(F) No community school shall charge tuition for the 32160  
enrollment of any student who is a resident of this state. A 32161  
community school may charge tuition for the enrollment of any 32162  
student who is not a resident of this state. 32163

(G)(1)(a) A community school may borrow money to pay any 32164  
necessary and actual expenses of the school in anticipation of the 32165  
receipt of any portion of the payments to be received by the 32166  
school pursuant to division (C) of this section. The school may 32167  
issue notes to evidence such borrowing. The proceeds of the notes 32168  
shall be used only for the purposes for which the anticipated 32169

receipts may be lawfully expended by the school. 32170

(b) A school may also borrow money for a term not to exceed 32171  
fifteen years for the purpose of acquiring facilities. 32172

(2) Except for any amount guaranteed under section 3318.50 of 32173  
the Revised Code, the state is not liable for debt incurred by the 32174  
governing authority of a community school. 32175

(H) The department of education shall adjust the amounts 32176  
subtracted and paid under division (C) of this section to reflect 32177  
any enrollment of students in community schools for less than the 32178  
equivalent of a full school year. The state board of education 32179  
within ninety days after April 8, 2003, shall adopt in accordance 32180  
with Chapter 119. of the Revised Code rules governing the payments 32181  
to community schools under this section including initial payments 32182  
in a school year and adjustments and reductions made in subsequent 32183  
periodic payments to community schools and corresponding 32184  
deductions from school district accounts as provided under 32185  
division (C) of this section. For purposes of this section: 32186

(1) A student shall be considered enrolled in the community 32187  
school for any portion of the school year the student is 32188  
participating at a college under Chapter 3365. of the Revised 32189  
Code. 32190

(2) A student shall be considered to be enrolled in a 32191  
community school for the period of time beginning on the later of 32192  
the date on which the school both has received documentation of 32193  
the student's enrollment from a parent and the student has 32194  
commenced participation in learning opportunities as defined in 32195  
the contract with the sponsor, or thirty days prior to the date on 32196  
which the student is entered into the education management 32197  
information system established under section 3301.0714 of the 32198  
Revised Code. For purposes of applying this division and divisions 32199  
(H)(3) and (4) of this section to a community school student, 32200

"learning opportunities" shall be defined in the contract, which 32201  
shall describe both classroom-based and non-classroom-based 32202  
learning opportunities and shall be in compliance with criteria 32203  
and documentation requirements for student participation which 32204  
shall be established by the department. Any student's instruction 32205  
time in non-classroom-based learning opportunities shall be 32206  
certified by an employee of the community school. A student's 32207  
enrollment shall be considered to cease on the date on which any 32208  
of the following occur: 32209

(a) The community school receives documentation from a parent 32210  
terminating enrollment of the student. 32211

(b) The community school is provided documentation of a 32212  
student's enrollment in another public or private school. 32213

(c) The community school ceases to offer learning 32214  
opportunities to the student pursuant to the terms of the contract 32215  
with the sponsor or the operation of any provision of this 32216  
chapter. 32217

Except as otherwise specified in this paragraph, beginning in 32218  
the 2011-2012 school year, any student who completed the prior 32219  
school year in an internet- or computer-based community school 32220  
shall be considered to be enrolled in the same school in the 32221  
subsequent school year until the student's enrollment has ceased 32222  
as specified in division (H)(2) of this section. The department 32223  
shall continue subtracting and paying amounts for the student 32224  
under division (C) of this section without interruption at the 32225  
start of the subsequent school year. However, if the student 32226  
without a legitimate excuse fails to participate in the first 32227  
seventy-two consecutive hours of learning opportunities offered to 32228  
the student in that subsequent school year, the student shall be 32229  
considered not to have re-enrolled in the school for that school 32230  
year and the department shall recalculate the payments to the 32231  
school for that school year to account for the fact that the 32232

student is not enrolled. 32233

(3) The department shall determine each community school 32234  
student's percentage of full-time equivalency based on the 32235  
percentage of learning opportunities offered by the community 32236  
school to that student, reported either as number of hours or 32237  
number of days, is of the total learning opportunities offered by 32238  
the community school to a student who attends for the school's 32239  
entire school year. However, no internet- or computer-based 32240  
community school shall be credited for any time a student spends 32241  
participating in learning opportunities beyond ten hours within 32242  
any period of twenty-four consecutive hours. Whether it reports 32243  
hours or days of learning opportunities, each community school 32244  
shall offer not less than nine hundred twenty hours of learning 32245  
opportunities during the school year. 32246

(4) With respect to the calculation of full-time equivalency 32247  
under division (H)(3) of this section, the department shall waive 32248  
the number of hours or days of learning opportunities not offered 32249  
to a student because the community school was closed during the 32250  
school year due to disease epidemic, hazardous weather conditions, 32251  
law enforcement emergencies, inoperability of school buses or 32252  
other equipment necessary to the school's operation, damage to a 32253  
school building, or other temporary circumstances due to utility 32254  
failure rendering the school building unfit for school use, so 32255  
long as the school was actually open for instruction with students 32256  
in attendance during that school year for not less than the 32257  
minimum number of hours required by this chapter. The department 32258  
shall treat the school as if it were open for instruction with 32259  
students in attendance during the hours or days waived under this 32260  
division. 32261

(I) The department of education shall reduce the amounts paid 32262  
under this section to reflect payments made to colleges under 32263  
section 3365.07 of the Revised Code. 32264

(J)(1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section 3314.22 of the Revised Code, unless both of the following conditions are satisfied:

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A)(23) of section 3314.03 of the Revised Code;

(b) The school is in compliance with division (A) of section 3314.22 of the Revised Code, relative to such student.

(2) In accordance with policies adopted by the superintendent of public instruction, in consultation with the auditor of state, the department shall reduce the amounts otherwise payable under division (C) of this section to any community school that includes in its program the provision of computer hardware and software materials to any student, if such hardware and software materials have not been delivered, installed, and activated for each such student in a timely manner or other educational materials or services have not been provided according to the contract between the individual community school and its sponsor.

The superintendent of public instruction and the auditor of state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

The superintendent, auditor of state, and the governor shall jointly make recommendations to the general assembly for legislative changes that may be required to assure fiscal and

academic accountability for such schools. 32296

(K)(1) If the department determines that a review of a 32297  
community school's enrollment is necessary, such review shall be 32298  
completed and written notice of the findings shall be provided to 32299  
the governing authority of the community school and its sponsor 32300  
within ninety days of the end of the community school's fiscal 32301  
year, unless extended for a period not to exceed thirty additional 32302  
days for one of the following reasons: 32303

(a) The department and the community school mutually agree to 32304  
the extension. 32305

(b) Delays in data submission caused by either a community 32306  
school or its sponsor. 32307

(2) If the review results in a finding that additional 32308  
funding is owed to the school, such payment shall be made within 32309  
thirty days of the written notice. If the review results in a 32310  
finding that the community school owes moneys to the state, the 32311  
following procedure shall apply: 32312

(a) Within ten business days of the receipt of the notice of 32313  
findings, the community school may appeal the department's 32314  
determination to the state board of education or its designee. 32315

(b) The board or its designee shall conduct an informal 32316  
hearing on the matter within thirty days of receipt of such an 32317  
appeal and shall issue a decision within fifteen days of the 32318  
conclusion of the hearing. 32319

(c) If the board has enlisted a designee to conduct the 32320  
hearing, the designee shall certify its decision to the board. The 32321  
board may accept the decision of the designee or may reject the 32322  
decision of the designee and issue its own decision on the matter. 32323

(d) Any decision made by the board under this division is 32324  
final. 32325

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for any of the following:

The superintendent may grant a waiver only for good cause in accordance with rules adopted by the state board of education.

(4) Any student who has attained the age of twenty-two years, except for veterans of the armed services whose attendance was interrupted before completing the recognized twelve-year course of the public schools by reason of induction or enlistment in the armed forces and who apply for enrollment in a community school not later than four years after termination of war or their honorable discharge. If, however, any such veteran elects to enroll in special courses organized for veterans for whom tuition is paid under federal law, or otherwise, the department shall not

subtract from a school district's state aid account and shall not 32357  
pay to a community school under division (C) of this section any 32358

(a) The district is either of the following: 34953

(i) A district that resulted from one of the following that 34954  
became effective between July 1, 2013, and June 30, 2018: 34955

~~(i)~~(I) A transfer of all of the territory of one school 34956

(2) "Basic project cost" and "required percentage of the 34975

basic project cost" have the same meanings as in section 3318.01 34976  
of the Revised Code. 34977

(B) Notwithstanding anything to the contrary in this chapter: 34978

(1) If the commission determines that a district is an 34979  
eligible school district, the commission shall give that district 34980  
first priority for funding for a project under sections 3318.01 to 34981  
3318.20 of the Revised Code as such funds become available, 34982  
regardless of the district's percentile rank under section 34983  
3318.011 of the Revised Code. If the district results from a 34984  
transfer, merger, consolidation, or creation of a new local 34985  
district that takes effect prior to April 6, 2017, the district's 34986  
portion of the basic project cost shall be the required percentage 34987  
of the basic project cost based on the percentile ranking of the 34988  
district that was transferred, merged, consolidated, or existed 34989  
prior to the creation of the new district that has the lowest 34990  
three-year average adjusted valuation per pupil, as calculated 34991  
under section 3318.011 of the Revised Code, on the date that the 34992  
transfer, merger, consolidation, or creation of the new district 34993  
became effective. 34994

(2) If an eligible school district is given priority under 34995  
division (B)(1) of this section, the commission may reduce that 34996  
district's portion of the basic project cost by twenty-five 34997  
percentage points from the portion determined under section 34998  
3318.032 of the Revised Code or, if the district results from a 34999  
transfer, merger, consolidation, or creation of a new local 35000  
district that takes effect prior to April 6, 2017, from the 35001  
portion determined under division (B)(1) of this section. At no 35002  
time, however, shall that district's portion of the basic project 35003  
cost be less than five per cent. 35004

(3) If an eligible school district is given priority under 35005  
division (B)(1) of this section, the commission may reduce that 35006  
district's portion of the basic project cost by ten percentage 35007

points from the portion determined under section 3318.032 of the Revised Code or, if the district results from a transfer, merger, consolidation, or creation of a new local district that takes effect prior to April 6, 2017, from the portion determined under division (B)(1) of this section, if the district's project satisfies the following conditions:

(a) The project involves construction of a building on land owned by a state institution of higher education, as that term is defined in section 3345.011 of the Revised Code, or on land originally owned by a state community college, as that term is defined in section 3358.01 of the Revised Code, with the intention of collaboratively working with the state community college on workforce development programs and curriculum, and the commission approves the project.

(b) The district and the state institution of higher education enter into a written agreement regarding the continued use of the institution's land by the district, and the commission approves the agreement. Division (B)(3)(b) of this section does not apply to a district that satisfies the condition described in division (A)(1)(a)(ii) of this section.

(c) On the date that the district and the state institution of higher education enter into the written agreement described in division (B)(3)(b) of this section, the state institution of higher education is participating in the college credit plus program established under Chapter 3365. of the Revised Code. Division (B)(3)(c) of this section does not apply to a district that satisfies the condition described in division (A)(1)(a)(ii) of this section.

At no time, however, shall that district's portion of the basic project cost be less than five per cent.

The reduction of the district's portion of the basic project

cost described in division (B)(3) of this section may be in 35039  
addition to a reduction of the district's portion of the basic 35040  
project cost under division (B)(2) of this section. 35041

(C) Except as provided in division (B) of this section, a 35042  
district's project undertaken pursuant to this section shall be 35043  
subject to all other requirements in sections 3318.01 to 3318.20 35044  
of the Revised Code. 35045

Sec. 3318.037. (A) For purposes of this section: 35046

(1) "Basic project cost," "percentile," and "school 35047  
district's portion of the basic project cost" have the same 35048  
meanings as in section 3318.01 of the Revised Code. 35049

(2) "Eligible school district" is a city, local, or exempted 35050  
village school district that satisfies all of the following 35051  
conditions: 35052

(a) The district intends to build new classroom facilities on 35053  
land originally owned by a state community college, as that term 35054  
is defined in section 3358.01 of the Revised Code, with the 35055  
intention of collaboratively working with the state community 35056  
college on workforce development programs and curriculum. 35057

(b) The district has previously participated in the school 35058  
building assistance expedited local partnership program 35059  
established under section 3318.36 of the Revised Code but did not 35060  
construct any new facilities as part of that program. 35061

(c) The district reapplies for the expedited local 35062  
partnership program between January 1, 2019, and July 1, 2020. 35063

(B) Notwithstanding anything to the contrary in this chapter, 35064  
if an eligible school district reapplies for the expedited local 35065  
partnership program between January 1, 2019, and July 1, 2020, and 35066  
subsequently enters into a new agreement for that program, both of 35067  
the following shall occur: 35068

(1) The district shall retain its percentile ranking that was 35069  
determined at the time the district entered into its initial 35070  
agreement under the expedited local partnership program. 35071

(2) The Ohio facilities construction commission shall give 35072  
that district first priority for funding for a project under 35073  
sections 3318.01 to 3318.20 of the Revised Code as such funds 35074  
become available, regardless of the district's percentile rank 35075  
under section 3318.011 of the Revised Code, and the district's 35076  
portion of the basic project cost under sections 3318.01 to 35077  
3318.20 of the Revised Code shall be the same percentage of the 35078  
basic project cost as under its initial agreement under the 35079  
expedited local partnership program. 35080

**Sec. 3318.05.** The conditional approval of the Ohio facilities 35081  
construction commission for a project shall lapse and the amount 35082  
reserved and encumbered for such project shall be released unless 35083  
the school district board accepts such conditional approval within 35084  
one hundred twenty days following the date of certification of the 35085  
conditional approval to the school district board and the electors 35086  
of the school district vote favorably on both of the propositions 35087  
described in divisions (A) and (B) of this section within thirteen 35088  
months of the date of such certification, except that a school 35089  
district described in division (C) of this section does not need 35090  
to submit the proposition described in division (B) of this 35091  
section. The propositions described in divisions (A) and (B) of 35092  
this section shall be combined in a single proposal. If the 35093  
district board or the district's electors fail to meet such 35094  
requirements and the amount reserved and encumbered for the 35095  
district's project is released, the district shall be given first 35096  
priority for project funding as such funds become available, 35097  
subject to section 3318.054 of the Revised Code. 35098  
35099

(A) On the question of issuing bonds of the school district board, for the school district's portion of the basic project cost, in an amount equal to the school district's portion of the basic project cost less the amount of the proceeds of any securities authorized or to be authorized under division (J) of section 133.06 of the Revised Code and dedicated by the school district board to payment of the district's portion of the basic project cost; and

(B) On the question of levying a tax the proceeds of which shall be used to pay the cost of maintaining or upgrading the classroom facilities included in the project. Such tax shall be at the rate of not less than one-half mill for each dollar of valuation for a period of twenty-three years, subject to any extension approved under section 3318.061 of the Revised Code.

(C) If a school district has in place a tax levied under section 5705.21 of the Revised Code for general permanent improvements for a continuing period of time and the proceeds of such tax can be used for maintenance or upgrades, or if a district agrees to the transfers described in section 3318.051 of the Revised Code, the school district need not levy the additional tax required under division (B) of this section, provided the school district board includes in the agreement entered into under section 3318.08 of the Revised Code provisions either:

(1) Earmarking an amount from the proceeds of that permanent improvement tax for maintenance or upgrades of classroom facilities equivalent to the amount of the additional tax and for the equivalent number of years otherwise required under this section;

(2) Requiring the transfer of money in accordance with section 3318.051 of the Revised Code.

The district board subsequently may rescind the agreement to

make the transfers under section 3318.051 of the Revised Code only 35131  
so long as the electors of the district have approved, in 35132  
accordance with section 3318.063 of the Revised Code, the levy of 35133  
a tax for the maintenance or upgrades of the classroom facilities 35134  
acquired under the district's project and that levy continues to 35135  
be collected as approved by the electors. 35136

(D) Proceeds of the tax to be used for maintenance or upgrade 35137  
of the classroom facilities under either division (B) or (C)(1) of 35138  
this section, and transfers of money in accordance with section 35139  
3318.051 of the Revised Code shall be deposited into a separate 35140  
fund established by the school district for such purpose. 35141

(E) Proceeds of the tax to be used for maintenance or 35142  
upgrades of the classroom facilities under either division (B) or 35143  
(C)(1) of this section shall not be used to upgrade classroom 35144  
facilities, unless the district board submits to the Ohio 35145  
facilities construction commission a proposal regarding the use of 35146  
those proceeds for upgrades and the commission approves the 35147  
proposal. 35148

**Sec. 3318.051.** (A) Any city, exempted village, or local 35149  
school district that commences a project under sections 3318.01 to 35150  
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 35151  
after September 5, 2006, need not levy the tax otherwise required 35152  
under division (B) of section 3318.05 of the Revised Code, if the 35153  
district board of education adopts a resolution petitioning the 35154  
Ohio facilities construction commission to approve the transfer of 35155  
money in accordance with this section and the commission approves 35156  
that transfer. If so approved, the commission and the district 35157  
board shall enter into an agreement under which the board, in each 35158  
of twenty-three consecutive years beginning in the year in which 35159  
the board and the commission enter into the project agreement 35160  
under section 3318.08 of the Revised Code, shall transfer into the 35161

maintenance fund required by division (D) of section 3318.05 of 35162  
the Revised Code not less than an amount equal to one-half mill 35163  
for each dollar of the district's valuation unless and until the 35164  
agreement to make those transfers is rescinded by the district 35165  
board pursuant to division (F) of this section. 35166

(B) On the first day of July each year, or on an alternative 35167  
date prescribed by the commission, the district treasurer shall 35168  
certify to the commission and the auditor of state that the amount 35169  
required for the year has been transferred. The auditor of state 35170  
shall include verification of the transfer as part of any audit of 35171  
the district under section 117.11 of the Revised Code. If the 35172  
auditor of state finds that less than the required amount has been 35173  
deposited into a district's maintenance fund, the auditor of state 35174  
shall notify the district board of education in writing of that 35175  
fact and require the board to deposit into the fund, within ninety 35176  
days after the date of the notice, the amount by which the fund is 35177  
deficient for the year. If the district board fails to demonstrate 35178  
to the auditor of state's satisfaction that the board has made the 35179  
deposit required in the notice, the auditor of state shall notify 35180  
the department of education. At that time, the department shall 35181  
withhold an amount equal to ten per cent of the district's funds 35182  
calculated for the current fiscal year under Chapter 3317. of the 35183  
Revised Code until the auditor of state notifies the department 35184  
that the auditor of state is satisfied that the board has made the 35185  
required transfer. 35186

(C) Money transferred to the maintenance fund shall be used 35187  
for the maintenance or, upon approval of the Ohio facilities 35188  
construction commission, upgrade of the facilities acquired under 35189  
the district's project. 35190

(D) The transfers to the maintenance fund under this section 35191  
does not affect a district's obligation to establish and maintain 35192  
a capital and maintenance fund under section 3315.18 of the 35193

Revised Code. 35194

(E) Any decision by the commission to approve or not approve 35195  
the transfer of money under this section is final and not subject 35196  
to appeal. The commission shall not be responsible for errors or 35197  
miscalculations made in deciding whether to approve a petition to 35198  
make transfers under this section. 35199

(F) If the district board determines that it no longer can 35200  
continue making the transfers agreed to under this section, the 35201  
board may rescind the agreement only so long as the electors of 35202  
the district have approved, in accordance with section 3318.063 of 35203  
the Revised Code, the levy of a tax for the maintenance of the 35204  
classroom facilities acquired under the district's project and 35205  
that levy continues to be collected as approved by the electors. 35206  
That levy shall be for a number of years that is equal to the 35207  
difference between twenty-three years and the number of years that 35208  
the district made transfers under this section and shall be at the 35209  
rate of not less than one-half mill for each dollar of the 35210  
district's valuation. The district board shall continue to make 35211  
the transfers agreed to under this section until that levy has 35212  
been approved by the electors. 35213

**Sec. 3318.06.** (A) After receipt of the conditional approval 35214  
of the Ohio facilities construction commission, the school 35215  
district board by a majority of all of its members shall, if it 35216

that the proceeds of the tax shall be used to pay the cost of 35298  
maintaining or upgrading the classroom facilities included in the 35299  
project. 35300

If the bonds are to be issued in more than one series, the 35301  
board of education, when filing copies of the resolution with the 35302

Where it is necessary to combine the question of issuing 35392  
bonds of the school district and levying a tax as described in 35393  
division (B) of this section with the question of issuing bonds of 35394  
the school district for acquisition of a site, the question 35395  
specified in that division to be voted on shall be "For the Bond 35396

3318.056 of the Revised Code, the question specified in division 35408  
(B) of this section to be voted on shall be "For the Bond Issues 35409  
and the Tax Levies" and "Against the Bond Issues and the Tax 35410  
Levies." 35411

If a majority of those voting upon a proposition hereunder 35412  
which includes the question of issuing bonds vote in favor 35413  
thereof, and if the agreement provided for by section 3318.08 of 35414

the Revised Code has been entered into, the school district board 35415

section 3318.06 of the Revised Code is in effect, may adopt a 35424  
resolution by vote of a majority of its members to extend the term 35425  
of that tax beyond the expiration of that tax as originally 35426  
approved under that section. The school district board may include 35427  
in the resolution a proposal to extend the term of that tax at the 35428  
rate of not less than one-half mill for each dollar of valuation 35429  
for a period of twenty-three years from the year in which the 35430

any time before such an agreement is entered into and before the 35435  
tax levied pursuant to section 3318.06 of the Revised Code 35436  
expires. If the resolution is combined with a resolution to issue 35437  
bonds to pay the school district's portion of the basic project 35438  
cost, it shall conform with the requirements of divisions (A)(1), 35439

section does not take effect until it is approved by a majority of 35444  
electors voting in favor of the resolution at a general, primary, 35445

A tax levy extended under this section is subject to the same 35447  
terms and limitations to which the original tax levied under 35448  
section 3318.06 of the Revised Code is subject under that section, 35449  
except the term of the extension shall be as specified in this 35450  
section. 35451

The school district board shall certify a copy of the 35452  
resolution adopted under this section to the proper county board 35453  
of elections not later than ninety days before the date set in the 35454  
resolution as the date of the election at which the question will 35455  
be submitted to electors. The notice of the election shall conform 35456  
with the requirements of division (A)(3) of section 3318.06 of the 35457  
Revised Code, except that the notice also shall state that the 35458  
maintenance tax levy is an extension of an existing tax levy. 35459

The form of the ballot shall be as follows: 35460

"Shall the existing tax levied to pay the cost of maintaining 35461

the day of the adoption of the resolution and which shall be in 35560  
accordance with the requirements of section 3501.01 of the Revised 35561  
Code. Such resolution shall specify both of the following: 35562

(A) That the rate which it is necessary to levy shall be at 35563

the same meanings as in section 3318.01 of the Revised Code. 35600

(b) "Required level of indebtedness" means five per cent of the school district's valuation for the year preceding the year in which the commission and school district enter into an agreement under division (B) of this section, plus [two one-hundredths of one per cent multiplied by (the percentile in which the district ranks minus one)].

(c) "Local resources" means any moneys generated in any manner permitted for a school district board to raise the school district portion of a project undertaken with assistance under sections 3318.01 to 3318.20 of the Revised Code.

(2) For purposes of determining the required level of indebtedness, the required percentage of the basic project costs under division (C)(1) of this section, and priority for assistance under sections 3318.01 to 3318.20 of the Revised Code, the percentile ranking of a school district with which the commission has entered into an agreement under this section between the first day of July and the thirty-first day of August in each fiscal year is the percentile ranking calculated for that district for the immediately preceding fiscal year, and the percentile ranking of a school district with which the commission has entered into such agreement between the first day of September and the thirtieth day of June in each fiscal year is the percentile ranking calculated for that district for the current fiscal year.

(B)(1) There is hereby established the school building assistance expedited local partnership program. Under the program, the Ohio facilities construction commission may enter into an agreement with the board of any school district under which the board may proceed with the new construction or major repairs of a part of the district's classroom facilities needs, as determined under sections 3318.01 to 3318.20 of the Revised Code, through the expenditure of local resources prior to the school district's eligibility for state assistance under those sections, and may

apply that expenditure toward meeting the school district's 35633  
portion of the basic project cost of the total of the district's 35634  
classroom facilities needs, as recalculated under division (E) of 35635  
this section, when the district becomes eligible for state 35636  
assistance under sections 3318.01 to 3318.20 or section 3318.364 35637  
of the Revised Code. ~~Any~~ 35638

Any school district that is reasonably expected to receive 35639  
assistance under sections 3318.01 to 3318.20 of the Revised Code 35640  
within two fiscal years from the date the school district adopts 35641  
its resolution under division (B) of this section shall not be 35642  
eligible to participate in the program established under this 35643  
section unless that school district divides its project under 35644  
those sections into segments as authorized by section 3318.034 of 35645  
the Revised Code. In the case of a school district that has 35646  
segmented its project as authorized in section 3318.034 of the 35647  
Revised Code, the district shall select a discrete portion of one 35648  
or more future segments of its project, to which the district may 35649  
apply local resources under an agreement under this section prior 35650  
to further state assistance for those future segments under 35651  
sections 3318.01 to 3318.20 of the Revised Code. 35652

(2) To participate in the program, a school district board 35653  
shall first adopt a resolution certifying to the commission the 35654  
board's intent to participate in the program. 35655

The resolution shall specify the approximate date that the 35656  
board intends to seek elector approval of any bond or tax measures 35657  
or to apply other local resources to use to pay the cost of 35658  
classroom facilities to be constructed under this section. The 35659  
resolution may specify the application of local resources or 35660  
elector-approved bond or tax measures after the resolution is 35661  
adopted by the board, and in such case the board may proceed with 35662  
a discrete portion of its project under this section as soon as 35663  
the commission and the controlling board have approved the basic 35664

project cost of the district's classroom facilities needs as 35665  
specified in division (D) of this section. The board shall submit 35666  
its resolution to the commission not later than ten days after the 35667  
date the resolution is adopted by the board. 35668

The commission shall not consider any resolution that is 35669  
submitted pursuant to division (B)(2) of this section, as amended 35670  
by this amendment, sooner than September 14, 2000. 35671

(3) For purposes of determining when a district that enters 35672  
into an agreement under this section becomes eligible for 35673  
assistance under sections 3318.01 to 3318.20 of the Revised Code 35674  
or priority for assistance under section 3318.364 of the Revised 35675  
Code, the commission shall use the district's percentile ranking 35676  
determined at the time the district entered into the agreement 35677  
under this section, as prescribed by division (A)(2) of this 35678  
section. 35679

(4) Any project under this section shall comply with section 35680  
3318.03 of the Revised Code and with any specifications for plans 35681  
and materials for classroom facilities adopted by the commission 35682  
under section 3318.04 of the Revised Code. 35683

(5) If a school district that enters into an agreement under 35684  
this section has not begun a project applying local resources as 35685  
provided for under that agreement at the time the district is 35686  
notified by the commission that it is eligible to receive state 35687  
assistance for its project under sections 3318.01 to 3318.20 of 35688  
the Revised Code or for a segment of its project, if the district 35689  
previously segmented its project as authorized in section 3318.034 35690  
of the Revised Code, all assessment and agreement documents 35691  
entered into under this section are void. 35692

(6) Only construction of or repairs to classroom facilities 35693  
that have been approved by the commission and have been therefore 35694  
included as part of a district's basic project cost qualify for 35695

application of local resources under this section. 35696

(C) Based on the results of on-site visits and assessment, 35697  
the commission shall determine the basic project cost of the 35698  
school district's classroom facilities needs. The commission shall 35699  
determine the school district's portion of such basic project 35700  
cost, which shall be the greater of: 35701

(1) The required percentage of the basic project costs, 35702  
determined based on the school district's percentile ranking; 35703

(2) An amount necessary to raise the school district's net 35704  
bonded indebtedness, as of the fiscal year the commission and the 35705  
school district enter into the agreement under division (B) of 35706  
this section, to within five thousand dollars of the required 35707  
level of indebtedness. 35708

(D)(1) When the commission determines the basic project cost 35709  
of the classroom facilities needs of a school district and the 35710  
school district's portion of that basic project cost under 35711  
division (C) of this section, the project shall be conditionally 35712  
approved. Such conditional approval shall be submitted to the 35713  
controlling board for approval thereof. The controlling board 35714  
shall forthwith approve or reject the commission's determination, 35715  
conditional approval, and the amount of the state's portion of the 35716  
basic project cost; however, no state funds shall be encumbered 35717  
under this section. Upon approval by the controlling board, the 35718  
school district board may identify a discrete part of its 35719  
classroom facilities needs, which shall include only new 35720  
construction of or additions or major repairs to a particular 35721  
building, to address with local resources. Upon identifying a part 35722  
of the school district's basic project cost to address with local 35723  
resources, the school district board may allocate any available 35724  
school district moneys to pay the cost of that identified part, 35725  
including the proceeds of an issuance of bonds if approved by the 35726  
electors of the school district. 35727

All local resources utilized under this division shall first 35728  
be deposited in the project construction account required under 35729  
section 3318.08 of the Revised Code. 35730

(2) Unless the school district board exercises its option 35731  
under division (D)(3) of this section, for a school district to 35732  
qualify for participation in the program authorized under this 35733  
section, one of the following conditions shall be satisfied: 35734

(a) The electors of the school district by a majority vote 35735  
shall approve the levy of taxes outside the ten-mill limitation 35736  
for a period of twenty-three years at the rate of not less than 35737  
one-half mill for each dollar of valuation to be used to pay the 35738  
cost of maintaining or upgrading, if approved by the commission, 35739  
the classroom facilities included in the basic project cost as 35740  
determined by the commission. The form of the ballot to be used to 35741  
submit the question whether to approve the tax required under this 35742  
division to the electors of the school district shall be the form 35743  
for an additional levy of taxes prescribed in section 3318.361 of 35744  
the Revised Code, which may be combined in a single ballot 35745  
question with the questions prescribed under section 5705.218 of 35746  
the Revised Code. 35747

(b) As authorized under division (C) of section 3318.05 of 35748  
the Revised Code, the school district board shall earmark from the 35749  
proceeds of a permanent improvement tax levied under section 35750  
5705.21 of the Revised Code, an amount equivalent to the 35751  
additional tax otherwise required under division (D)(2)(a) of this 35752  
section for the maintenance of the classroom facilities included 35753  
in the basic project cost as determined by the commission. 35754

