bond service charges on the obligations for which the request is 32204
made, and bond service charges on those obligations are therefore 32205
not anticipated to be paid pursuant to this section from the 32206
allocated state share of instruction for purposes of Section 17 of 32207
Article VIII, Ohio Constitution. 32208

(3) Any other pertinent conditions established in rules 32209
adopted under division (H) of this section. 32210

(C) If the chancellor approves the request of a community or 32211
technical college district to withhold and deposit funds pursuant 32212

to this section, the chancellor shall enter into a written 32213
agreement with the district and the primary paying agent or fiscal 32214
agent for the obligations, which agreement shall provide for the 32215
withholding of funds pursuant to this section for the payment of 32216
bond service charges on those obligations. The agreement may also 32217
include both of the following: 32218

(1) Provisions for certification by the district to the 32219
chancellor, prior to the deadline for payment of the applicable 32220
bond service charges, whether the district and the community or 32221
technical college it operates are able to pay those bond service 32222
charges when due; 32223

(2) Requirements that the district or the community or 32224
technical college it operates deposits amounts for the payment of 32225
those bond service charges with the primary paying agent or fiscal 32226
agent for the obligations prior to the date on which the bond 32227
service charges are due to the owners or holders of the 32228
obligations. 32229

(D) Whenever a district or the community or technical college 32230
it operates notifies the chancellor that it will not be able to 32231
pay the bond service charges when they are due, subject to the 32232
withholding provisions of this section, or whenever the applicable 32233
paying agent or fiscal agent notifies the chancellor that it has 32234
not timely received from a district or from the college it 32235
operates the full amount needed for payment of the bond service 32236
charges when due to the holders or owners of such obligations, the 32237
chancellor shall immediately contact the district or college and 32238
the paying agent or fiscal agent to confirm that the district and 32239
the college are not able to make the required payment by the date 32240
on which it is due. 32241

If the chancellor confirms that the district and the college 32242
are not able to make the payment and the payment will not be made 32243
pursuant to a credit enhancement facility, the chancellor shall 32244

promptly pay to the applicable primary paying agent or fiscal 32245
agent the lesser of the amount due for bond service charges or the 32246
amount of the next periodic distribution scheduled to be made to 32247
the district or to the college in respect of its allocated state 32248
share of instruction. If this amount is insufficient to pay the 32249
total amount then due the agent for the payment of bond service 32250
charges, the chancellor shall continue to pay to the agent from 32251
each periodic distribution thereafter, and until the full amount 32252
due the agent for unpaid bond service charges is paid in full, the 32253
lesser of the remaining amount due the agent for bond service 32254
charges or the amount of the next periodic distribution scheduled 32255
to be made to the district or college in respect of its allocated 32256
state share of instruction. 32257

(E) The chancellor may make any payments under this section 32258
by direct deposit of funds by electronic transfer. 32259

Any amount received by a paying agent or fiscal agent under 32260
this section shall be applied only to the payment of bond service 32261
charges on the obligations of the community or technical college 32262
district or community or technical college subject to this section 32263
or to the reimbursement of the provider of a credit enhancement 32264
facility that has paid the bond service charges. 32265

(F) The chancellor may make payments under this section to 32266
paying agents or fiscal agents during any fiscal biennium of the 32267
state only from and to the extent that money is appropriated to 32268
the department by the general assembly for distribution during 32269
such biennium for the state share of instruction and only to the 32270
extent that a portion of the state share of instruction has been 32271
allocated to the community or technical college district or 32272
community or technical college. Obligations of the issuing 32273
authority or of a community or technical college district to which 32274
this section is made applicable do not constitute an obligation or 32275
a debt or a pledge of the faith, credit, or taxing power of the 32276

state, and the holders or owners of those obligations have no 32277
right to have excises or taxes levied or appropriations made by 32278
the general assembly for the payment of bond service charges on 32279
the obligations, and the obligations shall contain a statement to 32280
that effect. The agreement for or the actual withholding and 32281
payment of money under this section does not constitute the 32282
assumption by the state of any debt of a community or technical 32283
college district or a community or technical college, and bond 32284
service charges on the related obligations are not anticipated to 32285
be paid from the state general revenue fund for purposes of 32286
Section 17 of Article VIII, Ohio Constitution. 32287

(G) In the case of obligations subject to the withholding 32288
provisions of this section, the issuing community or technical 32289
college district, or the issuing authority in the case of 32290
obligations issued by the issuing authority, shall appoint a 32291
paying agent or fiscal agent who is not an officer or employee of 32292
the district or college. 32293

(H) The chancellor, with the advice and consent of the office 32294
of budget and management, may adopt reasonable rules not 32295
inconsistent with this section for the implementation of this 32296
section to secure payment of bond service charges on obligations 32297
issued by a community or technical college district or by the 32298
issuing authority for the benefit of a community or technical 32299
college district or the community or technical college it 32300
operates. Those rules shall include criteria for the evaluation 32301
and approval or denial of community or technical college district 32302
requests for withholding under this section. 32303

(I) The authority granted by this section is in addition to 32304
and not a limitation on any other authorizations granted by or 32305
pursuant to law for the same or similar purposes. 32306

(1) The number of credit hours required to earn an undergraduate degree in each major;

(2) A guarantee that the general and instructional fees for each student in the cohort shall remain constant for four years so long as the student complies with the requirements of the program, except that, notwithstanding any law to the contrary, the board may increase the guaranteed amount by up to six per cent above what has been charged in the previous academic year one time for

the first cohort enrolled under the tuition guarantee program. If 32338
the board of trustees determines that economic conditions or other 32339
circumstances require an increase for the first cohort of above 32340
six per cent, the board shall submit a request to increase the 32341
amount by a specified percentage to the chancellor. The 32342
chancellor, based on information the chancellor requires from the 32343
board of trustees, shall approve or disapprove such a request. 32344
Thereafter, the board of trustees may increase the guaranteed 32345

(b) The percentage amount the general assembly restrains 32353

for the applicable fiscal year. If the general assembly does not 32355
enact a limit on the increase of in-state undergraduate 32356
instructional and general fees, then no limit shall apply under 32357
this division for the cohort that first enrolls in any academic 32358
year for which the general assembly does not prescribe a limit. 32359

If, beginning with the academic year that starts four years 32360
after September 29, 2013, the board of trustees determines that 32361
the general and instructional fees charged under the tuition 32362
guarantee have fallen significantly lower than those of other 32363
state universities, the board of trustees may submit a request to 32364
increase the amount charged to a cohort by a specified percentage 32365
to the chancellor, who shall approve or disapprove such a request. 32366

(3) A benchmark by which the board sets annual increases in 32367

change to the benchmark shall be subject to approval of the 32369

chancellor.	32370

(b) For a student who could not complete the program in four years due to military service or other circumstances beyond a student's control, as determined by the board of trustees, the university shall provide the necessary course or courses for completion to the student at the student's initial cohort rate.	32381 32382 32383 32384 32385
(c) For a student who did not complete the program in four years for any other reason, as determined by the board of trustees, the university shall provide the necessary course or courses for completion to the student at a rate determined through a method established by the board under division (B)(7) of this section.	32386 32387 32388 32389 32390 32391
(7) Guidelines for adjusting a student's annual charges if the student, due to circumstances under the student's control, is unable to complete a degree program within four years;	32392 32393 32394
(8) A requirement that the rules adopted under division (B) of this section be published or posted in the university handbook, course catalog, and web site.	32395 32396 32397
(C) If a board of trustees implements a program under this section, the <u>The</u> board shall submit the rules adopted under	32398 32399

division (B) of this section to the chancellor for approval before 32400
beginning implementation of the program. 32401

The chancellor shall not unreasonably withhold approval of a 32402

and guidelines of this section. 32404

(D) A board of trustees of a state university may establish 32405
an undergraduate tuition guarantee program for nonresident 32406
students. 32407

~~(E) Within five years after September 29, 2013, the 32408
chancellor shall publish on the chancellor's web site a report 32409

~~(3) Comparative data, including general and instructional 32415
fees, room and board, graduation rates, and retention rates, from 32416
all state universities. 32417~~

~~(F) Except as provided in this section, no other limitation 32418
on the increase of in-state undergraduate instructional and 32419
general fees shall apply to a state university that has 32420

(B) Each university may enter into a lease agreement with a 32427
nonpublic vendor to provide housing services in campus housing 32428

housing facilities constructed by a nonpublic vendor under a lease 32446
agreement, shall retain an exemption from property taxes and 32447

has a critical need for it because of circumstances such as a 32457
serious illness or the serious illness of a member of the 32458
employee's immediate family. If a state institution of higher 32459
education establishes a leave donation program under this section, 32460

the institution shall adopt rules in accordance with ~~Chapter 119-~~ 32461
section 111.15 of the Revised Code to provide for the 32462
administration of the program. These rules shall include, but not 32463
be limited to, provisions that identify the circumstances under 32464
which leave may be donated and that specify the amount, types, and 32465

a technical college district, or upon the proposal of the board of 32511
trustees of a state university, or upon the joint proposal of both 32512
such boards, and pursuant to an agreement entered into under 32513
section 3358.05 of the Revised Code. A state community college 32514

the treasurer certifies that there are funds of the board 32596
otherwise uncommitted and sufficient to provide therefor, subject 32597
to division (A)(2) of this section. 32598

When the treasurer ceases to hold the office, the treasurer 32599
or the treasurer's legal representative shall deliver to the 32600
treasurer's successor or the president all moneys, books, papers, 32601
and other property of the college. 32602

Before entering upon the discharge of official duties, the 32603

usefulness of five years or more as certified by the treasurer of 32649
the board of trustees. 32650

The resolution shall declare that the proceeds of the levy or 32651
issue may be used solely within the county or counties in which 32652
the tax is levied and state the term of the tax, which may be for 32653
any term authorized for a tax levied under section 3354.12 of the 32654
Revised Code. The question of such a tax may not be submitted at 32655

the political party, group of candidates, or committee appointing 33069
such observer as prescribed in this section. No such observers 33070
shall receive any compensation from the county, municipal 33071

impartially discharge the duties as an official observer, assigned 33075
by law; that you will not cause any delay to persons offering to 33076
vote; and that you will not disclose or communicate to any person 33077
how any elector has voted at such election." 33078

Sec. 3505.331. (A) After declaring the official results of a 33079
general election or of a primary election held in an even-numbered 33080
year, as described in section 3505.33 of the Revised Code, the 33081
board of elections shall audit those results in accordance with 33082
this section. Except as otherwise provided in this division, the 33083
board shall begin the audit not earlier than six days after it 33084
declares the official results and shall complete the audit not 33085
later than the twenty-first day after it declares the official 33086

results. If the board conducts a recount, the board shall begin 33087
the audit immediately after the board certifies the results of the 33088
recount and shall complete the audit not later than the fourteenth 33089
day after it certifies the results of the recount. 33090

(B) The board shall conduct the audit in accordance with 33091
procedures prescribed by the secretary of state, which shall 33092
include all of the following: 33093

(1)(a) Except as otherwise provided in division (B)(1)(b) of 33094
this section, a requirement that the board audit not less than 33095
three contested races, questions, or issues, as directed by the 33096
secretary of state. If fewer than three contested races, 33097
questions, or issues appear on the ballot at the election, then 33098
the board shall audit every contested race, question, and issue. 33099
In any election, every contested race, question, or issue shall be 33100
eligible to be audited. 33101

(b) If the board ordered a countywide recount of the results 33102
of a race, question, or issue under section 3515.011 of the 33103
Revised Code, the recount shall be considered an audit for 33104
purposes of meeting the requirement that the board audit not less 33105
than three contested races, questions, or issues. 33106

(2) A requirement that every ballot that was included in the 33107
canvass of the election returns be eligible to be audited, 33108
including regular ballots cast on the day of the election, absent 33109
voter's ballots, and provisional ballots. 33110

(3) Either a provision allowing the board to choose one of 33111
the following protocols to use in conducting the audit or a 33112
provision requiring the board to use a protocol selected by the 33113
secretary of state from the following protocols in conducting the 33114
audit: 33115

(a) A risk-limiting audit protocol, which shall use 33116

statistical methods to limit to acceptable levels the risk of 33117
certifying an incorrect outcome for a particular race, question, 33118
or issue. The protocol shall require bipartisan teams of election 33119
officials to physically examine and hand count randomly sampled 33120
ballots and to continue the hand counting until the results of the 33121
hand count provide sufficiently strong evidence that a hand count 33122
of all of the ballots would confirm the election result declared 33123
under section 3505.33 of the Revised Code or until all of the 33124
ballots have been hand counted, whichever occurs first. 33125

(b)(i) A percentage-based audit protocol, which shall require 33126
bipartisan teams of election officials to physically examine and 33127
hand count a number of randomly sampled ballots equal to a given 33128
percentage of the total number of ballots cast in the county at 33129
that election, as prescribed by the secretary of state. After the 33130
election officials complete the initial audit, the board shall 33131
calculate, as a percentage, the accuracy rate of each audited 33132
race, question, or issue by dividing the sum of any discrepancies 33133
for the race, question, or issue discovered during the audit by 33134
the total number of ballots audited for the race, question, or 33135
issue and subtracting the resulting number from one. 33136

(ii) If the accuracy rate for an audited race, question, or 33137
issue is less than the acceptable accuracy rate prescribed by the 33138
secretary of state, the board shall escalate the audit of that 33139
race, question, or issue by requiring bipartisan teams of election 33140
officials to physically examine and hand count a second set of 33141
randomly sampled ballots equal to a given percentage of the total 33142
number of ballots cast in the county at that election, as 33143
prescribed by the secretary of state. The second set of ballots 33144
shall not include any ballots that were included in the first set 33145
of audited ballots. After the election officials have counted the 33146
second set of ballots, the board shall calculate the combined 33147
accuracy rate for both audited sets of ballots for that race, 33148

question, or issue. 33149

(c) Another audit protocol approved by the secretary of state. 33150
33151

(C) The board shall give public notice of the times and places for preparing for and conducting the audit in accordance with section 121.22 of the Revised Code. At all times while the board prepares for and conducts the audit, the board shall permit observers appointed under section 3505.21 of the Revised Code. 33152
33153
33154
33155
33156

No person other than a member of the board or a designated employee of the board shall be permitted to handle a ballot. 33157
33158

(D)(1) Not later than five days after completing the audit, the board shall certify the results of the audit to the secretary of state in the form and by the method prescribed by the secretary of state. The secretary of state shall make the results of the audit available to the public on the secretary of state's official web site. 33159
33160
33161
33162
33163
33164

(2) If the board conducted a percentage-based audit and was required to escalate the audit of a race, question, or issue under division (B)(3)(b)(ii) of this section, and the combined accuracy rate for that race, question, or issue is less than the acceptable combined accuracy rate prescribed by the secretary of state, the secretary of state may require the board to order bipartisan teams of election officials to physically examine and hand count all ballots cast for that race, question, or issue. The requirements of division (C) of this section apply to any full hand count conducted under this division. 33165

33167
33168
33169
33170
33171
33172
33173
33174

(3) If the results of the completed audit or the results of any full hand count ordered under division (D)(2) of this section indicate that the canvass or the previously declared official election results must be amended, the board promptly shall amend the canvass or issue an amended declaration of the official 33175

(2) No such group of electors shall assume a name or designation that is similar, in the opinion of the secretary of state, to that of an existing political party as to confuse or mislead the voters at an election.

division (A)(2) of this section. 33512

If an election to select candidates to appear on the general 33513
election ballot is held within sixty days before a general 33514
election, the campaign committee of a successful candidate in the 33515
earlier election may file the statement required by division 33516
(A)(1) of this section for the general election instead of the 33517
statement required by division (A)(2) of this section for the 33518

earlier election if the pregeneral election statement reflects the 33519
status of contributions and expenditures for the period twenty 33520
days before the earlier election to twenty days before the general 33521
election. 33522

If a person becomes a candidate less than twenty days before 33523

Except as otherwise provided in this paragraph and in the 33540
next paragraph of this section, the only campaign committees 33541
required to file a statement under division (A)(4) of this section 33542
are the campaign committee of a statewide candidate and the 33543
campaign committee of a candidate for county office. The campaign 33544
committee of a candidate for any other nonjudicial office is 33545
required to file a statement under division (A)(4) of this section 33546
if that campaign committee receives, during that period, 33547
contributions exceeding ten thousand dollars. 33548

No statement under division (A)(4) of this section shall be 33549

However, a statement under division (A)(4) of this section may be filed at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No statement under division (A)(3) or (4) of this section shall be required if the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity has no contributions that it has received and no expenditures that it has made since the last date reflected in its last previously filed statement. However, the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, on the date required in division (A)(3) or (4) of this section, as applicable.

The campaign committee of a statewide candidate shall file a monthly statement of contributions received during each of the months of July, August, and September in the year of the general election in which the candidate seeks office. The campaign committee of a statewide candidate shall file the monthly statement not later than three business days after the last day of the month covered by the statement. During the period beginning on the nineteenth day before the general election in which a statewide candidate seeks election to office and extending through the day of that general election, each time the campaign committee

of the joint candidates for the offices of governor and lieutenant 33582
governor or of a candidate for the office of secretary of state, 33583
auditor of state, treasurer of state, or attorney general receives 33584
a contribution from a contributor that causes the aggregate amount 33585
of contributions received from that contributor during that period 33586
to equal or exceed ten thousand dollars and each time the campaign 33587
committee of a candidate for the office of chief justice or 33588

contributor that causes the aggregate amount of contributions 33590
received from that contributor during that period to exceed ten 33591

this section and division (H)(1) of section 3517.106 of the 33606

electronic means of transmission, a campaign committee of a 33608

Contributions that are other income shall be itemized separately from all other contributions. The information required under division (B)(4) of this section shall be provided for all other income itemized. workload of each local air pollution control authority, including, 37092
without limitation, population served, number of air permits 37093
issued for both new and existing sources, land area, and number of 37094

required to be collected under this division at such a transfer 38603
facility shall equal the total tonnage of solid wastes received at 38604
the facility multiplied by the fees levied under this division. In 38605
the case of solid wastes that are not taken to a solid waste 38606
transfer facility located in this state prior to being transported 38607
to a solid waste disposal facility, the fees shall be collected by 38608
the owner or operator of the solid waste disposal facility as a 38609
trustee for the state. The amount of fees required to be collected 38610
under this division at such a disposal facility shall equal the 38611
total tonnage of solid wastes received at the facility that was 38612
not previously taken to a solid waste transfer facility located in 38613
this state multiplied by the fees levied under this division. Fees 38614

facility during that month and the total amount of the fees 38624
required to be collected under this division during that month. In 38625
addition, the owner or operator of a solid waste disposal facility 38626

received from transfer facilities located in this state during 38628
that month for which the fees were required to be collected by the 38629
transfer facilities. The monthly returns shall be filed on a form 38630
prescribed by the director. Not later than thirty days after the 38631
last day of the month to which a return applies, the owner or 38632
operator shall mail to the director the return for that month 38633
together with the fees required to be collected under this 38634
division during that month as indicated on the return or may 38635

the director. If the return is filed and the amount of the fees 38637
due is paid in a timely manner as required in this division, the 38638

per cent of the total amount of the fees that are required to be 38640
paid as indicated on the return. 38641

The owner or operator may request an extension of not more 38642
than thirty days for filing the return and remitting the fees, 38643
provided that the owner or operator has submitted such a request 38644

request not later than the day on which the return is required to 38647
be filed, and the director has approved the request. If the fees 38648
are not remitted within thirty days after the last day of the 38649
month to which the return applies or are not remitted by the last 38650
day of an extension approved by the director, the owner or 38651
operator shall not retain the three-fourths of one per cent 38652
discount and shall pay an additional ten per cent of the amount of 38653
the fees for each month that they are late. For purposes of 38654
calculating the late fee, the first month in which fees are late 38655
begins on the first day after the deadline has passed for timely 38656
submitting the return and fees, and one additional month shall be 38657
counted every thirty days thereafter. 38658

Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written

explanation of the reason for the submittal. 38691

For purposes of computing the fees levied under this division 38692
or division (B) of this section, any solid waste transfer or 38693
disposal facility that does not use scales as a means of 38694
determining gate receipts shall use a conversion factor of three 38695
cubic yards per ton of solid waste or one cubic yard per ton for 38696
baled waste, as applicable. 38697

The fees levied under this division and divisions (B) and (C) 38698
of this section are in addition to all other applicable fees and 38699
taxes and shall be paid by the customer or a political subdivision 38700
to the owner or operator of a solid waste transfer or disposal 38701
facility. In the alternative, the fees shall be paid by a customer 38702
or political subdivision to a transporter of waste who 38703
subsequently transfers the fees to the owner or operator of such a 38704
facility. The fees shall be paid notwithstanding the existence of 38705
any provision in a contract that the customer or a political 38706
subdivision may have with the owner or operator or with a 38707
transporter of waste to the facility that would not require or 38708
allow such payment regardless of whether the contract was entered 38709
prior to or after October 16, 2009. For those purposes, "customer" 38710
means a person who contracts with, or utilizes the solid waste 38711
services of, the owner or operator of a solid waste transfer or 38712
disposal facility or a transporter of solid waste to such a 38713
facility. 38714

(B) For the purposes specified in division (G) of this 38715
section, the solid waste management policy committee of a county 38716
or joint solid waste management district may levy fees upon the 38717
following activities: 38718

(1) The disposal at a solid waste disposal facility located 38719
in the district of solid wastes generated within the district; 38720

(2) The disposal at a solid waste disposal facility within 38721

the district of solid wastes generated outside the boundaries of 38722
the district, but inside this state; 38723

(3) The disposal at a solid waste disposal facility within 38724
the district of solid wastes generated outside the boundaries of 38725
this state. 38726

The solid waste management plan of the county or joint 38727
district approved under section 3734.521 or 3734.55 of the Revised 38728
Code and any amendments to it, or the resolution adopted under 38729
this division, as appropriate, shall establish the rates of the 38730
fees levied under divisions (B)(1), (2), and (3) of this section, 38731
if any, and shall specify whether the fees are levied on the basis 38732
of tons or cubic yards as the unit of measurement. A solid waste 38733
management district that levies fees under this division on the 38734
basis of cubic yards shall do so in accordance with division (A) 38735
of this section. 38736

The fee levied under division (B)(1) of this section shall be 38737
not less than one dollar per ton nor more than two dollars per 38738
ton, the fee levied under division (B)(2) of this section shall be 38739
not less than two dollars per ton nor more than four dollars per 38740
ton, and the fee levied under division (B)(3) of this section 38741
shall be not more than the fee levied under division (B)(1) of 38742
this section. 38743

Prior to the approval of the solid waste management plan of a 38744
district under section 3734.55 of the Revised Code, the solid 38745
waste management policy committee of a district may levy fees 38746
under this division by adopting a resolution establishing the 38747
proposed amount of the fees. Upon adopting the resolution, the 38748
committee shall deliver a copy of the resolution to the board of 38749
county commissioners of each county forming the district and to 38750
the legislative authority of each municipal corporation and 38751
township under the jurisdiction of the district and shall prepare 38752
and publish the resolution and a notice of the time and location 38753

where a public hearing on the fees will be held. Upon adopting the 38754
resolution, the committee shall deliver written notice of the 38755
adoption of the resolution; of the amount of the proposed fees; 38756
and of the date, time, and location of the public hearing to the 38757
director and to the fifty industrial, commercial, or institutional 38758
generators of solid wastes within the district that generate the 38759
largest quantities of solid wastes, as determined by the 38760
committee, and to their local trade associations. The committee 38761
shall make good faith efforts to identify those generators within 38762
the district and their local trade associations, but the 38763
nonprovision of notice under this division to a particular 38764
generator or local trade association does not invalidate the 38765
proceedings under this division. The publication shall occur at 38766
least thirty days before the hearing. After the hearing, the 38767
committee may make such revisions to the proposed fees as it 38768
considers appropriate and thereafter, by resolution, shall adopt 38769
the revised fee schedule. Upon adopting the revised fee schedule, 38770
the committee shall deliver a copy of the resolution doing so to 38771
the board of county commissioners of each county forming the 38772
district and to the legislative authority of each municipal 38773
corporation and township under the jurisdiction of the district. 38774
Within sixty days after the delivery of a copy of the resolution 38775
adopting the proposed revised fees by the policy committee, each 38776
such board and legislative authority, by ordinance or resolution, 38777
shall approve or disapprove the revised fees and deliver a copy of 38778
the ordinance or resolution to the committee. If any such board or 38779
legislative authority fails to adopt and deliver to the policy 38780
committee an ordinance or resolution approving or disapproving the 38781
revised fees within sixty days after the policy committee 38782
delivered its resolution adopting the proposed revised fees, it 38783
shall be conclusively presumed that the board or legislative 38784
authority has approved the proposed revised fees. The committee 38785
shall determine if the resolution has been ratified in the same 38786

manner in which it determines if a draft solid waste management 38787
plan has been ratified under division (B) of section 3734.55 of 38788
the Revised Code. 38789

The committee may amend the schedule of fees levied pursuant 38790
to a resolution adopted and ratified under this division by 38791
adopting a resolution establishing the proposed amount of the 38792
amended fees. The committee may repeal the fees levied pursuant to 38793
such a resolution by adopting a resolution proposing to repeal 38794
them. Upon adopting such a resolution, the committee shall proceed 38795
to obtain ratification of the resolution in accordance with this 38796
division. 38797

Not later than fourteen days after declaring the new fees to 38798
be ratified or the fees to be repealed under this division, the 38799
committee shall notify by certified mail the owner or operator of 38800
each solid waste disposal facility that is required to collect the 38801
fees of the ratification and the amount of the fees or of the 38802
repeal of the fees. Collection of any fees shall commence or 38803
collection of repealed fees shall cease on the first day of the 38804
second month following the month in which notification is sent to 38805
the owner or operator. 38806

Fees levied under this division also may be established, 38807
amended, or repealed by a solid waste management policy committee 38808
through the adoption of a new district solid waste management 38809
plan, the adoption of an amended plan, or the amendment of the 38810
plan or amended plan in accordance with sections 3734.55 and 38811
3734.56 of the Revised Code or the adoption or amendment of a 38812
district plan in connection with a change in district composition 38813
under section 3734.521 of the Revised Code. 38814

