor pursuant to a contract entered into 19125
under section 9.06 of the Revised Code, both of the following 19126

apply: 19127

(a) The department of rehabilitation and correction shall 19128
make a reasonable effort to ensure that a sufficient number of 19129
offenders sentenced to a mandatory prison term under this division 19130
are placed in the privately operated and managed prison so that 19131
the privately operated and managed prison has full occupancy. 19132

(b) Unless the privately operated and managed prison has full 19133
occupancy, the department of rehabilitation and correction shall 19134
not place any offender sentenced to a mandatory prison term under 19135
this division in any intensive program prison established pursuant 19136
to section 5120.033 of the Revised Code other than the privately 19137
operated and managed prison. 19138

(H) If an offender is being sentenced for a sexually oriented 19139
offense or child-victim oriented offense that is a felony 19140
committed on or after January 1, 1997, the judge shall require the 19141
offender to submit to a DNA specimen collection procedure pursuant 19142
to section 2901.07 of the Revised Code. 19143

(I) If an offender is being sentenced for a sexually oriented 19144
offense or a child-victim oriented offense committed on or after 19145
January 1, 1997, the judge shall include in the sentence a summary 19146
of the offender's duties imposed under sections 2950.04, 2950.041, 19147
2950.05, and 2950.06 of the Revised Code and the duration of the 19148
duties. The judge shall inform the offender, at the time of 19149
sentencing, of those duties and of their duration. If required 19150
under division (A)(2) of section 2950.03 of the Revised Code, the 19151
judge shall perform the duties specified in that section, or, if 19152
required under division (A)(6) of section 2950.03 of the Revised 19153
Code, the judge shall perform the duties specified in that 19154
division. 19155

(J)(1) Except as provided in division (J)(2) of this section, 19156
when considering sentencing factors under this section in relation 19157

to an offender who is convicted of or pleads guilty to an attempt 19158
to commit an offense in violation of section 2923.02 of the 19159
Revised Code, the sentencing court shall consider the factors 19160
applicable to the felony category of the violation of section 19161
2923.02 of the Revised Code instead of the factors applicable to 19162
the felony category of the offense attempted. 19163

(2) When considering sentencing factors under this section in 19164
relation to an offender who is convicted of or pleads guilty to an 19165
attempt to commit a drug abuse offense for which the penalty is 19166
determined by the amount or number of unit doses of the controlled 19167
substance involved in the drug abuse offense, the sentencing court 19168
shall consider the factors applicable to the felony category that 19169
the drug abuse offense attempted would be if that drug abuse 19170
offense had been committed and had involved an amount or number of 19171
unit doses of the controlled substance that is within the next 19172
lower range of controlled substance amounts than was involved in 19173
the attempt. 19174

(K) As used in this section: 19175

(1) "Community addiction services provider" has the same 19176
meaning as in section 5119.01 of the Revised Code. 19177

(2) "Drug abuse offense" has the same meaning as in section 19178
2925.01 of the Revised Code. 19179

(3) "Minor drug possession offense" has the same meaning as 19180
in section 2925.11 of the Revised Code. 19181

(4) "Qualifying assault offense" means a violation of section 19182
2903.13 of the Revised Code for which the penalty provision in 19183
division (C)(8)(b) or (C)(9)(b) of that section applies. 19184

(L) At the time of sentencing an offender for any sexually 19185
oriented offense, if the offender is a tier III sex 19186
offender/child-victim offender relative to that offense and the 19187
offender does not serve a prison term or jail term, the court may 19188

require that the offender be monitored by means of a global 19189
positioning device. If the court requires such monitoring, the 19190
cost of monitoring shall be borne by the offender. If the offender 19191
is indigent, the cost of compliance shall be paid by the crime 19192
victims reparations fund. 19193

Sec. 2929.15. (A)(1) If in sentencing an offender for a 19194
felony the court is not required to impose a prison term, a 19195
mandatory prison term, or a term of life imprisonment upon the 19196
offender, the court may directly impose a sentence that consists 19197
of one or more community control sanctions authorized pursuant to 19198
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 19199
court is sentencing an offender for a fourth degree felony OVI 19200
offense under division (G)(1) of section 2929.13 of the Revised 19201
Code, in addition to the mandatory term of local incarceration 19202
imposed under that division and the mandatory fine required by 19203
division (B)(3) of section 2929.18 of the Revised Code, the court 19204
may impose upon the offender a community control sanction or 19205
combination of community control sanctions in accordance with 19206
sections 2929.16 and 2929.17 of the Revised Code. If the court is 19207
sentencing an offender for a third or fourth degree felony OVI 19208
offense under division (G)(2) of section 2929.13 of the Revised 19209
Code, in addition to the mandatory prison term or mandatory prison 19210
term and additional prison term imposed under that division, the 19211
court also may impose upon the offender a community control 19212
sanction or combination of community control sanctions under 19213
section 2929.16 or 2929.17 of the Revised Code, but the offender 19214
shall serve all of the prison terms so imposed prior to serving 19215
the community control sanction. 19216

The duration of all community control sanctions imposed upon 19217
an offender under this division shall not exceed five years. If 19218
the offender absconds or otherwise leaves the jurisdiction of the 19219
court in which the offender resides without obtaining permission 19220

from the court or the offender's probation officer to leave the 19221
jurisdiction of the court, or if the offender is confined in any 19222
institution for the commission of any offense while under a 19223
community control sanction, the period of the community control 19224
sanction ceases to run until the offender is brought before the 19225
court for its further action. If the court sentences the offender 19226
to one or more nonresidential sanctions under section 2929.17 of 19227
the Revised Code, the court shall impose as a condition of the 19228
nonresidential sanctions that, during the period of the sanctions, 19229
the offender must abide by the law and must not leave the state 19230
without the permission of the court or the offender's probation 19231
officer. The court may impose any other conditions of release 19232
under a community control sanction that the court considers 19233
appropriate, including, but not limited to, requiring that the 19234
offender not ingest or be injected with a drug of abuse and submit 19235
to random drug testing as provided in division (D) of this section 19236
to determine whether the offender ingested or was injected with a 19237
drug of abuse and requiring that the results of the drug test 19238
indicate that the offender did not ingest or was not injected with 19239
a drug of abuse. 19240

(2)(a) If a court sentences an offender to any community 19241
control sanction or combination of community control sanctions 19242
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 19243
Revised Code, the court shall place the offender under the general 19244
control and supervision of a department of probation in the county 19245
that serves the court for purposes of reporting to the court a 19246
violation of any condition of the sanctions, any condition of 19247
release under a community control sanction imposed by the court, a 19248
violation of law, or the departure of the offender from this state 19249
without the permission of the court or the offender's probation 19250
officer. Alternatively, if the offender resides in another county 19251
and a county department of probation has been established in that 19252
county or that county is served by a multicounty probation 19253

department established under section 2301.27 of the Revised Code, 19254
the court may request the court of common pleas of that county to 19255
receive the offender into the general control and supervision of 19256
that county or multicounty department of probation for purposes of 19257
reporting to the court a violation of any condition of the 19258
sanctions, any condition of release under a community control 19259
sanction imposed by the court, a violation of law, or the 19260
departure of the offender from this state without the permission 19261
of the court or the offender's probation officer, subject to the 19262
jurisdiction of the trial judge over and with respect to the 19263
person of the offender, and to the rules governing that department 19264
of probation. 19265

If there is no department of probation in the county that 19266
serves the court, the court shall place the offender, regardless 19267
of the offender's county of residence, under the general control 19268
and supervision of the adult parole authority if the court has 19269
entered into an agreement with the authority as described in 19270
division (B) of section 2301.32 of the Revised Code or under an 19271
entity authorized under division (B) of section 2301.27 of the 19272
Revised Code to provide probation and supervisory services to 19273
counties for purposes of reporting to the court a violation of any 19274
of the sanctions, any condition of release under a community 19275
control sanction imposed by the court, a violation of law, or the 19276
departure of the offender from this state without the permission 19277
of the court or the offender's probation officer. 19278

(b) If the court imposing sentence upon an offender sentences 19279
the offender to any community control sanction or combination of 19280
community control sanctions authorized pursuant to section 19281
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 19282
offender violates any condition of the sanctions, any condition of 19283
release under a community control sanction imposed by the court, 19284
violates any law, or departs the state without the permission of 19285

the court or the offender's probation officer, the public or 19286
private person or entity that operates or administers the sanction 19287
or the program or activity that comprises the sanction shall 19288
report the violation or departure directly to the sentencing 19289
court, or shall report the violation or departure to the county or 19290
multicounty department of probation with general control and 19291
supervision over the offender under division (A)(2)(a) of this 19292
section or the officer of that department who supervises the 19293
offender, or, if there is no such department with general control 19294
and supervision over the offender under that division, to the 19295
adult parole authority if the court has entered into an agreement 19296
with the authority as described in division (B) of section 2301.32 19297
of the Revised Code, or an entity authorized under division (B) of 19298
section 2301.27 of the Revised Code to provide probation and 19299
supervisory services to the county. If the public or private 19300
person or entity that operates or administers the sanction or the 19301
program or activity that comprises the sanction reports the 19302
violation or departure to the county or multicounty department of 19303
probation, the adult parole authority, or any other entity 19304
providing probation and supervisory services to the county, the 19305
department's, authority's, or other entity's officers may treat 19306
the offender as if the offender were on probation and in violation 19307
of the probation, and shall report the violation of the condition 19308
of the sanction, any condition of release under a community 19309
control sanction imposed by the court, the violation of law, or 19310
the departure from the state without the required permission to 19311
the sentencing court. 19312

(3) If an offender who is eligible for community control 19313
sanctions under this section admits to being drug addicted or the 19314
court has reason to believe that the offender is drug addicted, 19315
and if the offense for which the offender is being sentenced was 19316
related to the addiction, the court may require that the offender 19317
be assessed by a properly credentialed professional within a 19318

specified period of time and shall require the professional to 19319
file a written assessment of the offender with the court. If a 19320
court imposes treatment and recovery support services as a 19321
community control sanction, the court shall direct the level and 19322
type of treatment and recovery support services after 19323
consideration of the written assessment, if available at the time 19324
of sentencing, and recommendations of the professional and other 19325
treatment and recovery support services providers. 19326

(4) If an assessment completed pursuant to division (A)(3) of 19327
this section indicates that the offender is addicted to drugs or 19328
alcohol, the court may include in any community control sanction 19329
imposed for a violation of section 2925.02, 2925.03, 2925.04, 19330
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 19331
2925.37 of the Revised Code a requirement that the offender 19332
participate in alcohol and drug addiction services and recovery 19333
supports certified under section 5119.36 of the Revised Code or 19334
offered by a properly credentialed community addiction services 19335
provider. 19336

(B)(1) If the conditions of a community control sanction are 19337
violated or if the offender violates a law or leaves the state 19338
without the permission of the court or the offender's probation 19339
officer, the sentencing court may impose upon the violator one or 19340
more of the following penalties: 19341

(a) A longer time under the same sanction if the total time 19342
under the sanctions does not exceed the five-year limit specified 19343
in division (A) of this section; 19344

(b) A more restrictive sanction under section 2929.16, 19345
2929.17, or 2929.18 of the Revised Code, including but not limited 19346
to, a new term in a community-based correctional facility, halfway 19347
house, or jail pursuant to division (A)(6) of section 2929.16 of 19348
the Revised Code; 19349

(c) A prison term on the offender pursuant to section 2929.14 19350
of the Revised Code and division (B)(3) of this section, provided 19351
that a prison term imposed under this division is subject to the 19352
following limitations, as applicable: 19353

(i) If the prison term is imposed for any technical violation 19354
of the conditions of a community control sanction imposed for a 19355
felony of the fifth degree or for any violation of law committed 19356
while under a community control sanction imposed for such a felony 19357
that consists of a new criminal offense and that is not a felony, 19358
the prison term shall not exceed ninety days. 19359

(ii) If the prison term is imposed for any technical 19360
violation of the conditions of a community control sanction 19361
imposed for a felony of the fourth degree that is not an offense 19362
of violence and is not a sexually oriented offense or for any 19363
violation of law committed while under a community control 19364
sanction imposed for such a felony that consists of a new criminal 19365
offense and that is not a felony, the prison term shall not exceed 19366
one hundred eighty days. 19367

(2) If an offender was acting pursuant to division (B)(2)(b) 19368
of section 2925.11 of the Revised Code and in so doing violated 19369
the conditions of a community control sanction based on a minor 19370
drug possession offense, as defined in section 2925.11 of the 19371
Revised Code, the sentencing court may consider the offender's 19372
conduct in seeking or obtaining medical assistance for another in 19373
good faith or for self or may consider the offender being the 19374
subject of another person seeking or obtaining medical assistance 19375
in accordance with that division as a mitigating factor before 19376
imposing any of the penalties described in division (B)(1) of this 19377
section. 19378

(3) The prison term, if any, imposed upon a violator pursuant 19379
to this division and division (B)(1) of this section shall be 19380
within the range of prison terms described in this division and 19381

shall not exceed the prison term specified in the notice provided 19382
to the offender at the sentencing hearing pursuant to division 19383
(B)(2) of section 2929.19 of the Revised Code. The court may 19384
reduce the longer period of time that the offender is required to 19385
spend under the longer sanction, the more restrictive sanction, or 19386
a prison term imposed pursuant to division (B)(1) of this section 19387
by the time the offender successfully spent under the sanction 19388
that was initially imposed. Except as otherwise specified in this 19389
division, the prison term imposed under this division and division 19390
(B)(1) of this section shall be within the range of prison terms 19391
available as a definite term for the offense for which the 19392
sanction that was violated was imposed. If the offense for which 19393
the sanction that was violated was imposed is a felony of the 19394
first or second degree committed on or after ~~the effective date of~~ 19395
~~this amendment~~ March 22, 2019, the prison term so imposed under 19396
this division shall be within the range of prison terms available 19397
as a minimum term for the offense under division (A)(1)(a) or 19398
(2)(a) of section 2929.14 of the Revised Code. 19399

(C) If an offender, for a significant period of time, 19400
fulfills the conditions of a sanction imposed pursuant to section 19401
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 19402
manner, the court may reduce the period of time under the sanction 19403
or impose a less restrictive sanction, but the court shall not 19404
permit the offender to violate any law or permit the offender to 19405
leave the state without the permission of the court or the 19406
offender's probation officer. 19407

(D)(1) If a court under division (A)(1) of this section 19408
imposes a condition of release under a community control sanction 19409
that requires the offender to submit to random drug testing, the 19410
department of probation, the adult parole authority, or any other 19411
entity that has general control and supervision of the offender 19412
under division (A)(2)(a) of this section may cause the offender to 19413

submit to random drug testing performed by a laboratory or entity 19414
that has entered into a contract with any of the governmental 19415
entities or officers authorized to enter into a contract with that 19416
laboratory or entity under section 341.26, 753.33, or 5120.63 of 19417
the Revised Code. 19418

(2) If no laboratory or entity described in division (D)(1) 19419
of this section has entered into a contract as specified in that 19420
division, the department of probation, the adult parole authority, 19421
or any other entity that has general control and supervision of 19422
the offender under division (A)(2)(a) of this section shall cause 19423
the offender to submit to random drug testing performed by a 19424
reputable public laboratory to determine whether the individual 19425
who is the subject of the drug test ingested or was injected with 19426
a drug of abuse. 19427

(3) A laboratory or entity that has entered into a contract 19428
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 19429
shall perform the random drug tests under division (D)(1) of this 19430
section in accordance with the applicable standards that are 19431
included in the terms of that contract. A public laboratory shall 19432
perform the random drug tests under division (D)(2) of this 19433
section in accordance with the standards set forth in the policies 19434
and procedures established by the department of rehabilitation and 19435
correction pursuant to section 5120.63 of the Revised Code. An 19436
offender who is required under division (A)(1) of this section to 19437
submit to random drug testing as a condition of release under a 19438
community control sanction and whose test results indicate that 19439
the offender ingested or was injected with a drug of abuse shall 19440
pay the fee for the drug test if the department of probation, the 19441
adult parole authority, or any other entity that has general 19442
control and supervision of the offender requires payment of a fee. 19443
A laboratory or entity that performs the random drug testing on an 19444
offender under division (D)(1) or (2) of this section shall 19445

transmit the results of the drug test to the appropriate 19446
department of probation, the adult parole authority, or any other 19447
entity that has general control and supervision of the offender 19448
under division (A)(2)(a) of this section. 19449

Sec. 2929.34. (A) A person who is convicted of or pleads 19450
guilty to aggravated murder, murder, or an offense punishable by 19451
life imprisonment and who is sentenced to a term of life 19452
imprisonment or a prison term pursuant to that conviction shall 19453
serve that term in an institution under the control of the 19454
department of rehabilitation and correction. 19455

(B)(1) A person who is convicted of or pleads guilty to a 19456
felony other than aggravated murder, murder, or an offense 19457
punishable by life imprisonment and who is sentenced to a term of 19458
imprisonment or a prison term pursuant to that conviction shall 19459
serve that term as follows: 19460

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of 19461
this section, in an institution under the control of the 19462
department of rehabilitation and correction if the term is a 19463

pursuant to section 2929.16 of the Revised Code if the term is not 19465
a prison term; 19466

(b) In a facility of a type described in division (G)(1) of 19467
section 2929.13 of the Revised Code, if the offender is sentenced 19468
pursuant to that division. 19469

(2) If the term is a prison term, the person may be 19470
imprisoned in a jail that is not a minimum security jail pursuant 19471
to agreement under section 5120.161 of the Revised Code between 19472
the department of rehabilitation and correction and the local 19473

to provide legal representation for a person charged with a 19543

section. 19551

(B) The board of county commissioners shall establish a 19552
schedule of fees by case or on an hourly basis to be paid by the 19553
county for legal services provided by appointed counsel. Prior to 19554
establishing such schedule, the board shall request the bar 19555
association or associations of the county to submit a proposed 19556
schedule for cases other than capital cases. The schedule 19557
submitted shall be subject to the review, amendment, and approval 19558

capital cases. With respect to capital cases, the schedule shall 19560
provide for fees by case or on an hourly basis to be paid to 19561

However, if the person represented has, or reasonably may be expected to have, the means to meet some part of the cost of the services rendered to the person, the person shall pay the county an amount that the person reasonably can be expected to pay. Pursuant to section 120.04 of the Revised Code, the county shall pay to the state public defender a percentage of the payment received from the person in an amount proportionate to the percentage of the costs of the person's case that were paid to the county by the state public defender pursuant to this section. The money paid to the state public defender shall be credited to the client payment fund created pursuant to division (B)(5) of section 120.04 of the Revised Code.

(E) The county auditor shall draw a warrant on the county treasurer for the payment of such counsel in the amount fixed by the court, plus the expenses that the court fixes and certifies to the auditor. The county auditor shall report periodically, but not less than annually, to the board of county commissioners and to the Ohio public defender commission the amounts paid out pursuant to the approval of the court under this section, separately stating costs and expenses that are reimbursable under section 120.35 of the Revised Code. The board, after review and approval of the auditor's report, may then certify it to the state public defender for reimbursement. The request for reimbursement shall be accompanied by a financial disclosure form completed by each indigent person for whom counsel was provided on a form prescribed by the state public defender. The state public defender shall

review the report and, in accordance with the standards, 19602
guidelines, and maximums established pursuant to divisions (B)(7) 19603

~~fifty per cent of costs and expenses that are reimbursable under~~ 19609
section 120.35 of the Revised Code, if any, to the board. The 19610
amount of payments the state public defender is to make shall be 19611
determined as specified in section 120.34 of the Revised Code. 19612

(F) If any county system for paying appointed counsel fails 19613
to maintain the standards for the conduct of the system 19614
established by the rules of the Ohio public defender commission 19615
pursuant to divisions (B) and (C) of section 120.03 of the Revised 19616
Code or the standards established by the state public defender 19617

the commission shall notify the board of county commissioners of 19619
the county that the county system for paying appointed counsel has 19620
failed to comply with its rules. Unless the board corrects the 19621
conduct of its appointed counsel system to comply with the rules 19622
within ninety days after the date of the notice, the state public 19623
defender may deny all or part of the county's reimbursement from 19624
the state provided for in this section. 19625

Sec. 2950.08. (A) Subject to division (B) of this section, 19626

(4) The director of job and family services, or an employee 19652
of the director, for the purpose of complying with division (D) of 19653

(B) Division (A) of this section does not apply to any 19655
information that is contained in the internet sex offender and 19656
child-victim offender database established by the attorney general 19657
under division (A)(11) of section 2950.13 of the Revised Code 19658
regarding offenders and that is disseminated as described in that 19659
division. 19660

Sec. 3107.035. (A) At the time of the initial home study, and 19661
every two years thereafter, if the home study is updated, and 19662
until it becomes part of a final decree of adoption or an 19663

interlocutory order of adoption, the agency or attorney that 19664
arranges an adoption for the prospective adoptive parent shall 19665
conduct a search of the United States department of justice 19666
national sex offender public web site regarding the prospective 19667
adoptive parent and all persons eighteen years of age or older who 19668

(B) A petition for adoption may be denied based solely on the 19670
results of the search of the national sex offender public web 19671
site. 19672

(C) The director of job and family services shall adopt rules 19673

(B) The court may continue the hearing from time to time to 19679
permit further observation, investigation, or consideration of any 19680
facts or circumstances affecting the granting of the petition, and 19681
may examine the petitioners separate and apart from each other. 19682

(C) If, at the conclusion of the hearing, the court finds 19683
that the required consents have been obtained or excused and that 19684
the adoption is in the best interest of the person sought to be 19685
adopted as supported by the evidence, it may issue, subject to 19686
division (C)(1)(a) of section 2151.86, section 3107.064, and 19687
division (E) of section 3107.09 of the Revised Code, and any other 19688
limitations specified in this chapter, a final decree of adoption 19689
or an interlocutory order of adoption, which by its own terms 19690
automatically becomes a final decree of adoption on a date 19691
specified in the order, which, except as provided in division (B) 19692
of section 3107.13 of the Revised Code, shall not be less than six 19693

adoption is in the best interest of the person sought to be 19697
adopted, the court shall not consider the age of the petitioner if 19698
the petitioner is old enough to adopt as provided by section 19699
3107.03 of the Revised Code. 19700

