(B) If it is necessary for the school district to acquire a 32252  
site for the classroom facilities to be acquired pursuant to 32253  
sections 3318.01 to 3318.20 of the Revised Code, the district 32254  
board may propose either to issue bonds of the board or to levy a 32255  
tax to pay for the acquisition of such site, and may combine the 32256  
question of doing so with the questions specified in division (A) 32257

of this section. Bonds issued under this division for the purpose 32258  
of acquiring a site are a general obligation of the school 32259  
district and are Chapter 133. securities. 32260

The form of that portion of the ballot to include the 32261  
question of either issuing bonds or levying a tax for site 32262  
acquisition purposes shall be one of the forms prescribed in 32263  
division (D) of section 3318.06 of the Revised Code. 32264

(C) Where the school district board chooses to combine the 32265  
question in division (A) of this section with any of the 32266  
additional questions described in divisions (A) to (D) of section 32267  
3318.056 of the Revised Code, the question specified in division 32268  
(A) of this section to be voted on shall be "For the Bond Issues 32269  
and the Tax Levies" and "Against the Bond Issues and the Tax 32270  
Levies." 32271

(D) If a majority of those voting upon a proposition 32272  
prescribed in this section which includes the question of issuing 32273  
bonds vote in favor of that issuance, and if the agreement 32274  
prescribed in section 3318.08 of the Revised Code has been entered 32275  
into, the school district board may proceed under Chapter 133. of 32276  
the Revised Code with the issuance of bonds or bond anticipation 32277  
notes in accordance with the terms of the agreement. 32278

**Sec. 3318.063.** If the board of education of a city, exempted 32279  
village, or local school district that has entered into an 32280  
agreement under section 3318.051 of the Revised Code to make 32281  
transfers of money in lieu of levying the tax for maintenance or 32282  
upgrade of the classroom facilities included in the district's 32283  
project determines that it no longer can continue making the 32284  
transfers so agreed to and desires to rescind that agreement, the 32285  
board shall adopt the resolution to submit the question of the tax 32286  
levy prescribed in this section. 32287

The resolution shall declare that the question of a tax levy 32288

specified in division (F) of section 3318.051 of the Revised Code 32289  
shall be submitted to the electors of the school district at the 32290  
next general or primary election, if there be a general or primary 32291  
election not less than seventy-five and not more than ninety-five 32292  
days after the day of the adoption of such resolution or, if not, 32293  
at a special election to be held at a time specified in the 32294  
resolution which shall be not less than seventy-five days after 32295  
the day of the adoption of the resolution and which shall be in 32296  
accordance with the requirements of section 3501.01 of the Revised 32297  
Code. Such resolution shall specify both of the following: 32298

(A) That the rate which it is necessary to levy shall be at 32299  
the rate of not less than one-half mill for each one dollar of 32300  
valuation, and that such tax shall be levied for the number of 32301  
years required by division (F) of section 3318.051 of the Revised 32302  
Code; 32303

(B) That the proceeds of the tax shall be used to pay the 32304  
cost of maintaining the classroom facilities included in the 32305  
project. 32306

A copy of such resolution shall after its passage and not 32307  
less than seventy-five days prior to the date set therein for the 32308  
election be certified to the county board of elections. 32309

Notice of the election shall include the fact that the tax 32310  
levy shall be at the rate of not less than one-half mill for each 32311  
one dollar of valuation for the number of years required by 32312  
division (F) of section 3318.051 of the Revised Code, and that the 32313  
proceeds of the tax shall be used to pay the cost of maintaining 32314

**Sec. 3318.36.** (A)(1) As used in this section:

(a) "Ohio facilities construction commission," "classroom facilities," "school district," "school district board," "net bonded indebtedness," "required percentage of the basic project costs," "basic project cost," "valuation," and "percentile" have the same meanings as in section 3318.01 of the Revised Code.

(b) "Required level of indebtedness" means five per cent of the school district's valuation for the year preceding the year in which the commission and school district enter into an agreement under division (B) of this section, plus [two one-hundredths of one per cent multiplied by (the percentile in which the district ranks minus one)].

(c) "Local resources" means any moneys generated in any manner permitted for a school district board to raise the school district portion of a project undertaken with assistance under sections 3318.01 to 3318.20 of the Revised Code.

(2) For purposes of determining the required level of indebtedness, the required percentage of the basic project costs under division (C)(1) of this section, and priority for assistance

under sections 3318.01 to 3318.20 of the Revised Code, the 32350  
percentile ranking of a school district with which the commission 32351  
has entered into an agreement under this section between the first 32352  
day of July and the thirty-first day of August in each fiscal year 32353  
is the percentile ranking calculated for that district for the 32354  
immediately preceding fiscal year, and the percentile ranking of a 32355  
school district with which the commission has entered into such 32356  
agreement between the first day of September and the thirtieth day 32357  
of June in each fiscal year is the percentile ranking calculated 32358  
for that district for the current fiscal year. 32359

(B)(1) There is hereby established the school building 32360  
assistance expedited local partnership program. Under the program, 32361  
the Ohio facilities construction commission may enter into an 32362  
agreement with the board of any school district under which the 32363  
board may proceed with the new construction or major repairs of a 32364  
part of the district's classroom facilities needs, as determined 32365  
under sections 3318.01 to 3318.20 of the Revised Code, through the 32366  
expenditure of local resources prior to the school district's 32367  
eligibility for state assistance under those sections, and may 32368  
apply that expenditure toward meeting the school district's 32369  
portion of the basic project cost of the total of the district's 32370  
classroom facilities needs, as recalculated under division (E) of 32371  
this section, when the district becomes eligible for state 32372  
assistance under sections 3318.01 to 3318.20 or section 3318.364 32373  
of the Revised Code. ~~Any~~ 32374

Any school district that is reasonably expected to receive 32375  
assistance under sections 3318.01 to 3318.20 of the Revised Code 32376  
within two fiscal years from the date the school district adopts 32377  
its resolution under division (B) of this section shall not be 32378  
eligible to participate in the program established under this 32379  
section unless that school district divides its project under 32380  
those sections into segments as authorized by section 3318.034 of 32381

the Revised Code. In the case of a school district that has 32382  
segmented its project as authorized in section 3318.034 of the 32383  
Revised Code, the district shall select a discrete portion of one 32384  
or more future segments of its project, to which the district may 32385  
apply local resources under an agreement under this section prior 32386  
to further state assistance for those future segments under 32387  
sections 3318.01 to 3318.20 of the Revised Code. 32388

(2) To participate in the program, a school district board 32389  
shall first adopt a resolution certifying to the commission the 32390  
board's intent to participate in the program. 32391

The resolution shall specify the approximate date that the 32392  
board intends to seek elector approval of any bond or tax measures 32393  
or to apply other local resources to use to pay the cost of 32394  
classroom facilities to be constructed under this section. The 32395  
resolution may specify the application of local resources or 32396  
elector-approved bond or tax measures after the resolution is 32397  
adopted by the board, and in such case the board may proceed with 32398  
a discrete portion of its project under this section as soon as 32399  
the commission and the controlling board have approved the basic 32400  
project cost of the district's classroom facilities needs as 32401  
specified in division (D) of this section. The board shall submit 32402  
its resolution to the commission not later than ten days after the 32403  
date the resolution is adopted by the board. 32404

The commission shall not consider any resolution that is 32405  
submitted pursuant to division (B)(2) of this section, as amended 32406  
by this amendment, sooner than September 14, 2000. 32407

(3) For purposes of determining when a district that enters 32408  
into an agreement under this section becomes eligible for 32409  
assistance under sections 3318.01 to 3318.20 of the Revised Code 32410  
or priority for assistance under section 3318.364 of the Revised 32411  
Code, the commission shall use the district's percentile ranking 32412  
determined at the time the district entered into the agreement 32413

under this section, as prescribed by division (A)(2) of this section. 32414  
32415

(4) Any project under this section shall comply with section 32416  
3318.03 of the Revised Code and with any specifications for plans 32417  
and materials for classroom facilities adopted by the commission 32418  
under section 3318.04 of the Revised Code. 32419

(5) If a school district that enters into an agreement under 32420  
this section has not begun a project applying local resources as 32421  
provided for under that agreement at the time the district is 32422  
notified by the commission that it is eligible to receive state 32423  
assistance for its project under sections 3318.01 to 3318.20 of 32424  
the Revised Code or for a segment of its project, if the district  
previously segmented its project as authorized in section 3318.034  
of the Revised Code, all assessment and agreement documents 32425  
entered into under this section are void. 32426  
32427  
32428

(6) Only construction of or repairs to classroom facilities 32429  
that have been approved by the commission and have been therefore 32430  
included as part of a district's basic project cost qualify for 32431  
application of local resources under this section. 32432

(C) Based on the results of on-site visits and assessment, 32433  
the commission shall determine the basic project cost of the 32434  
school district's classroom facilities needs. The commission shall 32435  
determine the school district's portion of such basic project 32436  
cost, which shall be the greater of: 32437

(1) The required percentage of the basic project costs, 32438  
determined based on the school district's percentile ranking; 32439

(2) An amount necessary to raise the school district's net 32440  
bonded indebtedness, as of the fiscal year the commission and the 32441  
school district enter into the agreement under division (B) of 32442  
this section, to within five thousand dollars of the required 32443  
level of indebtedness. 32444

(D)(1) When the commission determines the basic project cost 32445  
of the classroom facilities needs of a school district and the 32446  
school district's portion of that basic project cost under 32447  
division (C) of this section, the project shall be conditionally 32448  
approved. Such conditional approval shall be submitted to the 32449  
controlling board for approval thereof. The controlling board 32450  
shall forthwith approve or reject the commission's determination, 32451  
conditional approval, and the amount of the state's portion of the 32452  
basic project cost; however, no state funds shall be encumbered 32453  
under this section. Upon approval by the controlling board, the 32454  
school district board may identify a discrete part of its 32455  
classroom facilities needs, which shall include only new 32456  
construction of or additions or major repairs to a particular 32457  
building, to address with local resources. Upon identifying a part 32458  
of the school district's basic project cost to address with local 32459  
resources, the school district board may allocate any available 32460  
school district moneys to pay the cost of that identified part, 32461  
including the proceeds of an issuance of bonds if approved by the 32462  
electors of the school district. 32463

All local resources utilized under this division shall first 32464  
be deposited in the project construction account required under 32465  
section 3318.08 of the Revised Code. 32466

(2) Unless the school district board exercises its option 32467  
under division (D)(3) of this section, for a school district to 32468  
qualify for participation in the program authorized under this 32469  
section, one of the following conditions shall be satisfied: 32470

(a) The electors of the school district by a majority vote 32471  
shall approve the levy of taxes outside the ten-mill limitation 32472  
for a period of twenty-three years at the rate of not less than 32473  
one-half mill for each dollar of valuation to be used to pay the 32474  
cost of maintaining or upgrading, if approved by the commission, 32475  
the classroom facilities included in the basic project cost as 32476

determined by the commission. The form of the ballot to be used to submit the question whether to approve the tax required under this division to the electors of the school district shall be the form for an additional levy of taxes prescribed in section 3318.361 of the Revised Code, which may be combined in a single ballot question with the questions prescribed under section 5705.218 of the Revised Code.

(b) As authorized under division (C) of section 3318.05 of the Revised Code, the school district board shall earmark from the proceeds of a permanent improvement tax levied under section 5705.21 of the Revised Code, an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(c) As authorized under section 3318.051 of the Revised Code, the school district board shall, if approved by the commission, annually transfer into the maintenance fund required under section 3318.05 of the Revised Code the amount prescribed in section 3318.051 of the Revised Code in lieu of the tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(d) If the school district board has rescinded the agreement to make transfers under section 3318.051 of the Revised Code, as provided under division (F) of that section, the electors of the school district, in accordance with section 3318.063 of the Revised Code, first shall approve the levy of taxes outside the ten-mill limitation for the period specified in that section at a rate of not less than one-half mill for each dollar of valuation.

(e) The school district board shall apply the proceeds of a tax to leverage bonds as authorized under section 3318.052 of the Revised Code or dedicate a local donated contribution in the

manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code.

(E)(1) If the school district becomes eligible for state

assistance under sections 3318.01 to 3318.20 of the Revised Code 32540  
for its entire project or for future segments, if the district 32541  
previously segmented its project as authorized in section 3318.034 32542  
of the Revised Code, based on its percentile ranking under 32543  
division (B)(3) of this section or is offered assistance under 32544  
section 3318.364 of the Revised Code, the commission shall conduct 32545  
a new assessment of the school district's classroom facilities 32546  
needs and shall recalculate the basic project cost based on this 32547  
new assessment. The basic project cost recalculated under this 32548  
division shall include the amount of expenditures made by the 32549  
school district board under division (D)(1) of this section. The 32550  
commission shall then recalculate the school district's portion of 32551  
the new basic project cost, which shall be the percentage of the 32552  
original basic project cost assigned to the school district as its 32553  
portion under division (C) of this section. The commission shall 32554  
deduct the expenditure of school district moneys made under 32555  
division (D)(1) of this section from the school district's portion 32556  
of the basic project cost as recalculated under this division. If 32557  
the amount of school district resources applied by the school 32558  
district board to the school district's portion of the basic 32559  
project cost under this section is less than the total amount of 32560  
such portion as recalculated under this division, the school 32561  
district board by a majority vote of all of its members shall, if 32562  
it desires to seek state assistance under sections 3318.01 to 32563  
3318.20 of the Revised Code, adopt a resolution as specified in 32564  
section 3318.06 of the Revised Code to submit to the electors of 32565  
the school district the question of approval of a bond issue in 32566  
order to pay any additional amount of school district portion 32567  
required for state assistance. Any tax levy approved under 32568  
division (D) of this section satisfies the requirements to levy 32569  
the additional tax under section 3318.06 of the Revised Code. 32570

(2) If the amount of school district resources applied by the 32571  
school district board to the school district's portion of the 32572

basic project cost under this section is more than the total 32573  
amount of such portion as recalculated under this division, within 32574  
one year after the school district's portion is recalculated under 32575  
division (E)(1) of this section the commission may grant to the 32576  
school district the difference between the two calculated 32577  
portions, but at no time shall the commission expend any state 32578  
funds on a project in an amount greater than the state's portion 32579  
of the basic project cost as recalculated under this division. 32580

Any reimbursement under this division shall be only for local 32581  
resources the school district has applied toward construction cost 32582  
expenditures for the classroom facilities approved by the 32583  
commission, which shall not include any financing costs associated 32584  
with that construction. 32585

The school district board shall use any moneys reimbursed to 32586  
the district under this division to pay off any debt service the 32587  
district owes for classroom facilities constructed under its 32588  
project under this section before such moneys are applied to any 32589  
other purpose. However, the district board first may deposit 32590  
moneys reimbursed under this division into the district's general 32591  
fund or a permanent improvement fund to replace local resources 32592  
the district withdrew from those funds, as long as, and to the 32593  
extent that, those local resources were used by the district for 32594  
constructing classroom facilities included in the district's basic 32595  
project cost. 32596

**Sec. 3318.361.** A school district board opting to qualify for 32597  
state assistance pursuant to section 3318.36 of the Revised Code 32598  
through levying the tax specified in division (D)(2)(a) or (D)(4) 32599  
of that section shall declare by resolution that the question of a 32600  
tax levy specified in division (D)(2)(a) or (4), as applicable, of 32601  
section 3318.36 of the Revised Code shall be submitted to the 32602  
electors of the school district at the next general or primary 32603

election, if there be a general or primary election not less than 32604  
ninety and not more than one hundred ten days after the day of the 32605  
adoption of such resolution or, if not, at a special election to 32606  
be held at a time specified in the resolution which shall be not 32607  
less than ninety days after the day of the adoption of the 32608  
resolution and which shall be in accordance with the requirements 32609  
of section 3501.01 of the Revised Code. Such resolution shall 32610  
specify both of the following: 32611

(A) That the rate which it is necessary to levy shall be at 32612  
the rate of not less than one-half mill for each one dollar of 32613  
valuation, and that such tax shall be levied for a period of 32614  
twenty-three years; 32615

(B) That the proceeds of the tax shall be used to pay the 32616  
cost of maintaining the classroom facilities included in the 32617  
project or upgrading those facilities if approved by the Ohio 32618  
facilities construction commission. 32619

A copy of such resolution shall after its passage and not 32620  
less than ninety days prior to the date set therein for the 32621  
election be certified to the county board of elections. 32622

Notice of the election shall include the fact that the tax 32623  
levy shall be at the rate of not less than one-half mill for each 32624  
one dollar of valuation for a period of twenty-three years, and 32625  
that the proceeds of the tax shall be used to pay the cost of 32626  
maintaining or upgrading the classroom facilities included in the 32627  
project. 32628

The form of the ballot to be used at such election shall be: 32629

"Shall a levy of taxes be made for a period of twenty-three 32630  
years to benefit the ..... (here insert name of school 32631  
district) school district, the proceeds of which shall be used to 32632  
pay the cost of maintaining (or upgrading if approved by the Ohio 32633

team may vary based on the needs of each individual student but 32879  
shall include a representative from the child's school district or 32880

school, another representative from the child's school district or 32881  
school who knows the child, and the child's parent or parent's 32882

this section, or principal or chief administrator, as described in 32889  
division (C)(2)(d) of this section, shall select the members of an 32890  
absence intervention team within seven school days of the 32891

The superintendent, principal, or chief administrator, within the 32893

meaningful, good faith attempts to secure the participation of the 32895  
student's parent, guardian, custodian, guardian ad litem, or 32896  
temporary custodian on that team. If the student's parent responds 32897  
to any of those attempts, but is unable to participate for any 32898  
reason, the representative of the school district shall inform the 32899  
parent of the parent's right to appear by designee. If seven 32900  
school days elapse and the student's parent, guardian, custodian, 32901  
guardian ad litem, or temporary custodian fails to respond to the 32902  
attempts to secure participation, the school district or school 32903  
shall do both of the following: 32904

(i) Investigate whether the failure to respond triggers 32905  
mandatory reporting to the public children services agency for the 32906  
county in which the child resides in the manner described in 32907  
section 2151.421 of the Revised Code; 32908

(f) In the event that a student becomes habitually truant 32913  
within twenty-one school days prior to the last day of instruction 32914  
of a school year, the school district or school may, in its 32915  
discretion, assign one school official to work with the child's 32916  
parent, guardian, custodian, guardian ad litem, or temporary 32917  
custodian to develop an absence intervention plan during the 32918  
summer. If the school district or school selects this method, the 32919  
plan shall be implemented not later than seven days prior to the 32920  
first day of instruction of the next school year. In the 32921  
alternative, the school district or school may toll the time 32922  
periods to accommodate for the summer months and reconvene the 32923  
absence intervention process upon the first day of instruction of 32924  
the next school year. 32925

(3) For purposes of divisions (C)(2)(c) and (d) of this 32926  
section, the state board of education shall develop a format for 32927  
parental permission to ensure compliance with the "Family 32928

(E) Beginning with the 2017-2018 school year, each school 32935  
district shall report to the department of education, as soon as 32936  
practicable, and in a format and manner determined by the 32937

is submitted to a parent, guardian, or custodian; 32940

without legitimate excuse from the public school the child is 32942  
supposed to attend for thirty or more consecutive hours, forty-two 32943

a school year; 32945

(3) When a child of compulsory school age who has been 32946

the court order regarding that adjudication; 32948

(4) When an absence intervention plan has been implemented 32949  
for a child under this section. 32950

(F) Nothing in this section shall be construed to limit the 32951  
duty or authority of a district board of education or governing 32952  
body of an educational service center to develop other policies 32953  
related to truancy or to limit the duty or authority of any 32954

(2) The chancellor and the office of budget and management, 33778  
and the issuing authority in the case of obligations to be issued 33779  
by the issuing authority, have no reason to believe the requesting 33780  
community or technical college district or the community or 33781  
technical college it operates will be unable to pay when due the 33782  
bond service charges on the obligations for which the request is 33783  
made, and bond service charges on those obligations are therefore 33784  
not anticipated to be paid pursuant to this section from the 33785  
allocated state share of instruction for purposes of Section 17 of 33786  
Article VIII, Ohio Constitution. 33787

(3) Any other pertinent conditions established in rules 33788  
adopted under division (H) of this section. 33789

(C) If the chancellor approves the request of a community or 33790  
technical college district to withhold and deposit funds pursuant 33791  
to this section, the chancellor shall enter into a written 33792

agreement with the district and the primary paying agent or fiscal agent for the obligations, which agreement shall provide for the withholding of funds pursuant to this section for the payment of bond service charges on those obligations. The agreement may also include both of the following:

(1) Provisions for certification by the district to the chancellor, prior to the deadline for payment of the applicable bond service charges, whether the district and the community or technical college it operates are able to pay those bond service charges when due;

(2) Requirements that the district or the community or technical college it operates deposits amounts for the payment of those bond service charges with the primary paying agent or fiscal agent for the obligations prior to the date on which the bond service charges are due to the owners or holders of the obligations.

(D) Whenever a district or the community or technical college it operates notifies the chancellor that it will not be able to pay the bond service charges when they are due, subject to the withholding provisions of this section, or whenever the applicable paying agent or fiscal agent notifies the chancellor that it has not timely received from a district or from the college it operates the full amount needed for payment of the bond service charges when due to the holders or owners of such obligations, the chancellor shall immediately contact the district or college and the paying agent or fiscal agent to confirm that the district and the college are not able to make the required payment by the date on which it is due.

If the chancellor confirms that the district and the college are not able to make the payment and the payment will not be made pursuant to a credit enhancement facility, the chancellor shall promptly pay to the applicable primary paying agent or fiscal

agent the lesser of the amount due for bond service charges or the 33825  
amount of the next periodic distribution scheduled to be made to 33826  
the district or to the college in respect of its allocated state 33827  
share of instruction. If this amount is insufficient to pay the 33828  
total amount then due the agent for the payment of bond service 33829  
charges, the chancellor shall continue to pay to the agent from 33830  
each periodic distribution thereafter, and until the full amount 33831  
due the agent for unpaid bond service charges is paid in full, the 33832  
lesser of the remaining amount due the agent for bond service 33833  
charges or the amount of the next periodic distribution scheduled 33834  
to be made to the district or college in respect of its allocated 33835  
state share of instruction. 33836

(E) The chancellor may make any payments under this section 33837  
by direct deposit of funds by electronic transfer. 33838

Any amount received by a paying agent or fiscal agent under 33839  
this section shall be applied only to the payment of bond service 33840  
charges on the obligations of the community or technical college 33841  
district or community or technical college subject to this section 33842  
or to the reimbursement of the provider of a credit enhancement 33843  
facility that has paid the bond service charges. 33844

(F) The chancellor may make payments under this section to 33845  
paying agents or fiscal agents during any fiscal biennium of the 33846  
state only from and to the extent that money is appropriated to 33847  
the department by the general assembly for distribution during 33848  
such biennium for the state share of instruction and only to the 33849  
extent that a portion of the state share of instruction has been 33850  
allocated to the community or technical college district or 33851  
community or technical college. Obligations of the issuing 33852  
authority or of a community or technical college district to which 33853  
this section is made applicable do not constitute an obligation or 33854  
a debt or a pledge of the faith, credit, or taxing power of the 33855  
state, and the holders or owners of those obligations have no 33856

right to have excises or taxes levied or appropriations made by 33857  
the general assembly for the payment of bond service charges on 33858  
the obligations, and the obligations shall contain a statement to 33859  
that effect. The agreement for or the actual withholding and 33860  
payment of money under this section does not constitute the 33861  
assumption by the state of any debt of a community or technical 33862  
college district or a community or technical college, and bond 33863  
service charges on the related obligations are not anticipated to 33864  
be paid from the state general revenue fund for purposes of 33865  
Section 17 of Article VIII, Ohio Constitution. 33866

(G) In the case of obligations subject to the withholding 33867  
provisions of this section, the issuing community or technical 33868  
college district, or the issuing authority in the case of 33869  
obligations issued by the issuing authority, shall appoint a 33870  
paying agent or fiscal agent who is not an officer or employee of 33871  
the district or college. 33872

(H) The chancellor, with the advice and consent of the office 33873  
of budget and management, may adopt reasonable rules not 33874  
inconsistent with this section for the implementation of this 33875  
section to secure payment of bond service charges on obligations 33876  
issued by a community or technical college district or by the 33877  
issuing authority for the benefit of a community or technical 33878  
college district or the community or technical college it 33879  
operates. Those rules shall include criteria for the evaluation 33880  
and approval or denial of community or technical college district 33881  
requests for withholding under this section. 33882

(I) The authority granted by this section is in addition to 33883  
and not a limitation on any other authorizations granted by or 33884  
pursuant to law for the same or similar purposes. 33885

**Sec. 3333.61.** The chancellor of higher education shall 33886  
establish and administer the Ohio innovation partnership, which 33887

shall consist of the choose Ohio first scholarship program and the 33888  
Ohio research scholars program. Under the programs, the 33889  
chancellor, subject to approval by the controlling board, shall 33890  
make awards to state universities or colleges for programs and 33891  
initiatives that recruit students and scientists in the fields of 33892  
science, technology, engineering, mathematics, medicine, and 33893  
dentistry to state universities or colleges, in order to enhance 33894  
regional educational and economic strengths and meet the needs of 33895  
the state's regional economies. Awards may be granted for programs 33896  
and initiatives to be implemented by a state university or college 33897  
alone or in collaboration with other state institutions of higher 33898  
education, nonpublic Ohio universities and colleges, or other 33899  
public or private Ohio entities. If the chancellor makes an award 33900  
to a program or initiative that is intended to be implemented by a 33901  
state university or college in collaboration with other state 33902  
institutions of higher education or nonpublic Ohio universities or 33903  
colleges, the chancellor may provide that some portion of the 33904  
award be received directly by the collaborating universities or 33905  
colleges consistent with all terms of the Ohio innovation 33906  
partnership. 33907

The choose Ohio first scholarship program shall assign a 33908  
number of scholarships to state universities and colleges to 33909  
recruit Ohio residents as undergraduate, or as provided in section 33910  
3333.66 of the Revised Code graduate, students in the fields of 33911  
science, technology, engineering, mathematics, medicine, and 33912  
dentistry, or in science, technology, engineering, mathematics, 33913  
medical, or dental education. The chancellor also may assign a 33914  
number of choose Ohio first scholarships to state universities and 33915  
colleges to recruit Ohio residents to enroll in certificate 33916  
programs in the fields of science, technology, engineering, 33917  
mathematics, medicine, and dentistry. Choose Ohio first 33918  
scholarships shall be awarded to each participating eligible 33919  
student as a grant to the state university or college the student 33920

is attending and shall be reflected on the student's tuition bill. 33921  
Choose Ohio first scholarships are student-centered grants from 33922  
the state to students to use to attend a university or college and 33923  
are not grants from the state to universities or colleges. 33924

Notwithstanding any other provision of this section or 33925  
sections 3333.62 to 3333.69 of the Revised Code, a nonpublic 33926  
four-year Ohio institution of higher education may submit a 33927  
proposal for choose Ohio first scholarships or Ohio research 33928  
scholars grants. If the chancellor awards a nonpublic institution 33929  
scholarships or grants, the nonpublic institution shall comply 33930  
with all requirements of this section, sections 3333.62 to 3333.69 33931  
of the Revised Code, and the rules adopted under this section that 33932  
apply to state universities or colleges awarded choose Ohio first 33933  
scholarships or Ohio research scholars grants. 33934

The Ohio research scholars program shall award grants to use 33935  
in recruiting scientists to the faculties of state universities or 33936  
colleges. 33937

The chancellor shall adopt rules in accordance with Chapter 33938  
119. of the Revised Code to administer the programs. 33939

**Sec. 3333.62.** The chancellor of higher education shall 33940  
establish a competitive process for making awards under the choose 33941  
Ohio first scholarship program and the Ohio research scholars 33942  
program. The chancellor, on completion of that process, shall make 33943  
a recommendation to the controlling board asking for approval of 33944  
each award selected by the chancellor. 33945

Any state university or college may apply for one or more 33946  
awards under one or both programs. The state university or college 33947  
shall submit a proposal and other documentation required by the 33948  
chancellor, in the form and manner prescribed by the chancellor, 33949  
for each award it seeks. A proposal may propose an initiative to 33950  
be implemented solely by the state university or college or in 33951

collaboration with other state institutions of higher education, 33952  
nonpublic Ohio universities or colleges, or other public or 33953  
nonpublic Ohio entities. A single proposal may seek an award under 33954  
one or both programs. 33955

The chancellor shall determine which proposals will receive 33956  
awards each fiscal year, and the amount of each award, on the 33957  
basis of the merit of each proposal, which the chancellor, subject 33958  
to approval by the controlling board, shall determine based on one 33959  
or more of the following criteria: 33960

(A) The quality of the program that is the subject of the 33961  
proposal and the extent to which additional resources will enhance 33962  
its quality; 33963

(B) The extent to which the proposal is integrated with the 33964  
strengths of the regional economy; 33965

(C) The extent to which the proposal is integrated with 33966  
centers of research excellence within the private sector; 33967

(D) The amount of other institutional, public, or private 33968  
resources, whether monetary or nonmonetary, that the proposal 33969  
pledges to leverage; 33970

(E) The extent to which the proposal is collaborative with 33971  
other public or nonpublic Ohio institutions of higher education; 33972

(F) The extent to which the proposal is integrated with the 33973  
university's or college's mission and does not displace existing 33974  
resources already committed to the mission; 33975

(G) The extent to which the proposal facilitates a more 33976  
efficient utilization of existing faculty and programs; 33977

(H) The extent to which the proposal meets a statewide 33978  
educational need; 33979

(I) The demonstrated productivity or future capacity of the 33980  
students or scientists to be recruited; 33981

(J) The extent to which the proposal will create additional capacity in educational or economic areas of need;	33982 33983
(K) The extent to which the proposal will encourage students who received degrees in the fields of science, technology, engineering, mathematics, or medicine from two-year institutions to transfer to state universities or colleges to pursue baccalaureate degrees in science, technology, engineering, mathematics, or medicine;	33984 33985 33986 33987 33988 33989
(L) The extent to which the proposal encourages students enrolled in state universities to transfer into science, technology, engineering, mathematics, or medicine programs;	33990 33991 33992
(M) The extent to which the proposal facilitates the completion of a baccalaureate degree in a cost-effective manner, for example, by facilitating students' completing two years at a two-year institution and two years at a state university or college;	33993 33994 33995 33996 33997

(P) The extent to which the proposal increases the likelihood that students will successfully complete their degree programs in science, technology, engineering, mathematics, or medicine or in science, technology, engineering, mathematics, or medical education;	34005 34006 34007 34008 34009
(Q) The extent to which the proposal ensures that a student who is awarded a scholarship is appropriately qualified and prepared to successfully complete a degree program in science,	34010 34011 34012

complete a certificate program at a state university or college. 34019

**Sec. 3333.66.** (A)(1) Except as provided in ~~division~~ divisions 34020  
(A)(2), (3), and (4) of this section, in each academic year, no 34021  
student who receives a choose Ohio first scholarship shall receive 34022  
less than one thousand five hundred dollars or more than one-half 34023  
of the highest in-state undergraduate instructional and general 34024  
fees charged by all state universities. For this purpose, if Miami 34025  
university is implementing the pilot tuition restructuring plan 34026  
originally recognized in Am. Sub. H.B. 95 of the 125th general 34027  
assembly, that university's instructional and general fees shall 34028  
be considered to be the average full-time in-state undergraduate 34029  
instructional and general fee amount after taking into account the 34030  
Ohio resident and Ohio leader scholarships and any other credit 34031  
provided to all Ohio residents. 34032

(2) The chancellor of higher education may authorize a state 34033  
university or college or a nonpublic Ohio institution of higher 34034

any initiatives are selected for award under division (B) of this section. 34043

34048  
34049  
34050  
34051

34068  
34069  
34070

(2) Graduates, or undergraduates who will graduate in time to participate in the program described in this division by the subsequent school year, from an Ohio college or university who 34071  
34072  
34073

engineering, mathematics, or medicine to participate in a 34075  
graduate-level teacher education masters program in one of those 34076  
fields that requires the student to establish a domicile in the 34077  
state and to commit to teach for a minimum of three years in a 34078  
hard-to-staff school district in the state upon completion of the 34079  
master's degree program. The chancellor may require a college or 34080  
university to give priority to qualified candidates who graduated 34081

3345.011 of the Revised Code. 34101

program. 34107

~~If the board of trustees chooses to establish such a program,~~ 34108  
~~the~~ The board shall adopt rules for the program that include, but 34109

long as the student complies with the requirements of the program, 34115  
except that, notwithstanding any law to the contrary, the board 34116  
may increase the guaranteed amount by up to six per cent above 34117  
what has been charged in the previous academic year one time for 34118  
the first cohort enrolled under the tuition guarantee program. If 34119  
the board of trustees determines that economic conditions or other 34120  
circumstances require an increase for the first cohort of above 34121  
six per cent, the board shall submit a request to increase the 34122  
amount by a specified percentage to the chancellor. The 34123  
chancellor, based on information the chancellor requires from the 34124  
board of trustees, shall approve or disapprove such a request. 34125

for the applicable fiscal year. If the general assembly does not 34136  
enact a limit on the increase of in-state undergraduate 34137  
instructional and general fees, then no limit shall apply under 34138  
this division for the cohort that first enrolls in any academic 34139  
year for which the general assembly does not prescribe a limit. 34140

If, beginning with the academic year that starts four years 34141  
after September 29, 2013, the board of trustees determines that 34142  
the general and instructional fees charged under the tuition 34143  
guarantee have fallen significantly lower than those of other 34144  
state universities, the board of trustees may submit a request to 34145  
increase the amount charged to a cohort by a specified percentage 34146  
to the chancellor, who shall approve or disapprove such a request. 34147

(3) A benchmark by which the board sets annual increases in 34148  
general and instructional fees. This benchmark and any subsequent 34149  
change to the benchmark shall be subject to approval of the 34150  
chancellor. 34151

(4) Eligibility requirements for students to participate in 34152  
the program; 34153

charge. 34161

(b) For a student who could not complete the program in four 34162  
years due to military service or other circumstances beyond a 34163

(c) For a student who did not complete the program in four	34167
years for any other reason, as determined by the board of	34168
trustees, the university shall provide the necessary course or	34169

a method established by the board under division (B)(7) of this	34171
section.	34172
(7) Guidelines for adjusting a student's annual charges if	34173

(E) Not later than four p.m. of the twentieth day prior to an 35153

measure may file a petition with the board of any county asking 35156  
that the petitioners be recognized as the committee entitled to 35157  
appoint observers to the count at the election. If more than one 35158  
committee alleging themselves to advocate or oppose the same 35159  
measure file such a petition, the board shall decide and announce 35160  
by registered mail to each committee not less than twelve days 35161  
immediately preceding the election which committee is recognized 35162  
as being entitled to appoint observers. The decision shall not be 35163  
final, but any aggrieved party may institute mandamus proceedings 35164

committee may appoint an observer to the count in each precinct. 35168  
Committees appointing observers shall notify the board of 35169  
elections of the names and addresses of its appointees and the 35170  
precincts at which they shall serve. Notification shall take place 35171

observers may agree upon not to exceed six observers, and the 35182  
precinct election officials shall appoint such observers. If such 35183  
committees fail to agree, the precinct election officials shall 35184  
appoint six observers from the appointees so certified, in such 35185  
manner that each side of the several questions shall be 35186  
represented. 35187

