bureau also shall file the business impact analysis, any 1965  
recommendations received from the common sense initiative office, 1966

A proposed rule that is subject to legislative review under 1970

filed with the joint committee on agency rule review under this 1973  
division and the time for the joint committee to review the 1974  
proposed rule has expired without recommendation of a concurrent 1975  
resolution to invalidate the proposed rule. 1976

alleged violations of the constitution or statutes of the United 2965  
States, including section 1983 of Title 42 of the United States 2966  
Code, 93 Stat. 1284 (1979), 42 U.S.C.A. 1983, as amended, and that 2967  
arises from alleged actions or omissions related to 2968  
responsibilities derived pursuant to this chapter, if the state 2969  
public defender determines, in good faith, that the defendant in 2970  
the civil action or proceeding did not act manifestly outside the 2971  
scope of the defendant's employment or official responsibilities, 2972  
with malicious purpose, in bad faith, or in a wanton or reckless 2973  
manner. If the state public defender elects not to contract 2974  
pursuant to this division for private legal counsel in a civil 2975  
action or proceeding, then, in accordance with sections 109.02, 2976

109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 2977  
attorney general shall represent or provide for the representation 2978  
of the Ohio public defender commission, the state public defender, 2979  
assistant state public defenders, other employees of the 2980  
commission or the state public defender, or attorneys described in 2981  
division (C) of section 120.41 of the Revised Code in the civil 2982  
action or proceeding. 2983

(2)(a) Subject to division (E)(2)(b) of this section, payment 2984  
from the state treasury for the services of private legal counsel 2985  
with whom the state public defender has contracted pursuant to 2986  
division (E)(1) of this section shall be accomplished only through 2987  
the following procedure: 2988

(i) The private legal counsel shall file with the attorney 2989  
general a copy of the contract; a request for an award of legal 2990  
fees, court costs, and expenses earned or incurred in connection 2991  
with the defense of the Ohio public defender commission, the state 2992  
public defender, an assistant state public defender, an employee, 2993  
or an attorney in a specified civil action or proceeding; a 2994  
written itemization of those fees, costs, and expenses, including 2995  
the signature of the state public defender and the state public 2996  
defender's attestation that the fees, costs, and expenses were 2997  
earned or incurred pursuant to division (E)(1) of this section to 2998  
the best of the state public defender's knowledge and information; 2999  
a written statement whether the fees, costs, and expenses are for 3000  
all legal services to be rendered in connection with that defense, 3001  
are only for legal services rendered to the date of the request 3002  
and additional legal services likely will have to be provided in 3003  
connection with that defense, or are for the final legal services 3004  
rendered in connection with that defense; a written statement 3005  
indicating whether the private legal counsel previously submitted 3006  
a request for an award under division (E)(2) of this section in 3007  
connection with that defense and, if so, the date and the amount 3008

of each award granted; and, if the fees, costs, and expenses are 3009  
for all legal services to be rendered in connection with that 3010  
defense or are for the final legal services rendered in connection 3011  
with that defense, a certified copy of any judgment entry in the 3012  
civil action or proceeding or a signed copy of any settlement 3013  
agreement entered into between the parties to the civil action or 3014  
proceeding. 3015

(ii) Upon receipt of a request for an award of legal fees, 3016  
court costs, and expenses and the requisite supportive 3017  
documentation described in division (E)(2)(a)(i) of this section, 3018  
the attorney general shall review the request and documentation; 3019  
determine whether any of the limitations specified in division 3020  
(E)(2)(b) of this section apply to the request; and, if an award 3021  
of legal fees, court costs, or expenses is permissible after 3022  
applying the limitations, prepare a document awarding legal fees, 3023  
court costs, or expenses to the private legal counsel. The 3024  
document shall name the private legal counsel as the recipient of 3025  
the award; specify the total amount of the award as determined by 3026  
the attorney general; itemize the portions of the award that 3027  
represent legal fees, court costs, and expenses; specify any 3028  
limitation applied pursuant to division (E)(2)(b) of this section 3029  
to reduce the amount of the award sought by the private legal 3030  
counsel; state that the award is payable from the state treasury 3031  
pursuant to division (E)(2)(a)(iii) of this section; and be 3032  
approved by the inclusion of the signatures of the attorney 3033  
general, the state public defender, and the private legal counsel. 3034

(iii) The attorney general shall forward a copy of the 3035  
document prepared pursuant to division (E)(2)(a)(ii) of this 3036  
section to the director of budget and management. The award of 3037  
legal fees, court costs, or expenses shall be paid out of the 3038  
state public defender's appropriations, to the extent there is a 3039  
sufficient available balance in those appropriations. If the state 3040

public defender does not have a sufficient available balance in 3041  
the state public defender's appropriations to pay the entire award 3042  
of legal fees, court costs, or expenses, the director shall make 3043  
application for a transfer of appropriations out of the emergency 3044  
purposes account or any other appropriation for emergencies or 3045  
contingencies in an amount equal to the portion of the award that 3046  
exceeds the sufficient available balance in the state public 3047  
defender's appropriations. A transfer of appropriations out of the 3048  
emergency purposes account or any other appropriation for 3049  
emergencies or contingencies shall be authorized if there are 3050  
sufficient moneys greater than the sum total of then pending 3051  
emergency purposes account requests, or requests for releases from 3052  
the other appropriation. If a transfer of appropriations out of 3053  
the emergency purposes account or other appropriation for 3054  
emergencies or contingencies is made to pay an amount equal to the 3055  
portion of the award that exceeds the sufficient available balance 3056  
in the state public defender's appropriations, the director shall 3057  
cause the payment to be made to the private legal counsel. If 3058  
sufficient moneys do not exist in the emergency purposes account 3059  
or other appropriation for emergencies or contingencies to pay an 3060  
amount equal to the portion of the award that exceeds the 3061  
sufficient available balance in the state public defender's 3062  
appropriations, the private legal counsel shall request the 3063  
general assembly to make an appropriation sufficient to pay an 3064  
amount equal to the portion of the award that exceeds the 3065  
sufficient available balance in the state public defender's 3066  
appropriations, and no payment in that amount shall be made until 3067  
the appropriation has been made. The private legal counsel shall 3068  
make the request during the current biennium and during each 3069  
succeeding biennium until a sufficient appropriation is made. 3070

(b) An award of legal fees, court costs, and expenses 3071  
pursuant to division (E) of this section is subject to the 3072  
following limitations: 3073

(i) The maximum award or maximum aggregate of a series of awards of legal fees, court costs, and expenses to the private legal counsel in connection with the defense of the Ohio public defender commission, the state public defender, an assistant state public defender, an employee, or an attorney in a specified civil action or proceeding shall not exceed fifty thousand dollars.

(ii) The private legal counsel shall not be awarded legal fees, court costs, or expenses to the extent the fees, costs, or expenses are covered by a policy of malpractice or other insurance.

(iii) The private legal counsel shall be awarded legal fees and expenses only to the extent that the fees and expenses are reasonable in light of the legal services rendered by the private legal counsel in connection with the defense of the Ohio public defender commission, the state public defender, an assistant state public defender, an employee, or an attorney in a specified civil action or proceeding.

(c) If, pursuant to division (E)(2)(a) of this section, the attorney general denies a request for an award of legal fees, court costs, or expenses to private legal counsel because of the application of a limitation specified in division (E)(2)(b) of this section, the attorney general shall notify the private legal counsel in writing of the denial and of the limitation applied.

(d) If, pursuant to division (E)(2)(c) of this section, a private legal counsel receives a denial of an award notification or if a private legal counsel refuses to approve a document under division (E)(2)(a)(ii) of this section because of the proposed application of a limitation specified in division (E)(2)(b) of this section, the private legal counsel may commence a civil action against the attorney general in the court of claims to prove the private legal counsel's entitlement to the award sought, to prove that division (E)(2)(b) of this section does not prohibit

or otherwise limit the award sought, and to recover a judgment for 3106  
the amount of the award sought. A civil action under division 3107  
(E)(2)(d) of this section shall be commenced no later than two 3108  
years after receipt of a denial of award notification or, if the 3109  
private legal counsel refused to approve a document under division 3110  
(E)(2)(a)(ii) of this section because of the proposed application 3111  
of a limitation specified in division (E)(2)(b) of this section, 3112  
no later than two years after the refusal. Any judgment of the 3113  
court of claims in favor of the private legal counsel shall be 3114  
paid from the state treasury in accordance with division (E)(2)(a) 3115  
of this section. 3116

(F) If a court appoints the office of the state public 3117  
defender to represent a petitioner in a postconviction relief 3118  
proceeding under section 2953.21 of the Revised Code, the 3119  
petitioner has received a sentence of death, and the proceeding 3120  
relates to that sentence, all of the attorneys who represent the 3121  
petitioner in the proceeding pursuant to the appointment, whether 3122  
an assistant state public defender, the state public defender, or 3123  
another attorney, shall be certified under Rule 20 of the Rules of 3124  
Superintendence for the Courts of Ohio to represent indigent 3125  
defendants charged with or convicted of an offense for which the 3126  
death penalty can be or has been imposed. 3127

(G)(1) The state public defender may conduct a legal 3128  
assistance referral service for children committed to the 3129  
department of youth services relative to conditions of confinement 3130  
claims. If the legal assistance referral service receives a 3131  
request for assistance from a child confined in a facility 3132  
operated, or contracted for, by the department of youth services 3133  
and the state public defender determines that the child has a 3134  
conditions of confinement claim that has merit, the state public 3135  
defender may refer the child to a private attorney. If no private 3136  
attorney who the child has been referred to by the state public 3137

defender accepts the case within a reasonable time, the state 3138  
public defender may prepare, as appropriate, pro se pleadings in 3139  
the form of a complaint regarding the conditions of confinement at 3140  
the facility where the child is confined with a motion for 3141  
appointment of counsel and other applicable pleadings necessary 3142  
for sufficient pro se representation. 3143

(2) Division (G)(1) of this section does not authorize the 3144  
state public defender to represent a child committed to the 3145  
department of youth services in general civil matters arising 3146  
solely out of state law. 3147

(3) The state public defender shall not undertake the 3148  
representation of a child in court based on a conditions of 3149  
confinement claim arising under this division. 3150

(H) A child's right to representation or services under this 3151  
section is not affected by the child, or another person on behalf 3152  
of the child, previously having paid for similar representation or 3153  
services or having waived legal representation. 3154

(I) The state public defender shall have reasonable access to 3155  
any child committed to the department of youth services, 3156  
department of youth services institution, and department of youth 3157  
services record as needed to implement this section. 3158

(J) As used in this section: 3159

(1) "Community control sanction" has the same meaning as in 3160  
section 2929.01 of the Revised Code. 3161

(2) "Conditions of confinement" means any issue involving a 3162  
constitutional right or other civil right related to a child's 3163  
incarceration, including, but not limited to, actions cognizable 3164  
under 42 U.S.C. 1983. 3165

(3) "Post-release control sanction" has the same meaning as 3166  
in section 2967.01 of the Revised Code. 3167

**Sec. 120.08.** There is hereby created in the state treasury 3168  
the indigent defense support fund, consisting of money paid into 3169  
the fund pursuant to sections 4507.45, 4509.101, 4510.22, and 3170  
4511.19 of the Revised Code and pursuant to sections 2937.22, 3171  
2949.091, and 2949.094 of the Revised Code out of the additional 3172  
court costs imposed under those sections. The state public 3173  
defender shall use at least eighty-three per cent of the money in 3174  
the fund for the purposes of reimbursing county governments for 3175  
expenses incurred pursuant to sections 120.18, 120.28, and 120.33 3176  
of the Revised Code and operating its system pursuant to division 3177  
(C)(7) of section 120.04 of the Revised Code and division (B) of 3178  
section 120.33 of the Revised Code. Disbursements from the fund to 3179  
county governments shall be made at least once per year and shall 3180  
be allocated proportionately so that each county receives an equal 3181  
percentage of its ~~total~~ cost for operating its county public 3182  
defender system, its joint county public defender system, its 3183  
county appointed counsel system, or its system operated under 3184  
division (C)(7) of section 120.04 of the Revised Code and division 3185  
(B) of section 120.33 of the Revised Code. The state public 3186  
defender may use not more than seventeen per cent of the money in 3187  
the fund for the purposes of appointing assistant state public 3188  
defenders, providing other personnel, equipment, and facilities 3189  
necessary for the operation of the state public defender office, 3190  
and providing training, developing and implementing electronic 3191  
forms, or establishing and maintaining an information technology 3192  
system used for the uniform operation of this chapter. 3193

**Sec. 120.18.** (A) The county public defender commission's 3194  
report to the board of county commissioners shall be audited by 3195  
the county auditor. The board of county commissioners, after 3196  
review and approval of the audited report, may then certify it to 3197  
the state public defender for reimbursement. If a request for the 3198

reimbursement of any operating expenditure incurred by a county 3199  
public defender office is not received by the state public 3200  
defender within sixty days after the end of the calendar month in 3201  
which the expenditure is incurred, the state public defender shall 3202  
not pay the requested reimbursement, unless the county has 3203  
requested, and the state public defender has granted, an extension 3204  
of the sixty-day time limit. Each request for reimbursement shall 3205  
include a certification by the county public defender that the 3206  
persons provided representation by the county public defender's 3207  
office during the period covered by the report were indigent and, 3208  
for each person provided representation during that period, a 3209  
financial disclosure form completed by the person on a form 3210  
prescribed by the state public defender. The state public defender 3211  
shall also review the report and, in accordance with the 3212  
standards, guidelines, and maximums established pursuant to 3213  
divisions (B)(7) and (8) of section 120.04 of the Revised Code and 3214  
the payment determination provisions of section 120.34 of the 3215  
Revised Code, prepare a voucher for ~~fifty per cent of the total~~ 3216  
cost of each county public defender's office for the period of 3217  
time covered by the certified report and a voucher for ~~fifty per~~ 3218  
~~cent of the costs and expenses that are reimbursable under section~~ 3219  
120.35 of the Revised Code, if any, ~~or, if the amount of money~~ 3220  
~~appropriated by the general assembly to reimburse counties for the~~ 3221  
~~operation of county public defender offices, joint county public~~ 3222  
~~defender offices, and county appointed counsel systems is not~~ 3223  
~~sufficient to pay fifty per cent of the total cost of all of the~~ 3224  
~~offices and systems, for the lesser amount required by section~~ 3225  
~~120.34 of the Revised Code. The amount of payments to be included~~ 3226  
in and made under the voucher shall be determined as specified in 3227  
section 120.34 of the Revised Code. For the purposes of this 3228  
section, ~~total~~ "cost" means total expenses minus costs and 3229  
expenses reimbursable under section 120.35 of the Revised Code and 3230  
any funds received by the county public defender commission 3231

pursuant to a contract, except a contract entered into with a 3232  
municipal corporation pursuant to division (E) of section 120.14 3233  
of the Revised Code, gift, or grant. 3234

(B) If the county public defender fails to maintain the 3235  
standards for the conduct of the office established by rules of 3236  
the Ohio public defender commission pursuant to divisions (B) and 3237  
(C) of section 120.03 or the standards established by the state 3238  
public defender pursuant to division (B)(7) of section 120.04 of 3239  
the Revised Code, the Ohio public defender commission shall notify 3240  
the county public defender commission and the board of county 3241  
commissioners of the county that the county public defender has 3242  
failed to comply with its rules or the standards of the state 3243  
public defender. Unless the county public defender commission or 3244  
the county public defender corrects the conduct of the county 3245  
public defender's office to comply with the rules and standards 3246  
within ninety days after the date of the notice, the state public 3247  
defender may deny payment of all or part of the county's 3248  
reimbursement from the state provided for in division (A) of this 3249  
section. 3250

**Sec. 120.28.** (A) The joint county public defender 3251  
commission's report to the joint board of county commissioners 3252  
shall be audited by the fiscal officer of the district. The joint 3253  
board of county commissioners, after review and approval of the 3254  
audited report, may then certify it to the state public defender 3255  
for reimbursement. If a request for the reimbursement of any 3256  
operating expenditure incurred by a joint county public defender 3257  
office is not received by the state public defender within sixty 3258  
days after the end of the calendar month in which the expenditure 3259  
is incurred, the state public defender shall not pay the requested 3260  
reimbursement, unless the joint board of county commissioners has 3261  
requested, and the state public defender has granted, an extension 3262  
of the sixty-day time limit. Each request for reimbursement shall 3263

include a certification by the joint county public defender that 3264  
all persons provided representation by the joint county public 3265  
defender's office during the period covered by the request were 3266  
indigent and, for each person provided representation during that 3267  
period, a financial disclosure form completed by the person on a 3268  
form prescribed by the state public defender. The state public 3269  
defender shall also review the report and, in accordance with the 3270  
standards, guidelines, and maximums established pursuant to 3271  
divisions (B)(7) and (8) of section 120.04 of the Revised Code and 3272  
the payment determination provisions of section 120.34 of the 3273  
Revised Code, prepare a voucher for ~~fifty per cent~~ of the ~~total~~ 3274  
cost of each joint county public defender's office for the period 3275  
of time covered by the certified report and a voucher for ~~fifty~~ 3276  
~~per cent~~ of the costs and expenses that are reimbursable under 3277  
section 120.35 of the Revised Code, if any, ~~or, if the amount of~~ 3278  
~~money appropriated by the general assembly to reimburse counties~~ 3279  
~~for the operation of county public defender offices, joint county~~ 3280  
~~public defender offices, and county appointed counsel systems is~~ 3281  
~~not sufficient to pay fifty per cent of the total cost of all of~~ 3282  
~~the offices and systems, for the lesser amount required by section~~ 3283  
~~120.34 of the Revised Code. The amount of payments to be included~~ 3284  
in and made under the voucher shall be determined as specified in 3285  
section 120.34 of the Revised Code. For purposes of this section, 3286  
~~total~~ "cost" means total expenses minus costs and expenses 3287  
reimbursable under section 120.35 of the Revised Code and any 3288  
funds received by the joint county public defender commission 3289  
pursuant to a contract, except a contract entered into with a 3290  
municipal corporation pursuant to division (E) of section 120.24 3291  
of the Revised Code, gift, or grant. Each county in the district 3292  
shall be entitled to a share of such state reimbursement in 3293  
proportion to the percentage of the ~~total~~ cost it has agreed to 3294  
pay. 3295

(B) If the joint county public defender fails to maintain the 3296

standards for the conduct of the office established by the rules 3297  
of the Ohio public defender commission pursuant to divisions (B) 3298  
and (C) of section 120.03 or the standards established by the 3299  
state public defender pursuant to division (B)(7) of section 3300  
120.04 of the Revised Code, the Ohio public defender commission 3301  
shall notify the joint county public defender commission and the 3302  
board of county commissioners of each county in the district that 3303  
the joint county public defender has failed to comply with its 3304  
rules or the standards of the state public defender. Unless the 3305  
joint public defender commission or the joint county public 3306  
defender corrects the conduct of the joint county public 3307  
defender's office to comply with the rules and standards within 3308  
ninety days after the date of the notice, the state public 3309  
defender may deny all or part of the counties' reimbursement from 3310  
the state provided for in division (A) of this section. 3311

**Sec. 120.33.** (A) In lieu of using a county public defender or 3312  
joint county public defender to represent indigent persons in the 3313  
proceedings set forth in division (A) of section 120.16 of the 3314  
Revised Code, the board of county commissioners of any county may 3315  
adopt a resolution to pay counsel who are either personally 3316  
selected by the indigent person or appointed by the court. The 3317  
resolution shall include those provisions the board of county 3318  
commissioners considers necessary to provide effective 3319  
representation of indigent persons in any proceeding for which 3320  
counsel is provided under this section. The resolution shall 3321  
include provisions for contracts with any municipal corporation 3322  
under which the municipal corporation shall reimburse the county 3323  
for counsel appointed to represent indigent persons charged with 3324  
violations of the ordinances of the municipal corporation. 3325

(1) In a county that adopts a resolution to pay counsel, an 3326  
indigent person shall have the right to do either of the 3327  
following: 3328

(a) To select the person's own personal counsel to represent 3329  
the person in any proceeding included within the provisions of the 3330  
resolution; 3331

(b) To request the court to appoint counsel to represent the 3332  
person in such a proceeding. 3333

(2) The court having jurisdiction over the proceeding in a 3334  
county that adopts a resolution to pay counsel shall, after 3335  
determining that the person is indigent and entitled to legal 3336  
representation under this section, do either of the following: 3337

(a) By signed journal entry recorded on its docket, enter the 3338  
name of the lawyer selected by the indigent person as counsel of 3339  
record; 3340

(b) Appoint counsel for the indigent person if the person has 3341  
requested the court to appoint counsel and, by signed journal 3342  
entry recorded on its dockets, enter the name of the lawyer 3343  
appointed for the indigent person as counsel of record. 3344

(3) The board of county commissioners shall establish a 3345  
schedule of fees by case or on an hourly basis to be paid to 3346  
counsel for legal services provided pursuant to a resolution 3347  
adopted under this section. Prior to establishing the schedule, 3348  
the board of county commissioners shall request the bar 3349  
association or associations of the county to submit a proposed 3350  
schedule for cases other than capital cases. The schedule 3351  
submitted shall be subject to the review, amendment, and approval 3352  
of the board of county commissioners, except with respect to 3353  
capital cases. With respect to capital cases, the schedule shall 3354  
provide for fees by case or on an hourly basis to be paid to 3355  
counsel in the amount or at the rate set by the capital case 3356  
attorney fee council pursuant to division (D) of this section, and 3357  
the board of county commissioners shall approve that amount or 3358  
rate. 3359

(4) Counsel selected by the indigent person or appointed by the court at the request of an indigent person in a county that adopts a resolution to pay counsel, except for counsel appointed to represent a person charged with any violation of an ordinance of a municipal corporation that has not contracted with the county commissioners for the payment of appointed counsel, shall be paid by the county and shall receive the compensation and expenses the court approves. With respect to capital cases, the court shall approve compensation and expenses in accordance with the amount or at the rate set by the capital case attorney fee council pursuant to division (D) of this section. Each request for payment shall include a financial disclosure form completed by the indigent person on a form prescribed by the state public defender. Compensation and expenses shall not exceed the amounts fixed by the board of county commissioners in the schedule adopted pursuant to division (A)(3) of this section. No court shall approve compensation and expenses that exceed the amount fixed pursuant to division (A)(3) of this section.

The fees and expenses approved by the court shall not be taxed as part of the costs and shall be paid by the county. However, if the person represented has, or may reasonably be expected to have, the means to meet some part of the cost of the services rendered to the person, the person shall pay the county an amount that the person reasonably can be expected to pay. Pursuant to section 120.04 of the Revised Code, the county shall pay to the state public defender a percentage of the payment received from the person in an amount proportionate to the percentage of the costs of the person's case that were paid to the county by the state public defender pursuant to this section. The money paid to the state public defender shall be credited to the client payment fund created pursuant to division (B)(5) of section 120.04 of the Revised Code.

The county auditor shall draw a warrant on the county treasurer for the payment of counsel in the amount fixed by the court, plus the expenses the court fixes and certifies to the auditor. The county auditor shall report periodically, but not less than annually, to the board of county commissioners and to the state public defender the amounts paid out pursuant to the approval of the court. The board of county commissioners, after review and approval of the auditor's report, or the county auditor, with permission from and notice to the board of county commissioners, may then certify it to the state public defender for reimbursement. The state public defender may pay a requested reimbursement only if the request for reimbursement includes a financial disclosure form completed by the indigent person on a form prescribed by the state public defender or if the court certifies by electronic signature as prescribed by the state public defender that a financial disclosure form has been completed by the indigent person and is available for inspection. If a request for the reimbursement of the cost of counsel in any case is not received by the state public defender within ninety days after the end of the calendar month in which the case is finally disposed of by the court, unless the county has requested and the state public defender has granted an extension of the ninety-day limit, the state public defender shall not pay the requested reimbursement. The state public defender shall also review the report and, in accordance with the standards, guidelines, and maximums established pursuant to divisions (B)(7) and (8) of section 120.04 of the Revised Code and the payment determination provisions of section 120.34 of the Revised Code, prepare a voucher for ~~fifty per cent of the total~~ cost of each county appointed counsel system in the period of time covered by the certified report and a voucher for ~~fifty per cent of the costs~~ and expenses that are reimbursable under section 120.35 of the Revised Code, if any, ~~or, if the amount of money appropriated by~~

~~the general assembly to reimburse counties for the operation of 3425  
county public defender offices, joint county public defender 3426  
offices, and county appointed counsel systems is not sufficient to 3427  
pay fifty per cent of the total cost of all of the offices and 3428  
systems other than costs and expenses that are reimbursable under 3429  
section 120.35 of the Revised Code, for the lesser amount required 3430  
by section 120.34 of the Revised Code. The amount of payments to 3431  
be included in and made under the voucher shall be determined as 3432  
specified in section 120.34 of the Revised Code. 3433~~

(5) If any county appointed counsel system fails to maintain 3434  
the standards for the conduct of the system established by the 3435  
rules of the Ohio public defender commission pursuant to divisions 3436  
(B) and (C) of section 120.03 or the standards established by the 3437  
state public defender pursuant to division (B)(7) of section 3438  
120.04 of the Revised Code, the Ohio public defender commission 3439  
shall notify the board of county commissioners of the county that 3440  
the county appointed counsel system has failed to comply with its 3441  
rules or the standards of the state public defender. Unless the 3442  
board of county commissioners corrects the conduct of its 3443  
appointed counsel system to comply with the rules and standards 3444  
within ninety days after the date of the notice, the state public 3445  
defender may deny all or part of the county's reimbursement from 3446  
the state provided for in division (A)(4) of this section. 3447

(B) In lieu of using a county public defender or joint county 3448  
public defender to represent indigent persons in the proceedings 3449  
set forth in division (A) of section 120.16 of the Revised Code, 3450  
and in lieu of adopting the resolution and following the procedure 3451  
described in division (A) of this section, the board of county 3452  
commissioners of any county may contract with the state public 3453  
defender for the state public defender's legal representation of 3454  
indigent persons. A contract entered into pursuant to this 3455  
division may provide for payment for the services provided on a 3456

per case, hourly, or fixed contract basis. 3457

(C) If a court appoints an attorney pursuant to this section 3458  
to represent a petitioner in a postconviction relief proceeding 3459  
under section 2953.21 of the Revised Code, the petitioner has 3460  
received a sentence of death, and the proceeding relates to that 3461  
sentence, the attorney who represents the petitioner in the 3462  
proceeding pursuant to the appointment shall be certified under 3463  
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 3464  
represent indigent defendants charged with or convicted of an 3465  
offense for which the death penalty can be or has been imposed. 3466

(D)(1) There is hereby created the capital case attorney fee 3467  
council, appointed as described in division (D)(2) of this 3468  
section. The council shall set an amount by case, or a rate on an 3469  
hourly basis, to be paid under this section to counsel in a 3470  
capital case. 3471

(2) The capital case attorney fee council shall consist of 3472  
five members, all of whom shall be active judges serving on one of 3473  
the district courts of appeals in this state. Terms for council 3474  
members shall be the lesser of three years or until the member 3475  
ceases to be an active judge of a district court of appeals. The 3476  
initial terms shall commence ninety days after September 28, 2016. 3477  
The chief justice of the supreme court shall appoint the members 3478  
of the council, and shall make all of the appointments not later 3479  
than sixty days after September 28, 2016. When any vacancy occurs, 3480  
the chief justice shall appoint an active judge of a district 3481  
court of appeals in this state to fill the vacancy for the 3482  
unexpired term, in the same manner as prescribed in this division. 3483  
The chief justice shall designate a chairperson from the appointed 3484  
members of the council. Members of the council shall receive no 3485  
additional compensation for their service as a member, but may be 3486  
reimbursed for expenses reasonably incurred in service to the 3487  
council, to be paid by the supreme court. The supreme court may 3488

provide administrative support to the council. 3489

(3) The capital case attorney fee council initially shall 3490  
meet not later than one hundred twenty days after September 28, 3491  
2016. Thereafter, the council shall meet not less than annually. 3492

(4) Upon setting the amount or rate described in division 3493  
(D)(1) of this section, the chairperson of the capital case 3494  
attorney fee council promptly shall provide written notice to the 3495  
state public defender of the amount or rate so set. The amount or 3496  
rate so set shall become effective ninety days after the date on 3497  
which the chairperson provides that written notice to the state 3498  
public defender. The council shall specify that effective date in 3499  
the written notice provided to the state public defender. All 3500  
amounts or rates set by the council shall be final, subject to 3501  
modification as described in division (D)(5) of this section, and 3502  
not subject to appeal. 3503

(5) The capital case attorney fee council may modify an 3504  
amount or rate set as described in division (D)(4) of this 3505  
section. The provisions of that division apply with respect to any 3506  
such modification of an amount or rate. 3507

payment and the board of county commissioners, upon receipt of the 3557  
request, shall direct the appropriate county officer to return the 3558  
excess payment to the state. 3559

Within thirty days of the end of each fiscal quarter, the 3560

disclosure of information would give an unfair competitive or 4036  
bargaining advantage to a person whose personal, private interest 4037  
is adverse to the general public interest. No member of a public 4038  
body shall use division (G)(2) of this section as a subterfuge for 4039  
providing covert information to prospective buyers or sellers. A 4040

of the public property has received covert information from a 4042  
member of a public body that has not been disclosed to the general 4043  
public in sufficient time for other prospective buyers and sellers 4044

or regulations or state statutes; 4061

(6) Details relative to the security arrangements and 4062  
emergency response protocols for a public body or a public office, 4063  
if disclosure of the matters discussed could reasonably be 4064  
expected to jeopardize the security of the public body or public 4065  
office; 4066

(7) In the case of a county hospital operated pursuant to 4067  
Chapter 339. of the Revised Code, a joint township hospital 4068  
operated pursuant to Chapter 513. of the Revised Code, or a 4069  
municipal hospital operated pursuant to Chapter 749. of the 4070  
Revised Code, to consider trade secrets, as defined in section 4071  
1333.61 of the Revised Code; 4072

(8) To consider confidential information related to the 4073  
marketing plans, specific business strategy, production 4074  
techniques, trade secrets, or personal financial statements of an 4075  
applicant for economic development assistance, or to negotiations 4076  
with other political subdivisions respecting requests for economic 4077  
development assistance, provided that both of the following 4078

conditions apply: 4079

(a) The information is directly related to a request for 4080  
economic development assistance that is to be provided or 4081  
administered under any provision of Chapter 715., 725., 1724., or 4082  
1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 4083  
5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of 4084  
the Revised Code, or that involves public infrastructure 4085  
improvements or the extension of utility services that are 4086  
directly related to an economic development project. 4087

(b) A unanimous quorum of the public body determines, by a 4088  
roll call vote, that the executive session is necessary to protect 4089  
the interests of the applicant or the possible investment or 4090  
expenditure of public funds to be made in connection with the 4091  
economic development project. 4092

If a public body holds an executive session to consider any 4093  
of the matters listed in divisions (G)(2) to (8) of this section, 4094  
the motion and vote to hold that executive session shall state 4095  
which one or more of the approved matters listed in those 4096  
divisions are to be considered at the executive session. 4097

A public body specified in division (B)(1)(c) of this section 4098  
shall not hold an executive session when meeting for the purposes 4099  
specified in that division. 4100

(H) A resolution, rule, or formal action of any kind is 4101  
invalid unless adopted in an open meeting of the public body. A 4102  
resolution, rule, or formal action adopted in an open meeting that 4103  
results from deliberations in a meeting not open to the public is 4104  
invalid unless the deliberations were for a purpose specifically 4105  
authorized in division (G) or (J) of this section and conducted at 4106  
an executive session held in compliance with this section. A 4107  
resolution, rule, or formal action adopted in an open meeting is 4108  
invalid if the public body that adopted the resolution, rule, or 4109

formal action violated division (F) of this section. 4110

(I)(1) Any person may bring an action to enforce this 4111  
section. An action under division (I)(1) of this section shall be 4112  
brought within two years after the date of the alleged violation 4113  
or threatened violation. Upon proof of a violation or threatened 4114  
violation of this section in an action brought by any person, the 4115  
court of common pleas shall issue an injunction to compel the 4116  
members of the public body to comply with its provisions. 4117

(2)(a) If the court of common pleas issues an injunction 4118  
pursuant to division (I)(1) of this section, the court shall order 4119  
the public body that it enjoins to pay a civil forfeiture of five 4120  
hundred dollars to the party that sought the injunction and shall 4121  
award to that party all court costs and, subject to reduction as 4122  
described in division (I)(2) of this section, reasonable 4123  
attorney's fees. The court, in its discretion, may reduce an award 4124  
of attorney's fees to the party that sought the injunction or not 4125  
award attorney's fees to that party if the court determines both 4126  
of the following: 4127

(i) That, based on the ordinary application of statutory law 4128  
and case law as it existed at the time of violation or threatened 4129  
violation that was the basis of the injunction, a well-informed 4130  
public body reasonably would believe that the public body was not 4131  
violating or threatening to violate this section; 4132

(ii) That a well-informed public body reasonably would 4133  
believe that the conduct or threatened conduct that was the basis 4134  
of the injunction would serve the public policy that underlies the 4135  
authority that is asserted as permitting that conduct or 4136  
threatened conduct. 4137

(b) If the court of common pleas does not issue an injunction 4138  
pursuant to division (I)(1) of this section and the court 4139  
determines at that time that the bringing of the action was 4140

frivolous conduct, as defined in division (A) of section 2323.51 4141  
of the Revised Code, the court shall award to the public body all 4142  
court costs and reasonable attorney's fees, as determined by the 4143  
court. 4144

(3) Irreparable harm and prejudice to the party that sought 4145  
the injunction shall be conclusively and irrebuttably presumed 4146  
upon proof of a violation or threatened violation of this section. 4147

(4) A member of a public body who knowingly violates an 4148  
injunction issued pursuant to division (I)(1) of this section may 4149  
be removed from office by an action brought in the court of common 4150  
pleas for that purpose by the prosecuting attorney or the attorney 4151  
general. 4152

(J)(1) Pursuant to division (C) of section 5901.09 of the 4153  
Revised Code, a veterans service commission shall hold an 4154  
executive session for one or more of the following purposes unless 4155  
an applicant requests a public hearing: 4156

sections 5901.01 to 5901.15 of the Revised Code; 4158

financial assistance under sections 5901.01 to 5901.15 of the 4162  
Revised Code. 4163

(2) A veterans service commission shall not exclude an 4164  
applicant for, recipient of, or former recipient of financial 4165  
assistance under sections 5901.01 to 5901.15 of the Revised Code, 4166  
and shall not exclude representatives selected by the applicant, 4167  
recipient, or former recipient, from a meeting that the commission 4168  
conducts as an executive session that pertains to the applicant's, 4169  
recipient's, or former recipient's application for financial 4170  
assistance. 4171

(3) A veterans service commission shall vote on the grant or 4172  
denial of financial assistance under sections 5901.01 to 5901.15 4173

funds; 4219

(h) Identify public and private funding sources for services 4220  
provided to alleged or adjudicated unruly children and children 4221  
who are at risk of being alleged or adjudicated unruly children, 4222  
including regulations governing access to and use of the services; 4223

(i) Collect information provided by local communities 4224  
regarding successful programs for prevention, intervention, and 4225

first councils; 4241

(c) Monitoring and supervision of a statewide, comprehensive, 4242  
coordinated, multi-disciplinary, interagency system for infants 4243

administered by the department of health for early intervention 4246  
services under the "Individuals with Disabilities Education Act of 4247  
2004," 118 Stat. 2744, 20 U.S.C.A. 1400, as amended. 4248

(4) The cabinet council shall develop and implement the 4249  
following: 4250

(a) An interagency process to select the indicators that will 4251

shall be made available to any other person on request. 4267

(B)(1) Each board of county commissioners shall establish a 4268  
county family and children first council. The board may invite any 4269

representing families shall be equal to twenty per cent of the 4279  
council's membership. 4280

(b) The director of the board of alcohol, drug addiction, and 4281  
mental health services that serves the county, or, in the case of 4282

Notwithstanding any other provision of law, the public 4323  
members of a county council are not prohibited from serving on the 4324  
council and making decisions regarding the duties of the council, 4325  
including those involving the funding of joint projects and those 4326  
outlined in the county's service coordination mechanism 4327  
implemented pursuant to division (C) of this section. 4328

The cabinet council shall establish a state appeals process 4329  
to resolve disputes among the members of a county council 4330  
concerning whether reasonable responsibilities as members are 4331  
being shared. The appeals process may be accessed only by a 4332  
majority vote of the council members who are required to serve on 4333  
the council. Upon appeal, the cabinet council may order that state 4334  
funds for services to children and families be redirected to a 4335  
county's board of county commissioners. 4336

The county's juvenile court judge senior in service or 4337  
another judge of the juvenile court designated by the 4338

to the county family and children first council. The judge may 4341  
advise the county council on the court's utilization of resources, 4342  
services, or programs provided by the entities represented by the 4343  
members of the county council and how those resources, services, 4344  
or programs assist the court in its administration of justice. 4345  
Service of a judge as a judicial advisor pursuant to this section 4346  
is a judicial function. 4347

(2) The purpose of the county council is to streamline and 4348  
coordinate existing government services for families seeking 4349  
services for their children. In seeking to fulfill its purpose, a 4350  
county council shall provide for the following: 4351

(a) Referrals to the cabinet council of those children for 4352  
whom the county council cannot provide adequate services; 4353

(b) Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;

(c) Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary, interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the department of health for early intervention services under the "Individuals with Disabilities Education Act of 2004";

(d) Maintenance of an accountability system to monitor the county council's progress in achieving results for families and children;

(e) Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the county system.