(c) As authorized under section 3318.051 of the Revised Code, 35755  
the school district board shall, if approved by the commission, 35756  
annually transfer into the maintenance fund required under section 35757  
3318.05 of the Revised Code the amount prescribed in section 35758  
3318.051 of the Revised Code in lieu of the tax otherwise required 35759

under division (D)(2)(a) of this section for the maintenance of 35760  
the classroom facilities included in the basic project cost as 35761  
determined by the commission. 35762

(d) If the school district board has rescinded the agreement 35763  
to make transfers under section 3318.051 of the Revised Code, as 35764  
provided under division (F) of that section, the electors of the 35765  
school district, in accordance with section 3318.063 of the 35766  
Revised Code, first shall approve the levy of taxes outside the 35767  
ten-mill limitation for the period specified in that section at a 35768  
rate of not less than one-half mill for each dollar of valuation. 35769

(e) The school district board shall apply the proceeds of a 35770  
tax to leverage bonds as authorized under section 3318.052 of the 35771  
Revised Code or dedicate a local donated contribution in the 35772  
manner described in division (B) of section 3318.084 of the 35773  
Revised Code in an amount equivalent to the additional tax 35774  
otherwise required under division (D)(2)(a) of this section for 35775  
the maintenance of the classroom facilities included in the basic 35776  
project cost as determined by the commission. 35777

(3) A school district board may opt to delay taking any of 35778  
the actions described in division (D)(2) of this section until the 35779  
school district becomes eligible for state assistance under 35780  
sections 3318.01 to 3318.20 of the Revised Code. In order to 35781  
exercise this option, the board shall certify to the commission a 35782  
resolution indicating the board's intent to do so prior to 35783  
entering into an agreement under division (B) of this section. 35784

(4) If pursuant to division (D)(3) of this section a district 35785  
board opts to delay levying an additional tax until the district 35786  
becomes eligible for state assistance, it shall submit the 35787  
question of levying that tax to the district electors as follows: 35788

(a) In accordance with section 3318.06 of the Revised Code if 35789  
it will also be necessary pursuant to division (E) of this section 35790

to submit a proposal for approval of a bond issue; 35791

(b) In accordance with section 3318.361 of the Revised Code 35792  
if it is not necessary to also submit a proposal for approval of a 35793  
bond issue pursuant to division (E) of this section. 35794

(5) No state assistance under sections 3318.01 to 3318.20 of 35795  
the Revised Code shall be released until a school district board 35796  
that adopts and certifies a resolution under division (D) of this 35797  
section also demonstrates to the satisfaction of the commission 35798  
compliance with the provisions of division (D)(2) of this section. 35799

Any amount required for maintenance under division (D)(2) of 35800  
this section shall be deposited into a separate fund as specified 35801  
in division (B) of section 3318.05 of the Revised Code. 35802

(E)(1) If the school district becomes eligible for state 35803  
assistance under sections 3318.01 to 3318.20 of the Revised Code 35804  
for its entire project or for future segments, if the district 35805  
previously segmented its project as authorized in section 3318.034 35806  
of the Revised Code, based on its percentile ranking under 35807  
division (B)(3) of this section or is offered assistance under 35808  
section 3318.364 of the Revised Code, the commission shall conduct 35809  
a new assessment of the school district's classroom facilities 35810  
needs and shall recalculate the basic project cost based on this 35811  
new assessment. The basic project cost recalculated under this 35812  
division shall include the amount of expenditures made by the 35813  
school district board under division (D)(1) of this section. The 35814  
commission shall then recalculate the school district's portion of 35815  
the new basic project cost, which shall be the percentage of the 35816  
original basic project cost assigned to the school district as its 35817  
portion under division (C) of this section. The commission shall 35818  
deduct the expenditure of school district moneys made under 35819  
division (D)(1) of this section from the school district's portion 35820  
of the basic project cost as recalculated under this division. If 35821  
the amount of school district resources applied by the school 35822

district board to the school district's portion of the basic 35823  
project cost under this section is less than the total amount of 35824  
such portion as recalculated under this division, the school 35825  
district board by a majority vote of all of its members shall, if 35826  
it desires to seek state assistance under sections 3318.01 to 35827  
3318.20 of the Revised Code, adopt a resolution as specified in 35828  
section 3318.06 of the Revised Code to submit to the electors of 35829  
the school district the question of approval of a bond issue in 35830  
order to pay any additional amount of school district portion 35831  
required for state assistance. Any tax levy approved under 35832  
division (D) of this section satisfies the requirements to levy 35833  
the additional tax under section 3318.06 of the Revised Code. 35834

(2) If the amount of school district resources applied by the 35835  
school district board to the school district's portion of the 35836  
basic project cost under this section is more than the total 35837  
amount of such portion as recalculated under this division, within 35838  
one year after the school district's portion is recalculated under 35839  
division (E)(1) of this section the commission may grant to the 35840  
school district the difference between the two calculated 35841  
portions, but at no time shall the commission expend any state 35842  
funds on a project in an amount greater than the state's portion 35843  
of the basic project cost as recalculated under this division. 35844

Any reimbursement under this division shall be only for local 35845  
resources the school district has applied toward construction cost 35846  
expenditures for the classroom facilities approved by the 35847  
commission, which shall not include any financing costs associated 35848  
with that construction. 35849

The school district board shall use any moneys reimbursed to 35850  
the district under this division to pay off any debt service the 35851  
district owes for classroom facilities constructed under its 35852  
project under this section before such moneys are applied to any 35853  
other purpose. However, the district board first may deposit 35854

moneys reimbursed under this division into the district's general 35855  
fund or a permanent improvement fund to replace local resources 35856  
the district withdrew from those funds, as long as, and to the 35857  
extent that, those local resources were used by the district for 35858  
constructing classroom facilities included in the district's basic 35859  
project cost. 35860

**Sec. 3318.361.** A school district board opting to qualify for 35861  
state assistance pursuant to section 3318.36 of the Revised Code 35862  
through levying the tax specified in division (D)(2)(a) or (D)(4) 35863  
of that section shall declare by resolution that the question of a 35864  
tax levy specified in division (D)(2)(a) or (4), as applicable, of 35865  
section 3318.36 of the Revised Code shall be submitted to the 35866  
electors of the school district at the next general or primary 35867  
election, if there be a general or primary election not less than 35868  
ninety and not more than one hundred ten days after the day of the 35869  
adoption of such resolution or, if not, at a special election to 35870  
be held at a time specified in the resolution which shall be not 35871  
less than ninety days after the day of the adoption of the 35872  
resolution and which shall be in accordance with the requirements 35873  
of section 3501.01 of the Revised Code. Such resolution shall 35874  
specify both of the following: 35875

(A) That the rate which it is necessary to levy shall be at 35876  
the rate of not less than one-half mill for each one dollar of 35877  
valuation, and that such tax shall be levied for a period of 35878  
twenty-three years; 35879

(B) That the proceeds of the tax shall be used to pay the 35880  
cost of maintaining the classroom facilities included in the 35881  
project or upgrading those facilities if approved by the Ohio 35882  
facilities construction commission. 35883

A copy of such resolution shall after its passage and not 35884  
less than ninety days prior to the date set therein for the 35885

election be certified to the county board of elections. 35886

Notice of the election shall include the fact that the tax 35887  
levy shall be at the rate of not less than one-half mill for each 35888  
one dollar of valuation for a period of twenty-three years, and 35889  
that the proceeds of the tax shall be used to pay the cost of 35890  
maintaining or upgrading the classroom facilities included in the 35891  
project. 35892

The form of the ballot to be used at such election shall be: 35893

"Shall a levy of taxes be made for a period of twenty-three 35894  
years to benefit the ..... (here insert name of school 35895  
district) school district, the proceeds of which shall be used to 35896  
pay the cost of maintaining (or upgrading if approved by the Ohio 35897  
facilities construction commission) the classroom facilities 35898  
included in the project at the rate of ..... (here insert the 35899  
number of mills, which shall not be less than one-half mill) mills 35900  
for each one dollar of valuation? 35901

	FOR THE TAX LEVY

35905

**Sec. 3319.26.** (A) The state board of education shall adopt 35906

for four years and shall be renewable for reasons specified by 35943  
rules adopted by the state board pursuant to division (A) of this 35944  
section. The state board, on a case-by-case basis, may extend the 35945

complete the Ohio teacher residency program established under 35947  
section 3319.223 of the Revised Code. 35948

the assignment of a student to an absence intervention team, the 36101  
team shall develop an intervention plan for that student in an 36102  
effort to reduce or eliminate further absences. Each intervention 36103

an alternative to adjudication under division (C)(2)(b) of section 36109

development of the plan, the school district or school shall make 36111  
reasonable efforts to provide the student's parent, guardian, 36112  
custodian, guardian ad litem, or temporary custodian with written 36113  
notice of the plan. 36114

(b) As part of the absence intervention plan described in 36115  
division (C)(2) of this section, the school district or school, in 36116  
its discretion, may contact the appropriate juvenile court and ask 36117  
to have a student informally enrolled in any alternative to 36118  
adjudication described in division (G) of section 2151.27 of the 36119  
Revised Code. If the school district or school chooses to have 36120  
students informally enrolled in an alternative to adjudication, 36121  
the school district or school shall develop a written policy 36122  
regarding the use of, and selection process for, offering 36123  
alternatives to adjudication to ensure fairness. 36124

(c) The superintendent of each school district, or the 36125  
superintendent's designee, shall establish an absence intervention 36126  
team for the district to be used by any schools of the district 36127  
that do not establish their own absence intervention team as 36128  
permitted under division (C)(2)(d) of this section. Membership of 36129  
each absence intervention team may vary based on the needs of each 36130

individual student but shall include a representative from the 36131  
child's school district or school, another representative from the 36132  
child's school district or school who knows the child, and the 36133  
child's parent or parent's designee, or the child's guardian, 36134  
custodian, guardian ad litem, or temporary custodian. The team 36135  
also may include a school psychologist, counselor, social worker, 36136  
or representative of a public or nonprofit agency designed to 36137  
assist students and their families in reducing absences. 36138

(d) The principal or chief administrator of each school may 36139  
establish an absence intervention team or series of teams to be 36140  
used in lieu of the district team established pursuant to division 36141  
(C)(2)(c) of this section. Membership of each absence intervention 36142  
team may vary based on the needs of each individual student but 36143  
shall include a representative from the child's school district or 36144  
school, another representative from the child's school district or 36145  
school who knows the child, and the child's parent or parent's 36146  
designee, or the child's guardian, custodian, guardian ad litem, 36147  
or temporary custodian. The team also may include a school 36148  
psychologist, counselor, social worker, or representative of a 36149  
public or nonprofit agency designed to assist students and their 36150  
families in reducing absences. 36151

(e) A superintendent, as described in division (C)(2)(c) of 36152  
this section, or principal or chief administrator, as described in 36153  
division (C)(2)(d) of this section, shall select the members of an 36154  
absence intervention team within seven school days of the 36155  
triggering event described in division (C)(2)(a) of this section. 36156  
The superintendent, principal, or chief administrator, within the 36157  
same period of seven school days, shall make at least three 36158  
meaningful, good faith attempts to secure the participation of the 36159  
student's parent, guardian, custodian, guardian ad litem, or 36160  
temporary custodian on that team. If the student's parent responds 36161  
to any of those attempts, but is unable to participate for any 36162

reason, the representative of the school district shall inform the parent of the parent's right to appear by designee. If seven school days elapse and the student's parent, guardian, custodian, guardian ad litem, or temporary custodian fails to respond to the attempts to secure participation, the school district or school shall do both of the following:

(i) Investigate whether the failure to respond triggers mandatory reporting to the public children services agency for the county in which the child resides in the manner described in section 2151.421 of the Revised Code;

(ii) Instruct the absence intervention team to develop an intervention plan for the child notwithstanding the absence of the child's parent, guardian, custodian, guardian ad litem, or temporary custodian.

(f) In the event that a student becomes habitually truant within twenty-one school days prior to the last day of instruction of a school year, the school district or school may, in its discretion, assign one school official to work with the child's parent, guardian, custodian, guardian ad litem, or temporary custodian to develop an absence intervention plan during the summer. If the school district or school selects this method, the plan shall be implemented not later than seven days prior to the first day of instruction of the next school year. In the alternative, the school district or school may toll the time periods to accommodate for the summer months and reconvene the absence intervention process upon the first day of instruction of the next school year.

(3) For purposes of divisions (C)(2)(c) and (d) of this section, the state board of education shall develop a format for parental permission to ensure compliance with the "Family Educational Rights and Privacy Act of 1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended, and any regulations promulgated under

that act, and section 3319.321 of the Revised Code.	36195
(D) Each school district or school may consult or partner	36196
with public and nonprofit agencies to provide assistance as	36197
appropriate to students and their families in reducing absences.	36198
(E) Beginning with the 2017-2018 school year, each school	36199
district shall report to the department of education, as soon as	36200
practicable, and in a format and manner determined by the	36201
department, any of the following occurrences:	36202
(1) When a notice required by division (C)(1) of this section	36203
is submitted to a parent, guardian, or custodian;	36204
(2) When a child of compulsory school age has been absent	36205
without legitimate excuse from the public school the child is	36206
supposed to attend for thirty or more consecutive hours, forty-two	36207
or more hours in one school month, or seventy-two or more hours in	36208
a school year;	36209
(3) When a child of compulsory school age who has been	36210
adjudicated an unruly child for being an habitual truant violates	36211
the court order regarding that adjudication;	36212
(4) When an absence intervention plan has been implemented	36213
for a child under this section.	36214
(F) Nothing in this section shall be construed to limit the	36215
duty or authority of a district board of education or governing	36216
body of an educational service center to develop other policies	36217
related to truancy or to limit the duty or authority of any	36218
employee of the school district or service center to respond to	36219
pupil truancy. However, a board shall be subject to the	36220
prohibition against suspending, expelling, or otherwise preventing	36221
a student from attending school for excessive absences as	36222
prescribed by section 3313.668 of the Revised Code.	36223

agent the lesser of the amount due for bond service charges or the 37100  
amount of the next periodic distribution scheduled to be made to 37101  
the district or to the college in respect of its allocated state 37102  
share of instruction. If this amount is insufficient to pay the 37103  
total amount then due the agent for the payment of bond service 37104

charges, the chancellor shall continue to pay to the agent from 37105  
each periodic distribution thereafter, and until the full amount 37106  
due the agent for unpaid bond service charges is paid in full, the 37107  
lesser of the remaining amount due the agent for bond service 37108  
charges or the amount of the next periodic distribution scheduled 37109  
to be made to the district or college in respect of its allocated 37110  
state share of instruction. 37111

(E) The chancellor may make any payments under this section 37112  
by direct deposit of funds by electronic transfer. 37113

Any amount received by a paying agent or fiscal agent under 37114  
this section shall be applied only to the payment of bond service 37115  
charges on the obligations of the community or technical college 37116  
district or community or technical college subject to this section 37117  
or to the reimbursement of the provider of a credit enhancement 37118  
facility that has paid the bond service charges. 37119

(F) The chancellor may make payments under this section to 37120  
paying agents or fiscal agents during any fiscal biennium of the 37121  
state only from and to the extent that money is appropriated to 37122  
the department by the general assembly for distribution during 37123  
such biennium for the state share of instruction and only to the 37124  
extent that a portion of the state share of instruction has been 37125  
allocated to the community or technical college district or 37126  
community or technical college. Obligations of the issuing 37127  
authority or of a community or technical college district to which 37128  
this section is made applicable do not constitute an obligation or 37129  
a debt or a pledge of the faith, credit, or taxing power of the 37130  
state, and the holders or owners of those obligations have no 37131  
right to have excises or taxes levied or appropriations made by 37132  
the general assembly for the payment of bond service charges on 37133  
the obligations, and the obligations shall contain a statement to 37134  
that effect. The agreement for or the actual withholding and 37135  
payment of money under this section does not constitute the 37136

assumption by the state of any debt of a community or technical college district or a community or technical college, and bond service charges on the related obligations are not anticipated to be paid from the state general revenue fund for purposes of Section 17 of Article VIII, Ohio Constitution.

(G) In the case of obligations subject to the withholding provisions of this section, the issuing community or technical college district, or the issuing authority in the case of obligations issued by the issuing authority, shall appoint a paying agent or fiscal agent who is not an officer or employee of the district or college.

(H) The chancellor, with the advice and consent of the office of budget and management, may adopt reasonable rules not inconsistent with this section for the implementation of this section to secure payment of bond service charges on obligations issued by a community or technical college district or by the issuing authority for the benefit of a community or technical college district or the community or technical college it operates. Those rules shall include criteria for the evaluation and approval or denial of community or technical college district requests for withholding under this section.

(I) The authority granted by this section is in addition to and not a limitation on any other authorizations granted by or pursuant to law for the same or similar purposes.

**Sec. 3333.61.** The chancellor of higher education shall establish and administer the Ohio innovation partnership, which shall consist of the choose Ohio first scholarship program and the Ohio research scholars program. Under the programs, the chancellor, subject to approval by the controlling board, shall make awards to state universities or colleges for programs and initiatives that recruit students and scientists in the fields of

science, technology, engineering, mathematics, medicine, and 37168  
dentistry to state universities or colleges, in order to enhance 37169  
regional educational and economic strengths and meet the needs of 37170  
the state's regional economies. Awards may be granted for programs 37171  
and initiatives to be implemented by a state university or college 37172  
alone or in collaboration with other state institutions of higher 37173  
education, nonpublic Ohio universities and colleges, or other 37174  
public or private Ohio entities. If the chancellor makes an award 37175  
to a program or initiative that is intended to be implemented by a 37176  
state university or college in collaboration with other state 37177  
institutions of higher education or nonpublic Ohio universities or 37178  
colleges, the chancellor may provide that some portion of the 37179  
award be received directly by the collaborating universities or 37180  
colleges consistent with all terms of the Ohio innovation 37181  
partnership. 37182

The choose Ohio first scholarship program shall assign a 37183  
number of scholarships to state universities and colleges to 37184  
recruit Ohio residents as undergraduate, or as provided in section 37185  
3333.66 of the Revised Code graduate, students in the fields of 37186  
science, technology, engineering, mathematics, medicine, and 37187  
dentistry, or in science, technology, engineering, mathematics, 37188  
medical, or dental education. The chancellor also may assign a 37189  
number of choose Ohio first scholarships to state universities and 37190  
colleges to recruit Ohio residents to enroll in certificate 37191  
programs in the fields of science, technology, engineering, 37192  
mathematics, medicine, and dentistry. Choose Ohio first 37193  
scholarships shall be awarded to each participating eligible 37194  
student as a grant to the state university or college the student 37195  
is attending and shall be reflected on the student's tuition bill. 37196  
Choose Ohio first scholarships are student-centered grants from 37197  
the state to students to use to attend a university or college and 37198  
are not grants from the state to universities or colleges. 37199

Notwithstanding any other provision of this section or 37200  
sections 3333.62 to 3333.69 of the Revised Code, a nonpublic 37201  
four-year Ohio institution of higher education may submit a 37202  
proposal for choose Ohio first scholarships or Ohio research 37203  
scholars grants. If the chancellor awards a nonpublic institution 37204  
scholarships or grants, the nonpublic institution shall comply 37205  
with all requirements of this section, sections 3333.62 to 3333.69 37206  
of the Revised Code, and the rules adopted under this section that 37207  
apply to state universities or colleges awarded choose Ohio first 37208  
scholarships or Ohio research scholars grants. 37209

The Ohio research scholars program shall award grants to use 37210  
in recruiting scientists to the faculties of state universities or 37211  
colleges. 37212

The chancellor shall adopt rules in accordance with Chapter 37213  
119. of the Revised Code to administer the programs. 37214

**Sec. 3333.62.** The chancellor of higher education shall 37215  
establish a competitive process for making awards under the choose 37216  
Ohio first scholarship program and the Ohio research scholars 37217  
program. The chancellor, on completion of that process, shall make 37218  
a recommendation to the controlling board asking for approval of 37219  
each award selected by the chancellor. 37220

Any state university or college may apply for one or more 37221  
awards under one or both programs. The state university or college 37222  
shall submit a proposal and other documentation required by the 37223  
chancellor, in the form and manner prescribed by the chancellor, 37224  
for each award it seeks. A proposal may propose an initiative to 37225  
be implemented solely by the state university or college or in 37226  
collaboration with other state institutions of higher education, 37227  
nonpublic Ohio universities or colleges, or other public or 37228  
nonpublic Ohio entities. A single proposal may seek an award under 37229  
one or both programs. 37230

The chancellor shall determine which proposals will receive awards each fiscal year, and the amount of each award, on the basis of the merit of each proposal, which the chancellor, subject to approval by the controlling board, shall determine based on one or more of the following criteria:

(A) The quality of the program that is the subject of the proposal and the extent to which additional resources will enhance its quality;

(B) The extent to which the proposal is integrated with the strengths of the regional economy;

(C) The extent to which the proposal is integrated with centers of research excellence within the private sector;

(D) The amount of other institutional, public, or private resources, whether monetary or nonmonetary, that the proposal pledges to leverage;

(E) The extent to which the proposal is collaborative with other public or nonpublic Ohio institutions of higher education;

(F) The extent to which the proposal is integrated with the university's or college's mission and does not displace existing resources already committed to the mission;

(G) The extent to which the proposal facilitates a more efficient utilization of existing faculty and programs;

(H) The extent to which the proposal meets a statewide educational need;

(I) The demonstrated productivity or future capacity of the students or scientists to be recruited;

(J) The extent to which the proposal will create additional capacity in educational or economic areas of need;

(K) The extent to which the proposal will encourage students who received degrees in the fields of science, technology,

engineering, mathematics, or medicine from two-year institutions 37261  
to transfer to state universities or colleges to pursue 37262  
baccalaureate degrees in science, technology, engineering, 37263  
mathematics, or medicine; 37264

(L) The extent to which the proposal encourages students 37265  
enrolled in state universities to transfer into science, 37266  
technology, engineering, mathematics, or medicine programs; 37267

(M) The extent to which the proposal facilitates the 37268  
completion of a baccalaureate degree in a cost-effective manner, 37269  
for example, by facilitating students' completing two years at a 37270  
two-year institution and two years at a state university or 37271  
college; 37272

(N) The extent to which the proposal allows attendance at a 37273  
state university or college of students who otherwise could not 37274  
afford to attend; 37275

(O) The extent to which other institutional, public, or 37276  
private resources pledged to the proposal will be deployed to 37277

careers; 37279

(P) The extent to which the proposal increases the likelihood 37280  
that students will successfully complete their degree programs in 37281  
science, technology, engineering, mathematics, or medicine or in 37282  
science, technology, engineering, mathematics, or medical 37283  
education; 37284

(Q) The extent to which the proposal ensures that a student 37285  
who is awarded a scholarship is appropriately qualified and 37286  
prepared to successfully complete a degree program in science, 37287  
technology, engineering, mathematics, or medicine or in science, 37288  
technology, engineering, mathematics, or medical education; 37289

(R) The extent to which the proposal will increase the number 37290  
of women participating in the choose Ohio first scholarship 37291

program; 37292

(S) The extent to which the proposal encourages students to 37293

complete a certificate program at a state university or college. 37294

**Sec. 3333.65.** The chancellor of higher education shall 37295

require each state university or college, and any nonpublic Ohio 37296

university or college with which the state university or college 37297

is collaborating, that the controlling board approves to receive 37298

an award under the Ohio innovation partnership to enter into an 37299

agreement governing the use of the award. The agreement shall 37300

contain terms the chancellor determines to be necessary, which 37301

shall include performance measures, reporting requirements, and an 37302

obligation to fulfill pledges of other institutional, public, or 37303

nonpublic resources for the proposal. 37304

The chancellor may require a state university or college or a 37305

nonpublic Ohio university or college that violates the terms of 37306

~~its~~ the agreement to repay the award plus interest at the rate 37307

required by section 5703.47 of the Revised Code to the chancellor, 37308

except that the chancellor shall not hold a state or nonpublic 37309

university or college responsible for a repayment due to a student 37310

obligation under section 3333.611 of the Revised Code, until the 37311

state or nonpublic university or college is able to obtain 37312

repayment from the student or if the state or nonpublic university 37313

or college has certified collection of the repayment to the 37314

attorney general and has sent a copy of the certification to the 37315

chancellor. 37316

If the chancellor makes an award to a program or initiative 37317

that is intended to be implemented by a state university or 37318

college in collaboration with other state institutions of higher 37319

education or nonpublic Ohio universities or colleges, the 37320

chancellor may enter into an agreement with the collaborating 37321

universities or colleges that permits awards to be received 37322

directly by the collaborating universities or colleges consistent 37323  
with the terms of the program or initiative. In that case, the 37324  
chancellor shall incorporate into the agreement terms consistent 37325  
with the requirements of this section. 37326

**Sec. 3333.66.** (A)(1) Except as provided in ~~division~~ divisions 37327  
(A)(2), (3), and (4) of this section, in each academic year, no 37328  
student who receives a choose Ohio first scholarship shall receive 37329  
less than one thousand five hundred dollars or more than one-half 37330  
of the highest in-state undergraduate instructional and general 37331  
fees charged by all state universities. For this purpose, if Miami 37332  
university is implementing the pilot tuition restructuring plan 37333  
originally recognized in Am. Sub. H.B. 95 of the 125th general 37334  
assembly, that university's instructional and general fees shall 37335  
be considered to be the average full-time in-state undergraduate 37336  
instructional and general fee amount after taking into account the 37337  
Ohio resident and Ohio leader scholarships and any other credit 37338  
provided to all Ohio residents. 37339

(2) The chancellor of higher education may authorize a state 37340  
university or college or a nonpublic Ohio institution of higher 37341  
education to award a choose Ohio first scholarship in an amount 37342  
greater than one-half of the highest in-state undergraduate 37343  
instructional and general fees charged by all state universities 37344  
to either of the following: 37345

(a) Any undergraduate student who qualifies for a scholarship 37346  
and is enrolled in a program leading to a teaching profession in 37347  
science, technology, engineering, mathematics, or medicine; 37348

(b) Any graduate student who qualifies for a scholarship, if 37349  
any initiatives are selected for award under division (B) of this 37350  
section. 37351

(3) The chancellor may authorize a state university or 37352  
college or a nonpublic Ohio institution of higher education to 37353

award a choose Ohio first scholarship in the amount of not less 37354

certificate program designated as an eligible program by the 37358  
chancellor. 37359

(4) A student receiving multiple awards under division (A) of 37360  
this section may exceed the maximum permitted provided that each 37361  
award is within its permitted amount. 37362

(B) The chancellor shall encourage state universities and 37363  
colleges, alone or in collaboration with other state institutions 37364  
of higher education, nonpublic Ohio universities and colleges, or 37365

the choose Ohio first scholarship program for initiatives that 37367  
recruit either of the following: 37368

(1) Ohio residents who enrolled in colleges and universities 37369  
in other states or other countries to return to Ohio and enroll in 37370  
state universities or colleges as graduate students in the fields 37371  
of science, technology, engineering, mathematics, and medicine, or 37372  
in the fields of science, technology, engineering, mathematics, or 37373  
medical education. If such proposals are submitted and meet the 37374  
chancellor's competitive criteria for awards, the chancellor, 37375  
subject to approval by the controlling board, shall give at least 37376  
one of the proposals preference for an award. 37377

(2) Graduates, or undergraduates who will graduate in time to 37378  
participate in the program described in this division by the 37379  
subsequent school year, from an Ohio college or university who 37380  
received, or will receive, a degree in science, technology, 37381  
engineering, mathematics, or medicine to participate in a 37382  
graduate-level teacher education masters program in one of those 37383  
fields that requires the student to establish a domicile in the 37384  
state and to commit to teach for a minimum of three years in a 37385

hard-to-staff school district in the state upon completion of the 37386  
master's degree program. The chancellor may require a college or 37387  
university to give priority to qualified candidates who graduated 37388  
from a high school in this state. 37389

"Hard-to-staff" shall be as defined by the department of 37390  
education. 37391

(C) The general assembly intends that money appropriated for 37392  
the choose Ohio first scholarship program in each fiscal year be 37393  
used for scholarships in the following academic year. 37394

(1) "Cohort" means a group of students who will complete 37396  
their bachelor's degree requirements and graduate from a state 37397  
university at the same time. A cohort may include transfer 37398  
students and other selected undergraduate student academic 37399  
programs as determined by the board of trustees of a state 37400  
university. 37401

(2) "Eligible student" means an undergraduate student who: 37402

(a) Is enrolled full-time in a bachelor's degree program at a 37403  
state university; 37404

3345.011 of the Revised Code. 37408

(B) The board of trustees of a each state university ~~may~~ 37409

for general and instructional fees for four years. A board of 37412  
trustees may include room and board and any additional fees in the 37413  
program. 37414

~~If the board of trustees chooses to establish such a program,~~ 37415  
the The board shall adopt rules for the program that include, but 37416  
are not limited to, all of the following: 37417

(1) The number of credit hours required to earn an 37418  
undergraduate degree in each major; 37419

(2) A guarantee that the general and instructional fees for 37420  
each student in the cohort shall remain constant for four years so 37421  
long as the student complies with the requirements of the program, 37422  
except that, notwithstanding any law to the contrary, the board 37423  
may increase the guaranteed amount by up to six per cent above 37424  
what has been charged in the previous academic year one time for 37425  
the first cohort enrolled under the tuition guarantee program. If 37426  
the board of trustees determines that economic conditions or other 37427  
circumstances require an increase for the first cohort of above 37428  
six per cent, the board shall submit a request to increase the 37429  
amount by a specified percentage to the chancellor. The 37430  
chancellor, based on information the chancellor requires from the 37431  
board of trustees, shall approve or disapprove such a request. 37432  
Thereafter, the board of trustees may increase the guaranteed 37433

(b) The percentage amount the general assembly restrains 37441  
increases on in-state undergraduate instructional and general fees 37442  
for the applicable fiscal year. If the general assembly does not 37443  
enact a limit on the increase of in-state undergraduate 37444  
instructional and general fees, then no limit shall apply under 37445  
this division for the cohort that first enrolls in any academic 37446

year for which the general assembly does not prescribe a limit. 37447

If, beginning with the academic year that starts four years 37448  
after September 29, 2013, the board of trustees determines that 37449  
the general and instructional fees charged under the tuition 37450  
guarantee have fallen significantly lower than those of other 37451  
state universities, the board of trustees may submit a request to 37452  
increase the amount charged to a cohort by a specified percentage 37453  
to the chancellor, who shall approve or disapprove such a request. 37454

(3) A benchmark by which the board sets annual increases in 37455  
general and instructional fees. This benchmark and any subsequent 37456  
change to the benchmark shall be subject to approval of the 37457  
chancellor. 37458

(4) Eligibility requirements for students to participate in 37459  
the program; 37460