(F) No person shall serve as an observer at any precinct or 35188  
at the board of elections unless the board of elections of the 35189  
county in which such observer is to serve has first been notified 35190  
of the name, address, and location at which such observer is to 35191  
serve. Notification to the board of elections shall be given by 35192  
the political party, group of candidates, or committee appointing 35193  
such observer as prescribed in this section. No such observers 35194  
shall receive any compensation from the county, municipal 35195  
corporation, or township, and they shall take the following oath, 35196  
to be administered by one of the precinct election officials: 35197

"You do solemnly swear that you will faithfully and 35198  
impartially discharge the duties as an official observer, assigned 35199  
by law; that you will not cause any delay to persons offering to 35200  
vote; and that you will not disclose or communicate to any person 35201  
how any elector has voted at such election." 35202

Sec. 3505.331. (A) After declaring the official results of a 35203  
general election or of a primary election held in an even-numbered 35204  
year, as described in section 3505.33 of the Revised Code, the 35205  
board of elections shall audit those results in accordance with 35206  
this section. Except as otherwise provided in this division, the 35207  
board shall begin the audit not earlier than six days after it 35208  
declares the official results and shall complete the audit not 35209  
later than the twenty-first day after it declares the official 35210  
results. If the board conducts a recount, the board shall begin 35211  
the audit immediately after the board certifies the results of the 35212  
recount and shall complete the audit not later than the fourteenth 35213  
day after it certifies the results of the recount. 35214

(B) The board shall conduct the audit in accordance with 35215  
procedures prescribed by the secretary of state, which shall 35216  
include all of the following: 35217

(1)(a) Except as otherwise provided in division (B)(1)(b) of 35218

this section, a requirement that the board audit not less than 35219  
three contested races, questions, or issues, as directed by the 35220  
secretary of state. If fewer than three contested races, 35221  
questions, or issues appear on the ballot at the election, then 35222  
the board shall audit every contested race, question, and issue. 35223  
In any election, every contested race, question, or issue shall be 35224  
eligible to be audited. 35225

(b) If the board ordered a countywide recount of the results 35226  
of a race, question, or issue under section 3515.011 of the 35227  
Revised Code, the recount shall be considered an audit for 35228  
purposes of meeting the requirement that the board audit not less 35229  
than three contested races, questions, or issues. 35230

(2) A requirement that every ballot that was included in the 35231  
canvass of the election returns be eligible to be audited, 35232  
including regular ballots cast on the day of the election, absent 35233  
voter's ballots, and provisional ballots. 35234

(3) Either a provision allowing the board to choose one of 35235  
the following protocols to use in conducting the audit or a 35236  
provision requiring the board to use a protocol selected by the 35237  
secretary of state from the following protocols in conducting the 35238  
audit: 35239

(a) A risk-limiting audit protocol, which shall use 35240  
statistical methods to limit to acceptable levels the risk of 35241  
certifying an incorrect outcome for a particular race, question, 35242  
or issue. The protocol shall require bipartisan teams of election 35243  
officials to physically examine and hand count randomly sampled 35244  
ballots and to continue the hand counting until the results of the 35245  
hand count provide sufficiently strong evidence that a hand count 35246  
of all of the ballots would confirm the election result declared 35247  
under section 3505.33 of the Revised Code or until all of the 35248  
ballots have been hand counted, whichever occurs first. 35249

(b)(i) A percentage-based audit protocol, which shall require 35250  
bipartisan teams of election officials to physically examine and 35251  
hand count a number of randomly sampled ballots equal to a given 35252  
percentage of the total number of ballots cast in the county at 35253  
that election, as prescribed by the secretary of state. After the 35254  
election officials complete the initial audit, the board shall 35255  
calculate, as a percentage, the accuracy rate of each audited 35256  
race, question, or issue by dividing the sum of any discrepancies 35257  
for the race, question, or issue discovered during the audit by 35258  
the total number of ballots audited for the race, question, or 35259  
issue and subtracting the resulting number from one. 35260

(ii) If the accuracy rate for an audited race, question, or 35261  
issue is less than the acceptable accuracy rate prescribed by the 35262  
secretary of state, the board shall escalate the audit of that 35263  
race, question, or issue by requiring bipartisan teams of election 35264  
officials to physically examine and hand count a second set of 35265  
randomly sampled ballots equal to a given percentage of the total 35266  
number of ballots cast in the county at that election, as 35267  
prescribed by the secretary of state. The second set of ballots 35268  
shall not include any ballots that were included in the first set 35269  
of audited ballots. After the election officials have counted the 35270  
second set of ballots, the board shall calculate the combined 35271  
accuracy rate for both audited sets of ballots for that race, 35272  
question, or issue. 35273

(c) Another audit protocol approved by the secretary of 35274  
state. 35275

(C) The board shall give public notice of the times and 35276  
places for preparing for and conducting the audit in accordance 35277  
with section 121.22 of the Revised Code. At all times while the 35278  
board prepares for and conducts the audit, the board shall permit 35279  
observers appointed under section 3505.21 of the Revised Code. 35280

No person other than a member of the board or a designated 35281

employee of the board shall be permitted to handle a ballot. 35282

(D)(1) Not later than five days after completing the audit, 35283  
the board shall certify the results of the audit to the secretary 35284  
of state in the form and by the method prescribed by the secretary 35285  
of state. The secretary of state shall make the results of the 35286  
audit available to the public on the secretary of state's official 35287  
web site. 35288

(2) If the board conducted a percentage-based audit and was 35289  
required to escalate the audit of a race, question, or issue under 35290  
division (B)(3)(b)(ii) of this section, and the combined accuracy 35291  
rate for that race, question, or issue is less than the acceptable 35292  
combined accuracy rate prescribed by the secretary of state, the 35293  
secretary of state may require the board to order bipartisan teams 35294  
of election officials to physically examine and hand count all 35295  
ballots cast for that race, question, or issue. The requirements 35296  
of division (C) of this section apply to any full hand count 35297  
conducted under this division. 35298

(3) If the results of the completed audit or the results of 35299  
any full hand count ordered under division (D)(2) of this section 35300  
indicate that the canvass or the previously declared official 35301  
election results must be amended, the board promptly shall amend 35302  
the canvass or issue an amended declaration of the official 35303  
results, as applicable. 35304

(E) As used in this section: 35305

(1) "Ballot" means either a paper ballot or the relevant 35306  
entry on a voter verified paper audit trail. 35307

(2) "Voter verified paper audit trail" has the same meaning 35308  
as in section 3506.01 of the Revised Code. 35309

**Sec. 3513.01.** (A) Except as otherwise provided in this 35310  
section and section 3517.012 of the Revised Code, ~~on the second~~ 35311

~~Tuesday after the first Monday in March of 2016 and every fourth~~ 35312  
~~year thereafter, and on the first Tuesday after the first Monday~~ 35313  
~~in May of every other year,~~ primary elections shall be held as 35314  
provided in division (E) of section 3501.01 of the Revised Code 35315  
for the purpose of nominating persons as candidates of political 35316  
parties for election to offices to be voted for at the succeeding 35317  
general election. 35318

(B) The manner of nominating persons as candidates for 35319  
election as officers of a municipal corporation having a 35320  
population of two thousand or more, as ascertained by the most 35321  
recent federal census, shall be the same as the manner in which 35322  
candidates were nominated for election as officers in the 35323  
municipal corporation in 1989 unless the manner of nominating such 35324  
candidates is changed under division (C), (D), or (E) of this 35325  
section. 35326

(C) Primary elections shall not be held for the nomination of 35327  
candidates for election as officers of any township, or any 35328  
municipal corporation having a population of less than two 35329  
thousand, unless a majority of the electors of any such township 35330  
or municipal corporation, as determined by the total number of 35331  
votes cast in such township or municipal corporation for the 35332  
office of governor at the most recent regular state election, 35333  
files with the board of elections of the county within which such 35334  
township or municipal corporation is located, or within which the 35335  
major portion of the population thereof is located, if the 35336  
municipal corporation is situated in more than one county, not 35337  
later than one hundred twenty days before the day of a primary 35338  
election, a petition signed by such electors asking that 35339  
candidates for election as officers of such township or municipal 35340  
corporation be nominated as candidates of political parties, in 35341  
which event primary elections shall be held in such township or 35342  
municipal corporation for the purpose of nominating persons as 35343

candidates of political parties for election as officers of such township or municipal corporation to be voted for at the succeeding regular municipal election. In a township or municipal corporation where a majority of the electors have filed a petition asking that candidates for election as officers of the township or municipal corporation be nominated as candidates of political parties, the nomination of candidates for a nonpartisan election may be reestablished in the manner prescribed in division (E) of this section.

(D)(1) The electors in a municipal corporation having a population of two thousand or more, in which municipal officers were nominated in the most recent election by nominating petition and elected by nonpartisan election, may place on the ballot in the manner prescribed in division (D)(2) of this section the question of changing to the primary-election method of nominating persons as candidates for election as officers of the municipal corporation.

(2) The board of elections of the county within which the municipal corporation is located, or, if the municipal corporation is located in more than one county, of the county within which the major portion of the population of the municipal corporation is located, shall, upon receipt of a petition signed by electors of the municipal corporation equal in number to at least ten per cent of the vote cast at the most recent regular municipal election, submit to the electors of the municipal corporation the question of changing to the primary-election method of nominating persons as candidates for election as officers of the municipal corporation. The ballot language shall be substantially as follows:

"Shall candidates for election as officers of .....  
(name of municipal corporation) in the county of .....  
(name of county) be nominated as candidates of political parties?"

..... yes 35376

..... no" 35377

The question shall be placed on the ballot at the next 35378  
general election in an even-numbered year occurring at least 35379  
ninety days after the petition is filed with the board. If a 35380  
majority of the electors voting on the question vote in the 35381  
affirmative, candidates for election as officers of the municipal 35382  
corporation shall thereafter be nominated as candidates of 35383  
political parties in primary elections, under division (A) of this 35384  
section, unless a change in the manner of nominating persons as 35385  
candidates for election as officers of the municipal corporation 35386  
is made under division (E) of this section. 35387

(E)(1) The electors in a township or municipal corporation in 35388  
which the township or municipal officers are nominated as 35389  
candidates of political parties in a primary election may place on 35390  
the ballot, in the manner prescribed in division (E)(2) of this 35391  
section, the question of changing to the nonpartisan method of 35392  
nominating persons as candidates for election as officers of the 35393  
township or municipal corporation. 35394

(2) The board of elections of the county within which the 35395  
township or municipal corporation is located, or, if the municipal 35396  
corporation is located in more than one county, of the county 35397  
within which the major portion of the population of the municipal 35398  
corporation is located, shall, upon receipt of a petition signed 35399  
by electors of the township or municipal corporation equal in 35400  
number to at least ten per cent of the vote cast at the most 35401  
recent regular township or municipal election, as appropriate, 35402  
submit to the electors of the township or municipal corporation, 35403  
as appropriate, the question of changing to the nonpartisan method 35404  
of nominating persons as candidates for election as officers of 35405  
the township or municipal corporation. The ballot language shall 35406  
be substantially as follows: 35407

"Shall candidates for election as officers of ..... 35408  
(name of the township or municipal corporation) in the county of 35409  
..... (name of county) be nominated as candidates by 35410  
nominating petition and be elected only in a nonpartisan election? 35411  
..... yes 35412  
..... no" 35413

The question shall appear on the ballot at the next general 35414  
election in an even-numbered year occurring at least ninety days 35415  
after the petition is filed with the board. If a majority of 35416  
electors voting on the question vote in the affirmative, 35417  
candidates for officer of the township or municipal corporation 35418  
shall thereafter be nominated by nominating petition and be 35419  
elected only in a nonpartisan election, unless a change in the 35420  
manner of nominating persons as candidates for election as 35421  
officers of the township or municipal corporation is made under 35422  
division (C) or (D) of this section. 35423

action committee, legislative campaign fund, political party, or 35833

the option of the campaign committee, political action committee, 35837  
legislative campaign fund, political party, or political 35838

required to file a statement under division (A)(4) of this section 35847  
are the campaign committee of a statewide candidate and the 35848  
campaign committee of a candidate for county office. The campaign 35849  
committee of a candidate for any other nonjudicial office is 35850  
required to file a statement under division (A)(4) of this section 35851  
if that campaign committee receives, during that period, 35852  
contributions exceeding ten thousand dollars. 35853

No statement under division (A)(4) of this section shall be 35854  
required of a campaign committee, a political action committee, a 35855  
legislative campaign fund, a political party, or a political 35856  
contributing entity for any year in which the campaign committee, 35857  
political action committee, legislative campaign fund, political 35858  
party, or political contributing entity is required to file a 35859  
postprimary election statement under division (A)(2) of this 35860

section may be filed at the option of the campaign committee, 35862  
political action committee, legislative campaign fund, political 35863  
party, or political contributing entity. 35864

No statement under division (A)(3) or (4) of this section 35865  
shall be required if the campaign committee, political action 35866  
committee, legislative campaign fund, political party, or 35867  
political contributing entity has no contributions that it has 35868  
received and no expenditures that it has made since the last date 35869  
reflected in its last previously filed statement. However, the 35870  
campaign committee, political action committee, legislative 35871  
campaign fund, political party, or political contributing entity 35872

this section and made under penalty of election falsification, on 35874  
the date required in division (A)(3) or (4) of this section, as 35875  
applicable. 35876

The campaign committee of a statewide candidate shall file a 35877  
monthly statement of contributions received during each of the 35878

election in which the candidate seeks office. The campaign 35880  
committee of a statewide candidate shall file the monthly 35881  
statement not later than three business days after the last day of 35882  
the month covered by the statement. During the period beginning on 35883  
the nineteenth day before the general election in which a 35884  
statewide candidate seeks election to office and extending through 35885  
the day of that general election, each time the campaign committee 35886

a contribution from a contributor that causes the aggregate amount 35890  
of contributions received from that contributor during that period 35891  
to equal or exceed ten thousand dollars and each time the campaign 35892  
committee of a candidate for the office of chief justice or 35893  
justice of the supreme court receives a contribution from a 35894  
contributor that causes the aggregate amount of contributions 35895  
received from that contributor during that period to exceed ten 35896  
thousand dollars, the campaign committee shall file a 35897  
two-business-day statement reflecting that contribution. 35898  
Contributions reported on a two-business-day statement required to 35899  
be filed by a campaign committee of a statewide candidate in a 35900  
primary election shall also be included in the postprimary 35901  
election statement required to be filed by that campaign committee 35902  
under division (A)(2) of this section. A two-business-day 35903  
statement required by this paragraph shall be filed not later than 35904  
two business days after receipt of the contribution. The 35905  
statements required by this paragraph shall be filed in addition 35906

to any other statements required by this section. 35907

Subject to the secretary of state having implemented, tested, 35908  
and verified the successful operation of any system the secretary 35909  
of state prescribes pursuant to divisions (C)(6)(b) and (D)(6) of 35910  
this section and division (H)(1) of section 3517.106 of the 35911

electronic means of transmission, a campaign committee of a 35913  
statewide candidate shall file a two-business-day statement under 35914  
the preceding paragraph by electronic means of transmission if the 35915

expenditures by electronic means of transmission under this 35918  
section or section 3517.106 of the Revised Code. 35919

If a campaign committee or political action committee has no 35920  
balance on hand and no outstanding obligations and desires to 35921  
terminate itself, it shall file a statement to that effect, on a 35922  
form prescribed under this section and made under penalty of 35923  
election falsification, with the official with whom it files a 35924  
statement under division (A) of this section after filing a final 35925  
statement of contributions and a final statement of expenditures, 35926  
if contributions have been received or expenditures made since the 35927  
period reflected in its last previously filed statement. 35928

3517.1014 of the Revised Code. If, in the opinion of the secretary 36124  
of state, training in these areas is necessary, the secretary of 36125  
state shall arrange for the provision of voluntary training 36126  
programs for candidates, campaign committees, political action 36127

section 3517.11 of the Revised Code. The name of a campaign 36150  
committee shall include at least the last name of the campaign 36151

section 3517.081 of the Revised Code, the name of the campaign 36154  
committee shall include at least the last name of each candidate 36155  
who is a beneficiary of that campaign committee. The secretary of 36156  
state shall assign a registration number to each political action 36157  
committee that files a designation of the appointment of a 36158

limitations, if any, prescribed in section 3517.102 of the Revised 36181  
Code. A state or county political party shall deposit all other 36182  
monetary contributions received by the party into one or more 36183  
accounts that are separate from its state candidate fund ~~and from~~ 36184

purpose of furthering the election of candidates who are members 36192  
of that political party to the house of the general assembly with 36193  
which that legislative campaign fund is associated. Each 36194  
legislative campaign fund shall be administered and controlled in 36195  
a manner designated by the caucus. As used in this division, 36196  
"caucus" has the same meaning as in section 3517.01 of the Revised 36197  
Code and includes, as an ex officio member, the chairperson of the 36198  
state political party with which the caucus is associated or that 36199  
chairperson's designee. 36200

(4) Every expenditure in excess of twenty-five dollars shall 36201  
be vouched for by a receipted bill, stating the purpose of the 36202  
expenditure, that shall be filed with the statement of 36203  
expenditures. A canceled check with a notation of the purpose of 36204

includes the chief executive officer having responsibility for the 39382  
overall operation of a principal geographic unit of the agency. 39383

(b) The designated representative for any other purposes under 40 C.F.R. part 70.

(R) "Small business stationary source" means any building, structure, facility, or installation that emits any federally regulated air pollutant and is owned or operated by a person who employs one hundred or fewer individuals; is a small business concern as defined in the "Small Business Act," 72 Stat. 384 (1958), 15 U.S.C.A. 632, as amended; is not a major stationary source as defined in section 302(j) of the federal Clean Air Act; does not emit fifty tons or more per year of any federally regulated air pollutant or any hazardous air pollutant; and emits less than seventy-five tons per year of all federally regulated air pollutants.

(S) "Title V permit" means an operating permit required to be issued by the state under section 502 of the federal Clean Air Act and issued under section 3704.036 of the Revised Code and rules adopted under it.

**Sec. 3704.111.** (A) Not later than October 1, 1993, the director of environmental protection shall enter into a delegation agreement with each local air pollution control authority listed in divisions (N)(1)(a) to ~~(i)~~(h) of section 3704.01 of the Revised Code under which the local air pollution control authority agrees to perform on behalf of the environmental protection agency air

pollution control regulatory services within the political 39416  
subdivision represented by the local air pollution control 39417  
authority. The director may enter into such a delegation agreement 39418  
with a local air pollution control authority established on or 39419  
after the effective date of this section, subject to the condition 39420  
established in division (B) of this section. Each delegation 39421  
agreement shall be self-renewing on an annual basis on the first 39422  
day of October of each year. The terms of each such delegation 39423  
agreement shall remain unchanged from year to year unless they are 39424  
amended by mutual agreement of the director and the local air 39425  
pollution control authority. 39426

(B) The director may conduct a periodic performance 39427  
evaluation of the air pollution control program operated by each 39428  
local air pollution control authority. Based upon the findings of 39429  
such a performance evaluation, the director may terminate or 39430  
refuse to renew the delegation agreement with a local air 39431  
pollution control authority if the director determines that the 39432  
local air pollution control authority is not adequately performing 39433  
its obligations under the agreement. 39434

(C) The director may enter into contracts for payments to 39435  
local air pollution control authorities from moneys credited to 39436  
the clean air fund created in section 3704.035 of the Revised 39437  
Code, subject to the limitation specified in that section, and any 39438  
other moneys appropriated by the general assembly for that 39439  
purpose. The director shall distribute the moneys available for 39440  
making payments to the local air pollution control authorities 39441  
pursuant to such contracts equitably among the local air pollution 39442  
control authorities based upon the amount of local funding and the 39443  
workload of each local air pollution control authority, including, 39444  
without limitation, population served, number of air permits 39445  
issued for both new and existing sources, land area, and number of 39446  
air contaminant sources. The director biennially shall review the 39447

workload of each local air pollution control authority and shall 39448  
determine the percentage of the moneys available for the purpose 39449  
of making payments under the contracts. In determining the 39450  
percentage of those moneys that is to be so distributed, the 39451  
director shall consider the recommendations of the local air 39452  
pollution control authorities. 39453

(D) The director may modify a contract between the director 39454  
and a local air pollution control authority to authorize the local 39455  
air pollution control authority to perform air pollution control 39456  
activities outside the geographic boundaries of that local air 39457  
pollution control authority. 39458

**Sec. 3704.14.** (A)(1) If the director of environmental 39459  
protection determines that implementation of a motor vehicle 39460  
inspection and maintenance program is necessary for the state to 39461  
effectively comply with the federal Clean Air Act after June 30, 39462  
~~2015~~ 2019, the director may provide for the implementation of the 39463  
program in those counties in this state in which such a program is 39464  
federally mandated. Upon making such a determination, the director 39465  
of environmental protection may request the director of 39466  
administrative services to extend the terms of the contract that 39467  
was entered into under the authority of Am. Sub. H.B. ~~153~~ 64 of 39468  
the ~~129th~~ 131st general assembly. Upon receiving the request, the 39469  
director of administrative services shall extend the contract, 39470  
beginning on July 1, ~~2015~~ 2019, in accordance with this section. 39471  
The contract shall be extended for a period of up to twenty-four 39472  
months with the contractor who conducted the motor vehicle 39473  
inspection and maintenance program under that contract. 39474

(2) Prior to the expiration of the contract extension that is 39475  
authorized by division (A)(1) of this section, the director of 39476  
environmental protection shall request the director of 39477  
administrative services to enter into a contract with a vendor to 39478

operate a decentralized motor vehicle inspection and maintenance 39479  
program in each county in this state in which such a program is 39480  
federally mandated through June 30, ~~2019~~ 2023, with an option for 39481  
the state to renew the contract for a period of up to twenty-four 39482  
months through June 30, ~~2021~~ 2025. The contract shall ensure that 39483  
the decentralized motor vehicle inspection and maintenance program 39484  
achieves at least the same emission reductions as achieved by the 39485  
program operated under the authority of the contract that was 39486  
extended under division (A)(1) of this section. The director of 39487  
administrative services shall select a vendor through a 39488  
competitive selection process in compliance with Chapter 125. of 39489  
the Revised Code. 39490

(3) Notwithstanding any law to the contrary, the director of 39491  
administrative services shall ensure that a competitive selection 39492  
process regarding a contract to operate a decentralized motor 39493  
vehicle inspection and maintenance program in this state 39494  
incorporates the following, which shall be included in the 39495  
contract: 39496

(a) For purposes of expanding the number of testing locations 39497  
for consumer convenience, a requirement that the vendor utilize 39498  
established local businesses, auto repair facilities, or leased 39499  
properties to operate state-approved inspection and maintenance 39500  
testing facilities; 39501

(b) A requirement that the vendor selected to operate the 39502  
program provide notification of the program's requirements to each 39503  
owner of a motor vehicle that is required to be inspected under 39504  
the program. The contract shall require the notification to be 39505  
provided not later than sixty days prior to the date by which the 39506  
owner of the motor vehicle is required to have the motor vehicle 39507  
inspected. The director of environmental protection and the vendor 39508  
shall jointly agree on the content of the notice. However, the 39509  
notice shall include at a minimum the locations of all inspection 39510

facilities within a specified distance of the address that is 39511  
listed on the owner's motor vehicle registration; 39512

(c) A requirement that the vendor comply with testing 39513  
methodology and supply the required equipment approved by the 39514  
director of environmental protection as specified in the 39515  
competitive selection process in compliance with Chapter 125. of 39516  
the Revised Code. 39517

(4) A decentralized motor vehicle inspection and maintenance 39518  
program operated under this section shall comply with division (B) 39519  
of this section. The director of environmental protection shall 39520  
administer the decentralized motor vehicle inspection and 39521  
maintenance program operated under this section. 39522

(B) The decentralized motor vehicle inspection and 39523  
maintenance program authorized by this section, at a minimum, 39524  
shall do all of the following: 39525

(1) Comply with the federal Clean Air Act; 39526

(2) Provide for the issuance of inspection certificates; 39527

(3) Provide for a new car exemption for motor vehicles four 39528  
years old or newer and provide that a new motor vehicle is exempt 39529  
for four years regardless of whether legal title to the motor 39530  
vehicle is transferred during that period. 39531

(C) The director of environmental protection shall adopt 39532  
rules in accordance with Chapter 119. of the Revised Code that the 39533  
director determines are necessary to implement this section. The 39534  
director may continue to implement and enforce rules pertaining to 39535  
the motor vehicle inspection and maintenance program previously 39536  
implemented under former section 3704.14 of the Revised Code as 39537  
that section existed prior to its repeal and reenactment by Am. 39538  
Sub. H.B. 66 of the 126th general assembly, provided that the 39539  
rules do not conflict with this section. 39540

(D) There is hereby created in the state treasury the auto emissions test fund, which shall consist of money received by the director from any cash transfers, state and local grants, and other contributions that are received for the purpose of funding the program established under this section. The director of environmental protection shall use money in the fund solely for the implementation, supervision, administration, operation, and enforcement of the motor vehicle inspection and maintenance program established under this section. Money in the fund shall not be used for either of the following:

(1) To pay for the inspection costs incurred by a motor vehicle dealer so that the dealer may provide inspection certificates to an individual purchasing a motor vehicle from the dealer when that individual resides in a county that is subject to the motor vehicle inspection and maintenance program;

(2) To provide payment for more than one free passing emissions inspection or a total of three emissions inspections for a motor vehicle in any three-hundred-sixty-five-day period. The owner or lessee of a motor vehicle is responsible for inspection fees that are related to emissions inspections beyond one free passing emissions inspection or three total emissions inspections in any three-hundred-sixty-five-day period. Inspection fees that are charged by a contractor conducting emissions inspections under a motor vehicle inspection and maintenance program shall be approved by the director of environmental protection.

(E) The motor vehicle inspection and maintenance program established under this section expires upon the termination of all contracts entered into under this section and shall not be implemented beyond the final date on which termination occurs.

**Sec. 3705.07.** (A) The local registrar of vital statistics shall number consecutively each fetal death and death certificate

printed on paper that the local registrar receives from the 39572  
electronic death registration system (EDRS) maintained by the 39573  
department of health. The number assigned to each certificate 39574  
shall be the one provided by EDRS. Such local registrar shall sign 39575  
the local registrar's name in attest to the date of filing in the 39576  
local office. The local registrar shall make a complete and 39577  
accurate copy of each fetal death and death certificate printed on 39578  
paper that is filed. Each paper copy shall be filed and preserved 39579  
as the local record until the electronic information regarding the 39580  
event has been completed and made available in EDRS and EDRS is 39581  
capable of issuing a complete and accurate electronic copy of the 39582  
certificate. The local record may be a photographic, electronic, 39583  
or other reproduction. The local registrar shall transmit to the 39584  
state office of vital statistics all original fetal death and 39585  
death certificates received using the state transmittal schedule 39586  
specified by the department of health. The local registrar shall 39587  
immediately notify the health commissioner with jurisdiction in 39588  
the registration district of the receipt of a death certificate 39589  
attesting that death resulted from a communicable disease. 39590

The office of vital statistics shall carefully examine the 39591  
records and certificates received from local registrars of vital 39592  
statistics and shall secure any further information that may be 39593  
necessary to make each record and certificate complete and 39594  
satisfactory. It shall arrange and preserve the records and 39595  
certificates, or reproductions of them produced pursuant to 39596  
section 3705.03 of the Revised Code, in a systematic manner and 39597  
shall maintain a permanent index of all births, fetal deaths, and 39598  
deaths registered, which shall show the name of the child or 39599  
deceased person, place and date of birth or death, and number of 39600  
the certificate. 39601

(B)(1) The office of vital statistics shall make available to 39602  
~~the division of child support in the department of job and family~~ 39603

~~services~~ all social security numbers that accompany a birth certificate submitted for filing under division (H) of section 3705.09 or section 3705.10 of the Revised Code or that accompany a death certificate registered under section 3705.16 of the Revised Code to both of the following:

(a) For the purpose of child support enforcement, the division of child support in the department of job and family services;

(b) For the purpose of eligibility determinations for medical assistance programs as defined in section 5160.01 of the Revised Code, the department of medicaid.

(2) The office of vital statistics also shall make available to the division of child support in the department of job and family services any other information recorded in the birth record that may enable the division to use the social security numbers provided under division (B)(1) of this section to obtain the location of the father of the child whose birth certificate was accompanied by the social security number or to otherwise enforce a child support order pertaining to that child or any other child.

**Sec. 3705.09.** (A) A birth certificate for each live birth in this state shall be filed in the registration district in which it occurs within ten calendar days after such birth and shall be registered if it has been completed and filed in accordance with this section.

shall supply it. Upon the issuance of such new birth record, the 39688  
original birth record shall cease to be a public record. Except as 39689  
provided in division (C) of section 3705.091 of the Revised Code, 39690

new registration of birth shall be placed in an envelope which 39692  
shall be sealed by the department and shall not be open to 39693  
inspection or copy unless so ordered by a court of competent 39694  
jurisdiction. 39695

(H) Every birth certificate filed under this section on or 39696  
after July 1, 1990, shall be accompanied by all social security 39697  
numbers that have been issued to the parents of the child, unless 39698  
the division of child support in the department of job and family 39699

the "Family Support Act of 1988," 102 Stat. 2353, 42 U.S.C.A. 405, 39701  
as amended, finds good cause for not requiring that the numbers be 39702  
furnished with the certificate. The parents' social security 39703  
numbers shall not be recorded on the certificate. No social 39704  
security number obtained under this division shall be used for any 39705

information. 41038

Sec. 3727.461. A patient or party responsible for paying for 41039  
the patient's care is responsible for payment of hospital services 41040  
provided, even if the patient does not receive a cost estimate 41041  
under section 3727.46 of the Revised Code before the services are 41042  
provided. 41043

Sec. 3727.462. (A) A hospital shall publish on its internet 41044  
web site the list, required by section 2718(e) of the "Public 41045  
Health Service Act," 42 U.S.C. 300gg-18(e), of the hospital's 41046  
standard charges for items and services provided by the hospital. 41047  
The hospital shall publish an updated list on its internet web 41048  
site immediately after an updated list is prepared. 41049

(B) An estimate required by division (A) of section 3727.46 41050  
of the Revised Code shall contain an internet web site address 41051  
where the list described in division (A) of this section is 41052

Sec. 3734.57. (A) The following fees are hereby levied on the 41054  
transfer or disposal of solid wastes in this state: 41055

(1) Ninety cents per ton through June 30, ~~2020~~ 2022, twenty 41056  
cents of the proceeds of which shall be deposited in the state 41057  
treasury to the credit of the hazardous waste facility management 41058  
fund created in section 3734.18 of the Revised Code and seventy 41059  
cents of the proceeds of which shall be deposited in the state 41060  
treasury to the credit of the hazardous waste clean-up fund 41061  
created in section 3734.28 of the Revised Code; 41062

(2) An additional seventy-five cents per ton through June 30, 41063  
~~2020~~ 2022, the proceeds of which shall be deposited in the state 41064  
treasury to the credit of the waste management fund created in 41065  
section 3734.061 of the Revised Code. 41066

(3) An additional two dollars and eighty-five cents per ton 41067  
through June 30, ~~2020~~ 2022, the proceeds of which shall be 41068  
deposited in the state treasury to the credit of the environmental 41069  
protection fund created in section 3745.015 of the Revised Code; 41070

(4) An additional twenty-five cents per ton through June 30, 41071  
~~2020~~ 2022, the proceeds of which shall be deposited in the state 41072  
treasury to the credit of the soil and water conservation district 41073  
assistance fund created in section 940.15 of the Revised Code. 41074

In the case of solid wastes that are taken to a solid waste 41075  
transfer facility located in this state prior to being transported 41076  
for disposal at a solid waste disposal facility located in this 41077  
state or outside of this state, the fees levied under this 41078  
division shall be collected by the owner or operator of the 41079  
transfer facility as a trustee for the state. The amount of fees 41080  
required to be collected under this division at such a transfer 41081  
facility shall equal the total tonnage of solid wastes received at 41082  
the facility multiplied by the fees levied under this division. In 41083  
the case of solid wastes that are not taken to a solid waste 41084  
transfer facility located in this state prior to being transported 41085  
to a solid waste disposal facility, the fees shall be collected by 41086  
the owner or operator of the solid waste disposal facility as a 41087  
trustee for the state. The amount of fees required to be collected 41088  
under this division at such a disposal facility shall equal the 41089  
total tonnage of solid wastes received at the facility that was 41090  
not previously taken to a solid waste transfer facility located in 41091  
this state multiplied by the fees levied under this division. Fees 41092  
levied under this division do not apply to materials separated 41093  
from a mixed waste stream for recycling by a generator or 41094  
materials removed from the solid waste stream through recycling, 41095  
as "recycling" is defined in rules adopted under section 3734.02 41096  
of the Revised Code. 41097

The owner or operator of a solid waste transfer facility or 41098

disposal facility, as applicable, shall prepare and file with the 41099  
director of environmental protection each month a return 41100  
indicating the total tonnage of solid wastes received at the 41101  
facility during that month and the total amount of the fees 41102  
required to be collected under this division during that month. In 41103  
addition, the owner or operator of a solid waste disposal facility 41104  
shall indicate on the return the total tonnage of solid wastes 41105  
received from transfer facilities located in this state during 41106  
that month for which the fees were required to be collected by the 41107  
transfer facilities. The monthly returns shall be filed on a form 41108  
prescribed by the director. Not later than thirty days after the 41109  
last day of the month to which a return applies, the owner or 41110  
operator shall mail to the director the return for that month 41111  
together with the fees required to be collected under this 41112  
division during that month as indicated on the return or may 41113  
submit the return and fees electronically in a manner approved by 41114  
the director. If the return is filed and the amount of the fees 41115  
due is paid in a timely manner as required in this division, the 41116  
owner or operator may retain a discount of three-fourths of one 41117  
per cent of the total amount of the fees that are required to be 41118  
paid as indicated on the return. 41119

The owner or operator may request an extension of not more 41120  
than thirty days for filing the return and remitting the fees, 41121  
provided that the owner or operator has submitted such a request 41122  
in writing to the director together with a detailed description of 41123  
why the extension is requested, the director has received the 41124  
request not later than the day on which the return is required to 41125  
be filed, and the director has approved the request. If the fees 41126  
are not remitted within thirty days after the last day of the 41127  
month to which the return applies or are not remitted by the last 41128  
day of an extension approved by the director, the owner or 41129  
operator shall not retain the three-fourths of one per cent 41130  
discount and shall pay an additional ten per cent of the amount of 41131

the fees for each month that they are late. For purposes of 41132  
calculating the late fee, the first month in which fees are late 41133  
begins on the first day after the deadline has passed for timely 41134  
submitting the return and fees, and one additional month shall be 41135  
counted every thirty days thereafter. 41136

The owner or operator of a solid waste facility may request a 41137  
refund or credit of fees levied under this division and remitted 41138  
to the director that have not been paid to the owner or operator. 41139  
Such a request shall be made only if the fees have not been 41140  
collected by the owner or operator, have become a debt that has 41141  
become worthless or uncollectable for a period of six months or 41142  
more, and may be claimed as a deduction, including a deduction 41143  
claimed if the owner or operator keeps accounts on an accrual 41144  
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 41145  
U.S.C. 166, as amended, and regulations adopted under it. Prior to 41146  
making a request for a refund or credit, an owner or operator 41147  
shall make reasonable efforts to collect the applicable fees. A 41148  
request for a refund or credit shall not include any costs 41149  
resulting from those efforts to collect unpaid fees. 41150