(3) A county council shall develop and implement the following:

(a) An interagency process to establish local indicators and monitor the county's progress toward increasing child well-being in the county;

(b) An interagency process to identify local priorities to increase child well-being. The local priorities shall focus on expectant parents and newborns thriving; infants and toddlers thriving; children being ready for school; children and youth succeeding in school; youth choosing healthy behaviors; and youth successfully transitioning into adulthood and take into account the indicators established by the cabinet council under division (A)(4)(a) of this section.

(c) An annual plan that identifies the county's interagency

efforts to increase child well-being in the county. 4385

On an annual basis, the county council shall submit a report 4386  
on the status of efforts by the county to increase child 4387  
well-being in the county to the county's board of county 4388  
commissioners and the cabinet council. This report shall be made 4389  
available to any other person on request. 4390

(4)(a) Except as provided in division (B)(4)(b) of this 4391  
section, a county council shall comply with the policies, 4392  
procedures, and activities prescribed by the rules or interagency 4393  
agreements of a state department participating on the cabinet 4394  
council whenever the county council performs a function subject to 4395  
those rules or agreements. 4396

(b) On application of a county council, the cabinet council 4397  
may grant an exemption from any rules or interagency agreements of 4398  
a state department participating on the council if an exemption is 4399  
necessary for the council to implement an alternative program or 4400  
approach for service delivery to families and children. The 4401  
application shall describe the proposed program or approach and 4402  
specify the rules or interagency agreements from which an 4403  
exemption is necessary. The cabinet council shall approve or 4404  
disapprove the application in accordance with standards and 4405  
procedures it shall adopt. If an application is approved, the 4406  
exemption is effective only while the program or approach is being 4407  
implemented, including a reasonable period during which the 4408  
program or approach is being evaluated for effectiveness. 4409

(5)(a) Each county council shall designate an administrative 4410  
agent for the council from among the following public entities: 4411  
the board of alcohol, drug addiction, and mental health services, 4412  
including a board of alcohol and drug addiction or a community 4413  
mental health board if the county is served by separate boards; 4414  
the board of county commissioners; any board of health of the 4415  
county's city and general health districts; the county department 4416

of job and family services; the county agency responsible for the 4417  
administration of children services pursuant to section 5153.15 of 4418  
the Revised Code; the county board of developmental disabilities; 4419  
any of the county's boards of education or governing boards of 4420  
educational service centers; or the county's juvenile court. Any 4421  
of the foregoing public entities, other than the board of county 4422  
commissioners, may decline to serve as the council's 4423  
administrative agent. 4424

A county council's administrative agent shall serve as the 4425  
council's appointing authority for any employees of the council. 4426  
The council shall file an annual budget with its administrative 4427  
agent, with copies filed with the county auditor and with the 4428  
board of county commissioners, unless the board is serving as the 4429  
council's administrative agent. The council's administrative agent 4430  
shall ensure that all expenditures are handled in accordance with 4431  
policies, procedures, and activities prescribed by state 4432  
departments in rules or interagency agreements that are applicable 4433  
to the council's functions. 4434

The administrative agent of a county council shall send 4435  
notice of a member's absence if a member listed in division (B)(1) 4436  
of this section has been absent from either three consecutive 4437  
meetings of the county council or a county council subcommittee, 4438  
or from one-quarter of such meetings in a calendar year, whichever 4439  
is less. The notice shall be sent to the board of county 4440  
commissioners that establishes the county council and, for the 4441  
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 4442  
section, to the governing board overseeing the respective entity; 4443  
for the member listed in division (B)(1)(f) of this section, to 4444  
the county board of developmental disabilities that employs the 4445  
superintendent; for a member listed in division (B)(1)(g) or (h) 4446  
of this section, to the school board that employs the 4447  
superintendent; for the member listed in division (B)(1)(i) of 4448

this section, to the mayor of the municipal corporation; for the 4449  
member listed in division (B)(1)(k) of this section, to the 4450  
director of youth services; and for the member listed in division 4451  
(B)(1)(n) of this section, to that member's board of trustees. 4452

The administrative agent for a county council may do any of 4453  
the following on behalf of the council: 4454

(i) Enter into agreements or administer contracts with public 4455  
or private entities to fulfill specific council business. Such 4456  
agreements and contracts are exempt from the competitive bidding 4457  
requirements of section 307.86 of the Revised Code if they have 4458  
been approved by the county council and they are for the purchase 4459  
of family and child welfare or child protection services or other 4460  
social or job and family services for families and children. The 4461  
approval of the county council is not required to exempt 4462  
agreements or contracts entered into under section 5139.34, 4463  
5139.41, or 5139.43 of the Revised Code from the competitive 4464  
bidding requirements of section 307.86 of the Revised Code. 4465

(ii) As determined by the council, provide financial 4466  
stipends, reimbursements, or both, to family representatives for 4467  
expenses related to council activity; 4468

(iii) Receive by gift, grant, devise, or bequest any moneys, 4469  
lands, or other property for the purposes for which the council is 4470  
established. The agent shall hold, apply, and dispose of the 4471  
moneys, lands, or other property according to the terms of the 4472  
gift, grant, devise, or bequest. Any interest or earnings shall be 4473  
treated in the same manner and are subject to the same terms as 4474  
the gift, grant, devise, or bequest from which it accrues. 4475

(b)(i) If the county council designates the board of county 4476  
commissioners as its administrative agent, the board may, by 4477  
resolution, delegate any of its powers and duties as 4478  
administrative agent to an executive committee the board 4479

establishes from the membership of the county council. The board 4480  
shall name to the executive committee at least the individuals 4481  
described in divisions (B)(1)(b) to (h) of this section and may 4482  
appoint the president of the board or another individual as the 4483  
chair of the executive committee. The executive committee must 4484  
include at least one family county council representative who does 4485  
not have a family member employed by an agency represented on the 4486  
council. 4487

(ii) The executive committee may, with the approval of the 4488  
board, hire an executive director to assist the county council in 4489  
administering its powers and duties. The executive director shall 4490  
serve in the unclassified civil service at the pleasure of the 4491  
executive committee. The executive director may, with the approval 4492  
of the executive committee, hire other employees as necessary to 4493  
properly conduct the county council's business. 4494

(iii) The board may require the executive committee to submit 4495  
an annual budget to the board for approval and may amend or repeal 4496  
the resolution that delegated to the executive committee its 4497  
authority as the county council's administrative agent. 4498

(6) Two or more county councils may enter into an agreement 4499  
to administer their county councils jointly by creating a regional 4500  
family and children first council. A regional council possesses 4501  
the same duties and authority possessed by a county council, 4502  
except that the duties and authority apply regionally rather than 4503  
to individual counties. Prior to entering into an agreement to 4504  
create a regional council, the members of each county council to 4505  
be part of the regional council shall meet to determine whether 4506  
all or part of the members of each county council will serve as 4507  
members of the regional council. 4508

(7) A board of county commissioners may approve a resolution 4509  
by a majority vote of the board's members that requires the county 4510  
council to submit a statement to the board each time the council 4511

proposes to enter into an agreement, adopt a plan, or make a 4512  
decision, other than a decision pursuant to section 121.38 of the 4513  
Revised Code, that requires the expenditure of funds for two or 4514  
more families. The statement shall describe the proposed 4515  
agreement, plan, or decision. 4516

Not later than fifteen days after the board receives the 4517  
statement, it shall, by resolution approved by a majority of its 4518  
members, approve or disapprove the agreement, plan, or decision. 4519  
Failure of the board to pass a resolution during that time period 4520  
shall be considered approval of the agreement, plan, or decision. 4521

An agreement, plan, or decision for which a statement is 4522  
required to be submitted to the board shall be implemented only if 4523  
it is approved by the board. 4524

(C) Each county shall develop a county service coordination 4525  
mechanism. The county service coordination mechanism shall serve 4526  
as the guiding document for coordination of services in the 4527  
county. For children who also receive services under the help me 4528  
grow program, the service coordination mechanism shall be 4529  
consistent with rules adopted by the department of health under 4530  
section 3701.61 of the Revised Code. All family service 4531  
coordination plans shall be developed in accordance with the 4532  
county service coordination mechanism. The mechanism shall be 4533  
developed and approved with the participation of the county 4534  
entities representing child welfare; developmental disabilities; 4535  
alcohol, drug addiction, and mental health services; health; 4536  
juvenile judges; education; the county family and children first 4537  
council; and the county early intervention collaborative 4538  
established pursuant to the federal early intervention program 4539  
operated under the "Individuals with Disabilities Education Act of 4540  
2004." The county shall establish an implementation schedule for 4541  
the mechanism. The cabinet council may monitor the implementation 4542  
and administration of each county's service coordination 4543

mechanism. 4544

Each mechanism shall include all of the following: 4545

(1) A procedure for an agency, including a juvenile court, or 4546  
a family voluntarily seeking service coordination, to refer the 4547  
child and family to the county council for service coordination in 4548  
accordance with the mechanism; 4549

(2) A procedure ensuring that a family and all appropriate 4550  
staff from involved agencies, including a representative from the 4551  
appropriate school district, are notified of and invited to 4552  
participate in all family service coordination plan meetings; 4553

(3) A procedure that permits a family to initiate a meeting 4554  
to develop or review the family's service coordination plan and 4555  
allows the family to invite a family advocate, mentor, or support 4556  
person of the family's choice to participate in any such meeting; 4557

(4) A procedure for ensuring that a family service 4558  
coordination plan meeting is conducted for each child who receives 4559  
service coordination under the mechanism and for whom an emergency 4560  
out-of-home placement has been made or for whom a nonemergency 4561  
out-of-home placement is being considered. The meeting shall be 4562  
conducted within ten days of an emergency out-of-home placement. 4563  
The meeting shall be conducted before a nonemergency out-of-home 4564  
placement. The family service coordination plan shall outline how 4565  
the county council members will jointly pay for services, where 4566  
applicable, and provide services in the least restrictive 4567  
environment. 4568

(5) A procedure for monitoring the progress and tracking the 4569  
outcomes of each service coordination plan requested in the county 4570  
including monitoring and tracking children in out-of-home 4571  
placements to assure continued progress, appropriateness of 4572  
placement, and continuity of care after discharge from placement 4573  
with appropriate arrangements for housing, treatment, and 4574

education; 4575

(6) A procedure for protecting the confidentiality of all 4576  
personal family information disclosed during service coordination 4577  
meetings or contained in the comprehensive family service 4578  
coordination plan; 4579

(7) A procedure for assessing the needs and strengths of any 4580  
child or family that has been referred to the council for service 4581  
coordination, including a child whose parent or custodian is 4582  
voluntarily seeking services, and for ensuring that parents and 4583  
custodians are afforded the opportunity to participate; 4584

(8) A procedure for development of a family service 4585  
coordination plan described in division (D) of this section; 4586

(9) A local dispute resolution process to serve as the 4587  
process that must be used first to resolve disputes among the 4588  
agencies represented on the county council concerning the 4589  
provision of services to children, including children who are 4590  
abused, neglected, dependent, unruly, alleged unruly, or 4591  
delinquent children and under the jurisdiction of the juvenile 4592  
court and children whose parents or custodians are voluntarily 4593  
seeking services. The local dispute resolution process shall 4594  
comply with sections 121.38, 121.381, and 121.382 of the Revised 4595  
Code. The local dispute resolution process shall be used to 4596  
resolve disputes between a child's parents or custodians and the 4597  
county council regarding service coordination. The county council 4598  
shall inform the parents or custodians of their right to use the 4599  
dispute resolution process. Parents or custodians shall use 4600  
existing local agency grievance procedures to address disputes not 4601  
involving service coordination. The dispute resolution process is 4602  
in addition to and does not replace other rights or procedures 4603  
that parents or custodians may have under other sections of the 4604  
Revised Code. 4605

The cabinet council shall adopt rules in accordance with 4606  
Chapter 119. of the Revised Code establishing an administrative 4607  
review process to address problems that arise concerning the 4608  
operation of a local dispute resolution process. 4609

Nothing in division (C)(4) of this section shall be 4610  
interpreted as overriding or affecting decisions of a juvenile 4611  
court regarding an out-of-home placement, long-term placement, or 4612  
emergency out-of-home placement. 4613

(D) Each county shall develop a family service coordination 4614  
plan that does all of the following: 4615

(1) Designates service responsibilities among the various 4616  
state and local agencies that provide services to children and 4617  
their families, including children who are abused, neglected, 4618

(3) Ensures that assistance and services to be provided are 4626

decisions. Identified assistance and services shall be provided in 4630  
the least restrictive environment possible. 4631

(5) Includes timelines for completion of goals specified in 4635  
the plan with regular reviews scheduled to monitor progress toward 4636

those goals; 4637

(6) Includes a plan for dealing with short-term crisis 4638  
situations and safety concerns. 4639

(E)(1) The process provided for under division (D)(4) of this 4640  
section may include, but is not limited to, the following: 4641

(a) Designation of the person or agency to conduct the 4642

may include, but is not limited to, the following: 4653

(a) The preparation of a complaint under section 2151.27 of 4654  
the Revised Code alleging that the child is an unruly child and 4655  
notifying the child and the parents, guardian, or custodian that 4656  
the complaint has been prepared to encourage the child and the 4657  
parents, guardian, or custodian to comply with other methods to 4658  
divert the child from the juvenile court system; 4659

(b) Conducting a meeting with the child, the parents, 4660  
guardian, or custodian, and other interested parties to determine 4661  
the appropriate methods to divert the child from the juvenile 4662  
court system; 4663

(c) A method to provide to the child and the child's family a 4664  
short-term respite from a short-term crisis situation involving a 4665

custodian; 4667

(d) A program to provide a mentor to the child or the 4668

to, any alternative methods to divert a child from the juvenile 4676  
court system that are identified by the Ohio family and children 4677  
first cabinet council. 4678

(F) Each county may review and revise the service 4679  
coordination process described in division (D) of this section 4680  
based on the availability of funds under Title IV-A of the "Social 4681  
Security Act," 110 Stat. 2113 (1996), 42 U.S.C.A. 601, as amended, 4682  
or to the extent resources are available from any other federal, 4683  
state, or local funds. 4684

Sec. 121.374. (A) It is the intent of this state and the 4685  
general assembly that custody relinquishment for the sole purpose 4686  
of gaining access to child-specific services for multi-system 4687  
children and youth shall cease. 4688

(B) The Ohio family and children first council established 4689  
under section 121.37 of the Revised Code shall develop a 4690  
comprehensive multi-system youth action plan that does the 4691  
following: 4692

(1) Defines and establishes shared responsibility between 4693  
county and state child-serving systems for providing and funding 4694  
multi-system youth services; 4695

(2) Provides recommendations for flexible spending at the 4696

state level within the cabinet council; 4697

relinquishment for the sole purpose of gaining access to services 4702  
for multi-system children and youth; 4703

(5) Implements the full final recommendations of the joint 4704  
legislative committee for multi-system youth; 4705

(6) Conducts an assessment of the legal and financial 4706  
conditions that contribute to custody relinquishment for the 4707  
purposes of receiving child-specific services. 4708

(C) Not later than December 31, 2019, the cabinet council 4709  
shall submit its final action plan to the general assembly. 4710

**Sec. 121.93.** (A) An agency, ~~at reasonable intervals,~~ shall 4711  
review its operations to identify principles of law or policy that 4712  
have not been stated in a rule and that the agency is relying upon 4713  
in conducting adjudications or other determinations of rights and 4714  
liabilities or in issuing writings and other materials, such as 4715  
instructions, directives, policy statements, guidelines, 4716  
handbooks, manuals, advisories, notices, circulars, 4717  
advertisements, forms, letters, and opinions. An agency is not 4718  
required to identify principles of law or policy relied upon in 4719  
issuing internal management rules as defined in section 111.15 of 4720  
the Revised Code. The agency shall complete at least one of the 4721  
reviews during a governor's term. ~~Within~~ 4722

Within three months after the expiration of a governor's 4723  
term, the agency electronically shall transmit a report to the 4724  
joint committee on agency rule review, ~~a notice stating~~ containing 4725  
the following: 4726

<u>(1) A statement that the agency has completed one or more of</u>	4727
<u>the reviews, specifying the exact number of reviews completed</u>	4728
<u>during the governor's expired term;</u>	4729
<u>(2) The principles of law or policies identified under this</u>	4730
<u>division;</u>	4731
<u>(3) The agency's considerations regarding the identified</u>	4732
<u>principles of law or policies under division (B) of this section;</u>	4733
<u>(4) Any principles of law or policies for which the agency</u>	4734
<u>determines rulemaking is indicated or for which the agency has</u>	4735
<u>commenced the rule-making process under division (C) of this</u>	4736
<u>section.</u>	4737
<u>The joint committee on agency rule review shall make the</u>	4738
<u>reports available on its web site.</u>	4739
(B) The agency shall determine whether a principle of law or	4740
policy thus identified has a general and uniform operation and	4741
establishes a legal regulation or standard that would not exist in	4742
its absence. If the principle of law or policy has these	4743
characteristics, the agency shall determine whether the principle	4744
of law or policy should be supplanted by its restatement in a rule	4745
to achieve one or more of the following as they are relevant to	4746
the principle of law or policy:	4747
(1) Assert the general and uniform operation of the principle	4748
of law or policy;	4749
(2) Make the principle of law or policy more readily	4750
available to the public;	4751
(3) Make the principle of law or policy more readily	4752
available to persons who specifically are affected by the	4753
principle of law or policy;	4754
(4) Enable the principle of law or policy to be better known	4755
in advance of its application;	4756

(5) Enable greater public participation in improvement and 4757  
further development of the principle of law or policy; 4758

(6) Enable greater participation by persons specifically 4759  
affected by the principle of law or policy in the improvement and 4760  
further development of the principle of law or policy; 4761

(7) Make the principle of law or policy more easily 4762  
understandable; or 4763

(8) Make the principle of law or policy more readily 4764  
available to those legally charged with monitoring or reviewing 4765  
the agency's operations. 4766

If a principle of law or policy aids in the interpretation of 4767  
an existing rule or statute, the agency shall consider whether the 4768  
aiding effect clarifies or otherwise resolves an uncertainty in 4769  
the existing rule or statute. If the principle of law or policy 4770  
can be so characterized, the agency shall consider whether the 4771  
principle of law or policy should be supplanted by its restatement 4772  
in an interpretive rule. The agency may not presume that a 4773  
principle of law or policy that aids in the interpretation of an 4774  
existing rule or statute is simply a reiteration of the existing 4775  
rule or statute. 4776

(C) If the agency determines, in light of the foregoing 4777  
standards, that rulemaking is indicated, the agency shall commence 4778  
the rule-making process as soon as it is reasonably feasible to do 4779  
so, but not later than the date that is six months after the 4780  
determination was made. The principle of law or policy as it is 4781  
restated in a rule does not need to be wholly congruent with the 4782  
supplanted principle of law or policy. The agency lawfully may 4783  
improve or develop further the supplanted principle of law or 4784  
policy as it is restated in a rule. 4785

The agency may continue to rely upon the principle of law or 4786  
policy, but only while it is complying with the preceding 4787

paragraph. The agency may not rely upon the principle of law or 4788  
policy in advising with regard to or in determining the rights or 4789  
liabilities of a person if the agency fails to commence the 4790  
rule-making process by the deadline specified in the preceding 4791  
paragraph, or if, after commencing the rule-making process, the 4792  
agency neglects or abandons the rule-making process before it is 4793  
completed. 4794

(D) A principle of law or policy that is relied upon directly 4795  
or by clear implication from a statute applying to the agency does 4796  
not need to be supplanted by rule. 4797

Sec. 121.95. (A) As used in this section, "state agency" 4798  
means an administrative department created under section 121.02 of 4799

attributed to the agency under which the official or entity is 4808  
organized for the purposes of this section. 4809

(B) Not later than December 31, 2019, a state agency shall 4810  
review its existing rules to identify rules having one or more 4811  
regulatory restrictions that require or prohibit an action and 4812  
prepare a base inventory of the regulatory restrictions in its 4813  
existing rules. Rules that include the words "shall," "must," 4814  
"require," "shall not," "may not," and "prohibit" shall be 4815  
considered to contain regulatory restrictions. 4816

(C) In the base inventory, the state agency shall indicate 4817  
all of the following concerning each regulatory restriction: 4818

<u>(1) A description of the regulatory restriction;</u>	4819
<u>(2) The rule number of the rule in which the regulatory restriction appears;</u>	4820 4821
<u>(3) The statute under which the regulatory restriction was adopted;</u>	4822 4823
<u>(4) Whether state or federal law expressly and specifically requires the agency to adopt the regulatory restriction or the agency adopted the regulatory restriction under the agency's general authority;</u>	4824 4825 4826 4827
<u>(5) Whether removing the regulatory restriction would require a change to state or federal law, provided that removing a regulatory restriction adopted under a law granting the agency general authority shall be presumed not to require a change to state or federal law;</u>	4828 4829 4830 4831 4832
<u>(6) Any other information the joint committee on agency rule review considers necessary.</u>	4833 4834
<u>(D) The state agency shall compute and state the total number of regulatory restrictions indicated in the base inventory, shall post the base inventory on its web site, and shall electronically transmit a copy of the inventory to the joint committee. The joint committee shall review the base inventory, then transmit it electronically to the speaker of the house of representatives and the president of the senate.</u>	4835 4836 4837 4838 4839 4840 4841
<u>(E) The following types of rules or regulatory restrictions are not required to be included in a state agency's inventory of regulatory restrictions:</u>	4842 4843 4844
<u>(1) An internal management rule;</u>	4845
<u>(2) An emergency rule;</u>	4846
<u>(3) A rule that state or federal law requires the state agency to adopt verbatim;</u>	4847 4848

<u>(4) A regulatory restriction contained in materials or documents incorporated by reference into a rule pursuant to sections 121.71 to 121.75 of the Revised Code;</u>	4849 4850 4851
<u>(5) A rule adopted pursuant to section 1347.15 of the Revised Code;</u>	4852 4853
<u>(6) A rule concerning instant lottery games;</u>	4854
<u>(7) Any other rule that is not subject to review under Chapter 106. of the Revised Code.</u>	4855 4856
<u>(F) Beginning on the effective date of this section and ending on June 30, 2023, a state agency may not adopt a new regulatory restriction unless it simultaneously removes two or more other existing regulatory restrictions. The state agency may not satisfy this section by merging two or more existing regulatory restrictions into a single surviving regulatory restriction.</u>	4857 4858 4859 4860 4861 4862 4863

(b) The difference in cost between blended biodiesel and 4884  
diesel fuel containing two per cent or less biodiesel at the time 4885  
that the blended biodiesel is purchased. 4886

(B) For the purpose of improving the air quality in this 4887  
state, the director of development services shall establish an 4888  
alternative fuel transportation program under which the director 4889  
may make grants and loans to businesses, nonprofit organizations, 4890  
public school systems, or local governments for the purchase and 4891

(C) The director, in consultation with the director of 4898

(d) Entities that have committed to utilizing purchased or installed facilities or terminals for the greatest number of years;	4915 4916 4917
(e) Entities that will be purchasing or installing facilities or terminals for any type of alternative fuel.	4918 4919
(3) A requirement that the maximum incentive for the purchase and installation of an alternative fuel refueling or distribution facility or terminal be eighty per cent of the cost of the facility or terminal, except that at least twenty per cent of the total cost of the facility or terminal shall be incurred by the recipient and not compensated for by any other source;	4920 4921 4922 4923 4924 4925
(4) A requirement that the maximum incentive for the purchase of alternative fuel be eighty per cent of the cost of the fuel or, in the case of blended biodiesel or blended gasoline, eighty per cent of the incremental cost of the blended biodiesel or blended gasoline;	4926 4927 4928 4929 4930
(5) Any other criteria, procedures, or guidelines that the director determines are necessary to administer the program, including fees, charges, interest rates, and payment schedules.	4931 4932 4933

three years after the project is completed. 4939

The director shall enter into a written confidentiality 4940  
agreement with the applicant regarding the gallon or gallon 4941  
equivalent amounts sold as described in this division, and upon 4942  
execution of the agreement this information is not a public 4943

**Sec. 122.121.** (A) A local organizing committee, endorsing 4957  
municipality, or endorsing county that has entered into a joinder 4958  
undertaking with a site selection organization may apply to the 4959  
director of development services, on a form and in the manner 4960  
prescribed by the director, for a grant from the sports event 4961  
grant fund created under section 122.122 of the Revised Code with 4962  
respect to a game ~~that has not been held in this state by the~~ 4963  
~~organization in either of the two preceding years and to which~~ 4964  
either of the following applies: 4965

(1) The organization accepts competitive bids to host the 4966  
game. 4967

(2) The game is a one-time centennial commemoration of the 4968

founding of a national football organization, association, or league. 4969  
4970

The amount of the grant shall be based on the projected 4971  
incremental increase in the receipts from the tax imposed under 4972  
section 5739.02 of the Revised Code within the market area 4973  
designated under division (C) of this section, for the two-week 4974  
period that ends at the end of the day after the date on which the 4975  
game will be held, that is directly attributable, as determined by 4976  
the director, to the preparation for and presentation of the game. 4977  
The director shall determine the projected incremental increase in 4978  
the tax imposed under section 5739.02 of the Revised Code by using 4979  
a formula approved by the director in consultation with the tax 4980  
commissioner. The application shall include an estimate of the 4981  
committee's, municipality's, or county's qualifying costs under 4982  
the game support contract. The local organizing committee, 4983  
endorsing municipality, or endorsing county is eligible to receive 4984  
a grant under this section only if the projected incremental 4985  
increase in receipts from the tax imposed under section 5739.02 of 4986  
the Revised Code, as determined by the director, exceeds two 4987  
hundred fifty thousand dollars. The amount of the grant ~~shall be~~ 4988  
shall be not less than fifty per cent of the projected incremental 4989  
increase in receipts, as determined by the director, but shall not 4990  
exceed the lesser of two million dollars or the amount of the 4991  
committee's, municipality's, or county's qualifying costs under 4992  
the game support contract. The director shall disburse the grant 4993  
to the local organizing committee, endorsing municipality, or 4994  
endorsing county from the sports event grant fund. 4995

(B) If the director of development services approves an 4996  
application for a local organizing committee, endorsing 4997  
municipality, or endorsing county and that local organizing 4998  
committee, endorsing municipality, or endorsing county enters into 4999  
a joinder agreement with a site selection organization, the local 5000

organizing committee, endorsing municipality, or endorsing county 5001  
shall file a copy of the joinder agreement with the director. The 5002  
grant shall be used exclusively by the local organizing committee, 5003  
endorsing municipality, or endorsing county to pay its qualifying 5004  
costs under the game support contract. 5005

(C) For the purposes of division (A) of this section, the 5006  
director of development services, in consultation with the tax 5007  
commissioner, shall designate the market area for a game. The 5008  
market area shall consist of the combined statistical area, as 5009  
defined by the United States office of management and budget, in 5010  
which an endorsing municipality or endorsing county is located. 5011

(D) A local organizing committee, endorsing municipality, or 5012  
endorsing county shall provide information required by the 5013  
director of development services and tax commissioner to enable 5014  
the director and commissioner to fulfill their duties under this 5015  
section, including annual audited statements of any financial 5016  
records required by a site selection organization; data obtained 5017  
by the local organizing committee, endorsing municipality, or 5018  
endorsing county relating to attendance at a game and to the 5019  
economic impact of the game; and financial records from the 5020  
committee, municipality, or county verifying its qualifying costs 5021  
under the game support contract. A local organizing committee, an 5022  
endorsing municipality, or an endorsing county shall provide an 5023  
annual audited financial statement if so required by the director 5024  
and commissioner, not later than the end of the fourth month after 5025  
the date the period covered by the financial statement ends. 5026

(E) Within thirty days after the game, the local organizing 5027  
committee, endorsing municipality, or endorsing county shall 5028  
certify to the director of development services a statement of its 5029  
qualifying costs under the game support contract and a report 5030  
about the economic impact of the game. The certification shall be 5031  
in the form and substance required by the director, including, but 5032

not limited to, a final income statement for the event showing 5033  
total revenue and expenditures and revenue and expenditures in the 5034  
market area for the game, and ticket sales for the game and any 5035  
related activities for which admission was charged. The director 5036  
shall determine, based on the reported information and the 5037  
exercise of reasonable judgment, the incremental increase in 5038  
receipts from the tax imposed under section 5739.02 of the Revised 5039  
Code directly attributable to the game and the committee's, 5040  
municipality's, or county's qualifying costs under the game 5041  
support contract. If the actual incremental increase in sales tax 5042  
receipts is less than the projected incremental increase in such 5043  
receipts, or if the actual qualifying costs are less than the 5044  
estimated qualifying costs, the director may require the local 5045  
organizing committee, endorsing municipality, or endorsing county 5046  
to refund to the state all or a portion of the grant. Any refund 5047  
remitted under this division shall be credited to the sports event 5048  
grant fund. 5049

(F) No disbursement may be made under this section if the 5050  
director of development services determines that it would be used 5051  
for the purpose of soliciting the relocation of a professional 5052  
sports franchise located in this state. 5053

(G) This section may not be construed as creating or 5054  
requiring a state guarantee of obligations imposed on an endorsing 5055  
municipality or endorsing county under a game support contract or 5056  
any other agreement relating to hosting one or more games in this 5057  
state. 5058

subzones for which a permit has been granted and remains active. 5145

(B) The tax credit authority created under section 122.17 of 5146  
the Revised Code may grant a nonrefundable tax credit to an 5147  
eligible business under this section for the purpose of fostering 5148

business and upon consideration of the determination of the 5150  
director of budget and management, tax commissioner, and the 5151  
superintendent of insurance in the case of an insurance company, 5152  
and the recommendation and determination of the director of 5153  
development services under division (C) of this section, the tax 5154  
credit authority may grant the credit against the tax imposed by 5155

section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 5156  
5751.02 of the Revised Code. 5157