In an interlocutory order of adoption, the court shall 19701

interlocutory order of adoption, or if the court finds that a 19706
person sought to be adopted was placed in the home of the 19707
petitioner in violation of law, the court shall dismiss the 19708
petition and may determine the agency or person to have temporary 19709
or permanent custody of the person, which may include the agency 19710
or person that had custody prior to the filing of the petition or 19711
the petitioner, if the court finds it is in the best interest of 19712
the person as supported by the evidence, or if the person is a 19713
minor, the court may certify the case to the juvenile court of the 19714
county where the minor is then residing for appropriate action and 19715
disposition. 19716

department of job and family services shall review the basic child 19722
support schedule issued by the department pursuant to section 19723
3119.021 of the Revised Code to determine whether child support 19724

orders issued in accordance with that schedule and the worksheets 19725
created under rules adopted under section 3119.022 of the Revised 19726
Code adequately provide for the needs of children who are subject 19727
to the child support orders. ~~The department may consider the~~ 19728
~~adequacy and appropriateness of the current schedule, whether~~ 19729
~~there are substantial and permanent changes in household~~ 19730
~~consumption and savings patterns, particularly those resulting in~~ 19731

independent of, any schedule update completed as set forth in 19738
section 3119.021 of the Revised Code. The department shall prepare 19739
a report of its review and include recommendations for statutory 19740

state; 19765

(c) A comparison of payments on child support orders by case 19766
characteristics, including whether the order was entered by 19767
default, based on imputed income, or determined using the 19768
low-income adjustment, as described in division (B)(2)(b) of this 19769
section. 19770

(3) Meaningful opportunity for public input, including input 19771
from low-income custodial and noncustodial parents and their 19772
representatives. 19773

(C) For each review, the department shall establish a child 19774
support guideline advisory council to assist the department in the 19775
completion of its reviews and reports. Each council shall be 19776
composed of: 19777

Sec. 3119.05. When a court computes the amount of child support required to be paid under a court child support order or a child support enforcement agency computes the amount of child	19810 19811 19812

support to be paid pursuant to an administrative child support order, all of the following apply: 19813
19814

19827
19828
19829

(1) Determine the amount of child support that each parent would be ordered to pay for all children for whom the parent has the legal duty to support, according to each parent's annual income. If the number of children subject to the order is greater than six, multiply the amount for three children in accordance with division (C)(4) of this section to determine the amount of child support. 19830
19831
19832
19833
19834
19835
19836

(2) Compute a child support credit amount for each parent's children who are not subject to this order by dividing the amount determined in division (C)(1) of this section by the total number of children whom the parent is obligated to support and multiplying that number by the number of the parent's children who are not subject to this order. 19837
19838
19839
19840
19841
19842

(3) Determine the adjusted income of the parents by 19843
subtracting the credit for minor children not subject to this 19844
order computed under division (C)(2) of this section, from the 19845
annual income of each parent for the children each has a duty to 19846
support that are not subject to this order. 19847

(4) If the number of children is greater than six, multiply 19848
the amount for three children by: 19849

(a) 1.440 for seven children; 19850

(b) 1.540 for eight children; 19851

(h) 2.096 for fourteen children; 19857

(i) 2.182 for more than fourteen children. 19858

(D) When the court or agency calculates the annual income of 19859
a parent, it shall include the lesser of the following as income 19860
from overtime and bonuses: 19861

(1) The yearly average of all overtime, commissions, and 19862
bonuses received during the three years immediately prior to the 19863
time when the person's child support obligation is being computed; 19864

(2) The total overtime, commissions, and bonuses received 19865
during the year immediately prior to the time when the person's 19866
child support obligation is being computed. 19867

a parent, it shall not include any income earned by the spouse of 19869
that parent. 19870

(F) The court shall issue a separate medical support order 19871
for extraordinary medical expenses, including orthodontia, dental, 19872
optical, and psychological services. 19873

If the court makes an order for payment of private education, 19874
and other appropriate expenses, it shall do so by issuing a 19875
separate order. 19876

The court may consider these expenses in adjusting a child 19877
support order. 19878

(G) When a court or agency calculates the amount of child 19879
support to be paid pursuant to a court child support order or an 19880
administrative child support order, the following shall apply: 19881

(1) The court or agency shall apply the basic child support 19882
schedule to the parents' combined annual incomes and to each 19883
parent's individual income. 19884

(2) If the combined annual income of both parents or the 19885
individual annual income of a parent is an amount that is between 19886
two amounts set forth in the first column of the schedule, the 19887
court or agency may use the basic child support obligation that 19888
corresponds to the higher of the two amounts in the first column 19889
of the schedule, use the basic child support obligation that 19890
corresponds to the lower of the two amounts in the first column of 19891
the schedule, or calculate a basic child support obligation that 19892
is between those two amounts and corresponds proportionally to the 19893
parents' actual combined annual income or the individual parent's 19894
annual income. 19895

(3) If the annual individual income of either or both of the 19896
parents is within the self-sufficiency reserve in the basic child 19897
support schedule, the court or agency shall do both of the 19898
following: 19899

(a) Calculate the basic child support obligation for the 19900
parents using the schedule amount applicable to the combined 19901

annual income and the schedule amount applicable to the income in 19902
the self-sufficiency reserve; 19903

(b) Determine the lesser of the following amounts to be the 19904
applicable basic child support obligation: 19905

(i) The amount that results from using the combined annual 19906
income of the parents not in the self-sufficiency reserve of the 19907
schedule; or 19908

(ii) The amount that results from using the individual 19909
parent's income within the self-sufficiency reserve of the 19910
schedule. 19911

(H) When the court or agency calculates annual income, the 19912
court or agency, when appropriate, may average income over a 19913
reasonable period of years. 19914

(I) Unless it would be unjust or inappropriate and therefore 19915
not in the best interests of the child, a court or agency shall 19916
not determine a parent to be voluntarily unemployed or 19917
underemployed and shall not impute income to that parent if any of 19918
the following conditions exist: 19919

(1) The parent is receiving recurring monetary income from 19920
means-tested public assistance benefits, including cash assistance 19921
payments under the Ohio works first program established under 19922
Chapter 5107. of the Revised Code, general assistance under former 19923
Chapter 5113. of the Revised Code, supplemental security income, 19924
or means-tested veterans' benefits; 19925

(2) The parent is approved for social security disability 19926
insurance benefits because of a mental or physical disability, or 19927
the court or agency determines that the parent is unable to work 19928
based on medical documentation that includes a physician's 19929
diagnosis and a physician's opinion regarding the parent's mental 19930
or physical disability and inability to work. 19931

(3) The parent has proven that the parent has made continuous 19932
and diligent efforts without success to find and accept 19933
employment, including temporary employment, part-time employment, 19934
or employment at less than the parent's previous salary or wage. 19935

(4) The parent is complying with court-ordered family 19936
reunification efforts in a child abuse, neglect, or dependency 19937
proceeding, to the extent that compliance with those efforts 19938
limits the parent's ability to earn income. 19939

(5) The parent is ~~incarcerated or~~ institutionalized for a 19940
period of twelve months or more with no other available income or 19941
~~assets, unless the parent is incarcerated for an offense relating~~ 19942
~~to the abuse or neglect of a child who is the subject of the~~ 19943
~~support order or an offense under Title XXIX of the Revised Code~~ 19944
~~against the obligee or a child who is the subject of the support~~ 19945
~~order.~~ 19946

(J) When a court or agency calculates the income of a parent, 19947
it shall not determine a parent to be voluntarily unemployed or 19948
underemployed and shall not impute income to that parent if the 19949
parent is incarcerated. 19950

(K) When a court or agency requires a parent to pay an amount 19951
for that parent's failure to support a child for a period of time 19952
prior to the date the court modifies or issues a court child 19953
support order or an agency modifies or issues an administrative 19954
child support order for the current support of the child, the 19955
court or agency shall calculate that amount using the basic child 19956
support schedule, worksheets, and child support laws in effect, 19957
and the incomes of the parents as they existed, for that prior 19958
period of time. 19959

~~(K)~~(L) A court or agency may disregard a parent's additional 19960
income from overtime or additional employment when the court or 19961
agency finds that the additional income was generated primarily to 19962

support a new or additional family member or members, or under 19963
other appropriate circumstances. 19964

respect to a court child support order, or each child support 20151
enforcement agency, with respect to an administrative child 20152

consider the following factors to rebut the presumption when 20161
determining if the child support obligor is the appropriate parent 20162

has worked with the employer and the stability of the insurance. 20175

(d) The obligee is a non-parent individual or agency that has no duty to provide medical support. 20176
20177

(2) If ~~private~~ health insurance coverage for the children is not available at a reasonable cost to the obligor or the obligee at the time the court or agency issues the order, the order shall include a requirement that the obligee obtain ~~private~~ health ~~insurance~~ care coverage for the children not later than thirty days after it becomes available to the obligee at a reasonable cost, and to inform the child support enforcement agency when ~~private~~ health ~~insurance~~ care coverage for the children has been obtained. 20178

20188
20189
20190
20191
20192

(C) When a child support order is issued or modified, the order shall include a cash medical support amount consistent with division (B) of section 3119.302 of the Revised Code for each child subject to the order. 20201
20202
20203
20204

(E) The cost of providing health insurance coverage for a child subject to an order shall be defrayed by a credit against 20205
20206

that parent's annual income when calculating support as required 20207
under section 3119.02 of the Revised Code using the basic child 20208
support schedule and applicable worksheet. The credit shall be 20209
equal to the total actual out-of-pocket cost for health insurance 20210

subsidy, including a premium tax credit or cost-sharing reduction 20212
received by the parent providing coverage. 20213

(F) Both parents may be ordered to provide health care 20214
coverage and pay cash medical support if the obligee is a 20215

child support order, or the child support enforcement agency, with 20219
respect to an administrative child support order, determines the 20220

children subject to the order pursuant to section 3119.30 of the 20222
Revised Code, all of the following apply: 20223

(1) The court or agency shall consider any ~~private~~ health 20224

(2) If the cost of ~~private~~ health insurance coverage to 20227
either parent exceeds a reasonable cost, that parent shall not be 20228
ordered to provide ~~private~~ health insurance coverage for the child 20229
except as follows: 20230

(a) When the parent requests to obtain or maintain the 20231

of the children for a parent to obtain and maintain ~~private~~ health 20234
insurance coverage that exceeds a reasonable cost and the cost 20235
will not impose an undue financial burden on either parent. If the 20236

court makes such a determination, the court must include the facts and circumstances of the determination in the child support order.

(3) If ~~private~~ health insurance coverage is available at a reasonable cost to either parent through a group policy, contract, or plan, and the court determines that it is not in the best interest of the children to utilize the available ~~private~~ health insurance coverage, the court shall state the facts and circumstances of the determination in the child support order.

(4) Notwithstanding division ~~(C)~~(B) of section 3119.29 of the Revised Code, the court or agency may do either of the following:

The updates shall be made in consideration of the medical expenditure panel survey, conducted by the United States department of health and human services for health care research and quality. The amount shall be based on the most recent survey year data available and shall be calculated by multiplying the total amount expended for health services for children by the percentage that is out-of-pocket divided by the number of individuals less than eighteen years of age that have any private insurance.

Sec. 3119.31. In any action or proceeding in which a court or 20268
child support enforcement agency is determining the person 20269
responsible for the health care coverage of the children who are 20270

provide to the court or child support enforcement agency a list of 20272

order, documentation that verifies that coverage is being provided 20294

The state board shall base any standards governing the 20456
assignment of staff on ensuring each school has a sufficient 20457

nonpublic school shall not prohibit the student from taking the 20846
assessment. 20847

(2) A district board may, for medical reasons or other good 20848
cause, excuse a student from taking an assessment administered 20849
under this section on the date scheduled, but that assessment 20850
shall be administered to the excused student not later than nine 20851
days following the scheduled date. The district board shall 20852
annually report the number of students who have not taken one or 20853
more of the assessments required by this section to the state 20854
board not later than the thirtieth day of June. 20855

(3) As used in this division, "~~limited English proficient~~ 20856
~~student learner~~" has the same meaning as in 20 U.S.C. 7801. 20857

No school district board shall excuse any ~~limited English~~ 20858
~~proficient student learner~~ from taking any particular assessment 20859

required to be administered under this section, except as follows: 20860

(a) Any ~~limited English proficient student~~ learner who has 20861
been enrolled in United States schools for less than two years and 20862
for whom no appropriate accommodations are available based on 20863
guidance issued by the department shall not be required to take 20864
the assessment prescribed under division (B)(1) of section 20865
3301.0712 of the Revised Code. 20866

(b) Any ~~limited English proficient student~~ learner who has 20867
been enrolled in United States schools for less than one full 20868
school year shall not be required to take any reading, writing, or 20869
English language arts assessment. 20870

However, no board shall prohibit a ~~limited~~ an English 20871
~~proficient student~~ learner who is not required to take an 20872
assessment under division (C)(3) of this section from taking the 20873
assessment. A board may permit any ~~limited English proficient~~ 20874
~~student~~ learner to take an assessment required to be administered 20875
under this section with appropriate accommodations, as determined 20876
by the department. For each ~~limited English proficient student~~ 20877
learner, each school district shall annually assess that student's 20878
progress in learning English, in accordance with procedures 20879
approved by the department. 20880

(4)(a) The governing authority of a chartered nonpublic 20881
school may excuse a ~~limited~~ an English ~~proficient student~~ learner 20882
from taking any assessment administered under this section. 20883

(b) No governing authority shall require a ~~limited~~ an English 20884
~~proficient student~~ learner who has been enrolled in United States 20885
schools for less than two years and for whom no appropriate 20886
accommodations are available based on guidance issued by the 20887
department to take the assessment prescribed under division (B)(1) 20888
of section 3301.0712 of the Revised Code. 20889

(c) No governing authority shall prohibit a ~~limited~~ an 20890

English ~~proficient student~~ learner from taking an assessment from 20891
which the student was excused under division (C)(4) of this 20892
section. 20893

(D)(1) In the school year next succeeding the school year in 20894
which the assessments prescribed by division (A)(1) or (B)(1) of 20895
section 3301.0710 of the Revised Code or former division (A)(1), 20896
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 20897
existed prior to September 11, 2001, are administered to any 20898
student, the board of education of any school district in which 20899
the student is enrolled in that year shall provide to the student 20900
intervention services commensurate with the student's performance, 20901
including any intensive intervention required under section 20902
3313.608 of the Revised Code, in any skill in which the student 20903
failed to demonstrate at least a score at the proficient level on 20904
the assessment. 20905

(2) Following any administration of the assessments 20906
prescribed by division (D) of section 3301.0710 of the Revised 20907
Code to ninth grade students, each school district that has a 20908
three-year average graduation rate of not more than seventy-five 20909
per cent shall determine for each high school in the district 20910
whether the school shall be required to provide intervention 20911
services to any students who took the assessments. In determining 20912
which high schools shall provide intervention services based on 20913
the resources available, the district shall consider each school's 20914
graduation rate and scores on the practice assessments. The 20915
district also shall consider the scores received by ninth grade 20916
students on the English language arts and mathematics assessments 20917
prescribed under division (A)(1)(f) of section 3301.0710 of the 20918
Revised Code in the eighth grade in determining which high schools 20919
shall provide intervention services. 20920

Each high school selected to provide intervention services 20921
under this division shall provide intervention services to any 20922

student whose results indicate that the student is failing to make 20923
satisfactory progress toward being able to attain scores at the 20924
proficient level on the Ohio graduation tests. Intervention 20925
services shall be provided in any skill in which a student 20926
demonstrates unsatisfactory progress and shall be commensurate 20927
with the student's performance. Schools shall provide the 20928
intervention services prior to the end of the school year, during 20929
the summer following the ninth grade, in the next succeeding 20930
school year, or at any combination of those times. 20931

(E) Except as provided in section 3313.608 of the Revised 20932
Code and division (N) of this section, no school district board of 20933
education shall utilize any student's failure to attain a 20934
specified score on an assessment administered under this section 20935
as a factor in any decision to deny the student promotion to a 20936
higher grade level. However, a district board may choose not to 20937
promote to the next grade level any student who does not take an 20938
assessment administered under this section or make up an 20939
assessment as provided by division (C)(2) of this section and who 20940
is not exempt from the requirement to take the assessment under 20941
division (C)(3) of this section. 20942

(F) No person shall be charged a fee for taking any 20943
assessment administered under this section. 20944

(G)(1) Each school district board shall designate one 20945
location for the collection of assessments administered in the 20946
spring under division (B)(1) of this section and those 20947
administered under divisions (B)(2) to (7) of this section. Each 20948
district board shall submit the assessments to the entity with 20949
which the department contracts for the scoring of the assessments 20950
as follows: 20951

(a) If the district's total enrollment in grades kindergarten 20952
through twelve during the first full school week of October was 20953
less than two thousand five hundred, not later than the Friday 20954

after all of the assessments have been administered; 20955

(b) If the district's total enrollment in grades kindergarten 20956
through twelve during the first full school week of October was 20957
two thousand five hundred or more, but less than seven thousand, 20958
not later than the Monday after all of the assessments have been 20959
administered; 20960

(c) If the district's total enrollment in grades kindergarten 20961
through twelve during the first full school week of October was 20962
seven thousand or more, not later than the Tuesday after all of 20963
the assessments have been administered. 20964

However, any assessment that a student takes during the 20965
make-up period described in division (C)(2) of this section shall 20966
be submitted not later than the Friday following the day the 20967
student takes the assessment. 20968

(2) The department or an entity with which the department 20969
contracts for the scoring of the assessment shall send to each 20970
school district board a list of the individual scores of all 20971
persons taking a state achievement assessment as follows: 20972

(a) Except as provided in division (G)(2)(b) or (c) of this 20973
section, within forty-five days after the administration of the 20974
assessments prescribed by sections 3301.0710 and 3301.0712 of the 20975
Revised Code, but in no case shall the scores be returned later 20976
than the thirtieth day of June following the administration; 20977

(b) In the case of the third-grade English language arts 20978
assessment, within forty-five days after the administration of 20979
that assessment, but in no case shall the scores be returned later 20980
than the fifteenth day of June following the administration; 20981

(c) In the case of the writing component of an assessment or 20982
end-of-course examination in the area of English language arts, 20983
except for the third-grade English language arts assessment, the 20984
results may be sent after forty-five days of the administration of 20985

the writing component, but in no case shall the scores be returned 20986
later than the thirtieth day of June following the administration. 20987

(3) For assessments administered under this section by a 20988
joint vocational school district, the department or entity shall 20989
also send to each city, local, or exempted village school district 20990
a list of the individual scores of any students of such city, 20991
local, or exempted village school district who are attending 20992
school in the joint vocational school district. 20993

(4) Beginning with the 2019-2020 school year, a school 20994
district, other public school, or chartered nonpublic school may 20995
administer the third-grade English language arts or mathematics 20996
assessment, or both, in a paper format in any school year for 20997
which the district board of education or school governing body 20998
adopts a resolution indicating that the district or school chooses 20999
to administer the assessment in a paper format. The board or 21000
governing body shall submit a copy of the resolution to the 21001
department of education not later than the first day of May prior 21002
to the school year for which it will apply. If the resolution is 21003
submitted, the district or school shall administer the assessment 21004
in a paper format to all students in the third grade, except that 21005
any student whose individualized education program or plan 21006
developed under section 504 of the "Rehabilitation Act of 1973," 21007
87 Stat. 355, 29 U.S.C. 794, as amended, specifies that taking the 21008
assessment in an online format is an appropriate accommodation for 21009
the student may take the assessment in an online format. 21010

(H) Individual scores on any assessments administered under 21011
this section shall be released by a district board only in 21012
accordance with section 3319.321 of the Revised Code and the rules 21013
adopted under division (A) of this section. No district board or 21014
its employees shall utilize individual or aggregate results in any 21015
manner that conflicts with rules for the ethical use of 21016
assessments adopted pursuant to division (A) of this section. 21017

(I) Except as provided in division (G) of this section, the department or an entity with which the department contracts for the scoring of the assessment shall not release any individual scores on any assessment administered under this section. The state board shall adopt rules to ensure the protection of student confidentiality at all times. The rules may require the use of the data verification codes assigned to students pursuant to division (D)(2) of section 3301.0714 of the Revised Code to protect the confidentiality of student scores.

(J) Notwithstanding division (D) of section 3311.52 of the Revised Code, this section does not apply to the board of education of any cooperative education school district except as provided under rules adopted pursuant to this division.

(1) In accordance with rules that the state board shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to divisions (A) to (C) of section 3311.52 of the Revised Code may enter into an agreement with the board of education of the cooperative education school district for administering any assessment prescribed under this section to students of the city, exempted village, or local school district who are attending school in the cooperative education school district.