A request for a refund or credit of fees shall be made in 41151  
writing, on a form prescribed by the director, and shall be 41152  
supported by evidence that may be required in rules adopted by the 41153  
director under this chapter. After reviewing the request, and if 41154  
the request and evidence submitted with the request indicate that 41155  
a refund or credit is warranted, the director shall grant a refund 41156  
to the owner or operator or shall permit a credit to be taken by 41157  
the owner or operator on a subsequent monthly return submitted by 41158  
the owner or operator. The amount of a refund or credit shall not 41159  
exceed an amount that is equal to ninety days' worth of fees owed 41160  
to an owner or operator by a particular debtor of the owner or 41161  
operator. A refund or credit shall not be granted by the director 41162  
to an owner or operator more than once in any twelve-month period 41163

for fees owed to the owner or operator by a particular debtor. 41164

If, after receiving a refund or credit from the director, an 41165  
owner or operator receives payment of all or part of the fees, the 41166  
owner or operator shall remit the fees with the next monthly 41167  
return submitted to the director together with a written 41168  
explanation of the reason for the submittal. 41169

For purposes of computing the fees levied under this division 41170  
or division (B) of this section, any solid waste transfer or 41171  
disposal facility that does not use scales as a means of 41172  
determining gate receipts shall use a conversion factor of three 41173  
cubic yards per ton of solid waste or one cubic yard per ton for 41174  
baled waste, as applicable. 41175

The fees levied under this division and divisions (B) and (C) 41176  
of this section are in addition to all other applicable fees and 41177  
taxes and shall be paid by the customer or a political subdivision 41178  
to the owner or operator of a solid waste transfer or disposal 41179  
facility. In the alternative, the fees shall be paid by a customer 41180  
or political subdivision to a transporter of waste who 41181  
subsequently transfers the fees to the owner or operator of such a 41182  
facility. The fees shall be paid notwithstanding the existence of 41183  
any provision in a contract that the customer or a political 41184  
subdivision may have with the owner or operator or with a 41185  
transporter of waste to the facility that would not require or 41186  
allow such payment regardless of whether the contract was entered 41187  
prior to or after October 16, 2009. For those purposes, "customer" 41188  
means a person who contracts with, or utilizes the solid waste 41189  
services of, the owner or operator of a solid waste transfer or 41190  
disposal facility or a transporter of solid waste to such a 41191  
facility. 41192

(B) For the purposes specified in division (G) of this 41193  
section, the solid waste management policy committee of a county 41194  
or joint solid waste management district may levy fees upon the 41195

following activities:	41196
(1) The disposal at a solid waste disposal facility located in the district of solid wastes generated within the district;	41197 41198
(2) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;	41199 41200 41201
(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.	41202 41203 41204
The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.	41205 41206 41207 41208 41209 41210 41211 41212 41213 41214
The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.	41215 41216 41217 41218 41219 41220 41221
Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the	41222 41223 41224 41225 41226

committee shall deliver a copy of the resolution to the board of 41227  
county commissioners of each county forming the district and to 41228  
the legislative authority of each municipal corporation and 41229  
township under the jurisdiction of the district and shall prepare 41230  
and publish the resolution and a notice of the time and location 41231  
where a public hearing on the fees will be held. Upon adopting the 41232  
resolution, the committee shall deliver written notice of the 41233  
adoption of the resolution; of the amount of the proposed fees; 41234  
and of the date, time, and location of the public hearing to the 41235  
director and to the fifty industrial, commercial, or institutional 41236  
generators of solid wastes within the district that generate the 41237  
largest quantities of solid wastes, as determined by the 41238  
committee, and to their local trade associations. The committee 41239  
shall make good faith efforts to identify those generators within 41240  
the district and their local trade associations, but the 41241  
nonprovision of notice under this division to a particular 41242  
generator or local trade association does not invalidate the 41243  
proceedings under this division. The publication shall occur at 41244  
least thirty days before the hearing. After the hearing, the 41245  
committee may make such revisions to the proposed fees as it 41246  
considers appropriate and thereafter, by resolution, shall adopt 41247  
the revised fee schedule. Upon adopting the revised fee schedule, 41248  
the committee shall deliver a copy of the resolution doing so to 41249  
the board of county commissioners of each county forming the 41250  
district and to the legislative authority of each municipal 41251  
corporation and township under the jurisdiction of the district. 41252  
Within sixty days after the delivery of a copy of the resolution 41253  
adopting the proposed revised fees by the policy committee, each 41254  
such board and legislative authority, by ordinance or resolution, 41255  
shall approve or disapprove the revised fees and deliver a copy of 41256  
the ordinance or resolution to the committee. If any such board or 41257  
legislative authority fails to adopt and deliver to the policy 41258  
committee an ordinance or resolution approving or disapproving the 41259

revised fees within sixty days after the policy committee 41260  
delivered its resolution adopting the proposed revised fees, it 41261  
shall be conclusively presumed that the board or legislative 41262  
authority has approved the proposed revised fees. The committee 41263  
shall determine if the resolution has been ratified in the same 41264  
manner in which it determines if a draft solid waste management 41265  
plan has been ratified under division (B) of section 3734.55 of 41266  
the Revised Code. 41267

The committee may amend the schedule of fees levied pursuant 41268  
to a resolution adopted and ratified under this division by 41269  
adopting a resolution establishing the proposed amount of the 41270  
amended fees. The committee may repeal the fees levied pursuant to 41271  
such a resolution by adopting a resolution proposing to repeal 41272  
them. Upon adopting such a resolution, the committee shall proceed 41273  
to obtain ratification of the resolution in accordance with this 41274  
division. 41275

Not later than fourteen days after declaring the new fees to 41276  
be ratified or the fees to be repealed under this division, the 41277  
committee shall notify by certified mail the owner or operator of 41278  
each solid waste disposal facility that is required to collect the 41279  
fees of the ratification and the amount of the fees or of the 41280  
repeal of the fees. Collection of any fees shall commence or 41281  
collection of repealed fees shall cease on the first day of the 41282  
second month following the month in which notification is sent to 41283  
the owner or operator. 41284

Fees levied under this division also may be established, 41285  
amended, or repealed by a solid waste management policy committee 41286  
through the adoption of a new district solid waste management 41287  
plan, the adoption of an amended plan, or the amendment of the 41288  
plan or amended plan in accordance with sections 3734.55 and 41289  
3734.56 of the Revised Code or the adoption or amendment of a 41290  
district plan in connection with a change in district composition 41291

under section 3734.521 of the Revised Code. 41292

Not later than fourteen days after the director issues an 41293  
order approving a district's solid waste management plan, amended 41294  
plan, or amendment to a plan or amended plan that establishes, 41295  
amends, or repeals a schedule of fees levied by the district, the 41296  
committee shall notify by certified mail the owner or operator of 41297  
each solid waste disposal facility that is required to collect the 41298  
fees of the approval of the plan or amended plan, or the amendment 41299  
to the plan, as appropriate, and the amount of the fees, if any. 41300  
In the case of an initial or amended plan approved under section 41301  
3734.521 of the Revised Code in connection with a change in 41302  
district composition, other than one involving the withdrawal of a 41303  
county from a joint district, the committee, within fourteen days 41304  
after the change takes effect pursuant to division (G) of that 41305  
section, shall notify by certified mail the owner or operator of 41306  
each solid waste disposal facility that is required to collect the 41307  
fees that the change has taken effect and of the amount of the 41308  
fees, if any. Collection of any fees shall commence or collection 41309  
of repealed fees shall cease on the first day of the second month 41310  
following the month in which notification is sent to the owner or 41311  
operator. 41312

If, in the case of a change in district composition involving 41313  
the withdrawal of a county from a joint district, the director 41314  
completes the actions required under division (G)(1) or (3) of 41315  
section 3734.521 of the Revised Code, as appropriate, forty-five 41316  
days or more before the beginning of a calendar year, the policy 41317  
committee of each of the districts resulting from the change that 41318  
obtained the director's approval of an initial or amended plan in 41319  
connection with the change, within fourteen days after the 41320  
director's completion of the required actions, shall notify by 41321  
certified mail the owner or operator of each solid waste disposal 41322  
facility that is required to collect the district's fees that the 41323

change is to take effect on the first day of January immediately 41324  
following the issuance of the notice and of the amount of the fees 41325  
or amended fees levied under divisions (B)(1) to (3) of this 41326  
section pursuant to the district's initial or amended plan as so 41327  
approved or, if appropriate, the repeal of the district's fees by 41328  
that initial or amended plan. Collection of any fees set forth in 41329  
such a plan or amended plan shall commence on the first day of 41330  
January immediately following the issuance of the notice. If such 41331  
an initial or amended plan repeals a schedule of fees, collection 41332  
of the fees shall cease on that first day of January. 41333

If, in the case of a change in district composition involving 41334  
the withdrawal of a county from a joint district, the director 41335  
completes the actions required under division (G)(1) or (3) of 41336  
section 3734.521 of the Revised Code, as appropriate, less than 41337  
forty-five days before the beginning of a calendar year, the 41338  
director, on behalf of each of the districts resulting from the 41339  
change that obtained the director's approval of an initial or 41340  
amended plan in connection with the change proceedings, shall 41341  
notify by certified mail the owner or operator of each solid waste 41342  
disposal facility that is required to collect the district's fees 41343  
that the change is to take effect on the first day of January 41344  
immediately following the mailing of the notice and of the amount 41345  
of the fees or amended fees levied under divisions (B)(1) to (3) 41346  
of this section pursuant to the district's initial or amended plan 41347  
as so approved or, if appropriate, the repeal of the district's 41348  
fees by that initial or amended plan. Collection of any fees set 41349  
forth in such a plan or amended plan shall commence on the first 41350  
day of the second month following the month in which notification 41351  
is sent to the owner or operator. If such an initial or amended 41352  
plan repeals a schedule of fees, collection of the fees shall 41353  
cease on the first day of the second month following the month in 41354  
which notification is sent to the owner or operator. 41355

If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of

where the wastes were generated. 41388

The legislative authority of a municipal corporation or 41389  
township may levy fees under this division by enacting an 41390  
ordinance or adopting a resolution establishing the amount of the 41391  
fees. Upon so doing the legislative authority shall mail a 41392  
certified copy of the ordinance or resolution to the board of 41393  
county commissioners or directors of the county or joint solid 41394  
waste management district in which the municipal corporation or 41395  
township is located or, if a regional solid waste management 41396  
authority has been formed under section 343.011 of the Revised 41397  
Code, to the board of trustees of that regional authority, the 41398  
owner or operator of each solid waste disposal facility in the 41399  
municipal corporation or township that is required to collect the 41400  
fee by the ordinance or resolution, and the director of 41401  
environmental protection. Although the fees levied under this 41402  
division are levied on the basis of tons as the unit of 41403  
measurement, the legislative authority, in its ordinance or 41404  
resolution levying the fees under this division, may direct that 41405  
the fees be levied on the basis of cubic yards as the unit of 41406  
measurement based upon a conversion factor of three cubic yards 41407  
per ton generally or one cubic yard per ton for baled wastes. 41408

Not later than five days after enacting an ordinance or 41409  
adopting a resolution under this division, the legislative 41410  
authority shall so notify by certified mail the owner or operator 41411  
of each solid waste disposal facility that is required to collect 41412  
the fee. Collection of any fee levied on or after March 24, 1992, 41413  
shall commence on the first day of the second month following the 41414  
month in which notification is sent to the owner or operator. 41415

(1) Fifteen dollars per ton on the total actual emissions of 42189  
each such regulated pollutant during the period July through 42190  
December 1993, to be collected no sooner than July 1, 1994; 42191

(2) Twenty dollars per ton on the total actual emissions of 42192  
each such regulated pollutant during calendar year 1994, to be 42193  
collected no sooner than April 15, 1995; 42194

(3) Twenty-five dollars per ton on the total actual emissions 42195  
of each such regulated pollutant in calendar year 1995, and each 42196  
subsequent calendar year, to be collected no sooner than the 42197  
fifteenth day of April of the year next succeeding the calendar 42198  
year in which the emissions occurred. 42199

The fees levied under this division do not apply to that 42200  
portion of the emissions of a regulated pollutant at a facility 42201  
that exceed four thousand tons during a calendar year. 42202

not apply to emissions from any electric generating unit 42207  
designated as a Phase I unit under Title IV of the federal Clean 42208  
Air Act prior to calendar year 2000. Those fees shall be assessed 42209  
on the emissions from such a generating unit commencing in 42210  
calendar year 2001 based upon the total actual emissions from the 42211  
generating unit during calendar year 2000 and shall continue to be 42212

assessed each subsequent calendar year based on the total actual 42213  
emissions from the generating unit during the preceding calendar 42214  
year. 42215

(3) The director shall issue invoices to owners or operators 42216  
of air contaminant sources who are required to pay a fee assessed 42217  
under division (B) or (D) of this section. Any such invoice shall 42218  
be issued no sooner than the applicable date when the fee first 42219  
may be collected in a year under the applicable division, shall 42220  
identify the nature and amount of the fee assessed, and shall 42221  
indicate that the fee is required to be paid within thirty days 42222  
after the issuance of the invoice. 42223

(D)(1) Except as provided in division (D)(3) of this section, 42224  
from January 1, 1994, through December 31, 2003, each person who 42225  
owns or operates an air contaminant source; who is required to 42226  
apply for a permit to operate pursuant to rules adopted under 42227  
division (G), or a variance pursuant to division (H), of section 42228

Code shall pay a single fee based upon the sum of the actual 42231  
annual emissions from the facility of the regulated pollutants 42232  
particulate matter, sulfur dioxide, nitrogen oxides, organic 42233  
compounds, and lead in accordance with the following schedule: 42234

beginning January 1, 2004, each person who owns or operates an air 42242  
contaminant source; who is required to apply for a permit to 42243  
operate pursuant to rules adopted under division (G), or a 42244

variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2020~~ 2022, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of

this section, the director shall compile revised fee schedules for 42310  
the purposes of division (B) of this section and shall make the 42311  
revised schedules available to persons required to pay the fees 42312  
assessed under that division and to the public. 42313

(2) For the purposes of division (E)(1) of this section: 42314

(a) The consumer price index for any year is the average of 42315  
the consumer price index for all urban consumers published by the 42316  
United States department of labor as of the close of the 42317  
twelve-month period ending on the thirty-first day of August of 42318  
that year. 42319

(b) If the 1989 consumer price index is revised, the director 42320  
shall use the revision of the consumer price index that is most 42321  
consistent with that for calendar year 1989. 42322

(F) Each person who is issued a permit to install pursuant to 42323  
rules adopted under division (F) of section 3704.03 of the Revised 42324

pursuant to Chapter 6111. of the Revised Code with an average 42511  
daily discharge flow of five thousand gallons or more shall pay a 42512  
nonrefundable annual discharge fee. Any person who fails to pay 42513

discharge during a billing year, the director shall reduce the 42521  
annual discharge fee, including the surcharge applicable to 42522  
certain industrial facilities pursuant to division (L)(3)(c) of 42523  
this section, by one-twelfth for each full month during the 42524

in gallons per day calculated using first day of May through 42534  
thirty-first day of October flow data for the period two years 42535  
prior to the date on which the fee is due. In the case of NPDES 42536  
discharge permits for new sources, the fee shall be calculated 42537  
using the average daily design flow of the facility until actual 42538  
average daily discharge flow values are available for the time 42539  
period specified in division (L)(3)(a)(iii) of this section. The 42540  
annual discharge fee may be prorated for a new source as described 42541

1513. of the Revised Code shall not exceed four hundred fifty 42969  
dollars per mine. 42970

(v) A person issued a modification of an NPDES permit shall 42971  
pay a nonrefundable modification fee equal to the application fee 42972  
and one-half the design flow discharge fee based on each point 42973  
source, if applicable, that would be charged for an NPDES permit, 42974  
except that the modification fee shall not exceed six hundred 42975  
dollars. 42976

registration certificate, permit, variance, or plan approval for 43004  
which an application fee is established under division (S)(1) of 43005  
this section, the person shall pay all applicable fees as 43006  
expeditiously as possible after the submission of the electronic 43007

reviewed or processed until the applicable application fee, and 43011  
any other fees established under this division, are paid. 43012

(2) Division (S)(1) of this section does not apply to an 43013

required or authorized by Chapter 3704., 3734., 6109., or 6111. of 43031  
the Revised Code that are not specifically established in this 43032  
section. The fees shall be designed to defray the cost of 43033  
processing, issuing, revoking, modifying, denying, and enforcing 43034  
the licenses, permits, variances, plan approvals, and 43035  
certifications. 43036

any fee required by this section; 43051

(3) Provide for the waiver of any fee, or any part thereof, 43052

applicants, or other person subject to the fee; 43056

(4) Prescribe measures that the director considers necessary 43057  
to carry out this section. 43058

(U) When the director reasonably demonstrates that the direct 43059

cost to the state associated with the issuance of a permit, 43060  
license, variance, plan approval, or certification exceeds the fee 43061  
for the issuance or review specified by this section, the director 43062  
may condition the issuance or review on the payment by the person 43063  
receiving the issuance or review of, in addition to the fee 43064  
specified by this section, the amount, or any portion thereof, in 43065  
excess of the fee specified under this section. The director shall 43066

the issuance of an invoice for the fee by the director or the 43073  
effective date of the issuance of the license, permit, variance, 43074  
plan approval, or certification. If payment is late, the person 43075  
responsible for payment of the fee shall pay an additional ten per 43076  
cent of the amount due for each month that it is late. 43077

rules or standards adopted by the director under Chapter 3704. or 43084  
6111. of the Revised Code. 43085

(X) As used in divisions (B), (D), (E), (F), (H), (I), and 43086

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4) 43122  
of this section, each sewage sludge facility shall pay a 43123  
nonrefundable annual sludge fee equal to three dollars and fifty 43124  
cents per dry ton of sewage sludge, including the dry tons of 43125  
sewage sludge in materials derived from sewage sludge, that the 43126  
sewage sludge facility treats or disposes of in this state. The 43127  
annual volume of sewage sludge treated or disposed of by a sewage 43128  
sludge facility shall be calculated using the first day of January 43129  
through the thirty-first day of December of the calendar year 43130  
preceding the date on which payment of the fee is due. 43131

(2)(a) Except as provided in division (Y)(2)(d) of this 43132  
section, each sewage sludge facility shall pay a minimum annual 43133  
sewage sludge fee of one hundred dollars. 43134

(b) The annual sludge fee required to be paid by a sewage 43135  
sludge facility that treats or disposes of exceptional quality 43136  
sludge in this state shall be thirty-five per cent less per dry 43137  
ton of exceptional quality sludge than the fee assessed under 43138  
division (Y)(1) of this section, subject to the following 43139  
exceptions: 43140

(i) Except as provided in division (Y)(2)(d) of this section, 43141  
a sewage sludge facility that treats or disposes of exceptional 43142  
quality sludge shall pay a minimum annual sewage sludge fee of one 43143  
hundred dollars. 43144

(ii) A sewage sludge facility that treats or disposes of 43145  
exceptional quality sludge shall not be required to pay the annual 43146  
sludge fee for treatment or disposal in this state of exceptional 43147  
quality sludge generated outside of this state and contained in 43148  
bags or other containers not greater than one hundred pounds in 43149  
capacity. 43150

A thirty-five per cent reduction for exceptional quality 43151  
sludge applies to the maximum annual fees established under 43152

division (Y)(3) of this section. 43153

(c) A sewage sludge facility that transfers sewage sludge to 43154  
another sewage sludge facility in this state for further treatment 43155  
prior to disposal in this state shall not be required to pay the 43156  
annual sludge fee for the tons of sewage sludge that have been 43157  
transferred. In such a case, the sewage sludge facility that 43158  
disposes of the sewage sludge shall pay the annual sludge fee. 43159  
However, the facility transferring the sewage sludge shall pay the 43160  
one-hundred-dollar minimum fee required under division (Y)(2)(a) 43161  
of this section. 43162

In the case of a sewage sludge facility that treats sewage 43163  
sludge in this state and transfers it out of this state to another 43164  
entity for disposal, the sewage sludge facility in this state 43165  
shall be required to pay the annual sludge fee for the tons of 43166  
sewage sludge that have been transferred. 43167

(d) A sewage sludge facility that generates sewage sludge 43168  
resulting from an average daily discharge flow of less than five 43169  
thousand gallons per day is not subject to the fees assessed under 43170  
division (Y) of this section. 43171

(3) No sewage sludge facility required to pay the annual 43172  
sludge fee shall be required to pay more than the maximum annual 43173  
fee for each disposal method that the sewage sludge facility uses. 43174  
The maximum annual fee does not include the additional amount that 43175  
may be charged under division (Y)(5) of this section for late 43176  
payment of the annual sludge fee. The maximum annual fee for the 43177  
following methods of disposal of sewage sludge is as follows: 43178

(b) Preexisting land reclamation project or disposal in a 43180  
landfill: five thousand dollars; 43181

(c) Land application, land reclamation, surface disposal, or 43182  
any other disposal method not specified in division (Y)(3)(a) or 43183

(b) of this section: twenty thousand dollars. 43184

(4)(a) In the case of an entity that generates sewage sludge 43185  
or a sewage sludge facility that treats sewage sludge and 43186  
transfers the sewage sludge to an incineration facility for 43187  
disposal, the incineration facility, and not the entity generating 43188  
the sewage sludge or the sewage sludge facility treating the 43189  
sewage sludge, shall pay the annual sludge fee for the tons of 43190  
sewage sludge that are transferred. However, the entity or 43191  
facility generating or treating the sewage sludge shall pay the 43192  
one-hundred-dollar minimum fee required under division (Y)(2)(a) 43193  
of this section. 43194

(b) In the case of an entity that generates sewage sludge and 43195  
transfers the sewage sludge to a landfill for disposal or to a 43196  
sewage sludge facility for land reclamation or surface disposal, 43197  
the entity generating the sewage sludge, and not the landfill or 43198  
sewage sludge facility, shall pay the annual sludge fee for the 43199  
tons of sewage sludge that are transferred. 43200

(5) Not later than the first day of April of the calendar 43201  
year following March 17, 2000, and each first day of April 43202  
thereafter, the director shall issue invoices to persons who are 43203  
required to pay the annual sludge fee. The invoice shall identify 43204  
the nature and amount of the annual sludge fee assessed and state 43205  
the first day of May as the deadline for receipt by the director 43206  
of objections regarding the amount of the fee and the first day of 43207  
July as the deadline for payment of the fee. 43208

Not later than the first day of May following receipt of an 43209  
invoice, a person required to pay the annual sludge fee may submit 43210  
objections to the director concerning the accuracy of information 43211  
regarding the number of dry tons of sewage sludge used to 43212  
calculate the amount of the annual sludge fee or regarding whether 43213  
the sewage sludge qualifies for the exceptional quality sludge 43214  
discount established in division (Y)(2)(b) of this section. The 43215

director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

(6) The director shall transmit all moneys collected under division (Y) of this section to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code. The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund

exceeded six hundred thousand dollars in either fiscal year, the 43247  
director, after review of the fee structure and consultation with 43248  
affected persons, shall issue an order reducing the amount of the 43249  
fees levied under division (Y) of this section so that the 43250  
estimated amount of moneys resulting from the fees will not exceed 43251  
six hundred thousand dollars in any fiscal year. 43252

If, upon review of the fees under division (Y)(7) of this 43253  
section and after the fees have been reduced, the director 43254  
determines that the total amount of moneys collected and 43255  
accumulated is less than six hundred thousand dollars, the 43256  
director, after review of the fee structure and consultation with 43257  
affected persons, may issue an order increasing the amount of the 43258  
fees levied under division (Y) of this section so that the 43259  
estimated amount of moneys resulting from the fees will be 43260  
approximately six hundred thousand dollars. Fees shall never be 43261  
increased to an amount exceeding the amount specified in division 43262  
(Y)(7) of this section. 43263

Notwithstanding section 119.06 of the Revised Code, the 43264  
director may issue an order under division (Y)(7) of this section 43265  
without the necessity to hold an adjudicatory hearing in 43266  
connection with the order. The issuance of an order under this 43267  
division is not an act or action for purposes of section 3745.04 43268  
of the Revised Code. 43269

permitted by law. The board shall amend or annul any rule or issue 43621  
an authorization for the use of a new material or manufactured 43622  
unit on any like application. No department, officer, board, or 43623  
commission of the state other than the board of building standards 43624  
or the board of building appeals shall permit the use of any 43625  
fixture, device, material, method of manufacture, newly designed 43626

is described in any rule the board of building standards adopts or 43628  
issues or that is authorized by any section of the Revised Code. 43629  
Nothing in this section shall be construed as requiring approval, 43630

shall specify, in rules adopted pursuant to Chapter 119. of the 43663  
Revised Code, the requirements for certification for residential 43664  
and nonresidential building code enforcement, which shall be 43665

and nonresidential certification may differ. Except as otherwise 43667  
provided in this division, the requirements shall include, but are 43668  
not limited to, the satisfactory completion of an initial 43669

specified number of hours of continuing building code education 43671  
within each three-year period following the date of certification 43672

that continuing education credits and certification issued by the 43674  
council of American building officials, national model code 43675  
organizations, and agencies or entities the board recognizes are 43676  
acceptable for purposes of this division. The rules shall specify 43677  
requirements that are consistent with the provisions of section 43678

requirements the council of American building officials and 43681  
national model code organizations establish. 43682

(4) The board shall establish and collect a certification and renewal fee for building department personnel, and persons and employees of persons, firms, or corporations as described in this section, who are certified pursuant to this division.

(5) Any individual certified pursuant to this division shall complete the number of hours of continuing building code education that the board requires or, for failure to do so, forfeit certification.

provider submits a claim directly to a third-party payer by mail 44165

third-party payer on the fifth business day after the day the 44168  
claim was mailed, unless it can be proven otherwise. 44169

(2) If the provider or a person acting on behalf of the 44170  
provider submits a claim directly to a third-party payer 44171  
electronically, there exists a rebuttable presumption that the 44172  
claim was received by the third-party payer twenty-four hours 44173

3901.3813 of the Revised Code apply to claims submitted 44208  
electronically or non-electronically that are made with respect to 44209

exclusive of excise taxes at the retail level which are separately 45052  
stated; 45053
- (b) A franchisor with respect to the franchisor's 45054  
relationship with a franchisee or an employee of a franchisee, 45055  
unless the franchisor agrees to assume that role in writing or a 45056  
court of competent jurisdiction determines that the franchisor 45057  
exercises a type or degree of control over the franchisee or the 45058  
franchisee's employees that is not customarily exercised by a 45059  
franchisor for the purpose of protecting the franchisor's 45060  
trademark, brand, or both. For purposes of this division, 45061  
"franchisor" and "franchisee" have the same meanings as in 16 45062  
C.F.R. 436.1. 45063
- (3) "Employee" means any individual employed by an employer 45064  
but does not include: 45065

U.S.C.A. 201, as amended;	45077

individual provides services.	45103

(ii) The individual is responsible for supplying the 45104  
necessary personal services to operate the vehicle or vessel used 45105  
to provide the service. 45106

(iii) The compensation paid to the individual is based on 45107  
factors related to work performed, including on a mileage-based 45108  
rate or a percentage of any schedule of rates, and not solely on 45109  
the basis of the hours or time expended. 45110

employee. 45118

(vi) The individual is responsible for substantially all of 45119  
the principal operating costs of the vehicle or vessel and 45120  
equipment used to provide the services, including maintenance, 45121  
fuel, repairs, supplies, vehicle or vessel insurance, and personal 45122  
expenses, except that the individual may be paid by the carrier 45123  
the carrier's fuel surcharge and incidental costs, including 45124  
tolls, permits, and lump sum fees. 45125

(vii) The individual is responsible for any economic loss or 45126  
economic gain from the arrangement with the carrier. 45127

(4) "Motor carrier" has the same meaning as in section 45128  
4923.01 of the Revised Code. 45129

otherwise requires: 45131

political subdivisions and their instrumentalities, Indian tribes, 45133

home cash remuneration of one thousand dollars in any calendar 45158  
quarter in the current calendar year or the preceding calendar 45159  
year: 45160

(i) For the purposes of divisions (A)(1)(a) and (b) of this 45161  
section, there shall not be taken into account any wages paid to, 45162  
or employment of, an individual performing domestic service as 45163  
described in this division. 45164

(ii) An employer under this division shall not be an employer with respect to wages paid for any services other than domestic service unless the employer is also found to be an employer under division (A)(1)(a), (b), or (d) of this section.

(B)(2)(1) of this section, at least one individual;	45203
(g) For the purposes of division (A)(1)(a) of this section,	45204
if any week includes both the thirty-first day of December and the	45205
first day of January, the days of that week before the first day	45206

performing the work of any agent or employee of an employer is	45210
employed by such employer for all the purposes of this chapter,	45211
whether such individual was hired or paid directly by such	45212
employer or by such agent or employee, provided the employer had	45213

(5) Any employer for whom services that do not constitute 45232  
employment are performed may file with the director a written 45233  
election that all such services performed by individuals in the 45234

purposes of this chapter, for not less than two calendar years. 45237  
Upon written approval of the election by the director, such 45238  
services shall be deemed to constitute employment subject to this 45239  
chapter from and after the date stated in such approval. Such 45240  
services shall cease to be employment subject to this chapter as 45241  
of the first day of January of any calendar year subsequent to 45242  
such two calendar years only if at least thirty days prior to such 45243  
first day of January such employer has filed with the director a 45244  
written notice to that effect. 45245

(6) "Employer" does not include a franchisor with respect to 45246  
the franchisor's relationship with a franchisee or an employee of 45247  
a franchisee, unless the franchisor agrees to assume that role in 45248  
writing or a court of competent jurisdiction determines that the 45249  
franchisor exercises a type or degree of control over the 45250  
franchisee or the franchisee's employees that is not customarily 45251  
exercised by a franchisor for the purpose of protecting the 45252  
franchisor's trademark, brand, or both. For purposes of this 45253  
division, "franchisor" and "franchisee" have the same meanings as 45254  
in 16 C.F.R. 436.1. 45255

(B)(1) "Employment" means service performed by an individual 45256  
for remuneration under any contract of hire, written or oral, 45257  
express or implied, including service performed in interstate 45258

without regard to whether such service is executive, managerial, 45260  
or manual in nature, and without regard to whether such officer is 45261  
a stockholder or a member of the board of directors of the 45262  
corporation, unless it is shown to the satisfaction of the 45263  
director that such individual has been and will continue to be 45264  
free from direction or control over the performance of such 45265  
service, both under a contract of service and in fact. The 45266  
director shall adopt rules to define "direction or control." 45267

(2) "Employment" includes: 45268

its instrumentalities or any instrumentality of more than one of 45272  
the foregoing or any instrumentality of any of the foregoing and 45273  
one or more other states or political subdivisions and without 45274  
regard to divisions (A)(1)(a) and (b) of this section, provided 45275  
that such service is excluded from employment as defined in the 45276

section; 45281

as defined in the "Federal Unemployment Tax Act," 84 Stat. 713, 26 45285

3306(c)(8) of that act and is not excluded under division (B)(3) 45287  
of this section; 45288

a farm operator or a crew leader, as provided in division 45292

(ii) As a traveling or city salesperson, other than as an 45301

resale, or supplies for use in their business operations, provided 45308  
that for the purposes of division (B)(2)(e)(ii) of this section, 45309  
the services shall be deemed employment if the contract of service 45310  
contemplates that substantially all of the services are to be 45311  
performed personally by the individual and that the individual 45312  
does not have a substantial investment in facilities used in 45313  
connection with the performance of the services other than in 45314

from which such service is directed or controlled, is in this 45324  
state or the base of operations or place from which such service 45325  
is directed or controlled is not in any state in which some part 45326  
of the service is performed but the individual's residence is in 45327  
this state. 45328

(g) Service not covered under division (B)(2)(f)(ii) of this 45329  
section and performed entirely without this state, with respect to 45330  
no part of which contributions are required and paid under an 45331  
unemployment compensation law of any other state, the Virgin 45332  
Islands, Canada, or of the United States, if the individual 45333  
performing such service is a resident of this state and the 45334  
director approves the election of the employer for whom such 45335  
services are performed; or, if the individual is not a resident of 45336  
this state but the place from which the service is directed or 45337  
controlled is in this state, the entire services of such 45338  
individual shall be deemed to be employment subject to this 45339  
chapter, provided service is deemed to be localized within this 45340  
state if the service is performed entirely within this state or if 45341  
the service is performed both within and without this state but 45342  
the service performed without this state is incidental to the 45343  
individual's service within the state, for example, is temporary 45344

individual's base period with respect to which the individual 45820  
earns or is paid remuneration in employment subject to this 45821

the number of calendar weeks in the quarter. 45827

(2) "Average weekly wage" means the amount obtained by 45828  
dividing an individual's total remuneration for all qualifying 45829

wage information, which are systematically accessible, the 45849  
director may, consistent with the provisions of section 4141.28 of 45850  
the Revised Code, base the determination of eligibility for 45851  
benefits on the affidavit of the claimant with respect to weeks 45852  
and wages for that calendar quarter. The claimant shall furnish 45853  
payroll documentation, where available, in support of the 45854  
affidavit. The determination based upon the alternate base period 45855  
as it relates to the claimant's benefit rights, shall be amended 45856  
when the quarterly report of wage information from the employer is 45857  
timely received and that information causes a change in the 45858

week with respect to which the individual next files a valid 45878  
application for determination of benefit rights after the 45879  
termination of the individual's last preceding benefit year, 45880  
except that the application shall not be considered valid unless 45881

this chapter or the unemployment compensation act of another 45883  
state, or the United States, and has, since the beginning of the 45884  
individual's previous benefit year, in the employment earned three 45885

division (H) of section 4141.43 of the Revised Code, shall be the 45888

is valid if the individual satisfies the criteria described in 45905  
division (R)(1) of this section, and if the reason for the 45906  
individual's separation from employment is not disqualifying 45907  
pursuant to division (D)(2) of section 4141.29 or section 4141.291 45908  
of the Revised Code. A disqualification imposed pursuant to 45909  
division (D)(2) of section 4141.29 or section 4141.291 of the 45910

Revised Code must be removed as provided in those sections as a 45911  
requirement of establishing a valid application for benefit years 45912  
beginning on and after December 26, 2004. 45913

(3) The statewide average weekly wage shall be calculated by 45914  
the director once a year based on the twelve-month period ending 45915  
the thirtieth day of June, as set forth in division (B)(3) of 45916  
section 4141.30 of the Revised Code, rounded down to the nearest 45917

required to have been earned or paid in order for individuals to 45919  
have filed valid applications shall become effective on Sunday of 45920  
the calendar week in which the first day of January occurs that 45921

was based. 45924

application, the individual was separated from the individual's 45929

(1) Shall within four years after the end of the benefit year 46209  
in which the fraudulent misrepresentation was made reject or 46210

fraudulently claimed, or the person's entire benefit rights if the 46212  
misrepresentation was in connection with the filing of the 46213  
claimant's application for determination of benefit rights; 46214

(2) Shall by order declare that, for each application for 46215

benefits according to a plan approved by the director, the 46231  
director may cancel the amount of interest that accrued during the 46232  
period of the repayment plan. The director may take action in any 46233  
court of competent jurisdiction to collect benefits and interest 46234  
as provided in sections 4141.23 and 4141.27 of the Revised Code, 46235  
in regard to the collection of unpaid contributions, using the 46236  
final repayment order as the basis for such action. Except as 46237

recovered at that time, and any liens thereon, shall be canceled 46244  
as uncollectible. The time limit for instituting proceedings shall 46245  
be extended by the period of any stay to the collection or by any 46246  
other time period to which the parties mutually agree. 46247