Not later than fourteen days after the director issues an 38815
order approving a district's solid waste management plan, amended 38816
plan, or amendment to a plan or amended plan that establishes, 38817
amends, or repeals a schedule of fees levied by the district, the 38818

committee shall notify by certified mail the owner or operator of 38819
each solid waste disposal facility that is required to collect the 38820
fees of the approval of the plan or amended plan, or the amendment 38821
to the plan, as appropriate, and the amount of the fees, if any. 38822
In the case of an initial or amended plan approved under section 38823
3734.521 of the Revised Code in connection with a change in 38824
district composition, other than one involving the withdrawal of a 38825
county from a joint district, the committee, within fourteen days 38826
after the change takes effect pursuant to division (G) of that 38827
section, shall notify by certified mail the owner or operator of 38828
each solid waste disposal facility that is required to collect the 38829
fees that the change has taken effect and of the amount of the 38830
fees, if any. Collection of any fees shall commence or collection 38831
of repealed fees shall cease on the first day of the second month 38832
following the month in which notification is sent to the owner or 38833
operator. 38834

If, in the case of a change in district composition involving 38835
the withdrawal of a county from a joint district, the director 38836
completes the actions required under division (G)(1) or (3) of 38837
section 3734.521 of the Revised Code, as appropriate, forty-five 38838
days or more before the beginning of a calendar year, the policy 38839
committee of each of the districts resulting from the change that 38840
obtained the director's approval of an initial or amended plan in 38841
connection with the change, within fourteen days after the 38842
director's completion of the required actions, shall notify by 38843
certified mail the owner or operator of each solid waste disposal 38844
facility that is required to collect the district's fees that the 38845
change is to take effect on the first day of January immediately 38846
following the issuance of the notice and of the amount of the fees 38847
or amended fees levied under divisions (B)(1) to (3) of this 38848
section pursuant to the district's initial or amended plan as so 38849
approved or, if appropriate, the repeal of the district's fees by 38850
that initial or amended plan. Collection of any fees set forth in 38851

such a plan or amended plan shall commence on the first day of 38852
January immediately following the issuance of the notice. If such 38853
an initial or amended plan repeals a schedule of fees, collection 38854
of the fees shall cease on that first day of January. 38855

If, in the case of a change in district composition involving 38856
the withdrawal of a county from a joint district, the director 38857
completes the actions required under division (G)(1) or (3) of 38858
section 3734.521 of the Revised Code, as appropriate, less than 38859
forty-five days before the beginning of a calendar year, the 38860
director, on behalf of each of the districts resulting from the 38861
change that obtained the director's approval of an initial or 38862
amended plan in connection with the change proceedings, shall 38863
notify by certified mail the owner or operator of each solid waste 38864
disposal facility that is required to collect the district's fees 38865
that the change is to take effect on the first day of January 38866
immediately following the mailing of the notice and of the amount 38867
of the fees or amended fees levied under divisions (B)(1) to (3) 38868
of this section pursuant to the district's initial or amended plan 38869
as so approved or, if appropriate, the repeal of the district's 38870
fees by that initial or amended plan. Collection of any fees set 38871
forth in such a plan or amended plan shall commence on the first 38872
day of the second month following the month in which notification 38873
is sent to the owner or operator. If such an initial or amended 38874
plan repeals a schedule of fees, collection of the fees shall 38875
cease on the first day of the second month following the month in 38876
which notification is sent to the owner or operator. 38877

If the schedule of fees that a solid waste management 38878
district is levying under divisions (B)(1) to (3) of this section 38879
is amended or repealed, the fees in effect immediately prior to 38880
the amendment or repeal shall continue to be collected until 38881
collection of the amended fees commences or collection of the 38882
repealed fees ceases, as applicable, as specified in this 38883

division. In the case of a change in district composition, money 38884
so received from the collection of the fees of the former 38885
districts shall be divided among the resulting districts in 38886
accordance with division (B) of section 343.012 of the Revised 38887
Code and the agreements entered into under division (B) of section 38888
343.01 of the Revised Code to establish the former and resulting 38889
districts and any amendments to those agreements. 38890

For the purposes of the provisions of division (B) of this 38891
section establishing the times when newly established or amended 38892
fees levied by a district are required to commence and the 38893
collection of fees that have been amended or repealed is required 38894
to cease, "fees" or "schedule of fees" includes, in addition to 38895
fees levied under divisions (B)(1) to (3) of this section, those 38896
levied under section 3734.573 or 3734.574 of the Revised Code. 38897

(C) For the purposes of defraying the added costs to a 38898
municipal corporation or township of maintaining roads and other 38899
public facilities and of providing emergency and other public 38900
services, and compensating a municipal corporation or township for 38901
reductions in real property tax revenues due to reductions in real 38902
property valuations resulting from the location and operation of a 38903
solid waste disposal facility within the municipal corporation or 38904
township, a municipal corporation or township in which such a 38905
solid waste disposal facility is located may levy a fee of not 38906
more than twenty-five cents per ton on the disposal of solid 38907
wastes at a solid waste disposal facility located within the 38908
boundaries of the municipal corporation or township regardless of 38909
where the wastes were generated. 38910

The legislative authority of a municipal corporation or 38911
township may levy fees under this division by enacting an 38912
ordinance or adopting a resolution establishing the amount of the 38913
fees. Upon so doing the legislative authority shall mail a 38914
certified copy of the ordinance or resolution to the board of 38915

county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the fee by the ordinance or resolution, and the director of environmental protection. Although the fees levied under this division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the combustion of primarily coal, regardless of whether the disposal facility is located on the premises where the wastes are

generated; 38948

(c) Are asbestos or asbestos-containing materials or products 38949
disposed of at a construction and demolition debris facility that 38950
is licensed under Chapter 3714. of the Revised Code or at a solid 38951
waste facility that is licensed under this chapter. 38952

(2) Except as provided in section 3734.571 of the Revised 38953
Code, any fees levied under division (B)(1) of this section apply 38954
to solid wastes originating outside the boundaries of a county or 38955
joint district that are covered by an agreement for the joint use 38956
of solid waste facilities entered into under section 343.02 of the 38957
Revised Code by the board of county commissioners or board of 38958
directors of the county or joint district where the wastes are 38959
generated and disposed of. 38960

(3) When solid wastes, other than solid wastes that consist 38961
of scrap tires, are burned in a disposal facility that is an 38962
incinerator or energy recovery facility, the fees levied under 38963
divisions (A), (B), and (C) of this section shall be levied upon 38964
the disposal of the fly ash and bottom ash remaining after burning 38965
of the solid wastes and shall be collected by the owner or 38966
operator of the sanitary landfill where the ash is disposed of. 38967

(4) When solid wastes are delivered to a solid waste transfer 38968
facility, the fees levied under divisions (B) and (C) of this 38969
section shall be levied upon the disposal of solid wastes 38970
transported off the premises of the transfer facility for disposal 38971
and shall be collected by the owner or operator of the solid waste 38972
disposal facility where the wastes are disposed of. 38973

(5) The fees levied under divisions (A), (B), and (C) of this 38974
section do not apply to sewage sludge that is generated by a waste 38975
water treatment facility holding a national pollutant discharge 38976
elimination system permit and that is disposed of through 38977
incineration, land application, or composting or at another 38978

resource recovery or disposal facility that is not a landfill. 38979

(6) The fees levied under divisions (A), (B), and (C) of this 38980
section do not apply to solid wastes delivered to a solid waste 38981
composting facility for processing. When any unprocessed solid 38982
waste or compost product is transported off the premises of a 38983
composting facility and disposed of at a landfill, the fees levied 38984
under divisions (A), (B), and (C) of this section shall be 38985
collected by the owner or operator of the landfill where the 38986
unprocessed waste or compost product is disposed of. 38987

(7) When solid wastes that consist of scrap tires are 38988
processed at a scrap tire recovery facility, the fees levied under 38989
divisions (A), (B), and (C) of this section shall be levied upon 38990
the disposal of the fly ash and bottom ash or other solid wastes 38991
remaining after the processing of the scrap tires and shall be 38992
collected by the owner or operator of the solid waste disposal 38993
facility where the ash or other solid wastes are disposed of. 38994

(8) The director of environmental protection may issue an 38995
order exempting from the fees levied under this section solid 38996
wastes, including, but not limited to, scrap tires, that are 38997
generated, transferred, or disposed of as a result of a contract 38998
providing for the expenditure of public funds entered into by the 38999
administrator or regional administrator of the United States 39000
environmental protection agency, the director of environmental 39001
protection, or the director of administrative services on behalf 39002
of the director of environmental protection for the purpose of 39003
remediating conditions at a hazardous waste facility, solid waste 39004
facility, or other location at which the administrator or regional 39005
administrator or the director of environmental protection has 39006
reason to believe that there is a substantial threat to public 39007
health or safety or the environment or that the conditions are 39008
causing or contributing to air or water pollution or soil 39009
contamination. An order issued by the director of environmental 39010

protection under division (D)(8) of this section shall include a 39011
determination that the amount of the fees not received by a solid 39012
waste management district as a result of the order will not 39013
adversely impact the implementation and financing of the 39014
district's approved solid waste management plan and any approved 39015
amendments to the plan. Such an order is a final action of the 39016
director of environmental protection. 39017

(E) The fees levied under divisions (B) and (C) of this 39018
section shall be collected by the owner or operator of the solid 39019
waste disposal facility where the wastes are disposed of as a 39020
trustee for the county or joint district and municipal corporation 39021
or township where the wastes are disposed of. Moneys from the fees 39022
levied under division (B) of this section shall be forwarded to 39023
the board of county commissioners or board of directors of the 39024
district in accordance with rules adopted under division (H) of 39025
this section. Moneys from the fees levied under division (C) of 39026
this section shall be forwarded to the treasurer or such other 39027
officer of the municipal corporation as, by virtue of the charter, 39028
has the duties of the treasurer or to the fiscal officer of the 39029
township, as appropriate, in accordance with those rules. 39030

(F) Moneys received by the treasurer or other officer of the 39031
municipal corporation under division (E) of this section shall be 39032
paid into the general fund of the municipal corporation. Moneys 39033
received by the fiscal officer of the township under that division 39034
shall be paid into the general fund of the township. The treasurer 39035
or other officer of the municipal corporation or the township 39036
fiscal officer, as appropriate, shall maintain separate records of 39037
the moneys received from the fees levied under division (C) of 39038
this section. 39039

(G) Moneys received by the board of county commissioners or 39040
board of directors under division (E) of this section or section 39041
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 39042

shall be paid to the county treasurer, or other official acting in 39043
a similar capacity under a county charter, in a county district or 39044
to the county treasurer or other official designated by the board 39045
of directors in a joint district and kept in a separate and 39046
distinct fund to the credit of the district. If a regional solid 39047
waste management authority has been formed under section 343.011 39048
of the Revised Code, moneys received by the board of trustees of 39049
that regional authority under division (E) of this section shall 39050
be kept by the board in a separate and distinct fund to the credit 39051
of the district. Moneys in the special fund of the county or joint 39052
district arising from the fees levied under division (B) of this 39053
section and the fee levied under division (A) of section 3734.573 39054
of the Revised Code shall be expended by the board of county 39055
commissioners or directors of the district in accordance with the 39056
district's solid waste management plan or amended plan approved 39057
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 39058
exclusively for the following purposes: 39059

(1) Preparation of the solid waste management plan of the 39060
district under section 3734.54 of the Revised Code, monitoring 39061
implementation of the plan, and conducting the periodic review and 39062
amendment of the plan required by section 3734.56 of the Revised 39063
Code by the solid waste management policy committee; 39064

(2) Implementation of the approved solid waste management 39065

limitation, the development and implementation of solid waste 39067
recycling or reduction programs; 39068

(3) Providing financial assistance to boards of health within 39069
the district, if solid waste facilities are located within the 39070
district, for enforcement of this chapter and rules, orders, and 39071
terms and conditions of permits, licenses, and variances adopted 39072
or issued under it, other than the hazardous waste provisions of 39073
this chapter and rules adopted and orders and terms and conditions 39074

of permits issued under those provisions;	39075
(4) Providing financial assistance to each county within the district to defray the added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation of a solid waste facility within the county under the district's approved solid waste management plan or amended plan;	39076 39077 39078 39079 39080 39081
(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities;	39082 39083 39084 39085 39086 39087
(6) Developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the district's approved solid waste management plan or amended plan;	39088 39089 39090 39091
(7) Providing financial assistance to boards of health within the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;	39092 39093 39094 39095 39096
(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to the health districts for the participation of their employees responsible for enforcement of the solid waste provisions of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under those provisions in the training and certification program as required by rules adopted under division (L) of section 3734.02 of the Revised Code;	39097 39098 39099 39100 39101 39102 39103 39104 39105

most recent calendar year ending before the beginning of a year 39784
exceeds the consumer price index for calendar year 1989. Upon 39785
calculating an increase in fees authorized by division (E)(1) of 39786
this section, the director shall compile revised fee schedules for 39787
the purposes of division (B) of this section and shall make the 39788
revised schedules available to persons required to pay the fees 39789
assessed under that division and to the public. 39790

another sewage sludge facility in this state for further treatment 40632
prior to disposal in this state shall not be required to pay the 40633
annual sludge fee for the tons of sewage sludge that have been 40634

thereafter, the director shall issue invoices to persons who are 40680
required to pay the annual sludge fee. The invoice shall identify 40681
the nature and amount of the annual sludge fee assessed and state 40682

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use,

storage, treatment, or disposal of sewage sludge. 40718

(7) Beginning in fiscal year 2001, and every two years 40719
thereafter, the director shall review the total amount of moneys 40720
generated by the annual sludge fees to determine if that amount 40721
exceeded six hundred thousand dollars in either of the two 40722
preceding fiscal years. If the total amount of moneys in the fund 40723
exceeded six hundred thousand dollars in either fiscal year, the 40724
director, after review of the fee structure and consultation with 40725
affected persons, shall issue an order reducing the amount of the 40726
fees levied under division (Y) of this section so that the 40727
estimated amount of moneys resulting from the fees will not exceed 40728
six hundred thousand dollars in any fiscal year. 40729

If, upon review of the fees under division (Y)(7) of this 40730
section and after the fees have been reduced, the director 40731
determines that the total amount of moneys collected and 40732
accumulated is less than six hundred thousand dollars, the 40733
director, after review of the fee structure and consultation with 40734
affected persons, may issue an order increasing the amount of the 40735
fees levied under division (Y) of this section so that the 40736
estimated amount of moneys resulting from the fees will be 40737
approximately six hundred thousand dollars. Fees shall never be 40738
increased to an amount exceeding the amount specified in division 40739
(Y)(7) of this section. 40740

Notwithstanding section 119.06 of the Revised Code, the 40741
director may issue an order under division (Y)(7) of this section 40742
without the necessity to hold an adjudicatory hearing in 40743

is described in any rule the board of building standards adopts or 41105
issues or that is authorized by any section of the Revised Code. 41106

shall specify, in rules adopted pursuant to Chapter 119. of the 41140
Revised Code, the requirements for certification for residential 41141
and nonresidential building code enforcement, which shall be 41142

examination and, to remain certified, the completion of a 41147
specified number of hours of continuing building code education 41148
within each three-year period following the date of certification 41149

that continuing education credits and certification issued by the 41151
council of American building officials, national model code 41152
organizations, and agencies or entities the board recognizes are 41153

acceptable for purposes of this division. The rules shall specify 41154
requirements that are consistent with the provisions of section 41155
5903.12 of the Revised Code relating to active duty military 41156
service and are compatible, to the extent possible, with 41157
requirements the council of American building officials and 41158
national model code organizations establish. 41159

(4) The board shall establish and collect a certification and 41160
renewal fee for building department personnel, and persons and 41161
employees of persons, firms, or corporations as described in this 41162
section, who are certified pursuant to this division. 41163

(5) Any individual certified pursuant to this division shall 41164
complete the number of hours of continuing building code education 41165
that the board requires or, for failure to do so, forfeit 41166
certification. 41167

(6) This division does not require or authorize the board to 41168
certify personnel of municipal, township, and county building 41169
departments, and persons and employees of persons, firms, or 41170
corporations as described in this section, whose responsibilities 41171
do not include the exercise of enforcement authority, the approval 41172
of plans and specifications, or making inspections under the state 41173
residential and nonresidential building codes. 41174

(7) Enforcement authority for approval of plans and 41175

Nothing in this division requires the director to include a tool 42044

Revised Code is guilty of a minor misdemeanor for each day the 42077
violation continues. 42078

(E) Whoever violates division (A) of section 4109.21 of the 42079
Revised Code is guilty of a misdemeanor of the fourth degree on a 42080
first offense and a first degree misdemeanor on each subsequent 42081
offense. If, however, the violation on a first offense contains 42082
aggravating circumstances, including, but not limited to, threats 42083
to a minor, reckless operation of a motor vehicle, or abandonment 42084
of or endangerment to a minor but not including circumstances that 42085
are the basis of a felony violation of section 2919.22 of the 42086
Revised Code, then the person is guilty of a misdemeanor of the 42087
first degree. If the offender previously has been convicted under 42088
this section and if the subsequent offense contains aggravating 42089

exemptions of section 7 and section 13 of the "Fair Labor 42100
Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as 42101
amended. 42102

Any employee employed in agriculture shall not be covered by 42103
the overtime provision of this section. 42104

A motor carrier may elect to apply the overtime provision of 42105
this section to an individual who is excluded from the provision 42106
under division (D)(3)(i) of this section. 42107

(B) If a county employee or township employee elects to take 42108
compensatory time off in lieu of overtime pay, for any overtime 42109
worked, compensatory time may be granted by the employee's 42110
administrative superior, on a time and one-half basis, at a time 42111

division. Upon adoption, the alternative overtime policy prevails. 42121
Prior to the adoption of an alternative overtime policy, a 42122

with the exception of the county department of job and family 42124

services shall give a written notice of the alternative policy to 42125
each employee at least ten days prior to its effective date. 42126

instrumentalities, and its political subdivisions and their 42130
instrumentalities, any individual, partnership, association, 42131
corporation, business trust, or any person or group of persons, 42132
acting in the interest of an employer in relation to an employee, 42133
but does not include either of the following: 42134

(a) An employer whose annual gross volume of sales made for 42135
business done is less than one hundred fifty thousand dollars, 42136
exclusive of excise taxes at the retail level which are separately 42137
stated; 42138

(b) A franchisor with respect to the franchisor's 42139
relationship with a franchisee or an employee of a franchisee, 42140
unless the franchisor agrees to assume that role in writing or a 42141

exercises a type or degree of control over the franchisee or the 42143
franchisee's employees that is not customarily exercised by a 42144
franchisor for the purpose of protecting the franchisor's 42145
trademark, brand, or both. For purposes of this division, 42146
"franchisor" and "franchisee" have the same meanings as in 16 42147
C.F.R. 436.1. 42148

but does not include: 42150

(a) Any individual employed by the United States; 42151

purposes of this division, a bona fide lease agreement does not 42185
include an agreement between the individual and the motor carrier 42186
transporting property for which, or on whose behalf, the 42187
individual provides services. 42188

(ii) The individual is responsible for supplying the 42189
necessary personal services to operate the vehicle or vessel used 42190
to provide the service. 42191

(iii) The compensation paid to the individual is based on 42192
factors related to work performed, including on a mileage-based 42193
rate or a percentage of any schedule of rates, and not solely on 42194
the basis of the hours or time expended. 42195

(iv) The individual substantially controls the means and 42196
manner of performing the services, in conformance with regulatory 42197
requirements and specifications of the shipper. 42198

(v) The individual enters into a written contract with the 42199
carrier for whom the individual is performing the services that 42200
describes the relationship between the individual and the carrier 42201
to be that of an independent contractor and not that of an 42202
employee. 42203

(vi) The individual is responsible for substantially all of 42204
the principal operating costs of the vehicle or vessel and 42205

(vii) The individual is responsible for any economic loss or 42211
economic gain from the arrangement with the carrier. 42212

(4) "Motor carrier" has the same meaning as in section 42213
4923.01 of the Revised Code. 42214

(e) Is not otherwise an employer as defined under division (A)(1)(a) or (b) of this section; and

(i) For which, within either the current or preceding calendar year, service, except for domestic service in a private home not covered under division (A)(1)(c) of this section, is or was performed with respect to which such employer is liable for any federal tax against which credit may be taken for contributions required to be paid into a state unemployment fund;

(ii) Which, as a condition for approval of this chapter for full tax credit against the tax imposed by the "Federal Unemployment Tax Act," 84 Stat. 713, 26 U.S.C.A. 3301 to 3311, is required, pursuant to such act to be an employer under this chapter; or

(iii) Who became an employer by election under division (A)(4) or (5) of this section and for the duration of such election; or

(2) Each individual employed to perform or to assist in performing the work of any agent or employee of an employer is employed by such employer for all the purposes of this chapter, whether such individual was hired or paid directly by such employer or by such agent or employee, provided the employer had actual or constructive knowledge of the work. All individuals performing services for an employer of any person in this state who maintains two or more establishments within this state are employed by a single employer for the purposes of this chapter.

(3) An employer subject to this chapter within any calendar year is subject to this chapter during the whole of such year and during the next succeeding calendar year.

subsequent to such two calendar years only if at least thirty days 42314
prior to such first day of January the employer has filed with the 42315
director a written notice to that effect. 42316

(5) Any employer for whom services that do not constitute 42317
employment are performed may file with the director a written 42318
election that all such services performed by individuals in the 42319
employer's employ in one or more distinct establishments or places 42320
of business shall be deemed to constitute employment for all the 42321
purposes of this chapter, for not less than two calendar years. 42322
Upon written approval of the election by the director, such 42323
services shall be deemed to constitute employment subject to this 42324
chapter from and after the date stated in such approval. Such 42325
services shall cease to be employment subject to this chapter as 42326
of the first day of January of any calendar year subsequent to 42327
such two calendar years only if at least thirty days prior to such 42328
first day of January such employer has filed with the director a 42329
written notice to that effect. 42330

(6) "Employer" does not include a franchisor with respect to 42331
the franchisor's relationship with a franchisee or an employee of 42332
a franchisee, unless the franchisor agrees to assume that role in 42333

franchisor exercises a type or degree of control over the 42335
franchisee or the franchisee's employees that is not customarily 42336
exercised by a franchisor for the purpose of protecting the 42337
franchisor's trademark, brand, or both. For purposes of this 42338

without regard to whether such service is executive, managerial, 42345
or manual in nature, and without regard to whether such officer is 42346
a stockholder or a member of the board of directors of the 42347
corporation, unless it is shown to the satisfaction of the 42348
director that such individual has been and will continue to be 42349
free from direction or control over the performance of such 42350
service, both under a contract of service and in fact. The 42351
director shall adopt rules to define "direction or control." 42352

(2) "Employment" includes: 42353

the foregoing or any instrumentality of any of the foregoing and 42358
one or more other states or political subdivisions and without 42359
regard to divisions (A)(1)(a) and (b) of this section, provided 42360
that such service is excluded from employment as defined in the 42361
"Federal Unemployment Tax Act," 53 Stat. 183, 26 U.S.C.A. 3301, 42362
3306(c)(7) and is not excluded under division (B)(3) of this 42363

resale, or supplies for use in their business operations, provided 42393
that for the purposes of division (B)(2)(e)(ii) of this section, 42394
the services shall be deemed employment if the contract of service 42395
contemplates that substantially all of the services are to be 42396
performed personally by the individual and that the individual 42397
does not have a substantial investment in facilities used in 42398
connection with the performance of the services other than in 42399

performing such service is a resident of this state and the 42419
director approves the election of the employer for whom such 42420
services are performed; or, if the individual is not a resident of 42421
this state but the place from which the service is directed or 42422
controlled is in this state, the entire services of such 42423
individual shall be deemed to be employment subject to this 42424
chapter, provided service is deemed to be localized within this 42425
state if the service is performed entirely within this state or if 42426
the service is performed both within and without this state but 42427
the service performed without this state is incidental to the 42428
individual's service within the state, for example, is temporary 42429
or transitory in nature or consists of isolated transactions; 42430

(h) Service of an individual who is a citizen of the United 42431

(i) The employer's principal place of business in the United 42440
States is located in this state; 42441

(ii) The employer has no place of business in the United 42442

this state; or the employer is a corporation which is organized 42444
under the laws of this state, or the employer is a partnership or 42445
a trust and the number of partners or trustees who are residents 42446

wage information, which are systematically accessible, the 42934
director may, consistent with the provisions of section 4141.28 of 42935

benefits on the affidavit of the claimant with respect to weeks 42937
and wages for that calendar quarter. The claimant shall furnish 42938
payroll documentation, where available, in support of the 42939
affidavit. The determination based upon the alternate base period 42940

week with respect to which the individual next files a valid 42963
application for determination of benefit rights after the 42964
termination of the individual's last preceding benefit year, 42965
except that the application shall not be considered valid unless 42966
the individual has had employment in six weeks that is subject to 42967
this chapter or the unemployment compensation act of another 42968
state, or the United States, and has, since the beginning of the 42969

is valid if the individual satisfies the criteria described in 42990

individual's separation from employment is not disqualifying 42992
pursuant to division (D)(2) of section 4141.29 or section 4141.291 42993

of the Revised Code. A disqualification imposed pursuant to 42994
division (D)(2) of section 4141.29 or section 4141.291 of the 42995

section 4141.30 of the Revised Code, rounded down to the nearest 43002

required to have been earned or paid in order for individuals to 43004
have filed valid applications shall become effective on Sunday of 43005

conducted under this chapter and may require by subpoena duces 45669

prescribed in section 119.09 of the Revised Code, at every 45697
adjudicatory hearing held under this section, regardless of 45698
whether the record may be the basis of an appeal to a court. 45699

(I) If, as a result of its investigation conducted under 45700

division (G) of this section, the board of embalmers and funeral directors has reasonable cause to believe that the person investigated is violating any provision of this chapter or any rules adopted under this chapter governing or in connection with crematory operators, crematory facilities, or cremation, the board shall send written notice of the alleged violation to the crematory review board. adjudication conducted under Chapter 119. of the Revised Code, 46402
except that in lieu of a hearing, the board may enter into a 46403

consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by a vote of a quorum, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement shall be of no effect.

