where the services are provided to the nonpublic school pupil, 93186  
except that such personnel may accompany pupils to and from the 93187  
service sites when necessary to ensure the safety of the children 93188  
receiving the services. 93189

All services provided pursuant to this section may be 93190  
provided under contract with educational service centers, the 93191  
department of health, city or general health districts, or private 93192  
agencies whose personnel are properly licensed by an appropriate 93193  
state board or agency. 93194

Transportation of pupils provided pursuant to divisions (E), 93195  
(F), (G), and (I) of this section shall be provided by the school 93196  
district from its general funds and not from moneys paid to it 93197  
under division (E)(1) of section 3317.024 of the Revised Code 93198  
unless a special transportation request is submitted by the parent 93199  
of the child receiving service pursuant to such divisions. If such 93200  
an application is presented to the school district, it may pay for 93201  
the transportation from moneys paid to it under division (E)(1) of 93202  
section 3317.024 of the Revised Code. 93203

No school district shall provide health or remedial services 93204  
to nonpublic school pupils as authorized by this section unless 93205  
such services are available to pupils attending the public schools 93206  
within the district. 93207

Materials, equipment, computer hardware or software, 93208  
textbooks, digital texts, and health and remedial services 93209  
provided for the benefit of nonpublic school pupils pursuant to 93210  
this section and the admission of pupils to such nonpublic schools 93211  
shall be provided without distinction as to race, creed, color, or 93212  
national origin of such pupils or of their teachers. 93213

No school district shall provide services, materials, or 93214  
equipment that contain religious content for use in religious 93215  
courses, devotional exercises, religious training, or any other 93216  
religious activity. 93217

As used in this section, "parent" includes a person standing 93218  
in loco parentis to a child. 93219

As used in this section, "accredited nonpublic school" means 93220

an accredited nonpublic school as described in section 3301.165 of 93221  
the Revised Code. 93222

Notwithstanding section 3317.01 of the Revised Code, payments 93223  
shall be made under this section to any city, local, or exempted 93224  
village school district within which is located one or more 93225  
nonpublic elementary or high schools described in division (E)(1) 93226  
of section 3317.024 of the Revised Code and any payments made to 93227  
school districts under division (E)(1) of section 3317.024 of the 93228  
Revised Code for purposes of this section may be disbursed without 93229  
submission to and approval of the controlling board. 93230

The allocation of payments for materials, equipment, 93231  
textbooks, digital texts, health services, and remedial services 93232  
to city, local, and exempted village school districts shall be on 93233  
the basis of the state board of education's estimated annual 93234  
average daily membership in nonpublic elementary and high schools 93235  
located in the district described in division (E)(1) of section 93236  
3317.024 of the Revised Code. 93237

Payments made to city, local, and exempted village school 93238  
districts under this section shall be equal to specific 93239  
appropriations made for the purpose. All interest earned by a 93240  
school district on such payments shall be used by the district for 93241  
the same purposes and in the same manner as the payments may be 93242  
used. 93243

The department of education shall adopt guidelines and 93244  
procedures under which such programs and services shall be 93245  
provided, under which districts shall be reimbursed for 93246  
administrative costs incurred in providing such programs and 93247  
services, and under which any unexpended balance of the amounts 93248  
appropriated by the general assembly to implement this section may 93249  
be transferred to the auxiliary services personnel unemployment 93250  
compensation fund established pursuant to section 4141.47 of the 93251  
Revised Code. The department shall also adopt guidelines and 93252

procedures limiting the purchase and loan of the items described 93253  
in division (K) of this section to items that are in general use 93254  
in the public schools of the state, that are incapable of 93255  
diversion to religious use, and that are susceptible to individual 93256  
use rather than classroom use. Within thirty days after the end of 93257  
each biennium, each board of education shall remit to the 93258  
department all moneys paid to it under division (E)(1) of section 93259  
3317.024 of the Revised Code and any interest earned on those 93260  
moneys that are not required to pay expenses incurred under this 93261  
section during the biennium for which the money was appropriated 93262  
and during which the interest was earned. If a board of education 93263  
subsequently determines that the remittal of moneys leaves the 93264  
board with insufficient money to pay all valid expenses incurred 93265  
under this section during the biennium for which the remitted 93266  
money was appropriated, the board may apply to the department of 93267  
education for a refund of money, not to exceed the amount of the 93268  
insufficiency. If the department determines the expenses were 93269  
lawfully incurred and would have been lawful expenditures of the 93270  
refunded money, it shall certify its determination and the amount 93271  
of the refund to be made to the director of job and family 93272  
services who shall make a refund as provided in section 4141.47 of 93273  
the Revised Code. 93274

Each school district shall label materials, equipment, 93275  
computer hardware or software, textbooks, and digital texts 93276  
purchased or leased for loan to a nonpublic school under this 93277  
section, acknowledging that they were purchased or leased with 93278  
state funds under this section. However, a district need not label 93279  
materials, equipment, computer hardware or software, textbooks, or 93280  
digital texts that the district determines are consumable in 93281  
nature or have a value of less than two hundred dollars. 93282

**Sec. 3317.062.** (A) Moneys paid to chartered and accredited 93283  
nonpublic schools under division (E)(2) of section 3317.024 of the 93284

Revised Code shall be used for one or more of the following 93285  
purposes: 93286

(1) To purchase secular textbooks or digital texts, as 93287  
defined in divisions (A)(1) and (2) of section 3317.06 of the 93288  
Revised Code, as have been approved by the superintendent of 93289  
public instruction for use in public schools in the state; 93290

(2) To provide the services described in divisions (B), (C), 93291  
(D), and (Q) of section 3317.06 of the Revised Code; 93292

(3) To provide the services described in divisions (E), (F), 93293  
(G), and (I) of section 3317.06 of the Revised Code. If such 93294  
services are provided in public schools or in public centers, 93295  
transportation to and from such facilities shall be provided by 93296  
the nonpublic school. 93297

(4) To supply for use by pupils attending the school such 93298  
standardized tests and scoring services as are in use in the 93299  
public schools of the state; 93300

(5) To hire clerical personnel to assist in the 93301  
administration of divisions (A)(2), (3), and (4) of this section 93302  
and to hire supervisory personnel to supervise the providing of 93303  
services and textbooks pursuant to this section. These personnel 93304  
shall perform their services in the public schools, in nonpublic 93305  
schools, public centers, or mobile units where the services are 93306  
provided to the nonpublic school pupil, except that such personnel 93307  
may accompany pupils to and from the service sites when necessary 93308  
to ensure the safety of the children receiving the services. All 93309  
services provided pursuant to this section may be provided under 93310  
contract with school districts, educational service centers, the 93311  
department of health, city or general health districts, or private 93312  
agencies whose personnel are properly licensed by an appropriate 93313  
state board or agency. 93314

(6) To purchase any of the materials described in division	93315
(K) of section 3317.06 of the Revised Code;	93316
(7) To purchase any of the equipment described in division	93317
(L) of section 3317.06 of the Revised Code;	93318
(8) To purchase mobile units to be used for the provision of	93319
services pursuant to division (A)(3) of this section and to pay	93320
for necessary repairs and operating costs associated with these	93321
units;	93322
(9) To purchase the equipment described in division (O) of	93323
section 3317.06 of the Revised Code;	93324
(10) To procure and pay for security services described in	93325
division (P) of section 3317.06 of the Revised Code.	93326
(B) Materials, equipment, computer hardware and software,	93327
textbooks, digital texts, and health and remedial services	93328
provided pursuant to this section and the admission of pupils to	93329
nonpublic schools shall be provided without distinction as to	93330
race, creed, color, or national origin of such pupils or of their	93331
teachers.	93332
(C) Any interest earned by a chartered nonpublic school on	93333
moneys paid to it under division (E)(2) of section 3317.024 of the	93334
Revised Code shall be used by the school for the same purposes and	93335
in the same manner as the payments may be used under this section.	93336
(D) The department of education shall adopt guidelines and	93337
procedures regarding both of the following:	93338
(1) The expenditure of moneys under this section;	93339
(2) The audit of nonpublic schools receiving funds under this	93340
section to ensure the appropriate use of funds.	93341
(E) The department shall adopt a rule specifying the party	93342
that owns any property purchased by a chartered nonpublic school	93343
with moneys paid under division (E)(2) of section 3317.024 of the	93344

Revised Code. The rule shall include procedures for disposal of 93345  
the property by the designated owner when appropriate. 93346

(F) Within thirty days after the end of each biennium, each 93347  
chartered nonpublic school shall remit to the department all 93348  
moneys paid to it under division (E)(2) of section 3317.024 of the 93349  
Revised Code and any interest earned on those moneys that are not 93350  
required to pay expenses incurred under this section during the 93351  
biennium for which the moneys were appropriated and during which 93352  
the interest was earned. If a school subsequently determines that 93353  
the remittal of moneys leaves the school with insufficient money 93354  
to pay all valid expenses incurred under this section during the 93355  
biennium for which the remitted moneys were appropriated, the 93356  
school may apply to the department for a refund of money, not to 93357  
exceed the amount of the insufficiency. If the department 93358  
determines the expenses were lawfully incurred and would have been 93359  
lawful expenditures of the refunded money, the department shall 93360  
make a refund in the necessary amount. 93361

(G) As used in this section, "accredited nonpublic school" 93362  
means an accredited nonpublic school as described in section 93363  
3301.165 of the Revised Code. 93364

**Sec. 3317.063.** The superintendent of public instruction, in 93365  
accordance with rules adopted by the department of education, 93366  
shall annually reimburse each chartered nonpublic school and each 93367  
accredited nonpublic school as described in section 3301.165 of 93368  
the Revised Code for the actual mandated service administrative 93369  
and clerical costs incurred by such school during the preceding 93370  
school year in preparing, maintaining, and filing reports, forms, 93371  
and records, and in providing such other administrative and 93372  
clerical services that are not an integral part of the teaching 93373  
process as may be required by state law or rule or by requirements 93374  
duly promulgated by city, exempted village, or local school 93375

section shall include, but are not limited to, the preparation, 93377  
filing and maintenance of forms, reports, or records and other 93378

or approval of the nonpublic school, pupil attendance, pupil 93380  
health and health testing, transportation of pupils, federally 93381  
funded education programs, pupil appraisal, pupil progress, 93382  
educator licensure, unemployment and workers' compensation, 93383  
transfer of pupils, and such other education related data which 93384  
are now or hereafter shall be required of such nonpublic school by 93385  
state law or rule, or by requirements of the state department of 93386  
education, other state agencies, or city, exempted village, or 93387  
local school districts. 93388

The reimbursement required by this section shall be for 93389  
school years beginning on or after July 1, 1981. 93390

Each nonpublic school which seeks reimbursement pursuant to 93391  
this section shall submit to the superintendent of public 93392  
instruction an application together with such additional reports 93393  
and documents as the department of education may require. Such 93394  
application, reports, and documents shall contain such information 93395  
as the department of education may prescribe in order to carry out 93396  
the purposes of this section. No payment shall be made until the 93397  
superintendent of public instruction has approved such 93398  
application. 93399

Each nonpublic school which applies for reimbursement 93400  
pursuant to this section shall maintain a separate account or 93401  
system of accounts for the expenses incurred in rendering the 93402  
required services for which reimbursement is sought. Such accounts 93403  
shall contain such information as is required by the department of 93404  
education and shall be maintained in accordance with rules adopted 93405  
by the department of education. 93406

Reimbursement payments to a nonpublic school pursuant to this 93407

section shall not exceed an amount for each school year equal to 93408  
three hundred sixty dollars per pupil enrolled in that nonpublic 93409

time, examine any and all accounts and records of a nonpublic 93412  
school which have been maintained pursuant to this section in 93413  
support of an application for reimbursement, for the purpose of 93414  
determining the costs to such school of rendering the services for 93415  
which reimbursement is sought. If after such audit it is 93416  
determined that any school has received funds in excess of the 93417  
actual cost of providing such services, said school shall 93418  
immediately reimburse the state in such excess amount. 93419

Any payments made to chartered or accredited nonpublic 93420  
schools under this section may be disbursed without submission to 93421  
and approval of the controlling board. 93422

legislation submit to the electors of the subdivision the question 95870  
of issuing any general obligation bonds, for one purpose, that the 95871  
subdivision has power or authority to issue. 95872

(B) When the taxing authority of a subdivision desires or is 95873  
required by law to submit the question of a bond issue to the 95874  
electors, it shall pass legislation that does all of the 95875  
following: 95876

question shall be submitted to the electors; 95879

(3) States the amount, approximate date, estimated net 95880  
average rate of interest, and maximum number of years over which 95881  
the principal of the bonds may be paid; 95882

(4) Declares the necessity of levying a tax outside the tax 95883  
limitation to pay the debt charges on the bonds and any 95884  
anticipatory securities. 95885

The estimated net average interest rate shall be determined 95886  
by the taxing authority based on, among other factors, then 95887  
existing market conditions, and may reflect adjustments for any 95888  
anticipated direct payments expected to be received by the taxing 95889  
authority from the government of the United States relating to the 95890  
bonds and the effect of any federal tax credits anticipated to be 95891  
available to owners of all or a portion of the bonds. The 95892  
estimated net average rate of interest, and any statutory or 95893  
charter limit on interest rates that may then be in effect and 95894  
that is subsequently amended, shall not be a limitation on the 95895

legislation passed under division (B) of this section to the 95898  
county auditor. The county auditor shall promptly calculate and 95899  
advise and, not later than ninety days before the election, 95900  
confirm that advice by certification to, the taxing authority the 95901  
estimated average annual property tax levy, expressed in ~~cents or~~ 95902  
~~dollars and cents~~ for each one hundred thousand dollars of ~~tax~~ 95903  
~~valuation~~ fair market value and in mills for each one dollar of 95904

debt charges on the bonds. The auditor shall additionally 95907  
calculate and certify the amount the levy is estimated to collect 95908  
for each tax year it is levied, rounded to the nearest dollar. In 95909  
calculating the estimated average annual property tax levy and the 95910  
levy's estimated annual collections for this purpose, the county 95911  
auditor shall assume that the bonds are issued in one series 95912  
bearing interest and maturing in substantially equal principal 95913  
amounts in each year over the maximum number of years over which 95914  
the principal of the bonds may be paid as stated in that 95915  
legislation, and that the amount of the tax valuation of the 95916  
subdivision for the current year remains the same throughout the 95917  
maturity of the bonds, except as otherwise provided in division 95918  
(C)(2) of this section. If the tax valuation for the current year 95919  
is not determined, the county auditor shall base the calculation 95920  
on the estimated amount of the tax valuation submitted by the 95921  
county auditor to the county budget commission. If the subdivision 95922  
is located in more than one county, the county auditor shall 95923  
obtain the assistance of the county auditors of the other 95924  
counties, and those county auditors shall provide assistance, in 95925  
establishing the tax valuation of the subdivision for purposes of 95926  
certifying the estimated average annual property tax levy and the 95927  
levy's estimated annual collections. 95928

(2) When considering the tangible personal property component 95929  
of the tax valuation of the subdivision, the county auditor shall 95930  
take into account the assessment percentages prescribed in section 95931  
5711.22 of the Revised Code. The tax commissioner may issue rules, 95932  
orders, or instructions directing how the assessment percentages 95933  
must be utilized. 95934

(D) After receiving the county auditor's advice under 95935  
division (C) of this section, the taxing authority by legislation 95936  
may determine to proceed with submitting the question of the issue 95937  
of securities, and shall, not later than the ninetieth day before 95938  
the day of the election, file the following with the board of 95939  
elections: 95940

(1) Copies of the legislation provided for in divisions (B) 95941  
and (D) of this section; 95942

(2) The amount of the estimated average annual property tax 95943  
levy, expressed in ~~cents or dollars and cents~~ for each one hundred 95944  
thousand dollars of ~~tax valuation~~ fair market value and in mills 95945  
for each one dollar of ~~tax valuation~~ taxable value, as estimated 95946  
and certified to the taxing authority by the county auditor; 95947

(3) The amount the levy is estimated to collect for each tax 95948  
year it is levied, as certified to the taxing authority by the 95949  
county auditor. 95950

(E)(1) The board of elections shall prepare the ballots and 95951  
make other necessary arrangements for the submission of the 95952  
question to the electors of the subdivision. If the subdivision is 95953  
located in more than one county, the board shall inform the boards 95954  
of elections of the other counties of the filings with it, and 95955  
those other boards shall if appropriate make the other necessary 95956  
arrangements for the election in their counties. The election 95957  
shall be conducted, canvassed, and certified in the manner 95958  
provided in Title XXXV of the Revised Code. 95959

(2) The election shall be held at the regular places for voting in the subdivision. If the electors of only a part of a precinct are qualified to vote at the election the board of elections may assign the electors in that part to an adjoining precinct, including an adjoining precinct in another county if the board of elections of the other county consents to and approves the assignment. Each elector so assigned shall be notified of that fact prior to the election by notice mailed by the board of elections, in such manner as it determines, prior to the election.

(3) The board of elections shall publish a notice of the election once in a newspaper of general circulation in the subdivision, no later than ten days prior to the election. The notice shall state all of the following:

(a) The principal amount of the proposed bond issue;

(b) The stated purpose for which the bonds are to be issued;

(c) The maximum number of years over which the principal of the bonds may be paid;

(d) The estimated annual collections of the property tax;

(e) The estimated additional average annual property tax levy, expressed in ~~cents or dollars and cents~~ for each one hundred ~~thousand~~ dollars of ~~tax valuation~~ fair market value and in mills for each one dollar of ~~tax valuation~~ taxable value, to be levied outside the tax limitation, as estimated and certified to the taxing authority by the county auditor;

~~(e)~~ (f) The first calendar year in which the tax is expected to be due.

~~(F)~~(1) The form of the ballot to be used at the election shall be substantially either of the following, as applicable:

debt charges on the bonds, and to pay debt charges on any notes 96030  
issued in anticipation of those bonds? 96031

	For the bond issue
	Against the bond issue

"

~~(2) The purpose for which the bonds are to be issued shall be 96036  
printed in the space indicated, in boldface type. 96037~~

(G) The board of elections shall promptly certify the results 96038  
of the election to the tax commissioner, the county auditor of 96039  
each county in which any part of the subdivision is located, and 96040  
the fiscal officer of the subdivision. The election, including the 96041  
proceedings for and result of the election, is incontestable other 96042  
than in a contest filed under section 3515.09 of the Revised Code 96043  
in which the plaintiff prevails. 96044

(H) If a majority of the electors voting upon the question 96045  
vote for it, the taxing authority of the subdivision may proceed 96046  
under sections 133.21 to 133.33 of the Revised Code with the 96047  
issuance of the securities and with the levy and collection of a 96048  
property tax outside the tax limitation during the period the 96049  
securities are outstanding sufficient in amount to pay the debt 96050  
charges on the securities, including debt charges on any 96051  
anticipatory securities required to be paid from that tax. If 96052

legislation passed under section 133.22 or 133.23 of the Revised Code authorizing those securities is filed with the county auditor on or before the last day of November, the amount of the voted property tax levy required to pay debt charges or estimated debt charges on the securities payable in the following year shall if requested by the taxing authority be included in the taxes levied for collection in the following year under section 319.30 of the Revised Code.

(I)(1) If, before any securities authorized at an election under this section are issued, the net indebtedness of the subdivision exceeds that applicable to that subdivision or those securities, then and so long as that is the case none of the securities may be issued.

(2) No securities authorized at an election under this section may be initially issued after the first day of the sixth January following the election, but this period of limitation shall not run for any time during which any part of the permanent improvement for which the securities have been authorized, or the issuing or validity of any part of the securities issued or to be issued, or the related proceedings, is involved or questioned before a court or a commission or other tribunal, administrative agency, or board.

(3) Securities representing a portion of the amount authorized at an election that are issued within the applicable limitation on net indebtedness are valid and in no manner affected by the fact that the balance of the securities authorized cannot be issued by reason of the net indebtedness limitation or lapse of time.

(4) Nothing in this division (I) shall be interpreted or applied to prevent the issuance of securities in an amount to fund or refund anticipatory securities lawfully issued.

(5) The limitations of divisions (I)(1) and (2) of this section do not apply to any securities authorized at an election under this section if at least ten per cent of the principal amount of the securities, including anticipatory securities, authorized has theretofore been issued, or if the securities are to be issued for the purpose of participating in any federally or state-assisted program.

(6) The certificate of the fiscal officer of the subdivision is conclusive proof of the facts referred to in this division.

(J) As used in this section, "fair market value" has the same meaning as in section 5705.01 of the Revised Code.

**Sec. 306.32.** Any county, or any two or more counties, municipal corporations, or townships, or any combination of these, may create a regional transit authority by the adoption of a resolution or ordinance by the board of county commissioners of each county, the legislative authority of each municipal corporation, and the board of township trustees of each township which is to create or to join in the creation of the regional transit authority. The resolution or ordinance shall state:

(A) The necessity for the creation of a regional transit authority;

(B) The counties, municipal corporations, or townships which are to create or to join in the creation of the regional transit authority;

(C) The official name by which the regional transit authority shall be known;

(D) The place in which the principal office of the regional transit authority will be located or the manner in which it may be selected;

(E) The number, term, and compensation, or method for

establishing compensation, of the members of the board of trustees 96114  
of the regional transit authority. Compensation shall not exceed 96115  
fifty dollars for each board and committee meeting attended by a 96116  
member, except that if compensation is provided annually it shall 96117  
not exceed six thousand dollars for the president of the board or 96118  
four thousand eight hundred dollars for each other board member. 96119

(F) The manner in which vacancies on the board of trustees of 96120  
the regional transit authority shall be filled; 96121

(G) The manner and to what extent the expenses of the 96122  
regional transit authority shall be apportioned among the 96123  
counties, municipal corporations, and townships creating it; 96124

(H) The purposes, including the kinds of transit facilities, 96125  
for which the regional transit authority is organized. 96126

The regional transit authority provided for in the resolution 96127  
or ordinance shall be deemed to be created upon the adoption of 96128  
the resolution or ordinance by the board of county commissioners 96129  
of each county, the legislative authority of each municipal 96130  
corporation, and the board of township trustees of each township 96131  
enumerated in the resolution or ordinance. 96132

The resolution or ordinance creating a regional transit 96133  
authority may be amended to include additional counties, municipal 96134  
corporations, or townships or for any other purpose, by the 96135  
adoption of the amendment by the board of county commissioners of 96136  
each county, the legislative authority of each municipal 96137  
corporation, and the board of township trustees of each township 96138  
which has created or joined or proposes to join the regional 96139  
transit authority. 96140

After each county, municipal corporation, and township which 96141  
has created or joined or proposes to join the regional transit 96142  
authority has adopted its resolution or ordinance approving 96143  
inclusion of additional counties, municipal corporations, or 96144

townships in the regional transit authority, a copy of each 96145  
resolution or ordinance shall be filed with the clerk of the board 96146  
of the county commissioners of each county, the clerk of the 96147  
legislative authority of each municipal corporation, and the 96148  
fiscal officer of the board of trustees of each township proposed 96149  
to be included in the regional transit authority. The inclusion is 96150  
effective when all such filing has been completed, unless the 96151  
regional transit authority to which territory is to be added has 96152  
authority to levy an ad valorem tax on property, or a sales tax, 96153  
within its territorial boundaries, in which event the inclusion 96154  
shall become effective on the sixtieth day after the last such 96155  
filing is accomplished, unless, prior to the expiration of the 96156  
sixty-day period, qualified electors residing in the area proposed 96157  
to be added to the regional transit authority, equal in number to 96158  
at least ten per cent of the qualified electors from the area who 96159  
voted for governor at the last gubernatorial election, file a 96160  
petition of referendum against the inclusion. Any petition of 96161  
referendum filed under this section shall be filed at the office 96162  
of the secretary of the board of trustees of the regional transit 96163  
authority. The person presenting the petition shall be given a 96164  
receipt containing on it the time of the day, the date, and the 96165  
purpose of the petition. The secretary of the board of trustees of 96166  
the regional transit authority shall cause the appropriate board 96167  
or boards of elections to check the sufficiency of signatures on 96168  
any petition of referendum filed under this section and, if found 96169  
to be sufficient, shall present the petition to the board of 96170  
trustees at a meeting of said board which occurs not later than 96171  
thirty days following the filing of said petition. Upon 96172  
presentation to the board of trustees of a petition of referendum 96173  
against the proposed inclusion, the board of trustees shall 96174  
promptly certify the proposal to the board or boards of elections 96175  
for the purpose of having the proposal placed on the ballot at the 96176  
next general or primary election which occurs not less than ninety 96177

days after the date of the meeting of said board, or at a special 96178  
election, the date of which shall be specified in the 96179  
certification, which date shall be not less than ninety days after 96180  
the date of such meeting of the board. Signatures on a petition of 96181  
referendum may be withdrawn up to and including the meeting of the 96182  
board of trustees certifying the proposal to the appropriate board 96183  
or boards of elections. If territory of more than one county, 96184  
municipal corporation, or township is to be added to the regional 96185  
transit authority, the electors of the territories of the 96186  
counties, municipal corporations, or townships which are to be 96187  
added shall vote as a district, and the majority affirmative vote 96188  
shall be determined by the vote cast in the district as a whole. 96189  
~~Upon~~ 96190

If the proposal would extend the levy of an existing property 96191  
tax to the territory to be added to the regional transit 96192  
authority, the board of trustees of the regional transit board 96193  
shall request from the county auditor an estimate of the levy's 96194  
annual collections, assuming that the additional territory has 96195  
been added to the regional transit authority, in the same manner 96196  
as required for a tax levy under section 5705.03 of the Revised 96197  
Code. The auditor shall certify this estimate to the board within 96198  
ten days after receiving the board's request. 96199

Upon certification of a proposal to the appropriate board or 96200  
boards of elections pursuant to this section, the board or boards 96201  
of election shall make the necessary arrangements for the 96202  
submission of the question to the electors of the territory to be 96203  
added to the regional transit authority qualified to vote on the 96204  
question, and the election shall be held, canvassed, and certified 96205  
in the manner provided for the submission of tax levies under 96206  
section 5705.191 of the Revised Code, except that the question 96207  
appearing on the ballot shall read: 96208

"Shall the territory within the ..... 96209

(Name or names of political subdivisions to be joined) be added to 96210  
..... (Name) regional transit 96211  
authority?" and shall a(n) ..... (here insert type of tax or 96212  
taxes) at a rate ~~of taxation~~ not to exceed ..... (here insert 96213  
maximum tax rate or rates) be levied for all transit purposes?" 96214

If the tax is a tax on property, the ballot shall express the 96215  
levy's estimated annual collections and the rate shall be 96216  
expressed numerically in mills for each one dollar of taxable 96217  
value and numerically in dollars for each one hundred thousand 96218  
dollars of fair market value, as that term is defined in section 96219  
5705.01 of the Revised Code. 96220

If the question is approved by at least a majority of the 96221  
electors voting on the question, the joinder is immediately 96222  
effective, and the regional transit authority may extend the levy 96223  
of the tax against all the taxable property within the territory 96224  
which has been added. If the question is approved at a general 96225  
election or at a special election occurring prior to the general 96226  
election but after the fifteenth day of July, the regional transit 96227  
authority may amend its budget and resolution adopted pursuant to 96228  
section 5705.34 of the Revised Code, and the levy shall be placed 96229  
on the current tax list and duplicate and collected as other taxes 96230  
are collected from all taxable property within the territorial 96231  
boundaries of the regional transit authority, including the 96232  
territory within each political subdivision added as a result of 96233  
the election. 96234

The territorial boundaries of a regional transit authority 96235  
shall be coextensive with the territorial boundaries of the 96236  
counties, municipal corporations, and townships included within 96237  
the regional transit authority, provided that the same area may be 96238  
included in more than one regional transit authority so long as 96239  
the regional transit authorities are not organized for purposes as 96240  
provided for in the resolutions or ordinances creating the same, 96241

and any amendments to them, relating to the same kinds of transit facilities; and provided further, that if a regional transit authority includes only a portion of an entire county, a regional transit authority for the same purposes may be created in the remaining portion of the same county by resolution of the board of county commissioners acting alone or in conjunction with municipal corporations and townships as provided in this section.

No regional transit authority shall be organized after January 1, 1975, to include any area already included in a regional transit authority, except that any regional transit authority organized after June 29, 1974, and having territorial boundaries entirely within a single county shall, upon adoption by the board of county commissioners of the county of a resolution creating a regional transit authority including within its territorial jurisdiction the existing regional transit authority and for purposes including the purposes for which the existing regional transit authority was created, be dissolved and its territory included in such new regional transit authority. Any resolution creating such a new regional transit authority shall make adequate provision for satisfaction of the obligations of the dissolved regional transit authority.

**Sec. 306.322.** (A) For any regional transit authority that levies a property tax and that includes in its membership political subdivisions that are located in a county having a population of at least four hundred thousand according to the most recent federal census, the procedures of this section apply until November 5, 2013, and are in addition to and an alternative to those established in sections 306.32 and 306.321 of the Revised Code for joining to the regional transit authority additional counties, municipal corporations, or townships.

(B) Any municipal corporation or township may adopt a

resolution or ordinance proposing to join a regional transit 96273  
authority described in division (A) of this section. In its 96274  
resolution or ordinance, the political subdivision may propose 96275  
joining the regional transit authority for a limited period of 96276  
three years or without a time limit. 96277

(C) The political subdivision proposing to join the regional 96278  
transit authority shall submit a copy of its resolution or 96279  
ordinance to the legislative authority of each municipal 96280  
corporation and the board of trustees of each township comprising 96281  
the regional transit authority. Within thirty days of receiving 96282  
the resolution or ordinance for inclusion in the regional transit 96283  
authority, the legislative authority of each municipal corporation 96284  
and the board of trustees of each township shall consider the 96285  
question of whether to include the additional subdivision in the 96286  
regional transit authority, shall adopt a resolution or ordinance 96287  
approving or rejecting the inclusion of the additional 96288  
subdivision, and shall present its resolution or ordinance to the 96289  
board of trustees of the regional transit authority. 96290

(D) If a majority of the political subdivisions comprising 96291  
the regional transit authority approve the inclusion of the 96292  
additional political subdivision, the board of trustees of the 96293  
regional transit authority, not later than the tenth day following 96294  
the day on which the last ordinance or resolution is presented, 96295  
shall notify the subdivision proposing to join the regional 96296  
transit authority that it may certify the proposal to the board of 96297  
elections for the purpose of having the proposal placed on the 96298  
ballot at the next general election or at a special election 96299  
conducted on the day of the next primary election that occurs not 96300  
less than ninety days after the resolution or ordinance is 96301  
certified to the board of elections. 96302

If the board proposes to extend the levy of an existing 96303  
property tax to the territory to be added to the regional transit 96304

authority, the board shall request from the county auditor an estimate of the levy's annual collections, assuming that the additional territory has been added to the regional transit authority, in the same manner as required for a tax levy under section 5705.03 of the Revised Code. The auditor shall certify this estimate to the board within ten days after receiving the board's request.