(4) Shall, for findings made on or after October 21, 2013, by 46248  
order assess a mandatory penalty on such a person in an amount 46249  
equal to twenty-five per cent of the total amount of benefits 46250

first sixty per cent of each penalty collected under division 46252  
(A)(4) of this section shall be deposited into the unemployment 46253  
compensation fund created under section 4141.09 of the Revised 46254  
Code and shall be credited to the mutualized account, as provided 46255  
in division (B)(2)(g) of section 4141.25 of the Revised Code. The 46256

unemployment compensation special administrative fund created 46258  
under section 4141.11 of the Revised Code. 46259

(5) May take action to collect benefits fraudulently obtained 46260  
under the unemployment compensation law of any other state or the 46261  
United States or Canada. Such action may be initiated in the 46262  
courts of this state in the same manner as provided for unpaid 46263  
contributions in section 4141.41 of the Revised Code. 46264

division (A)(3) of this section, and court costs, through 46267  
attachment proceedings under Chapter 2715. of the Revised Code and 46268  
garnishment proceedings under Chapter 2716. of the Revised Code. 46269

(B) If the director finds that an applicant for benefits has 46270  
been credited with a waiting period or paid benefits to which the 46271  
applicant was not entitled for reasons other than fraudulent 46272

cancel such waiting period and require that such benefits be 46279  
repaid to the director or be withheld from any benefits to which 46280  
such applicant is or may become entitled before any additional 46281  
benefits are paid, provided that the repayment or withholding 46282

shall not be required where the overpayment is the result of the 46283  
director's correcting a prior decision due to a typographical or 46284

employer's report under division (G) of section 4141.28 of the 46286  
Revised Code. 46287

(b) The limitation specified in division (B)(1)(a) of this 46288  
section shall not apply to cases involving the retroactive payment 46289  
of remuneration covering periods for which benefits were 46290  
previously paid to the claimant. However, in such cases, the 46291  
director's order requiring repayment shall not be issued unless 46292  
the director is notified of such retroactive payment within six 46293  
months from the date the retroactive payment was made to the 46294  
claimant. 46295

(2) The director may, by reciprocal agreement with the United 46296  
States secretary of labor or another state, recover overpayment 46297

recovered under an unemployment benefit program of the United 46301  
States may be recovered in accordance with section 303(g) of the 46302  
"Social Security Act" and sections 3304(a)(4) and 3306(f) of the 46303  
"Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 46304  
3301 to 3311. 46305

(3) If the amounts required to be repaid under division (B) 46306  
of this section are not recovered within three years from the date 46307  
the director's order requiring payment became final, initiate no 46308  
further action to collect such benefits and the amount of any 46309  
benefits not recovered at that time shall be canceled as 46310  
uncollectible, provided that the time limit for collection shall 46311  
be extended by the period of any stay to the collection or by any 46312  
other time period to which the parties mutually agree. 46313

(C) The appeal provisions of sections 4141.281 and 4141.282 46314

of the Revised Code shall apply to all orders and determinations 46315  
issued under this section, except that an individual's right of 46316  
appeal under division (B)(2) of this section shall be limited to 46317  
this state's authority to recover overpayment of benefits. 46318

(D) The director shall deposit any repayment collected under 46319  
this section that the director determines to be payment of 46320  
interest or court costs into the unemployment compensation special 46321  
administrative fund established pursuant to section 4141.11 of the 46322

that is less than the full amount required by this section, the 46325  
director shall apply the repayment to the mutualized account under 46326  
division (B) of section 4141.25 of the Revised Code, except that 46327  
the director shall credit the repayment to the accounts of the 46328  
individual's base period employers that previously have not been 46329  
credited for the amount of improperly paid benefits charged 46330  
against their accounts based on the proportion of benefits charged 46331  
against the accounts as determined pursuant to division (D) of 46332  
section 4141.24 of the Revised Code. 46333

under the provisions of this paragraph, the number of D-5b permits 46533  
that may be issued at the enclosed shopping center for which the 46534  
D-5b permit was issued, under the formula provided in this 46535  
division, shall be reduced by one if the enclosed shopping center 46536

The fee for this permit is two thousand three hundred 46538  
forty-four dollars. 46539

**Sec. 4313.02.** (A) The state may transfer to JobsOhio, and 46956  
JobsOhio may accept the transfer of, all or a portion of the 46957  
enterprise acquisition project for a transfer price payable by 46958  
JobsOhio to the state. Any such transfer shall be treated as an 46959  
absolute conveyance and true sale of the interest in the 46960  
enterprise acquisition project purported to be conveyed for all 46961  
purposes, and not as a pledge or other security interest. The 46962  
characterization of any such transfer as a true sale and absolute 46963  
conveyance shall not be negated or adversely affected by the 46964

acquisition or retention by the state of a residual or 46965  
reversionary interest in the enterprise acquisition project, the 46966  
participation of any state officer or employee as a member or 46967  
officer of, or contracting for staff support to, JobsOhio or any 46968  
subsidiary of JobsOhio, any regulatory responsibility of an 46969  
officer or employee of the state, including the authority to 46970  
collect amounts to be received in connection therewith, the 46971  
retention of the state of any legal title to or interest in any 46972  
portion of the enterprise acquisition project for the purpose of 46973  
regulatory activities, or any characterization of JobsOhio or 46974  
obligations of JobsOhio under accounting, taxation, or securities 46975  
regulations, or any other reason whatsoever. An absolute 46976  
conveyance and true sale or lease shall exist under this section 46977  
regardless of whether JobsOhio has any recourse against the state 46978  
or the treatment or characterization of the transfer as a 46979  
financing for any purpose. Upon and following the transfer, the 46980  
state shall not have any right, title, or interest in the 46981  
enterprise acquisition project so transferred other than any 46982  
residual interest that may be described in the transfer agreement 46983  
pursuant to the following paragraph and division (D) of this 46984  
section. Any determination of the fair market value of the 46985  
enterprise acquisition project reflected in the transfer agreement 46986  
shall be conclusive and binding on the state and JobsOhio. 46987

Any transfer of the enterprise acquisition project that is a 46988  
lease or grant of a franchise shall be for a term not to exceed 46989  
twenty-five years. Any transfer of the enterprise acquisition 46990  
project that is an assignment and sale, conveyance, or other 46991  
transfer shall contain a provision that the state shall have the 46992  
option to have conveyed or transferred back to it, at no cost, the 46993  
enterprise acquisition project, as it then exists, no later than 46994  
twenty-five years after the original transfer authorized in the 46995  
transfer agreement on such other terms as shall be provided in the 46996

transfer agreement. 46997

The exercise of the powers granted by this section will be 46998  
for the benefit of the people of the state. All or any portion of 46999  
the enterprise acquisition project transferred pursuant to the 47000  
transfer agreement that would be exempt from real property taxes 47001  
or assessments or real property taxes or assessments in the 47002  
absence of such transfer shall, as it may from time to time exist 47003  
thereafter, remain exempt from real property taxes or assessments 47004  
levied by the state and its subdivisions to the same extent as if 47005  
not transferred. The gross receipts and income of JobsOhio derived 47006  
from the enterprise acquisition project shall be exempt from 47007  
taxation levied by the state and its subdivisions, including, but 47008  
not limited to, the taxes levied pursuant to Chapters 718., 5739., 47009  
5741., 5747., and 5751. of the Revised Code. Any transfer from the 47010  
state to JobsOhio of the enterprise acquisition project, or item 47011  
included or to be included in the project, shall be exempt from 47012  
the taxes levied pursuant to Chapters 5739. and 5741. of the 47013  
Revised Code. 47014

(B) The proceeds of any transfer under division (A) of this 47015  
section may be expended as provided in the transfer agreement for 47016  
any one or more of the following purposes: 47017

(1) Funding, payment, or defeasance of outstanding bonds 47018  
issued pursuant to Chapters 151. and 166. of the Revised Code and 47019

the Revised Code; 47021

(4) Conveyance to JobsOhio for the purposes for which it was 47034  
created. 47035

(C)(1) The state may covenant, pledge, and agree in the 47036  
transfer agreement, with and for the benefit of JobsOhio, that it 47037  
shall maintain statutory authority for the enterprise acquisition 47038  
project and the revenues of the enterprise acquisition project and 47039  
not otherwise materially impair any obligations supported by a 47040  
pledge of revenues of the enterprise acquisition project. The 47041  
transfer agreement may provide or authorize the manner for 47042  
determining material impairment of the security for any such 47043  
outstanding obligations, including by assessing and evaluating the 47044  
revenues of the enterprise acquisition project. 47045

(2) The director of budget and management, in consultation 47046  
with the director of commerce, may, without need for any other 47047  
approval, negotiate terms of any documents, including the transfer 47048  
agreement, necessary to effect the transfer and the acceptance of 47049  
the transfer of the enterprise acquisition project. The director 47050  
of budget and management and the director of commerce shall 47051  
execute the transfer agreement on behalf of the state. The 47052  
director of budget and management may also, without need for any 47053  
other approval, retain or contract for the services of commercial 47054  
appraisers, underwriters, investment bankers, and financial 47055  
advisers, as are necessary in the judgment of the director of 47056  
budget and management to effect the transfer agreement. Any 47057  
transfer agreement may contain terms and conditions established by 47058  
the state to carry out and effectuate the purposes of this 47059

section, including, without limitation, covenants binding the 47060  
state in favor of JobsOhio. Any such transfer agreement shall be 47061  
sufficient to effectuate the transfer without regard to any other 47062  
laws governing other property sales or financial transactions by 47063  
the state. The director of budget and management may create any 47064  
funds or accounts, within or without the state treasury, as are 47065  
needed for the transactions and activities authorized by this 47066  
section. 47067

(3) The transfer agreement may authorize JobsOhio, in the 47068  
ordinary course of doing business, to convey, lease, release, or 47069  
otherwise dispose of any regular inventory or tangible personal 47070  
property. Ownership of the interest in the enterprise acquisition 47071  
project that is transferred to JobsOhio under this section and the 47072  
transfer agreement shall be maintained in JobsOhio or a nonprofit 47073  
entity the sole member of which is JobsOhio until the enterprise 47074  
acquisition project is transferred back to the state pursuant to 47075  
the second paragraph of division (A) and division (D) of this 47076  
section. 47077

(D) The transfer agreement may authorize JobsOhio to fix, 47078  
alter, and collect rentals and other charges for the use and 47079  
occupancy of all or any portion of the enterprise acquisition 47080  
project and to lease any portion of the enterprise acquisition 47081  
project to the state, and shall include a contract with, or the 47082  
granting of an option to, the state to have the enterprise 47083  
acquisition project, as it then exists, transferred back to it 47084  
without charge in accordance with the terms of the transfer 47085  
agreement after retirement or redemption, or provision therefor, 47086  
of all obligations supported by a pledge of spirituous liquor 47087  
profits. 47088

(E) JobsOhio, the director of budget and management, and the 47089  
director of commerce shall, subject to approval by the controlling 47090  
board, enter into a contract, which may be part of the transfer 47091

agreement, for the continuing operation by the division of liquor control of spirituous liquor distribution and merchandising subject to standards for performance provided in that contract that may relate to or support division (C)(1) of this section. The contract shall establish other terms and conditions for the assignment of duties to, and the provision of advice, services, and other assistance by, the division of liquor control, including providing for the necessary staffing and payment by JobsOhio of appropriate compensation to the division for the performance of such duties and the provision of such advice, services, and other assistance. The division of liquor control shall manage and actively supervise the activities required or authorized under sections 4301.10 and 4301.17 of the Revised Code as those sections exist on September 29, 2011, including, but not limited to, controlling the traffic in intoxicating liquor in this state and fixing the wholesale and retail prices at which the various classes, varieties, and brands of spirituous liquor are sold.

(F) The transfer agreement shall require JobsOhio to pay for the operations of the division of liquor control with regard to the spirituous liquor merchandising operations of the division. The payments from JobsOhio shall be deposited into the state treasury to the credit of the liquor operating services fund, which is hereby created in the state treasury. The fund shall be used to pay for the operations of the division specified in this division.

(G) The transaction and transfer provided for under this section shall comply with all applicable provisions of the Ohio Constitution.

**Sec. 4501.10.** (A) Except as provided in division (B) of this section, money received by the department of public safety from the sale of motor vehicles and related equipment pursuant to

of the Revised Code. The money shall be used only to purchase 47125  
replacement motor vehicles and related equipment. 47126

(B) Money received by the department of public safety 47127

are paid to the registrar of motor vehicles by applicants who 47140  
voluntarily choose to obtain scenic rivers license plates pursuant 47141  
to section 4503.56 of the Revised Code. 47142

The contributions deposited in the fund shall be used by the 47143

areas, and for construction of facilities within those areas. All 47151  
investment earnings of the fund shall be credited to the fund. 47152

As used in this section, "wild river areas," "scenic river 47153

to the applicant the appropriate vehicle registration and a set of 47165  
"Ohio geology" license plates and a validation sticker, or a 47166  
validation sticker alone when required by section 4503.191 of the 47167

registrar shall collect a contribution of fifteen dollars. The 47189  
registrar shall transmit this contribution to the treasurer of 47190

(A) Each owner of a motor vehicle and each person mentioned 47204  
as owner in the last certificate of title, when the motor vehicle 47205  
is dismantled, destroyed, or changed in such manner that it loses 47206  
its character as a motor vehicle, or changed in such manner that 47207  
it is not the motor vehicle described in the certificate of title, 47208  
shall surrender the certificate of title to that motor vehicle to 47209  
a clerk of a court of common pleas, and the clerk, with the 47210  
consent of any holders of any liens noted on the certificate of 47211  
title, then shall enter a cancellation upon the clerk's records 47212  
and shall notify the registrar of motor vehicles of the 47213  
cancellation. 47214

Upon the cancellation of a certificate of title in the manner 47215

prescribed by this section, any clerk and the registrar of motor vehicles may cancel and destroy all certificates and all memorandum certificates in that chain of title.

(B)(1) If an Ohio certificate of title or salvage certificate of title to a motor vehicle is assigned to a salvage dealer, the dealer is not required to obtain an Ohio certificate of title or a salvage certificate of title to the motor vehicle in the dealer's own name if the dealer dismantles or destroys the motor vehicle, indicates the number of the dealer's motor vehicle salvage dealer's license on it, marks "FOR DESTRUCTION" across the face of the certificate of title or salvage certificate of title, and surrenders the certificate of title or salvage certificate of title to a clerk of a court of common pleas as provided in division (A) of this section. If the salvage dealer retains the motor vehicle for resale, the dealer shall make application for a salvage certificate of title to the motor vehicle in the dealer's own name as provided in division (C)(1) of this section.

(2) At the time any salvage motor vehicle is sold at auction or through a pool, the salvage motor vehicle auction or salvage motor vehicle pool shall give a copy of the salvage certificate of title or a copy of the certificate of title marked "FOR DESTRUCTION" to the purchaser.

(C)(1) When an insurance company declares it economically impractical to repair such a motor vehicle and has paid an agreed price for the purchase of the motor vehicle to any insured or claimant owner, the insurance company shall proceed as follows:

(a) If an insurance company receives the certificate of title and the motor vehicle, within thirty business days, the insurance company shall deliver the certificate of title to a clerk of a court of common pleas and shall make application for a salvage certificate of title. This certificate of title, any supporting power of attorney, or application for a salvage certificate of

title shall be exempt from the requirements of notarization and 47248  
verification as described in this chapter and in section 1337.25 47249  
of the Revised Code. 47250

(b) If an insurance company obtains possession of the motor 47251  
vehicle and a physical certificate of title was issued for the 47252  
vehicle but the insurance company is unable to obtain the properly 47253  
endorsed certificate of title for the motor vehicle within thirty 47254  
business days following the vehicle's owner or lienholder's 47255  
acceptance of the insurance company's payment for the vehicle, the 47256  
insurance company may apply to the clerk of a court of common 47257  
pleas for a salvage certificate of title without delivering the 47258  
certificate of title for the motor vehicle. The application shall 47259  
be accompanied by evidence that the insurance company has paid a 47260  
total loss claim on the vehicle, a copy of the written request for 47261  
the certificate of title from the insurance company or its 47262  
designee, and proof that the request was delivered by a nationally 47263  
recognized courier service to the last known address of the owner 47264  
of the vehicle and any known lienholder, to obtain the certificate 47265  
of title. 47266

(c) If an insurance company obtains possession of the motor 47267  
vehicle and a physical certificate of title was not issued for the 47268  
vehicle, the insurance company may apply to the clerk of a court 47269  
of common pleas for a salvage certificate of title without 47270  
delivering a certificate of title for the motor vehicle. The 47271  
application shall be accompanied by the electronic certificate of 47272  
title control number and a properly executed power of attorney, or 47273  
other appropriate document, from the owner of the motor vehicle 47274  
authorizing the insurance company to apply for a salvage 47275  
certificate of title. The application for a salvage certificate of 47276  
title, any supporting power of attorney, and any other appropriate 47277  
document shall be exempt from the requirements of notarization and 47278  
verification as described in this chapter and in section 1337.25 47279

of the Revised Code. 47280

(d) Upon receipt of a properly completed application for a 47281  
salvage certificate of title as described in division (C)(1)(a), 47282  
(b), or (c) or (C)(2) of this section, the clerk shall issue the 47283  
salvage certificate of title on a form, prescribed by the 47284  
registrar, that shall be easily distinguishable from the original 47285  
certificate of title and shall bear the same information as the 47286  
original certificate of title except that it may bear a different 47287  
number than that of the original certificate of title. The salvage 47288  
certificate of title shall include the following notice in bold 47289  
lettering: 47290

"SALVAGE MOTOR VEHICLE - PURSUANT TO R.C. 4738.01." 47291

Except as provided in division (C)(3) of this section, the 47292  
salvage certificate of title shall be assigned by the insurance 47293  
company to a salvage dealer or any other person for use as 47294  
evidence of ownership upon the sale or other disposition of the 47295  
motor vehicle, and the salvage certificate of title shall be 47296  
transferable to any other person. The clerk shall charge a fee of 47297  
four dollars for the cost of processing each salvage certificate 47298  
of title. 47299

(2) If an insurance company requests that a salvage motor 47300  
vehicle auction take possession of a motor vehicle that is the 47301  
subject of an insurance claim, and subsequently the insurance 47302  
company denies coverage with respect to the motor vehicle or does 47303  
not otherwise take ownership of the motor vehicle, the salvage 47304  
motor vehicle auction may proceed as follows. After the salvage 47305  
motor vehicle auction has possession of the motor vehicle for 47306  
forty-five days, it may apply to the clerk of a court of common 47307  
pleas for a salvage certificate of title without delivering the 47308  
certificate of title for the motor vehicle. The application shall 47309  
be accompanied by a copy of the written request that the vehicle 47310  
be removed from the facility on the salvage motor vehicle 47311

auction's letterhead, and proof that the request was delivered by 47312  
a nationally recognized courier service to the last known address 47313  
of the owner of the vehicle and any known lienholder, requesting 47314  
that the vehicle be removed from the facility of the salvage motor 47315  
vehicle auction. Upon receipt of a properly completed application, 47316  
the clerk shall follow the process as described in division 47317  
(C)(1)(d) of this section. The salvage certificate of title so 47318  
issued shall be free and clear of all liens. 47319

(3) If an insurance company considers a motor vehicle as 47320  
described in division (C)(1)(a), (b), or (c) of this section to be 47321  
impossible to restore for highway operation, the insurance company 47322  
may assign the certificate of title to the motor vehicle to a 47323  
salvage dealer or scrap metal processing facility and send the 47324  
assigned certificate of title to the clerk of the court of common 47325  
pleas of any county. The insurance company shall mark the face of 47326  
the certificate of title "FOR DESTRUCTION" and shall deliver a 47327  
photocopy of the certificate of title to the salvage dealer or 47328  
scrap metal processing facility for its records. 47329

(4) If an insurance company declares it economically 47330  
impractical to repair a motor vehicle, agrees to pay to the 47331  
insured or claimant owner an amount in settlement of a claim 47332  
against a policy of motor vehicle insurance covering the motor 47333  
vehicle, and agrees to permit the insured or claimant owner to 47334  
retain possession of the motor vehicle, the insurance company 47335  
shall not pay the insured or claimant owner any amount in 47336  
settlement of the insurance claim until the owner obtains a 47337

(B) That any motor-vehicle liability policy or other proof of 47720  
financial responsibility issued to the shared vehicle owner for 47721  
the shared vehicle or issued to the shared vehicle driver does not 47722  
provide a defense against or indemnification for any claim 47723  
asserted by the program; 47724

(C) That the program's motor vehicle insurance coverage on 47725  
the shared vehicle owner, the shared vehicle driver, and the 47726  
shared vehicle is in effect only during the car sharing period and 47727  
that any use of the shared vehicle by the shared vehicle driver 47728  
after the car sharing termination time may not be covered by 47729  
either the program's insurance or any other motor-vehicle 47730  
liability policy or proof of financial responsibility; 47731

(D) The daily rate, fees, and any insurance or protection 47732  
package costs that are charged to the shared vehicle owner or the 47733  
shared vehicle driver; 47734

(E) That the shared vehicle owner's motor-vehicle liability 47735  
policy or other proof of financial responsibility may not provide 47736  
coverage for a shared vehicle during the car sharing period or for 47737  
any use outside of the policy's or proof's stated terms and 47738  
conditions; 47739

(F) Any conditions under which a shared vehicle driver must 47740  
maintain a separate motor-vehicle liability policy or other proof 47741  
of financial responsibility with certain applicable coverage 47742

limits in order to reserve and use a shared vehicle under the 47743  
agreement; 47744

(G) Emergency contact information for roadside assistance and 47745  
other customer service inquiries. 47746

**Sec. 4516.04.** A peer-to-peer car sharing program shall have 47747  
sole responsibility for any equipment, including a global 47748  
positioning system or other special equipment that is installed in 47749  
or on the shared vehicle to monitor or facilitate peer-to-peer car 47750  
sharing. The program shall agree to indemnify and hold harmless 47751  
the shared vehicle owner for any damage or theft of the system or 47752  
equipment during the car sharing period that is not caused by the 47753  
shared vehicle owner. The program may seek indemnity from the 47754  
shared vehicle driver for any loss or damage to the system or 47755  
equipment that occurs during the car sharing period that is caused 47756  
by the shared vehicle driver. 47757

**Sec. 4516.05.** (A) When a motor vehicle owner registers as a 47758  
shared vehicle owner with a peer-to-peer car sharing program and 47759  
before the shared vehicle owner makes the shared vehicle available 47760  
for peer-to-peer car sharing, the program shall do all of the 47761  
following: 47762

(1) Verify that the shared vehicle does not have any 47763  
outstanding safety recalls on the vehicle; 47764

(2) Provide notice to the shared vehicle owner of the owner's 47765  
responsibilities under division (B) of this section. 47766

(B)(1) If a shared vehicle owner receives actual notice of a 47767  
safety recall on the shared vehicle, the shared vehicle owner 47768  
shall not make the shared vehicle available through a peer-to-peer 47769  
car sharing program until the safety recall repair is made. 47770

(2) If the shared vehicle owner receives actual notice of a 47771  
safety recall on the shared vehicle after the shared vehicle is 47772

available through a peer-to-peer car sharing program but while the 47773  
shared vehicle is not currently possessed by a shared vehicle 47774  
driver, the shared vehicle owner shall remove the shared vehicle 47775  
from availability until the safety recall repair is made. 47776

(3) If the shared vehicle owner receives actual notice of a 47777  
safety recall on the shared vehicle while the vehicle is possessed 47778  
by a shared vehicle driver, the shared vehicle owner shall notify 47779  
the peer-to-peer car sharing program about the safety recall, so 47780  
that the car sharing period can be terminated to allow the shared 47781  
vehicle owner to address the safety recall repair. 47782

(C) The peer-to-peer car sharing program shall establish 47783  
commercially reasonable procedures to determine any safety recalls 47784  
that apply to a shared vehicle registered with the program after 47785  
the initial registration of the shared vehicle with the program. 47786

**Sec. 4516.06.** (A) Peer-to-peer car sharing and a peer-to-peer 47787  
car sharing program agreement are a consumer transaction for 47788  
purposes of sections 1345.01 to 1345.13 of the Revised Code. The 47789  
peer-to-peer car sharing program and the shared vehicle owner are 47790  
the suppliers and the shared vehicle driver is the consumer for 47791  
purposes of those sections. 47792

(B) Any violation of sections 4516.02 to 4516.05 of the 47793  
Revised Code is deemed an unfair or deceptive act in violation of 47794  
section 1345.02 of the Revised Code. A person injured by a 47795  
violation of these sections has a cause of action and is entitled 47796  
to the same relief available to a consumer under section 1345.09 47797  
of the Revised Code, and all the powers and remedies available to 47798  
the attorney general to enforce sections 1345.01 to 1345.13 of the 47799  
Revised Code are available to the attorney general to enforce 47800  
sections 4516.02 to 4516.05 of the Revised Code. 47801

(C) A peer-to-peer car sharing program is not liable for a 47802  
violation under sections 1345.01 to 1345.13 of the Revised Code 47803

when the alleged violation is the result of false, misleading, or 47804  
inaccurate information provided to the program by a shared vehicle 47805  
owner or a shared vehicle driver and the program relied on that 47806  
information in good faith. 47807

**Sec. 4516.07.** (A) As used in this section, "public-use 47808  
airport" has the same meaning as in section 4563.30 of the Revised 47809  
Code. 47810

(B) The operator of a public-use airport may adopt reasonable 47811  
standards, regulations, procedures, and fees that are applicable 47812  
to peer-to-peer car sharing programs. The operator may enter into 47813  
such agreements, including concession agreements, with a 47814  
peer-to-peer car sharing program. A peer-to-peer car sharing 47815  
program, shared vehicle owner, and shared vehicle driver shall 47816  
comply with any applicable standards, regulations, procedures, 47817  
fees, and agreements adopted by a public-use airport, and shall 47818  
pay any applicable fees in a timely manner. 47819

**Sec. 4516.08.** It is not the intent of the general assembly 47820  
that any provision in Chapter 4516. of the Revised Code be 47821  
interpreted as either limiting or restricting an insurer's ability 47822  
to exclude insurance coverage from any insurance policy or an 47823  
insurer's ability to underwrite any insurance policy. 47824

**Sec. 4516.09.** (A) Except as provided in division (B) of this 47825  
section, a peer-to-peer car sharing program shall assume liability 47826  
of a shared vehicle owner for any death, bodily injury, or 47827  
property damage to a third party or an uninsured or underinsured 47828  
motorist that is proximately caused by the operation of the shared 47829  
vehicle during the car sharing period in an amount stated in the 47830  
peer-to-peer car sharing program agreement. The amount shall be 47831  
not less than that specified in division (A)(1) of section 4516.10 47832  
of the Revised Code. 47833

(B) The assumption of liability under division (A) of this section does not apply if either of the following occurs: 47834  
47835

(1) The shared vehicle owner makes an intentional or fraudulent material misrepresentation or omission to the program regarding the shared vehicle owner's motor-vehicle liability policy, other proof of financial responsibility, or the type or condition of the shared vehicle before the car sharing period in which the loss occurs; 47836  
47837  
47838  
47839  
47840  
47841

(2) The shared vehicle owner and the shared vehicle driver conspire to have the shared vehicle driver fail to return the shared vehicle, in violation of the terms of the peer-to-peer car sharing agreement. 47842  
47843  
47844  
47845

**Sec. 4516.10.** (A)(1) A peer-to-peer car sharing program shall ensure that, during each car sharing period, the shared vehicle owner and the shared vehicle driver are each covered by a motor-vehicle liability policy or other proof of financial responsibility that recognizes their status as a shared vehicle owner or shared vehicle driver and provides coverage for the operation of the shared vehicle during the car sharing period. Each policy or proof shall be maintained in the following amounts: 47846  
47847  
47848  
47849  
47850  
47851

(a) At least twenty-five thousand dollars because of bodily injury to or death of one person in any one accident; 47854  
47855

(b) At least fifty thousand dollars because of bodily injury or death of two or more persons in any one accident; 47856  
47857

(c) At least twenty-five thousand dollars because of injury to property of others in any one accident. 47858  
47859

(2) The insurance required by division (A)(1) of this section may be satisfied by any of the following or a combination of any of the following: 47860  
47861  
47862

(a) A motor-vehicle liability policy or other proof of 47863

financial responsibility that is maintained by the shared vehicle 47864  
owner; 47865

(b) A motor-vehicle liability policy or other proof of 47866  
financial responsibility that is maintained by the shared vehicle 47867  
driver; 47868

(c) A motor-vehicle liability policy or other proof of 47869  
financial responsibility that is maintained by the peer-to-peer 47870  
car sharing program. 47871

(3)(a) If the motor-vehicle liability policy or other proof 47872  
of financial responsibility maintained by a shared vehicle owner 47873  
or shared vehicle driver does not provide liability coverage for 47874  
peer-to-peer car sharing in the amounts required by division 47875  
(A)(1) of this section, the insurance maintained by the 47876  
peer-to-peer car sharing program shall provide the required 47877  
coverage, beginning with the first dollar of the claim and shall 47878  
have the duty to defend the claim. 47879

(b) A motor-vehicle liability policy or other proof of 47880  
financial responsibility maintained by a peer-to-peer car sharing 47881  
program in accordance with this section shall not require the 47882  
shared vehicle owner's or shared vehicle driver's insurer to first 47883  
deny a claim before providing coverage. 47884

(B) A motor-vehicle liability policy that meets the 47885  
requirements of this section satisfies the requirement for proof 47886  
of financial responsibility for motor vehicles under Chapter 4509. 47887  
of the Revised Code. 47888

(C)(1) The peer-to-peer car sharing program shall examine the 47889  
motor-vehicle liability policy or other proof of financial 47890  
responsibility maintained by a shared vehicle owner or a shared 47891  
vehicle driver to determine whether that policy or proof provides 47892  
or excludes coverage for peer-to-peer car sharing prior to 47893  
entering into a peer-to-peer car sharing agreement with that 47894

shared vehicle owner or shared vehicle driver if either of the 47895  
following occur: 47896

(a) The shared vehicle owner or the shared vehicle driver 47897  
refuses insurance coverage provided by the program. 47898

(b) The shared vehicle owner or the shared vehicle driver 47899  
claims the policy or proof maintained by that shared vehicle owner 47900  
or shared vehicle driver provides coverage for peer-to-peer car 47901  
sharing. 47902

(2) The peer-to-peer car sharing program may require 47903  
increased limits of insurance beyond what is required by division 47904  
(A)(1) of this section as a condition of participation in the 47905  
agreement. 47906

**Sec. 4516.11.** (A) In addition to any liability assumed when a 47907  
peer-to-peer car sharing program is providing all of the required 47908  
coverage, the program shall assume liability for a claim when all 47909  
of the following apply: 47910

(1) The program is providing at least part of the required 47911  
insurance coverage; 47912

(2) A dispute exists as to who was operating the shared 47913  
vehicle at the time of the loss; 47914

(3) The program either does not have available or cannot 47915  
promptly produce the records required by section 4516.02 of the 47916  
Revised Code. 47917

(B) A peer-to-peer car sharing program may seek indemnity 47918  
from a shared vehicle owner if the shared vehicle owner is 47919  
determined to have been the operator of the shared vehicle at the 47920  
time of the loss. 47921

(C) In addition to any other insurance coverage required by 47922  
this chapter, a peer-to-peer car sharing program shall maintain 47923  
insurance in an amount of at least one million dollars that 47924

provides coverage for the program's liability for an act or 47925  
omission of the program that is the proximate cause of death, 47926  
bodily injury, or property damage to any person in any one 47927  
accident because of the operation of a shared vehicle through the 47928  
program. 47929

**Sec. 4516.12.** A peer-to-peer car sharing program and a shared 47930  
vehicle owner shall be exempt from vicarious liability in 47931  
accordance with 49 U.S.C. 30106 and under any state law or 47932  
municipal ordinance that imposes liability solely based on vehicle 47933  
ownership. 47934

**Sec. 4516.13.** Nothing in this chapter does any of the 47935  
following: 47936

(A) Limits the liability of the peer-to-peer car sharing 47937  
program for any act or omission of the program itself that results 47938  
in death, bodily injury, or property damage to any person as a 47939  
result of the use of a shared vehicle through the program. 47940

(B) Limits the ability of the program to, by contract, seek 47941  
indemnification from the shared vehicle owner or the shared 47942  
vehicle driver for economic loss sustained by the program 47943  
resulting from a breach of the terms and conditions of the 47944  
peer-to-peer car sharing agreement. 47945

(C) Creates, implies, or otherwise grants insurance coverage 47946

The board of embalmers and funeral directors shall serve a copy of 48591

receiving the report and advisory recommendations. A party may 48595  
file objections to the written report with the board of embalmers 48596  
and funeral directors within ten days after receiving the report. 48597  
No written report is final or appealable until it is issued as a 48598  
final order by the board of embalmers and funeral directors and 48599

and funeral directors shall consider objections filed by the party 48601

advisory recommendations of the crematory review board, the 48603

and any objections filed by a party, the board of embalmers and 48605  
funeral directors shall issue a final order in the matter. Any 48606  
party may appeal the final order issued by the board of embalmers 48607  
and funeral directors in a matter described in divisions (F)(1) to 48608  
(4) of this section in accordance with section 119.12 of the 48609

acts or practices of any person holding or claiming to hold a 48617

any rules adopted under it. The board may compel witnesses by 48620  
subpoena to appear and testify in relation to investigations 48621  
conducted under this chapter and may require by subpoena duces 48622

tecum the production of any book, paper, or document pertaining to 48623  
an investigation. If a person does not comply with a subpoena or 48624  
subpoena duces tecum, the board may apply to the court of common 48625  
pleas of any county in this state for an order compelling the 48626  
person to comply with the subpoena or subpoena duces tecum, or for 48627  
failure to do so, to be held in contempt of court. 48628

(H) If, as a result of its investigation conducted under 48629  
division (G) of this section, the board of embalmers and funeral 48630  
directors has reasonable cause to believe that the person 48631  
investigated is violating any provision of this chapter or any 48632  
rules adopted under this chapter governing or in connection with 48633  
embalming, funeral directing, cremation, funeral homes, embalming 48634  
facilities, or cremation facilities, or the operation of funeral 48635  
homes, embalming facilities, or crematory facilities, it may, 48636  
after providing the opportunity for an adjudicatory hearing, issue 48637  
an order directing the person to cease the acts or practices that 48638  
constitute the violation. The board shall conduct the adjudicatory 48639  
hearing in accordance with Chapter 119. of the Revised Code except 48640  
that, notwithstanding the provisions of that chapter, the 48641  
following shall apply: 48642

the person's right to a hearing by certified mail. 48644

(2) The person is entitled to a hearing only if the person 48645  
requests a hearing and if the board receives the request within 48646  
thirty days after the mailing of the notice described in division 48647  
(H)(1) of this section. 48648

(3) A stenographic record shall be taken, in the manner 48649  
prescribed in section 119.09 of the Revised Code, at every 48650  
adjudicatory hearing held under this section, regardless of 48651  
whether the record may be the basis of an appeal to a court. 48652

(I) If, as a result of its investigation conducted under 48653

division (G) of this section, the board of embalmers and funeral directors has reasonable cause to believe that the person investigated is violating any provision of this chapter or any rules adopted under this chapter governing or in connection with crematory operators, crematory facilities, or cremation, the board shall send written notice of the alleged violation to the crematory review board. If, after the conclusion of the adjudicatory hearing in the matter conducted under division (F) of this section, the board of embalmers and funeral directors finds that a person is in violation of any provision of this chapter or any rules adopted under this chapter governing or in connection with crematory operators, crematory facilities, or cremation, the board may issue a final order under that division directing the person to cease the acts or practices that constitute the violation.