If the board determines on the basis of the adjudication that the registered nurse, licensed practical nurse, or dialysis technician committed the act, or if the registered nurse, licensed practical nurse, or dialysis technician fails to participate in

the adjudication, the board may take action as though the 46436
registered nurse, licensed practical nurse, or dialysis technician 46437

If the board takes action on the basis of a conviction, plea, 46439

this section that is overturned on appeal, the registered nurse, 46441
licensed practical nurse, or dialysis technician may, on 46442
exhaustion of the appeal process, petition the board for 46443
reconsideration of its action. On receipt of the petition and 46444
supporting court documents, the board shall temporarily rescind 46445
its action. If the board determines that the decision on appeal 46446
was a decision on the merits, it shall permanently rescind its 46447
action. If the board determines that the decision on appeal was 46448
not a decision on the merits, it shall conduct an adjudication to 46449
determine whether the registered nurse, licensed practical nurse, 46450
or dialysis technician committed the act on which the original 46451
conviction, plea, or judicial finding was based. If the board 46452
determines on the basis of the adjudication that the registered 46453
nurse, licensed practical nurse, or dialysis technician committed 46454
such act, or if the registered nurse, licensed practical nurse, or 46455
dialysis technician does not request an adjudication, the board 46456
shall reinstate its action; otherwise, the board shall permanently 46457
rescind its action. 46458

Notwithstanding the provision of division (C)(2) of section 46459
2953.32 of the Revised Code specifying that if records pertaining 46460
to a criminal case are sealed under that section the proceedings 46461
in the case shall be deemed not to have occurred, sealing of the 46462
following records on which the board has based an action under 46463
this section shall have no effect on the board's action or any 46464
sanction imposed by the board under this section: records of any 46465
conviction, guilty plea, judicial finding of guilt resulting from 46466
a plea of no contest, or a judicial finding of eligibility for a 46467

pretrial diversion program or intervention in lieu of conviction. 46468

otherwise modify its records to reflect the court's sealing of 46470
conviction records. 46471

background in performing its duties under this section. As part of 46473

at the individual's expense, a request to the bureau of criminal 46475
identification and investigation for a criminal records check and 46476
check of federal bureau of investigation records in accordance 46477
with the procedure described in section 4723.091 of the Revised 46478
Code. 46479

(G) During the course of an investigation conducted under 46480
this section, the board may compel any registered nurse, licensed 46481
practical nurse, or dialysis technician or applicant under this 46482
chapter to submit to a mental or physical examination, or both, as 46483
required by the board and at the expense of the individual, if the 46484
board finds reason to believe that the individual under 46485
investigation may have a physical or mental impairment that may 46486
affect the individual's ability to provide safe nursing care. 46487
Failure of any individual to submit to a mental or physical 46488
examination when directed constitutes an admission of the 46489
allegations, unless the failure is due to circumstances beyond the 46490
individual's control, and a default and final order may be entered 46491
without the taking of testimony or presentation of evidence. 46492

If the board finds that an individual is impaired, the board 46493
shall require the individual to submit to care, counseling, or 46494
treatment approved or designated by the board, as a condition for 46495
initial, continued, reinstated, or renewed authority to practice. 46496
The individual shall be afforded an opportunity to demonstrate to 46497
the board that the individual can begin or resume the individual's 46498
occupation in compliance with acceptable and prevailing standards 46499

of care under the provisions of the individual's authority to 46500
practice. 46501

For purposes of this division, any registered nurse, licensed 46502
practical nurse, or dialysis technician or applicant under this 46503
chapter shall be deemed to have given consent to submit to a 46504
mental or physical examination when directed to do so in writing 46505
by the board, and to have waived all objections to the 46506
admissibility of testimony or examination reports that constitute 46507
a privileged communication. 46508

(H) The board shall investigate evidence that appears to show 46509
that any person has violated any provision of this chapter or any 46510
rule of the board. Any person may report to the board any 46511
information the person may have that appears to show a violation 46512
of any provision of this chapter or rule of the board. In the 46513
absence of bad faith, any person who reports such information or 46514
who testifies before the board in any adjudication conducted under 46515
Chapter 119. of the Revised Code shall not be liable for civil 46516
damages as a result of the report or testimony. 46517

(I) All of the following apply under this chapter with 46518
respect to the confidentiality of information: 46519

(1) Information received by the board pursuant to a complaint 46520
or an investigation is confidential and not subject to discovery 46521
in any civil action, except that the board may disclose 46522
information to law enforcement officers and government entities 46523
for purposes of an investigation of either a licensed health care 46524
professional, including a registered nurse, licensed practical 46525
nurse, or dialysis technician, or a person who may have engaged in 46526
the unauthorized practice of nursing or dialysis care. No law 46527
enforcement officer or government entity with knowledge of any 46528
information disclosed by the board pursuant to this division shall 46529
divulge the information to any other person or government entity 46530
except for the purpose of a government investigation, a 46531

prosecution, or an adjudication by a court or government entity. 46532

(2) If an investigation requires a review of patient records, 46533
the investigation and proceeding shall be conducted in such a 46534
manner as to protect patient confidentiality. 46535

(3) All adjudications and investigations of the board shall 46536
be considered civil actions for the purposes of section 2305.252 46537
of the Revised Code. 46538

(4) Any board activity that involves continued monitoring of 46539
an individual as part of or following any disciplinary action 46540
taken under this section shall be conducted in a manner that 46541
maintains the individual's confidentiality. Information received 46542
or maintained by the board with respect to the board's monitoring 46543
activities is not subject to discovery in any civil action and is 46544
confidential, except that the board may disclose information to 46545
law enforcement officers and government entities for purposes of 46546
an investigation of a licensee or certificate holder. 46547

(J) Any action taken by the board under this section 46548
resulting in a suspension from practice shall be accompanied by a 46549
written statement of the conditions under which the person may be 46550
reinstated to practice. 46551

(K) When the board refuses to grant a license or certificate 46552
to an applicant, revokes a license or certificate, or refuses to 46553
reinstate a license or certificate, the board may specify that its 46554
action is permanent. An individual subject to permanent action 46555
taken by the board is forever ineligible to hold a license or 46556
certificate of the type that was refused or revoked and the board 46557
shall not accept from the individual an application for 46558
reinstatement of the license or certificate or for a new license 46559
or certificate. 46560

(L) No unilateral surrender of a nursing license, ~~certificate~~ 46561
~~of authority~~, or dialysis technician certificate issued under this 46562

chapter shall be effective unless accepted by majority vote of the board. No application for a nursing license, ~~certificate of authority~~, or dialysis technician certificate issued under this chapter may be withdrawn without a majority vote of the board. The board's jurisdiction to take disciplinary action under this section is not removed or limited when an individual has a license or certificate classified as inactive or fails to renew a license or certificate.

(M) Sanctions shall not be imposed under division (B)(24) of this section against any licensee who waives deductibles and copayments as follows:

assistants or a successor organization that is recognized by the 47158
board if the standards for acceptable courses and programs of the 47159
commission or its successor are at least equivalent to the 47160

restore a license suspended for failure to renew upon an
applicant's submission of a restoration application, the biennial
renewal fee, and any applicable monetary penalty and compliance
with sections 4776.01 to 4776.04 of the Revised Code. The board
shall not restore to an applicant a license to practice as a

penalty for restoration shall be one hundred dollars. The board
shall deposit penalties in accordance with section 4731.24 of the

A civil penalty imposed under this division may be in addition to or in lieu of any other action the board may take under section 4730.25 of the Revised Code. The board shall deposit civil penalties in accordance with section 4731.24 of the Revised Code. (C) Disciplinary actions taken by the board under divisions 47429
(A) and (B) of this section shall be taken pursuant to an 47430
adjudication under Chapter 119. of the Revised Code, except that 47431
in lieu of an adjudication, the board may enter into a consent 47432
agreement with a physician assistant or applicant to resolve an 47433
allegation of a violation of this chapter or any rule adopted 47434
under it. A consent agreement, when ratified by an affirmative 47435
vote of not fewer than six members of the board, shall constitute 47436
the findings and order of the board with respect to the matter 47437
addressed in the agreement. If the board refuses to ratify a 47438
consent agreement, the admissions and findings contained in the 47439
consent agreement shall be of no force or effect. 47440

(D) For purposes of divisions (B)(12), (15), and (16) of this 47441
section, the commission of the act may be established by a finding 47442
by the board, pursuant to an adjudication under Chapter 119. of 47443
the Revised Code, that the applicant or license holder committed 47444
the act in question. The board shall have no jurisdiction under 47445
these divisions in cases where the trial court renders a final 47446
judgment in the license holder's favor and that judgment is based 47447
upon an adjudication on the merits. The board shall have 47448
jurisdiction under these divisions in cases where the trial court 47449
issues an order of dismissal upon technical or procedural grounds. 47450

(E) The sealing of conviction records by any court shall have 47451
no effect upon a prior board order entered under the provisions of 47452

this section or upon the board's jurisdiction to take action under 47453
the provisions of this section if, based upon a plea of guilty, a 47454
judicial finding of guilt, or a judicial finding of eligibility 47455
for intervention in lieu of conviction, the board issued a notice 47456
of opportunity for a hearing prior to the court's order to seal 47457
the records. The board shall not be required to seal, destroy, 47458
redact, or otherwise modify its records to reflect the court's 47459
sealing of conviction records. 47460

(F) For purposes of this division, any individual who holds a 47461
license issued under this chapter, or applies for a license issued 47462
under this chapter, shall be deemed to have given consent to 47463
submit to a mental or physical examination when directed to do so 47464
in writing by the board and to have waived all objections to the 47465
admissibility of testimony or examination reports that constitute 47466
a privileged communication. 47467

(1) In enforcing division (B)(4) of this section, the board, 47468
upon a showing of a possible violation, may compel any individual 47469
who holds a license issued under this chapter or who has applied 47470
for a license pursuant to this chapter to submit to a mental 47471
examination, physical examination, including an HIV test, or both 47472
a mental and physical examination. The expense of the examination 47473
is the responsibility of the individual compelled to be examined. 47474
Failure to submit to a mental or physical examination or consent 47475
to an HIV test ordered by the board constitutes an admission of 47476
the allegations against the individual unless the failure is due 47477
to circumstances beyond the individual's control, and a default 47478
and final order may be entered without the taking of testimony or 47479
presentation of evidence. If the board finds a physician assistant 47480
unable to practice because of the reasons set forth in division 47481
(B)(4) of this section, the board shall require the physician 47482
assistant to submit to care, counseling, or treatment by 47483
physicians approved or designated by the board, as a condition for 47484

an initial, continued, reinstated, or renewed license. An 47485
individual affected under this division shall be afforded an 47486
opportunity to demonstrate to the board the ability to resume 47487
practicing in compliance with acceptable and prevailing standards 47488
of care. 47489

(2) For purposes of division (B)(5) of this section, if the 47490
board has reason to believe that any individual who holds a 47491
license issued under this chapter or any applicant for a license 47492
suffers such impairment, the board may compel the individual to 47493
submit to a mental or physical examination, or both. The expense 47494
of the examination is the responsibility of the individual 47495
compelled to be examined. Any mental or physical examination 47496
required under this division shall be undertaken by a treatment 47497
provider or physician qualified to conduct such examination and 47498
chosen by the board. 47499

Failure to submit to a mental or physical examination ordered 47500
by the board constitutes an admission of the allegations against 47501
the individual unless the failure is due to circumstances beyond 47502
the individual's control, and a default and final order may be 47503
entered without the taking of testimony or presentation of 47504
evidence. If the board determines that the individual's ability to 47505
practice is impaired, the board shall suspend the individual's 47506
license or deny the individual's application and shall require the 47507
individual, as a condition for initial, continued, reinstated, or 47508
renewed licensure, to submit to treatment. 47509

Before being eligible to apply for reinstatement of a license 47510
suspended under this division, the physician assistant shall 47511
demonstrate to the board the ability to resume practice or 47512
prescribing in compliance with acceptable and prevailing standards 47513
of care. The demonstration shall include the following: 47514

(a) Certification from a treatment provider approved under 47515
section 4731.25 of the Revised Code that the individual has 47516

successfully completed any required inpatient treatment; 47517

(b) Evidence of continuing full compliance with an aftercare 47518
contract or consent agreement; 47519

(c) Two written reports indicating that the individual's 47520
ability to practice has been assessed and that the individual has 47521
been found capable of practicing according to acceptable and 47522
prevailing standards of care. The reports shall be made by 47523
individuals or providers approved by the board for making such 47524
assessments and shall describe the basis for their determination. 47525

The board may reinstate a license suspended under this 47526
division after such demonstration and after the individual has 47527
entered into a written consent agreement. 47528

When the impaired physician assistant resumes practice or 47529
prescribing, the board shall require continued monitoring of the 47530
physician assistant. The monitoring shall include compliance with 47531
the written consent agreement entered into before reinstatement or 47532
with conditions imposed by board order after a hearing, and, upon 47533
termination of the consent agreement, submission to the board for 47534
at least two years of annual written progress reports made under 47535
penalty of falsification stating whether the physician assistant 47536
has maintained sobriety. 47537

(G) If the secretary and supervising member determine that 47538
there is clear and convincing evidence that a physician assistant 47539
has violated division (B) of this section and that the 47540
individual's continued practice or prescribing presents a danger 47541
of immediate and serious harm to the public, they may recommend 47542
that the board suspend the individual's license without a prior 47543
hearing. Written allegations shall be prepared for consideration 47544
by the board. 47545

The board, upon review of those allegations and by an 47546
affirmative vote of not fewer than six of its members, excluding 47547

the secretary and supervising member, may suspend a license 47548
without a prior hearing. A telephone conference call may be 47549
utilized for reviewing the allegations and taking the vote on the 47550
summary suspension. 47551

The board shall issue a written order of suspension by 47552
certified mail or in person in accordance with section 119.07 of 47553
the Revised Code. The order shall not be subject to suspension by 47554
the court during pendency of any appeal filed under section 119.12 47555
of the Revised Code. If the physician assistant requests an 47556
adjudicatory hearing by the board, the date set for the hearing 47557
shall be within fifteen days, but not earlier than seven days, 47558
after the physician assistant requests the hearing, unless 47559
otherwise agreed to by both the board and the license holder. 47560

A summary suspension imposed under this division shall remain 47561
in effect, unless reversed on appeal, until a final adjudicative 47562
order issued by the board pursuant to this section and Chapter 47563
119. of the Revised Code becomes effective. The board shall issue 47564
its final adjudicative order within sixty days after completion of 47565
its hearing. Failure to issue the order within sixty days shall 47566
result in dissolution of the summary suspension order, but shall 47567
not invalidate any subsequent, final adjudicative order. 47568

(H) If the board takes action under division (B)(11), (13), 47569
or (14) of this section, and the judicial finding of guilt, guilty 47570
plea, or judicial finding of eligibility for intervention in lieu 47571
of conviction is overturned on appeal, upon exhaustion of the 47572
criminal appeal, a petition for reconsideration of the order may 47573
be filed with the board along with appropriate court documents. 47574
Upon receipt of a petition and supporting court documents, the 47575
board shall reinstate the individual's license. The board may then 47576
hold an adjudication under Chapter 119. of the Revised Code to 47577
determine whether the individual committed the act in question. 47578
Notice of opportunity for hearing shall be given in accordance 47579

with Chapter 119. of the Revised Code. If the board finds, 47580
pursuant to an adjudication held under this division, that the 47581
individual committed the act, or if no hearing is requested, it 47582
may order any of the sanctions identified under division (B) of 47583
this section. 47584

(I) The license to practice issued to a physician assistant 47585
and the physician assistant's practice in this state are 47586
automatically suspended as of the date the physician assistant 47587
pleads guilty to, is found by a judge or jury to be guilty of, or 47588
is subject to a judicial finding of eligibility for intervention 47589
in lieu of conviction in this state or treatment or intervention 47590
in lieu of conviction in another state for any of the following 47591
criminal offenses in this state or a substantially equivalent 47592
criminal offense in another jurisdiction: aggravated murder, 47593
murder, voluntary manslaughter, felonious assault, kidnapping, 47594
rape, sexual battery, gross sexual imposition, aggravated arson, 47595
aggravated robbery, or aggravated burglary. Continued practice 47596
after the suspension shall be considered practicing without a 47597
license. 47598

The board shall notify the individual subject to the 47599
suspension by certified mail or in person in accordance with 47600
section 119.07 of the Revised Code. If an individual whose license 47601
is suspended under this division fails to make a timely request 47602
for an adjudication under Chapter 119. of the Revised Code, the 47603
board shall enter a final order permanently revoking the 47604
individual's license to practice. 47605

(J) In any instance in which the board is required by Chapter 47606
119. of the Revised Code to give notice of opportunity for hearing 47607
and the individual subject to the notice does not timely request a 47608
hearing in accordance with section 119.07 of the Revised Code, the 47609
board is not required to hold a hearing, but may adopt, by an 47610
affirmative vote of not fewer than six of its members, a final 47611

order that contains the board's findings. In that final order, the 47612
board may order any of the sanctions identified under division (A) 47613
or (B) of this section. 47614

(K) Any action taken by the board under division (B) of this 47615
section resulting in a suspension shall be accompanied by a 47616
written statement of the conditions under which the physician 47617

administer the real estate salesperson's examination, the 49149
superintendent may require an applicant to pay the testing 49150
service's examination fee directly to the testing service. If the 49151
superintendent requires the payment of the examination fee 49152
directly to the testing service, each applicant shall submit to 49153
the superintendent a processing fee in an amount determined by the 49154
Ohio real estate commission pursuant to division (A)(1) of section 49155

of competent jurisdiction against any broker or salesperson 49308
licensed under this chapter, on the grounds of conduct that is in 49309
violation of this chapter or the rules adopted under it, and that 49310
is associated with an act or transaction that only a licensed real 49311
estate broker or licensed real estate salesperson is authorized to 49312
perform as specified in division (A) or (C) of section 4735.01 of 49313
the Revised Code, may file a verified application, as described in 49314
division (B)(3) of this section, in the court of common pleas of 49315
Franklin county for an order directing payment out of the real 49316
estate recovery fund of the portion of the judgment that remains 49317
unpaid and that represents the actual and direct loss sustained by 49318
the applicant. 49319

(2) Punitive damages, attorney's fees, and interest on a judgment are not recoverable from the fund. In the discretion of the superintendent of real estate, court costs may be recovered from the fund, and, if the superintendent authorizes the recovery of court costs, the order of the court of common pleas then may direct their payment from the fund.

(3) The application shall specify the nature of the act or transaction upon which the underlying judgment was based, the activities of the applicant in pursuit of remedies available under law for the collection of judgments, and the actual and direct losses, attorney's fees, and the court costs sustained or incurred by the applicant. The applicant shall attach to the application a copy of each pleading and order in the underlying court action.

(4) The court shall order the superintendent to make such payments out of the fund when the person seeking the order has shown all of the following:

(a) The person has obtained a judgment, as provided in this division;

(b) All appeals from the judgment have been exhausted and the person has given notice to the superintendent, as required by division (C) of this section;

(c) The person is not a spouse of the judgment debtor, or the personal representative of such spouse;

(d) The person has diligently pursued the person's remedies against all the judgment debtors and all other persons liable to the person in the transaction for which the person seeks recovery from the fund;

(e) The person is making the person's application not more than one year after termination of all proceedings, including appeals, in connection with the judgment.

(5) Divisions (B)(1) to (4) of this section do not apply to any of the following:	49350 49351
(a) Actions arising from property management accounts maintained in the name of the property owner;	49352 49353
(b) A bonding company when it is not a principal in a real estate transaction;	49354 49355
(c) A person in an action for the payment of a commission or fee for the performance of an act or transaction specified or comprehended in division (A) or (C) of section 4735.01 of the Revised Code;	49356 49357 49358 49359
(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment.	49360 49361
(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses, verification of actual and direct losses, and challenges to the underlying judgment required in division (B)(4)(a) of this section to determine whether the underlying judgment is based on activity only a licensed broker or licensed salesperson is permitted to perform. The superintendent may move the court at any time to dismiss the application when it appears there are no triable issues and the application is without merit. The motion may be supported by affidavit of any person having knowledge of the facts and may be made on the basis that the application, including the judgment referred to in it, does not form the basis for a meritorious recovery claim; provided, that the superintendent shall give written notice to the applicant at least ten days before such motion. The superintendent may, subject to court approval, compromise a claim based upon the application	49362 49363 49364 49365 49366 49367 49368 49369 49370 49371 49372 49373 49374 49375 49376 49377 49378 49379 49380

of an aggrieved party. The superintendent shall not be bound by 49381
any prior compromise or stipulation of the judgment debtor. 49382

(D) Notwithstanding any other provision of this section, the 49383
liability of the fund shall not exceed forty thousand dollars for 49384
any one licensee. If a licensee's license is reactivated as 49385
provided in division (E) of this section, the liability of the 49386
fund for the licensee under this section shall again be forty 49387
thousand dollars, but only for transactions that occur subsequent 49388
to the time of reactivation. 49389

If the forty-thousand-dollar liability of the fund is 49390
insufficient to pay in full the valid claims of all aggrieved 49391
persons by whom claims have been filed against any one licensee, 49392
the forty thousand dollars shall be distributed among them in the 49393
ratio that their respective claims bear to the aggregate of valid 49394
claims or in such other manner as the court finds equitable. 49395
Distribution of moneys shall be among the persons entitled to 49396
share in it, without regard to the order of priority in which 49397
their respective judgments may have been obtained or their claims 49398
have been filed. Upon petition of the superintendent, the court 49399
may require all claimants and prospective claimants against one 49400
licensee to be joined in one action, to the end that the 49401
respective rights of all such claimants to the fund may be 49402
equitably adjudicated and settled. 49403

(E) If the superintendent pays from the fund any amount in 49404
settlement of a claim or toward satisfaction of a judgment against 49405
a licensed broker or salesperson, the license of the broker or 49406
salesperson shall be automatically suspended upon the date of 49407
payment from the fund. The superintendent shall not reactivate the 49408
suspended license of that broker or salesperson until the broker 49409
or salesperson has repaid in full, plus interest per annum at the 49410
rate specified in division (A) of section 1343.03 of the Revised 49411
Code, the amount paid from the fund on the broker's or 49412

salesperson's account. A discharge in bankruptcy does not relieve 49413
a person from the suspension and requirements for reactivation 49414
provided in this section unless the underlying judgment has been 49415
included in the discharge and has not been reaffirmed by the 49416
debtor. 49417

(F) If, at any time, the money deposited in the fund is 49418
insufficient to satisfy any duly authorized claim or portion of a 49419
claim, the superintendent shall, when sufficient money has been 49420
deposited in the fund, satisfy such unpaid claims or portions, in 49421
the order that such claims or portions were originally filed, plus 49422
accumulated interest per annum at the rate specified in division 49423
(A) of section 1343.03 of the Revised Code. 49424

(G) When, upon the order of the court, the superintendent has 49425
paid from the fund any sum to the judgment creditor, the 49426
superintendent shall be subrogated to all of the rights of the 49427
judgment creditor to the extent of the amount so paid, and the 49428
judgment creditor shall assign all the judgment creditor's right, 49429
title, and interest in the judgment to the superintendent to the 49430
extent of the amount so paid. Any amount and interest so recovered 49431
by the superintendent on the judgment shall be deposited in the 49432
fund. 49433

(H) Nothing contained in this section shall limit the 49434
authority of the superintendent to take disciplinary action 49435
against any licensee under other provisions of this chapter; nor 49436
shall the repayment in full of all obligations to the fund by any 49437
licensee nullify or modify the effect of any other disciplinary 49438
proceeding brought pursuant to this chapter. 49439

(I) The superintendent shall collect from the fund a service 49440
fee in an amount equivalent to the interest rate specified in 49441
division (A) of section 1343.03 of the Revised Code multiplied by 49442
the annual interest earned on the assets of the fund, to defray 49443
the expenses incurred in the administration of the fund. 49444

Sec. 4735.13. (A) Every real estate broker licensed under 49445
this chapter shall have and maintain a definite place of business 49446
in this state. A post office box address is not a definite place 49447
of business for purposes of this section. The license of a real 49448
estate broker shall be prominently displayed in the office or 49449
place of business of the broker, and no license shall authorize 49450
the licensee to do business except from the location specified in 49451
it. If the broker maintains more than one place of business within 49452
the state, the broker shall apply for and procure a duplicate 49453
license for each branch office maintained by the broker. Each 49454
branch office shall be in the charge of a licensed broker or 49455
salesperson. The branch office license shall be prominently 49456
displayed at the branch office location. 49457

(B) The license of each real estate salesperson shall be 49458
mailed to and remain in the possession of the licensed broker with 49459
whom the salesperson is or is to be associated until the licensee 49460
places the license on inactive or resigned status or until the 49461
salesperson leaves the brokerage or is terminated. The broker 49462
shall keep each salesperson's license in a way that it can, and 49463
shall on request, be made immediately available for public 49464
inspection at the office or place of business of the broker. 49465
Except as provided in divisions (G) and (H) of this section, 49466
immediately upon the salesperson's leaving the association or 49467
termination of the association of a real estate salesperson with 49468
the broker, the broker shall return the salesperson's license to 49469
the superintendent of real estate. 49470

The failure of a broker to return the license of a real 49471
estate salesperson or broker who leaves or who is terminated, via 49472
certified mail return receipt requested, within three business 49473
days of the receipt of a written request from the superintendent 49474
for the return of the license, is prima-facie evidence of 49475
misconduct under division (A)(6) of section 4735.18 of the Revised 49476

Code.	49477
(C) A licensee shall notify the superintendent in writing	49478
within fifteen days of any of the following occurrences:	49479
(1) The licensee is convicted of a felony.	49480
(2) The licensee is convicted of a crime involving moral turpitude.	49481 49482
(3) The licensee is found to have violated any federal, state, or municipal civil rights law pertaining to discrimination in housing.	49483 49484 49485
(4) The licensee is found to have engaged in a discriminatory practice pertaining to housing accommodations described in division (H) of section 4112.02 of the Revised Code.	49486 49487 49488
(5) The licensee is the subject of an order by the department of commerce, the department of insurance, or the department of agriculture revoking or permanently surrendering any professional license, certificate, or registration.	49489 49490 49491 49492
(6) The licensee is the subject of an order by any government agency concerning real estate, financial matters, or the performance of fiduciary duties with respect to any license, certificate, or registration.	49493 49494 49495 49496
If a licensee fails to notify the superintendent within the required time, the superintendent immediately may suspend the license of the licensee.	49497 49498 49499
Any court that convicts a licensee of a violation of any municipal civil rights law pertaining to housing discrimination also shall notify the Ohio civil rights commission within fifteen days of the conviction.	49500 49501 49502 49503
(D) In case of any change of business location, a broker shall give notice to the superintendent, on a form prescribed by the superintendent, within thirty days after the change of	49504 49505 49506

location, whereupon the superintendent shall issue new licenses 49507
for the unexpired period without charge. If a broker changes a 49508
business location without giving the required notice and without 49509
receiving new licenses that action is prima-facie evidence of 49510
misconduct under division (A)(6) of section 4735.18 of the Revised 49511
Code. 49512

(E) If a real estate broker desires to associate with another 49513
real estate broker in the capacity of a real estate salesperson, 49514
the broker shall apply to the superintendent to deposit the 49515
broker's real estate broker's license with the superintendent and 49516
for the issuance of a real estate salesperson's license. The 49517
application shall be made on a form prescribed by the 49518
superintendent and shall be accompanied by the recommendation of 49519
the real estate broker with whom the applicant intends to become 49520
associated and a fee of ~~twenty-five~~ thirty-four dollars for the 49521
real estate salesperson's license. One dollar of the fee shall be 49522
credited to the real estate education and research fund. If the 49523
superintendent is satisfied that the applicant is honest, 49524
truthful, and of good reputation, has not been convicted of a 49525
felony or a crime involving moral turpitude, and has not been 49526
finally adjudged by a court to have violated any municipal, state, 49527
or federal civil rights laws relevant to the protection of 49528
purchasers or sellers of real estate, and that the association of 49529
the real estate broker and the applicant will be in the public 49530
interest, the superintendent shall grant the application and issue 49531
a real estate salesperson's license to the applicant. Any license 49532
so deposited with the superintendent shall be subject to this 49533
chapter. A broker who intends to deposit the broker's license with 49534
the superintendent, as provided in this section, shall give 49535
written notice of this fact in a format prescribed by the 49536
superintendent to all salespersons associated with the broker when 49537
applying to place the broker's license on deposit. 49538

(F) If a real estate broker desires to become a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation that is or intends to become a licensed real estate broker, the broker shall notify the superintendent of the broker's intentions. The notice of intention shall be on a form prescribed by the superintendent and shall be accompanied by a fee of ~~twenty-five~~ thirty-four dollars. One dollar of the fee shall be credited to the real estate education and research fund.