(E) Upon certification of a proposal to the board of elections pursuant to this section, the board of elections shall make the necessary arrangements for the submission of the question to the electors of the territory to be included in the regional transit authority qualified to vote on the question, and the election shall be held, canvassed, and certified in the same manner as regular elections for the election of officers of the subdivision proposing to join the regional transit authority, except that, if the resolution proposed the inclusion without a time limitation the question appearing on the ballot shall read:

"Shall the territory within the .....  
(Name or names of political subdivisions to be joined) be added to ..... (Name) regional transit authority?" and shall a(n) ..... (here insert type of tax or taxes) at a rate ~~of taxation~~ not to exceed ..... (here insert maximum tax rate or rates) be levied for all transit purposes?"

If the resolution proposed the inclusion with a three-year time limitation, the question appearing on the ballot shall read:

"Shall the territory within the .....  
(Name or names of political subdivisions to be joined) be added to ..... (Name) regional transit authority?" for three years and shall a(n) ..... (here insert type of tax or taxes) at a rate ~~of taxation~~ not to exceed ..... (here insert maximum tax rate or rates) be levied for all transit purposes for three years?"

In either case, if the tax is a tax on property, the ballot shall express the levy's estimated annual collections and the rate shall be expressed numerically in mills for each one dollar of taxable value and numerically in dollars for each one hundred thousand dollars of fair market value, as that term is defined in section 5705.01 of the Revised Code.

(F) If the question is approved by at least a majority of the electors voting on the question, the addition of the new territory is effective six months from the date of the certification of its passage, and the regional transit authority may extend the levy of the tax against all the taxable property within the territory that was added. If the question is approved at a general election or at a special election occurring prior to the general election but after the fifteenth day of July, the regional transit authority may amend its budget and resolution adopted pursuant to section 5705.34 of the Revised Code, and the levy shall be placed on the current tax list and duplicate and collected as other taxes are collected from all taxable property within the territorial boundaries of the regional transit authority, including the territory within the political subdivision added as a result of the election. If the budget of the regional transit authority is amended pursuant to this paragraph, the county auditor shall prepare and deliver an amended certificate of estimated resources to reflect the change in anticipated revenues of the regional transit authority.

(G) If the question is approved by at least a majority of the electors voting on the question, the board of trustees of the regional transit authority immediately shall amend the resolution or ordinance creating the regional transit authority to include the additional political subdivision.

(H) If the question approved by a majority of the electors voting on the question added the subdivision for three years, the

territory of the additional municipal corporation or township in 96369  
the regional transit authority shall be removed from the territory 96370  
of the regional transit authority three years after the date the 96371  
territory was added, as determined in the effective date of the 96372  
election, and shall no longer be a part of that authority without 96373  
any further action by either the political subdivisions that were 96374  
included in the authority prior to submitting the question to the 96375  
electors or of the political subdivision added to the authority as 96376  
a result of the election. The regional transit authority reduced 96377  
to its territory as it existed prior to the inclusion of the 96378  
additional municipal corporation or township shall be entitled to 96379  
levy and collect any property taxes that it was authorized to levy 96380  
and collect prior to the enlargement of its territory and for 96381  
which authorization has not expired, as if the enlargement had not 96382  
occurred. 96383

**Sec. 345.01.** The (A) As used in this chapter, "fair market 96384  
value" has the same meaning as in section 5705.01 of the Revised 96385  
Code. 96386

(B) The taxing authority of any municipal corporation, 96387  
township, or county, at any time not less than one hundred days 96388  
prior to a general election in any year, by a vote of two-thirds 96389

The question covered by the resolution shall be submitted to 96463  
the electors as a separate proposition, but it may be printed on 96464  
the same ballot with any other proposition submitted at the same 96465

**Sec. 505.37.** (A) The board of township trustees may establish 96468  
all necessary rules to guard against the occurrence of fires and 96469  
to protect the property and lives of the citizens against damage 96470  
and accidents, and may, with the approval of the specifications by 96471  
the prosecuting attorney or, if the township has adopted limited 96472  
home rule government under Chapter 504. of the Revised Code, with 96473  
the approval of the specifications by the township's law director, 96474  
purchase, lease, lease with an option to purchase, or otherwise 96475  
provide any fire apparatus, mechanical resuscitators, underwater 96476  
rescue and recovery equipment, or other fire equipment, 96477  
appliances, materials, fire hydrants, and water supply for 96478  
fire-fighting and fire and rescue purposes that seems advisable to 96479  
the board. The board shall provide for the care and maintenance of 96480  
such fire equipment, and, for these purposes, may purchase, lease, 96481  
lease with an option to purchase, or construct and maintain 96482  
necessary buildings, and it may establish and maintain lines of 96483  
fire-alarm communications within the limits of the township. The 96484  
board may employ one or more persons to maintain and operate such 96485  
fire equipment, or it may enter into an agreement with a volunteer 96486  
fire company for the use and operation of the equipment. The board 96487  
may compensate the members of a volunteer fire company on any 96488  
basis and in any amount that it considers equitable. 96489

96490

When the estimated cost to purchase fire apparatus, 96491  
mechanical resuscitators, underwater rescue and recovery 96492

equipment, or other fire equipment, appliances, materials, fire 96493  
hydrants, buildings, or fire-alarm communications equipment or 96494

papers or other publications designated by it or to be distributed 96500  
by electronic means, including posting the notice on the board's 96501  
internet web site. If the board posts the notice on its web site, 96502  
it may eliminate the second notice otherwise required to be 96503  
published in a newspaper of general circulation within the 96504  
township, provided that the first notice published in such 96505  
newspaper meets all of the following requirements: 96506

(1) It is published at least two weeks before the opening of 96507  
bids. 96508

(2) It includes a statement that the notice is posted on the 96509  
board's internet web site. 96510

(3) It includes the internet address of the board's internet 96511  
web site. 96512

(4) It includes instructions describing how the notice may be 96513  
accessed on the board's internet web site. 96514

The advertisement shall include the time, date, and place 96515  
where the clerk of the township, or the clerk's designee, will 96516  
read bids publicly. The time, date, and place of bid openings may 96517  
be extended to a later date by the board of township trustees, 96518  
provided that written or oral notice of the change shall be given 96519  
to all persons who have received or requested specifications not 96520  
later than ninety-six hours prior to the original time and date 96521  
fixed for the opening. The board may reject all the bids or accept 96522  
the lowest and best bid, provided that the successful bidder meets 96523

the requirements of section 153.54 of the Revised Code when the 96524  
contract is for the construction, demolition, alteration, repair, 96525  
or reconstruction of an improvement. 96526

(B) The boards of township trustees of any two or more 96527  
townships, or the legislative authorities of any two or more 96528  
political subdivisions, or any combination of these, may, through 96529  
joint action, unite in the joint purchase, lease, lease with an 96530  
option to purchase, maintenance, use, and operation of fire 96531  
equipment described in division (A) of this section, or for any 96532  
other purpose designated in sections 505.37 to 505.42 of the 96533  
Revised Code, and may prorate the expense of the joint action on 96534  
any terms that are mutually agreed upon. 96535

(C) The board of township trustees of any township may, by 96536  
resolution, whenever it is expedient and necessary to guard 96537  
against the occurrence of fires or to protect the property and 96538  
lives of the citizens against damages resulting from their 96539  
occurrence, create a fire district of any portions of the township 96540  
that it considers necessary. The board may purchase, lease, lease 96541  
with an option to purchase, or otherwise provide any fire 96542  
apparatus, mechanical resuscitators, underwater rescue and 96543  
recovery equipment, or other fire equipment, appliances, 96544  
materials, fire hydrants, and water supply for fire-fighting and 96545  
fire and rescue purposes, or may contract for the fire protection 96546  
for the fire district as provided in section 9.60 of the Revised 96547  
Code. The fire district so created shall be given a separate name 96548  
by which it shall be known. 96549

Additional unincorporated territory of the township may be 96550  
added to a fire district upon the board's adoption of a resolution 96551  
authorizing the addition. A municipal corporation that is within 96552  
or adjoining the township may be added to a fire district upon the 96553  
board's adoption of a resolution authorizing the addition and the 96554  
municipal legislative authority's adoption of a resolution or 96555

ordinance requesting the addition of the municipal corporation to the fire district. 96556  
96557

If the township fire district imposes a tax, additional unincorporated territory of the township or a municipal corporation that is within or adjoining the township shall become part of the fire district only after all of the following have occurred: 96558  
96559  
96560  
96561  
96562

(1) Adoption by the board of township trustees of a resolution approving the expansion of the territorial limits of the district and, if the resolution proposes to add a municipal corporation, adoption by the municipal legislative authority of a resolution or ordinance requesting the addition of the municipal corporation to the district; 96563  
96564  
96565  
96566  
96567  
96568

(2) Adoption by the board of township trustees of a resolution recommending the extension of the tax to the additional territory; 96569  
96570  
96571

(3) The board requests and obtains from the county auditor an estimate of the levy's annual collections in the same manner as required for a tax levy under section 5705.03 of the Revised Code, assuming that the additional territory has been added to the fire district. The auditor shall certify this estimate to the board within ten days after receiving the board's request. 96572  
96573  
96574  
96575  
96576  
96577

(4) Approval of the tax by the electors of the territory proposed for addition to the district. 96578  
96579

Each resolution of the board adopted under division (C)(2) of this section shall state the name of the fire district, a description of the territory to be added, and the rate, expressed in mills for each one dollar of taxable value and in dollars for each one hundred thousand dollars of fair market value, and termination date of the tax, which shall be the rate and termination date of the tax currently in effect in the fire 96580  
96581  
96582  
96583  
96584  
96585  
96586

district. 96587

The board of trustees shall certify each resolution adopted 96588  
under division (C)(2) of this section and the county auditor's 96589  
certification to the board of elections in accordance with section 96590  
5705.19 of the Revised Code. The election required under division 96591  
(C)~~(3)~~ (4) of this section shall be held, canvassed, and certified 96592  
in the manner provided for the submission of tax levies under 96593  
section 5705.25 of the Revised Code, except that the question 96594  
appearing on the ballot shall read: 96595

"Shall the territory within ..... 96596  
(description of the proposed territory to be added) be added to 96597  
..... (name) fire district, and a property tax, 96598  
that the county auditor estimates will collect \$..... annually, at 96599  
a rate ~~of taxation~~ not exceeding ..... ~~(here insert tax rate)~~ 96600  
mills for each \$1 of taxable value, which amounts to \$..... 96601  
for each \$100,000 of fair market value, be in effect for 96602  
..... (here insert the number of years the tax is to be in 96603  
effect or "a continuing period of time," as applicable)?" 96604

If the question is approved by at least a majority of the 96605  
electors voting on it, the joinder shall be effective as of the 96606  
first day of July of the year following approval, and on that 96607  
date, the township fire district tax shall be extended to the 96608  
taxable property within the territory that has been added. If the 96609  
territory that has been added is a municipal corporation and if it 96610  
had adopted a tax levy for fire purposes, the levy is terminated 96611  
on the effective date of the joinder. 96612

Any municipal corporation may withdraw from a township fire 96613  
district created under division (C) of this section by the 96614  
adoption by the municipal legislative authority of a resolution or 96615  
ordinance ordering withdrawal. On the first day of July of the 96616  
year following the adoption of the resolution or ordinance of 96617  
withdrawal, the municipal corporation withdrawing ceases to be a 96618

part of the district, and the power of the fire district to levy a tax upon taxable property in the withdrawing municipal corporation terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

Upon the withdrawal of any municipal corporation from a township fire district created under division (C) of this section, the county auditor shall ascertain, apportion, and order a division of the funds on hand, moneys and taxes in the process of collection except for taxes levied for the payment of indebtedness, credits, and real and personal property, either in money or in kind, on the basis of the valuation of the respective tax duplicates of the withdrawing municipal corporation and the remaining territory of the fire district.

A board of township trustees may remove unincorporated territory of the township from the fire district upon the adoption of a resolution authorizing the removal. On the first day of July of the year following the adoption of the resolution, the unincorporated township territory described in the resolution ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in that territory terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

As used in this section, "fair market value" has the same meaning as in section 5705.01 of the Revised Code.

(D) The board of township trustees of any township, the board of fire district trustees of a fire district created under section 505.371 of the Revised Code, or the legislative authority of any municipal corporation may purchase, lease, or lease with an option

to purchase the necessary fire equipment described in division (A) 96651  
of this section, buildings, and sites for the township, fire 96652  
district, or municipal corporation and issue securities for that 96653  
purpose with maximum maturities as provided in section 133.20 of 96654  
the Revised Code. The board of township trustees, board of fire 96655  
district trustees, or legislative authority may also construct any 96656  
buildings necessary to house fire equipment and issue securities 96657  
for that purpose with maximum maturities as provided in section 96658  
133.20 of the Revised Code. 96659

The board of township trustees, board of fire district 96660  
trustees, or legislative authority may issue the securities of the 96661  
township, fire district, or municipal corporation, signed by the 96662  
board or designated officer of the municipal corporation and 96663  
attested by the signature of the township fiscal officer, fire 96664  
district clerk, or municipal clerk, covering any deferred payments 96665  
and payable at the times provided, which securities shall bear 96666  
interest not to exceed the rate determined as provided in section 96667  
9.95 of the Revised Code, and shall not be subject to Chapter 133. 96668  
of the Revised Code. The legislation authorizing the issuance of 96669  
the securities shall provide for levying and collecting annually 96670  
by taxation, amounts sufficient to pay the interest on and 96671  
principal of the securities. The securities shall be offered for 96672  
sale on the open market or given to the vendor or contractor if no 96673  
sale is made. 96674

Section 505.40 of the Revised Code does not apply to any 96675  
securities issued, or any lease with an option to purchase entered 96676  
into, in accordance with this division. 96677

(E) A board of township trustees of any township or a board 96678  
of fire district trustees of a fire district created under section 96679  
505.371 of the Revised Code may purchase a policy or policies of 96680  
liability insurance for the officers, employees, and appointees of 96681  
the fire department, fire district, or joint fire district 96682

governed by the board that includes personal injury liability 96683  
coverage as to the civil liability of those officers, employees, 96684  
and appointees for false arrest, detention, or imprisonment, 96685  
malicious prosecution, libel, slander, defamation or other 96686  
violation of the right of privacy, wrongful entry or eviction, or 96687  
other invasion of the right of private occupancy, arising out of 96688  
the performance of their duties. 96689

When a board of township trustees cannot, by deed of gift or 96690  
by purchase and upon terms it considers reasonable, procure land 96691  
for a township fire station that is needed in order to respond in 96692  
reasonable time to a fire or medical emergency, the board may 96693  
appropriate land for that purpose under sections 163.01 to 163.22 96694  
of the Revised Code. If it is necessary to acquire additional 96695  
adjacent land for enlarging or improving the fire station, the 96696  
board may purchase, appropriate, or accept a deed of gift for the 96697  
land for these purposes. 96698

(F) As used in this division, "emergency medical service 96699  
organization" has the same meaning as in section 4766.01 of the 96700  
Revised Code. 96701

A board of township trustees, by adoption of an appropriate 96702  
resolution, may choose to have the state board of emergency 96703  
medical, fire, and transportation services license any emergency 96704  
medical service organization it operates. If the board adopts such 96705  
a resolution, Chapter 4766. of the Revised Code, except for 96706  
sections 4766.06 and 4766.99 of the Revised Code, applies to the 96707  
organization. All rules adopted under the applicable sections of 96708  
that chapter also apply to the organization. A board of township 96709  
trustees, by adoption of an appropriate resolution, may remove its 96710  
emergency medical service organization from the jurisdiction of 96711  
the state board of emergency medical, fire, and transportation 96712  
services. 96713

Sec. 505.48. (A) The board of township trustees of any 96714  
township may, by resolution adopted by two-thirds of the members 96715  
of the board, create a township police district comprised of all 96716  
or a portion of the unincorporated territory of the township as 96717  
the resolution may specify. If the township police district does 96718  
not include all of the unincorporated territory of the township, 96719  
the resolution creating the district shall contain a complete and 96720  
accurate description of the territory of the district and a 96721  
separate and distinct name for the district. 96722

At any time not less than one hundred twenty days after a 96723  
township police district is created and operative, the territorial 96724  
limits of the district may be altered in the manner provided in 96725  
division (B) of this section or, if applicable, as provided in 96726  
section 505.482 of the Revised Code. 96727

(B) Except as otherwise provided in section 505.481 of the 96728  
Revised Code, the territorial limits of a township police district 96729  
may be altered by a resolution adopted by a two-thirds vote of the 96730  
board of township trustees. If the township police district 96731  
imposes a tax, any territory proposed for addition to the district 96732  
shall become part of the district only after all of the following 96733  
have occurred: 96734

(1) Adoption by two-thirds vote of the board of township 96735  
trustees of a resolution approving the expansion of the 96736  
territorial limits of the district; 96737

(2) Adoption by a two-thirds vote of the board of township 96738  
trustees of a resolution recommending the extension of the tax to 96739  
the additional territory; 96740

(3) The board requests and obtains from the county auditor an 96741  
estimate of the levy's annual collections, assuming that the 96742  
additional territory has been added to the township police 96743  
district, in the same manner as required for a tax levy under 96744

section 5705.03 of the Revised Code. The auditor shall certify this estimate to the board within ten days after receiving the board's request. 96745  
96746  
96747

(4) Approval of the tax by the electors of the territory proposed for addition to the district. 96748  
96749

Each resolution of the board adopted under division (B)(2) of this section shall state the name of the township police district, a description of the territory to be added, and the rate, expressed in mills for each one dollar of taxable value and in dollars for each one hundred thousand dollars of fair market value, and termination date of the tax, which shall be the rate and termination date of the tax currently in effect in the district. 96750  
96751  
96752  
96753  
96754  
96755  
96756  
96757

The board of trustees shall certify each resolution adopted under division (B)(2) of this section and the county auditor's certification to the board of elections in accordance with section 5705.19 of the Revised Code. The election required under division (B)~~(3)~~ (4) of this section shall be held, canvassed, and certified in the manner provided for the submission of tax levies under section 5705.25 of the Revised Code, except that the question appearing on the ballot shall read: 96758  
96759  
96760  
96761  
96762  
96763  
96764  
96765

"Shall the territory within .....  
(description of the proposed territory to be added) be added to ..... (name) township police district, and a property tax, that the county auditor estimates will collect \$..... annually, at a rate ~~of taxation~~ not exceeding ..... ~~(here insert tax rate)~~ mills for each \$1 of taxable value, which amounts to \$..... for each \$100,000 of fair market value, be in effect for ..... (here insert the number of years the tax is to be in effect or "a continuing period of time," as applicable)?" 96766  
96767  
96768  
96769  
96770  
96771  
96772  
96773  
96774

If the question is approved by at least a majority of the 96775

electors voting on it, the joinder shall be effective as of the 96776  
first day of January of the year following approval, and, on that 96777  
date, the township police district tax shall be extended to the 96778  
taxable property within the territory that has been added. 96779

As used in this section, "fair market value" has the same 96780  
meaning as in section 5705.01 of the Revised Code. 96781

**Sec. 505.481.** (A) If a township police district does not 96782  
include all the unincorporated territory of the township, the 96783  
remaining unincorporated territory of the township may be added to 96784  
the district by a resolution adopted by a unanimous vote of the 96785  
board of township trustees to place the issue of expansion of the 96786  
district on the ballot for the electors of the entire 96787  
unincorporated territory of the township. The resolution shall 96788  
state whether the proposed township police district initially will 96789  
hire personnel as provided in section 505.49 of the Revised Code 96790  
or contract for the provision of police protection services or 96791  
additional police protection services as provided in section 96792  
505.43 or 505.50 of the Revised Code. If the board proposes to 96793  
levy a tax throughout all of the unincorporated territory of the 96794  
township, the board shall request and obtain from the county 96795  
auditor an estimate of the levy's annual collections, assuming 96796  
that the unincorporated territory has been added to the township 96797  
police district, in the same manner as required for a tax levy 96798  
under section 5705.03 of the Revised Code. The auditor shall 96799  
certify this estimate to the board within ten days after receiving 96800  
the board's request. 96801

The ballot measure shall provide for the addition into a new 96802  
district of all the unincorporated territory of the township not 96803  
already included in the township police district and for the levy 96804  
of any tax then imposed by the district throughout the 96805  
unincorporated territory of the township. The measure shall state 96806

the rate of the tax, if any, to be imposed in the district 96807  
resulting from approval of the measure, expressed in mills for 96808  
each one dollar of taxable value and in dollars for each one 96809  
hundred thousand dollars of fair market value, which need not be 96810  
the same rate of any tax imposed by the existing district, ~~and~~ the 96811  
last year in which the tax will be levied or that it will be 96812  
levied for a continuous period of time, and the county auditor's 96813  
estimate of the levy's annual collections. 96814

(B) The election on the measure shall be held, canvassed, and 96815  
certified in the manner provided for the submission of tax levies 96816  
under section 5705.25 of the Revised Code, except that the 96817  
question appearing on the ballot shall read substantially as 96818  
follows: 96819

"Shall the unincorporated territory within ..... (name 96820  
of the township) not already included within the ..... (name 96821  
of township police district) be added to the township police 96822  
district to create the ..... (name of new township police 96823  
district) township police district?" 96824

The name of the proposed township police district shall be 96825  
separate and distinct from the name of the existing township 96826  
police district. 96827

If a tax is imposed in the existing township police district, 96828  
the question shall be modified by adding, at the end of the 96829  
question, the following: ", and shall a property tax be levied in 96830  
the new township police district, replacing the tax in the 96831  
existing township police district, that the county auditor 96832  
estimates will collect \$..... annually, at a rate not exceeding 96833  
..... mills ~~per dollar for each \$1~~ of taxable ~~valuation value,~~ 96834  
which amounts to \$..... (~~rate expressed in dollars and cents~~ 96835  
~~per one thousand dollars in taxable valuation)~~ for each \$100,000 96836  
of fair market value, for ..... (number of years the tax will be 96837  
levied, or "a continuing period of time")." 96838

If the measure is not approved by a majority of the electors voting on it, the township police district shall continue to occupy its existing territory until altered as provided in this section or section 505.48 of the Revised Code, and any existing tax imposed under section 505.51 of the Revised Code shall remain in effect in the existing district at the existing rate and for as long as provided in the resolution under the authority of which the tax is levied.

As used in this section, "fair market value" has the same meaning as in section 5705.01 of the Revised Code.

**Sec. 511.27.** (A) To defray the expenses of the township park district and for purchasing, appropriating, operating, maintaining, and improving lands for parks or recreational purposes, the board of park commissioners may levy a sufficient tax within the ten-mill limitation, not to exceed one mill on each dollar of ~~valuation~~ taxable value on all real and personal property within the township, and on all real and personal property within any municipal corporation that is within the township, that was within the township at the time that the park district was established, or the boundaries of which are coterminous with or include the township. The levy shall be over and above all other taxes and limitations on such property authorized by law.

(B) Except as otherwise provided in division (C) of this section, the board of park commissioners, not less than ninety days before the day of the election, may declare by resolution that the amount of taxes that may be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the necessary requirements of the district and that it is necessary to levy a tax in excess of that limitation for the use of the district. The resolution shall specify the purpose for

which the taxes shall be used, the annual rate proposed, and the number of consecutive years the levy will be in effect. Upon the adoption of the resolution, the question of levying the taxes shall be submitted to the electors of the township and the electors of any municipal corporation that is within the township, that was within the township at the time that the park district was established, or the boundaries of which are coterminous with or include the township, at a special election to be held on whichever of the following occurs first:

(1) The day of the next ensuing general election;

(2) The first Tuesday after the first Monday in May of any calendar year, except that, if a presidential primary election is held in that calendar year, then the day of that election.

The rate submitted to the electors at any one election shall not exceed two mills annually upon each dollar of ~~valuation~~ taxable value. If a majority of the electors voting upon the question of the levy vote in favor of the levy, the tax shall be levied on all real and personal property within the township and on all real and personal property within any municipal corporation that is within the township, that was within the township at the time that the park district was established, or the boundaries of which are coterminous with or include the township, and the levy shall be over and above all other taxes and limitations on such property authorized by law.

(C) In any township park district that contains only unincorporated territory, if the township board of park commissioners is appointed by the board of township trustees, before a tax can be levied and certified to the county auditor pursuant to section 5705.34 of the Revised Code or before a resolution for a tax levy can be certified to the board of elections pursuant to section 511.28 of the Revised Code, the board of park commissioners shall receive approval for its levy

request from the board of township trustees. The board of park 96902  
commissioners shall adopt a resolution requesting the board of 96903  
township trustees to approve the levy request, stating the annual 96904  
rate of the proposed levy and the reason for the levy request. On 96905  
receiving this request, the board of township trustees shall vote 96906  
on whether to approve the request and, if a majority votes to 96907  
approve it, shall issue a resolution approving the levy at the 96908  
requested rate. 96909

**Sec. 511.28.** A copy of any resolution for a tax levy adopted 96910  
by the township board of park commissioners as provided in section 96911  
511.27 of the Revised Code shall be certified by the clerk of the 96912  
board of park commissioners to the board of elections of the 96913  
proper county, together with a certified copy of the resolution 96914  
approving the levy, passed by the board of township trustees if 96915  
such a resolution is required by division (C) of section 511.27 of 96916  
the Revised Code, not less than ninety days before a general or 96917  
primary election in any year. The board of elections shall submit 96918  
the proposal to the electors as provided in section 511.27 of the 96919  
Revised Code at the succeeding general or primary election. A 96920  
resolution to renew an existing levy may not be placed on the 96921  
ballot unless the question is submitted at the general election 96922  
held during the last year the tax to be renewed may be extended on 96923  
the real and public utility property tax list and duplicate, or at 96924  
any election held in the ensuing year. The board of park 96925  
commissioners shall cause notice that the vote will be taken to be 96926  
published once a week for two consecutive weeks prior to the 96927  
election in a newspaper of general circulation, or as provided in 96928  
section 7.16 of the Revised Code, in the county within which the 96929  
park district is located. Additionally, if the board of elections 96930  
operates and maintains a web site, the board of elections shall 96931  
post that notice on its web site for thirty days prior to the 96932  
election. The notice shall state the purpose of the proposed levy, 96933

the levy's estimated annual collections, the annual rate proposed 96934  
expressed in dollars ~~and cents~~ for each one hundred thousand 96935  
dollars of ~~valuation~~ fair market value as well as in mills for 96936  
each one dollar of ~~valuation~~ taxable value, the number of 96937  
consecutive years during which the levy shall be in effect, and 96938  
the time and place of the election. 96939

The form of the ballots cast at the election shall be: "An 96940  
additional tax for the benefit of (name of township park district) 96941  
..... for the purpose of (purpose stated in the order of the 96942  
board) ....., that the county auditor estimates will collect 96943  
\$..... annually, at a rate not exceeding ..... mills for each 96944  
~~one dollar~~ \$1 of valuation taxable value, which amounts to (~~rate~~ 96945  
~~expressed in dollars and cents~~) \$..... for each ~~one hundred~~ 96946  
~~dollars~~ \$100,000 of valuation fair market value, for (number of 96947  
years the levy is to run) .....

	FOR THE TAX LEVY
	AGAINST THE TAX LEVY

"

If the levy submitted is a proposal to renew, increase, or 96953  
decrease an existing levy, the form of the ballot specified in 96954  
this section ~~may~~ shall be changed by substituting for the words 96955  
"An additional" at the beginning of the form, the words "A renewal 96956  
of a" in the case of a proposal to renew an existing levy in the 96957  
same amount; the words "A renewal of ..... mills and an 96958  
increase of ..... mills for each \$1 of taxable value to 96959  
constitute a" in the case of an increase; or the words "A renewal 96960  
of part of an existing levy, being a reduction of ..... mills 96961  
for each \$1 of taxable value, to constitute a" in the case of a 96962  
decrease in the rate of the existing levy. 96963

If the tax is to be placed on the current tax list, the form 96964

of the ballot shall be modified by adding, after the statement of 96965  
the number of years the levy is to run, the phrase ", commencing 96966  
in ..... (first year the tax is to be levied), first due in 96967  
calendar year ..... (first calendar year in which the tax 96968  
shall be due)."