(J) The board of embalmers and funeral directors may bring a civil action to enjoin any violation or threatened violation of sections 4717.01 to 4717.15 of the Revised Code or a rule adopted under any of those sections; division (A) or (B) of section 4717.23; division (B)(1) or (2), (C)(1) or (2), (D), (E), or (F)(1) or (2), or divisions (H) to (K) of section 4717.26; division (D)(1) of section 4717.27; divisions (A) to (C) of section 4717.28, or division (D) or (E) of section 4717.31 of the Revised Code. The action shall be brought in the county where the violation occurred or the threatened violation is expected to occur. At the request of the board, the attorney general shall represent the board in any matter arising under this chapter.

(K) The board of embalmers and funeral directors and the crematory review board may issue subpoenas for any person holding a license or permit under this chapter or persons holding themselves out as such, or for any other person whose testimony, in the opinion of either board, is necessary. The subpoena shall

require the person to appear before the appropriate board or any 48686  
designated member of either board, upon any hearing conducted 48687  
under this chapter. The penalty for disobedience to the command of 48688  
such a subpoena is the same as for refusal to answer such a 48689  
process issued under authority of the court of common pleas. 48690

(L) Except as provided in section 4717.41 of the Revised 48691  
Code, all moneys received by the board of embalmers and funeral 48692  
directors from any source shall be deposited in the state treasury 48693

(36) The revocation, suspension, restriction, reduction, or 49347  
termination of clinical privileges by the United States department 49348  
of defense or department of veterans affairs or the termination or 49349  
suspension of a certificate of registration to prescribe drugs by 49350  
the drug enforcement administration of the United States 49351  
department of justice. 49352

(C) Disciplinary actions taken by the board under divisions 49353  
(A) and (B) of this section shall be taken pursuant to an 49354  
adjudication conducted under Chapter 119. of the Revised Code, 49355  
except that in lieu of a hearing, the board may enter into a 49356

consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by a vote of a quorum, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement shall be of no effect.

(D) The hearings of the board shall be conducted in accordance with Chapter 119. of the Revised Code, the board may appoint a hearing examiner, as provided in section 119.09 of the Revised Code, to conduct any hearing the board is authorized to hold under Chapter 119. of the Revised Code.

In any instance in which the board is required under Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and the applicant, licensee, or certificate holder does not make a timely request for a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by a vote of a quorum, a final order that contains the board's findings. In the final order, the board may order any of the sanctions listed in division (A) or (B) of this section.

(E) If a criminal action is brought against a registered nurse, licensed practical nurse, or dialysis technician for an act or crime described in divisions (B)(3) to (7) of this section and the action is dismissed by the trial court other than on the merits, the board shall conduct an adjudication to determine whether the registered nurse, licensed practical nurse, or dialysis technician committed the act on which the action was based. If the board determines on the basis of the adjudication that the registered nurse, licensed practical nurse, or dialysis technician committed the act, or if the registered nurse, licensed practical nurse, or dialysis technician fails to participate in

the adjudication, the board may take action as though the 49389  
registered nurse, licensed practical nurse, or dialysis technician 49390

If the board takes action on the basis of a conviction, plea, 49392  
or a judicial finding as described in divisions (B)(3) to (7) of 49393  
this section that is overturned on appeal, the registered nurse, 49394  
licensed practical nurse, or dialysis technician may, on 49395  
exhaustion of the appeal process, petition the board for 49396  
reconsideration of its action. On receipt of the petition and 49397  
supporting court documents, the board shall temporarily rescind 49398  
its action. If the board determines that the decision on appeal 49399  
was a decision on the merits, it shall permanently rescind its 49400  
action. If the board determines that the decision on appeal was 49401  
not a decision on the merits, it shall conduct an adjudication to 49402

or dialysis technician committed the act on which the original 49404  
conviction, plea, or judicial finding was based. If the board 49405  
determines on the basis of the adjudication that the registered 49406  
nurse, licensed practical nurse, or dialysis technician committed 49407  
such act, or if the registered nurse, licensed practical nurse, or 49408  
dialysis technician does not request an adjudication, the board 49409  
shall reinstate its action; otherwise, the board shall permanently 49410  
rescind its action. 49411

Notwithstanding the provision of division (C)(2) of section 49412  
2953.32 of the Revised Code specifying that if records pertaining 49413  
to a criminal case are sealed under that section the proceedings 49414  
in the case shall be deemed not to have occurred, sealing of the 49415  
following records on which the board has based an action under 49416  
this section shall have no effect on the board's action or any 49417  
sanction imposed by the board under this section: records of any 49418  
conviction, guilty plea, judicial finding of guilt resulting from 49419  
a plea of no contest, or a judicial finding of eligibility for a 49420

pretrial diversion program or intervention in lieu of conviction. 49421

The board shall not be required to seal, destroy, redact, or 49422  
otherwise modify its records to reflect the court's sealing of 49423

(F) The board may investigate an individual's criminal 49425  
background in performing its duties under this section. As part of 49426  
such investigation, the board may order the individual to submit, 49427

identification and investigation for a criminal records check and 49429  
check of federal bureau of investigation records in accordance 49430  
with the procedure described in section 4723.091 of the Revised 49431  
Code. 49432

(G) During the course of an investigation conducted under 49433  
this section, the board may compel any registered nurse, licensed 49434  
practical nurse, or dialysis technician or applicant under this 49435  
chapter to submit to a mental or physical examination, or both, as 49436  
required by the board and at the expense of the individual, if the 49437  
board finds reason to believe that the individual under 49438  
investigation may have a physical or mental impairment that may 49439  
affect the individual's ability to provide safe nursing care. 49440  
Failure of any individual to submit to a mental or physical 49441  
examination when directed constitutes an admission of the 49442  
allegations, unless the failure is due to circumstances beyond the 49443  
individual's control, and a default and final order may be entered 49444  
without the taking of testimony or presentation of evidence. 49445

If the board finds that an individual is impaired, the board 49446  
shall require the individual to submit to care, counseling, or 49447  
treatment approved or designated by the board, as a condition for 49448  
initial, continued, reinstated, or renewed authority to practice. 49449  
The individual shall be afforded an opportunity to demonstrate to 49450  
the board that the individual can begin or resume the individual's 49451  
occupation in compliance with acceptable and prevailing standards 49452

of care under the provisions of the individual's authority to 49453  
practice. 49454

practical nurse, or dialysis technician or applicant under this 49456  
chapter shall be deemed to have given consent to submit to a 49457  
mental or physical examination when directed to do so in writing 49458  
by the board, and to have waived all objections to the 49459  
admissibility of testimony or examination reports that constitute 49460  
a privileged communication. 49461

(H) The board shall investigate evidence that appears to show 49462  
that any person has violated any provision of this chapter or any 49463  
rule of the board. Any person may report to the board any 49464  
information the person may have that appears to show a violation 49465  
of any provision of this chapter or rule of the board. In the 49466  
absence of bad faith, any person who reports such information or 49467  
who testifies before the board in any adjudication conducted under 49468  
Chapter 119. of the Revised Code shall not be liable for civil 49469  
damages as a result of the report or testimony. 49470

(I) All of the following apply under this chapter with 49471  
respect to the confidentiality of information: 49472

(1) Information received by the board pursuant to a complaint 49473  
or an investigation is confidential and not subject to discovery 49474

the investigation and proceeding shall be conducted in such a 49487  
manner as to protect patient confidentiality. 49488

(3) All adjudications and investigations of the board shall 49489  
be considered civil actions for the purposes of section 2305.252 49490

action is permanent. An individual subject to permanent action 49508  
taken by the board is forever ineligible to hold a license or 49509  
certificate of the type that was refused or revoked and the board 49510  
shall not accept from the individual an application for 49511  
reinstatement of the license or certificate or for a new license 49512

or certificate classified as inactive or fails to renew a license 49522

to circumstances beyond the individual's control, and a default 50552  
and final order may be entered without the taking of testimony or 50553

assistant to submit to care, counseling, or treatment by 50557  
physicians approved or designated by the board, as a condition for 50558  
an initial, continued, reinstated, or renewed license. An 50559

individual affected under this division shall be afforded an 50560  
opportunity to demonstrate to the board the ability to resume 50561  
practicing in compliance with acceptable and prevailing standards 50562  
of care. 50563

(2) For purposes of division (B)(5) of this section, if the 50564  
board has reason to believe that any individual who holds a 50565  
license issued under this chapter or any applicant for a license 50566  
suffers such impairment, the board may compel the individual to 50567  
submit to a mental or physical examination, or both. The expense 50568  
of the examination is the responsibility of the individual 50569  
compelled to be examined. Any mental or physical examination 50570  
required under this division shall be undertaken by a treatment 50571  
provider or physician qualified to conduct such examination and 50572  
chosen by the board. 50573

Failure to submit to a mental or physical examination ordered 50574  
by the board constitutes an admission of the allegations against 50575  
the individual unless the failure is due to circumstances beyond 50576  
the individual's control, and a default and final order may be 50577  
entered without the taking of testimony or presentation of 50578  
evidence. If the board determines that the individual's ability to 50579  
practice is impaired, the board shall suspend the individual's 50580  
license or deny the individual's application and shall require the 50581  
individual, as a condition for initial, continued, reinstated, or 50582  
renewed licensure, to submit to treatment. 50583

Before being eligible to apply for reinstatement of a license 50584  
suspended under this division, the physician assistant shall 50585  
demonstrate to the board the ability to resume practice or 50586  
prescribing in compliance with acceptable and prevailing standards 50587  
of care. The demonstration shall include the following: 50588

(a) Certification from a treatment provider approved under 50589  
section 4731.25 of the Revised Code that the individual has 50590  
successfully completed any required inpatient treatment; 50591

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement; 50592  
50593

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination. 50594  
50595  
50596  
50597  
50598  
50599

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement. 50600  
50601  
50602

When the impaired physician assistant resumes practice or prescribing, the board shall require continued monitoring of the physician assistant. The monitoring shall include compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the physician assistant has maintained sobriety. 50603  
50604  
50605  
50606  
50607  
50608  
50609  
50610  
50611

(G) If the secretary and supervising member determine that there is clear and convincing evidence that a physician assistant has violated division (B) of this section and that the individual's continued practice or prescribing presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's license without a prior hearing. Written allegations shall be prepared for consideration by the board. 50612  
50613  
50614  
50615  
50616  
50617  
50618  
50619

The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license 50620  
50621  
50622

without a prior hearing. A telephone conference call may be 50623  
utilized for reviewing the allegations and taking the vote on the 50624  
summary suspension. 50625

The board shall issue a written order of suspension by 50626  
certified mail or in person in accordance with section 119.07 of 50627  
the Revised Code. The order shall not be subject to suspension by 50628  
the court during pendency of any appeal filed under section 119.12 50629  
of the Revised Code. If the physician assistant requests an 50630  
adjudicatory hearing by the board, the date set for the hearing 50631  
shall be within fifteen days, but not earlier than seven days, 50632  
after the physician assistant requests the hearing, unless 50633  
otherwise agreed to by both the board and the license holder. 50634

A summary suspension imposed under this division shall remain 50635  
in effect, unless reversed on appeal, until a final adjudicative 50636  
order issued by the board pursuant to this section and Chapter 50637  
119. of the Revised Code becomes effective. The board shall issue 50638  
its final adjudicative order within sixty days after completion of 50639  
its hearing. Failure to issue the order within sixty days shall 50640  
result in dissolution of the summary suspension order, but shall 50641  
not invalidate any subsequent, final adjudicative order. 50642

(H) If the board takes action under division (B)(11), (13), 50643  
or (14) of this section, and the judicial finding of guilt, guilty 50644  
plea, or judicial finding of eligibility for intervention in lieu 50645  
of conviction is overturned on appeal, upon exhaustion of the 50646  
criminal appeal, a petition for reconsideration of the order may 50647  
be filed with the board along with appropriate court documents. 50648  
Upon receipt of a petition and supporting court documents, the 50649  
board shall reinstate the individual's license. The board may then 50650  
hold an adjudication under Chapter 119. of the Revised Code to 50651  
determine whether the individual committed the act in question. 50652  
Notice of opportunity for hearing shall be given in accordance 50653  
with Chapter 119. of the Revised Code. If the board finds, 50654

pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions identified under division (B) of this section.

(I) The license to practice issued to a physician assistant and the physician assistant's practice in this state are automatically suspended as of the date the physician assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another state for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license to practice.

(J) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the

board may order any of the sanctions identified under division (A) 50687  
or (B) of this section. 50688

(K) Any action taken by the board under division (B) of this 50689  
section resulting in a suspension shall be accompanied by a 50690  
written statement of the conditions under which the physician 50691  
assistant's license may be reinstated. The board shall adopt rules 50692  
in accordance with Chapter 119. of the Revised Code governing 50693  
conditions to be imposed for reinstatement. Reinstatement of a 50694  
license suspended pursuant to division (B) of this section 50695  
requires an affirmative vote of not fewer than six members of the 50696  
board. 50697

(L) When the board refuses to grant or issue to an applicant 50698  
a license to practice as a physician assistant, revokes an 50699  
individual's license, refuses to renew an individual's license, or 50700  
refuses to reinstate an individual's license, the board may 50701  
specify that its action is permanent. An individual subject to a 50702  
permanent action taken by the board is forever thereafter 50703  
ineligible to hold the license and the board shall not accept an 50704  
application for reinstatement of the license or for issuance of a 50705  
new license. 50706

(M) Notwithstanding any other provision of the Revised Code, 50707  
all of the following apply: 50708

(1) The surrender of a license issued under this chapter is 50709  
not effective unless or until accepted by the board. Reinstatement 50710  
of a license surrendered to the board requires an affirmative vote 50711  
of not fewer than six members of the board. 50712

(2) An application made under this chapter for a license may 50713  
not be withdrawn without approval of the board. 50714

(3) Failure by an individual to renew a license in accordance 50715  
with section 4730.14 of the Revised Code shall not remove or limit 50716  
the board's jurisdiction to take disciplinary action under this 50717

section against the individual. 50718

~~Sec. 4730.28. (A) An individual whose license to practice as a physician assistant issued under this chapter has been suspended or is in an inactive state for any cause for more than two years may apply to the state medical board to have the license restored.~~ 50719  
50720  
50721  
50722

~~(B)(1) The board shall not restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code. The board shall determine the applicant's present fitness to resume practice. The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity.~~ 50723  
50724  
50725  
50726  
50727  
50728

~~(2) When restoring a license, the board may impose terms and conditions, including the following:~~ 50729  
50730

~~(a) Requiring the applicant to obtain additional training and pass an examination upon completion of the training;~~ 50731  
50732

~~(b) Restricting or limiting the extent, scope, or type of practice as a physician assistant that the individual may resume~~ 50733  
50734

(b) A student in a program as described in division (B) or (C) of section 4730.11 of the Revised Code. 50743  
50744

(B) Before issuing a license to an applicant subject to this section or restoring a license to good standing for an applicant 50745  
50746

and conditions including any one or more of the following: 50748

examination, or both, to determine the applicant's present fitness 50750  
to resume practice; 50751

to pass an examination upon completion of such training; 50753

(3) Requiring an assessment of the applicant's physical 50754  
skills for purposes of determining whether the applicant's 50755  
coordination, fine motor skills, and dexterity are sufficient for 50756  
performing evaluations and procedures in a manner that meets the 50757  
minimal standards of care; 50758

(4) Requiring an assessment of the applicant's skills in 50759

the presence of neurological disorders; 50764

(6) Restricting or limiting the extent, scope, or type of 50765

The board shall consider the moral background and the 50767  
activities of the applicant during the period of suspension or 50768  
inactivity. The board shall not issue or restore a license under 50769  
this section unless the applicant complies with sections 4776.01 50770  
to 4776.04 of the Revised Code. 50771

the name of any existing partnership, association, limited 52276  
liability company, limited liability partnership, or corporation 52277  
licensed under this chapter, unless there is filed with the 52278  
application the written consent of such existing partnership, 52279

If the superintendent determines that the proposed name is not 52290  
clearly distinguishable from any other existing brokerage, the 52291

the application for a real estate broker's license. The initial 52304  
licensing period commences at the time the license is issued and 52305  
ends on the applicant's first birthday thereafter. However, if the 52306  
applicant was an inactive or active salesperson immediately 52307  
preceding application for a broker's license, then the initial 52308  
licensing period shall commence at the time the broker's license 52309  
is issued and ends on the date the licensee's continuing education 52310  
is due as set when the applicant was a salesperson. The 52311  
application fee shall be nonrefundable. A fee of one hundred 52312  
thirty-five dollars shall be charged by the superintendent for 52313  
each successive application made by an applicant. In the case of 52314  
issuance of a three-year license, upon passing the examination, or 52315  
upon waiver of the examination requirement, if the superintendent 52316  
determines it is necessary, the applicant shall submit an 52317  
additional fee determined by the superintendent based upon the 52318  
number of years remaining in a real estate salesperson's licensing 52319

The Ohio real estate commission may use the fund in discharging 52324

section 4735.03 of the Revised Code and shall use it in the 52326  
advancement of education and research in real estate at any 52327  
institution of higher education in the state, or in contracting 52328  
with any such institution or a trade organization for a particular 52329  
research or educational project in the field of real estate, or in 52330  
advancing loans, not exceeding two thousand dollars, to applicants 52331  
for salesperson licenses, to defray the costs of satisfying the 52332  
educational requirements of division (F) of section 4735.09 of the 52333  
Revised Code. Such loans shall be made according to rules 52334  
established by the commission under the procedures of Chapter 119. 52335

three years of the time they are made. No more than twenty-five 52337  
thousand dollars shall be lent from the fund in any one fiscal 52338  
year. 52339

The governor may appoint a representative from the executive 52340  
branch to be a member ex officio of the commission for the purpose 52341

each research grant that it has authorized and the amount of each 52346  
research grant requested. A copy of all research reports shall be 52347  
submitted to the state library of Ohio and the library of the 52348  
legislative service commission. 52349

(E) If the superintendent, with the consent of the 52350  
commission, enters into an agreement with a national testing 52351  
service to administer the real estate broker's examination, 52352  
pursuant to division (A) of section 4735.07 of the Revised Code, 52353  
the superintendent may require an applicant to pay the testing 52354

service's examination fee directly to the testing service. If the 52355  
superintendent requires the payment of the examination fee 52356  
directly to the testing service, each applicant shall submit to 52357  
the superintendent a processing fee in an amount determined by the 52358

superintendent and shall contain such information as is required 52365  
by this chapter and the rules of the Ohio real estate commission. 52366  
The application shall be accompanied by the recommendation of the 52367

applicant is honest, truthful, and of good reputation, has not 52370  
been convicted of a felony or a crime involving moral turpitude, 52371  
and has not been finally adjudged by a court to have violated any 52372  
municipal, state, or federal civil rights laws relevant to the 52373  
protection of purchasers or sellers of real estate, which 52374  
conviction or adjudication the applicant has not disclosed to the 52375  
superintendent, and recommending that the applicant be admitted to 52376  
the real estate salesperson examination. 52377

the licensing period commences at the time the license is issued 52381  
and ends on the applicant's first birthday thereafter. The 52382  
application fee shall be nonrefundable. A fee of ~~sixty~~ eighty-one 52383  
dollars shall be charged by the superintendent for each successive 52384

may enter into an agreement with a recognized national testing 52391  
service to administer the real estate salesperson's examination 52392  
under the superintendent's supervision and control, consistent 52393  
with the requirements of this chapter as to the contents of the 52394  
examination. 52395

If the superintendent, with the consent of the commission, 52396  
enters into an agreement with a national testing service to 52397  
administer the real estate salesperson's examination, the 52398  
superintendent may require an applicant to pay the testing 52399  
service's examination fee directly to the testing service. If the 52400  
superintendent requires the payment of the examination fee 52401  
directly to the testing service, each applicant shall submit to 52402  
the superintendent a processing fee in an amount determined by the 52403  
Ohio real estate commission pursuant to division (A)(1) of section 52404  
4735.10 of the Revised Code. 52405

(E) The superintendent shall issue a real estate 52406  
salesperson's license when satisfied that the applicant has 52407  
received a passing score on each portion of the salesperson's 52408  
examination as determined by rule by the real estate commission, 52409  
except that the superintendent may waive one or more of the 52410  
requirements of this section in the case of an applicant who is a 52411  
licensed real estate salesperson in another state pursuant to a 52412

the evidence, that the applicant's activities and employment 52424  
record since the conviction show that the applicant is honest, 52425  
truthful, and of good reputation, and there is no basis in fact 52426  
for believing that the applicant again will violate the laws 52427  
involved; 52428

(b) Has not been finally adjudged by a court to have violated 52429  
any municipal, state, or federal civil rights laws relevant to the 52430

automatically without the taking of any action by the 52507  
superintendent. The superintendent immediately shall notify the 52508

licensee's license is revoked automatically without the taking of 52518

the superintendent of real estate, court costs may be recovered 52571

of court costs, the order of the court of common pleas then may 52573  
direct their payment from the fund. 52574

(3) The application shall specify the nature of the act or transaction upon which the underlying judgment was based, the activities of the applicant in pursuit of remedies available under law for the collection of judgments, and the actual and direct losses, attorney's fees, and the court costs sustained or incurred by the applicant. The applicant shall attach to the application a copy of each pleading and order in the underlying court action.

(4) The court shall order the superintendent to make such payments out of the fund when the person seeking the order has shown all of the following:

(a) The person has obtained a judgment, as provided in this division;

(b) All appeals from the judgment have been exhausted and the person has given notice to the superintendent, as required by division (C) of this section;

(c) The person is not a spouse of the judgment debtor, or the personal representative of such spouse;

(d) The person has diligently pursued the person's remedies against all the judgment debtors and all other persons liable to the person in the transaction for which the person seeks recovery from the fund;

(e) The person is making the person's application not more than one year after termination of all proceedings, including appeals, in connection with the judgment.

(5) Divisions (B)(1) to (4) of this section do not apply to any of the following:

(a) Actions arising from property management accounts maintained in the name of the property owner;

(b) A bonding company when it is not a principal in a real estate transaction;

(c) A person in an action for the payment of a commission or fee for the performance of an act or transaction specified or comprehended in division (A) or (C) of section 4735.01 of the Revised Code;

(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment.

(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses, verification of actual and direct losses, and challenges to the underlying judgment required in division (B)(4)(a) of this section to determine whether the underlying judgment is based on activity only a licensed broker or licensed salesperson is permitted to perform. The superintendent may move the court at any time to dismiss the application when it appears there are no triable issues and the application is without merit. The motion may be supported by affidavit of any person having knowledge of the facts and may be made on the basis that the application, including the judgment referred to in it, does not form the basis for a meritorious recovery claim; provided, that the superintendent shall give written notice to the applicant at least ten days before such motion. The superintendent may, subject to court approval, compromise a claim based upon the application of an aggrieved party. The superintendent shall not be bound by any prior compromise or stipulation of the judgment debtor.

(D) Notwithstanding any other provision of this section, the liability of the fund shall not exceed forty thousand dollars for any one licensee. If a licensee's license is reactivated as provided in division (E) of this section, the liability of the fund for the licensee under this section shall again be forty

thousand dollars, but only for transactions that occur subsequent 52637  
to the time of reactivation. 52638

If the forty-thousand-dollar liability of the fund is 52639  
insufficient to pay in full the valid claims of all aggrieved 52640  
persons by whom claims have been filed against any one licensee, 52641  
the forty thousand dollars shall be distributed among them in the 52642  
ratio that their respective claims bear to the aggregate of valid 52643  
claims or in such other manner as the court finds equitable. 52644  
Distribution of moneys shall be among the persons entitled to 52645  
share in it, without regard to the order of priority in which 52646  
their respective judgments may have been obtained or their claims 52647  
have been filed. Upon petition of the superintendent, the court 52648  
may require all claimants and prospective claimants against one 52649  
licensee to be joined in one action, to the end that the 52650  
respective rights of all such claimants to the fund may be 52651  
equitably adjudicated and settled. 52652

(E) If the superintendent pays from the fund any amount in 52653  
settlement of a claim or toward satisfaction of a judgment against 52654  
a licensed broker or salesperson, the license of the broker or 52655  
salesperson shall be automatically suspended upon the date of 52656  
payment from the fund. The superintendent shall not reactivate the 52657  
suspended license of that broker or salesperson until the broker 52658  
or salesperson has repaid in full, plus interest per annum at the 52659  
rate specified in division (A) of section 1343.03 of the Revised 52660  
Code, the amount paid from the fund on the broker's or 52661  
salesperson's account. A discharge in bankruptcy does not relieve 52662  
a person from the suspension and requirements for reactivation 52663  
provided in this section unless the underlying judgment has been 52664  
included in the discharge and has not been reaffirmed by the 52665  
debtor. 52666

(F) If, at any time, the money deposited in the fund is 52667  
insufficient to satisfy any duly authorized claim or portion of a 52668

claim, the superintendent shall, when sufficient money has been 52669  
deposited in the fund, satisfy such unpaid claims or portions, in 52670  
the order that such claims or portions were originally filed, plus 52671  
accumulated interest per annum at the rate specified in division 52672  
(A) of section 1343.03 of the Revised Code. 52673

(G) When, upon the order of the court, the superintendent has 52674  
paid from the fund any sum to the judgment creditor, the 52675  
superintendent shall be subrogated to all of the rights of the 52676  
judgment creditor to the extent of the amount so paid, and the 52677  
judgment creditor shall assign all the judgment creditor's right, 52678  
title, and interest in the judgment to the superintendent to the 52679  
extent of the amount so paid. Any amount and interest so recovered 52680  
by the superintendent on the judgment shall be deposited in the 52681  
fund. 52682

(H) Nothing contained in this section shall limit the 52683  
authority of the superintendent to take disciplinary action 52684  
against any licensee under other provisions of this chapter; nor 52685  
shall the repayment in full of all obligations to the fund by any 52686  
licensee nullify or modify the effect of any other disciplinary 52687  
proceeding brought pursuant to this chapter. 52688

(I) The superintendent shall collect from the fund a service 52689  
fee in an amount equivalent to the interest rate specified in 52690  
division (A) of section 1343.03 of the Revised Code multiplied by 52691  
the annual interest earned on the assets of the fund, to defray 52692  
the expenses incurred in the administration of the fund. 52693

**Sec. 4735.13.** (A) Every real estate broker licensed under 52694  
this chapter shall have and maintain a definite place of business 52695  
in this state. A post office box address is not a definite place 52696  
of business for purposes of this section. The license of a real 52697  
estate broker shall be prominently displayed in the office or 52698  
place of business of the broker, and no license shall authorize 52699

the licensee to do business except from the location specified in 52700  
it. If the broker maintains more than one place of business within 52701  
the state, the broker shall apply for and procure a duplicate 52702  
license for each branch office maintained by the broker. Each 52703  
branch office shall be in the charge of a licensed broker or 52704  
salesperson. The branch office license shall be prominently 52705  
displayed at the branch office location. 52706

(B) The license of each real estate salesperson shall be 52707  
mailed to and remain in the possession of the licensed broker with 52708  
whom the salesperson is or is to be associated until the licensee 52709  
places the license on inactive or resigned status or until the 52710  
salesperson leaves the brokerage or is terminated. The broker 52711  
shall keep each salesperson's license in a way that it can, and 52712  
shall on request, be made immediately available for public 52713  
inspection at the office or place of business of the broker. 52714  
Except as provided in divisions (G) and (H) of this section, 52715  
immediately upon the salesperson's leaving the association or 52716  
termination of the association of a real estate salesperson with 52717  
the broker, the broker shall return the salesperson's license to 52718  
the superintendent of real estate. 52719

The failure of a broker to return the license of a real 52720  
estate salesperson or broker who leaves or who is terminated, via 52721  
certified mail return receipt requested, within three business 52722  
days of the receipt of a written request from the superintendent 52723  
for the return of the license, is prima-facie evidence of 52724  
misconduct under division (A)(6) of section 4735.18 of the Revised 52725  
Code. 52726

(C) A licensee shall notify the superintendent in writing 52727  
within fifteen days of any of the following occurrences: 52728

(1) The licensee is convicted of a felony. 52729

(2) The licensee is convicted of a crime involving moral 52730

turpitude. 52731

(3) The licensee is found to have violated any federal, 52732  
state, or municipal civil rights law pertaining to discrimination 52733  
in housing. 52734

(4) The licensee is found to have engaged in a discriminatory 52735  
practice pertaining to housing accommodations described in 52736  
division (H) of section 4112.02 of the Revised Code. 52737

(5) The licensee is the subject of an order by the department 52738  
of commerce, the department of insurance, or the department of 52739  
agriculture revoking or permanently surrendering any professional 52740  
license, certificate, or registration. 52741

(6) The licensee is the subject of an order by any government 52742  
agency concerning real estate, financial matters, or the 52743  
performance of fiduciary duties with respect to any license, 52744  
certificate, or registration. 52745

If a licensee fails to notify the superintendent within the 52746  
required time, the superintendent immediately may suspend the 52747  
license of the licensee. 52748

Any court that convicts a licensee of a violation of any 52749  
municipal civil rights law pertaining to housing discrimination 52750  
also shall notify the Ohio civil rights commission within fifteen 52751  
days of the conviction. 52752

(D) In case of any change of business location, a broker 52753  
shall give notice to the superintendent, on a form prescribed by 52754  
the superintendent, within thirty days after the change of 52755  
location, whereupon the superintendent shall issue new licenses 52756  
for the unexpired period without charge. If a broker changes a 52757  
business location without giving the required notice and without 52758  
receiving new licenses that action is prima-facie evidence of 52759  
misconduct under division (A)(6) of section 4735.18 of the Revised 52760  
Code. 52761

(E) If a real estate broker desires to associate with another real estate broker in the capacity of a real estate salesperson, the broker shall apply to the superintendent to deposit the broker's real estate broker's license with the superintendent and for the issuance of a real estate salesperson's license. The application shall be made on a form prescribed by the superintendent and shall be accompanied by the recommendation of the real estate broker with whom the applicant intends to become associated and a fee of ~~twenty-five~~ thirty-four dollars for the real estate salesperson's license. One dollar of the fee shall be credited to the real estate education and research fund. If the superintendent is satisfied that the applicant is honest, truthful, and of good reputation, has not been convicted of a felony or a crime involving moral turpitude, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, and that the association of the real estate broker and the applicant will be in the public interest, the superintendent shall grant the application and issue a real estate salesperson's license to the applicant. Any license so deposited with the superintendent shall be subject to this chapter. A broker who intends to deposit the broker's license with the superintendent, as provided in this section, shall give written notice of this fact in a format prescribed by the superintendent to all salespersons associated with the broker when applying to place the broker's license on deposit.

(F) If a real estate broker desires to become a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation that is or intends to become a licensed real estate broker, the broker shall notify the superintendent of the broker's intentions. The notice of intention shall be on a form prescribed by the superintendent and shall be accompanied by a fee of ~~twenty-five~~ thirty-four dollars.

One dollar of the fee shall be credited to the real estate education and research fund.

A licensed real estate broker who is a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation shall only act as a real estate broker for such partnership, association, limited liability company, limited liability partnership, or corporation.

(G)(1) If a real estate broker or salesperson enters the armed forces, the broker or salesperson may place the broker's or salesperson's license on deposit with the Ohio real estate commission. The licensee shall not be required to renew the license until the renewal date that follows the date of discharge from the armed forces. Any license deposited with the commission shall be subject to this chapter.