(2) In accordance with rules that the state board shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to section 3311.521 of the Revised Code shall enter into an agreement with the cooperative district that provides for the administration of any assessment prescribed under this section to both of the following:

(a) Students who are attending school in the cooperative district and who, if the cooperative district were not

established, would be entitled to attend school in the city, 21050
local, or exempted village school district pursuant to section 21051
3313.64 or 3313.65 of the Revised Code; 21052

(b) Persons described in division (B)(8)(b) of this section. 21053

Any assessment of students pursuant to such an agreement 21054
shall be in lieu of any assessment of such students or persons 21055
pursuant to this section. 21056

(K)(1)(a) Except as otherwise provided in division (K)(1) or 21057
(2) of this section, each chartered nonpublic school for which at 21058
least sixty-five per cent of its total enrollment is made up of 21059
students who are participating in state scholarship programs shall 21060
administer the ~~elementary~~ assessments prescribed by division (A) 21061
of section 3301.0710 of the Revised Code or an alternative 21062
standardized assessment determined by the department. In 21063
accordance with procedures and deadlines prescribed by the 21064
department, the parent or guardian of a student enrolled in the 21065
school who is not participating in a state scholarship program may 21066
submit notice to the chief administrative officer of the school 21067
that the parent or guardian does not wish to have the student take 21068
the ~~elementary~~ assessments prescribed for the student's grade 21069
level under division (A) of section 3301.0710 of the Revised Code. 21070
If a parent or guardian submits an opt-out notice, the school 21071
shall not administer the assessments to that student. This option 21072
does not apply to any assessment required for a high school 21073
diploma under section 3313.612 of the Revised Code. 21074

(b) Any chartered nonpublic school that enrolls students who 21075
are participating in state scholarship programs may administer an 21076
alternative standardized assessment determined by the department 21077
instead of the assessments prescribed by division (A) of section 21078
3301.0710 of the Revised Code. 21079

Each chartered nonpublic school subject to division (K)(1)(a) 21080

or (b) of this section shall report the results of each assessment 21081
administered under those divisions to the department. 21082

(2) A chartered nonpublic school may submit to the 21083
superintendent of public instruction a request for a waiver from 21084
administering the elementary assessments prescribed by division 21085
(A) of section 3301.0710 of the Revised Code. The state 21086
superintendent shall approve or disapprove a request for a waiver 21087
submitted under division (K)(2) of this section. No waiver shall 21088
be approved for any school year prior to the 2015-2016 school 21089
year. 21090

To be eligible to submit a request for a waiver, a chartered 21091
nonpublic school shall meet the following conditions: 21092

(a) At least ninety-five per cent of the students enrolled in 21093
the school are children with disabilities, as defined under 21094
section 3323.01 of the Revised Code, or have received a diagnosis 21095
by a school district or from a physician, including a 21096
neuropsychiatrist or psychiatrist, or a psychologist who is 21097
authorized to practice in this or another state as having a 21098
condition that impairs academic performance, such as dyslexia, 21099
dyscalculia, attention deficit hyperactivity disorder, or 21100
Asperger's syndrome. 21101

(b) The school has solely served a student population 21102
described in division (K)(1)(a) of this section for at least ten 21103
years. 21104

(c) The school provides to the department at least five years 21105
of records of internal testing conducted by the school that 21106
affords the department data required for accountability purposes, 21107
including diagnostic assessments and nationally standardized 21108
norm-referenced achievement assessments that measure reading and 21109
math skills. 21110

(3) Any chartered nonpublic school that is not subject to 21111

division (K)(1) of this section may participate in the assessment 21112
program by administering any of the assessments prescribed by 21113
division (A) of section 3301.0710 of the Revised Code. The chief 21114
administrator of the school shall specify which assessments the 21115
school will administer. Such specification shall be made in 21116
writing to the superintendent of public instruction prior to the 21117
first day of August of any school year in which assessments are 21118
administered and shall include a pledge that the nonpublic school 21119
will administer the specified assessments in the same manner as 21120
public schools are required to do under this section and rules 21121
adopted by the department. 21122

(4) The department of education shall furnish the assessments 21123
prescribed by section 3301.0710 of the Revised Code to each 21124
chartered nonpublic school that is subject to division (K)(1) of 21125
this section or participates under division (K)(3) of this 21126
section. 21127

(L) If a chartered nonpublic school is educating students in 21128
grades nine through twelve, the following shall apply: 21129

(1) Except as provided in division (L)(4) of this section, 21130
for a student who is enrolled in a chartered nonpublic school that 21131
is accredited through the independent schools association of the 21132
central states and who is attending the school under a state 21133
scholarship program, the student shall either take all of the 21134
assessments prescribed by division (B) of section 3301.0712 of the 21135
Revised Code or take an alternative assessment approved by the 21136
department under section 3313.619 of the Revised Code. However, a 21137
student who is excused from taking an assessment under division 21138
(C) of this section or has presented evidence to the chartered 21139
nonpublic school of having satisfied the condition prescribed by 21140
division (A)(1) of section 3313.618 of the Revised Code to qualify 21141
for a high school diploma prior to the date of the administration 21142
of the assessment prescribed under division (B)(1) of section 21143

3301.0712 of the Revised Code shall not be required to take that 21144
assessment. No governing authority of a chartered nonpublic school 21145
shall prohibit a student who is not required to take such 21146
assessment from taking the assessment. 21147

(2) For a student who is enrolled in a chartered nonpublic 21148
school that is accredited through the independent schools 21149
association of the central states, and who is not attending the 21150
school under a state scholarship program, the student shall not be 21151
required to take any assessment prescribed under section 3301.0712 21152
or 3313.619 of the Revised Code. 21153

(3)(a) Except as provided in divisions (L)(3)(b) and (4) of 21154
this section, for a student who is enrolled in a chartered 21155
nonpublic school that is not accredited through the independent 21156
schools association of the central states, regardless of whether 21157
the student is attending or is not attending the school under a 21158
state scholarship program, the student shall do one of the 21159
following: 21160

(i) Take all of the assessments prescribed by division (B) of 21161
section 3301.0712 of the Revised Code; 21162

(ii) Take only the assessment prescribed by division (B)(1) 21163
of section 3301.0712 of the Revised Code, provided that the 21164
student's school publishes the results of that assessment for each 21165
graduating class. The published results of that assessment shall 21166
include the overall composite scores, mean scores, twenty-fifth 21167
percentile scores, and seventy-fifth percentile scores for each 21168
subject area of the assessment. 21169

(iii) Take an alternative assessment approved by the 21170
department under section 3313.619 of the Revised Code. 21171

(b) A student who is excused from taking an assessment under 21172
division (C) of this section or has presented evidence to the 21173
chartered nonpublic school of having satisfied the condition 21174

prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. No governing authority of a chartered nonpublic school shall prohibit a student who is not required to take such assessment from taking the assessment.

(4) The assessments prescribed by sections 3301.0712 and 3313.619 of the Revised Code shall not be administered to any student attending the school, if the school meets all of the following conditions:

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychologist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (L)(4)(a) of this section for at least ten years.

(c) The school makes available to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including growth in student achievement in reading or mathematics, or both, as measured by nationally norm-referenced assessments that have developed appropriate standards for students.

Division (L)(4) of this section applies to any student

attending such school regardless of whether the student receives 21206
special education or related services and regardless of whether 21207
the student is attending the school under a state scholarship 21208
program. 21209

(M)(1) The superintendent of the state school for the blind 21210
and the superintendent of the state school for the deaf shall 21211
administer the assessments described by sections 3301.0710 and 21212
3301.0712 of the Revised Code. Each superintendent shall 21213
administer the assessments in the same manner as district boards 21214
are required to do under this section and rules adopted by the 21215
department of education and in conformity with division (C)(1)(a) 21216
of this section. 21217

(2) The department of education shall furnish the assessments 21218
described by sections 3301.0710 and 3301.0712 of the Revised Code 21219
to each superintendent. 21220

(N) Notwithstanding division (E) of this section, a school 21221
district may use a student's failure to attain a score in at least 21222
the proficient range on the mathematics assessment described by 21223
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 21224
an assessment described by division (A)(1)(b), (c), (d), (e), or 21225
(f) of section 3301.0710 of the Revised Code as a factor in 21226
retaining that student in the current grade level. 21227

(O)(1) In the manner specified in divisions (O)(3), (4), (6), 21228
and (7) of this section, the assessments required by division 21229
(A)(1) of section 3301.0710 of the Revised Code shall become 21230
public records pursuant to section 149.43 of the Revised Code on 21231
the thirty-first day of July following the school year that the 21232
assessments were administered. 21233

(2) The department may field test proposed questions with 21234
samples of students to determine the validity, reliability, or 21235
appropriateness of questions for possible inclusion in a future 21236

year's assessment. The department also may use anchor questions on 21237
assessments to ensure that different versions of the same 21238
assessment are of comparable difficulty. 21239

Field test questions and anchor questions shall not be 21240
considered in computing scores for individual students. Field test 21241
questions and anchor questions may be included as part of the 21242
administration of any assessment required by division (A)(1) or 21243
(B) of section 3301.0710 and division (B) of section 3301.0712 of 21244
the Revised Code. 21245

(3) Any field test question or anchor question administered 21246
under division (O)(2) of this section shall not be a public 21247
record. Such field test questions and anchor questions shall be 21248
redacted from any assessments which are released as a public 21249
record pursuant to division (O)(1) of this section. 21250

(4) This division applies to the assessments prescribed by 21251
division (A) of section 3301.0710 of the Revised Code. 21252

(a) The first administration of each assessment, as specified 21253
in former section 3301.0712 of the Revised Code, shall be a public 21254
record. 21255

(b) For subsequent administrations of each assessment prior 21256
to the 2011-2012 school year, not less than forty per cent of the 21257
questions on the assessment that are used to compute a student's 21258
score shall be a public record. The department shall determine 21259
which questions will be needed for reuse on a future assessment 21260
and those questions shall not be public records and shall be 21261
redacted from the assessment prior to its release as a public 21262
record. However, for each redacted question, the department shall 21263
inform each city, local, and exempted village school district of 21264
the statewide academic standard adopted by the state board under 21265
section 3301.079 of the Revised Code and the corresponding 21266
benchmark to which the question relates. The preceding sentence 21267

does not apply to field test questions that are redacted under 21268
division (O)(3) of this section. 21269

(c) The administrations of each assessment in the 2011-2012, 21270
2012-2013, and 2013-2014 school years shall not be a public 21271
record. 21272

(5) Each assessment prescribed by division (B)(1) of section 21273

required by this section, the district shall bear the full cost of 21807
conducting the hearing and of issuing any revised report card. 21808

Sec. 3302.03. Annually, not later than the fifteenth day of September or the preceding Friday when that day falls on a Saturday or Sunday, the department of education shall assign a letter grade for overall academic performance and for each separate performance measure for each school district, and each school building in a district, in accordance with this section. The state board shall adopt rules pursuant to Chapter 119. of the Revised Code to establish performance criteria for each letter grade and prescribe a method by which the department assigns each letter grade. For a school building to which any of the performance measures do not apply, due to grade levels served by the building, the state board shall designate the performance measures that are applicable to the building and that must be calculated separately and used to calculate the building's overall grade. The department shall issue annual report cards reflecting the performance of each school district, each building within each district, and for the state as a whole using the performance measures and letter grade system described in this section. The department shall include on the report card for each district and each building within each district the most recent two-year trend data in student achievement for each subject and each grade. 22109

(b) Performance index score for a school district or 22134
building. Grades shall be awarded as a percentage of the total 22135
possible points on the performance index system as adopted by the 22136
state board. In adopting benchmarks for assigning letter grades 22137

each of the applicable performance indicators established by the 22143
state board under section 3302.02 of the Revised Code and the 22144
percentage of applicable performance indicators that have been 22145
achieved. In adopting benchmarks for assigning letter grades under 22146
division (A)(1)(c) of this section, the state board shall 22147
designate ninety per cent or higher for an "A." 22148

above the mean score shall be designated as an "A." 22162

(ii) A score that is at least one standard error of measure 22163
but less than two standard errors of measure above the mean score 22164
shall be designated as a "B." 22165

designated as a "D." 22173

(v) A score that is not greater than two standard errors of 22174

calculated in the same manner as prescribed in division (A)(1)(e) 22179
of this section. 22180

(f) The value-added progress dimension score for a school 22181
district or building disaggregated for each of the following 22182
subgroups: students identified as gifted, students with 22183

subgroup shall be a separate graded measure. 22186

(2) Not later than April 30, 2013, the state board of 22187

additional value-added progress dimension score. For this measure, 22258
the department shall use value-added data from the most recent 22259

those students to whom the district or building has administered 22261
the assessments prescribed by section 3301.0710 of the Revised 22262
Code for each of the two most recent consecutive school years. 22263

As used in this division, "high mobility school district or 22264
building" means a school district or building where at least 22265
twenty-five per cent of its total enrollment is made up of 22266

and state-approved career-technical courses offered through dual 22281
enrollment or statewide articulation, that appear on a student's 22282
transcript or other official document, either of which is issued 22283
by the institution of higher education from which the student 22284
earned the college credit. The credits earned that are reported 22285
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 22286

include any that are remedial or developmental and shall include 22287
those that count toward the curriculum requirements established 22288
for completion of a degree. 22289

(c) The percentage of students enrolled in a district or 22290
building who have taken a national standardized test used for 22291
college admission determinations and the percentage of those 22292

with standards adopted under division (F) of section 3345.061 of 22294
the Revised Code; 22295

(d) The percentage of the district's or the building's 22296

(f) The percentage of the district's or building's students 22303
who receive an honors diploma under division (B) of section 22304
3313.61 of the Revised Code. 22305

(3) Not later than December 31, 2013, the state board shall 22306
adopt rules in accordance with Chapter 119. of the Revised Code 22307
that prescribe the methods by which the performance measures under 22308
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 22309
and assigned a letter grade, including performance benchmarks for 22310
each grade. 22311

At least forty-five days prior to the state board's adoption 22312
of rules to prescribe the methods by which the performance 22313
measures under division (B)(1) of this section shall be assessed 22314
and assigned a letter grade, the department shall conduct a public 22315
presentation before the standing committees of the house of 22316
representatives and the senate that consider education legislation 22317

describing such methods, including performance benchmarks. 22318

(4) There shall not be an overall letter grade for a school 22319
district or building for the 2013-2014, 2014-2015, 2015-2016, and 22320

(C)(1) For the 2014-2015 school year and each school year 22322
thereafter, the department shall issue grades as described in 22323
division (E) of this section for each of the performance measures 22324
prescribed in division (C)(1) of this section. The graded measures 22325
are as follows: 22326

(a) Annual measurable objectives. For the 2017-2018 school 22327
year, the department shall not include any subgroup data in the 22328
annual measurable objectives that includes data from fewer than 22329
twenty-five students. For the 2018-2019 school year, the 22330
department shall not include any subgroup data in the annual 22331
measurable objectives that includes data from fewer than twenty 22332
students. Beginning with the 2019-2020 school year, the department 22333
shall not include any subgroup data in the annual measurable 22334

per cent but not more than eighty per cent for a "C," and less 22342
than fifty per cent for an "F." 22343

(c) The extent to which the school district or building meets 22344
each of the applicable performance indicators established by the 22345
state board under section 3302.03 of the Revised Code and the 22346
percentage of applicable performance indicators that have been 22347
achieved. In adopting benchmarks for assigning letter grades under 22348

division (C)(1)(c) of this section, the state board shall 22349
designate ninety per cent or higher for an "A." 22350

(d) The four- and five-year adjusted cohort graduation rates; 22351

(e) The overall score under the value-added progress 22352
dimension, or another measure of student academic progress if 22353
adopted by the state board, of a school district or building, for 22354
which the department shall use up to three years not more than one 22355
academic year of value-added growth data as available. 22356

In adopting benchmarks for assigning letter grades for 22357
overall score on value-added progress dimension under division 22358
(C)(1)(e) of this section, the state board shall prohibit the 22359
assigning of a grade of "A" for that measure unless the district's 22360
or building's grade assigned for value-added progress dimension 22361
for all subgroups under division (C)(1)(f) of this section is a 22362
"B" or higher. 22363

For the metric prescribed by division (C)(1)(e) of this 22364
section, the state board may adopt a student academic progress 22365
measure to be used instead of the value-added progress dimension. 22366
If the state board adopts such a measure, it also shall prescribe 22367

of the Revised Code, students with disabilities, and students 22375
whose performance places them in the lowest quintile for 22376
achievement on a statewide basis, as determined by a method 22377
prescribed by the state board. Each subgroup shall be a separate 22378
graded measure. 22379

The state board may adopt student academic progress measures 22380
to be used instead of the value-added progress dimension. If the 22381
state board adopts such measures, it also shall prescribe a method 22382
for assigning letter grades for the new measures that is 22383
comparable to the method prescribed in division (A)(1)(e) of this 22384
section. 22385

(g) Whether a school district or building is making progress 22386
in improving literacy in grades kindergarten through three, as 22387
determined using a method prescribed by the state board. The state 22388
board shall adopt rules to prescribe benchmarks and standards for 22389
assigning grades to a district or building for purposes of 22390
division (C)(1)(g) of this section. The state board shall 22391
designate for a "C" grade a value that is not lower than the 22392
statewide average value for this measure. No grade shall be issued 22393
under division (C)(1)(g) of this section for a district or 22394
building in which less than five per cent of students have scored 22395
below grade level on the kindergarten diagnostic assessment under 22396
division (B)(1) of section 3313.608 of the Revised Code. 22397

(h) For a high mobility school district or building, an 22398
additional value-added progress dimension score. For this measure, 22399
the department shall use value-added data from the most recent 22400
school year available and shall use assessment scores for only 22401
those students to whom the district or building has administered 22402
the assessments prescribed by section 3301.0710 of the Revised 22403
Code for each of the two most recent consecutive school years. 22404

As used in this division, "high mobility school district or 22405
building" means a school district or building where at least 22406
twenty-five per cent of its total enrollment is made up of 22407
students who have attended that school district or building for 22408
less than one year. 22409

(2) In addition to the graded measures in division (C)(1) of 22410
this section, the department shall include on a school district's 22411

or building's report card all of the following without an assigned 22412
letter grade: 22413

(a) The percentage of students enrolled in a district or 22414
building who have taken a national standardized test used for 22415
college admission determinations and the percentage of those 22416
students who are determined to be remediation-free in accordance 22417
with the standards adopted under division (F) of section 3345.061 22418
of the Revised Code; 22419

(b) The percentage of students enrolled in a district or 22420
building participating in advanced placement classes and the 22421
percentage of those students who received a score of three or 22422
better on advanced placement examinations; 22423

(c) The percentage of a district's or building's students who 22424
have earned at least three college credits through advanced 22425
standing programs, such as the college credit plus program under 22426
Chapter 3365. of the Revised Code and state-approved 22427
career-technical courses offered through dual enrollment or 22428
statewide articulation, that appear on a student's college 22429
transcript issued by the institution of higher education from 22430
which the student earned the college credit. The credits earned 22431
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 22432
section shall not include any that are remedial or developmental 22433
and shall include those that count toward the curriculum 22434
requirements established for completion of a degree. 22435

(d) The percentage of the district's or building's students 22436
who receive an honor's diploma under division (B) of section 22437
3313.61 of the Revised Code; 22438

(e) The percentage of the district's or building's students 22439
who receive industry-recognized credentials as approved under 22440
section 3313.6113 of the Revised Code; 22441

(f) The percentage of students enrolled in a district or 22442

building who are participating in an international baccalaureate 22443
program and the percentage of those students who receive a score 22444
of four or better on the international baccalaureate examinations; 22445

(g) The results of the college and career-ready assessments 22446
administered under division (B)(1) of section 3301.0712 of the 22447
Revised Code; 22448

(h) Whether the school district or building has implemented a 22449
positive behavior intervention and supports framework in 22450
compliance with the requirements of section 3319.46 of the Revised 22451
Code, notated as a "yes" or "no" answer. 22452

(3) The state board shall adopt rules pursuant to Chapter 22453
119. of the Revised Code that establish a method to assign an 22454
overall grade for a school district or school building for the 22455
2017-2018 school year and each school year thereafter. The rules 22456
shall group the performance measures in divisions (C)(1) and (2) 22457
of this section into the following components: 22458

(a) Gap closing, which shall include the performance measure 22459
in division (C)(1)(a) of this section; 22460

(b) Achievement, which shall include the performance measures 22461
in divisions (C)(1)(b) and (c) of this section; 22462

(c) Progress, which shall include the performance measures in 22463
divisions (C)(1)(e) and (f) of this section; 22464

(d) Graduation, which shall include the performance measure 22465
in division (C)(1)(d) of this section; 22466

(e) Kindergarten through third-grade literacy, which shall 22467
include the performance measure in division (C)(1)(g) of this 22468
section; 22469

(f) Prepared for success, which shall include the performance 22470
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 22471
this section. The state board shall develop a method to determine 22472

a grade for the component in division (C)(3)(f) of this section 22473
using the performance measures in divisions (C)(2)(a), (b), (c), 22474
(d), (e), and (f) of this section. When available, the state board 22475
may incorporate the performance measure under division (C)(2)(g) 22476
of this section into the component under division (C)(3)(f) of 22477
this section. When determining the overall grade for the prepared 22478
for success component prescribed by division (C)(3)(f) of this 22479
section, no individual student shall be counted in more than one 22480
performance measure. However, if a student qualifies for more than 22481
one performance measure in the component, the state board may, in 22482
its method to determine a grade for the component, specify an 22483
additional weight for such a student that is not greater than or 22484
equal to 1.0. In determining the overall score under division 22485
(C)(3)(f) of this section, the state board shall ensure that the 22486
pool of students included in the performance measures aggregated 22487
under that division are all of the students included in the four- 22488
and five-year adjusted graduation cohort. 22489

In the rules adopted under division (C)(3) of this section, 22490
the state board shall adopt a method for determining a grade for 22491
each component in divisions (C)(3)(a) to (f) of this section. The 22492
state board also shall establish a method to assign an overall 22493
grade of "A," "B," "C," "D," or "F" using the grades assigned for 22494
each component. The method the state board adopts for assigning an 22495
overall grade shall ~~give equal weight to the components in~~ 22496
~~divisions (C)(3)(b) and (c) of this section~~ use either the 22497
performance index score measure under division (C)(1)(b) or the 22498
value-added progress dimension measure under division (C)(1)(e) of 22499
this section, whichever is higher, but not both measures. The 22500
rules adopted by the state board shall prohibit the calculation of 22501
the overall grade to include both the performance index score and 22502
value-added progress dimension measures and shall ensure that a 22503
district or building receives the highest overall grade possible 22504
using the appropriate measure. However, for the purposes of 22505

prescribing new buildings where students are eligible for the 22506
educational choice scholarship under section 3310.03 of the 22507
Revised Code or defining "challenged school districts" in which 22508
new start-up community schools may be located, as prescribed in 22509
section 3314.02 of the Revised Code, the department shall use both 22510
measures to determine the overall letter grade for a district or a 22511
building. 22512

At least forty-five days prior to the state board's adoption 22513
of rules to prescribe the methods for calculating the overall 22514
grade for the report card, as required by this division, the 22515
department shall conduct a public presentation before the standing 22516
committees of the house of representatives and the senate that 22517
consider education legislation describing the format for the 22518
report card, weights that will be assigned to the components of 22519
the overall grade, and the method for calculating the overall 22520
grade. 22521

(D) On or after July 1, 2015, the state board may develop a 22522
measure of student academic progress for high school students 22523
using only data from assessments in English language arts and 22524
mathematics. If the state board develops this measure, each school 22525
district and applicable school building shall be assigned a 22526
separate letter grade for it not sooner than the 2017-2018 school 22527
year. The district's or building's grade for that measure shall 22528
not be included in determining the district's or building's 22529
overall letter grade. 22530

(E) The letter grades assigned to a school district or 22531
building under this section shall be as follows: 22532

(1) "A" for a district or school making excellent progress; 22533

(2) "B" for a district or school making above average 22534
progress; 22535

(3) "C" for a district or school making average progress; 22536

(4) "D" for a district or school making below average progress;	22537 22538
(5) "F" for a district or school failing to meet minimum progress.	22539 22540
(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:	22541 22542 22543
(1) Performance of students by grade-level;	22544
(2) Performance of students by race and ethnic group;	22545
(3) Performance of students by gender;	22546
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	22547 22548
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	22549 22550 22551
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	22552 22553
(7) Performance of students grouped by those who are economically disadvantaged;	22554 22555
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	22556 22557 22558
(9) Performance of students grouped by those who are classified as limited English proficient <u>learners</u> ;	22559 22560
(10) Performance of students grouped by those who have disabilities;	22561 22562

(12) Performance of students grouped by those who are	22565

identified as gifted in superior cognitive ability and the 22566
specific academic ability fields of reading and math pursuant to 22567
Chapter 3324. of the Revised Code. In disaggregating specific 22568
academic ability fields for gifted students, the department shall 22569
use data for those students with specific academic ability in math 22570
and reading. If any other academic field is assessed, the 22571
department shall also include data for students with specific 22572
academic ability in that field as well. 22573