The credit authorized in this section may be granted for a 5158

levied by section 5736.02 or 5751.02 of the Revised Code, for a 5160

which a credit may be claimed equals the Ohio employee payroll for 5163  
that year multiplied by the percentage specified in the agreement 5164  
with the tax credit authority. The credit shall be claimed in the 5165  
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 5166

percentage and term of the credit, the tax credit authority shall 5168  
consider both the number of full-time equivalent employees and the 5169  
value of the capital investment project. The credit amount may not 5170  
be based on the Ohio employee payroll for a calendar year before 5171  
the calendar year in which the tax credit authority specifies the 5172  
tax credit is to begin, and the credit shall be claimed only for 5173  
the taxable years or tax periods specified in the eligible 5174  
business' agreement with the tax credit authority. In no event 5175  
shall the credit be claimed for a taxable year or tax period 5176  
terminating before the date specified in the agreement. 5177

If a credit allowed under this section for a taxable year or 5178  
tax period exceeds the taxpayer's tax liability for that year or 5179  
period, the excess may be carried forward for the three succeeding 5180  
taxable or calendar years, but the amount of any excess credit 5181  
allowed in any taxable year or tax period shall be deducted from 5182  
the balance carried forward to the succeeding year or period. 5183

(C) A taxpayer that proposes a capital investment project to 5184  
retain jobs in this state may apply to the tax credit authority to 5185  
enter into an agreement for a tax credit under this section. The 5186  
director of development services shall prescribe the form of the 5187

application. After receipt of an application, the authority shall 5188  
forward copies of the application to the director of budget and 5189  
management, the tax commissioner, and the superintendent of 5190  
insurance in the case of an insurance company, each of whom shall 5191  
review the application to determine the economic impact the 5192  
proposed project would have on the state and the affected 5193  
political subdivisions and shall submit a summary of their 5194  
determinations to the authority. The authority shall also forward 5195  
a copy of the application to the director of development services, 5196  
who shall review the application to determine the economic impact 5197  
the proposed project would have on the state and the affected 5198  
political subdivisions and shall submit a summary of the 5199  
director's determinations and recommendations to the authority. 5200

(D) Upon review and consideration of the determinations and 5201  
recommendations described in division (C) of this section, the tax 5202  
credit authority may enter into an agreement with the taxpayer for 5203  
a credit under this section if the authority determines all of the 5204  
following: 5205

(1) The taxpayer's capital investment project will result in 5206  
the retention of employment in this state. 5207

(2) The taxpayer is economically sound and has the ability to 5208  
complete the proposed capital investment project. 5209

(3) The taxpayer intends to and has the ability to maintain 5210  
operations at the project site for at least the greater of (a) the 5211  
term of the credit plus three years, or (b) seven years. 5212

(4) Receiving the credit is a major factor in the taxpayer's 5213  
decision to begin, continue with, or complete the project. 5214

(E) An agreement under this section shall include all of the 5215  
following: 5216

(1) A detailed description of the project that is the subject 5217  
of the agreement, including the amount of the investment, the 5218

period over which the investment has been or is being made, the 5219  
number of full-time equivalent employees at the project site, and 5220  
the anticipated Ohio employee payroll to be generated. 5221

(2) The term of the credit, the percentage of the tax credit, 5222  
the maximum annual value of tax credits that may be allowed each 5223  
year, and the first year for which the credit may be claimed. 5224

(3) A requirement that the taxpayer maintain operations at 5225  
the project site for at least the greater of (a) the term of the 5226  
credit plus three years, or (b) seven years. 5227

(4) A (a) If the taxpayer is engaged at the project site 5228  
primarily in significant corporate administrative functions, a 5229  
requirement that the taxpayer either retain at least five hundred 5230  
full-time equivalent employees at the project site and within this 5231  
state for the entire term of the credit, ~~or a requirement that the~~ 5232  
~~taxpayer~~ maintain an annual Ohio employee payroll of at least 5233  
thirty-five million dollars for the entire term of the credit, or 5234  
remain located in a foreign trade zone for the entire term of the 5235  
credit; 5236

(b) If the taxpayer is engaged at the project site primarily 5237  
as a manufacturer, a requirement that the taxpayer maintain at 5238  
least the number of full-time equivalent employees specified in 5239  
the agreement pursuant to division (E)(1) of this section at the 5240  
project site and within this state for the entire term of the 5241  
credit. 5242

(5) A requirement that the taxpayer annually report to the 5243  
director of development services full-time equivalent employees, 5244  
Ohio employee payroll, capital investment, and other information 5245  
the director needs to perform the director's duties under this 5246  
section. 5247

(6) A requirement that the director of development services 5248  
annually review the annual reports of the taxpayer to verify the 5249

information reported under division (E)(5) of this section and 5250  
compliance with the agreement. Upon verification, the director 5251  
shall issue a certificate to the taxpayer stating that the 5252  
information has been verified and identifying the amount of the 5253  
credit for the taxable year or calendar year that includes the tax 5254  
period. In determining the number of full-time equivalent 5255  
employees, no position shall be counted that is filled by an 5256  
employee who is included in the calculation of a tax credit under 5257  
section 122.17 of the Revised Code. 5258

(7) A provision providing that the taxpayer may not relocate 5259  
a substantial number of employment positions from elsewhere in 5260  
this state to the project site unless the director of development 5261  
services determines that the taxpayer notified the legislative 5262  
authority of the county, township, or municipal corporation from 5263  
which the employment positions would be relocated. 5264

For purposes of this section, the movement of an employment 5265  
position from one political subdivision to another political 5266  
subdivision shall be considered a relocation of an employment 5267  
position unless the movement is confined to the project site. The 5268  
transfer of an employment position from one political subdivision 5269  
to another political subdivision shall not be considered a 5270  
relocation of an employment position if the employment position in 5271  
the first political subdivision is replaced by another employment 5272  
position. 5273

(8) A waiver by the taxpayer of any limitations periods 5274  
relating to assessments or adjustments resulting from the 5275  
taxpayer's failure to comply with the agreement. 5276

(F) If a taxpayer fails to meet or comply with any condition 5277  
or requirement set forth in a tax credit agreement, the tax credit 5278  
authority may amend the agreement to reduce the percentage or term 5279  
of the credit. The reduction of the percentage or term may take 5280  
effect in the current taxable or calendar year. 5281

(G) Financial statements and other information submitted to 5282  
the department of development services or the tax credit authority 5283  
by an applicant for or recipient of a tax credit under this 5284  
section, and any information taken for any purpose from such 5285  
statements or information, are not public records subject to 5286  
section 149.43 of the Revised Code. However, the chairperson of 5287  
the authority may make use of the statements and other information 5288  
for purposes of issuing public reports or in connection with court 5289  
proceedings concerning tax credit agreements under this section. 5290  
Upon the request of the tax commissioner, or the superintendent of 5291  
insurance in the case of an insurance company, the chairperson of 5292  
the authority shall provide to the commissioner or superintendent 5293  
any statement or other information submitted by an applicant for 5294  
or recipient of a tax credit in connection with the credit. The 5295  
commissioner or superintendent shall preserve the confidentiality 5296  
of the statement or other information. 5297

(H) A taxpayer claiming a tax credit under this section shall 5298  
submit to the tax commissioner or, in the case of an insurance 5299  
company, to the superintendent of insurance, a copy of the 5300  
director of development services' certificate of verification 5301  
under division (E)(6) of this section with the taxpayer's tax 5302  
report or return for the taxable year or for the calendar year 5303  
that includes the tax period. Failure to submit a copy of the 5304  
certificate with the report or return does not invalidate a claim 5305  
for a credit if the taxpayer submits a copy of the certificate to 5306  
the commissioner or superintendent within the time prescribed by 5307  
section 5703.0510 of the Revised Code or within thirty days after 5308  
the commissioner or superintendent requests it. 5309

(I) For the purposes of this section, a taxpayer may include 5310  
a partnership, a corporation that has made an election under 5311  
subchapter S of chapter one of subtitle A of the Internal Revenue 5312  
Code, or any other business entity through which income flows as a 5313

distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (E)(5) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(J)(1) If the director of development services determines that a taxpayer that received a certificate under division (E)(6) of this section is not complying with the requirements of the agreement, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the authority may terminate the agreement and require the taxpayer, or any related member or members that claimed the tax credit under division (N) of this section, to refund to the state all or a portion of the credit claimed in previous years, as follows:

(a) If the taxpayer fails to comply with the requirement under division (E)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project site for less than or equal to the term of the credit, an amount not to exceed one hundred per cent of the sum of any tax credits allowed and received under this section.

(ii) If the taxpayer maintained operations at the project site longer than the term of the credit, but less than the greater of seven years or the term of the credit plus three years, the amount required to be refunded shall not exceed seventy-five per cent of the sum of any tax credits allowed and received under this

section. 5346

(b) If the taxpayer fails to substantially ~~maintain both the~~ 5347  
~~number of full-time equivalent employees and the amount of Ohio~~ 5348  
~~employee payroll, satisfy the employment, payroll, or location~~ 5349  
requirements required under the agreement, as prescribed under 5350  
division (E)(4)(a) or (b), as applicable to the taxpayer, at any 5351  
time during the term of the agreement or during the post-term 5352  
reporting period, an amount determined at the discretion of the 5353  
authority. 5354

(2) If a taxpayer files for bankruptcy and fails as described 5355  
in division (J)(1)(a) or (b) of this section, the director may 5356  
immediately commence an action to recoup an amount not exceeding 5357  
one hundred per cent of the sum of any credits received by the 5358  
taxpayer under this section. 5359

(3) In determining the portion of the credit to be refunded 5360  
to this state, the authority shall consider the effect of market 5361  
conditions on the taxpayer's project and whether the taxpayer 5362  
continues to maintain other operations in this state. After making 5363  
the determination, the authority shall certify the amount to be 5364  
refunded to the tax commissioner or the superintendent of 5365  
insurance. If the taxpayer, or any related member or members who 5366  
claimed the tax credit under division (N) of this section, is not 5367  
an insurance company, the commissioner shall make an assessment 5368  
for that amount against the taxpayer under Chapter 5726., 5733., 5369  
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 5370  
any related member or members that claimed the tax credit under 5371  
division (N) of this section, is an insurance company, the 5372  
superintendent of insurance shall make an assessment under section 5373  
5725.222 or 5729.102 of the Revised Code. The time limitations on 5374  
assessments under those chapters and sections do not apply to an 5375  
assessment under this division, but the commissioner or 5376  
superintendent shall make the assessment within one year after the 5377

date the authority certifies to the commissioner or superintendent 5378  
the amount to be refunded. 5379

(K) The director of development services, after consultation 5380  
with the tax commissioner and the superintendent of insurance and 5381  
in accordance with Chapter 119. of the Revised Code, shall adopt 5382  
rules necessary to implement this section. The rules may provide 5383  
for recipients of tax credits under this section to be charged 5384  
fees to cover administrative costs of the tax credit program. The 5385  
fees collected shall be credited to the tax incentives operating 5386  
fund created in section 122.174 of the Revised Code. At the time 5387  
the director gives public notice under division (A) of section 5388  
119.03 of the Revised Code of the adoption of the rules, the 5389  
director shall submit copies of the proposed rules to the 5390  
chairpersons of the standing committees on economic development in 5391  
the senate and the house of representatives. 5392

(L) On or before the first day of August of each year, the 5393  
director of development services shall submit a report to the 5394  
governor, the president of the senate, and the speaker of the 5395  
house of representatives on the tax credit program under this 5396  
section. The report shall include information on the number of 5397  
agreements that were entered into under this section during the 5398  
preceding calendar year, a description of the project that is the 5399  
subject of each such agreement, and an update on the status of 5400  
projects under agreements entered into before the preceding 5401  
calendar year. 5402

(M) The aggregate amount of nonrefundable tax credits issued 5403  
under this section during any calendar year for capital investment 5404  
projects reviewed and approved by the tax credit authority may not 5405  
exceed the following amounts: 5406

(1) For 2010, thirteen million dollars; 5407

(2) For 2011 through 2023, the amount of the limit for the 5408

preceding calendar year plus thirteen million dollars; 5409

(3) For 2024 and each year thereafter, one hundred 5410  
ninety-five million dollars. 5411

The limitations in division (M) of this section do not apply 5412  
to credits for capital investment projects approved by the tax 5413  
credit authority before July 1, 2009. 5414

(N) This division applies only to an eligible business that 5415  
is part of an affiliated group that includes a diversified savings 5416  
and loan holding company or a grandfathered unitary savings and 5417  
loan holding company, as those terms are defined in section 5418  
5726.01 of the Revised Code. Notwithstanding any contrary 5419  
provision of the agreement between such an eligible business and 5420  
the tax credit authority, any credit granted under this section 5421  
against the tax imposed by section 5725.18, 5729.03, 5733.06, 5422  
5747.02, or 5751.02 of the Revised Code to the eligible business, 5423  
at the election of the eligible business and without any action by 5424  
the tax credit authority, may be shared with any member or members 5425  
of the affiliated group that includes the eligible business, which 5426  
member or members may claim the credit against the taxes imposed 5427  
by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 5428  
of the Revised Code. Credits shall be claimed by the eligible 5429  
business in sequential order, as applicable, first claiming the 5430  
credits to the fullest extent possible against the tax that the 5431  
certificate holder is subject to, then against the tax imposed by, 5432  
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 5433  
lastly 5726.02 of the Revised Code. The credits may be allocated 5434  
among the members of the affiliated group in such manner as the 5435  
eligible business elects, but subject to the sequential order 5436  
required under this division. This division applies to credits 5437  
granted before, on, or after March 27, 2013, the effective date of 5438  
H.B. 510 of the 129th general assembly. Credits granted before 5439  
that effective date that are shared and allocated under this 5440

division may be claimed in those calendar years in which the 5441

applicant ceases operations at the eligible computer data center 5631  
during the term of the agreement but resumes those operations 5632  
within eighteen months after the date of cessation. The agreement 5633  
shall provide that, in such a case, the applicant and any other 5634  
taxpayer that operates a computer data center business at the 5635  
project site shall not claim the tax exemption authorized in the 5636

annually report to the director of development services 5650  
employment, tax withholding, capital investment, and other 5651  
information required by the director to perform the director's 5652  
duties under this section. 5653

(6) A requirement that the director of development services 5654  
annually review the annual reports of each taxpayer subject to the 5655  
agreement to verify the information reported under division (E)(5) 5656

of this section and compliance with the agreement. Upon 5657  
verification, the director shall issue a certificate to each such 5658  
taxpayer stating that the information has been verified and that 5659  
the taxpayer remains eligible for the exemption specified in the 5660  
agreement. 5661

(7) A provision providing that the taxpayers subject to the 5662  
agreement may not relocate a substantial number of employment 5663  
positions from elsewhere in this state to the project site unless 5664  
the director of development services determines that the 5665  
appropriate taxpayer notified the legislative authority of the 5666  
county, township, or municipal corporation from which the 5667  
employment positions would be relocated. For purposes of this 5668  
paragraph, the movement of an employment position from one 5669  
political subdivision to another political subdivision shall be 5670  
considered a relocation of an employment position unless the 5671  
movement is confined to the project site. The transfer of an 5672  
employment position from one political subdivision to another 5673  
political subdivision shall not be considered a relocation of an 5674  
employment position if the employment position in the first 5675  
political subdivision is replaced by another employment position. 5676

(8) A waiver by each taxpayer subject to the agreement of any 5677

agreement. 5680

(F) The term of an agreement under this section shall be 5681  
determined by the tax credit authority, and the amount of the 5682  
exemption shall not exceed one hundred per cent of such taxes that 5683  
would otherwise be owed in respect to the exempted computer data 5684  
center equipment. 5685

(G) If any taxpayer subject to an agreement under this 5686  
section fails to meet or comply with any condition or requirement 5687  
set forth in the agreement, the tax credit authority may amend the 5688

agreement to reduce the percentage of the exemption or term during 5689  
which the exemption applies to the computer data center equipment 5690  
used or to be used by the noncompliant taxpayer at an eligible 5691  
computer data center. The reduction of the percentage or term may 5692  
take effect in the current calendar year. 5693

(H) Financial statements and other information submitted to 5694  
the department of development services or the tax credit authority 5695  
by an applicant for or recipient of an exemption under this 5696  
section, and any information taken for any purpose from such 5697  
statements or information, are not public records subject to 5698  
section 149.43 of the Revised Code. However, the chairperson of 5699  
the authority may make use of the statements and other information 5700  
for purposes of issuing public reports or in connection with court 5701  
proceedings concerning tax exemption agreements under this 5702  
section. Upon the request of the tax commissioner, the chairperson 5703  
of the authority shall provide to the tax commissioner any 5704  
statement or other information submitted by an applicant for or 5705  
recipient of an exemption under this section. The tax commissioner 5706  
shall preserve the confidentiality of the statement or other 5707  
information. 5708

(I) The tax commissioner shall issue a direct payment permit 5709  
under section 5739.031 of the Revised Code to each taxpayer 5710  
subject to an agreement under this section. Such direct payment 5711  
permit shall authorize the taxpayer to pay any sales and use taxes 5712  
due on purchases of computer data center equipment used or to be 5713  
used in an eligible computer data center and to pay any sales and 5714  
use taxes due on purchases of tangible personal property or 5715  
taxable services other than computer data center equipment used or 5716  
to be used in an eligible computer data center directly to the tax 5717  
commissioner. Each such taxpayer shall pay pursuant to such direct 5718  
payment permit all sales tax levied on such purchases under 5719  
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 5720

Code and all use tax levied on such purchases under sections 5721  
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 5722  
consistent with the terms of the agreement entered into under this 5723  
section. 5724

During the term of an agreement under this section each 5725  
taxpayer subject to the agreement shall submit to the tax 5726  
commissioner a return that shows the amount of computer data 5727  
center equipment purchased for use at the eligible computer data 5728  
center, the amount of tangible personal property and taxable 5729  
services other than computer data center equipment purchased for 5730  
use at the eligible computer data center, the amount of tax under 5731  
Chapter 5739. or 5741. of the Revised Code that would be due in 5732  
the absence of the agreement under this section, the exemption 5733  
percentage for computer data center equipment specified in the 5734  
agreement, and the amount of tax due under Chapter 5739. or 5741. 5735  
of the Revised Code as a result of the agreement under this 5736  
section. Each such taxpayer shall pay the tax shown on the return 5737  
to be due in the manner and at the times as may be further 5738  
prescribed by the tax commissioner. Each such taxpayer shall 5739  
include a copy of the director of development services' 5740  
certificate of verification issued under division (E)(6) of this 5741  
section. Failure to submit a copy of the certificate with the 5742  
return does not invalidate the claim for exemption if the taxpayer 5743  
submits a copy of the certificate to the tax commissioner within 5744  
the time prescribed by section 5703.0510 of the Revised Code. 5745

(J) If the director of development services determines that 5746  
one or more taxpayers received an exemption from taxes due on the 5747  
purchase of computer data center equipment purchased for use at a 5748  
computer data center that no longer complies with the requirement 5749  
under division (E)(3) of this section, the director shall notify 5750  
the tax credit authority and, if applicable, the taxpayer that 5751  
applied to enter the agreement for the exemption under division 5752

(C) of this section of the noncompliance. After receiving such a notice, and after giving each taxpayer subject to the agreement an opportunity to explain the noncompliance, the authority may terminate the agreement and require each such taxpayer to pay to the state all or a portion of the taxes that would have been owed in regards to the exempt equipment in previous years, all as determined under rules adopted pursuant to division (K) of this section. In determining the portion of the taxes that would have been owed on the previously exempted equipment to be paid to this state by a taxpayer, the authority shall consider the effect of market conditions on the eligible computer data center, whether the taxpayer continues to maintain other operations in this state, and, with respect to agreements involving multiple taxpayers, the taxpayer's level of responsibility for the noncompliance. After making the determination, the authority shall certify to the tax commissioner the amount to be paid by each taxpayer subject to the agreement. The tax commissioner shall make an assessment for that amount against each such taxpayer under Chapter 5739. or 5741. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the tax commissioner shall make the assessment within one year after the date the authority certifies to the tax commissioner the amount to be paid by the taxpayer.

(K) The director of development services, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. The rules may provide for recipients of tax exemptions under this section to be charged fees to cover administrative costs incurred in the administration of this section. The fees collected shall be credited to the tax incentives operating fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director

shall submit copies of the proposed rules to the chairpersons of 5786  
the standing committees on economic development in the senate and 5787  
the house of representatives. 5788

(L) On or before the first day of August of each year, the 5789  
director of development services shall submit a report to the 5790  
governor, the president of the senate, and the speaker of the 5791  
house of representatives on the tax exemption authorized under 5792  
this section. The report shall include information on the number 5793  
of agreements that were entered into under this section during the 5794  
preceding calendar year, a description of the eligible computer 5795  
data center that is the subject of each such agreement, and an 5796  
update on the status of eligible computer data centers under 5797  
agreements entered into before the preceding calendar year. 5798

(M) A taxpayer may be made a party to an existing agreement 5799  
entered into under this section by the tax credit authority and 5800  
another taxpayer or group of taxpayers. In such a case, the 5801  
taxpayer shall be entitled to all benefits and bound by all 5802  
obligations contained in the agreement and all requirements 5803  
described in this section. When an agreement includes multiple 5804  
taxpayers, each taxpayer shall be entitled to a direct payment 5805  
permit as authorized in division (I) of this section. 5806

Sec. 122.26. The rural industrial park loan fund is hereby 5807  
created in the state treasury for the purposes of the program 5808  
established under section 122.24 of the Revised Code. The director 5809  
of development services shall deposit money received for the 5810  
purposes of that section to the credit of the fund. 5811

investment invested in each such project. Unless the fund 5868  
demonstrates otherwise to the director's satisfaction, the amount 5869  
of a taxpayer's investment that the fund invested in a project 5870  
located in an Ohio opportunity zone equals the same proportion of 5871  
the amount of the fund's investment in the project as the 5872  
taxpayer's investment in the fund bears to the total investment by 5873  
all investors in that fund on the date the fund makes the 5874  
investment in the project. 5875

amount that would cause the tax credits claimed in any fiscal 5886  
biennium to exceed fifty million dollars. The director shall not 5887

taxable year or the next ensuing taxable year. The taxpayer shall 5898  
claim the credit in the order prescribed by section 5747.98 of the 5899  
Revised Code. Any unused amount may be carried forward for the 5900

pass-through entity for an investment by the entity, any taxpayer 5902  
that is a direct or indirect investor in the pass-through entity 5903  
on the last day of the entity's qualifying taxable year may claim 5904

the certificate. The taxpayer shall identify in that notification 5914  
the certificate's number and the name and the tax identification 5915  
number of the transferee. Pursuant to division (D) of this 5916

certificate, subject to the limitations of this section. A 5918  
transferee may not transfer the right to claim the credit to any 5919  
other person. 5920

(F) On or before the first day of August each year, the 5921  
director of development services shall submit a report to the 5922

for which certificates were allocated during the preceding year, a 5931  
description of each such project, and the composition of an Ohio 5932  
qualified opportunity fund's investments in each project funded by 5933  
investments for which a tax credit application was submitted under 5934  
this section; 5935

(2) The number of taxpayers that invested in an Ohio 5936  
qualified opportunity fund and applied for a tax credit based on 5937

name of the fund in which each such investment was made, the 5939  
number of taxpayers allocated a credit for such investments under 5940  
this section, and the dollar amount of those credits; 5941

Within ninety days after certification of a motion picture or Broadway theatrical production as a tax credit-eligible production, and any time thereafter upon the request of the director of development services, the ~~motion picture~~ production company shall present to the director sufficient evidence of reviewable progress. If the ~~motion picture~~ production company fails to present sufficient evidence, the director may rescind the certification. If the production of a motion picture or Broadway theatrical production does not begin within ninety days after the date it is certified as a tax credit-eligible production, the director shall rescind the certification unless the director finds that the production company shows good cause for the delay, meaning that the production was delayed due to unforeseeable circumstances beyond the production company's control or due to action or inaction by a government agency. Upon rescission, the director shall notify the applicant that the certification has been rescinded. Nothing in this section prohibits an applicant whose tax credit-eligible production certification has been

rescinded from submitting a subsequent application for 6095  
certification. 6096

(C)(1) A ~~motion picture~~ production company whose motion 6097  
picture or Broadway theatrical production has been certified as a 6098  
tax credit-eligible production may apply to the director of 6099  
development services on or after July 1, 2009, for a refundable 6100  
credit against the tax imposed by section 5726.02, 5733.06, 6101  
5747.02, or 5751.02 of the Revised Code. The director in 6102

required to be submitted with the application. The application 6105  
shall state the name and address of each production contractor 6106  
with which the production company contracted for services and the 6107  
amount of eligible expenditures paid or incurred under the 6108  
contract with respect to the production. 6109

The credit is determined as follows: 6110

(a) If the total budgeted eligible ~~production~~ expenditures 6111  
stated in the application submitted under division (B) of this 6112  
section or the actual eligible ~~production~~ expenditures as finally 6113  
determined under division (D) of this section, whichever is least, 6114  
is less than or equal to three hundred thousand dollars, no credit 6115  
is allowed; 6116

(b) If the total budgeted eligible ~~production~~ expenditures 6117  
stated in the application submitted under division (B) of this 6118  
section or the actual eligible ~~production~~ expenditures as finally 6119  
determined under division (D) of this section, whichever is least, 6120  
is greater than three hundred thousand dollars, the credit for the 6121  
production company equals thirty per cent of the least of such 6122  
budgeted or actual eligible expenditure amounts and the credit for 6123  
each production contractor equals thirty per cent of the amount of 6124  
eligible expenditures paid or incurred under the contract with 6125  
respect to the production. 6126

(2) Except as provided in division (C)(4) of this section, if the director of development services approves a ~~motion picture~~ production company's application for a credit, the director shall issue a tax credit certificate to the company and to each of the company's production contractors identified in the application. The director in consultation with the tax commissioner shall prescribe the form and manner of issuing certificates. The director shall assign a unique identifying number to each tax credit certificate and shall record the certificate in a register devised and maintained by the director for that purpose. The certificate shall state the amount of the eligible ~~production~~ expenditures on which the credit is based and the amount of the credit. Upon the issuance of a certificate, the director shall certify to the tax commissioner the name of the ~~applicant~~ production company or contractor to which the certificate was issued, the amount of eligible ~~production~~ expenditures shown on the certificate, the amount of the credit, and any other information required by the rules adopted to administer this section.

(3) The amount of eligible ~~production~~ expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Once the eligible ~~production~~ expenditures are finally determined under section 5703.19 of the Revised Code and division (D) of this section, the credit amount is not subject to adjustment unless the director determines an error was committed in the computation of the credit amount.

(4) No tax credit certificate may be issued before the completion of the tax credit-eligible production. Not more than forty million dollars of tax credit may be allowed per fiscal year ~~beginning July 1, 2016,~~ provided that, for any fiscal year in

which the amount of tax credits allowed under this section is less 6159  
than that maximum annual amount, the amount not allowed for that 6160  
fiscal year shall be added to the maximum annual amount that may 6161  
be allowed for the following fiscal year. 6162

(5) ~~In approving~~ The director shall review and approve 6163  
applications for tax credits under this section in two rounds each 6164  
fiscal year. The first round of credits shall be awarded not later 6165  
than the last day of July of the fiscal year, and the second round 6166  
of credits shall be awarded not later than the last day of the 6167  
ensuing January. The amount of credits awarded in the first round 6168  
of applications each fiscal year shall not exceed twenty million 6169  
dollars plus any credit allotment that was not awarded in the 6170  
preceding fiscal year and carried over under division (C)(4) of 6171  
this section. For each round, the director shall rank applications 6172  
on the basis of the extent of positive economic impact each tax 6173  
credit-eligible production is likely to have in this state and the 6174  
effect on developing a permanent workforce in motion picture or 6175  
theatrical production industries in the state. For the purpose of 6176  
such ranking, the director shall give priority to tax-credit 6177  
eligible productions that are television series or miniseries due 6178  
to the long-term commitment typically associated with such 6179  
productions. The economic impact ranking shall be based on the 6180  
production company's total expenditures in this state directly 6181  
associated with the tax credit-eligible production. The effect on 6182  
developing a permanent workforce in the motion picture or 6183  
theatrical production industries shall be evaluated first by the 6184  
number of new jobs created and second by amount of payroll added 6185  
with respect to employees in this state. 6186

The director shall approve productions in the order of their 6187  
ranking, from those with the greatest positive economic impact and 6188  
workforce development effect to those with the least positive 6189  
economic impact and workforce development effect. 6190

(D) A ~~motion picture~~ production company whose motion picture 6191  
or Broadway theatrical production has been certified as a tax 6192  
credit-eligible production shall engage, at the company's expense, 6193  
an independent certified public accountant to examine the 6194  
company's production, postproduction, and advertising and 6195  
promotion expenditures to identify the expenditures that qualify 6196  
as eligible ~~production~~ expenditures. The certified public 6197  
accountant shall issue a report to the company and to the director 6198  
of development services certifying the company's eligible 6199  
~~production~~ expenditures and any other information required by the 6200  
director. Upon receiving and examining the report, the director 6201  
may disallow any expenditure the director determines is not an 6202  
eligible ~~production~~ expenditure. If any expenditure disallowed 6203  
under this division was included in the expenditure for a contract 6204  
with a production contractor, the contractor's credit amount shall 6205  
be reduced in proportion to such disallowed expenditure. If the 6206  
director disallows an expenditure, the director shall issue a 6207  
written notice to the ~~motion picture~~ production company or 6208  
affected production contractor stating that the expenditure is 6209  
disallowed and the reason for the disallowance. Upon examination 6210  
of the report and disallowance of any expenditures, the director 6211  
shall determine finally the lesser of the total budgeted eligible 6212  
~~production~~ expenditures stated in the application submitted under 6213  
division (B) of this section or the actual eligible ~~production~~ 6214  
expenditures for the purpose of computing the amount of the 6215  
credit. 6216

(E) No credit shall be allowed under section 5726.55, 6217  
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 6218  
director has reviewed the report and made the determination 6219  
prescribed by division (D) of this section. 6220

(F) This state reserves the right to refuse the use of this 6221  
state's name in the credits of any tax credit-eligible motion 6222

picture production or program of any Broadway theatrical 6223  
production. 6224

(G)(1) The director of development services in consultation 6225  
with the tax commissioner shall adopt rules for the administration 6226  
of this section, including rules setting forth and governing the 6227  
criteria for determining whether a motion picture or Broadway 6228  
theatrical production is a tax credit-eligible production; 6229  
activities that constitute the production or postproduction of a 6230  
motion picture or Broadway theatrical production; reporting 6231  
sufficient evidence of reviewable progress; expenditures that 6232  
qualify as eligible ~~production~~ expenditures; a schedule and 6233  
deadlines for applications to be submitted and reviewed; a 6234  
competitive process for approving credits based on likely economic 6235  
impact in this state and development of a permanent workforce in 6236  
motion picture or theatrical production industries in this state; 6237  
consideration of geographic distribution of credits; and 6238  
implementation of the program described in division ~~(I)~~(H) of this 6239  
section. The rules shall be adopted under Chapter 119. of the 6240  
Revised Code. 6241

(2) To cover the administrative costs of the program, the 6242  
director shall require each applicant to pay an application fee 6243  
equal to the lesser of ten thousand dollars or one per cent of the 6244  
estimated value of the tax credit as stated in the application. 6245  
The fees collected shall be credited to the tax incentives 6246  
operating fund created in section 122.174 of the Revised Code. All 6247  
grants, gifts, fees, and contributions made to the director for 6248  
marketing and promotion of the motion picture industry within this 6249  
state shall also be credited to the fund. 6250

~~(H)(1) After the director of development services makes the~~ 6251  
~~determination required under division (D) of this section, a~~ 6252  
~~motion picture company to which a tax credit certificate is issued~~ 6253  
~~may transfer the authority to claim all or a portion of the amount~~ 6254

~~of the tax credit the motion picture company is authorized to~~ 6255  
~~claim pursuant to that certificate under section 5726.55, 5733.59,~~ 6256  
~~5747.66, or 5751.54 of the Revised Code to one or more other~~ 6257  
~~persons. Within thirty days after a transfer under this division,~~ 6258  
~~the motion picture company shall submit the following information~~ 6259

~~(b) The portion or amount of the tax credit transferred to~~ 6263  
~~each transferee;~~ 6264

~~(c) The portion or amount of the tax credit that the motion~~ 6265  
~~picture company retains the authority to claim;~~ 6266

~~(d) The tax identification number of each transferee;~~ 6267

~~(e) The date of the transfer;~~ 6268

~~(f) Any other information required by the director;~~ 6269

~~(g) Any information required by the tax commissioner.~~ 6270

~~The director shall deliver a copy of any submission received~~ 6271  
~~under division (H)(1) of this section to the tax commissioner.~~ 6272

~~(2) A transferee may not claim a credit under section~~ 6273  
~~5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless~~ 6274  
~~and until the transferring motion picture company complies with~~ 6275  
~~division (H)(1) of this section. A transferee may claim the~~ 6276  
~~transferred amount of any credit or portion of a credit for the~~ 6277  
~~same taxable year or tax period for which the transferring motion~~ 6278  
~~picture company was authorized to claim the credit or portion of a~~ 6279  
~~credit pursuant to the certificate. A motion picture company shall~~ 6280  
~~make no transfer under division (H)(1) of this section after the~~ 6281  
~~last day of the tax period or taxable year for which the motion~~ 6282  
~~picture company is required to claim the credit pursuant to the~~ 6283  
~~certificate.~~ 6284

~~A motion picture company may make not more than one transfer  
under division (H)(1) of this section for each tax credit  
certificate, but pursuant to that transaction, may allocate the  
authority to claim a portion of the credit to more than one  
transferee. A motion picture company may not authorize more than  
one transferee to claim the same portion of a credit.~~

~~(I)~~ The director of development services shall establish a  
program for the training of Ohio residents who are or wish to be  
employed in the film or multimedia industry. Under the program,  
the director shall:

director, and have met any other requirements established by the  
director.