Any licensee whose license is on deposit under this division and who fails to meet the continuing education requirements of section 4735.141 of the Revised Code because the licensee is in the armed forces shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months of the licensee's first birthday after discharge or within the amount of time equal to the total number of months the licensee spent on active duty, whichever is greater. The licensee shall submit proper documentation of active duty service and the length of that active duty service to the superintendent. The extension shall not exceed the total number of months that the licensee served in active duty. The superintendent shall notify the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(2) If a licensee is a spouse of a member of the armed forces and the spouse's service resulted in the licensee's absence from this state, both of the following apply:

(a) The licensee shall not be required to renew the license 52827  
until the renewal date that follows the date of the spouse's 52828  
discharge from the armed forces. 52829

(b) If the licensee fails to meet the continuing education 52830  
requirements of section 4735.141 of the Revised Code, the licensee 52831  
shall satisfy the commission that the licensee has complied with 52832  
the continuing education requirements within twelve months after 52833  
the licensee's first birthday after the spouse's discharge or 52834  
within the amount of time equal to the total number of months the 52835  
licensee's spouse spent on active duty, whichever is greater. The 52836  
licensee shall submit proper documentation of the spouse's active 52837  
duty service and the length of that active duty service. This 52838  
extension shall not exceed the total number of months that the 52839  
licensee's spouse served in active duty. 52840

(3) In the case of a licensee as described in division (G)(2) 52841  
of this section, who holds the license through a reciprocity 52842  
agreement with another state, the spouse's service shall have 52843  
resulted in the licensee's absence from the licensee's state of 52844  
residence for the provisions of that division to apply. 52845

(4) As used in this division, "armed forces" means the armed 52846  
forces of the United States or reserve component of the armed 52847  
forces of the United States including the Ohio national guard or 52848  
the national guard of any other state. 52849

(H) If a licensed real estate salesperson submits an 52850  
application to the superintendent to leave the association of one 52851  
broker to associate with a different broker, the broker possessing 52852  
the licensee's license need not return the salesperson's license 52853  
to the superintendent. The superintendent may process the 52854  
application regardless of whether the licensee's license is 52855  
returned to the superintendent. 52856

**Sec. 4735.143.** (A) Each person applying for a license 52857

pursuant to section 4735.07 or 4735.09 of the Revised Code shall 52858  
submit one complete set of fingerprint impressions directly to the 52859  
superintendent of the bureau of criminal identification and 52860  
investigation for the purpose of conducting a criminal records 52861  
check. The applicant shall provide the fingerprint impressions 52862  
using a method the superintendent of the bureau of criminal 52863  
identification and investigation prescribes and fill out the form 52864  
the superintendent prescribes pursuant to division (C) of section 52865  
109.572 of the Revised Code. Upon receiving an application under 52866  
this section, the superintendent of real estate and professional 52867  
licensing shall request the superintendent of the bureau of 52868  
criminal identification and investigation, or a vendor approved by 52869  
the bureau, to conduct a criminal records check based on the 52870  
applicant's fingerprint impressions in accordance with division 52871  
(A)(16) of section 109.572 of the Revised Code. Notwithstanding 52872  
division (K) of section 121.08 of the Revised Code, the 52873  
superintendent of real estate and professional licensing shall 52874  
request that criminal record information based on the applicant's 52875  
fingerprints be obtained from the federal bureau of investigation 52876  
as part of the criminal records check. Any fee required under 52877  
division (C)(3) of section 109.572 of the Revised Code shall be 52878  
paid by the applicant. 52879

(B) An applicant who disclosed on the application that the 52880  
applicant has been convicted of any criminal offense shall only be 52881  
permitted to take the examination after the results of the 52882  
criminal records check have been received by the superintendent 52883  
and the superintendent has made a determination to disregard the 52884  
conviction because the applicant has proven to the superintendent, 52885  
by a preponderance of the evidence, that the applicant's 52886  
activities and employment record since the conviction show that 52887  
the applicant is honest, truthful, and of good reputation, and 52888  
there is no basis in fact for believing that the applicant again 52889

will violate the laws involved. 52890

(C) Persons who have indicated on the application that they 52891  
have not been convicted of any criminal offense, shall, if all 52892  
other requirements for licensure have been satisfied, be permitted 52893  
to take the real estate examination for which the applicant has 52894  
applied prior to the superintendent's receipt of the results of 52895  
the criminal records check. If the applicant receives a passing 52896  
score on the examination and meets the other requirements for the 52897  
license, the superintendent shall issue a provisional license 52898  
pending the results of the criminal records check. During this 52899  
provisional status, the licensee may perform acts that require a 52900  
real estate license. If the results of the criminal records check 52901  
subsequently confirm that the licensee has no convictions, the 52902  
provisional status shall be removed. If it is determined that the 52903  
licensee has been convicted of any criminal offense, the 52904  
superintendent may immediately suspend the license of the 52905  
licensee. 52906

(D) Any entity offering the prelicensure education required 52907  
to obtain a real estate license in this state shall, prior to a 52908  
student's enrollment in a class, notify the student of both of the 52909  
following: 52910

(1) That a conviction of a criminal offense may disqualify an 52911  
individual from obtaining a real estate license; 52912

(2) The student's rights under section 9.78 of the Revised 52913  
Code to request a determination as to whether such a conviction 52914  
will disqualify the student. 52915

**Sec. 4735.15.** (A) The nonrefundable fees for reactivation or 52916  
transfer of a license shall be as follows: 52917

(1) Reactivation or transfer of a broker's license into or 52918  
out of a partnership, association, limited liability company, 52919

limited liability partnership, or corporation or from one 52920  
partnership, association, limited liability company, limited 52921  
liability partnership, or corporation to another partnership, 52922  
association, limited liability company, limited liability 52923  
partnership, or corporation, ~~twenty-five~~ thirty-four dollars. An 52924  
application for such transfer shall be made to the superintendent 52925  
of real estate on forms provided by the superintendent. 52926

(2) Reactivation or transfer of a license by a real estate 52927  
salesperson, ~~twenty-five~~ thirty-four dollars. 52928

(B) Except as may otherwise be specified pursuant to division 52929  
(F) of this section or any rules adopted by the Ohio real estate 52930  
commission pursuant to division (A)(2)(b) of section 4735.10 of 52931  
the Revised Code, the nonrefundable fees ~~for a branch office~~ 52932  
~~license, license renewal, late filing, and foreign real estate~~ 52933  
~~dealer and salesperson license~~ are as follows ~~per year~~ for each 52934  
~~year of a~~ licensing period: 52935

(1) Branch office license, ~~fifteen~~ twenty dollars; 52936

(2) Renewal of a three-year real estate broker's license, 52937  
~~sixty two hundred forty-three~~ dollars. If the licensee is a 52938  
partnership, association, limited liability company, limited 52939  
liability partnership, or corporation, the full broker's renewal 52940  
fee shall be required for each member of such partnership, 52941  
association, limited liability company, limited liability 52942  
partnership, or corporation that is a real estate broker. If the 52943  
real estate broker has not less than eleven nor more than twenty 52944  
real estate salespersons associated with the broker, an additional 52945  
fee of sixty-four dollars shall be assessed to the brokerage. For 52946  
every additional ten real estate salespersons or fraction of that 52947  
number, the brokerage assessment fee shall be increased in the 52948  
amount of thirty-seven dollars. 52949

(3) Renewal of a three-year real estate salesperson's 52950

license, ~~forty-five~~ one hundred eighty-two dollars; 52951

(4) Renewal of a real estate broker's or salesperson's 52952  
license filed within twelve months after the licensee's renewal 52953  
date, an additional late filing penalty of fifty per cent of the 52954  
required three-year fee; 52955

(5) Foreign real estate dealer's license and each renewal of 52956  
the license, thirty dollars per salesperson employed by the 52957  
dealer, but not less than ~~one~~ two hundred ~~fifty~~ three dollars; 52958

(6) Foreign real estate salesperson's license and each 52959  
renewal of the license, ~~fifty~~ sixty-eight dollars. 52960

(C) All fees collected under this section shall be paid to 52961  
the treasurer of state. One dollar of each such fee shall be 52962  
credited to the real estate education and research fund, except 52963  
that for fees that are assessed only once every three years, three 52964  
dollars of each triennial fee shall be credited to the real estate 52965  
education and research fund. 52966

(D) In all cases, the fee and any penalty shall accompany the 52967  
application for the license, license transfer, or license 52968  
reactivation or shall accompany the filing of the renewal. 52969

(E) The commission may establish by rule reasonable fees for 52970  
services not otherwise established by this chapter. 52971

(F) The commission may adopt rules that provide for a 52972  
reduction in the fees established in divisions (B)(2) and (3) of 52973  
this section. 52974

**Sec. 4735.18.** (A) Subject to section 4735.32 of the Revised 52975  
Code, the superintendent of real estate, upon the superintendent's 52976  
own motion, may investigate the conduct of any licensee. Subject 52977  
to division (E) of this section and section 4735.32 of the Revised 52978  
Code, the Ohio real estate commission shall impose disciplinary 52979  
sanctions upon any licensee who, whether or not acting in the 52980

licensee's capacity as a real estate broker or salesperson, or in 52981  
handling the licensee's own property, is found to have been 52982  
convicted of a felony or a crime of moral turpitude, and may 52983  
impose disciplinary sanctions upon any licensee who, in the 52984  
licensee's capacity as a real estate broker or salesperson, or in 52985  
handling the licensee's own property, is found guilty of: 52986

(1) Knowingly making any misrepresentation; 52987

(2) Making any false promises with intent to influence, 52988  
persuade, or induce; 52989

(3) A continued course of misrepresentation or the making of 52990  
false promises through agents, salespersons, advertising, or 52991  
otherwise; 52992

(4) Acting for more than one party in a transaction except as 52993  
permitted by and in compliance with section 4735.71 of the Revised 52994  
Code; 52995

(5) Failure within a reasonable time to account for or to 52996  
remit any money coming into the licensee's possession which 52997  
belongs to others; 52998

incompetency, or misconduct; 53000

(7)(a) By final adjudication by a court, a violation of any 53001  
municipal or federal civil rights law relevant to the protection 53002  
of purchasers or sellers of real estate or, by final adjudication 53003  
by a court, any unlawful discriminatory practice pertaining to the 53004  
purchase or sale of real estate prohibited by Chapter 4112. of the 53005  
Revised Code, provided that such violation arose out of a 53006  
situation wherein parties were engaged in bona fide efforts to 53007  
purchase, sell, or lease real estate, in the licensee's practice 53008  
as a licensed real estate broker or salesperson; 53009

(b) A second or subsequent violation of any unlawful 53010

discriminatory practice pertaining to the purchase or sale of real estate prohibited by Chapter 4112. of the Revised Code or any second or subsequent violation of municipal or federal civil rights laws relevant to purchasing or selling real estate whether or not there has been a final adjudication by a court, provided that such violation arose out of a situation wherein parties were engaged in bona fide efforts to purchase, sell, or lease real estate. possession, distribution, or use of any drug, including 55022  
trafficking in drugs; 55023

(17) Any of the following actions taken by the state agency 55024  
responsible for regulating the practice of anesthesiologist 55025  
assistants in another jurisdiction, for any reason other than the 55026  
nonpayment of fees: the limitation, revocation, or suspension of 55027  
an individual's license to practice; acceptance of an individual's 55028  
license surrender; denial of a license; refusal to renew or 55029  
reinstate a license; imposition of probation; or issuance of an 55030  
order of censure or other reprimand; 55031

(18) Violation of the conditions placed by the board on a 55032  
~~certificate~~ license to practice; 55033

(19) Failure to use universal blood and body fluid 55034  
precautions established by rules adopted under section 4731.051 of 55035  
the Revised Code; 55036

(20) Failure to cooperate in an investigation conducted by 55037  
the board under section 4760.14 of the Revised Code, including 55038  
failure to comply with a subpoena or order issued by the board or 55039  
failure to answer truthfully a question presented by the board at 55040  
a deposition or in written interrogatories, except that failure to 55041  
cooperate with an investigation shall not constitute grounds for 55042  
discipline under this section if a court of competent jurisdiction 55043  
has issued an order that either quashes a subpoena or permits the 55044  
individual to withhold the testimony or evidence in issue; 55045

(21) Failure to comply with any code of ethics established by 55046

the national commission for the certification of anesthesiologist assistants; 55047  
55048

(22) Failure to notify the state medical board of the revocation or failure to maintain certification from the national commission for certification of anesthesiologist assistants. 55049  
55050  
55051

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an anesthesiologist assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect. 55052  
55053  
55054  
55055  
55056  
55057  
55058  
55059  
55060  
55061  
55062  
55063

(D) For purposes of divisions (B)(11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or ~~certificate~~ license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the ~~certificate~~ license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal on technical or procedural grounds. 55064  
55065  
55066  
55067  
55068  
55069  
55070  
55071  
55072  
55073  
55074

(E) The sealing of conviction records by any court shall have no effect on a prior board order entered under the provisions of this section or on the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a 55075  
55076  
55077  
55078

judicial finding of guilt, or a judicial finding of eligibility 55079  
for intervention in lieu of conviction, the board issued a notice 55080  
of opportunity for a hearing prior to the court's order to seal 55081  
the records. The board shall not be required to seal, destroy, 55082  
redact, or otherwise modify its records to reflect the court's 55083  
sealing of conviction records. 55084

(F) For purposes of this division, any individual who holds a 55085  
~~certificate~~ license to practice issued under this chapter, or 55086  
applies for a ~~certificate~~ license to practice, shall be deemed to 55087  
have given consent to submit to a mental or physical examination 55088  
when directed to do so in writing by the board and to have waived 55089  
all objections to the admissibility of testimony or examination 55090  
reports that constitute a privileged communication. 55091

(1) In enforcing division (B)(5) of this section, the board, 55092  
on a showing of a possible violation, may compel any individual 55093  
who holds a ~~certificate~~ license to practice issued under this 55094  
chapter or who has applied for a ~~certificate~~ license to practice 55095  
pursuant to this chapter to submit to a mental or physical 55096  
examination, or both. A physical examination may include an HIV 55097  
test. The expense of the examination is the responsibility of the 55098  
individual compelled to be examined. Failure to submit to a mental 55099  
or physical examination or consent to an HIV test ordered by the 55100  
board constitutes an admission of the allegations against the 55101  
individual unless the failure is due to circumstances beyond the 55102  
individual's control, and a default and final order may be entered 55103  
without the taking of testimony or presentation of evidence. If 55104  
the board finds an anesthesiologist assistant unable to practice 55105  
because of the reasons set forth in division (B)(5) of this 55106  
section, the board shall require the anesthesiologist assistant to 55107  
submit to care, counseling, or treatment by physicians approved or 55108  
designated by the board, as a condition for an initial, continued, 55109  
reinstated, or renewed ~~certificate~~ license to practice. An 55110

individual affected by this division shall be afforded an 55111  
opportunity to demonstrate to the board the ability to resume 55112  
practicing in compliance with acceptable and prevailing standards 55113  
of care. 55114

(2) For purposes of division (B)(6) of this section, if the 55115  
board has reason to believe that any individual who holds a 55116  
~~certificate~~ license to practice issued under this chapter or any 55117  
applicant for a ~~certificate~~ license to practice suffers such 55118  
impairment, the board may compel the individual to submit to a 55119  
mental or physical examination, or both. The expense of the 55120  
examination is the responsibility of the individual compelled to 55121  
be examined. Any mental or physical examination required under 55122  
this division shall be undertaken by a treatment provider or 55123  
physician qualified to conduct such examination and chosen by the 55124  
board. 55125

Failure to submit to a mental or physical examination ordered 55126  
by the board constitutes an admission of the allegations against 55127  
the individual unless the failure is due to circumstances beyond 55128  
the individual's control, and a default and final order may be 55129  
entered without the taking of testimony or presentation of 55130  
evidence. If the board determines that the individual's ability to 55131  
practice is impaired, the board shall suspend the individual's 55132  
~~certificate~~ license or deny the individual's application and shall 55133  
require the individual, as a condition for an initial, continued, 55134  
reinstated, or renewed ~~certificate~~ license to practice, to submit 55135  
to treatment. 55136

Before being eligible to apply for reinstatement of a 55137  
~~certificate~~ license suspended under this division, the 55138  
anesthesiologist assistant shall demonstrate to the board the 55139  
ability to resume practice in compliance with acceptable and 55140  
prevailing standards of care. The demonstration shall include the 55141  
following: 55142

(a) Certification from a treatment provider approved under 55143  
section 4731.25 of the Revised Code that the individual has 55144  
successfully completed any required inpatient treatment; 55145

(b) Evidence of continuing full compliance with an aftercare 55146  
contract or consent agreement; 55147

(c) Two written reports indicating that the individual's 55148  
ability to practice has been assessed and that the individual has 55149  
been found capable of practicing according to acceptable and 55150  
prevailing standards of care. The reports shall be made by 55151  
individuals or providers approved by the board for making such 55152  
assessments and shall describe the basis for their determination. 55153

The board may reinstate a ~~certificate~~ license suspended under 55154  
this division after such demonstration and after the individual 55155  
has entered into a written consent agreement. 55156

When the impaired anesthesiologist assistant resumes 55157  
practice, the board shall require continued monitoring of the 55158  
anesthesiologist assistant. The monitoring shall include 55159  
monitoring of compliance with the written consent agreement 55160  
entered into before reinstatement or with conditions imposed by 55161  
board order after a hearing, and, on termination of the consent 55162  
agreement, submission to the board for at least two years of 55163  
annual written progress reports made under penalty of 55164  
falsification stating whether the anesthesiologist assistant has 55165  
maintained sobriety. 55166

(G) If the secretary and supervising member determine that 55167  
there is clear and convincing evidence that an anesthesiologist 55168  
assistant has violated division (B) of this section and that the 55169  
individual's continued practice presents a danger of immediate and 55170  
serious harm to the public, they may recommend that the board 55171  
suspend the individual's ~~certificate~~ license without a prior 55172  
hearing. Written allegations shall be prepared for consideration 55173

by the board. 55174

The board, on review of the allegations and by an affirmative 55175  
vote of not fewer than six of its members, excluding the secretary 55176  
and supervising member, may suspend a ~~certificate~~ license without 55177  
a prior hearing. A telephone conference call may be utilized for 55178  
reviewing the allegations and taking the vote on the summary 55179  
suspension. 55180

The board shall issue a written order of suspension by 55181  
certified mail or in person in accordance with section 119.07 of 55182  
the Revised Code. The order shall not be subject to suspension by 55183  
the court during pendency of any appeal filed under section 119.12 55184  
of the Revised Code. If the anesthesiologist assistant requests an 55185  
adjudicatory hearing by the board, the date set for the hearing 55186  
shall be within fifteen days, but not earlier than seven days, 55187  
after the anesthesiologist assistant requests the hearing, unless 55188  
otherwise agreed to by both the board and the ~~certificate~~ license 55189  
holder. 55190

A summary suspension imposed under this division shall remain 55191  
in effect, unless reversed on appeal, until a final adjudicative 55192  
order issued by the board pursuant to this section and Chapter 55193  
119. of the Revised Code becomes effective. The board shall issue 55194  
its final adjudicative order within sixty days after completion of 55195  
its hearing. Failure to issue the order within sixty days shall 55196  
result in dissolution of the summary suspension order, but shall 55197  
not invalidate any subsequent, final adjudicative order. 55198

(H) If the board takes action under division (B)(11), (13), 55199  
or (14) of this section, and the judicial finding of guilt, guilty 55200  
plea, or judicial finding of eligibility for intervention in lieu 55201  
of conviction is overturned on appeal, on exhaustion of the 55202  
criminal appeal, a petition for reconsideration of the order may 55203  
be filed with the board along with appropriate court documents. On 55204  
receipt of a petition and supporting court documents, the board 55205

shall reinstate the ~~certificate~~ license to practice. The board may 55206  
then hold an adjudication under Chapter 119. of the Revised Code 55207  
to determine whether the individual committed the act in question. 55208  
Notice of opportunity for hearing shall be given in accordance 55209  
with Chapter 119. of the Revised Code. If the board finds, 55210  
pursuant to an adjudication held under this division, that the 55211  
individual committed the act, or if no hearing is requested, it 55212  
may order any of the sanctions specified in division (B) of this 55213  
section. 55214

(I) The ~~certificate~~ license to practice of an 55215  
anesthesiologist assistant and the assistant's practice in this 55216  
state are automatically suspended as of the date the 55217  
anesthesiologist assistant pleads guilty to, is found by a judge 55218  
or jury to be guilty of, or is subject to a judicial finding of 55219  
eligibility for intervention in lieu of conviction in this state 55220  
or treatment of intervention in lieu of conviction in another 55221  
jurisdiction for any of the following criminal offenses in this 55222  
state or a substantially equivalent criminal offense in another 55223  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 55224  
felonious assault, kidnapping, rape, sexual battery, gross sexual 55225  
imposition, aggravated arson, aggravated robbery, or aggravated 55226  
burglary. Continued practice after the suspension shall be 55227  
considered practicing without a ~~certificate~~ license. 55228

The board shall notify the individual subject to the 55229  
suspension by certified mail or in person in accordance with 55230  
section 119.07 of the Revised Code. If an individual whose 55231  
~~certificate~~ license is suspended under this division fails to make 55232  
a timely request for an adjudication under Chapter 119. of the 55233  
Revised Code, the board shall enter a final order permanently 55234  
revoking the individual's ~~certificate~~ license to practice. 55235

(J) In any instance in which the board is required by Chapter 55236  
119. of the Revised Code to give notice of opportunity for hearing 55237

and the individual subject to the notice does not timely request a 55238  
hearing in accordance with section 119.07 of the Revised Code, the 55239  
board is not required to hold a hearing, but may adopt, by an 55240  
affirmative vote of not fewer than six of its members, a final 55241  
order that contains the board's findings. In the final order, the 55242  
board may order any of the sanctions identified under division (A) 55243  
or (B) of this section. 55244

(K) Any action taken by the board under division (B) of this 55245  
section resulting in a suspension shall be accompanied by a 55246  
written statement of the conditions under which the 55247  
anesthesiologist assistant's ~~certificate~~ license may be 55248  
reinstated. The board shall adopt rules in accordance with Chapter 55249  
119. of the Revised Code governing conditions to be imposed for 55250  
reinstatement. Reinstatement of a ~~certificate~~ license suspended 55251  
pursuant to division (B) of this section requires an affirmative 55252  
vote of not fewer than six members of the board. 55253

(L) When the board refuses to grant or issue a ~~certificate~~ 55254  
license to practice as an anesthesiologist assistant to an 55255  
applicant, revokes an individual's ~~certificate~~ license, refuses to 55256  
renew an individual's ~~certificate~~ license, or refuses to reinstate 55257  
an individual's ~~certificate~~ license, the board may specify that 55258  
its action is permanent. An individual subject to a permanent 55259  
action taken by the board is forever thereafter ineligible to hold 55260  
a ~~certificate~~ license to practice as an anesthesiologist assistant 55261  
and the board shall not accept an application for reinstatement of 55262  
the ~~certificate~~ license or for issuance of a new ~~certificate~~ 55263  
license. 55264

(M) Notwithstanding any other provision of the Revised Code, 55265  
all of the following apply: 55266

(1) The surrender of a ~~certificate~~ license to practice issued 55267  
under this chapter is not effective unless or until accepted by 55268  
the board. Reinstatement of a ~~certificate~~ license surrendered to 55269

the board requires an affirmative vote of not fewer than six 55270  
members of the board. 55271

(2) An application made under this chapter for a ~~certificate~~ 55272  
license to practice may not be withdrawn without approval of the 55273  
board. 55274

(3) Failure by an individual to renew a ~~certificate~~ license 55275  
to practice in accordance with section 4760.06 of the Revised Code 55276  
shall not remove or limit the board's jurisdiction to take 55277  
disciplinary action under this section against the individual. 55278

**Sec. 4760.131.** On receipt of a notice pursuant to section 55279  
3123.43 of the Revised Code, the state medical board shall comply 55280  
with sections 3123.41 to 3123.50 of the Revised Code and any 55281  
applicable rules adopted under section 3123.63 of the Revised Code 55282  
with respect to a ~~certificate~~ license to practice as an 55283  
anesthesiologist assistant issued pursuant to this chapter. 55284

**Sec. 4760.132.** If the state medical board has reason to 55285  
believe that any person who has been granted a ~~certificate~~ license 55286  
to practice as an anesthesiologist assistant under this chapter is 55287  
mentally ill or mentally incompetent, it may file in the probate 55288  
court of the county in which the person has a legal residence an 55289  
affidavit in the form prescribed in section 5122.11 of the Revised 55290  
Code and signed by the board secretary or a member of the board 55291  
secretary's staff, whereupon the same proceedings shall be had as 55292  
provided in Chapter 5122. of the Revised Code. The attorney 55293  
general may represent the board in any proceeding commenced under 55294  
this section. 55295

If any person who has been granted a ~~certificate~~ license to 55296  
practice is adjudged by a probate court to be mentally ill or 55297  
mentally incompetent, the person's ~~certificate~~ license shall be 55298  
automatically suspended until the person has filed with the state 55299

medical board a certified copy of an adjudication by a probate 55300  
court of the person's subsequent restoration to competency or has 55301  
submitted to the board proof, satisfactory to the board, that the 55302  
person has been discharged as having a restoration to competency 55303  
in the manner and form provided in section 5122.38 of the Revised 55304  
Code. The judge of the probate court shall forthwith notify the 55305  
state medical board of an adjudication of mental illness or mental 55306  
incompetence, and shall note any suspension of a ~~certificate~~ 55307  
license in the margin of the court's record of such ~~certificate~~ 55308  
license. 55309

**Sec. 4760.14.** (A) The state medical board shall investigate 55310  
evidence that appears to show that any person has violated this 55311  
chapter or the rules adopted under it. Any person may report to 55312  
the board in a signed writing any information the person has that 55313  
appears to show a violation of any provision of this chapter or 55314  
the rules adopted under it. In the absence of bad faith, a person 55315  
who reports such information or testifies before the board in an 55316  
adjudication conducted under Chapter 119. of the Revised Code 55317  
shall not be liable for civil damages as a result of reporting the 55318  
information or providing testimony. Each complaint or allegation 55319  
of a violation received by the board shall be assigned a case 55320  
number and be recorded by the board. 55321

(B) Investigations of alleged violations of this chapter or 55322  
rules adopted under it shall be supervised by the supervising 55323  
member elected by the board in accordance with section 4731.02 of 55324  
the Revised Code and by the secretary as provided in section 55325  
4760.15 of the Revised Code. The board's president may designate 55326  
another member of the board to supervise the investigation in 55327  
place of the supervising member. A member of the board who 55328  
supervises the investigation of a case shall not participate in 55329  
further adjudication of the case. 55330

(C) In investigating a possible violation of this chapter or 55331  
the rules adopted under it, the board may administer oaths, order 55332  
the taking of depositions, issue subpoenas, and compel the 55333  
attendance of witnesses and production of books, accounts, papers, 55334  
records, documents, and testimony, except that a subpoena for 55335  
patient record information shall not be issued without 55336  
consultation with the attorney general's office and approval of 55337  
the secretary and supervising member of the board. Before issuance 55338  
of a subpoena for patient record information, the secretary and 55339  
supervising member shall determine whether there is probable cause 55340  
to believe that the complaint filed alleges a violation of this 55341  
chapter or the rules adopted under it and that the records sought 55342  
are relevant to the alleged violation and material to the 55343  
investigation. The subpoena may apply only to records that cover a 55344  
reasonable period of time surrounding the alleged violation. 55345

On failure to comply with any subpoena issued by the board 55346  
and after reasonable notice to the person being subpoenaed, the 55347  
board may move for an order compelling the production of persons 55348  
or records pursuant to the Rules of Civil Procedure. 55349

A subpoena issued by the board may be served by a sheriff, 55350  
the sheriff's deputy, or a board employee designated by the board. 55351  
Service of a subpoena issued by the board may be made by 55352  
delivering a copy of the subpoena to the person named therein, 55353  
reading it to the person, or leaving it at the person's usual 55354  
place of residence. When the person being served is an 55355  
anesthesiologist assistant, service of the subpoena may be made by 55356  
certified mail, restricted delivery, return receipt requested, and 55357  
the subpoena shall be deemed served on the date delivery is made 55358  
or the date the person refuses to accept delivery. 55359

A sheriff's deputy who serves a subpoena shall receive the 55360  
same fees as a sheriff. Each witness who appears before the board 55361  
in obedience to a subpoena shall receive the fees and mileage 55362

provided for under section 119.094 of the Revised Code. 55363

(D) All hearings and investigations of the board shall be 55364  
considered civil actions for the purposes of section 2305.252 of 55365  
the Revised Code. 55366

(E) Information received by the board pursuant to an 55367  
investigation is confidential and not subject to discovery in any 55368  
civil action. 55369

The board shall conduct all investigations and proceedings in 55370  
a manner that protects the confidentiality of patients and persons 55371  
who file complaints with the board. The board shall not make 55372  
public the names or any other identifying information about 55373  
patients or complainants unless proper consent is given. 55374

The board may share any information it receives pursuant to 55375  
an investigation, including patient records and patient record 55376  
information, with law enforcement agencies, other licensing 55377  
boards, and other governmental agencies that are prosecuting, 55378  
adjudicating, or investigating alleged violations of statutes or 55379  
administrative rules. An agency or board that receives the 55380  
information shall comply with the same requirements regarding 55381  
confidentiality as those with which the state medical board must 55382  
comply, notwithstanding any conflicting provision of the Revised 55383  
Code or procedure of the agency or board that applies when it is 55384  
dealing with other information in its possession. In a judicial 55385  
proceeding, the information may be admitted into evidence only in 55386  
accordance with the Rules of Evidence, but the court shall require 55387  
that appropriate measures are taken to ensure that confidentiality 55388  
is maintained with respect to any part of the information that 55389  
contains names or other identifying information about patients or 55390  
complainants whose confidentiality was protected by the state 55391  
medical board when the information was in the board's possession. 55392  
Measures to ensure confidentiality that may be taken by the court 55393  
include sealing its records or deleting specific information from 55394

its records. 55395

(F) The state medical board shall develop requirements for 55396  
and provide appropriate initial training and continuing education 55397  
for investigators employed by the board to carry out its duties 55398  
under this chapter. The training and continuing education may 55399  
include enrollment in courses operated or approved by the Ohio 55400  
peace officer training commission that the board considers 55401  
appropriate under conditions set forth in section 109.79 of the 55402  
Revised Code. 55403

(G) On a quarterly basis, the board shall prepare a report 55404  
that documents the disposition of all cases during the preceding 55405  
three months. The report shall contain the following information 55406  
for each case with which the board has completed its activities: 55407

statutes or administrative rules. An agency or board that receives 55748  
the information shall comply with the same requirements regarding 55749  
confidentiality as those with which the state medical board must 55750  
comply, notwithstanding any conflicting provision of the Revised 55751  
Code or procedure of the agency or board that applies when it is 55752  
dealing with other information in its possession. In a judicial 55753

for each case with which the board has completed its activities: 55767

in lieu of an adjudication, the board may enter into a consent 56598  
agreement with an oriental medicine practitioner or acupuncturist 56599  
or applicant to resolve an allegation of a violation of this 56600  
chapter or any rule adopted under it. A consent agreement, when 56601  
ratified by an affirmative vote of not fewer than six members of 56602  
the board, shall constitute the findings and order of the board 56603  
with respect to the matter addressed in the agreement. If the 56604  
board refuses to ratify a consent agreement, the admissions and 56605  
findings contained in the consent agreement shall be of no force 56606  
or effect. 56607

(D) For purposes of divisions (B)(12), (15), and (16) of this 56608  
section, the commission of the act may be established by a finding 56609  
by the board, pursuant to an adjudication under Chapter 119. of 56610  
the Revised Code, that the applicant or ~~certificate~~ license holder 56611  
committed the act in question. The board shall have no 56612  
jurisdiction under these divisions in cases where the trial court 56613  
renders a final judgment in the ~~certificate~~ license holder's favor 56614  
and that judgment is based upon an adjudication on the merits. The 56615  
board shall have jurisdiction under these divisions in cases where 56616  
the trial court issues an order of dismissal upon technical or 56617  
procedural grounds. 56618

(E) The sealing of conviction records by any court shall have 56619  
no effect upon a prior board order entered under the provisions of 56620  
this section or upon the board's jurisdiction to take action under 56621  
the provisions of this section if, based upon a plea of guilty, a 56622

judicial finding of guilt, or a judicial finding of eligibility 56623  
for intervention in lieu of conviction, the board issued a notice 56624  
of opportunity for a hearing or entered into a consent agreement 56625  
prior to the court's order to seal the records. The board shall 56626  
not be required to seal, destroy, redact, or otherwise modify its 56627  
records to reflect the court's sealing of conviction records. 56628

(F) For purposes of this division, any individual who holds a 56629  
~~certificate~~ license to practice issued under this chapter, or 56630  
applies for a ~~certificate~~ license to practice, shall be deemed to 56631  
have given consent to submit to a mental or physical examination 56632  
when directed to do so in writing by the board and to have waived 56633  
all objections to the admissibility of testimony or examination 56634  
reports that constitute a privileged communication. 56635

(1) In enforcing division (B)(5) of this section, the board, 56636  
upon a showing of a possible violation, may compel any individual 56637  
who holds a ~~certificate~~ license to practice issued under this 56638  
chapter or who has applied for a ~~certificate~~ license pursuant to 56639  
this chapter to submit to a mental examination, physical 56640  
examination, including an HIV test, or both a mental and physical 56641  
examination. The expense of the examination is the responsibility 56642  
of the individual compelled to be examined. Failure to submit to a 56643  
mental or physical examination or consent to an HIV test ordered 56644  
by the board constitutes an admission of the allegations against 56645  
the individual unless the failure is due to circumstances beyond 56646  
the individual's control, and a default and final order may be 56647  
entered without the taking of testimony or presentation of 56648  
evidence. If the board finds an oriental medicine practitioner or 56649  
acupuncturist unable to practice because of the reasons set forth 56650  
in division (B)(5) of this section, the board shall require the 56651  
individual to submit to care, counseling, or treatment by 56652  
physicians approved or designated by the board, as a condition for 56653  
an initial, continued, reinstated, or renewed ~~certificate~~ license 56654

to practice. An individual affected by this division shall be 56655  
afforded an opportunity to demonstrate to the board the ability to 56656  
resume practicing in compliance with acceptable and prevailing 56657  
standards of care. 56658

(2) For purposes of division (B)(6) of this section, if the 56659  
board has reason to believe that any individual who holds a 56660  
~~certificate~~ license to practice issued under this chapter or any 56661  
applicant for a ~~certificate~~ license suffers such impairment, the 56662  
board may compel the individual to submit to a mental or physical 56663  
examination, or both. The expense of the examination is the 56664  
responsibility of the individual compelled to be examined. Any 56665  
mental or physical examination required under this division shall 56666  
be undertaken by a treatment provider or physician qualified to 56667  
conduct such examination and chosen by the board. 56668

Failure to submit to a mental or physical examination ordered 56669  
by the board constitutes an admission of the allegations against 56670  
the individual unless the failure is due to circumstances beyond 56671  
the individual's control, and a default and final order may be 56672  
entered without the taking of testimony or presentation of 56673  
evidence. If the board determines that the individual's ability to 56674  
practice is impaired, the board shall suspend the individual's 56675  
~~certificate~~ license or deny the individual's application and shall 56676  
require the individual, as a condition for an initial, continued, 56677  
reinstated, or renewed ~~certificate~~ license, to submit to 56678  
treatment. 56679

Before being eligible to apply for reinstatement of a 56680  
~~certificate~~ license suspended under this division, the oriental 56681  
medicine practitioner or acupuncturist shall demonstrate to the 56682  
board the ability to resume practice in compliance with acceptable 56683  
and prevailing standards of care. The demonstration shall include 56684  
the following: 56685

(a) Certification from a treatment provider approved under 56686

section 4731.25 of the Revised Code that the individual has 56687  
successfully completed any required inpatient treatment; 56688

(b) Evidence of continuing full compliance with an aftercare 56689  
contract or consent agreement; 56690

(c) Two written reports indicating that the individual's 56691  
ability to practice has been assessed and that the individual has 56692  
been found capable of practicing according to acceptable and 56693  
prevailing standards of care. The reports shall be made by 56694  
individuals or providers approved by the board for making such 56695  
assessments and shall describe the basis for their determination. 56696

The board may reinstate a ~~certificate~~ license suspended under 56697  
this division after such demonstration and after the individual 56698  
has entered into a written consent agreement. 56699

When the impaired individual resumes practice, the board 56700  
shall require continued monitoring of the individual. The 56701  
monitoring shall include monitoring of compliance with the written 56702  
consent agreement entered into before reinstatement or with 56703  
conditions imposed by board order after a hearing, and, upon 56704  
termination of the consent agreement, submission to the board for 56705  
at least two years of annual written progress reports made under 56706  
penalty of falsification stating whether the individual has 56707  
maintained sobriety. 56708

(G) If the secretary and supervising member determine both of 56709  
the following, they may recommend that the board suspend an 56710  
individual's ~~certificate~~ license to practice without a prior 56711  
hearing: 56712

(1) That there is clear and convincing evidence that an 56713  
oriental medicine practitioner or acupuncturist has violated 56714  
division (B) of this section; 56715

(2) That the individual's continued practice presents a 56716  
danger of immediate and serious harm to the public. 56717

Written allegations shall be prepared for consideration by 56718  
the board. The board, upon review of the allegations and by an 56719  
affirmative vote of not fewer than six of its members, excluding 56720  
the secretary and supervising member, may suspend a ~~certificate~~ 56721  
license without a prior hearing. A telephone conference call may 56722  
be utilized for reviewing the allegations and taking the vote on 56723  
the summary suspension. 56724

The board shall issue a written order of suspension by 56725  
certified mail or in person in accordance with section 119.07 of 56726  
the Revised Code. The order shall not be subject to suspension by 56727  
the court during pendency of any appeal filed under section 119.12 56728  
of the Revised Code. If the oriental medicine practitioner or 56729  
acupuncturist requests an adjudicatory hearing by the board, the 56730  
date set for the hearing shall be within fifteen days, but not 56731  
earlier than seven days, after the hearing is requested, unless 56732  
otherwise agreed to by both the board and the ~~certificate~~ license 56733  
holder. 56734

A summary suspension imposed under this division shall remain 56735  
in effect, unless reversed on appeal, until a final adjudicative 56736  
order issued by the board pursuant to this section and Chapter 56737  
119. of the Revised Code becomes effective. The board shall issue 56738  
its final adjudicative order within sixty days after completion of 56739  
its hearing. Failure to issue the order within sixty days shall 56740  
result in dissolution of the summary suspension order, but shall 56741  
not invalidate any subsequent, final adjudicative order. 56742

(H) If the board takes action under division (B)(11), (13), 56743  
or (14) of this section, and the judicial finding of guilt, guilty 56744  
plea, or judicial finding of eligibility for intervention in lieu 56745  
of conviction is overturned on appeal, upon exhaustion of the 56746  
criminal appeal, a petition for reconsideration of the order may 56747  
be filed with the board along with appropriate court documents. 56748  
Upon receipt of a petition and supporting court documents, the 56749

board shall reinstate the ~~certificate to practice~~ license. The 56750  
board may then hold an adjudication under Chapter 119. of the 56751  
Revised Code to determine whether the individual committed the act 56752  
in question. Notice of opportunity for hearing shall be given in 56753  
accordance with Chapter 119. of the Revised Code. If the board 56754  
finds, pursuant to an adjudication held under this division, that 56755  
the individual committed the act, or if no hearing is requested, 56756  
it may order any of the sanctions specified in division (B) of 56757  
this section. 56758