(5) Student rights and privileges under the program; 37461

(6) Consequences to the university for students unable to 37462  
complete a degree program within four years, as follows: 37463

provided by the university, the university shall provide the 37466  
necessary course or courses for completion to the student free of 37467  
charge. 37468

(b) For a student who could not complete the program in four 37469  
years due to military service or other circumstances beyond a 37470  
student's control, as determined by the board of trustees, the 37471  
university shall provide the necessary course or courses for 37472  
completion to the student at the student's initial cohort rate. 37473

(c) For a student who did not complete the program in four 37474  
years for any other reason, as determined by the board of 37475  
trustees, the university shall provide the necessary course or 37476

courses for completion to the student at a rate determined through 37477  
a method established by the board under division (B)(7) of this 37478  
section. 37479

(7) Guidelines for adjusting a student's annual charges if 37480

(8) A requirement that the rules adopted under division (B) 37483  
of this section be published or posted in the university handbook, 37484  
course catalog, and web site. 37485

~~(C) If a board of trustees implements a program under this~~ 37486  
~~section, the~~ The board shall submit the rules adopted under 37487  
division (B) of this section to the chancellor for approval before 37488  
beginning implementation of the program. 37489

The chancellor shall not unreasonably withhold approval of a 37490  
program if the program conforms in principle with the parameters 37491  
and guidelines of this section. 37492

(D) A board of trustees of a state university may establish 37493  
an undergraduate tuition guarantee program for nonresident 37494  
students. 37495

~~(E) Within five years after September 29, 2013, the~~ 37496  
~~chancellor shall publish on the chancellor's web site a report~~ 37497  
~~that includes all of the following:~~ 37498

~~(1) The state universities that have adopted an undergraduate~~ 37499  
~~tuition guarantee program under this section;~~ 37500

~~(2) The details of each undergraduate tuition guarantee~~ 37501  
~~program established under this section;~~ 37502

~~(3) Comparative data, including general and instructional~~ 37503  
~~fees, room and board, graduation rates, and retention rates, from~~ 37504

general fees shall apply to a state university that has 37508  
established an undergraduate tuition guarantee program under this 37509  
section. 37510

**Sec. 3345.57.** (A) As used in this section, "state institution 37511  
of higher education" has the same meaning as in section 3345.011 37512  
of the Revised Code. 37513

(B) A state institution of higher education may establish a 37514  
program under which an employee of the institution may donate that 37515  
employee's accrued but unused paid leave to another employee of 37516  
the institution who has no accrued but unused paid leave and who 37517  
has a critical need for it because of circumstances such as a 37518  
serious illness or the serious illness of a member of the 37519  
employee's immediate family. If a state institution of higher 37520  
education establishes a leave donation program under this section, 37521  
the institution shall adopt rules in accordance with ~~Chapter 119-~~ 37522  
section 111.15 of the Revised Code to provide for the 37523  
administration of the program. These rules shall include, but not 37524  
be limited to, provisions that identify the circumstances under 37525

location, when tallying the combined vote for governor in all such 38294  
precincts. 38295

(b) Combine the pollbooks for those precincts to create a 38296  
single pollbook for the voting location; 38297

division (A)(2) of this section. 38852

If an election to select candidates to appear on the general 38853  
election ballot is held within sixty days before a general 38854  
election, the campaign committee of a successful candidate in the 38855  
earlier election may file the statement required by division 38856  
(A)(1) of this section for the general election instead of the 38857  
statement required by division (A)(2) of this section for the 38858  
earlier election if the pregeneral election statement reflects the 38859  
status of contributions and expenditures for the period twenty 38860  
days before the earlier election to twenty days before the general 38861  
election. 38862

If a person becomes a candidate less than twenty days before 38863

justice or justice of the supreme court, and no campaign committee 38876  
of a candidate for the office of judge of any court in this state, 38877

this section. 38879

Except as otherwise provided in this paragraph and in the 38880  
next paragraph of this section, the only campaign committees 38881  
required to file a statement under division (A)(4) of this section 38882  
are the campaign committee of a statewide candidate and the 38883  
campaign committee of a candidate for county office. The campaign 38884  
committee of a candidate for any other nonjudicial office is 38885  
required to file a statement under division (A)(4) of this section 38886  
if that campaign committee receives, during that period, 38887  
contributions exceeding ten thousand dollars. 38888

No statement under division (A)(4) of this section shall be 38889  
required of a campaign committee, a political action committee, a 38890  
legislative campaign fund, a political party, or a political 38891  
contributing entity for any year in which the campaign committee, 38892  
political action committee, legislative campaign fund, political 38893  
party, or political contributing entity is required to file a 38894  
postprimary election statement under division (A)(2) of this 38895  
section. However, a statement under division (A)(4) of this 38896  
section may be filed at the option of the campaign committee, 38897  
political action committee, legislative campaign fund, political 38898

party, or political contributing entity. 38899

No statement under division (A)(3) or (4) of this section 38900  
shall be required if the campaign committee, political action 38901  
committee, legislative campaign fund, political party, or 38902  
political contributing entity has no contributions that it has 38903  
received and no expenditures that it has made since the last date 38904  
reflected in its last previously filed statement. However, the 38905  
campaign committee, political action committee, legislative 38906  
campaign fund, political party, or political contributing entity 38907  
shall file a statement to that effect, on a form prescribed under 38908  
this section and made under penalty of election falsification, on 38909  
the date required in division (A)(3) or (4) of this section, as 38910  
applicable. 38911

The campaign committee of a statewide candidate shall file a 38912  
monthly statement of contributions received during each of the 38913  
months of July, August, and September in the year of the general 38914  
election in which the candidate seeks office. The campaign 38915  
committee of a statewide candidate shall file the monthly 38916  
statement not later than three business days after the last day of 38917  
the month covered by the statement. During the period beginning on 38918  
the nineteenth day before the general election in which a 38919  
statewide candidate seeks election to office and extending through 38920  
the day of that general election, each time the campaign committee 38921  
of the joint candidates for the offices of governor and lieutenant 38922  
governor or of a candidate for the office of secretary of state, 38923  
auditor of state, treasurer of state, or attorney general receives 38924  
a contribution from a contributor that causes the aggregate amount 38925  
of contributions received from that contributor during that period 38926  
to equal or exceed ten thousand dollars and each time the campaign 38927  
committee of a candidate for the office of chief justice or 38928  
justice of the supreme court receives a contribution from a 38929  
contributor that causes the aggregate amount of contributions 38930

received from that contributor during that period to exceed ten 38931  
thousand dollars, the campaign committee shall file a 38932  
two-business-day statement reflecting that contribution. 38933  
Contributions reported on a two-business-day statement required to 38934  
be filed by a campaign committee of a statewide candidate in a 38935  
primary election shall also be included in the postprimary 38936  
election statement required to be filed by that campaign committee 38937  
under division (A)(2) of this section. A two-business-day 38938  
statement required by this paragraph shall be filed not later than 38939  
two business days after receipt of the contribution. The 38940  
statements required by this paragraph shall be filed in addition 38941  
to any other statements required by this section. 38942

Subject to the secretary of state having implemented, tested, 38943  
and verified the successful operation of any system the secretary 38944  
of state prescribes pursuant to divisions (C)(6)(b) and (D)(6) of 38945  
this section and division (H)(1) of section 3517.106 of the 38946  
Revised Code for the filing of campaign finance statements by 38947  
electronic means of transmission, a campaign committee of a 38948  
statewide candidate shall file a two-business-day statement under 38949  
the preceding paragraph by electronic means of transmission if the 38950  
campaign committee is required to file a pre-election, 38951  
postelection, or monthly statement of contributions and 38952  
expenditures by electronic means of transmission under this 38953  
section or section 3517.106 of the Revised Code. 38954

If a campaign committee or political action committee has no 38955  
balance on hand and no outstanding obligations and desires to 38956  
terminate itself, it shall file a statement to that effect, on a 38957  
form prescribed under this section and made under penalty of 38958  
election falsification, with the official with whom it files a 38959  
statement under division (A) of this section after filing a final 38960  
statement of contributions and a final statement of expenditures, 38961  
if contributions have been received or expenditures made since the 38962

period reflected in its last previously filed statement. 38963

intended to be made of that balance. 39124

(b) The secretary of state shall prescribe the form for all 39125  
statements required to be filed under this section and shall 39126  
furnish the forms to the boards of elections in the several 39127  
counties. The boards of elections shall supply printed copies of 39128  
those forms without charge. The secretary of state shall prescribe 39129

stored on computer by the secretary of state under division (B) of 39141  
section 3517.106 of the Revised Code shall be filed in whatever 39142

secretary of state to store the information contained in the 39144  
statements on computer. Any such format shall be of a type and 39145  
nature that is readily available to whoever is required to file 39146  
the statements in that format. 39147

(c) The secretary of state shall assess the need for training 39148

section 3517.11 of the Revised Code. The name of a campaign 39185  
committee shall include at least the last name of the campaign 39186

section 3517.081 of the Revised Code, the name of the campaign 39189  
committee shall include at least the last name of each candidate 39190  
who is a beneficiary of that campaign committee. The secretary of 39191  
state shall assign a registration number to each political action 39192  
committee that files a designation of the appointment of a 39193  
treasurer under this division if the political action committee is 39194

state political party with which the caucus is associated or that 39234  
chairperson's designee. 39235

be vouched for by a receipted bill, stating the purpose of the 39237  
expenditure, that shall be filed with the statement of 39238

(D)(4) of this section. 39241

(5) The secretary of state or the board of elections, as the 39242  
case may be, shall issue a receipt for each statement filed under 39243

3517.1013, 3517.1014, or 3517.11 of the Revised Code. The 39277

secretary of state may remove the information from the internet 39278  
after a reasonable period of time. 39279

required under divisions (B)(4)(b)(ii) and (iii) of this section, 39304  
that committee is considered to have met the requirements of those 39305  
divisions. A campaign committee shall not be considered to have 39306

3702.57 of the Revised Code. Application fees received by the 42252  
director under this division shall be deposited into the state 42253  
treasury to the credit of the certificate of need fund, which is 42254  
hereby created. The director shall use the fund only to pay the 42255  
costs of administering sections 3702.11 to 3702.20, 3702.30, and 42256

3702.51 to 3702.62 of the Revised Code and rules adopted under 42257  
those sections. An application fee is nonrefundable unless the 42258  
director determines that the application cannot be accepted. 42259

(3) The director shall review applications for certificates 42260  
of need. As part of a review, the director shall determine whether 42261  
an application is complete. The director shall not consider an 42262  
application to be complete unless the application meets all 42263  
criteria for a complete application specified in rules adopted 42264  
under section 3702.57 of the Revised Code. For an application 42265  
being considered under the standard review process, the director 42266  
shall mail to the applicant a written notice that the application 42267  
is complete, or a written request for additional information, not 42268  
later than thirty days after receiving an application or a 42269  
response to an earlier request for information. For an application 42270  
for which expedited review is requested, the director's notice or 42271  
request shall be mailed not later than fourteen days after the 42272  
director receives the application or a response to an earlier 42273  
request for information. Except as provided in section 3702.522 of 42274  
the Revised Code, the director shall not make more than two 42275  
requests for additional information. The For either the standard 42276  
or expedited review process, the director shall make a final 42277  
determination regarding an application's completeness and issue a 42278  
notice of the determination not later than one hundred eighty days 42279  
after the date the director received the initial application. 42280

The director's determination that an application is not 42281  
complete is final and not subject to appeal. 42282

(4) Except as necessary to comply with a subpoena issued 42283  
under division (F) of this section, after a notice of completeness 42284  
has been received, no person shall make revisions to information 42285  
that was submitted to the director before the director mailed the 42286  
notice of completeness or knowingly discuss in person or by 42287  
telephone the merits of the application with the director. A 42288

person may supplement an application after a notice of 42289  
completeness has been received by submitting clarifying 42290  
information to the director. 42291

(C) All of the following apply to the process of granting or 42292  
denying a certificate of need: 42293

(1) If the project proposed in a certificate of need 42294  
application meets all of the applicable certificate of need 42295  
criteria for approval under sections 3702.51 to 3702.62 of the 42296  
Revised Code and the rules adopted under those sections, the 42297  
director shall grant a certificate of need for all or part of the 42298  
project that is the subject of the application by the applicable 42299  
deadline specified in division (C)(4) of this section or any 42300  
extension of it under division (C)(5) of this section. 42301

(2) The director's grant of a certificate of need does not 42302  
affect, and sets no precedent for, the director's decision to 42303  
grant or deny other applications for similar reviewable 42304  
activities. 42305

(3) Any affected person may submit written comments regarding 42306  
an application. The director shall consider all written comments 42307  
received by the forty-fifth day after the application is submitted 42308  
to the director, except that to be considered in an expedited 42309  
review, written comments must be received by the twenty-first day 42310  
after the application is submitted. 42311

(4) Except as provided in division (C)(5) of this section, 42312  
the director shall grant or deny certificate of need applications 42313  
not later than sixty days after mailing the notice of completeness 42314  
unless the application is receiving expedited review. If the 42315  
application is receiving expedited review, the director shall 42316  
grant or deny the application not later than forty-five days after 42317  
mailing the notice of completeness. 42318

(5) Except as otherwise provided in division (C)(6) of this 42319

section, the director or the applicant may extend the deadline 42320  
prescribed in division (C)(4) of this section once, for no longer 42321  
than thirty days, by written notice before the end of the deadline 42322  
prescribed by division (C)(4) of this section. An extension by the 42323  
director under division (C)(5) of this section shall apply to all 42324  
applications that are in comparative review. 42325

(6) No applicant in a comparative review may extend the 42326  
deadline specified in division (C)(4) of this section. 42327

(7) If the director does not grant or deny the certificate by 42328  
the applicable deadline specified in division (C)(4) of this 42329  
section or any extension of it under division (C)(5) of this 42330  
section, the certificate shall be considered to have been granted. 42331

(8) In granting a certificate of need, the director shall 42332  
specify as the maximum capital expenditure the certificate holder 42333  
may obligate under the certificate a figure equal to one hundred 42334  
ten per cent of the approved project cost. 42335

(9) In granting a certificate of need, the director may grant 42336  
the certificate with conditions that must be met by the holder of 42337  
the certificate. 42338

(D) When a certificate of need is granted for a project under 42339  
which beds are to be relocated, upon completion of the project for 42340  
which the certificate of need was granted a number of beds equal 42341  
to the number of beds relocated shall cease to be operated in the 42342  
long-term care facility from which they are relocated, except that 42343  
the beds may continue to be operated for not more than fifteen 42344  
days to allow relocation of residents to the facility to which the 42345  
beds have been relocated. Notwithstanding section 3721.03 of the 42346  
Revised Code, if the relocated beds are in a home licensed under 42347  
Chapter 3721. of the Revised Code, the facility's license is 42348  
automatically reduced by the number of beds relocated effective 42349  
fifteen days after the beds are relocated. If the beds are in a 42350

facility that is certified as a skilled nursing facility or 42351  
nursing facility under Title XVIII or XIX of the "Social Security 42352  
Act," the certification for the beds shall be surrendered. If the 42353  
beds are registered under section 3701.07 of the Revised Code as 42354  
skilled nursing beds or long-term care beds, the director shall 42355  
remove the beds from registration not later than fifteen days 42356  
after the beds are relocated. 42357

(E) During the period beginning with the granting of a 42358  
certificate of need and ending five years after implementation of 42359  
the reviewable activity for which the certificate was granted, the 42360  
director shall monitor the activities of the person granted the 42361  
certificate to determine whether the reviewable activity is 42362  
conducted in substantial accordance with the certificate. A 42363  
reviewable activity shall not be determined to be not in 42364  
substantial accordance with the certificate of need solely because 42365  
of either of the following: 42366

(1) A decrease in bed capacity; 42367

(2) A change in the owner or operator of the facility unless 42368  
any of the circumstances specified in division (B) of section 42369  
3702.59 of the Revised Code apply to the new owner or operator. 42370

(F) When reviewing applications for certificates of need, 42371  
considering appeals under section 3702.60 of the Revised Code, or 42372  
monitoring activities of persons granted certificates of need, the 42373  
director may issue and enforce, in the manner provided in section 42374  
119.09 of the Revised Code, subpoenas and subpoenas duces tecum to 42375

director's designee may visit the sites where the activities are 42379  
or will be conducted. 42380

(G) The director may withdraw certificates of need. 42381

(H) All long-term care facilities shall submit to the 42382  
director, upon request, any information prescribed by rules 42383  
adopted under division (H) of section 3702.57 of the Revised Code 42384  
that is necessary to conduct reviews of certificate of need 42385  
applications and to develop criteria for reviews. 42386

(I) Any decision to grant or deny a certificate of need shall 42387  
consider the special needs and circumstances resulting from moral 42388  
and ethical values and the free exercise of religious rights of 42389  
long-term care facilities administered by religious organizations, 42390  
and the special needs and circumstances of inner city and rural 42391  
communities. 42392

care and treatment to persons diagnosed as having traumatic brain 42400

(h) The historical performance of the applicant and related 42442  
or affiliated parties in providing cost-effective long-term care 42443

under which the director of health shall review certificates of	42491
need whose holders exceed or appear likely to exceed an	42492

long-term care beds than the county's bed need: 42529

federal Clean Air Act or regulations adopted under it are 43029  
concerned; 43030

(b) The designated representative for any other purposes 43031  
under 40 C.F.R. part 70. 43032

(R) "Small business stationary source" means any building, 43033  
structure, facility, or installation that emits any federally 43034  
regulated air pollutant and is owned or operated by a person who 43035  
employs one hundred or fewer individuals; is a small business 43036  
concern as defined in the "Small Business Act," 72 Stat. 384 43037  
(1958), 15 U.S.C.A. 632, as amended; is not a major stationary 43038  
source as defined in section 302(j) of the federal Clean Air Act; 43039  
does not emit fifty tons or more per year of any federally 43040  
regulated air pollutant or any hazardous air pollutant; and emits 43041  
less than seventy-five tons per year of all federally regulated 43042  
air pollutants. 43043

(S) "Title V permit" means an operating permit required to be 43044  
issued by the state under section 502 of the federal Clean Air Act 43045  
and issued under section 3704.036 of the Revised Code and rules 43046

that part. 43051

**Sec. 3704.111.** (A) Not later than October 1, 1993, the 43052  
director of environmental protection shall enter into a delegation 43053  
agreement with each local air pollution control authority listed 43054  
in divisions (N)(1)(a) to ~~(i)~~(h) of section 3704.01 of the Revised 43055  
Code under which the local air pollution control authority agrees 43056  
to perform on behalf of the environmental protection agency air 43057  
pollution control regulatory services within the political 43058  
subdivision represented by the local air pollution control 43059

authority. The director may enter into such a delegation agreement 43060  
with a local air pollution control authority established on or 43061  
after the effective date of this section, subject to the condition 43062  
established in division (B) of this section. Each delegation 43063  
agreement shall be self-renewing on an annual basis on the first 43064  
day of October of each year. The terms of each such delegation 43065  
agreement shall remain unchanged from year to year unless they are 43066  
amended by mutual agreement of the director and the local air 43067  
pollution control authority. 43068

(B) The director may conduct a periodic performance 43069  
evaluation of the air pollution control program operated by each 43070  
local air pollution control authority. Based upon the findings of 43071  
such a performance evaluation, the director may terminate or 43072  
refuse to renew the delegation agreement with a local air 43073  
pollution control authority if the director determines that the 43074  
local air pollution control authority is not adequately performing 43075  
its obligations under the agreement. 43076

(C) The director may enter into contracts for payments to 43077  
local air pollution control authorities from moneys credited to 43078  
the clean air fund created in section 3704.035 of the Revised 43079  
Code, subject to the limitation specified in that section, and any 43080  
other moneys appropriated by the general assembly for that 43081  
purpose. The director shall distribute the moneys available for 43082  
making payments to the local air pollution control authorities 43083  
pursuant to such contracts equitably among the local air pollution 43084  
control authorities based upon the amount of local funding and the 43085  
workload of each local air pollution control authority, including, 43086  
without limitation, population served, number of air permits 43087  
issued for both new and existing sources, land area, and number of 43088  
air contaminant sources. The director biennially shall review the 43089  
workload of each local air pollution control authority and shall 43090  
determine the percentage of the moneys available for the purpose 43091

of making payments under the contracts. In determining the 43092  
percentage of those moneys that is to be so distributed, the 43093  
director shall consider the recommendations of the local air 43094  
pollution control authorities. 43095

(D) The director may modify a contract between the director 43096  
and a local air pollution control authority to authorize the local 43097  
air pollution control authority to perform air pollution control 43098  
activities outside the geographic boundaries of that local air 43099  
pollution control authority. 43100

**Sec. 3704.14.** (A)(1) If the director of environmental 43101  
protection determines that implementation of a motor vehicle 43102  
inspection and maintenance program is necessary for the state to 43103  
effectively comply with the federal Clean Air Act after June 30, 43104  
~~2015~~ 2019, the director may provide for the implementation of the 43105  
program in those counties in this state in which such a program is 43106  
federally mandated. Upon making such a determination, the director 43107  
of environmental protection may request the director of 43108  
administrative services to extend the terms of the contract that 43109  
was entered into under the authority of Am. Sub. H.B. ~~153~~ 64 of 43110  
the ~~129th~~ 131st general assembly. Upon receiving the request, the 43111  
director of administrative services shall extend the contract, 43112  
beginning on July 1, ~~2015~~ 2019, in accordance with this section. 43113  
The contract shall be extended for a period of up to twenty-four 43114  
months with the contractor who conducted the motor vehicle 43115  
inspection and maintenance program under that contract. 43116

(2) Prior to the expiration of the contract extension that is 43117  
authorized by division (A)(1) of this section, the director of 43118  
environmental protection shall request the director of 43119  
administrative services to enter into a contract with a vendor to 43120  
operate a decentralized motor vehicle inspection and maintenance 43121  
program in each county in this state in which such a program is 43122

federally mandated through June 30, ~~2019~~ 2023, with an option for 43123  
the state to renew the contract for a period of up to twenty-four 43124  
months through June 30, ~~2024~~ 2025. The contract shall ensure that 43125  
the decentralized motor vehicle inspection and maintenance program 43126  
achieves at least the same emission reductions as achieved by the 43127  
program operated under the authority of the contract that was 43128  
extended under division (A)(1) of this section. The director of 43129  
administrative services shall select a vendor through a 43130  
competitive selection process in compliance with Chapter 125. of 43131  
the Revised Code. 43132

(3) Notwithstanding any law to the contrary, the director of 43133  
administrative services shall ensure that a competitive selection 43134  
process regarding a contract to operate a decentralized motor 43135  
vehicle inspection and maintenance program in this state 43136  
incorporates the following, which shall be included in the 43137  
contract: 43138

(a) For purposes of expanding the number of testing locations 43139  
for consumer convenience, a requirement that the vendor utilize 43140  
established local businesses, auto repair facilities, or leased 43141  
properties to operate state-approved inspection and maintenance 43142  
testing facilities; 43143

(b) A requirement that the vendor selected to operate the 43144  
program provide notification of the program's requirements to each 43145  
owner of a motor vehicle that is required to be inspected under 43146  
the program. The contract shall require the notification to be 43147  
provided not later than sixty days prior to the date by which the 43148  
owner of the motor vehicle is required to have the motor vehicle 43149  
inspected. The director of environmental protection and the vendor 43150  
shall jointly agree on the content of the notice. However, the 43151  
notice shall include at a minimum the locations of all inspection 43152  
facilities within a specified distance of the address that is 43153  
listed on the owner's motor vehicle registration; 43154

(c) A requirement that the vendor comply with testing methodology and supply the required equipment approved by the director of environmental protection as specified in the competitive selection process in compliance with Chapter 125. of the Revised Code.

(4) A decentralized motor vehicle inspection and maintenance program operated under this section shall comply with division (B) of this section. The director of environmental protection shall administer the decentralized motor vehicle inspection and maintenance program operated under this section.

(3) Provide for a new car exemption for motor vehicles four years old or newer and provide that a new motor vehicle is exempt for four years regardless of whether legal title to the motor vehicle is transferred during that period.

(C) The director of environmental protection shall adopt rules in accordance with Chapter 119. of the Revised Code that the director determines are necessary to implement this section. The director may continue to implement and enforce rules pertaining to the motor vehicle inspection and maintenance program previously implemented under former section 3704.14 of the Revised Code as that section existed prior to its repeal and reenactment by Am. Sub. H.B. 66 of the 126th general assembly, provided that the rules do not conflict with this section.

(D) There is hereby created in the state treasury the auto emissions test fund, which shall consist of money received by the director from any cash transfers, state and local grants, and

other contributions that are received for the purpose of funding 43186  
the program established under this section. The director of 43187  
environmental protection shall use money in the fund solely for 43188  
the implementation, supervision, administration, operation, and 43189  
enforcement of the motor vehicle inspection and maintenance 43190  
program established under this section. Money in the fund shall 43191  
not be used for either of the following: 43192

(1) To pay for the inspection costs incurred by a motor 43193  
vehicle dealer so that the dealer may provide inspection 43194  
certificates to an individual purchasing a motor vehicle from the 43195  
dealer when that individual resides in a county that is subject to 43196  
the motor vehicle inspection and maintenance program; 43197

(2) To provide payment for more than one free passing 43198  
emissions inspection or a total of three emissions inspections for 43199  
a motor vehicle in any three-hundred-sixty-five-day period. The 43200  
owner or lessee of a motor vehicle is responsible for inspection 43201  
fees that are related to emissions inspections beyond one free 43202  
passing emissions inspection or three total emissions inspections 43203  
in any three-hundred-sixty-five-day period. Inspection fees that 43204  
are charged by a contractor conducting emissions inspections under 43205  
a motor vehicle inspection and maintenance program shall be 43206  
approved by the director of environmental protection. 43207

(E) The motor vehicle inspection and maintenance program 43208  
established under this section expires upon the termination of all 43209  
contracts entered into under this section and shall not be 43210  
implemented beyond the final date on which termination occurs. 43211

**Sec. 3705.07.** (A) The local registrar of vital statistics 43212  
shall number consecutively each fetal death and death certificate 43213  
printed on paper that the local registrar receives from the 43214  
electronic death registration system (EDRS) maintained by the 43215  
department of health. The number assigned to each certificate 43216

shall be the one provided by EDRS. Such local registrar shall sign 43217  
the local registrar's name in attest to the date of filing in the 43218  
local office. The local registrar shall make a complete and 43219

the registration district of the receipt of a death certificate 43231  
attesting that death resulted from a communicable disease. 43232

The office of vital statistics shall carefully examine the 43233  
records and certificates received from local registrars of vital 43234  
statistics and shall secure any further information that may be 43235

as "recycling" is defined in rules adopted under section 3734.02 45119  
of the Revised Code. 45120

The owner or operator of a solid waste transfer facility or 45121  
disposal facility, as applicable, shall prepare and file with the 45122  
director of environmental protection each month a return 45123  
indicating the total tonnage of solid wastes received at the 45124  
facility during that month and the total amount of the fees 45125  
required to be collected under this division during that month. In 45126  
addition, the owner or operator of a solid waste disposal facility 45127  
shall indicate on the return the total tonnage of solid wastes 45128  
received from transfer facilities located in this state during 45129  
that month for which the fees were required to be collected by the 45130  
transfer facilities. The monthly returns shall be filed on a form 45131  
prescribed by the director. Not later than thirty days after the 45132  
last day of the month to which a return applies, the owner or 45133  
operator shall mail to the director the return for that month 45134  
together with the fees required to be collected under this 45135  
division during that month as indicated on the return or may 45136  
submit the return and fees electronically in a manner approved by 45137  
the director. If the return is filed and the amount of the fees 45138  
due is paid in a timely manner as required in this division, the 45139  
owner or operator may retain a discount of three-fourths of one 45140  
per cent of the total amount of the fees that are required to be 45141  
paid as indicated on the return. 45142

The owner or operator may request an extension of not more 45143  
than thirty days for filing the return and remitting the fees, 45144

provided that the owner or operator has submitted such a request 45145  
in writing to the director together with a detailed description of 45146  
why the extension is requested, the director has received the 45147  
request not later than the day on which the return is required to 45148  
be filed, and the director has approved the request. If the fees 45149  
are not remitted within thirty days after the last day of the 45150  
month to which the return applies or are not remitted by the last 45151  
day of an extension approved by the director, the owner or 45152  
operator shall not retain the three-fourths of one per cent 45153  
discount and shall pay an additional ten per cent of the amount of 45154  
the fees for each month that they are late. For purposes of 45155  
calculating the late fee, the first month in which fees are late 45156  
begins on the first day after the deadline has passed for timely 45157  
submitting the return and fees, and one additional month shall be 45158  
counted every thirty days thereafter. 45159

The owner or operator of a solid waste facility may request a 45160  
refund or credit of fees levied under this division and remitted 45161  
to the director that have not been paid to the owner or operator. 45162  
Such a request shall be made only if the fees have not been 45163  
collected by the owner or operator, have become a debt that has 45164  
become worthless or uncollectable for a period of six months or 45165  
more, and may be claimed as a deduction, including a deduction 45166  
claimed if the owner or operator keeps accounts on an accrual 45167  
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 45168  
U.S.C. 166, as amended, and regulations adopted under it. Prior to 45169  
making a request for a refund or credit, an owner or operator 45170  
shall make reasonable efforts to collect the applicable fees. A 45171  
request for a refund or credit shall not include any costs 45172  
resulting from those efforts to collect unpaid fees. 45173

A request for a refund or credit of fees shall be made in 45174  
writing, on a form prescribed by the director, and shall be 45175  
supported by evidence that may be required in rules adopted by the 45176

director under this chapter. After reviewing the request, and if 45177  
the request and evidence submitted with the request indicate that 45178  
a refund or credit is warranted, the director shall grant a refund 45179  
to the owner or operator or shall permit a credit to be taken by 45180  
the owner or operator on a subsequent monthly return submitted by 45181  
the owner or operator. The amount of a refund or credit shall not 45182  
exceed an amount that is equal to ninety days' worth of fees owed 45183  
to an owner or operator by a particular debtor of the owner or 45184  
operator. A refund or credit shall not be granted by the director 45185  
to an owner or operator more than once in any twelve-month period 45186  
for fees owed to the owner or operator by a particular debtor. 45187

If, after receiving a refund or credit from the director, an 45188  
owner or operator receives payment of all or part of the fees, the 45189  
owner or operator shall remit the fees with the next monthly 45190  
return submitted to the director together with a written 45191  
explanation of the reason for the submittal. 45192

For purposes of computing the fees levied under this division 45193  
or division (B) of this section, any solid waste transfer or 45194  
disposal facility that does not use scales as a means of 45195  
determining gate receipts shall use a conversion factor of three 45196  
cubic yards per ton of solid waste or one cubic yard per ton for 45197  
baled waste, as applicable. 45198