A licensed real estate broker who is a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation shall only act as a real estate broker for such partnership, association, limited liability company, limited liability partnership, or corporation.

(G)(1) If a real estate broker or salesperson enters the armed forces, the broker or salesperson may place the broker's or salesperson's license on deposit with the Ohio real estate commission. The licensee shall not be required to renew the license until the renewal date that follows the date of discharge from the armed forces. Any license deposited with the commission shall be subject to this chapter.

Any licensee whose license is on deposit under this division and who fails to meet the continuing education requirements of section 4735.141 of the Revised Code because the licensee is in the armed forces shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months of the licensee's first birthday after discharge or within the amount of time equal to the total number of months the licensee spent on active duty, whichever is greater. The licensee shall submit proper documentation of active duty service and the length of that active duty service to the superintendent. The extension shall not exceed the total number of months that the

licensee served in active duty. The superintendent shall notify 49571
the licensee of the licensee's obligations under section 4735.141 49572
of the Revised Code at the time the licensee applies for 49573
reactivation of the licensee's license. 49574

(2) If a licensee is a spouse of a member of the armed forces 49575
and the spouse's service resulted in the licensee's absence from 49576
this state, both of the following apply: 49577

(a) The licensee shall not be required to renew the license 49578
until the renewal date that follows the date of the spouse's 49579
discharge from the armed forces. 49580

(b) If the licensee fails to meet the continuing education 49581
requirements of section 4735.141 of the Revised Code, the licensee 49582
shall satisfy the commission that the licensee has complied with 49583
the continuing education requirements within twelve months after 49584
the licensee's first birthday after the spouse's discharge or 49585
within the amount of time equal to the total number of months the 49586
licensee's spouse spent on active duty, whichever is greater. The 49587
licensee shall submit proper documentation of the spouse's active 49588
duty service and the length of that active duty service. This 49589
extension shall not exceed the total number of months that the 49590
licensee's spouse served in active duty. 49591

(3) In the case of a licensee as described in division (G)(2) 49592
of this section, who holds the license through a reciprocity 49593
agreement with another state, the spouse's service shall have 49594
resulted in the licensee's absence from the licensee's state of 49595
residence for the provisions of that division to apply. 49596

(4) As used in this division, "armed forces" means the armed 49597
forces of the United States or reserve component of the armed 49598
forces of the United States including the Ohio national guard or 49599
the national guard of any other state. 49600

(H) If a licensed real estate salesperson submits an 49601

application to the superintendent to leave the association of one 49602
broker to associate with a different broker, the broker possessing 49603
the licensee's license need not return the salesperson's license 49604
to the superintendent. The superintendent may process the 49605
application regardless of whether the licensee's license is 49606
returned to the superintendent. 49607

Sec. 4735.143. (A) Each person applying for the real estate 49608
broker or salesperson license examination, including applications 49609
for a license through reciprocity with another state, shall 49610
disclose on the application whether the applicant has been 49611
convicted of a felony or crime of moral turpitude as defined in 49612
section 4776.10 of the Revised Code. Each person applying for a 49613
license shall submit one complete set of fingerprint impressions 49614
directly to the superintendent of the bureau of criminal 49615
identification and investigation for the purpose of conducting a 49616
criminal records check. The applicant shall provide the 49617
fingerprint impressions using a method the superintendent of the 49618
bureau of criminal identification and investigation prescribes and 49619
fill out the form the superintendent prescribes pursuant to 49620
division (C) of section 109.572 of the Revised Code. Upon 49621
receiving an application under this section, the superintendent of 49622
real estate and professional licensing shall request the 49623
superintendent of the bureau of criminal identification and 49624
investigation, or a vendor approved by the bureau, to conduct a 49625
criminal records check based on the applicant's fingerprint 49626
impressions in accordance with division (A)(16) of section 109.572 49627
of the Revised Code. Notwithstanding division (K) of section 49628
121.08 of the Revised Code, the superintendent of real estate and 49629
professional licensing shall request that criminal record 49630
information based on the applicant's fingerprints be obtained from 49631
the federal bureau of investigation as part of the criminal 49632
records check. Any fee required under division (C)(3) of section 49633

109.572 of the Revised Code shall be paid by the applicant. 49634

(B) An applicant who disclosed on the application that the applicant has been convicted of a felony or crime of moral turpitude shall only be permitted to take the examination after the results of the criminal records check have been received by the superintendent and the superintendent has made a determination to disregard the conviction because the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's activities and employment record since the conviction show that the applicant is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant again will violate the laws involved. 49635

(C) Persons who have indicated on the application that they have not been convicted of a felony or crime of moral turpitude, shall, if all other requirements for licensure have been satisfied, be permitted to take the real estate examination for which the applicant has applied prior to the superintendent's receipt of the results of the criminal records check. If the applicant receives a passing score on the examination and meets the other requirements for the license, the superintendent shall issue a provisional license pending the results of the criminal records check. During this provisional status, the licensee may perform acts that require a real estate license. If the results of the criminal records check subsequently confirm that the licensee has no convictions, the provisional status shall be removed. If it is determined that the licensee has been convicted of a felony or crime of moral turpitude, the superintendent may immediately suspend the license of the licensee. 49646

(D) In all cases, the fee and any penalty shall accompany the 49722
application for the license, license transfer, or license 49723

(E) The commission may establish by rule reasonable fees for 49725

services not otherwise established by this chapter. 49726

(F) The commission may adopt rules that provide for a 49727

Sec. 4735.18. (A) Subject to section 4735.32 of the Revised 49730
Code, the superintendent of real estate, upon the superintendent's 49731
own motion, may investigate the conduct of any licensee. Subject 49732
to division (E) of this section and section 4735.32 of the Revised 49733
Code, the Ohio real estate commission shall impose disciplinary 49734
sanctions upon any licensee who, whether or not acting in the 49735
licensee's capacity as a real estate broker or salesperson, or in 49736
handling the licensee's own property, is found to have been 49737
convicted of a felony or a crime of moral turpitude, and may 49738
impose disciplinary sanctions upon any licensee who, in the 49739
licensee's capacity as a real estate broker or salesperson, or in 49740
handling the licensee's own property, is found guilty of: 49741

(1) Knowingly making any misrepresentation; 49742

(2) Making any false promises with intent to influence, 49743

(3) A continued course of misrepresentation or the making of 49745
false promises through agents, salespersons, advertising, or 49746
otherwise; 49747

(4) Acting for more than one party in a transaction except as 49748

comply, notwithstanding any conflicting provision of the Revised 50815
Code or procedure of the agency or board that applies when it is 50816
dealing with other information in its possession. In a judicial 50817
proceeding, the information may be admitted into evidence only in 50818

The state medical board shall not grant to an applicant a 51148
~~certificate~~ license to practice as an anesthesiologist assistant 51149

the Revised Code. 51153

Sec. 4760.04. If the state medical board determines under 51154

found guilty, or for which the applicant has been found eligible 51185
for intervention in lieu of conviction, since last signing an 51186

~~certificate~~ license upon an applicant's submission of a renewal 51202
application, the biennial renewal fee, and the applicable monetary 51203
penalty. The penalty for reinstatement is twenty-five dollars. ~~If~~ 51204

If a ~~certificate~~ license has been suspended pursuant to this 51205
division for more than two years, it may be restored. Subject to 51206
section 4760.061 of the Revised Code, the board may restore the 51207

the results of the criminal records check do not make the 51213
applicant ineligible for a certificate issued pursuant to section 51214
4760.04 of the Revised Code. The penalty for restoration is fifty 51215
dollars. 51216

Sec. 4760.061. (A) This section applies to both of the 51217

inactivity. The board shall not issue or restore a license under 51252
this section unless the applicant complies with sections 4776.01 51253
to 4776.04 of the Revised Code. 51254

Sec. 4760.13. (A) The state medical board, by an affirmative 51255
vote of not fewer than six members, may revoke or may refuse to 51256
grant a ~~certificate~~ license to practice as an anesthesiologist 51257
assistant to a person found by the board to have committed fraud, 51258

(20) Failure to cooperate in an investigation conducted by 51341
the board under section 4760.14 of the Revised Code, including 51342
failure to comply with a subpoena or order issued by the board or 51343
failure to answer truthfully a question presented by the board at 51344
a deposition or in written interrogatories, except that failure to 51345
cooperate with an investigation shall not constitute grounds for 51346
discipline under this section if a court of competent jurisdiction 51347
has issued an order that either quashes a subpoena or permits the 51348
individual to withhold the testimony or evidence in issue; 51349

(21) Failure to comply with any code of ethics established by 51350
the national commission for the certification of anesthesiologist 51351

(22) Failure to notify the state medical board of the 51353
revocation or failure to maintain certification from the national 51354
commission for certification of anesthesiologist assistants. 51355

(C) Disciplinary actions taken by the board under divisions 51356
(A) and (B) of this section shall be taken pursuant to an 51357
adjudication under Chapter 119. of the Revised Code, except that 51358
in lieu of an adjudication, the board may enter into a consent 51359
agreement with an anesthesiologist assistant or applicant to 51360
resolve an allegation of a violation of this chapter or any rule 51361
adopted under it. A consent agreement, when ratified by an 51362
affirmative vote of not fewer than six members of the board, shall 51363
constitute the findings and order of the board with respect to the 51364
matter addressed in the agreement. If the board refuses to ratify 51365
a consent agreement, the admissions and findings contained in the 51366
consent agreement shall be of no force or effect. 51367

(D) For purposes of divisions (B)(11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or ~~certificate~~ license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the ~~certificate~~ license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal on technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect on a prior board order entered under the provisions of this section or on the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) For purposes of this division, any individual who holds a ~~certificate~~ license to practice issued under this chapter, or applies for a ~~certificate~~ license to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, on a showing of a possible violation, may compel any individual who holds a ~~certificate~~ license to practice issued under this chapter or who has applied for a ~~certificate~~ license to practice

pursuant to this chapter to submit to a mental or physical 51400
examination, or both. A physical examination may include an HIV 51401
test. The expense of the examination is the responsibility of the 51402
individual compelled to be examined. Failure to submit to a mental 51403
or physical examination or consent to an HIV test ordered by the 51404
board constitutes an admission of the allegations against the 51405
individual unless the failure is due to circumstances beyond the 51406
individual's control, and a default and final order may be entered 51407
without the taking of testimony or presentation of evidence. If 51408
the board finds an anesthesiologist assistant unable to practice 51409
because of the reasons set forth in division (B)(5) of this 51410
section, the board shall require the anesthesiologist assistant to 51411
submit to care, counseling, or treatment by physicians approved or 51412
designated by the board, as a condition for an initial, continued, 51413
reinstated, or renewed ~~certificate~~ license to practice. An 51414
individual affected by this division shall be afforded an 51415
opportunity to demonstrate to the board the ability to resume 51416
practicing in compliance with acceptable and prevailing standards 51417
of care. 51418

(2) For purposes of division (B)(6) of this section, if the 51419
board has reason to believe that any individual who holds a 51420
~~certificate~~ license to practice issued under this chapter or any 51421
applicant for a ~~certificate~~ license to practice suffers such 51422
impairment, the board may compel the individual to submit to a 51423
mental or physical examination, or both. The expense of the 51424
examination is the responsibility of the individual compelled to 51425
be examined. Any mental or physical examination required under 51426
this division shall be undertaken by a treatment provider or 51427
physician qualified to conduct such examination and chosen by the 51428
board. 51429

Failure to submit to a mental or physical examination ordered 51430
by the board constitutes an admission of the allegations against 51431

the individual unless the failure is due to circumstances beyond 51432
the individual's control, and a default and final order may be 51433
entered without the taking of testimony or presentation of 51434
evidence. If the board determines that the individual's ability to 51435
practice is impaired, the board shall suspend the individual's 51436
~~certificate~~ license or deny the individual's application and shall 51437
require the individual, as a condition for an initial, continued, 51438
reinstated, or renewed ~~certificate~~ license to practice, to submit 51439
to treatment. 51440

Before being eligible to apply for reinstatement of a 51441
~~certificate~~ license suspended under this division, the 51442
anesthesiologist assistant shall demonstrate to the board the 51443
ability to resume practice in compliance with acceptable and 51444
prevailing standards of care. The demonstration shall include the 51445
following: 51446

(a) Certification from a treatment provider approved under 51447
section 4731.25 of the Revised Code that the individual has 51448
successfully completed any required inpatient treatment; 51449

(b) Evidence of continuing full compliance with an aftercare 51450
contract or consent agreement; 51451

(c) Two written reports indicating that the individual's 51452
ability to practice has been assessed and that the individual has 51453
been found capable of practicing according to acceptable and 51454
prevailing standards of care. The reports shall be made by 51455
individuals or providers approved by the board for making such 51456
assessments and shall describe the basis for their determination. 51457

The board may reinstate a ~~certificate~~ license suspended under 51458
this division after such demonstration and after the individual 51459
has entered into a written consent agreement. 51460

When the impaired anesthesiologist assistant resumes 51461
practice, the board shall require continued monitoring of the 51462

anesthesiologist assistant. The monitoring shall include 51463
monitoring of compliance with the written consent agreement 51464
entered into before reinstatement or with conditions imposed by 51465
board order after a hearing, and, on termination of the consent 51466
agreement, submission to the board for at least two years of 51467
annual written progress reports made under penalty of 51468
falsification stating whether the anesthesiologist assistant has 51469
maintained sobriety. 51470

(G) If the secretary and supervising member determine that 51471
there is clear and convincing evidence that an anesthesiologist 51472
assistant has violated division (B) of this section and that the 51473
individual's continued practice presents a danger of immediate and 51474
serious harm to the public, they may recommend that the board 51475
suspend the individual's ~~certificate~~ license without a prior 51476
hearing. Written allegations shall be prepared for consideration 51477
by the board. 51478

The board, on review of the allegations and by an affirmative 51479
vote of not fewer than six of its members, excluding the secretary 51480
and supervising member, may suspend a ~~certificate~~ license without 51481
a prior hearing. A telephone conference call may be utilized for 51482
reviewing the allegations and taking the vote on the summary 51483
suspension. 51484

The board shall issue a written order of suspension by 51485
certified mail or in person in accordance with section 119.07 of 51486
the Revised Code. The order shall not be subject to suspension by 51487
the court during pendency of any appeal filed under section 119.12 51488
of the Revised Code. If the anesthesiologist assistant requests an 51489
adjudicatory hearing by the board, the date set for the hearing 51490
shall be within fifteen days, but not earlier than seven days, 51491
after the anesthesiologist assistant requests the hearing, unless 51492
otherwise agreed to by both the board and the ~~certificate~~ license 51493
holder. 51494

A summary suspension imposed under this division shall remain 51495
in effect, unless reversed on appeal, until a final adjudicative 51496
order issued by the board pursuant to this section and Chapter 51497
119. of the Revised Code becomes effective. The board shall issue 51498
its final adjudicative order within sixty days after completion of 51499
its hearing. Failure to issue the order within sixty days shall 51500
result in dissolution of the summary suspension order, but shall 51501
not invalidate any subsequent, final adjudicative order. 51502

(H) If the board takes action under division (B)(11), (13), 51503
or (14) of this section, and the judicial finding of guilt, guilty 51504
plea, or judicial finding of eligibility for intervention in lieu 51505
of conviction is overturned on appeal, on exhaustion of the 51506
criminal appeal, a petition for reconsideration of the order may 51507
be filed with the board along with appropriate court documents. On 51508
receipt of a petition and supporting court documents, the board 51509
shall reinstate the ~~certificate~~ license to practice. The board may 51510
then hold an adjudication under Chapter 119. of the Revised Code 51511
to determine whether the individual committed the act in question. 51512
Notice of opportunity for hearing shall be given in accordance 51513
with Chapter 119. of the Revised Code. If the board finds, 51514
pursuant to an adjudication held under this division, that the 51515
individual committed the act, or if no hearing is requested, it 51516
may order any of the sanctions specified in division (B) of this 51517
section. 51518

(I) The ~~certificate~~ license to practice of an 51519
anesthesiologist assistant and the assistant's practice in this 51520
state are automatically suspended as of the date the 51521
anesthesiologist assistant pleads guilty to, is found by a judge 51522
or jury to be guilty of, or is subject to a judicial finding of 51523
eligibility for intervention in lieu of conviction in this state 51524
or treatment of intervention in lieu of conviction in another 51525
jurisdiction for any of the following criminal offenses in this 51526

state or a substantially equivalent criminal offense in another 51527
jurisdiction: aggravated murder, murder, voluntary manslaughter, 51528
felonious assault, kidnapping, rape, sexual battery, gross sexual 51529
imposition, aggravated arson, aggravated robbery, or aggravated 51530
burglary. Continued practice after the suspension shall be 51531
considered practicing without a ~~certificate~~ license. 51532

The board shall notify the individual subject to the 51533
suspension by certified mail or in person in accordance with 51534
section 119.07 of the Revised Code. If an individual whose 51535
~~certificate~~ license is suspended under this division fails to make 51536
a timely request for an adjudication under Chapter 119. of the 51537
Revised Code, the board shall enter a final order permanently 51538
revoking the individual's ~~certificate~~ license to practice. 51539

(J) In any instance in which the board is required by Chapter 51540
119. of the Revised Code to give notice of opportunity for hearing 51541
and the individual subject to the notice does not timely request a 51542
hearing in accordance with section 119.07 of the Revised Code, the 51543
board is not required to hold a hearing, but may adopt, by an 51544
affirmative vote of not fewer than six of its members, a final 51545
order that contains the board's findings. In the final order, the 51546
board may order any of the sanctions identified under division (A) 51547
or (B) of this section. 51548

(K) Any action taken by the board under division (B) of this 51549
section resulting in a suspension shall be accompanied by a 51550
written statement of the conditions under which the 51551
anesthesiologist assistant's ~~certificate~~ license may be 51552
reinstated. The board shall adopt rules in accordance with Chapter 51553
119. of the Revised Code governing conditions to be imposed for 51554
reinstatement. Reinstatement of a ~~certificate~~ license suspended 51555
pursuant to division (B) of this section requires an affirmative 51556
vote of not fewer than six members of the board. 51557

(L) When the board refuses to grant or issue a ~~certificate~~ 51558

license to practice as an anesthesiologist assistant to an 51559
applicant, revokes an individual's ~~certificate~~ license, refuses to 51560
renew an individual's ~~certificate~~ license, or refuses to reinstate 51561
an individual's ~~certificate~~ license, the board may specify that 51562
its action is permanent. An individual subject to a permanent 51563
action taken by the board is forever thereafter ineligible to hold 51564
a ~~certificate~~ license to practice as an anesthesiologist assistant 51565
and the board shall not accept an application for reinstatement of 51566
the ~~certificate~~ license or for issuance of a new ~~certificate~~ 51567
license. 51568

(M) Notwithstanding any other provision of the Revised Code, 51569
all of the following apply: 51570

(1) The surrender of a ~~certificate~~ license to practice issued 51571
under this chapter is not effective unless or until accepted by 51572
the board. Reinstatement of a ~~certificate~~ license surrendered to 51573
the board requires an affirmative vote of not fewer than six 51574
members of the board. 51575

(2) An application made under this chapter for a ~~certificate~~ 51576
license to practice may not be withdrawn without approval of the 51577
board. 51578

(3) Failure by an individual to renew a ~~certificate~~ license 51579
to practice in accordance with section 4760.06 of the Revised Code 51580
shall not remove or limit the board's jurisdiction to take 51581
disciplinary action under this section against the individual. 51582

Sec. 4760.131. On receipt of a notice pursuant to section 51583
3123.43 of the Revised Code, the state medical board shall comply 51584
with sections 3123.41 to 3123.50 of the Revised Code and any 51585
applicable rules adopted under section 3123.63 of the Revised Code 51586
with respect to a ~~certificate~~ license to practice as an 51587
anesthesiologist assistant issued pursuant to this chapter. 51588

Sec. 4760.132. If the state medical board has reason to 51589
believe that any person who has been granted a ~~certificate~~ license 51590
to practice as an anesthesiologist assistant under this chapter is 51591
mentally ill or mentally incompetent, it may file in the probate 51592
court of the county in which the person has a legal residence an 51593
affidavit in the form prescribed in section 5122.11 of the Revised 51594
Code and signed by the board secretary or a member of the board 51595
secretary's staff, whereupon the same proceedings shall be had as 51596
provided in Chapter 5122. of the Revised Code. The attorney 51597
general may represent the board in any proceeding commenced under 51598
this section. 51599

If any person who has been granted a ~~certificate~~ license to 51600
practice is adjudged by a probate court to be mentally ill or 51601
mentally incompetent, the person's ~~certificate~~ license shall be 51602
automatically suspended until the person has filed with the state 51603
medical board a certified copy of an adjudication by a probate 51604
court of the person's subsequent restoration to competency or has 51605
submitted to the board proof, satisfactory to the board, that the 51606
person has been discharged as having a restoration to competency 51607
in the manner and form provided in section 5122.38 of the Revised 51608
Code. The judge of the probate court shall forthwith notify the 51609
state medical board of an adjudication of mental illness or mental 51610
incompetence, and shall note any suspension of a ~~certificate~~ 51611
license in the margin of the court's record of such ~~certificate~~ 51612
license. 51613

Sec. 4760.14. (A) The state medical board shall investigate 51614
evidence that appears to show that any person has violated this 51615
chapter or the rules adopted under it. Any person may report to 51616
the board in a signed writing any information the person has that 51617
appears to show a violation of any provision of this chapter or 51618
the rules adopted under it. In the absence of bad faith, a person 51619

who reports such information or testifies before the board in an 51620
adjudication conducted under Chapter 119. of the Revised Code 51621
shall not be liable for civil damages as a result of reporting the 51622
information or providing testimony. Each complaint or allegation 51623
of a violation received by the board shall be assigned a case 51624
number and be recorded by the board. 51625

(B) Investigations of alleged violations of this chapter or 51626
rules adopted under it shall be supervised by the supervising 51627
member elected by the board in accordance with section 4731.02 of 51628
the Revised Code and by the secretary as provided in section 51629
4760.15 of the Revised Code. The board's president may designate 51630
another member of the board to supervise the investigation in 51631
place of the supervising member. A member of the board who 51632
supervises the investigation of a case shall not participate in 51633
further adjudication of the case. 51634

(C) In investigating a possible violation of this chapter or 51635
the rules adopted under it, the board may administer oaths, order 51636
the taking of depositions, issue subpoenas, and compel the 51637
attendance of witnesses and production of books, accounts, papers, 51638
records, documents, and testimony, except that a subpoena for 51639
patient record information shall not be issued without 51640
consultation with the attorney general's office and approval of 51641
the secretary and supervising member of the board. Before issuance 51642
of a subpoena for patient record information, the secretary and 51643
supervising member shall determine whether there is probable cause 51644
to believe that the complaint filed alleges a violation of this 51645
chapter or the rules adopted under it and that the records sought 51646
are relevant to the alleged violation and material to the 51647
investigation. The subpoena may apply only to records that cover a 51648
reasonable period of time surrounding the alleged violation. 51649

On failure to comply with any subpoena issued by the board 51650

and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence. When the person being served is an anesthesiologist assistant, service of the subpoena may be made by certified mail, restricted delivery, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery.

A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(D) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(E) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.