(I) The ~~certificate~~ license to practice of an oriental 56759  
medicine practitioner or acupuncturist and the practitioner's or 56760  
acupuncturist's practice in this state are automatically suspended 56761  
as of the date the practitioner or acupuncturist pleads guilty to, 56762  
is found by a judge or jury to be guilty of, or is subject to a 56763  
judicial finding of eligibility for intervention in lieu of 56764  
conviction in this state or treatment or intervention in lieu of 56765  
conviction in another jurisdiction for any of the following 56766  
criminal offenses in this state or a substantially equivalent 56767  
criminal offense in another jurisdiction: aggravated murder, 56768  
murder, voluntary manslaughter, felonious assault, kidnapping, 56769  
rape, sexual battery, gross sexual imposition, aggravated arson, 56770  
aggravated robbery, or aggravated burglary. Continued practice 56771  
after the suspension shall be considered practicing without a 56772  
~~certificate~~ license. 56773

The board shall notify the individual subject to the 56774  
suspension by certified mail or in person in accordance with 56775  
section 119.07 of the Revised Code. If an individual whose 56776  
~~certificate~~ license is suspended under this division fails to make 56777  
a timely request for an adjudication under Chapter 119. of the 56778  
Revised Code, the board shall enter a final order permanently 56779  
revoking the individual's ~~certificate to practice~~ license. 56780

(J) In any instance in which the board is required by Chapter 56781

119. of the Revised Code to give notice of opportunity for hearing 56782  
and the individual subject to the notice does not timely request a 56783  
hearing in accordance with section 119.07 of the Revised Code, the 56784  
board is not required to hold a hearing, but may adopt, by an 56785  
affirmative vote of not fewer than six of its members, a final 56786  
order that contains the board's findings. In the final order, the 56787  
board may order any of the sanctions identified under division (A) 56788  
or (B) of this section. 56789

(K) Any action taken by the board under division (B) of this 56790  
section resulting in a suspension shall be accompanied by a 56791  
written statement of the conditions under which the ~~certificate to~~ 56792  
~~practice~~ license may be reinstated. The board shall adopt rules in 56793  
accordance with Chapter 119. of the Revised Code governing 56794  
conditions to be imposed for reinstatement. Reinstatement of a 56795  
~~certificate~~ license suspended pursuant to division (B) of this 56796  
section requires an affirmative vote of not fewer than six members 56797  
of the board. 56798

(L) When the board refuses to grant or issue a ~~certificate to~~ 56799  
~~practice~~ license to an applicant, revokes an individual's 56800  
~~certificate~~ license, refuses to renew an individual's ~~certificate~~ 56801  
license, or refuses to reinstate an individual's ~~certificate~~ 56802  
license, the board may specify that its action is permanent. An 56803  
individual subject to a permanent action taken by the board is 56804  
forever thereafter ineligible to hold a ~~certificate~~ license to 56805  
practice as an oriental medicine practitioner or ~~certificate~~ 56806  
license to practice as an acupuncturist and the board shall not 56807  
accept an application for reinstatement of the ~~certificate~~ license 56808  
or for issuance of a new ~~certificate~~ license. 56809

(M) Notwithstanding any other provision of the Revised Code, 56810  
all of the following apply: 56811

(1) The surrender of a ~~certificate~~ license to practice as an 56812  
oriental medicine practitioner or ~~certificate~~ license to practice 56813

as an acupuncturist issued under this chapter is not effective 56814  
unless or until accepted by the board. Reinstatement of a 56815  
~~certificate~~ license surrendered to the board requires an 56816  
affirmative vote of not fewer than six members of the board. 56817

(2) An application made under this chapter for a ~~certificate~~ 56818  
license may not be withdrawn without approval of the board. 56819

(3) Failure by an individual to renew a ~~certificate~~ license 56820  
in accordance with section 4762.06 of the Revised Code shall not 56821  
remove or limit the board's jurisdiction to take disciplinary 56822  
action under this section against the individual. 56823

**Sec. 4762.131.** On receipt of a notice pursuant to section 56824  
3123.43 of the Revised Code, the state medical board shall comply 56825  
with sections 3123.41 to 3123.50 of the Revised Code and any 56826  
applicable rules adopted under section 3123.63 of the Revised Code 56827  
with respect to a ~~certificate~~ license to practice as an oriental 56828  
medicine practitioner or ~~certificate~~ license to practice as an 56829  
acupuncturist issued pursuant to this chapter. 56830

**Sec. 4762.132.** If the state medical board has reason to 56831  
believe that any person who has been granted under this chapter a 56832  
~~certificate~~ license to practice as an oriental medicine 56833  
practitioner or ~~certificate~~ license to practice as an 56834  
acupuncturist is mentally ill or mentally incompetent, it may file 56835  
in the probate court of the county in which the person has a legal 56836  
residence an affidavit in the form prescribed in section 5122.11 56837  
of the Revised Code and signed by the board secretary or a member 56838  
of the board secretary's staff, whereupon the same proceedings 56839  
shall be had as provided in Chapter 5122. of the Revised Code. The 56840  
attorney general may represent the board in any proceeding 56841  
commenced under this section. 56842

If any person who has been granted a ~~certificate~~ license is 56843

adjudged by a probate court to be mentally ill or mentally 56844  
incompetent, the person's ~~certificate~~ license shall be 56845  
automatically suspended until the person has filed with the state 56846  
medical board a certified copy of an adjudication by a probate 56847  
court of the person's subsequent restoration to competency or has 56848  
submitted to the board proof, satisfactory to the board, that the 56849  
person has been discharged as having a restoration to competency 56850  
in the manner and form provided in section 5122.38 of the Revised 56851  
Code. The judge of the probate court shall forthwith notify the 56852  
state medical board of an adjudication of mental illness or mental 56853  
incompetence, and shall note any suspension of a ~~certificate~~ 56854  
license in the margin of the court's record of such ~~certificate~~ 56855  
license. 56856

**Sec. 4762.14.** (A) The state medical board shall investigate 56857  
evidence that appears to show that any person has violated this 56858  
chapter or the rules adopted under it. Any person may report to 56859  
the board in a signed writing any information the person has that 56860  
appears to show a violation of any provision of this chapter or 56861  
the rules adopted under it. In the absence of bad faith, a person 56862  
who reports such information or testifies before the board in an 56863  
adjudication conducted under Chapter 119. of the Revised Code 56864  
shall not be liable for civil damages as a result of reporting the 56865  
information or providing testimony. Each complaint or allegation 56866  
of a violation received by the board shall be assigned a case 56867  
number and be recorded by the board. 56868

(B) Investigations of alleged violations of this chapter or 56869  
rules adopted under it shall be supervised by the supervising 56870  
member elected by the board in accordance with section 4731.02 of 56871  
the Revised Code and by the secretary as provided in section 56872  
4762.17 of the Revised Code. The board's president may designate 56873  
another member of the board to supervise the investigation in 56874  
place of the supervising member. A member of the board who 56875

supervises the investigation of a case shall not participate in 56876  
further adjudication of the case. 56877

(C) In investigating a possible violation of this chapter or 56878  
the rules adopted under it, the board may administer oaths, order 56879  
the taking of depositions, issue subpoenas, and compel the 56880  
attendance of witnesses and production of books, accounts, papers, 56881  
records, documents, and testimony, except that a subpoena for 56882  
patient record information shall not be issued without 56883  
consultation with the attorney general's office and approval of 56884  
the secretary and supervising member of the board. Before issuance 56885  
of a subpoena for patient record information, the secretary and 56886  
supervising member shall determine whether there is probable cause 56887  
to believe that the complaint filed alleges a violation of this 56888  
chapter or the rules adopted under it and that the records sought 56889  
are relevant to the alleged violation and material to the 56890  
investigation. The subpoena may apply only to records that cover a 56891  
reasonable period of time surrounding the alleged violation. 56892

On failure to comply with any subpoena issued by the board 56893  
and after reasonable notice to the person being subpoenaed, the 56894  
board may move for an order compelling the production of persons 56895  
or records pursuant to the Rules of Civil Procedure. 56896

A subpoena issued by the board may be served by a sheriff, 56897  
the sheriff's deputy, or a board employee designated by the board. 56898  
Service of a subpoena issued by the board may be made by 56899  
delivering a copy of the subpoena to the person named therein, 56900  
reading it to the person, or leaving it at the person's usual 56901  
place of residence. When the person being served is an oriental 56902  
medicine practitioner or acupuncturist, service of the subpoena 56903  
may be made by certified mail, restricted delivery, return receipt 56904  
requested, and the subpoena shall be deemed served on the date 56905  
delivery is made or the date the person refuses to accept 56906  
delivery. 56907

A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(D) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(E) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.

The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state

medical board when the information was in the board's possession. 56940  
Measures to ensure confidentiality that may be taken by the court 56941  
include sealing its records or deleting specific information from 56942  
its records. 56943

(F) The state medical board shall develop requirements for 56944  
and provide appropriate initial training and continuing education 56945  
for investigators employed by the board to carry out its duties 56946  
under this chapter. The training and continuing education may 56947  
include enrollment in courses operated or approved by the Ohio 56948  
peace officer training commission that the board considers 56949  
appropriate under conditions set forth in section 109.79 of the 56950  
Revised Code. 56951

(G) On a quarterly basis, the board shall prepare a report 56952  
that documents the disposition of all cases during the preceding 56953  
three months. The report shall contain the following information 56954  
for each case with which the board has completed its activities: 56955

(1) The case number assigned to the complaint or alleged 56956  
violation; 56957

(2) The type of ~~certificate to practice~~ license, if any, held 56958  
by the individual against whom the complaint is directed; 56959

(3) A description of the allegations contained in the 56960  
complaint; 56961

(4) The disposition of the case. 56962

The report shall state how many cases are still pending, and 56963  
shall be prepared in a manner that protects the identity of each 56964  
person involved in each case. The report is a public record for 56965  
purposes of section 149.43 of the Revised Code. 56966

**Sec. 4762.15.** (A) As used in this section, "prosecutor" has 56967  
the same meaning as in section 2935.01 of the Revised Code. 56968

(B) Whenever any person holding a valid ~~certificate~~ license 56969

to practice as an oriental medicine practitioner or valid 56970  
~~certificate~~ license to practice as an acupuncturist issued 56971  
pursuant to this chapter pleads guilty to, is subject to a 56972  
judicial finding of guilt of, or is subject to a judicial finding 56973  
of eligibility for intervention in lieu of conviction for a 56974  
violation of Chapter 2907., 2925., or 3719. of the Revised Code or 56975  
of any substantively comparable ordinance of a municipal 56976  
corporation in connection with the person's practice, the 56977  
prosecutor in the case, on forms prescribed and provided by the 56978  
state medical board, shall promptly notify the board of the 56979  
conviction. Within thirty days of receipt of that information, the 56980  
board shall initiate action in accordance with Chapter 119. of the 56981  
Revised Code to determine whether to suspend or revoke the 56982  
~~certificate~~ license under section 4762.13 of the Revised Code. 56983

(C) The prosecutor in any case against any person holding a 56984  
valid ~~certificate to practice~~ license issued pursuant to this 56985  
chapter, on forms prescribed and provided by the state medical 56986  
board, shall notify the board of any of the following: 56987

(1) A plea of guilty to, a finding of guilt by a jury or 56988  
court of, or judicial finding of eligibility for intervention in 56989  
lieu of conviction for a felony, or a case in which the trial 56990  
court issues an order of dismissal upon technical or procedural 56991  
grounds of a felony charge; 56992

(2) A plea of guilty to, a finding of guilt by a jury or 56993  
court of, or judicial finding of eligibility for intervention in 56994  
lieu of conviction for a misdemeanor committed in the course of 56995

**Sec. 4763.16.** (A) The real estate appraiser recovery fund is 57187

hereby created in the state treasury, to be administered by the 57188

or licensee, based upon conduct that is in violation of this 57202  
chapter or the rules adopted under it, which conduct occurred on 57203  
or after the date of their certification, registration, or 57204  
licensure, and that is associated with an act or transaction of a 57205  
certificate holder, registrant, or licensee specified in this 57206  
chapter, that person may file a verified complaint, as described 57207  
in this division, in the Franklin county court of common pleas for 57208  
an order directing payment out of the real estate appraiser 57209  
recovery fund of the portion of the judgment that remains unpaid 57210  
and that represents the actual and direct loss of the person for 57211  
the act or transaction upon which the underlying judgment was 57212  
based, and court costs, if awarded in the underlying judgment, 57213  
provided that no person shall receive more than ten thousand 57214  
dollars from the fund for any one judgment. A bonding or insurance 57215  
company or any partnership, corporation, or association that uses 57216  
any tool to develop a valuation of real property for purposes of a 57217  
loan or that employs, retains, or engages as an independent 57218  
contractor a person licensed, registered, or certified as a real 57219  
estate appraiser in its usual or occasional operations may not 57220

seek an order directing, and is not eligible for, payment out of 57221  
the fund. Punitive or exemplary damages are not recoverable from 57222  
the fund. 57223

The complaint shall specify the nature of the act or 57224  
transaction upon which the underlying judgment was based, the 57225  
activities of the applicant in pursuit of remedies available under 57226  
law for the collection of judgments, and the amount of the fee 57227  
paid by the applicant to the certificate holder, registrant, or 57228  
licensee. The applicant shall attach to the complaint a copy of 57229  
each pleading and order in the underlying court action. 57230

The Franklin county court of common pleas shall order the 57231  
superintendent to make payments out of the fund when the person 57232  
seeking the order has shown all of the following: 57233

(1) The person has obtained a judgment, as provided in this 57234  
division; 57235

(2) All appeals from the judgment have been exhausted and the 57236  
person has given notice to the superintendent, as required by 57237  
division (C) of this section; 57238

(3) The person is not a spouse of the certificate holder, 57239  
registrant, or licensee, or the personal representative of the 57240  
spouse; 57241

(4) The person has diligently pursued the person's remedies 57242  
against all the certificate holders, registrants, licensees, and 57243

(5) The person is making a complaint not more than one year 57246  
after termination of all proceedings, including appeals, in 57247  
connection with the judgment. 57248

(C) A person who applies to the Franklin county court of 57249  
common pleas for an order directing payment out of the fund shall 57250

file notice of the complaint with the superintendent. The 57251  
superintendent shall send notice to the affected certificate 57252  
holder, registrant, or licensee, where possible. The 57253  
superintendent may defend the action on behalf of the fund and 57254  
shall have recourse to all appropriate means of defense and 57255  
review, including examination of witnesses. The superintendent may 57256  
move the court at any time to dismiss the complaint when it 57257  
appears there are no triable issues and the complaint is without 57258  
merit. The motion may be supported by affidavit of any person 57259  
having knowledge of the facts and may be made on the basis that 57260  
the complaint, including the judgment referred to in the 57261  
complaint, does not form the basis for a meritorious recovery 57262  
claim. The superintendent may, subject to court approval, 57263  
compromise a claim based upon the complaint of an aggrieved party. 57264  
The superintendent is not bound by any prior compromise or 57265  
stipulation of the certificate holder, registrant, or licensee. 57266  
Upon petition of the superintendent, the court may require all 57267  
claimants and prospective claimants against one certificate 57268  
holder, registrant, or licensee to be joined in one action, to the 57269  
end that the respective rights of all such claimants to the fund 57270  
may be equitably adjudicated and settled. 57271

(D) If the superintendent pays from the fund any amount in 57272  
settlement of a claim or toward satisfaction of a judgment against 57273  
a certificate holder, registrant, or licensee, the certificate, 57274  
registration, or license of the certificate holder, registrant, or 57275  
licensee automatically is suspended upon the date of payment from 57276  
the fund. No certificate, registration, or license that has been 57277  
suspended pursuant to this division shall be reinstated until the 57278  
certificate holder, registrant, or licensee has repaid in full, 57279  
plus interest per annum at the rate specified in division (A) of 57280  
section 1343.03 of the Revised Code, the amount paid from the fund 57281  
on the certificate holder's, registrant's, or licensee's account. 57282  
A discharge in bankruptcy does not relieve a person from the 57283

suspension and requirements for reinstatement provided in this 57284  
section. 57285

(E) If, at any time, the money deposited in the fund is 57286  
insufficient to satisfy any duly authorized claim or portion of a 57287  
claim, the superintendent shall, when sufficient money has been 57288  
deposited in the fund, satisfy the unpaid claims or portions, in 57289  
the order that the claims or portions were originally filed, plus 57290  
accumulated interest per annum at the rate specified in division 57291  
(A) of section 1343.03 of the Revised Code. 57292

(F) When, upon the order of the court, the superintendent has 57293  
paid from the fund any sum to the judgment creditor, the 57294  
superintendent is subrogated to all of the rights of the judgment 57295  
creditor to the extent of the amount so paid, and the judgment 57296  
creditor shall assign all of the judgment creditor's right, title, 57297  
and interest in the judgment to the superintendent to the extent 57298  
of the amount so paid. The superintendent shall deposit in the 57299  
fund any amount and interest so recovered by the superintendent on 57300  
the judgment. 57301

(G) Nothing contained in this section shall limit the 57302  
authority of the real estate appraiser board to take disciplinary 57303  
action against a certificate holder, registrant, or licensee under 57304  
other provisions of this chapter. The repayment in full of all 57305  
obligations to the fund by a certificate holder, registrant, or 57306  
licensee does not nullify or modify the effect of any other 57307  
disciplinary proceeding brought pursuant to this chapter, unless 57308  
repayment is imposed as a condition in that proceeding. 57309

(H) The superintendent shall collect from the fund a service 57310  
fee in an amount equivalent to the interest rate specified in 57311  
division (A) of section 1343.03 of the Revised Code multiplied by 57312  
the annual interest earned on the assets of the fund, to defray 57313  
the expenses incurred in the administration of the fund. 57314

**Sec. 4766.17.** An air medical service organization licensed 57315  
under this chapter that uses a rotorcraft or fixed wing air 57316

person, designated by the medical director of the air medical 57322  
service organization, who holds a current, valid certificate or 57323  
license to practice a health care profession in this state; 57324

(B) Employ as a medical director an individual who holds a 57325

the Revised Code authorizing the practice of medicine and surgery 57327  
or osteopathic medicine and surgery. 57328

with traceable delivery and signature receipt. An appraisal 57344

management company that sends such notice shall keep a copy of the 57345  
notice for at least five years from the date the notice is sent to 57346  
the appraiser. 57347

(C) Nothing in this section prohibits an appraisal management 57348

section. 57351

(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;	57798 57799 57800
(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;	57801 57802 57803

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;	57807 57808 57809
(16) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;	57810 57811 57812 57813 57814
(17) Any of the following actions taken by the state agency responsible for regulating the practice of radiologist assistants in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;	57815 57816 57817 57818 57819 57820 57821 57822
(18) Violation of the conditions placed by the board on a <del>certificate</del> <u>license</u> to practice as a radiologist assistant;	57823 57824
(19) Failure to use universal blood and body fluid	57825

precautions established by rules adopted under section 4731.051 of 57826  
the Revised Code; 57827

(20) Failure to cooperate in an investigation conducted by 57828  
the board under section 4774.14 of the Revised Code, including 57829  
failure to comply with a subpoena or order issued by the board or 57830  
failure to answer truthfully a question presented by the board at 57831  
a deposition or in written interrogatories, except that failure to 57832  
cooperate with an investigation shall not constitute grounds for 57833  
discipline under this section if a court of competent jurisdiction 57834  
has issued an order that either quashes a subpoena or permits the 57835  
individual to withhold the testimony or evidence in issue; 57836

(21) Failure to maintain a license as a radiographer under 57837  
Chapter 4773. of the Revised Code; 57838

(22) Failure to maintain certification as a registered 57839  
radiologist assistant from the American registry of radiologic 57840  
technologists, including revocation by the registry of the 57841  
assistant's certification or failure by the assistant to meet the 57842  
registry's requirements for annual registration, or failure to 57843  
notify the board that the certification as a registered 57844  
radiologist assistant has not been maintained; 57845

(23) Failure to comply with any of the rules of ethics 57846  
included in the standards of ethics established by the American 57847  
registry of radiologic technologists, as those rules apply to an 57848  
individual who holds the registry's certification as a registered 57849  
radiologist assistant. 57850

(C) Disciplinary actions taken by the board under divisions 57851  
(A) and (B) of this section shall be taken pursuant to an 57852  
adjudication under Chapter 119. of the Revised Code, except that 57853  
in lieu of an adjudication, the board may enter into a consent 57854  
agreement with a radiologist assistant or applicant to resolve an 57855  
allegation of a violation of this chapter or any rule adopted 57856

under it. A consent agreement, when ratified by an affirmative 57857  
vote of not fewer than six members of the board, shall constitute 57858  
the findings and order of the board with respect to the matter 57859  
addressed in the agreement. If the board refuses to ratify a 57860  
consent agreement, the admissions and findings contained in the 57861  
consent agreement shall be of no force or effect. 57862

(D) For purposes of divisions (B)(11), (14), and (15) of this 57863  
section, the commission of the act may be established by a finding 57864  
by the board, pursuant to an adjudication under Chapter 119. of 57865  
the Revised Code, that the applicant or ~~certificate~~ license holder 57866  
committed the act in question. The board shall have no 57867  
jurisdiction under these divisions in cases where the trial court 57868  
renders a final judgment in the ~~certificate~~ license holder's favor 57869  
and that judgment is based upon an adjudication on the merits. The 57870  
board shall have jurisdiction under these divisions in cases where 57871  
the trial court issues an order of dismissal on technical or 57872  
procedural grounds. 57873

(E) The sealing of conviction records by any court shall have 57874  
no effect on a prior board order entered under the provisions of 57875  
this section or on the board's jurisdiction to take action under 57876  
the provisions of this section if, based upon a plea of guilty, a 57877  
judicial finding of guilt, or a judicial finding of eligibility 57878  
for intervention in lieu of conviction, the board issued a notice 57879  
of opportunity for a hearing prior to the court's order to seal 57880  
the records. The board shall not be required to seal, destroy, 57881  
redact, or otherwise modify its records to reflect the court's 57882  
sealing of conviction records. 57883

(F) For purposes of this division, any individual who holds a 57884  
~~certificate~~ license to practice as a radiologist assistant issued 57885  
under this chapter, or applies for a ~~certificate to practice~~ 57886  
license, shall be deemed to have given consent to submit to a 57887  
mental or physical examination when directed to do so in writing 57888

by the board and to have waived all objections to the 57889  
admissibility of testimony or examination reports that constitute 57890  
a privileged communication. 57891

(1) In enforcing division (B)(5) of this section, the board, 57892  
on a showing of a possible violation, may compel any individual 57893  
who holds a ~~certificate~~ license to practice as a radiologist 57894  
assistant issued under this chapter or who has applied for a 57895  
~~certificate to practice~~ license to submit to a mental or physical 57896  
examination, or both. A physical examination may include an HIV 57897  
test. The expense of the examination is the responsibility of the 57898  
individual compelled to be examined. Failure to submit to a mental 57899  
or physical examination or consent to an HIV test ordered by the 57900  
board constitutes an admission of the allegations against the 57901  
individual unless the failure is due to circumstances beyond the 57902  
individual's control, and a default and final order may be entered 57903  
without the taking of testimony or presentation of evidence. If 57904  
the board finds a radiologist assistant unable to practice because 57905  
of the reasons set forth in division (B)(5) of this section, the 57906  
board shall require the radiologist assistant to submit to care, 57907  
counseling, or treatment by physicians approved or designated by 57908  
the board, as a condition for an initial, continued, reinstated, 57909  
or renewed ~~certificate to practice~~ license. An individual affected 57910  
by this division shall be afforded an opportunity to demonstrate 57911  
to the board the ability to resume practicing in compliance with 57912  
acceptable and prevailing standards of care. 57913

(2) For purposes of division (B)(6) of this section, if the 57914  
board has reason to believe that any individual who holds a 57915  
~~certificate~~ license to practice as a radiologist assistant issued 57916  
under this chapter or any applicant for a ~~certificate to practice~~ 57917  
license suffers such impairment, the board may compel the 57918  
individual to submit to a mental or physical examination, or both. 57919  
The expense of the examination is the responsibility of the 57920

individual compelled to be examined. Any mental or physical 57921  
examination required under this division shall be undertaken by a 57922  
treatment provider or physician qualified to conduct such 57923  
examination and chosen by the board. 57924

Failure to submit to a mental or physical examination ordered 57925  
by the board constitutes an admission of the allegations against 57926  
the individual unless the failure is due to circumstances beyond 57927  
the individual's control, and a default and final order may be 57928  
entered without the taking of testimony or presentation of 57929  
evidence. If the board determines that the individual's ability to 57930  
practice is impaired, the board shall suspend the individual's 57931  
~~certificate~~ license or deny the individual's application and shall 57932  
require the individual, as a condition for an initial, continued, 57933  
reinstated, or renewed ~~certificate~~ license to practice, to submit 57934  
to treatment. 57935

Before being eligible to apply for reinstatement of a 57936  
~~certificate~~ license suspended under this division, the radiologist 57937  
assistant shall demonstrate to the board the ability to resume 57938  
practice in compliance with acceptable and prevailing standards of 57939  
care. The demonstration shall include the following: 57940

(a) Certification from a treatment provider approved under 57941  
section 4731.25 of the Revised Code that the individual has 57942  
successfully completed any required inpatient treatment; 57943

(b) Evidence of continuing full compliance with an aftercare 57944  
contract or consent agreement; 57945

(c) Two written reports indicating that the individual's 57946  
ability to practice has been assessed and that the individual has 57947  
been found capable of practicing according to acceptable and 57948  
prevailing standards of care. The reports shall be made by 57949  
individuals or providers approved by the board for making such 57950  
assessments and shall describe the basis for their determination. 57951

The board may reinstate a ~~certificate~~ license suspended under 57952  
this division after such demonstration and after the individual 57953  
has entered into a written consent agreement. 57954

When the impaired radiologist assistant resumes practice, the 57955  
board shall require continued monitoring of the radiologist 57956  
assistant. The monitoring shall include monitoring of compliance 57957  
with the written consent agreement entered into before 57958  
reinstatement or with conditions imposed by board order after a 57959  
hearing, and, on termination of the consent agreement, submission 57960  
to the board for at least two years of annual written progress 57961  
reports made under penalty of falsification stating whether the 57962  
radiologist assistant has maintained sobriety. 57963

(G) If the secretary and supervising member determine that 57964  
there is clear and convincing evidence that a radiologist 57965  
assistant has violated division (B) of this section and that the 57966  
individual's continued practice presents a danger of immediate and 57967  
serious harm to the public, they may recommend that the board 57968  
suspend the individual's ~~certificate~~ license to practice without a 57969  
prior hearing. Written allegations shall be prepared for 57970  
consideration by the board. 57971

The board, on review of the allegations and by an affirmative 57972  
vote of not fewer than six of its members, excluding the secretary 57973  
and supervising member, may suspend a ~~certificate~~ license without 57974  
a prior hearing. A telephone conference call may be utilized for 57975  
reviewing the allegations and taking the vote on the summary 57976  
suspension. 57977

The board shall issue a written order of suspension by 57978  
certified mail or in person in accordance with section 119.07 of 57979  
the Revised Code. The order shall not be subject to suspension by 57980  
the court during pendency of any appeal filed under section 119.12 57981  
of the Revised Code. If the radiologist assistant requests an 57982  
adjudicatory hearing by the board, the date set for the hearing 57983

shall be within fifteen days, but not earlier than seven days, 57984  
after the radiologist assistant requests the hearing, unless 57985  
otherwise agreed to by both the board and the ~~certificate~~ license 57986  
holder. 57987

A summary suspension imposed under this division shall remain 57988  
in effect, unless reversed on appeal, until a final adjudicative 57989  
order issued by the board pursuant to this section and Chapter 57990  
119. of the Revised Code becomes effective. The board shall issue 57991  
its final adjudicative order within sixty days after completion of 57992  
its hearing. Failure to issue the order within sixty days shall 57993  
result in dissolution of the summary suspension order, but shall 57994  
not invalidate any subsequent, final adjudicative order. 57995

(H) If the board takes action under division (B)(10), (12), 57996  
or (13) of this section, and the judicial finding of guilt, guilty 57997  
plea, or judicial finding of eligibility for intervention in lieu 57998  
of conviction is overturned on appeal, on exhaustion of the 57999  
criminal appeal, a petition for reconsideration of the order may 58000  
be filed with the board along with appropriate court documents. On 58001  
receipt of a petition and supporting court documents, the board 58002  
shall reinstate the ~~certificate~~ license to practice as a 58003  
radiologist assistant. The board may then hold an adjudication 58004  
under Chapter 119. of the Revised Code to determine whether the 58005  
individual committed the act in question. Notice of opportunity 58006  
for hearing shall be given in accordance with Chapter 119. of the 58007  
Revised Code. If the board finds, pursuant to an adjudication held 58008  
under this division, that the individual committed the act, or if 58009  
no hearing is requested, it may order any of the sanctions 58010  
specified in division (B) of this section. 58011

(I) The ~~certificate~~ license to practice of a radiologist 58012  
assistant and the assistant's practice in this state are 58013  
automatically suspended as of the date the radiologist assistant 58014  
pleads guilty to, is found by a judge or jury to be guilty of, or 58015

is subject to a judicial finding of eligibility for intervention 58016  
in lieu of conviction in this state or treatment of intervention 58017  
in lieu of conviction in another jurisdiction for any of the 58018  
following criminal offenses in this state or a substantially 58019  
equivalent criminal offense in another jurisdiction: aggravated 58020  
murder, murder, voluntary manslaughter, felonious assault, 58021  
kidnapping, rape, sexual battery, gross sexual imposition, 58022  
aggravated arson, aggravated robbery, or aggravated burglary. 58023  
Continued practice after the suspension shall be considered 58024  
practicing without a ~~certificate~~ license. 58025

The board shall notify the individual subject to the 58026  
suspension by certified mail or in person in accordance with 58027  
section 119.07 of the Revised Code. If an individual whose 58028  
~~certificate~~ license is suspended under this division fails to make 58029  
a timely request for an adjudication under Chapter 119. of the 58030  
Revised Code, the board shall enter a final order permanently 58031  
revoking the individual's ~~certificate to practice~~ license. 58032

(J) In any instance in which the board is required by Chapter 58033  
119. of the Revised Code to give notice of opportunity for hearing 58034  
and the individual subject to the notice does not timely request a 58035  
hearing in accordance with section 119.07 of the Revised Code, the 58036  
board is not required to hold a hearing, but may adopt, by an 58037  
affirmative vote of not fewer than six of its members, a final 58038  
order that contains the board's findings. In the final order, the 58039  
board may order any of the sanctions identified under division (A) 58040  
or (B) of this section. 58041

(K) Any action taken by the board under division (B) of this 58042  
section resulting in a suspension shall be accompanied by a 58043  
written statement of the conditions under which the radiologist 58044  
assistant's ~~certificate~~ license may be reinstated. The board shall 58045  
adopt rules in accordance with Chapter 119. of the Revised Code 58046  
governing conditions to be imposed for reinstatement. 58047

Reinstatement of a ~~certificate~~ license suspended pursuant to 58048  
division (B) of this section requires an affirmative vote of not 58049  
fewer than six members of the board. 58050

(L) When the board refuses to grant or issue a ~~certificate~~ 58051  
license to practice as a radiologist assistant to an applicant, 58052  
revokes an individual's ~~certificate~~ license, refuses to renew an 58053  
individual's ~~certificate~~ license, or refuses to reinstate an 58054  
individual's ~~certificate~~ license, the board may specify that its 58055  
action is permanent. An individual subject to a permanent action 58056  
taken by the board is forever thereafter ineligible to hold a 58057  
~~certificate~~ license to practice as a radiologist assistant and the 58058  
board shall not accept an application for reinstatement of the 58059  
~~certificate~~ license or for issuance of a new ~~certificate~~ license. 58060

(M) Notwithstanding any other provision of the Revised Code, 58061  
all of the following apply: 58062

(1) The surrender of a ~~certificate~~ license to practice as a 58063  
radiologist assistant issued under this chapter is not effective 58064  
unless or until accepted by the board. Reinstatement of a 58065  
~~certificate~~ license surrendered to the board requires an 58066  
affirmative vote of not fewer than six members of the board. 58067

(2) An application made under this chapter for a ~~certificate~~ 58068  
license to practice may not be withdrawn without approval of the 58069  
board. 58070

(3) Failure by an individual to renew a ~~certificate~~ license 58071  
to practice in accordance with section 4774.06 of the Revised Code 58072  
shall not remove or limit the board's jurisdiction to take 58073  
disciplinary action under this section against the individual. 58074

**Sec. 4774.131.** On receipt of a notice pursuant to section 58075  
3123.43 of the Revised Code, the state medical board shall comply 58076  
with sections 3123.41 to 3123.50 of the Revised Code and any 58077

applicable rules adopted under section 3123.63 of the Revised Code 58078  
with respect to a ~~certificate~~ license to practice as a radiologist 58079  
assistant issued under this chapter. 58080

**Sec. 4774.132.** If the state medical board has reason to 58081  
believe that any person who has been granted a ~~certificate~~ license 58082  
to practice as a radiologist assistant under this chapter is 58083  
mentally ill or mentally incompetent, it may file in the probate 58084  
court of the county in which the person has a legal residence an 58085  
affidavit in the form prescribed in section 5122.11 of the Revised 58086  
Code and signed by the board secretary or a member of the board 58087  
secretary's staff, whereupon the same proceedings shall be had as 58088  
provided in Chapter 5122. of the Revised Code. The attorney 58089  
general may represent the board in any proceeding commenced under 58090  
this section. 58091

If any person who has been granted a ~~certificate to practice~~ 58092  
license is adjudged by a probate court to be mentally ill or 58093  
mentally incompetent, the person's ~~certificate~~ license shall be 58094  
automatically suspended until the person has filed with the state 58095  
medical board a certified copy of an adjudication by a probate 58096  
court of the person's subsequent restoration to competency or has 58097  
submitted to the board proof, satisfactory to the board, that the 58098  
person has been discharged as having a restoration to competency 58099  
in the manner and form provided in section 5122.38 of the Revised 58100  
Code. The judge of the probate court shall forthwith notify the 58101  
state medical board of an adjudication of mental illness or mental 58102  
incompetence, and shall note any suspension of a ~~certificate~~ 58103  
license in the margin of the court's record of such ~~certificate~~ 58104  
license. 58105

**Sec. 4774.14.** (A) The state medical board shall investigate 58106  
evidence that appears to show that any person has violated this 58107  
chapter or the rules adopted under it. Any person may report to 58108

the board in a signed writing any information the person has that 58109  
appears to show a violation of any provision of this chapter or 58110  
the rules adopted under it. In the absence of bad faith, a person 58111  
who reports such information or testifies before the board in an 58112  
adjudication conducted under Chapter 119. of the Revised Code 58113  
shall not be liable for civil damages as a result of reporting the 58114  
information or providing testimony. Each complaint or allegation 58115  
of a violation received by the board shall be assigned a case 58116  
number and be recorded by the board. 58117