The question covered by the order shall be submitted as a 96970  
separate proposition, but may be printed on the same ballot with 96971  
any other proposition submitted at the same election, other than 96972  
the election of officers. More than one such question may be 96973  
submitted at the same election. 96974

As used in this section, "fair market value" has the same 96975  
meaning as in section 5705.01 of the Revised Code. 96976

**Sec. 511.34.** In townships composed of islands, and on one of 96977  
which islands lands have been conveyed in trust for the benefit of 96978  
the inhabitants of the island for use as a park, and a board of 96979  
park trustees has been provided for the control of the park, the 96980  
board of township trustees may create a tax district of the island 96981  
to raise funds by taxation as provided under divisions (A) and (B) 96982  
of this section. 96983

(A) For the care and maintenance of parks on the island, the 96984  
board of township trustees annually may levy a tax, not to exceed 96985  
one mill for each one dollar of taxable value, upon all the 96986  
taxable property in the district. The tax shall be in addition to 96987  
all other levies authorized by law, and subject to no limitation 96988  
on tax rates except as provided in this division. 96989

The proceeds of the tax levy shall be expended by the board 96990  
of township trustees for the purpose of the care and maintenance 96991  
of the parks, and shall be paid out of the township treasury upon 96992  
the orders of the board of park trustees. 96993

(B) For the purpose of acquiring additional land for use as a 96994

park, the board of township trustees may levy a tax in excess of 96995  
the ten-mill limitation on all taxable property in the district. 96996  
The tax shall be proposed by resolution adopted by two-thirds of 96997  
the members of the board of township trustees. The resolution 96998  
shall specify the purpose and rate of the tax and the number of 96999  
years the tax will be levied, which shall not exceed five years, 97000  
and which may include a levy on the current tax list and 97001  
duplicate. The resolution shall go into immediate effect upon its 97002  
passage, and no publication of the resolution is necessary other 97003  
than that provided for in the notice of election. The board of 97004  
township trustees shall certify a copy of the resolution to the 97005  
proper board of elections not later than ninety days before the 97006  
primary or general election in the township, and the board of 97007  
elections shall submit the question of the tax to the voters of 97008  
the district at the succeeding primary or general election. The 97009  
board of elections shall make the necessary arrangements for the 97010  
submission of the question to the electors of the district, and 97011  
the election shall be conducted, canvassed, and certified in the 97012  
same manner as regular elections in the township for the election 97013  
of officers. Notice of the election shall be published in a 97014  
newspaper of general circulation in the township once a week for 97015  
two consecutive weeks, or as provided in section 7.16 of the 97016  
Revised Code prior to the election. If the board of elections 97017  
operates and maintains a web site, notice of the election also 97018  
shall be posted on that web site for thirty days prior to the 97019  
election. The notice shall state the purpose of the tax, the 97020  
levy's estimated annual collections, the proposed rate of the tax 97021  
expressed in dollars ~~and cents~~ for each one hundred thousand 97022  
dollars of ~~valuation~~ fair market value and mills for each one 97023  
dollar of ~~valuation~~ taxable value, the number of years the tax 97024  
will be in effect, the first year the tax will be levied, and the 97025  
time and place of the election. 97026

The form of the ballots cast at an election held under this 97027

division shall be as follows: 97028

"An additional tax for the benefit of ..... (name of the 97029  
township) for the purpose of acquiring additional park land, that 97030  
the county auditor estimates will collect \$.... annually, at a 97031  
rate of ..... mills for each ~~one dollar~~ \$1 of valuation 97032  
taxable value, which amounts to \$..... (~~rate expressed in~~ 97033  
~~dollars and cents~~) for each ~~one hundred dollars~~ \$100,000 of 97034  
valuation fair market value, for ..... (number of years the 97035  
levy is to run) beginning in ..... (first year the tax will 97036  
be levied). 97037

	FOR THE TAX LEVY	
	AGAINST THE TAX LEVY	"

97038  
97039  
97040  
97041

The question shall be submitted as a separate proposition but 97042  
may be printed on the same ballot with any other proposition 97043  
submitted at the same election other than the election of 97044  
officers. More than one such question may be submitted at the same 97045  
election. 97046

If the levy is approved by a majority of electors voting on 97047  
the question, the board of elections shall certify the result of 97048  
the election to the tax commissioner. In the first year of the 97049  
levy, the tax shall be extended on the tax lists after the 97050  
February settlement following the election. If the tax is to be 97051  
placed on the tax lists of the current year as specified in the 97052  
resolution, the board of elections shall certify the result of the 97053  
election immediately after the canvass to the board of township 97054  
trustees, which shall forthwith make the necessary levy and 97055  
certify the levy to the county auditor, who shall extend the levy 97056  
on the tax lists for collection. After the first year of the levy, 97057  
the levy shall be included in the annual tax budget that is 97058

certified to the county budget commission. 97059

As used in this section, "fair market value" has the same 97060

meaning as in section 5705.01 of the Revised Code. 97061

**Sec. 513.18.** In the event any township, contiguous to a joint 97062  
township hospital district, desires to become a part of such 97063  
district in existence under sections 513.07 to 513.18 of the 97064  
Revised Code, its board of township trustees, by a two-thirds 97065  
favorable vote of the members of such board, after the existing 97066  
joint township hospital board has, by a majority favorable vote of 97067  
the members thereof, approved the terms under which such township 97068  
proposes to join the district, shall become a part of the joint 97069  
township district hospital board under such terms and with all the 97070  
rights, privileges, and responsibilities enjoyed by and extended 97071  
to the existing members of the hospital board under such sections, 97072  
including representation on the board of hospital governors by the 97073  
appointment of an elector of such township as a member thereof. ~~If~~ 97074

If the terms under which such township proposes to join the 97075  
hospital district involve a tax levy for the purpose of sharing 97076  
the existing obligations, including bonded indebtedness, of the 97077  
district or the necessary operating expenses of such hospital, 97078  
such township shall not become a part of the district until its 97079  
electors have approved such levy as provided in this section. In 97080  
such a case, the board of township trustees shall request from the 97081  
county auditor an estimate of the levy's annual collections in the 97082  
same manner as required for a tax levy under section 5705.03 of 97083  
the Revised Code, assuming that the township has been added to the 97084  
hospital district. The auditor shall certify this estimate to the 97085  
board within ten days after receiving the board's request. 97086

Upon request of the board of township trustees of the 97087  
township proposing to join such district, by resolution approved 97088  
by a two-thirds vote of its members, the board of elections of the 97089

county in which the township lies shall place upon the ballot for 97090  
submission to the electorate of such township at the next primary 97091  
or general election occurring not less than ninety nor more than 97092  
one hundred thirty-five days after such request is received from 97093  
the board of township trustees the question of levying a tax, not 97094  
to exceed one mill outside the ten-mill limitation, for a period 97095  
of not to exceed five years, to provide funds for the payment of 97096  
the township's share of the necessary expenses incurred in the 97097  
operation of such hospital, or the question of levying a tax to 97098  
pay the township's share of the existing obligations, including 97099  
bonded indebtedness, of the district, or both questions may be 97100  
submitted at the same primary or general election. ~~If~~ The question 97101  
appearing on the ballot shall read: 97102

"Shall ..... (name of township) be added to the ..... (name 97103  
of joint township hospital district), and property tax be levied 97104  
for the purpose of ..... (purpose of tax), that the county auditor 97105  
estimates will collect \$..... annually, at a rate not exceeding 97106  
..... mills for each \$1 of taxable value, which amounts to \$..... 97107  
for each \$100,000 of fair market value, to be in effect for .....  97108  
(number of years the tax is to be in effect)?" 97109

If a majority of the electors voting on the propositions vote 97110  
in favor thereof, the county auditor shall place such levies on 97111  
the tax duplicate against the property in the township, which 97112  
township shall thereby become a part of said joint township 97113  
hospital district. 97114

**Sec. 755.181.** The legislative authority of any municipal 97115  
corporation, township, township park district, county, or school 97116  
district desiring to join a joint recreation district created 97117  
under section 755.14 of the Revised Code may, by resolution, 97118  
petition the joint recreation district board of trustees for 97119  
membership. If the joint recreation district does not impose a 97120

tax, the petitioning subdivision becomes a member upon approval by 97121  
the joint recreation district's board of trustees. If the joint 97122  
recreation district imposes a tax, the petitioning subdivision 97123  
becomes a member after approval by the joint recreation district's 97124  
board of trustees and after approval of the tax by the electors of 97125  
the petitioning subdivision. In such a case, the joint recreation 97126  
district's board of trustees shall request from the county auditor 97127  
an estimate of the levy's annual collections in the same manner as 97128  
required for a tax levy under section 5705.03 of the Revised Code, 97129  
assuming that the subdivision's territory has been added to the 97130  
joint recreation district. The auditor shall certify this estimate 97131  
to the board within ten days after receiving the board's request. 97132

Upon certification by the board of trustees of the joint 97133  
recreation district to the appropriate boards of election, the 97134  
boards of election shall make the necessary arrangements for the 97135  
submission of the question to the electors of the petitioning 97136  
subdivision qualified to vote thereon. The election shall be held, 97137  
canvassed, and certified in the manner provided for the submission 97138  
of tax levies under section 5705.19 of the Revised Code, except 97139  
that the question appearing on the ballot shall read: 97140

"Shall the territory within ..... (Name of the 97141  
subdivision to be added) be added to ..... (Name) 97142  
joint recreation district, and a property tax, that the county 97143  
auditor estimates will collect \$..... annually, at a rate of 97144  
taxation not exceeding ..... (here insert tax rate) 97145  
mills for each \$1 of taxable value, which amounts to 97146  
\$..... for each \$100,000 of fair market value, be in 97147  
effect for ..... (here insert the number of years the 97148  
tax is to be in effect)?" ~~if~~ 97149

If the question is approved by at least a majority of the 97150  
electors voting on it, the joinder shall be effective as of the 97151  
first day of January of the year following approval, and on that 97152

date, the joint recreation district tax shall be extended to the 97153  
taxable property within the territory that has been added. 97154

The legislative authority of any subdivision that is a member 97155  
of a joint recreation district may withdraw from it upon 97156  
certification of a resolution proclaiming a withdrawal to the 97157  
joint recreation district's board of trustees. Any subdivision 97158  
withdrawing from a joint recreation district shall continue to 97159  
have levied against its tax duplicate any tax levied by the 97160  
district on the effective date of the withdrawal until it expires 97161  
or is renewed. Members of a joint recreation district's board of 97162  
trustees who represent the withdrawing subdivision are deemed to 97163  
have resigned their position upon certification of a withdrawal 97164  
resolution. Upon the withdrawal of any subdivision from a joint 97165  
recreation district, the county auditor shall ascertain, 97166  
apportion, and order a division of the funds on hand, moneys and 97167  
taxes in the process of collection, except for taxes levied for 97168  
the payment of indebtedness, credits, and real and personal 97169  
property, either in money or in kind, on the basis of the 97170  
valuation of the respective tax duplicates of the withdrawing 97171  
subdivision and the remaining territory of the joint recreation 97172  
district. 97173

When the number of subdivisions comprising a joint recreation 97174  
district is reduced to one, the joint recreation district ceases 97175  
to exist, and the funds, credits, and property remaining after 97176  
apportionments to withdrawing subdivisions shall be assumed by the 97177  
one remaining subdivision. When a joint recreation district ceases 97178  
to exist and indebtedness remains unpaid, the board of county 97179  
commissioners shall continue to levy and collect taxes for the 97180  
payment of that indebtedness within the territory of the joint 97181  
recreation district as it was comprised at the time the 97182  
indebtedness was incurred. 97183

As used in this section, "fair market value" has the same 97184

meaning as in section 5705.01 of the Revised Code. 97185

**Sec. 1545.041.** (A) Any township park district created 97186  
pursuant to section 511.18 of the Revised Code that includes park 97187  
land located outside the township in which the park district was 97188  
established may be converted under the procedures provided in this 97189  
section into a park district to be operated and maintained as 97190  
provided for in this chapter, provided that there is no existing 97191  
park district created under section 1545.04 of the Revised Code in 97192  
the county in which the township park district is located. The 97193  
proposed park district shall include within its boundary all 97194  
townships and municipal corporations in which lands owned by the 97195  
township park district seeking conversion are located, and may 97196  
include any other townships and municipal corporations in the 97197

the Revised Code. Thereafter, commissioners shall be appointed 97292  
pursuant to section 1545.05 of the Revised Code. 97293

purpose for which such taxes shall be used, the annual rate 97300  
proposed, and the number of consecutive years the rate shall be 97301  
levied. Such resolution shall be forthwith certified to the board 97302  
of elections in each county in which any part of such district is 97303

The ballot shall set forth the purpose for which the taxes 97313

tax is to be placed on the current tax list, the form of the 97316  
ballot shall state that the tax will be levied in the current tax 97317  
year and shall indicate the first calendar year the tax will be 97318

of taxable value, which amounts to \$... for each \$100,000 of fair 97324  
market value, having ... years remaining, will be canceled and 97325  
replaced upon the passage of this levy." In such case, the ballot 97326  
may refer to the new levy as a "replacement levy" if the new 97327  
millage does not exceed the original millage of the levy being 97328  
canceled or as a "replacement and additional levy" if the new 97329

provided that such bonds shall be issued only for the purpose of 97345  
acquiring and improving lands. Such levy, when collected, shall be 97346  
applied in payment of the bonds so issued and the interest 97347  
thereon. The amount of bonds so issued and outstanding at any time 97348  
shall not exceed one per cent of the total ~~tax valuation~~ taxable 97349

the Revised Code, the board of county commissioners, by 97354  
resolution, shall submit to the qualified electors of the county 97355  
at the next general election for county officers, held not less 97356  
than ninety days after receiving from the county agricultural 97357  
society the notice provided for in section 1711.25 of the Revised 97358  
Code, the question of issuing and selling such bonds in such 97359

elections. 97362

The county board of elections shall place the question of 97363  
issuing and selling such bonds upon the ballot and make all other 97364  
necessary arrangements for the submission, at the time fixed by 97365  
such resolution, of such question to such electors. The votes cast 97366  
at such election upon such question must be counted, canvassed, 97367  
and certified in the same manner, except as provided by law, as 97368  
votes cast for county officers. Fifteen days' notice of such 97369  
submission shall be given by the county board of elections, by 97370  
publication once a week for two consecutive weeks in a newspaper 97371  
of general circulation in the county or as provided in section 97372

7.16 of the Revised Code, stating the amount of bonds to be 97373  
issued, the purpose for which they are to be issued, and the time 97374  
and places of holding such election. ~~Such~~ If the resolution 97375  
proposes the levy of a tax under section 1711.29 of the Revised 97376

collections and the rate of the tax in both mills for each one 97378  
dollar of taxable value and in dollars for each one hundred 97379  
thousand dollars in fair market value. 97380

The question must be stated on the ballot as follows: "For 97381  
the issue of county fair bonds, yes"; "For the issue of county 97382

If the resolution proposes the levy of a tax under section 97384  
1711.29 of the Revised Code, the question appearing on the ballot 97385  
shall include the tax's estimated annual collections and the rate 97386  
of the tax in both mills for each one dollar of taxable value and 97387  
in dollars for each one hundred thousand dollars in fair market 97388  
value. 97389

If the majority of those voting upon the question of issuing 97390  
the bonds vote in favor thereof, then and only then shall they be 97391  
issued and the tax provided for in section 1711.29 of the Revised 97392  
Code be levied. 97393

**Sec. 3311.50.** (A) As used in this section, "county school 97396  
financing district" means a taxing district consisting of the 97397  
following territory: 97398

(1) The territory that constitutes the educational service 97399  
center on the date that the governing board of that educational 97400  
service center adopts a resolution under division (B) of this 97401  
section declaring that the territory of the educational service 97402

center is a county school financing district, exclusive of any 97403  
territory subsequently withdrawn from the district under division 97404  
(D) of this section; 97405

(2) Any territory that has been added to the county school 97406  
financing district under this section. 97407

A county school financing district may include the territory 97408  
of a city, local, or exempted village school district whose 97409  
territory also is included in the territory of one or more other 97410  
county school financing districts. 97411

(B) The governing board of any educational service center 97412  
may, by resolution, declare that the territory of the educational 97413  
service center is a county school financing district. The 97414  
resolution shall state the purpose for which the county school 97415  
financing district is created, which may be for any one or more of 97416  
the following purposes: 97417

(1) To levy taxes for the provision of special education by 97418  
the school districts that are a part of the district, including 97419  
taxes for permanent improvements for special education; 97420

(2) To levy taxes for the provision of specified educational 97421  
programs and services by the school districts that are a part of 97422  
the district, as identified in the resolution creating the 97423  
district, including the levying of taxes for permanent 97424  
improvements for those programs and services. Services financed by 97425  
the levy may include school safety and security and mental health 97426  
services, including training and employment of or contracting for 97427  
the services of safety personnel, mental health personnel, social 97428  
workers, and counselors. 97429

(3) To levy taxes for permanent improvements of school 97430  
districts that are a part of the district. 97431

The governing board of the educational service center that 97432  
creates a county school financing district shall serve as the 97433

taxing authority of the district and may use educational service 97434  
center governing board employees to perform any of the functions 97435  
necessary in the performance of its duties as a taxing authority. 97436  
A county school financing district shall not employ any personnel. 97437

With the approval of a majority of the members of the board 97438  
of education of each school district within the territory of the 97439  
county school financing district, the taxing authority of the 97440  
financing district may amend the resolution creating the district 97441  
to broaden or narrow the purposes for which it was created. 97442

A governing board of an educational service center may create 97443  
more than one county school financing district. If a governing 97444  
board of an educational service center creates more than one such 97445  
district, it shall clearly distinguish among the districts it 97446  
creates by including a designation of each district's purpose in 97447  
the district's name. 97448

(C) A majority of the members of a board of education of a 97449  
city, local, or exempted village school district may adopt a 97450  
resolution requesting that its territory be joined with the 97451  
territory of any county school financing district. Copies of the 97452  
resolution shall be filed with the state board of education and 97453  
the taxing authority of the county school financing district. 97454  
Within sixty days of its receipt of such a resolution, the county 97455  
school financing district's taxing authority shall vote on the 97456  
question of whether to accept the school district's territory as 97457  
part of the county school financing district. If a majority of the 97458  
members of the taxing authority vote to accept the territory, the 97459  
school district's territory shall thereupon become a part of the 97460  
county school financing district unless the county school 97461  
financing district has in effect a tax imposed under section 97462  
5705.215 of the Revised Code. If the county school financing 97463  
district has such a tax in effect, the taxing authority shall 97464  
certify a copy of its resolution accepting the school district's 97465

territory to the school district's board of education, ~~which~~ . The 97466  
board of education shall request from the county auditor an 97467  
estimate of the levy's annual collections in the same manner as 97468  
required for a tax levy under section 5705.03 of the Revised Code, 97469  
assuming that the school district's territory has been added to 97470  
the county school financing district. The auditor shall certify 97471  
this estimate to the board within ten days after receiving the 97472  
board's request. The board may then adopt a resolution, with the 97473  
affirmative vote of a majority of its members, proposing the 97474  
submission to the electors of the question of whether the 97475  
district's territory shall become a part of the county school 97476  
financing district and subject to the taxes imposed by the 97477  
financing district. The resolution shall set forth the date on 97478  
which the question shall be submitted to the electors, which shall 97479  
be at a special election held on a date specified in the 97480  
resolution, which shall not be earlier than ninety days after the 97481  
adoption and certification of the resolution. A copy of the 97482  
resolution shall immediately be certified to the board of 97483  
elections of the proper county, which shall make arrangements for 97484  
the submission of the proposal to the electors of the school 97485  
district. The board of the joining district shall publish notice 97486  
of the election in a newspaper of general circulation in the 97487  
county once a week for two consecutive weeks, or as provided in 97488  
section 7.16 of the Revised Code, prior to the election. 97489  
Additionally, if the board of elections operates and maintains a 97490  
web site, the board of elections shall post notice of the election 97491  
on its web site for thirty days prior to the election. The 97492  
question appearing on the ballot shall read: 97493  
  
"Shall the territory within ..... (name of the school 97494  
district proposing to join the county school financing district) 97495  
..... be added to ..... (name) ..... county school 97496  
financing district, and a property tax for the purposes of 97497  
..... (here insert purposes), that the county auditor 97498

estimates will collect \$..... annually, ..... at a rate of 97499  
taxation not exceeding ..... (here insert the outstanding tax 97500  
rate) mills for each \$1 of taxable value, which amounts to 97501  
\$..... for each \$100,000 in fair market value, ..... be 97502  
in effect for ..... (here insert the number of years the tax 97503  
is to be in effect or "a continuing period of time," as 97504  
applicable) .....?" 97505

If the proposal is approved by a majority of the electors 97506  
voting on it, the joinder shall take effect on the first day of 97507  
July following the date of the election, and the county board of 97508  
elections shall notify the county auditor of each county in which 97509  
the school district joining its territory to the county school 97510  
financing district is located. 97511

(D) The board of any city, local, or exempted village school 97512  
district whose territory is part of a county school financing 97513  
district may withdraw its territory from the county school 97514  
financing district thirty days after submitting to the governing 97515  
board that is the taxing authority of the district and the state 97516  
board a resolution proclaiming such withdrawal, adopted by a 97517  
majority vote of its members, but any county school financing 97518  
district tax levied in such territory on the effective date of the 97519  
withdrawal shall remain in effect in such territory until such tax 97520  
expires or is renewed. No board may adopt a resolution withdrawing 97521  
from a county school financing district that would take effect 97522  
during the forty-five days preceding the date of an election at 97523  
which a levy proposed under section 5705.215 of the Revised Code 97524  
is to be voted upon. 97525

(E) A city, local, or exempted village school district does 97526  
not lose its separate identity or legal existence by reason of 97527  
joining its territory to a county school financing district under 97528  
this section and an educational service center does not lose its 97529  
separate identity or legal existence by reason of creating a 97530

county school financing district that accepts or loses territory 97531  
under this section. 97532

section 3318.06 of the Revised Code is subject under that section, 97922  
except the term of the extension shall be as specified in this 97923

In each succeeding calendar year after 1997, each group of 98371

questions and issues described in division (B)(1)(a) to (d) of 98372  
this section shall be moved down one place on the ballot except 98373  
that the group that was last on the ballot during the immediately 98374  
preceding calendar year shall appear at the top of the ballot 98375  
after the state questions and issues. The rotation shall be 98376  
performed only once each calendar year, beginning with the first 98377  
election held during the calendar year. The rotation of groups of 98378  
questions and issues shall be performed during each calendar year 98379  
as required by division (B)(1) of this section, even if no 98380  
questions and issues from any one or more such groups appear on 98381  
the ballot at any particular election held during that calendar 98382  
year. 98383

(2) Questions and issues shall be grouped together on the 98384  
ballot, from top to bottom, in the following order when it is not 98385  
practicable to group them together as required by division (B)(1) 98386  
of this section because of the type of voting machines used by the 98387  
board of elections: state questions and issues, county questions 98388  
and issues, municipal questions and issues, township questions and 98389  
issues, and school or other district questions and issues. The 98390  
particular order in which each of a group of state questions or 98391  
issues is placed on the ballot shall be determined by, and 98392  
certified to each board of elections by, the secretary of state. 98393

(3) Failure of the board of elections to rotate questions and 98394  
issues as required by division (B)(1) of this section does not 98395  
affect the validity of the election at which the failure occurred, 98396  
and is not grounds for contesting an election under section 98397  
3515.08 of the Revised Code. 98398

(C) The particular order in which each of a group of county, 98399  
municipal, township, or school district questions or issues is 98400  
placed on the ballot shall be determined by the board providing 98401  
the ballots. 98402

(D) The printed matter pertaining to each question or issue 98403

on the ballot shall be enclosed at the top and bottom thereof by a heavy horizontal line across the width of the ballot. Immediately below such top line shall be printed a brief title descriptive of the question or issue below it, such as "Proposed Constitutional Amendment," "Proposed Bond Issue," "Proposed Annexation of Territory," "Proposed Increase in Tax Rate," or such other brief title as will be descriptive of the question or issue to which it pertains, together with a brief statement of the percentage of affirmative votes necessary for passage, such as "A sixty-five per cent affirmative vote is necessary for passage," "A majority vote is necessary for passage," or such other brief statement as will be descriptive of the percentage of affirmative votes required.

(E) The questions and issues ballot need not contain the full text of the proposal to be voted upon. A condensed text that will properly describe the question, issue, or an amendment proposed by other than the general assembly shall be used as prepared and certified by the secretary of state for state-wide questions or issues or by the board for local questions or issues. If other than a full text is used, the full text of the proposed question, issue, or amendment together with the percentage of affirmative votes necessary for passage as required by law shall be posted in each polling place in some spot that is easily accessible to the voters.

(F) Each question and issue appearing on the questions and issues ballot may be consecutively numbered. The question or issue determined to appear at the top of the ballot may be designated on the face thereof by the Arabic numeral "1" and all questions and issues placed below on the ballot shall be consecutively numbered. Such numeral shall be placed below the heavy top horizontal line enclosing such question or issue and to the left of the brief title thereof.

(G) No portion of a ballot question proposing to levy a

property tax in excess of the ten-mill limitation under any 98436  
section of the Revised Code, including the renewal or replacement 98437  
of such a levy, may be printed in boldface type or in a font size 98438  
that is different from the font size of other text in the ballot 98439  
question. The prohibitions in division (g) of this section do not 98440  
apply to printed matter either described in division (D) of this 98441  
section related to such a ballot question or located in the area 98442  
of the ballot in which votes are indicated for or against that 98443  
question. 98444

**Sec. 4582.024.** After a port authority has been created, any 98445  
municipal corporation, township, or county, acting by ordinance, 98446  
resolution of the township trustees, or resolution of the county 98447  
commissioners, respectively, which is contiguous to such port 98448  
authority, or to any municipal corporation, township, or county 98449  
which proposes to join such port authority at the same time and is 98450  
contiguous to such port authority, or any county within which such 98451  
port authority is situated, may join such port authority and 98452  
thereupon the jurisdiction and territory of such port authority 98453  
shall include such municipal corporation, county, or township. If 98454  
more than one such political subdivision is to be joined to the 98455  
port authority at the same time, then each such ordinance or 98456  
resolution shall designate the political subdivisions which are to 98457  
be so joined. Any territory or municipal corporation not included 98458  
in a port authority and which is annexed to a municipal 98459  
corporation included within the jurisdiction and territory of a 98460  
port authority shall, on such annexation and without further 98461  
proceedings, be annexed to and be included in the jurisdiction and 98462  
territory of such port authority. Before such political 98463  
subdivision or subdivisions are joined to a port authority, other 98464  
than by annexation to a municipality, the political subdivision or 98465  
subdivisions theretofore comprising such port authority shall 98466  
agree upon the terms and conditions pursuant to which such 98467

political subdivision or subdivisions are to be joined. For all 98468  
purposes of sections 4582.01 to 4582.20, inclusive, of the Revised 98469  
Code, such political subdivision or subdivisions shall be 98470  
considered to have participated in the creation of such port 98471  
authority, except that the initial term of any director of the 98472  
port authority appointed by such a political subdivision shall be 98473  
four years. After each ordinance or resolution proposing joinder 98474  
to the port authority has become effective and the terms and 98475  
conditions of joinder have been agreed to, the board of directors 98476  
of the port authority shall by resolution either accept or reject 98477  
such joinder. Such joinder shall be effective on adoption of the 98478  
resolution accepting such joinder, unless the port authority to 98479  
which a political subdivision or subdivisions including a county 98480  
within which such port authority is located, are to be joined has 98481  
authority under section 4582.14 of the Revised Code to levy a tax 98482  
on property within its jurisdiction, then such joinder shall not 98483  
be effective until approved by the affirmative vote of a majority 98484  
of the electors voting on the question of such joinder. If more 98485  
than one political subdivision is to be joined to the port 98486  
authority, then the electors of such subdivision shall vote as a 98487  
district and the majority affirmative vote shall be determined by 98488  
the vote cast in such district as a whole. ~~Such~~ 98489

If a tax on property is to be levied, the board of directors 98490  
of the port authority shall request and obtain from the county 98491  
auditor an estimate of the levy's annual collections in the same 98492  
manner as required for a tax levy under section 5705.03 of the 98493  
Revised Code, assuming that the additional subdivision or 98494  
subdivisions have joined the port authority. The auditor shall 98495  
certify this estimate to the board within ten days after receiving 98496  
the board's request. 98497

The election shall be called by the board of directors of the 98498  
port authority and shall be held, canvassed, and certified in the 98499

manner provided for the submission of tax levies under section 98500  
5705.191 of the Revised Code except that the question appearing on 98501  
the ballot shall read: 98502

"Shall ..... 98503

(name or names of political subdivisions to be joined) 98515

If the question is approved such joinder shall be immediately 98516  
effective and the port authority shall be authorized to extend the 98517  
levy of such tax against all the taxable property within the 98518  
political subdivision or political subdivisions which have been 98519  
joined. If such question is approved at a general election then 98520  
the port authority may amend its budget and resolution adopted 98521  
pursuant to section 5705.34 of the Revised Code and such levy 98522  
shall be placed on the current tax list and duplicate and 98523  
collected as other taxes are collected from all taxable property 98524  
within the port authority including the political subdivision or 98525  
political subdivisions joined as a result of such election. 98526

As used in this section, "fair market value" has the same 98527  
meaning as in section 5705.01 of the Revised Code. 98528

Sec. 4582.26. After a port authority has been created, any 98529  
municipal corporation, township, county, or other political 98530

contiguous to any municipal corporation, township, county, or 98532  
other political subdivision which participated in the creation of 98533  
such port authority or to any municipal corporation, township, 98534  
county, or other political subdivision which proposes to join the 98535  
port authority at the same time and is contiguous to any municipal 98536  
corporation, township, county, or other political subdivision 98537  
which participated in the creation of such port authority, may 98538

corporation, county, township, or other political subdivision so 98541

joined to the port authority at the same time, then each such 98543  
ordinance or resolution shall designate the political subdivisions 98544  
which are to be so joined. Any territory or municipal corporation 98545  
not included in a port authority and which is annexed to a 98546  
municipal corporation included within the jurisdiction and 98547  
territory of a port authority shall, on such annexation and 98548  
without further proceedings, be annexed to and be included in the 98549  
jurisdiction and territory of the port authority. Before such 98550  
political subdivision or subdivisions are joined to a port 98551  
authority, other than by annexation to a municipal corporation, 98552  
the political subdivision or subdivisions theretofore comprising 98553  
such port authority shall agree upon the terms and conditions 98554  
pursuant to which such political subdivision or subdivisions are 98555  
to be joined. For all purposes of sections 4582.21 to 4582.59 of 98556  
the Revised Code, such political subdivision or subdivisions shall 98557  
be considered to have participated in the creation of such port 98558  
authority, except that the initial term of any director of the 98559  
port authority appointed by such a political subdivision shall be 98560

four years. After each ordinance or resolution proposing joinder 98561  
to the port authority has become effective and the terms and 98562  
conditions of joinder have been agreed to, the board of directors 98563  
of the port authority shall by resolution either accept or reject 98564  
such joinder. Such joinder shall be effective upon adoption of the 98565  
resolution accepting such joinder, unless the port authority to 98566  
which a political subdivision or subdivisions, including a county 98567  
within which such port authority is located, are to be joined, has 98568  
authority under section 4582.40 of the Revised Code to levy a tax 98569  
on property within its jurisdiction, then such joinder shall not 98570  
be effective until approved by the affirmative vote of a majority 98571  
of the electors voting on the question of the joinder. If more 98572  
than one political subdivision is to be joined to the port 98573

the board's request. 98584

The election shall be called by the board of directors of the 98585  
port authority and shall be held, canvassed, and certified in the 98586

effective and the port authority is authorized to extend the levy 98605

of such tax against all the taxable property within the political 98606

subdivision or political subdivisions which have been joined. If 98607

such question is approved at a general election, then the port 98608

section 5705.34 of the Revised Code and such levy shall be placed 98610

5705.01 to 5705.47 of the Revised Code, on the real and personal 98789  
property within the subdivision for the purpose of paying the 98790

such sections, levy such taxes annually as are necessary to pay 98794  
the interest and sinking fund on and retire at maturity the bonds, 98795  
notes, and certificates of indebtedness of such subdivision and 98796  
taxing unit, including levies in anticipation of which the 98797  
subdivision or taxing unit has incurred indebtedness. 98798