The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing

boards, and other governmental agencies that are prosecuting, 51682
adjudicating, or investigating alleged violations of statutes or 51683
administrative rules. An agency or board that receives the 51684
information shall comply with the same requirements regarding 51685
confidentiality as those with which the state medical board must 51686
comply, notwithstanding any conflicting provision of the Revised 51687
Code or procedure of the agency or board that applies when it is 51688
dealing with other information in its possession. In a judicial 51689
proceeding, the information may be admitted into evidence only in 51690
accordance with the Rules of Evidence, but the court shall require 51691
that appropriate measures are taken to ensure that confidentiality 51692
is maintained with respect to any part of the information that 51693
contains names or other identifying information about patients or 51694
complainants whose confidentiality was protected by the state 51695
medical board when the information was in the board's possession. 51696
Measures to ensure confidentiality that may be taken by the court 51697
include sealing its records or deleting specific information from 51698
its records. 51699

(F) The state medical board shall develop requirements for 51700
and provide appropriate initial training and continuing education 51701
for investigators employed by the board to carry out its duties 51702
under this chapter. The training and continuing education may 51703
include enrollment in courses operated or approved by the Ohio 51704
peace officer training commission that the board considers 51705
appropriate under conditions set forth in section 109.79 of the 51706
Revised Code. 51707

(G) On a quarterly basis, the board shall prepare a report 51708
that documents the disposition of all cases during the preceding 51709
three months. The report shall contain the following information 51710
for each case with which the board has completed its activities: 51711

(1) The case number assigned to the complaint or alleged 51712
violation; 51713

(2) The type of ~~certificate~~ license to practice, if any, held 51714
by the individual against whom the complaint is directed; 51715

(3) A description of the allegations contained in the 51716
complaint; 51717

(4) The disposition of the case. 51718

The report shall state how many cases are still pending, and 51719
shall be prepared in a manner that protects the identity of each 51720
person involved in each case. The report is a public record for 51721
purposes of section 149.43 of the Revised Code. 51722

Sec. 4760.15. (A) As used in this section, "prosecutor" has 51723
the same meaning as in section 2935.01 of the Revised Code. 51724

(B) Whenever any person holding a valid ~~certificate~~ license 51725
issued pursuant to this chapter pleads guilty to, is subject to a 51726
judicial finding of guilt of, or is subject to a judicial finding 51727
of eligibility for intervention in lieu of conviction for a 51728
violation of Chapter 2907., 2925., or 3719. of the Revised Code or 51729
of any substantively comparable ordinance of a municipal 51730
corporation in connection with the person's practice, the 51731
prosecutor in the case, on forms prescribed and provided by the 51732
state medical board, shall promptly notify the board of the 51733
conviction. Within thirty days of receipt of that information, the 51734
board shall initiate action in accordance with Chapter 119. of the 51735
Revised Code to determine whether to suspend or revoke the 51736
~~certificate~~ license under section 4760.13 of the Revised Code. 51737

chapter, on forms prescribed and provided by the state medical 51740
board, shall notify the board of any of the following: 51741

(1) A plea of guilty to, a finding of guilt by a jury or 51742
court of, or judicial finding of eligibility for intervention in 51743

court issues an order of dismissal upon technical or procedural 51745
grounds of a felony charge; 51746

(2) A plea of guilty to, a finding of guilt by a jury or 51747
court of, or judicial finding of eligibility for intervention in 51748
lieu of conviction for a misdemeanor committed in the course of 51749
practice, or a case in which the trial court issues an order of 51750
dismissal upon technical or procedural grounds of a charge of a 51751
misdemeanor, if the alleged act was committed in the course of 51752
practice; 51753

(3) A plea of guilty to, a finding of guilt by a jury or 51754
court of, or judicial finding of eligibility for intervention in 51755
lieu of conviction for a misdemeanor involving moral turpitude, or 51756
a case in which the trial court issues an order of dismissal upon 51757
technical or procedural grounds of a charge of a misdemeanor 51758
involving moral turpitude. 51759

The report shall include the name and address of the 51760
~~certificate~~ license holder, the nature of the offense for which 51761
the action was taken, and the certified court documents recording 51762
the action. 51763

Sec. 4760.16. (A) Within sixty days after the imposition of 51764
any formal disciplinary action taken by any health care facility, 51765
including a hospital, health care facility operated by ~~an~~ a health 51766
insuring corporation, ambulatory surgical facility, or similar 51767
facility, against any individual holding a valid ~~certificate~~ 51768
license to practice as an anesthesiologist assistant, the chief 51769
administrator or executive officer of the facility shall report to 51770
the state medical board the name of the individual, the action 51771
taken by the facility, and a summary of the underlying facts 51772
leading to the action taken. On request, the board shall be 51773
provided certified copies of the patient records that were the 51774

basis for the facility's action. Prior to release to the board, 51775
the summary shall be approved by the peer review committee that 51776
reviewed the case or by the governing board of the facility. 51777

The filing of a report with the board or decision not to file 51778
a report, investigation by the board, or any disciplinary action 51779
taken by the board, does not preclude a health care facility from 51780
taking disciplinary action against an anesthesiologist assistant. 51781

In the absence of fraud or bad faith, no individual or entity 51782
that provides patient records to the board shall be liable in 51783
damages to any person as a result of providing the records. 51784

(B)(1) Except as provided in division (B)(2) of this section, 51785
an anesthesiologist assistant, professional association or society 51786
of anesthesiologist assistants, physician, or professional 51787
association or society of physicians that believes a violation of 51788
any provision of this chapter, Chapter 4731. of the Revised Code, 51789
or rule of the board has occurred shall report to the board the 51790
information on which the belief is based. 51791

(2) An anesthesiologist assistant, professional association 51792

Revised Code has occurred shall report the information upon which 51796
the belief is based to the monitoring organization conducting the 51797
program established by the board under section 4731.251 of the 51798
Revised Code. If any such report is made to the board, it shall be 51799
referred to the monitoring organization unless the board is aware 51800
that the individual who is the subject of the report does not meet 51801
the program eligibility requirements of section 4731.252 of the 51802
Revised Code. 51803

(C) Any professional association or society composed 51804

board, the name of the individual, the action taken by the 51810
professional organization, and a summary of the underlying facts 51811
leading to the action taken. 51812

The filing of a report with the board or decision not to file 51813
a report, investigation by the board, or any disciplinary action 51814
taken by the board, does not preclude a professional organization 51815
from taking disciplinary action against an anesthesiologist 51816
assistant. 51817

(D) Any insurer providing professional liability insurance to 51818
any person holding a valid ~~certificate~~ license to practice as an 51819

(4) The date of final disposition; 51831

(5) If applicable, the identity of the court in which the 51832

(E) The board may investigate possible violations of this 51834
chapter or the rules adopted under it that are brought to its 51835

attention as a result of the reporting requirements of this 51836
section, except that the board shall conduct an investigation if a 51837
possible violation involves repeated malpractice. As used in this 51838
division, "repeated malpractice" means three or more claims for 51839
malpractice within the previous five-year period, each resulting 51840
in a judgment or settlement in excess of twenty-five thousand 51841
dollars in favor of the claimant, and each involving negligent 51842
conduct by the anesthesiologist assistant. 51843

(F) All summaries, reports, and records received and 51844
maintained by the board pursuant to this section shall be held in 51845
confidence and shall not be subject to discovery or introduction 51846
in evidence in any federal or state civil action involving an 51847
anesthesiologist assistant, supervising physician, or health care 51848
facility arising out of matters that are the subject of the 51849
reporting required by this section. The board may use the 51850
information obtained only as the basis for an investigation, as 51851
evidence in a disciplinary hearing against an anesthesiologist 51852
assistant or supervising physician, or in any subsequent trial or 51853
appeal of a board action or order. 51854

The board may disclose the summaries and reports it receives 51855
under this section only to health care facility committees within 51856

correctness or relevance of the information. The statement shall 51869
at all times accompany that part of the record in contention. 51870

4731.251 of the Revised Code, or refers an impaired 51873
anesthesiologist assistant to a treatment provider approved by the 51874
board under section 4731.25 of the Revised Code shall not be 51875

referral, or provision of the information. 51877

(I) In the absence of fraud or bad faith, a professional 51878

as an acupuncturist: 52400

(A) On receipt of an initial ~~certificate~~ license to practice, 52401
the practice of the oriental medicine practitioner or 52402
acupuncturist is subject to a supervisory period. The supervisory 52403
period shall begin on the date the initial ~~certificate~~ license is 52404
granted and end one year thereafter, except that if the oriental 52405
medicine practitioner or acupuncturist is subject during that year 52406
to disciplinary action taken by the state medical board pursuant 52407
to section 4762.13 of the Revised Code, the supervision shall 52408
continue until the practitioner or acupuncturist has not been 52409
subject to any disciplinary action for one year. 52410

(B) During the supervisory period, both of the following 52411
apply to an oriental medicine practitioner's or acupuncturist's 52412
practice in addition to the applicable requirements of divisions 52413
(D) and (E) of this section: 52414

(1) An oriental medicine practitioner shall perform oriental 52415

received a written referral or prescription for oriental medicine 52417
or acupuncture from a physician or for acupuncture from a 52418
chiropractor. An acupuncturist shall perform acupuncture for a 52419

practitioner or acupuncturist shall provide reports to the 52423
physician or chiropractor on the patient's condition or progress 52424
in treatment and comply with the conditions or restrictions on the 52425
practitioner's or acupuncturist's course of treatment. 52426

(2) The oriental medicine practitioner or acupuncturist shall 52427
perform oriental medicine or acupuncture under the general 52428

chiropractor, except that an oriental medicine practitioner using 52430
herbal therapy in the treatment of a patient shall not provide 52431
herbal therapy under the general supervision of a chiropractor. 52432
General supervision does not require that the oriental medicine 52433
practitioner or acupuncturist and supervising physician or 52434
chiropractor practice in the same office. 52435

(C) After the supervisory period has ended, both of the 52436
following apply to an oriental medicine practitioner's or 52437
acupuncturist's practice in addition to the applicable 52438
requirements of divisions (D) and (E) of this section: 52439

oriental medicine practitioner or acupuncturist shall confirm 52441

the patient is seeking oriental medicine or acupuncture and was 52444
performed by a physician or chiropractor acting within the 52445
physician's or chiropractor's scope of practice. Confirmation that 52446
the diagnostic examination was performed may be made by obtaining 52447

from the patient a signed form stating that the patient has 52448
undergone the examination. 52449

(2) If the patient does not provide the signed form specified 52450
in division (C)(1) of this section or an oriental medicine 52451
practitioner or acupuncturist otherwise determines that the 52452
patient has not undergone the diagnostic examination specified in 52453
that division, the practitioner or acupuncturist shall provide to 52454

the patient that oriental medicine or acupuncture, as applicable, 52461
is not a substitute for conventional medical diagnosis and 52462

(2) On initially meeting a patient in person, the individual 52464
shall provide in writing the individual's name, business address, 52465
and business telephone number, and information on oriental 52466
medicine or acupuncture, as applicable, including the techniques 52467
that are used. 52468

(3) While treating a patient, the individual shall not make a 52469
diagnosis. If a patient's condition is not improving or a patient 52470
requires emergency medical treatment, the individual shall consult 52471
promptly with a physician. 52472

(4) The individual shall maintain records for each patient 52473
treated. The records shall be confidential and shall be retained 52474
for not less than three years following termination of treatment. 52475
The individual shall include in a patient's records the written 52476
referral or prescription pursuant to which ~~the~~ the patient is 52477
treated during a supervisory period and any written referral or 52478

prescription for oriental medicine or acupuncture received for a 52479
patient being treated after the supervisory period. 52480

(E) In an individual's practice of oriental medicine by using 52481
herbal therapy in the treatment of a patient, all of the following 52482
apply: 52483

(1) The oriental medicine practitioner shall provide to the 52484

care providers, including the patient's pharmacist, of the herbal 52492
therapy that has been provided to the patient. 52493

(2) The oriental medicine practitioner shall document all of 52494
the following in the patient's record: 52495

(a) The type, amount, and strength of herbal therapy 52496
recommended for the patient's use; 52497

(b) The counseling and treatment instructions provided to the 52498

(c) Any adverse reaction reported by the patient in 52500
conjunction with the use of herbal therapy. 52501

(3) The oriental medicine practitioner shall report to the 52502
state medical board any adverse reactions reported by the patient 52503
under division (E)(2)(c) of this section. 52504

Sec. 4762.13. (A) The state medical board, by an affirmative 52505
vote of not fewer than six members, may revoke or may refuse to 52506
grant a ~~certificate~~ license to practice as an oriental medicine 52507

practitioner or ~~certificate~~ license to practice as an 52508
acupuncturist to a person found by the board to have committed 52509

the ~~certificate~~ license. 52511

(B) The board, by an affirmative vote of not fewer than six 52512

suspend an individual's ~~certificate~~ license to practice, refuse to 52514

(5) Inability to practice according to acceptable and 52532
prevailing standards of care by reason of mental illness or 52533
physical illness, including physical deterioration that adversely 52534
affects cognitive, motor, or perceptive skills; 52535

(6) Impairment of ability to practice according to acceptable 52536
and prevailing standards of care because of habitual or excessive 52537
use or abuse of drugs, alcohol, or other substances that impair 52538

ability to practice;	52539
(7) Willfully betraying a professional confidence;	52540
(8) Making a false, fraudulent, deceptive, or misleading statement in soliciting or advertising for patients or in securing or attempting to secure a certificate <u>license</u> to practice as an oriental medicine practitioner or certificate <u>license</u> to practice as an acupuncturist.	52541 52542 52543 52544 52545

(9) Representing, with the purpose of obtaining compensation or other advantage personally or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;	52554 52555 52556 52557

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of	52567 52568

conviction for, a misdemeanor committed in the course of practice;	52569
(14) A plea of guilty to, a judicial finding of guilt of, or	52570
a judicial finding of eligibility for intervention in lieu of	52571
conviction for, a misdemeanor involving moral turpitude;	52572
(15) Commission of an act in the course of practice that	52573
constitutes a misdemeanor in this state, regardless of the	52574
jurisdiction in which the act was committed;	52575
(16) Commission of an act involving moral turpitude that	52576
constitutes a misdemeanor in this state, regardless of the	52577
jurisdiction in which the act was committed;	52578
(17) A plea of guilty to, a judicial finding of guilt of, or	52579
a judicial finding of eligibility for intervention in lieu of	52580

trafficking in drugs;	52583
(18) Any of the following actions taken by the state agency	52584
responsible for regulating the practice of oriental medicine or	52585
acupuncture in another jurisdiction, for any reason other than the	52586
nonpayment of fees: the limitation, revocation, or suspension of	52587
an individual's license to practice; acceptance of an individual's	52588

(20) Failure to use universal blood and body fluid	52596
precautions established by rules adopted under section 4731.051 of	52597
the Revised Code;	52598

(21) Failure to cooperate in an investigation conducted by 52599
the board under section 4762.14 of the Revised Code, including 52600
failure to comply with a subpoena or order issued by the board or 52601
failure to answer truthfully a question presented by the board at 52602
a deposition or in written interrogatories, except that failure to 52603
cooperate with an investigation shall not constitute grounds for 52604
discipline under this section if a court of competent jurisdiction 52605
has issued an order that either quashes a subpoena or permits the 52606
individual to withhold the testimony or evidence in issue; 52607

(22) Failure to comply with the standards of the national 52608

from the national certification commission for acupuncture and 52618
oriental medicine, including revocation by the commission of the 52619
individual's designation, failure by the individual to meet the 52620
commission's requirements for redesignation, or failure to notify 52621
the board that the appropriate designation has not been 52622
maintained. 52623

(C) Disciplinary actions taken by the board under divisions 52624
(A) and (B) of this section shall be taken pursuant to an 52625
adjudication under Chapter 119. of the Revised Code, except that 52626
in lieu of an adjudication, the board may enter into a consent 52627
agreement with an oriental medicine practitioner or acupuncturist 52628
or applicant to resolve an allegation of a violation of this 52629
chapter or any rule adopted under it. A consent agreement, when 52630

ratified by an affirmative vote of not fewer than six members of 52631
the board, shall constitute the findings and order of the board 52632
with respect to the matter addressed in the agreement. If the 52633
board refuses to ratify a consent agreement, the admissions and 52634
findings contained in the consent agreement shall be of no force 52635
or effect. 52636

(D) For purposes of divisions (B)(12), (15), and (16) of this 52637
section, the commission of the act may be established by a finding 52638
by the board, pursuant to an adjudication under Chapter 119. of 52639
the Revised Code, that the applicant or ~~certificate~~ license holder 52640
committed the act in question. The board shall have no 52641
jurisdiction under these divisions in cases where the trial court 52642
renders a final judgment in the ~~certificate~~ license holder's favor 52643
and that judgment is based upon an adjudication on the merits. The 52644
board shall have jurisdiction under these divisions in cases where 52645
the trial court issues an order of dismissal upon technical or 52646
procedural grounds. 52647

(E) The sealing of conviction records by any court shall have 52648
no effect upon a prior board order entered under the provisions of 52649
this section or upon the board's jurisdiction to take action under 52650
the provisions of this section if, based upon a plea of guilty, a 52651
judicial finding of guilt, or a judicial finding of eligibility 52652
for intervention in lieu of conviction, the board issued a notice 52653
of opportunity for a hearing or entered into a consent agreement 52654
prior to the court's order to seal the records. The board shall 52655
not be required to seal, destroy, redact, or otherwise modify its 52656
records to reflect the court's sealing of conviction records. 52657

(F) For purposes of this division, any individual who holds a 52658
~~certificate~~ license to practice issued under this chapter, or 52659
applies for a ~~certificate~~ license to practice, shall be deemed to 52660
have given consent to submit to a mental or physical examination 52661
when directed to do so in writing by the board and to have waived 52662

all objections to the admissibility of testimony or examination reports that constitute a privileged communication. 52663
52664

(1) In enforcing division (B)(5) of this section, the board, upon a showing of a possible violation, may compel any individual who holds a ~~certificate~~ license to practice issued under this chapter or who has applied for a ~~certificate~~ license pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an oriental medicine practitioner or acupuncturist unable to practice because of the reasons set forth in division (B)(5) of this section, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed ~~certificate~~ license to practice. An individual affected by this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care. 52665

52687

(2) For purposes of division (B)(6) of this section, if the board has reason to believe that any individual who holds a ~~certificate~~ license to practice issued under this chapter or any applicant for a ~~certificate~~ license suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any 52688

52690
52691
52692
52693
52694

mental or physical examination required under this division shall 52695
be undertaken by a treatment provider or physician qualified to 52696
conduct such examination and chosen by the board. 52697

Failure to submit to a mental or physical examination ordered 52698
by the board constitutes an admission of the allegations against 52699
the individual unless the failure is due to circumstances beyond 52700
the individual's control, and a default and final order may be 52701
entered without the taking of testimony or presentation of 52702
evidence. If the board determines that the individual's ability to 52703
practice is impaired, the board shall suspend the individual's 52704
~~certificate~~ license or deny the individual's application and shall 52705
require the individual, as a condition for an initial, continued, 52706
reinstated, or renewed ~~certificate~~ license, to submit to 52707
treatment. 52708

Before being eligible to apply for reinstatement of a 52709
~~certificate~~ license suspended under this division, the oriental 52710
medicine practitioner or acupuncturist shall demonstrate to the 52711
board the ability to resume practice in compliance with acceptable 52712
and prevailing standards of care. The demonstration shall include 52713
the following: 52714

(a) Certification from a treatment provider approved under 52715
section 4731.25 of the Revised Code that the individual has 52716
successfully completed any required inpatient treatment; 52717

(b) Evidence of continuing full compliance with an aftercare 52718
contract or consent agreement; 52719

(c) Two written reports indicating that the individual's 52720
ability to practice has been assessed and that the individual has 52721
been found capable of practicing according to acceptable and 52722
prevailing standards of care. The reports shall be made by 52723
individuals or providers approved by the board for making such 52724
assessments and shall describe the basis for their determination. 52725

The board may reinstate a ~~certificate~~ license suspended under 52726
this division after such demonstration and after the individual 52727
has entered into a written consent agreement. 52728

When the impaired individual resumes practice, the board 52729
shall require continued monitoring of the individual. The 52730
monitoring shall include monitoring of compliance with the written 52731
consent agreement entered into before reinstatement or with 52732
conditions imposed by board order after a hearing, and, upon 52733
termination of the consent agreement, submission to the board for 52734
at least two years of annual written progress reports made under 52735
penalty of falsification stating whether the individual has 52736
maintained sobriety. 52737

(G) If the secretary and supervising member determine both of 52738
the following, they may recommend that the board suspend an 52739
individual's ~~certificate~~ license to practice without a prior 52740
hearing: 52741

(1) That there is clear and convincing evidence that an 52742
oriental medicine practitioner or acupuncturist has violated 52743
division (B) of this section; 52744

(2) That the individual's continued practice presents a 52745
danger of immediate and serious harm to the public. 52746

Written allegations shall be prepared for consideration by 52747
the board. The board, upon review of the allegations and by an 52748
affirmative vote of not fewer than six of its members, excluding 52749
the secretary and supervising member, may suspend a ~~certificate~~ 52750
license without a prior hearing. A telephone conference call may 52751
be utilized for reviewing the allegations and taking the vote on 52752
the summary suspension. 52753

The board shall issue a written order of suspension by 52754
certified mail or in person in accordance with section 119.07 of 52755
the Revised Code. The order shall not be subject to suspension by 52756

the court during pendency of any appeal filed under section 119.12 52757
of the Revised Code. If the oriental medicine practitioner or 52758
acupuncturist requests an adjudicatory hearing by the board, the 52759
date set for the hearing shall be within fifteen days, but not 52760
earlier than seven days, after the hearing is requested, unless 52761
otherwise agreed to by both the board and the ~~certificate~~ license 52762
holder. 52763

A summary suspension imposed under this division shall remain 52764
in effect, unless reversed on appeal, until a final adjudicative 52765
order issued by the board pursuant to this section and Chapter 52766
119. of the Revised Code becomes effective. The board shall issue 52767
its final adjudicative order within sixty days after completion of 52768
its hearing. Failure to issue the order within sixty days shall 52769
result in dissolution of the summary suspension order, but shall 52770
not invalidate any subsequent, final adjudicative order. 52771

(H) If the board takes action under division (B)(11), (13), 52772
or (14) of this section, and the judicial finding of guilt, guilty 52773
plea, or judicial finding of eligibility for intervention in lieu 52774
of conviction is overturned on appeal, upon exhaustion of the 52775
criminal appeal, a petition for reconsideration of the order may 52776
be filed with the board along with appropriate court documents. 52777
Upon receipt of a petition and supporting court documents, the 52778
board shall reinstate the ~~certificate to practice~~ license. The 52779
board may then hold an adjudication under Chapter 119. of the 52780
Revised Code to determine whether the individual committed the act 52781
in question. Notice of opportunity for hearing shall be given in 52782
accordance with Chapter 119. of the Revised Code. If the board 52783
finds, pursuant to an adjudication held under this division, that 52784
the individual committed the act, or if no hearing is requested, 52785
it may order any of the sanctions specified in division (B) of 52786
this section. 52787

(I) The ~~certificate~~ license to practice of an oriental 52788

medicine practitioner or acupuncturist and the practitioner's or 52789
acupuncturist's practice in this state are automatically suspended 52790
as of the date the practitioner or acupuncturist pleads guilty to, 52791
is found by a judge or jury to be guilty of, or is subject to a 52792
judicial finding of eligibility for intervention in lieu of 52793
conviction in this state or treatment or intervention in lieu of 52794
conviction in another jurisdiction for any of the following 52795
criminal offenses in this state or a substantially equivalent 52796
criminal offense in another jurisdiction: aggravated murder, 52797
murder, voluntary manslaughter, felonious assault, kidnapping, 52798
rape, sexual battery, gross sexual imposition, aggravated arson, 52799
aggravated robbery, or aggravated burglary. Continued practice 52800
after the suspension shall be considered practicing without a 52801
~~certificate~~ license. 52802

The board shall notify the individual subject to the 52803
suspension by certified mail or in person in accordance with 52804
section 119.07 of the Revised Code. If an individual whose 52805
~~certificate~~ license is suspended under this division fails to make 52806
a timely request for an adjudication under Chapter 119. of the 52807
Revised Code, the board shall enter a final order permanently 52808
revoking the individual's ~~certificate to practice~~ license. 52809

(J) In any instance in which the board is required by Chapter 52810
119. of the Revised Code to give notice of opportunity for hearing 52811
and the individual subject to the notice does not timely request a 52812
hearing in accordance with section 119.07 of the Revised Code, the 52813
board is not required to hold a hearing, but may adopt, by an 52814
affirmative vote of not fewer than six of its members, a final 52815
order that contains the board's findings. In the final order, the 52816
board may order any of the sanctions identified under division (A) 52817
or (B) of this section. 52818

(K) Any action taken by the board under division (B) of this 52819
section resulting in a suspension shall be accompanied by a 52820

written statement of the conditions under which the ~~certificate to~~ 52821
~~practice~~ license may be reinstated. The board shall adopt rules in 52822
accordance with Chapter 119. of the Revised Code governing 52823
conditions to be imposed for reinstatement. Reinstatement of a 52824
~~certificate~~ license suspended pursuant to division (B) of this 52825
section requires an affirmative vote of not fewer than six members 52826
of the board. 52827

(L) When the board refuses to grant or issue a ~~certificate to~~ 52828
~~practice~~ license to an applicant, revokes an individual's 52829
~~certificate~~ license, refuses to renew an individual's ~~certificate~~ 52830
license, or refuses to reinstate an individual's ~~certificate~~ 52831
license, the board may specify that its action is permanent. An 52832
individual subject to a permanent action taken by the board is 52833
forever thereafter ineligible to hold a ~~certificate~~ license to 52834
practice as an oriental medicine practitioner or ~~certificate~~ 52835
license to practice as an acupuncturist and the board shall not 52836
accept an application for reinstatement of the ~~certificate~~ license 52837
or for issuance of a new ~~certificate~~ license. 52838

(M) Notwithstanding any other provision of the Revised Code, 52839
all of the following apply: 52840

(1) The surrender of a ~~certificate~~ license to practice as an 52841
oriental medicine practitioner or ~~certificate~~ license to practice 52842
as an acupuncturist issued under this chapter is not effective 52843
unless or until accepted by the board. Reinstatement of a 52844
~~certificate~~ license surrendered to the board requires an 52845
affirmative vote of not fewer than six members of the board. 52846

(2) An application made under this chapter for a ~~certificate~~ 52847
license may not be withdrawn without approval of the board. 52848

(3) Failure by an individual to renew a ~~certificate~~ license 52849
in accordance with section 4762.06 of the Revised Code shall not 52850
remove or limit the board's jurisdiction to take disciplinary 52851

action under this section against the individual. 52852

Sec. 4762.131. On receipt of a notice pursuant to section 52853
3123.43 of the Revised Code, the state medical board shall comply 52854
with sections 3123.41 to 3123.50 of the Revised Code and any 52855
applicable rules adopted under section 3123.63 of the Revised Code 52856
with respect to a ~~certificate~~ license to practice as an oriental 52857
medicine practitioner or ~~certificate~~ license to practice as an 52858
acupuncturist issued pursuant to this chapter. 52859

Sec. 4762.132. If the state medical board has reason to 52860
believe that any person who has been granted under this chapter a 52861
~~certificate~~ license to practice as an oriental medicine 52862
practitioner or ~~certificate~~ license to practice as an 52863
acupuncturist is mentally ill or mentally incompetent, it may file 52864
in the probate court of the county in which the person has a legal 52865
residence an affidavit in the form prescribed in section 5122.11 52866
of the Revised Code and signed by the board secretary or a member 52867
of the board secretary's staff, whereupon the same proceedings 52868
shall be had as provided in Chapter 5122. of the Revised Code. The 52869
attorney general may represent the board in any proceeding 52870
commenced under this section. 52871