(13) Performance of students grouped by those who perform in 22574
the lowest quintile for achievement on a statewide basis, as 22575
determined by a method prescribed by the state board. 22576

The department may disaggregate data on student performance 22577
according to other categories that the department determines are 22578
appropriate. To the extent possible, the department shall 22579
disaggregate data on student performance according to any 22580
combinations of two or more of the categories listed in divisions 22581
(F)(1) to (13) of this section that it deems relevant. 22582

In reporting data pursuant to division (F) of this section, 22583
the department shall not include in the report cards any data 22584
statistical in nature that is statistically unreliable or that 22585
could result in the identification of individual students. For 22586
this purpose, the department shall not report student performance 22587
data for any group identified in division (F) of this section that 22588
contains less than ten students. If the department does not report 22589
student performance data for a group because it contains less than 22590
ten students, the department shall indicate on the report card 22591
that is why data was not reported. 22592

(G) The department may include with the report cards any 22593
additional education and fiscal performance data it deems 22594
valuable. 22595

(H) The department shall include on each report card a list 22596

of additional information collected by the department that is 22597
available regarding the district or building for which the report 22598
card is issued. When available, such additional information shall 22599
include student mobility data disaggregated by race and 22600
socioeconomic status, college enrollment data, and the reports 22601
prepared under section 3302.031 of the Revised Code. 22602

The department shall maintain a site on the world wide web. 22603
The report card shall include the address of the site and shall 22604
specify that such additional information is available to the 22605
public at that site. The department shall also provide a copy of 22606
each item on the list to the superintendent of each school 22607
district. The district superintendent shall provide a copy of any 22608
item on the list to anyone who requests it. 22609

(I)(1)(a) Except as provided in division (I)(1)(b) of this 22610
section, for any district that sponsors a conversion community 22611
school under Chapter 3314. of the Revised Code, the department 22612
shall combine data regarding the academic performance of students 22613
enrolled in the community school with comparable data from the 22614
schools of the district for the purpose of determining the 22615
performance of the district as a whole on the report card issued 22616
for the district under this section or section 3302.033 of the 22617
Revised Code. 22618

(b) The department shall not combine data from any conversion 22619
community school that a district sponsors if a majority of the 22620
students enrolled in the conversion community school are enrolled 22621
in a dropout prevention and recovery program that is operated by 22622
the school, as described in division (A)~~(4)~~(2)(a) of section 22623
3314.35 of the Revised Code. The department shall include as an 22624
addendum to the district's report card the ratings and performance 22625
measures that are required under section 3314.017 of the Revised 22626
Code for any community school to which division (I)(1)(b) of this 22627
section applies. This addendum shall include, at a minimum, the 22628

data specified in divisions (C)(1)(a), (C)(2), and (C)(3) of 22629
section 3314.017 of the Revised Code. 22630

(2) Any district that leases a building to a community school 22631
located in the district or that enters into an agreement with a 22632
community school located in the district whereby the district and 22633
the school endorse each other's programs may elect to have data 22634
regarding the academic performance of students enrolled in the 22635
community school combined with comparable data from the schools of 22636
the district for the purpose of determining the performance of the 22637
district as a whole on the district report card. Any district that 22638
so elects shall annually file a copy of the lease or agreement 22639
with the department. 22640

(3) Any municipal school district, as defined in section 22641
3311.71 of the Revised Code, that sponsors a community school 22642
located within the district's territory, or that enters into an 22643
agreement with a community school located within the district's 22644
territory whereby the district and the community school endorse 22645
each other's programs, may exercise either or both of the 22646
following elections: 22647

(a) To have data regarding the academic performance of 22648
students enrolled in that community school combined with 22649
comparable data from the schools of the district for the purpose 22650
of determining the performance of the district as a whole on the 22651
district's report card; 22652

(b) To have the number of students attending that community 22653
school noted separately on the district's report card. 22654

The election authorized under division (I)(3)(a) of this 22655
section is subject to approval by the governing authority of the 22656
community school. 22657

Any municipal school district that exercises an election to 22658
combine or include data under division (I)(3) of this section, by 22659

the first day of October of each year, shall file with the 22660
department documentation indicating eligibility for that election, 22661
as required by the department. 22662

~~(J) The department shall include on each report card the 22663
percentage of teachers in the district or building who are 22664
properly certified or licensed teachers, as defined in section 22665
3319.074 of the Revised Code, and a comparison of that percentage 22666
with the percentages of such teachers in similar districts and 22667
buildings. 22668~~

~~(K)~~(1) In calculating English language arts, mathematics, or 22669
science assessment passage rates used to determine school district 22670
or building performance under this section, the department shall 22671
include all students taking an assessment with accommodation or to 22672
whom an alternate assessment is administered pursuant to division 22673
(C)(1) or (3) of section 3301.0711 of the Revised Code. 22674

(2) In calculating performance index scores, rates of 22675
achievement on the performance indicators established by the state 22676
board under section 3302.02 of the Revised Code, and annual 22677
measurable objectives for determining adequate yearly progress for 22678
school districts and buildings under this section, the department 22679
shall do all of the following: 22680

(a) Include for each district or building only those students 22681
who are included in the ADM certified for the first full school 22682
week of October and are continuously enrolled in the district or 22683
building through the time of the spring administration of any 22684
assessment prescribed by division (A)(1) or (B)(1) of section 22685
3301.0710 or division (B) of section 3301.0712 of the Revised Code 22686
that is administered to the student's grade level; 22687

(b) Include cumulative totals from both the fall and spring 22688
administrations of the third grade English language arts 22689

Sec. 3302.036. (A) Notwithstanding anything in the Revised Code to the contrary, the department of education shall not assign an overall letter grade under division (C)(3) of section 3302.03 of the Revised Code for any school district or building for the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years, may, at the discretion of the state board of education, not assign an individual grade to any component prescribed under division (C)(3) of section 3302.03 of the Revised Code, and shall not rank school districts, community schools established under Chapter 3314. of the Revised Code, or STEM schools established under Chapter 3326. of the Revised Code under section 3302.21 of the Revised Code for those school years. The report card ratings issued for the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years shall not be considered in determining whether a school district or a school is subject to sanctions or penalties. However, the report card ratings of any previous or subsequent years shall be considered in determining whether a school district or building is subject to sanctions or penalties. Accordingly, the report card ratings for the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years shall have no effect in determining sanctions or penalties, but shall not create a new starting point for determinations that are based on ratings over multiple years.

(B) The provisions from which a district or school is exempt under division (A) of this section shall be the following:

(1) Any restructuring provisions established under this chapter, except as required under the "No Child Left Behind Act of 2001";

(2) Provisions for the Columbus city school pilot project under section 3302.042 of the Revised Code;

~~(3) Provisions for academic distress commissions under former section 3302.10 of the Revised Code as it existed prior to the effective date of this amendment. ~~(4)~~ Provisions prescribing new buildings where students are eligible for the educational choice scholarships under section 3310.03 of the Revised Code;

~~(5)~~(4) Provisions defining "challenged school districts" in which new start-up community schools may be located, as prescribed in section 3314.02 of the Revised Code;

(C) Notwithstanding anything in the Revised Code to the contrary and except as provided in Section 3 of H.B. 7 of the 131st general assembly, no school district, community school, or STEM school shall utilize at any time during a student's academic career a student's score on any assessment administered under division (A) of section 3301.0710 or division (B)(2) of section 3301.0712 of the Revised Code in the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school ~~year~~ years as a factor in any decision to promote or to deny the student promotion to a higher grade level or in any

decision to grant course credit. No individual student score 22753
reports on such assessments administered in the 2014-2015, 22754
2015-2016, or 2016-2017 school years shall be released, except to 22755
a student's school district or school or to the student or the 22756
student's parent or guardian. 22757

Sec. 3302.038. (A) Notwithstanding anything in the Revised 22758
Code to the contrary, when a school district's or school's grade 22759
for the value-added progress dimension or the performance index 22760
score calculated under section 3302.03 of the Revised Code is 22761
considered in determining whether a school district or a school is 22762
subject to sanctions or penalties on or after the effective date 22763
of this section, the department of education shall apply the 22764
higher grade of the two measures, regardless of which measure is 22765
specified. At no time shall both grades be used to determine any 22766
sanctions or penalties. 22767

(B) This section does not apply to either of the following: 22768

(1) Provisions prescribing new buildings where students are 22769
eligible for the educational choice scholarships under section 22770
3310.03 of the Revised Code; 22771

(2) Provisions defining "challenged school districts" in 22772
which new start-up community schools may be located, as prescribed 22773
in section 3314.02 of the Revised Code. 22774

Sec. 3302.042. (A) This section shall operate as a pilot 22775
project that applies to any school that has been ranked according 22776
to performance index score under section 3302.21 of the Revised 22777
Code in the lowest five per cent of all public school buildings 22778
statewide for three or more consecutive school years and is 22779
operated by the Columbus city school district. This section does 22780
not apply to a school building that is ranked according to the 22781
value-added progress dimension under section 3302.03 of the 22782

Revised Code above the lowest five per cent of all public school 22783
buildings statewide for three or more consecutive years. The pilot 22784
project shall commence once the department of education 22785
establishes implementation guidelines for the pilot project in 22786
consultation with the Columbus city school district. 22787

(B) Except as provided in division (D), (E), or (F) of this 22788
section, if the parents or guardians of at least fifty per cent of 22789
the students enrolled in a school to which this section applies, 22790
or if the parents or guardians of at least fifty per cent of the 22791
total number of students enrolled in that school and the schools 22792
of lower grade levels whose students typically matriculate into 22793
that school, by the thirty-first day of December of any school 22794
year in which the school is subject to this section, sign and file 22795
with the school district treasurer a petition requesting the 22796
district board of education to implement one of the following 22797
reforms in the school, and if the validity and sufficiency of the 22798

3314. of the Revised Code; 22803

(2) Replace at least seventy per cent of the school's 22804

performance or, at the request of the petitioners, retain not more 22806
than thirty per cent of the personnel; 22807

(3) Contract with another school district or a nonprofit or 22808
for-profit entity with a demonstrated record of effectiveness to 22809
operate the school; 22810

(4) Turn operation of the school over to the department; 22811

(5) Any other major restructuring of the school that makes 22812

fundamental reforms in the school's staffing or governance. 22813

(C) Not later than thirty days after receipt of a petition 22814
under division (B) of this section, the district treasurer shall 22815
verify the validity and sufficiency of the signatures on the 22816
petition and certify to the district board whether the petition 22817
contains the necessary number of valid signatures to require the 22818
board to implement the reform requested by the petitioners. If the 22819
treasurer certifies to the district board that the petition does 22820
not contain the necessary number of valid signatures, any person 22821
who signed the petition may file an appeal with the county auditor 22822
within ten days after the certification. Not later than thirty 22823
days after the filing of an appeal, the county auditor shall 22824
conduct an independent verification of the validity and 22825
sufficiency of the signatures on the petition and certify to the 22826
district board whether the petition contains the necessary number 22827
of valid signatures to require the board to implement the 22828
requested reform. If the treasurer or county auditor certifies 22829
that the petition contains the necessary number of valid 22830
signatures, the district board shall notify the superintendent of 22831
public instruction and the state board of education of the 22832
certification. 22833

(D) The district board shall not implement the reform 22834
requested by the petitioners in any of the following 22835
circumstances: 22836

(1) The district board has determined that the request is for 22837
reasons other than improving student academic achievement or 22838
student safety. 22839

(2) The state superintendent has determined that 22840
implementation of the requested reform would not comply with the 22841
model of differentiated accountability described in section 22842
3302.041 of the Revised Code. 22843

(3) The petitioners have requested the district board to 22844
implement the reform described in division (B)(4) of this section 22845
and the department has not agreed to take over the school's 22846
operation. 22847

(4) When all of the following have occurred: 22848

(a) After a public hearing on the matter, the district board 22849
issued a written statement explaining the reasons that it is 22850
unable to implement the requested reform and agreeing to implement 22851
one of the other reforms described in division (B) of this 22852
section. 22853

(b) The district board submitted its written statement to the 22854
state superintendent and the state board along with evidence 22855
showing how the alternative reform the district board has agreed 22856
to implement will enable the school to improve its academic 22857
performance. 22858

(c) Both the state superintendent and the state board have 22859
approved implementation of the alternative reform. 22860

(E) If the provisions of this section conflict in any way 22861
with the requirements of federal law, federal law shall prevail 22862
over the provisions of this section. 22863

(F) If a school is restructured under this section, ~~section~~ 22864
~~3302.10 or 3302.12 of the Revised Code,~~ or federal law, the school 22865
shall not be required to restructure again under state law for 22866
three consecutive years after the implementation of that prior 22867
restructuring. 22868

(G) Beginning not later than six months after the first 22869
petition under this section has been resolved, the department of 22870
education shall annually evaluate the pilot program and submit a 22871
report to the general assembly under section 101.68 of the Revised 22872
Code. Such reports shall contain its recommendations to the 22873
general assembly with respect to the continuation of the pilot 22874

program, its expansion to other school districts, or the enactment 22875
of further legislation establishing the program statewide under 22876
permanent law. 22877

Sec. 3302.061. (A) A school district board of education shall 22878
review each application received under section 3302.06 of the 22879
Revised Code and, within sixty days after receipt of the 22880
application, shall approve or disapprove the application. In 22881

applications that propose innovations in one or more of the 22883
following areas: 22884

(1) Curriculum; 22885

(2) Student assessments, other than the assessments 22886
prescribed by sections 3301.0710 and 3301.0712 of the Revised 22887
Code; 22888

(3) Class scheduling; 22889

(4) Accountability measures, including innovations that 22890
expand the number and variety of measures used in order to collect 22891
more complete data about student academic performance. For this 22892
purpose, schools may consider use of measures such as 22893
end-of-course examinations, portfolios of student work, nationally 22894
or internationally normed assessments, the percentage of students 22895
enrolling in post-secondary education, or the percentage of 22896
students simultaneously obtaining a high school diploma and an 22897
associate's degree or certification to work in an industry or 22898
career field. 22899

(5) Provision of student services, including services for 22900
students who are disabled, identified as gifted under Chapter 22901
3324. of the Revised Code, ~~limited~~ English ~~proficient~~ learners, at 22902

(12) Use of financial or other resources.	22914
(B)(1) If the board approves an application seeking designation as an innovation school, it shall so designate the school that submitted the application. (2) If the board disapproves an application, it shall provide a written explanation of the basis for its decision to the school or schools that submitted the application. The school or schools may reapply for designation as an innovation school or innovation school zone at any time.	22921 22922 22923 22924 22925
(C) The board may approve an application that allows an innovation school or a school participating in an innovation school zone to determine the compensation of board employees working in the school, but the total compensation for all such employees shall not exceed the financial resources allocated to the school by the board. The school shall not be required to comply with the salary schedule adopted by the board under section 3311.78, 3317.14, or 3317.141 of the Revised Code. innovation plan for that school and offering the school an 22941
opportunity to participate in the plan's creation; 22942

voluntarily, which order shall provide an equitable division of 23834
the funds, property, and indebtedness of the dissolved school 23835
district among the districts receiving its territory. The state 23836
board of education may authorize exceptions to school districts 23837

compliance impracticable. 23839

The superintendent of public instruction is without authority 23840
to distribute funds under Chapter 3317. of the Revised Code to any 23841
school district that does not maintain schools with grades 23842

section 3311.521 of the Revised Code nor to the city, exempted 23852
village, or local school districts that have territory within such 23853

a cooperative education district. 23854

(b) The cooperative district and each city, exempted village, 23855
or local district with territory within the cooperative district 23856

(2) Any cooperative education school district described under 23859
division (C)(1) of this section that fails to maintain the grades 23860
it is specified to operate shall be dissolved by order of the 23861
state board of education unless prior to such an order the 23862
cooperative district is dissolved pursuant to section 3311.54 of 23863
the Revised Code. Any such order shall provide for the equitable 23864
adjustment, division, and disposition of the assets, property, 23865

each city, local, and exempted village school district whose 23869

(D) Division (A) of this section does not apply to any school 23881
district that is or has ever been subject to former section 23882
3302.10 of the Revised Code, as it ~~exists on and after the~~ 23883
~~effective date of this amendment~~ existed prior to the effective 23884
date of this amendment, and has had a majority of its schools 23885

reconstituted or closed under that section. 23886

Sec. 3311.78. Notwithstanding any provision of the Revised 23887
Code to the contrary, a municipal school district shall be subject 23888
to this section instead of sections 3317.13, 3317.14, and 3317.141 23889
of the Revised Code. 23890

(A) As used in this section, "principal" includes an 23891

section. The board also annually shall adopt a differentiated 23896
salary schedule for principals based upon performance as described 23897
in division (D) of this section. 23898

For each teacher or principal hired on or after October 1, 23899
2012, the board shall determine the teacher's or principal's 23900
initial placement on the applicable salary schedule based on years 23901
of experience and area of licensure and any other factors the 23902
board considers appropriate. For each teacher hired prior to 23903
October 1, 2012, the board shall initially place the teacher on 23904
the applicable salary schedule so that the teacher's annual salary 23905
on the schedule is comparable to the teacher's annual salary for 23906
the school year immediately prior to the school year covered by 23907
the schedule. For each principal hired prior to October 1, 2012, 23908
the board shall initially place the principal on the applicable 23909
salary schedule consistent with the principal's employment 23910
contract. 23911

(C) The salary of a teacher shall not be reduced unless such 23912
reduction is accomplished as part of a negotiated collective 23913
bargaining agreement. The salary of a principal shall not be 23914
reduced during the term of the principal's employment contract 23915
unless such reduction is by mutual agreement of the board and the 23916

principal or is part of a uniform plan affecting the entire 23917
district. 23918

(D) For purposes of the schedules, the board shall measure a 23919
teacher's or principal's performance by considering all of the 23920
following: 23921

(1) The level of license issued under section 3319.22 of the 23922
Revised Code that the teacher or principal holds; 23923

of the Revised Code; 23929~~

~~(4)(3) Any specialized training and experience in the 23930
assigned position. 23931~~

(E) The salary schedules adopted under this section may 23932
provide for additional compensation for teachers or principals who 23933
perform duties, not contracted for under a supplemental contract, 23934
that the board determines warrant additional compensation. Those 23935
duties may include, but are not limited to, assignment to a school 23936
building eligible for funding under Title I of the "Elementary and 23937
Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.; 23938

"No Child Left Behind Act of 2001," as defined in section 3302.01 23940

the board; or teaching in a school with an extended school day or 23944
school year. 23945

(F) The chief executive officer of the district, or the chief 23946
executive officer's designee, annually shall review the salary of 23947

each teacher and principal and make a recommendation to the board. 23948
Based on the recommendation, the board may increase a teacher's or 23949
principal's salary based on the teacher's or principal's 23950
performance and duties as provided for in divisions (D) and (E) of 23951
this section. The performance-based increase for a teacher or 23952
principal rated as accomplished shall be greater than the 23953
performance-based increase for a teacher or principal rated as 23954
skilled. Notwithstanding division (C) of this section, division 23955
(C) of section 3319.02, and section 3319.12 of the Revised Code, 23956
the board may decrease the teacher's or principal's salary if the 23957
teacher or principal will perform fewer or different duties 23958
described in division (E) of this section in the school year for 23959
which the salary is decreased. 23960

(G) Notwithstanding any provision to the contrary in Chapter 23961
4117. of the Revised Code, the requirements of this section 23962
prevail over any conflicting provisions of a collective bargaining 23963
agreement entered into on or after October 1, 2012. However, the 23964
board and the teachers' labor organization shall negotiate the 23965
implementation of the differentiated salary schedule for teachers 23966
and may negotiate additional factors regarding teacher salaries, 23967
provided those factors are consistent with this section. 23968

Sec. 3311.79. (A) When assigning teachers to schools of a 23969
municipal school district prior to the start of a school year, 23970
teachers may apply for open positions. All applicants shall be 23971
considered. Applicants may be interviewed by a building level team 23972
comprised of the building principal, a representative of the 23973
district teachers' labor organization, a parent, a staff member in 23974
the same job classification as the posted position, and any other 23975
members mutually agreed upon by the principal and the labor 23976
organization representative. When openings occur, the principal 23977
and labor organization representative shall mutually select the 23978
members of the building level team. Interviews by the building 23979

level team shall not be delayed due to the unavailability of duly notified team members. The team shall make recommendations whether to assign a teacher to an open position in the building based on how suitably the teacher's credentials fulfill the needs of the particular school. For this purpose, the building level team shall consider the following credentials:

(C) In the event that open positions in one or more school buildings have not been filled through the procedures set forth in divisions (A) and (B) of this section, or if the building level team has not been able to reach a consensus on a candidate, by ten

days prior to the first work day for teachers of the school year, 24010
the district chief executive officer or the chief executive 24011
officer's designee shall assign teachers to any of those open 24012
positions based on the best interests of the district. In making 24013
an assignment under this division, the chief executive officer or 24014
the chief executive officer's designee shall take into 24015
consideration all input from the building level team members. 24016

(D) In the event that a position opens after the first 24017
student day of the school year, the building level team interview 24018
and recommendation procedures set forth in divisions (A) and (B) 24019
of this section shall be used to fill the open position. If any 24020
positions remain open, or if the building level team has not been 24021
able to reach a consensus on a candidate, after a reasonable 24022
period of time as determined by the chief executive officer or the 24023
chief executive officer's designee, the chief executive officer or 24024
the chief executive officer's designee shall assign teachers to 24025
any of those open positions based on the best interests of the 24026
district. In making an assignment under this division, the chief 24027
executive officer or the chief executive officer's designee shall 24028
take into consideration all input from the building level team 24029
members. 24030

(E) In the event it becomes necessary to assign, reassign, or 24031
transfer a teacher, whether voluntarily or involuntarily on the 24032
part of the teacher, for the purpose of promoting the best 24033
interests of the district, the chief executive officer or the 24034
chief executive officer's designee shall first meet with the 24035
teacher, the principals of the affected buildings, and a 24036
representative of the district teachers' labor organization. The 24037
assignment, reassignment, or transfer shall not be delayed due to 24038
the unavailability of the meeting participants who have been duly 24039
notified. 24040

(F) The district chief executive officer or a building level 24041

team shall not use seniority or continuing contract status as the 24042
primary factor in determining any teacher's assignment to a 24043
school. 24044

(G) Notwithstanding any provision to the contrary in Chapter 24045
4117. of the Revised Code, the requirements of this section 24046
prevail over any conflicting provisions of a collective bargaining 24047
agreement entered into on or after October 1, 2012. However, the 24048
board and the teachers' labor organization shall negotiate 24049
regarding the implementation of this section, including the 24050
processes by which each building level team conducts its 24051
interviews and makes recommendations, consistent with this 24052
section. 24053

to purchase the property pursuant to division (B) of this section, 24180
the board shall then proceed with the offers from all other 24181
start-up community schools, college-preparatory boarding schools, 24182
and STEM schools made pursuant to that division. 24183