(B)(1) When a taxing authority determines that it is 98799  
necessary to levy a tax outside the ten-mill limitation for any 98800  
purpose authorized by the Revised Code, the taxing authority shall 98801  
certify to the county auditor a resolution or ordinance requesting 98802  
that the county auditor certify to the taxing authority the total 98803

specified amount of revenue, or the dollar amount of revenue, 98808  
rounded to the nearest dollar, that would be generated by a 98809  
specified number of mills for each one dollar of taxable value. 98810  
The auditor shall additionally certify an estimate of the levy's 98811

calculated assuming that the amount of the tax list of the taxing 98813  
authority remains throughout the life of the levy the same as the 98814  
amount of the tax list for the current year, and if this is not 98815  
determined, the estimated amount submitted by the auditor to the 98816  
county budget commission. The resolution or ordinance the taxing 98817  
authority certifies to the county auditor shall state all of the 98818  
following: 98819

(a) The purpose of the tax; 98820

(b) Whether the tax is an additional levy, a renewal or a 98821  
replacement of an existing tax, or a renewal or replacement of an 98822  
existing tax with an increase or a decrease; 98823

(c) The section of the Revised Code authorizing submission of 98824  
the question of the tax; 98825

(d) The term of years of the tax or if the tax is for a 98826  
continuing period of time; 98827

(e) That the tax is to be levied upon the entire territory of 98828

which the tax is to be levied; 98831

(f) The date of the election at which the question of the tax 98832  
shall appear on the ballot; 98833

(g) That the ballot measure shall be submitted to the entire 98834  
territory of the subdivision or, if authorized by the Revised 98835  
Code, a description of the portion of the territory of the 98836  
subdivision to which the ballot measure shall be submitted; 98837

(h) The tax year in which the tax will first be levied and 98838  
the calendar year in which the tax will first be collected; 98839

(i) Each such county in which the subdivision has territory. 98840  
If a subdivision is located in more than one county, the 98841

county auditor shall obtain from the county auditor of each other 98842  
county in which the subdivision is located the current tax 98843  
valuation for the portion of the subdivision in that county. The 98844  
county auditor shall issue the certification to the taxing 98845  
authority within ten days after receiving the taxing authority's 98846  
resolution or ordinance requesting it. 98847

~~(2) When considering the tangible personal property component 98848  
of the tax valuation of the subdivision, the county auditor shall 98849  
take into account the assessment percentages prescribed in section 98850  
5711.22 of the Revised Code. The tax commissioner may issue rules, 98851  
orders, or instructions directing how the assessment percentages 98852  
must be utilized. 98853~~

~~(3) Upon receiving the certification from the county auditor, 98854  
the taxing authority may adopt a resolution or ordinance stating 98855  
the rate of the tax levy, expressed in mills for each one dollar 98856  
in tax valuation of taxable value and in dollars for each one 98857  
hundred thousand dollars of fair market value, as estimated by the 98858  
county auditor, and that the taxing authority will proceed with 98859  
the submission of the question of the tax to electors. The taxing 98860  
authority shall certify this resolution or ordinance, a copy of 98861  
the county auditor's ~~certification~~ certifications, and the 98862  
resolution or ordinance the taxing authority adopted under 98863  
division (B)(1) of this section to the proper county board of 98864  
elections in the manner and within the time prescribed by the 98865  
section of the Revised Code governing submission of the question. 98866  
The county board of elections shall not submit the question of the 98867  
tax to electors unless a copy of the county auditor's 98868  
certification accompanies the resolutions or ordinances the taxing 98869  
authority certifies to the board. Before requesting a taxing 98870  
authority to submit a tax levy, any agency or authority authorized 98871  
to make that request shall first request the certification from 98872  
the county auditor provided under this section. 98873~~

~~(4)~~ (3) This division is supplemental to, and not in 98874  
derogation of, any similar requirement governing the certification 98875  
by the county auditor of the tax valuation of a subdivision or 98876  
necessary tax rates for the purposes of the submission of the 98877  
question of a tax in excess of the ten-mill limitation, including 98878  
sections 133.18 and 5705.195 of the Revised Code. 98879

(C) All taxes levied on property shall be extended on the tax 98880  
list and duplicate by the county auditor of the county in which 98881  
the property is located, and shall be collected by the county 98882  
treasurer of such county in the same manner and under the same 98883  
laws and rules as are prescribed for the assessment and collection 98884  
of county taxes. The proceeds of any tax levied by or for any 98885  
subdivision when received by its fiscal officer shall be deposited 98886  
in its treasury to the credit of the appropriate fund. 98887

**Sec. 5705.192.** (A) For the purposes of this section only, 98888  
"taxing authority" includes a township board of park commissioners 98889  
appointed under section 511.18 of the Revised Code. 98890

(B) A taxing authority may propose to replace an existing 98891  
levy that the taxing authority is authorized to levy, regardless 98892  
of the section of the Revised Code under which the authority is 98893  
granted, except a school district emergency levy proposed pursuant 98894  
to sections 5705.194 to 5705.197 of the Revised Code. The taxing 98895  
authority may propose to replace the existing levy in its entirety 98896  
at the rate at which it is authorized to be levied; may propose to 98897  
replace a portion of the existing levy at a lesser rate; or may 98898  
propose to replace the existing levy in its entirety and increase 98899  
the rate at which it is levied. If the taxing authority proposes 98900  
to replace an existing levy, the proposed levy shall be called a 98901  
replacement levy and shall be so designated on the ballot. Except 98902  
as otherwise provided in this division, a replacement levy shall 98903  
be limited to the purpose of the existing levy, and shall appear 98904

separately on the ballot from, and shall not be conjoined with, 98905  
the renewal of any other existing levy. In the case of an existing 98906  
school district levy imposed under section 5705.21 of the Revised 98907  
Code for the purpose specified in division (F) of section 5705.19 98908  
of the Revised Code, or in the case of an existing school district 98909  
levy imposed under section 5705.217 of the Revised Code for the 98910  
acquisition, construction, enlargement, renovation, and financing 98911  
of permanent improvements, the replacement for that existing levy 98912  
may be for the same purpose or for the purpose of general 98913  
permanent improvements as defined in section 5705.21 of the 98914  
Revised Code. The replacement for an existing levy imposed under 98915  
division (L) of section 5705.19 or section 5705.222 of the Revised 98916  
Code may be for any purpose authorized for a levy imposed under 98917  
section 5705.222 of the Revised Code. 98918

The resolution proposing a replacement levy shall specify the 98919  
purpose of the levy; its proposed rate expressed in mills for each 98920  
one dollar of taxable value and in dollars for each one hundred 98921  
thousand dollars of fair market value; whether the proposed rate 98922  
is the same as the rate of the existing levy, a reduction, or an 98923  
increase; the extent of any reduction or increase expressed in 98924  
mills for each one dollar of taxable value and in dollars for each 98925  
one hundred thousand dollars of fair market value; the first 98926  
calendar year in which the levy will be due; and the term of the 98927  
levy, expressed in years or, if applicable, that it will be levied 98928  
for a continuing period of time. 98929

The sections of the Revised Code governing the maximum rate 98930  
and term of the existing levy, the contents of the resolution that 98931  
proposed the levy, the adoption of the resolution, the 98932  
arrangements for the submission of the question of the levy, and 98933  
notice of the election also govern the respective provisions of 98934  
the proposal to replace the existing levy, except as provided in 98935  
divisions (B)(1) to ~~(4)~~ (5) of this section: 98936

(1) In the case of an existing school district levy that is 98937  
imposed under section 5705.21 of the Revised Code for the purpose 98938  
specified in division (F) of section 5705.19 of the Revised Code 98939  
or under section 5705.217 of the Revised Code for the acquisition, 98940  
construction, enlargement, renovation, and financing of permanent 98941  
improvements, and that is to be replaced by a levy for general 98942  
permanent improvements, the term of the replacement levy may be 98943  
for a continuing period of time. 98944

(2) The date on which the election is held shall be as 98945  
follows: 98946

(a) For the replacement of a levy with a fixed term of years, 98947  
the date of the general election held during the last year the 98948  
existing levy may be extended on the real and public utility 98949  
property tax list and duplicate, or the date of any election held 98950  
in the ensuing year; 98951

(b) For the replacement of a levy imposed for a continuing 98952  
period of time, the date of any election held in any year after 98953  
the year the levy to be replaced is first approved by the 98954  
electors, except that only one election on the question of 98955  
replacing the levy may be held during any calendar year. 98956

The failure by the electors to approve a proposal to replace 98957  
a levy imposed for a continuing period of time does not terminate 98958  
the existing continuing levy. 98959

(3) In the case of an existing school district levy imposed 98960  
under division (B) of section 5705.21, division (C) of section 98961  
5705.212, or division (J) of section 5705.218 of the Revised Code, 98962  
the rates allocated to the qualifying school district and to 98963  
partnering community schools each may be increased or decreased or 98964  
remain the same, and the total rate may be increased, decreased, 98965  
or remain the same. 98966

(4) In the case of an existing levy imposed under division 98967

(L) of section 5705.19 of the Revised Code, the term may be for 98968  
any number of years not exceeding ten or for a continuing period 98969  
of time. 98970

(5) In addition to other required information, the election 98971  
notice shall express the levy's annual collections, as estimated 98972  
and certified by the county auditor under section 5705.03 of the 98973  
Revised Code. 98974

(C) The form of the ballot at the election on the question of 98975  
a replacement levy shall be as follows: 98976

"A replacement of a tax for the benefit of ..... (name 98977  
of subdivision or public library) for the purpose of ..... 98978  
(the purpose stated in the resolution), that the county auditor 98979  
estimates will collect \$..... annually, at a rate not exceeding 98980  
..... mills for each ~~one dollar~~ \$1 of ~~valuation~~ taxable 98981  
value, which amounts to \$..... (~~rate expressed in dollars and 98982~~  
~~cents~~) for each ~~one hundred dollars in valuation~~ \$100,000 of fair 98983  
market value, for ..... (number of years levy is to run, or 98984  
that it will be levied for a continuous period of time) 98985

	FOR THE TAX LEVY
	AGAINST THE TAX LEVY

"

If the replacement levy is proposed by a qualifying school 98990  
district to replace an existing tax levied under division (B) of 98991  
section 5705.21, division (C)(1) of section 5705.212, or division 98992  
(J) of section 5705.218 of the Revised Code, the form of the 98993  
ballot shall be modified by adding, after the phrase "each ~~one 98994~~  
~~dollar~~ \$1 of ~~valuation~~ taxable value," the following: "(of which 98995  
..... mills is to be allocated to partnering community schools)." 98996

If the proposal is to replace an existing levy and increase 98997  
the rate of the existing levy, the form of the ballot shall be 98998

changed by adding the words "..... mills of an existing levy 98999  
and an increase of ..... mills, to constitute" after the 99000  
words "a replacement of." If the proposal is to replace only a 99001  
portion of an existing levy, the form of the ballot shall be 99002  
changed by adding the words "a portion of an existing levy, being 99003  
a reduction of ..... mills, to constitute" after the words "a 99004  
replacement of." If the existing levy is imposed under division 99005  
(B) of section 5705.21, division (C)(1) of section 5705.212, or 99006  
division (J) of section 5705.218 of the Revised Code, the form of 99007  
the ballot also shall state the portion of the total increased 99008  
rate or of the total rate as reduced that is to be allocated to 99009  
partnering community schools. 99010

If the tax is to be placed on the tax list of the current tax 99011  
year, the form of the ballot shall be modified by adding at the 99012  
end of the form the phrase ", commencing in ..... (first year 99013  
the replacement tax is to be levied), first due in calendar year 99014  
..... (first calendar year in which the tax shall be due)." 99015

The question covered by the resolution shall be submitted as 99016  
a separate proposition, but may be printed on the same ballot with 99017  
any other proposition submitted at the same election, other than 99018  
the election of officers. More than one such question may be 99019  
submitted at the same election. 99020

(D) Two or more existing levies, or any portion of those 99021  
levies, may be combined into one replacement levy, so long as all 99022  
of the existing levies are for the same purpose and either all are 99023  
due to expire the same year or all are for a continuing period of 99024  
time. The question of combining all or portions of those existing 99025  
levies into the replacement levy shall appear as one ballot 99026  
proposition before the electors. If the electors approve the 99027  
ballot proposition, all or the stated portions of the existing 99028  
levies are replaced by one replacement levy. 99029

(E) A levy approved in excess of the ten-mill limitation 99030

under this section shall be certified to the tax commissioner. In 99031  
the first year of a levy approved under this section, the levy 99032  
shall be extended on the tax lists after the February settlement 99033  
succeeding the election at which the levy was approved. If the 99034  
levy is to be placed on the tax lists of the current year, as 99035  
specified in the resolution providing for its submission, the 99036  
result of the election shall be certified immediately after the 99037  
canvass by the board of elections to the taxing authority, which 99038  
shall forthwith make the necessary levy and certify it to the 99039  
county auditor, who shall extend it on the tax lists for 99040  
collection. After the first year, the levy shall be included in 99041  
the annual tax budget that is certified to the county budget 99042  
commission. 99043

If notes are authorized to be issued in anticipation of the 99044  
proceeds of the existing levy, notes may be issued in anticipation 99045  
of the proceeds of the replacement levy, and such issuance is 99046  
subject to the terms and limitations governing the issuance of 99047  
notes in anticipation of the proceeds of the existing levy. 99048

(F) This section does not authorize a tax to be levied in any 99049  
year after the year in which revenue is not needed for the purpose 99050  
for which the tax is levied. 99051

**Sec. 5705.195.** Within five days after the resolution is 99052  
certified to the county auditor as provided by section 5705.194 of 99053  
the Revised Code, the auditor shall calculate and certify to the 99054  
taxing authority the annual levy, expressed in dollars ~~and cents~~ 99055  
for each one hundred thousand dollars of ~~valuation~~ fair market 99056  
value as well as in mills for each one dollar of ~~valuation~~ taxable 99057  
value, throughout the life of the levy which will be required to 99058  
produce the annual amount set forth in the resolution assuming 99059  
that the amount of the tax list of such subdivision remains 99060  
throughout the life of the levy the same as the amount of the tax 99061

list for the current year, and if this is not determined, the 99062  
estimated amount submitted by the auditor to the county budget 99063  
commission. ~~When considering the tangible personal property 99064~~  
~~component of the tax valuation of the subdivision, the county 99065~~  
~~auditor shall take into account the assessment percentages 99066~~  
~~prescribed in section 5711.22 of the Revised Code. The tax 99067~~  
~~commissioner may issue rules, orders, or instructions directing 99068~~  
~~how the assessment percentages must be utilized. 99069~~

Upon receiving the certification from the county auditor, if 99070  
the taxing authority desires to proceed with the submission of the 99071  
question it shall, not less than ninety days before the day of 99072  
such election, certify its resolution, together with the amount of 99073  
the average tax levy, expressed in dollars ~~and cents~~ for each one 99074  
hundred thousand dollars of ~~valuation~~ fair market value as well as 99075

of the Revised Code shall be held at the regular places for voting 99082  
in the district, and shall be conducted, canvassed, and certified 99083  
in the same manner as regular elections in the district for the 99084  
election of county officers, provided that in any such election in 99085  
which only part of the electors of a precinct are qualified to 99086  
vote, the board of elections may assign voters in such part to an 99087  
adjoining precinct. Such an assignment may be made to an adjoining 99088  
precinct in another county with the consent and approval of the 99089  
board of elections of such other county. Notice of the election 99090  
shall be published in one newspaper of general circulation in the 99091  
district once a week for two consecutive weeks or as provided in 99092  
section 7.16 of the Revised Code, prior to the election. If the 99093

board of elections operates and maintains a web site, the board of 99094  
elections shall post notice of the election on its web site for 99095  
thirty days prior to the election. Such notice shall state the 99096  
annual proceeds of the proposed levy, the purpose for which such 99097  
proceeds are to be used, the number of years during which the levy 99098  
shall run, and the estimated average additional tax rate expressed 99099  
in dollars ~~and cents~~ for each one hundred thousand dollars of 99100

of an existing levy, the form of the ballot specified in this 99132  
section ~~may~~ must be changed by adding the following at the 99133  
beginning of the form, after the words "shall a levy": 99134

(A) "Renewing an existing levy" in the case of a proposal to 99135  
renew an existing levy in the same amount; 99136

(B) "Renewing \$..... ~~dollars~~ and providing an increase of 99137  
\$..... ~~dollars~~" in the case of an increase; 99138

(C) "Renewing part of an existing levy, being a reduction of 99139  
\$..... ~~dollars~~" in the case of a renewal of only part of an 99140  
existing levy. 99141

If the levy submitted is a proposal to renew all or a portion 99142  
of more than one existing levy, the form of the ballot may be 99143  
changed in any of the manners provided in division (A), (B), or 99144  
(C) of this section, or any combination of those manners, as 99145  
appropriate, so long as the form of the ballot reflects the number 99146  
of levies to be renewed, whether the amount of any of the levies 99147  
will be increased or decreased, the amount of any such increase or 99148  
decrease for each levy, and that none of the existing levies to be 99149  
renewed will be levied after the year preceding the year in which 99150  
the renewal levy is first imposed. The form of the ballot shall be 99151  
changed by adding the following statement after "for a period of 99152  
..... years?" and before "For the Tax Levy" and "Against the Tax 99153  
Levy": 99154

"If approved, any remaining tax years on any of the above 99155

..... (here insert the number of existing levies) existing levies 99156  
will not be collected after ..... (here insert the current tax 99157  
year or, if not the current tax year, the applicable tax year)." 99158

**Sec. 5705.199.** (A) At any time the board of education of a 99159  
city, local, exempted village, cooperative education, or joint 99160  
vocational school district, by a vote of two-thirds of all its 99161  
members, may declare by resolution that the revenue that will be 99162  
raised by all tax levies that the district is authorized to 99163  
impose, when combined with state and federal revenues, will be 99164  
insufficient to provide for the necessary requirements of the 99165  
school district, and that it is therefore necessary to levy a tax 99166  
in excess of the ten-mill limitation for the purpose of providing 99167  
for the necessary requirements of the school district. Such a levy 99168  
shall be proposed as a substitute for all or a portion of one or 99169  
more existing levies imposed under sections 5705.194 to 5705.197 99170  
of the Revised Code or under this section, by levying a tax as 99171  
follows: 99172

(1) In the initial year the levy is in effect, the levy shall 99173  
be in a specified amount of money equal to the aggregate annual 99174  
dollar amount of proceeds derived from the levy or levies, or 99175  
portion thereof, being substituted. 99176

(2) In each subsequent year the levy is in effect, the levy 99177  
shall be in a specified amount of money equal to the sum of the 99178  
following: 99179

(a) The dollar amount of the proceeds derived from the levy 99180  
in the prior year; and 99181

(b) The dollar amount equal to the product of the total 99182  
taxable value of all taxable real property in the school district 99183  
in the then-current year, excluding carryover property as defined 99184  
in section 319.301 of the Revised Code, multiplied by the annual 99185  
levy, expressed in mills for each one dollar of ~~valuation~~ taxable 99186

value, that was required to produce the annual dollar amount of 99187  
the levy under this section in the prior year; provided, that the 99188  
amount under division (A)(2)(b) of this section shall not be less 99189  
than zero. 99190

(B) The resolution proposing the substitute levy shall 99191  
specify the annual dollar amount the levy is to produce in its 99192  
initial year; the first calendar year in which the levy will be 99193  
due; and the term of the levy expressed in years, which may be any 99194  
number not exceeding ten, or for a continuing period of time. The 99195  
resolution shall specify the date of holding the election, which 99196  
shall not be earlier than ninety days after certification of the 99197  
resolution to the board of elections, and which shall be 99198  
consistent with the requirements of section 3501.01 of the Revised 99199  
Code. If two or more existing levies are to be included in a 99200  
single substitute levy, but are not scheduled to expire in the 99201  
same year, the resolution shall specify that the existing levies 99202  
to be substituted shall not be levied after the year preceding the 99203  
year in which the substitute levy is first imposed. 99204

The resolution shall go into immediate effect upon its 99205  
passage, and no publication of the resolution shall be necessary 99206  
other than that provided for in the notice of election. A copy of 99207  
the resolution shall immediately after its passage be certified to 99208  
the county auditor in the manner provided by section 5705.195 of 99209  
the Revised Code, and sections 5705.194 and 5705.196 of the 99210  
Revised Code shall govern the arrangements for the submission of 99211  
the question and other matters concerning the notice of election 99212  
and the election, except as may be provided otherwise in this 99213  
section. 99214

(C) The form of the ballot to be used at the election on the 99215  
question of a levy under this section shall be as follows: 99216

"Shall a tax levy substituting for an existing levy be 99217

If the levy submitted is a proposal to substitute all or a  
portion of more than one existing levy, the form of the ballot may  
be changed so long as the ballot reflects the number of levies to  
be substituted and that none of the existing levies to be  
substituted will be levied after the year preceding the year in  
which the substitute levy is first imposed. The form of the ballot  
shall be modified by substituting the statement "Shall a tax levy

statement after "added to its tax list?" and before "For the Tax

(D) The submission of questions to the electors under this 99255  
section is subject to the limitation on the number of election 99256  
dates established by section 5705.214 of the Revised Code. 99257

(E) If a majority of the electors voting on the question so 99258  
submitted in an election vote in favor of the levy, the board of 99259  
education may make the necessary levy within the school district 99260  
at the rate and for the purpose stated in the resolution. The tax 99261  
levy shall be included in the next tax budget that is certified to 99262  
the county budget commission. 99263

(F) A levy for a continuing period of time may be decreased 99264  
pursuant to section 5705.261 of the Revised Code. 99265

(G) A levy under this section substituting for all or a 99266  
portion of one or more existing levies imposed under sections 99267  
5705.194 to 5705.197 of the Revised Code or under this section 99268  
shall be treated as having renewed the levy or levies being 99269  
substituted for purposes of the payments made under sections 99270  
5751.20 to 5751.22 of the Revised Code. 99271

(H) After the approval of a levy on the current tax list and 99272  
duplicate, and prior to the time when the first tax collection 99273  
from the levy can be made, the board of education may anticipate a 99274  
fraction of the proceeds of the levy and issue anticipation notes 99275  
in a principal amount not exceeding fifty per cent of the total 99276  
estimated proceeds of the levy to be collected during the first 99277  
year of the levy. The notes shall be issued as provided in section 99278  
133.24 of the Revised Code, shall have principal payments during 99279  
each year after the year of their issuance over a period not to 99280  
exceed five years, and may have a principal payment in the year of 99281

their issuance. 99282

**Sec. 5705.21.** (A) At any time, the board of education of any 99283  
city, local, exempted village, cooperative education, or joint 99284  
vocational school district, by a vote of two-thirds of all its 99285  
members, may declare by resolution that the amount of taxes that 99286  
may be raised within the ten-mill limitation by levies on the 99287  
current tax ~~duplicate~~ list will be insufficient to provide an 99288  
adequate amount for the necessary requirements of the school 99289  
district, that it is necessary to levy a tax in excess of such 99290  
limitation for one of the purposes specified in division (A), (D), 99291  
(F), (H), or (DD) of section 5705.19 of the Revised Code, for 99292  
general permanent improvements, for the purpose of operating a 99293  
cultural center, for the purpose of providing for school safety 99294  
and security, or for the purpose of providing education 99295  
technology, and that the question of such additional tax levy 99296  
shall be submitted to the electors of the school district at a 99297  
special election on a day to be specified in the resolution. In 99298  
the case of a qualifying library levy for the support of a library 99299  
association or private corporation, the question shall be 99300  
submitted to the electors of the association library district. If 99301  
the resolution states that the levy is for the purpose of 99302  
operating a cultural center, the ballot shall state that the levy 99303  
is "for the purpose of operating the..... (name of cultural 99304  
center)."

As used in this division, "cultural center" means a 99306  
freestanding building, separate from a public school building, 99307  
that is open to the public for educational, musical, artistic, and 99308  
cultural purposes; "education technology" means, but is not 99309  
limited to, computer hardware, equipment, materials, and 99310  
accessories, equipment used for two-way audio or video, and 99311  
software; "general permanent improvements" means permanent 99312  
improvements without regard to the limitation of division (F) of 99313

section 5705.19 of the Revised Code that the improvements be a 99314  
specific improvement or a class of improvements that may be 99315  
included in a single bond issue; and "providing for school safety 99316  
and security" includes but is not limited to providing for 99317  
permanent improvements to provide or enhance security, employment 99318  
of or contracting for the services of safety personnel, providing 99319  
mental health services and counseling, or providing training in 99320  
safety and security practices and responses. 99321

A resolution adopted under this division shall be confined to 99322  
a single purpose and shall specify the amount of the increase in 99323  
rate that it is necessary to levy, the purpose of the levy, and 99324  
the number of years during which the increase in rate shall be in 99325  
effect. The number of years may be any number not exceeding five 99326  
or, if the levy is for current expenses of the district or for 99327  
general permanent improvements, for a continuing period of time. 99328

(B)(1) The board of education of a qualifying school 99329  
district, by resolution, may declare that it is necessary to levy 99330  
a tax in excess of the ten-mill limitation for the purpose of 99331  
paying the current expenses of partnering community schools and, 99332  
if any of the levy proceeds are so allocated, of the district. A 99333  
qualifying school district that is not a municipal school district 99334  
may allocate all of the levy proceeds to partnering community 99335  
schools. A municipal school district shall allocate a portion of 99336  
the levy proceeds to the current expenses of the district. The 99337  
resolution shall declare that the question of the additional tax 99338  
levy shall be submitted to the electors of the school district at 99339  
a special election on a day to be specified in the resolution. The 99340  
resolution shall state the purpose of the levy, the rate of the 99341  
tax expressed in mills ~~per~~ for each one dollar of taxable value, 99342  
the number of such mills to be levied for the current expenses of 99343  
the partnering community schools and the number of such mills, if 99344  
any, to be levied for the current expenses of the school district, 99345

the number of years the tax will be levied, and the first year the tax will be levied. The number of years the tax may be levied may be any number not exceeding ten years, or for a continuing period of time.

The levy of a tax for the current expenses of a partnering community school under this section and the distribution of proceeds from the tax by a qualifying school district to partnering community schools is hereby determined to be a proper public purpose.