If any person who has been granted a ~~certificate~~ license is 52872
adjudged by a probate court to be mentally ill or mentally 52873
incompetent, the person's ~~certificate~~ license shall be 52874
automatically suspended until the person has filed with the state 52875
medical board a certified copy of an adjudication by a probate 52876
court of the person's subsequent restoration to competency or has 52877
submitted to the board proof, satisfactory to the board, that the 52878
person has been discharged as having a restoration to competency 52879
in the manner and form provided in section 5122.38 of the Revised 52880
Code. The judge of the probate court shall forthwith notify the 52881
state medical board of an adjudication of mental illness or mental 52882

incompetence, and shall note any suspension of a ~~certificate~~ 52883
license in the margin of the court's record of such ~~certificate~~ 52884
license. 52885

Sec. 4762.14. (A) The state medical board shall investigate 52886
evidence that appears to show that any person has violated this 52887
chapter or the rules adopted under it. Any person may report to 52888
the board in a signed writing any information the person has that 52889
appears to show a violation of any provision of this chapter or 52890
the rules adopted under it. In the absence of bad faith, a person 52891
who reports such information or testifies before the board in an 52892
adjudication conducted under Chapter 119. of the Revised Code 52893
shall not be liable for civil damages as a result of reporting the 52894
information or providing testimony. Each complaint or allegation 52895
of a violation received by the board shall be assigned a case 52896
number and be recorded by the board. 52897

(B) Investigations of alleged violations of this chapter or 52898
rules adopted under it shall be supervised by the supervising 52899
member elected by the board in accordance with section 4731.02 of 52900
the Revised Code and by the secretary as provided in section 52901
4762.17 of the Revised Code. The board's president may designate 52902
another member of the board to supervise the investigation in 52903
place of the supervising member. A member of the board who 52904
supervises the investigation of a case shall not participate in 52905
further adjudication of the case. 52906

(C) In investigating a possible violation of this chapter or 52907
the rules adopted under it, the board may administer oaths, order 52908
the taking of depositions, issue subpoenas, and compel the 52909
attendance of witnesses and production of books, accounts, papers, 52910
records, documents, and testimony, except that a subpoena for 52911
patient record information shall not be issued without 52912
consultation with the attorney general's office and approval of 52913

the secretary and supervising member of the board. Before issuance 52914
of a subpoena for patient record information, the secretary and 52915
supervising member shall determine whether there is probable cause 52916
to believe that the complaint filed alleges a violation of this 52917
chapter or the rules adopted under it and that the records sought 52918
are relevant to the alleged violation and material to the 52919
investigation. The subpoena may apply only to records that cover a 52920
reasonable period of time surrounding the alleged violation. 52921

On failure to comply with any subpoena issued by the board 52922
and after reasonable notice to the person being subpoenaed, the 52923
board may move for an order compelling the production of persons 52924
or records pursuant to the Rules of Civil Procedure. 52925

A subpoena issued by the board may be served by a sheriff, 52926
the sheriff's deputy, or a board employee designated by the board. 52927
Service of a subpoena issued by the board may be made by 52928
delivering a copy of the subpoena to the person named therein, 52929
reading it to the person, or leaving it at the person's usual 52930
place of residence. When the person being served is an oriental 52931
medicine practitioner or acupuncturist, service of the subpoena 52932
may be made by certified mail, restricted delivery, return receipt 52933
requested, and the subpoena shall be deemed served on the date 52934
delivery is made or the date the person refuses to accept 52935
delivery. 52936

A sheriff's deputy who serves a subpoena shall receive the 52937
same fees as a sheriff. Each witness who appears before the board 52938
in obedience to a subpoena shall receive the fees and mileage 52939
provided for under section 119.094 of the Revised Code. 52940

(D) All hearings and investigations of the board shall be 52941
considered civil actions for the purposes of section 2305.252 of 52942
the Revised Code. 52943

(E) Information received by the board pursuant to an 52944

investigation is confidential and not subject to discovery in any 52945
civil action. 52946

The board shall conduct all investigations and proceedings in 52947
a manner that protects the confidentiality of patients and persons 52948
who file complaints with the board. The board shall not make 52949
public the names or any other identifying information about 52950
patients or complainants unless proper consent is given. 52951

The board may share any information it receives pursuant to 52952
an investigation, including patient records and patient record 52953
information, with law enforcement agencies, other licensing 52954
boards, and other governmental agencies that are prosecuting, 52955
adjudicating, or investigating alleged violations of statutes or 52956
administrative rules. An agency or board that receives the 52957
information shall comply with the same requirements regarding 52958
confidentiality as those with which the state medical board must 52959
comply, notwithstanding any conflicting provision of the Revised 52960
Code or procedure of the agency or board that applies when it is 52961
dealing with other information in its possession. In a judicial 52962
proceeding, the information may be admitted into evidence only in 52963
accordance with the Rules of Evidence, but the court shall require 52964
that appropriate measures are taken to ensure that confidentiality 52965
is maintained with respect to any part of the information that 52966
contains names or other identifying information about patients or 52967
complainants whose confidentiality was protected by the state 52968
medical board when the information was in the board's possession. 52969
Measures to ensure confidentiality that may be taken by the court 52970
include sealing its records or deleting specific information from 52971
its records. 52972

(F) The state medical board shall develop requirements for 52973
and provide appropriate initial training and continuing education 52974
for investigators employed by the board to carry out its duties 52975
under this chapter. The training and continuing education may 52976

include enrollment in courses operated or approved by the Ohio peace officer training commission that the board considers appropriate under conditions set forth in section 109.79 of the Revised Code.

(G) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(1) The case number assigned to the complaint or alleged violation;

(2) The type of ~~certificate to practice~~ license, if any, held by the individual against whom the complaint is directed;

(3) A description of the allegations contained in the complaint;

(4) The disposition of the case.

The report shall state how many cases are still pending, and shall be prepared in a manner that protects the identity of each person involved in each case. The report is a public record for purposes of section 149.43 of the Revised Code.

Sec. 4762.15. (A) As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid ~~certificate~~ license to practice as an oriental medicine practitioner or valid ~~certificate~~ license to practice as an acupuncturist issued pursuant to this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, the

prosecutor in the case, on forms prescribed and provided by the 53007
state medical board, shall promptly notify the board of the 53008
conviction. Within thirty days of receipt of that information, the 53009
board shall initiate action in accordance with Chapter 119. of the 53010
Revised Code to determine whether to suspend or revoke the 53011
~~certificate~~ license under section 4762.13 of the Revised Code. 53012

(C) The prosecutor in any case against any person holding a 53013
valid ~~certificate to practice~~ license issued pursuant to this 53014
chapter, on forms prescribed and provided by the state medical 53015
board, shall notify the board of any of the following: 53016

(1) A plea of guilty to, a finding of guilt by a jury or 53017
court of, or judicial finding of eligibility for intervention in 53018
lieu of conviction for a felony, or a case in which the trial 53019
court issues an order of dismissal upon technical or procedural 53020
grounds of a felony charge; 53021

(2) A plea of guilty to, a finding of guilt by a jury or 53022
court of, or judicial finding of eligibility for intervention in 53023
lieu of conviction for a misdemeanor committed in the course of 53024
practice, or a case in which the trial court issues an order of 53025
dismissal upon technical or procedural grounds of a charge of a 53026
misdemeanor, if the alleged act was committed in the course of 53027
practice; 53028

(3) A plea of guilty to, a finding of guilt by a jury or 53029
court of, or judicial finding of eligibility for intervention in 53030
lieu of conviction for a misdemeanor involving moral turpitude, or 53031
a case in which the trial court issues an order of dismissal upon 53032
technical or procedural grounds of a charge of a misdemeanor 53033
involving moral turpitude. 53034

The report shall include the name and address of the 53035
~~certificate~~ license holder, the nature of the offense for which 53036
the action was taken, and the certified court documents recording 53037

the action. 53038

Sec. 4762.16. (A) Within sixty days after the imposition of 53039
any formal disciplinary action taken by any health care facility, 53040
including a hospital, health care facility operated by a health 53041
insuring corporation, ambulatory surgical center, or similar 53042
facility, against any individual holding a valid ~~certificate~~ 53043
license to practice as an oriental medicine practitioner or valid 53044
~~certificate~~ license to practice as an acupuncturist, the chief 53045
administrator or executive officer of the facility shall report to 53046
the state medical board the name of the individual, the action 53047
taken by the facility, and a summary of the underlying facts 53048
leading to the action taken. Upon request, the board shall be 53049
provided certified copies of the patient records that were the 53050
basis for the facility's action. Prior to release to the board, 53051
the summary shall be approved by the peer review committee that 53052
reviewed the case or by the governing board of the facility. 53053

The filing of a report with the board or decision not to file 53054
a report, investigation by the board, or any disciplinary action 53055
taken by the board, does not preclude a health care facility from 53056
taking disciplinary action against an oriental medicine 53057
practitioner or acupuncturist. 53058

In the absence of fraud or bad faith, no individual or entity 53059
that provides patient records to the board shall be liable in 53060
damages to any person as a result of providing the records. 53061

(B)(1) Except as provided in division (B)(2) of this section, 53062
an oriental medicine practitioner or acupuncturist, professional 53063
association or society of oriental medicine practitioners or 53064
acupuncturists, physician, or professional association or society 53065
of physicians that believes a violation of any provision of this 53066
chapter, Chapter 4731. of the Revised Code, or rule of the board 53067
has occurred shall report to the board the information upon which 53068

the belief is based. 53069

(2) An oriental medicine practitioner or acupuncturist, 53070
professional association or society of oriental medicine 53071
practitioners or acupuncturists, physician, or professional 53072
association or society of physicians that believes a violation of 53073
division (B)(6) of section 4762.13 of the Revised Code has 53074
occurred shall report the information upon which the belief is 53075
based to the monitoring organization conducting the program 53076
established by the board under section 4731.251 of the Revised 53077
Code. If any such report is made to the board, it shall be 53078
referred to the monitoring organization unless the board is aware 53079
that the individual who is the subject of the report does not meet 53080
the program eligibility requirements of section 4731.252 of the 53081
Revised Code. 53082

(C) Any professional association or society composed 53083
primarily of oriental medicine practitioners or acupuncturists 53084
that suspends or revokes an individual's membership for violations 53085
of professional ethics, or for reasons of professional 53086
incompetence or professional malpractice, within sixty days after 53087
a final decision, shall report to the board, on forms prescribed 53088
and provided by the board, the name of the individual, the action 53089

underlying facts leading to the action taken. 53091

The filing of a report with the board or decision not to file 53092
a report, investigation by the board, or any disciplinary action 53093
taken by the board, does not preclude a professional organization 53094
from taking disciplinary action against an individual. 53095

(D) Any insurer providing professional liability insurance to 53096
any person holding a valid ~~certificate~~ license to practice as an 53097
oriental medicine practitioner or valid ~~certificate~~ license to 53098
practice as an acupuncturist or any other entity that seeks to 53099
indemnify the professional liability of an oriental medicine 53100

practitioner or acupuncturist shall notify the board within thirty 53101

information: 53105

(1) The name and address of the person submitting the 53106
notification; 53107

(2) The name and address of the insured who is the subject of 53108
the claim; 53109

(3) The name of the person filing the written claim; 53110

(4) The date of final disposition; 53111

(5) If applicable, the identity of the court in which the 53112

(E) The board may investigate possible violations of this 53114
chapter or the rules adopted under it that are brought to its 53115
attention as a result of the reporting requirements of this 53116
section, except that the board shall conduct an investigation if a 53117
possible violation involves repeated malpractice. As used in this 53118
division, "repeated malpractice" means three or more claims for 53119
malpractice within the previous five-year period, each resulting 53120
in a judgment or settlement in excess of twenty-five thousand 53121
dollars in favor of the claimant, and each involving negligent 53122
conduct by the oriental medicine practitioner or acupuncturist. 53123

(F) All summaries, reports, and records received and 53124
maintained by the board pursuant to this section shall be held in 53125
confidence and shall not be subject to discovery or introduction 53126
in evidence in any federal or state civil action involving an 53127
oriental medicine practitioner, acupuncturist, supervising 53128
physician, or health care facility arising out of matters that are 53129
the subject of the reporting required by this section. The board 53130
may use the information obtained only as the basis for an 53131

investigation, as evidence in a disciplinary hearing against an 53132
oriental medicine practitioner, acupuncturist, or supervising 53133
physician, or in any subsequent trial or appeal of a board action 53134
or order. 53135

or outside this state that are involved in credentialing or 53138
recredentialing an oriental medicine practitioner, acupuncturist, 53139

not the information has been verified. Information transmitted by 53142
the board shall be subject to the same confidentiality provisions 53143
as when maintained by the board. 53144

(G) Except for reports filed by an individual pursuant to 53145
division (B) of this section, the board shall send a copy of any 53146
reports or summaries it receives pursuant to this section to the 53147
acupuncturist. The oriental medicine practitioner or acupuncturist 53148
shall have the right to file a statement with the board concerning 53149
the correctness or relevance of the information. The statement 53150
shall at all times accompany that part of the record in 53151
contention. 53152

(H) An individual or entity that reports to the board, 53153
reports to the monitoring organization described in section 53154
4731.251 of the Revised Code, or refers an impaired oriental 53155
medicine practitioner or impaired acupuncturist to a treatment 53156
provider approved by the board under section 4731.25 of the 53157
Revised Code shall not be subject to suit for civil damages as a 53158
result of the report, referral, or provision of the information. 53159

(I) In the absence of fraud or bad faith, a professional 53160

agent of such a committee or program, a representative or agent of 53165
the monitoring organization described in section 4731.251 of the 53166
Revised Code, and a member of the state medical board shall not be 53167
held liable in damages to any person by reason of actions taken to 53168

(B) Prior to application for an injunction under division (A) 53184

shall answer the secretary within thirty days showing that the 53190
person is either properly licensed for the stated activity or that 53191
the person is not in violation of this chapter. If the answer is 53192
not forthcoming within thirty days after notice by the secretary, 53193
the secretary shall request that the attorney general, the 53194
prosecuting attorney of the county in which the offense was 53195

committed or the offender resides, or the state medical board 53196

(D) Injunction proceedings as authorized by this section 53203
shall be in addition to, and not in lieu of, all penalties and 53204
other remedies provided in this chapter. 53205

(E) An injunction proceeding permitted by division (A) of 53206
this section may not be maintained against a person described in 53207
division (B) of section 4762.02 of the Revised Code or a 53208

The complaint shall specify the nature of the act or 53253
transaction upon which the underlying judgment was based, the 53254
activities of the applicant in pursuit of remedies available under 53255
law for the collection of judgments, and the amount of the fee 53256
paid by the applicant to the certificate holder, registrant, or 53257

licensee. The applicant shall attach to the complaint a copy of 53258
each pleading and order in the underlying court action. 53259

The Franklin county court of common pleas shall order the 53260
superintendent to make payments out of the fund when the person 53261
seeking the order has shown all of the following: 53262

(1) The person has obtained a judgment, as provided in this 53263
division; 53264

(2) All appeals from the judgment have been exhausted and the 53265
person has given notice to the superintendent, as required by 53266
division (C) of this section; 53267

(3) The person is not a spouse of the certificate holder, 53268
registrant, or licensee, or the personal representative of the 53269
spouse; 53270

(4) The person has diligently pursued the person's remedies 53271
against all the certificate holders, registrants, licensees, and 53272
all other persons liable to the person in the transaction for 53273
which the person seeks recovery from the fund; 53274

(5) The person is making a complaint not more than one year 53275
after termination of all proceedings, including appeals, in 53276
connection with the judgment. 53277

(C) A person who applies to the Franklin county court of 53278
common pleas for an order directing payment out of the fund shall 53279
file notice of the complaint with the superintendent. The 53280
superintendent shall send notice to the affected certificate 53281
holder, registrant, or licensee, where possible. The 53282
superintendent may defend the action on behalf of the fund and 53283
shall have recourse to all appropriate means of defense and 53284
review, including examination of witnesses. The superintendent may 53285
move the court at any time to dismiss the complaint when it 53286
appears there are no triable issues and the complaint is without 53287
merit. The motion may be supported by affidavit of any person 53288

having knowledge of the facts and may be made on the basis that 53289
the complaint, including the judgment referred to in the 53290
complaint, does not form the basis for a meritorious recovery 53291
claim. The superintendent may, subject to court approval, 53292
compromise a claim based upon the complaint of an aggrieved party. 53293
The superintendent is not bound by any prior compromise or 53294
stipulation of the certificate holder, registrant, or licensee. 53295
Upon petition of the superintendent, the court may require all 53296
claimants and prospective claimants against one certificate 53297
holder, registrant, or licensee to be joined in one action, to the 53298
end that the respective rights of all such claimants to the fund 53299
may be equitably adjudicated and settled. 53300

(D) If the superintendent pays from the fund any amount in 53301
settlement of a claim or toward satisfaction of a judgment against 53302
a certificate holder, registrant, or licensee, the certificate, 53303
registration, or license of the certificate holder, registrant, or 53304
licensee automatically is suspended upon the date of payment from 53305
the fund. No certificate, registration, or license that has been 53306
suspended pursuant to this division shall be reinstated until the 53307
certificate holder, registrant, or licensee has repaid in full, 53308
plus interest per annum at the rate specified in division (A) of 53309
section 1343.03 of the Revised Code, the amount paid from the fund 53310
on the certificate holder's, registrant's, or licensee's account. 53311
A discharge in bankruptcy does not relieve a person from the 53312
suspension and requirements for reinstatement provided in this 53313
section. 53314

(E) If, at any time, the money deposited in the fund is 53315
insufficient to satisfy any duly authorized claim or portion of a 53316
claim, the superintendent shall, when sufficient money has been 53317
deposited in the fund, satisfy the unpaid claims or portions, in 53318
the order that the claims or portions were originally filed, plus 53319
accumulated interest per annum at the rate specified in division 53320

(A) of section 1343.03 of the Revised Code. 53321

(F) When, upon the order of the court, the superintendent has 53322
paid from the fund any sum to the judgment creditor, the 53323
superintendent is subrogated to all of the rights of the judgment 53324
creditor to the extent of the amount so paid, and the judgment 53325
creditor shall assign all of the judgment creditor's right, title, 53326
and interest in the judgment to the superintendent to the extent 53327
of the amount so paid. The superintendent shall deposit in the 53328
fund any amount and interest so recovered by the superintendent on 53329
the judgment. 53330

(G) Nothing contained in this section shall limit the 53331
authority of the real estate appraiser board to take disciplinary 53332
action against a certificate holder, registrant, or licensee under 53333
other provisions of this chapter. The repayment in full of all 53334
obligations to the fund by a certificate holder, registrant, or 53335
licensee does not nullify or modify the effect of any other 53336
disciplinary proceeding brought pursuant to this chapter, unless 53337
repayment is imposed as a condition in that proceeding. 53338

(H) The superintendent shall collect from the fund a service 53339
fee in an amount equivalent to the interest rate specified in 53340
division (A) of section 1343.03 of the Revised Code multiplied by 53341
the annual interest earned on the assets of the fund, to defray 53342
the expenses incurred in the administration of the fund. 53343

Sec. 4766.17. An air medical service organization licensed 53344

(B) Employ as a medical director an individual who holds a 53354
current, valid ~~certificate~~ license issued under Chapter 4731. of 53355
the Revised Code authorizing the practice of medicine and surgery 53356
or osteopathic medicine and surgery. 53357

~~an appraiser is first added to the appraiser panel of an appraisal~~ 53359
~~management company, an~~ An appraisal management company shall not 53360
remove the appraiser from its appraiser panel or otherwise refuse 53361
to assign requests for real estate appraisal services to the 53362
appraiser without first doing both of the following: 53363

(1) Notifying the appraiser in writing of the reasons the 53364
appraiser is being removed from the appraiser panel or is refused 53365
assignment requests for appraisal services; 53366

(2) Providing the appraiser with an opportunity to respond to 53367
that notification, in writing, within ten business days after the 53368
appraisal management company sends the removal notification. 53369

(B) The notice described in division (A)(1) of this section 53370
shall be sent by a delivery system that delivers letters, 53371
packages, and other materials in its ordinary course of business 53372
with traceable delivery and signature receipt. An appraisal 53373
management company that sends such notice shall keep a copy of the 53374
notice for at least five years from the date the notice is sent to 53375
the appraiser. 53376

(C) Nothing in this section prohibits an appraisal management 53377
company from suspending an appraiser from receiving assignment 53378
requests during the period described in division (A)(2) of this 53379
section. 53380

in an advanced academic program that must be completed to receive 53686
a ~~certificate~~ license to practice as a radiologist assistant, as 53687
those programs are described in division (B)(3) of section 4774.03 53688
of the Revised Code, when the individual is providing direct 53689
patient care or is otherwise involved with direct patient care 53690
under the program, the individual shall display in an appropriate 53691

as a student participating in the program. 53694

4774.10 of the Revised Code; 53712

(4) Definitions of "general anesthesia," "deep sedation," 53713

"moderate sedation," and "minimal sedation"; 53714

(5) Any other standards and procedures the board considers 53715
necessary to govern the practice of radiologist assistants, the 53716
supervisory relationship between radiologist assistants and 53717
supervising radiologists, and the administration and enforcement 53718
of this chapter. 53719

Sec. 4774.13. (A) The state medical board, by an affirmative 53720
vote of not fewer than six members, may revoke or may refuse to 53721
grant a ~~certificate~~ license to practice as a radiologist assistant 53722

(B) The board, by an affirmative vote of not fewer than six 53726
members, shall, to the extent permitted by law, limit, revoke, or 53727
suspend an individual's ~~certificate~~ license to practice as a 53728

(4) A departure from, or failure to conform to, minimal 53743

standards of care of similar practitioners under the same or 53744
similar circumstances whether or not actual injury to the patient 53745
is established; 53746

(5) Inability to practice according to acceptable and 53747

(8) Making a false, fraudulent, deceptive, or misleading 53756

(11) Commission of an act that constitutes a felony in this 53773

state, regardless of the jurisdiction in which the act was committed;	53774 53775

the board under section 4774.14 of the Revised Code, including 53807
failure to comply with a subpoena or order issued by the board or 53808
failure to answer truthfully a question presented by the board at 53809
a deposition or in written interrogatories, except that failure to 53810
cooperate with an investigation shall not constitute grounds for 53811
discipline under this section if a court of competent jurisdiction 53812
has issued an order that either quashes a subpoena or permits the 53813
individual to withhold the testimony or evidence in issue; 53814

(21) Failure to maintain a license as a radiographer under 53815
Chapter 4773. of the Revised Code; 53816

(23) Failure to comply with any of the rules of ethics 53824
included in the standards of ethics established by the American 53825
registry of radiologic technologists, as those rules apply to an 53826
individual who holds the registry's certification as a registered 53827
radiologist assistant. 53828

(C) Disciplinary actions taken by the board under divisions 53829
(A) and (B) of this section shall be taken pursuant to an 53830
adjudication under Chapter 119. of the Revised Code, except that 53831
in lieu of an adjudication, the board may enter into a consent 53832
agreement with a radiologist assistant or applicant to resolve an 53833
allegation of a violation of this chapter or any rule adopted 53834

under it. A consent agreement, when ratified by an affirmative 53835
vote of not fewer than six members of the board, shall constitute 53836
the findings and order of the board with respect to the matter 53837
addressed in the agreement. If the board refuses to ratify a 53838
consent agreement, the admissions and findings contained in the 53839
consent agreement shall be of no force or effect. 53840

(D) For purposes of divisions (B)(11), (14), and (15) of this 53841
section, the commission of the act may be established by a finding 53842
by the board, pursuant to an adjudication under Chapter 119. of 53843
the Revised Code, that the applicant or ~~certificate~~ license holder 53844
committed the act in question. The board shall have no 53845
jurisdiction under these divisions in cases where the trial court 53846
renders a final judgment in the ~~certificate~~ license holder's favor 53847
and that judgment is based upon an adjudication on the merits. The 53848
board shall have jurisdiction under these divisions in cases where 53849
the trial court issues an order of dismissal on technical or 53850
procedural grounds. 53851

(E) The sealing of conviction records by any court shall have 53852
no effect on a prior board order entered under the provisions of 53853
this section or on the board's jurisdiction to take action under 53854
the provisions of this section if, based upon a plea of guilty, a 53855
judicial finding of guilt, or a judicial finding of eligibility 53856
for intervention in lieu of conviction, the board issued a notice 53857
of opportunity for a hearing prior to the court's order to seal 53858
the records. The board shall not be required to seal, destroy, 53859
redact, or otherwise modify its records to reflect the court's 53860
sealing of conviction records. 53861

(F) For purposes of this division, any individual who holds a 53862
~~certificate~~ license to practice as a radiologist assistant issued 53863
under this chapter, or applies for a ~~certificate to practice~~ 53864
license, shall be deemed to have given consent to submit to a 53865
mental or physical examination when directed to do so in writing 53866

by the board and to have waived all objections to the 53867
admissibility of testimony or examination reports that constitute 53868
a privileged communication. 53869

(1) In enforcing division (B)(5) of this section, the board, 53870
on a showing of a possible violation, may compel any individual 53871
who holds a ~~certificate~~ license to practice as a radiologist 53872
assistant issued under this chapter or who has applied for a 53873
~~certificate to practice~~ license to submit to a mental or physical 53874
examination, or both. A physical examination may include an HIV 53875
test. The expense of the examination is the responsibility of the 53876
individual compelled to be examined. Failure to submit to a mental 53877
or physical examination or consent to an HIV test ordered by the 53878
board constitutes an admission of the allegations against the 53879
individual unless the failure is due to circumstances beyond the 53880
individual's control, and a default and final order may be entered 53881
without the taking of testimony or presentation of evidence. If 53882
the board finds a radiologist assistant unable to practice because 53883
of the reasons set forth in division (B)(5) of this section, the 53884
board shall require the radiologist assistant to submit to care, 53885
counseling, or treatment by physicians approved or designated by 53886
the board, as a condition for an initial, continued, reinstated, 53887
or renewed ~~certificate to practice~~ license. An individual affected 53888
by this division shall be afforded an opportunity to demonstrate 53889
to the board the ability to resume practicing in compliance with 53890
acceptable and prevailing standards of care. 53891