The fees levied under this division and divisions (B) and (C) 45199  
of this section are in addition to all other applicable fees and 45200  
taxes and shall be paid by the customer or a political subdivision 45201  
to the owner or operator of a solid waste transfer or disposal 45202  
facility. In the alternative, the fees shall be paid by a customer 45203  
or political subdivision to a transporter of waste who 45204  
subsequently transfers the fees to the owner or operator of such a 45205  
facility. The fees shall be paid notwithstanding the existence of 45206  
any provision in a contract that the customer or a political 45207  
subdivision may have with the owner or operator or with a 45208

transporter of waste to the facility that would not require or 45209  
allow such payment regardless of whether the contract was entered 45210  
prior to or after October 16, 2009. For those purposes, "customer" 45211  
means a person who contracts with, or utilizes the solid waste 45212  
services of, the owner or operator of a solid waste transfer or 45213  
disposal facility or a transporter of solid waste to such a 45214  
facility. 45215

(B) For the purposes specified in division (G) of this 45216  
section, the solid waste management policy committee of a county 45217  
or joint solid waste management district may levy fees upon the 45218  
following activities: 45219

(1) The disposal at a solid waste disposal facility located 45220  
in the district of solid wastes generated within the district; 45221

(2) The disposal at a solid waste disposal facility within 45222  
the district of solid wastes generated outside the boundaries of 45223  
the district, but inside this state; 45224

(3) The disposal at a solid waste disposal facility within 45225  
the district of solid wastes generated outside the boundaries of 45226  
this state. 45227

The solid waste management plan of the county or joint 45228  
district approved under section 3734.521 or 3734.55 of the Revised 45229  
Code and any amendments to it, or the resolution adopted under 45230  
this division, as appropriate, shall establish the rates of the 45231  
fees levied under divisions (B)(1), (2), and (3) of this section, 45232  
if any, and shall specify whether the fees are levied on the basis 45233  
of tons or cubic yards as the unit of measurement. A solid waste 45234  
management district that levies fees under this division on the 45235  
basis of cubic yards shall do so in accordance with division (A) 45236  
of this section. 45237

The fee levied under division (B)(1) of this section shall be 45238  
not less than one dollar per ton nor more than two dollars per 45239

ton, the fee levied under division (B)(2) of this section shall be 45240  
not less than two dollars per ton nor more than four dollars per 45241  
ton, and the fee levied under division (B)(3) of this section 45242  
shall be not more than the fee levied under division (B)(1) of 45243  
this section. 45244

Prior to the approval of the solid waste management plan of a 45245  
district under section 3734.55 of the Revised Code, the solid 45246  
waste management policy committee of a district may levy fees 45247  
under this division by adopting a resolution establishing the 45248  
proposed amount of the fees. Upon adopting the resolution, the 45249  
committee shall deliver a copy of the resolution to the board of 45250  
county commissioners of each county forming the district and to 45251  
the legislative authority of each municipal corporation and 45252  
township under the jurisdiction of the district and shall prepare 45253  
and publish the resolution and a notice of the time and location 45254  
where a public hearing on the fees will be held. Upon adopting the 45255  
resolution, the committee shall deliver written notice of the 45256  
adoption of the resolution; of the amount of the proposed fees; 45257  
and of the date, time, and location of the public hearing to the 45258  
director and to the fifty industrial, commercial, or institutional 45259  
generators of solid wastes within the district that generate the 45260  
largest quantities of solid wastes, as determined by the 45261  
committee, and to their local trade associations. The committee 45262  
shall make good faith efforts to identify those generators within 45263  
the district and their local trade associations, but the 45264  
nonprovision of notice under this division to a particular 45265  
generator or local trade association does not invalidate the 45266  
proceedings under this division. The publication shall occur at 45267  
least thirty days before the hearing. After the hearing, the 45268  
committee may make such revisions to the proposed fees as it 45269  
considers appropriate and thereafter, by resolution, shall adopt 45270  
the revised fee schedule. Upon adopting the revised fee schedule, 45271  
the committee shall deliver a copy of the resolution doing so to 45272

the board of county commissioners of each county forming the 45273  
district and to the legislative authority of each municipal 45274  
corporation and township under the jurisdiction of the district. 45275  
Within sixty days after the delivery of a copy of the resolution 45276  
adopting the proposed revised fees by the policy committee, each 45277  
such board and legislative authority, by ordinance or resolution, 45278  
shall approve or disapprove the revised fees and deliver a copy of 45279  
the ordinance or resolution to the committee. If any such board or 45280  
legislative authority fails to adopt and deliver to the policy 45281  
committee an ordinance or resolution approving or disapproving the 45282  
revised fees within sixty days after the policy committee 45283  
delivered its resolution adopting the proposed revised fees, it 45284  
shall be conclusively presumed that the board or legislative 45285  
authority has approved the proposed revised fees. The committee 45286  
shall determine if the resolution has been ratified in the same 45287  
manner in which it determines if a draft solid waste management 45288  
plan has been ratified under division (B) of section 3734.55 of 45289  
the Revised Code. 45290

The committee may amend the schedule of fees levied pursuant 45291  
to a resolution adopted and ratified under this division by 45292  
adopting a resolution establishing the proposed amount of the 45293  
amended fees. The committee may repeal the fees levied pursuant to 45294  
such a resolution by adopting a resolution proposing to repeal 45295  
them. Upon adopting such a resolution, the committee shall proceed 45296  
to obtain ratification of the resolution in accordance with this 45297  
division. 45298

Not later than fourteen days after declaring the new fees to 45299  
be ratified or the fees to be repealed under this division, the 45300  
committee shall notify by certified mail the owner or operator of 45301  
each solid waste disposal facility that is required to collect the 45302  
fees of the ratification and the amount of the fees or of the 45303  
repeal of the fees. Collection of any fees shall commence or 45304

collection of repealed fees shall cease on the first day of the 45305  
second month following the month in which notification is sent to 45306  
the owner or operator. 45307

Fees levied under this division also may be established, 45308  
amended, or repealed by a solid waste management policy committee 45309  
through the adoption of a new district solid waste management 45310  
plan, the adoption of an amended plan, or the amendment of the 45311  
plan or amended plan in accordance with sections 3734.55 and 45312  
3734.56 of the Revised Code or the adoption or amendment of a 45313  
district plan in connection with a change in district composition 45314  
under section 3734.521 of the Revised Code. 45315

Not later than fourteen days after the director issues an 45316  
order approving a district's solid waste management plan, amended 45317  
plan, or amendment to a plan or amended plan that establishes, 45318  
amends, or repeals a schedule of fees levied by the district, the 45319  
committee shall notify by certified mail the owner or operator of 45320  
each solid waste disposal facility that is required to collect the 45321  
fees of the approval of the plan or amended plan, or the amendment 45322  
to the plan, as appropriate, and the amount of the fees, if any. 45323  
In the case of an initial or amended plan approved under section 45324  
3734.521 of the Revised Code in connection with a change in 45325  
district composition, other than one involving the withdrawal of a 45326  
county from a joint district, the committee, within fourteen days 45327  
after the change takes effect pursuant to division (G) of that 45328  
section, shall notify by certified mail the owner or operator of 45329  
each solid waste disposal facility that is required to collect the 45330  
fees that the change has taken effect and of the amount of the 45331  
fees, if any. Collection of any fees shall commence or collection 45332  
of repealed fees shall cease on the first day of the second month 45333  
following the month in which notification is sent to the owner or 45334  
operator. 45335

If, in the case of a change in district composition involving 45336

the withdrawal of a county from a joint district, the director 45337  
completes the actions required under division (G)(1) or (3) of 45338  
section 3734.521 of the Revised Code, as appropriate, forty-five 45339  
days or more before the beginning of a calendar year, the policy 45340  
committee of each of the districts resulting from the change that 45341  
obtained the director's approval of an initial or amended plan in 45342  
connection with the change, within fourteen days after the 45343  
director's completion of the required actions, shall notify by 45344  
certified mail the owner or operator of each solid waste disposal 45345  
facility that is required to collect the district's fees that the 45346  
change is to take effect on the first day of January immediately 45347  
following the issuance of the notice and of the amount of the fees 45348  
or amended fees levied under divisions (B)(1) to (3) of this 45349  
section pursuant to the district's initial or amended plan as so 45350  
approved or, if appropriate, the repeal of the district's fees by 45351  
that initial or amended plan. Collection of any fees set forth in 45352  
such a plan or amended plan shall commence on the first day of 45353  
January immediately following the issuance of the notice. If such 45354  
an initial or amended plan repeals a schedule of fees, collection 45355  
of the fees shall cease on that first day of January. 45356

If, in the case of a change in district composition involving 45357  
the withdrawal of a county from a joint district, the director 45358  
completes the actions required under division (G)(1) or (3) of 45359  
section 3734.521 of the Revised Code, as appropriate, less than 45360  
forty-five days before the beginning of a calendar year, the 45361  
director, on behalf of each of the districts resulting from the 45362  
change that obtained the director's approval of an initial or 45363  
amended plan in connection with the change proceedings, shall 45364  
notify by certified mail the owner or operator of each solid waste 45365  
disposal facility that is required to collect the district's fees 45366  
that the change is to take effect on the first day of January 45367  
immediately following the mailing of the notice and of the amount 45368  
of the fees or amended fees levied under divisions (B)(1) to (3) 45369

of this section pursuant to the district's initial or amended plan 45370  
as so approved or, if appropriate, the repeal of the district's 45371  
fees by that initial or amended plan. Collection of any fees set 45372  
forth in such a plan or amended plan shall commence on the first 45373  
day of the second month following the month in which notification 45374  
is sent to the owner or operator. If such an initial or amended 45375  
plan repeals a schedule of fees, collection of the fees shall 45376  
cease on the first day of the second month following the month in 45377  
which notification is sent to the owner or operator. 45378

If the schedule of fees that a solid waste management 45379  
district is levying under divisions (B)(1) to (3) of this section 45380  
is amended or repealed, the fees in effect immediately prior to 45381  
the amendment or repeal shall continue to be collected until 45382  
collection of the amended fees commences or collection of the 45383  
repealed fees ceases, as applicable, as specified in this 45384  
division. In the case of a change in district composition, money 45385  
so received from the collection of the fees of the former 45386  
districts shall be divided among the resulting districts in 45387  
accordance with division (B) of section 343.012 of the Revised 45388  
Code and the agreements entered into under division (B) of section 45389  
343.01 of the Revised Code to establish the former and resulting 45390  
districts and any amendments to those agreements. 45391

For the purposes of the provisions of division (B) of this 45392  
section establishing the times when newly established or amended 45393  
fees levied by a district are required to commence and the 45394  
collection of fees that have been amended or repealed is required 45395  
to cease, "fees" or "schedule of fees" includes, in addition to 45396  
fees levied under divisions (B)(1) to (3) of this section, those 45397  
levied under section 3734.573 or 3734.574 of the Revised Code. 45398

(C) For the purposes of defraying the added costs to a 45399  
municipal corporation or township of maintaining roads and other 45400  
public facilities and of providing emergency and other public 45401

services, and compensating a municipal corporation or township for 45402  
reductions in real property tax revenues due to reductions in real 45403  
property valuations resulting from the location and operation of a 45404  
solid waste disposal facility within the municipal corporation or 45405  
township, a municipal corporation or township in which such a 45406  
solid waste disposal facility is located may levy a fee of not 45407  
more than twenty-five cents per ton on the disposal of solid 45408  
wastes at a solid waste disposal facility located within the 45409  
boundaries of the municipal corporation or township regardless of 45410  
where the wastes were generated. 45411

The legislative authority of a municipal corporation or 45412  
township may levy fees under this division by enacting an 45413  
ordinance or adopting a resolution establishing the amount of the 45414  
fees. Upon so doing the legislative authority shall mail a 45415  
certified copy of the ordinance or resolution to the board of 45416  
county commissioners or directors of the county or joint solid 45417  
waste management district in which the municipal corporation or 45418  
township is located or, if a regional solid waste management 45419  
authority has been formed under section 343.011 of the Revised 45420  
Code, to the board of trustees of that regional authority, the 45421  
owner or operator of each solid waste disposal facility in the 45422  
municipal corporation or township that is required to collect the 45423  
fee by the ordinance or resolution, and the director of 45424  
environmental protection. Although the fees levied under this 45425  
division are levied on the basis of tons as the unit of 45426  
measurement, the legislative authority, in its ordinance or 45427  
resolution levying the fees under this division, may direct that 45428  
the fees be levied on the basis of cubic yards as the unit of 45429  
measurement based upon a conversion factor of three cubic yards 45430  
per ton generally or one cubic yard per ton for baled wastes. 45431

Not later than five days after enacting an ordinance or 45432  
adopting a resolution under this division, the legislative 45433

authority shall so notify by certified mail the owner or operator 45434  
of each solid waste disposal facility that is required to collect 45435  
the fee. Collection of any fee levied on or after March 24, 1992, 45436  
shall commence on the first day of the second month following the 45437  
month in which notification is sent to the owner or operator. 45438

(D)(1) The fees levied under divisions (A), (B), and (C) of 45439  
this section do not apply to the disposal of solid wastes that: 45440

(a) Are disposed of at a facility owned by the generator of 45441  
the wastes when the solid waste facility exclusively disposes of 45442  
solid wastes generated at one or more premises owned by the 45443  
generator regardless of whether the facility is located on a 45444  
premises where the wastes are generated; 45445

(b) Are generated from the combustion of coal, or from the 45446  
combustion of primarily coal, regardless of whether the disposal 45447  
facility is located on the premises where the wastes are 45448  
generated; 45449

(c) Are asbestos or asbestos-containing materials or products 45450  
disposed of at a construction and demolition debris facility that 45451  
is licensed under Chapter 3714. of the Revised Code or at a solid 45452  
waste facility that is licensed under this chapter. 45453

(2) Except as provided in section 3734.571 of the Revised 45454  
Code, any fees levied under division (B)(1) of this section apply 45455  
to solid wastes originating outside the boundaries of a county or 45456  
joint district that are covered by an agreement for the joint use 45457  
of solid waste facilities entered into under section 343.02 of the 45458  
Revised Code by the board of county commissioners or board of 45459  
directors of the county or joint district where the wastes are 45460  
generated and disposed of. 45461

(3) When solid wastes, other than solid wastes that consist 45462  
of scrap tires, are burned in a disposal facility that is an 45463  
incinerator or energy recovery facility, the fees levied under 45464

divisions (A), (B), and (C) of this section shall be levied upon 45465  
the disposal of the fly ash and bottom ash remaining after burning 45466  
of the solid wastes and shall be collected by the owner or 45467  
operator of the sanitary landfill where the ash is disposed of. 45468

(4) When solid wastes are delivered to a solid waste transfer 45469  
facility, the fees levied under divisions (B) and (C) of this 45470  
section shall be levied upon the disposal of solid wastes 45471  
transported off the premises of the transfer facility for disposal 45472  
and shall be collected by the owner or operator of the solid waste 45473  
disposal facility where the wastes are disposed of. 45474

(5) The fees levied under divisions (A), (B), and (C) of this 45475  
section do not apply to sewage sludge that is generated by a waste 45476  
water treatment facility holding a national pollutant discharge 45477  
elimination system permit and that is disposed of through 45478  
incineration, land application, or composting or at another 45479  
resource recovery or disposal facility that is not a landfill. 45480

(6) The fees levied under divisions (A), (B), and (C) of this 45481  
section do not apply to solid wastes delivered to a solid waste 45482  
composting facility for processing. When any unprocessed solid 45483  
waste or compost product is transported off the premises of a 45484  
composting facility and disposed of at a landfill, the fees levied 45485  
under divisions (A), (B), and (C) of this section shall be 45486  
collected by the owner or operator of the landfill where the 45487  
unprocessed waste or compost product is disposed of. 45488

(7) When solid wastes that consist of scrap tires are 45489  
processed at a scrap tire recovery facility, the fees levied under 45490  
divisions (A), (B), and (C) of this section shall be levied upon 45491  
the disposal of the fly ash and bottom ash or other solid wastes 45492  
remaining after the processing of the scrap tires and shall be 45493  
collected by the owner or operator of the solid waste disposal 45494

most recent calendar year ending before the beginning of a year 46535  
exceeds the consumer price index for calendar year 1989. Upon 46536  
calculating an increase in fees authorized by division (E)(1) of 46537  
this section, the director shall compile revised fee schedules for 46538

of this section. 47422

(b) In the case of an entity that generates sewage sludge and 47423  
transfers the sewage sludge to a landfill for disposal or to a 47424  
sewage sludge facility for land reclamation or surface disposal, 47425  
the entity generating the sewage sludge, and not the landfill or 47426  
sewage sludge facility, shall pay the annual sludge fee for the 47427  
tons of sewage sludge that are transferred. 47428

(5) Not later than the first day of April of the calendar 47429  
year following March 17, 2000, and each first day of April 47430  
thereafter, the director shall issue invoices to persons who are 47431  
required to pay the annual sludge fee. The invoice shall identify 47432  
the nature and amount of the annual sludge fee assessed and state 47433  
the first day of May as the deadline for receipt by the director 47434  
of objections regarding the amount of the fee and the first day of 47435  
July as the deadline for payment of the fee. 47436

Not later than the first day of May following receipt of an 47437  
invoice, a person required to pay the annual sludge fee may submit 47438  
objections to the director concerning the accuracy of information 47439  
regarding the number of dry tons of sewage sludge used to 47440  
calculate the amount of the annual sludge fee or regarding whether 47441  
the sewage sludge qualifies for the exceptional quality sludge 47442  
discount established in division (Y)(2)(b) of this section. The 47443  
director may consider the objections and adjust the amount of the 47444

fee to ensure that it is accurate. 47445

If the director does not adjust the amount of the annual 47446  
sludge fee in response to a person's objections, the person may 47447  
appeal the director's determination in accordance with Chapter 47448  
119. of the Revised Code. 47449

Not later than the first day of June, the director shall 47450  
notify the objecting person regarding whether the director has 47451  
found the objections to be valid and the reasons for the finding. 47452  
If the director finds the objections to be valid and adjusts the 47453  
amount of the annual sludge fee accordingly, the director shall 47454  
issue with the notification a new invoice to the person 47455  
identifying the amount of the annual sludge fee assessed and 47456  
stating the first day of July as the deadline for payment. 47457

Not later than the first day of July, any person who is 47458  
required to do so shall pay the annual sludge fee. Any person who 47459  
is required to pay the fee, but who fails to do so on or before 47460  
that date shall pay an additional amount that equals ten per cent 47461  
of the required annual sludge fee. 47462

(6) The director shall transmit all moneys collected under 47463  
division (Y) of this section to the treasurer of state for deposit 47464  
into the surface water protection fund created in section 6111.038 47465  
of the Revised Code. The moneys shall be used to defray the costs 47466  
of administering and enforcing provisions in Chapter 6111. of the 47467  
Revised Code and rules adopted under it that govern the use, 47468  
storage, treatment, or disposal of sewage sludge. 47469

(7) Beginning in fiscal year 2001, and every two years 47470  
thereafter, the director shall review the total amount of moneys 47471  
generated by the annual sludge fees to determine if that amount 47472  
exceeded six hundred thousand dollars in either of the two 47473  
preceding fiscal years. If the total amount of moneys in the fund 47474  
exceeded six hundred thousand dollars in either fiscal year, the 47475

director, after review of the fee structure and consultation with 47476  
affected persons, shall issue an order reducing the amount of the 47477  
fees levied under division (Y) of this section so that the 47478  
estimated amount of moneys resulting from the fees will not exceed 47479  
six hundred thousand dollars in any fiscal year. 47480

If, upon review of the fees under division (Y)(7) of this 47481  
section and after the fees have been reduced, the director 47482  
determines that the total amount of moneys collected and 47483  
accumulated is less than six hundred thousand dollars, the 47484  
director, after review of the fee structure and consultation with 47485  
affected persons, may issue an order increasing the amount of the 47486  
fees levied under division (Y) of this section so that the 47487  
estimated amount of moneys resulting from the fees will be 47488  
approximately six hundred thousand dollars. Fees shall never be 47489  
increased to an amount exceeding the amount specified in division 47490  
(Y)(7) of this section. 47491

Notwithstanding section 119.06 of the Revised Code, the 47492  
director may issue an order under division (Y)(7) of this section 47493  
without the necessity to hold an adjudicatory hearing in 47494  
connection with the order. The issuance of an order under this 47495  
division is not an act or action for purposes of section 3745.04 47496

**Sec. 3781.10.** (A)(1) The board of building standards shall 47794  
formulate and adopt rules governing the erection, construction, 47795  
repair, alteration, and maintenance of all buildings or classes of 47796  
buildings specified in section 3781.06 of the Revised Code, 47797  
including land area incidental to those buildings, the 47798  
construction of industrialized units, the installation of 47799  
equipment, and the standards or requirements for materials used in 47800  
connection with those buildings. The board shall incorporate those 47801  
rules into separate residential and nonresidential building codes. 47802  
The standards shall relate to the conservation of energy and the 47803  
safety and sanitation of those buildings. 47804

(2) The rules governing nonresidential buildings are the 47805

industrialized units, except that no rule other than as provided 47807  
in division (C) of section 3781.108 of the Revised Code that 47808

section 3781.01 of the Revised Code. 47817

(3) The rules adopted pursuant to this section are complete, 47818

The board shall prepare and submit to the general assembly a 47833  
summary report of the number, nature, and disposition of the 47834  
petitions filed under sections 3781.13 and 3781.14 of the Revised 47835  
Code. 47836

(C) On its own motion or on application made under sections 47837

pursuant to section 3781.11 of the Revised Code. The board shall 47843  
make its determination with regard to adaptability for safe and 47844  
sanitary erection, use, or construction, to that described in any 47845  
section of the Revised Code, wherever the use of a fixture, 47846  
device, material, method of manufacture, system, or method of 47847

construction described in that section of the Revised Code is 47848  
permitted by law. The board shall amend or annul any rule or issue 47849  
an authorization for the use of a new material or manufactured 47850  
unit on any like application. No department, officer, board, or 47851  
commission of the state other than the board of building standards 47852  
or the board of building appeals shall permit the use of any 47853  
fixture, device, material, method of manufacture, newly designed 47854  
product, system, or method of construction at variance with what 47855  
is described in any rule the board of building standards adopts or 47856  
issues or that is authorized by any section of the Revised Code. 47857  
Nothing in this section shall be construed as requiring approval, 47858  
by rule, of plans for an industrialized unit that conforms with 47859  
the rules the board of building standards adopts pursuant to 47860  
section 3781.11 of the Revised Code. 47861

department, officer, board, or commission of the state, and to 47867  
legislative authorities and building departments of counties, 47868

does not make such revenue available to repay some or all of the 48578  
revenue bonds or obligations issued, the owners or holders of 48579  
those bonds or obligations have no right to have excises or taxes 48580

and obligations are not a debt of the issuing compacting state. 48582

v. A compacting state may issue bonds or other debt that are 48583  
general obligations, under which the full faith and credit, 48584  
revenue, and taxing power of the state is pledged to pay the 48585

state. 48589

with section 3.f. of this article. The commission reserves the 48594  
right to continuously evaluate the cure in the interim and rescind 48595  
a prize offer if the commission finds that the cure no longer 48596  
meets the commission's criteria. 48597

4. The commission may award a prize for a treatment or 48598  
therapeutic protocol that yields a survival rate that is less than 48599  
what is established in the cure criteria through at least five 48600  
years after the treatment or protocol has ended. In that case, the 48601  
prize amount awarded for that treatment or therapeutic protocol 48602  
shall be reduced from the prize amount originally determined by 48603  
the commission for a cure for that disease. The reduction shall be 48604  
in proportion to the survival rate yielded by that treatment or 48605

protocol as compared to the survival rate established in the cure 48606  
criteria. 48607

5. The commission also shall adopt rules that do the 48608  
following: 48609

a. Establish the following regarding commission records: 48610

i. Conditions and procedures for public inspection and 48611  
copying of its information and official records, except such 48612  
information and records involving the privacy of individuals or 48613  
would otherwise violate privacy laws under federal law and the 48614  
laws of the compacting states; 48615

ii. Procedures for sharing with federal and state agencies, 48616  
including law enforcement agencies, records and information 48617  
otherwise exempt from disclosure; 48618

iii. Guidelines for entering into agreements with federal and 48619  
state agencies to receive or exchange information or records 48620  
subject to nondisclosure and confidentiality provisions. 48621

b. Provide a process for commission review of submitted 48622  
treatments and therapeutic protocols for curing diseases that 48623  
includes the following: 48624

i. An opportunity for an appeal, not later than thirty days 48625  
after a rejection of a treatment or protocol for prize 48626  
consideration, to a review panel established under the 48627  
commission's dispute resolution process; 48628

ii. Commission monitoring and review of treatment and 48629  
protocol effectiveness consistent with the cure criteria 48630  
established by the commission for the particular disease; 48631

iii. Commission reconsideration, modification, or withdrawal 48632  
of approval of a treatment or protocol for prize consideration for 48633  
failure to continue to meet the cure criteria established by the 48634  
commission for the particular disease. 48635

c. Establish a dispute resolution process to resolve disputes 48636  
or other issues under the compact that may arise between two or 48637  
more compacting states or between the commission and individuals 48638  
or entities who submit treatments and therapeutic protocols to 48639  
cure diseases, which process shall provide for: 48640

i. Administrative review by a review panel appointed by the 48641  
commission; 48642

ii. Judicial review of decisions issued after an 48643  
administrative review; and 48644

iii. Qualifications to be appointed to a panel, due process 48645  
requirements, including notice and hearing procedures, and any 48646  
other procedure, requirement, or standard necessary to provide 48647  
adequate dispute resolution. 48648

d. Establish and impose annual member dues on compacting 48649  
states, which shall be calculated based on the percentage of each 48650  
compacting state's population in relation to the population of all 48651  
the compacting states. 48652

6. Recognizing that the goal of the compact is to pool the 48653  
potential savings of as many states and countries as possible to 48654  
generate sufficient financial incentive to develop a cure for many 48655  
of the world's most devastating diseases, the compact will respect 48656  
the laws of each of these United States by adopting rules that 48657  
establish ethical standards for research that shall be followed in 48658  
order for a prize to be claimed. The compact, in the rules, shall 48659  
establish a common set of ethical standards that embodies the laws 48660  
and restrictions in each of the states so that to be eligible for 48661  
claiming a prize the entity submitting a cure must not have 48662  
violated any of the ethical standards in any one of the fifty 48663  
states, whether the states have joined the compact or not. The 48664  
compact will publish these common ethical standards along with the 48665  
specific criteria for a cure for each of the diseases the compact 48666

has targeted. 48667

So long as a researcher follows the common ethical standards 48668  
in effect at the time the research is done, an entity presenting a 48669  
cure will be deemed to have followed the standards. On or before 48670  
January 1 of each year, the compact shall review all state laws to 48671  
determine if additional ethical standards have been enacted by any 48672  
of the fifty states and the federal government. Any changes to the 48673  
common ethical standards rules based on new state laws shall be 48674  
adopted and published by the compact, but shall not take effect in 48675  
cure criteria for a period of three years to allow for sufficient 48676  
notice to researchers. 48677

7. All rules may be amended as the commission sees necessary. 48678

8. All rules shall be adopted pursuant to a rule-making 48679  
process that conforms to the model state administrative procedure 48680  
act of 1981 by the uniform law commissioners, as amended, as may 48681  
be appropriate to the operations of the commission. 48682

9. In the event the commission exercises its rule-making 48683  
authority in a manner that is beyond the scope of the purpose of 48684  
this compact, or the powers granted hereunder, then such rule 48685  
shall be invalid and have no force and effect. 48686

Article VII. Committees 48687

1. Management Committee 48688

a. The commission may establish a management committee 48689  
comprised of not more than fourteen members when twenty-six states 48690  
enact the compact. 48691

b. The committee shall consist of those members representing 48692  
compacting states whose total public health expenses of all of the 48693  
established diseases are the highest. 48694

c. The committee shall have such authority and duties as may 48695  
be set forth in the commission's bylaws and rules, including: 48696

<u>i. Managing authority over the day-to-day affairs of the</u>	48697
<u>commission in a manner consistent with the commission's bylaws and</u>	48698

<u>iii. Planning, implementing, and coordinating communications</u>	48701
<u>and activities with state, federal, and local government</u>	48702
<u>organizations in order to advance the goals of the compact.</u>	48703
<u>d. The commission annually shall elect officers for the</u>	48704
<u>committee, with each having such authority and duties as may be</u>	48705
<u>specified in the commission's bylaws and rules.</u>	48706
<u>e. The management committee, subject to commission approval,</u>	48707
<u>may appoint or retain an executive director for such period, upon</u>	48708
<u>such terms and conditions, and for such compensation as the</u>	48709
<u>committee determines. The executive director shall serve as</u>	48710
<u>secretary to the commission, but shall not be a member of the</u>	48711
<u>commission. The executive director shall hire and supervise such</u>	48712
<u>other staff as may be authorized by the committee.</u>	48713
<u>2. Advisory Committees</u>	48714
<u>The commission may appoint advisory committees to monitor all</u>	48715
<u>operations related to the purposes of the compact and make</u>	48716
<u>recommendations to the commission; provided that the manner of</u>	48717
<u>selection and term of any committee member shall be as set forth</u>	48718
<u>in the commission's bylaws and rules. The commission shall consult</u>	48719
<u>with an advisory committee, to the extent required by the</u>	48720
<u>commission's bylaws or rules, before doing any of the following:</u>	48721
<u>a. Approving cure criteria;</u>	48722
<u>b. Amending, enacting, or repealing any bylaw or rule;</u>	48723
<u>c. Adopting the commission's annual budget;</u>	48724
<u>d. Addressing any other significant matter or taking any</u>	48725
<u>other significant action.</u>	48726

Article VIII. Finance 48727

1. The commission annually shall establish a budget to pay or provide for the payment of its reasonable expenses. To fund the cost of initial operations, the commission may accept contributions and other forms of funding from the compacting states and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of the commission concerning the performance of its duties shall not be compromised. 48728

Upon the determination of the commission, but not less frequently than every three years, the review of the independent auditor shall include a management and performance audit of the commission. The commission shall make an annual report to the governors and legislatures of the compacting states, which shall include a report of the independent audit. The commission's internal accounts shall not be confidential and such materials may be shared with any compacting state upon request provided, however, that any work papers related to any internal or independent audit and any information subject to the compacting states' privacy laws, shall remain confidential. 48738