(2)(a) If any portion of the levy proceeds are to be allocated to the current expenses of the qualifying school district, the form of the ballot at an election held pursuant to division (B) of this section shall be as follows:

"Shall a levy be imposed by the..... (insert the name of the qualifying school district) for the purpose of current expenses of the school district and of partnering community schools, that the county auditor estimates will collect \$..... annually, at a rate not exceeding..... (b) If all of the levy proceeds are to be allocated to the

current expenses of partnering community schools, the form of the 99378  
ballot shall be as follows: 99379

	AGAINST THE TAX LEVY	

(3) Upon each receipt of a tax distribution by the qualifying 99395  
school district, the board of education shall credit the portion 99396  
allocated to partnering community schools to the partnering 99397  
community schools fund. All income from the investment of money in 99398  
the partnering community schools fund shall be credited to that 99399  
fund. 99400

(a) If the qualifying school district is a municipal school 99401  
district, the board of education shall distribute the partnering 99402  
community schools amount among the then qualifying community 99403  
schools not more than forty-five days after the school district 99404  
receives and deposits each tax distribution. From each tax 99405  
distribution, each such partnering community school shall receive 99406  
a portion of the partnering community schools amount in the 99407  
proportion that the number of its resident students bears to the 99408  
aggregate number of resident students of all such partnering 99409

community schools as of the date of receipt and deposit of the tax 99410  
distribution. 99411

(b) If the qualifying school district is not a municipal 99412  
school district, the board of education may distribute all or a 99413  
portion of the amount in the partnering community schools fund 99414  
during a fiscal year to partnering community schools on or before 99415  
the first day of June of the preceding fiscal year. Each such 99416  
partnering community school shall receive a portion of the amount 99417  
distributed by the board from the partnering community schools 99418  
fund during the fiscal year in the proportion that the number of 99419  
its resident students bears to the aggregate number of resident 99420  
students of all such partnering community schools as of the date 99421  
the school district received and deposited the most recent tax 99422  
distribution. On or before the fifteenth day of June of each 99423  
fiscal year, the board of education shall announce an estimated 99424  
allocation to partnering community schools for the ensuing fiscal 99425  
year. The board is not required to allocate to partnering 99426  
community schools the entire partnering community schools amount 99427  
in the fiscal year in which a tax distribution is received and 99428  
deposited in the partnering community schools fund. The estimated 99429  
allocation shall be published on the web site of the school 99430  
district and expressed as a dollar amount per resident student. 99431  
The actual allocation to community schools in a fiscal year need 99432  
not conform to the estimate published by the school district so 99433  
long if the estimate was made in good faith. 99434

Distributions by a school district under division (B)(3)(b) 99435  
of this section shall be made in accordance with distribution 99436  
agreements entered into by the board of education and each 99437  
partnering community school eligible for distributions under this 99438  
division. The distribution agreements shall be certified to the 99439  
department of education each fiscal year before the thirtieth day 99440  
of July. Each agreement shall provide for at least three 99441

distributions by the school district to the partnering community 99442  
school during the fiscal year and shall require the initial 99443  
distribution be made on or before the thirtieth day of July. 99444

(c) For the purposes of division (B) of this section, the 99445  
number of resident students shall be the number of such students 99446  
reported under section 3317.03 of the Revised Code and established 99447  
by the department of education as of the date of receipt and 99448  
deposit of the tax distribution. 99449

(4) To the extent an agreement whereby the qualifying school 99450  
district and a community school endorse each other's programs is 99451  
necessary for the community school to qualify as a partnering 99452  
community school under division (B)(6)(b) of this section, the 99453  
board of education of the school district shall certify to the 99454  
department of education the agreement along with the determination 99455  
that such agreement satisfies the requirements of that division. 99456  
The board's determination is conclusive. 99457

(5) For the purposes of Chapter 3317. of the Revised Code or 99458  
other laws referring to the "taxes charged and payable" for a 99459  
school district, the taxes charged and payable for a qualifying 99460  
school district that levies a tax under division (B) of this 99461  
section includes only the taxes charged and payable under that 99462  
levy for the current expenses of the school district, and does not 99463  
include the taxes charged and payable for the current expenses of 99464  
partnering community schools. The taxes charged and payable for 99465  
the current expenses of partnering community schools shall not 99466  
affect the calculation of "state education aid" as defined in 99467  
section 5751.20 of the Revised Code. 99468

(6) As used in division (B) of this section: 99469

(a) "Qualifying school district" means a municipal school 99470  
district, as defined in section 3311.71 of the Revised Code or a 99471  
school district that contains within its territory a partnering 99472

community school. 99473

(b) "Partnering community school" means a community school 99474  
established under Chapter 3314. of the Revised Code that is 99475  
located within the territory of the qualifying school district and 99476  
meets one of the following criteria: 99477

(i) If the qualifying school district is a municipal school 99478  
district, the community school is sponsored by the district or is 99479  
a party to an agreement with the district whereby the district and 99480  
the community school endorse each other's programs; 99481

(ii) If the qualifying school district is not a municipal 99482  
school district, the community school is sponsored by a sponsor 99483  
that was rated as "exemplary" in the ratings most recently 99484  
published under section 3314.016 of the Revised Code before the 99485  
resolution proposing the levy is certified to the board of 99486  
elections. 99487

(c) "Partnering community schools amount" means the product 99488  
obtained, as of the receipt and deposit of the tax distribution, 99489  
by multiplying the amount of a tax distribution by a fraction, the 99490  
numerator of which is the number of mills per dollar of taxable 99491  
value of the property tax to be allocated to partnering community 99492  
schools, and the denominator of which is the total number of mills 99493  
per dollar of taxable value authorized by the electors in the 99494  
election held under division (B) of this section, each as set 99495  
forth in the resolution levying the tax. If the resolution 99496  
allocates all of the levy proceeds to partnering community 99497  
schools, the "partnering schools amount" equals the amount of the 99498  
tax distribution. 99499

(d) "Partnering community schools fund" means a separate fund 99500  
established by the board of education of a qualifying school 99501  
district for the deposit of partnering community school amounts 99502  
under this section. 99503

(e) "Resident student" means a student enrolled in a 99504  
partnering community school who is entitled to attend school in 99505  
the qualifying school district under section 3313.64 or 3313.65 of 99506  
the Revised Code. 99507

(f) "Tax distribution" means a distribution of proceeds of 99508  
the tax authorized by division (B) of this section under section 99509  
321.24 of the Revised Code and distributions that are attributable 99510  
to that tax under sections 323.156 and 4503.068 of the Revised 99511  
Code or other applicable law. 99512

(C) A resolution adopted under this section shall specify the 99513  
date of holding the election, which shall not be earlier than 99514  
ninety days after the adoption and certification of the resolution 99515  
and which shall be consistent with the requirements of section 99516  
3501.01 of the Revised Code. 99517

A resolution adopted under this section may propose to renew 99518  
one or more existing levies imposed under division (A) or (B) of 99519  
this section or to increase or decrease a single levy imposed 99520  
under either such division. 99521

If the board of education imposes one or more existing levies 99522  
for the purpose specified in division (F) of section 5705.19 of 99523  
the Revised Code, the resolution may propose to renew one or more 99524  
of those existing levies, or to increase or decrease a single such 99525  
existing levy, for the purpose of general permanent improvements. 99526

If the resolution proposes to renew two or more existing 99527  
levies, the levies shall be levied for the same purpose. The 99528  
resolution shall identify those levies and the rates at which they 99529  
are levied. The resolution also shall specify that the existing 99530  
levies shall not be extended on the tax lists after the year 99531  
preceding the year in which the renewal levy is first imposed, 99532  
regardless of the years for which those levies originally were 99533  
authorized to be levied. 99534

If the resolution proposes to renew an existing levy imposed 99535  
under division (B) of this section, the rates allocated to the 99536  
qualifying school district and to partnering community schools 99537  
each may be increased or decreased or remain the same, and the 99538  
total rate may be increased, decreased, or remain the same. The 99539  
resolution and notice of election shall specify the number of the 99540  
mills to be levied for the current expenses of the partnering 99541  
community schools and the number of the mills, if any, to be 99542  
levied for the current expenses of the qualifying school district. 99543

A resolution adopted under this section shall go into 99544  
immediate effect upon its passage, and no publication of the 99545  
resolution shall be necessary other than that provided for in the 99546  
notice of election. A copy of the resolution shall immediately 99547  
after its passing be certified to the board of elections of the 99548  
proper county in the manner provided by section 5705.25 of the 99549  
Revised Code. That section shall govern the arrangements for the 99550  
submission of such question and other matters concerning the 99551  
election to which that section refers, including publication of 99552  
notice of the election, except that the election shall be held on 99553  
the date specified in the resolution. In the case of a resolution 99554  
adopted under division (B) of this section, the publication of 99555  
notice of that election shall state the number of the mills, if 99556  
any, to be levied for the current expenses of partnering community 99557  
schools and the number of the mills to be levied for the current 99558  
expenses of the qualifying school district. If a majority of the 99559  
electors voting on the question so submitted in an election vote 99560  
in favor of the levy, the board of education may make the 99561  
necessary levy within the school district or, in the case of a 99562  
qualifying library levy for the support of a library association 99563  
or private corporation, within the association library district, 99564  
at the additional rate, or at any lesser rate in excess of the 99565  
ten-mill limitation on the tax list, for the purpose stated in the 99566  
resolution. A levy for a continuing period of time may be reduced 99567

pursuant to section 5705.261 of the Revised Code. The tax levy 99568  
shall be included in the next tax budget that is certified to the 99569  
county budget commission. 99570

(D)(1) After the approval of a levy on the current tax list 99571  
and duplicate for current expenses, for recreational purposes, for 99572  
community centers provided for in section 755.16 of the Revised 99573  
Code, or for a public library of the district under division (A) 99574  
of this section, and prior to the time when the first tax 99575  
collection from the levy can be made, the board of education may 99576  
anticipate a fraction of the proceeds of the levy and issue 99577  
anticipation notes in a principal amount not exceeding fifty per 99578  
cent of the total estimated proceeds of the levy to be collected 99579  
during the first year of the levy. 99580

(2) After the approval of a levy for general permanent 99581  
improvements for a specified number of years or for permanent 99582  
improvements having the purpose specified in division (F) of 99583  
section 5705.19 of the Revised Code, the board of education may 99584  
anticipate a fraction of the proceeds of the levy and issue 99585  
anticipation notes in a principal amount not exceeding fifty per 99586  
cent of the total estimated proceeds of the levy remaining to be 99587  
collected in each year over a period of five years after the 99588  
issuance of the notes. 99589

The notes shall be issued as provided in section 133.24 of 99590  
the Revised Code, shall have principal payments during each year 99591  
after the year of their issuance over a period not to exceed five 99592  
years, and may have a principal payment in the year of their 99593  
issuance. 99594

(3) After approval of a levy for general permanent 99595  
improvements for a continuing period of time, the board of 99596  
education may anticipate a fraction of the proceeds of the levy 99597  
and issue anticipation notes in a principal amount not exceeding 99598  
fifty per cent of the total estimated proceeds of the levy to be 99599

collected in each year over a specified period of years, not 99600  
exceeding ten, after the issuance of the notes. 99601

The notes shall be issued as provided in section 133.24 of 99602  
the Revised Code, shall have principal payments during each year 99603  
after the year of their issuance over a period not to exceed ten 99604  
years, and may have a principal payment in the year of their 99605  
issuance. 99606

(4) After the approval of a levy on the current tax list and 99607  
duplicate under division (B) of this section, and prior to the 99608  
time when the first tax collection from the levy can be made, the 99609  
board of education may anticipate a fraction of the proceeds of 99610  
the levy for the current expenses of the school district and issue 99611  
anticipation notes in a principal amount not exceeding fifty per 99612  
cent of the estimated proceeds of the levy to be collected during 99613  
the first year of the levy and allocated to the school district. 99614  
The portion of the levy proceeds to be allocated to partnering 99615  
community schools under that division shall not be included in the 99616  
estimated proceeds anticipated under this division and shall not 99617  
be used to pay debt charges on any anticipation notes. 99618

The notes shall be issued as provided in section 133.24 of 99619  
the Revised Code, shall have principal payments during each year 99620  
after the year of their issuance over a period not to exceed five 99621  
years, and may have a principal payment in the year of their 99622  
issuance. 99623

(E) The submission of questions to the electors under this 99624  
section is subject to the limitation on the number of election 99625  
dates established by section 5705.214 of the Revised Code. 99626

(F) The board of education of any school district that levies 99627  
a tax under this section for the purpose of providing for school 99628  
safety and security may report to the department of education how 99629  
the district is using revenue from that tax. 99630

Sec. 5705.212. (A)(1) The board of education of any school 99631  
district, at any time and by a vote of two-thirds of all of its 99632  
members, may declare by resolution that the amount of taxes that 99633  
may be raised within the ten-mill limitation will be insufficient 99634  
to provide an adequate amount for the present and future 99635  
requirements of the school district, that it is necessary to levy 99636  
not more than five taxes in excess of that limitation for current 99637  
expenses, and that each of the proposed taxes first will be levied 99638  
in a different year, over a specified period of time. The board 99639  
shall identify the taxes proposed under this section as follows: 99640  
the first tax to be levied shall be called the "original tax." 99641  
Each tax subsequently levied shall be called an "incremental tax." 99642  
The rate of each incremental tax shall be identical, but the rates 99643  
of such incremental taxes need not be the same as the rate of the 99644  
original tax. The resolution also shall state that the question of 99645  
these additional taxes shall be submitted to the electors of the 99646  
school district at a special election. The resolution shall 99647  
specify separately for each tax proposed: the amount of the 99648  
increase in rate that it is necessary to levy, expressed 99649  
separately for the original tax and each incremental tax; that the 99650  
purpose of the levy is for current expenses; the number of years 99651  
during which the original tax shall be in effect; a specification 99652  
that the last year in which the original tax is in effect shall 99653  
also be the last year in which each incremental tax shall be in 99654  
effect; and the year in which each tax first is proposed to be 99655  
levied. The original tax may be levied for any number of years not 99656  
exceeding ten, or for a continuing period of time. The resolution 99657  
shall specify the date of holding the special election, which 99658  
shall not be earlier than ninety days after the adoption and 99659  
certification of the resolution and shall be consistent with the 99660  
requirements of section 3501.01 of the Revised Code. 99661

(2) The board of education, by a vote of two-thirds of all of 99662

its members, may adopt a resolution proposing to renew taxes 99663  
levied other than for a continuing period of time under division 99664  
(A)(1) of this section. Such a resolution shall provide for 99665  
levying a tax and specify all of the following: 99666

(a) That the tax shall be called and designated on the ballot 99667  
as a renewal levy; 99668

(b) The rate of the renewal tax, which shall be a single rate 99669  
that combines the rate of the original tax and each incremental 99670  
tax into a single rate. The rate of the renewal tax shall not 99671  
exceed the aggregate rate of the original and incremental taxes. 99672

(c) The number of years, not to exceed ten, that the renewal 99673  
tax will be levied, or that it will be levied for a continuing 99674  
period of time; 99675

(d) That the purpose of the renewal levy is for current 99676  
expenses; 99677

(e) Subject to the certification and notification 99678  
requirements of section 5705.251 of the Revised Code, that the 99679  
question of the renewal levy shall be submitted to the electors of 99680  
the school district at the general election held during the last 99681  
year the original tax may be extended on the real and public 99682  
utility property tax list and duplicate or at a special election 99683  
held during the ensuing year. 99684

(3) A resolution adopted under division (A)(1) or (2) of this 99685  
section shall go into immediate effect upon its adoption and no 99686  
publication of the resolution is necessary other than that 99687  
provided for in the notice of election. Immediately after its 99688  
adoption, a copy of the resolution shall be certified to the board 99689  
of elections of the proper county in the manner provided by 99690  
division (A) of section 5705.251 of the Revised Code, and that 99691  
division shall govern the arrangements for the submission of the 99692  
question and other matters concerning the election to which that 99693

section refers. The election shall be held on the date specified 99694  
in the resolution. If a majority of the electors voting on the 99695  
question so submitted in an election vote in favor of the taxes or 99696  
a renewal tax, the board of education, if the original or a 99697  
renewal tax is authorized to be levied for the current year, 99698  
immediately may make the necessary levy within the school district 99699  
at the authorized rate, or at any lesser rate in excess of the 99700  
ten-mill limitation, for the purpose stated in the resolution. No 99701  
tax shall be imposed prior to the year specified in the resolution 99702  
as the year in which it is first proposed to be levied. The rate 99703  
of the original tax and the rate of each incremental tax shall be 99704  
cumulative, so that the aggregate rate levied in any year is the 99705  
sum of the rates of both the original tax and all incremental 99706  
taxes levied in or prior to that year under the same proposal. A 99707  
tax levied for a continuing period of time under this section may 99708  
be reduced pursuant to section 5705.261 of the Revised Code. 99709

(B) Notwithstanding section 133.30 of the Revised Code, after 99710  
the approval of a tax to be levied in the current or the 99711  
succeeding year and prior to the time when the first tax 99712  
collection from that levy can be made, the board of education may 99713  
anticipate a fraction of the proceeds of the levy and issue 99714  
anticipation notes in an amount not to exceed fifty per cent of 99715  
the total estimated proceeds of the levy to be collected during 99716  
the first year of the levy. The notes shall be sold as provided in 99717  
Chapter 133. of the Revised Code. If anticipation notes are 99718  
issued, they shall mature serially and in substantially equal 99719  
amounts during each year over a period not to exceed five years; 99720  
and the amount necessary to pay the interest and principal as the 99721  
anticipation notes mature shall be deemed appropriated for those 99722  
purposes from the levy, and appropriations from the levy by the 99723  
board of education shall be limited each fiscal year to the 99724  
balance available in excess of that amount. 99725

If the auditor of state has certified a deficit pursuant to 99726  
section 3313.483 of the Revised Code, the notes authorized under 99727  
this section may be sold in accordance with Chapter 133. of the 99728  
Revised Code, except that the board may sell the notes after 99729  
providing a reasonable opportunity for competitive bidding. 99730

(C)(1) The board of education of a qualifying school 99731  
district, at any time and by a vote of two-thirds of all its 99732  
members, may declare by resolution that it is necessary to levy 99733  
not more than five taxes in excess of the ten-mill limitation for 99734  
the current expenses of partnering community schools and, if any 99735  
of the levy proceeds are so allocated, of the school district, and 99736  
that each of the proposed taxes first will be levied in a 99737  
different year, over a specified period of time. A qualifying 99738  
school district that is not a municipal school district may 99739  
allocate all of the levy proceeds to partnering community schools. 99740  
A municipal school district shall allocate a portion of the levy 99741  
proceeds to the current expenses of the district. The board shall 99742  
identify the taxes proposed under this division in the same manner 99743  
as in division (A)(1) of this section. The rate of each 99744  
incremental tax shall be identical, but the rates of such 99745  
incremental taxes need not be the same as the rate of the original 99746  
tax. In addition to the specifications required of the resolution 99747  
in division (A) of this section, the resolution shall state the 99748  
number of the mills to be levied each year for the current 99749  
expenses of the partnering community schools and the number of the 99750  
mills, if any, to be levied each year for the current expenses of 99751  
the school district. The number of mills for the current expenses 99752  
of partnering community schools shall be the same for each of the 99753  
incremental taxes, and the number of mills for the current 99754  
expenses of the qualifying school district shall be the same for 99755  
each of the incremental taxes. 99756

The levy of taxes for the current expenses of a partnering 99757

community school under division (C) of this section and the 99758  
distribution of proceeds from the tax by a qualifying school 99759  
district to partnering community schools is hereby determined to 99760  
be a proper public purpose. 99761

(2) The board of education, by a vote of two-thirds of all of 99762  
its members, may adopt a resolution proposing to renew taxes 99763  
levied other than for a continuing period of time under division 99764  
(C)(1) of this section. In such a renewal levy, the rates 99765  
allocated to the qualifying school district and to partnering 99766  
community schools each may be increased or decreased or remain the 99767  
same, and the total rate may be increased, decreased, or remain 99768  
the same. In addition to the requirements of division (A)(2) of 99769  
this section, the resolution shall state the number of the mills 99770  
to be levied for the current expenses of the partnering community 99771  
schools and the number of the mills to be levied for the current 99772  
expenses of the school district. 99773

(3) A resolution adopted under division (C)(1) or (2) of this 99774  
section is subject to the rules and procedures prescribed by 99775  
division (A)(3) of this section. 99776

(4) The proceeds of each tax levied under division (C)(1) or 99777  
(2) of this section shall be credited and distributed in the 99778  
manner prescribed by division (B)(3) of section 5705.21 of the 99779  
Revised Code, and divisions (B)(4), (5), and (6) of that section 99780  
apply to taxes levied under division (C) of this section. 99781

(5) Notwithstanding section 133.30 of the Revised Code, after 99782  
the approval of a tax to be levied under division (C)(1) or (2) of 99783  
this section, in the current or succeeding year and prior to the 99784  
time when the first tax collection from that levy can be made, the 99785  
board of education may anticipate a fraction of the proceeds of 99786  
the levy for the current expenses of the qualifying school 99787  
district and issue anticipation notes in a principal amount not 99788  
exceeding fifty per cent of the estimated proceeds of the levy to 99789

be collected during the first year of the levy and allocated to 99790  
the school district. The portion of levy proceeds to be allocated 99791  
to partnering community schools shall not be included in the 99792  
estimated proceeds anticipated under this division and shall not 99793  
be used to pay debt charges on any anticipation notes. 99794

The notes shall be sold as provided in Chapter 133. of the 99795  
Revised Code. If anticipation notes are issued, they shall mature 99796  
serially and in substantially equal amounts during each year over 99797  
a period not to exceed five years. The amount necessary to pay the 99798  
interest and principal as the anticipation notes mature shall be 99799  
deemed appropriated for those purposes from the levy, and 99800  
appropriations from the levy by the board of education shall be 99801  
limited each fiscal year to the balance available in excess of 99802  
that amount. 99803

If the auditor of state has certified a deficit pursuant to 99804  
section 3313.483 of the Revised Code, the notes authorized under 99805  
this section may be sold in accordance with Chapter 133. of the 99806  
Revised Code, except that the board may sell the notes after 99807  
providing a reasonable opportunity for competitive bidding. 99808

As used in division (C) of this section, "qualifying school 99809  
district" and "partnering community schools" have the same 99810  
meanings as in section 5705.21 of the Revised Code. 99811

(D) The submission of questions to the electors under this 99812  
section is subject to the limitation on the number of election 99813  
dates established by section 5705.214 of the Revised Code. 99814

(E) When a school board certifies a resolution to the county 99815  
auditor under division (B)(1) of section 5705.03 of the Revised 99816  
Code proposing to levy a tax under division (A)(1) or (C)(1) of 99817  
this section, the county auditor shall certify, within ten days 99818  
after receiving the board's request, an estimate of both the 99819  
levy's annual collections for the tax year for which the original 99820

tax applies and the levies' aggregate annual collections for the 99821  
tax year for which the final incremental tax applies, in both 99822  
cases rounded to the nearest dollar, which shall be calculated 99823  
assuming that the amount of the tax list of the taxing authority 99824  
remains throughout the life of the levy the same as the amount of 99825  
the tax list for the current year, and if this is not determined, 99826  
the estimated amount submitted by the auditor to the county budget 99827  
commission. If a school district is located in more than one 99828  
county, the county auditor shall obtain from the county auditor of 99829  
each other county in which the district is located the current tax 99830  
valuation for the portion of the district in that county. 99831

**Sec. 5705.213.** (A)(1) The board of education of any school 99832  
district, at any time and by a vote of two-thirds of all of its 99833  
members, may declare by resolution that the amount of taxes that 99834  
may be raised within the ten-mill limitation will be insufficient 99835  
to provide an adequate amount for the present and future 99836  
requirements of the school district and that it is necessary to 99837  
levy a tax in excess of that limitation for current expenses. The 99838  
resolution also shall state that the question of the additional 99839  
tax shall be submitted to the electors of the school district at a 99840  
special election. The resolution shall specify, for each year the 99841  
levy is in effect, the amount of money that the levy is proposed 99842  
to raise, which may, for years after the first year the levy is 99843  
made, be expressed in terms of a dollar or percentage increase 99844  
over the prior year's amount. The resolution also shall specify 99845  
that the purpose of the levy is for current expenses, the number 99846  
of years during which the tax shall be in effect which may be for 99847  
any number of years not exceeding ten, and the year in which the 99848  
tax first is proposed to be levied. The resolution shall specify 99849  
the date of holding the special election, which shall not be 99850  
earlier than ninety-five days after the adoption and certification 99851  
of the resolution to the county auditor and not earlier than 99852

ninety days after certification to the board of elections. The 99853  
date of the election shall be consistent with the requirements of 99854  
section 3501.01 of the Revised Code. 99855

(2) The board of education, by a vote of two-thirds of all of 99856  
its members, may adopt a resolution proposing to renew a tax 99857  
levied under division (A)(1) of this section. Such a resolution 99858  
shall provide for levying a tax and specify all of the following: 99859

(a) That the tax shall be called and designated on the ballot 99860  
as a renewal levy; 99861

(b) The amount of the renewal tax, which shall be no more 99862  
than the amount of tax levied during the last year the tax being 99863  
renewed is authorized to be in effect; 99864

(c) The number of years, not to exceed ten, that the renewal 99865  
tax will be levied, or that it will be levied for a continuing 99866  
period of time; 99867

(d) That the purpose of the renewal levy is for current 99868  
expenses; 99869

(e) Subject to the certification and notification 99870  
requirements of section 5705.251 of the Revised Code, that the 99871  
question of the renewal levy shall be submitted to the electors of 99872  
the school district at the general election held during the last 99873  
year the tax being renewed may be extended on the real and public 99874  
utility property tax list and duplicate or at a special election 99875  
held during the ensuing year. 99876

(3) A resolution adopted under division (A)(1) or (2) of this 99877  
section shall go into immediate effect upon its adoption and no 99878  
publication of the resolution is necessary other than that 99879  
provided for in the notice of election. Immediately after its 99880  
adoption, a copy of the resolution shall be certified to the 99881  
county auditor of the proper county, who shall, within five days, 99882  
calculate and certify to the board of education the estimated 99883

levy, for the first year, and for each subsequent year for which 99884  
the tax is proposed to be in effect. The estimates shall be made 99885  
both in mills for each one dollar of ~~valuation, taxable value~~ and 99886  
in dollars ~~and cents~~ for each one hundred thousand dollars of 99887  
~~valuation~~ fair market value. In making the estimates, the auditor 99888  
shall assume that the amount of the tax list remains throughout 99889  
the life of the levy, the same as the tax list for the current 99890  
year. If the tax list for the current year is not determined, the 99891  
auditor shall base the auditor's estimates on the estimated amount 99892  
of the tax list for the current year as submitted to the county 99893  
budget commission. 99894

If the board desires to proceed with the submission of the 99895  
question, it shall certify its resolution, with the estimated tax 99896  
levy expressed in mills for each one dollar of taxable value and 99897  
dollars ~~and cents per~~ for each one hundred thousand dollars of 99898  
~~valuation~~ fair market value for each year that the tax is proposed 99899  
to be in effect, to the board of elections of the proper county in 99900  
the manner provided by division (A) of section 5705.251 of the 99901  
Revised Code. Section 5705.251 of the Revised Code shall govern 99902  
the arrangements for the submission of the question and other 99903  
matters concerning the election to which that section refers. The 99904  
election shall be held on the date specified in the resolution. If 99905  
a majority of the electors voting on the question so submitted in 99906  
an election vote in favor of the tax, and if the tax is authorized 99907  
to be levied for the current year, the board of education 99908  
immediately may make the additional levy necessary to raise the 99909  
amount specified in the resolution or a lesser amount for the 99910  
purpose stated in the resolution. 99911

(4) The submission of questions to the electors under this 99912  
section is subject to the limitation on the number of election 99913  
dates established by section 5705.214 of the Revised Code. 99914

(B) Notwithstanding sections 133.30 and 133.301 of the 99915

Revised Code, after the approval of a tax to be levied in the 99916  
current or the succeeding year and prior to the time when the 99917  
first tax collection from that levy can be made, the board of 99918  
education may anticipate a fraction of the proceeds of the levy 99919  
and issue anticipation notes in an amount not to exceed fifty per 99920  
cent of the total estimated proceeds of the levy to be collected 99921  
during the first year of the levy. The notes shall be sold as 99922  
provided in Chapter 133. of the Revised Code. If anticipation 99923  
notes are issued, they shall mature serially and in substantially 99924  
equal amounts during each year over a period not to exceed five 99925  
years; and the amount necessary to pay the interest and principal 99926  
as the anticipation notes mature shall be deemed appropriated for 99927  
those purposes from the levy, and appropriations from the levy by 99928  
the board of education shall be limited each fiscal year to the 99929  
balance available in excess of that amount. 99930

If the auditor of state has certified a deficit pursuant to 99931  
section 3313.483 of the Revised Code, the notes authorized under 99932  
this section may be sold in accordance with Chapter 133. of the 99933  
Revised Code, except that the board may sell the notes after 99934  
providing a reasonable opportunity for competitive bidding. 99935

**Sec. 5705.215.** (A) The governing board of an educational 99936  
service center that is the taxing authority of a county school 99937  
financing district, upon receipt of identical resolutions adopted 99938  
within a sixty-day period by a majority of the members of the 99939  
board of education of each school district that is within the 99940  
territory of the county school financing district, may submit a 99941  
tax levy to the electors of the territory in the same manner as a 99942  
school board may submit a levy under division (C) of section 99943  
5705.21 of the Revised Code, except that: 99944

(1) The levy may be for a period not to exceed ten years, or, 99945  
if the levy is solely for the purpose or purposes described in 99946

division (A)(2)(a), (c), or (f) of this section, for a continuing 99947  
period of time. 99948

(2) The purpose of the levy shall be one or more of the 99949  
following: 99950

(a) For current expenses for the provision of special 99951  
education and related services within the territory of the 99952  
district; 99953

(b) For permanent improvements within the territory of the 99954  
district for special education and related services; 99955

(c) For current expenses for specified educational programs 99956  
within the territory of the district; 99957

(d) For permanent improvements within the territory of the 99958  
district for specified educational programs; 99959

(e) For permanent improvements within the territory of the 99960  
district; 99961

(f) For current expenses for school safety and security and 99962  
mental health services, including training and employment of or 99963  
contracting for the services of safety personnel, mental health 99964  
personnel, social workers, and counselors. 99965

(B) If the levy provides for but is not limited to current 99966  
expenses, the resolutions shall apportion the annual rate of the 99967  
levy between current expenses and the other purposes. The 99968  
apportionment need not be the same for each year of the levy, but 99969  
the respective portions of the rate actually levied each year for 99970  
current expenses and the other purposes shall be limited by that 99971  
apportionment. 99972

(C) Prior to the application of section 319.301 of the 99973  
Revised Code, the rate of a levy that is limited to, or to the 99974  
extent that it is apportioned to, purposes other than current 99975  
expenses shall be reduced in the same proportion in which the 99976

district's total valuation increases during the life of the levy 99977  
because of additions to such valuation that have resulted from 99978  
improvements added to the tax list and duplicate. 99979

(D) After the approval of a county school financing district 99980  
levy under this section, the taxing authority may anticipate a 99981  
fraction of the proceeds of such levy and may from time to time 99982  
during the life of such levy, but in any given year prior to the 99983  
time when the tax collection from such levy can be made for that 99984  
year, issue anticipation notes in an amount not exceeding fifty 99985  
per cent of the estimated proceeds of the levy to be collected in 99986  
each year up to a period of five years after the date of the 99987  
issuance of such notes, less an amount equal to the proceeds of 99988  
such levy obligated for each year by the issuance of anticipation 99989  
notes, provided that the total amount maturing in any one year 99990  
shall not exceed fifty per cent of the anticipated proceeds of the 99991  
levy for that year. Each issue of notes shall be sold as provided 99992  
in Chapter 133. of the Revised Code, and shall, except for ~~such~~ 99993  
the limitation that the total amount of such notes maturing in any 99994  
one year shall not exceed fifty per cent of the anticipated 99995  
proceeds of such levy for that year, mature serially in 99996  
substantially equal installments during each year over a period 99997  
not to exceed five years after their issuance. 99998

(E)(1) In a resolution to be submitted to the taxing 99999  
authority of a county school financing district under division (A) 100000  
of this section calling for a ballot issue on the question of the 100001  
levying of a tax for a continuing period of time by the taxing 100002  
authority, the board of education of a school district that is 100003  
part of the territory of the county school financing district also 100004  
may propose to reduce the rate of one or more of that school 100005  
district's property taxes levied for a continuing period of time 100006  
in excess of the ten-mill limitation. The reduction in the rate of 100007  
a property tax may be any amount, expressed in mills ~~per~~ for each 100008

one dollar of ~~valuation~~ taxable value and in dollars for each one 100009  
hundred thousand dollars of fair market value, not exceeding the 100010  
rate at which the tax is authorized to be levied. The reduction in 100011  
the rate of a tax shall first take effect in the same year that 100012  
the county school financing district tax takes effect, and shall 100013  
continue for each year that the county school financing district 100014  
tax is in effect. A board of education's resolution proposing to 100015  
reduce the rate of one or more of its school district property 100016  
taxes shall specifically identify each such tax and shall state 100017  
for each tax the maximum rate at which it currently may be levied 100018  
and the maximum rate at which it could be levied after the 100019  
proposed reduction, expressed in mills ~~per~~ for each one dollar of 100020  
valuation taxable value and in dollars for each one hundred 100021  
thousand dollars of fair market value. 100022

Before submitting the resolution to the taxing authority of 100023  
the county school financing district, the board of education of 100024  
the school district shall certify a copy of it to the tax 100025  
commissioner and the county auditor. Within ten days of receiving 100026  
the copy, (a) the tax commissioner shall certify to the board the 100027  
reduction in the school district's total effective tax rate for 100028  
each class of property that would have resulted if the proposed 100029  
reduction in the rate or rates had been in effect the previous 100030  
year and (b) the county auditor shall certify an estimate of the 100031  
levy's annual collections beginning for the first tax year for 100032  
which the reduction applies, rounded to the nearest dollar, which 100033  
shall be calculated assuming that the amount of the tax list of 100034  
the taxing authority remains throughout the life of the reduced 100035  
levy the same as the amount of the tax list for the current year, 100036  
and if this is not determined, the estimated amount submitted by 100037  
the auditor to the county budget commission. 100038

If a school district is located in more than one county, the 100039  
county auditor shall obtain from the county auditor of each other 100040

county in which the district is located the current tax valuation 100041  
for the portion of the district in that county. After 100042

After receiving the certification these certifications from 100043  
the commissioner and the auditor, the board may amend its 100044  
resolution to change the proposed property tax rate reduction 100045  
before submitting the resolution to the financing district taxing 100046  
authority, provided the board certifies a copy of the amended 100047  
resolution to the county auditor with a request to provide the 100048  
information required under division (E)(1)(b) of this section and 100049  
transmits that estimate to the taxing authority. As used in this 100050  
paragraph, "effective tax rate" has the same meaning as in section 100051  
323.08 of the Revised Code. 100052

If the board of education of a school district that is part 100053  
of the territory of a county school financing district adopts a 100054  
resolution proposing to reduce the rate of one or more of its 100055  
property taxes in conjunction with the levying of a tax by the 100056  
financing district, the resolution submitted by the board to the 100057  
taxing authority of the financing district under division (A) of 100058  
this section does not have to be identical in this respect to the 100059  
resolutions submitted by the boards of education of the other 100060  
school districts that are part of the territory of the county 100061  
school financing district. 100062

(2) Each school district that is part of the territory of a 100063  
county school financing district may tailor to its own situation a 100064  
proposed reduction in one or more property tax rates in 100065  
conjunction with the proposed levying of a tax by the county 100066  
school financing district; if one such school district proposes a 100067  
reduction in one or more tax rates, another school district may 100068  
propose a reduction of a different size or may propose no 100069  
reduction. Within each school district that is part of the 100070  
territory of the county school financing district, the electors 100071  
shall vote on one ballot issue combining the question of the 100072

levying of the tax by the taxing authority of the county school financing district with, if any such reduction is proposed, the question of the reduction in the rate of one or more taxes of the school district. If a majority of the electors of the county school financing district voting on the question of the proposed levying of a tax by the taxing authority of the financing district vote to approve the question, any tax reductions proposed by school districts that are part of the territory of the financing district also are approved.