If more than one such entity notifies the district treasurer 24184
of its intention to purchase the property pursuant to division (B) 24185
of this section, the board shall conduct a public auction in the 24186
manner required for auctions of district property under division 24187
(A) of section 3313.41 of the Revised Code. Only the entities that 24188
notified the district treasurer pursuant to division (B) of this 24189
section are eligible to bid at the auction. 24190

(3) If more than one governing authority of a high-performing 24191
community school notifies the district treasurer in writing of the 24192
intention to lease the property pursuant to division (B) of this 24193
section, the district board shall conduct a lottery to select from 24194
among those governing authorities the one qualified governing 24195

authority to which the district board shall lease the property. 24196

If no such governing authority of a high-performing community 24197
school notifies the district treasurer of its intention to lease 24198
the property pursuant to division (B) of this section, the board 24199
shall then proceed with the offers from all other start-up 24200
community schools, college-preparatory boarding schools, and STEM 24201
schools made pursuant to that division. If more than one other 24202
start-up community school, college-preparatory boarding school, or 24203
STEM school notified the district treasurer of its intention to 24204
lease the property pursuant to division (B) of this section, the 24205
district board shall conduct a lottery to select from among those 24206
parties the one qualified party to which the district board shall 24207
lease the property. 24208

(4) The lease price offered by a district board to a 24209
community school, college-preparatory boarding school, or STEM 24210
school under this section shall not be higher than the fair market 24211
value for such a leasehold as determined in an appraisal that is 24212
not more than one year old. 24213

(5) If no qualified party offered the property under division 24214
(B) of this section accepts the offer to lease or buy the property 24215
within sixty days after the offer is made, the district board may 24216
offer the property to any other entity in accordance with 24217
divisions (A) to (F) of section 3313.41 of the Revised Code. 24218

(D) Notwithstanding division (B) of this section, a school 24219
district board may renew any agreement it originally entered into 24220
prior to June 30, 2011, to lease real property to an entity other 24221
than a community school, college-preparatory boarding school, or 24222
STEM school. Nothing in this section shall affect the leasehold 24223
arrangements between the district board and that other entity. 24224

(E)(1) Except as provided in division (E)(2) of this section, 24225
the governing authority of a community school, board of trustees 24226

of a college-preparatory boarding school, or governing body of a 24227
STEM school shall not sell any property purchased under division 24228
(B) of this section within five years of purchasing that property. 24229

(2) The governing authority, board of trustees, or governing 24230
body may sell a property purchased under division (B) of this 24231
section within five years of the purchase, only if the governing 24232
authority, board of trustees, or governing body sells or transfers 24233
that property to another entity described in that division. 24234

Sec. 3313.413. (A) As used in this section, "high-performing 24235
community school" means either of the following: 24236

(1) A community school established under Chapter 3314. of the 24237
Revised Code that meets the following conditions: 24238

(a) Except as provided in division (A)(1)(b) or (c) of this 24239
section, the school both: 24240

(i) Has received a grade of "A," "B," or "C" for the 24241
performance index score under division (C)(1)(b) of section 24242
3302.03 of the Revised Code or has increased its performance index 24243
score under division (C)(1)(b) of section 3302.03 of the Revised 24244
Code in each of the previous three years of operation; and 24245

(ii) Has received a grade of "A" or "B" for the value-added 24246
progress dimension under division (C)(1)(e) of section 3302.03 of 24247
the Revised Code on its most recent report card rating issued 24248
under that section. 24249

(b) If the school serves only grades kindergarten through 24250
three, the school received a grade of "A" or "B" for making 24251
progress in improving literacy in grades kindergarten through 24252
three under division (C)(1)(g) of section 3302.03 of the Revised 24253
Code on its most recent report card issued under that section. 24254

(c) If the school primarily serves students enrolled in a 24255
dropout prevention and recovery program as described in division 24256

(A)~~(4)~~(2)(a) of section 3314.35 of the Revised Code, the school 24257

(2) A newly established community school that is implementing 24260
a community school model that has a track record of high-quality 24261
academic performance, as determined by the department of 24262
education. 24263

(B) When a school district board of education decides to 24264
dispose of real property it owns in its corporate capacity under 24265
section 3313.41 of the Revised Code, the board shall first offer 24266
that property to the governing authorities of all start-up 24267
community schools, the boards of trustees of any 24268
college-preparatory boarding schools, and the governing bodies of 24269
any STEM schools that are located within the territory of the 24270
district. Not later than sixty days after the district board makes 24271
the offer, interested governing authorities, boards of trustees, 24272
and governing bodies shall notify the district treasurer in 24273
writing of the intention to purchase the property. 24274

The district board shall give priority to the governing 24275
authorities of high-performing community schools that are located 24276
within the territory of the district. 24277

(1) If more than one governing authority of a high-performing 24278
community school notifies the district treasurer of its intention 24279
to purchase the property pursuant to division (B) of this section, 24280
the board shall conduct a public auction in the manner required 24281
for auctions of district property under division (A) of section 24282
3313.41 of the Revised Code. Only the governing authorities of 24283
high-performing community schools that notified the district 24284
treasurer pursuant to division (B) of this section are eligible to 24285
bid at the auction. 24286

(2) If no governing authority of a high-performing community 24287

school notifies the district treasurer of its intention to 24288
purchase the property pursuant to division (B) of this section, 24289
the board shall then proceed with the offers from all other 24290
start-up community schools, college-preparatory boarding schools, 24291
and STEM schools made pursuant to that division. If more than one 24292
such entity notifies the district treasurer of its intention to 24293
purchase the property pursuant to division (B) of this section, 24294
the board shall conduct a public auction in the manner required 24295
for auctions of district property under division (A) of section 24296
3313.41 of the Revised Code. Only the entities that notified the 24297
district treasurer pursuant to division (B) of this section are 24298
eligible to bid at the auction. 24299

(3) If no governing authority, board of trustees, or 24300
governing body notifies the district treasurer of its intention to 24301
purchase the property pursuant to division (B) of this section, 24302
the district may then offer the property for sale in the manner 24303
prescribed under divisions (A) to (F) of section 3313.41 of the 24304
Revised Code. 24305

(C) Notwithstanding anything to the contrary in sections 24306
3313.41 and 3313.411 of the Revised Code, the purchase price of 24307
any real property sold to any of the entities in accordance with 24308
division (B) of this section shall not be more than the appraised 24309
fair market value of that property as determined in an appraisal 24310
of the property that is not more than one year old. 24311

(D) Not later than the first day of October of each year, the 24312
department of education shall post in a prominent location on its 24313
web site a list of schools that qualify as high-performing 24314
community schools for purposes of this section and section 24315
3313.411 of the Revised Code. 24316

Sec. 3313.5315. Any student from a country or province 24317
outside the United States, who attends an elementary or secondary 24318

school in this state ~~that began operating a dormitory on its~~ 24319
~~campus prior to 2014,~~ shall be permitted to participate in 24320
interscholastic athletics at that school on the same basis as 24321
students who are residents of this state, so long as the student 24322
holds an F-1 visa issued by the United States department of state. 24323
Such a student shall not be denied the opportunity to participate 24324
in interscholastic athletics solely because the student's parents 24325
do not reside in this state. 24326

No school district, school, interscholastic conference, or 24327
organization that regulates interscholastic conferences or events 24328
shall have a rule, bylaw, or other regulation that conflicts with 24329
this section. 24330

Sec. 3313.5316. A city, local, or exempted village school 24331
district, interscholastic conference, or organization that 24332
regulates interscholastic athletics shall have the same pupil 24333
transfer rules for public schools and nonpublic schools. 24334

No district, interscholastic conference, or organization that 24335
regulates interscholastic athletics shall adopt a rule, bylaw, or 24336
other regulation contrary to this section. 24337

Sec. 3313.603. (A) As used in this section: 24338

(1) "One unit" means a minimum of one hundred twenty hours of 24339
course instruction, except that for a laboratory course, "one 24340
unit" means a minimum of one hundred fifty hours of course 24341
instruction. 24342

(2) "One-half unit" means a minimum of sixty hours of course 24343
instruction, except that for physical education courses, "one-half 24344
unit" means a minimum of one hundred twenty hours of course 24345
instruction. 24346

(B) Beginning September 15, 2001, except as required in 24347

division (C) of this section and division (C) of section 3313.614	24348

following:	24358
(a) Biological sciences, one unit;	24359
(b) Physical sciences, one unit.	24360

least one-half unit of instruction in the study of world history	24370
and civilizations.	24371
(8) Elective units, seven units until September 15, 2003, and	24372

For students who choose to take advanced computer science in lieu of algebra II under division (C)(3) of this section, the school shall communicate to those students that some institutions of higher education may require algebra II for the purpose of college admission. Also, the parent, guardian, or legal custodian of each student who chooses to take advanced computer science in lieu of algebra II shall sign and submit to the school a document containing a statement acknowledging that not taking algebra II may have an adverse effect on college admission decisions.

(4) Physical education, one-half unit;

(5) Science, three units with inquiry-based laboratory	24408

questions and gathering and analyzing information, which shall	24410

section.	24423
(6) History and government, one unit, which shall comply with	24424
division (M) of this section and shall include both of the	24425

(b) American government, one-half unit.	24428
(7) Social studies, two units.	24429
Each school shall integrate the study of economics and	24430
financial literacy, as expressed in the social studies academic	24431
content standards adopted by the state board of education under	24432
division (A)(1) of section 3301.079 of the Revised Code and the	24433
academic content standards for financial literacy and	24434
entrepreneurship adopted under division (A)(2) of that section,	24435
into one or more existing social studies credits required under	24436

division (C)(7) of this section, or into the content of another 24437
class, so that every high school student receives instruction in 24438
those concepts. In developing the curriculum required by this 24439
paragraph, schools shall use available public-private partnerships 24440
and resources and materials that exist in business, industry, and 24441

training corps (JROTC) program approved by the congress of the 24453
United States under title 10 of the United States Code, or English 24454
language arts, mathematics, science, or social studies courses not 24455
otherwise required under division (C) of this section. 24456

Ohioans must be prepared to apply increased knowledge and 24457
skills in the workplace and to adapt their knowledge and skills 24458
quickly to meet the rapidly changing conditions of the 24459
twenty-first century. National studies indicate that all high 24460
school graduates need the same academic foundation, regardless of 24461
the opportunities they pursue after graduation. The goal of Ohio's 24462
system of elementary and secondary education is to prepare all 24463
students for and seamlessly connect all students to success in 24464
life beyond high school graduation, regardless of whether the next 24465
step is entering the workforce, beginning an apprenticeship, 24466
engaging in post-secondary training, serving in the military, or 24467
pursuing a college degree. 24468

The requirements for graduation prescribed in division (C) of 24469
this section are the standard expectation for all students 24470
entering ninth grade for the first time at a public or chartered 24471
nonpublic high school on or after July 1, 2010. A student may 24472
satisfy this expectation through a variety of methods, including, 24473
but not limited to, integrated, applied, career-technical, and 24474
traditional coursework. 24475

Stronger coordination between high schools and institutions 24476
of higher education is necessary to prepare students for more 24477
challenging academic endeavors and to lessen the need for academic 24478
remediation in college, thereby reducing the costs of higher 24479
education for Ohio's students, families, and the state. The state 24480
board and the chancellor of higher education shall develop 24481
policies to ensure that only in rare instances will students who 24482
complete the requirements for graduation prescribed in division 24483
(C) of this section require academic remediation after high 24484
school. 24485

School districts, community schools, and chartered nonpublic 24486
schools shall integrate technology into learning experiences 24487
across the curriculum in order to maximize efficiency, enhance 24488
learning, and prepare students for success in the 24489
technology-driven twenty-first century. Districts and schools 24490
shall use distance and web-based course delivery as a method of 24491
providing or augmenting all instruction required under this 24492
division, including laboratory experience in science. Districts 24493
and schools shall utilize technology access and electronic 24494
learning opportunities provided by the broadcast educational media 24495
commission, chancellor, the Ohio learning network, education 24496
technology centers, public television stations, and other public 24497
and private providers. 24498

(D) Except as provided in division (E) of this section, a 24499
student who enters ninth grade on or after July 1, 2010, and 24500

before July 1, 2016, may qualify for graduation from a public or 24501
chartered nonpublic high school even though the student has not 24502
completed the requirements for graduation prescribed in division 24503
(C) of this section if all of the following conditions are 24504
satisfied: 24505

(1) During the student's third year of attending high school, 24506
as determined by the school, the student and the student's parent, 24507
guardian, or custodian sign and file with the school a written 24508
statement asserting the parent's, guardian's, or custodian's 24509
consent to the student's graduating without completing the 24510
requirements for graduation prescribed in division (C) of this 24511
section and acknowledging that one consequence of not completing 24512
those requirements is ineligibility to enroll in most state 24513
universities in Ohio without further coursework. 24514

(2) The student and parent, guardian, or custodian fulfill 24515
any procedural requirements the school stipulates to ensure the 24516
student's and parent's, guardian's, or custodian's informed 24517
consent and to facilitate orderly filing of statements under 24518
division (D)(1) of this section. Annually, each district or school 24519
shall notify the department of the number of students who choose 24520
to qualify for graduation under division (D) of this section and 24521
the number of students who complete the student's success plan and 24522
graduate from high school. 24523

(3) The student and the student's parent, guardian, or 24524
custodian and a representative of the student's high school 24525
jointly develop a student success plan for the student in the 24526
manner described in division (C)(1) of section 3313.6020 of the 24527
Revised Code that specifies the student matriculating to a 24528
two-year degree program, acquiring a business and 24529
industry-recognized credential, or entering an apprenticeship. 24530

(4) The student's high school provides counseling and support 24531
for the student related to the plan developed under division 24532

(D)(3) of this section during the remainder of the student's high school experience. 24533
24534

(5)(a) Except as provided in division (D)(5)(b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section. 24535
24536
24537

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2014, a student shall be required to complete successfully, at the minimum, the curriculum prescribed in division (B) of this section, except as follows: 24538
24539
24540
24541

(i) Mathematics, four units, one unit which shall be one of the following: 24542
24543

(I) Probability and statistics; 24544

(II) Computer science; 24545

(III) Applied mathematics or quantitative reasoning; 24546

(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014. 24547
24548
24549

(ii) Elective units, five units; 24550

(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information. 24551
24552
24553
24554

The department, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the 24555
24556
24557
24558
24559
24560
24561
24562

senate, the chairpersons and ranking minority members of the 24563
standing committees of the house of representatives and the senate 24564
that consider education legislation, the state board of education, 24565
and the superintendent of public instruction. 24566

(E) Each school district and chartered nonpublic school 24567
retains the authority to require an even more challenging minimum 24568
curriculum for high school graduation than specified in division 24569
(B) or (C) of this section. A school district board of education, 24570
through the adoption of a resolution, or the governing authority 24571
of a chartered nonpublic school may stipulate any of the 24572
following: 24573

(1) A minimum high school curriculum that requires more than 24574
twenty units of academic credit to graduate; 24575

(2) An exception to the district's or school's minimum high 24576
school curriculum that is comparable to the exception provided in 24577
division (D) of this section but with additional requirements, 24578
which may include a requirement that the student successfully 24579
complete more than the minimum curriculum prescribed in division 24580
(B) of this section; 24581

(3) That no exception comparable to that provided in division 24582
(D) of this section is available. 24583

If a school district or chartered nonpublic school requires a 24584
foreign language as an additional graduation requirement under 24585
division (E) of this section, a student may apply one unit of 24586
instruction in computer coding to satisfy one unit of foreign 24587
language. If a student applies more than one computer coding 24588
course to satisfy the foreign language requirement, the courses 24589
shall be sequential and progressively more difficult. 24590

(F) A student enrolled in a dropout prevention and recovery 24591
program, which program has received a waiver from the department, 24592
may qualify for graduation from high school by successfully 24593

completing a competency-based instructional program administered 24594
by the dropout prevention and recovery program in lieu of 24595
completing the requirements for graduation prescribed in division 24596
(C) of this section. The department shall grant a waiver to a 24597
dropout prevention and recovery program, within sixty days after 24598
the program applies for the waiver, if the program meets all of 24599
the following conditions: 24600

(1) The program serves only students not younger than sixteen 24601
years of age and not older than twenty-one years of age. 24602

(2) The program enrolls students who, at the time of their 24603
initial enrollment, either, or both, are at least one grade level 24604
behind their cohort age groups or experience crises that 24605
significantly interfere with their academic progress such that 24606
they are prevented from continuing their traditional programs. 24607

(3) The program requires students to attain at least the 24608
applicable score designated for each of the assessments prescribed 24609
under division (B)(1) of section 3301.0710 of the Revised Code or, 24610
to the extent prescribed by rule of the state board under division 24611
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 24612
of that section. 24613

(4) The program develops a student success plan for the 24614
student in the manner described in division (C)(1) of section 24615
3313.6020 of the Revised Code that specifies the student's 24616
matriculating to a two-year degree program, acquiring a business 24617
and industry-recognized credential, or entering an apprenticeship. 24618

(5) The program provides counseling and support for the 24619
student related to the plan developed under division (F)(4) of 24620
this section during the remainder of the student's high school 24621
experience. 24622

(6) The program requires the student and the student's 24623
parent, guardian, or custodian to sign and file, in accordance 24624

with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board under section 3301.079 of the Revised Code will be taught and assessed.

(8) Prior to receiving the waiver, the program has submitted to the department a policy on career advising that satisfies the requirements of section 3313.6020 of the Revised Code, with an emphasis on how every student will receive career advising.

(9) Prior to receiving the waiver, the program has submitted to the department a written agreement outlining the future cooperation between the program and any combination of local job training, postsecondary education, nonprofit, and health and social service organizations to provide services for students in the program and their families.

Divisions (F)(8) and (9) of this section apply only to waivers granted on or after July 1, 2015.

If the department does not act either to grant the waiver or to reject the program application for the waiver within sixty days as required under this section, the waiver shall be considered to be granted.

(G) Every high school may permit students below the ninth grade to take advanced work. If a high school so permits, it shall award high school credit for successful completion of the advanced work and shall count such advanced work toward the graduation

requirements of division (B) or (C) of this section if the 24656
advanced work was both: 24657

(1) Taught by a person who possesses a license or certificate 24658
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 24659
Code that is valid for teaching high school; 24660

(2) Designated by the board of education of the city, local, 24661
or exempted village school district, the board of the cooperative 24662
education school district, or the governing authority of the 24663
chartered nonpublic school as meeting the high school curriculum 24664
requirements. 24665

Each high school shall record on the student's high school 24666
transcript all high school credit awarded under division (G) of 24667
this section. In addition, if the student completed a seventh- or 24668
eighth-grade fine arts course described in division (K) of this 24669
section and the course qualified for high school credit under that 24670
division, the high school shall record that course on the 24671
student's high school transcript. 24672

(H) The department shall make its individual academic career 24673
plan available through its Ohio career information system web site 24674
for districts and schools to use as a tool for communicating with 24675
and providing guidance to students and families in selecting high 24676
school courses. 24677

(I) A school district or chartered nonpublic school may 24678
integrate academic content in a subject area for which the state 24679
board has adopted standards under section 3301.079 of the Revised 24680
Code into a course in a different subject area, including a 24681
career-technical education course, in accordance with guidance for 24682
integrated coursework developed by the department. Upon successful 24683
completion of an integrated course, a student may receive credit 24684
for both subject areas that were integrated into the course. Units 24685
earned for subject area content delivered through integrated 24686

academic and career-technical instruction are eligible to meet the 24687
graduation requirements of division (B) or (C) of this section. 24688

For purposes of meeting graduation requirements, if an 24689
end-of-course examination has been prescribed under section 24690
3301.0712 of the Revised Code for the subject area delivered 24691
through integrated instruction, the school district or school may 24692
administer the related subject area examinations upon the 24693
student's completion of the integrated course. 24694

Nothing in division (I) of this section shall be construed to 24695
excuse any school district, chartered nonpublic school, or student 24696
from any requirement in the Revised Code related to curriculum, 24697
assessments, or the awarding of a high school diploma. 24698

(J)(1) The state board, in consultation with the chancellor, 24699
shall adopt a statewide plan implementing methods for students to 24700
earn units of high school credit based on a demonstration of 24701
subject area competency, instead of or in combination with 24702
completing hours of classroom instruction. The state board shall 24703
adopt the plan not later than March 31, 2009, and commence phasing 24704
in the plan during the 2009-2010 school year. The plan shall 24705
include a standard method for recording demonstrated proficiency 24706
on high school transcripts. Each school district and community 24707
school shall comply with the state board's plan adopted under this 24708
division and award units of high school credit in accordance with 24709
the plan. The state board may adopt existing methods for earning 24710
high school credit based on a demonstration of subject area 24711
competency as necessary prior to the 2009-2010 school year. 24712

(2) Not later than December 31, 2015, the state board shall 24713
update the statewide plan adopted pursuant to division (J)(1) of 24714
this section to also include methods for students enrolled in 24715
seventh and eighth grade to meet curriculum requirements based on 24716
a demonstration of subject area competency, instead of or in 24717
combination with completing hours of classroom instruction. 24718

Beginning with the 2017-2018 school year, each school district and 24719
community school also shall comply with the updated plan adopted 24720
pursuant to this division and permit students enrolled in seventh 24721
and eighth grade to meet curriculum requirements based on subject 24722
area competency in accordance with the plan. 24723

(3) Not later than December 31, 2017, the department shall 24724
develop a framework for school districts and community schools to 24725
use in granting units of high school credit to students who 24726
demonstrate subject area competency through work-based learning 24727
experiences, internships, or cooperative education. Beginning with 24728
the 2018-2019 school year, each district and community school 24729
shall comply with the framework. Each district and community 24730
school also shall review any policy it has adopted regarding the 24731
demonstration of subject area competency to identify ways to 24732
incorporate work-based learning experiences, internships, and 24733
cooperative education into the policy in order to increase student 24734
engagement and opportunities to earn units of high school credit. 24735

(K) This division does not apply to students who qualify for 24736
graduation from high school under division (D) or (F) of this 24737
section, or to students pursuing a career-technical instructional 24738
track as determined by the school district board of education or 24739
the chartered nonpublic school's governing authority. 24740
Nevertheless, the general assembly encourages such students to 24741
consider enrolling in a fine arts course as an elective. 24742