Article IX. Records 48760

Except as to privileged records, data, and information, the 48761  
laws of any compacting state pertaining to confidentiality or 48762  
nondisclosure shall not relieve any member of the duty to disclose 48763  
any relevant records, data, or information to the commission; 48764  
provided, that disclosure to the commission shall not be deemed to 48765  
waive or otherwise affect any confidentiality requirement; and 48766  
further provided, that, except as otherwise expressly provided in 48767  
the compact, the commission shall not be subject to the compacting 48768  
state's laws pertaining to confidentiality and nondisclosure with 48769  
respect to records, data, and information in its possession. 48770

cure submissions received by the commission are confidential. 48773

Article X. Compliance 48774

The commission shall notify a compacting state in writing of 48775  
any noncompliance with commission bylaws and rules. If a 48776  
compacting state fails to remedy its noncompliance within the time 48777

1. The members, officers, executive director, employees, and 48786  
representatives of the commission shall be immune from suit and 48787

any claim for damage to or loss of property or personal injury or 48789  
other civil liability caused by or arising out of any actual or 48790  
alleged act, error, or omission that occurred, or that such person 48791  
had a reasonable basis for believing occurred within the scope of 48792  
the person's commission employment, duties, or responsibilities; 48793  
provided, that nothing in section 1. of this article shall be 48794  
construed to protect any such person from suit or liability for 48795  
any damage, loss, injury, or liability caused by the intentional 48796  
or willful and wanton misconduct of that person. 48797

director, employee, or representative of the commission in any 48799  
civil action seeking to impose liability arising out of any actual 48800

or commission bylaws or rules shall be construed to prohibit that 48806  
person from retaining his or her own counsel; and provided 48807

not result from that person's intentional or willful and wanton 48809  
misconduct. 48810

3. The commission shall indemnify and hold harmless any 48811  
member, officer, executive director, employee, or representative 48812  
of the commission for the amount of any settlement or judgment 48813  
obtained against the person arising out of any actual or alleged 48814

<u>2. The compact shall become effective and binding upon</u>	48825

<u>become effective and binding as to any other compacting state upon</u>	48829
<u>enactment of the compact into law by that state.</u>	48830
<u>3. Amendments to the compact may be proposed by the</u>	48831

<u>the compact, including annual member dues and prize distributions.</u>	48838
<u>Article XIV. Withdrawal, Default, and Expulsion</u>	48839
<u>1. Withdrawal</u>	48840
<u>a. Once effective, the compact shall continue in force and</u>	48841
<u>remain binding upon each and every compacting state; provided,</u>	48842
<u>that a compacting state may withdraw from the compact by doing</u>	48843
<u>both of the following:</u>	48844
<u>i. Repealing the law enacting the compact in that state;</u>	48845
<u>ii. Notifying the commission in writing of the intent to</u>	48846
<u>withdraw on a date that is both of the following:</u>	48847
<u>I. At least three years after the date the notice is sent;</u>	48848
<u>II. After the repeal takes effect.</u>	48849

b. The effective date of withdrawal is the date described in section 1.a.ii. of this article. 48850  
48851

c. The member representing the withdrawing state shall immediately notify the management committee in writing upon the introduction of legislation in that state repealing the compact. If a management committee has not been established, the member shall immediately notify the commission. 48852  
48853  
48854  
48855  
48856

d. The commission or management committee, as applicable, shall notify the other compacting states of the introduction of such legislation within ten days after its receipt of notice thereof. 48857  
48858  
48859  
48860

e. The withdrawing state is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal. The commission's actions shall continue to be effective and be given full force and effect in the withdrawing state. 48861  
48862  
48863  
48864  
48865  
48866

f. Reinstatement following a state's withdrawal shall become effective upon the effective date of the subsequent enactment of the compact by that state. 48867  
48868  
48869

2. Default 48870

a. If the commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under the compact or the commission's bylaws or rules, then, after notice and hearing as set forth in the bylaws, all rights, privileges, and benefits conferred by this compact on the defaulting state shall be suspended from the effective date of default as fixed by the commission. The grounds for default include failure of a compacting state to perform its obligations or responsibilities, and any other grounds designated in commission rules. 48877  
48878  
48879  
48880

defaulting state in writing of the suspension pending cure of the 48881  
default. The commission shall stipulate the conditions and the 48882  
time period within which the defaulting state shall cure its 48883  
default. If the defaulting state fails to cure the default within 48884  
the time period specified by the commission, the defaulting state 48885  
shall be expelled from the compact and all rights, privileges, and 48886  
benefits conferred by the compact shall be terminated from the 48887  
effective date of the expulsion. Any state that is expelled from 48888  
the compact shall be liable for any cure prize or prizes for three 48889  
years after its removal. The commission shall also take 48890  
appropriate legal action to ensure that any compacting state that 48891  
withdraws from the compact remains liable for paying its 48892  
responsibility towards a prize for a cure that was accepted while 48893  
the compacting state was a member of the commission. 48894

b. The expelled state must reenact the compact in order to 48895  
become a compacting state. 48896

3. Dissolution of Compact 48897

a. The compact dissolves effective upon the date of either of 48898  
the following: 48899

i. The withdrawal or expulsion of a compacting state, which 48900  
withdrawal or expulsion reduces membership in the compact to one 48901  
compacting state; 48902

ii. The commission votes to dissolve the compact. 48903

b. Upon the dissolution of the compact, the compact becomes 48904  
null and void and shall be of no further force or effect, and the 48905  
business and affairs of the commission shall be wound up and any 48906  
surplus funds shall be distributed in accordance with the 48907  
commission's bylaws, provided, that the commission shall pay all 48908  
outstanding prizes awarded before the dissolution of the compact, 48909  
as well as any other outstanding debts and obligations incurred 48910  
during the existence of the compact. Any unawarded funds donated 48911

to be a part of a prize shall be returned to the donor, along with 48912  
any interest earned on the amount. 48913

Article XV. Severability and Construction 48914

1. The provisions of the compact shall be severable; and if 48915  
any phrase, clause, sentence, or provision is deemed 48916  
unenforceable, the remaining provisions of the compact shall be 48917  
enforceable. 48918

2. The provisions of the compact shall be liberally construed 48919  
to effectuate its purposes. 48920

Article XVI. Binding Effect of Compact and Other Laws 48921

1. Other Laws: Nothing herein prevents the enforcement of any 48922  
other law of a compacting state, except as provided in section 48923  
2.b. of this article. 48924

2. Binding Effect of the Compact 48925

a. All lawful actions of the commission, including all 48926  
commission rules, are binding upon the compacting states. 48927

b. All agreements between the commission and the compacting 48928  
states are binding in accordance with their terms. 48929

c. Except to the extent authorized by the compacting state's 48930  
constitution or, if constitutional authorization is not required, 48931  
by other law of the compacting state, such state, by entering into 48932  
the compact does not: 48933

i. Commit the full faith and credit or taxing power of the 48934  
compacting state for the payment of prizes or other obligations 48935  
under the compact; 48936

ii. Make prize payment responsibilities or other obligations 48937  
under the compact a debt of the compacting state. 48938

d. Upon the request of a party to a conflict over the meaning 48939  
or interpretation of commission actions, and upon a majority vote 48940

of the compacting states, the commission may issue advisory 48941  
opinions regarding the meaning or interpretation in dispute. 48942

e. In the event any provision of the compact exceeds the 48943  
constitutional limits imposed on any compacting state, the 48944  
obligations, duties, powers or jurisdiction sought to be conferred 48945  
by that provision upon the commission shall be ineffective as to 48946  
that compacting state, and those obligations, duties, powers, or 48947  
jurisdiction shall remain in the compacting state and shall be 48948  
exercised by the agency thereof to which those obligations, 48949  
duties, powers, or jurisdiction are delegated by law in effect at 48950  
the time the compact becomes effective. 48951

**Sec. 3901.381.** (A) Except as provided in sections 3901.382, 48952  
3901.383, 3901.384, and 3901.386 of the Revised Code, a 48953  
third-party payer shall process a claim for payment for health 48954  
care services rendered by a provider to a beneficiary in 48955  
accordance with this section. 48956

(B)(1) Unless division (B)(2) or (3) of this section applies, 48957  
when a third-party payer receives from a provider or beneficiary a 48958  
claim on the standard claim form prescribed in rules adopted by 48959  
the superintendent of insurance under section 3902.22 of the 48960  
Revised Code, the third-party payer shall pay or deny the claim 48961  
not later than thirty days after receipt of the claim. When a 48962  
third-party payer denies a claim, the third-party payer shall 48963  
notify the provider and the beneficiary. The notice shall state, 48964  
with specificity, why the third-party payer denied the claim. 48965

(2)(a) Unless division (B)(3) of this section applies, when a 48966  
provider or beneficiary has used the standard claim form, but the 48967  
third-party payer determines that reasonable supporting 48968  
documentation is needed to establish the third-party payer's 48969  
responsibility to make payment, the third-party payer shall pay or 48970  
deny the claim not later than forty-five days after receipt of the 48971

claim. Supporting documentation includes the verification of 48972  
employer and beneficiary coverage under a benefits contract, 48973  
confirmation of premium payment, medical information regarding the 48974  
beneficiary and the services provided, information on the 48975  
responsibility of another third-party payer to make payment or 48976  
confirmation of the amount of payment by another third-party 48977  
payer, and information that is needed to correct material 48978  
deficiencies in the claim related to a diagnosis or treatment or 48979  
the provider's identification. 48980

Not later than thirty days after receipt of the claim, the 48981  
third-party payer shall notify all relevant external sources that 48982  
the supporting documentation is needed. All such notices shall 48983  
state, with specificity, the supporting documentation needed. If 48984  
the notice was not provided in writing, the provider, beneficiary, 48985  
or third-party payer may request the third-party payer to provide 48986  
the notice in writing, and the third-party payer shall then 48987  
provide the notice in writing. If any of the supporting 48988  
documentation is under the control of the beneficiary, the 48989  
beneficiary shall provide the supporting documentation to the 48990  
third-party payer. 48991

The number of days that elapse between the third-party 48992  
payer's last request for supporting documentation within the 48993  
thirty-day period and the third-party payer's receipt of all of 48994  
the supporting documentation that was requested shall not be 48995  
counted for purposes of determining the third-party payer's 48996  
compliance with the time period of not more than forty-five days 48997

(B)(2)(b) of this section, if the third-party payer requests 48999  
additional supporting documentation after receiving the initially 49000  
requested documentation, the number of days that elapse between 49001  
making the request and receiving the additional supporting 49002  
documentation shall be counted for purposes of determining the 49003

third-party payer's compliance with the time period of not more than forty-five days. 49004  
49005

(b) If a third-party payer determines, after receiving initially requested documentation, that it needs additional supporting documentation pertaining to a beneficiary's preexisting condition, which condition was unknown to the third-party payer and about which it was reasonable for the third-party payer to have no knowledge at the time of its initial request for documentation, and the third-party payer subsequently requests this additional supporting documentation, the number of days that elapse between making the request and receiving the additional supporting documentation shall not be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days. 49006

49020  
49021

(d) If a third-party payer determines that supporting documentation related to medical information is routinely necessary to process a claim for payment of a particular health care service, the third-party payer shall establish a description of the supporting documentation that is routinely necessary and make the description available to providers in a readily accessible format. 49022

shall state, with specificity, the information needed to correct 49042

provider or beneficiary of material deficiencies in the claim 49048  
related to a diagnosis or treatment or the provider's 49049  
identification. A third-party payer may request the information 49050  
necessary to correct these deficiencies after the end of the 49051  
notification time period. Requests for such information shall be 49052  
made as requests for supporting documentation under division 49053  
(B)(2) of this section, and payment or denial of the claim is 49054  
subject to the time periods specified in that division. 49055

(1) If the provider or a person acting on behalf of the 49059  
provider submits a claim directly to a third-party payer by mail 49060  
and retains a record of the day the claim was mailed, there exists 49061  
a rebuttable presumption that the claim was received by the 49062  
third-party payer on the fifth business day after the day the 49063  
claim was mailed, unless it can be proven otherwise. 49064

(2) If the provider or a person acting on behalf of the 49065  
provider submits a claim directly to a third-party payer 49066

electronically, there exists a rebuttable presumption that the claim was received by the third-party payer twenty-four hours after the claim was submitted, unless it can be proven otherwise.

(D) Nothing in this section requires a third-party payer to provide more than one notice to an employer whose premium for coverage of employees under a benefits contract has not been received by the third-party payer.

method the health benefit plan generally uses to determine 49312  
payments for out-of-network health care services, such as the 49313

cost sharing imposed under the health benefit plan. This amount 49315  
shall be determined without reduction for cost sharing that 49316  
generally applies under the health benefit plan with respect to 49317  
out-of-network health care services. 49318

(c) The amount that would be paid under the medicare program, 49319

(E) A health plan issuer shall not require cost sharing for 49338  
any service described in division (B) of this section from the 49339  
covered person at a rate higher than if the services were provided 49340

facility. 49342

(F) For health care services, other than those described in 49343  
division (B) of this section, that are covered under a health 49344

(1) For services provided in this state, the individual 49347

required to obtain the health care service at that location or 49360  
from that individual provider. 49361

(c) The covered person affirmatively consents to receive the 49362  
services. 49363

(2) The health plan issuer may reimburse the individual 49364  
provider at either the in-network or out-of-network rate as 49365  
described in the covered person's health benefit plan. 49366

49368

49377  
49378  
49379

(2) The billed amount exceeds seven hundred dollars. 49380

49779  
49780  
49781

(a) All information specified in division (A) of this section associated with products, services, or procedures to be provided by the hospital or its employees; 49782  
49783  
49784

(b) All information specified in division (A) of this section associated with products, services, or procedures to be provided by health care providers who are independent contractors of the 49785  
49786  
49787

hospital. 49788

(2) A health care provider who is an independent contractor 49789  
of a hospital shall submit to the hospital all CPT codes or other 49790  
identifiers the hospital needs to fulfill its responsibility under 49791  
division (B)(1)(b) of this section. 49792

(C) A cost estimate required by this section shall be based 49793  
on information provided at the time the appointment is made, as 49794  
specified in section 3962.011 of the Revised Code, for the health 49795  
care product, service, or procedure. In addition, the estimate 49796  
need not take into account any information that subsequently 49797  
arises, such as unknown, unanticipated, or subsequently needed 49798  
health care products, services, or procedures provided for any 49799  
reason after the initial appointment. Only one estimate is 49800  
required per visit. 49801

If specific information, such as the health care provider who 49802  
will be providing the health care product, service, or procedure, 49803  
is not readily available at the time the appointment is made, the 49804  
provider may base the cost estimate information specified in 49805  
division (A)(1) of section 3962.04 of the Revised Code on either 49806  
an average estimated charge for the product, service, or procedure 49807  
that is submitted to the patient's health plan issuer or the 49808  
average out-of-pocket price for the product, service, or procedure 49809  
paid by patients who are uninsured. 49810

(D)(1) Except as provided in division (D)(2) or (3) of this 49811  
section, the cost estimate required by this section shall be 49812  
provided not later than twenty-four hours after the time the 49813  
appointment for the health care product, service, or procedure is 49814  
made, as specified in section 3962.011 of the Revised Code, or, if 49815  
the product, service, or procedure is to be provided less than 49816  
twenty-four hours after the appointment for the product, service, 49817  
or procedure is made, as specified in section 3962.011 of the 49818  
Revised Code, at the time the patient presents to receive the 49819

product, service, or procedure. 49820

(2) If the health care product, service, or procedure is to 49821  
be provided by one or more independent contractors of the 49822  
provider, the cost estimate shall be provided not later than 49823  
thirty-six hours after the time the appointment for the product, 49824  
service, or procedure is made, as specified in section 3962.011 of 49825  
the Revised Code, or, if the product, service, or procedure is to 49826  
be provided less than thirty-six hours after the appointment for 49827  
the product, service, or procedure is made, as specified in 49828  
section 3962.011 of the Revised Code, at the time the patient 49829  
presents to receive the product, service, or procedure. 49830

(3) A provider may elect to send the cost estimate to the 49831  
patient or the patient's representative by regular mail if the 49832  
health care product, service, or procedure will be provided more 49833  
than three days from the time the estimate is generated. If this 49834  
election is made, the provider shall mail the cost estimate not 49835  
later than the following, as applicable: 49836

(a) If the provider would otherwise be required to comply 49837  
with division (D)(1) of this section, twenty-four hours after the 49838  
time the appointment for the health care product, service, or 49839  
procedure is made, as specified in section 3962.011 of the Revised 49840  
Code; 49841

(b) If the provider would otherwise be required to comply 49842  
with division (D)(2) of this section, thirty-six hours after the 49843  
time the appointment for the health care product, service, or 49844  
procedure is made, as specified in section 3962.011 of the Revised 49845  
Code. 49846

(E)(1) If the patient is insured, a health care provider 49847  
shall, not later than twenty-four hours after an appointment is 49848  
made, as specified in section 3962.011 of the Revised Code, 49849  
transmit to the patient's health plan issuer the patient's name; 49850

the patient's identification number, if one has been assigned; the 49851  
CPT code or other identifier the issuer requires for each health 49852  
care product, service, or procedure the patient is to receive; the 49853  
provider's identification number; the provider's charge for each 49854  
product, service, or procedure the patient has scheduled that will 49855  
be delivered by a provider who is not in-network for the patient's 49856  
health benefit plan; notification that the provider is providing 49857  
the cost estimate to the patient or the patient's representative; 49858  
and any other information the issuer requires from the provider. 49859

(2) If the provider is to provide a product, service, or 49860  
procedure pursuant to a prescription or order from another 49861  
provider, the provider who received the prescription or order 49862  
shall transmit the information specified in division (E)(1) of 49863  
this section to the patient's health plan issuer not later than 49864  
twenty-four hours after receiving the prescription or order or, if 49865  
received when the provider's office or facility is closed, 49866  
twenty-four hours after the office or facility reopens. 49867

(3) Not later than five minutes after receiving information 49868  
pursuant to division (E)(1) or (2) of this section, the health 49869  
plan issuer shall give to the health care provider all information 49870  
the provider needs to generate a cost estimate. 49871

If a health plan issuer does not provide the information 49872  
necessary to generate the estimate, the health care provider shall 49873  
notify the patient. The provider may note in the portion of the 49874  
estimate pertaining to the information required by divisions 49875  
(A)(2) and (3) of this section that health plan issuer information 49876  
was not provided as required by law. In this case, the provider 49877  
may specify only the information required by division (A)(1) of 49878  
this section and, at the provider's discretion, the information 49879  
required by division (A)(2) of this section. If the information 49880  
necessary to complete the estimate is subsequently received and an 49881  
updated estimate can be provided within the time limit established 49882

by division (D) of this section, the health care provider shall 49883  
provide the updated estimate. 49884

(F) The cost estimate required by this section shall contain 49885  
a disclaimer that the information is only an estimate based on 49886  
facts available at the time it was prepared and that the amounts 49887  
estimated could change as a result of unknown, unanticipated, or 49888  
subsequently needed health care products, services, or procedures; 49889  
changes to the patient's health benefit plan; or other changes. 49890  
The provider has discretion in how the disclaimer is expressed. 49891

(G) If the amount estimated under division (A)(3) or (4) of 49892  
this section changes by more than ten per cent before the patient 49893  
initially presents for the health care product, service, or 49894  
procedure, the health care provider shall supply to the patient an 49895  
updated estimate within the time limit established by division (B) 49896  
or (D) of this section, as applicable. 49897

(H) The cost estimate required by this section may be 49898  
provided verbally or in electronic or written form and shall be 49899  
easy to understand. If the estimate is provided in electronic or 49900  
written form, all of the following apply: 49901

(1) It shall be provided in large font. 49902

(2) Unless the estimate contains more than nine CPT codes or 49903  
other identifiers, it shall be limited to one page. 49904

(3) The subject line of the communication containing the 49905  
estimate shall state "Your Ohio Healthcare Price Transparency 49906  
Estimate." 49907

(I) A patient may decline to receive a cost estimate under 49908  
this section. 49909

(J) Nothing in this section prohibits a health care provider 49910  
or health plan issuer from collecting payment from a patient for 49911  
an administered health care product, service, or procedure 49912

regardless of whether the patient does or does not receive a cost estimate under this section before the product, service, or procedure is received. 49913  
49914  
49915

Sec. 3962.05. (A)(1) If a health care provider elects for a patient's health plan issuer to provide a cost estimate in lieu of the provider, the provider shall notify the issuer of this election through the issuer's portal described in section 1751.72, 3923.041, or 5160.34 of the Revised Code or, beginning January 1, 2020, the connector portal established under section 3962.09 of the Revised Code. In addition, the provider shall, except as provided in division (B) of this section, also transmit to the health plan issuer through the appropriate portal all of the following: 49916  
49917  
49918  
49919  
49920  
49921  
49922  
49923  
49924  
49925

(a) The patient's name; 49926

(b) The patient's identification number, if one has been assigned; 49927  
49928

(c) The CPT code or other identifier the health plan issuer requires for each health care product, service, or procedure the patient is to receive; 49929  
49930  
49931

(d) The provider's identification number; 49932

(e) The charge for each product, service, or procedure the patient has scheduled that will be delivered by a provider who is out-of-network for the patient's health benefit plan; 49933  
49934  
49935

(f) Any other information the health plan issuer requires from the provider. 49936  
49937

The portal also shall be able to transmit a copy of this information directly to the patient to whom the information pertains. 49938  
49939  
49940

Except as provided in division (A)(2) of this section, the transmission shall occur not later than twenty-four hours after 49941  
49942

the time the appointment for the health care product, service, or procedure is made, as specified in section 3962.011 of the Revised Code. 49943  
49944  
49945

(2) If the health care product, service, or procedure is to be provided by one or more independent contractors of the provider, the transmission shall occur not later than thirty-six hours after the time the appointment for the product, service, or procedure is made, as specified in section 3962.011 of the Revised Code. 49946  
49947  
49948  
49949  
49950  
49951

A health plan issuer shall modify its portal as necessary to accommodate the information transmission. 49952  
49953

(B) If a health care provider attests to the department of insurance that it is unable to transmit information through a health plan issuer's portal or through the connector portal, the provider may transmit the information by facsimile or telephone call to the department of insurance. The department shall enter the information on the provider's behalf in the relevant portal. Under these circumstances, the provider may compile patient information and transmit it to the department in a batch once every business day. 49954  
49955  
49956  
49957  
49958  
49959  
49960  
49961  
49962

**Sec. 3962.06.** (A) Under the circumstances described in division (A)(1) of section 3962.05 of the Revised Code, a health plan issuer shall provide a cost estimate to the patient or the patient's representative containing the information specified in divisions (A)(1) to (3) of section 3962.04 of the Revised Code, as well as the average rate the health plan issuer reimburses in-network providers for the same health care product, service, or procedure. 49963  
49964  
49965  
49966  
49967  
49968  
49969  
49970

(B) A health plan issuer shall ask the patient or the patient's representative whether the patient would prefer to receive cost estimates by electronic mail or other electronic 49971  
49972  
49973

means or by regular mail. The issuer shall send cost estimates by 49974  
the means elected. 49975

If the means elected is by electronic mail or or other 49976  
electronic means, the estimate shall be sent automatically, but 49977  
not later than five minutes after the health plan issuer has 49978  
received the necessary information from the health care provider. 49979  
If the means elected is by regular mail, the estimate shall be 49980  
mailed not later than forty-eight hours after the issuer has 49981  
received the necessary information from the health care provider 49982  
if the health care product, service, or procedure will be provided 49983  
more than three days from the time the estimate is generated. For 49984  
purposes of calculating the forty-eight hours, hours on a 49985  
Saturday, Sunday, or legal holiday shall be excluded. 49986

If no election is made, the estimate shall be sent as 49987  
follows: 49988

(1) If the health care product, service, or procedure will be 49989  
provided more than three days from the time the estimate is 49990  
generated, by regular mail; 49991

(2) If the health care product, service, or procedure will be 49992  
provided less than three days from the time the estimate is 49993  
generated and the electronic mail address of the patient or 49994  
patient's representative is on file with the issuer, by electronic 49995  
mail. 49996

A health plan issuer shall be held harmless if the electronic 49997  
mail address of the patient or the patient's representative on 49998  
file with the issuer is incorrect, invalid, or no longer used. 49999

(C)(1) The cost estimate required by this section shall be 50000  
based on information provided at the time an appointment is made, 50001  
as specified in section 3962.011 of the Revised Code. In addition, 50002  
the estimate need not take into account any information that 50003  
subsequently arises, such as unknown, unanticipated, or 50004

subsequently needed health care products, services, or procedures 50005  
provided for any reason after the initial appointment. Only one 50006  
estimate is required per visit. 50007

(2) If specific information, such as the provider who will be 50008  
providing the health care product, service, or procedure, is not 50009  
readily available at the time the appointment is made, the health 50010  
care provider may transmit that a provider is unknown and the 50011  
health plan issuer may base the estimate on an average estimated 50012  
charge submitted to the health plan issuer for the product, 50013  
service, or procedure at that facility or location. 50014

(3) If a health care provider does not transmit to the health 50015  
plan issuer the information necessary to generate the cost 50016  
estimate, the issuer shall send to the patient or the patient's 50017  
representative, by the same means used to send estimates, a notice 50018  
that the provider failed to transmit the necessary information as 50019  
required by law and, consequently, a cost estimate could not be 50020  
generated. This action shall be taken in the event a provider 50021  
gives the issuer any indication that receipt of a health care 50022  
product, service, or procedure is scheduled, such as through 50023  
precertification. 50024

(D) The estimate required by this section shall contain both 50025  
of the following: 50026

(1) A disclaimer that the information is only an estimate 50027  
based on facts available at the time it was prepared and that the 50028  
amounts estimated could change as a result of other factors; 50029  
unknown, unanticipated, or subsequently needed health care 50030  
products, services, or procedures; or changes to the patient's 50031  
health benefit plan. The health plan issuer has discretion in how 50032  
the disclaimer is expressed. 50033

(2) If applicable, a notation that a specific health care 50034  
provider is out-of-network for the enrollee. 50035

(E) The cost estimate required by this section shall be provided in large font, be easy to understand, and, unless the estimate contains more than nine CPT codes or other identifiers, be limited to one page. The subject line of the communication containing the estimate shall state "Your Ohio Healthcare Price Transparency Estimate."

(F) If the amount in a cost estimate required by this section changes by more than ten per cent before the patient presents for the health care product, service, or procedure, the health plan issuer shall supply to the patient an updated estimate by the means the patient or the patient's representative has elected under division (B) of this section and within the time frames specified in that division.

(G) A patient may decline to receive a cost estimate under this section.

(H) A patient is responsible for payment for an administered health care product, service, or procedure even if the patient does not receive a cost estimate under this section before the product, service, or procedure is received.