(2) For purposes of division (B)(6) of this section, if the 53892
board has reason to believe that any individual who holds a 53893
~~certificate~~ license to practice as a radiologist assistant issued 53894
under this chapter or any applicant for a ~~certificate to practice~~ 53895
license suffers such impairment, the board may compel the 53896
individual to submit to a mental or physical examination, or both. 53897
The expense of the examination is the responsibility of the 53898

individual compelled to be examined. Any mental or physical 53899
examination required under this division shall be undertaken by a 53900
treatment provider or physician qualified to conduct such 53901
examination and chosen by the board. 53902

Failure to submit to a mental or physical examination ordered 53903
by the board constitutes an admission of the allegations against 53904
the individual unless the failure is due to circumstances beyond 53905
the individual's control, and a default and final order may be 53906
entered without the taking of testimony or presentation of 53907
evidence. If the board determines that the individual's ability to 53908
practice is impaired, the board shall suspend the individual's 53909
~~certificate~~ license or deny the individual's application and shall 53910
require the individual, as a condition for an initial, continued, 53911
reinstated, or renewed ~~certificate~~ license to practice, to submit 53912
to treatment. 53913

Before being eligible to apply for reinstatement of a 53914
~~certificate~~ license suspended under this division, the radiologist 53915
assistant shall demonstrate to the board the ability to resume 53916
practice in compliance with acceptable and prevailing standards of 53917
care. The demonstration shall include the following: 53918

(a) Certification from a treatment provider approved under 53919
section 4731.25 of the Revised Code that the individual has 53920
successfully completed any required inpatient treatment; 53921

(b) Evidence of continuing full compliance with an aftercare 53922
contract or consent agreement; 53923

(c) Two written reports indicating that the individual's 53924
ability to practice has been assessed and that the individual has 53925
been found capable of practicing according to acceptable and 53926
prevailing standards of care. The reports shall be made by 53927
individuals or providers approved by the board for making such 53928
assessments and shall describe the basis for their determination. 53929

The board may reinstate a ~~certificate~~ license suspended under 53930
this division after such demonstration and after the individual 53931
has entered into a written consent agreement. 53932

When the impaired radiologist assistant resumes practice, the 53933
board shall require continued monitoring of the radiologist 53934
assistant. The monitoring shall include monitoring of compliance 53935
with the written consent agreement entered into before 53936
reinstatement or with conditions imposed by board order after a 53937
hearing, and, on termination of the consent agreement, submission 53938
to the board for at least two years of annual written progress 53939
reports made under penalty of falsification stating whether the 53940
radiologist assistant has maintained sobriety. 53941

(G) If the secretary and supervising member determine that 53942
there is clear and convincing evidence that a radiologist 53943
assistant has violated division (B) of this section and that the 53944
individual's continued practice presents a danger of immediate and 53945
serious harm to the public, they may recommend that the board 53946
suspend the individual's ~~certificate~~ license to practice without a 53947
prior hearing. Written allegations shall be prepared for 53948
consideration by the board. 53949

The board, on review of the allegations and by an affirmative 53950
vote of not fewer than six of its members, excluding the secretary 53951
and supervising member, may suspend a ~~certificate~~ license without 53952
a prior hearing. A telephone conference call may be utilized for 53953
reviewing the allegations and taking the vote on the summary 53954
suspension. 53955

The board shall issue a written order of suspension by 53956
certified mail or in person in accordance with section 119.07 of 53957
the Revised Code. The order shall not be subject to suspension by 53958
the court during pendency of any appeal filed under section 119.12 53959
of the Revised Code. If the radiologist assistant requests an 53960
adjudicatory hearing by the board, the date set for the hearing 53961

shall be within fifteen days, but not earlier than seven days, 53962
after the radiologist assistant requests the hearing, unless 53963
otherwise agreed to by both the board and the ~~certificate~~ license 53964
holder. 53965

A summary suspension imposed under this division shall remain 53966
in effect, unless reversed on appeal, until a final adjudicative 53967
order issued by the board pursuant to this section and Chapter 53968
119. of the Revised Code becomes effective. The board shall issue 53969
its final adjudicative order within sixty days after completion of 53970
its hearing. Failure to issue the order within sixty days shall 53971
result in dissolution of the summary suspension order, but shall 53972
not invalidate any subsequent, final adjudicative order. 53973

(H) If the board takes action under division (B)(10), (12), 53974
or (13) of this section, and the judicial finding of guilt, guilty 53975
plea, or judicial finding of eligibility for intervention in lieu 53976
of conviction is overturned on appeal, on exhaustion of the 53977
criminal appeal, a petition for reconsideration of the order may 53978
be filed with the board along with appropriate court documents. On 53979
receipt of a petition and supporting court documents, the board 53980
shall reinstate the ~~certificate~~ license to practice as a 53981
radiologist assistant. The board may then hold an adjudication 53982
under Chapter 119. of the Revised Code to determine whether the 53983
individual committed the act in question. Notice of opportunity 53984
for hearing shall be given in accordance with Chapter 119. of the 53985
Revised Code. If the board finds, pursuant to an adjudication held 53986
under this division, that the individual committed the act, or if 53987
no hearing is requested, it may order any of the sanctions 53988
specified in division (B) of this section. 53989

(I) The ~~certificate~~ license to practice of a radiologist 53990
assistant and the assistant's practice in this state are 53991
automatically suspended as of the date the radiologist assistant 53992
pleads guilty to, is found by a judge or jury to be guilty of, or 53993

is subject to a judicial finding of eligibility for intervention 53994
in lieu of conviction in this state or treatment of intervention 53995
in lieu of conviction in another jurisdiction for any of the 53996
following criminal offenses in this state or a substantially 53997
equivalent criminal offense in another jurisdiction: aggravated 53998
murder, murder, voluntary manslaughter, felonious assault, 53999
kidnapping, rape, sexual battery, gross sexual imposition, 54000
aggravated arson, aggravated robbery, or aggravated burglary. 54001
Continued practice after the suspension shall be considered 54002
practicing without a ~~certificate~~ license. 54003

The board shall notify the individual subject to the 54004
suspension by certified mail or in person in accordance with 54005
section 119.07 of the Revised Code. If an individual whose 54006
~~certificate~~ license is suspended under this division fails to make 54007
a timely request for an adjudication under Chapter 119. of the 54008
Revised Code, the board shall enter a final order permanently 54009
revoking the individual's ~~certificate to practice~~ license. 54010

(J) In any instance in which the board is required by Chapter 54011
119. of the Revised Code to give notice of opportunity for hearing 54012
and the individual subject to the notice does not timely request a 54013
hearing in accordance with section 119.07 of the Revised Code, the 54014
board is not required to hold a hearing, but may adopt, by an 54015
affirmative vote of not fewer than six of its members, a final 54016
order that contains the board's findings. In the final order, the 54017
board may order any of the sanctions identified under division (A) 54018
or (B) of this section. 54019

(K) Any action taken by the board under division (B) of this 54020
section resulting in a suspension shall be accompanied by a 54021
written statement of the conditions under which the radiologist 54022
assistant's ~~certificate~~ license may be reinstated. The board shall 54023
adopt rules in accordance with Chapter 119. of the Revised Code 54024
governing conditions to be imposed for reinstatement. 54025

Reinstatement of a ~~certificate~~ license suspended pursuant to 54026
division (B) of this section requires an affirmative vote of not 54027
fewer than six members of the board. 54028

(L) When the board refuses to grant or issue a ~~certificate~~ 54029
license to practice as a radiologist assistant to an applicant, 54030
revokes an individual's ~~certificate~~ license, refuses to renew an 54031
individual's ~~certificate~~ license, or refuses to reinstate an 54032
individual's ~~certificate~~ license, the board may specify that its 54033
action is permanent. An individual subject to a permanent action 54034
taken by the board is forever thereafter ineligible to hold a 54035
~~certificate~~ license to practice as a radiologist assistant and the 54036
board shall not accept an application for reinstatement of the 54037
~~certificate~~ license or for issuance of a new ~~certificate~~ license. 54038

(M) Notwithstanding any other provision of the Revised Code, 54039
all of the following apply: 54040

(1) The surrender of a ~~certificate~~ license to practice as a 54041
radiologist assistant issued under this chapter is not effective 54042
unless or until accepted by the board. Reinstatement of a 54043
~~certificate~~ license surrendered to the board requires an 54044
affirmative vote of not fewer than six members of the board. 54045

(2) An application made under this chapter for a ~~certificate~~ 54046
license to practice may not be withdrawn without approval of the 54047
board. 54048

(3) Failure by an individual to renew a ~~certificate~~ license 54049
to practice in accordance with section 4774.06 of the Revised Code 54050
shall not remove or limit the board's jurisdiction to take 54051
disciplinary action under this section against the individual. 54052

Sec. 4774.131. On receipt of a notice pursuant to section 54053
3123.43 of the Revised Code, the state medical board shall comply 54054
with sections 3123.41 to 3123.50 of the Revised Code and any 54055

applicable rules adopted under section 3123.63 of the Revised Code 54056
with respect to a ~~certificate~~ license to practice as a radiologist 54057
assistant issued under this chapter. 54058

Sec. 4774.132. If the state medical board has reason to 54059
believe that any person who has been granted a ~~certificate~~ license 54060
to practice as a radiologist assistant under this chapter is 54061
mentally ill or mentally incompetent, it may file in the probate 54062
court of the county in which the person has a legal residence an 54063
affidavit in the form prescribed in section 5122.11 of the Revised 54064
Code and signed by the board secretary or a member of the board 54065
secretary's staff, whereupon the same proceedings shall be had as 54066
provided in Chapter 5122. of the Revised Code. The attorney 54067
general may represent the board in any proceeding commenced under 54068
this section. 54069

If any person who has been granted a ~~certificate to practice~~ 54070
license is adjudged by a probate court to be mentally ill or 54071
mentally incompetent, the person's ~~certificate~~ license shall be 54072
automatically suspended until the person has filed with the state 54073
medical board a certified copy of an adjudication by a probate 54074
court of the person's subsequent restoration to competency or has 54075
submitted to the board proof, satisfactory to the board, that the 54076
person has been discharged as having a restoration to competency 54077
in the manner and form provided in section 5122.38 of the Revised 54078
Code. The judge of the probate court shall forthwith notify the 54079
state medical board of an adjudication of mental illness or mental 54080
incompetence, and shall note any suspension of a ~~certificate~~ 54081
license in the margin of the court's record of such ~~certificate~~ 54082
license. 54083

Sec. 4774.14. (A) The state medical board shall investigate 54084
evidence that appears to show that any person has violated this 54085
chapter or the rules adopted under it. Any person may report to 54086

the board in a signed writing any information the person has that 54087
appears to show a violation of any provision of this chapter or 54088
the rules adopted under it. In the absence of bad faith, a person 54089
who reports such information or testifies before the board in an 54090
adjudication conducted under Chapter 119. of the Revised Code 54091
shall not be liable for civil damages as a result of reporting the 54092
information or providing testimony. Each complaint or allegation 54093
of a violation received by the board shall be assigned a case 54094
number and be recorded by the board. 54095

(B) Investigations of alleged violations of this chapter or 54096
rules adopted under it shall be supervised by the supervising 54097
member elected by the board in accordance with section 4731.02 of 54098
the Revised Code and by the secretary as provided in section 54099
4774.17 of the Revised Code. The board's president may designate 54100
another member of the board to supervise the investigation in 54101
place of the supervising member. A member of the board who 54102
supervises the investigation of a case shall not participate in 54103
further adjudication of the case. 54104

(C) In investigating a possible violation of this chapter or 54105
the rules adopted under it, the board may administer oaths, order 54106
the taking of depositions, issue subpoenas, and compel the 54107
attendance of witnesses and production of books, accounts, papers, 54108
records, documents, and testimony, except that a subpoena for 54109
patient record information shall not be issued without 54110
consultation with the attorney general's office and approval of 54111
the secretary and supervising member of the board. Before issuance 54112
of a subpoena for patient record information, the secretary and 54113
supervising member shall determine whether there is probable cause 54114
to believe that the complaint filed alleges a violation of this 54115
chapter or the rules adopted under it and that the records sought 54116
are relevant to the alleged violation and material to the 54117
investigation. The subpoena may apply only to records that cover a 54118

reasonable period of time surrounding the alleged violation. 54119

On failure to comply with any subpoena issued by the board 54120
and after reasonable notice to the person being subpoenaed, the 54121
board may move for an order compelling the production of persons 54122
or records pursuant to the Rules of Civil Procedure. 54123

A subpoena issued by the board may be served by a sheriff, 54124
the sheriff's deputy, or a board employee designated by the board. 54125
Service of a subpoena issued by the board may be made by 54126
delivering a copy of the subpoena to the person named therein, 54127
reading it to the person, or leaving it at the person's usual 54128
place of residence. When the person being served is a radiologist 54129
assistant, service of the subpoena may be made by certified mail, 54130
restricted delivery, return receipt requested, and the subpoena 54131
shall be deemed served on the date delivery is made or the date 54132
the person refuses to accept delivery. 54133

A sheriff's deputy who serves a subpoena shall receive the 54134
same fees as a sheriff. Each witness who appears before the board 54135
in obedience to a subpoena shall receive the fees and mileage 54136
provided for witnesses in civil cases in the courts of common 54137
pleas. 54138

(D) All hearings and investigations of the board shall be 54139
considered civil actions for the purposes of section 2305.252 of 54140
the Revised Code. 54141

(E) Information received by the board pursuant to an 54142
investigation is confidential and not subject to discovery in any 54143
civil action. 54144

The board shall conduct all investigations and proceedings in 54145
a manner that protects the confidentiality of patients and persons 54146
who file complaints with the board. The board shall not make 54147
public the names or any other identifying information about 54148
patients or complainants unless proper consent is given. 54149

The board may share any information it receives pursuant to 54150
an investigation, including patient records and patient record 54151
information, with law enforcement agencies, other licensing 54152
boards, and other governmental agencies that are prosecuting, 54153
adjudicating, or investigating alleged violations of statutes or 54154
administrative rules. An agency or board that receives the 54155
information shall comply with the same requirements regarding 54156
confidentiality as those with which the state medical board must 54157
comply, notwithstanding any conflicting provision of the Revised 54158
Code or procedure of the agency or board that applies when it is 54159
dealing with other information in its possession. In a judicial 54160
proceeding, the information may be admitted into evidence only in 54161
accordance with the Rules of Evidence, but the court shall require 54162
that appropriate measures are taken to ensure that confidentiality 54163
is maintained with respect to any part of the information that 54164
contains names or other identifying information about patients or 54165
complainants whose confidentiality was protected by the state 54166
medical board when the information was in the board's possession. 54167
Measures to ensure confidentiality that may be taken by the court 54168
include sealing its records or deleting specific information from 54169
its records. 54170

(F) The state medical board shall develop requirements for 54171
and provide appropriate initial training and continuing education 54172
for investigators employed by the board to carry out its duties 54173
under this chapter. The training and continuing education may 54174
include enrollment in courses operated or approved by the Ohio 54175
peace officer training commission that the board considers 54176
appropriate under conditions set forth in section 109.79 of the 54177
Revised Code. 54178

(G) On a quarterly basis, the board shall prepare a report 54179
that documents the disposition of all cases during the preceding 54180
three months. The report shall contain the following information 54181

Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the certificate <u>license</u> under section 4774.13 of the Revised Code.	54196 54197 54198 54199 54200 54201 54202 54203 54204 54205 54206 54207 54208 54209

lieu of conviction for a felony, or a case in which the trial 54216
court issues an order of dismissal upon technical or procedural 54217
grounds of a felony charge; 54218

(2) A plea of guilty to, a finding of guilt by a jury or 54219
court of, or judicial finding of eligibility for intervention in 54220
lieu of conviction for a misdemeanor committed in the course of 54221
practice, or a case in which the trial court issues an order of 54222
dismissal upon technical or procedural grounds of a charge of a 54223
misdemeanor, if the alleged act was committed in the course of 54224
practice; 54225

(3) A plea of guilty to, a finding of guilt by a jury or 54226

administrator or executive officer of the facility shall report to 54242

the state medical board the name of the individual, the action 54243

provided certified copies of the patient records that were the 54246
basis for the facility's action. Prior to release to the board, 54247
the summary shall be approved by the peer review committee that 54248
reviewed the case or by the governing board of the facility. 54249

The filing of a report with the board or decision not to file 54250
a report, investigation by the board, or any disciplinary action 54251
taken by the board, does not preclude a health care facility from 54252
taking disciplinary action against a radiologist assistant. 54253

In the absence of fraud or bad faith, no individual or entity 54254
that provides patient records to the board shall be liable in 54255
damages to any person as a result of providing the records. 54256

(B)(1) Except as provided in division (B)(2) of this section, 54257
a radiologist assistant, professional association or society of 54258
radiologist assistants, physician, or professional association or 54259

of this chapter, Chapter 4731. of the Revised Code, or rule of the 54261
board has occurred shall report to the board the information on 54262
which the belief is based. 54263

based to the monitoring organization conducting the program 54269
established by the board under section 4731.251 of the Revised 54270
Code. If any such report is made to the board, it shall be 54271
referred to the monitoring organization unless the board is aware 54272
that the individual who is the subject of the report does not meet 54273

the program eligibility requirements of section 4731.252 of the Revised Code. 54274
54275

(C) Any professional association or society composed primarily of radiologist assistants that suspends or revokes an individual's membership for violations of professional ethics, or for reasons of professional incompetence or professional malpractice, within sixty days after a final decision, shall report to the board, on forms prescribed and provided by the board, the name of the individual, the action taken by the professional organization, and a summary of the underlying facts leading to the action taken. 54276

54281
54282
54283
54284

chapter or the rules adopted under it that are brought to its 54306
attention as a result of the reporting requirements of this 54307
section, except that the board shall conduct an investigation if a 54308

has completed the number of hours and type of continuing education 54523
required for renewal of a license, and the board finds through the 54524
random sample or any other means that the genetic counselor did 54525
not complete the requisite continuing education, the board may 54526
impose a civil penalty of not more than five thousand dollars. If 54527
a civil penalty is imposed in addition to any other action the 54528
board takes under section 4778.14 of the Revised Code, the board's 54529
finding shall be made pursuant to an adjudication under Chapter 54530
119. of the Revised Code and by an affirmative vote of not fewer 54531
than six members. A civil penalty imposed under this division may 54532
be in addition to or in lieu of any other action the board may 54533
take under section 4778.14 of the Revised Code. The board shall 54534
deposit civil penalties in accordance with section 4731.24 of the 54535
Revised Code. 54536

Sec. 4778.07. (A) A license to practice as a genetic 54537
counselor issued under section 4778.05 of the Revised Code that is 54538
not renewed on or before its expiration date is automatically 54539
suspended on its expiration date. Continued practice after 54540
suspension shall be considered as practicing in violation of 54541
section 4778.02 of the Revised Code. 54542

(B) If a license has been suspended pursuant to this section 54543
for two years or less, ~~the board shall reinstate the license it~~ 54544
may be reinstated upon an applicant's submission of a complete 54545
renewal application, the biennial renewal fee, and a monetary 54546
penalty of twenty-five dollars. 54547

(C)~~(1)~~ If a license has been suspended pursuant to this 54548
section for more than two years, it may be restored. Subject to 54549
section 4778.071 of the Revised Code, the board may restore the 54550

license upon an applicant's submission of a complete restoration 54551
application, the biennial renewal fee, and a monetary penalty of 54552
fifty dollars and compliance with sections 4776.01 to 4776.04 of 54553
the Revised Code. The board shall not restore a license unless the 54554
board, in its discretion, decides that the results of the criminal 54555
records check do not make the applicant ineligible for a license 54556
issued pursuant to section 4778.05 of the Revised Code. 54557

~~(2) The board may impose terms and conditions for the 54558
restoration, including the following:~~ 54559

~~(a) Requiring the applicant to pass an oral or written 54560
examination, or both, to determine the applicant's present fitness 54561
to resume practice;~~ 54562

~~(b) Requiring the applicant to obtain additional training and 54563
to pass an examination upon completion of such training;~~ 54564

~~(c) Restricting or limiting the extent, scope, or type of 54565
practice of the applicant.~~ 54566

Sec. 4778.071. (A) This section applies to both of the 54567
following: 54568

(1) An applicant seeking restoration of a license issued 54569
under this chapter that has been in a suspended or inactive state 54570
for any cause for more than two years; 54571

(2) An applicant seeking issuance of a license pursuant to 54572
this chapter who for more than two years has not been practicing 54573
as a genetic counselor as either of the following: 54574

(a) An active practitioner; 54575

(b) A student in a graduate program as described in section 54576
4778.03 of the Revised Code. 54577

(B) Before issuing a license to an applicant subject to this 54578
section or restoring a license to good standing for an applicant 54579

subject to this section, the state medical board may impose terms 54580
and conditions including any one or more of the following: 54581

(1) Requiring the applicant to pass an oral or written 54582
examination, or both, to determine the applicant's present fitness 54583
to resume practice; 54584

(2) Requiring the applicant to obtain additional training and 54585
to pass an examination upon completion of such training; 54586

(3) Requiring an assessment of the applicant's physical 54587
skills for purposes of determining whether the applicant's 54588
coordination, fine motor skills, and dexterity are sufficient for 54589
performing evaluations and procedures in a manner that meets the 54590
minimal standards of care; 54591

(4) Requiring an assessment of the applicant's skills in 54592
recognizing and understanding diseases and conditions; 54593

(5) Requiring the applicant to undergo a comprehensive 54594
physical examination, which may include an assessment of physical 54595
abilities, evaluation of sensory capabilities, or screening for 54596
the presence of neurological disorders; 54597

(6) Restricting or limiting the extent, scope, or type of 54598
practice of the applicant. 54599

The board shall consider the moral background and the 54600
activities of the applicant during the period of suspension or 54601
inactivity. The board shall not issue or restore a license under 54602
this section unless the applicant complies with sections 4776.01 54603
to 4776.04 of the Revised Code. 54604

Sec. 4928.143. (A) For the purpose of complying with section 54605
4928.141 of the Revised Code, an electric distribution utility may 54606
file an application for public utilities commission approval of an 54607
electric security plan as prescribed under division (B) of this 54608
section. The utility may file that application prior to the 54609

effective date of any rules the commission may adopt for the 54610
purpose of this section, and, as the commission determines 54611
necessary, the utility immediately shall conform its filing to 54612
those rules upon their taking effect. 54613

(B) Notwithstanding any other provision of Title XLIX of the 54614
Revised Code to the contrary except division (D) of this section, 54615
divisions (I), (J), and (K) of section 4928.20, division (E) of 54616
section 4928.64, and section 4928.69 of the Revised Code: 54617

(1) An electric security plan shall include provisions 54618
relating to the supply and pricing of electric generation service. 54619
In addition, if the proposed electric security plan has a term 54620
longer than three years, it may include provisions in the plan to 54621
permit the commission to test the plan pursuant to division (E) of 54622
this section and any transitional conditions that should be 54623
adopted by the commission if the commission terminates the plan as 54624
authorized under that division. 54625

(2) The plan may provide for or include, without limitation, 54626
any of the following: 54627

(a) Automatic recovery of any of the following costs of the 54628
electric distribution utility, provided the cost is prudently 54629
incurred: the cost of fuel used to generate the electricity 54630
supplied under the offer; the cost of purchased power supplied 54631
under the offer, including the cost of energy and capacity, and 54632
including purchased power acquired from an affiliate; the cost of 54633
emission allowances; and the cost of federally mandated carbon or 54634
energy taxes; 54635

(b) A reasonable allowance for construction work in progress 54636
for any of the electric distribution utility's cost of 54637
constructing an electric generating facility or for an 54638
environmental expenditure for any electric generating facility of 54639
the electric distribution utility, provided the cost is incurred 54640

or the expenditure occurs on or after January 1, 2009. Any such 54641
allowance shall be subject to the construction work in progress 54642
allowance limitations of division (A) of section 4909.15 of the 54643
Revised Code, except that the commission may authorize such an 54644
allowance upon the incurrence of the cost or occurrence of the 54645
expenditure. No such allowance for generating facility 54646
construction shall be authorized, however, unless the commission 54647
first determines in the proceeding that there is need for the 54648
facility based on resource planning projections submitted by the 54649
electric distribution utility. Further, no such allowance shall be 54650
authorized unless the facility's construction was sourced through 54651
a competitive bid process, regarding which process the commission 54652
may adopt rules. An allowance approved under division (B)(2)(b) of 54653
this section shall be established as a nonbypassable surcharge for 54654
the life of the facility. 54655

(c) The establishment of a nonbypassable surcharge for the 54656
life of an electric generating facility that is owned or operated 54657
by the electric distribution utility, was sourced through a 54658
competitive bid process subject to any such rules as the 54659
commission adopts under division (B)(2)(b) of this section, and is 54660
newly used and useful on or after January 1, 2009, which surcharge 54661
shall cover all costs of the utility specified in the application, 54662
excluding costs recovered through a surcharge under division 54663
(B)(2)(b) of this section. However, no surcharge shall be 54664
authorized unless the commission first determines in the 54665
proceeding that there is need for the facility based on resource 54666
planning projections submitted by the electric distribution 54667
utility. Additionally, if a surcharge is authorized for a facility 54668
pursuant to plan approval under division (C) of this section and 54669
as a condition of the continuation of the surcharge, the electric 54670
distribution utility shall dedicate to Ohio consumers the capacity 54671
and energy and the rate associated with the cost of that facility. 54672
Before the commission authorizes any surcharge pursuant to this 54673

division, it may consider, as applicable, the effects of any 54674
decommissioning, deratings, and retirements. 54675

(d) Terms, conditions, or charges relating to limitations on 54676
customer shopping for retail electric generation service, 54677
bypassability, standby, back-up, or supplemental power service, 54678
default service, carrying costs, amortization periods, and 54679
accounting or deferrals, including future recovery of such 54680
deferrals, as would have the effect of stabilizing or providing 54681
certainty regarding retail electric service; 54682

(e) Automatic increases or decreases in any component of the 54683
standard service offer price; 54684

(f) Consistent with sections 4928.23 to 4928.2318 of the 54685
Revised Code, both of the following: 54686

(i) Provisions for the electric distribution utility to 54687
securitize any phase-in, inclusive of carrying charges, of the 54688
utility's standard service offer price, which phase-in is 54689
authorized in accordance with section 4928.144 of the Revised 54690
Code; 54691

(ii) Provisions for the recovery of the utility's cost of 54692
securitization. 54693

(g) Provisions relating to transmission, ancillary, 54694
congestion, or any related service required for the standard 54695
service offer, including provisions for the recovery of any cost 54696
of such service that the electric distribution utility incurs on 54697
or after that date pursuant to the standard service offer; 54698