(B) Investigations of alleged violations of this chapter or 58118  
rules adopted under it shall be supervised by the supervising 58119  
member elected by the board in accordance with section 4731.02 of 58120  
the Revised Code and by the secretary as provided in section 58121  
4774.17 of the Revised Code. The board's president may designate 58122  
another member of the board to supervise the investigation in 58123  
place of the supervising member. A member of the board who 58124  
supervises the investigation of a case shall not participate in 58125  
further adjudication of the case. 58126

(C) In investigating a possible violation of this chapter or 58127  
the rules adopted under it, the board may administer oaths, order 58128  
the taking of depositions, issue subpoenas, and compel the 58129  
attendance of witnesses and production of books, accounts, papers, 58130  
records, documents, and testimony, except that a subpoena for 58131  
patient record information shall not be issued without 58132  
consultation with the attorney general's office and approval of 58133  
the secretary and supervising member of the board. Before issuance 58134  
of a subpoena for patient record information, the secretary and 58135  
supervising member shall determine whether there is probable cause 58136  
to believe that the complaint filed alleges a violation of this 58137  
chapter or the rules adopted under it and that the records sought 58138  
are relevant to the alleged violation and material to the 58139  
investigation. The subpoena may apply only to records that cover a 58140

reasonable period of time surrounding the alleged violation. 58141

On failure to comply with any subpoena issued by the board 58142  
and after reasonable notice to the person being subpoenaed, the 58143  
board may move for an order compelling the production of persons 58144  
or records pursuant to the Rules of Civil Procedure. 58145

A subpoena issued by the board may be served by a sheriff, 58146  
the sheriff's deputy, or a board employee designated by the board. 58147  
Service of a subpoena issued by the board may be made by 58148  
delivering a copy of the subpoena to the person named therein, 58149  
reading it to the person, or leaving it at the person's usual 58150  
place of residence. When the person being served is a radiologist 58151  
assistant, service of the subpoena may be made by certified mail, 58152  
restricted delivery, return receipt requested, and the subpoena 58153  
shall be deemed served on the date delivery is made or the date 58154  
the person refuses to accept delivery. 58155

A sheriff's deputy who serves a subpoena shall receive the 58156  
same fees as a sheriff. Each witness who appears before the board 58157  
in obedience to a subpoena shall receive the fees and mileage 58158  
provided for witnesses in civil cases in the courts of common 58159  
pleas. 58160

(D) All hearings and investigations of the board shall be 58161  
considered civil actions for the purposes of section 2305.252 of 58162  
the Revised Code. 58163

(E) Information received by the board pursuant to an 58164  
investigation is confidential and not subject to discovery in any 58165  
civil action. 58166

The board shall conduct all investigations and proceedings in 58167  
a manner that protects the confidentiality of patients and persons 58168  
who file complaints with the board. The board shall not make 58169  
public the names or any other identifying information about 58170  
patients or complainants unless proper consent is given. 58171

The board may share any information it receives pursuant to 58172  
an investigation, including patient records and patient record 58173  
information, with law enforcement agencies, other licensing 58174  
boards, and other governmental agencies that are prosecuting, 58175  
adjudicating, or investigating alleged violations of statutes or 58176  
administrative rules. An agency or board that receives the 58177  
information shall comply with the same requirements regarding 58178  
confidentiality as those with which the state medical board must 58179  
comply, notwithstanding any conflicting provision of the Revised 58180  
Code or procedure of the agency or board that applies when it is 58181  
dealing with other information in its possession. In a judicial 58182  
proceeding, the information may be admitted into evidence only in 58183

certified genetic counselors has been maintained and that the 58576  
number of hours of continuing education required under division 58577  
(B)(2) of this section has been completed. This division does not 58578  
limit the board's authority to conduct investigations pursuant to 58579  
section 4778.14 of the Revised Code. 58580

(E)(1) If, through a random sample conducted under division 58581  
(D) of this section or any other means, the board finds that an 58582  
individual who certified completion of the number of hours and 58583  
type of continuing education required to renew, reinstate, or 58584  
restore a license to practice did not complete the requisite 58585  
continuing education, the board may do either of the following: 58586

(a) Take disciplinary action against the individual under 58587  
section 4778.14 of the Revised Code, impose a civil penalty, or 58588  
both; 58589

(b) Permit the individual to agree in writing to complete the 58590  
continuing education and pay a civil penalty. 58591

(2) The board's finding in any disciplinary action taken 58592  
under division (E)(1)(a) of this section shall be made pursuant to 58593  
an adjudication under Chapter 119. of the Revised Code and by an 58594  
affirmative vote of not fewer than six of its members. 58595

(3) A civil penalty imposed under division (E)(1)(a) of this 58596  
section or paid under division (E)(1)(b) of this section shall be 58597  
in an amount specified by the board of not more than five thousand 58598  
dollars. The board shall deposit civil penalties in accordance 58599  
with section 4731.24 of the Revised Code. 58600

~~If a genetic counselor certifies that the genetic counselor~~ 58601

~~has completed the number of hours and type of continuing education 58602  
required for renewal of a license, and the board finds through the 58603  
random sample or any other means that the genetic counselor did 58604  
not complete the requisite continuing education, the board may 58605  
impose a civil penalty of not more than five thousand dollars. If 58606  
a civil penalty is imposed in addition to any other action the 58607  
board takes under section 4778.14 of the Revised Code, the board's 58608  
finding shall be made pursuant to an adjudication under Chapter 58609  
119. of the Revised Code and by an affirmative vote of not fewer 58610  
than six members. A civil penalty imposed under this division may 58611  
be in addition to or in lieu of any other action the board may 58612  
take under section 4778.14 of the Revised Code. The board shall 58613  
deposit civil penalties in accordance with section 4731.24 of the 58614  
Revised Code. 58615~~

**Sec. 4778.07.** (A) A license to practice as a genetic 58616  
counselor issued under ~~section 4778.05 of the Revised Code~~ this 58617  
chapter that is not renewed on or before its expiration date is 58618  
automatically suspended on its expiration date. Continued practice 58619  
after suspension shall be considered as practicing in violation of 58620  
section 4778.02 of the Revised Code. 58621

(B) If a license has been suspended pursuant to this section 58622  
for two years or less, ~~the board shall reinstate the license it~~ 58623  
may be reinstated upon an applicant's submission of a complete 58624  
renewal application, the biennial renewal fee, and a monetary 58625  
penalty of twenty-five dollars. 58626

(C)~~(1)~~ If a license has been suspended pursuant to this 58627  
section for more than two years, it may be restored. Subject to 58628  
section 4778.071 of the Revised Code, the board may restore the 58629  
license upon an applicant's submission of a complete restoration 58630  
application, the biennial renewal fee, and a monetary penalty of 58631  
fifty dollars and compliance with sections 4776.01 to 4776.04 of 58632

the Revised Code. The board shall not restore a license unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4778.05 of the Revised Code.

~~(2) The board may impose terms and conditions for the restoration, including the following:~~

~~(a) Requiring the applicant to pass an oral or written examination, or both, to determine the applicant's present fitness to resume practice;~~

~~(b) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;~~

~~(c) Restricting or limiting the extent, scope, or type of practice of the applicant.~~

Sec. 4778.071. (A) This section applies to both of the following:

(1) An applicant seeking restoration of a license issued under this chapter that has been in a suspended or inactive state for any cause for more than two years;

(2) An applicant seeking issuance of a license pursuant to this chapter who for more than two years has not been practicing as a genetic counselor as either of the following:

(a) An active practitioner;

(b) A student in a graduate program as described in section 4778.03 of the Revised Code.

(B) Before issuing a license to an applicant subject to this section or restoring a license to good standing for an applicant subject to this section, the state medical board may impose terms and conditions including any one or more of the following:

(1) Requiring the applicant to pass an oral or written

examination, or both, to determine the applicant's present fitness 58662  
to resume practice; 58663

(2) Requiring the applicant to obtain additional training and 58664  
to pass an examination upon completion of such training; 58665

(3) Requiring an assessment of the applicant's physical 58666  
skills for purposes of determining whether the applicant's 58667  
coordination, fine motor skills, and dexterity are sufficient for 58668  
performing evaluations and procedures in a manner that meets the 58669  
minimal standards of care; 58670

(4) Requiring an assessment of the applicant's skills in 58671  
recognizing and understanding diseases and conditions; 58672

(5) Requiring the applicant to undergo a comprehensive 58673  
physical examination, which may include an assessment of physical 58674  
abilities, evaluation of sensory capabilities, or screening for 58675  
the presence of neurological disorders; 58676

(6) Restricting or limiting the extent, scope, or type of 58677  
practice of the applicant. 58678

The board shall consider the moral background and the 58679  
activities of the applicant during the period of suspension or 58680  
inactivity. The board shall not issue or restore a license under 58681  
this section unless the applicant complies with sections 4776.01 58682  
to 4776.04 of the Revised Code. 58683

**Sec. 4778.08.** (A) The state medical board may issue to an 58684  
applicant under section 4778.03 of the Revised Code a license to 58685  
practice as a genetic counselor, designated as a supervised 58686  
practice license, if both of the following apply: 58687

(1) The applicant meets the requirements specified in section 58688  
4778.03 of the Revised Code other than being a certified genetic 58689  
counselor; 58690

(2) The applicant is in active candidate status with the 58691

American board of genetic counseling. 58692

(B) A supervised practice license authorizes the holder to 58693  
engage in the activities authorized by section 4778.11 of the 58694  
Revised Code while the holder is under the general supervision of 58695  
a genetic counselor licensed under ~~section 4778.05 of the Revised~~ 58696  
~~Code~~ this chapter or a physician. General supervision does not 58697  
require the supervising licensed genetic counselor or physician to 58698  
be present while the holder engages in such activities, but does 58699  
require the licensed genetic counselor or physician to have 58700  
professional responsibility for the holder and be readily 58701  
accessible to the holder for professional consultation and 58702  
assistance. 58703

A supervised practice license is valid from the date of 58704  
issuance until the earlier of one year from that date or the date 58705  
a license is issued under section 4778.05 or 4778.051 of the 58706  
Revised Code. A supervised practice license may not be renewed. 58707

**Sec. 4778.081.** (A) The state medical board shall issue an 58708  
expedited genetic counselor supervised practice license by 58709  
endorsement to an applicant who meets all of the requirements of 58710  
this section. 58711

(B) An individual who seeks an expedited license by 58712  
endorsement under this section shall file with the board a written 58713  
application on a form prescribed and supplied by the board. The 58714  
applicant shall include in the application all of the information 58715  
the board considers necessary to process it. 58716

(C) To be eligible to receive an expedited license by 58717  
endorsement, an applicant shall provide evidence satisfactory to 58718  
the board that the applicant meets all of the following 58719  
requirements: 58720

(1) The applicant holds a valid license or certificate to 58721

practice as a genetic counselor under supervision issued by any 58722  
other state or jurisdiction. 58723

(2) The license or certificate is current, and the applicant 58724  
is in good standing in the state or jurisdiction of licensure or 58725  
certification. 58726

(3) One of the circumstances described in division (B)(3) of 58727  
section 4743.041 of the Revised Code applies to the applicant. 58728

(4) The applicant moved or will move to this state from the 58729  
state or jurisdiction in which the individual holds a current 58730  
license or certificate. 58731

(5) The individual meets the requirements to receive a 58732  
license as specified in section 4778.08 of the Revised Code. 58733

(D) The board shall waive all fees associated with the 58734  
application for and issuance of an expedited license by 58735  
endorsement under this section. 58736

(E) The secretary and supervising member of the board shall 58737  
review all applications received under this section. If the 58738  
secretary and supervising member determine that an applicant meets 58739  
the requirements for an expedited license by endorsement, the 58740  
board shall issue the license to the applicant. 58741

**Sec. 4779.02.** (A) Except as provided in division (B) or (C) 58742  
of this section, no person shall practice or represent that the 58743  
person is authorized to practice orthotics, prosthetics, or 58744  
pedorthics unless the person holds a current, valid license issued 58745  
or renewed under this chapter. 58746

(B) Division (A) of this section does not apply to any of the 58747  
following: 58748

(1) An individual who holds a current, valid license, 58749  
certificate, or registration issued under Chapter 4723., 4729., 58750  
4730., 4731., 4734., or 4755. of the Revised Code and is 58751

statutes and rules regulating the individual's profession; 58753

(2) An individual who practices orthotics, prosthetics, or 58754

regulations of the United States; 58757

(3) An individual who provides orthotic, prosthetic, or 58758  
pedorthic services under the supervision of a licensed orthotist, 58759  
prosthetist, or pedorthist in accordance with section 4779.04 of 58760  
the Revised Code; 58761

(4) An individual who provides orthotic, prosthetic, or 58762  
pedorthic services as part of an educational, certification, or 58763

physical therapy, and athletic trainers board under sections 58765  
4779.25 to 4779.27 of the Revised Code; 58766

(5) An individual who provides orthotic, prosthetic, or 58767  
pedorthic services under the direct supervision of an individual 58768  
authorized under Chapter 4731. of the Revised Code to practice 58769  
medicine and surgery or osteopathic medicine and surgery. 58770

(C) Division (A) of this section does not prohibit an 58771  
individual who is not licensed under this chapter to practice 58772  
prosthetics or orthotics and prosthetics from engaging in the 3-D 58773  
printing of open-source prosthetic kits if the individual has been 58774  
granted the authority to engage in that activity by the Ohio 58775  
occupational therapy, physical therapy, and athletic trainers 58776  
board under section 4779.40 of the Revised Code. Such an 58777  
individual shall not represent that the individual is authorized 58778  
to practice prosthetics or orthotics and prosthetics under this 58779  
chapter. 58780

**Sec. 4779.08.** (A) The Ohio occupational therapy, physical 58781

therapy, and athletic trainers board shall adopt rules in	58782

<b>Sec. 4928.143.</b> (A) For the purpose of complying with section 4928.141 of the Revised Code, an electric distribution utility may file an application for public utilities commission approval of an electric security plan as prescribed under division (B) of this section. The utility may file that application prior to the	58834 58835 58836 58837 58838

effective date of any rules the commission may adopt for the 58839  
purpose of this section, and, as the commission determines 58840  
necessary, the utility immediately shall conform its filing to 58841  
those rules upon their taking effect. 58842

(B) Notwithstanding any other provision of Title XLIX of the 58843  
Revised Code to the contrary except division (D) of this section, 58844  
divisions (I), (J), and (K) of section 4928.20, division (E) of 58845  
section 4928.64, and section 4928.69 of the Revised Code: 58846

(1) An electric security plan shall include provisions 58847  
relating to the supply and pricing of electric generation service. 58848  
In addition, if the proposed electric security plan has a term 58849  
longer than three years, it may include provisions in the plan to 58850  
permit the commission to test the plan pursuant to division (E) of 58851  
this section and any transitional conditions that should be 58852  
adopted by the commission if the commission terminates the plan as 58853  
authorized under that division. 58854

(2) The plan may provide for or include, without limitation, 58855  
any of the following: 58856

(a) Automatic recovery of any of the following costs of the 58857  
electric distribution utility, provided the cost is prudently 58858  
incurred: the cost of fuel used to generate the electricity 58859  
supplied under the offer; the cost of purchased power supplied 58860  
under the offer, including the cost of energy and capacity, and 58861  
including purchased power acquired from an affiliate; the cost of 58862  
emission allowances; and the cost of federally mandated carbon or 58863  
energy taxes; 58864

(b) A reasonable allowance for construction work in progress 58865  
for any of the electric distribution utility's cost of 58866  
constructing an electric generating facility or for an 58867  
environmental expenditure for any electric generating facility of 58868  
the electric distribution utility, provided the cost is incurred 58869

or the expenditure occurs on or after January 1, 2009. Any such 58870  
allowance shall be subject to the construction work in progress 58871  
allowance limitations of division (A) of section 4909.15 of the 58872  
Revised Code, except that the commission may authorize such an 58873  
allowance upon the incurrence of the cost or occurrence of the 58874  
expenditure. No such allowance for generating facility 58875  
construction shall be authorized, however, unless the commission 58876  
first determines in the proceeding that there is need for the 58877  
facility based on resource planning projections submitted by the 58878  
electric distribution utility. Further, no such allowance shall be 58879  
authorized unless the facility's construction was sourced through 58880  
a competitive bid process, regarding which process the commission 58881  
may adopt rules. An allowance approved under division (B)(2)(b) of 58882  
this section shall be established as a nonbypassable surcharge for 58883  
the life of the facility. 58884

(c) The establishment of a nonbypassable surcharge for the 58885  
life of an electric generating facility that is owned or operated 58886  
by the electric distribution utility, was sourced through a 58887  
competitive bid process subject to any such rules as the 58888  
commission adopts under division (B)(2)(b) of this section, and is 58889  
newly used and useful on or after January 1, 2009, which surcharge 58890  
shall cover all costs of the utility specified in the application, 58891  
excluding costs recovered through a surcharge under division 58892  
(B)(2)(b) of this section. However, no surcharge shall be 58893  
authorized unless the commission first determines in the 58894  
proceeding that there is need for the facility based on resource 58895  
planning projections submitted by the electric distribution 58896  
utility. Additionally, if a surcharge is authorized for a facility 58897  
pursuant to plan approval under division (C) of this section and 58898  
as a condition of the continuation of the surcharge, the electric 58899  
distribution utility shall dedicate to Ohio consumers the capacity 58900  
and energy and the rate associated with the cost of that facility. 58901  
Before the commission authorizes any surcharge pursuant to this 58902

division, it may consider, as applicable, the effects of any 58903  
decommissioning, deratings, and retirements. 58904

(d) Terms, conditions, or charges relating to limitations on 58905  
customer shopping for retail electric generation service, 58906  
bypassability, standby, back-up, or supplemental power service, 58907  
default service, carrying costs, amortization periods, and 58908  
accounting or deferrals, including future recovery of such 58909  
deferrals, as would have the effect of stabilizing or providing 58910  
certainty regarding retail electric service; 58911

(e) Automatic increases or decreases in any component of the 58912  
standard service offer price; 58913

(f) Consistent with sections 4928.23 to 4928.2318 of the 58914  
Revised Code, both of the following: 58915

(i) Provisions for the electric distribution utility to 58916  
securitize any phase-in, inclusive of carrying charges, of the 58917  
utility's standard service offer price, which phase-in is 58918  
authorized in accordance with section 4928.144 of the Revised 58919  
Code; 58920

(ii) Provisions for the recovery of the utility's cost of 58921  
securitization. 58922

(g) Provisions relating to transmission, ancillary, 58923  
congestion, or any related service required for the standard 58924  
service offer, including provisions for the recovery of any cost 58925  
of such service that the electric distribution utility incurs on 58926  
or after that date pursuant to the standard service offer; 58927

(h) Provisions regarding the utility's distribution service, 58928  
including, without limitation and notwithstanding any provision of 58929  
Title XLIX of the Revised Code to the contrary, provisions 58930  
regarding single issue ratemaking, a revenue decoupling mechanism 58931  
or any other incentive ratemaking, and provisions regarding 58932  
distribution infrastructure and modernization incentives for the 58933

electric distribution utility. The latter may include a long-term 58934  
energy delivery infrastructure modernization plan for that utility 58935  
or any plan providing for the utility's recovery of costs, 58936  
including lost revenue, shared savings, and avoided costs, and a 58937  
just and reasonable rate of return on such infrastructure 58938  
modernization. As part of its determination as to whether to allow 58939  
in an electric distribution utility's electric security plan 58940  
inclusion of any provision described in division (B)(2)(h) of this 58941  
section, the commission shall examine the reliability of the 58942  
electric distribution utility's distribution system and ensure 58943  
that customers' and the electric distribution utility's 58944  
expectations are aligned and that the electric distribution 58945  
utility is placing sufficient emphasis on and dedicating 58946  
sufficient resources to the reliability of its distribution 58947  
system. 58948

(i) Provisions under which the electric distribution utility 58949  
may implement economic development, job retention, and energy 58950  
efficiency programs, which provisions may allocate program costs 58951  
across all classes of customers of the utility and those of 58952  
electric distribution utilities in the same holding company 58953  
system. 58954

(C)(1) The burden of proof in the proceeding shall be on the 58955  
electric distribution utility. The commission shall issue an order 58956  
under this division for an initial application under this section 58957  
not later than one hundred fifty days after the application's 58958  
filing date and, for any subsequent application by the utility 58959  
under this section, not later than two hundred seventy-five days 58960  
after the application's filing date. Subject to division (D) of 58961  
this section, the commission by order shall approve or modify and 58962  
approve an application filed under division (A) of this section if 58963  
it finds that the electric security plan so approved, including 58964  
its pricing and all other terms and conditions, including any 58965

deferrals and any future recovery of deferrals, is more favorable 58966  
in the aggregate as compared to the expected results that would 58967  
otherwise apply under section 4928.142 of the Revised Code. 58968  
Additionally, if the commission so approves an application that 58969  
contains a surcharge under division (B)(2)(b) or (c) of this 58970  
section, the commission shall ensure that the benefits derived for 58971  
any purpose for which the surcharge is established are reserved 58972  
and made available to those that bear the surcharge. Otherwise, 58973  
the commission by order shall disapprove the application. 58974

(2)(a) If the commission modifies and approves an application 58975  
under division (C)(1) of this section, the electric distribution 58976  
utility may withdraw the application, thereby terminating it, and 58977  
may file a new standard service offer under this section or a 58978  
standard service offer under section 4928.142 of the Revised Code. 58979

(b) If the utility terminates an application pursuant to 58980  
division (C)(2)(a) of this section or if the commission 58981  
disapproves an application under division (C)(1) of this section, 58982  
the commission shall issue such order as is necessary to continue 58983  
the provisions, terms, and conditions of the utility's most recent 58984  
standard service offer, along with any expected increases or 58985  
decreases in fuel costs from those contained in that offer, until 58986  
a subsequent offer is authorized pursuant to this section or 58987  
section 4928.142 of the Revised Code, respectively. 58988

(D) Regarding the rate plan requirement of division (A) of 58989  
section 4928.141 of the Revised Code, if an electric distribution 58990  
utility that has a rate plan that extends beyond December 31, 58991  
2008, files an application under this section for the purpose of 58992  
its compliance with division (A) of section 4928.141 of the 58993  
Revised Code, that rate plan and its terms and conditions are 58994  
hereby incorporated into its proposed electric security plan and 58995  
shall continue in effect until the date scheduled under the rate 58996  
plan for its expiration, and that portion of the electric security 58997

plan shall not be subject to commission approval or disapproval 58998  
under division (C) of this section, and the earnings test provided 58999  
for in division (F) of this section shall not apply until after 59000  
the expiration of the rate plan. However, that utility may include 59001  
in its electric security plan under this section, and the 59002  
commission may approve, modify and approve, or disapprove subject 59003  
to division (C) of this section, provisions for the incremental 59004  
recovery or the deferral of any costs that are not being recovered 59005  
under the rate plan and that the utility incurs during that 59006  
continuation period to comply with section 4928.141, division (B) 59007  
of section 4928.64, or division (A) of section 4928.66 of the 59008  
Revised Code. 59009

(E) If an electric security plan approved under division (C) 59010  
of this section, except one withdrawn by the utility as authorized 59011  
under that division, has a term, exclusive of phase-ins or 59012  
deferrals, that exceeds three years from the effective date of the 59013  
plan, the commission shall test the plan in the fourth year, and 59014  
if applicable, every fourth year thereafter, to determine whether 59015  
the plan, including its then-existing pricing and all other terms 59016  
and conditions, including any deferrals and any future recovery of 59017  
deferrals, continues to be more favorable in the aggregate and 59018  
during the remaining term of the plan as compared to the expected 59019  
results that would otherwise apply under section 4928.142 of the 59020  
Revised Code. The commission shall also determine the prospective 59021  
effect of the electric security plan to determine if that effect 59022  
is substantially likely to provide the electric distribution 59023  
utility with a return on common equity that is significantly in 59024  
excess of the return on common equity that is likely to be earned 59025  
by publicly traded companies, including utilities, that face 59026  
comparable business and financial risk, with such adjustments for 59027  
capital structure as may be appropriate. The burden of proof for 59028  
demonstrating that significantly excessive earnings will not occur 59029  
shall be on the electric distribution utility. For affiliated Ohio 59030

electric distribution utilities that operate under a joint 59031  
electric security plan, their total earned return on common equity 59032  
shall be used for purposes of assessing significantly excessive 59033  
earnings. If the test results are in the negative or the 59034  
commission finds that continuation of the electric security plan 59035  
will result in a return on equity that is significantly in excess 59036  
of the return on common equity that is likely to be earned by 59037  
publicly traded companies, including utilities, that will face 59038  
comparable business and financial risk, with such adjustments for 59039  
capital structure as may be appropriate, during the balance of the 59040  
plan, the commission may terminate the electric security plan, but 59041  
not until it shall have provided interested parties with notice 59042  
and an opportunity to be heard. The commission may impose such 59043  
conditions on the plan's termination as it considers reasonable 59044  
and necessary to accommodate the transition from an approved plan 59045  
to the more advantageous alternative. In the event of an electric 59046  
security plan's termination pursuant to this division, the 59047  
commission shall permit the continued deferral and phase-in of any 59048  
amounts that occurred prior to that termination and the recovery 59049  
of those amounts as contemplated under that electric security 59050  
plan. 59051

(F) With regard to the provisions that are included in an 59052  
electric security plan under this section, the commission shall 59053  
consider, following the end of each annual period of the plan, if 59054  
any such adjustments resulted in excessive earnings as measured by 59055  
whether the earned return on common equity of the electric 59056  
distribution utility is significantly in excess of the return on 59057  
common equity that was earned during the same period by publicly 59058  
traded companies, including utilities, that face comparable 59059  
business and financial risk, with such adjustments for capital 59060  
structure as may be appropriate. In making its determination of 59061  
significantly excessive earnings under this division, the 59062  
commission shall, for affiliated Ohio electric distribution 59063

utilities that operate under a joint electric security plan, use 59064  
the total of the utilities' earned return on common equity. 59065  
Consideration also shall be given to the capital requirements of 59066  
future committed investments in this state. The burden of proof 59067  
for demonstrating that significantly excessive earnings did not 59068  
occur shall be on the electric distribution utility. If the 59069  
commission finds that such adjustments, in the aggregate, did 59070  
result in significantly excessive earnings, it shall require the 59071  
electric distribution utility to return to consumers the amount of 59072  
the excess by prospective adjustments; provided that, upon making 59073  
such prospective adjustments, the electric distribution utility 59074  
shall have the right to terminate the plan and immediately file an 59075  
application pursuant to section 4928.142 of the Revised Code. Upon 59076  
termination of a plan under this division, rates shall be set on 59077  
the same basis as specified in division (C)(2)(b) of this section, 59078  
and the commission shall permit the continued deferral and 59079  
phase-in of any amounts that occurred prior to that termination 59080  
and the recovery of those amounts as contemplated under that 59081  
electric security plan. In making its determination of 59082  
significantly excessive earnings under this division, the 59083  
commission shall not consider, directly or indirectly, the 59084  
revenue, expenses, or earnings of any affiliate that is not an 59085  
Ohio electric distribution utility or parent company. 59086

**Sec. 4929.18.** (A) As used in this section, "biologically 59087  
derived methane gas" has the same meaning as in section 5713.30 of 59088  
the Revised Code. 59089

(B) Any property, equipment, or facilities installed or 59090  
constructed by a natural gas company to enable interconnection 59091  
with or receipt from any property, equipment, or facilities used 59092  
to generate, collect, gather, or transport biologically derived 59093  
methane gas, or to enable the supply of biologically derived 59094  
methane gas to consumers within this state, may be treated as 59095

instrumentalities and facilities for distribution service if the 59096  
public utilities commission determines that treatment is just and 59097  
reasonable. If the commission makes that determination, the 59098  
property, equipment, or facilities shall be considered used and 59099  
useful in rendering public utility service for purposes of section 59100  
4909.15 of the Revised Code. 59101

**Sec. 4937.01.** As used in sections 4937.01 to 4937.05 of the 59102  
Revised Code: 59103

(A) "Hazard" has the same meaning as in section 5502.21 of 59104  
the Revised Code. 59105

(B) "Member agency" means the state agency of which a member 59106  
of the utility radiological safety board is an officer. 59107

(C) "Nuclear electric facility" means any facility operated 59108  
by a nuclear electric utility using nuclear energy to produce 59109  
electricity and any facility for the storage of spent nuclear fuel 59110  
arising from such production. 59111

(D) "Nuclear electric facility incident" means any hazard 59112  
within the state which is associated with a nuclear electric 59113  
facility and requires, pursuant to sections 5502.21 to 5502.51 of 59114  
the Revised Code, emergency management to mitigate its effects. 59115

(E) "Nuclear electric utility" includes every person, their 59116  
agents, assignees, or trustees, within this state engaged in the 59117  
business of producing electricity using nuclear energy, or in the 59118  
storage of spent nuclear fuel arising from such production. 59119

(F) "Nuclear electric utility holding company" means any 59120  
company that holds an equity interest in a nuclear electric 59121  
utility and is part of an electric utility holding company system 59122  
exempt under section 3(a)(1) or (2) of the "Public Utility Holding 59123  
Company Act of 1935," 49 Stat. 810, 15 U.S.C.A. 79c, and the 59124  
regulations adopted under the act. 59125

Sec. 4937.05. (A) Subject to division (B) of this section, 59126  
the utility radiological safety board may apportion among and 59127  
assess against each nuclear electric utility in this state against 59128  
which an assessment may be made under section 4905.10 of the 59129  
Revised Code an amount no greater than the maximums specified in 59130  
the applicable main operating appropriations act. The assessment 59131  
shall be made in proportion to the intrastate gross receipts of 59132  
the utility, excluding receipts from sales to other public 59133  
utilities for resale, for the calendar year next preceding that in 59134  
which the assessments are made, or be made based upon the 59135  
utility's decommissioning budget for the year of the assessment, 59136  
if the utility is not engaged in the business of producing 59137  
electricity using nuclear energy. On or before the first day of 59138  
October in each year, the board shall notify each such utility of 59139  
the sum assessed against it, whereupon payment shall be made to 59140  
the board. The board shall deposit the payment into any nuclear 59141  
safety fund for which a maximum is specified, for the purposes of 59142  
this section, in the applicable main operating appropriations act. 59143  
Any assessments so deposited which are not expended shall be 59144  
credited ratably to each nuclear electric utility that paid them, 59145  
according to the respective portions of the amount assessable 59146  
against the utility for the ensuing calendar year. The assessments 59147  
for such calendar year shall be adjusted accordingly. 59148

(B) The board shall assess an amount against the nuclear 59149  
electric utilities pursuant to division (A) of this section only 59150  
in accordance with this division and subject to the conditions it 59151  
specifies. 59152

(1) Nuclear electric utilities and, separately, the 59153  
environmental protection agency, the department of health, the 59154  
department of agriculture, and the emergency management agency of 59155  
the department of public safety, as member agencies of the board, 59156  
shall negotiate, in good faith, amounts to be given as grants by 59157

the nuclear electric utilities pursuant to this division for 59158  
funding the member agency for a fiscal biennium. Any such grant 59159  
shall cover all costs related to the statutory requirements or 59160  
agreements specified in division (B)(4) of this section, but shall 59161  
not be required to cover any costs of activities not directly 59162  
related to those statutory requirements or agreements. 59163

(2)(a) If any of the member agencies specified in division 59164  
(B)(1) of this section disagrees, before the first day of 59165  
September of the first year of a fiscal biennium, with the nuclear 59166  
electric utilities on a grant amount under that division for the 59167  
agency's funding for that biennium and the agency is requesting a 59168  
specified amount not exceeding seventy-five per cent of the 59169  
maximum specified in the applicable main operating appropriations 59170  
act, the agency shall make a written directive to the board for an 59171  
assessment against the nuclear electric utilities for that 59172  
specified amount and shall notify the controlling board, the 59173  
director of budget and management, and the nuclear electric 59174  
utilities in writing of that directive. Upon receipt of the 59175  
directive, the utility radiological safety board shall assess the 59176  
specified amount against the nuclear electric utilities as 59177  
provided in division (A) of this section, notwithstanding any 59178  
provision of that division to the contrary, provided the amount 59179  
assessed does not exceed the maximum specified in the applicable 59180  
main operating appropriations act. 59181

(b) If any of the member agencies specified in division 59182  
(B)(1) of this section disagrees, before the first day of 59183  
September of the first year of a fiscal biennium, with the nuclear 59184  
electric utilities on a grant amount under that division for the 59185  
agency's funding for that biennium and the agency is requesting a 59186  
specified amount that exceeds seventy-five per cent of the maximum 59187  
specified for that agency in the applicable main operating 59188  
appropriations act, the agency may request that the controlling 59189

board approve an assessment against the electric utilities in the 59190  
specified amount. The controlling board shall not approve an 59191  
assessment so requested if it exceeds that maximum or will not be 59192  
used for the purposes specified in division (B)(4) of this 59193  
section. If the controlling board approves the request, the 59194  
utility radiological safety board shall impose an assessment in 59195  
the approved amount against the nuclear electric utilities as 59196  
provided in division (A) of this section, notwithstanding any 59197  
provision of that division to the contrary. 59198

(c) The board shall not assess against the nuclear electric 59199  
utilities pursuant to division (A) of this section in any fiscal 59200  
biennium for which each member agency and the nuclear electric 59201  
utilities agree on grant amounts pursuant to division (B)(1) of 59202  
this section. 59203

(3) Revenues received pursuant to grants or assessments under 59204  
division (B)(1) or (2) of this section shall be deposited into the 59205  
requesting agency's nuclear safety fund, as such fund is specified 59206  
in the applicable main operating appropriations act. 59207

(4) Funding provided under this division to a member agency 59208  
shall be for the purpose of enabling a member agency to fulfill 59209  
its authority and duties under the statutes related to nuclear 59210  
safety or the utility safety radiological board, or under 59211  
agreements with the nuclear regulatory commission. 59212

(5) If a nuclear electric utility makes any recommendation to 59213  
render the nuclear safety programs of member agencies of the 59214  
utility radiological safety board more cost effective, the member 59215  
agencies shall implement the recommendation or provide to the 59216  
utility a written statement explaining why the recommendation will 59217  
not be implemented or will be implemented with substantial 59218  
modification. 59219

**Sec. 5101.061.** (A) There is hereby established in the 59220

the director shall deny the application for licensure or revoke 61406  
the license of a type B family day care home. 61407~~

~~(E)~~ The director shall investigate and inspect the center, 61408

inspection the director determines that the requirements of this 61411  
chapter and rules adopted pursuant to this chapter are met, 61412

administrator, address, and license capacity for each age category 61424  
of children designated on the license. The license capacity 61425  
specified on the license is the maximum number of children in each 61426

~~(G)~~(F) If the director revokes the license of a center, a 61441  
type A home, or a type B home, the director shall not issue 61442  
another license to the owner of the center, type A home, or type B 61443  
home until five years have elapsed from the date the license is 61444  
revoked. 61445

If the director denies an application for a license, the 61446  
director shall not consider another application from the applicant 61447  
until five years have elapsed from the date the application is 61448  
denied. 61449

~~(H) If during the application for licensure process the~~ 61450

~~director determines that the license of the owner has been~~ 61451  
~~revoked, the investigation of the center, type A home, or type B~~ 61452

license. 61475

(c) The director closes a license because the director has 61476  
determined that the center, type A home, or type B home is no 61477

inability to comply with the criteria for certification, and that 61490  
the refusal or inability resulted in a risk to the health or 61491  
safety of children. 61492

~~(K)(1) Except as provided in division (K)(2) of this section,~~ 61493