**Sec. 3962.07.** (A) Regardless of whether a cost estimate is provided to a patient by a health care provider under section 3962.04 of the Revised Code or by a health plan issuer under section 3962.06 of the Revised Code, a provider shall give the patient or the patient's representative the CPT code or other identifier the patient's health plan issuer requires for each health care product, service, or procedure the patient is to receive along with the charge information specified in division (A)(1) of section 3962.04 of the Revised Code associated with each code or other identifier. The provider has the following options for fulfilling this requirement:

(1) The provider may send this information to the patient or

the patient's representative through electronic means. 50067

(2) The provider may send this information to the patient or 50068  
patient's representative by regular mail if the health care 50069  
product, service, or procedure will be provided more than three 50070  
days from the time the appointment for the product, service, or 50071  
procedure is made, as specified in section 3962.011 of the Revised 50072  
Code. 50073

(3) The provider may provide to the patient or the patient's 50074  
representative a web site address where that individual may enter 50075  
each code or identifier and retrieve the charge information. If 50076  
this option is elected and the provider transmits the codes or 50077  
identifiers to the patient's health plan issuer through a portal 50078  
as described in section 3962.05 of the Revised Code, the provider 50079  
may have the portal generate an automatic electronic mail message 50080  
to the individual with instructions on how to retrieve charge 50081  
information through the web site. 50082

(4) If the product, service, or procedure is to be provided 50083  
less than three days from the time the appointment for the 50084  
product, service, or procedure was made, the provider may give the 50085  
information to the patient or the patient's representative at the 50086  
time the patient presents for the product, service, or procedure 50087  
to be received. 50088

Regardless of the manner in which the provider has elected to 50089  
fulfill this requirement, the provider shall fulfill the 50090  
requirement in accordance with all applicable state and federal 50091  
laws pertaining to the privacy of patient-identifying information. 50092

The CPT codes or other identifiers and charge information 50093  
shall, except as provided in division (B) of this section, be 50094  
given to the patient or the patient's representative not later 50095  
than twenty-four hours after the time the appointment for the 50096  
health care product, service, or procedure is made, as specified 50097

in section 3962.011 of the Revised Code, or, if the product, 50098  
service, or procedure is to be provided less than twenty-four 50099  
hours after the appointment for the product, service, or procedure 50100  
is made, as specified in section 3962.011 of the Revised Code, at 50101  
the time the patient presents to receive the product, service, or 50102  
procedure. 50103

(B) If the health care product, service, or procedure is to 50104  
be provided by one or more independent contractors of the 50105  
provider, the CPT codes or other identifiers and charge 50106  
information shall be given to the patient or the patient's 50107  
representative not later than thirty-six hours after the time the 50108  
appointment for the product, service, or procedure is made, as 50109  
specified in section 3962.011 of the Revised Code, or, if the 50110  
product, service, or procedure is to be provided less than 50111  
thirty-six hours after the appointment for the product, service, 50112  
or procedure is made, as specified in section 3962.011 of the 50113  
Revised Code, at the time the patient presents to receive the 50114  
product, service, or procedure. 50115

**Sec. 3962.08.** (A) As used in this section, "office visit" 50116  
means the family of CPT codes for "Evaluation and Management, 50117  
Office Visits Established" (codes 99211, 99212, 99213, 99214, and 50118  
99215) used for office or other outpatient visits for an 50119  
established patient and the family of CPT codes for services 50120  
similar to the foregoing, including vision services. 50121

(B) The requirement of section 3962.03 of the Revised Code 50122  
does not apply in any of the following circumstances: 50123

(1) When the only service a health care provider will provide 50124  
is an office visit; 50125

(2) When the patient was scheduled for only an office visit 50126  
but during the visit it is determined that the patient needs a 50127  
product, service, or procedure to be provided during that single 50128

visit; 50129

(3) When the patient seeks care without an appointment and 50130  
without a prescription or order from another provider. 50131

(C) In the event a patient schedules or presents for health 50132  
care products, services, or procedures in addition to an office 50133  
visit but the health care provider is unable to estimate the level 50134  
of office visit to be provided, or in the circumstances described 50135  
in division (B)(3) of this section, the provider may enter a 50136  
general designation for an unknown level of office visit. The 50137  
estimate provided through the health care provider or health plan 50138  
issuer under section 3962.03 of the Revised Code shall list the 50139  
general designation and price range for all levels of office 50140  
visits. 50141

Sec. 3962.081. In the event that a health care provider 50142  
believes that a delay in care associated with fulfilling the cost 50143  
estimate requirement of section 3962.03 of the Revised Code could 50144  
harm the patient, the provider shall inform the patient or the 50145  
patient's representative of this fact and provide the health care 50146  
product, service, or procedure to the patient. After the product, 50147  
service, or procedure is provided, the provider shall submit to 50148  
the department of insurance a report, in the form and manner 50149  
prescribed by the department, detailing why the provider believed 50150  
that a delay in care could harm the patient. Annually, the 50151  
department shall analyze the reports and prepare a summary of its 50152  
findings. Each summary shall be submitted to the governor and, in 50153  
accordance with section 101.68 of the Revised Code, the general 50154  
assembly. 50155

Sec. 3962.09. Not later than January 1, 2020, the department 50156  
of insurance shall create or procure a connector portal that 50157  
health care providers may use to transmit the information 50158

specified in section 3962.05 of the Revised Code to health plan 50159  
issuers. The department shall ensure that the computer systems and 50160  
software used in operating the connector portal are compatible 50161  
with the computer systems and software manufactured by various 50162  
vendors and used by health care providers and health plan issuers. 50163  
In doing so, the department shall engage in active efforts to 50164  
share with those vendors any information necessary to operate the 50165  
connector portal in a manner that accomplishes both of the 50166  
following, while also ensuring that the portal maintains the 50167  
privacy of patient-identifying information in accordance with all 50168  
applicable state and federal laws: 50169

(A) Grants health care providers a means by which they may 50170  
instantly transmit information and populate data fields that 50171

price for the purchase of the motor vehicle to any insured or 51676  
claimant owner, the insurance company shall proceed as follows: 51677

company shall deliver the certificate of title to a clerk of a 51680  
court of common pleas and shall make application for a salvage 51681  
certificate of title. This certificate of title, any supporting 51682

vehicle and a physical certificate of title was issued for the 51688  
vehicle but the insurance company is unable to obtain the properly 51689  
endorsed certificate of title for the motor vehicle within thirty 51690  
business days following the vehicle's owner or lienholder's 51691  
acceptance of the insurance company's payment for the vehicle, the 51692  
insurance company may apply to the clerk of a court of common 51693  
pleas for a salvage certificate of title without delivering the 51694  
certificate of title for the motor vehicle. The application shall 51695  
be accompanied by evidence that the insurance company has paid a 51696  
total loss claim on the vehicle, a copy of the written request for 51697  
the certificate of title from the insurance company or its 51698  
designee, and proof that the request was delivered by a nationally 51699  
recognized courier service to the last known address of the owner 51700  
of the vehicle and any known lienholder, to obtain the certificate 51701  
of title. 51702

(c) If an insurance company obtains possession of the motor 51703

vehicle and a physical certificate of title was not issued for the 51704  
vehicle, the insurance company may apply to the clerk of a court 51705  
of common pleas for a salvage certificate of title without 51706  
delivering a certificate of title for the motor vehicle. The 51707  
application shall be accompanied by the electronic certificate of 51708  
title control number and a properly executed power of attorney, or 51709  
other appropriate document, from the owner of the motor vehicle 51710  
authorizing the insurance company to apply for a salvage 51711  
certificate of title. The application for a salvage certificate of 51712  
title, any supporting power of attorney, and any other appropriate 51713  
document shall be exempt from the requirements of notarization and 51714  
verification as described in this chapter and in section 1337.25 51715  
of the Revised Code. 51716

(d) Upon receipt of a properly completed application for a 51717  
salvage certificate of title as described in division (C)(1)(a), 51718  
(b), or (c) or (C)(2) of this section, the clerk shall issue the 51719  
salvage certificate of title on a form, prescribed by the 51720  
registrar, that shall be easily distinguishable from the original 51721  
certificate of title and shall bear the same information as the 51722  
original certificate of title except that it may bear a different 51723  
number than that of the original certificate of title. The salvage 51724  
certificate of title shall include the following notice in bold 51725  
lettering: 51726

"SALVAGE MOTOR VEHICLE - PURSUANT TO R.C. 4738.01." 51727

Except as provided in division (C)(3) of this section, the 51728  
salvage certificate of title shall be assigned by the insurance 51729  
company to a salvage dealer or any other person for use as 51730  
evidence of ownership upon the sale or other disposition of the 51731  
motor vehicle, and the salvage certificate of title shall be 51732  
transferable to any other person. The clerk shall charge a fee of 51733  
four dollars for the cost of processing each salvage certificate 51734  
of title. 51735

(2) If an insurance company requests that a salvage motor vehicle auction take possession of a motor vehicle that is the subject of an insurance claim, and subsequently the insurance company denies coverage with respect to the motor vehicle or does not otherwise take ownership of the motor vehicle, the salvage motor vehicle auction may proceed as follows. After the salvage motor vehicle auction has possession of the motor vehicle for forty-five days, it may apply to the clerk of a court of common pleas for a salvage certificate of title without delivering the certificate of title for the motor vehicle. The application shall be accompanied by a copy of the written request that the vehicle be removed from the facility on the salvage motor vehicle auction's letterhead, and proof that the request was delivered by a nationally recognized courier service to the last known address of the owner of the vehicle and any known lienholder, requesting that the vehicle be removed from the facility of the salvage motor vehicle auction. Upon receipt of a properly completed application, the clerk shall follow the process as described in division (C)(1)(d) of this section. The salvage certificate of title so issued shall be free and clear of all liens.

(3) If an insurance company considers a motor vehicle as described in division (C)(1)(a), (b), or (c) of this section to be impossible to restore for highway operation, the insurance company may assign the certificate of title to the motor vehicle to a salvage dealer or scrap metal processing facility and send the assigned certificate of title to the clerk of the court of common pleas of any county. The insurance company shall mark the face of the certificate of title "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(4) If an insurance company declares it economically impractical to repair a motor vehicle, agrees to pay to the

insured or claimant owner an amount in settlement of a claim 51768  
against a policy of motor vehicle insurance covering the motor 51769  
vehicle, and agrees to permit the insured or claimant owner to 51770  
retain possession of the motor vehicle, the insurance company 51771  
shall not pay the insured or claimant owner any amount in 51772  
settlement of the insurance claim until the owner obtains a 51773  
salvage certificate of title to the vehicle and furnishes a copy 51774

(C) The peer-to-peer car sharing program shall establish 52289  
commercially reasonable procedures to determine any safety recalls 52290

the suppliers and the shared vehicle driver is the consumer for 52297  
purposes of those sections. 52298

(B) A peer-to-peer car sharing program is not liable for a 52299  
violation under sections 1345.01 to 1345.13 of the Revised Code 52300  
when the alleged violation is the result of false, misleading, or 52301  
inaccurate information provided to the program by a shared vehicle 52302

information in good faith. 52304

**Sec. 4516.08.** It is not the intent of the general assembly 52317  
that any provision in Chapter 4516. of the Revised Code be 52318

interpreted as either limiting or restricting an insurer's ability 52319  
to exclude insurance coverage from any insurance policy or an 52320  
insurer's ability to underwrite any insurance policy. 52321

Sec. 4516.09. (A) Except as provided in division (B) of this 52322  
section, a peer-to-peer car sharing program shall assume liability 52323  
of a shared vehicle owner for any death, bodily injury, or 52324

fraudulent material misrepresentation or omission to the program 52334  
regarding the shared vehicle owner's motor-vehicle liability 52335  
policy, other proof of financial responsibility, or the type or 52336  
condition of the shared vehicle before the car sharing period in 52337  
which the loss occurs; 52338

(2) The shared vehicle owner and the shared vehicle driver 52339  
conspire to have the shared vehicle driver fail to return the 52340  
shared vehicle, in violation of the terms of the peer-to-peer car 52341  
sharing agreement. 52342

Sec. 4516.10. (A)(1) A peer-to-peer car sharing program shall 52343  
ensure that, during each car sharing period, the shared vehicle 52344  
owner and the shared vehicle driver are each covered by a 52345  
motor-vehicle liability policy or other proof of financial 52346  
responsibility that recognizes their status as a shared vehicle 52347  
owner or shared vehicle driver and provides coverage for the 52348

(c) A motor-vehicle liability policy or other proof of financial responsibility that is maintained by the peer-to-peer car sharing program. 52366  
52367  
52368

(3)(a) If the motor-vehicle liability policy or other proof of financial responsibility maintained by a shared vehicle owner or shared vehicle driver does not provide liability coverage for peer-to-peer car sharing in the amounts required by division (A)(1) of this section, the insurance maintained by the peer-to-peer car sharing program shall provide the required coverage, beginning with the first dollar of the claim and shall have the duty to defend the claim. 52369  
52370  
52371  
52372  
52373  
52374

52376

(b) A motor-vehicle liability policy or other proof of financial responsibility maintained by a peer-to-peer car sharing 52377

motor-vehicle liability policy or other proof of financial 52387  
responsibility maintained by a shared vehicle owner or a shared 52388  
vehicle driver to determine whether that policy or proof provides 52389  
or excludes coverage for peer-to-peer car sharing prior to 52390  
entering into a peer-to-peer car sharing agreement with that 52391  
shared vehicle owner or shared vehicle driver if either of the 52392

crematory operators, crematory facilities, or cremation, the board 53227  
shall send written notice of the alleged violation to the 53228  
crematory review board. If, after the conclusion of the 53229

that a person is in violation of any provision of this chapter or 53232  
any rules adopted under this chapter governing or in connection 53233  
with crematory operators, crematory facilities, or cremation, the 53234  
board may issue a final order under that division directing the 53235  
person to cease the acts or practices that constitute the 53236  
violation. 53237

violation occurred or the threatened violation is expected to 53247  
occur. At the request of the board, the attorney general shall 53248  
represent the board in any matter arising under this chapter. 53249

require the person to appear before the appropriate board or any 53255

designated member of either board, upon any hearing conducted 53256  
under this chapter. The penalty for disobedience to the command of 53257  
such a subpoena is the same as for refusal to answer such a 53258

consent agreement with an individual to resolve an allegation of a 53926  
violation of this chapter or any rule adopted under it. A consent 53927  
agreement, when ratified by a vote of a quorum, shall constitute 53928

the action is dismissed by the trial court other than on the 53950  
merits, the board shall conduct an adjudication to determine 53951  
whether the registered nurse, licensed practical nurse, or 53952  
dialysis technician committed the act on which the action was 53953  
based. If the board determines on the basis of the adjudication 53954  
that the registered nurse, licensed practical nurse, or dialysis 53955  
technician committed the act, or if the registered nurse, licensed 53956  
practical nurse, or dialysis technician fails to participate in 53957  
the adjudication, the board may take action as though the 53958  
registered nurse, licensed practical nurse, or dialysis technician 53959  
had been convicted of the act. 53960

If the board takes action on the basis of a conviction, plea, 53961

or a judicial finding as described in divisions (B)(3) to (7) of 53962  
this section that is overturned on appeal, the registered nurse, 53963  
licensed practical nurse, or dialysis technician may, on 53964  
exhaustion of the appeal process, petition the board for 53965  
reconsideration of its action. On receipt of the petition and 53966  
supporting court documents, the board shall temporarily rescind 53967  
its action. If the board determines that the decision on appeal 53968  
was a decision on the merits, it shall permanently rescind its 53969  
action. If the board determines that the decision on appeal was 53970  
not a decision on the merits, it shall conduct an adjudication to 53971  
determine whether the registered nurse, licensed practical nurse, 53972  
or dialysis technician committed the act on which the original 53973  
conviction, plea, or judicial finding was based. If the board 53974  
determines on the basis of the adjudication that the registered 53975  
nurse, licensed practical nurse, or dialysis technician committed 53976  
such act, or if the registered nurse, licensed practical nurse, or 53977  
dialysis technician does not request an adjudication, the board 53978  
shall reinstate its action; otherwise, the board shall permanently 53979  
rescind its action. 53980

Notwithstanding the provision of division (C)(2) of section 53981  
2953.32 of the Revised Code specifying that if records pertaining 53982  
to a criminal case are sealed under that section the proceedings 53983  
in the case shall be deemed not to have occurred, sealing of the 53984  
following records on which the board has based an action under 53985  
this section shall have no effect on the board's action or any 53986  
sanction imposed by the board under this section: records of any 53987  
conviction, guilty plea, judicial finding of guilt resulting from 53988  
a plea of no contest, or a judicial finding of eligibility for a 53989  
pretrial diversion program or intervention in lieu of conviction. 53990

The board shall not be required to seal, destroy, redact, or 53991  
otherwise modify its records to reflect the court's sealing of 53992  
conviction records. 53993

(F) The board may investigate an individual's criminal background in performing its duties under this section. As part of such investigation, the board may order the individual to submit, at the individual's expense, a request to the bureau of criminal identification and investigation for a criminal records check and check of federal bureau of investigation records in accordance with the procedure described in section 4723.091 of the Revised Code.

(G) During the course of an investigation conducted under this section, the board may compel any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter to submit to a mental or physical examination, or both, as required by the board and at the expense of the individual, if the board finds reason to believe that the individual under investigation may have a physical or mental impairment that may affect the individual's ability to provide safe nursing care. Failure of any individual to submit to a mental or physical examination when directed constitutes an admission of the allegations, unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence.

If the board finds that an individual is impaired, the board shall require the individual to submit to care, counseling, or treatment approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. The individual shall be afforded an opportunity to demonstrate to the board that the individual can begin or resume the individual's occupation in compliance with acceptable and prevailing standards of care under the provisions of the individual's authority to practice.

For purposes of this division, any registered nurse, licensed practical nurse, or dialysis technician or applicant under this

chapter shall be deemed to have given consent to submit to a 54026  
mental or physical examination when directed to do so in writing 54027  
by the board, and to have waived all objections to the 54028  
admissibility of testimony or examination reports that constitute 54029  
a privileged communication. 54030

(H) The board shall investigate evidence that appears to show 54031  
that any person has violated any provision of this chapter or any 54032  
rule of the board. Any person may report to the board any 54033  
information the person may have that appears to show a violation 54034  
of any provision of this chapter or rule of the board. In the 54035  
absence of bad faith, any person who reports such information or 54036  
who testifies before the board in any adjudication conducted under 54037  
Chapter 119. of the Revised Code shall not be liable for civil 54038  
damages as a result of the report or testimony. 54039

(I) All of the following apply under this chapter with 54040  
respect to the confidentiality of information: 54041

(1) Information received by the board pursuant to a complaint 54042  
or an investigation is confidential and not subject to discovery 54043  
in any civil action, except that the board may disclose 54044  
information to law enforcement officers and government entities 54045  
for purposes of an investigation of either a licensed health care 54046  
professional, including a registered nurse, licensed practical 54047  
nurse, or dialysis technician, or a person who may have engaged in 54048  
the unauthorized practice of nursing or dialysis care. No law 54049  
enforcement officer or government entity with knowledge of any 54050  
information disclosed by the board pursuant to this division shall 54051  
divulge the information to any other person or government entity 54052  
except for the purpose of a government investigation, a 54053  
prosecution, or an adjudication by a court or government entity. 54054

the investigation and proceeding shall be conducted in such a 54056  
manner as to protect patient confidentiality. 54057

(3) All adjudications and investigations of the board shall 54058  
be considered civil actions for the purposes of section 2305.252 54059  
of the Revised Code. 54060

(4) Any board activity that involves continued monitoring of 54061  
an individual as part of or following any disciplinary action 54062  
taken under this section shall be conducted in a manner that 54063  
maintains the individual's confidentiality. Information received 54064  
or maintained by the board with respect to the board's monitoring 54065  
activities is not subject to discovery in any civil action and is 54066  
confidential, except that the board may disclose information to 54067  
law enforcement officers and government entities for purposes of 54068  
an investigation of a licensee or certificate holder. 54069

(J) Any action taken by the board under this section 54070  
resulting in a suspension from practice shall be accompanied by a 54071  
written statement of the conditions under which the person may be 54072  
reinstated to practice. 54073

to an applicant, revokes a license or certificate, or refuses to 54075  
reinstate a license or certificate, the board may specify that its 54076  
action is permanent. An individual subject to permanent action 54077  
taken by the board is forever ineligible to hold a license or 54078  
certificate of the type that was refused or revoked and the board 54079  
shall not accept from the individual an application for 54080  
reinstatement of the license or certificate or for a new license 54081  
or certificate. 54082

(L) No unilateral surrender of a nursing license, ~~certificate~~ 54083  
~~of authority,~~ or dialysis technician certificate issued under this 54084

board. No application for a nursing license, ~~certificate of~~ 54086  
~~authority,~~ or dialysis technician certificate issued under this 54087  
chapter may be withdrawn without a majority vote of the board. The 54088  
board's jurisdiction to take disciplinary action under this 54089

section is not removed or limited when an individual has a license 54090  
or certificate classified as inactive or fails to renew a license 54091  
or certificate. 54092

(M) Sanctions shall not be imposed under division (B)(24) of 54093  
this section against any licensee who waives deductibles and 54094  
copayments as follows: 54095

allows such a practice. Waiver of the deductibles or copayments 54097

(2) A pawnbroker's license issued or renewed by the 54180  
superintendent on or after January 1, 2006, expires on the 54181  
thirtieth day of June in the even-numbered year next following the 54182  
date of its issuance or renewal, as applicable, and may be renewed 54183  
biennially by the thirtieth day of June in accordance with the 54184  
standard renewal procedure set forth in Chapter 4745. of the 54185  
Revised Code. Fifty per cent of the biennial license fee shall be 54186  
for the use of the state, and fifty per cent shall be paid by the 54187  
state to the municipal corporation, or if outside the limits of 54188  
any municipal corporation, to the county, in which the office of 54189  
the licensee is located. All such fees payable to municipal 54190

necessary for participation, the superintendent may reset the 54192  
renewal date and require annual registration pursuant to section 54193  
1181.23 of the Revised Code. 54194

(F) The fee for renewal of a license shall be equivalent to 54195  
the fee for an initial license established by the superintendent 54196  
pursuant to section 1321.20 of the Revised Code. Any licensee who 54197  
wishes to renew the pawnbroker's license but who fails to do so on 54198  
or before the date the license expires shall reapply for licensure 54199  
in the same manner and pursuant to the same requirements as for 54200  
initial licensure, unless the licensee pays to the superintendent 54201  
on or before the thirty-first day of August of the year the 54202  
license expires, a late renewal penalty of one hundred dollars in 54203  
addition to the regular renewal fee. Any licensee who fails to 54204  
renew the license on or before the date the license expires is 54205  
prohibited from acting as a pawnbroker until the license is 54206  
renewed or a new license is issued under this section. Any 54207  
licensee who renews a license between the first day of July and 54208  
the thirty-first day of August of the year the license expires is 54209  
not relieved from complying with this division. The superintendent 54210  
may refuse to issue to or renew the license of any licensee who 54211

(G) No license shall be granted to any person not a resident 54213  
of or the principal office of which is not located in the 54214  
municipal corporation or county designated in such license unless 54215  
that applicant, in writing and in due form approved by and filed 54216  
with the superintendent, first appoints an agent, a resident of 54217  
the state, and city or county where the office is to be located, 54218  
upon whom all judicial and other process, or legal notice, 54219

removal from the state, or any legal disability or any 54221  
disqualification of any such agent, service of such process or 54222  
notice may be made upon the superintendent. 54223

The superintendent may, upon notice to the licensee and 54224

or assess a penalty against the licensee if the licensee, or the 54226  
licensee's officers, agents, or employees, has violated this 54227  
chapter. Any penalty shall be appropriate to the violation but in 54228  
no case shall the penalty be less than two hundred nor more than 54229  
two thousand dollars. Whenever, for any cause, a license is 54230  
suspended or revoked, the superintendent shall not issue another 54231  
license to the licensee nor to the legal spouse of the licensee, 54232  
nor to any business entity of which the licensee is an officer or 54233  
member or partner, nor to any person employed by the licensee, 54234  
until the expiration of at least two years from the date of 54235  
revocation or suspension of the license. The superintendent shall 54236  
deposit all penalties allocated pursuant to this section into the 54237  
state treasury to the credit of the consumer finance fund. 54238

Any proceedings for the revocation or suspension of a license 54239  
or to assess a penalty against a licensee are subject to Chapter 54240  
119. of the Revised Code. 54241

(H) If a licensee surrenders or chooses not to renew the 54242  
pawnbroker's license, the licensee shall notify the superintendent 54243  
thirty days prior to the date on which the licensee intends to 54244

close the licensee's business as a pawnbroker. Prior to the date, 54245  
the licensee shall do either of the following with respect to all 54246  
active loans: 54247

person holding a valid pawnbroker's license issued under this 54249  
section; 54250

(2) Reduce the rate of interest on pledged articles held as 54251  
security for a loan to eight per cent per annum or less effective 54252  
on the date that the pawnbroker's license is no longer valid. 54253

**Sec. 4728.03.** (A) As used in this section, "experience and 54254  
fitness in the capacity involved" means that the applicant for a 54255

institutions shall compute the applicant's net worth according to 54266  
generally accepted accounting principles. 54267

(2) In place of the demonstration of net worth required by 54268  
division (B)(1) of this section, an applicant may obtain a surety 54269  
bond issued by a surety company authorized to do business in this 54270  
state if all of the following conditions are met: 54271

chapter; 54275

(c) The bond is in the amount of not less than ten thousand 54276  
dollars. 54277

(3) Before granting a license under this division, the 54278  
division shall determine that the applicant meets the requirements 54279  
of division (B)(1) or (2) of this section. 54280

(C) The division shall require an applicant for a precious 54281  
metals dealer's license to pay to the division a nonrefundable, 54282  
initial investigation fee of two hundred dollars which shall be 54283  
for the exclusive use of the state. The license fee for a precious 54284  
metals dealer's license and the renewal fee shall be determined by 54285  
the superintendent, provided that the fee may not exceed three 54286  
hundred dollars. A license issued by the division shall expire on 54287  
the last day of June next following the date of its issuance or 54288  
annually on a different date set by the superintendent pursuant to 54289  
section 1181.23 of the Revised Code. Fifty per cent of license 54290  
fees shall be for the use of the state, and fifty per cent shall 54291  
be paid to the municipal corporation, or if outside the limits of 54292  
any municipal corporation, to the county in which the office of 54293  
the licensee is located. All portions of license fees payable to 54294  
municipal corporations or counties shall be paid as they accrue, 54295  
by the treasurer of state, on vouchers issued by the director of 54296  
budget and management. 54297

Whenever, for any cause, the license is revoked or suspended, the division shall not issue another license to the licensee nor to the husband or wife of the licensee, nor to any copartnership or corporation of which the licensee is an officer, nor to any person employed by the licensee, until the expiration of at least one year from the date of revocation of the license.

If the superintendent of financial institutions determines that conducting an investigation to determine whether an applicant satisfies the requirements for licensure under this section will require procuring information outside the state, then, in addition to the fee established under division (C) of this section, the superintendent may require the applicant to pay any of the actual expenses incurred by the division to conduct such an investigation, provided that the superintendent shall assess the

applicant a total no greater than one thousand dollars for such 54339  
expenses. The superintendent may require the applicant to pay in 54340

estimated cost of the actual expenses. If the superintendent 54342  
requires the applicant to pay investigation expenses, the 54343  
superintendent shall provide to the applicant an itemized 54344  
statement of the actual expenses incurred by the division to 54345  
conduct the investigation. 54346

(G)(1) Except as otherwise provided in division (G)(2) of 54347  
this section a precious metals dealer licensed under this section 54348  
shall maintain a net worth of at least ten thousand dollars, 54349

(B)(2) of this section is exempt from the requirement of division 54354  
(G)(1) of this section, but shall maintain the bond for at least 54355

(C) Disciplinary actions taken by the board under divisions 55207  
(A) and (B) of this section shall be taken pursuant to an 55208  
adjudication under Chapter 119. of the Revised Code, except that 55209  
in lieu of an adjudication, the board may enter into a consent 55210  
agreement with a physician assistant or applicant to resolve an 55211  
allegation of a violation of this chapter or any rule adopted 55212  
under it. A consent agreement, when ratified by an affirmative 55213  
vote of not fewer than six members of the board, shall constitute 55214  
the findings and order of the board with respect to the matter 55215  
addressed in the agreement. If the board refuses to ratify a 55216  
consent agreement, the admissions and findings contained in the 55217  
consent agreement shall be of no force or effect. 55218

(D) For purposes of divisions (B)(12), (15), and (16) of this 55219  
section, the commission of the act may be established by a finding 55220  
by the board, pursuant to an adjudication under Chapter 119. of 55221  
the Revised Code, that the applicant or license holder committed 55222  
the act in question. The board shall have no jurisdiction under 55223  
these divisions in cases where the trial court renders a final 55224  
judgment in the license holder's favor and that judgment is based 55225  
upon an adjudication on the merits. The board shall have 55226  
jurisdiction under these divisions in cases where the trial court 55227  
issues an order of dismissal upon technical or procedural grounds. 55228

(E) The sealing of conviction records by any court shall have 55229  
no effect upon a prior board order entered under the provisions of 55230

this section or upon the board's jurisdiction to take action under 55231  
the provisions of this section if, based upon a plea of guilty, a 55232  
judicial finding of guilt, or a judicial finding of eligibility 55233  
for intervention in lieu of conviction, the board issued a notice 55234  
of opportunity for a hearing prior to the court's order to seal 55235  
the records. The board shall not be required to seal, destroy, 55236  
redact, or otherwise modify its records to reflect the court's 55237  
sealing of conviction records. 55238

(F) For purposes of this division, any individual who holds a 55239  
license issued under this chapter, or applies for a license issued 55240  
under this chapter, shall be deemed to have given consent to 55241  
submit to a mental or physical examination when directed to do so 55242  
in writing by the board and to have waived all objections to the 55243  
admissibility of testimony or examination reports that constitute 55244  
a privileged communication. 55245

(1) In enforcing division (B)(4) of this section, the board, 55246  
upon a showing of a possible violation, may compel any individual 55247  
who holds a license issued under this chapter or who has applied 55248  
for a license pursuant to this chapter to submit to a mental 55249  
examination, physical examination, including an HIV test, or both 55250  
a mental and physical examination. The expense of the examination 55251  
is the responsibility of the individual compelled to be examined. 55252  
Failure to submit to a mental or physical examination or consent 55253  
to an HIV test ordered by the board constitutes an admission of 55254  
the allegations against the individual unless the failure is due 55255  
to circumstances beyond the individual's control, and a default 55256  
and final order may be entered without the taking of testimony or 55257  
presentation of evidence. If the board finds a physician assistant 55258  
unable to practice because of the reasons set forth in division 55259  
(B)(4) of this section, the board shall require the physician 55260  
assistant to submit to care, counseling, or treatment by 55261  
physicians approved or designated by the board, as a condition for 55262

an initial, continued, reinstated, or renewed license. An 55263  
individual affected under this division shall be afforded an 55264  
opportunity to demonstrate to the board the ability to resume 55265  
practicing in compliance with acceptable and prevailing standards 55266  
of care. 55267

(2) For purposes of division (B)(5) of this section, if the 55268  
board has reason to believe that any individual who holds a 55269  
license issued under this chapter or any applicant for a license 55270  
suffers such impairment, the board may compel the individual to 55271  
submit to a mental or physical examination, or both. The expense 55272  
of the examination is the responsibility of the individual 55273  
compelled to be examined. Any mental or physical examination 55274  
required under this division shall be undertaken by a treatment 55275  
provider or physician qualified to conduct such examination and 55276  
chosen by the board. 55277

Failure to submit to a mental or physical examination ordered 55278  
by the board constitutes an admission of the allegations against 55279  
the individual unless the failure is due to circumstances beyond 55280  
the individual's control, and a default and final order may be 55281  
entered without the taking of testimony or presentation of 55282  
evidence. If the board determines that the individual's ability to 55283  
practice is impaired, the board shall suspend the individual's 55284  
license or deny the individual's application and shall require the 55285  
individual, as a condition for initial, continued, reinstated, or 55286  
renewed licensure, to submit to treatment. 55287

Before being eligible to apply for reinstatement of a license 55288  
suspended under this division, the physician assistant shall 55289  
demonstrate to the board the ability to resume practice or 55290  
prescribing in compliance with acceptable and prevailing standards 55291  
of care. The demonstration shall include the following: 55292

(a) Certification from a treatment provider approved under 55293  
section 4731.25 of the Revised Code that the individual has 55294

successfully completed any required inpatient treatment; 55295

(b) Evidence of continuing full compliance with an aftercare 55296  
contract or consent agreement; 55297

(c) Two written reports indicating that the individual's 55298  
ability to practice has been assessed and that the individual has 55299  
been found capable of practicing according to acceptable and 55300  
prevailing standards of care. The reports shall be made by 55301  
individuals or providers approved by the board for making such 55302  
assessments and shall describe the basis for their determination. 55303

The board may reinstate a license suspended under this 55304  
division after such demonstration and after the individual has 55305  
entered into a written consent agreement. 55306

When the impaired physician assistant resumes practice or 55307  
prescribing, the board shall require continued monitoring of the 55308  
physician assistant. The monitoring shall include compliance with 55309  
the written consent agreement entered into before reinstatement or 55310  
with conditions imposed by board order after a hearing, and, upon 55311  
termination of the consent agreement, submission to the board for 55312  
at least two years of annual written progress reports made under 55313  
penalty of falsification stating whether the physician assistant 55314  
has maintained sobriety. 55315

(G) If the secretary and supervising member determine that 55316  
there is clear and convincing evidence that a physician assistant 55317  
has violated division (B) of this section and that the 55318  
individual's continued practice or prescribing presents a danger 55319  
of immediate and serious harm to the public, they may recommend 55320  
that the board suspend the individual's license without a prior 55321  
hearing. Written allegations shall be prepared for consideration 55322  
by the board. 55323

The board, upon review of those allegations and by an 55324  
affirmative vote of not fewer than six of its members, excluding 55325

the secretary and supervising member, may suspend a license 55326  
without a prior hearing. A telephone conference call may be 55327  
utilized for reviewing the allegations and taking the vote on the 55328  
summary suspension. 55329

The board shall issue a written order of suspension by 55330  
certified mail or in person in accordance with section 119.07 of 55331  
the Revised Code. The order shall not be subject to suspension by 55332  
the court during pendency of any appeal filed under section 119.12 55333  
of the Revised Code. If the physician assistant requests an 55334  
adjudicatory hearing by the board, the date set for the hearing 55335  
shall be within fifteen days, but not earlier than seven days, 55336  
after the physician assistant requests the hearing, unless 55337  
otherwise agreed to by both the board and the license holder. 55338