(3) The form of the ballot for an issue proposing to levy a county school financing district tax in conjunction with the reduction of the rate of one or more school district taxes shall be as follows:

"Shall the ..... (name of the county school financing district) be authorized to levy an additional tax for ..... (purpose stated in the resolutions), that the county auditor estimates will collect \$..... annually, at a rate not exceeding ..... mills for each ~~one dollar~~ \$1 of valuation taxable value, which amounts to \$..... (~~rate expressed in dollars and cents~~) for each ~~one hundred dollars~~ \$100,000 of valuation fair market value, for a continuing period of time? If the county school financing district tax is approved, the rate of an existing tax currently levied by the ..... (name of the school district of which the elector is a resident) at the rate of ..... mills ~~for each one dollar of valuation~~ shall be reduced to ..... mills for each \$1 of taxable value, which amounts to a reduction from \$..... to \$..... for each \$100,000 of fair market value, that the county auditor estimates will collect \$..... annually, until any such time as the county school financing district tax is decreased or repealed.

100105

100106

If the board of education of the school district proposes to 100107  
reduce the rate of more than one of its existing taxes, the second 100108  
sentence of the ballot language shall be modified for residents of 100109  
that district to express the rates at which those taxes currently 100110  
are levied and the rates to which they would be reduced, as well 100111  
as each levy's estimated annual collections as provided by the 100112  
county auditor under division (E)(1)(b) of this section. If the 100113  
board of education of the school district does not propose to 100114  
reduce the rate of any of its taxes, the second sentence of the 100115  
ballot language shall not be used for residents of that district. 100116  
In any case, the first sentence of the ballot language shall be 100117  
the same for all the electors in the county school financing 100118  
district, but the second sentence shall be different in each 100119  
school district depending on whether and in what amount the board 100120  
of education of the school district proposes to reduce the rate of 100121  
one or more of its property taxes. 100122

(4) If the rate of a school district property tax is reduced 100123  
pursuant to this division, the tax commissioner shall compute the 100124  
percentage required to be computed for that tax under division (D) 100125  
of section 319.301 of the Revised Code each year the rate is 100126  
reduced as if the tax had been levied in the preceding year at the 100127  
rate to which it has been reduced. If the reduced rate of a tax is 100128  
increased under division (E)(5) of this section, the commissioner 100129  
shall compute the percentage required to be computed for that tax 100130  
under division (D) of section 319.301 of the Revised Code each 100131  
year the rate is increased as if the tax had been levied in the 100132  
preceding year at the rate to which it has been increased. 100133

(5) After the levying of a county school financing district 100134  
tax in conjunction with the reduction of the rate of one or more 100135  
school district taxes is approved by the electors under this 100136

division, if the rate of the county school financing district tax 100137  
is decreased pursuant to an election under section 5705.261 of the 100138  
Revised Code, the rate of each school district tax that had been 100139  
reduced shall be increased by the number of mills obtained by 100140  
multiplying the number of mills of the original reduction by the 100141  
same percentage that the financing district tax rate is decreased. 100142  
If the county school financing district tax is repealed pursuant 100143  
to an election under section 5705.261 of the Revised Code, each 100144  
school district may resume levying the property taxes that had 100145  
been reduced at the full rate originally approved by the electors. 100146  
A reduction in the rate of a school district property tax under 100147  
this division is a reduction in the rate at which the board of 100148  
education may levy that tax only for the period during which the 100149  
county school financing district tax is levied prior to any 100150  
decrease or repeal under section 5705.261 of the Revised Code. The 100151  
resumption of the authority of the board of education to levy an 100152  
increased or the full rate of tax does not constitute the levying 100153  
of a new tax in excess of the ten-mill limitation. 100154

(F) If a county school financing district has a tax in effect 100155  
under this section, the territory of a city, local, or exempted 100156  
village school district that is not a part of the county school 100157  
financing district shall not become a part of the county school 100158  
financing district unless approved by the electors of the city, 100159  
local, or exempted village school district in accordance with 100160  
division (C) of section 3311.50 of the Revised Code. 100161

**Sec. 5705.218.** (A) The board of education of a city, local, 100162  
or exempted village school district, at any time by a vote of 100163  
two-thirds of all its members, may declare by resolution that it 100164  
may be necessary for the school district to issue general 100165  
obligation bonds for permanent improvements. The resolution shall 100166  
state all of the following: 100167

(1) The necessity and purpose of the bond issue; 100168

(2) The date of the special election at which the question 100169  
shall be submitted to the electors; 100170

(3) The amount, approximate date, estimated rate of interest, 100171  
and maximum number of years over which the principal of the bonds 100172  
may be paid; 100173

(4) The necessity of levying a tax outside the ten-mill 100174  
limitation to pay debt charges on the bonds and any anticipatory 100175  
securities. 100176

On adoption of the resolution, the board shall certify a copy 100177  
of it to the county auditor. The county auditor promptly shall 100178  
estimate and certify to the board the average annual property tax 100179  
rate, expressed in mills for each one dollar of taxable value and 100180  
in dollars for each one hundred thousand dollars of fair market 100181  
value, required throughout the stated maturity of the bonds to pay 100182  
debt charges on the bonds and the amount the levy is estimated to 100183  
collect for each tax year it is levied, in the same manner as 100184  
under division (C) of section 133.18 of the Revised Code. 100185

(B) After receiving the county auditor's certification under 100186  
division (A) of this section, the board of education of the city, 100187  
local, or exempted village school district, by a vote of 100188  
two-thirds of all its members, may declare by resolution that the 100189  
amount of taxes that can be raised within the ten-mill limitation 100190  
will be insufficient to provide an adequate amount for the present 100191  
and future requirements of the school district; that it is 100192  
necessary to issue general obligation bonds of the school district 100193  
for permanent improvements and to levy an additional tax in excess 100194  
of the ten-mill limitation to pay debt charges on the bonds and 100195  
any anticipatory securities; that it is necessary for a specified 100196  
number of years or for a continuing period of time to levy 100197  
additional taxes in excess of the ten-mill limitation to provide 100198

funds for the acquisition, construction, enlargement, renovation, 100199  
and financing of permanent improvements or to pay for current 100200  
operating expenses, or both; and that the question of the bonds 100201  
and taxes shall be submitted to the electors of the school 100202  
district at a special election, which shall not be earlier than 100203  
ninety days after certification of the resolution to the board of 100204  
elections, and the date of which shall be consistent with section 100205  
3501.01 of the Revised Code. The resolution shall specify all of 100206  
the following: 100207

(1) The county auditor's estimate of the average annual 100208  
property tax rate required throughout the stated maturity of the 100209  
bonds to pay debt charges on the bonds; 100210

(2) The proposed rate of the tax, if any, for current 100211  
operating expenses expressed in mills for each one dollar of 100212  
taxable value and in dollars for each one hundred thousand dollars 100213  
of fair market value, the first year the tax will be levied, and 100214  
the number of years it will be levied, or that it will be levied 100215  
for a continuing period of time; 100216

(3) The proposed rate of the tax, if any, for permanent 100217  
improvements expressed in mills for each one dollar of taxable 100218  
value and in dollars for each one hundred thousand dollars of fair 100219  
market value, the first year the tax will be levied, and the 100220  
number of years it will be levied, or that it will be levied for a 100221  
continuing period of time. 100222

The resolution shall apportion the annual rate of the tax 100223  
between current operating expenses and permanent improvements, if 100224  
both taxes are proposed. The apportionment may but need not be the 100225  
same for each year of the tax, but the respective portions of the 100226  
rate actually levied each year for current operating expenses and 100227  
permanent improvements shall be limited by the apportionment. The 100228  
resolution shall go into immediate effect upon its passage, and no 100229  
publication of it is necessary other than that provided in the 100230

notice of election. The board of education shall certify a copy of 100231  
the resolution, along with copies of the auditor's estimate 100232  
estimates and its resolution under division (A) of this section, 100233  
to the board of elections immediately after its adoption. 100234

(C) The board of elections shall make the arrangements for 100235  
the submission to the electors of the school district of the 100236  
question proposed under division (B) or (J) of this section, and 100237  
the election shall be conducted, canvassed, and certified in the 100238  
same manner as regular elections in the district for the election 100239  
of county officers. The resolution shall be put before the 100240  
electors as one ballot question, with a favorable vote indicating 100241  
approval of the bond issue, the levy to pay debt charges on the 100242  
bonds and any anticipatory securities, the current operating 100243  
expenses levy, the permanent improvements levy, and the levy for 100244  
the current expenses of a qualifying school district and of 100245  
partnering community schools, as those levies may be proposed. The 100246  
board of elections shall publish notice of the election in a 100247  
newspaper of general circulation in the school district once a 100248  
week for two consecutive weeks, or as provided in section 7.16 of 100249  
the Revised Code, prior to the election. If a board of elections 100250  
operates and maintains a web site, that board also shall post 100251  
notice of the election on its web site for thirty days prior to 100252  
the election. The notice of election shall state all of the 100253  
following: 100254

(1) The principal amount of the proposed bond issue; 100255

(2) The permanent improvements for which the bonds are to be 100256  
issued; 100257

(3) The maximum number of years over which the principal of 100258  
the bonds may be paid; 100259

(4) The estimated additional average annual property tax rate 100260  
to pay the debt charges on the bonds, as certified by the county 100261

auditor and expressed in mills for each one dollar of taxable 100262  
value and in dollars for each one hundred thousand dollars of fair 100263  
market value; 100264

(5) The proposed rate of the additional tax, if any, for 100265  
current operating expenses expressed in mills for each one dollar 100266  
of taxable value and in dollars for each one hundred thousand 100267

**Sec. 5705.261.** (A) The question of decrease of an increased rate of levy approved for a continuing period of time by the voters of a subdivision or, in the case of a qualifying library levy, the voters of the library district or association library district, may be initiated by the filing of a petition with the board of elections of the proper county not less than ninety days before the general election in any year requesting that an election be held on such question. Such petition shall state the amount of the proposed decrease in the rate of levy and shall be signed by qualified electors residing in the subdivision, library district, or association library district equal in number to at least ten per cent of the total number of votes cast in the subdivision, library district, or association library district for the office of governor at the most recent general election for that office. Only one such petition may be filed during each

five-year period following the election at which the voters 101205  
approved the increased rate for a continuing period of time. 101206

After determination by it that such petition is valid, the 101207  
board of elections shall ~~submit~~ do both of the following: 101208

(1) Request that the county auditor certify to the board an 101209  
estimate of the levy's annual collections in the same manner as 101210  
required for a tax levy under section 5705.03 of the Revised Code. 101211  
If the subdivision, library district, or association library 101212  
district is located in more than one county, the county auditor 101213  
shall obtain from the county auditor of each other county in which 101214  
the subdivision or district is located the tax valuation 101215  
applicable to the portion of the subdivision or district in that 101216  
county. 101217

The county auditor shall certify such information to the 101218  
board of elections within ten days after receiving the board's 101219  
request. 101220

(2) Submit the question to the electors of the subdivision, 101221  
library district, or association library district at the 101222  
succeeding general election pursuant to division (B) of this 101223  
section. The 101224

(B) The election shall be conducted, canvassed, and certified 101225  
in the same manner as regular elections in such subdivision, 101226  
library district, or association library district for county 101227  
offices. Notice of the election shall be published in a newspaper 101228  
of general circulation in the district once a week for two 101229  
consecutive weeks, or as provided in section 7.16 of the Revised 101230  
Code, prior to the election. If the board of elections operates 101231  
and maintains a web site, the board of elections shall post notice 101232  
of the election on its web site for thirty days prior to the 101233  
election. The notice shall state the purpose, the levy's estimated 101234  
annual collections, the amount of the proposed decrease in rate, 101235

expressed in mills for each one dollar of taxable value and 101236  
dollars for each one hundred thousand dollars of fair market 101237  
value, and the time and place of the election. The form of the 101238  
ballot cast at such election shall be prescribed by the secretary 101239  
of state but must include all information required to be included 101240  
in the notice. The question covered by ~~such~~ the petition shall be 101241  
submitted as a separate proposition but it may be printed on the 101242  
same ballot with any other propositions submitted at the same 101243  
election other than the election of officers. If a majority of the 101244  
qualified electors voting on the question of a decrease at such 101245  
election approve the proposed decrease in rate, the result of the 101246  
election shall be certified immediately after the canvass by the 101247  
board of elections to the appropriate taxing authority, which 101248  
shall thereupon, after the current year, cease to levy such 101249  
increased rate or levy such tax at such reduced rate upon the 101250  
~~duplicate~~ tax list of the subdivision, library district, or 101251  
association library district. If notes have been issued in 101252  
anticipation of the collection of such levy, the taxing authority 101253  
shall continue to levy and collect under authority of the election 101254  
authorizing the original levy such amounts as will be sufficient 101255  
to pay the principal of and interest on such anticipation notes as 101256  
the same fall due. 101257

In the case of a levy for the current expenses of a 101258  
qualifying school district and of partnering community schools 101259  
imposed under section 5705.192, division (B) of section 5705.21,  
division (C) of section 5705.212, or division (J) of section 101260  
5705.218 of the Revised Code for a continuing period of time, the 101261  
rate allocated to the school district and to partnering community 101262  
schools shall each be decreased by a number of mills per dollar 101263  
that is proportionate to the decrease in the rate of the levy in 101264  
proportion to the rate at which the levy was imposed before the 101265  
decrease. 101266  
101267

Sec. 5705.55. (A) The board of directors of a lake facilities authority, by a vote of two-thirds of all its members, may at any time declare by resolution that the amount of taxes which may be raised within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide an adequate amount for the necessary requirements of the authority, that it is necessary to levy a tax in excess of such limitation for any of the purposes specified in divisions (A), (B), (F), and (H) of section 5705.19 of the Revised Code, and that the question of such additional tax levy shall be submitted by the board to the electors residing within the boundaries of the impacted lake district on the day of a primary or general election. The resolution shall conform to section 5705.19 of the Revised Code, except that the tax levy may be in effect for no more than five years, as set forth in the resolution, unless the levy is for the payment of debt charges, and the total number of mills levied for each dollar of taxable valuation that may be levied under this section for any tax year shall not exceed one mill. If the levy is for the payment of debt charges, the levy shall be for the life of the bond indebtedness.

The resolution shall specify the date of holding the election, which shall not be earlier than ninety days after the adoption and certification of the resolution to the board of elections. The resolution shall not include a levy on the current tax list and duplicate unless the election is to be held at or prior to the first Tuesday after the first Monday in November of the current tax year.

The resolution shall be certified to the board of elections of the proper county or counties not less than ninety days before the date of the election. The resolution shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided in the notice of

election. Section 5705.25 of the Revised Code shall govern the 101300  
arrangements for the submission of such question and other matters 101301  
concerning the election, to which that section refers, except that 101302  
the election shall be held on the date specified in the 101303  
resolution. If a majority of the electors voting on the question 101304  
so submitted in an election vote in favor of the levy, the board 101305  
of directors may forthwith make the necessary levy within the 101306  
boundaries of the impacted lake district at the additional rate in 101307  
excess of the ten-mill limitation on the tax list, for the purpose 101308  
stated in the resolution. The tax levy shall be included in the 101309  
next annual tax budget that is certified to the county budget 101310  
commission. 101311

(B) The form of the ballot in an election held on the 101312  
question of levying a tax proposed pursuant to this section shall 101313  
be as follows or in any other form acceptable to the secretary of 101314  
state: 101315

"A tax for the benefit of (name of lake facilities authority) 101316

number of years the levy is to run). 101323

	For the Tax Levy
	Against the Tax Levy

"

(C) On approval of the levy, notes may be issued in 101328  
anticipation of the collection of the proceeds of the tax levy, 101329  
other than the proceeds to be received for the payment of bond 101330

debt charges, in the amount and manner and at the times as are provided in section 5705.193 of the Revised Code, for the issuance of notes by a county in anticipation of the proceeds of a tax levy. The lake facilities authority may borrow money in anticipation of the collection of current revenues as provided in section 133.10 of the Revised Code.

(D) If a tax is levied under this section in a tax year, no other taxing authority of a subdivision or taxing unit, including a port authority, may levy a tax on property in the impacted lake district in the same tax year if the purpose of the levy is substantially the same as the purpose for which the lake facilities authority of the impacted lake district was created.

(B)(1) Upon the receipt of a certification from the tax 101438  
commissioner under division (A) of this section, a majority of the 101439  
members of a board of education may adopt a resolution proposing 101440  
the levy of an annual tax for school district purposes on school 101441  
district income. The proposed levy may be for a continuing period 101442  
of time or for a specified number of years. The resolution shall 101443  
set forth the purpose for which the tax is to be imposed, the rate 101444  
of the tax, which shall be the rate set forth in the 101445  
commissioner's certification rounded to the nearest one-fourth of 101446  
one per cent, the number of years the tax will be levied or that 101447  
it will be levied for a continuing period of time, the date on 101448  
which the tax shall take effect, which shall be the first day of 101449  
January of any year following the year in which the question is 101450  
submitted, and the date of the election at which the proposal 101451

shall be submitted to the electors of the district, which shall be 101452  
on the date of a primary, general, or special election the date of 101453  
which is consistent with section 3501.01 of the Revised Code. The 101454  
resolution shall specify whether the income that is to be subject 101455  
to the tax is taxable income of individuals and estates as defined 101456  
in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised 101457  
Code or taxable income of individuals as defined in division 101458  
(E)(1)(b) of that section. The specification shall be the same as 101459  
the specification in the resolution adopted and certified under 101460  
division (A) of this section. 101461

If the tax is to be levied for current expenses and permanent 101462  
improvements, the resolution shall apportion the annual rate of 101463  
the tax. The apportionment may be the same or different for each 101464  
year the tax is levied, but the respective portions of the rate 101465  
actually levied each year for current expenses and for permanent 101466  
improvements shall be limited by the apportionment. 101467

If the board of education currently imposes an income tax 101468  
pursuant to this chapter that is due to expire and a question is 101469  
submitted under this section for a proposed income tax to take 101470  
effect upon the expiration of the existing tax, the board may 101471  
specify in the resolution that the proposed tax renews the 101472  
expiring tax. Two or more expiring income taxes may be renewed 101473  
under this paragraph if the taxes are due to expire on the same 101474  
date. If the tax rate being proposed is no higher than the total 101475  
tax rate imposed by the expiring tax or taxes, the resolution may 101476  
state that the proposed tax is not an additional income tax. 101477

(2) A board of education adopting a resolution under division 101478  
(B)(1) of this section proposing a school district income tax for 101479  
a continuing period of time and limited to the purpose of current 101480  
expenses may propose in that resolution to reduce the rate or 101481  
rates of one or more of the school district's property taxes 101482  
levied for a continuing period of time in excess of the ten-mill 101483

limitation for the purpose of current expenses. The reduction in 101484  
the rate of a property tax may be any amount, expressed in mills 101485  
~~per for each~~ one dollar in ~~valuation taxable value and in dollars~~ 101486  
for each one hundred thousand dollars in fair market value, not 101487  
exceeding the rate at which the tax is authorized to be levied. 101488  
The reduction in the rate of a tax shall first take effect for the 101489  
tax year that includes the day on which the school district income 101490  
tax first takes effect, and shall continue for each tax year that 101491  
both the school district income tax and the property tax levy are 101492  
in effect. 101493

In addition to the matters required to be set forth in the 101494  
resolution under division (B)(1) of this section, a resolution 101495  
containing a proposal to reduce the rate of one or more property 101496  
taxes shall state for each such tax the maximum rate at which it 101497  
currently may be levied and the maximum rate at which the tax 101498  
could be levied after the proposed reduction, expressed in mills 101499  
~~per for each~~ one dollar in ~~valuation taxable value and in dollars~~ 101500  
for each one hundred thousand dollars in fair market value, and 101501  
that the tax is levied for a continuing period of time. 101502

A board proposing to reduce the rate of one or more property 101503  
taxes under division (B)(2) of this section shall comply with 101504  
division (B) of section 5705.03 of the Revised Code. 101505

If a board of education proposes to reduce the rate of one or 101506  
more property taxes under division (B)(2) of this section, the 101507  
board, when it makes the certification required under division (A) 101508  
of this section, shall designate the specific levy or levies to be 101509  
reduced, the maximum rate at which each levy currently is 101510  
authorized to be levied, and the rate by which each levy is 101511  
proposed to be reduced. The tax commissioner, when making the 101512  
certification to the board under division (A) of this section, 101513  
also shall certify the reduction in the total effective tax rate 101514  
for current expenses for each class of property that would have 101515

resulted if the proposed reduction in the rate or rates had been 101516  
in effect the previous tax year. As used in this paragraph, 101517  
"effective tax rate" has the same meaning as in section 323.08 of 101518  
the Revised Code. 101519

(C) A resolution adopted under division (B) of this section 101520  
shall go into immediate effect upon its passage, and no 101521  
publication of the resolution shall be necessary other than that 101522  
provided for in the notice of election. Immediately after its 101523  
adoption and at least ninety days prior to the election at which 101524  
the question will appear on the ballot, a copy of the resolution 101525  
and, if applicable, the county auditor's certifications under 101526  
section 5705.03 of the Revised Code shall be certified to the 101527  
board of elections of the proper county, which shall submit the 101528  
proposal to the electors on the date specified in the resolution. 101529  
The form of the ballot shall be as provided in section 5748.03 of 101530  
the Revised Code. Publication of notice of the election shall be 101531  
made in a newspaper of general circulation in the county once a 101532  
week for two consecutive weeks, or as provided in section 7.16 of 101533  
the Revised Code, prior to the election. If the board of elections 101534  
operates and maintains a web site, the board of elections shall 101535  
post notice of the election on its web site for thirty days prior 101536  
to the election. The notice shall contain the time and place of 101537  
the election and the question to be submitted to the electors. The 101538  
question covered by the resolution shall be submitted as a 101539  
separate proposition, but may be printed on the same ballot with 101540  
any other proposition submitted at the same election, other than 101541  
the election of officers. 101542

(D) No board of education shall submit the question of a tax 101543  
on school district income to the electors of the district more 101544  
than twice in any calendar year. If a board submits the question 101545  
twice in any calendar year, one of the elections on the question 101546  
shall be held on the date of the general election. 101547

(E)(1) No board of education may submit to the electors of the district the question of a tax on school district income on the taxable income of individuals as defined in division (E)(1)(b) of section 5748.01 of the Revised Code if that tax would be in addition to an existing tax on the taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of that section.

(2) No board of education may submit to the electors of the district the question of a tax on school district income on the taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code if that tax would be in addition to an existing tax on the taxable income of individuals as defined in division (E)(1)(b) of that section.

**Sec. 5748.03.** (A) The form of the ballot on a question submitted to the electors under section 5748.02 of the Revised Code shall be as follows:

"Shall an annual income tax of ..... (state the proposed rate of tax) on the school district income of individuals and of estates be imposed by ..... (state the name of the school district), for ..... (state the number of years the tax would be levied, or that it would be levied for a continuing period of time), beginning ..... (state the date the tax would first take effect), for the purpose of ..... (state the purpose of the tax)?

	FOR THE TAX
	AGAINST THE TAX

(B)(1) If the question submitted to electors proposes a school district income tax only on the taxable income of individuals as defined in division (E)(1)(b) of section 5748.01 of

the Revised Code, the form of the ballot shall be modified by 101578  
stating that the tax is to be levied on the "earned income of 101579  
individuals residing in the school district" in lieu of the 101580  
"school district income of individuals and of estates." 101581

(2) If the question submitted to electors proposes to renew 101582  
one or more expiring income tax levies, the ballot shall be 101583  
modified by adding the following language immediately after the 101584  
name of the school district that would impose the tax: "to renew 101585  
an income tax (or income taxes) expiring at the end of ..... 101586  
(state the last year the existing income tax or taxes may be 101587  
levied)." 101588

(3) If the question includes a proposal under division (B)(2) 101589  
of section 5748.02 of the Revised Code to reduce the rate of one 101590  
or more school district property taxes, the ballot shall state 101591  
that the purpose of the school district income tax is for current 101592  
expenses, and the form of the ballot shall be modified by adding 101593  
the following language immediately after the statement of the 101594  
purpose of the proposed income tax: ", and shall the rate of an 101595  
existing tax on property, currently levied for the purpose of 101596  
current expenses at the rate of ..... mills, be REDUCED to 101597  
..... mills for each \$1 of taxable value, which amounts to a 101598  
reduction from \$..... to \$..... for each \$100,000 of fair 101599  
market value, that the county auditor estimates will collect 101600  
\$..... annually, the reduction continuing until any such time as 101601  
the income tax is repealed." In lieu of "for the tax" and "against 101602  
the tax," the phrases "for the issue" and "against the issue," 101603  
respectively, shall be used. If a board of education proposes a 101604  
reduction in the rates of more than one tax, the ballot language 101605  
shall be modified accordingly to express the rates at which those 101606  
taxes currently are levied and the rates to which the taxes will 101607  
be reduced. 101608

(C) The board of elections shall certify the results of the 101609

election to the board of education and to the tax commissioner. If 101610  
a majority of the electors voting on the question vote in favor of 101611  
it, the income tax, the applicable provisions of Chapter 5747. of 101612  
the Revised Code, and the reduction in the rate or rates of 101613  
existing property taxes if the question included such a reduction 101614  
shall take effect on the date specified in the resolution. If the 101615  
question approved by the voters includes a reduction in the rate 101616  
of a school district property tax, the board of education shall 101617  
not levy the tax at a rate greater than the rate to which the tax 101618  
is reduced, unless the school district income tax is repealed in 101619  
an election under section 5748.04 of the Revised Code. 101620

(D) If the rate at which a property tax is levied and 101621  
collected is reduced pursuant to a question approved under this 101622  
section, the tax commissioner shall compute the percentage 101623  
required to be computed for that tax under division (D) of section 101624  
319.301 of the Revised Code each year the rate is reduced as if 101625  
the tax had been levied in the preceding year at the rate at which 101626  
it has been reduced. If the rate of a property tax increases due 101627  
to the repeal of the school district income tax pursuant to 101628  
section 5748.04 of the Revised Code, the tax commissioner, for the 101629  
first year for which the rate increases, shall compute the 101630  
percentage as if the tax in the preceding year had been levied at 101631  
the rate at which the tax was authorized to be levied prior to any 101632  
rate reduction. 101633

**Sec. 5748.04.** (A) The question of the repeal of a school 101634  
district income tax levied for more than five years may be 101635  
initiated not more than once in any five-year period by filing 101636  
with the board of elections of the appropriate counties not later 101637  
than ninety days before the general election in any year after the 101638  
year in which it is approved by the electors a petition requesting 101639  
that an election be held on the question. The petition shall be 101640  
signed by qualified electors residing in the school district 101641

levying the income tax equal in number to ten per cent of those 101642  
voting for governor at the most recent gubernatorial election. 101643

The board of elections shall determine whether the petition 101644  
is valid, and if it so determines, it shall ~~submit~~ do both of the 101645  
following: 101646

(1) Submit the question to the electors of the district at 101647  
the next general election; 101648

(2) If the rate of one or more property tax levies was 101649  
reduced for the duration of the income tax levy pursuant to 101650  
division (B)(2) of section 5748.02 of the Revised Code, request 101651  
that the county auditor certify to the board an estimate of the 101652  
levies' annual collections for the first year in which the levies 101653  
are increased in the same manner as required for a tax levy under 101654  
section 5705.03 of the Revised Code. 101655

The county auditor shall certify such information to the 101656  
board of elections within ten days after receiving the board's 101657  
request. If a school district is located in more than one county, 101658  
the county auditor shall obtain from the county auditor of each 101659  
other county in which the district is located the tax valuation 101660  
applicable to the portion of the district in that county. The 101661

The election shall be conducted, canvassed, and certified in 101662  
the same manner as regular elections for county offices in the 101663  
county. Notice of the election shall be published in a newspaper 101664  
of general circulation in the district once a week for two 101665  
consecutive weeks, or as provided in section 7.16 of the Revised 101666  
Code, prior to the election. If the board of elections operates 101667  
and maintains a web site, the board of elections shall post notice 101668  
of the election on its web site for thirty days prior to the 101669  
election. The notice shall state the ~~purpose,~~ time, and place of 101670  
the election and the question to be submitted to the electors. The 101671  
form of the ballot cast at the election shall be as follows: 101672

"Shall the annual income tax of ..... per cent, currently  
levied on the school district income of individuals and estates by  
..... (state the name of the school district) for the purpose  
of ..... (state purpose of the tax), be repealed?