(2) Accept applications from ~~motion picture~~ production

Subject to division (B)(8) of this section, upon request by any person, a	8298 8299 8300 8301 8302

public office or person responsible for public records shall make 8303  
copies of the requested public record available to the requester 8304  
at cost and within a reasonable period of time. If a public record 8305  
contains information that is exempt from the duty to permit public 8306  
inspection or to copy the public record, the public office or the 8307  
person responsible for the public record shall make available all 8308  
of the information within the public record that is not exempt. 8309  
When making that public record available for public inspection or 8310  
copying that public record, the public office or the person 8311  
responsible for the public record shall notify the requester of 8312  
any redaction or make the redaction plainly visible. A redaction 8313  
shall be deemed a denial of a request to inspect or copy the 8314  
redacted information, except if federal or state law authorizes or 8315  
requires a public office to make the redaction. 8316

(2) To facilitate broader access to public records, a public 8317  
office or the person responsible for public records shall organize 8318  
and maintain public records in a manner that they can be made 8319

(B) of this section. A public office also shall have available a 8321  
copy of its current records retention schedule at a location 8322  
readily available to the public. If a requester makes an ambiguous 8323  
or overly broad request or has difficulty in making a request for 8324  
copies or inspection of public records under this section such 8325  
that the public office or the person responsible for the requested 8326  
public record cannot reasonably identify what public records are 8327  
being requested, the public office or the person responsible for 8328  
the requested public record may deny the request but shall provide 8329  
the requester with an opportunity to revise the request by 8330  
informing the requester of the manner in which records are 8331  
maintained by the public office and accessed in the ordinary 8332  
course of the public office's or person's duties. 8333

(3) If a request is ultimately denied, in part or in whole, 8334

the public office or the person responsible for the requested 8335

including legal authority, setting forth why the request was 8337  
denied. If the initial request was provided in writing, the 8338  
explanation also shall be provided to the requester in writing. 8339  
The explanation shall not preclude the public office or the person 8340  
responsible for the requested public record from relying upon 8341  
additional reasons or legal authority in defending an action 8342  
commenced under division (C) of this section. 8343

(4) Unless specifically required or authorized by state or 8344  
federal law or in accordance with division (B) of this section, no 8345  
public office or person responsible for public records may limit 8346  
or condition the availability of public records by requiring 8347  
disclosure of the requester's identity or the intended use of the 8348  
requested public record. Any requirement that the requester 8349  
disclose the requester's identity or the intended use of the 8350  
requested public record constitutes a denial of the request. 8351

(5) A public office or person responsible for public records 8352  
may ask a requester to make the request in writing, may ask for 8353  
the requester's identity, and may inquire about the intended use 8354  
of the information requested, but may do so only after disclosing 8355  
to the requester that a written request is not mandatory, that the 8356  
requester may decline to reveal the requester's identity or the 8357  
intended use, and when a written request or disclosure of the 8358  
identity or intended use would benefit the requester by enhancing 8359  
the ability of the public office or person responsible for public 8360  
records to identify, locate, or deliver the public records sought 8361  
by the requester. 8362

(6) If any person requests a copy of a public record in 8363  
accordance with division (B) of this section, the public office or 8364  
person responsible for the public record may require that person 8365  
to pay in advance the cost involved in providing the copy of the 8366

public record in accordance with the choice made by the person 8367  
requesting the copy under this division. The public office or the 8368  
person responsible for the public record shall permit that person 8369  
to choose to have the public record duplicated upon paper, upon 8370  
the same medium upon which the public office or person responsible 8371  
for the public record keeps it, or upon any other medium upon 8372  
which the public office or person responsible for the public 8373  
record determines that it reasonably can be duplicated as an 8374  
integral part of the normal operations of the public office or 8375  
person responsible for the public record. When the person 8376  
requesting the copy makes a choice under this division, the public 8377  
office or person responsible for the public record shall provide a 8378  
copy of it in accordance with the choice made by that person. 8379  
Nothing in this section requires a public office or person 8380  
responsible for the public record to allow the person requesting a 8381  
copy of the public record to make the copies of the public record. 8382

(7)(a) Upon a request made in accordance with division (B) of 8383  
this section and subject to division (B)(6) of this section, a 8384  
public office or person responsible for public records shall 8385  
transmit a copy of a public record to any person by United States 8386  
mail or by any other means of delivery or transmission within a 8387  
reasonable period of time after receiving the request for the 8388  
copy. The public office or person responsible for the public 8389  
record may require the person making the request to pay in advance 8390  
the cost of postage if the copy is transmitted by United States 8391  
mail or the cost of delivery if the copy is transmitted other than 8392  
by United States mail, and to pay in advance the costs incurred 8393  
for other supplies used in the mailing, delivery, or transmission. 8394

(b) Any public office may adopt a policy and procedures that 8395  
it will follow in transmitting, within a reasonable period of time 8396  
after receiving a request, copies of public records by United 8397  
States mail or by any other means of delivery or transmission 8398

pursuant to division (B)(7) of this section. A public office that 8399

section shall comply with them in performing its duties under that 8401  
division. 8402

(c) In any policy and procedures adopted under division 8403  
(B)(7) of this section: 8404

(i) A public office may limit the number of records requested 8405  
by a person that the office will physically deliver by United 8406  
States mail or by another delivery service to ten per month, 8407  
unless the person certifies to the office in writing that the 8408  
person does not intend to use or forward the requested records, or 8409  
the information contained in them, for commercial purposes; 8410

(ii) A public office that chooses to provide some or all of 8411  
its public records on a web site that is fully accessible to and 8412  
searchable by members of the public at all times, other than 8413  
during acts of God outside the public office's control or 8414  
maintenance, and that charges no fee to search, access, download, 8415  
or otherwise receive records provided on the web site, may limit 8416  
to ten per month the number of records requested by a person that 8417  
the office will deliver in a digital format, unless the requested 8418  
records are not provided on the web site and unless the person 8419  
certifies to the office in writing that the person does not intend 8420  
to use or forward the requested records, or the information 8421  
contained in them, for commercial purposes. 8422

(iii) For purposes of division (B)(7) of this section, 8423  
"commercial" shall be narrowly construed and does not include 8424

assist citizen oversight or understanding of the operation or 8426

obtain a copy of any public record concerning a criminal 8431  
investigation or prosecution or concerning what would be a 8432  
criminal investigation or prosecution if the subject of the 8433  
investigation or prosecution were an adult, unless the request to 8434  
inspect or to obtain a copy of the record is for the purpose of 8435  
acquiring information that is subject to release as a public 8436  
record under this section and the judge who imposed the sentence 8437  
or made the adjudication with respect to the person, or the 8438  
judge's successor in office, finds that the information sought in 8439  
the public record is necessary to support what appears to be a 8440  
justiciable claim of the person. 8441

(9)(a) Upon written request made and signed by a journalist, 8442  
a public office, or person responsible for public records, having 8443  
custody of the records of the agency employing a specified 8444  
designated public service worker shall disclose to the journalist 8445  
the address of the actual personal residence of the designated 8446  
public service worker and, if the designated public service 8447  
worker's spouse, former spouse, or child is employed by a public 8448

person for inspection in accordance with division (B) of this 8481  
section or by any other failure of a public office or the person 8482  
responsible for public records to comply with an obligation in 8483  
accordance with division (B) of this section, the person allegedly 8484  
aggrieved may do only one of the following, and not both: 8485

(a) File a complaint with the clerk of the court of claims or 8486  
the clerk of the court of common pleas under section 2743.75 of 8487  
the Revised Code; 8488

(b) Commence a mandamus action to obtain a judgment that 8489  
orders the public office or the person responsible for the public 8490  
record to comply with division (B) of this section, that awards 8491  
court costs and reasonable attorney's fees to the person that 8492

instituted the mandamus action, and, if applicable, that includes 8493  
an order fixing statutory damages under division (C)(2) of this 8494  
section. The mandamus action may be commenced in the court of 8495  
common pleas of the county in which division (B) of this section 8496  
allegedly was not complied with, in the supreme court pursuant to 8497  
its original jurisdiction under Section 2 of Article IV, Ohio 8498  
Constitution, or in the court of appeals for the appellate 8499  
district in which division (B) of this section allegedly was not 8500  
complied with pursuant to its original jurisdiction under Section 8501  
3 of Article IV, Ohio Constitution. 8502

(2) If a requester transmits a written request by hand 8503  
delivery, electronic submission, or certified mail to inspect or 8504  
receive copies of any public record in a manner that fairly 8505  
describes the public record or class of public records to the 8506  
public office or person responsible for the requested public 8507  
records, except as otherwise provided in this section, the 8508  
requester shall be entitled to recover the amount of statutory 8509  
damages set forth in this division if a court determines that the 8510  
public office or the person responsible for public records failed 8511  
to comply with an obligation in accordance with division (B) of 8512  
this section. 8513

The amount of statutory damages shall be fixed at one hundred 8514  
dollars for each business day during which the public office or 8515  
person responsible for the requested public records failed to 8516  
comply with an obligation in accordance with division (B) of this 8517  
section, beginning with the day on which the requester files a 8518  
mandamus action to recover statutory damages, up to a maximum of 8519  
one thousand dollars. The award of statutory damages shall not be 8520  
construed as a penalty, but as compensation for injury arising 8521  
from lost use of the requested information. The existence of this 8522  
injury shall be conclusively presumed. The award of statutory 8523  
damages shall be in addition to all other remedies authorized by 8524

this section. 8525

The court may reduce an award of statutory damages or not 8526  
award statutory damages if the court determines both of the 8527  
following: 8528

(a) That, based on the ordinary application of statutory law 8529  
and case law as it existed at the time of the conduct or 8530  
threatened conduct of the public office or person responsible for 8531  
the requested public records that allegedly constitutes a failure 8532  
to comply with an obligation in accordance with division (B) of 8533  
this section and that was the basis of the mandamus action, a 8534  
well-informed public office or person responsible for the 8535  
requested public records reasonably would believe that the conduct 8536  
or threatened conduct of the public office or person responsible 8537  
for the requested public records did not constitute a failure to 8538  
comply with an obligation in accordance with division (B) of this 8539  
section; 8540

(b) That a well-informed public office or person responsible 8541  
for the requested public records reasonably would believe that the 8542  
conduct or threatened conduct of the public office or person 8543  
responsible for the requested public records would serve the 8544  
public policy that underlies the authority that is asserted as 8545  
permitting that conduct or threatened conduct. 8546

(3) In a mandamus action filed under division (C)(1) of this 8547  
section, the following apply: 8548

(a)(i) If the court orders the public office or the person 8549  
responsible for the public record to comply with division (B) of 8550  
this section, the court shall determine and award to the relator 8551  
all court costs, which shall be construed as remedial and not 8552  
punitive. 8553

(ii) If the court makes a determination described in division 8554  
(C)(3)(b)(iii) of this section, the court shall determine and 8555

award to the relator all court costs, which shall be construed as 8556  
remedial and not punitive. 8557

(b) If the court renders a judgment that orders the public 8558  
office or the person responsible for the public record to comply 8559  
with division (B) of this section or if the court determines any 8560  
of the following, the court may award reasonable attorney's fees 8561  
to the relator, subject to division (C)(4) of this section: 8562

(i) The public office or the person responsible for the 8563  
public records failed to respond affirmatively or negatively to 8564  
the public records request in accordance with the time allowed 8565  
under division (B) of this section. 8566

(ii) The public office or the person responsible for the 8567  
public records promised to permit the relator to inspect or 8568  
receive copies of the public records requested within a specified 8569  
period of time but failed to fulfill that promise within that 8570  
specified period of time. 8571

(iii) The public office or the person responsible for the 8572  
public records acted in bad faith when the office or person 8573  
voluntarily made the public records available to the relator for 8574  
the first time after the relator commenced the mandamus action, 8575  
but before the court issued any order concluding whether or not 8576  
the public office or person was required to comply with division 8577  
(B) of this section. No discovery may be conducted on the issue of 8578  
the alleged bad faith of the public office or person responsible 8579  
for the public records. This division shall not be construed as 8580  
creating a presumption that the public office or the person 8581  
responsible for the public records acted in bad faith when the 8582  
office or person voluntarily made the public records available to 8583  
the relator for the first time after the relator commenced the 8584  
mandamus action, but before the court issued any order described 8585  
in this division. 8586

(c) The court shall not award attorney's fees to the relator 8587  
if the court determines both of the following: 8588

(i) That, based on the ordinary application of statutory law 8589  
and case law as it existed at the time of the conduct or 8590  
threatened conduct of the public office or person responsible for 8591  
the requested public records that allegedly constitutes a failure 8592  
to comply with an obligation in accordance with division (B) of 8593  
this section and that was the basis of the mandamus action, a 8594  
well-informed public office or person responsible for the 8595  
requested public records reasonably would believe that the conduct 8596  
or threatened conduct of the public office or person responsible 8597  
for the requested public records did not constitute a failure to 8598  
comply with an obligation in accordance with division (B) of this 8599  
section; 8600

(ii) That a well-informed public office or person responsible 8601  
for the requested public records reasonably would believe that the 8602  
conduct or threatened conduct of the public office or person 8603  
responsible for the requested public records would serve the 8604  
public policy that underlies the authority that is asserted as 8605  
permitting that conduct or threatened conduct. 8606

(4) All of the following apply to any award of reasonable 8607  
attorney's fees awarded under division (C)(3)(b) of this section: 8608

(a) The fees shall be construed as remedial and not punitive. 8609

(b) The fees awarded shall not exceed the total of the 8610  
reasonable attorney's fees incurred before the public record was 8611  
made available to the relator and the fees described in division 8612  
(C)(4)(c) of this section. 8613

(c) Reasonable attorney's fees shall include reasonable fees 8614  
incurred to produce proof of the reasonableness and amount of the 8615  
fees and to otherwise litigate entitlement to the fees. 8616

(d) The court may reduce the amount of fees awarded if the 8617

court determines that, given the factual circumstances involved 8618  
with the specific public records request, an alternative means 8619  
should have been pursued to more effectively and efficiently 8620  
resolve the dispute that was subject to the mandamus action filed 8621  
under division (C)(1) of this section. 8622

(5) If the court does not issue a writ of mandamus under 8623  
division (C) of this section and the court determines at that time 8624  
that the bringing of the mandamus action was frivolous conduct as 8625  
defined in division (A) of section 2323.51 of the Revised Code, 8626  
the court may award to the public office all court costs, 8627  
expenses, and reasonable attorney's fees, as determined by the 8628  
court. 8629

(D) Chapter 1347. of the Revised Code does not limit the 8630  
provisions of this section. 8631

(E)(1) To ensure that all employees of public offices are 8632  
appropriately educated about a public office's obligations under 8633  
division (B) of this section, all elected officials or their 8634  
appropriate designees shall attend training approved by the 8635  
attorney general as provided in section 109.43 of the Revised 8636  
Code. A future official may satisfy the requirements of this 8637  
division by attending the training before taking office, provided 8638  
that the future official may not send a designee in the future 8639  
official's place. 8640

(2) All public offices shall adopt a public records policy in 8641  
compliance with this section for responding to public records 8642  
requests. In adopting a public records policy under this division, 8643  
a public office may obtain guidance from the model public records 8644  
policy developed and provided to the public office by the attorney 8645  
general under section 109.43 of the Revised Code. Except as 8646  
otherwise provided in this section, the policy may not limit the 8647  
number of public records that the public office will make 8648  
available to a single person, may not limit the number of public 8649

records that it will make available during a fixed period of time, 8650  
and may not establish a fixed period of time before it will 8651  
respond to a request for inspection or copying of public records, 8652  
unless that period is less than eight hours. 8653

The public office shall distribute the public records policy 8654  
adopted by the public office under this division to the employee 8655  
of the public office who is the records custodian or records 8656  
manager or otherwise has custody of the records of that office. 8657  
The public office shall require that employee to acknowledge 8658  
receipt of the copy of the public records policy. The public 8659  
office shall create a poster that describes its public records 8660  
policy and shall post the poster in a conspicuous place in the 8661  
public office and in all locations where the public office has 8662  
branch offices. The public office may post its public records 8663  
policy on the internet web site of the public office if the public 8664  
office maintains an internet web site. A public office that has 8665  
established a manual or handbook of its general policies and 8666  
procedures for all employees of the public office shall include 8667  
the public records policy of the public office in the manual or 8668  
handbook. 8669

(F)(1) The bureau of motor vehicles may adopt rules pursuant 8670  
to Chapter 119. of the Revised Code to reasonably limit the number 8671  
of bulk commercial special extraction requests made by a person 8672  
for the same records or for updated records during a calendar 8673  
year. The rules may include provisions for charges to be made for 8674  
bulk commercial special extraction requests for the actual cost of 8675  
the bureau, plus special extraction costs, plus ten per cent. The 8676  
bureau may charge for expenses for redacting information, the 8677  
release of which is prohibited by law. 8678

(2) As used in division (F)(1) of this section: 8679

(a) "Actual cost" means the cost of depleted supplies, 8680  
records storage media costs, actual mailing and alternative 8681

delivery costs, or other transmitting costs, and any direct 8682  
equipment operating and maintenance costs, including actual costs 8683  
paid to private contractors for copying services. 8684

(b) "Bulk commercial special extraction request" means a 8685  
request for copies of a record for information in a format other 8686  
than the format already available, or information that cannot be 8687  
extracted without examination of all items in a records series, 8688  
class of records, or database by a person who intends to use or 8689  
forward the copies for surveys, marketing, solicitation, or resale 8690  
for commercial purposes. "Bulk commercial special extraction 8691  
request" does not include a request by a person who gives 8692  
assurance to the bureau that the person making the request does 8693  
not intend to use or forward the requested copies for surveys, 8694  
marketing, solicitation, or resale for commercial purposes. 8695

(c) "Commercial" means profit-seeking production, buying, or 8696  
selling of any good, service, or other product. 8697

(d) "Special extraction costs" means the cost of the time 8698  
spent by the lowest paid employee competent to perform the task, 8699  
the actual amount paid to outside private contractors employed by 8700  
the bureau, or the actual cost incurred to create computer 8701  
programs to make the special extraction. "Special extraction 8702  
costs" include any charges paid to a public agency for computer or 8703  
records services. 8704

(3) For purposes of divisions (F)(1) and (2) of this section, 8705  
"surveys, marketing, solicitation, or resale for commercial 8706  
purposes" shall be narrowly construed and does not include 8707  
reporting or gathering news, reporting or gathering information to 8708  
assist citizen oversight or understanding of the operation or 8709  
activities of government, or nonprofit educational research. 8710

(G) A request by a defendant, counsel of a defendant, or any 8711  
agent of a defendant in a criminal action that public records 8712

related to that action be made available under this section shall 8713  
be considered a demand for discovery pursuant to the Criminal 8714  
Rules, except to the extent that the Criminal Rules plainly 8715  
indicate a contrary intent. The defendant, counsel of the 8716  
defendant, or agent of the defendant making a request under this 8717  
division shall serve a copy of the request on the prosecuting 8718  
attorney, director of law, or other chief legal officer 8719  
responsible for prosecuting the action. 8720

(H)(1) Any portion of a body-worn camera or dashboard camera 8721  
recording described in divisions (A)(17)(b) to (h) of this section 8722  
may be released by consent of the subject of the recording or a 8723  
representative of that person, as specified in those divisions, 8724  
only if either of the following applies: 8725

(a) The recording will not be used in connection with any 8726  
probable or pending criminal proceedings; 8727

(b) The recording has been used in connection with a criminal 8728  
proceeding that was dismissed or for which a judgment has been 8729  
entered pursuant to Rule 32 of the Rules of Criminal Procedure, 8730  
and will not be used again in connection with any probable or 8731  
pending criminal proceedings. 8732

(2) If a public office denies a request to release a 8733  
restricted portion of a body-worn camera or dashboard camera 8734  
recording, as defined in division (A)(17) of this section, any 8735  
person may file a mandamus action pursuant to this section or a 8736  
complaint with the clerk of the court of claims pursuant to 8737  
section 2743.75 of the Revised Code, requesting the court to order 8738  
the release of all or portions of the recording. If the court 8739  
considering the request determines that the filing articulates by 8740  
clear and convincing evidence that the public interest in the 8741  
recording substantially outweighs privacy interests and other 8742  
interests asserted to deny release, the court shall order the 8743  
public office to release the recording. 8744

Sec. 153.02. (A) The executive director of the Ohio 8745  
facilities construction commission, may debar a contractor from 8746  
contract awards for public improvements as referred to in section 8747  
153.01 of the Revised Code or for projects as defined in section 8748  
3318.01 of the Revised Code, upon proof that the contractor has 8749  
done any of the following: 8750

by the contract; 8759

(4) Knowingly failed during the course of a contract to 8760  
maintain insurance required by the contract or otherwise by law, 8761  
resulting in a substantial loss to the owner, as owner is referred 8762  
to in section 153.01 of the Revised Code, or to the commission and 8763  
school district board, as provided in division (F) of section 8764  
3318.08 of the Revised Code; 8765

(5) Misrepresented the firm's qualifications in the selection 8766  
process set forth in sections 153.65 to 153.71 or section 3318.10 8767

(6) Been convicted of a criminal offense related to the 8769  
application for or performance of any public or private contract, 8770  
including, but not limited to, embezzlement, theft, forgery, 8771  
bribery, falsification or destruction of records, receiving stolen 8772  
property, and any other offense that directly reflects on the 8773  
contractor's business integrity; 8774

(7) Been convicted of a criminal offense under state or federal antitrust laws; 8775

(8) Deliberately or willfully submitted false or misleading information in connection with the application for or performance of a public contract; 8777  
8778  
8779

(9) Been debarred from bidding on or participating in a contract with any state or federal agency. 8780  
8781

(B) When the executive director debar a contractor that is a partnership, association, or corporation, the executive director also may debar any partner of the partnership or any officer or director of the association or corporation, as applicable. 8782  
8783  
8784  
8785

(C) When the executive director reasonably believes that grounds for debarment exist, the executive director shall send the contractor a notice of proposed debarment indicating the grounds for the proposed debarment and the procedure for requesting a hearing on the proposed debarment. The hearing shall be conducted in accordance with Chapter 119. of the Revised Code. If the contractor does not respond with a request for a hearing in the manner specified in Chapter 119. of the Revised Code, the executive director shall issue the debarment decision without a hearing and shall notify the contractor of the decision by certified mail, return receipt requested. 8786

8792  
8793  
8794  
8795  
8796

(D) The executive director shall determine the length of the debarment period and may rescind the debarment at any time upon notification to the contractor. During the period of debarment, the contractor is not eligible to bid for or participate in any contract for a public improvement as referred to in section 153.01 of the Revised Code or for a project as defined in section 3318.01 of the Revised Code. After the debarment period expires, the contractor ~~shall~~ may be eligible to bid for and participate in such contracts if the vendor is not otherwise debarred. 8797  
8798  
8799  
8800  
8801  
8802  
8803  
8804  
8805

(E) The executive director shall maintain a list of all 8806  
contractors currently debarred under this section. Any 8807  
governmental entity awarding a contract for construction of a 8808  
public improvement or project may use a contractor's presence on 8809  
the debarment list to determine whether a contractor is 8810  
responsible or best under section 9.312 or any other section of 8811  
the Revised Code in the award of a contract. 8812

(F) As used in this section, "contractor" means a 8813  
construction contracting business, a subcontractor of a 8814  
construction contracting business, a supplier of materials, or a 8815

research and development project, an eligible advanced energy 8833  
project, or an eligible logistics and distribution project, or 8834

development project, an eligible advanced energy project, or an 8837  
eligible logistics and distribution project, architectural, 8838  
engineering, and legal services fees and expenses, the costs of 8839  
conducting any other activities as part of a voluntary action, and 8840

establishment or development of an eligible project, an eligible 8842  
innovation project, an eligible research and development project, 8843  
an eligible advanced energy project, or an eligible logistics and 8844

services associated therewith; testing (including, without 8853  
limitation, quality control activities necessary for initial 8854  
production), perfecting, and marketing of such products and 8855  
services; creating and protecting intellectual property related to 8856  
an eligible innovation project or any products or services related 8857  
thereto, including costs of securing appropriate patent, 8858  
trademark, trade secret, trade dress, copyright, or other form of 8859  
intellectual property protection for an eligible innovation 8860  
project or related products and services; all to the extent that 8861  
such expenditures could be capitalized under then-applicable 8862

remodeled, rehabilitated, or modernized for industry, commerce, 8874  
distribution, or research, or any combination thereof, the 8875  
operation of which, alone or in conjunction with other eligible 8876  
projects, eligible innovation projects, or innovation property, 8877

the state. 8880

(D) "Eligible project" means project facilities to be 8881  
acquired, established, expanded, remodeled, rehabilitated, or 8882  
modernized for industry, commerce, distribution, or research, or 8883  
any combination thereof, the operation of which, alone or in 8884  
conjunction with other facilities, will create new jobs or 8885  
preserve existing jobs and employment opportunities and improve 8886  
the economic welfare of the people of the state. "Eligible 8887  
project" includes, without limitation, a voluntary action. For 8888  
purposes of this division, "new jobs" does not include existing 8889  
jobs transferred from another facility within the state, and 8890

which the task force is assembled, shall be considered to be 10158  
employees of the commission and of the state. ~~However, for~~ 10159

between October 1, ~~2013~~ 2019, and October 1, ~~2017~~ 2023, may 10570  
request that an amount that does not exceed three dollars be 10571

year. If the total of the amount under division (E)(2) of this 10577  
section and the amount requested under this division does not 10578  
exceed eight dollars, the board shall approve the proposal and 10579  
notify the county recorder of its approval. 10580

(4) If the total amount of fees provided for in divisions 10581  
(B), (E)(2), and (E)(3) of this section is less than eight 10582  
dollars, a proposal requesting additional fees may be submitted to 10583  
the board of county commissioners under division (E)(1) of this 10584  
section, as long as the total amount of the fees in divisions (B) 10585  
and (E)(2), (3), and (4) of this section that are to be credited 10586  
to the county recorder's technology fund does not exceed eight 10587  
dollars, and the proposal is for a number of years, not to exceed 10588  
five. 10589

(5) When a proposal is approved by the board of county 10590  
commissioners under division (E) of this section, the county 10591  
recorder's technology fund is established in the county treasury, 10592  
and, beginning on the following first day of January, the fees 10593  
approved shall be deposited in that fund. 10594

(F) The acquisition and maintenance of imaging and other 10595  
technological equipment, and other associated expenses and 10596  
contract services therefor, shall be specifically governed by 10597

sections 307.80 to 307.806, 307.84 to 307.846, 307.86 to 307.92, 10598  
and 5705.38, and by division (D) of section 5705.41 of the Revised 10599  
Code. 10600

(G) If the use of the county recorder's technology fund for 10601  
the purposes of division (A)(3) of this section includes 10602  
associated expenses for personnel, the use of the fund for 10603  
personnel shall be strictly confined to personnel directly related 10604  
to imaging and other technological equipment, and any compensation 10605  
increases for those personnel shall not exceed the average of the 10606  
annual aggregate percentage increase or decrease in the 10607  
compensation fixed by the board of county commissioners for their 10608  
employees, and for the officers in section 325.27 of the Revised 10609  
Code. Use of the fund for compensation bonuses, or for recognizing 10610  
outstanding employee performance in a manner described in section 10611  
325.25 of the Revised Code, is prohibited. 10612

(H) If a county is under a fiscal caution under section 10613  
118.025 of the Revised Code, or is under a fiscal watch or fiscal 10614  
emergency as defined in section 118.01 of the Revised Code, the 10615  
board of county commissioners, notwithstanding sections 5705.14 to 10616  
5705.16 of the Revised Code, may transfer from the county 10617  
recorder's technology fund any moneys the board deems necessary. 10618

**Sec. 319.302.** (A)(1) Real property that is not intended 10619  
primarily for use in a business activity shall qualify for a 10620  
partial exemption from real property taxation. For purposes of 10621  
this partial exemption, "business activity" includes all uses of 10622  
real property, except farming; leasing property for farming; 10623  
occupying or holding property improved with single-family, 10624  
two-family, or three-family dwellings; leasing property improved 10625  
with single-family, two-family, or three-family dwellings; or 10626  
holding vacant land that the county auditor determines will be 10627  
used for farming or to develop single-family, two-family, or 10628

three-family dwellings. For purposes of this partial exemption, 10629  
"farming" does not include land used for the commercial production 10630  
of timber that is receiving the tax benefit under section 5713.23 10631  
or 5713.31 of the Revised Code and all improvements connected with 10632  
such commercial production of timber. 10633

(2) Each year, the county auditor shall review each parcel of 10634  
real property to determine whether it qualifies for the partial 10635  
exemption provided for by this section as of the first day of 10636  
January of the current tax year. 10637

(B) After complying with section 319.301 of the Revised Code, 10638  
the county auditor shall reduce the remaining sums to be levied by 10639  
qualifying levies against each parcel of real property that is 10640  
listed on the general tax list and duplicate of real and public 10641  
utility property for the current tax year and that qualifies for 10642  
partial exemption under division (A) of this section, and against 10643  
each manufactured and mobile home that is taxed pursuant to 10644  
division (D)(2) of section 4503.06 of the Revised Code and that is 10645  
on the manufactured home tax list for the current tax year, by ten 10646  
per cent, to provide a partial exemption for that parcel or home. 10647  
For the purposes of this division: 10648

(1) "Qualifying levy" means a levy approved at an election 10649  
held before September 29, 2013; a levy within the ten-mill 10650  
limitation; a levy provided for by the charter of a municipal 10651  
corporation that was levied on the tax list for tax year 2013; a 10652  
subsequent renewal of any such levy; or a subsequent substitute 10653  
for such a levy under section 5705.199 of the Revised Code. 10654

(2) "Qualifying levy" does not include any replacement 10655  
imposed under section 5705.192 of the Revised Code of any levy 10656  
described in division (B)(1) of this section. 10657

(C) Except as otherwise provided in sections 323.152, 10658  
323.158, 323.16, 323.18, 505.06, and 715.263 of the Revised Code, 10659

the amount of the taxes remaining after any such reduction shall 10660  
be the real and public utility property taxes charged and payable 10661  
on each parcel of real property, including property that does not 10662  
qualify for partial exemption under division (A) of this section, 10663  
and the manufactured home tax charged and payable on each 10664  
manufactured or mobile home, and shall be the amounts certified to 10665  
the county treasurer for collection. Upon receipt of the real and 10666  
public utility property tax duplicate, the treasurer shall certify 10667  
to the tax commissioner the total amount by which the real 10668  
property taxes were reduced under this section, as shown on the 10669  
duplicate. Such reduction shall not directly or indirectly affect 10670  
the determination of the principal amount of notes that may be 10671  
issued in anticipation of any tax levies or the amount of bonds or 10672  
notes for any planned improvements. If after application of 10673  
sections 5705.31 and 5705.32 of the Revised Code and other 10674  
applicable provisions of law, including divisions (F) and (I) of 10675  
section 321.24 of the Revised Code, there would be insufficient 10676  
funds for payment of debt charges on bonds or notes payable from 10677  
taxes reduced by this section, the reduction of taxes provided for 10678  
in this section shall be adjusted to the extent necessary to 10679  
provide funds from such taxes. 10680

(D) The tax commissioner may adopt rules governing the 10681  
administration of the partial exemption provided for by this 10682  
section. 10683

(E) The determination of whether property qualifies for 10684  
partial exemption under division (A) of this section is solely for 10685  
the purpose of allowing the partial exemption under division (B) 10686  
of this section. 10687

**Sec. 319.63.** (A) During the first thirty days of each 10688  
calendar quarter, the county auditor shall pay to the treasurer of 10689  
state all amounts that the county recorder collected as housing 10690

trust fund fees pursuant to section 317.36 of the Revised Code 10691  
during the previous calendar quarter. If payment is made to the 10692  
treasurer of state within the first thirty days of the quarter, 10693  
the county auditor may retain an administrative fee of one per 10694  
cent of the amount of the trust fund fees collected during the 10695  
previous calendar quarter. 10696

(B) The treasurer of state shall deposit the ~~first fifty~~ 10697  
~~million dollars~~ of housing trust fund fees received each year 10698  
pursuant to this section into the low- and moderate-income housing 10699  
trust fund created under section 174.02 of the Revised Code. ~~The~~ 10700  
~~treasurer of state shall deposit any amounts received each year in~~ 10701  
~~excess of fifty million dollars into the housing trust reserve~~ 10702  
~~fund created under section 174.09 of the Revised Code, unless the~~ 10703  
~~cash balance of the housing trust reserve fund is greater than~~ 10704  
~~fifteen million dollars. In that event, the treasurer of state~~ 10705  
~~shall deposit any amounts received each year in excess of fifty~~ 10706  
~~million dollars into the state general revenue fund.~~ 10707

(C) The county auditor shall deposit the administrative fee 10708  
that the auditor is permitted to retain pursuant to division (A) 10709  
of this section into the county general fund for the county 10710  
recorder to use in administering the trust fund fee. 10711

**Sec. 321.24.** (A) On or before the fifteenth day of February, 10712  
in each year, the county treasurer shall settle with the county 10713  
auditor for all taxes and assessments that the treasurer has 10714  
collected on the general duplicate of real and public utility 10715  
property at the time of making the settlement. If the county 10716  
treasurer has made or will make advance payments to the several 10717  
taxing districts of current year unpaid taxes under section 10718  
321.341 of the Revised Code before collecting them, the county 10719  
treasurer shall take the advance payments into account for 10720  
purposes of the settlement with the county auditor under this 10721

division. 10722

(B) On or before the thirtieth day of June, in each year, the 10723  
treasurer shall settle with the auditor for all advance payments 10724  
of general personal and classified property taxes that the 10725  
treasurer has received at the time of making the settlement. 10726