A summary suspension imposed under this division shall remain 55339  
in effect, unless reversed on appeal, until a final adjudicative 55340  
order issued by the board pursuant to this section and Chapter 55341  
119. of the Revised Code becomes effective. The board shall issue 55342  
its final adjudicative order within sixty days after completion of 55343  
its hearing. Failure to issue the order within sixty days shall 55344  
result in dissolution of the summary suspension order, but shall 55345  
not invalidate any subsequent, final adjudicative order. 55346

(H) If the board takes action under division (B)(11), (13), 55347  
or (14) of this section, and the judicial finding of guilt, guilty 55348  
plea, or judicial finding of eligibility for intervention in lieu 55349  
of conviction is overturned on appeal, upon exhaustion of the 55350  
criminal appeal, a petition for reconsideration of the order may 55351  
be filed with the board along with appropriate court documents. 55352  
Upon receipt of a petition and supporting court documents, the 55353  
board shall reinstate the individual's license. The board may then 55354  
hold an adjudication under Chapter 119. of the Revised Code to 55355  
determine whether the individual committed the act in question. 55356  
Notice of opportunity for hearing shall be given in accordance 55357

with Chapter 119. of the Revised Code. If the board finds, 55358  
pursuant to an adjudication held under this division, that the 55359  
individual committed the act, or if no hearing is requested, it 55360  
may order any of the sanctions identified under division (B) of 55361  
this section. 55362

(I) The license to practice issued to a physician assistant 55363  
and the physician assistant's practice in this state are 55364  
automatically suspended as of the date the physician assistant 55365  
pleads guilty to, is found by a judge or jury to be guilty of, or 55366  
is subject to a judicial finding of eligibility for intervention 55367  
in lieu of conviction in this state or treatment or intervention 55368  
in lieu of conviction in another state for any of the following 55369  
criminal offenses in this state or a substantially equivalent 55370  
criminal offense in another jurisdiction: aggravated murder, 55371  
murder, voluntary manslaughter, felonious assault, kidnapping, 55372  
rape, sexual battery, gross sexual imposition, aggravated arson, 55373  
aggravated robbery, or aggravated burglary. Continued practice 55374  
after the suspension shall be considered practicing without a 55375  
license. 55376

The board shall notify the individual subject to the 55377  
suspension by certified mail or in person in accordance with 55378  
section 119.07 of the Revised Code. If an individual whose license 55379  
is suspended under this division fails to make a timely request 55380  
for an adjudication under Chapter 119. of the Revised Code, the 55381  
board shall enter a final order permanently revoking the 55382  
individual's license to practice. 55383

- (2) Division (F)(6)(c) of this section does not apply to any 57049

estate salesperson's license. 57052
- (H) Only for noncredit course offerings, an institution of 57053  
higher education shall obtain approval from the appropriate state 57054

education requirements of division (F)(6) of this section. The 57057  
state authorizing entity may consult with the superintendent in 57058  
reviewing the course for compliance with this section. 57059
- (I) Any person who has not been licensed as a real estate 57060

salesperson or broker within a four-year period immediately 57061  
preceding the person's current application for the salesperson's 57062

ten-year period immediately preceding the person's current 57065  
application for the salesperson's examination. 57066

(J) Not earlier than the date of issue of a real estate 57067  
salesperson's license to a licensee, but not later than twelve 57068

commercial real estate, property management, short sales, and land 57076

curriculum and providers shall be granted according to rules 57079  
adopted pursuant to section 4735.10 of the Revised Code and may be 57080  
taken through classroom instruction or distance education. 57081

If proof of completion of the required instruction is not 57082  
submitted within twelve months of the date a license is issued 57083  
under this section, the licensee's license is suspended 57084  
automatically without the taking of any action by the 57085  
superintendent. The superintendent immediately shall notify the 57086  
broker with whom such salesperson is associated of the suspension 57087  
of the salesperson's license. A salesperson whose license has been 57088  
suspended under this division shall have twelve months after the 57089  
date of the suspension of the salesperson's license to submit 57090  
proof of successful completion of the instruction required under 57091  
this division. No such license shall be reactivated by the 57092

superintendent until it is established, to the satisfaction of the 57093  
superintendent, that the requirements of this division have been 57094  
met and that the licensee is in compliance with this chapter. A 57095  
licensee's license is revoked automatically without the taking of 57096  
any action by the superintendent when the licensee fails to submit 57097  
the required proof of completion of the education requirements 57098  
under division (I) of this section within twelve months of the 57099  
date the license is suspended. 57100

(K) Examinations shall be administered with reasonable 57101  
accommodations in accordance with the requirements of the 57102  
"Americans with Disabilities Act of 1990," 104 Stat. 327, 42 57103

**Sec. 4735.12.** (A) The real estate recovery fund is hereby 57111  
created in the state treasury, to be administered by the 57112  
superintendent of real estate. Amounts collected by the 57113  
superintendent as prescribed in this section and interest earned 57114  
on the assets of the fund shall be credited by the treasurer of 57115  
state to the fund. The amount of money in the fund shall be 57116  
ascertained by the superintendent as of the first day of July of 57117  
each year. 57118

The commission, in accordance with rules adopted under 57119  
division (A)(2)(g) of section 4735.10 of the Revised Code, shall 57120  
impose a special assessment not to exceed ten dollars per year for 57121  
each year of a licensing period on each licensee filing a notice 57122  
of renewal under section 4735.14 of the Revised Code if the amount 57123

available in the fund is less than ~~five~~ two hundred fifty thousand 57124  
dollars on the first day of July preceding that filing. ~~The~~ 57125  
~~commission may impose a special assessment not to exceed five~~ 57126  
~~dollars per year for each year of a licensing period if the amount~~ 57127  
~~available in the fund is greater than one million dollars, but~~ 57128  
~~less than two million dollars on the first day of July preceding~~ 57129  
~~that filing.~~ The commission shall not impose a special assessment 57130  
if the amount available in the fund exceeds two ~~million~~ hundred  
fifty thousand dollars on the first day of July preceding that 57131  
filing. 57132  
57133

(B)(1) Any person who obtains a final judgment in any court 57134  
of competent jurisdiction against any broker or salesperson 57135  
licensed under this chapter, on the grounds of conduct that is in 57136  
violation of this chapter or the rules adopted under it, and that 57137  
is associated with an act or transaction that only a licensed real 57138  
estate broker or licensed real estate salesperson is authorized to 57139  
perform as specified in division (A) or (C) of section 4735.01 of 57140  
the Revised Code, may file a verified application, as described in 57141  
division (B)(3) of this section, in the court of common pleas of 57142  
Franklin county for an order directing payment out of the real 57143  
estate recovery fund of the portion of the judgment that remains 57144  
unpaid and that represents the actual and direct loss sustained by 57145  
the applicant. 57146

(2) Punitive damages, attorney's fees, and interest on a 57147  
judgment are not recoverable from the fund. In the discretion of 57148  
the superintendent of real estate, court costs may be recovered 57149  
from the fund, and, if the superintendent authorizes the recovery 57150  
of court costs, the order of the court of common pleas then may 57151  
direct their payment from the fund. 57152

(3) The application shall specify the nature of the act or 57153  
transaction upon which the underlying judgment was based, the 57154  
activities of the applicant in pursuit of remedies available under 57155

law for the collection of judgments, and the actual and direct 57156  
losses, attorney's fees, and the court costs sustained or incurred 57157  
by the applicant. The applicant shall attach to the application a 57158  
copy of each pleading and order in the underlying court action. 57159

(4) The court shall order the superintendent to make such 57160  
payments out of the fund when the person seeking the order has 57161  
shown all of the following: 57162

(a) The person has obtained a judgment, as provided in this 57163  
division; 57164

(b) All appeals from the judgment have been exhausted and the 57165  
person has given notice to the superintendent, as required by 57166  
division (C) of this section; 57167

(c) The person is not a spouse of the judgment debtor, or the 57168  
personal representative of such spouse; 57169

(d) The person has diligently pursued the person's remedies 57170  
against all the judgment debtors and all other persons liable to 57171  
the person in the transaction for which the person seeks recovery 57172  
from the fund; 57173

(e) The person is making the person's application not more 57174  
than one year after termination of all proceedings, including 57175  
appeals, in connection with the judgment. 57176

(5) Divisions (B)(1) to (4) of this section do not apply to 57177  
any of the following: 57178

(a) Actions arising from property management accounts 57179  
maintained in the name of the property owner; 57180

(b) A bonding company when it is not a principal in a real 57181  
estate transaction; 57182

(c) A person in an action for the payment of a commission or 57183  
fee for the performance of an act or transaction specified or 57184  
comprehended in division (A) or (C) of section 4735.01 of the 57185

Revised Code; 57186

(d) Losses incurred by investors in real estate if the 57187  
applicant and the licensee are principals in the investment. 57188

(C) A person who applies to a court of common pleas for an 57189  
order directing payment out of the fund shall file notice of the 57190  
application with the superintendent. The superintendent may defend 57191  
any such action on behalf of the fund and shall have recourse to 57192  
all appropriate means of defense and review, including examination 57193  
of witnesses, verification of actual and direct losses, and 57194  
challenges to the underlying judgment required in division 57195  
(B)(4)(a) of this section to determine whether the underlying 57196  
judgment is based on activity only a licensed broker or licensed 57197  
salesperson is permitted to perform. The superintendent may move 57198  
the court at any time to dismiss the application when it appears 57199  
there are no triable issues and the application is without merit. 57200  
The motion may be supported by affidavit of any person having 57201  
knowledge of the facts and may be made on the basis that the 57202  
application, including the judgment referred to in it, does not 57203  
form the basis for a meritorious recovery claim; provided, that 57204  
the superintendent shall give written notice to the applicant at 57205  
least ten days before such motion. The superintendent may, subject 57206  
to court approval, compromise a claim based upon the application 57207  
of an aggrieved party. The superintendent shall not be bound by 57208  
any prior compromise or stipulation of the judgment debtor. 57209

(D) Notwithstanding any other provision of this section, the 57210  
liability of the fund shall not exceed forty thousand dollars for 57211  
any one licensee. If a licensee's license is reactivated as 57212  
provided in division (E) of this section, the liability of the 57213  
fund for the licensee under this section shall again be forty 57214  
thousand dollars, but only for transactions that occur subsequent 57215  
to the time of reactivation. 57216

If the forty-thousand-dollar liability of the fund is 57217

insufficient to pay in full the valid claims of all aggrieved 57218  
persons by whom claims have been filed against any one licensee, 57219  
the forty thousand dollars shall be distributed among them in the 57220  
ratio that their respective claims bear to the aggregate of valid 57221  
claims or in such other manner as the court finds equitable. 57222  
Distribution of moneys shall be among the persons entitled to 57223  
share in it, without regard to the order of priority in which 57224  
their respective judgments may have been obtained or their claims 57225  
have been filed. Upon petition of the superintendent, the court 57226  
may require all claimants and prospective claimants against one 57227  
licensee to be joined in one action, to the end that the 57228  
respective rights of all such claimants to the fund may be 57229  
equitably adjudicated and settled. 57230

(E) If the superintendent pays from the fund any amount in 57231  
settlement of a claim or toward satisfaction of a judgment against 57232  
a licensed broker or salesperson, the license of the broker or 57233  
salesperson shall be automatically suspended upon the date of 57234  
payment from the fund. The superintendent shall not reactivate the 57235  
suspended license of that broker or salesperson until the broker 57236  
or salesperson has repaid in full, plus interest per annum at the 57237  
rate specified in division (A) of section 1343.03 of the Revised 57238  
Code, the amount paid from the fund on the broker's or 57239  
salesperson's account. A discharge in bankruptcy does not relieve 57240  
a person from the suspension and requirements for reactivation 57241  
provided in this section unless the underlying judgment has been 57242  
included in the discharge and has not been reaffirmed by the 57243  
debtor. 57244

(F) If, at any time, the money deposited in the fund is 57245  
insufficient to satisfy any duly authorized claim or portion of a 57246  
claim, the superintendent shall, when sufficient money has been 57247  
deposited in the fund, satisfy such unpaid claims or portions, in 57248  
the order that such claims or portions were originally filed, plus 57249

accumulated interest per annum at the rate specified in division 57250  
(A) of section 1343.03 of the Revised Code. 57251

(G) When, upon the order of the court, the superintendent has 57252  
paid from the fund any sum to the judgment creditor, the 57253  
superintendent shall be subrogated to all of the rights of the 57254  
judgment creditor to the extent of the amount so paid, and the 57255  
judgment creditor shall assign all the judgment creditor's right, 57256  
title, and interest in the judgment to the superintendent to the 57257  
extent of the amount so paid. Any amount and interest so recovered 57258  
by the superintendent on the judgment shall be deposited in the 57259  
fund. 57260

(H) Nothing contained in this section shall limit the 57261  
authority of the superintendent to take disciplinary action 57262  
against any licensee under other provisions of this chapter; nor 57263  
shall the repayment in full of all obligations to the fund by any 57264  
licensee nullify or modify the effect of any other disciplinary 57265  
proceeding brought pursuant to this chapter. 57266

(I) The superintendent shall collect from the fund a service 57267  
fee in an amount equivalent to the interest rate specified in 57268  
division (A) of section 1343.03 of the Revised Code multiplied by 57269  
the annual interest earned on the assets of the fund, to defray 57270  
the expenses incurred in the administration of the fund. 57271

**Sec. 4735.13.** (A) Every real estate broker licensed under 57272  
this chapter shall have and maintain a definite place of business 57273  
in this state. A post office box address is not a definite place 57274  
of business for purposes of this section. The license of a real 57275  
estate broker shall be prominently displayed in the office or 57276  
place of business of the broker, and no license shall authorize 57277  
the licensee to do business except from the location specified in 57278  
it. If the broker maintains more than one place of business within 57279  
the state, the broker shall apply for and procure a duplicate 57280

license for each branch office maintained by the broker. Each 57281  
branch office shall be in the charge of a licensed broker or 57282  
salesperson. The branch office license shall be prominently 57283  
displayed at the branch office location. 57284

(B) The license of each real estate salesperson shall be 57285  
mailed to and remain in the possession of the licensed broker with 57286  
whom the salesperson is or is to be associated until the licensee 57287  
places the license on inactive or resigned status or until the 57288  
salesperson leaves the brokerage or is terminated. The broker 57289  
shall keep each salesperson's license in a way that it can, and 57290  
shall on request, be made immediately available for public 57291  
inspection at the office or place of business of the broker. 57292  
Except as provided in divisions (G) and (H) of this section, 57293  
immediately upon the salesperson's leaving the association or 57294  
termination of the association of a real estate salesperson with 57295  
the broker, the broker shall return the salesperson's license to 57296  
the superintendent of real estate. 57297

The failure of a broker to return the license of a real 57298  
estate salesperson or broker who leaves or who is terminated, via 57299  
certified mail return receipt requested, within three business 57300  
days of the receipt of a written request from the superintendent 57301  
for the return of the license, is prima-facie evidence of 57302  
misconduct under division (A)(6) of section 4735.18 of the Revised 57303  
Code. 57304

(C) A licensee shall notify the superintendent in writing 57305  
within fifteen days of any of the following occurrences: 57306

(1) The licensee is convicted of a felony. 57307

(2) The licensee is convicted of a crime involving moral 57308  
turpitude. 57309

(3) The licensee is found to have violated any federal, 57310  
state, or municipal civil rights law pertaining to discrimination 57311

in housing. 57312

(4) The licensee is found to have engaged in a discriminatory 57313  
practice pertaining to housing accommodations described in 57314  
division (H) of section 4112.02 of the Revised Code. 57315

(5) The licensee is the subject of an order by the department 57316  
of commerce, the department of insurance, or the department of 57317  
agriculture revoking or permanently surrendering any professional 57318  
license, certificate, or registration. 57319

(6) The licensee is the subject of an order by any government 57320  
agency concerning real estate, financial matters, or the 57321  
performance of fiduciary duties with respect to any license, 57322  
certificate, or registration. 57323

If a licensee fails to notify the superintendent within the 57324  
required time, the superintendent immediately may suspend the 57325  
license of the licensee. 57326

Any court that convicts a licensee of a violation of any 57327  
municipal civil rights law pertaining to housing discrimination 57328  
also shall notify the Ohio civil rights commission within fifteen 57329  
days of the conviction. 57330

(D) In case of any change of business location, a broker 57331  
shall give notice to the superintendent, on a form prescribed by 57332  
the superintendent, within thirty days after the change of 57333  
location, whereupon the superintendent shall issue new licenses 57334  
for the unexpired period without charge. If a broker changes a 57335  
business location without giving the required notice and without 57336  
receiving new licenses that action is prima-facie evidence of 57337  
misconduct under division (A)(6) of section 4735.18 of the Revised 57338  
Code. 57339

(E) If a real estate broker desires to associate with another 57340  
real estate broker in the capacity of a real estate salesperson, 57341  
the broker shall apply to the superintendent to deposit the 57342

broker's real estate broker's license with the superintendent and 57343  
for the issuance of a real estate salesperson's license. The 57344  
application shall be made on a form prescribed by the 57345  
superintendent and shall be accompanied by the recommendation of 57346  
the real estate broker with whom the applicant intends to become 57347  
associated and a fee of ~~twenty-five~~ thirty-four dollars for the 57348  
real estate salesperson's license. One dollar of the fee shall be 57349  
credited to the real estate education and research fund. If the 57350  
superintendent is satisfied that the applicant is honest, 57351  
truthful, and of good reputation, has not been convicted of a 57352  
felony or a crime involving moral turpitude, and has not been 57353  
finally adjudged by a court to have violated any municipal, state, 57354  
or federal civil rights laws relevant to the protection of 57355  
purchasers or sellers of real estate, and that the association of 57356  
the real estate broker and the applicant will be in the public 57357  
interest, the superintendent shall grant the application and issue 57358  
a real estate salesperson's license to the applicant. Any license 57359  
so deposited with the superintendent shall be subject to this 57360  
chapter. A broker who intends to deposit the broker's license with 57361  
the superintendent, as provided in this section, shall give 57362  
written notice of this fact in a format prescribed by the 57363  
superintendent to all salespersons associated with the broker when 57364  
applying to place the broker's license on deposit. 57365

(F) If a real estate broker desires to become a member or 57366  
officer of a partnership, association, limited liability company, 57367  
limited liability partnership, or corporation that is or intends 57368  
to become a licensed real estate broker, the broker shall notify 57369  
the superintendent of the broker's intentions. The notice of 57370  
intention shall be on a form prescribed by the superintendent and 57371  
shall be accompanied by a fee of ~~twenty-five~~ thirty-four dollars. 57372  
One dollar of the fee shall be credited to the real estate 57373  
education and research fund. 57374

A licensed real estate broker who is a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation shall only act as a real estate broker for such partnership, association, limited liability company, limited liability partnership, or corporation.

(G)(1) If a real estate broker or salesperson enters the armed forces, the broker or salesperson may place the broker's or salesperson's license on deposit with the Ohio real estate commission. The licensee shall not be required to renew the license until the renewal date that follows the date of discharge from the armed forces. Any license deposited with the commission shall be subject to this chapter.

Any licensee whose license is on deposit under this division and who fails to meet the continuing education requirements of section 4735.141 of the Revised Code because the licensee is in the armed forces shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months of the licensee's first birthday after discharge or within the amount of time equal to the total number of months the licensee spent on active duty, whichever is greater. The licensee shall submit proper documentation of active duty service and the length of that active duty service to the superintendent. The extension shall not exceed the total number of months that the licensee served in active duty. The superintendent shall notify the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(2) If a licensee is a spouse of a member of the armed forces and the spouse's service resulted in the licensee's absence from this state, both of the following apply:

(a) The licensee shall not be required to renew the license until the renewal date that follows the date of the spouse's

discharge from the armed forces. 57407

(b) If the licensee fails to meet the continuing education 57408  
requirements of section 4735.141 of the Revised Code, the licensee 57409  
shall satisfy the commission that the licensee has complied with 57410  
the continuing education requirements within twelve months after 57411  
the licensee's first birthday after the spouse's discharge or 57412  
within the amount of time equal to the total number of months the 57413  
licensee's spouse spent on active duty, whichever is greater. The 57414  
licensee shall submit proper documentation of the spouse's active 57415  
duty service and the length of that active duty service. This 57416  
extension shall not exceed the total number of months that the 57417  
licensee's spouse served in active duty. 57418

(3) In the case of a licensee as described in division (G)(2) 57419  
of this section, who holds the license through a reciprocity 57420  
agreement with another state, the spouse's service shall have 57421  
resulted in the licensee's absence from the licensee's state of 57422  
residence for the provisions of that division to apply. 57423

(4) As used in this division, "armed forces" means the armed 57424  
forces of the United States or reserve component of the armed 57425  
forces of the United States including the Ohio national guard or 57426  
the national guard of any other state. 57427

(H) If a licensed real estate salesperson submits an 57428  
application to the superintendent to leave the association of one 57429  
broker to associate with a different broker, the broker possessing 57430  
the licensee's license need not return the salesperson's license 57431  
to the superintendent. The superintendent may process the 57432  
application regardless of whether the licensee's license is 57433  
returned to the superintendent. 57434

Sec. 4735.143. (A) Each person applying for a license 57435  
pursuant to section 4735.07 or 4735.09 of the Revised Code shall 57436  
submit one complete set of fingerprint impressions directly to the 57437

superintendent of the bureau of criminal identification and 57438  
investigation for the purpose of conducting a criminal records 57439  
check. The applicant shall provide the fingerprint impressions 57440  
using a method the superintendent of the bureau of criminal 57441

the superintendent prescribes pursuant to division (C) of section 57443

this section, the superintendent of real estate and professional 57445  
licensing shall request the superintendent of the bureau of 57446  
criminal identification and investigation, or a vendor approved by 57447  
the bureau, to conduct a criminal records check based on the 57448  
applicant's fingerprint impressions in accordance with division 57449

and the superintendent has made a determination to disregard the 57462  
conviction because the applicant has proven to the superintendent, 57463  
by a preponderance of the evidence, that the applicant's 57464  
activities and employment record since the conviction show that 57465  
the applicant is honest, truthful, and of good reputation, and 57466  
there is no basis in fact for believing that the applicant again 57467  
will violate the laws involved. 57468

score on the examination and meets the other requirements for the 57475  
license, the superintendent shall issue a provisional license 57476  
pending the results of the criminal records check. During this 57477

real estate license. If the results of the criminal records check 57479  
subsequently confirm that the licensee has no convictions, the 57480  
provisional status shall be removed. If it is determined that the 57481  
licensee has been convicted of any criminal offense, the 57482

60268  
60269

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude; 60270  
60271  
60272

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed; 60273  
60274  
60275

(15) Commission of an act involving moral turpitude that 60276

constitutes a misdemeanor in this state, regardless of the 60277  
jurisdiction in which the act was committed; 60278

(16) A plea of guilty to, a judicial finding of guilt of, or 60279  
a judicial finding of eligibility for intervention in lieu of 60280  
conviction for violating any state or federal law regulating the 60281  
possession, distribution, or use of any drug, including 60282  
trafficking in drugs; 60283

(17) Any of the following actions taken by the state agency 60284  
responsible for regulating the practice of anesthesiologist 60285  
assistants in another jurisdiction, for any reason other than the 60286  
nonpayment of fees: the limitation, revocation, or suspension of 60287  
an individual's license to practice; acceptance of an individual's 60288  
license surrender; denial of a license; refusal to renew or 60289  
reinstate a license; imposition of probation; or issuance of an 60290  
order of censure or other reprimand; 60291

(18) Violation of the conditions placed by the board on a 60292  
~~certificate~~ license to practice; 60293

(19) Failure to use universal blood and body fluid 60294  
precautions established by rules adopted under section 4731.051 of 60295  
the Revised Code; 60296

(20) Failure to cooperate in an investigation conducted by 60297  
the board under section 4760.14 of the Revised Code, including 60298  
failure to comply with a subpoena or order issued by the board or 60299  
failure to answer truthfully a question presented by the board at 60300  
a deposition or in written interrogatories, except that failure to 60301  
cooperate with an investigation shall not constitute grounds for 60302  
discipline under this section if a court of competent jurisdiction 60303  
has issued an order that either quashes a subpoena or permits the 60304  
individual to withhold the testimony or evidence in issue; 60305

(21) Failure to comply with any code of ethics established by 60306  
the national commission for the certification of anesthesiologist 60307

assistants; 60308

(22) Failure to notify the state medical board of the 60309  
revocation or failure to maintain certification from the national 60310  
commission for certification of anesthesiologist assistants. 60311

(C) Disciplinary actions taken by the board under divisions 60312  
(A) and (B) of this section shall be taken pursuant to an 60313  
adjudication under Chapter 119. of the Revised Code, except that 60314  
in lieu of an adjudication, the board may enter into a consent 60315  
agreement with an anesthesiologist assistant or applicant to 60316  
resolve an allegation of a violation of this chapter or any rule 60317  
adopted under it. A consent agreement, when ratified by an 60318  
affirmative vote of not fewer than six members of the board, shall 60319  
constitute the findings and order of the board with respect to the 60320  
matter addressed in the agreement. If the board refuses to ratify 60321  
a consent agreement, the admissions and findings contained in the 60322  
consent agreement shall be of no force or effect. 60323

(D) For purposes of divisions (B)(11), (14), and (15) of this 60324  
section, the commission of the act may be established by a finding 60325  
by the board, pursuant to an adjudication under Chapter 119. of 60326  
the Revised Code, that the applicant or ~~certificate~~ license holder 60327  
committed the act in question. The board shall have no 60328  
jurisdiction under these divisions in cases where the trial court 60329  
renders a final judgment in the ~~certificate~~ license holder's favor 60330  
and that judgment is based upon an adjudication on the merits. The 60331  
board shall have jurisdiction under these divisions in cases where 60332  
the trial court issues an order of dismissal on technical or 60333  
procedural grounds. 60334

(E) The sealing of conviction records by any court shall have 60335  
no effect on a prior board order entered under the provisions of 60336  
this section or on the board's jurisdiction to take action under 60337  
the provisions of this section if, based upon a plea of guilty, a 60338  
judicial finding of guilt, or a judicial finding of eligibility 60339

for intervention in lieu of conviction, the board issued a notice 60340  
of opportunity for a hearing prior to the court's order to seal 60341  
the records. The board shall not be required to seal, destroy, 60342  
redact, or otherwise modify its records to reflect the court's 60343  
sealing of conviction records. 60344

(F) For purposes of this division, any individual who holds a 60345  
~~certificate~~ license to practice issued under this chapter, or 60346  
applies for a ~~certificate~~ license to practice, shall be deemed to 60347  
have given consent to submit to a mental or physical examination 60348  
when directed to do so in writing by the board and to have waived 60349  
all objections to the admissibility of testimony or examination 60350  
reports that constitute a privileged communication. 60351

(1) In enforcing division (B)(5) of this section, the board, 60352  
on a showing of a possible violation, may compel any individual 60353  
who holds a ~~certificate~~ license to practice issued under this 60354  
chapter or who has applied for a ~~certificate~~ license to practice 60355  
pursuant to this chapter to submit to a mental or physical 60356  
examination, or both. A physical examination may include an HIV 60357  
test. The expense of the examination is the responsibility of the 60358  
individual compelled to be examined. Failure to submit to a mental 60359  
or physical examination or consent to an HIV test ordered by the 60360  
board constitutes an admission of the allegations against the 60361  
individual unless the failure is due to circumstances beyond the 60362  
individual's control, and a default and final order may be entered 60363  
without the taking of testimony or presentation of evidence. If 60364  
the board finds an anesthesiologist assistant unable to practice 60365  
because of the reasons set forth in division (B)(5) of this 60366  
section, the board shall require the anesthesiologist assistant to 60367  
submit to care, counseling, or treatment by physicians approved or 60368  
designated by the board, as a condition for an initial, continued, 60369  
reinstated, or renewed ~~certificate~~ license to practice. An 60370  
individual affected by this division shall be afforded an 60371

opportunity to demonstrate to the board the ability to resume 60372  
practicing in compliance with acceptable and prevailing standards 60373  
of care. 60374

(2) For purposes of division (B)(6) of this section, if the 60375  
board has reason to believe that any individual who holds a 60376  
~~certificate~~ license to practice issued under this chapter or any 60377  
applicant for a ~~certificate~~ license to practice suffers such 60378  
impairment, the board may compel the individual to submit to a 60379  
mental or physical examination, or both. The expense of the 60380  
examination is the responsibility of the individual compelled to 60381  
be examined. Any mental or physical examination required under 60382  
this division shall be undertaken by a treatment provider or 60383  
physician qualified to conduct such examination and chosen by the 60384  
board. 60385

Failure to submit to a mental or physical examination ordered 60386  
by the board constitutes an admission of the allegations against 60387  
the individual unless the failure is due to circumstances beyond 60388  
the individual's control, and a default and final order may be 60389  
entered without the taking of testimony or presentation of 60390  
evidence. If the board determines that the individual's ability to 60391  
practice is impaired, the board shall suspend the individual's 60392  
~~certificate~~ license or deny the individual's application and shall 60393  
require the individual, as a condition for an initial, continued, 60394  
reinstated, or renewed ~~certificate~~ license to practice, to submit 60395  
to treatment. 60396

Before being eligible to apply for reinstatement of a 60397  
~~certificate~~ license suspended under this division, the 60398  
anesthesiologist assistant shall demonstrate to the board the 60399  
ability to resume practice in compliance with acceptable and 60400  
prevailing standards of care. The demonstration shall include the 60401  
following: 60402

(a) Certification from a treatment provider approved under 60403

section 4731.25 of the Revised Code that the individual has 60404  
successfully completed any required inpatient treatment; 60405

(b) Evidence of continuing full compliance with an aftercare 60406  
contract or consent agreement; 60407

(c) Two written reports indicating that the individual's 60408  
ability to practice has been assessed and that the individual has 60409  
been found capable of practicing according to acceptable and 60410  
prevailing standards of care. The reports shall be made by 60411  
individuals or providers approved by the board for making such 60412  
assessments and shall describe the basis for their determination. 60413

The board may reinstate a ~~certificate~~ license suspended under 60414  
this division after such demonstration and after the individual 60415  
has entered into a written consent agreement. 60416

When the impaired anesthesiologist assistant resumes 60417  
practice, the board shall require continued monitoring of the 60418  
anesthesiologist assistant. The monitoring shall include 60419  
monitoring of compliance with the written consent agreement 60420  
entered into before reinstatement or with conditions imposed by 60421  
board order after a hearing, and, on termination of the consent 60422  
agreement, submission to the board for at least two years of 60423  
annual written progress reports made under penalty of 60424  
falsification stating whether the anesthesiologist assistant has 60425  
maintained sobriety. 60426