Beginning with students who enter ninth grade for the first 24743
time on or after July 1, 2010, each student enrolled in a public 24744
or chartered nonpublic high school shall complete two semesters or 24745
the equivalent of fine arts to graduate from high school. The 24746
coursework may be completed in any of grades seven to twelve. Each 24747
student who completes a fine arts course in grade seven or eight 24748
may elect to count that course toward the five units of electives 24749
required for graduation under division (C)(8) of this section, if 24750

the course satisfied the requirements of division (G) of this 24751
section. In that case, the high school shall award the student 24752
high school credit for the course and count the course toward the 24753
five units required under division (C)(8) of this section. If the 24754
course in grade seven or eight did not satisfy the requirements of 24755
division (G) of this section, the high school shall not award the 24756
student high school credit for the course but shall count the 24757
course toward the two semesters or the equivalent of fine arts 24758
required by this division. 24759

(L) Notwithstanding anything to the contrary in this section, 24760
the board of education of each school district and the governing 24761
authority of each chartered nonpublic school may adopt a policy to 24762
excuse from the high school physical education requirement each 24763
student who, during high school, has participated in 24764
interscholastic athletics, marching band, or cheerleading for at 24765
least two full seasons or in the junior reserve officer training 24766
corps for at least two full school years. If the board or 24767
authority adopts such a policy, the board or authority shall not 24768
require the student to complete any physical education course as a 24769
condition to graduate. However, the student shall be required to 24770
complete one-half unit, consisting of at least sixty hours of 24771
instruction, in another course of study. In the case of a student 24772
who has participated in the junior reserve officer training corps 24773
for at least two full school years, credit received for that 24774
participation may be used to satisfy the requirement to complete 24775
one-half unit in another course of study. 24776

(M) It is important that high school students learn and 24777
understand United States history and the governments of both the 24778
United States and the state of Ohio. Therefore, beginning with 24779
students who enter ninth grade for the first time on or after July 24780
1, 2012, the study of American history and American government 24781
required by divisions (B)(6) and (C)(6) of this section shall 24782

include the study of all of the following documents:	24783
(1) The Declaration of Independence;	24784
(2) The Northwest Ordinance;	24785
(3) The Constitution of the United States with emphasis on the Bill of Rights;	24786 24787
(4) The Ohio Constitution.	24788
The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.	24789 24790 24791
The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.	24792 24793 24794 24795 24796 24797
(N) A student may apply one unit of instruction in computer science to satisfy one unit of mathematics or one unit of science under division (C) of this section as the student chooses, regardless of the field of certification of the teacher who teaches the course, so long as that teacher meets the licensure requirements prescribed by section 3319.236 of the Revised Code and, prior to teaching the course, completes a professional development program determined to be appropriate by the district board.	24798 24799 24800 24801 24802 24803 24804 24805 24806
If a student applies more than one computer science course to satisfy curriculum requirements under that division, the courses shall be sequential and progressively more difficult or cover different subject areas within computer science.	24807 24808 24809 24810
Sec. 3313.608. (A)(1) Beginning with students who enter third grade in the school year that starts July 1, 2009, and until June	24811 24812

30, 2013, unless the student is excused under division (C) of 24813
section 3301.0711 of the Revised Code from taking the assessment 24814
described in this section, for any student who does not attain at 24815
least the equivalent level of achievement designated under 24816
division (A)(3) of section 3301.0710 of the Revised Code on the 24817
assessment prescribed under that section to measure skill in 24818
English language arts expected at the end of third grade, each 24819
school district, in accordance with the policy adopted under 24820
section 3313.609 of the Revised Code, shall do one of the 24821
following: 24822

(a) Promote the student to fourth grade if the student's 24823
principal and reading teacher agree that other evaluations of the 24824
student's skill in reading demonstrate that the student is 24825
academically prepared to be promoted to fourth grade; 24826

(b) Promote the student to fourth grade but provide the 24827
student with intensive intervention services in fourth grade; 24828

(c) Retain the student in third grade. 24829

(2) Beginning with students who enter third grade in the 24830
2013-2014 school year, unless the student is excused under 24831
division (C) of section 3301.0711 of the Revised Code from taking 24832
the assessment described in this section, no school district shall 24833
promote to fourth grade any student who does not attain at least 24834
the equivalent level of achievement designated under division 24835
(A)(3) of section 3301.0710 of the Revised Code on the assessment 24836
prescribed under that section to measure skill in English language 24837
arts expected at the end of third grade, unless one of the 24838
following applies: 24839

(a) The student is ~~a limited~~ an English ~~proficient~~ student 24840
learner who has been enrolled in United States schools for less 24841
than three full school years and has had less than three years of 24842
instruction in an English as a second language program. 24843

(b) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code and the student's individualized education program exempts the student from retention under this division.	24844 24845 24846 24847
(c) The student demonstrates an acceptable level of performance on an alternative standardized reading assessment as determined by the department of education.	24848 24849 24850
(d) All of the following apply:	24851
(i) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code.	24852 24853 24854
(ii) The student has taken the third grade English language arts achievement assessment prescribed under section 3301.0710 of the Revised Code.	24855 24856 24857
(iii) The student's individualized education program or plan under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, shows that the student has received intensive remediation in reading for two school years but still demonstrates a deficiency in reading.	24858 24859 24860 24861 24862
(iv) The student previously was retained in any of grades kindergarten to three.	24863 24864
(e)(i) The student received intensive remediation for reading for two school years but still demonstrates a deficiency in reading and was previously retained in any of grades kindergarten to three.	24865 24866 24867 24868
(ii) A student who is promoted under division (A)(2)(e)(i) of this section shall continue to receive intensive reading instruction in grade four. The instruction shall include an altered instructional day that includes specialized diagnostic information and specific research-based reading strategies for the	24869 24870 24871 24872 24873

student that have been successful in improving reading among 24874
low-performing readers. 24875

(B)(1) Beginning in the 2012-2013 school year, to assist 24876
students in meeting the third grade guarantee established by this 24877
section, each school district board of education shall adopt 24878
policies and procedures with which it annually shall assess the 24879
reading skills of each student, except those students with 24880
significant cognitive disabilities or other disabilities as 24881
authorized by the department on a case-by-case basis, enrolled in 24882
kindergarten to third grade and shall identify students who are 24883
reading below their grade level. The reading skills assessment 24884
shall be completed by the thirtieth day of September for students 24885
in grades one to three, and by the first day of November for 24886
students in kindergarten. Each district shall use the diagnostic 24887
assessment to measure reading ability for the appropriate grade 24888
level adopted under section 3301.079 of the Revised Code, or a 24889
comparable tool approved by the department of education, to 24890
identify such students. The policies and procedures shall require 24891
the students' classroom teachers to be involved in the assessment 24892
and the identification of students reading below grade level. The 24893
assessment may be administered electronically using live, two-way 24894
video and audio connections whereby the teacher administering the 24895
assessment may be in a separate location from the student. 24896

(2) For each student identified by the diagnostic assessment 24897
prescribed under this section as having reading skills below grade 24898
level, the district shall do both of the following: 24899

(a) Provide to the student's parent or guardian, in writing, 24900
all of the following: 24901

(i) Notification that the student has been identified as 24902
having a substantial deficiency in reading; 24903

(ii) A description of the current services that are provided 24904

to the student; 24905

(iii) A description of the proposed supplemental 24906
instructional services and supports that will be provided to the 24907
student that are designed to remediate the identified areas of 24908
reading deficiency; 24909

(iv) Notification that if the student attains a score in the 24910
range designated under division (A)(3) of section 3301.0710 of the 24911
Revised Code on the assessment prescribed under that section to 24912
measure skill in English language arts expected at the end of 24913
third grade, the student shall be retained unless the student is 24914
exempt under division (A) of this section. The notification shall 24915
specify that the assessment under section 3301.0710 of the Revised 24916
Code is not the sole determinant of promotion and that additional 24917
evaluations and assessments are available to the student to assist 24918
parents and the district in knowing when a student is reading at 24919
or above grade level and ready for promotion. 24920

(b) Provide intensive reading instruction services and 24921
regular diagnostic assessments to the student immediately 24922
following identification of a reading deficiency until the 24923
development of the reading improvement and monitoring plan 24924
required by division (C) of this section. These intervention 24925
services shall include research-based reading strategies that have 24926
been shown to be successful in improving reading among 24927
low-performing readers and instruction targeted at the student's 24928
identified reading deficiencies. 24929

(3) For each student retained under division (A) of this 24930
section, the district shall do all of the following: 24931

(a) Provide intense remediation services until the student is 24932
able to read at grade level. The remediation services shall 24933
include intensive interventions in reading that address the areas 24934
of deficiencies identified under this section including, but not 24935

(c) Provide each student with a teacher who satisfies one or more of the criteria set forth in division (H) of this section.	24949 24950
The district shall offer the option for students to receive applicable services from one or more providers other than the district. Providers shall be screened and approved by the district or the department of education. If the student participates in the remediation services and demonstrates reading proficiency in accordance with standards adopted by the department prior to the start of fourth grade, the district shall promote the student to that grade.	24951 24952 24953 24954 24955 24956 24957 24958
(4) For each student retained under division (A) of this section who has demonstrated proficiency in a specific academic ability field, each district shall provide instruction commensurate with student achievement levels in that specific academic ability field.	24959 24960 24961 24962 24963
As used in this division, "specific academic ability field"	24964

has the same meaning as in section 3324.01 of the Revised Code.	24965
(C) For each student required to be provided intervention services under this section, the district shall develop a reading improvement and monitoring plan within sixty days after receiving the student's results on the diagnostic assessment or comparable tool administered under division (B)(1) of this section. The district shall involve the student's parent or guardian and classroom teacher in developing the plan. The plan shall include all of the following:	24966 24967 24968 24969 24970 24971 24972 24973

(2) A description of the additional instructional services and support that will be provided to the student to remediate the identified reading deficiencies;	24976 24977 24978
(3) Opportunities for the student's parent or guardian to be involved in the instructional services and support described in division (C)(2) of this section;	24979 24980 24981
(4) A process for monitoring the extent to which the student receives the instructional services and support described in division (C)(2) of this section;	24982 24983 24984
(5) A reading curriculum during regular school hours that does all of the following:	24985 24986
(a) Assists students to read at grade level;	24987
(b) Provides scientifically based and reliable assessment;	24988
(c) Provides initial and ongoing analysis of each student's reading progress.	24989 24990
(6) A statement that if the student does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language	24991 24992 24993 24994

arts expected by the end of third grade, the student may be 24995
retained in third grade. 24996

Each student with a reading improvement and monitoring plan 24997
under this division who enters third grade after July 1, 2013, 24998
shall be assigned to a teacher who satisfies one or more of the 24999
criteria set forth in division (H) of this section. 25000

The district shall report any information requested by the 25001
department about the reading improvement monitoring plans 25002
developed under this division in the manner required by the 25003
department. 25004

(D) Each school district shall report annually to the 25005
department on its implementation and compliance with this section 25006
using guidelines prescribed by the superintendent of public 25007
instruction. The superintendent of public instruction annually 25008
shall report to the governor and general assembly the number and 25009
percentage of students in grades kindergarten through four reading 25010
below grade level based on the diagnostic assessments administered 25011
under division (B) of this section and the achievement assessments 25012
administered under divisions (A)(1)(a) and (b) of section 25013
3301.0710 of the Revised Code in English language arts, aggregated 25014
by school district and building; the types of intervention 25015
services provided to students; and, if available, an evaluation of 25016
the efficacy of the intervention services provided. 25017

(E) Any summer remediation services funded in whole or in 25018
part by the state and offered by school districts to students 25019
under this section shall meet the following conditions: 25020

(1) The remediation methods are based on reliable educational 25021
research. 25022

(2) The school districts conduct assessment before and after 25023
students participate in the program to facilitate monitoring 25024
results of the remediation services. 25025

(3) The parents of participating students are involved in programming decisions.	25026 25027
(F) Any intervention or remediation services required by this section shall include intensive, explicit, and systematic instruction.	25028 25029 25030
(G) This section does not create a new cause of action or a substantive legal right for any person.	25031 25032
(H)(1) Except as provided under divisions (H)(2), (3), and (4) of this section, each student described in division (B)(3) or (C) of this section who enters third grade for the first time on or after July 1, 2013, shall be assigned a teacher who has at least one year of teaching experience and who satisfies one or more of the following criteria:	25033 25034 25035 25036 25037 25038
(a) The teacher holds a reading endorsement on the teacher's license and has attained a passing score on the corresponding assessment for that endorsement, as applicable.	25039 25040 25041

service center shall submit an affidavit to the department 25799
certifying that fact not later than fifteen days after the 25800

an affidavit, it shall not make any payments to any other 25803

(E) An educational service center may apply to any state or 25807

subsidy to be paid to an educational service center for the 25815

into an agreement under this section. 25821

(2) When a district enters into a new agreement with a new 25822

the district is paid to the new educational service center and 25825
that the educational service center with which the district 25826
previously had an agreement is no longer paid a state operating 25827

subsidy for providing services to that district. 25828

(H) Pursuant to division (B) of section 3317.023 of the 25829
Revised Code, the department annually shall deduct from each 25830
school district that enters into an agreement with an educational 25831
service center under this section, and pay to the service center, 25832
an amount equal to six dollars and fifty cents times the school 25833
district's total student count. The district board of education, 25834
or the district superintendent acting on behalf of the district 25835
board, may agree to pay an amount in excess of six dollars and 25836
fifty cents per student in total student count. If a majority of 25837
the boards of education, or superintendents acting on behalf of 25838
the boards, of the districts that entered into an agreement under 25839
this section approve an amount in excess of six dollars and fifty 25840
cents per student in total student count, each district shall pay 25841

(I)(1) An educational service center may enter into a 25843
contract to purchase supplies, materials, equipment, and services, 25844
which may include those specified in division (B) of this section 25845
or Chapter 3312. of the Revised Code, or the delivery of such 25846
services, on behalf of a school district or political subdivision 25847
that has entered into an agreement with the service center under 25848
this section or section 3313.844, 3313.845, or 3313.846 of the 25849
Revised Code. 25850

(2) Purchases made by a school district or political 25851
subdivision that has entered into an agreement with the service 25852
center as described in this division are exempt from competitive 25853
bidding required by law for the purchase of supplies, materials, 25854
equipment, or services. No political subdivision shall make any 25855
purchase under this division when the political subdivision has 25856
received bids for such purchase, unless the same terms, 25857
conditions, and specifications at a lower price can be made for 25858
such purchase under this division. 25859

(J) Any school district, community school, or STEM school 25860
that has entered into an agreement with an educational service 25861
center under this section or section 3313.844 or 3313.845 of the 25862
Revised Code shall be in compliance with federal law and exempt 25863
from competitive bidding requirements for personnel-based services 25864
pursuant to the authority granted to the Ohio department of 25865
education under federal law, provided the service center has met 25866
the following conditions: 25867

(1) It is in compliance with division (F) of this section. 25868

(2) It has been designated "high performing" under rule of 25869

audit rules and guidelines in its most recent audit by the auditor 25872
of state. 25873

(K) For purposes of this section, a school district's "total 25874
student count" means the average daily student enrollment reported 25875
on the most recent report card issued for the district pursuant to 25876
section 3302.03 of the Revised Code. 25877

Sec. 3313.912. (A) As used in this section, "career-technical 25878
planning district" and "lead district" have the same meanings as 25879
in section 3317.023 of the Revised Code. 25880

(B) The business advisory committee of each career-technical 25881
planning district shall determine an appropriate point value for 25882
each industry-recognized credential approved under section 25883
3313.6113 of the Revised Code that is offered by the 25884
career-technical planning district. The point value shall be for 25885

disability. Such increases shall take into account the 26005
instruction, related services, and transportation costs of 26006
educating such students. 26007

(3) In the case of tutorial assistance grants, the grant 26008
amount shall not exceed the lesser of the provider's actual 26009

any student who is seeking a scholarship under the program: 26036

(c) The independent contractor engaged to create and maintain 26042
data verification codes. 26043

(2) Upon a request by the department under division (E)(1) of this section for the data verification code of a student seeking a scholarship or a request by the student's parent for that code, the school district or community school shall submit that code to the department or parent in the manner specified by the department. If the student has not been assigned a code, because the student will be entering kindergarten during the school year for which the scholarship is sought, the district shall assign a code to that student and submit the code to the department or parent by a date specified by the department. If the district does not assign a code to the student by the specified date, the department shall assign a code to the student.

The department annually shall submit to each school district the name and data verification code of each student residing in the district who is entering kindergarten, who has been awarded a scholarship under the program, and for whom the department has assigned a code under this division.

(3) The department shall not release any data verification code that it receives under division (E) of this section to any person except as provided by law.

(F) Any document relative to the pilot project scholarship program that the department holds in its files that contains both a student's name or other personally identifiable information and the student's data verification code shall not be a public record under section 149.43 of the Revised Code.

(G)(1) The department annually shall compile the scores attained by scholarship students enrolled in registered private schools on the assessments administered to the students pursuant to division (A)(11) of section 3313.976 of the Revised Code. The scores shall be aggregated as follows:

(a) By school district, which shall include all scholarship

students residing in the pilot project school district who are 26075
enrolled in a registered private school and were required to take 26076
an assessment pursuant to division (A)(11) of section 3313.976 of 26077
the Revised Code; 26078

(b) By registered private school, which shall include all 26079
scholarship students enrolled in that school who were required to 26080
take an assessment pursuant to division (A)(11) of section 26081
3313.976 of the Revised Code. 26082

(2) The department shall disaggregate the student performance 26083
data described in division (G)(1) of this section according to the 26084
following categories: 26085

(a) Grade level; 26086

(b) Race and ethnicity; 26087

(c) Gender; 26088

(d) Students who have participated in the scholarship program 26089
for three or more years; 26090

(e) Students who have participated in the scholarship program 26091
for more than one year and less than three years; 26092

(f) Students who have participated in the scholarship program 26093
for one year or less; 26094

(g) Economically disadvantaged students. 26095

(3) The department shall post the student performance data 26096
required under divisions (G)(1) and (2) of this section on its web 26097
site and shall include that data in the information about the 26098
scholarship program provided to students under division (A) of 26099
this section. In reporting student performance data under this 26100
division, the department shall not include any data that is 26101
statistically unreliable or that could result in the 26102
identification of individual students. For this purpose, the 26103
department shall not report performance data for any group that 26104

contains less than ten students. 26105

(4) The department shall provide the parent of each 26106
scholarship student enrolled in a registered private school with 26107
information comparing the student's performance on the assessments 26108
administered pursuant to division (A)(11) of section 3313.976 of 26109
the Revised Code with the average performance of similar students 26110
enrolled in the building operated by the pilot project school 26111
district that the scholarship student would otherwise attend. In 26112
calculating the performance of similar students, the department 26113
shall consider age, grade, race and ethnicity, gender, and 26114
socioeconomic status. 26115

(H)(1) Except as provided in division (H)(2) of this section, 26116
for scholarships awarded the 2020-2021 school year and for each 26117
school year thereafter, the department shall conduct two 26118
application periods each year for the pilot project scholarship 26119
program, as follows: 26120

(a) The first application period shall open not sooner than 26121
the first day of February prior to the first day of July of the 26122
school year for which a scholarship is sought and run not less 26123
than seventy-five days. 26124

(b) The second application period shall open not sooner than 26125
the first day of July of the school year for which the scholarship 26126
is sought and run not less than thirty days. 26127

(2) If the pilot scholarships awarded in the first 26128
application period for any school year use the entirety of the 26129
amount appropriated by the general assembly for such scholarships 26130
for that school year, the department need not conduct a second 26131
application period for scholarships. If, after the first 26132
application period, there are funds remaining to award, the 26133
department shall conduct a second application period in accordance 26134
with division (H)(1)(b) of this section. 26135

(3) Not later than the thirtieth day of June of each school year, the department shall determine whether funds remain available for scholarships under the pilot project scholarship program after the first application period.

(4) For scholarships awarded for any school year prior to the 2020-2021 school year, the state superintendent shall establish a deadline for a single application period.

Sec. 3314.016. This section applies to any entity that sponsors a community school, regardless of whether section 3314.021 or 3314.027 of the Revised Code exempts the entity from the requirement to be approved for sponsorship under divisions (A)(2) and (B)(1) of section 3314.015 of the Revised Code. The office of Ohio school sponsorship established under section 3314.029 of the Revised Code shall be rated under division (B) of this section, but divisions (A) and (C) of this section do not apply to the office.

(A) An entity that sponsors a community school shall be permitted to enter into contracts under section 3314.03 of the Revised Code to sponsor additional community schools only if the entity meets all of the following criteria:

(1) The entity is in compliance with all provisions of this chapter requiring sponsors of community schools to report data or information to the department of education.

(2) The entity is not rated as "ineffective" under division (B)(6) of this section.

(3) Except as set forth in sections 3314.021 and 3314.027 of the Revised Code, the entity has received approval from and entered into an agreement with the department of education pursuant to section 3314.015 of the Revised Code.