(C) On or before the tenth day of August, in each year, the 10727  
treasurer shall settle with the auditor for all taxes and 10728  
assessments that the treasurer has collected on the general 10729  
duplicates of real and public utility property at the time of 10730  
making such settlement, not included in the preceding February 10731  
settlement. If the county treasurer has made or will make advance 10732  
payments to the several taxing districts of the current year 10733  
delinquent taxes under section 321.341 of the Revised Code before 10734  
collecting them, the county treasurer shall take the advance 10735  
payments into account for purposes of the settlement with the 10736  
county auditor under this division. 10737

(D) On or before the thirty-first day of October, in each 10738  
year, the treasurer shall settle with the auditor for all taxes 10739  
that the treasurer has collected on the general personal and 10740  
classified property duplicates, and for all advance payments of 10741  
general personal and classified property taxes, not included in 10742  
the preceding June settlement, that the treasurer has received at 10743  
the time of making such settlement. 10744

(E) In the event the time for the payment of taxes is 10745  
extended, pursuant to section 323.17 of the Revised Code, the date 10746  
on or before which settlement for the taxes so extended must be 10747  
made, as herein prescribed, shall be deemed to be extended for a 10748  
like period of time. At each such settlement, the auditor shall 10749  
allow to the treasurer, on the moneys received or collected and 10750  
accounted for by the treasurer, the treasurer's fees, at the rate 10751  
or percentage allowed by law, at a full settlement of the 10752

treasurer. 10753

(F) Within thirty days after the day of each settlement of 10754  
taxes required under divisions (A) and (C) of this section, the 10755  
treasurer shall certify to the tax commissioner any adjustments 10756  
that have been made to the amount certified previously pursuant to 10757  
section 319.302 of the Revised Code and that the settlement has 10758  
been completed. Upon receipt of such certification, the 10759  
commissioner shall provide for payment to the county treasurer 10760  
from the general revenue fund of an amount equal to one-half of 10761  
the amount certified by the treasurer in the preceding tax year 10762  
under section 319.302 of the Revised Code, less the sum of (1) 10763  
one-half of the amount computed for all taxing districts in that 10764  
county for the current fiscal year under section 5703.80 of the 10765  
Revised Code for crediting to the property tax administration fund 10766  
and (2) any reduction required by the commissioner under division 10767  
(D) of section 718.83 of the Revised Code. Such payment shall be 10768  
credited upon receipt to the county's undivided income tax fund, 10769  
and the county auditor shall transfer to the county general fund 10770  
from the amount thereof the total amount of all fees and charges 10771  
which the auditor and treasurer would have been authorized to 10772  
receive had such section not been in effect and that amount had 10773  
been levied and collected as taxes. The county auditor shall 10774  
distribute the amount remaining among the various taxing districts 10775  
in the county as if it had been levied, collected, and settled as 10776  
real property taxes. The amount distributed to each taxing 10777  
district shall be reduced by the total of the amounts computed for 10778  
the district under section 5703.80 of the Revised Code, but the 10779  
reduction shall not exceed the amount that otherwise would be 10780  
distributed to the taxing district under this division. The amount 10781  
distributed to a taxing district shall account for any reduction 10782  
required by the commissioner under division (D) of section 718.83 10783  
of the Revised Code. The tax commissioner shall make available to 10784  
taxing districts such information as is sufficient for a taxing 10785

district to be able to determine the amount of the reduction in 10786  
its distribution under this section. 10787

(G)(1) Within thirty days after the day of the settlement 10788  
required in division (D) of this section, the county treasurer 10789  
shall notify the tax commissioner that the settlement has been 10790  
completed. Upon receipt of that notification, the commissioner 10791  
shall provide for payment to the county treasurer from the general 10792  
revenue fund of an amount equal to the amount certified under 10793  
former section 319.311 of the Revised Code and paid in the state's 10794  
fiscal year 2003 multiplied by the percentage specified in 10795  
division (G)(2) of this section. The payment shall be credited 10796  
upon receipt to the county's undivided income tax fund, and the 10797  
county auditor shall distribute the amount thereof among the 10798  
various taxing districts of the county as if it had been levied, 10799  
collected, and settled as personal property taxes. The amount 10800  
received by a taxing district under this division shall be 10801  
apportioned among its funds in the same proportion as the current 10802  
year's personal property taxes are apportioned. 10803

(2) Payments required under division (G)(1) of this section 10804  
shall be made at the following percentages of the amount certified 10805  
under former section 319.311 of the Revised Code and paid under 10806  
division (G)(1) of this section in the state's fiscal year 2003: 10807

(a) In fiscal year 2004, ninety per cent; 10808

(b) In fiscal year 2005, eighty per cent; 10809

(c) In fiscal year 2006, sixty-four per cent; 10810

(d) In fiscal year 2007, forty per cent; 10811

(e) In fiscal year 2008, thirty-two per cent; 10812

(f) In fiscal year 2009, sixteen per cent. 10813

After fiscal year 2009, no payments shall be made under 10814  
division (G)(1) of this section. 10815

(H)(1) On or before the fifteenth day of April each year, the county treasurer shall settle with the county auditor for all manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(2) On or before the fifteenth day of September each year, the county treasurer shall settle with the county auditor for all remaining manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(3) If the time for payment of such taxes is extended under section 4503.06 of the Revised Code, the time for making the settlement as prescribed by divisions (H)(1) and (2) of this section is extended for a like period of time.

(I) On or before the second Monday in September of each year, the county treasurer shall certify to the tax commissioner the total amount by which the manufactured home taxes levied in that year were reduced pursuant to section 319.302 of the Revised Code. Within ninety days after the receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified by the treasurer. Such payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall transfer to the county general fund from the amount thereof the total amount of all fees and charges that the auditor and treasurer would have been authorized to receive had such section not been in effect and that amount had been levied and collected as manufactured home taxes. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as manufactured home taxes.

**Sec. 323.131.** (A) Each tax bill prepared and mailed or 10847  
delivered under section 323.13 of the Revised Code shall be in the 10848  
form and contain the information required by the tax commissioner. 10849  
The commissioner may prescribe different forms for each county and 10850  
may authorize the county auditor to make up tax bills and tax 10851  
receipts to be used by the county treasurer. For any county in 10852  
which the board of county commissioners has granted a partial 10853  
property tax exemption on homesteads under section 323.158 of the 10854  
Revised Code, the commissioner shall require that the tax bills 10855  
for those homesteads include a notice of the amount of the tax 10856  
reduction that results from the partial exemption. In addition to 10857  
the information required by the commissioner, each tax bill shall 10858  
contain the following information: 10859

(1) The taxes levied and the taxes charged and payable 10860

the date they are certified delinquent, the property is subject to 10866

has no effect upon the validity of any tax foreclosure to which a 10868  
property is subjected. 10869

(b) "Notice: If the taxes charged against this parcel have 10870  
been reduced by the 2-1/2 per cent tax reduction for residences 10871  
occupied by the owner but the property is not a residence occupied 10872  
by the owner, the owner must notify the county auditor's office 10873  
not later than March 31 of the year following the year for which 10874  
the taxes are due. Failure to do so may result in the owner being 10875  
convicted of a fourth degree misdemeanor, which is punishable by 10876  
imprisonment up to 30 days, a fine up to \$250, or both, and in the 10877

owner having to repay the amount by which the taxes were 10878  
erroneously or illegally reduced, plus any interest that may 10879  
apply. 10880

If the taxes charged against this parcel have not been 10881  
reduced by the 2-1/2 per cent tax reduction and the parcel 10882  
includes a residence occupied by the owner, the parcel may qualify 10883  
for the tax reduction. To obtain an application for the tax 10884  
reduction or further information, the owner may contact the county 10885  
auditor's office at ..... (insert the address and telephone 10886  
number of the county auditor's office). 10887

current year only. Delinquent taxes, penalties, and interest also 10891  
are due on this property. Contact the county treasurer to learn 10892  
the total amount due." 10893

The tax bill shall not contain or be mailed or delivered with 10894  
any information or material that is not required by this section 10895  
or that is not authorized by section 321.45 of the Revised Code or 10896  
by the tax commissioner. 10897

(B) If the property is residential rental property, the tax 10898  
bill shall contain a statement that the owner of the residential 10899  
rental property shall file with the county auditor the information 10900  
required under division (A) or (C) of section 5323.02 of the 10901  
Revised Code. 10902

(C) Each county auditor and treasurer shall post on their 10903  
respective web sites, or on the county's web site, the percentage 10904  
of property taxes charged by each taxing unit and, in the case of 10905  
the county as a taxing unit, the percentage of taxes charged by 10906  
the county for each of the county purposes for which taxes are 10907  
charged. 10908

(D) As used in this section, "residential rental property" 10909  
has the same meaning as in section 5323.01 of the Revised Code. 10910

<u>and payable in the qualifying area.</u>	11107
<u>(C) The county auditor shall enter the amount of the</u>	11108
<u>reduction for each parcel on the general tax list of real and</u>	11109

this division, the administrator or designee shall consider all 11178  
relevant factors, including, but not limited to, the person's 11179  
escape risk and propensity for assaultive or violent behavior, 11180  
based upon the person's prior and current behavior. 11181

section, upon the effective date of a resolution adopted under 11220  
this division, the specified building or structure shall be used, 11221  
in accordance with this section, for the confinement of persons 11222  
who meet one of the following conditions: 11223

(a) The person is sentenced to a term of imprisonment for a 11224

the jail administrator or the jail administrator's designee has 11229  
classified the person as a minimal security risk. In determining 11230  
the person's classification under this division, the administrator 11231  
or designee shall consider all relevant factors, including, but 11232  
not limited to, the person's escape risk and propensity for 11233  
assaultive or violent behavior, based upon the person's prior and 11234  
current behavior. 11235

(b) The person is charged with a traffic violation, a 11236  
misdemeanor, or a felony of the fourth or fifth degree and has had 11237  
bail set and has not been released on bail and is confined in a 11238  
county jail pending trial, and the jail administrator or the jail 11239  
administrator's designee has classified the person as a minimal 11240  
security risk. In determining the person's classification under 11241  
this division, the administrator or designee shall consider all 11242  
relevant factors, including, but not limited to, the person's 11243  
escape risk and propensity for assaultive or violent behavior, 11244  
based upon the person's prior and current behavior. Nothing in 11245  
this division authorizes the operation or management of a minimum 11246  
security jail by a private entity. 11247

(c) The person is an inmate transferred by order of a judge 11248  
of the sentencing court upon the request of the sheriff, 11249  
administrator, jailer, or other person responsible for operating 11250  
the jail other than a contractor as defined in section 9.06 of the 11251  
Revised Code, who is named in the request as being suitable for 11252  
confinement in a minimum security facility. 11253

(3) No person shall be confined in a building or structure 11254  
dedicated as a minimum security jail under division (B)(1) or (2) 11255  
of this section unless the judge who sentenced the person to the 11256  
term of imprisonment for the traffic violation or the misdemeanor 11257  
specifies that the term of imprisonment is to be served in that 11258  
jail, and division (B)(1) or (2) of this section permits the 11259  
confinement of the person in that jail or unless the judge who 11260  
sentenced the person to the residential sanction for the felony 11261  
specifies that the residential sanction is to be served in a jail, 11262  
and division (B)(1) or (2) of this section permits the confinement 11263  
of the person in that jail. If a rented or leased building or 11264  
structure is so dedicated, the building or structure may be used 11265  
as a minimum security jail only during the period that it is 11266  
rented or leased by the county or by an affiliated county or 11267  
municipal corporation. If a person convicted of a misdemeanor is 11268  
confined to a building or structure dedicated as a minimum 11269  
security jail under division (B)(1) or (2) of this section and the 11270  
sheriff, administrator, jailer, or other person responsible for 11271  
operating the jail other than a contractor as defined in section 11272  
9.06 of the Revised Code determines that it would be more 11273  
appropriate for the person so confined to be confined in another 11274  
jail or workhouse facility, the sheriff, administrator, jailer, or 11275  
other person may transfer the person so confined to a more 11276  
appropriate jail or workhouse facility. 11277

(C) All of the following apply to a building or structure 11278  
that is dedicated pursuant to division (B)(1) or (2) of this 11279

section for use as a minimum security jail: 11280

(1) To the extent that the use of the building or structure 11281  
as a minimum security jail requires a variance from any county, 11282  
municipal corporation, or township zoning regulations or 11283  
ordinances, the variance shall be granted. 11284

(2) Except as provided in this section, the building or 11285  
structure shall not be used to confine any person unless it is in 11286  
substantial compliance with any applicable housing, fire 11287  
prevention, sanitation, health, and safety codes, regulations, or 11288  
standards. 11289

(3) Unless such satisfaction or compliance is required under 11290  
the standards described in division (C)(4) of this section, and 11291  
notwithstanding any other provision of state or local law to the 11292  
contrary, the building or structure need not satisfy or comply 11293  
with any state or local building standard or code in order to be 11294  
used to confine a person for the purposes specified in division 11295  
(B) of this section. 11296

(4) The building or structure shall not be used to confine 11297  
any person unless it is in compliance with all minimum standards 11298  
and minimum renovation, modification, and construction criteria 11299  
for ~~minimum security~~ jails that have been proposed by the 11300  
department of rehabilitation and correction, through its bureau of 11301  
adult detention, under section 5120.10 of the Revised Code. 11302

(5) The building or structure need not be renovated or 11303  
modified into a secure detention facility in order to be used 11304  
solely to confine a person for the purposes specified in divisions 11305  
(B)(1)(a) or (b) and (B)(2)(a) or (b) of this section. 11306

(6) The building or structure shall be used, equipped, 11307  
furnished, and staffed in the manner necessary to provide adequate 11308  
and suitable living, sleeping, food service or preparation, 11309  
drinking, bathing and toilet, sanitation, and other necessary 11310

facilities, furnishings, and equipment. 11311

(D) Except as provided in this section, a minimum security 11312  
jail dedicated and used under this section shall be considered to 11313  
be part of the jail, workhouse, or other correctional facilities 11314  
of the county or the affiliated counties and municipal 11315  
corporations for all purposes under the law. All persons confined 11316  
in such a minimum security jail shall be and shall remain, in all 11317  
respects, under the control of the county authority that has 11318  
responsibility for the management and operation of the jail, 11319  
workhouse, or other correctional facilities of the county or, if 11320

health, safety, convenience, or welfare, or is not intended to 11619  
result in the development of a new community, it shall reject the 11620  
petition thereby terminating the proceedings for the establishment 11621

such change will be conducive to the public health, safety, 11628  
convenience, and welfare, and will be consistent with the 11629  
development of a new community and will not jeopardize the plan of 11630  
the new community. If the developer is not a municipal 11631  
corporation, port authority, or county, all of such an addition to 11632  
such a district shall be owned by, or under the control through 11633

application, the organizational board of commissioners shall 11636  
follow the same procedure as required by this section in relation 11637  
to the petition for the establishment of the proposed new 11638  
community. The organizational board of commissioners also may 11639  
determine by resolution to add territory to such district, 11640  
provided that the owner or other person who controls such 11641  
territory through leases of at least forty years' duration, 11642  
options, or contracts to purchase files a written consent to the 11643  
addition of such territory with the clerk of the organizational 11644  
board of commissioners, and the developer does not object to the 11645  
addition of such territory by filing a written objection to the 11646  
addition of such territory with the clerk of the organizational 11647  
board of commissioners before the adoption of the resolution 11648  
adding such territory to the district. The organizational board of 11649  
commissioners shall follow the same procedure as required by this 11650  
section in relation to the petition for the establishment of the 11651  
proposed new community when adopting such a resolution. 11652

(C) If all or any part of the new community district is 11653  
annexed to one or more existing municipal corporations, their 11654  
legislative authorities may appoint persons to replace any 11655  
appointed citizen member of the board of trustees. The number of 11656  
such trustees to be replaced by the municipal corporation shall be 11657

citizen members as the acreage of the new community district 11660  
within such municipal corporation bears to the total acreage of 11661  
the new community district. If any such municipal corporation 11662  
chooses to replace an appointed citizen member, it shall do so by 11663  
ordinance, the term of the trustee being replaced shall terminate 11664  
thirty days from the date of passage of such ordinance, and the 11665  
trustee to be replaced shall be determined by lot. Each newly 11666  
appointed member shall assume the term of the member's 11667  
predecessor. 11668

**Sec. 349.07.** Notwithstanding any other rule of law, any 11669  
covenant or agreement in deeds, land contracts, leases and any 11670

interest in real estate is conveyed by or to the developer or by 11672  
the new community authority to any person or entity, including the 11673  
developer, or any declaration of covenants executed by the owner 11674  
of real estate, whereby such person or entity agrees, by 11675  
acceptance of any such instrument of conveyance containing said 11676  
covenant of agreement or execution of said declaration, to pay 11677  
annually or semiannually a community development charge for the 11678  
benefit and use of the new community authority to cover all or 11679  
part of the cost of the acquisition, construction, operation and 11680  
maintenance of land, land development and community facilities, 11681

authority in the exercise of the powers granted by Chapter 349. of 11683  
the Revised Code shall be deemed to be a covenant running with the 11684  
land and shall, in any event and without regard to technical 11685  
classification, after such instrument has been duly recorded in 11686  
the land records of the county, be fully binding on behalf of and 11687  
enforceable by the new community authority against each such 11688  
person or entity and all successors and assigns of the property 11689  
conveyed by such instrument of conveyance or encumbered by such 11690  
declaration. 11691

No purchase agreement for any real estate or interest in real estate upon which a community development charge exists by reason of a covenant running with the land shall be enforceable by the seller or binding upon the purchaser unless such purchase agreement specifically refers to such community development charge and identifies the volume and page number of the deed records of the county in which the covenant running with the land establishing such community development charge is recorded, provided that in the event a conveyance of such real estate or interest in real estate is made pursuant to a purchase agreement which does not make such reference and identification, the covenant shall continue to be deemed to be a covenant running with the land fully binding on behalf of and enforceable by the community authority against such person or entity accepting the conveyance pursuant to such purchase agreement.

The new community authority may certify the community development charge to the county auditor, who shall enter the unpaid charge on the tax list and duplicates of real property opposite the parcel against which it is charged, and certify the charge to the county treasurer. An unpaid community development charge is a lien on property against which it is charged from the date the charge is entered on the tax list, and shall be collected in the manner provided for the collection of real property taxes. Once the charge is collected, it shall be paid immediately to the new community district.

No community development charge established pursuant to this chapter shall be construed as prohibiting or limiting the taxing power of municipal corporations.

(C)(1) The board of directors of a convention facilities 11762  
authority that is located in an eligible Appalachian county; that 11763  
has been authorized pursuant to resolution adopted, amended, or 11764  
supplemented by the board of county commissioners pursuant to 11765  
division (A) of this section; and that is not levying a tax under 11766  
division (B)(1) or (2) of this section may levy within the 11767  
territory of the authority, by resolution adopted on or before 11768  
December 31, 2005, an additional excise tax not to exceed three 11769  
per cent on each transaction. The excise tax authorized under 11770  
division (C)(1) of this section shall be in addition to any excise 11771  
tax levied pursuant to section 5739.08 or 5739.09 of the Revised 11772  
Code. 11773

As used in division (C)(1) of this section, "eligible 11774  
Appalachian county" means a county in this state designated as 11775  
being in the "Appalachian region" under the "Appalachian Regional 11776  
Development Act of 1965," 79 Stat. 4, 40 U.S.C. App. 403, and 11777  
having a population less than eighty thousand according to the 11778  
most recent federal decennial census. 11779

(2) Division (C)(2) of this section applies only to a 11780  
convention facilities authority located in a county with a 11781  
population, according to the 2000 federal decennial census, of at 11782  
least one hundred thirty-five thousand and not more than one 11783  
hundred fifty thousand and containing entirely within its 11784  
boundaries the territory of a municipal corporation with a 11785  
population according to that census of more than fifty thousand. 11786

The board of directors of such a convention facilities authority, 11787  
by resolution adopted on or before November 1, 2009, may levy 11788  
within the territory of the authority an excise tax on 11789  
transactions by which lodging by a hotel is or is to be furnished 11790  
to transient guests at a rate not to exceed three per cent on such 11791  
transactions for the same purposes for which a tax may be levied 11792  
under division (B) of this section. The resolution may be adopted 11793  
only if the board of county commissioners of the county, by 11794  
resolution, authorizes the levy of the tax. The resolution of the 11795  
board of county commissioners is subject to referendum as 11796  
prescribed by sections 305.31 to 305.41 of the Revised Code. If, 11797  
pursuant to those procedures, a referendum is to be held, the 11798  
board's resolution does not take effect until approved by a 11799  
majority of electors voting on the question. The convention 11800  
facilities authority may adopt the resolution authorized by 11801  
division (C)(2) of this section before the election, but the 11802  
authority's resolution shall not take effect if the board of 11803  
commissioners' resolution is not approved at the election. A tax 11804  
levied under division (C)(2) of this section is in addition to any 11805  
tax levied under section 5739.09 of the Revised Code. 11806

(3) The board of directors of a convention facilities 11807  
authority created between July 1, 2019, and December 31, 2019, by 11808  
resolution adopted on or before December 30, 2020, may levy within 11809  
the territory of the authority an excise tax on transactions by 11810  
which lodging by a hotel is or is to be furnished to transient 11811  
guests at a rate not to exceed three per cent on such transactions 11812  
for the purposes described in division (A) of this section. This 11813  
tax shall be in addition to any excise tax levied pursuant to this 11814  
section or section 5739.08 or 5739.09 of the Revised Code. The 11815  
resolution levying the tax shall not take effect sooner than 11816  
ninety days after the convention facilities authority is created. 11817

(D) The authority shall provide for the administration and 11818

allocation of an excise tax levied pursuant to division (B) or (C) 11819  
of this section. All receipts arising from those excise taxes 11820  
shall be expended for the purposes provided in, and in accordance 11821  
with this section and section 351.141 of the Revised Code. An 11822  
excise tax levied under division (B) or (C) of this section shall 11823  
remain in effect at the rate at which it is levied for at least 11824  
the duration of the period for which the receipts from the tax 11825  
have been anticipated and pledged pursuant to section 351.141 of 11826  
the Revised Code. 11827

(E) Except as provided in division (B)(2) of this section, 11828  
the levy of an excise tax on each transaction pursuant to sections 11829  
5739.08 and 5739.09 of the Revised Code does not prevent a 11830  
convention facilities authority from levying an excise tax 11831  
pursuant to division (B) or (C) of this section. 11832

(F) A convention facilities authority located in a county 11833  
with a population greater than eighty thousand but less than 11834  
ninety thousand according to the 2010 federal decennial census 11835  
that levies a tax under division (B) of this section may amend the 11836  
resolution levying the tax to allocate a portion of the revenue 11837  
from the tax for support of tourism-related sites or facilities 11838  
and programs operated by the county or a municipal corporation 11839  
within the county in which the authority is located or for the 11840  
purpose of leasing lands for county fairs, erecting buildings for 11841  
county fair purposes, making improvements on a county fairground, 11842  
or for any purpose connected with the use of a county fairground 11843  
or with the management thereof by the county in which the 11844  
authority is located. The revenue allocated by the authority for 11845  
such purposes in a calendar year shall not exceed ~~fifteen~~ 11846  
twenty-five per cent of the total revenue from the tax in the 11847  
preceding calendar year. Revenue allocated for such purposes that 11848  
is not fully used by the end of the calendar year may be carried 11849  
forward for use in subsequent calendar years. Any amount carried 11850

forward does not count toward the limitation on the amount that 11851  
may be allocated for such purposes in succeeding calendar years. 11852

**Sec. 503.56.** (A) As used in this section: 11853

signature of any owner of a business operates as the signature of 11872  
the business. 11873

(5) "Eligible township" means a township wholly or partly 11874  
located in a county having a population greater than three hundred 11875

Code, the aggregate rate of which does not exceed one-half of one 11878  
per cent on September 29, 2015. 11879

(B)(1) The board of trustees of an eligible township, by 11880

resolution, may declare an unincorporated area of the township to 11881  
be a tourism development district for the purpose of fostering and 11882  
developing tourism in the district if all of the following 11883  
criteria are met: 11884

(a) The district's area does not exceed six hundred acres. 11885

(b) All territory in the district is contiguous. 11886

(c) Before adopting that resolution or ordinance, the board 11887  
holds at least two public hearings concerning the creation of the 11888  
tourism development district. 11889

(d) Before adopting the resolution or ordinance, the board 11890  
receives a petition signed by every record owner of a parcel of 11891  
real property located in the proposed district and the owner of 11892  
every business that operates in the proposed district. 11893

(e) The board adopts the resolution on or before December 31, 11894  
2020. 11895

(2) The petition described in division (B)(1)(d) of this 11896  
section shall include an explanation of the taxes and charges that 11897  
may be levied or imposed in the proposed district. 11898

(3) The board shall certify the resolution to the tax 11899

within the boundaries of the district. 11904

(4) Subject to the limitations of division (B)(1)(a) and (b) 11905  
of this section, the board of trustees of an eligible township may 11906  
enlarge the territory of an existing tourism development district 11907  
in the manner prescribed for the creation of a district under 11908  
divisions (B)(1) to (3) of this section, except that the petition 11909

area proposed to be added to the district and the owner of every 11912  
business that operates in the area proposed to be added to the 11913  
district. 11914

(C) For the purpose of fostering and developing tourism in a 11915  
tourism development district, a lessor leasing real property in a 11916  
tourism development district may impose and collect a uniform fee 11917  
on each parcel of real property leased by the lessor, to be paid 11918  
by each of the person's lessees. A lessee is subject to such a fee 11919  
only if the lease separately states the amount of the fee. Before 11920  
a lessor may impose and collect such a fee, the lessor shall file 11921  
a copy of such lease with the fiscal officer of the township that 11922  
designated the tourism development district. A lessor that imposes 11923

officer of the township in which the real property is located. 11925

The board shall establish all regulations necessary to 11926  
provide for the administration and remittance of such fees. The 11927  
regulations may prescribe the time for payment of the fee, and may 11928  
provide for the imposition of a penalty or interest, or both, for 11929  
late remittances, provided that the penalty does not exceed ten 11930  
per cent of the amount of fee due, and the rate at which interest 11931  
accrues does not exceed the rate per annum prescribed pursuant to 11932  
section 5703.47 of the Revised Code. The regulations shall 11933  
provide, after deducting the real and actual costs of 11934  
administering the fee, that the revenue be used exclusively for 11935  
fostering and developing tourism within the tourism development 11936  
district. 11937

(D) The board of trustees of an eligible township that has 11938  
designated a tourism development district under this section may 11939  
levy one or both of the taxes authorized under section 503.57 or 11940  
5739.101 of the Revised Code. If the board does not levy a tax 11941  
under section 5739.101 of the Revised Code, the board may enter 11942

into and enforce agreements imposing a development charge under 11943  
section 503.58 of the Revised Code. 11944

tax commissioner, which shall include the name, address, and 11949

**Sec. 503.58.** (A) The board of trustees of an eligible 11951  
township that has designated a tourism development district under 11952  
section 503.56 of the Revised Code may enter into and enforce 11953  
agreements with one or more owners of property located within the 11954  
district by which the owner or owners agree to pay a development 11955  
charge for the purpose of fostering and developing tourism within 11956  
the district. The amount of the development charge shall equal 11957  
one-half, one, one and one-half, or two per cent of the gross 11958  
receipts derived from making sales at or from the property, 11959  
whether wholesale or retail, but including sales of food only to 11960  
the extent such sales are subject to the tax levied under section 11961  
5739.02 of the Revised Code. 11962

(B) The imposition of a development charge under this section 11963  
is subject to approval of the board of county commissioners of the 11964  
county in which the property is located. If the property owner 11965  
agrees to the development charge and the board of county 11966  
commissioners, by resolution, approves the agreement, the 11967  
development charge shall be treated in the same manner as taxes 11968  
for all purposes of the lien described in section 323.11 of the 11969  
Revised Code, including, but not limited to, the priority and 11970  
enforcement of the lien and the collection of the development 11971  
charge secured by the lien. 11972

Sec. 505.37. (A) The board of township trustees may establish 11973  
all necessary rules to guard against the occurrence of fires and 11974  
to protect the property and lives of the citizens against damage 11975  
and accidents, and may, with the approval of the specifications by 11976  
the prosecuting attorney or, if the township has adopted limited 11977  
home rule government under Chapter 504. of the Revised Code, with 11978  
the approval of the specifications by the township's law director, 11979  
purchase, lease, lease with an option to purchase, or otherwise 11980  
provide any fire apparatus, mechanical resuscitators, underwater 11981  
rescue and recovery equipment, or other fire equipment, 11982  
appliances, materials, fire hydrants, and water supply for 11983  
fire-fighting and fire and rescue purposes that seems advisable to 11984  
the board. The board shall provide for the care and maintenance of 11985  
such fire equipment, and, for these purposes, may purchase, lease, 11986  
lease with an option to purchase, or construct and maintain 11987  
necessary buildings, and it may establish and maintain lines of 11988  
fire-alarm communications within the limits of the township. The 11989  
board may employ one or more persons to maintain and operate such 11990  
fire equipment, or it may enter into an agreement with a volunteer 11991  
fire company for the use and operation of the equipment. The board 11992  
may compensate the members of a volunteer fire company on any 11993  
basis and in any amount that it considers equitable. 11994

11995

When the estimated cost to purchase fire apparatus, 11996  
mechanical resuscitators, underwater rescue and recovery 11997  
equipment, or other fire equipment, appliances, materials, fire 11998  
hydrants, buildings, or fire-alarm communications equipment or 11999  
services exceeds fifty thousand dollars, the contract shall be let 12000  
by competitive bidding. When competitive bidding is required, the 12001  
board shall advertise once a week for not less than two 12002  
consecutive weeks in a newspaper of general circulation within the 12003  
township. The board may also cause notice to be inserted in trade 12004

papers or other publications designated by it or to be distributed 12005  
by electronic means, including posting the notice on the board's 12006  
internet web site. If the board posts the notice on its web site, 12007  
it may eliminate the second notice otherwise required to be 12008  
published in a newspaper of general circulation within the 12009  
township, provided that the first notice published in such 12010  
newspaper meets all of the following requirements: 12011

(1) It is published at least two weeks before the opening of 12012  
bids. 12013

(2) It includes a statement that the notice is posted on the 12014  
board's internet web site. 12015

(3) It includes the internet address of the board's internet 12016  
web site. 12017

(4) It includes instructions describing how the notice may be 12018  
accessed on the board's internet web site. 12019

The advertisement shall include the time, date, and place 12020  
where the clerk of the township, or the clerk's designee, will 12021  
read bids publicly. The time, date, and place of bid openings may 12022  
be extended to a later date by the board of township trustees, 12023  
provided that written or oral notice of the change shall be given 12024  
to all persons who have received or requested specifications not 12025  
later than ninety-six hours prior to the original time and date 12026  
fixed for the opening. The board may reject all the bids or accept 12027  
the lowest and best bid, provided that the successful bidder meets 12028  
the requirements of section 153.54 of the Revised Code when the 12029  
contract is for the construction, demolition, alteration, repair, 12030  
or reconstruction of an improvement. 12031

(B) The boards of township trustees of any two or more 12032  
townships, or the legislative authorities of any two or more 12033  
political subdivisions, or any combination of these, may, through 12034  
joint action, unite in the joint purchase, lease, lease with an 12035

option to purchase, maintenance, use, and operation of fire 12036  
equipment described in division (A) of this section, or for any 12037  
other purpose designated in sections 505.37 to 505.42 of the 12038  
Revised Code, and may prorate the expense of the joint action on 12039  
any terms that are mutually agreed upon. 12040

(C) The board of township trustees of any township may, by 12041  
resolution, whenever it is expedient and necessary to guard 12042  
against the occurrence of fires or to protect the property and 12043  
lives of the citizens against damages resulting from their 12044  
occurrence, create a fire district of any portions of the township 12045  
that it considers necessary. The board may purchase, lease, lease 12046  
with an option to purchase, or otherwise provide any fire 12047  
apparatus, mechanical resuscitators, underwater rescue and 12048  
recovery equipment, or other fire equipment, appliances, 12049  
materials, fire hydrants, and water supply for fire-fighting and 12050  
fire and rescue purposes, or may contract for the fire protection 12051  
for the fire district as provided in section 9.60 of the Revised 12052  
Code. The fire district so created shall be given a separate name 12053  
by which it shall be known. 12054

Additional unincorporated territory of the township may be 12055  
added to a fire district upon the board's adoption of a resolution 12056  
authorizing the addition. A municipal corporation, or a portion of 12057  
a municipal corporation, that is within or adjoining the township 12058  
may be added to a fire district upon the board's adoption of a 12059  
resolution authorizing the addition and the municipal legislative 12060  
authority's adoption of a resolution or ordinance requesting the 12061  
addition of the municipal corporation or a portion of the 12062  
municipal corporation to the fire district. 12063

If the township fire district imposes a tax, additional 12064  
unincorporated territory of the township or a municipal 12065  
corporation or a portion of a municipal corporation that is within 12066  
or adjoining the township shall become part of the fire district 12067

only after all of the following have occurred: 12068

(1) Adoption by the board of township trustees of a 12069  
resolution approving the expansion of the territorial limits of 12070  
the district and, if the resolution proposes to add a municipal 12071  
corporation or a portion of a municipal corporation, adoption by 12072  
the municipal legislative authority of a resolution or ordinance 12073  
requesting the addition of the municipal corporation or a portion 12074  
of the municipal corporation to the district; 12075

(2) Adoption by the board of township trustees of a 12076  
resolution recommending the extension of the tax to the additional 12077  
territory; 12078

(3) Approval of the tax by the electors of the territory 12079  
proposed for addition to the district. 12080

Each resolution of the board adopted under division (C)(2) of 12081  
this section shall state the name of the fire district, a 12082  
description of the territory to be added, and the rate and 12083  
termination date of the tax, which shall be the rate and 12084  
termination date of the tax currently in effect in the fire 12085  
district. 12086