(G) If the secretary and supervising member determine that 60427  
there is clear and convincing evidence that an anesthesiologist 60428  
assistant has violated division (B) of this section and that the 60429  
individual's continued practice presents a danger of immediate and 60430  
serious harm to the public, they may recommend that the board 60431  
suspend the individual's ~~certificate~~ license without a prior 60432  
hearing. Written allegations shall be prepared for consideration 60433  
by the board. 60434

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a ~~certificate~~ license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the anesthesiologist assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the anesthesiologist assistant requests the hearing, unless otherwise agreed to by both the board and the ~~certificate~~ license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the ~~certificate~~ license to practice. The board may

then hold an adjudication under Chapter 119. of the Revised Code 60467  
to determine whether the individual committed the act in question. 60468  
Notice of opportunity for hearing shall be given in accordance 60469  
with Chapter 119. of the Revised Code. If the board finds, 60470  
pursuant to an adjudication held under this division, that the 60471  
individual committed the act, or if no hearing is requested, it 60472  
may order any of the sanctions specified in division (B) of this 60473  
section. 60474

(I) The ~~certificate~~ license to practice of an 60475  
anesthesiologist assistant and the assistant's practice in this 60476  
state are automatically suspended as of the date the 60477  
anesthesiologist assistant pleads guilty to, is found by a judge 60478  
or jury to be guilty of, or is subject to a judicial finding of 60479  
eligibility for intervention in lieu of conviction in this state 60480  
or treatment of intervention in lieu of conviction in another 60481  
jurisdiction for any of the following criminal offenses in this 60482  
state or a substantially equivalent criminal offense in another 60483  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 60484  
felonious assault, kidnapping, rape, sexual battery, gross sexual 60485  
imposition, aggravated arson, aggravated robbery, or aggravated 60486  
burglary. Continued practice after the suspension shall be 60487  
considered practicing without a ~~certificate~~ license. 60488

The board shall notify the individual subject to the 60489  
suspension by certified mail or in person in accordance with 60490  
section 119.07 of the Revised Code. If an individual whose 60491  
~~certificate~~ license is suspended under this division fails to make 60492  
a timely request for an adjudication under Chapter 119. of the 60493  
Revised Code, the board shall enter a final order permanently 60494  
revoking the individual's ~~certificate~~ license to practice. 60495

(J) In any instance in which the board is required by Chapter 60496  
119. of the Revised Code to give notice of opportunity for hearing 60497  
and the individual subject to the notice does not timely request a 60498

hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the anesthesiologist assistant's ~~certificate~~ license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a ~~certificate~~ license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a ~~certificate~~ license to practice as an anesthesiologist assistant to an applicant, revokes an individual's ~~certificate~~ license, refuses to renew an individual's ~~certificate~~ license, or refuses to reinstate an individual's ~~certificate~~ license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a ~~certificate~~ license to practice as an anesthesiologist assistant and the board shall not accept an application for reinstatement of the ~~certificate~~ license or for issuance of a new ~~certificate~~ license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a ~~certificate~~ license to practice issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a ~~certificate~~ license surrendered to the board requires an affirmative vote of not fewer than six

members of the board. 60531

(2) An application made under this chapter for a ~~certificate~~ license to practice may not be withdrawn without approval of the board. 60532  
60533  
60534

(3) Failure by an individual to renew a ~~certificate~~ license to practice in accordance with section 4760.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual. 60535  
60536  
60537  
60538

**Sec. 4760.131.** On receipt of a notice pursuant to section 3123.43 of the Revised Code, the state medical board shall comply with sections 3123.41 to 3123.50 of the Revised Code and any applicable rules adopted under section 3123.63 of the Revised Code with respect to a ~~certificate~~ license to practice as an anesthesiologist assistant issued pursuant to this chapter. 60539  
60540  
60541  
60542  
60543  
60544

**Sec. 4760.132.** If the state medical board has reason to believe that any person who has been granted a ~~certificate~~ license to practice as an anesthesiologist assistant under this chapter is mentally ill or mentally incompetent, it may file in the probate court of the county in which the person has a legal residence an affidavit in the form prescribed in section 5122.11 of the Revised Code and signed by the board secretary or a member of the board secretary's staff, whereupon the same proceedings shall be had as provided in Chapter 5122. of the Revised Code. The attorney general may represent the board in any proceeding commenced under this section. 60545  
60546  
60547  
60548  
60549  
60550  
60551  
60552  
60553  
60554  
60555

If any person who has been granted a ~~certificate~~ license to practice is adjudged by a probate court to be mentally ill or mentally incompetent, the person's ~~certificate~~ license shall be automatically suspended until the person has filed with the state medical board a certified copy of an adjudication by a probate 60556  
60557  
60558  
60559  
60560

court of the person's subsequent restoration to competency or has 60561  
submitted to the board proof, satisfactory to the board, that the 60562  
person has been discharged as having a restoration to competency 60563  
in the manner and form provided in section 5122.38 of the Revised 60564  
Code. The judge of the probate court shall forthwith notify the 60565  
state medical board of an adjudication of mental illness or mental 60566  
incompetence, and shall note any suspension of a ~~certificate~~ 60567  
license in the margin of the court's record of such ~~certificate~~ 60568  
license. 60569

**Sec. 4760.14.** (A) The state medical board shall investigate 60570  
evidence that appears to show that any person has violated this 60571  
chapter or the rules adopted under it. Any person may report to 60572  
the board in a signed writing any information the person has that 60573  
appears to show a violation of any provision of this chapter or 60574  
the rules adopted under it. In the absence of bad faith, a person 60575  
who reports such information or testifies before the board in an 60576  
adjudication conducted under Chapter 119. of the Revised Code 60577  
shall not be liable for civil damages as a result of reporting the 60578  
information or providing testimony. Each complaint or allegation 60579  
of a violation received by the board shall be assigned a case 60580  
number and be recorded by the board. 60581

(B) Investigations of alleged violations of this chapter or 60582  
rules adopted under it shall be supervised by the supervising 60583  
member elected by the board in accordance with section 4731.02 of 60584  
the Revised Code and by the secretary as provided in section 60585  
4760.15 of the Revised Code. The board's president may designate 60586  
another member of the board to supervise the investigation in 60587  
place of the supervising member. A member of the board who 60588  
supervises the investigation of a case shall not participate in 60589  
further adjudication of the case. 60590

(C) In investigating a possible violation of this chapter or 60591

the rules adopted under it, the board may administer oaths, order 60592  
the taking of depositions, issue subpoenas, and compel the 60593  
attendance of witnesses and production of books, accounts, papers, 60594  
records, documents, and testimony, except that a subpoena for 60595  
patient record information shall not be issued without 60596  
consultation with the attorney general's office and approval of 60597  
the secretary and supervising member of the board. Before issuance 60598  
of a subpoena for patient record information, the secretary and 60599  
supervising member shall determine whether there is probable cause 60600  
to believe that the complaint filed alleges a violation of this 60601  
chapter or the rules adopted under it and that the records sought 60602  
are relevant to the alleged violation and material to the 60603  
investigation. The subpoena may apply only to records that cover a 60604  
reasonable period of time surrounding the alleged violation. 60605

On failure to comply with any subpoena issued by the board 60606  
and after reasonable notice to the person being subpoenaed, the 60607  
board may move for an order compelling the production of persons 60608  
or records pursuant to the Rules of Civil Procedure. 60609

A subpoena issued by the board may be served by a sheriff, 60610  
the sheriff's deputy, or a board employee designated by the board. 60611  
Service of a subpoena issued by the board may be made by 60612  
delivering a copy of the subpoena to the person named therein, 60613  
reading it to the person, or leaving it at the person's usual 60614  
place of residence. When the person being served is an 60615  
anesthesiologist assistant, service of the subpoena may be made by 60616  
certified mail, restricted delivery, return receipt requested, and 60617  
the subpoena shall be deemed served on the date delivery is made 60618  
or the date the person refuses to accept delivery. 60619

A sheriff's deputy who serves a subpoena shall receive the 60620  
same fees as a sheriff. Each witness who appears before the board 60621  
in obedience to a subpoena shall receive the fees and mileage 60622  
provided for under section 119.094 of the Revised Code. 60623

(D) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(E) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.

The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(F) The state medical board shall develop requirements for 60656  
and provide appropriate initial training and continuing education 60657  
for investigators employed by the board to carry out its duties 60658  
under this chapter. The training and continuing education may 60659  
include enrollment in courses operated or approved by the Ohio 60660  
peace officer training commission that the board considers 60661  
appropriate under conditions set forth in section 109.79 of the 60662  
Revised Code. 60663

(G) On a quarterly basis, the board shall prepare a report 60664  
that documents the disposition of all cases during the preceding 60665  
three months. The report shall contain the following information 60666  
for each case with which the board has completed its activities: 60667

(1) The case number assigned to the complaint or alleged 60668  
violation; 60669

(2) The type of ~~certificate~~ license to practice, if any, held 60670  
by the individual against whom the complaint is directed; 60671

(3) A description of the allegations contained in the 60672  
complaint; 60673

(4) The disposition of the case. 60674

The report shall state how many cases are still pending, and 60675  
shall be prepared in a manner that protects the identity of each 60676  
person involved in each case. The report is a public record for 60677  
purposes of section 149.43 of the Revised Code. 60678

**Sec. 4760.15.** (A) As used in this section, "prosecutor" has 60679  
the same meaning as in section 2935.01 of the Revised Code. 60680

(B) Whenever any person holding a valid ~~certificate~~ license 60681  
issued pursuant to this chapter pleads guilty to, is subject to a 60682  
judicial finding of guilt of, or is subject to a judicial finding 60683  
of eligibility for intervention in lieu of conviction for a 60684  
violation of Chapter 2907., 2925., or 3719. of the Revised Code or 60685

of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the ~~certificate~~ license under section 4760.13 of the Revised Code.

(C) The prosecutor in any case against any person holding a valid ~~certificate~~ license to practice issued pursuant to this chapter, on forms prescribed and provided by the state medical board, shall notify the board of any of the following:

physical illness, including physical deterioration that adversely 61523  
affects cognitive, motor, or perceptive skills; 61524

(6) Impairment of ability to practice according to acceptable 61525  
and prevailing standards of care because of habitual or excessive 61526

ability to practice; 61528

(7) Willfully betraying a professional confidence; 61529

(8) Making a false, fraudulent, deceptive, or misleading 61530

or attempting to secure a ~~certificate~~ license to practice as an 61532  
oriental medicine practitioner or ~~certificate~~ license to practice 61533  
as an acupuncturist. 61534

As used in this division, "false, fraudulent, deceptive, or 61535  
misleading statement" means a statement that includes a 61536  
misrepresentation of fact, is likely to mislead or deceive because 61537

or includes representations or implications that in reasonable 61540  
probability will cause an ordinarily prudent person to 61541  
misunderstand or be deceived. 61542

(9) Representing, with the purpose of obtaining compensation 61543  
or other advantage personally or for any other person, that an 61544

incurable disease or injury, or other incurable condition, can be 61545  
permanently cured; 61546

(10) The obtaining of, or attempting to obtain, money or a 61547  
thing of value by fraudulent misrepresentations in the course of 61548  
practice; 61549

(11) A plea of guilty to, a judicial finding of guilt of, or 61550  
a judicial finding of eligibility for intervention in lieu of 61551  
conviction for, a felony; 61552

(12) Commission of an act that constitutes a felony in this 61553  
state, regardless of the jurisdiction in which the act was 61554

a judicial finding of eligibility for intervention in lieu of 61560  
conviction for, a misdemeanor involving moral turpitude; 61561

(15) Commission of an act in the course of practice that 61562  
constitutes a misdemeanor in this state, regardless of the 61563  
jurisdiction in which the act was committed; 61564

(16) Commission of an act involving moral turpitude that 61565  
constitutes a misdemeanor in this state, regardless of the 61566  
jurisdiction in which the act was committed; 61567

(17) A plea of guilty to, a judicial finding of guilt of, or 61568  
a judicial finding of eligibility for intervention in lieu of 61569  
conviction for violating any state or federal law regulating the 61570  
possession, distribution, or use of any drug, including 61571  
trafficking in drugs; 61572

(18) Any of the following actions taken by the state agency 61573  
responsible for regulating the practice of oriental medicine or 61574

acupuncture in another jurisdiction, for any reason other than the 61575  
nonpayment of fees: the limitation, revocation, or suspension of 61576

(20) Failure to use universal blood and body fluid 61585  
precautions established by rules adopted under section 4731.051 of 61586  
the Revised Code; 61587

(21) Failure to cooperate in an investigation conducted by 61588  
the board under section 4762.14 of the Revised Code, including 61589  
failure to comply with a subpoena or order issued by the board or 61590  
failure to answer truthfully a question presented by the board at 61591  
a deposition or in written interrogatories, except that failure to 61592  
cooperate with an investigation shall not constitute grounds for 61593  
discipline under this section if a court of competent jurisdiction 61594  
has issued an order that either quashes a subpoena or permits the 61595  
individual to withhold the testimony or evidence in issue; 61596

(22) Failure to comply with the standards of the national 61597  
certification commission for acupuncture and oriental medicine 61598  
regarding professional ethics, commitment to patients, commitment 61599  
to the profession, and commitment to the public; 61600

(23) Failure to have adequate professional liability 61601  
insurance coverage in accordance with section 4762.22 of the 61602  
Revised Code; 61603

(24) Failure to maintain a current and active designation as 61604  
a diplomate in oriental medicine, diplomate of acupuncture and 61605

Chinese herbology, or diplomate in acupuncture, as applicable, 61606  
from the national certification commission for acupuncture and 61607  
oriental medicine, including revocation by the commission of the 61608  
individual's designation, failure by the individual to meet the 61609  
commission's requirements for redesignation, or failure to notify 61610  
the board that the appropriate designation has not been 61611  
maintained. 61612

(C) Disciplinary actions taken by the board under divisions 61613  
(A) and (B) of this section shall be taken pursuant to an 61614  
adjudication under Chapter 119. of the Revised Code, except that 61615  
in lieu of an adjudication, the board may enter into a consent 61616  
agreement with an oriental medicine practitioner or acupuncturist 61617  
or applicant to resolve an allegation of a violation of this 61618  
chapter or any rule adopted under it. A consent agreement, when 61619  
ratified by an affirmative vote of not fewer than six members of 61620  
the board, shall constitute the findings and order of the board 61621  
with respect to the matter addressed in the agreement. If the 61622  
board refuses to ratify a consent agreement, the admissions and 61623  
findings contained in the consent agreement shall be of no force 61624  
or effect. 61625

(D) For purposes of divisions (B)(12), (15), and (16) of this 61626  
section, the commission of the act may be established by a finding 61627  
by the board, pursuant to an adjudication under Chapter 119. of 61628  
the Revised Code, that the applicant or ~~certificate~~ license holder 61629  
committed the act in question. The board shall have no 61630  
jurisdiction under these divisions in cases where the trial court 61631  
renders a final judgment in the ~~certificate~~ license holder's favor 61632  
and that judgment is based upon an adjudication on the merits. The 61633  
board shall have jurisdiction under these divisions in cases where 61634  
the trial court issues an order of dismissal upon technical or 61635  
procedural grounds. 61636

(E) The sealing of conviction records by any court shall have 61637

no effect upon a prior board order entered under the provisions of 61638  
this section or upon the board's jurisdiction to take action under 61639  
the provisions of this section if, based upon a plea of guilty, a 61640  
judicial finding of guilt, or a judicial finding of eligibility 61641  
for intervention in lieu of conviction, the board issued a notice 61642  
of opportunity for a hearing or entered into a consent agreement 61643  
prior to the court's order to seal the records. The board shall 61644  
not be required to seal, destroy, redact, or otherwise modify its 61645  
records to reflect the court's sealing of conviction records. 61646

(F) For purposes of this division, any individual who holds a 61647  
~~certificate~~ license to practice issued under this chapter, or 61648  
applies for a ~~certificate~~ license to practice, shall be deemed to 61649  
have given consent to submit to a mental or physical examination 61650  
when directed to do so in writing by the board and to have waived 61651  
all objections to the admissibility of testimony or examination 61652  
reports that constitute a privileged communication. 61653

(1) In enforcing division (B)(5) of this section, the board, 61654  
upon a showing of a possible violation, may compel any individual 61655  
who holds a ~~certificate~~ license to practice issued under this 61656  
chapter or who has applied for a ~~certificate~~ license pursuant to 61657  
this chapter to submit to a mental examination, physical 61658  
examination, including an HIV test, or both a mental and physical 61659  
examination. The expense of the examination is the responsibility 61660  
of the individual compelled to be examined. Failure to submit to a 61661  
mental or physical examination or consent to an HIV test ordered 61662  
by the board constitutes an admission of the allegations against 61663  
the individual unless the failure is due to circumstances beyond 61664  
the individual's control, and a default and final order may be 61665  
entered without the taking of testimony or presentation of 61666  
evidence. If the board finds an oriental medicine practitioner or 61667  
acupuncturist unable to practice because of the reasons set forth 61668  
in division (B)(5) of this section, the board shall require the 61669

individual to submit to care, counseling, or treatment by 61670  
physicians approved or designated by the board, as a condition for 61671  
an initial, continued, reinstated, or renewed ~~certificate~~ license 61672  
to practice. An individual affected by this division shall be 61673  
afforded an opportunity to demonstrate to the board the ability to 61674  
resume practicing in compliance with acceptable and prevailing 61675  
standards of care. 61676

(2) For purposes of division (B)(6) of this section, if the 61677  
board has reason to believe that any individual who holds a 61678  
~~certificate~~ license to practice issued under this chapter or any 61679  
applicant for a ~~certificate~~ license suffers such impairment, the 61680  
board may compel the individual to submit to a mental or physical 61681  
examination, or both. The expense of the examination is the 61682  
responsibility of the individual compelled to be examined. Any 61683  
mental or physical examination required under this division shall 61684  
be undertaken by a treatment provider or physician qualified to 61685  
conduct such examination and chosen by the board. 61686

Failure to submit to a mental or physical examination ordered 61687  
by the board constitutes an admission of the allegations against 61688  
the individual unless the failure is due to circumstances beyond 61689  
the individual's control, and a default and final order may be 61690  
entered without the taking of testimony or presentation of 61691  
evidence. If the board determines that the individual's ability to 61692  
practice is impaired, the board shall suspend the individual's 61693  
~~certificate~~ license or deny the individual's application and shall 61694  
require the individual, as a condition for an initial, continued, 61695  
reinstated, or renewed ~~certificate~~ license, to submit to 61696  
treatment. 61697

Before being eligible to apply for reinstatement of a 61698  
~~certificate~~ license suspended under this division, the oriental 61699  
medicine practitioner or acupuncturist shall demonstrate to the 61700  
board the ability to resume practice in compliance with acceptable 61701

and prevailing standards of care. The demonstration shall include 61702  
the following: 61703

(a) Certification from a treatment provider approved under 61704  
section 4731.25 of the Revised Code that the individual has 61705  
successfully completed any required inpatient treatment; 61706

(b) Evidence of continuing full compliance with an aftercare 61707  
contract or consent agreement; 61708

(c) Two written reports indicating that the individual's 61709  
ability to practice has been assessed and that the individual has 61710  
been found capable of practicing according to acceptable and 61711  
prevailing standards of care. The reports shall be made by 61712  
individuals or providers approved by the board for making such 61713  
assessments and shall describe the basis for their determination. 61714

The board may reinstate a ~~certificate~~ license suspended under 61715  
this division after such demonstration and after the individual 61716  
has entered into a written consent agreement. 61717

When the impaired individual resumes practice, the board 61718  
shall require continued monitoring of the individual. The 61719  
monitoring shall include monitoring of compliance with the written 61720  
consent agreement entered into before reinstatement or with 61721  
conditions imposed by board order after a hearing, and, upon 61722  
termination of the consent agreement, submission to the board for 61723  
at least two years of annual written progress reports made under 61724  
penalty of falsification stating whether the individual has 61725  
maintained sobriety. 61726

(G) If the secretary and supervising member determine both of 61727  
the following, they may recommend that the board suspend an 61728  
individual's ~~certificate~~ license to practice without a prior 61729  
hearing: 61730

(1) That there is clear and convincing evidence that an 61731  
oriental medicine practitioner or acupuncturist has violated 61732

division (B) of this section; 61733

(2) That the individual's continued practice presents a 61734  
danger of immediate and serious harm to the public. 61735

Written allegations shall be prepared for consideration by 61736  
the board. The board, upon review of the allegations and by an 61737  
affirmative vote of not fewer than six of its members, excluding 61738  
the secretary and supervising member, may suspend a ~~certificate~~ 61739  
license without a prior hearing. A telephone conference call may 61740  
be utilized for reviewing the allegations and taking the vote on 61741  
the summary suspension. 61742

The board shall issue a written order of suspension by 61743  
certified mail or in person in accordance with section 119.07 of 61744  
the Revised Code. The order shall not be subject to suspension by 61745  
the court during pendency of any appeal filed under section 119.12 61746  
of the Revised Code. If the oriental medicine practitioner or 61747  
acupuncturist requests an adjudicatory hearing by the board, the 61748  
date set for the hearing shall be within fifteen days, but not 61749  
earlier than seven days, after the hearing is requested, unless 61750  
otherwise agreed to by both the board and the ~~certificate~~ license 61751  
holder. 61752

A summary suspension imposed under this division shall remain 61753  
in effect, unless reversed on appeal, until a final adjudicative 61754  
order issued by the board pursuant to this section and Chapter 61755  
119. of the Revised Code becomes effective. The board shall issue 61756  
its final adjudicative order within sixty days after completion of 61757  
its hearing. Failure to issue the order within sixty days shall 61758  
result in dissolution of the summary suspension order, but shall 61759  
not invalidate any subsequent, final adjudicative order. 61760

(H) If the board takes action under division (B)(11), (13), 61761  
or (14) of this section, and the judicial finding of guilt, guilty 61762  
plea, or judicial finding of eligibility for intervention in lieu 61763

of conviction is overturned on appeal, upon exhaustion of the 61764  
criminal appeal, a petition for reconsideration of the order may 61765  
be filed with the board along with appropriate court documents. 61766  
Upon receipt of a petition and supporting court documents, the 61767  
board shall reinstate the ~~certificate to practice~~ license. The 61768  
board may then hold an adjudication under Chapter 119. of the 61769  
Revised Code to determine whether the individual committed the act 61770  
in question. Notice of opportunity for hearing shall be given in 61771  
accordance with Chapter 119. of the Revised Code. If the board 61772  
finds, pursuant to an adjudication held under this division, that 61773  
the individual committed the act, or if no hearing is requested, 61774  
it may order any of the sanctions specified in division (B) of 61775  
this section. 61776

(I) The ~~certificate~~ license to practice of an oriental 61777  
medicine practitioner or acupuncturist and the practitioner's or 61778  
acupuncturist's practice in this state are automatically suspended 61779  
as of the date the practitioner or acupuncturist pleads guilty to, 61780  
is found by a judge or jury to be guilty of, or is subject to a 61781  
judicial finding of eligibility for intervention in lieu of 61782  
conviction in this state or treatment or intervention in lieu of 61783  
conviction in another jurisdiction for any of the following 61784  
criminal offenses in this state or a substantially equivalent 61785  
criminal offense in another jurisdiction: aggravated murder, 61786  
murder, voluntary manslaughter, felonious assault, kidnapping, 61787  
rape, sexual battery, gross sexual imposition, aggravated arson, 61788  
aggravated robbery, or aggravated burglary. Continued practice 61789  
after the suspension shall be considered practicing without a 61790  
~~certificate~~ license. 61791

The board shall notify the individual subject to the 61792  
suspension by certified mail or in person in accordance with 61793  
section 119.07 of the Revised Code. If an individual whose 61794  
~~certificate~~ license is suspended under this division fails to make 61795

a timely request for an adjudication under Chapter 119. of the 61796  
Revised Code, the board shall enter a final order permanently 61797  
revoking the individual's ~~certificate to practice~~ license. 61798

(J) In any instance in which the board is required by Chapter 61799  
119. of the Revised Code to give notice of opportunity for hearing 61800  
and the individual subject to the notice does not timely request a 61801  
hearing in accordance with section 119.07 of the Revised Code, the 61802  
board is not required to hold a hearing, but may adopt, by an 61803  
affirmative vote of not fewer than six of its members, a final 61804  
order that contains the board's findings. In the final order, the 61805  
board may order any of the sanctions identified under division (A) 61806  
or (B) of this section. 61807

(K) Any action taken by the board under division (B) of this 61808  
section resulting in a suspension shall be accompanied by a 61809  
written statement of the conditions under which the ~~certificate to~~ 61810  
~~practice~~ license may be reinstated. The board shall adopt rules in 61811  
accordance with Chapter 119. of the Revised Code governing 61812  
conditions to be imposed for reinstatement. Reinstatement of a 61813  
~~certificate~~ license suspended pursuant to division (B) of this 61814  
section requires an affirmative vote of not fewer than six members 61815  
of the board. 61816

(L) When the board refuses to grant or issue a ~~certificate to~~ 61817  
~~practice~~ license to an applicant, revokes an individual's 61818  
~~certificate~~ license, refuses to renew an individual's ~~certificate~~ 61819  
license, or refuses to reinstate an individual's ~~certificate~~ 61820  
license, the board may specify that its action is permanent. An 61821  
individual subject to a permanent action taken by the board is 61822  
forever thereafter ineligible to hold a ~~certificate~~ license to 61823  
practice as an oriental medicine practitioner or ~~certificate~~ 61824  
license to practice as an acupuncturist and the board shall not 61825  
accept an application for reinstatement of the ~~certificate~~ license 61826  
or for issuance of a new ~~certificate~~ license. 61827

(M) Notwithstanding any other provision of the Revised Code, 61828  
all of the following apply: 61829

(1) The surrender of a ~~certificate~~ license to practice as an 61830  
oriental medicine practitioner or ~~certificate~~ license to practice 61831  
as an acupuncturist issued under this chapter is not effective 61832  
unless or until accepted by the board. Reinstatement of a 61833  
~~certificate~~ license surrendered to the board requires an 61834  
affirmative vote of not fewer than six members of the board. 61835

(2) An application made under this chapter for a ~~certificate~~ 61836  
license may not be withdrawn without approval of the board. 61837

(3) Failure by an individual to renew a ~~certificate~~ license 61838  
in accordance with section 4762.06 of the Revised Code shall not 61839  
remove or limit the board's jurisdiction to take disciplinary 61840  
action under this section against the individual. 61841

**Sec. 4762.131.** On receipt of a notice pursuant to section 61842  
3123.43 of the Revised Code, the state medical board shall comply 61843  
with sections 3123.41 to 3123.50 of the Revised Code and any 61844  
applicable rules adopted under section 3123.63 of the Revised Code 61845  
with respect to a ~~certificate~~ license to practice as an oriental 61846  
medicine practitioner or ~~certificate~~ license to practice as an 61847  
acupuncturist issued pursuant to this chapter. 61848

**Sec. 4762.132.** If the state medical board has reason to 61849  
believe that any person who has been granted under this chapter a 61850  
~~certificate~~ license to practice as an oriental medicine 61851  
practitioner or ~~certificate~~ license to practice as an 61852  
acupuncturist is mentally ill or mentally incompetent, it may file 61853  
in the probate court of the county in which the person has a legal 61854  
residence an affidavit in the form prescribed in section 5122.11 61855  
of the Revised Code and signed by the board secretary or a member 61856  
of the board secretary's staff, whereupon the same proceedings 61857

shall be had as provided in Chapter 5122. of the Revised Code. The 61858  
attorney general may represent the board in any proceeding 61859  
commenced under this section. 61860

If any person who has been granted a ~~certificate~~ license is 61861  
adjudged by a probate court to be mentally ill or mentally 61862  
incompetent, the person's ~~certificate~~ license shall be 61863  
automatically suspended until the person has filed with the state 61864  
medical board a certified copy of an adjudication by a probate 61865  
court of the person's subsequent restoration to competency or has 61866  
submitted to the board proof, satisfactory to the board, that the 61867  
person has been discharged as having a restoration to competency 61868  
in the manner and form provided in section 5122.38 of the Revised 61869  
Code. The judge of the probate court shall forthwith notify the 61870  
state medical board of an adjudication of mental illness or mental 61871  
incompetence, and shall note any suspension of a ~~certificate~~ 61872  
license in the margin of the court's record of such ~~certificate~~ 61873  
license. 61874

**Sec. 4762.14.** (A) The state medical board shall investigate 61875  
evidence that appears to show that any person has violated this 61876  
chapter or the rules adopted under it. Any person may report to 61877  
the board in a signed writing any information the person has that 61878  
appears to show a violation of any provision of this chapter or 61879  
the rules adopted under it. In the absence of bad faith, a person 61880  
who reports such information or testifies before the board in an 61881  
adjudication conducted under Chapter 119. of the Revised Code 61882  
shall not be liable for civil damages as a result of reporting the 61883  
information or providing testimony. Each complaint or allegation 61884  
of a violation received by the board shall be assigned a case 61885  
number and be recorded by the board. 61886

(B) Investigations of alleged violations of this chapter or 61887  
rules adopted under it shall be supervised by the supervising 61888

member elected by the board in accordance with section 4731.02 of 61889  
the Revised Code and by the secretary as provided in section 61890  
4762.17 of the Revised Code. The board's president may designate 61891  
another member of the board to supervise the investigation in 61892  
place of the supervising member. A member of the board who 61893  
supervises the investigation of a case shall not participate in 61894  
further adjudication of the case. 61895

(C) In investigating a possible violation of this chapter or 61896  
the rules adopted under it, the board may administer oaths, order 61897  
the taking of depositions, issue subpoenas, and compel the 61898  
attendance of witnesses and production of books, accounts, papers, 61899  
records, documents, and testimony, except that a subpoena for 61900  
patient record information shall not be issued without 61901  
consultation with the attorney general's office and approval of 61902  
the secretary and supervising member of the board. Before issuance 61903  
of a subpoena for patient record information, the secretary and 61904  
supervising member shall determine whether there is probable cause 61905  
to believe that the complaint filed alleges a violation of this 61906  
chapter or the rules adopted under it and that the records sought 61907  
are relevant to the alleged violation and material to the 61908

that appropriate measures are taken to ensure that confidentiality 61954  
is maintained with respect to any part of the information that 61955  
contains names or other identifying information about patients or 61956  
complainants whose confidentiality was protected by the state 61957  
medical board when the information was in the board's possession. 61958