	For repeal of the income tax	
	Against repeal of the income tax	"

(B)(1) If the tax is imposed on taxable income as defined in  
division (E)(1)(b) of section 5748.01 of the Revised Code, the  
form of the ballot shall be modified by stating that the tax  
currently is levied on the "earned income of individuals residing  
in the school district" in lieu of the "school district income of  
individuals and estates."

(2) If the rate of one or more property tax levies was  
reduced for the duration of the income tax levy pursuant to  
division (B)(2) of section 5748.02 of the Revised Code, the form  
of the ballot shall be modified by adding the following language  
immediately after "repealed": ", and shall the rate of an existing  
tax on property for the purpose of current expenses, which rate  
was reduced for the duration of the income tax, be INCREASED from  
..... mills to ..... mills per one dollar for each \$1 of valuation  
taxable value which amounts to an increase from \$..... to \$.....  
for each \$100,000 of fair market value, that the county auditor  
estimates will collect \$..... annually, beginning in ..... (state  
the first year for which the rate of the property tax will  
increase)." In lieu of "for repeal of the income tax" and "against  
repeal of the income tax," the phrases "for the issue" and  
"against the issue," respectively, shall be substituted.

(3) If the rate of more than one property tax was reduced for  
the duration of the income tax, the ballot language shall be

modified accordingly to express the rates at which those taxes 101704  
currently are levied and the rates to which the taxes would be 101705  
increased. 101706

(C) The question covered by the petition shall be submitted 101707  
as a separate proposition, but it may be printed on the same 101708  
ballot with any other proposition submitted at the same election 101709  
other than the election of officers. If a majority of the 101710  
qualified electors voting on the question vote in favor of it, the 101711  
result shall be certified immediately after the canvass by the 101712  
board of elections to the board of education of the school 101713  
district and the tax commissioner, who shall thereupon, after the 101714  
current year, cease to levy the tax, except that if notes have 101715  
been issued pursuant to section 5748.05 of the Revised Code the 101716  
tax commissioner shall continue to levy and collect under 101717  
authority of the election authorizing the levy an annual amount, 101718  
rounded upward to the nearest one-fourth of one per cent, as will 101719  
be sufficient to pay the debt charges on the notes as they fall 101720  
due. 101721

(D) If a school district income tax repealed pursuant to this 101722  
section was approved in conjunction with a reduction in the rate 101723  
of one or more school district property taxes as provided in 101724  
division (B)(2) of section 5748.02 of the Revised Code, then each 101725  
such property tax may be levied after the current year at the rate 101726  
at which it could be levied prior to the reduction, subject to any 101727  
adjustments required by the county budget commission pursuant to 101728  
Chapter 5705. of the Revised Code. Upon the repeal of a school 101729  
district income tax under this section, the board of education may 101730  
resume levying a property tax, the rate of which has been reduced 101731  
pursuant to a question approved under section 5748.02 of the 101732  
Revised Code, at the rate the board originally was authorized to 101733  
levy the tax. A reduction in the rate of a property tax under 101734  
section 5748.02 of the Revised Code is a reduction in the rate at 101735

which a board of education may levy that tax only for the period 101736  
during which a school district income tax is levied prior to any 101737  
repeal pursuant to this section. The resumption of the authority 101738  
to levy the tax upon such a repeal does not constitute a tax 101739  
levied in excess of the one per cent limitation prescribed by 101740  
Section 2 of Article XII, Ohio Constitution, or in excess of the 101741  
ten-mill limitation. 101742

(E) This section does not apply to school district income tax 101743  
levies that are levied for five or fewer years. 101744

**Sec. 5748.08.** (A) The board of education of a city, local, or 101745  
exempted village school district, at any time by a vote of 101746  
two-thirds of all its members, may declare by resolution that it 101747  
may be necessary for the school district to do all of the 101748  
following: 101749

(1) Raise a specified amount of money for school district 101750  
purposes by levying an annual tax on school district income; 101751

(2) Issue general obligation bonds for permanent 101752  
improvements, stating in the resolution the necessity and purpose 101753  
of the bond issue and the amount, approximate date, estimated rate 101754  
of interest, and maximum number of years over which the principal 101755  
of the bonds may be paid; 101756

(3) Levy a tax outside the ten-mill limitation to pay debt 101757  
charges on the bonds and any anticipatory securities; 101758

(4) Submit the question of the school district income tax and 101759  
bond issue to the electors of the district at a special election. 101760

The resolution shall specify whether the income that is to be 101761  
subject to the tax is taxable income of individuals and estates as 101762  
defined in divisions (E)(1)(a) and (2) of section 5748.01 of the 101763  
Revised Code or taxable income of individuals as defined in 101764  
division (E)(1)(b) of that section. 101765

On adoption of the resolution, the board shall certify a copy 101766  
of it to the tax commissioner and the county auditor no later than 101767  
one hundred five days prior to the date of the special election at 101768  
which the board intends to propose the income tax and bond issue. 101769  
Not later than ten days of receipt of the resolution, the tax 101770  
commissioner, in the same manner as required by division (A) of 101771  
section 5748.02 of the Revised Code, shall estimate the rates 101772  
designated in divisions (A)(1) and (2) of that section and certify 101773  
them to the board. Not later than ten days of receipt of the 101774  
resolution, the county auditor shall estimate and certify to the 101775  
board the average annual property tax rate required throughout the 101776  
stated maturity of the bonds to pay debt charges on the bonds and 101777  
the amount the levy is estimated to collect for each tax year it 101778  
is levied, in the same manner as under division (C) of section 101779  
133.18 of the Revised Code. 101780

(B) On receipt of the tax commissioner's and county auditor's 101781  
certifications prepared under division (A) of this section, the 101782  
board of education of the city, local, or exempted village school 101783  
district, by a vote of two-thirds of all its members, may adopt a 101784  
resolution proposing for a specified number of years or for a 101785  
continuing period of time the levy of an annual tax for school 101786  
district purposes on school district income and declaring that the 101787  
amount of taxes that can be raised within the ten-mill limitation 101788  
will be insufficient to provide an adequate amount for the present 101789  
and future requirements of the school district; that it is 101790  
necessary to issue general obligation bonds of the school district 101791  
for specified permanent improvements and to levy an additional tax 101792  
in excess of the ten-mill limitation to pay the debt charges on 101793  
the bonds and any anticipatory securities; and that the question 101794  
of the bonds and taxes shall be submitted to the electors of the 101795  
school district at a special election, which shall not be earlier 101796  
than ninety days after certification of the resolution to the 101797  
board of elections, and the date of which shall be consistent with 101798

section 3501.01 of the Revised Code. The resolution shall specify 101799  
all of the following: 101800

(1) The purpose for which the school district income tax is 101801  
to be imposed and the rate of the tax, which shall be the rate set 101802  
forth in the tax commissioner's certification rounded to the 101803  
nearest one-fourth of one per cent; 101804

(2) Whether the income that is to be subject to the tax is 101805  
taxable income of individuals and estates as defined in divisions 101806  
(E)(1)(a) and (2) of section 5748.01 of the Revised Code or 101807  
taxable income of individuals as defined in division (E)(1)(b) of 101808  
that section. The specification shall be the same as the 101809  
specification in the resolution adopted and certified under 101810

Funds-Claims, shall be used to pay claims under section 169.08 of 103490  
the Revised Code. If it is determined by the Director of Commerce 103491  
that additional appropriation amounts are necessary to make such 103492  
payments, the Director of Commerce may request that the Director 103493  
of Budget and Management increase such amounts. Such increases are 103494  
hereby appropriated. 103495

**DIVISION OF REAL ESTATE AND PROFESSIONAL LICENSING** 103496

The foregoing appropriation item 800631, Real Estate 103497  
Appraiser Recovery, shall be used to pay settlements, judgments, 103498

and court orders under section 4763.16 of the Revised Code. If it 103499  
is determined by the Director of Commerce that additional 103500

appropriated. 103504

FIRE DEPARTMENT GRANTS 103513

(A) The foregoing appropriation item 800639, Fire Department 103514  
Grants, shall be used to make annual grants to the following 103515  
eligible recipients: volunteer fire departments, fire departments 103516  
that serve one or more small municipalities or small townships, 103517  
joint fire districts comprised of fire departments that primarily 103518  
serve small municipalities or small townships, local units of 103519  
government responsible for such fire departments, and local units 103520  
of government responsible for the provision of fire protection 103521  
services for small municipalities or small townships. For the 103522  
purposes of these grants, a private fire company, as that phrase 103523  
is defined in section 9.60 of the Revised Code, that is providing 103524  
fire protection services under a contract to a political 103525  
subdivision of the state, is an additional eligible recipient for 103526  
a training grant. 103527

Eligible recipients that consist of small municipalities or 103528  
small townships that all intend to contract with the same fire 103529  
department or private fire company for fire protection services 103530

may jointly apply and be considered for a grant. If a joint 103531  
applicant is awarded a grant, the State Fire Marshal shall, if 103532  
feasible, proportionately award the grant and any equipment 103533  
purchased with grant funds to each of the joint applicants based 103534  
upon each applicant's contribution to and demonstrated need for 103535  
fire protection services. For the purpose of this grant program, 103536  
an eligible recipient or any firefighting entity that is 103537  
contracted to serve an eligible recipient may only file, be listed 103538  
as joint applicant, or be designated as a service provider on one 103539  
grant application per fiscal year. 103540

If the grant awarded to joint applicants is an equipment 103541  
grant and the equipment to be purchased cannot be readily 103542  
distributed or possessed by multiple recipients, each of the joint 103543  
applicants shall be awarded by the State Fire Marshal an ownership 103544  
interest in the equipment so purchased in proportion to each 103545  
applicant's contribution to and demonstrated need for fire 103546  
protection services. The joint applicants shall then mutually 103547  
agree on how the equipment is to be maintained, operated, stored, 103548  
or disposed of. If, for any reason, the joint applicants cannot 103549  
agree as to how jointly owned equipment is to be maintained, 103550  
operated, stored, or disposed of or any of the joint applicants no 103551  
longer maintain a contract with the same fire protection service 103552  
provider as the other applicants, then the joint applicants shall, 103553  
with the assistance of the State Fire Marshal, mutually agree as 103554  
to how the jointly owned equipment is to be maintained, operated, 103555  
stored, disposed of, or owned. If the joint applicants cannot 103556  
agree how the grant equipment is to be maintained, operated, 103557  
stored, disposed of, or owned, the State Fire Marshal may, in its 103558  
discretion, require all of the equipment acquired by the joint 103559  
applicants with grant funds to be returned to the State Fire 103560  
Marshal. The State Fire Marshal may then award the returned 103561  
equipment to any eligible recipients. For this paragraph only, an 103562  
"equipment grant" also includes a MARCS Grant. 103563

(B) Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

(1) Of the foregoing appropriation item 800639, Fire Department Grants, up to \$1,000,000 per fiscal year may be used to pay for the State Fire Marshal's costs of providing firefighter I certification classes or other firefighter classes approved by the State Fire Marshal at no cost to selected students attending the Ohio Fire Academy or other class providers approved by the State Fire Marshal. The State Fire Marshal may establish the qualifications and selection processes for students to attend such classes by written policy, and such students shall be considered eligible recipients of fire department grants for the purposes of this portion of the grant program.

(2) Of the foregoing appropriation item 800639, Fire Department Grants, up to \$3,000,000 in each fiscal year may be used for MARCS Grants. MARCS Grants may be used for the payment of user access fees by the eligible recipient to cover costs for accessing MARCS.

For purposes of this section, a MARCS Grant is a grant for systems, equipment, or services that are a part of, integrated into, or otherwise interoperable with the Multi-Agency Radio Communication System (MARCS) operated by the state.

MARCS Grant awards may be up to \$50,000 in each fiscal year per eligible recipient. Each eligible recipient may apply, as a separate entity or as a part of a joint application, for only one MARCS Grant per fiscal year. The State Fire Marshal may give a preference to MARCS Grants that will enhance the overall

interoperability and effectiveness of emergency communication 103596  
networks in the geographic region that includes and that is 103597  
adjacent to the applicant. 103598

Eligible recipients that are or were awarded fire department 103599  
grants that are not MARCS Grants may also apply for and receive 103600  
MARCS Grants in accordance with criteria for the awarding of grant 103601  
funds established by the State Fire Marshal. 103602

(3) Grant awards for firefighting or rescue equipment or gear 103603  
or for fire department costs of providing fire protection services 103604  
shall be up to \$15,000 per fiscal year, or up to \$25,000 per 103605  
fiscal year if an eligible entity serves a jurisdiction in which 103606  
the Governor declared a natural disaster during the preceding or 103607  
current fiscal year in which the grant was awarded. In addition to 103608  
any grant funds awarded for rescue equipment or gear, or for fire 103609  
department costs associated with the provision of fire protection 103610  
services, an eligible entity may receive a grant for up to \$15,000 103611  
per fiscal year for full or partial reimbursement of the 103612  
documented costs of firefighter training. For each fiscal year, 103613  
the State Fire Marshal shall determine the total amounts to be 103614  
allocated for each eligible purpose. 103615

(C) The grants shall be administered by the State Fire 103616  
Marshal in accordance with rules the State Fire Marshal adopts as 103617  
part of the state fire code adopted pursuant to section 3737.82 of 103618  
the Revised Code that are necessary for the administration and 103619  
operation of the grant program. The rules may further define the 103620  
entities eligible to receive grants and establish criteria for the 103621  
awarding and expenditure of grant funds, including methods the 103622  
State Fire Marshal may use to verify the proper use of grant funds 103623  
or to obtain reimbursement for or the return of equipment for 103624  
improperly used grant funds. To the extent consistent with this 103625  
section and until the rules are updated, the existing rules in the 103626  
state fire code adopted pursuant to section 3737.82 of the Revised 103627

Code for fire department grants under this section apply to MARCS 103628  
Grants. Any amounts in appropriation item 800639, Fire Department 103629  
Grants, in excess of the amount allocated for these grants may be 103630  
used for the administration of the grant program. 103631

INDUSTRIAL COMPLIANCE 103632

Of the foregoing appropriation item 800615, Industrial 103633  
Compliance, \$1,200,000 in each fiscal year shall be used for the 103634  
Bureau of Wage and Hour Administration within the Division of the 103635  
Industrial Compliance. 103636

(A) As used in this section: 104775

(1) "Provider" means a city, local, exempted village, or 104776  
joint vocational school district; an educational service center; a 104777  
community school sponsored by an exemplary sponsor; a chartered 104778  
nonpublic school; an early childhood education child care provider 104779  
licensed under Chapter 5104. of the Revised Code that participates 104780  
in and meets at least the third highest tier of the Step Up to 104781  
Quality program established pursuant to section 5104.29 of the 104782  
Revised Code; or a combination of entities described in this 104783  
paragraph. 104784

(2) In the case of a city, local, or exempted village school 104785  
district or early childhood education child care provider licensed 104786  
under Chapter 5104. of the Revised Code, "new eligible provider" 104787  
means a provider that did not receive state funding for Early 104788  
Childhood Education in the previous fiscal year or demonstrates a 104789  
need for early childhood programs as defined in division (D) of 104790  
this section. 104791

(3) In the case of a community school, "new eligible 104792  
provider" means any of the following: 104793

(b) A community school established under Chapter 3314. of the 104800  
Revised Code that satisfies all of the following criteria: 104801

(i) It has received, on its most recent report card, either 104802  
of the following: 104803

(b) If, on the first day of October of each fiscal year, a provider has remaining award funds after enrolling eligible children under division (A)(4)(a) of this section, the provider may seek approval from the Department to consider a child who is at least three years of age, is not of age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as an eligible child. Upon approval from the Department, the provider may use the remaining award funds to serve such three-year-old children as eligible children. (D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2020, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 265.20 of Am. Sub. H.B.

49 of the 132nd General Assembly in the previous fiscal year and 104866  
the balance to new eligible providers of early childhood education 104867  
programs or to existing providers to serve more eligible children 104868  
pursuant to division (E) of this section or for purposes of 104869  
program expansion, improvement, or special projects to promote 104870  
quality and innovation. 104871

After setting aside the amounts to make payments due from the 104872  
previous fiscal year, in fiscal year 2021, the Department shall 104873  
distribute funds first to providers of early childhood education 104874  
programs under this section in the previous fiscal year and the 104875  
balance to new eligible providers or to existing providers to 104876  
serve more eligible children as outlined under division (E) of 104877  
this section or for purposes of program expansion, improvement, or 104878  
special projects to promote quality and innovation. 104879

(E)(1) The Department shall distribute any new or remaining 104880  
funding to existing providers of early childhood education 104881  
programs or any new eligible providers in an effort to invest in 104882  
high quality early childhood programs where there is a need as 104883  
determined by the Department. The Department shall distribute the 104884  
new or remaining funds to existing providers of early childhood 104885  
education programs or any new eligible providers to serve 104886  
additional eligible children based on community economic 104887  
disadvantage, limited access to high quality preschool or 104888  
childcare services, and demonstration of high quality preschool 104889  
services as determined by the Department using new metrics 104890  
developed pursuant to Ohio's Race to the Top-Early Learning 104891  
Challenge Grant, awarded to the Department in December 2011. 104892

(2) Awards under divisions (D) and (E) of this section shall 104893  
be distributed on a per-pupil basis, and in accordance with 104894  
division (I) of this section. The Department may adjust the 104895  
per-pupil amount so that the per-pupil amount multiplied by the 104896  
number of eligible children enrolled and receiving services on the 104897

first day of December or the business day closest to that date 104898  
equals the amount allocated under this section. 104899

(F) Costs for developing and administering an early childhood 104900  
education program may not exceed fifteen per cent of the total 104901  
approved costs of the program. 104902

All providers shall maintain such fiscal control and 104903  
accounting procedures as may be necessary to ensure the 104904  
disbursement of, and accounting for, these funds. The control of 104905  
funds provided in this program, and title to property obtained, 104906  
shall be under the authority of the approved provider for purposes 104907  
provided in the program unless, as described in division (K) of 104908  
this section, the program waives its right for funding or a 104909  
program's funding is eliminated or reduced due to its inability to 104910  
meet financial or early learning program standards. The approved 104911  
provider shall administer and use such property and funds for the 104912  
purposes specified. 104913

(G) The Department may examine a provider's financial and 104914  
program records. If the financial practices of the program are not 104915  
in accordance with standard accounting principles or do not meet 104916  
financial standards outlined under division (F) of this section, 104917  
or if the program fails to substantially meet the early learning 104918  
program standards, meet a quality rating level in the Step Up to 104919  
Quality program established pursuant to section 5104.29 of the 104920  
Revised Code as prescribed by the Department, or exhibits below 104921  
average performance as measured against the standards, the early 104922  
childhood education program shall propose and implement a 104923  
corrective action plan that has been approved by the Department. 104924  
The approved corrective action plan shall be signed by the chief 104925  
executive officer and the executive of the official governing body 104926  
of the provider. The corrective action plan shall include a 104927  
schedule for monitoring by the Department. Such monitoring may 104928  
include monthly reports, inspections, a timeline for correction of 104929

deficiencies, and technical assistance to be provided by the 104930  
Department or obtained by the early childhood education program. 104931  
The Department may withhold funding pending corrective action. If 104932  
an early childhood education program fails to satisfactorily 104933  
complete a corrective action plan, the Department may deny 104934  
expansion funding to the program or withdraw all or part of the 104935  
funding to the program and establish a new eligible provider 104936  
through a selection process established by the Department. 104937

(H)(1) If the early childhood education program is licensed 104938  
by the Department of Education and is not highly rated, as 104939  
determined by the Director of Job and Family Services, under the 104940  
Step Up to Quality program established pursuant to section 5104.29 104941  
of the Revised Code, the program shall do all of the following: 104942

(a) Meet teacher qualification requirements prescribed by 104943  
section 3301.311 of the Revised Code; 104944

(b) Align curriculum to the early learning content standards 104945  
developed by the Department; 104946

(c) Meet any child or program assessment requirements 104947  
prescribed by the Department; 104948

(d) Require teachers, except teachers enrolled and working to 104949  
obtain a degree pursuant to section 3301.311 of the Revised Code, 104950  
to attend a minimum of twenty hours every two years of 104951  
professional development as prescribed by the Department; 104952

(e) Document and report child progress as prescribed by the 104953  
Department; 104954

(f) Meet and report compliance with the early learning 104955  
program standards as prescribed by the Department; 104956

(g) Participate in the Step Up to Quality program established 104957  
pursuant to section 5104.29 of the Revised Code. 104958

(2) If the program is highly rated, as determined by the 104959

Director of Job and Family Services, under the Step Up to Quality 104960  
program established pursuant to section 5104.29 of the Revised 104961  
Code, the program shall comply with the requirements of that 104962  
program. 104963

(I) Per-pupil funding for programs subject to this section 104964  
shall be sufficient to provide eligible children with services for 104965  
a standard early childhood schedule which shall be defined in this 104966  
section as a minimum of twelve and one-half hours per school week 104967  
as defined in section 3313.62 of the Revised Code for the minimum 104968  
school year as defined in sections 3313.48, 3313.481, and 3313.482 104969  
of the Revised Code. Nothing in this section shall be construed to 104970  
prohibit program providers from utilizing other funds to serve 104971  
eligible children in programs that exceed the twelve and one-half 104972  
hours per week or that exceed the minimum school year. For any 104973  
provider for which a standard early childhood education schedule 104974  
creates a hardship or for which the provider shows evidence that 104975  
the provider is working in collaboration with a preschool special 104976  
education program, the provider may submit a waiver to the 104977  
Department requesting an alternate schedule. If the Department 104978  
approves a waiver for an alternate schedule that provides services 104979  
for less time than the standard early childhood education 104980  
schedule, the Department may reduce the provider's annual 104981  
allocation proportionately. Under no circumstances shall an annual 104982  
allocation be increased because of the approval of an alternate 104983  
schedule. 104984

(J) Each provider shall develop a sliding fee scale based on 104985  
family incomes and shall charge families who earn more than two 104986  
hundred per cent of the federal poverty guidelines, as defined in 104987  
division (A)(3) of section 5101.46 of the Revised Code, for the 104988  
early childhood education program. 104989

The Department shall conduct an annual survey of each 104990  
provider to determine whether the provider charges families 104991

tuition or fees, the amount families are charged relative to 104992  
family income levels, and the number of families and students 104993  
charged tuition and fees for the early childhood program. 104994

(K) If an early childhood education program voluntarily 104995  
waives its right for funding, or has its funding eliminated for 104996  
not meeting financial standards or the early learning program 104997  
standards, the provider shall transfer control of title to 104998  
property, equipment, and remaining supplies obtained through the 104999  
program to providers designated by the Department and return any 105000  
unexpended funds to the Department along with any reports 105001  
prescribed by the Department. The funding made available from a 105002  
program that waives its right for funding or has its funding 105003  
eliminated or reduced may be used by the Department for new grant 105004  
awards or expansion grants. The Department may award new grants or 105005  
expansion grants to eligible providers who apply. The eligible 105006  
providers who apply must do so in accordance with the selection 105007  
process established by the Department. 105008

(L) Eligible expenditures for the Early Childhood Education 105009  
Program shall be claimed each fiscal year to help meet the state's 105010  
TANF maintenance of effort requirement. The Superintendent of 105011  
Public Instruction and the Director of Job and Family Services 105012  
shall enter into an interagency agreement to carry out the 105013  
requirements under this division, which shall include developing 105014  
reporting guidelines for these expenditures. 105015

(M)(1) The Department of Education and the Department of Job 105016  
and Family Services shall continue to work toward establishing the 105017  
following in common between early childhood education programs and 105018  
publicly funded child care: 105019

(a) An application; 105020

(b) Program eligibility; 105021

(c) Funding; 105022

(d) An attendance policy;	105023
(e) An attendance tracking system.	105024
(2) In accordance with section 5104.34 of the Revised Code,	105025
eligible families may receive publicly funded child care beyond	105026
the standard early childhood schedule defined in division (I) of	105027
this section.	105028
(3) All providers, agencies, and school districts	105029
participating in the early childhood education program or	105030
providing care to eligible families beyond the standard early	105031
childhood schedule shall follow the common policies established	105032
under this division.	105033
<b>Section 265.30. INFORMATION TECHNOLOGY DEVELOPMENT AND</b>	105034
SUPPORT	105035
The foregoing appropriation item 200420, Information	105036
Technology Development and Support, shall be used to support the	105037
development and implementation of information technology solutions	105038
designed to improve the performance and services of the Department	105039
of Education. Funds may be used for personnel, maintenance, and	105040
equipment costs related to the development and implementation of	105041
these technical system projects. Implementation of these systems	105042
shall allow the Department to provide greater levels of assistance	105043
to school districts and to provide more timely information to the	105044
public, including school districts, administrators, and	105045
legislators. Funds may also be used to support data-driven	105046
decision-making and differentiated instruction, as well as to	105047
communicate academic content standards and curriculum models to	105048
schools through web-based applications.	105049
<b>Section 265.50. SCHOOL MANAGEMENT ASSISTANCE</b>	105050
The foregoing appropriation item 200422, School Management	105051
Assistance, shall be used by the Department of Education to	105052

provide fiscal technical assistance and inservice education for 105053  
school district management personnel and to administer, monitor, 105054  
and implement the fiscal caution, fiscal watch, and fiscal 105055  
emergency provisions under Chapter 3316. of the Revised Code. 105056

**Section 265.60. POLICY ANALYSIS** 105057

The foregoing appropriation item 200424, Policy Analysis, 105058  
shall be used by the Department of Education to support a system 105059  
of administrative, statistical, and legislative education 105060  
information to be used for policy analysis. Staff supported by 105061  
this appropriation shall administer the development of reports, 105062  
analyses, and briefings to inform education policymakers of 105063  
current trends in education practice, efficient and effective use 105064  
of resources, and evaluation of programs to improve education 105065  
results. A portion of these funds shall be used to maintain a 105066  
longitudinal database to support the assessment of the impact of 105067  
policies and programs on Ohio's education and workforce 105068  
development systems. The research efforts supported by this 105069  
appropriation item shall be used to supply information and 105070  
analysis of data to and in consultation with the General Assembly 105071  
and other state policymakers, including the Office of Budget and 105072  
Management and the Legislative Service Commission. 105073

A portion of the foregoing appropriation item, 200424, Policy 105074  
Analysis, may be used by the Department to support the development 105075  
and implementation of an evidence-based clearinghouse to support 105076  
school improvement strategies as part of the Every Student 105077  
Succeeds Act. 105078

The Department may use funding from this appropriation item 105079  
to purchase or contract for the development of software systems or 105080  
contract for policy studies that will assist in the provision and 105081  
analysis of policy-related information. Funding from this 105082  
appropriation item also may be used to monitor and enhance quality 105083

assurance for research-based policy analysis and program 105084  
evaluation to enhance the effective use of education information 105085  
to inform education policymakers. 105086

**Section 265.70. OHIO EDUCATIONAL COMPUTER NETWORK** 105087

The foregoing appropriation item 200426, Ohio Educational 105088  
Computer Network, shall be used by the Department of Education to 105089  
maintain a system of information technology throughout Ohio and to 105090  
provide technical assistance for such a system. 105091

Of the foregoing appropriation item 200426, Ohio Educational 105092  
Computer Network, up to \$9,686,658 in each fiscal year shall be 105093  
used by the Department to support connection of all public school 105094  
buildings and participating chartered nonpublic schools to the 105095  
state's education network, to each other, and to the Internet. In 105096  
each fiscal year, the Department shall use these funds to assist 105097  
information technology centers or school districts with the 105098  
operational costs associated with this connectivity. The 105099  
Department shall develop a formula and guidelines for the 105100  
distribution of these funds to information technology centers or 105101  
individual school districts. As used in this section, "public 105102  
school building" means a school building of any city, local, 105103  
exempted village, or joint vocational school district, any 105104  
community school established under Chapter 3314. of the Revised 105105  
Code, any college preparatory boarding school established under 105106  
Chapter 3328. of the Revised Code, any STEM school established 105107  
under Chapter 3326. of the Revised Code, any educational service 105108  
center building used for instructional purposes, the Ohio School 105109  
for the Deaf and the Ohio School for the Blind, high schools 105110  
chartered by the Ohio Department of Youth Services, or high 105111  
schools operated by Ohio Department of Rehabilitation and 105112  
Corrections' Ohio Central School System. 105113

Of the foregoing appropriation item 200426, Ohio Educational 105114

Computer Network, up to \$4,843,329 in each fiscal year shall be 105115  
used, through a formula and guidelines devised by the Department, 105116  
to support the activities of designated information technology 105117

(B) Pharmacies that have a high ratio under division (A)(1) of this section and a low number under division (A)(2) of this section shall be placed in the higher dispensing fee payment levels.