(h) Provisions regarding the utility's distribution service, 54699
including, without limitation and notwithstanding any provision of 54700
Title XLIX of the Revised Code to the contrary, provisions 54701
regarding single issue ratemaking, a revenue decoupling mechanism 54702
or any other incentive ratemaking, and provisions regarding 54703
distribution infrastructure and modernization incentives for the 54704

electric distribution utility. The latter may include a long-term 54705
energy delivery infrastructure modernization plan for that utility 54706
or any plan providing for the utility's recovery of costs, 54707
including lost revenue, shared savings, and avoided costs, and a 54708
just and reasonable rate of return on such infrastructure 54709
modernization. As part of its determination as to whether to allow 54710
in an electric distribution utility's electric security plan 54711
inclusion of any provision described in division (B)(2)(h) of this 54712
section, the commission shall examine the reliability of the 54713
electric distribution utility's distribution system and ensure 54714
that customers' and the electric distribution utility's 54715
expectations are aligned and that the electric distribution 54716
utility is placing sufficient emphasis on and dedicating 54717
sufficient resources to the reliability of its distribution 54718
system. 54719

(i) Provisions under which the electric distribution utility 54720
may implement economic development, job retention, and energy 54721
efficiency programs, which provisions may allocate program costs 54722
across all classes of customers of the utility and those of 54723
electric distribution utilities in the same holding company 54724
system. 54725

(C)(1) The burden of proof in the proceeding shall be on the 54726
electric distribution utility. The commission shall issue an order 54727
under this division for an initial application under this section 54728
not later than one hundred fifty days after the application's 54729
filing date and, for any subsequent application by the utility 54730
under this section, not later than two hundred seventy-five days 54731
after the application's filing date. Subject to division (D) of 54732
this section, the commission by order shall approve or modify and 54733
approve an application filed under division (A) of this section if 54734
it finds that the electric security plan so approved, including 54735
its pricing and all other terms and conditions, including any 54736

deferrals and any future recovery of deferrals, is more favorable 54737
in the aggregate as compared to the expected results that would 54738
otherwise apply under section 4928.142 of the Revised Code. 54739
Additionally, if the commission so approves an application that 54740
contains a surcharge under division (B)(2)(b) or (c) of this 54741
section, the commission shall ensure that the benefits derived for 54742
any purpose for which the surcharge is established are reserved 54743
and made available to those that bear the surcharge. Otherwise, 54744
the commission by order shall disapprove the application. 54745

(2)(a) If the commission modifies and approves an application 54746
under division (C)(1) of this section, the electric distribution 54747
utility may withdraw the application, thereby terminating it, and 54748
may file a new standard service offer under this section or a 54749
standard service offer under section 4928.142 of the Revised Code. 54750

(b) If the utility terminates an application pursuant to 54751
division (C)(2)(a) of this section or if the commission 54752
disapproves an application under division (C)(1) of this section, 54753
the commission shall issue such order as is necessary to continue 54754
the provisions, terms, and conditions of the utility's most recent 54755
standard service offer, along with any expected increases or 54756
decreases in fuel costs from those contained in that offer, until 54757
a subsequent offer is authorized pursuant to this section or 54758
section 4928.142 of the Revised Code, respectively. 54759

(D) Regarding the rate plan requirement of division (A) of 54760
section 4928.141 of the Revised Code, if an electric distribution 54761
utility that has a rate plan that extends beyond December 31, 54762
2008, files an application under this section for the purpose of 54763
its compliance with division (A) of section 4928.141 of the 54764
Revised Code, that rate plan and its terms and conditions are 54765
hereby incorporated into its proposed electric security plan and 54766
shall continue in effect until the date scheduled under the rate 54767
plan for its expiration, and that portion of the electric security 54768

plan shall not be subject to commission approval or disapproval 54769
under division (C) of this section, and the earnings test provided 54770
for in division (F) of this section shall not apply until after 54771
the expiration of the rate plan. However, that utility may include 54772
in its electric security plan under this section, and the 54773
commission may approve, modify and approve, or disapprove subject 54774
to division (C) of this section, provisions for the incremental 54775
recovery or the deferral of any costs that are not being recovered 54776
under the rate plan and that the utility incurs during that 54777
continuation period to comply with section 4928.141, division (B) 54778
of section 4928.64, or division (A) of section 4928.66 of the 54779
Revised Code. 54780

(E) If an electric security plan approved under division (C) 54781
of this section, except one withdrawn by the utility as authorized 54782
under that division, has a term, exclusive of phase-ins or 54783
deferrals, that exceeds three years from the effective date of the 54784
plan, the commission shall test the plan in the fourth year, and 54785
if applicable, every fourth year thereafter, to determine whether 54786
the plan, including its then-existing pricing and all other terms 54787
and conditions, including any deferrals and any future recovery of 54788
deferrals, continues to be more favorable in the aggregate and 54789
during the remaining term of the plan as compared to the expected 54790
results that would otherwise apply under section 4928.142 of the 54791
Revised Code. The commission shall also determine the prospective 54792
effect of the electric security plan to determine if that effect 54793
is substantially likely to provide the electric distribution 54794
utility with a return on common equity that is significantly in 54795
excess of the return on common equity that is likely to be earned 54796
by publicly traded companies, including utilities, that face 54797
comparable business and financial risk, with such adjustments for 54798
capital structure as may be appropriate. The burden of proof for 54799
demonstrating that significantly excessive earnings will not occur 54800
shall be on the electric distribution utility. For affiliated Ohio 54801

electric distribution utilities that operate under a joint 54802
electric security plan, their total earned return on common equity 54803
shall be used for purposes of assessing significantly excessive 54804
earnings. If the test results are in the negative or the 54805
commission finds that continuation of the electric security plan 54806
will result in a return on equity that is significantly in excess 54807
of the return on common equity that is likely to be earned by 54808
publicly traded companies, including utilities, that will face 54809
comparable business and financial risk, with such adjustments for 54810
capital structure as may be appropriate, during the balance of the 54811
plan, the commission may terminate the electric security plan, but 54812
not until it shall have provided interested parties with notice 54813
and an opportunity to be heard. The commission may impose such 54814
conditions on the plan's termination as it considers reasonable 54815
and necessary to accommodate the transition from an approved plan 54816
to the more advantageous alternative. In the event of an electric 54817
security plan's termination pursuant to this division, the 54818
commission shall permit the continued deferral and phase-in of any 54819
amounts that occurred prior to that termination and the recovery 54820
of those amounts as contemplated under that electric security 54821
plan. 54822

(F) With regard to the provisions that are included in an 54823
electric security plan under this section, the commission shall 54824
consider, following the end of each annual period of the plan, if 54825
any such adjustments resulted in excessive earnings as measured by 54826
whether the earned return on common equity of the electric 54827
distribution utility is significantly in excess of the return on 54828
common equity that was earned during the same period by publicly 54829
traded companies, including utilities, that face comparable 54830
business and financial risk, with such adjustments for capital 54831
structure as may be appropriate. In making its determination of 54832
significantly excessive earnings under this division, the 54833
commission shall, for affiliated Ohio electric distribution 54834

utilities that operate under a joint electric security plan, use 54835
the total of the utilities' earned return on common equity. 54836
Consideration also shall be given to the capital requirements of 54837
future committed investments in this state. The burden of proof 54838
for demonstrating that significantly excessive earnings did not 54839
occur shall be on the electric distribution utility. If the 54840
commission finds that such adjustments, in the aggregate, did 54841
result in significantly excessive earnings, it shall require the 54842
electric distribution utility to return to consumers the amount of 54843
the excess by prospective adjustments; provided that, upon making 54844
such prospective adjustments, the electric distribution utility 54845
shall have the right to terminate the plan and immediately file an 54846
application pursuant to section 4928.142 of the Revised Code. Upon 54847
termination of a plan under this division, rates shall be set on 54848
the same basis as specified in division (C)(2)(b) of this section, 54849
and the commission shall permit the continued deferral and 54850
phase-in of any amounts that occurred prior to that termination 54851
and the recovery of those amounts as contemplated under that 54852
electric security plan. In making its determination of 54853
significantly excessive earnings under this division, the 54854
commission shall not consider, directly or indirectly, the 54855
revenue, expenses, or earnings of any affiliate that is not an 54856
Ohio electric distribution utility or parent company. 54857

Sec. 4929.18. (A) As used in this section, "biologically 54858
derived methane gas" has the same meaning as in section 5713.30 of 54859
the Revised Code. 54860

(B) Any property, equipment, or facilities installed or 54861
constructed by a natural gas company to enable interconnection 54862
with or receipt from any property, equipment, or facilities used 54863
to generate, collect, gather, or transport biologically derived 54864
methane gas, or to enable the supply of biologically derived 54865
methane gas to consumers within this state, may be treated as 54866

instrumentalities and facilities for distribution service if the 54867
public utilities commission determines that treatment is just and 54868
reasonable. If the commission makes that determination, the 54869
property, equipment, or facilities shall be considered used and 54870
useful in rendering public utility service for purposes of section 54871
4909.15 of the Revised Code. 54872

Sec. 4937.01. As used in sections 4937.01 to 4937.05 of the 54873
Revised Code: 54874

(A) "Hazard" has the same meaning as in section 5502.21 of 54875
the Revised Code. 54876

(B) "Member agency" means the state agency of which a member 54877
of the utility radiological safety board is an officer. 54878

(C) "Nuclear electric facility" means any facility operated 54879
by a nuclear electric utility using nuclear energy to produce 54880
electricity and any facility for the storage of spent nuclear fuel 54881
arising from such production. 54882

(D) "Nuclear electric facility incident" means any hazard 54883
within the state which is associated with a nuclear electric 54884
facility and requires, pursuant to sections 5502.21 to 5502.51 of 54885
the Revised Code, emergency management to mitigate its effects. 54886

(E) "Nuclear electric utility" includes every person, their 54887
agents, assignees, or trustees, within this state engaged in the 54888
business of producing electricity using nuclear energy, or in the 54889
storage of spent nuclear fuel arising from such production. 54890

(F) "Nuclear electric utility holding company" means any 54891
company that holds an equity interest in a nuclear electric 54892
utility and is part of an electric utility holding company system 54893
exempt under section 3(a)(1) or (2) of the "Public Utility Holding 54894
Company Act of 1935," 49 Stat. 810, 15 U.S.C.A. 79c, and the 54895
regulations adopted under the act. 54896

Sec. 4937.05. (A) Subject to division (B) of this section, 54897
the utility radiological safety board may apportion among and 54898
assess against each nuclear electric utility in this state against 54899
which an assessment may be made under section 4905.10 of the 54900
Revised Code an amount no greater than the maximums specified in 54901
the applicable main operating appropriations act. The assessment 54902
shall be made in proportion to the intrastate gross receipts of 54903
the utility, excluding receipts from sales to other public 54904
utilities for resale, for the calendar year next preceding that in 54905
which the assessments are made, or be made based upon the 54906
utility's decommissioning budget for the year of the assessment, 54907
if the utility is not engaged in the business of producing 54908
electricity using nuclear energy. On or before the first day of 54909
October in each year, the board shall notify each such utility of 54910
the sum assessed against it, whereupon payment shall be made to 54911
the board. The board shall deposit the payment into any nuclear 54912
safety fund for which a maximum is specified, for the purposes of 54913
this section, in the applicable main operating appropriations act. 54914
Any assessments so deposited which are not expended shall be 54915
credited ratably to each nuclear electric utility that paid them, 54916
according to the respective portions of the amount assessable 54917
against the utility for the ensuing calendar year. The assessments 54918
for such calendar year shall be adjusted accordingly. 54919

(B) The board shall assess an amount against the nuclear 54920
electric utilities pursuant to division (A) of this section only 54921
in accordance with this division and subject to the conditions it 54922
specifies. 54923

(1) Nuclear electric utilities and, separately, the 54924
environmental protection agency, the department of health, the 54925
department of agriculture, and the emergency management agency of 54926
the department of public safety, as member agencies of the board, 54927
shall negotiate, in good faith, amounts to be given as grants by 54928

the nuclear electric utilities pursuant to this division for 54929
funding the member agency for a fiscal biennium. Any such grant 54930
shall cover all costs related to the statutory requirements or 54931
agreements specified in division (B)(4) of this section, but shall 54932
not be required to cover any costs of activities not directly 54933
related to those statutory requirements or agreements. 54934

(2)(a) If any of the member agencies specified in division 54935
(B)(1) of this section disagrees, before the first day of 54936

county department in making determinations. If a county department 58125
contracts with a child care provider or a child care resource and 58126
referral service organization for eligibility determinations or 58127
for the collection of information, the contract shall require the 58128
provider or resource and referral service organization to make 58129
each eligibility determination no later than thirty calendar days 58130
from the date the provider or resource and referral organization 58131
receives a completed application that is the basis of the 58132
determination and to collect and transmit all necessary 58133
information to the county department within a period of time that 58134
enables the county department to make each eligibility 58135
determination no later than thirty days after the filing of the 58136
application that is the basis of the determination. 58137

The county department may station employees of the department 58138
in various locations throughout the county to collect information 58139

relevant to applications for publicly funded child care and to 58140

rules adopted pursuant to section 5104.38 of the Revised Code, and 58147
shall notify promptly each applicant for publicly funded child 58148
care of the results of the determination of the applicant's 58149
eligibility. 58150

The director of job and family services shall adopt rules in 58151
accordance with Chapter 119. of the Revised Code for monitoring 58152
the eligibility determination process. In accordance with those 58153
rules, the state department shall monitor eligibility 58154
determinations made by county departments of job and family 58155
services and shall direct any entity that is not in compliance 58156
with this division or any rule adopted under this division to 58157
implement corrective action specified by the department. 58158

(2)(a) All eligibility determinations for publicly funded 58159
child care shall be made in accordance with rules adopted pursuant 58160
to division (A) of section 5104.38 of the Revised Code. Except as 58161
otherwise provided in this section, both of the following apply: 58162

(i) Publicly funded child care may be provided only to 58163
eligible infants, toddlers, preschool-age children, ~~and~~ school-age 58164
children under age thirteen, or children receiving special needs 58165
child care. 58166

(ii) For an applicant to be eligible for publicly funded 58167
child care, the caretaker parent must be employed or participating 58168
in a program of education or training for an amount of time 58169
reasonably related to the time that the parent's children are 58170
receiving publicly funded child care. This restriction does not 58171

apply to families whose children are eligible for protective child care. 58172
58173

(b) In accordance with rules adopted under division (B) of 58174
section 5104.38 of the Revised Code, an applicant may receive 58175
publicly funded child care while the county department determines 58176
eligibility. An applicant may receive publicly funded child care 58177
while a county department determines eligibility only once during 58178
a twelve-month period. If the county department determines that an 58179
applicant is not eligible for publicly funded child care, the 58180
~~licensed~~ child care ~~program~~ provider shall be paid for providing 58181
publicly funded child care for up to five days after that 58182
determination if the county department received a completed 58183
application with all required documentation. A program may appeal 58184
a denial of payment under this division. 58185

(c) If a caretaker parent who has been determined eligible to 58186
receive publicly funded child care no longer meets the 58187
requirements of division (A)(2)(a)(ii) of this section, the 58188
caretaker parent may continue to receive publicly funded child 58189
care for a period of up to thirteen weeks not to extend beyond the 58190
caretaker parent's twelve-month eligibility period. ~~Such~~ 58191
~~authorization may be given only once during a twelve-month period.~~ 58192

(d) If a child turns thirteen, or if a child receiving 58193
special needs child care turns eighteen, during the twelve-month 58194
eligibility period, the caretaker parent may continue to receive 58195
publicly funded child care until the end of that twelve-month 58196
period. 58197

Subject to available funds, the department of job and family 58198
services shall allow a family to receive publicly funded child 58199
care unless the family's income exceeds the maximum income 58200
eligibility limit. Initial and continued eligibility for publicly 58201
funded child care is subject to available funds unless the family 58202
is receiving child care pursuant to division (A)(1), (2), (3), or 58203

(4) of section 5104.30 of the Revised Code. If the department must 58204
limit eligibility due to lack of available funds, it shall give 58205
first priority for publicly funded child care to an assistance 58206
group whose income is not more than the maximum income eligibility 58207
limit that received transitional child care in the previous month 58208
but is no longer eligible because the twelve-month period has 58209
expired. Such an assistance group shall continue to receive 58210
priority for publicly funded child care until its income exceeds 58211
the maximum income eligibility limit. 58212

(3) An assistance group that ceases to participate in the 58213
Ohio works first program established under Chapter 5107. of the 58214
Revised Code is eligible for transitional child care at any time 58215

the following apply: 58217

(a) The assistance group requires child care due to 58218
employment; 58219

(b) The assistance group's income is not more than one 58220
hundred fifty per cent of the federal poverty line. 58221

An assistance group ineligible to participate in the Ohio 58222
works first program pursuant to section 5101.83 or section 5107.16 58223
of the Revised Code is not eligible for transitional child care. 58224

(B) To the extent permitted by federal law, the department of 58225
job and family services may require a caretaker parent determined 58226
to be eligible for publicly funded child care to pay a fee 58227
according to the schedule of fees established in rules adopted 58228
under section 5104.38 of the Revised Code. The department shall 58229
make protective child care services and homeless child care 58230
services available to children without regard to the income or 58231
assets of the caretaker parent of the child. 58232

(C) A caretaker parent receiving publicly funded child care 58233
shall report to the entity that determined eligibility any changes 58234

in status with respect to employment or participation in a program 58235
of education or training not later than ten calendar days after 58236
the change occurs. 58237

(D) If the department of job and family services determines 58238
that available resources are not sufficient to provide publicly 58239
funded child care to all eligible families who request it, the 58240
department may establish a waiting list. The department may 58241
establish separate waiting lists within the waiting list based on 58242
income. 58243

(E) A caretaker parent shall not receive ~~full-time~~ publicly 58244
funded child care from more than one child care provider per child 58245
during a week, unless a county department grants the family an 58246
exemption for one of the following reasons: 58247

~~(a)~~(1) The child needs additional care during non-traditional 58248
hours; 58249

~~(b)~~(2) The child needs to change providers in the middle of 58250
the week and the hours of care provided by the providers do not 58251
overlap; 58252

~~(c)~~(3) The child's provider is closed on scheduled school 58253
days off or on calamity days; 58254

~~(d)~~(4) The child is enrolled in a part-time program 58255
participating in the tiered quality rating and improvement system 58256
established under section ~~5104.30~~ 5104.29 of the Revised Code and 58257
needs care from an additional part-time provider. 58258

(F) As used in this section, "maximum income eligibility 58259
limit" means the amount of income specified in rules adopted under 58260
division (A) of section 5104.38 of the Revised Code. 58261

Sec. 5104.38. In addition to any other rules adopted under 58262
this chapter, the director of job and family services shall adopt 58263
rules in accordance with Chapter 119. of the Revised Code 58264

(C) A schedule of fees requiring all eligible caretaker parents to pay a fee for publicly funded child care according to income and family size, which shall be uniform for all types of publicly funded child care, except as authorized by rule, and, to the extent permitted by federal law, shall permit the use of state and federal funds to pay the customary deposits and other advance payments that a provider charges all children who receive child care from that provider.

nursing facility's per medicaid day payment rate for tax costs. 62013

The rate for tax costs determined under this division for a 62014
nursing facility shall be used for subsequent years until the 62015
department conducts a rebasing. To determine a nursing facility's 62016
rate for tax costs, the department shall ~~do both of the following:~~ 62017

~~(A) Divide divide the nursing facility's desk-reviewed, 62018
actual, allowable tax costs paid for the applicable calendar year 62019

one hundred eighty days of the end of its fiscal year or at a 62934
later date approved by the director. The financial statement shall 62935

hospital, within one hundred eighty days after the end of the 62943

cost report in a format prescribed in rules adopted under section 62945

extends the date by which the hospital must submit its cost report 62950
for the hospital's cost reporting period. 62951

(C) The director may adopt rules under section 5168.02 of the 62952
Revised Code specifying financial information that must be 62953

submitting the information. Each such hospital shall submit the 62956
information specified in the rules not later than the deadline 62957
specified in the rules. 62958

Sec. 5168.06. (A) For the purpose of distributing funds to 62959
hospitals under the medicaid program pursuant to sections 5168.01 62960
to 5168.14 of the Revised Code and depositing funds into the 62961
health care/medicaid support and recoveries fund created under 62962
section 5162.52 of the Revised Code, there is hereby imposed an 62963
assessment on all hospitals. Each hospital's assessment shall be 62964
based on total facility costs. All hospitals shall be assessed 62965
according to the rate or rates established each program year in 62966
rules adopted under section 5168.02 of the Revised Code. The 62967

department shall assess all hospitals uniformly and in a manner 62968
consistent with federal statutes and regulations. During any 62969
program year, the department shall not assess any hospital more 62970
than two per cent of the hospital's total facility costs. 62971

The department shall establish an assessment rate or rates 62972
each program year that will do both of the following: 62973

(1) Yield funds that, when combined with intergovernmental 62974
transfers and federal matching funds, will produce a program of 62975
sufficient size to pay a substantial portion of the indigent care 62976
provided by hospitals; 62977

(2) Yield funds that, when combined with intergovernmental 62978
transfers and federal matching funds, will produce amounts for 62979
distribution to disproportionate share hospitals that do not 62980
exceed, in the aggregate, the limits prescribed by the United 62981
States ~~health care financing administration~~ centers for medicare 62982
and medicaid services under the "Social Security Act," section 62983
1923(f), 42 U.S.C. 1396r-4(f). 62984

(B)(1) Except as provided in division (B)(3) of this section, 62985
each hospital shall pay its assessment in periodic installments in 62986
accordance with a schedule established in rules adopted under 62987
section 5168.02 of the Revised Code. 62988

(2) The installments shall be equal in amount, unless either 62989
of the following applies: 62990

(a) The department makes adjustments during a program year 62991
under division (D) of section 5168.08 of the Revised Code in the 62992
total amount of hospitals' assessments; 62993

(b) The medicaid director determines that adjustments in the 62994
amounts of installments are necessary for the administration of 62995
sections 5168.01 to 5168.14 of the Revised Code and that unequal 62996
installments will not create cash flow difficulties for hospitals. 62997

(3) The director may adopt rules under section 5168.02 of the Revised Code establishing alternate schedules for hospitals to pay assessments under this section in order to reduce hospitals' cash flow difficulties.

Sec. 5168.07. (A) The department of medicaid may require governmental hospitals to make intergovernmental transfers each program year for the purpose of distributing funds to hospitals under the medicaid program pursuant to sections 5168.01 to 5168.14 of the Revised Code and depositing funds into the health care/medicaid support and recoveries fund created under section 5162.52 of the Revised Code. The department shall not require transfers in an amount that, when combined with hospital assessments paid under section 5168.06 of the Revised Code and federal matching funds, produce amounts for distribution to disproportionate share hospitals that, in the aggregate, exceed limits prescribed by the United States ~~health care financing administration~~ centers for medicare and medicaid services under the "Social Security Act," section 1923(f), 42 U.S.C. 1396r-4(f).

(B) Before or during each program year, the department shall notify each governmental hospital of the amount of the intergovernmental transfer it is required to make during the program year. Each governmental hospital shall make intergovernmental transfers as required by the department under this section in periodic installments, executed by electronic fund transfer, in accordance with a schedule established in rules adopted under section 5168.02 of the Revised Code.

Sec. 5168.08. (A) Before or during each program year, the department of medicaid shall mail to each hospital by certified mail, return receipt requested, the preliminary determination of the amount that the hospital is assessed under section 5168.06 of the Revised Code during the program year. The preliminary

determination of a hospital's assessment shall be calculated for a 63029
cost-reporting period that is specified in rules adopted under 63030
section 5168.02 of the Revised Code. 63031

The department shall consult with hospitals each year when 63032
determining the date on which it will mail the preliminary 63033
determinations in order to minimize hospitals' cash flow 63034
difficulties. 63035

If no hospital submits a request for reconsideration under 63036
division (B) of this section, the preliminary determination 63037
constitutes the final reconciliation of each hospital's assessment 63038
under section 5168.06 of the Revised Code. The final 63039
reconciliation is subject to adjustments under division (D) of 63040
this section. 63041

(B) Not later than fourteen days after the preliminary 63042
determinations are mailed, any hospital may submit to the 63043
department a written request to reconsider the preliminary 63044
determinations. The request shall be accompanied by written 63045
materials setting forth the basis for the reconsideration. If one 63046
or more hospitals submit a request, the department shall hold a 63047
public hearing not later than thirty days after the preliminary 63048
determinations are mailed to reconsider the preliminary 63049
determinations. The department shall mail to each hospital a 63050
written notice of the date, time, and place of the hearing at 63051
least ten days prior to the hearing. On the basis of the evidence 63052
submitted to the department or presented at the public hearing, 63053
the department shall reconsider and may adjust the preliminary 63054
determinations. The result of the reconsideration is the final 63055
reconciliation of the hospital's assessment under section 5168.06 63056
of the Revised Code. The final reconciliation is subject to 63057
adjustments under division (D) of this section. 63058

(C) The department shall mail to each hospital a written 63059
notice of its assessment for the program year under the final 63060

reconciliation. A hospital may appeal the final reconciliation of 63061
its assessment to the court of common pleas of Franklin county. 63062
While a judicial appeal is pending, the hospital shall pay, in 63063
accordance with the schedules required by division (B) of section 63064
5168.06 of the Revised Code, any amount of its assessment that is 63065
not in dispute into the hospital care assurance program fund 63066
created in section 5168.11 of the Revised Code. 63067

(D) In the course of any program year, the department may 63068
adjust the assessment rate or rates established in rules pursuant 63069
to section 5168.06 of the Revised Code or adjust the amounts of 63070
intergovernmental transfers required under section 5168.07 of the 63071
Revised Code and, as a result of the adjustment, adjust each 63072
hospital's assessment and intergovernmental transfer, to reflect 63073
refinements made by the United States ~~health care financing~~ 63074
~~administration~~ centers for medicare and medicaid services during 63075
that program year to the limits it prescribed under the "Social 63076
Security Act," section 1923(f), 42 U.S.C. 1396r-4(f). When 63077
adjusted, the assessment rate or rates must comply with division 63078
(A) of section 5168.06 of the Revised Code. An adjusted 63079
intergovernmental transfer must comply with division (A) of 63080
section 5168.07 of the Revised Code. The department shall notify 63081
hospitals of adjustments made under this division and adjust for 63082
the remainder of the program year the installments paid by 63083