The board of trustees shall certify each resolution adopted 12087  
under division (C)(2) of this section to the board of elections in 12088  
accordance with section 5705.19 of the Revised Code. The election 12089  
required under division (C)(3) of this section shall be held, 12090  
canvassed, and certified in the manner provided for the submission 12091  
of tax levies under section 5705.25 of the Revised Code, except 12092  
that the question appearing on the ballot shall read: 12093

"Shall the territory within ..... 12094  
(description of the proposed territory to be added) be added to 12095  
..... (name) fire district, and a property tax 12096  
at a rate of taxation not exceeding ..... (here insert tax rate) 12097  
be in effect for ..... (here insert the number of years the 12098

tax is to be in effect or "a continuing period of time," as 12099  
applicable)?" 12100

If the question is approved by at least a majority of the 12101  
electors voting on it, the joinder shall be effective as of the 12102  
first day of July of the year following approval, and on that 12103  
date, the township fire district tax shall be extended to the 12104  
taxable property within the territory that has been added. If the 12105  
territory that has been added is a municipal corporation or 12106  
portion thereof and if it had adopted a tax levy for fire 12107  
purposes, the levy is terminated on the effective date of the 12108  
joinder in the area of the municipal corporation added to the 12109  
district. 12110

Any municipal corporation may withdraw from a township fire 12111  
district created under division (C) of this section by the 12112  
adoption by the municipal legislative authority of a resolution or 12113  
ordinance ordering withdrawal. On the first day of July of the 12114  
year following the adoption of the resolution or ordinance of 12115  
withdrawal, the withdrawing municipal corporation ~~withdrawing~~ or 12116  
the portion thereof ceases to be a part of the district, and the 12117  
power of the fire district to levy a tax upon taxable property in 12118  
the withdrawing municipal corporation or the portion thereof 12119  
terminates, except that the fire district shall continue to levy 12120  
and collect taxes for the payment of indebtedness within the 12121  
territory of the fire district as it was composed at the time the 12122  
indebtedness was incurred. 12123

Upon the withdrawal of any municipal corporation from a 12124  
township fire district created under division (C) of this section, 12125  
the county auditor shall ascertain, apportion, and order a 12126  
division of the funds on hand, moneys and taxes in the process of 12127  
collection except for taxes levied for the payment of 12128  
indebtedness, credits, and real and personal property, either in 12129  
money or in kind, on the basis of the valuation of the respective 12130

tax duplicates of the withdrawing municipal corporation and the 12131  
remaining territory of the fire district. 12132

A board of township trustees may remove unincorporated 12133  
territory of the township from the fire district upon the adoption 12134  
of a resolution authorizing the removal. On the first day of July 12135  
of the year following the adoption of the resolution, the 12136  
unincorporated township territory described in the resolution 12137  
ceases to be a part of the district, and the power of the fire 12138  
district to levy a tax upon taxable property in that territory 12139  
terminates, except that the fire district shall continue to levy 12140  
and collect taxes for the payment of indebtedness within the 12141  
territory of the fire district as it was composed at the time the 12142  
indebtedness was incurred. 12143

(D) The board of township trustees of any township, the board 12144  
of fire district trustees of a fire district created under section 12145  
505.371 of the Revised Code, or the legislative authority of any 12146  
municipal corporation may purchase, lease, or lease with an option 12147  
to purchase the necessary fire equipment described in division (A) 12148  
of this section, buildings, and sites for the township, fire 12149  
district, or municipal corporation and issue securities for that 12150  
purpose with maximum maturities as provided in section 133.20 of 12151  
the Revised Code. The board of township trustees, board of fire 12152  
district trustees, or legislative authority may also construct any 12153  
buildings necessary to house fire equipment and issue securities 12154  
for that purpose with maximum maturities as provided in section 12155  
133.20 of the Revised Code. 12156

The board of township trustees, board of fire district 12157  
trustees, or legislative authority may issue the securities of the 12158  
township, fire district, or municipal corporation, signed by the 12159  
board or designated officer of the municipal corporation and 12160  
attested by the signature of the township fiscal officer, fire 12161  
district clerk, or municipal clerk, covering any deferred payments 12162

and payable at the times provided, which securities shall bear 12163  
interest not to exceed the rate determined as provided in section 12164  
9.95 of the Revised Code, and shall not be subject to Chapter 133. 12165  
of the Revised Code. The legislation authorizing the issuance of 12166  
the securities shall provide for levying and collecting annually 12167  
by taxation, amounts sufficient to pay the interest on and 12168  
principal of the securities. The securities shall be offered for 12169  
sale on the open market or given to the vendor or contractor if no 12170  
sale is made. 12171

Section 505.40 of the Revised Code does not apply to any 12172  
securities issued, or any lease with an option to purchase entered 12173  
into, in accordance with this division. 12174

(E) A board of township trustees of any township or a board 12175  
of fire district trustees of a fire district created under section 12176  
505.371 of the Revised Code may purchase a policy or policies of 12177  
liability insurance for the officers, employees, and appointees of 12178  
the fire department, fire district, or joint fire district 12179  
governed by the board that includes personal injury liability 12180  
coverage as to the civil liability of those officers, employees, 12181  
and appointees for false arrest, detention, or imprisonment, 12182  
malicious prosecution, libel, slander, defamation or other 12183  
violation of the right of privacy, wrongful entry or eviction, or 12184  
other invasion of the right of private occupancy, arising out of 12185  
the performance of their duties. 12186

When a board of township trustees cannot, by deed of gift or 12187  
by purchase and upon terms it considers reasonable, procure land 12188  
for a township fire station that is needed in order to respond in 12189  
reasonable time to a fire or medical emergency, the board may 12190  
appropriate land for that purpose under sections 163.01 to 163.22 12191  
of the Revised Code. If it is necessary to acquire additional 12192  
adjacent land for enlarging or improving the fire station, the 12193  
board may purchase, appropriate, or accept a deed of gift for the 12194

land for these purposes. 12195

(F) As used in this division, "emergency medical service 12196  
organization" has the same meaning as in section 4766.01 of the 12197  
Revised Code. 12198

A board of township trustees, by adoption of an appropriate 12199  
resolution, may choose to have the state board of emergency 12200  
medical, fire, and transportation services license any emergency 12201  
medical service organization it operates. If the board adopts such 12202  
a resolution, Chapter 4766. of the Revised Code, except for 12203  
sections 4766.06 and 4766.99 of the Revised Code, applies to the 12204  
organization. All rules adopted under the applicable sections of 12205  
that chapter also apply to the organization. A board of township 12206  
trustees, by adoption of an appropriate resolution, may remove its 12207  
emergency medical service organization from the jurisdiction of 12208  
the state board of emergency medical, fire, and transportation 12209  
services. 12210

**Sec. 505.371.** (A) The boards of township trustees of one or 12211  
more townships and the legislative authorities of one or more 12212  
municipal corporations, or the legislative authorities of two or 12213  
more municipal corporations, or the boards of township trustees of 12214  
two or more townships, may, by adoption of a joint resolution by a 12215  
majority of the members of each board of township trustees and by 12216  
a majority of the members of the legislative authority of each 12217  
municipal corporation, create a joint fire district comprising all 12218  
or any portions of the municipal corporations and all or any 12219  
portions of the townships as are mutually agreed upon. A joint 12220  
fire district so created shall be given a name different from the 12221  
name of any participating township or municipal corporation. 12222

(B) The governing body of the joint fire district shall be a 12223  
board of fire district trustees, which shall include one 12224  
representative from each board of township trustees and one 12225

representative from the legislative authority of each municipal 12226  
corporation in the district. The board of fire district trustees 12227  
may exercise the same powers as are granted to a board of township 12228  
trustees in sections 505.37 to 505.45 of the Revised Code, 12229  
including, but not limited to, the power to levy a tax upon all 12230  
taxable property in the fire district as provided in section 12231  
505.39 of the Revised Code. The board of fire district trustees 12232  
may be compensated at a rate not to exceed thirty dollars per 12233  
meeting, not to exceed fifteen meetings per year, and may be 12234  
reimbursed for all necessary expenses incurred. The board shall 12235  
employ a clerk of the board of fire district trustees. 12236

(C)(1) The board of fire district trustees may establish 12237  
reasonable charges for the use of ambulance or emergency medical 12238  
services. The board may establish different charges for residents 12239  
and nonresidents of the district, and may waive, at its 12240  
discretion, all or part of the charge for any resident of the 12241  
district. The charge for nonresidents shall be an amount not less 12242  
than the authorized medicare reimbursement rate, except that if, 12243  
prior to February 4, 1998, the board had different charges for 12244  
residents and nonresidents and the charge for nonresidents was 12245  
less than the authorized medicare reimbursement rate, the board 12246  
may charge nonresidents less than the authorized medicare 12247  
reimbursement rate. 12248

(2) In the resolution creating the joint fire district, the 12249  
political subdivisions that create the district may provide that 12250  
any of those political subdivisions may agree to pay any charges 12251  
for the use of ambulance or emergency medical services that the 12252  
board of fire district trustees establishes under division (C)(1) 12253  
of this section and that are incurred by the residents of the 12254  
particular political subdivision. Unless the board elects pursuant 12255  
to that division to waive all or part of the charges for the use 12256  
of ambulance or emergency medical services that any resident of 12257

the district incurs, the residents of a particular political 12258  
subdivision that has not so agreed to pay the charges for the use 12259  
of ambulance or emergency medical services incurred by its 12260  
residents shall pay those charges. 12261

(3) Charges collected under division (C) of this section 12262  
shall be kept in a separate fund designated as the ambulance and 12263  
emergency medical services fund and shall be appropriated and 12264  
administered by the board. The fund shall be used for the payment 12265  
of the costs of the management, maintenance, and operation of 12266  
ambulance and emergency medical services in the district. 12267

(4) As used in division (C) of this section, "authorized 12268  
medicare reimbursement rate" has the same meaning as in section 12269  
505.84 of the Revised Code. 12270

(D) Any municipal corporation or township, or parts of them, 12271  
may join an existing joint fire district by the adoption of a 12272  
resolution requesting such membership and upon approval of the 12273  
board of fire district trustees. Any municipal corporation or 12274  
township may withdraw from a joint fire district created under 12275  
this section, by the adoption of a resolution ordering withdrawal. 12276  
On or after the first day of January of the year following the 12277  
adoption of the resolution of withdrawal, the municipal 12278  
corporation or township withdrawing ceases to be a part of such 12279  
district, and the power of the district to levy a tax upon taxable 12280  
property in the withdrawing township or municipal corporation 12281  
terminates, except that the district shall continue to levy and 12282  
collect taxes for the payment of indebtedness within the territory 12283  
of the district as it was comprised at the time the indebtedness 12284  
was incurred. 12285

Upon the withdrawal of any township or municipal corporation 12286  
from a joint fire district created under this section, the county 12287  
auditor shall ascertain, apportion, and order a division of the 12288  
funds on hand, including funds in the ambulance and emergency 12289

medical services fund, moneys and taxes in the process of 12290  
collection, except for taxes levied for the payment of 12291  
indebtedness, credits, and real and personal property, either in 12292  
money or in kind, on the basis of the valuation of the respective 12293  
tax duplicates of the withdrawing municipal corporation or 12294  
township and the remaining territory of the joint fire district. 12295

When the number of townships and municipal corporations 12296  
comprising a joint fire district is reduced to one, the joint fire 12297  
district ceases to exist by operation of law, and the funds, 12298  
credits, and property remaining after apportionments to 12299  
withdrawing municipal corporations or townships shall be assumed 12300  
by the one remaining township or municipal corporation. When a 12301  
joint fire district ceases to exist and an indebtedness remains 12302  
unpaid, the board of county commissioners shall continue to levy 12303  
and collect taxes for the payment of that indebtedness within the 12304  
territory of the joint fire district as it was comprised at the 12305  
time the indebtedness was incurred. 12306

(E) Neither this section nor any other section of the Revised 12307  
Code requires, or shall be construed to require, that the fire 12308  
chief of a joint fire district be a resident of the fire district. 12309

Sec. 513.172. (A) A joint township district hospital board 12310  
may do either of the following: 12311

(1) Form, or acquire control of, a domestic nonprofit 12312  
corporation or a domestic nonprofit limited liability company; 12313

(2) Be a partner, member, owner, associate, or participant in 12314  
a nonprofit enterprise or nonprofit venture. 12315

(B) A joint township district hospital board forming, 12316  
acquiring, or becoming involved with a nonprofit corporation, 12317  
limited liability company, enterprise, or venture under division 12318  
(A) of this section shall do so in furtherance of any of the 12319

by a person using the collection or disposal services, when the 12350  
unpaid amount is at least two hundred fifty dollars. The amount 12351  
certified shall be a lien on the person's property to which 12352  
services are provided, placed on the tax list in a separate 12353  
column, collected as other taxes, and paid into the general fund 12354  
of the municipal corporation. 12355

**Sec. 711.131.** (A) Notwithstanding sections 711.001 to 711.13 12356  
of the Revised Code and except as provided in division (C) of this 12357  
section, unless the rules adopted under section 711.05, 711.09, or 12358  
711.10 of the Revised Code are amended pursuant to division (B) of 12359  
this section, a proposed division of a parcel of land along an 12360  
existing public street, not involving the opening, widening, or 12361  
extension of any street or road, and involving no more than five 12362  
lots after the original tract has been completely subdivided, may 12363  
be submitted to the planning authority having approving 12364  
jurisdiction of plats under section 711.05, 711.09, or 711.10 of 12365  
the Revised Code for approval without plat. If the authority 12366  
acting through a properly designated representative finds that a 12367  
proposed division is not contrary to applicable platting, 12368  
subdividing, zoning, health, sanitary, or access management 12369  
regulations, regulations adopted under division (B)(3) of section 12370  
307.37 of the Revised Code regarding existing surface or 12371  
subsurface drainage, or household sewage treatment rules adopted 12372  
under section 3718.02 of the Revised Code, it shall approve the 12373  
proposed division within seven business days after its submission 12374  
and, on presentation of a conveyance of the parcel, shall stamp 12375  
the conveyance "approved by (planning authority); no plat 12376  
required" and have it signed by its clerk, secretary, or other 12377  
official as may be designated by it. The planning authority may 12378  
require the submission of a sketch and other information that is 12379  
pertinent to its determination under this division. 12380

(B) For a period of up to two years after ~~the effective date~~ 12381  
~~of this amendment~~ the effective date of this amendment, the rules 12382  
adopted under section 711.05, 711.09, or 711.10 of the Revised 12383  
Code may be amended within that period to authorize the planning 12384  
authority involved to approve proposed divisions of parcels of 12385  
land without plat under this division. If an authority so amends 12386  
its rules, it may approve no more than five lots without a plat 12387  
from an original tract as that original tract exists on the 12388  
effective date of the amendment to the rules. The authority shall 12389  
make the findings and approve a proposed division in the time and 12390  
manner specified in division (A) of this section. 12391

(C) This section does not apply to parcels subject to section 12392  
711.133 of the Revised Code. 12393

(D) As used in this section, "business day" means a day of 12394  
the week excluding Saturday, Sunday, or a legal holiday as defined 12395  
in section 1.14 of the Revised Code. 12396

**Sec. 715.014.** (A) As used in this section: 12397

section 503.56 of the Revised Code. 12404

(4) "Eligible municipal corporation" means a municipal 12405  
corporation wholly or partly located in a county having a 12406  
population greater than three hundred seventy-five thousand but 12407  
less than four hundred thousand that levies taxes under section 12408  
5739.021 or 5739.026 of the Revised Code, the aggregate rate of 12409  
which does not exceed one-half of one per cent on September 29, 12410

2015. 12411

(5) "Fiscal officer" means the city auditor, village clerk,  
or other municipal officer having the duties and functions of a  
city auditor or village clerk. 12412  
12413  
12414

(B)(1) The legislative authority of an eligible municipal  
corporation, by resolution or ordinance, may declare an area of  
the municipal corporation to be a tourism development district for  
the purpose of fostering and developing tourism in the district if  
all of the following criteria are met: 12415  
12416  
12417  
12418  
12419

(a) The district's area does not exceed six hundred acres. 12420

(b) All territory in the district is contiguous. 12421

(c) Before adopting the resolution or ordinance, the  
legislative authority holds at least two public hearings  
concerning the creation of the tourism development district. 12422  
12423  
12424

(d) Before adopting the resolution or ordinance, the  
legislative authority receives a petition signed by every record  
owner of a parcel of real property located in the proposed  
district and the owner of every business that operates in the  
proposed district. 12425  
12426  
12427  
12428  
12429

(e) The legislative authority adopts the resolution or  
ordinance on or before December 31, 2020. 12430  
12431

A legislative authority may declare more than one area of the  
municipal corporation to be a tourism development district under  
this section. 12432  
12433  
12434

(2) The petition described in division (B)(1)(d) of this  
section shall include an explanation of the taxes and charges that  
may be levied or imposed in the proposed district. 12435  
12436  
12437

(3) The legislative authority shall certify the resolution or  
ordinance to the tax commissioner within five days after its  
adoption, along with a description of the boundaries of the 12438  
12439  
12440

district authorized in the resolution. That description shall 12441  
include sufficient information for the commissioner to determine 12442  
if the address of a vendor is within the boundaries of the 12443  
district. 12444

(4) Subject to the limitations of divisions (B)(1)(a) and (b) 12445  
of this section, the legislative authority of an eligible 12446  
municipal corporation may enlarge the territory of an existing 12447  
tourism development district in the manner prescribed for the 12448  
creation of a district under divisions (B)(1) to (3) of this 12449  
section, except that the petition described in division (B)(1)(d) 12450  
of this section must be signed by every record owner of a parcel 12451  
of real property located in the area proposed to be added to the 12452  
district and the owner of every business that operates in the area 12453  
proposed to be added to the district. 12454

(C) For the purpose of fostering and developing tourism in a 12455  
tourism development district, a lessor leasing real property in a 12456  
tourism development district may impose and collect a uniform fee 12457  
on each parcel of real property leased by the lessor, to be paid 12458  
by each of the person's lessees. A lessee is subject to such a fee 12459  
only if the lease separately states the amount of the fee. Before 12460  
a lessor may impose and collect such a fee, the lessor shall file 12461  
a copy of such lease with the fiscal officer. A lessor that 12462  
imposes such a fee shall remit all collections of the fee to the 12463  
municipal corporation in which the real property is located. 12464

The legislative authority of that municipal corporation shall 12465  
establish all regulations necessary to provide for the 12466  
administration and remittance of such fees. The regulations may 12467  
prescribe the time for payment of the fee, and may provide for the 12468  
imposition of a penalty or interest, or both, for late 12469  
remittances, provided that the penalty does not exceed ten per 12470  
cent of the amount of fee due, and the rate at which interest 12471  
accrues does not exceed the rate per annum prescribed pursuant to 12472

section 5703.47 of the Revised Code. The regulations shall 12473  
provide, after deducting the real and actual costs of 12474  
administering the fee, that the revenue be used exclusively for 12475  
fostering and developing tourism within the tourism development 12476  
district. 12477

(D) The legislative authority of an eligible municipal 12478  
corporation that has designated a tourism development district may 12479  
levy the tax authorized under section 5739.101 of the Revised Code 12480  
or enter into and enforce agreements imposing a development charge 12481  
under section 715.015 of the Revised Code. Nothing in this section 12482  
limits the power of the legislative authority of a municipal 12483  
corporation to levy a tax on the basis of admissions in a tourism 12484  
development district pursuant to its powers of local 12485  
self-government conferred by Section 3 of Article XVIII, Ohio 12486  
Constitution. 12487

(E) On or before the first day of each January and July, 12488  
beginning after the designation of a tourism development district, 12489  
the fiscal officer shall certify a list of vendors located within 12490  
the tourism development district to the tax commissioner, which 12491  
shall include the name, address, and vendor's license number for 12492  
each vendor. 12493

Sec. 715.015. (A) The legislative authority of an eligible 12494  
municipal corporation that has designated a tourism development 12495  
district under section 715.014 of the Revised Code may enter into 12496  
and enforce agreements with one or more owners of property located 12497  
within the district by which the owner or owners agree to pay a 12498  
development charge for the purpose of fostering and developing 12499  
tourism within the district. The amount of the development charge 12500  
shall equal one-half, one, one and one-half, or two per cent of 12501  
the gross receipts derived from making sales at or from the 12502  
property, whether wholesale or retail, but including sales of food 12503

only to the extent such sales are subject to the tax levied under 12504  
section 5739.02 of the Revised Code. 12505

(B) The imposition of a development charge under this section 12506  
is subject to approval of the board of county commissioners of the 12507  
county in which the property is located. If the property owner 12508  
agrees to the development charge and the board of county 12509  
commissioners, by resolution, approves the agreement, the 12510  
development charge shall be treated in the same manner as taxes 12511  
for all purposes of the lien described in section 323.11 of the 12512  
Revised Code, including, but not limited to, the priority and 12513  
enforcement of the lien and the collection of the development 12514  
charge secured by the lien. 12515

(C) Nothing in this section limits the power of the 12516  
legislative authority of a municipal corporation to levy taxes 12517  
pursuant to its powers of local self-government conferred by 12518  
Section 3 of Article XVIII, Ohio Constitution. 12519

**Sec. 718.01.** Any term used in this chapter that is not 12520  
otherwise defined in this chapter has the same meaning as when 12521  
used in a comparable context in laws of the United States relating 12522  
to federal income taxation or in Title LVII of the Revised Code, 12523  
unless a different meaning is clearly required. Except as provided 12524  
in section 718.81 of the Revised Code, if a term used in this 12525  
chapter that is not otherwise defined in this chapter is used in a 12526  
comparable context in both the laws of the United States relating 12527  
to federal income tax and in Title LVII of the Revised Code and 12528  
the use is not consistent, then the use of the term in the laws of 12529  
the United States relating to federal income tax shall control 12530  
over the use of the term in Title LVII of the Revised Code. 12531

Except as otherwise provided in section 718.81 of the Revised 12532  
Code, as used in this chapter: 12533

(A)(1) "Municipal taxable income" means the following: 12534

(a) For a person other than an individual, income apportioned 12535  
or situated to the municipal corporation under section 718.02 of 12536  
the Revised Code, as applicable, reduced by any pre-2017 net 12537  
operating loss carryforward available to the person for the 12538  
municipal corporation. 12539

(b)(i) For an individual who is a resident of a municipal 12540  
corporation other than a qualified municipal corporation, income 12541  
reduced by exempt income to the extent otherwise included in 12542

(ii) For an individual who is a resident of a qualified 12547  
municipal corporation, Ohio adjusted gross income reduced by 12548  
income exempted, and increased by deductions excluded, by the 12549

are not residents of the qualified municipal corporation and net 12553

For the municipal corporation in which the taxpayer is a resident, the taxpayer may deduct all such expenses allowed for federal income tax purposes. For a municipal corporation in which the taxpayer is not a resident, the taxpayer may deduct such expenses only to the extent the expenses are related to the taxpayer's performance of personal services in that nonresident municipal corporation. 12568

12583  
12584  
12585  
12586  
12587

(b) For the purposes of division (B)(1)(a) of this section: 12588

(ii) The resident's distributive share of the net profit of 12599  
each pass-through entity owned directly or indirectly by the 12600  
resident shall be calculated without regard to any net operating 12601  
loss that is carried forward by that entity from a prior taxable 12602  
year and applied to reduce the entity's net profit for the current 12603

to tax in the municipal corporation as provided in division 12609  
(C)(14)(b) or (c) of this section. 12610

(d) Any amount of a net operating loss used to reduce a 12611  
taxpayer's net profit for a taxable year shall reduce the amount 12612  
of net operating loss that may be carried forward to any 12613  
subsequent year for use by that taxpayer. In no event shall the 12614  
cumulative deductions for all taxable years with respect to a 12615  
taxpayer's net operating loss exceed the original amount of that 12616  
net operating loss available to that taxpayer. 12617

(2) In the case of nonresidents, all income, salaries, 12618  
qualifying wages, commissions, and other compensation from 12619  
whatever source earned or received by the nonresident for work 12620

taxpayer; 12627

expenses to the extent authorized under the Internal Revenue Code 12632  
and claimed against such winnings. 12633

(C) "Exempt income" means all of the following: 12634

a majority of the electors of the municipal corporation voting on 12643  
the question of whether to permit the taxation of that type of 12644

thousand dollars for the taxable year may be subject to taxation	12666

the Revised Code as it existed before March 11, 2004, a majority 12709  
of the electors of a municipal corporation voted in favor of the 12710  
question at an election held on November 4, 2003, the municipal 12711  
corporation may continue after 2002 to tax an S corporation 12712  
shareholder's distributive share of net profits of an S 12713  
corporation. 12714

(c) If, on December 6, 2002, a municipal corporation was 12715

the Revised Code, the municipal corporation may continue to impose 12722  
the tax on such distributive shares to the extent such shares 12723  
would be so allocated or apportioned to this state only until 12724  
December 31, 2004, unless a majority of the electors of the 12725  
municipal corporation voting on the question of continuing to tax 12726

continue after December 31, 2004, to impose the tax on such 12730

allocated or apportioned to this state. 12732

(d) A municipal corporation shall be deemed to have elected 12733  
to tax S corporation shareholders' distributive shares of net 12734  
profits of the S corporation in the hands of the shareholders if a 12735  
majority of the electors of a municipal corporation voted in favor 12736  
of a question at an election held under division (C)(14)(b) or (c) 12737  
of this section. The municipal corporation shall specify by 12738  
resolution or ordinance that the tax applies to the distributive 12739  
share of a shareholder of an S corporation in the hands of the 12740  
shareholder of the S corporation. 12741

(15) To the extent authorized under a resolution or ordinance 12742  
adopted by a municipal corporation before January 1, 2016, all or 12743

(d) of this section, qualifying wages described in division (B)(1) 12747  
or (E) of section 718.011 of the Revised Code to the extent the 12748  
qualifying wages are not subject to withholding for the municipal 12749  
corporation under either of those divisions. 12750

(b) The exemption provided in division (C)(16)(a) of this 12751  
section does not apply with respect to the municipal corporation 12752  
in which the employee resided at the time the employee earned the 12753

qualifying wages.	12754
(c) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages that an employer elects to withhold under division (D)(2) of section 718.011 of the Revised Code.	12755 12756 12757 12758
(d) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages if both of the following conditions apply:	12759 12760 12761
(i) For qualifying wages described in division (B)(1) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employee's principal place of work is situated, or, for qualifying wages described in division (E) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employer's fixed location is located;	12762 12763 12764 12765 12766 12767 12768 12769

For purposes of division (C)(17)(b)(ii) of this section, 12787  
"professional athlete," "professional entertainer," and "public 12788  
figure" have the same meanings as in section 718.011 of the 12789  
Revised Code. 12790

(c) Compensation to which division (C)(17) of this section 12791  
applies shall be treated as earned or received at the individual's 12792

(18) Compensation paid to a person for personal services 12801  
performed for a political subdivision on property owned by the 12802  
political subdivision, regardless of whether the compensation is 12803  
received by an employee of the subdivision or another person 12804  
performing services for the subdivision under a contract with the 12805  
subdivision, if the property on which services are performed is 12806  
annexed to a municipal corporation pursuant to section 709.023 of 12807  
the Revised Code on or after March 27, 2013, unless the person is 12808  
subject to such taxation because of residence. If the compensation 12809  
is subject to taxation because of residence, municipal income tax 12810  
shall be payable only to the municipal corporation of residence. 12811

(19) In the case of a tax administered, collected, and 12812

infrastructure owned or used by the employee's employer. 12832

(21) Income the taxation of which is prohibited by the 12833  
constitution or laws of the United States. 12834

section, the net operating loss carried forward shall be 12844

(D)(3) of this section. 12846

(2) "Net profit" for a person other than an individual means 12847  
adjusted federal taxable income reduced by any net operating loss 12848  
incurred by the person in a taxable year beginning on or after 12849  
January 1, 2017, subject to the limitations of division (D)(3) of 12850  
this section. 12851

(3)(a) The amount of such net operating loss shall be 12852  
deducted from net profit to the extent necessary to reduce 12853  
municipal taxable income to zero, with any remaining unused 12854  
portion of the net operating loss carried forward to not more than 12855  
five consecutive taxable years following the taxable year in which 12856  
the loss was incurred, but in no case for more years than 12857  
necessary for the deduction to be fully utilized. 12858

(b) No person shall use the deduction allowed by division 12859  
(D)(3) of this section to offset qualifying wages. 12860

(c)(i) For taxable years beginning in 2018, 2019, 2020, 2021, 12861  
or 2022, a person may not deduct, for purposes of an income tax 12862  
levied by a municipal corporation that levies an income tax before 12863

(ii) For taxable years beginning in 2023 or thereafter, a 12866  
person may deduct, for purposes of an income tax levied by a 12867  
municipal corporation that levies an income tax before January 1, 12868  
2016, the full amount allowed by division (D)(3) of this section 12869  
without regard to the limitation of division (D)(3)(b)(i) of this 12870  
section. 12871

(d) Any pre-2017 net operating loss carryforward deduction 12872  
that is available may be utilized before a taxpayer may deduct any 12873  
amount pursuant to division (D)(3) of this section. 12874

(e) Nothing in division (D)(3)(c)(i) of this section 12875  
precludes a person from carrying forward, for use with respect to 12876  
any return filed for a taxable year beginning after 2018, any 12877

amount of net operating loss that was not fully utilized by 12878  
operation of division (D)(3)(c)(i) of this section. To the extent 12879  
that an amount of net operating loss that was not fully utilized 12880  
in one or more taxable years by operation of division (D)(3)(c)(i) 12881  
of this section is carried forward for use with respect to a 12882

but shall instead be included in the net profit of the owner of 12889  
the disregarded entity. 12890

(5) For the purposes of this chapter, and notwithstanding any 12891  
other provision of this chapter, the net profit of a publicly 12892  
traded partnership that makes the election described in division 12893  
(D)(5) of this section shall be taxed as if the partnership were a 12894  
C corporation, and shall not be treated as the net profit or 12895  
income of any owner of the partnership. 12896

A publicly traded partnership that is treated as a 12897  
partnership for federal income tax purposes and that is subject to 12898  
tax on its net profits in one or more municipal corporations in 12899

municipal income tax purposes. The publicly traded partnership 12901  
shall make the election in every municipal corporation in which 12902  
the partnership is subject to taxation on its net profits. The 12903  
election shall be made on the annual tax return filed in each such 12904  
municipal corporation. The publicly traded partnership shall not 12905  
be required to file the election with any municipal corporation in 12906  
which the partnership is not subject to taxation on its net 12907  
profits, but division (D)(5) of this section applies to all 12908  
municipal corporations in which an individual owner of the 12909

partnership resides. 12910

share of such earnings shall equal the proportion that the 13474

under this section for a taxable year exceeds the amount payable 13481  
to that municipal corporation under sections 718.80 to 718.95 of 13482  
the Revised Code after accounting for amounts remitted with the 13483  
annual return and as estimated taxes, the commissioner shall 13484  
proceed according to divisions (A) and (B) of section 5703.77 of 13485  
the Revised Code. 13486

(C) If the amount of a municipal corporation's net 13487  
distribution computed by the commissioner under division (A) of 13488  
this section is less than zero, the commissioner may notify the 13489  
municipal corporation of the deficiency. Within thirty days after 13490  
receiving such a notice, the municipal corporation shall pay an 13491  
amount equal to the deficiency to the treasurer of state. The 13492

treasurer of state shall credit any payment received under this 13493  
division to the municipal net profit tax fund. 13494

(D) If a municipal corporation fails to make a timely payment 13495  
required under division (C) of this section, the commissioner may 13496  
recover the deficiency using any or all of the following options: 13497

(1) Deduct the amount of the deficiency from the next 13498  
distribution to that municipal corporation under division (A) of 13499  
this section or, if the amount of the deficiency exceeds the 13500  
amount of such distribution, withhold such distributions entirely 13501  
until the withheld amount equals the amount of the municipal 13502  
corporation's deficiency; 13503

(2) Deduct the amount of the deficiency from the next payment 13504  
to that municipal corporation under division (A) of section 13505  
5745.05 of the Revised Code or, if the amount of the deficiency 13506  
exceeds the amount of such distribution, withhold such 13507  
distributions entirely until the withheld amount equals the amount 13508  
of the municipal corporation's deficiency; 13509

(3) Deduct the amount of the deficiency from the municipal 13510  
corporation's share of the next payment made by the commissioner 13511  
under division (F) of section 321.24 of the Revised Code or, if 13512  
the amount of the deficiency exceeds the amount of the municipal 13513  
corporation's share of such payment, withhold the municipal 13514  
corporation's share of the payments entirely until the withheld 13515  
amount equals the amount of the municipal corporation's 13516  
deficiency. 13517

(E) The total amount of payments and distributions withheld 13518  
from a municipal corporation under division (D) of this section 13519  
shall not exceed the unpaid portion of the municipal corporation's 13520  
net distribution deficiency. All amounts withheld under division 13521  
(D) of this section shall be credited to the municipal net profit 13522  
tax fund. 13523

(F) The commissioner may adopt rules necessary to administer 13524  
this section. 13525

**Sec. 718.85.** (A)(1) For each taxable year, every taxpayer 13526  
shall file an annual return. Such return, along with the amount of 13527  
tax shown to be due on the return less the amount paid for the 13528  
taxable year under section 718.88 of the Revised Code, shall be 13529  
submitted to the tax commissioner, on a form and in the manner 13530  
prescribed by the commissioner, on or before the fifteenth day of 13531  
the fourth month following the end of the taxpayer's taxable year. 13532

(2) If a taxpayer has multiple taxable years beginning within 13533  
one calendar year, the taxpayer shall aggregate the facts and 13534  
figures necessary to compute the tax due under this chapter, in 13535  
accordance with sections 718.81, 718.82, and, if applicable, 13536  
718.86 of the Revised Code onto its annual return. 13537