(B)(1) The department shall develop and implement an

evaluation system that annually rates and assigns an overall 26166
rating to each entity that sponsors a community school. The 26167
department, not later than the first day of February of each year, 26168
shall post on the department's web site the framework for the 26169
evaluation system, including technical documentation that the 26170
department intends to use to rate sponsors for the next school 26171
year. The department shall solicit public comment on the 26172
evaluation system for thirty consecutive days. Not later than the 26173
first day of April of each year, the department shall compile and 26174
post on the department's web site all public comments that were 26175
received during the public comment period. The evaluation system 26176
shall be posted on the department's web site by the fifteenth day 26177
of July of each school year. Any changes to the evaluation system 26178
after that date shall take effect the following year. The 26179
evaluation system shall be based on the following components: 26180

(a) Academic performance of students enrolled in community 26181
schools sponsored by the same entity. The academic performance 26182
component shall be derived from the performance measures 26183
prescribed for the state report cards under section 3302.03 or 26184
3314.017 of the Revised Code, and shall be based on the 26185
performance of the schools for the school year for which the 26186
evaluation is conducted. In addition to the academic performance 26187
for a specific school year, the academic performance component 26188
shall also include year-to-year changes in the overall sponsor 26189
portfolio. For a community school for which no graded performance 26190
measures are applicable or available, the department shall use 26191
nonreport card performance measures specified in the contract 26192
between the community school and the sponsor under division (A)(4) 26193
of section 3314.03 of the Revised Code. 26194

(b) Adherence by a sponsor to the quality practices 26195
prescribed by the department under division (B)(3) of this 26196
section. For a sponsor that was rated "effective" or "exemplary" 26197

on its most recent rating, the department may evaluate that 26198
sponsor's adherence to quality practices once over a period of 26199
three years. If the department elects to evaluate a sponsor once 26200
over a period of three years, the most recent rating for a 26201
sponsor's adherence to quality practices shall be used when 26202
determining an annual overall rating conducted under this section. 26203

(c) Compliance with all applicable laws and administrative 26204
rules by an entity that sponsors a community school. 26205

(2) In calculating an academic performance component, the 26206
department shall exclude all community schools that have been in 26207
operation for not more than two full school years and all 26208
community schools described in division (A)~~(4)~~(2)(b) of section 26209
3314.35 of the Revised Code. However, the academic performance of 26210
the community schools described in division (A)~~(4)~~(2)(b) of 26211
section 3314.35 of the Revised Code shall be reported, but shall 26212
not be used as a factor when determining a sponsoring entity's 26213
rating under this section. 26214

(3) The department, in consultation with entities that 26215
sponsor community schools, shall prescribe quality practices for 26216
community school sponsors and develop an instrument to measure 26217
adherence to those quality practices. The quality practices shall 26218
be based on standards developed by the national association of 26219
charter school authorizers or any other nationally organized 26220
community school organization. 26221

(4)(a) The department may permit peer review of a sponsor's 26222
adherence to the quality practices prescribed under division 26223
(B)(3) of this section. Peer reviewers shall be limited to 26224
individuals employed by sponsors rated "effective" or "exemplary" 26225
on the most recent ratings conducted under this section. 26226

(b) The department shall require individuals participating in 26227
peer review under division (B)(4)(a) of this section to complete 26228

training approved or established by the department. 26229

(c) The department may enter into an agreement with another 26230
entity to provide training to individuals conducting peer review 26231
of sponsors. Prior to entering into an agreement with an entity, 26232
the department shall review and approve of the entity's training 26233
program. 26234

(5) Not later than July 1, 2013, the state board of education 26235
shall adopt rules in accordance with Chapter 119. of the Revised 26236
Code prescribing standards for measuring compliance with 26237
applicable laws and rules under division (B)(1)(c) of this 26238
section. 26239

(6) The department annually shall rate all entities that 26240
sponsor community schools as either "exemplary," "effective," 26241
"ineffective," or "poor," based on the components prescribed by 26242
division (B) of this section, where each component is weighted 26243
equally. A separate rating shall be given by the department for 26244
each component of the evaluation system. 26245

The department shall publish the ratings between the first 26246
day of October and the fifteenth day of November. 26247

Prior to the publication of the final ratings, the department 26248
shall designate and provide notice of a period of at least ten 26249
business days during which each sponsor may review the information 26250
used by the department to determine the sponsor's rating on the 26251
components prescribed by divisions (B)(1)(b) and (c) of this 26252
section. If the sponsor believes there is an error in the 26253
department's evaluation, the sponsor may request adjustments to 26254
the rating of either of those components based on documentation 26255
previously submitted as part of an evaluation. The sponsor shall 26256
provide to the department any necessary evidence or information to 26257
support the requested adjustments. The department shall review the 26258
evidence and information, determine whether an adjustment is 26259

valid, and promptly notify the sponsor of its determination and 26260
reasons. If any adjustments to the data could result in a change 26261
to the rating on the applicable component or to the overall 26262
rating, the department shall recalculate the ratings prior to 26263
publication. 26264

The department shall provide training on an annual basis 26265
regarding the evaluation system prescribed under this section. The 26266
training shall, at a minimum, describe methodology, timelines, and 26267
data required for the evaluation system. The first training 26268
session shall occur not later than March 2, 2016. Beginning in 26269
2018, the training shall be made available to each entity that 26270
sponsors a community school by the fifteenth day of July of each 26271
year and shall include guidance on any changes made to the 26272
evaluation system. 26273

(7)(a) Entities with an overall rating of "exemplary" for at 26274
least two consecutive years may take advantage of the following 26275
incentives: 26276

(i) Renewal of the written agreement with the department, not 26277
to exceed ten years, provided that the entity consents to 26278
continued evaluation of adherence to quality practices as 26279
described in division (B)(1)(b) of this section; 26280

(ii) The ability to extend the term of the contract between 26281
the sponsoring entity and the community school beyond the term 26282
described in the written agreement with the department; 26283

(iii) An exemption from the preliminary agreement and 26284
contract adoption and execution deadline requirements prescribed 26285
in division (D) of section 3314.02 of the Revised Code; 26286

(iv) An exemption from the automatic contract expiration 26287
requirement, should a new community school fail to open by the 26288
thirtieth day of September of the calendar year in which the 26289
community school contract is executed; 26290

(v) No limit on the number of community schools the entity
may sponsor; 26291
26292

(vi) No territorial restrictions on sponsorship. 26293

An entity may continue to sponsor any community schools with
which it entered into agreements under division (B)(7)(a)(v) or 26294
26295
(vi) of this section while rated "exemplary," notwithstanding the 26296
fact that the entity later receives a lower overall rating. 26297

(b) Entities with an overall rating of "effective" for at 26298
least three consecutive years shall be evaluated by the department 26299
once every three years. 26300

(c)(i) Entities that receive an overall rating of 26301
"ineffective" shall be prohibited from sponsoring any new or 26302
additional community schools during the time in which the sponsor 26303
is rated as "ineffective" and shall be subject to a quality 26304
improvement plan based on correcting the deficiencies that led to 26305
the "ineffective" rating, with timelines and benchmarks that have 26306
been established by the department. 26307

(ii) Entities that receive an overall rating of "ineffective" 26308
on their three most recent ratings shall have all sponsorship 26309
authority revoked. Within thirty days after receiving its third 26310
rating of "ineffective," the entity may appeal the revocation of 26311
its sponsorship authority to the superintendent of public 26312
instruction, who shall appoint an independent hearing officer to 26313
conduct a hearing in accordance with Chapter 119. of the Revised 26314
Code. The hearing shall be conducted within thirty days after 26315
receipt of the notice of appeal. Within forty-five days after the 26316
hearing is completed, the state board of education shall determine 26317
whether the revocation is appropriate based on the hearing 26318
conducted by the independent hearing officer, and if determined 26319
appropriate, the revocation shall be confirmed. 26320

~~(e)~~(d) Entities that receive an overall rating of "poor" 26321

shall have all sponsorship authority revoked. Within thirty days 26322
after receiving a rating of "poor," the entity may appeal the 26323
revocation of its sponsorship authority to the superintendent of 26324
public instruction, who shall appoint an independent hearing 26325
officer to conduct a hearing in accordance with Chapter 119. of 26326
the Revised Code. The hearing shall be conducted within thirty 26327
days after receipt of the notice of appeal. Within forty-five days 26328
after the hearing is completed, the state board of education shall 26329
determine whether the revocation is appropriate based on the 26330
hearing conducted by the independent hearing officer, and if 26331
determined appropriate, the revocation shall be confirmed. 26332

(8) For the 2014-2015 school year and each school year 26333
thereafter, student academic performance prescribed under division 26334
(B)(1)(a) of this section shall include student academic 26335
performance data from community schools that primarily serve 26336
students enrolled in a dropout prevention and recovery program. 26337

(C) If the governing authority of a community school enters 26338
into a contract with a sponsor prior to the date on which the 26339
sponsor is prohibited from sponsoring additional schools under 26340
division (A) of this section and the school has not opened for 26341
operation as of that date, that contract shall be void and the 26342
school shall not open until the governing authority secures a new 26343
sponsor by entering into a contract with the new sponsor under 26344

under division (H)(3) of this section, the department shall waive 27857

law enforcement emergencies, inoperability of school buses or 27861
other equipment necessary to the school's operation, damage to a 27862
school building, or other temporary circumstances due to utility 27863

in attendance during that school year for not less than the 27866
minimum number of hours required by this chapter. The department 27867

(a) The department and the community school mutually agree to the extension.	27913 27914
(b) Delays in data submission caused by either a community school or its sponsor.	27915 27916

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

30379

As used in this section, the "statewide per pupil amount paid for chartered nonpublic school students" means the statewide per pupil amount paid under sections 3317.06, 3317.062, and 3317.063 of the Revised Code, combined, for the current fiscal year, as calculated by the department. 30380
30381
30382
30383
30384

Sec. 3317.40. (A) As used in this section, "subgroup" means one of the following subsets of the entire student population of a school district or a school building: 30385
30386
30387

(1) Students with disabilities; 30388

(2) Economically disadvantaged students; 30389

(3) ~~Limited English proficient students~~ learners; 30390

(4) Students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code.

(B) It is the intent of the general assembly that funds provided under this chapter shall be used for the provision of a system of common schools and the advancement of the knowledge of all students. As such, school districts and schools shall be held accountable for those funds to ensure that all students are provided an opportunity to graduate from high school prepared for a career or for post-secondary education.

(C) When funds are provided under this chapter specifically for services for a subgroup of students, the general assembly has determined that these students experience unique challenges requiring additional resources and intends that the funds so provided be used for services that will allow students in those subgroups to master the knowledge base required for high school graduation.

(D) If a district or school fails to show satisfactory achievement and progress, as determined by the state board of education, for any subgroup of students based on performance measures reported or graded under section 3302.03 of the Revised Code, the district or school shall submit an improvement plan to the department for approval. The plan may be included in any other improvement plan required of the district or school under state or federal law. The department may require that a plan required under division (C) of this section include an agreement to partner with another organization that has demonstrated the ability to improve the educational outcome for that subgroup of students to provide services to those students. The partner organization may be another school, district, or other education provider.

Not later than December 31, 2014, the state board of education shall establish measures of satisfactory achievement and

progress, which include, but are not limited to, performance 30423
measures under section 3302.03 of the Revised Code. The department 30424
shall make the initial determination of satisfactory achievement 30425
and progress under this section using those measures not later 30426
than September 1, 2015, and then make determinations under this 30427
section annually thereafter. 30428

The department shall publish a list of schools, school 30429

an ability to serve each subgroup of students. 30431

Sec. 3318.05. The conditional approval of the Ohio facilities 30432
construction commission for a project shall lapse and the amount 30433
reserved and encumbered for such project shall be released unless 30434
the school district board accepts such conditional approval within 30435
one hundred twenty days following the date of certification of the 30436
conditional approval to the school district board and the electors 30437
of the school district vote favorably on both of the propositions 30438
described in divisions (A) and (B) of this section within thirteen 30439
months of the date of such certification, except that a school 30440
district described in division (C) of this section does not need 30441
to submit the proposition described in division (B) of this 30442
section. The propositions described in divisions (A) and (B) of 30443
this section shall be combined in a single proposal. If the 30444
district board or the district's electors fail to meet such 30445
requirements and the amount reserved and encumbered for the 30446
district's project is released, the district shall be given first 30447
priority for project funding as such funds become available, 30448
subject to section 3318.054 of the Revised Code. 30449

(A) On the question of issuing bonds of the school district 30451
board, for the school district's portion of the basic project 30452

basic project cost less the amount of the proceeds of any 30454
securities authorized or to be authorized under division (J) of 30455
section 133.06 of the Revised Code and dedicated by the school 30456
district board to payment of the district's portion of the basic 30457
project cost; and 30458

(B) On the question of levying a tax the proceeds of which 30459
shall be used to pay the cost of maintaining or upgrading the 30460
classroom facilities included in the project. Such tax shall be at 30461
the rate of not less than one-half mill for each dollar of 30462
valuation for a period of twenty-three years, subject to any 30463
extension approved under section 3318.061 of the Revised Code. 30464

(C) If a school district has in place a tax levied under 30465
section 5705.21 of the Revised Code for general permanent 30466
improvements for a continuing period of time and the proceeds of 30467
such tax can be used for maintenance or upgrades, or if a district 30468
agrees to the transfers described in section 3318.051 of the 30469
Revised Code, the school district need not levy the additional tax 30470
required under division (B) of this section, provided the school 30471
district board includes in the agreement entered into under 30472
section 3318.08 of the Revised Code provisions either: 30473

(1) Earmarking an amount from the proceeds of that permanent 30474
improvement tax for maintenance or upgrades of classroom 30475
facilities equivalent to the amount of the additional tax and for 30476
the equivalent number of years otherwise required under this 30477
section; 30478

(2) Requiring the transfer of money in accordance with 30479
section 3318.051 of the Revised Code. 30480

The district board subsequently may rescind the agreement to 30481
make the transfers under section 3318.051 of the Revised Code only 30482
so long as the electors of the district have approved, in 30483
accordance with section 3318.063 of the Revised Code, the levy of 30484

a tax for the maintenance or upgrades of the classroom facilities 30485
acquired under the district's project and that levy continues to 30486
be collected as approved by the electors. 30487

(D) Proceeds of the tax to be used for maintenance or upgrade 30488
of the classroom facilities under either division (B) or (C)(1) of 30489
this section, and transfers of money in accordance with section 30490
3318.051 of the Revised Code shall be deposited into a separate 30491
fund established by the school district for such purpose. 30492

(E) Proceeds of the tax to be used for maintenance or 30493
upgrades of the classroom facilities under either division (B) or 30494
(C)(1) of this section shall not be used to upgrade classroom 30495
facilities, unless the district board submits to the Ohio 30496
facilities construction commission a proposal regarding the use of 30497
those proceeds for upgrades and the commission approves the 30498
proposal. 30499

Sec. 3318.051. (A) Any city, exempted village, or local 30500
school district that commences a project under sections 3318.01 to 30501
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 30502
after September 5, 2006, need not levy the tax otherwise required 30503
under division (B) of section 3318.05 of the Revised Code, if the 30504
district board of education adopts a resolution petitioning the 30505
Ohio facilities construction commission to approve the transfer of 30506
money in accordance with this section and the commission approves 30507
that transfer. If so approved, the commission and the district 30508
board shall enter into an agreement under which the board, in each 30509
of twenty-three consecutive years beginning in the year in which 30510
the board and the commission enter into the project agreement 30511
under section 3318.08 of the Revised Code, shall transfer into the 30512
maintenance fund required by division (D) of section 3318.05 of 30513
the Revised Code not less than an amount equal to one-half mill 30514
for each dollar of the district's valuation unless and until the 30515

agreement to make those transfers is rescinded by the district board pursuant to division (F) of this section.

(B) On the first day of July each year, or on an alternative date prescribed by the commission, the district treasurer shall certify to the commission and the auditor of state that the amount required for the year has been transferred. The auditor of state shall include verification of the transfer as part of any audit of the district under section 117.11 of the Revised Code. If the auditor of state finds that less than the required amount has been deposited into a district's maintenance fund, the auditor of state shall notify the district board of education in writing of that fact and require the board to deposit into the fund, within ninety days after the date of the notice, the amount by which the fund is deficient for the year. If the district board fails to demonstrate to the auditor of state's satisfaction that the board has made the deposit required in the notice, the auditor of state shall notify the department of education. At that time, the department shall withhold an amount equal to ten per cent of the district's funds calculated for the current fiscal year under Chapter 3317. of the Revised Code until the auditor of state notifies the department that the auditor of state is satisfied that the board has made the required transfer.

(C) Money transferred to the maintenance fund shall be used for the maintenance or, upon approval of the Ohio facilities construction commission, upgrade of the facilities acquired under the district's project.

(D) The transfers to the maintenance fund under this section does not affect a district's obligation to establish and maintain a capital and maintenance fund under section 3315.18 of the Revised Code.

(E) Any decision by the commission to approve or not approve the transfer of money under this section is final and not subject

to appeal. The commission shall not be responsible for errors or 30548
miscalculations made in deciding whether to approve a petition to 30549
make transfers under this section. 30550

(F) If the district board determines that it no longer can 30551
continue making the transfers agreed to under this section, the 30552
board may rescind the agreement only so long as the electors of 30553
the district have approved, in accordance with section 3318.063 of 30554
the Revised Code, the levy of a tax for the maintenance of the 30555
classroom facilities acquired under the district's project and 30556
that levy continues to be collected as approved by the electors. 30557
That levy shall be for a number of years that is equal to the 30558
difference between twenty-three years and the number of years that 30559
the district made transfers under this section and shall be at the 30560
rate of not less than one-half mill for each dollar of the 30561
district's valuation. The district board shall continue to make 30562
the transfers agreed to under this section until that levy has 30563
been approved by the electors. 30564

Sec. 3318.06. (A) After receipt of the conditional approval 30565
of the Ohio facilities construction commission, the school 30566
district board by a majority of all of its members shall, if it 30567
desires to proceed with the project, declare all of the following 30568
by resolution: 30569

(1) That by issuing bonds in an amount equal to the school 30570
district's portion of the basic project cost the district is 30571
unable to provide adequate classroom facilities without assistance 30572
from the state; 30573

(2) Unless the school district board has resolved to transfer 30574
money in accordance with section 3318.051 of the Revised Code or 30575
to apply the proceeds of a property tax or the proceeds of an 30576
income tax, or a combination of proceeds from such taxes, as 30577
authorized under section 3318.052 of the Revised Code, that to 30578

qualify for such state assistance it is necessary to do either of 30579
the following: 30580

(a) Levy a tax outside the ten-mill limitation the proceeds 30581
of which shall be used to pay the cost of maintaining and 30582
upgrading the classroom facilities included in the project~~r~~. The 30583
use of the proceeds for upgrades is subject to the approval by the 30584
commission under division (E) of section 3318.05 of the Revised 30585
Code. 30586

(b) Earmark for maintenance of classroom facilities from the 30587
proceeds of an existing permanent improvement tax levied under 30588
section 5705.21 of the Revised Code, if such tax can be used for 30589
maintenance, an amount equivalent to the amount of the additional 30590
tax otherwise required under this section and sections 3318.05 and 30591
3318.08 of the Revised Code. 30592

(3) That the question of any tax levy specified in a 30593
resolution described in division (A)(2)(a) of this section, if 30594
required, shall be submitted to the electors of the school 30595
district at the next general or primary election, if there be a 30596
general or primary election not less than ninety and not more than 30597
one hundred ten days after the day of the adoption of such 30598
resolution or, if not, at a special election to be held at a time 30599
specified in the resolution which shall be not less than ninety 30600
days after the day of the adoption of the resolution and which 30601
shall be in accordance with the requirements of section 3501.01 of 30602
the Revised Code. 30603

Such resolution shall also state that the question of issuing 30604
bonds of the board shall be combined in a single proposal with the 30605
question of such tax levy. More than one election under this 30606
section may be held in any one calendar year. Such resolution 30607
shall specify both of the following: 30608

(a) That the rate which it is necessary to levy shall be at 30609

the rate of not less than one-half mill for each one dollar of 30610
valuation, and that such tax shall be levied for a period of 30611
twenty-three years; 30612

(b) That the proceeds of the tax shall be used to pay the 30613
cost of maintaining the classroom facilities included in the 30614
project or upgrading those facilities if approved by the 30615
commission. 30616

(B) A copy of a resolution adopted under division (A) of this 30617
section shall after its passage and not less than ninety days 30618
prior to the date set therein for the election be certified to the 30619
county board of elections. 30620

The resolution of the school district board, in addition to 30621
meeting other applicable requirements of section 133.18 of the 30622
Revised Code, shall state that the amount of bonds to be issued 30623
will be an amount equal to the school district's portion of the 30624
basic project cost, and state the maximum maturity of the bonds 30625
which may be any number of years not exceeding the term calculated 30626
under section 133.20 of the Revised Code as determined by the 30627
board. In estimating the amount of bonds to be issued, the board 30628
shall take into consideration the amount of moneys then in the 30629
bond retirement fund and the amount of moneys to be collected for 30630
and disbursed from the bond retirement fund during the remainder 30631
of the year in which the resolution of necessity is adopted. 30632

If the bonds are to be issued in more than one series, the 30633
resolution may state, in addition to the information required to 30634
be stated under division (B)(3) of section 133.18 of the Revised 30635
Code, the number of series, which shall not exceed five, the 30636
principal amount of each series, and the approximate date each 30637
series will be issued, and may provide that no series, or any 30638
portion thereof, may be issued before such date. Upon such a 30639
resolution being certified to the county auditor as required by 30640
division (C) of section 133.18 of the Revised Code, the county 30641

auditor, in calculating, advising, and confirming the estimated 30642
average annual property tax levy under that division, shall also 30643
calculate, advise, and confirm by certification the estimated 30644
average property tax levy for each series of bonds to be issued. 30645

Notice of the election shall include the fact that the tax 30646
levy shall be at the rate of not less than one-half mill for each 30647
one dollar of valuation for a period of twenty-three years, and 30648
that the proceeds of the tax shall be used to pay the cost of 30649
maintaining or upgrading the classroom facilities included in the 30650
project. 30651

If the bonds are to be issued in more than one series, the 30652
board of education, when filing copies of the resolution with the 30653
board of elections as required by division (D) of section 133.18 30654
of the Revised Code, may direct the board of elections to include 30655
in the notice of election the principal amount and approximate 30656
date of each series, the maximum number of years over which the 30657
principal of each series may be paid, the estimated additional 30658
average property tax levy for each series, and the first calendar 30659
year in which the tax is expected to be due for each series, in 30660
addition to the information required to be stated in the notice 30661
under divisions (E)(3)(a) to (e) of section 133.18 of the Revised 30662
Code. 30663

(C)(1) Except as otherwise provided in division (C)(2) of 30664
this section, the form of the ballot to be used at such election 30665
shall be: 30666

"A majority affirmative vote is necessary for passage. 30667

Shall bonds be issued by the (here insert name 30668
of school district) school district to pay the local share of 30669
school construction under the State of Ohio Classroom Facilities 30670
Assistance Program in the principal amount of (here 30671
insert principal amount of the bond issue), to be repaid annually 30672

over a maximum period of (here insert the maximum 30673
number of years over which the principal of the bonds may be paid) 30674
years, and an annual levy of property taxes be made outside the 30675
ten-mill limitation, estimated by the county auditor to average 30676
over the repayment period of the bond issue (here 30677
insert the number of mills estimated) mills for each one dollar of 30678
tax valuation, which amounts to (rate expressed in 30679
cents or dollars and cents, such as "thirty-six cents" or "\$0.36") 30680
for each one hundred dollars of tax valuation to pay the annual 30681
debt charges on the bonds and to pay debt charges on any notes 30682
issued in anticipation of the bonds?" 30683

and, unless the additional levy 30684
of taxes is not required pursuant 30685
to division (C) of section 30686
3318.05 of the Revised Code, 30687

"Shall an additional levy of taxes be made for a period of 30688
twenty-three years to benefit the (here insert name 30689
of school district) school district, the proceeds of which shall 30690
be used to pay the cost of maintaining (or upgrading if approved 30691
by the commission) the classroom facilities included in the 30692
project at the rate of (here insert the number of 30693
mills, which shall not be less than one-half mill) mills for each 30694
one dollar of valuation? 30695

	FOR THE BOND ISSUE AND TAX LEVY

"