(D) The Medicaid Director shall adjust the supplemental dispensing fees if federal Medicaid statutes or regulations adopted by the Centers for Medicare and Medicaid Services reduce the amount of federal funds the Department receives for the supplemental dispensing fee. The Department of Medicaid shall expend \$10,000,000 state share in fiscal year 2020 and \$20,300,000 state share in fiscal year 2021, along with any corresponding federal shares, for the supplemental dispensing fees provided under this section.

diversion of the drug, including such safeguards as routine drug 110054  
testing of program participants. 110055

(G) It is anticipated and expected that MAT drug court 110056  
programs will expand their ability to serve more drug court 110057  
participants as a result of increased access to commercial or 110058  
publicly funded health insurance. In order to ensure that funds 110059  
appropriated to support the Department's program are used in the 110060

services, alcohol and opioid detoxification services, appropriate 110077  
psychosocial services, and medication for long-acting injectable 110078  
antagonist therapies, partial agonist therapies, and full agonist 110079  
therapies; 110080

(4) The development of guidelines that require the provision 110081  
of all treatment services, including medication, with minimal 110082  
administrative barriers and within a time frame that meets the 110083  
requirements of individual patient care plans. 110084

equivalent students shall be based on the per cent of Perkins 111618  
placements for students who have completed at least 50 per cent of 111619  
a program of study. 111620

(5) In each fiscal year, five per cent of the allocation for 111621

proportion of each Center's full-time equivalent students to the 111623  
total full-time equivalent students who have earned a credential 111624  
from an industry-recognized third party. 111625

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA			111772
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES			111773
(1) Of the foregoing appropriation item 235501, State Share			111774
of Instruction, 50 per cent of the appropriation for universities,			111775
as established in division (A)(2) of the section of this act			111776
entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND			111777
2021," in each fiscal year shall be reserved for support of			111778
associate, baccalaureate, master's, and professional level degree			111779
attainment.			111780
The degree attainment funding shall be allocated to			111781
universities in proportion to each campus's share of the total			111782
statewide degrees granted, weighted by the cost of the degree			111783
programs. The degree cost calculations shall include the model			111784
cost weights for the science, technology, engineering,			111785
mathematics, and medicine models as established in division (C) of			111786
this section.			111787
For degrees including credits earned at multiple			111788
institutions, degree attainment funding shall be allocated to			111789
universities in proportion to each campus's share of the			111790
student-specific cost of earned credits for the degree. Each			111791
institution shall receive its prorated share of degree funding for			111792
credits earned at that institution. Cost of credits not earned at			111793
a university main or regional campus shall be credited to the			111794
degree-granting institution for the first degree earned by a			111795
student at each degree level. The cost credited to the			111796

degree-granting institution shall not be eligible for at-risk 111797  
weights and shall be limited to 12.5 per cent of the 111798  
student-specific degree costs. However, the 12.5 per cent 111799  
limitation shall not apply if the student transferred 12 or fewer 111800  
credits into the degree granting institution. 111801

In calculating the subsidy entitlements for degree attainment 111802  
for universities, the Chancellor shall use the following count of 111803  
degrees and degree costs: 111804

(a) The subsidy eligible undergraduate degrees shall be 111805  
defined as follows: 111806

(i) The subsidy eligible degrees conferred to students 111807  
identified as residents of the state of Ohio in any term of their 111808  
studies, as reported through the Higher Education Information 111809  
(HEI) system student enrollment file, shall be weighted by a 111810  
factor of 1. 111811

(ii) The subsidy eligible degrees conferred to students 111812  
identified as out-of-state residents during all terms of their 111813  
studies, as reported through the Higher Education Information 111814  
(HEI) system student enrollment file, who remain in the state of 111815  
Ohio at least one year after graduation, as calculated based on 111816  
the three-year average in-state residency rate using the 111817  
Unemployment Wage data for out-of-state graduates at each 111818  
institution, shall be weighted by a factor of 50 per cent. 111819

(iii) Subsidy eligible associate degrees are defined as those 111820  
earned by students attending any state-supported university main 111821  
or regional campus. 111822

(b) In calculating each campus's count of degrees, the 111823  
Chancellor shall use the three-year average associate, 111824  
baccalaureate, master's, and professional degrees awarded for the 111825  
three-year period ending in the prior year. 111826

(i) If a student is awarded an associate degree and, 111827

subsequently, is awarded a baccalaureate degree, the amount funded 111828  
for the baccalaureate degree shall be limited to either the 111829  
difference in cost between the cost of the baccalaureate degree 111830  
and the cost of the associate degree paid previously, or if the 111831  
associate degree has a higher cost than the baccalaureate degree, 111832  
the cost of the credits earned by the student after the associate 111833  
degree was awarded. 111834

(ii) If a student earns an associate degree then, 111835  
subsequently, earns a baccalaureate degree, the associate degree 111836  
granting institution shall only receive the prorated share of the 111837  
baccalaureate degree funding for the credits earned at that 111838  
institution after the associate degree is awarded. 111839

(iii) If a student earns more than one degree at the same 111840  
institution at the same degree level in the same fiscal year, the 111841  
funding for the highest cost degree shall be prorated among 111842  
institutions based on where the credits were earned and additional 111843  
degrees shall be funded at 25 per cent of the cost of the degrees. 111844

(c) Associate degrees and baccalaureate degrees earned by a 111845  
student defined as at-risk based on academic underpreparation, 111846  
age, minority status, financial status, or first generation 111847  
post-secondary status based on neither parent completing any 111848  
education beyond high school, shall be defined as degrees earned 111849  
by an at-risk student and shall be weighted by the following: 111850

A student-specific degree completion weight, where the weight 111851  
is calculated based on the at-risk factors of the individual 111852  
student, determined by calculating the difference between the 111853  
percentage of students with each risk factor who earned a degree 111854  
and the percentage of non-at-risk students who earned a degree. 111855

(2) Of the foregoing appropriation item 235501, State Share 111856  
of Instruction, up to 11.78 per cent of the appropriation for 111857  
universities, as established in division (A)(2) of the section of 111858

this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 111859  
2020 and 2021," in each fiscal year shall be reserved for support 111860  
of doctoral programs to implement the funding recommendations made 111861  
by representatives of the universities. The amount so reserved 111862  
shall be referred to as the doctoral set-aside. 111863

In each fiscal year, the doctoral set-aside funding 111864  
allocation shall be allocated to universities as follows: 111865

(a) 25 per cent of the doctoral set-aside shall be allocated 111866  
to universities in proportion to their share of the statewide 111867  
total earnings of each state institution's three-year average 111868  
course completions. The subsidy eligible enrollments by model 111869  
shall equal only those FTE students who successfully complete the 111870  
course as defined and reported through the Higher Education 111871  
Information (HEI) system course enrollment file. Course completion 111872  
earnings shall be determined by multiplying the amounts listed 111873  
above in divisions (B) and (C) of this section by the 111874  
subsidy-eligible FTEs for the three-year period ending in the 111875  
prior year for all doctoral enrollments in graduate-level models. 111876

(b) 50 per cent of the doctoral set-aside shall be allocated 111877  
to universities in proportion to each campus's share of the total 111878  
statewide doctoral degrees, weighted by the cost of the doctoral 111879  
discipline. In calculating each campus's doctoral degrees the 111880  
Chancellor shall use the three-year average doctoral degrees 111881  
awarded for the three-year period ending in the prior year. 111882

(c) 25 per cent of the doctoral set-aside shall be allocated 111883  
to universities in proportion to their share of research grant 111884  
activity. Funding for this component shall be allocated to 111885  
eligible universities in proportion to their share of research 111886  
grant activity published by the National Science Foundation. Grant 111887  
awards from the Department of Health and Human Services shall be 111888  
weighted at 50 per cent. 111889

(3) Of the foregoing appropriation item 235501, State Share 111890  
of Instruction, 6.41 per cent of the appropriation for 111891  
universities, as established in division (A)(2) of the section of 111892  
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 111893  
2020 AND 2021," in each fiscal year shall be reserved for support 111894  
of Medical II FTEs. The amount so reserved shall be referred to as 111895  
the medical II set-aside. 111896

The medical II set-aside shall be allocated to universities 111897  
in proportion to their share of the statewide total of each state 111898  
institution's three-year average Medical II FTEs as calculated in 111899  
division (A) of this section. 111900

In calculating the core subsidy entitlements for Medical II 111901  
models only, students repeating terms may be no more than five per 111902  
cent of current year enrollment. 111903

(4) Of the foregoing appropriation item 235501, State Share 111904  
of Instruction, 1.48 per cent of the appropriation for 111905  
universities, as established in division (A)(2) of the section of 111906  
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 111907  
2020 AND 2021," in each fiscal year shall be reserved for support 111908  
of Medical I FTEs. The amount so reserved shall be referred to as 111909  
the medical I set-aside. 111910

The medical I set-aside shall be allocated to universities in 111911  
proportion to their share of the statewide total of each state 111912  
institution's three-year average Medical I FTEs as calculated in 111913  
division (A) of this section. 111914

(5) In calculating the course completion funding for 111915  
universities, the Chancellor shall use the following count of FTE 111916  
students: 111917

(a) The subsidy eligible enrollments by model shall equal 111918  
only those FTE students who successfully complete the course as 111919  
defined and reported through the Higher Education Information 111920

(HEI) system course enrollment file; 111921

(b) Those undergraduate FTE students with successful course 111922  
completions, identified in division (D)(5)(a) of this section, 111923  
that are defined as at-risk based on academic under-preparation or 111924  
financial status shall have their eligible completions weighted by 111925  
the following: 111926

(i) Institution-specific course completion indexes, where the 111927  
indexes are calculated based upon the number of at-risk students 111928  
enrolled during the 2016-2018 academic years; and 111929

(ii) A statewide average at-risk course completion weight 111930  
determined for each subsidy model. The statewide average at-risk 111931  
course completion weight shall be determined by calculating the 111932  
difference between the percentage of traditional students who 111933  
complete a course and the percentage of at-risk students who 111934  
complete the same course. 111935

(c) The course completion earnings shall be determined by 111936  
multiplying the amounts listed above in divisions (B) and (C) of 111937  
this section by the subsidy-eligible FTEs for the three-year 111938  
period ending in the prior year for all models except Medical I, 111939  
Medical II, Doctoral I, and Doctoral II. 111940

(d) For universities, the Chancellor shall compute the course 111941  
completion earnings by dividing the appropriation for 111942  
universities, established in division (A)(2) of the section of 111943  
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 111944  
2020 AND 2021," less the degree attainment funding as calculated 111945  
in division (D)(1) of this section, less the doctoral set-aside, 111946  
less the medical I set-aside, and less the medical II set-aside, 111947  
by the sum of all campuses' instructional costs as calculated in 111948  
division (D)(5) of this section. 111949

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 111950  
ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES 111951

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for course completion FTEs as aggregated by the subsidy models defined in division (B) of this section.

The course completion funding shall be allocated to campuses in proportion to each campus's share of the total sector's course completions, weighted by the instructional cost of the subsidy models.

To calculate the subsidy entitlements for course completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of FTE course completions, the Chancellor shall use a three-year average for course completions for the three year period ending in the prior year for students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file.

(c) Those students with successful course completions, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible course completions weighted by a statewide access weight. The weight given to any student that meets any access factor shall be 15 per cent for all course completions.

(d) The model costs as used in the calculation shall be 111983  
augmented by the model weights for science, technology, 111984  
engineering, mathematics, and medicine models as established in 111985  
division (C) of this section. 111986

(2) Of the foregoing appropriation item 235501, State Share 111987  
of Instruction, 25 per cent of the appropriation for 111988  
state-supported community colleges, state community colleges, and 111989  
technical colleges as established in division (A)(1) of the 111990  
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 111991  
FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved 111992  
for colleges in proportion to their share of college student 111993  
success factors. 111994

Student success factors shall be awarded at the institutional 111995  
level for each subsidy-eligible student that successfully: 111996

(a) Completes a developmental math course and, within the 111997  
next year, enrolls in a college-level math course. 111998

(b) Completes a developmental English course and, within the 111999  
next year, enrolls in a college-level English course. 112000

(c) Completes 12 semester credit hours of college-level 112001  
coursework. 112002

(d) Completes 24 semester credit hours of college-level 112003  
coursework. 112004

(e) Completes 36 semester credit hours of college-level 112005  
coursework. 112006

(3) Of the foregoing appropriation item 235501, State Share 112007  
of Instruction, 25 per cent of the appropriation for 112008  
state-supported community colleges, state community colleges, and 112009  
technical colleges as established in division (A)(1) of the 112010  
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 112011  
FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved 112012

for completion milestones. 112013

Completion milestones shall include associate degrees, 112014  
technical certificates over 30 credit hours as designated by the 112015  
Department of Higher Education, and students transferring to any 112016  
four-year institution with at least 12 credit hours of 112017  
college-level coursework earned at that community college, state 112018  
community college, or technical college. 112019

The completion milestone funding shall be allocated to 112020  
colleges in proportion to each institution's share of the sector's 112021  
total completion milestones, weighted by the instructional cost of 112022  
the associate degree, certificate, or transfer models. Costs for 112023  
technical certificates over 30 hours shall be weighted at one-half 112024  
of the associate degree model costs and transfers with at least 12 112025  
credit hours of college-level coursework shall be weighted at 112026  
one-fourth of the average cost for all associate degree model 112027  
costs. 112028

(4) To calculate the subsidy entitlements for completions at 112029  
community colleges, state community colleges, and technical 112030  
colleges, the Chancellor shall use the following calculations: 112031

(a) In calculating each campus's count of completions, the 112032  
Chancellor shall use a three-year average for completion 112033  
milestones awarded to students identified as subsidy eligible in 112034  
any term of their studies, as reported through the Higher 112035  
Education Information (HEI) system student enrollment file. 112036

(b) The subsidy eligible completion milestones by model shall 112037  
equal only those students who successfully complete an associate 112038  
degree or technical certificate over 30 credit hours, or transfer 112039  
to any four-year institution with at least 12 credit hours of 112040  
college-level coursework as defined and reported in the Higher 112041  
Education Information (HEI) system. Student completions reported 112042  
in HEI shall have an accompanying course enrollment record in 112043

order to be subsidy eligible. 112044

(c) Those students with successful completions for associate 112045  
degrees, technical certificates over 30 credit hours, or transfer 112046  
to any four-year institution with at least 12 credit hours of 112047  
college-level coursework, identified in division (E)(3) of this 112048  
section, that are defined as access students based on financial 112049  
status, minority status, age, or academic under-preparation shall 112050  
have their eligible completions weighted by a statewide access 112051  
weight. The weight shall be 25 per cent for students with one 112052  
access factor, 66 per cent for students with two access factors, 112053  
150 per cent for students with three access factors, and 200 per 112054  
cent for students with four access factors. 112055

(d) For those students who complete more than one completion 112056  
milestone, funding for each additional associate degree or 112057  
technical certificate over 30 credit hours designated as such by 112058  
the Department of Higher Education shall be funded at 50 per cent 112059  
of the model costs as defined in division (3) of this section. 112060

(5) For purposes of the calculations made in division (E) of 112061  
this section, the Chancellor shall only include subsidy-eligible 112062  
students identified as residents of the state of Ohio in any term 112063  
of their studies, as reported through the Higher Education 112064  
Information (HEI) system student enrollment file, except that, for 112065  
fiscal year 2020, any student included in the state share of 112066  
instruction calculations prior to July 1, 2019, shall continue to 112067  
be included in the calculations in division (E) of this section 112068  
subject to the limitations of the three-year average time period 112069  
that is used for determining final fiscal year 2020 allocations. 112070  
For purposes of the calculation made in division (E) of this 112071  
section for fiscal year 2021 and beyond, the Chancellor shall not 112072  
include nonresident students as subsidy-eligible except for those 112073  
students otherwise identified as subsidy-eligible in division 112074  
(A)(2) of this section. 112075

(F) CAPITAL COMPONENT DEDUCTION 112076

After all other adjustments have been made, state share of 112077  
instruction earnings shall be reduced for each campus by the 112078  
amount, if any, by which debt service charged in Am. H.B. 748 of 112079  
the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General 112080  
Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 112081  
675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th 112082  
General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly, 112083  
Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 112084  
562 of the 127th General Assembly for that campus exceeds that 112085  
campus's capital component earnings. The sum of the amounts 112086  
deducted shall be transferred to appropriation item 235552, 112087  
Capital Component, in each fiscal year. 112088

(G) EXCEPTIONAL CIRCUMSTANCES 112089

Adjustments may be made to the state share of instruction 112090  
payments and other subsidies distributed by the Chancellor of 112091  
Higher Education to state colleges and universities for 112092  
exceptional circumstances. No adjustments for exceptional 112093  
circumstances may be made without the recommendation of the 112094  
Chancellor and the approval of the Controlling Board. 112095

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 112096  
INSTRUCTION 112097

The standard provisions of the state share of instruction 112098  
calculation as described in the preceding sections of temporary 112099  
law shall apply to any reductions made to appropriation item 112100  
235501, State Share of Instruction, before the Chancellor has 112101  
formally approved the final allocation of the state share of 112102  
instruction funds for any fiscal year. 112103

Any reductions made to appropriation item 235501, State Share 112104  
of Instruction, after the Chancellor has formally approved the 112105  
final allocation of the state share of instruction funds for any 112106

fiscal year, shall be uniformly applied to each campus in 112107  
proportion to its share of the final allocation. 112108

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION 112109

The state share of instruction payments to the institutions 112110  
shall be in substantially equal monthly amounts during the fiscal 112111  
year, unless otherwise determined by the Director of Budget and 112112  
Management pursuant to section 126.09 of the Revised Code. 112113  
Payments during the first six months of the fiscal year shall be 112114  
based upon the state share of instruction appropriation estimates 112115  
made for the various institutions of higher education and payments 112116  
during the last six months of the fiscal year shall be based on 112117  
the final data from the Chancellor. 112118

(J) STUDY ON THE USE OF EMPLOYMENT METRICS FOR THE STATE 112119  
SHARE OF INSTRUCTION FORMULAS 112120

The Inter-University Council and Ohio Association of 112121  
Community Colleges shall each recommend eight members representing 112122  
their institutions to serve on the Employment Metrics 112123  
Consultation, which shall assist the Chancellor of Higher 112124  
Education to study the most appropriate formula weights for 112125  
post-graduation employment measures that may be used in the 112126  
distribution to universities and community colleges from the 112127  
foregoing appropriation item 235501, State Share of Instruction, 112128  
beginning in fiscal year 2022. The Chancellor, or the Chancellor's 112129  
designee, shall lead the Consultation and call its first meeting. 112130  
The Consultation shall research the most appropriate data sources 112131  
available to measure employment outcomes and evaluate the public 112132  
policy benefits of adding such measures to the current State Share 112133  
of Instruction allocation formulas to reward institutional 112134  
performance of job placement. The Consultation shall also identify 112135  
and evaluate the most critical factors that should be considered 112136  
as possible enhancements to the formula, such as the relevance of 112137  
graduates' degrees to job placement, employment in Ohio versus out 112138

of state, placement in high demand fields, and other qualitative 112139  
factors. Separate allocation factors may be considered within each 112140  
sector's share of the foregoing appropriation item 235501, State 112141  
Share of Instruction. The study shall be completed by June 30, 112142  
2020. 112143

**Section 381.150.** STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 112144  
2020 AND 2021 112145

(A) The foregoing appropriation item 235501, State Share of 112146  
Instruction, shall be distributed according to the section of this 112147  
act entitled "STATE SHARE OF INSTRUCTION FORMULAS." 112148

(1) Of the foregoing appropriation item 235501, State Share 112149  
of Instruction, \$465,426,250 in fiscal year 2020 and \$470,080,512 112150

community colleges, state community colleges, and technical 112152  
colleges. 112153

(2) Of the foregoing appropriation item 235501, State Share 112154  
of Instruction, \$1,553,776,572 in fiscal year 2020 and 112155  
\$1,569,314,338 in fiscal year 2021 shall be distributed to 112156  
state-supported university main and regional campuses. 112157

Any increases in the amount distributed to an institution 112158  
from appropriation item 235501, State Share of Instruction, above 112159  
the prior year shall be used by the institution to provide 112160  
need-based aid and to provide counseling, support services, and 112161  
workforce preparation services to students. 112162

**Section 381.160.** RESTRICTION ON FEE INCREASES 112163

(A) In fiscal years 2020 and 2021, the boards of trustees of 112164  
state institutions of higher education shall restrain increases in 112165  
in-state undergraduate instructional and general fees. 112166

(1) For the 2019-2020 and 2020-2021 academic years, all of 112167

the following shall apply: 112168

(a) Each state university or college, as defined in section 112169  
3345.12 and university branch established under Chapter 3355. of 112170  
the Revised Code shall not increase its in-state undergraduate 112171  
instructional and general fees by more than two per cent over what 112172  
the institution charged for the previous academic year. 112173

(b) Each community college established under Chapter 3354., 112174  
state community college established under Chapter 3358., or 112175  
technical college established under Chapter 3357. of the Revised 112176  
Code may increase its in-state undergraduate instructional and 112177

institution charged for the previous academic year. 112179

(c) For state institutions of higher education, as defined in 112180  
section 3345.011 of the Revised Code, increases for all other 112181  
special fees, including the creation of new special fees, shall be 112182  
subject to the approval of the Chancellor of Higher Education. 112183

(2) The limitations under division (A)(1) of this section do 112184  
not apply to room and board, student health insurance, fees for 112185

incurred to the institution, fees assessed to students as a 112187  
pass-through for licensure and certification examinations, fees in 112188  
elective courses associated with travel experiences, elective 112189  
service charges, fines, voluntary sales transactions, and fees, 112190

by the institution's bursar, to offset the cost of providing 112192  
textbooks to students. 112193

(B) The limitations under this section shall not apply to 112194  
increases required to comply with institutional covenants related 112195  
to their obligations or to meet unfunded legal mandates or legally 112196  
binding obligations incurred or commitments made prior to the 112197  
effective date of this section with respect to which the 112198

institution had identified such fee increases as the source of 112199  
funds. Any increase required by such covenants and any such 112200  
mandates, obligations, or commitments shall be reported by the 112201  
Chancellor of Higher Education to the Controlling Board. These 112202  
limitations may also be modified by the Chancellor, with the 112203  
approval of the Controlling Board, to respond to exceptional 112204  
circumstances as identified by the Chancellor. 112205

(C) Institutions offering an undergraduate tuition guarantee 112206  
pursuant to section 3345.48 of the Revised Code may increase 112207

Higher Education. 112214

(B) In providing instructional and other services to 112215  
students, boards of trustees of state institutions of higher 112216  
education shall supplement state subsidies with income from 112217  
charges to students. Except as otherwise provided in this act, 112218  
each board shall establish the fees to be charged to all students, 112219

intended to limit the authority of boards of trustees to provide 112237  
for payments to students for services rendered the institution, 112238  
nor to prohibit the budgeting of income for staff benefits or for 112239  
student assistance in the form of payment of such instructional 112240  
and general fees. 112241

Each state institution of higher education in its statement 112242  
of charges to students shall separately identify the instructional 112243  
fee, the general fee, the tuition charge, and the tuition 112244  
surcharge. Fee charges to students for instruction shall not be 112245  
considered to be a price of service but shall be considered to be 112246  
an integral part of the state government financing program in 112247  
support of higher educational opportunity for students. 112248

(C) The boards of trustees of state institutions of higher 112249  
education shall ensure that faculty members devote a proper and 112250

extensively with appropriate student and faculty groups. 112259  
Administrative decisions about the utilization of available 112260  
resources, about organizational structure, about disciplinary 112261

procedure, about the operation and staffing of all auxiliary 112262  
facilities, and about administrative personnel shall be the 112263  
exclusive prerogative of boards of trustees. Any delegation of 112264  
authority by a board of trustees in other areas of responsibility 112265  
shall be accompanied by appropriate standards of guidance 112266  
concerning expected objectives in the exercise of such delegated 112267  
authority and shall be accompanied by periodic review of the 112268  
exercise of this delegated authority to the end that the public 112269  
interest, in contrast to any institutional or special interest, 112270

the amounts allocated to each sector from the total amounts 112566  
appropriated for each sector under the foregoing appropriation 112567

~~(b) The increase in Medicaid payments made for ICF/IID~~ 114668

~~fiscal year for which the determination is made, and the increase~~ 114670  
~~that is projected to occur in the fiscal year for which the~~ 114671  
~~determination is made, as a result of the modifications to the~~ 114672  
~~payment rates made under section 5124.101 of the Revised Code;~~ 114673

~~(c) The total reduction in the number of ICF/IID beds that~~ 114674  
~~occurs pursuant to section 5124.67 of the Revised Code;~~ 114675

~~(d) Other factors the Department determines to be relevant.~~ 114676

(F) If the United States Centers for Medicare and Medicaid 114677  
Services requires that the franchise permit fee be reduced or 114678

eliminated, the Department shall reduce the rate determined under 114679  
this section as necessary to reflect the loss to the state of the 114680  
revenue and federal financial participation generated from the 114681  
franchise permit fee. 114682

the department that is to be responsible for the functions after 115690

**Section 739.31.** The requirements of sections 3902.50 and 116197  
3902.51 of the Revised Code apply beginning April 1, 2020, to 116198  
health benefit plans, as defined in section 3922.01 of the Revised 116199  
Code, delivered, issued for delivery, modified, or renewed on or 116200

after the effective date of those sections. 116201

**Section 747.20.** A license or certificate of registration 116202  
issued under Chapter 4757. of the Revised Code that is in effect 116203  
on the effective date of this section shall continue in effect 116204  
until the first biennial renewal date established by the 116205  
Counselor, Social Worker, and Marriage and Family Therapist Board 116206  
pursuant to sections 4757.10 and 4757.32 of the Revised Code, as 116207  
amended by this act. No license or certificate of registration in 116208  
effect on the effective date of this section is valid for more 116209  
than three years after the effective date of this section. 116210

**Section 747.33.** As used in this section, "authorizing 116211  
statute" means a Revised Code section or provision of a Revised 116212  
Code section that is cited in the Ohio Administrative Code as the 116213  
statute that authorizes the adoption of a rule. 116214

The Board of Executives of Long-Term Services and Supports is 116215  
not required to amend any rule for the sole purpose of updating 116216  
the citation in the Ohio Administrative Code to the rule's 116217  
authorizing statute to reflect that this act renumbers the 116218  
authorizing statute or relocates it to another Revised Code 116219  
section. Such citations shall be updated as the Board amends the 116220  
rules for other purposes. 116221

**Section 747.40.** CONVERSION AND RENAMING OF CERTIFICATES 116222  
ISSUED BY THE STATE MEDICAL BOARD 116223

(A) The repeal by this act of section 4731.296 of the Revised 116224  
Code does not invalidate a telemedicine certificate that was 116225  
issued under that section if the certificate is valid on the 116226  
effective date of this section. As soon as practicable, the State 116227  
Medical Board shall convert all such telemedicine certificates to 116228  
licenses, as if they were issued under section 4731.14 of the 116229

Revised Code. Once a telemedicine certificate is converted, the holder is subject to all requirements and privileges attendant to a license issued under section 4731.14 of the Revised Code, including continuing medical education requirements.

(B) The Board may take any action it considers necessary to rename the certificates issued under Chapters 4731., 4760., 4762., and 4774. of the Revised Code as licenses, as provided by the amendments made by this act to those chapters.

**Section 751.10.** REDUCTION IN MEMBERSHIP OF CITIZEN'S ADVISORY COUNCILS

The amendment made by this act to section 5123.092 of the Revised Code providing for a reduction in citizen's advisory council membership does not affect the members holding office on the effective date of this section. The reduction shall be implemented by not filling vacancies that correspond with the changes made by this act to council membership.

Any member of the General Assembly may intervene in litigation that challenges section 5162.80 of the Revised Code.

\*The Job Creation Tax Credit (JCTC) estimate of credits outstanding is not just for tax credit certificates already issued, but also for the estimated potential value of certificates to be issued under the program through 2035 when looking at the existing portfolio of approved and active incentives. The estimate assumes that the companies receiving credits will continue to meet the performance objectives required to continue receiving the credit.

**Section 757.40.** (A) As used in this section:

(1) "Certificate owner" and "qualified rehabilitation expenditures" have the same meanings as in section 149.311 of the Revised Code.

(2) "Taxpayer," "tax period," "excluded person," "combined taxpayer," and "consolidated elected taxpayer," have the same meanings as in section 5751.01 of the Revised Code.

(3) "Pass-through entity" has the same meaning as in section 5733.04 of the Revised Code.

(B) A taxpayer that is the certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code may claim a credit against the tax levied by section 5751.02 of the Revised Code for tax periods ending on or before June 30, 2021, provided that the taxpayer is unable to

claim the credit under section 5725.151, 5725.34, 5726.52, 116977  
5729.17, or 5747.76 of the Revised Code. 116978

The credit shall equal the lesser of twenty-five per cent of 116979  
the dollar amount of the qualified rehabilitation expenditures 116980  
indicated on the certificate or five million dollars. The credit 116981  
shall be claimed for the calendar year specified in the 116982  
certificate and after the credits authorized in divisions (A)(1) 116983  
to (4) of section 5751.98 of the Revised Code, but before the 116984  
credits authorized in divisions (A)(5) to (7) of that section. 116985

If the credit allowed for any calendar year exceeds the tax 116986  
otherwise due under section 5751.02 of the Revised Code, after 116987  
allowing for any other credits preceding the credit in the order 116988  
prescribed by this section, the excess shall be refunded to the 116989  
taxpayer. However, if any amount of the credit is refunded, the 116990  
sum of the amount refunded and the amount applied to reduce the 116991  
tax otherwise due for that year shall not exceed three million 116992  
dollars. The taxpayer may carry forward any balance of the credit 116993  
in excess of the amount claimed for that year for not more than 116994  
five calendar years after the calendar year specified in the 116995  
certificate, and shall deduct any amount claimed in any such year 116996  
from the amount claimed in an ensuing year. 116997

A person that is an excluded person may file a return under 116998  
section 5751.051 of the Revised Code for the purpose of claiming 116999  
the credit authorized in this section. 117000

If the certificate owner is a pass-through entity, the credit 117001  
may not be allocated among the entity's owners in proportions or 117002  
amounts as the owners mutually agree unless either the owners are 117003  
part of the same combined or consolidated elected taxpayer as the 117004  
pass-through entity or the director of development services issued 117005  
the certificate in the name of the pass-through entity's owners in 117006  
the agreed-upon proportions or amounts. If the credit is allocated 117007  
among those owners, an owner may claim the credit authorized in 117008

this section only if that owner is a corporation or an association 117009  
taxed as a corporation for federal income tax purposes and is not 117010  
a corporation that has made an election under Subchapter S of 117011  
Chapter 1 of Subtitle A of the Internal Revenue Code. 117012

The credit authorized in this section may be claimed only on 117013  
the basis of a rehabilitation tax credit certificate with an 117014  
effective date after December 31, 2013, but before June 30, 2021. 117015

A person claiming a credit under this section shall retain 117016  
the rehabilitation tax credit certificate for four years following 117017  
the end of the latest calendar year in which the credit was 117018  
applied, and shall make the certificate available for inspection 117019  
by the tax commissioner upon request. 117020