(3) The remittance shall be made payable to the treasurer of 13538  
state and in the form prescribed by the tax commissioner. If the 13539  
amount payable with the tax return is ten dollars or less, no 13540  
remittance is required. 13541

(B) The tax commissioner shall immediately forward to the 13542  
treasurer of state all amounts the commissioner receives pursuant 13543  
to sections 718.80 to 718.95 of the Revised Code. The treasurer 13544  
shall credit ninety-nine and one-half per cent of such amounts to 13545  
the municipal ~~income~~ net profit tax fund which is hereby created 13546  
in the state treasury, and the remainder to the municipal income 13547  
tax administrative fund established under section 5745.03 of the 13548  
Revised Code. 13549

(C)(1) Each return required to be filed under this section 13550  
shall contain the signature of the taxpayer or the taxpayer's duly 13551  
authorized agent and of the person who prepared the return for the 13552  
taxpayer, and shall include the taxpayer's identification number. 13553  
Each return shall be verified by a declaration under penalty of 13554

perjury. 13555

(2)(a) The tax commissioner may require a taxpayer to 13556  
include, with each annual tax return, amended return, or request 13557  
for refund filed with the commissioner under sections 718.80 to 13558  
718.95 of the Revised Code, copies of any relevant documents or 13559  
other information. 13560

(b) A taxpayer that files an annual tax return electronically 13561  
through the Ohio business gateway or in another manner as 13562  
prescribed by the tax commissioner shall either submit the 13563  
documents required under this division electronically as 13564  
prescribed at the time of filing or, if electronic submission is 13565  
not available, mail the documents to the tax commissioner. The 13566  
department of taxation shall publish a method of electronically 13567  
submitting the documents required under this division on or before 13568  
January 1, 2019. 13569

(3) After a taxpayer files a tax return, the tax commissioner 13570  
may request, and the taxpayer shall provide, any information, 13571  
statements, or documents required to determine and verify the 13572  
taxpayer's municipal income tax. 13573

(D)(1)(a) Any taxpayer that has duly requested an automatic 13574  
extension for filing the taxpayer's federal income tax return 13575  
shall automatically receive an extension for the filing of a tax 13576  
return with the commissioner under this section. The extended due 13577  
date of the return shall be the fifteenth day of the tenth month 13578  
after the last day of the taxable year to which the return 13579  
relates. 13580

(b) A taxpayer that has not requested or received a six-month 13581  
extension for filing the taxpayer's federal income tax return may 13582  
request that the commissioner grant the taxpayer a six-month 13583  
extension of the date for filing the taxpayer's municipal income 13584  
tax return. If the commissioner receives the request on or before 13585

the date the municipal income tax return is due, the commissioner 13586  
shall grant the taxpayer's extension request. 13587

(c) An extension of time to file under division (D)(1) of 13588  
this section is not an extension of the time to pay any tax due 13589  
unless the tax commissioner grants an extension of that date. 13590

(2) If the commissioner considers it necessary in order to 13591  
ensure payment of a tax imposed in accordance with section 718.04 13592  
of the Revised Code, the commissioner may require taxpayers to 13593  
file returns and make payments otherwise than as provided in this 13594  
section, including taxpayers not otherwise required to file annual 13595  
returns. 13596

(E) Each return required to be filed in accordance with this 13597  
section shall include a box that the taxpayer may check to 13598  
authorize another person, including a tax return preparer who 13599  
prepared the return, to communicate with the tax commissioner 13600  
about matters pertaining to the return. The return or instructions 13601  
accompanying the return shall indicate that by checking the box 13602  
the taxpayer authorizes the commissioner to contact the preparer 13603  
or other person concerning questions that arise during the 13604  
examination or other review of the return and authorizes the 13605  
preparer or other person only to provide the commissioner with 13606  
information that is missing from the return, to contact the 13607  
commissioner for information about the examination or other review 13608  
of the return or the status of the taxpayer's refund or payments, 13609  
and to respond to notices about mathematical errors, offsets, or 13610  
return preparation that the taxpayer has received from the 13611  
commissioner and has shown to the preparer or other person. 13612

(F) When income tax returns or other documents require the 13613  
signature of a tax return preparer, the tax commissioner shall 13614  
accept a facsimile or electronic version of such a signature in 13615  
lieu of a manual signature. 13616

Sec. 718.90. (A) If any taxpayer required to file a return 13617  
under section 718.80 to 718.95 of the Revised Code fails to file 13618  
the return within the time prescribed, files an incorrect return, 13619  
or fails to remit the full amount of the tax due for the period 13620  
covered by the return, the tax commissioner may make an assessment 13621  
against the taxpayer for any deficiency for the period for which 13622  
the return or tax is due, based upon any information in the 13623  
commissioner's possession. 13624

The tax commissioner shall not make or issue an assessment 13625  
against a taxpayer more than three years after the later of the 13626  
date the return subject to assessment was required to be filed or 13627  
the date the return was filed. Such time limit may be extended if 13628  
both the taxpayer and the commissioner consent in writing to the 13629  
extension. Any such extension shall extend the three-year time 13630  
limit in section 718.91 of the Revised Code for the same period of 13631  
time. There shall be no bar or limit to an assessment against a 13632  
taxpayer that fails to file a return subject to assessment as 13633  
required by sections 718.80 to 718.95 of the Revised Code, or that 13634  
files a fraudulent return. The commissioner shall give the 13635  
taxpayer assessed written notice of the assessment as provided in 13636  
section 5703.37 of the Revised Code. With the notice, the 13637  
commissioner shall provide instructions on how to petition for 13638  
reassessment and request a hearing on the petition. 13639

(B) Unless the taxpayer assessed files with the tax 13640  
commissioner within sixty days after service of the notice of 13641  
assessment, either personally or by certified mail, a written 13642  
petition for reassessment signed by the authorized agent of the 13643  
taxpayer assessed having knowledge of the facts, the assessment 13644  
becomes final, and the amount of the assessment is due and payable 13645  
from the taxpayer to the treasurer of state. The petition shall 13646  
indicate the taxpayer's objections, but additional objections may 13647  
be raised in writing if received by the commissioner prior to the 13648

date shown on the final determination. If the petition has been 13649  
properly filed, the commissioner shall proceed under section 13650  
5703.60 of the Revised Code. 13651

(C) After an assessment becomes final, if any portion of the 13652  
assessment remains unpaid, including accrued interest, a certified 13653  
copy of the tax commissioner's entry making the assessment final 13654  
may be filed in the office of the clerk of the court of common 13655  
pleas in the county in which the taxpayer has an office or place 13656  
of business in this state, the county in which the taxpayer's 13657  
statutory agent is located, or Franklin county. 13658

Immediately upon the filing of the entry, the clerk shall 13659  
enter a judgment against the taxpayer assessed in the amount shown 13660  
on the entry. The judgment may be filed by the clerk in a 13661  
loose-leaf book entitled "special judgments for municipal income 13662  
taxes," and shall have the same effect as other judgments. 13663  
Execution shall issue upon the judgment upon the request of the 13664  
tax commissioner, and all laws applicable to sales on execution 13665  
shall apply to sales made under the judgment. 13666

If the assessment is not paid in its entirety within sixty 13667  
days after the day the assessment was issued, the portion of the 13668  
assessment consisting of tax due shall bear interest at the rate 13669  
per annum prescribed by section 5703.47 of the Revised Code from 13670  
the day the commissioner issues the assessment until the 13671  
assessment is paid or until it is certified to the attorney 13672  
general for collection under section 131.02 of the Revised Code, 13673  
whichever comes first. If the unpaid portion of the assessment is 13674  
certified to the attorney general for collection, the entire 13675  
unpaid portion of the assessment shall bear interest at the rate 13676  
per annum prescribed by section 5703.47 of the Revised Code from 13677  
the date of certification until the date it is paid in its 13678  
entirety. Interest shall be paid in the same manner as the tax and 13679  
may be collected by issuing an assessment under this section. 13680

(D) All money collected under this section shall be credited 13681  
to the municipal ~~income~~ net profit tax fund and distributed to the 13682  
municipal corporation to which the money is owed based on the 13683  
assessment issued under this section. 13684

(E) If the tax commissioner believes that collection of the 13685  
tax will be jeopardized unless proceedings to collect or secure 13686  
collection of the tax are instituted without delay, the 13687  
commissioner may issue a jeopardy assessment against the taxpayer 13688  
liable for the tax. Immediately upon the issuance of the jeopardy 13689  
assessment, the commissioner shall file an entry with the clerk of 13690  
the court of common pleas in the manner prescribed by division (C) 13691  
of this section. Notice of the jeopardy assessment shall be served 13692  
on the taxpayer assessed or the taxpayer's legal representative in 13693  
the manner provided in section 5703.37 of the Revised Code within 13694  
five days of the filing of the entry with the clerk. The total 13695  
amount assessed is immediately due and payable, unless the 13696  
taxpayer assessed files a petition for reassessment in accordance 13697  
with division (B) of this section and provides security in a form 13698  
satisfactory to the commissioner and in an amount sufficient to 13699  
satisfy the unpaid balance of the assessment. Full or partial 13700  
payment of the assessment does not prejudice the commissioner's 13701  
consideration of the petition for reassessment. 13702

(F) Notwithstanding the fact that a petition for reassessment 13703  
is pending, the taxpayer may pay all or a portion of the 13704  
assessment that is the subject of the petition. The acceptance of 13705  
a payment by the treasurer of state does not prejudice any claim 13706  
for refund upon final determination of the petition. 13707

If upon final determination of the petition an error in the 13708  
assessment is corrected by the tax commissioner, upon petition so 13709  
filed or pursuant to a decision of the board of tax appeals or any 13710  
court to which the determination or decision has been appealed, so 13711  
that the amount due from the taxpayer under the corrected 13712

assessment is less than the portion paid, there shall be issued to 13713  
the taxpayer, its assigns, or legal representative a refund in the 13714  
amount of the overpayment as provided by section 718.91 of the 13715  
Revised Code, with interest on that amount as provided by that 13716  
section. 13717

**Sec. 753.21.** (A) As used in this section, "building or 13718  
structure" includes, but is not limited to, a modular unit, 13719  
building, or structure and a movable unit, building, or structure. 13720

(B)(1) The legislative authority of a municipal corporation, 13721  
by ordinance, may dedicate and permit the use, as a minimum 13722  
security jail, of any vacant or abandoned public building or 13723  
structure owned by the municipal corporation that has not been 13724  
dedicated to or is not then in use for any municipal or other 13725  
public purpose, or any building or structure rented or leased by 13726  
the municipal corporation. The legislative authority of a 13727  
municipal corporation, by ordinance, also may dedicate and permit 13728  
the use, as a minimum security jail, of any building or structure 13729  
purchased by or constructed by or for the municipal corporation. 13730  
Subject to divisions (B)(3) and (C) of this section, upon the 13731  
effective date of such an ordinance, the specified building or 13732  
structure shall be used, in accordance with this section, for the 13733  
confinement of persons who meet one of the following conditions: 13734

(a) The person is sentenced to a term of imprisonment for a 13735

2929.11 to 2929.19 of the Revised Code, and the jail administrator 13740  
or the jail administrator's designee has classified the person as 13741  
a minimal security risk. In determining the person's 13742  
classification under this division, the administrator or designee 13743

shall consider all relevant factors, including, but not limited 13744  
to, the person's escape risk and propensity for assaultive or 13745  
violent behavior, based upon the person's prior and current 13746  
behavior. 13747

(b) The person is an inmate transferred by order of a judge 13748  
of the sentencing court upon the request of the sheriff, 13749

the jail other than a contractor as defined in section 9.06 of the 13751  
Revised Code, who is named in the request as being suitable for 13752  
confinement in a minimum security facility. 13753

(2) The legislative authority of a municipal corporation, by 13754  
ordinance, may affiliate with the county in which it is located, 13755  
with one or more counties adjacent to the county in which it is 13756  
located, or with one or more municipal corporations located within 13757  
the county in which it is located or within an adjacent county, 13758  
and dedicate and permit the use, as a minimum security jail, of 13759  
any vacant or abandoned public building or structure owned by any 13760  
of the affiliating counties or municipal corporations that has not 13761  
been dedicated to or is not then in use for any public purpose, or 13762  
any building or structure rented or leased by any of the 13763  
affiliating counties or municipal corporations. The legislative 13764  
authority of a municipal corporation, by ordinance, also may 13765  
affiliate with one or more counties adjacent to the county in 13766  
which it is located or with one or more municipal corporations 13767  
located within the county in which it is located or within an 13768  
adjacent county and dedicate and permit the use, as a minimum 13769  
security jail, of any building or structure purchased by or 13770  
constructed by or for any of the affiliating counties or municipal 13771  
corporations. Any counties and municipal corporations that 13772  
affiliate for purposes of this division shall enter into an 13773  
agreement that establishes the responsibilities for the operation 13774  
and for the cost of operation of the minimum security jail. 13775

Subject to divisions (B)(3) and (C) of this section, upon the 13776  
effective date of an ordinance adopted under this division, the 13777  
specified building or structure shall be used, in accordance with 13778  
this section, for the confinement of persons who meet one of the 13779  
following conditions: 13780

(a) The person is sentenced to a term of imprisonment for a 13781  
traffic violation, a misdemeanor, or a violation of an ordinance 13782  
of a municipal corporation and is under the jurisdiction of any of 13783  
the affiliating counties or municipal corporations or is sentenced 13784  
to a residential sanction in the jail for a felony of the fourth 13785  
or fifth degree pursuant to sections 2929.11 to 2929.19 of the 13786  
Revised Code, and the jail administrator or the jail 13787  
administrator's designee has classified the person as a minimal 13788  
security risk. In determining the person's classification under 13789  
this division, the administrator or designee shall consider all 13790  
relevant factors, including, but not limited to, the person's 13791  
escape risk and propensity for assaultive or violent behavior, 13792  
based upon the person's prior and current behavior. 13793

(b) The person is an inmate transferred by order of a judge 13794  
of the sentencing court upon the request of the sheriff, 13795  
administrator, jailer, or other person responsible for operating 13796  
the jail other than a contractor as defined in section 9.06 of the 13797  
Revised Code, who is named in the request as being suitable for 13798  
confinement in a minimum security facility. 13799

(3) No person shall be confined in a building or structure 13800  
dedicated as a minimum security jail under division (B)(1) or (2) 13801  
of this section unless the judge who sentenced the person to the 13802  
term of imprisonment for the traffic violation or the misdemeanor 13803  
specifies that the term of imprisonment is to be served in that 13804  
jail, and division (B)(1) or (2) of this section permits the 13805  
confinement of the person in that jail or unless the judge who 13806  
sentenced the person to the residential sanction for the felony 13807

specifies that the residential sanction is to be served in a jail, 13808  
and division (B)(1) or (2) of this section permits the confinement 13809  
of the person in that jail. If a rented or leased building or 13810  
structure is so dedicated, the building or structure may be used 13811  
as a minimum security jail only during the period that it is 13812  
rented or leased by the municipal corporation or by an affiliated 13813  
county or municipal corporation. If a person convicted of a 13814  
misdemeanor is confined to a building or structure dedicated as a 13815  
minimum security jail under division (B)(1) or (2) of this section 13816  
and the sheriff, administrator, jailer, or other person 13817  
responsible for operating the jail other than a contractor as 13818  
defined in division (H) of section 9.06 of the Revised Code 13819  
determines that it would be more appropriate for the person so 13820  
confined to be confined in another jail or workhouse facility, the 13821  
sheriff, administrator, jailer, or other person may transfer the 13822  
person so confined to a more appropriate jail or workhouse 13823  
facility. 13824

(C) All of the following apply in relation to a building or 13825  
structure that is dedicated pursuant to division (B)(1) or (2) of 13826  
this section for use as a minimum security jail: 13827

(1) To the extent that the use of the building or structure 13828  
as a minimum security jail requires a variance from any municipal 13829  
corporation, county, or township zoning ordinances or regulations, 13830  
the variance shall be granted. 13831

(2) Except as provided in this section, the building or 13832  
structure shall not be used to confine any person unless it is in 13833  
substantial compliance with any applicable housing, fire 13834  
prevention, sanitation, health, and safety codes, regulations, or 13835  
standards. 13836

(3) Unless such satisfaction or compliance is required under 13837  
the standards described in division (C)(4) of this section, and 13838  
notwithstanding any other provision of state or local law to the 13839

contrary, the building or structure need not satisfy or comply 13840  
with any state or local building standard or code in order to be 13841  
used to confine a person for the purposes specified in division 13842  
(B) of this section. 13843

(4) The building or structure shall not be used to confine 13844  
any person unless it is in compliance with all minimum standards 13845  
and minimum renovation, modification, and construction criteria 13846  
for ~~minimum security~~ jails that have been proposed by the 13847  
department of rehabilitation and correction, through its bureau of 13848  
adult detention, under section 5120.10 of the Revised Code. 13849

(5) The building or structure need not be renovated or 13850  
modified into a secure detention facility in order to be used 13851  
solely to confine a person for the purposes specified in divisions 13852  
(B)(1)(a) and (B)(2)(a) of this section. 13853

(6) The building or structure shall be used, equipped, 13854  
furnished, and staffed to provide adequate and suitable living, 13855  
sleeping, food service or preparation, drinking, bathing and 13856  
toilet, sanitation, and other necessary facilities, furnishings, 13857  
and equipment. 13858

(D) Except as provided in this section, a minimum security 13859  
jail dedicated and used under this section shall be considered to 13860  
be part of the jail, workhouse, or other correctional facilities 13861  
of the municipal corporation or the affiliated counties and 13862  
municipal corporations for all purposes under the law. All persons 13863  
confined in such a minimum security jail shall be and shall 13864  
remain, in all respects, under the control of the authority of the 13865  
municipal corporation that has responsibility for the management 13866  
and operation of the jail, workhouse, or other correctional 13867  
facilities of the municipal corporation or, if it is operated by 13868  
any affiliation of counties or municipal corporations, under the 13869  
control of the specified county or municipal corporation with that 13870  
authority, provided that, if the person was convicted of a felony 13871

and is serving a residential sanction in the facility, all 13872  
provisions of law that pertain to persons convicted of a felony 13873  
that would not by their nature clearly be inapplicable apply 13874  
regarding the person. A minimum security jail dedicated and used 13875  
under this section shall be managed and maintained in accordance 13876  
with policies and procedures adopted by the legislative authority 13877  
of the municipal corporation or the affiliated counties and 13878  
municipal corporations governing the safe and healthful operation 13879  
of the jail, the confinement and supervision of the persons 13880  
sentenced to it, and their participation in work release or 13881  
similar rehabilitation programs. In addition to other rules of 13882  
conduct and discipline, the rights of ingress and egress of 13883  
persons confined in a minimum security jail dedicated and used 13884  
under this section shall be subject to reasonable restrictions. 13885  
Every person confined in a minimum security jail dedicated and 13886  
used under this section shall be given verbal and written 13887  
notification, at the time of the person's admission to the jail, 13888  
that purposely leaving, or purposely failing to return to, the 13889  
jail without proper authority or permission constitutes the felony 13890  
offense of escape. 13891

(E) If a person who has been convicted of or pleaded guilty 13892  
to an offense is sentenced to a term of imprisonment or a 13893  
residential sanction in a minimum security jail as described in 13894  
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 13895

to be appropriate, the person in charge of the operation of the 13900  
jail may cause the convicted offender to be examined and tested 13901

conservation practices; 14484

(2) Establish procedures for administration of rules for 14485  
agricultural pollution abatement and for enforcement of those 14486  
rules; 14487

(3) Specify the pollution abatement practices eligible for 14488  
state cost sharing and determine the conditions for eligibility, 14489  
the construction standards and specifications, the useful life, 14490  
the maintenance requirements, and the limits of cost sharing for 14491  
those practices. Eligible practices shall be limited to practices 14492  
that address agricultural operations and that require expenditures 14493  
that are likely to exceed the economic returns to the owner or 14494  
operator and that abate soil erosion or degradation of the waters 14495  
of the state by residual farm products, manure, or soil sediment, 14496  
including attached pollutants. 14497

(4) Establish procedures for administering grants to owners 14498  
or operators of agricultural land or animal feeding operations for 14499  
the implementation of operation and management plans; 14500

(5) Do both of the following with regard to composting	14501
conducted in conjunction with agricultural operations:	14502
(a) Establish methods, techniques, or practices for	14503
composting dead animals, or particular types of dead animals, that	14504
are to be used at such operations, as the director considers to be	14505
necessary or appropriate;	14506
(b) Establish requirements and procedures governing the	14507
review and approval or disapproval of composting plans by the	14508
supervisors of soil and water conservation districts under	14509
division <del>(R)</del> <u>(S)</u> of section 940.06 of the Revised Code.	14510
(6) Establish best management practices for inclusion in	14511
operation and management plans;	14512
(7) Establish the amount of civil penalties assessed by the	14513
director under division (A) of section 939.07 of the Revised Code	14514
for violation of rules adopted under division (E) of this section;	14515
(8) Not conflict with air or water quality standards adopted	14516
pursuant to section 3704.03 or 6111.041 of the Revised Code.	14517
Compliance with rules adopted under this section does not affect	14518
liability for noncompliance with air or water quality standards	14519
adopted pursuant to section 3704.03 or 6111.041 of the Revised	14520
Code. The application of a level of management and conservation	14521
practices recommended under this section to control windblown soil	14522
from farming operations creates a presumption of compliance with	14523
section 3704.03 of the Revised Code as that section applies to	14524
windblown soil.	14525
(F) Cost share with landowners on practices established	14526
pursuant to division (E)(3) of this section as moneys are	14527
appropriated and available for that purpose. Any practice for	14528
which cost share is provided shall be maintained for its useful	14529
life. Failure to maintain a cost share practice for its useful	14530
life shall subject the landowner to full repayment to the	14531

department. 14532

(G) Employ field assistants and other employees that are 14533  
necessary for the performance of the work prescribed by Chapter 14534  
940. of the Revised Code, for performance of work of the 14535  
department under this chapter, and as agreed to under working 14536  
agreements or contractual arrangements with soil and water 14537  
conservation districts, prescribe their duties, and fix their 14538  
compensation in accordance with schedules that are provided by law 14539  
for the compensation of state employees. All such employees of the 14540  
department, unless specifically exempted by law, shall be employed 14541  
subject to the classified civil service laws in force at the time 14542  
of employment. 14543

(H) In connection with new or relocated projects involving 14544  
highways, underground cables, pipelines, railroads, and other 14545  
improvements affecting soil and water resources, including surface 14546  
and subsurface drainage: 14547

(1) Provide engineering service that is mutually agreeable to 14548  
the Ohio soil and water conservation commission and the director 14549  
to aid in the design and installation of soil and water 14550  
conservation practices as a necessary component of such projects; 14551

(2) Maintain close liaison between the owners of lands on 14552  
which the projects are executed, soil and water conservation 14553  
districts, and authorities responsible for such projects; 14554

(3) Review plans for such projects to ensure their compliance 14555  
with standards developed under division (E) of this section in 14556  
cooperation with the department of transportation or with any 14557  
other interested agency that is engaged in soil or water 14558  
conservation projects in the state in order to minimize adverse 14559  
impacts on soil and water resources adjacent to or otherwise 14560  
affected by these projects; 14561

(4) Recommend measures to retard erosion and protect soil and 14562

water resources through the installation of water impoundment or 14563  
other soil and water conservation practices; 14564

(5) Cooperate with other agencies and subdivisions of the 14565  
state to protect the agricultural status of rural lands adjacent 14566  
to such projects and control adverse impacts on soil and water 14567  
resources. 14568

(I) Collect, analyze, inventory, and interpret all available 14569  
information pertaining to the origin, distribution, extent, use, 14570  
and conservation of the soil resources of the state; 14571

(J) Prepare and maintain up-to-date reports, maps, and other 14572  
materials pertaining to the soil resources of the state and their 14573  
use and make that information available to governmental agencies, 14574  
public officials, conservation entities, and the public; 14575

(K) Provide soil and water conservation districts with 14576  
technical assistance including on-site soil investigations and 14577  
soil interpretation reports on the suitability or limitations of 14578  
soil to support a particular use or to plan soil conservation 14579  
measures. The assistance shall be on terms that are mutually 14580  
agreeable to the districts and the department of agriculture. 14581

(L) Assist local government officials in utilizing land use 14582  
planning and zoning, current agricultural use value assessment, 14583  
development reviews, and land management activities; 14584

(M) When necessary for the purposes of this chapter or 14585  
Chapter 940. of the Revised Code, develop or approve operation and 14586  
management plans. The director may designate an employee of the 14587  
department to develop or approve operation and management plans in 14588  
lieu of the director. 14589

This section does not restrict the manure of domestic or farm 14590  
animals defecated on land outside an animal feeding operation or 14591  
runoff from that land into the waters of the state. 14592

**Sec. 939.04.** (A) A person who owns or operates an 14593  
agricultural operation, or owns the animals raised by the owner or 14594  
operator of an agricultural operation, and who wishes to conduct 14595  
composting of dead animals resulting from the agricultural 14596  
operation shall do both of the following: 14597

(1) Participate in an educational course concerning 14598  
composting conducted by OSU extension and obtain a certificate of 14599  
completion for the course; 14600

(2) Use the appropriate method, technique, or practice of 14601  
composting established in rules adopted under division (E)(5) of 14602  
section 939.02 of the Revised Code. 14603

(B) A person who fails to comply with division (A) of this 14604  
section shall prepare and operate under a composting plan required 14605  
by the director of agriculture under division (A)(2) of section 14606  
939.02 of the Revised Code. If the person's proposed composting 14607  
plan is disapproved by the supervisors of the appropriate soil and 14608  
water conservation district under division ~~(R)~~(S)(3) of section 14609  
940.06 of the Revised Code, the person may appeal the plan 14610  
disapproval to the director, who shall afford the person a 14611  
hearing. Following the hearing, the director shall uphold the plan 14612  
disapproval or reverse it. If the director reverses the 14613  
disapproval, the plan shall be deemed approved. 14614

districts to which the elections apply shall be eligible to vote 14778  
in the elections; 14779

(E) Recommend to the director priorities for planning and 14780  
construction of small watershed projects, and make recommendations 14781

and implemented in agreements with soil and water conservation 14783  
districts; 14784

(F) Recommend to the ~~director~~ directors of agriculture, 14785  
environmental protection, and natural resources, the governor, and 14786

agriculture and soil and water conservation districts for the 14798  
abatement of agricultural pollution. 14799

for flood prevention and the conservation, development, 14806  
utilization, and disposal of water needed within the district, and 14807

to publish the results of those surveys, investigations, or 14808

by this state or any of its agencies and on any other lands within 14822  
the district, which works may include any facilities authorized 14823

The director shall award grants at least annually, but at the 15748  
director's discretion, may award grants more frequently. 15749

Sec. 1509.28. (A) The chief of the division of oil and gas 15750  
resources management, upon the chief's own motion or upon 15751  
application by the owners of sixty-five per cent of the land area 15752  
overlying the pool, shall hold a hearing to consider the need for 15753  
the operation as a unit of an entire pool or part thereof. In 15754  
calculating the sixty-five per cent, an owner's entire interest in 15755  
each tract in the proposed unit area, including any divided, 15756  
undivided, partial, fee, or other interest in the tract, shall be 15757  
included to the fullest extent of that interest. An application by 15758  
owners shall be accompanied by a nonrefundable fee of ten thousand 15759  
dollars and by such information as the chief may request. 15760

The chief shall make an order providing for the unit 15761  
operation of a pool or part thereof if the chief finds that such 15762  
operation is reasonably necessary to increase substantially the 15763  
ultimate recovery of oil and gas, and the value of the estimated 15764  
additional recovery of oil or gas exceeds the estimated additional 15765  
cost incident to conducting the operation. The order shall be upon 15766  
terms and conditions that are just and reasonable and shall 15767  
prescribe a plan for unit operations that shall include: 15768

(1) A description of the unitized area, termed the unit area; 15769

(2) A statement of the nature of the operations contemplated; 15770

(3) An allocation to the separately owned tracts in the unit 15771  
area of all the oil and gas that is produced from the unit area 15772  
and is saved, being the production that is not used in the conduct 15773  
of operations on the unit area or not unavoidably lost. The 15774  
allocation shall be in accord with the agreement, if any, of the 15775  
interested parties. If there is no such agreement, the chief shall 15776  
determine the value, from the evidence introduced at the hearing, 15777  
of each separately owned tract in the unit area, exclusive of 15778  
physical equipment, for development of oil and gas by unit 15779  
operations, and the production allocated to each tract shall be 15780

the proportion that the value of each tract so determined bears to 15781  
the value of all tracts in the unit area. 15782

(4) A provision for the credits and charges to be made in the 15783  
adjustment among the owners in the unit area for their respective 15784  
investments in wells, tanks, pumps, machinery, materials, and 15785  
equipment contributed to the unit operations; 15786

(5) A provision providing how the expenses of unit 15787  
operations, including capital investment, shall be determined and 15788  
charged to the separately owned tracts and how the expenses shall 15789  
be paid; 15790

(6) A provision, if necessary, for carrying or otherwise 15791  
financing any person who is unable to meet the person's financial 15792  
obligations in connection with the unit, allowing a reasonable 15793  
interest charge for such service; 15794

(7) A provision for the supervision and conduct of the unit 15795  
operations, in respect to which each person shall have a vote with 15796  
a value corresponding to the percentage of the expenses of unit 15797  
operations chargeable against the interest of that person; 15798

(8) The time when the unit operations shall commence, and the 15799  
manner in which, and the circumstances under which, the unit 15800  
operations shall terminate; 15801

(9) Such additional provisions as are found to be appropriate 15802  
for carrying on the unit operations, and for the protection or 15803  
adjustment of correlative rights. 15804

(B) No order of the chief providing for unit operations shall 15805  
become effective unless and until the plan for unit operations 15806  
prescribed by the chief has been approved in writing by those 15807  
owners who, under the chief's order, will be required to pay at 15808  
least sixty-five per cent of the costs of the unit operation, and 15809  
also by the royalty or, with respect to unleased acreage, fee 15810  
owners of sixty-five per cent of the acreage to be included in the 15811

unit. If the plan for unit operations has not been so approved by 15812  
owners and royalty owners at the time the order providing for unit 15813  
operations is made, the chief shall upon application and notice 15814  
hold such supplemental hearings as may be required to determine if 15815  
and when the plan for unit operations has been so approved. If the 15816  
owners and royalty owners, or either, owning the required 15817  
percentage of interest in the unit area do not approve the plan 15818  
for unit operations within a period of six months from the date on 15819  
which the order providing for unit operations is made, the order 15820  
shall cease to be of force and shall be revoked by the chief. 15821

An order providing for unit operations may be amended by an 15822  
order made by the chief, in the same manner and subject to the 15823  
same conditions as an original order providing for unit 15824  
operations, provided that: 15825

(1) If such an amendment affects only the rights and 15826  
interests of the owners, the approval of the amendment by the 15827  
royalty owners shall not be required. 15828

(2) No such order of amendment shall change the percentage 15829  
for allocation of oil and gas as established for any separately 15830  
owned tract by the original order, except with the consent of all 15831  
persons owning interest in the tract. 15832

The chief, by an order, may provide for the unit operation of 15833  
a pool or a part thereof that embraces a unit area established by 15834  
a previous order of the chief. Such an order, in providing for the 15835  
allocation of unit production, shall first treat the unit area 15836  
previously established as a single tract, and the portion of the 15837  
unit production so allocated thereto shall then be allocated among 15838  
the separately owned tracts included in the previously established 15839  
unit area in the same proportions as those specified in the 15840  
previous order. 15841

Oil and gas allocated to a separately owned tract shall be 15842

deemed, for all purposes, to have been actually produced from the 15843  
tract, and all operations, including, but not limited to, the 15844  
commencement, drilling, operation of, or production from a well 15845  
upon any portion of the unit area shall be deemed for all purposes 15846  
the conduct of such operations and production from any lease or 15847  
contract for lands any portion of which is included in the unit 15848  
area. The operations conducted pursuant to the order of the chief 15849  
shall constitute a fulfillment of all the express or implied 15850  
obligations of each lease or contract covering lands in the unit 15851  
area to the extent that compliance with such obligations cannot be 15852  
had because of the order of the chief. 15853

Oil and gas allocated to any tract, and the proceeds from the 15854  
sale thereof, shall be the property and income of the several 15855  
persons to whom, or to whose credit, the same are allocated or 15856  
payable under the order providing for unit operations. 15857

No order of the chief or other contract relating to the sale 15858  
or purchase of production from a separately owned tract shall be 15859  
terminated by the order providing for unit operations, but shall 15860  
remain in force and apply to oil and gas allocated to the tract 15861  
until terminated in accordance with the provisions thereof. 15862

Notwithstanding divisions (A) to (H) of section 1509.73 of 15863  
the Revised Code and rules adopted under it, the chief shall issue 15864  
an order for the unit operation of a pool or a part of a pool that 15865  
encompasses a unit area for which all or a portion of the mineral 15866  
rights are owned by the department of transportation. 15867

Except to the extent that the parties affected so agree, no 15868  
order providing for unit operations shall be construed to result 15869  
in a transfer of all or any part of the title of any person to the 15870  
oil and gas rights in any tract in the unit area. All property, 15871  
whether real or personal, that may be acquired for the account of 15872  
the owners within the unit area shall be the property of such 15873  
owners in the proportion that the expenses of unit operations are 15874

charged. 15875

Sec. 1509.31. (A)(1) No person shall operate a well in this 15876  
state unless the person first registers with and obtains an 15877  
identification number from the chief of the division of oil and 15878  
gas resources management. 15879