(2) If authority is sought to issue bonds in more than one 30700
series and the board of education so elects, the form of the 30701
ballot shall be as prescribed in section 3318.062 of the Revised 30702
Code. If the board of education elects the form of the ballot 30703
prescribed in that section, it shall so state in the resolution 30704

adopted under this section. 30705

(D) If it is necessary for the school district to acquire a 30706
site for the classroom facilities to be acquired pursuant to 30707
sections 3318.01 to 3318.20 of the Revised Code, the district 30708
board may propose either to issue bonds of the board or to levy a 30709
tax to pay for the acquisition of such site, and may combine the 30710
question of doing so with the questions specified in division (B) 30711
of this section. Bonds issued under this division for the purpose 30712
of acquiring a site are a general obligation of the school 30713
district and are Chapter 133. securities. 30714

The form of that portion of the ballot to include the 30715
question of either issuing bonds or levying a tax for site 30716
acquisition purposes shall be one of the following: 30717

(1) "Shall bonds be issued by the (here insert 30718
name of the school district) school district to pay costs of 30719
acquiring a site for classroom facilities under the State of Ohio 30720
Classroom Facilities Assistance Program in the principal amount of 30721
..... (here insert principal amount of the bond issue), to be 30722
repaid annually over a maximum period of (here insert 30723
maximum number of years over which the principal of the bonds may 30724
be paid) years, and an annual levy of property taxes be made 30725
outside the ten-mill limitation, estimated by the county auditor 30726
to average over the repayment period of the bond issue 30727
(here insert number of mills) mills for each one dollar of tax 30728
valuation, which amount to (here insert rate expressed 30729
in cents or dollars and cents, such as "thirty-six cents" or 30730
"\$0.36") for each one hundred dollars of valuation to pay the 30731
annual debt charges on the bonds and to pay debt charges on any 30732
notes issued in anticipation of the bonds?" 30733

(2) "Shall an additional levy of taxes outside the ten-mill 30734
limitation be made for the benefit of the (here insert 30735
name of the school district) school district for the purpose of 30736

acquiring a site for classroom facilities in the sum of 30737
(here insert annual amount the levy is to produce) estimated by 30738
the county auditor to average (here insert number of 30739
mills) mills for each one hundred dollars of valuation, for a 30740
period of (here insert number of years the millage is to 30741
be imposed) years?" 30742

Where it is necessary to combine the question of issuing 30743
bonds of the school district and levying a tax as described in 30744
division (B) of this section with the question of issuing bonds of 30745
the school district for acquisition of a site, the question 30746
specified in that division to be voted on shall be "For the Bond 30747
Issues and the Tax Levy" and "Against the Bond Issues and the Tax 30748
Levy." 30749

Where it is necessary to combine the question of issuing 30750
bonds of the school district and levying a tax as described in 30751
division (B) of this section with the question of levying a tax 30752
for the acquisition of a site, the question specified in that 30753
division to be voted on shall be "For the Bond Issue and the Tax 30754
Levies" and "Against the Bond Issue and the Tax Levies." 30755

Where the school district board chooses to combine the 30756
question in division (B) of this section with any of the 30757
additional questions described in divisions (A) to (D) of section 30758
3318.056 of the Revised Code, the question specified in division 30759
(B) of this section to be voted on shall be "For the Bond Issues 30760
and the Tax Levies" and "Against the Bond Issues and the Tax 30761
Levies." 30762

If a majority of those voting upon a proposition hereunder 30763
which includes the question of issuing bonds vote in favor 30764
thereof, and if the agreement provided for by section 3318.08 of 30765
the Revised Code has been entered into, the school district board 30766
may proceed under Chapter 133. of the Revised Code, with the 30767
issuance of bonds or bond anticipation notes in accordance with 30768

the terms of the agreement. 30769

Sec. 3318.061. This section applies only to school districts 30770
eligible to receive additional assistance under division (B)(2) of 30771
section 3318.04 of the Revised Code. 30772

The board of education of a school district in which a tax 30773
described by division (B) of section 3318.05 and levied under 30774
section 3318.06 of the Revised Code is in effect, may adopt a 30775
resolution by vote of a majority of its members to extend the term 30776
of that tax beyond the expiration of that tax as originally 30777
approved under that section. The school district board may include 30778
in the resolution a proposal to extend the term of that tax at the 30779
rate of not less than one-half mill for each dollar of valuation 30780
for a period of twenty-three years from the year in which the 30781
school district board and the Ohio facilities construction 30782
commission enter into an agreement under division (B)(2) of 30783
section 3318.04 of the Revised Code or in the following year, as 30784
specified in the resolution. Such a resolution may be adopted at 30785
any time before such an agreement is entered into and before the 30786
tax levied pursuant to section 3318.06 of the Revised Code 30787
expires. If the resolution is combined with a resolution to issue 30788
bonds to pay the school district's portion of the basic project 30789
cost, it shall conform with the requirements of divisions (A)(1), 30790
(2), and (3) of section 3318.06 of the Revised Code, except that 30791
the resolution also shall state that the tax levy proposed in the 30792
resolution is an extension of an existing tax levied under that 30793
section. A resolution proposing an extension adopted under this 30794
section does not take effect until it is approved by a majority of 30795
electors voting in favor of the resolution at a general, primary, 30796
or special election as provided in this section. 30797

A tax levy extended under this section is subject to the same 30798
terms and limitations to which the original tax levied under 30799

section 3318.06 of the Revised Code is subject under that section, 30800
 except the term of the extension shall be as specified in this 30801
 section. 30802

The school district board shall certify a copy of the 30803
 resolution adopted under this section to the proper county board 30804
 of elections not later than ninety days before the date set in the 30805
 resolution as the date of the election at which the question will 30806
 be submitted to electors. The notice of the election shall conform 30807
 with the requirements of division (A)(3) of section 3318.06 of the 30808
 Revised Code, except that the notice also shall state that the 30809
 maintenance tax levy is an extension of an existing tax levy. 30810

The form of the ballot shall be as follows: 30811

"Shall the existing tax levied to pay the cost of maintaining 30812

(B) If it is necessary for the school district to acquire a 30867
 site for the classroom facilities to be acquired pursuant to 30868
 sections 3318.01 to 3318.20 of the Revised Code, the district 30869

 tax to pay for the acquisition of such site, and may combine the 30871
 question of doing so with the questions specified in division (A) 30872
 of this section. Bonds issued under this division for the purpose 30873
 of acquiring a site are a general obligation of the school 30874
 district and are Chapter 133. securities. 30875

The form of that portion of the ballot to include the 30876
 question of either issuing bonds or levying a tax for site 30877
 acquisition purposes shall be one of the forms prescribed in 30878
 division (D) of section 3318.06 of the Revised Code. 30879

(C) Where the school district board chooses to combine the 30880
 question in division (A) of this section with any of the 30881

(D) If a majority of those voting upon a proposition 30887
 prescribed in this section which includes the question of issuing 30888
 bonds vote in favor of that issuance, and if the agreement 30889
 prescribed in section 3318.08 of the Revised Code has been entered 30890
 into, the school district board may proceed under Chapter 133. of 30891
 the Revised Code with the issuance of bonds or bond anticipation 30892

notes in accordance with the terms of the agreement. 30893

Sec. 3318.063. If the board of education of a city, exempted 30894
village, or local school district that has entered into an 30895
agreement under section 3318.051 of the Revised Code to make 30896
transfers of money in lieu of levying the tax for maintenance or 30897
upgrade of the classroom facilities included in the district's 30898
project determines that it no longer can continue making the 30899
transfers so agreed to and desires to rescind that agreement, the 30900
board shall adopt the resolution to submit the question of the tax 30901
levy prescribed in this section. 30902

The resolution shall declare that the question of a tax levy 30903
specified in division (F) of section 3318.051 of the Revised Code 30904
shall be submitted to the electors of the school district at the 30905
next general or primary election, if there be a general or primary 30906
election not less than seventy-five and not more than ninety-five 30907
days after the day of the adoption of such resolution or, if not, 30908
at a special election to be held at a time specified in the 30909
resolution which shall be not less than seventy-five days after 30910
the day of the adoption of the resolution and which shall be in 30911
accordance with the requirements of section 3501.01 of the Revised 30912
Code. Such resolution shall specify both of the following: 30913

(A) That the rate which it is necessary to levy shall be at 30914
the rate of not less than one-half mill for each one dollar of 30915
valuation, and that such tax shall be levied for the number of 30916
years required by division (F) of section 3318.051 of the Revised 30917
Code; 30918

(B) That the proceeds of the tax shall be used to pay the 30919
cost of maintaining the classroom facilities included in the 30920
project. 30921

A copy of such resolution shall after its passage and not 30922
less than seventy-five days prior to the date set therein for the 30923

Notice of the election shall include the fact that the tax 30925
levy shall be at the rate of not less than one-half mill for each 30926
one dollar of valuation for the number of years required by 30927
division (F) of section 3318.051 of the Revised Code, and that the 30928

number required by division (F) of section 3318.051 of the Revised 30934
Code) years to benefit the (here insert name of 30935

used to pay the cost of maintaining (or upgrading if approved by 30937
the Ohio facilities construction commission) the classroom 30938
facilities included in the project at the rate of (here 30939

Sec. 3318.36. (A)(1) As used in this section: 30946

(a) "Ohio facilities construction commission," "classroom 30947
facilities," "school district," "school district board," "net 30948
bonded indebtedness," "required percentage of the basic project 30949
costs," "basic project cost," "valuation," and "percentile" have 30950
the same meanings as in section 3318.01 of the Revised Code. 30951

(b) "Required level of indebtedness" means five per cent of 30952
the school district's valuation for the year preceding the year in 30953

which the commission and school district enter into an agreement 30954
under division (B) of this section, plus [two one-hundredths of 30955
one per cent multiplied by (the percentile in which the district 30956
ranks minus one)]. 30957

(c) "Local resources" means any moneys generated in any 30958
manner permitted for a school district board to raise the school 30959
district portion of a project undertaken with assistance under 30960
sections 3318.01 to 3318.20 of the Revised Code. 30961

(2) For purposes of determining the required level of 30962
indebtedness, the required percentage of the basic project costs 30963
under division (C)(1) of this section, and priority for assistance 30964
under sections 3318.01 to 3318.20 of the Revised Code, the 30965
percentile ranking of a school district with which the commission 30966
has entered into an agreement under this section between the first 30967
day of July and the thirty-first day of August in each fiscal year 30968
is the percentile ranking calculated for that district for the 30969
immediately preceding fiscal year, and the percentile ranking of a 30970
school district with which the commission has entered into such 30971
agreement between the first day of September and the thirtieth day 30972
of June in each fiscal year is the percentile ranking calculated 30973
for that district for the current fiscal year. 30974

(B)(1) There is hereby established the school building 30975
assistance expedited local partnership program. Under the program, 30976
the Ohio facilities construction commission may enter into an 30977
agreement with the board of any school district under which the 30978
board may proceed with the new construction or major repairs of a 30979
part of the district's classroom facilities needs, as determined 30980
under sections 3318.01 to 3318.20 of the Revised Code, through the 30981
expenditure of local resources prior to the school district's 30982
eligibility for state assistance under those sections, and may 30983
apply that expenditure toward meeting the school district's 30984
portion of the basic project cost of the total of the district's 30985

classroom facilities needs, as recalculated under division (E) of 30986
this section, when the district becomes eligible for state 30987
assistance under sections 3318.01 to 3318.20 or section 3318.364 30988
of the Revised Code. ~~Any~~ 30989

Any school district that is reasonably expected to receive 30990
assistance under sections 3318.01 to 3318.20 of the Revised Code 30991
within two fiscal years from the date the school district adopts 30992
its resolution under division (B) of this section shall not be 30993
eligible to participate in the program established under this 30994
section unless that school district divides its project under 30995
those sections into segments as authorized by section 3318.034 of 30996
the Revised Code. In the case of a school district that has 30997
segmented its project as authorized in section 3318.034 of the 30998
Revised Code, the district shall select a discrete portion of one 30999
or more future segments of its project, to which the district may 31000
apply local resources under an agreement under this section prior 31001
to further state assistance for those future segments under 31002
sections 3318.01 to 3318.20 of the Revised Code. 31003

(2) To participate in the program, a school district board 31004
shall first adopt a resolution certifying to the commission the 31005
board's intent to participate in the program. 31006

The resolution shall specify the approximate date that the 31007
board intends to seek elector approval of any bond or tax measures 31008
or to apply other local resources to use to pay the cost of 31009
classroom facilities to be constructed under this section. The 31010
resolution may specify the application of local resources or 31011
elector-approved bond or tax measures after the resolution is 31012
adopted by the board, and in such case the board may proceed with 31013
a discrete portion of its project under this section as soon as 31014
the commission and the controlling board have approved the basic 31015
project cost of the district's classroom facilities needs as 31016
specified in division (D) of this section. The board shall submit 31017

its resolution to the commission not later than ten days after the 31018
date the resolution is adopted by the board. 31019

The commission shall not consider any resolution that is 31020
submitted pursuant to division (B)(2) of this section, as amended 31021
by this amendment, sooner than September 14, 2000. 31022

(3) For purposes of determining when a district that enters 31023
into an agreement under this section becomes eligible for 31024
assistance under sections 3318.01 to 3318.20 of the Revised Code 31025
or priority for assistance under section 3318.364 of the Revised 31026
Code, the commission shall use the district's percentile ranking 31027
determined at the time the district entered into the agreement 31028
under this section, as prescribed by division (A)(2) of this 31029
section. 31030

(4) Any project under this section shall comply with section 31031
3318.03 of the Revised Code and with any specifications for plans 31032
and materials for classroom facilities adopted by the commission 31033
under section 3318.04 of the Revised Code. 31034

(5) If a school district that enters into an agreement under 31035
this section has not begun a project applying local resources as 31036
provided for under that agreement at the time the district is 31037
notified by the commission that it is eligible to receive state 31038
assistance for its project under sections 3318.01 to 3318.20 of 31039
the Revised Code or for a segment of its project, if the district 31040
previously segmented its project as authorized in section 3318.034 31041
of the Revised Code, all assessment and agreement documents 31042
entered into under this section are void. 31043

(6) Only construction of or repairs to classroom facilities 31044
that have been approved by the commission and have been therefore 31045
included as part of a district's basic project cost qualify for 31046
application of local resources under this section. 31047

(C) Based on the results of on-site visits and assessment, 31048

the commission shall determine the basic project cost of the 31049
school district's classroom facilities needs. The commission shall 31050
determine the school district's portion of such basic project 31051
cost, which shall be the greater of: 31052

(1) The required percentage of the basic project costs, 31053
determined based on the school district's percentile ranking; 31054

(2) An amount necessary to raise the school district's net 31055
bonded indebtedness, as of the fiscal year the commission and the 31056
school district enter into the agreement under division (B) of 31057
this section, to within five thousand dollars of the required 31058
level of indebtedness. 31059

(D)(1) When the commission determines the basic project cost 31060
of the classroom facilities needs of a school district and the 31061
school district's portion of that basic project cost under 31062
division (C) of this section, the project shall be conditionally 31063
approved. Such conditional approval shall be submitted to the 31064
controlling board for approval thereof. The controlling board 31065
shall forthwith approve or reject the commission's determination, 31066
conditional approval, and the amount of the state's portion of the 31067
basic project cost; however, no state funds shall be encumbered 31068
under this section. Upon approval by the controlling board, the 31069
school district board may identify a discrete part of its 31070
classroom facilities needs, which shall include only new 31071
construction of or additions or major repairs to a particular 31072
building, to address with local resources. Upon identifying a part 31073
of the school district's basic project cost to address with local 31074
resources, the school district board may allocate any available 31075
school district moneys to pay the cost of that identified part, 31076
including the proceeds of an issuance of bonds if approved by the 31077
electors of the school district. 31078

All local resources utilized under this division shall first 31079
be deposited in the project construction account required under 31080

section 3318.08 of the Revised Code. 31081

(2) Unless the school district board exercises its option 31082
under division (D)(3) of this section, for a school district to 31083
qualify for participation in the program authorized under this 31084
section, one of the following conditions shall be satisfied: 31085

(a) The electors of the school district by a majority vote 31086
shall approve the levy of taxes outside the ten-mill limitation 31087
for a period of twenty-three years at the rate of not less than 31088
one-half mill for each dollar of valuation to be used to pay the 31089
cost of maintaining or upgrading, if approved by the commission, 31090
the classroom facilities included in the basic project cost as 31091
determined by the commission. The form of the ballot to be used to 31092
submit the question whether to approve the tax required under this 31093
division to the electors of the school district shall be the form 31094
for an additional levy of taxes prescribed in section 3318.361 of 31095
the Revised Code, which may be combined in a single ballot 31096
question with the questions prescribed under section 5705.218 of 31097
the Revised Code. 31098

(b) As authorized under division (C) of section 3318.05 of 31099
the Revised Code, the school district board shall earmark from the 31100
proceeds of a permanent improvement tax levied under section 31101
5705.21 of the Revised Code, an amount equivalent to the 31102
additional tax otherwise required under division (D)(2)(a) of this 31103
section for the maintenance of the classroom facilities included 31104
in the basic project cost as determined by the commission. 31105

(c) As authorized under section 3318.051 of the Revised Code, 31106
the school district board shall, if approved by the commission, 31107
annually transfer into the maintenance fund required under section 31108
3318.05 of the Revised Code the amount prescribed in section 31109
3318.051 of the Revised Code in lieu of the tax otherwise required 31110
under division (D)(2)(a) of this section for the maintenance of 31111
the classroom facilities included in the basic project cost as 31112

determined by the commission. 31113

(d) If the school district board has rescinded the agreement 31114
to make transfers under section 3318.051 of the Revised Code, as 31115
provided under division (F) of that section, the electors of the 31116
school district, in accordance with section 3318.063 of the 31117
Revised Code, first shall approve the levy of taxes outside the 31118
ten-mill limitation for the period specified in that section at a 31119
rate of not less than one-half mill for each dollar of valuation. 31120

(e) The school district board shall apply the proceeds of a 31121
tax to leverage bonds as authorized under section 3318.052 of the 31122
Revised Code or dedicate a local donated contribution in the 31123
manner described in division (B) of section 3318.084 of the 31124
Revised Code in an amount equivalent to the additional tax 31125
otherwise required under division (D)(2)(a) of this section for 31126
the maintenance of the classroom facilities included in the basic 31127
project cost as determined by the commission. 31128

(3) A school district board may opt to delay taking any of 31129
the actions described in division (D)(2) of this section until the 31130
school district becomes eligible for state assistance under 31131
sections 3318.01 to 3318.20 of the Revised Code. In order to 31132
exercise this option, the board shall certify to the commission a 31133
resolution indicating the board's intent to do so prior to 31134
entering into an agreement under division (B) of this section. 31135

(4) If pursuant to division (D)(3) of this section a district 31136
board opts to delay levying an additional tax until the district 31137
becomes eligible for state assistance, it shall submit the 31138
question of levying that tax to the district electors as follows: 31139

(a) In accordance with section 3318.06 of the Revised Code if 31140
it will also be necessary pursuant to division (E) of this section 31141
to submit a proposal for approval of a bond issue; 31142

(b) In accordance with section 3318.361 of the Revised Code 31143

if it is not necessary to also submit a proposal for approval of a 31144
bond issue pursuant to division (E) of this section. 31145

(5) No state assistance under sections 3318.01 to 3318.20 of 31146
the Revised Code shall be released until a school district board 31147
that adopts and certifies a resolution under division (D) of this 31148
section also demonstrates to the satisfaction of the commission 31149
compliance with the provisions of division (D)(2) of this section. 31150

Any amount required for maintenance under division (D)(2) of 31151
this section shall be deposited into a separate fund as specified 31152
in division (B) of section 3318.05 of the Revised Code. 31153

(E)(1) If the school district becomes eligible for state 31154
assistance under sections 3318.01 to 3318.20 of the Revised Code 31155
for its entire project or for future segments, if the district 31156
previously segmented its project as authorized in section 3318.034 31157
of the Revised Code, based on its percentile ranking under 31158
division (B)(3) of this section or is offered assistance under 31159
section 3318.364 of the Revised Code, the commission shall conduct 31160
a new assessment of the school district's classroom facilities 31161
needs and shall recalculate the basic project cost based on this 31162
new assessment. The basic project cost recalculated under this 31163
division shall include the amount of expenditures made by the 31164
school district board under division (D)(1) of this section. The 31165
commission shall then recalculate the school district's portion of 31166
the new basic project cost, which shall be the percentage of the 31167
original basic project cost assigned to the school district as its 31168
portion under division (C) of this section. The commission shall 31169
deduct the expenditure of school district moneys made under 31170
division (D)(1) of this section from the school district's portion 31171
of the basic project cost as recalculated under this division. If 31172
the amount of school district resources applied by the school 31173
district board to the school district's portion of the basic 31174
project cost under this section is less than the total amount of 31175

such portion as recalculated under this division, the school 31176
district board by a majority vote of all of its members shall, if 31177
it desires to seek state assistance under sections 3318.01 to 31178
3318.20 of the Revised Code, adopt a resolution as specified in 31179
section 3318.06 of the Revised Code to submit to the electors of 31180
the school district the question of approval of a bond issue in 31181
order to pay any additional amount of school district portion 31182
required for state assistance. Any tax levy approved under 31183
division (D) of this section satisfies the requirements to levy 31184
the additional tax under section 3318.06 of the Revised Code. 31185

(2) If the amount of school district resources applied by the 31186
school district board to the school district's portion of the 31187
basic project cost under this section is more than the total 31188
amount of such portion as recalculated under this division, within 31189
one year after the school district's portion is recalculated under 31190
division (E)(1) of this section the commission may grant to the 31191
school district the difference between the two calculated 31192
portions, but at no time shall the commission expend any state 31193
funds on a project in an amount greater than the state's portion 31194
of the basic project cost as recalculated under this division. 31195

Any reimbursement under this division shall be only for local 31196
resources the school district has applied toward construction cost 31197
expenditures for the classroom facilities approved by the 31198
commission, which shall not include any financing costs associated 31199
with that construction. 31200

The school district board shall use any moneys reimbursed to 31201
the district under this division to pay off any debt service the 31202
district owes for classroom facilities constructed under its 31203
project under this section before such moneys are applied to any 31204
other purpose. However, the district board first may deposit 31205
moneys reimbursed under this division into the district's general 31206
fund or a permanent improvement fund to replace local resources 31207

the district withdrew from those funds, as long as, and to the 31208
extent that, those local resources were used by the district for 31209
constructing classroom facilities included in the district's basic 31210
project cost. 31211

Sec. 3318.361. A school district board opting to qualify for 31212
state assistance pursuant to section 3318.36 of the Revised Code 31213
through levying the tax specified in division (D)(2)(a) or (D)(4) 31214
of that section shall declare by resolution that the question of a 31215
tax levy specified in division (D)(2)(a) or (4), as applicable, of 31216