(2) Whenever the entire interest of an oil and gas lease is 15880  
assigned or otherwise transferred, the assignor or transferor 15881  
shall notify the holders of the royalty interests, and, if a well 15882  
or wells exist on the lease, the division of oil and gas resources 15883  
management, of the name and address of the assignee or transferee 15884  
by certified mail, return receipt requested, not later than thirty 15885  
days after the date of the assignment or transfer. When notice of 15886  
any such assignment or transfer is required to be provided to the 15887  
division, it shall be provided on a form prescribed and provided 15888  
by the division and verified by both the assignor or transferor 15889  
and by the assignee or transferee ~~and shall be accompanied by a~~ 15890  
~~nonrefundable fee of one hundred dollars for each well.~~ The notice 15891  
form applicable to assignments or transfers of a well to the owner 15892  
of the surface estate of the tract on which the well is located 15893  
shall contain a statement informing the landowner that the well 15894  
may require periodic servicing to maintain its productivity; that, 15895  
upon assignment or transfer of the well to the landowner, the 15896  
landowner becomes responsible for compliance with the requirements 15897  
of this chapter and rules adopted under it, including, without 15898  
limitation, the proper disposal of brine obtained from the well, 15899  
the plugging of the well when it becomes incapable of producing 15900  
oil or gas, and the restoration of the well site; and that, upon 15901  
assignment or transfer of the well to the landowner, the landowner 15902  
becomes responsible for the costs of compliance with the 15903  
requirements of this chapter and rules adopted under it and the 15904  
costs for operating and servicing the well. 15905

(3) Notwithstanding division (A)(2) of this section, the assignee or transferee shall notify the division of oil and gas resources management of the assignment or transfer if both of the following apply: 15906  
15907  
15908  
15909

(a) The assignor or transferor failed to notify the division of the assignment or transfer as required by division (A)(2) of this section; 15910  
15911  
15912

(b) The assignor or transferor is deceased, dissolved, cannot be located, or is otherwise incapable of complying with the notification requirement. 15913  
15914  
15915

The assignee or transferee shall notify the division of the assignment or transfer on a form prescribed and provided by the division. At a minimum, the form shall require the assignee or transferee to attest that the assignee or transferee is the owner. The division shall not charge a fee for such assignment or transfer when notice is provided in accordance with division (A)(3) of this section. 15916

15921  
15922

(B) When the entire interest of a well is proposed to be assigned or otherwise transferred to the landowner for use as an exempt domestic well, the owner who has been issued a permit under this chapter for the well shall submit to the chief of the division of oil and gas resources management an application for the assignment or transfer that contains all documents that the chief requires ~~and a nonrefundable fee of one hundred dollars~~. The application for such an assignment or transfer shall be prescribed and provided by the chief. The chief may approve the application if the application is accompanied by a release of all of the oil and gas leases that are included in the applicable formation of the drilling unit, the release is in a form such that the well ownership merges with the fee simple interest of the surface tract, and the release is in a form that may be recorded. However, if the owner of the well does not release the oil and gas leases 15923

associated with the well that is proposed to be assigned or 15938  
otherwise transferred or if the fee simple tract that results from 15939  
the merger of the well ownership with the fee simple interest of 15940  
the surface tract is less than five acres, the proposed exempt 15941  
domestic well owner shall post a five thousand dollar bond with 15942  
the division prior to the assignment or transfer of the well to 15943  
ensure that the well will be properly plugged. The chief, for good 15944  
cause, may modify the requirements of this section governing the 15945  
assignment or transfer of the interests of a well to the 15946  
landowner. Upon the assignment or transfer of the well, the owner 15947  
of an exempt domestic well is not subject to the severance tax 15948  
levied under section 5749.02 of the Revised Code, but is subject 15949  
to all applicable fees established in this chapter. 15950

(C) The owner holding a permit under section 1509.05 of the 15951  
Revised Code is responsible for all obligations and liabilities 15952  
imposed by this chapter and any rules, orders, and terms and 15953  
conditions of a permit adopted or issued under it, and no 15954  
assignment or transfer by the owner relieves the owner of the 15955  
obligations and liabilities until and unless the assignee or 15956  
transferee files with the division the information described in 15957  
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of 15958  
section 1509.06 of the Revised Code; obtains liability insurance 15959  
coverage required by section 1509.07 of the Revised Code, except 15960  
when none is required by that section; and executes and files a 15961  
surety bond, negotiable certificates of deposit or irrevocable 15962  
letters of credit, or cash, as described in that section. Instead 15963  
of a bond, but only upon acceptance by the chief, the assignee or 15964  
transferee may file proof of financial responsibility, described 15965  
in section 1509.07 of the Revised Code. Section 1509.071 of the 15966  
Revised Code applies to the surety bond, cash, and negotiable 15967  
certificates of deposit and irrevocable letters of credit 15968  
described in this section. Unless the chief approves a 15969  
modification, each assignee or transferee shall operate in 15970

accordance with the plans and information filed by the permit holder pursuant to section 1509.06 of the Revised Code. 15971  
15972

(D) If a mortgaged property that is being foreclosed is subject to an oil or gas lease, pipeline agreement, or other instrument related to the production or sale of oil or natural gas and the lease, agreement, or other instrument was recorded subsequent to the mortgage, and if the lease, agreement, or other instrument is not in default, the oil or gas lease, pipeline agreement, or other instrument, as applicable, has priority over all other liens, claims, or encumbrances on the property so that the oil or gas lease, pipeline agreement, or other instrument is not terminated or extinguished upon the foreclosure sale of the mortgaged property. If the owner of the mortgaged property was entitled to oil and gas royalties before the foreclosure sale, the oil or gas royalties shall be paid to the purchaser of the foreclosed property. 15973

**Sec. 1509.36.** Any person adversely affected by an order by the chief of the division of oil and gas resources management may appeal to the oil and gas commission for an order vacating or modifying the order. 15987  
15988  
15989  
15990

The person so appealing to the commission shall be known as appellant and the chief shall be known as appellee. Appellant and appellee shall be deemed to be parties to the appeal. 15991  
15992  
15993

The appeal shall be in writing and shall set forth the order complained of and the grounds upon which the appeal is based. The appeal shall be filed with the commission within thirty days after the date upon which the ~~appellant~~ person to whom the order was issued received ~~notice by certified mail~~ the order and, for all other persons adversely affected by the order, within thirty days after the date of the order complained of. Notice of the filing of the appeal shall be filed with the chief within three days after 15994

15996  
15997  
15998  
15999  
16000  
16001

the appeal is filed with the commission. 16002

Upon the filing of the appeal the commission promptly shall 16003  
fix the time and place at which the hearing on the appeal will be 16004  
held, and shall give the appellant and the chief at least ten 16005  
days' written notice thereof by mail. The commission may postpone 16006  
or continue any hearing upon its own motion or upon application of 16007  
the appellant or of the chief. 16008

The filing of an appeal provided for in this section does not 16009  
automatically suspend or stay execution of the order appealed 16010  
from, but upon application by the appellant the commission may 16011  
suspend or stay the execution pending determination of the appeal 16012  
upon such terms as the commission considers proper. 16013

Either party to the appeal or any interested person who, 16014  
pursuant to commission rules has been granted permission to 16015  
appear, may submit such evidence as the commission considers 16016  
admissible. 16017

For the purpose of conducting a hearing on an appeal, the 16018  
commission may require the attendance of witnesses and the 16019  
production of books, records, and papers, and it may, and at the 16020  
request of any party it shall, issue subpoenas for witnesses or 16021  
subpoenas duces tecum to compel the production of any books, 16022  
records, or papers, directed to the sheriffs of the counties where 16023  
the witnesses are found. The subpoenas shall be served and 16024  
returned in the same manner as subpoenas in criminal cases are 16025  
served and returned. The fees of sheriffs shall be the same as 16026  
those allowed by the court of common pleas in criminal cases. 16027  
Witnesses shall be paid the fees and mileage provided for under 16028  
section 119.094 of the Revised Code. Such fees and mileage 16029  
expenses incurred at the request of appellant shall be paid in 16030  
advance by the appellant, and the remainder of those expenses 16031  
shall be paid out of funds appropriated for the expenses of the 16032  
division of oil and gas resources management. 16033

In case of disobedience or neglect of any subpoena served on 16034  
any person, or the refusal of any witness to testify to any matter 16035  
regarding which the witness may be lawfully interrogated, the 16036  
court of common pleas of the county in which the disobedience, 16037  
neglect, or refusal occurs, or any judge thereof, on application 16038  
of the commission or any member thereof, shall compel obedience by 16039  
attachment proceedings for contempt as in the case of disobedience 16040  
of the requirements of a subpoena issued from that court or a 16041  
refusal to testify therein. Witnesses at such hearings shall 16042  
testify under oath, and any member of the commission may 16043  
administer oaths or affirmations to persons who so testify. 16044

At the request of any party to the appeal, a record of the 16045  
testimony and other evidence submitted shall be taken by an 16046  
official court reporter at the expense of the party making the 16047  
request for the record. The record shall include all of the 16048  
testimony and other evidence and the rulings on the admissibility 16049  
thereof presented at the hearing. The commission shall pass upon 16050  
the admissibility of evidence, but any party may at the time 16051  
object to the admission of any evidence and except to the rulings 16052  
of the commission thereon, and if the commission refuses to admit 16053  
evidence the party offering same may make a proffer thereof, and 16054  
such proffer shall be made a part of the record of the hearing. 16055

If upon completion of the hearing the commission finds that 16056  
the order appealed from was lawful and reasonable, it shall make a 16057  
written order affirming the order appealed from; if the commission 16058  
finds that the order was unreasonable or unlawful, it shall make a 16059  
written order vacating the order appealed from and making the 16060  
order that it finds the chief should have made. Every order made 16061  
by the commission shall contain a written finding by the 16062  
commission of the facts upon which the order is based. 16063

Notice of the making of the order shall be given forthwith to 16064  
each party to the appeal by mailing a certified copy thereof to 16065

each such party by certified mail. 16066

The order of the commission is final unless vacated by the 16067  
court of common pleas of Franklin county in an appeal as provided 16068  
for in section 1509.37 of the Revised Code. Sections 1509.01 to 16069  
1509.37 of the Revised Code, providing for appeals relating to 16070  
orders by the chief or by the commission, or relating to rules 16071  
adopted by the chief, do not constitute the exclusive procedure 16072

required to file a return under section 5749.06 of the Revised 16082  
Code. However, an owner may designate a severer who shall pay the 16083  
owner's assessment on behalf of the owner on the return that the 16084  
severer is required to file under that section. If a severer so 16085

the amount of the assessment. Except for an exempt domestic well, 16087  
the assessment imposed shall be in addition to the taxes levied on 16088

feet of natural gas for all of the wells of the owner, and the 16096~~

~~amount of the severance tax levied on each severer for all of the wells of the owner under divisions (A)(5) and (6) of section 5749.02 of the Revised Code, as applicable, is greater than the sum of fifteen dollars for each well owned by the owner, the amount of the assessment is the sum of ten cents per barrel of oil for all of the wells of the owner and one half (1) One-half of one cent per one thousand cubic feet of natural gas for all of the wells of the owner.~~

~~(b) If the sum of ten;~~

~~(2) Ten cents per barrel of oil for all of the wells of the owner, one half of one cent per one thousand cubic feet of natural gas for all of the wells of the owner, and the amount of the severance tax levied on each severer for all of the wells of the owner under divisions (A)(5) and (6) of section 5749.02 of the Revised Code, as applicable, is less than the sum of fifteen dollars for each well owned by the owner, the amount of the assessment is the sum of fifteen dollars for each well owned by the owner less the amount of the tax levied on each severer for all of the wells of the owner under divisions (A)(5) and (6) of section 5749.02 of the Revised Code, as applicable.~~

~~(2) The oil and gas regulatory cost recovery assessment for a well that becomes an exempt domestic well on and after June 30, 2010, shall be sixty dollars to be paid to the division of oil and gas resources management on the first day of July of each year.~~

(C) All money collected pursuant to this section shall be credited to the severance tax receipts fund. After the director of budget and management transfers money from the severance tax receipts fund as required in division (H) of section 5749.06 of the Revised Code, money in the severance tax receipts fund from amounts collected pursuant to this section shall be credited to the oil and gas well fund created in section 1509.02 of the Revised Code.

in division (B) of section 5749.02 of the Revised Code, the oil 16130  
and gas regulatory cost recovery assessment imposed by this 16131  
section shall be treated the same and equivalent for all purposes 16132  
as the taxes levied on the severance of oil and gas under that 16133  
section. However, the assessment imposed by this section is not a 16134  
tax under Chapter 5749. of the Revised Code. 16135

governmental agencies and persons who are supplied with water by 16356  
facilities constructed or operated by the department of natural 16357  
resources in order to amortize and defray the cost of the 16358  
construction, maintenance, and operation of those facilities. 16359

**Sec. 1521.06.** (A) No dam may be constructed for the purpose 16360  
of storing, conserving, or retarding water, or for any other 16361  
purpose, nor shall any levee be constructed for the purpose of 16362  
diverting or retaining flood water, unless the person or 16363  
governmental agency desiring the construction has a construction 16364  
permit for the dam or levee issued by the chief of the division of 16365  
water resources. 16366

A construction permit is not required under this section for: 16367

(1) A dam that is or will be less than ten feet in height and 16368  
that has or will have a storage capacity of not more than fifty 16369  
acre-feet at the elevation of the top of the dam, as determined by 16370  
the chief. For the purposes of this section, the height of a dam 16371

shall be measured from the natural stream bed or lowest ground 16372  
elevation at the downstream or outside limit of the dam to the 16373  
elevation of the top of the dam. 16374

(2) A dam, regardless of height, that has or will have a 16375  
storage capacity of not more than fifteen acre-feet at the 16376  
elevation of the top of the dam, as determined by the chief; 16377

(3) A dam, regardless of storage capacity, that is or will be 16378  
six feet or less in height, as determined by the chief; 16379

chief; 16381

(5) The repair, maintenance, improvement, alteration, or 16382  
removal of a dam or levee that is subject to section 1521.062 of 16383  
the Revised Code, unless the construction constitutes an 16384  
enlargement or reconstruction of the structure as determined by 16385  
the chief; 16386

(6) A dam or impoundment constructed under Chapter 1513. of 16387  
the Revised Code. 16388

(B) Before a construction permit may be issued, three copies 16389  
of the plans and specifications, including a detailed cost 16390  
estimate, for the proposed construction, prepared by a registered 16391  
professional engineer, together with any filing fee specified by 16392  
rules adopted by the chief in accordance with division (I) of this 16393  
section and the bond or other security required by section 16394  
1521.061 of the Revised Code, shall be filed with the chief. The 16395  
detailed estimate of the cost shall include all costs associated 16396  
with the construction of the dam or levee, including supervision 16397  
and inspection of the construction by a registered professional 16398  
engineer. 16399

All fees collected pursuant to this section, and all fines 16400  
collected pursuant to section 1521.99 of the Revised Code, shall 16401  
be deposited in the state treasury to the credit of the dam safety 16402

fund, which is hereby created. Expenditures from the fund shall be 16403  
made by the chief for the purpose of administering this section 16404  
and sections 1521.061 and 1521.062 of the Revised Code. 16405

(C) The chief shall, within thirty days from the date of the 16406  
receipt of the application, fee, and bond or other security, issue 16407  
or deny a construction permit for the construction or may issue a 16408  
construction permit conditioned upon the making of such changes in 16409  
the plans and specifications for the construction as the chief 16410  
considers advisable if the chief determines that the construction 16411  
of the proposed dam or levee, in accordance with the plans and 16412  
specifications filed, would endanger life, health, or property. 16413

(D) The chief may deny a construction permit after finding 16414  
that a dam or levee built in accordance with the plans and 16415  
specifications would endanger life, health, or property, because 16416  
of improper or inadequate design, or for such other reasons as the 16417  
chief may determine. 16418

In the event the chief denies a permit for the construction 16419  
of the dam or levee, or issues a permit conditioned upon a making 16420  
of changes in the plans or specifications for the construction, 16421  
the chief shall state the reasons therefor and so notify, in 16422  
writing, the person or governmental agency making the application 16423  
for a permit. If the permit is denied, the chief shall return the 16424  
bond or other security to the person or governmental agency making 16425  
application for the permit. 16426

The decision of the chief conditioning or denying a 16427  
construction permit is subject to appeal as provided in Chapter 16428  
119. of the Revised Code. A dam or levee built substantially at 16429  
variance from the plans and specifications upon which a 16430  
construction permit was issued is in violation of this section. 16431  
The chief may at any time inspect any dam or levee, or site upon 16432  
which any dam or levee is to be constructed, in order to determine 16433  
whether it complies with this section. 16434

(E) A registered professional engineer shall inspect the 16435  
construction for which the permit was issued during all phases of 16436  
construction and shall furnish to the chief such regular reports 16437  
of the engineer's inspections as the chief may require. When the 16438  
chief finds that construction has been fully completed in 16439  
accordance with the terms of the permit and the plans and 16440  
specifications approved by the chief, the chief shall approve the 16441  
construction. When one year has elapsed after approval of the 16442  
completed construction, and the chief finds that within this 16443  
period no fact has become apparent to indicate that the 16444  
construction was not performed in accordance with the terms of the 16445  
permit and the plans and specifications approved by the chief, or 16446  
that the construction as performed would endanger life, health, or 16447  
property, the chief shall release the bond or other security. No 16448  
bond or other security shall be released until one year after 16449  
final approval by the chief, unless the dam or levee has been 16450  
modified so that it will not retain water and has been approved as 16451  
nonhazardous after determination by the chief that the dam or 16452  
levee as modified will not endanger life, health, or property. 16453

(F) When inspections required by this section are not being 16454  
performed, the chief shall notify the person or governmental 16455  
agency to which the permit has been issued that inspections are 16456  
not being performed by the registered professional engineer and 16457  
that the chief will inspect the remainder of the construction. 16458  
Thereafter, the chief shall inspect the construction and the cost 16459  
of inspection shall be charged against the owner. Failure of the 16460  
registered professional engineer to submit required inspection 16461  
reports shall be deemed notice that the engineer's inspections are 16462  
not being performed. 16463

(G) The chief may order construction to cease on any dam or 16464  
levee that is being built in violation of this section, and may 16465  
prohibit the retention of water behind any dam or levee that has 16466

been built in violation of this section. ~~The attorney general,~~ 16467  
~~upon written request of the chief, may bring an action for an~~ 16468  
~~injunction against any person who violates this section or to~~ 16469

(H) The chief may adopt rules in accordance with Chapter 119. 16472  
of the Revised Code, for the design and construction of dams and 16473  
levees for which a construction permit is required by this section 16474  
or for which periodic inspection is required by section 1521.062 16475  
of the Revised Code, for deposit and forfeiture of bonds and other 16476  
securities required by section 1521.061 of the Revised Code, for 16477  
the periodic inspection, operation, repair, improvement, 16478  
alteration, or removal of all dams and levees, as specified in 16479  
section 1521.062 of the Revised Code, and for establishing classes 16480  
of dams or levees that are exempt from the requirements of this 16481  
section and section 1521.062 of the Revised Code as being of a 16482  
size, purpose, or situation that does not present a substantial 16483  
hazard to life, health, or property. The chief may, by rule, limit 16484  
the period during which a construction permit issued under this 16485  
section is valid. The rules may allow for the extension of the 16486  
period during which a permit is valid upon written request, 16487  
provided that the written request includes a revised construction 16488  
cost estimate, and may require the payment of an additional filing 16489  
fee for the requested extension. If a construction permit expires 16490  
without an extension before construction is completed, the person 16491  
or agency shall apply for a new permit, and shall not continue 16492  
construction until the new permit is issued. 16493

(I) The chief shall adopt rules in accordance with Chapter 16494  
119. of the Revised Code establishing a filing fee schedule for 16495  
purposes of division (B) of this section. 16496

**Sec. 1521.062.** (A) All dams and levees constructed in this 16497

state and not exempted by this section or by the chief of the 16498  
division of water resources under section 1521.06 of the Revised 16499  
Code shall be inspected periodically by the chief, except for 16500  
classes of dams that, in accordance with rules adopted under this 16501  
section, are required to be inspected by registered professional 16502  
engineers who have been approved for that purpose by the chief. 16503  
The inspection shall ensure that continued operation and use of 16504  
the dam or levee does not constitute a hazard to life, health, or 16505  
property. Periodic inspections shall not be required of the 16506  
following structures: 16507

(1) A dam that is less than ten feet in height and has a 16508  
storage capacity of not more than fifty acre-feet at the elevation 16509  
of the top of the dam, as determined by the chief. For the 16510  
purposes of this section, the height of a dam shall be measured 16511  
from the natural stream bed or lowest ground elevation at the 16512  
downstream or outside limit of the dam to the elevation of the top 16513  
of the dam. 16514

(2) A dam, regardless of height, that has a storage capacity 16515  
of not more than fifteen acre-feet at the elevation of the top of 16516  
the dam, as determined by the chief; 16517

(3) A dam, regardless of storage capacity, that is six feet 16518  
or less in height, as determined by the chief; 16519

(4) A dam or levee belonging to a class exempted by the 16520  
chief; 16521

(5) A dam or levee that has been exempted in accordance with 16522  
rules adopted under section 1521.064 of the Revised Code. 16523

(B) In accordance with rules adopted under this section, the 16524  
owner of a dam that is in a class of dams that is designated in 16525  
the rules for inspection by registered professional engineers 16526  
shall obtain the services of a registered professional engineer 16527  
who has been approved by the chief to conduct the periodic 16528

inspection of dams pursuant to schedules and other standards and 16529  
procedures established in the rules. The registered professional 16530  
engineer shall prepare a report of the inspection in accordance 16531  
with the rules and provide the inspection report to the dam owner 16532  
who shall submit it to the chief. A dam that is designated under 16533  
the rules for inspection by a registered professional engineer, 16534  
but that is not inspected within a five-year period may be 16535  
inspected by the chief at the owner's expense. 16536

(C) Intervals between periodic inspections shall be 16537  
determined by the chief, but shall not exceed five years. 16538

(D) In the case of a dam or levee that the chief inspects, 16539  
the chief shall furnish a report of the inspection to the owner of 16540  
the dam or levee. With regard to a dam or levee that has been 16541  
inspected, either by the chief or by a registered professional 16542  
engineer, and that is the subject of an inspection report prepared 16543  
or received by the chief, the chief shall inform the owner of any 16544  
required repairs, maintenance, investigations, and other remedial 16545  
and operational measures. The chief shall order the owner to 16546  
perform such repairs, maintenance, investigations, or other 16547  
remedial or operational measures as the chief considers necessary 16548  
to safeguard life, health, or property. The order shall permit the 16549  
owner a reasonable time in which to perform the needed repairs, 16550  
maintenance, investigations, or other remedial measures, and the 16551  
cost thereof shall be borne by the owner. All orders of the chief 16552  
are subject to appeal as provided in Chapter 119. of the Revised 16553  
Code. ~~The attorney general, upon written request of the chief, may 16554  
bring an action for an injunction against any person who violates 16555  
this section or to enforce an order of the chief made pursuant to 16556  
this section.~~ 16557

(E) The owner of a dam or levee shall monitor, maintain, and 16558  
operate the structure and its appurtenances safely in accordance 16559  
with state rules, terms and conditions of permits, orders, and 16560

other requirements issued pursuant to this section or section 16561  
1521.06 of the Revised Code. The owner shall fully and promptly 16562  
notify the division of water resources and other responsible 16563  
authorities of any condition that threatens the safety of the 16564  
structure and shall take all necessary actions to safeguard life, 16565  
health, and property. 16566

(F) Before commencing the repair, improvement, alteration, or 16567  
removal of a dam or levee, the owner shall file an application 16568  
including plans, specifications, and other required information 16569  
with the division and shall secure written approval of the 16570  
application by the chief. Emergency actions by the owner required 16571  
to safeguard life, health, or property are exempt from this 16572  
requirement. The chief may, by rule, define maintenance, repairs, 16573  
or other remedial measures of a routine nature that are exempt 16574  
from this requirement. 16575

(G) The chief may remove or correct, at the expense of the 16576  
owner, any unsafe structures found to be constructed or maintained 16577  
in violation of this section or section 1521.06 of the Revised 16578  
Code. In the case of an owner other than a governmental agency, 16579  
the cost of removal or correction of any unsafe structure, 16580  
together with a description of the property on which the unsafe 16581  
structure is located, shall be certified by the chief to the 16582  
county auditor and placed by the county auditor upon the tax 16583  
duplicate. This cost is a lien upon the lands from the date of 16584  
entry and shall be collected as other taxes and returned to the 16585  
division. In the case of an owner that is a governmental agency, 16586  
the cost of removal or correction of any unsafe structure shall be 16587  
recoverable from the owner by appropriate action in a court of 16588  
competent jurisdiction. 16589

(H) If the condition of any dam or levee is found, in the 16590  
judgment of the chief, to be so dangerous to the safety of life, 16591  
health, or property as not to permit time for the issuance and 16592

enforcement of an order relative to repair, maintenance, or 16593  
operation, the chief shall employ any of the following remedial 16594  
means necessary to protect life, health, and property: 16595

(1) Lower the water level of the lake or reservoir by 16596  
releasing water; 16597

(2) Completely drain the lake or reservoir; 16598

(3) Take such other measures or actions as the chief 16599  
considers necessary to safeguard life, health, and property. 16600

The chief shall continue in full charge and control of the 16601  
dam or levee until the structure is rendered safe. The cost of the 16602  
remedy shall be recoverable from the owner of the structure by 16603  
appropriate action in a court of competent jurisdiction. 16604

(I) The chief may accept and expend gifts, bequests, and 16605  
grants from the United States government or from any other public 16606  
or private source and may contract with the United States 16607  
government or any other agency or entity for the purpose of 16608  
carrying out the dam safety functions set forth in this section 16609  
and section 1521.06 of the Revised Code. 16610

(J) In accordance with Chapter 119. of the Revised Code, the 16611  
chief may adopt, and may amend or rescind, rules that do all of 16612  
the following: 16613

(1) Designate classes of dams for which dam owners must 16614  
obtain the services of a registered professional engineer to 16615  
periodically inspect the dams and to prepare reports of the 16616  
inspections for submittal to the chief; 16617

(2) Establish standards in accordance with which the chief 16618  
must approve or disapprove registered professional engineers to 16619  
inspect dams together with procedures governing the approval 16620  
process; 16621

(3) Establish schedules, standards, and procedures governing 16622

periodic inspections and standards and procedures governing the 16623  
preparation and submittal of inspection reports; 16624

(4) Establish provisions regarding the enforcement of this 16625  
section and rules adopted under it. 16626

(K) The owner of a dam or levee shall notify the chief in 16627  
writing of a change in ownership of the dam or levee prior to the 16628  
exchange of the property. 16629

**Sec. 1521.063.** (A) Except for the federal government, the 16630  
owner of a dam, that is classified as a class I, class II, or 16631  
class III dam under rules adopted under section 1521.06 of the 16632  
Revised Code and subject to section 1521.062 of the Revised Code 16633  
shall pay an annual fee in accordance with the annual fee schedule 16634  
established in rules adopted under division (B) of this section. 16635  
The fee shall be paid to the division of water resources on or 16636  
before the thirtieth day of June of each year. 16637

All fees collected under this section shall be deposited in 16638  
the dam safety fund created in section 1521.06 of the Revised 16639  
Code. Any owner who fails to pay any annual fee required by this 16640  
section within sixty days after the due date shall be assessed a 16641  
penalty of ten per cent of the annual fee plus interest at the 16642  
rate of one-half per cent per month from the due date until the 16643  
date of payment. 16644

There is hereby created the compliant dam discount program to 16645  
be administered by the chief of the division of water resources. 16646  
Under the program, the chief may reduce the amount of the annual 16647  
fee that an owner of a dam is required to pay in accordance with 16648  
rules adopted by the chief under division (B) of this section if 16649  
the owner is in compliance with section 1521.062 of the Revised 16650  
Code and has developed an emergency action plan pursuant to 16651  
standards established in rules adopted under this section. The 16652  
chief shall not discount an annual fee by more than twenty-five 16653

chief shall not discount the annual fee that is due from the owner 16655  
of a dam who has been assessed a penalty under this section. 16656

(B)(1) The chief shall, in accordance with Chapter 119. of 16657  
the Revised Code and subject to the prior approval of the director 16658  
of natural resources, adopt, and may amend or rescind, rules for 16659  
the collection of fees and the administration, implementation, and 16660  
enforcement of this section. 16661

(2) The chief shall, in accordance with Chapter 119. of the 16662  
Revised Code, adopt rules for the establishment of an annual fee 16663  
schedule for purposes of this section. 16664

(3) The annual fee schedule must be based on the height of 16665  
the dam, the linear foot length of the dam, and the per-acre foot 16666  
of volume of water impounded by the dam. For purposes of this 16667  
section, the height of a dam is the vertical height, to the 16668

may commence an action against any such violator. Any action under 16675

notice. A person registering a facility under this division shall 16732  
do so using a form prescribed by the chief. The form shall include 16733

(2) An application for such a permit shall be filed with the 16776  
~~director~~ chief upon such forms as the ~~director~~ chief prescribes. 16777

The application shall state the quantity of water to be diverted, 16778  
the purpose of the diversion, the life of the project for which 16779

(4) The applicant has not demonstrated that reasonable 16796  
efforts have been made to develop and conserve water resources in 16797  
the importing basin and that further development of those 16798  
resources would engender overriding, adverse economic, social, or 16799  
environmental impacts. 16800

(5) The proposed diversion is inconsistent with regional or 16801  
state water resources plans. 16802

(6) The proposed diversion, alone or in combination with 16803

application is approved under this section. 16831

(E) The ~~director~~ chief shall revoke a permit under this 16832  
section without a prior hearing if the ~~director~~ chief determines 16833

Upon receipt of the petition, the ~~director~~ chief shall send a copy to the permittee and, within sixty days, make a determination whether grounds exist for revocation or suspension of the permit under this section.

(G) Each permittee shall submit to the ~~director~~ chief an annual report containing such information as the ~~director~~ chief may require by rule.

application is approved under this section. 17220

~~The director may suspend a permit if he determines that the~~ 17221

~~public health, safety, or welfare. Before suspending a permit, the~~ 17223  
~~director shall make a reasonable attempt to notify the permittee~~ 17224  
~~that he intends to suspend the permit. If the attempt fails,~~ 17225  
~~notification shall be given as soon as practicable following the~~ 17226  
~~suspension. Within five days after the suspension, the director~~ 17227

without danger to the public health, safety, or welfare, he shall,  
upon request of the permittee, reinstate the permit.~~

~~(E) Any six or more residents of this state may petition the  
director for an investigation of a withdrawal of water resources  
that they allege is in violation of a permit issued under this  
section.~~

~~The petition shall identify the permittee and detail the  
reasons why the petitioners believe that grounds exist for the

to the permittee and, within sixty days, make a determination  
whether grounds exist for revocation or suspension of the permit  
under this section.~~

~~(F) Each permittee under this section shall submit to the  
director an annual report containing such information as the  
director may require by rule.~~

Sec. 1521.30. (A) With regard to a permit issued under  
section 1521.29 of the Revised Code, the permittee shall submit to  
the chief of the division of water resources an annual report  
containing any information as the chief shall require by rule.

(B) If the facility for which a permit has been issued under  
section 1521.29 of the Revised Code withdraws ground water, the  
chief may require the continued monitoring and reporting of water  
levels in each aquifer via existing wells or new monitoring wells  
drilled by the permittee.

(C) With regard to a permit issued under section 1521.29 of the Revised Code, the permittee, at least once every five years, shall certify to the chief that the facility for which the permit has been issued is in compliance with the permit. 17258  
17259  
17260  
17261

(D) The chief shall adopt rules for the transfer of permits issued under section 1521.29 of the Revised Code. The chief may allow a permit to be transferred on the condition that the quantity of water withdrawn not be increased and that the purposes of the withdrawal not be changed. 17262  
17263  
17264  
17265  
17266

**Sec. 1521.31.** (A) The chief of the division of water resources may require a permittee that has been issued a permit under section 1521.29 of the Revised Code to decrease its withdrawal and submit a revised ground water model under section 1521.27 of the Revised Code if either of the following applies: 17267  
17268  
17269  
17270  
17271

(1) The permittee's reported ground water monitoring data conflicts with the permittee's ground water model. 17272  
17273

(2) The results of the division of water resources' investigation of any written complaint under section 1521.36 of the Revised Code indicate that the permittee's withdrawal caused the diminution or interruption of a person's water supply. 17274  
17275  
17276  
17277

(B) If so required under division (A) of this section, the permittee shall submit the revised ground water modeling using additional data that reflects the permittee's impact on ground water. Based upon the revised ground water modeling and additional data, the chief may amend the permit to decrease the withdrawal or establish a revised projected cone of depression. 17278  
17279  
17280  
17281  
17282  
17283

(C) A permittee may request the chief to amend a permit issued under section 1521.29 of the Revised Code when another ground water user affects or has the potential to affect the projected cone of depression. The permittee shall submit with the 17284  
17285  
17286  
17287

request a revised ground water model using additional data that 17288  
reflects the other ground water user's impact on ground water. 17289  
Based on the revised ground water model and additional data, the 17290  
chief may establish a revised projected cone of depression and 17291  
amend the permit accordingly. 17292

Sec. 1521.32. (A) The chief may suspend a permit issued under 17293  
section 1521.29 of the Revised Code pursuant to an adjudication 17294  
conducted in accordance with Chapter 119. of the Revised Code if 17295  
the chief determines one of the following: 17296

(1) That the continued withdrawal or consumptive use of water 17297  
under the permit will endanger the public health, safety, or 17298  
welfare; 17299

(2) That the withdrawal or consumptive use of water will 17300  
result in a significant lowering of the water level within an 17301  
aquifer, the overdrafting of an aquifer, or the imminent threat of 17302  
irreparable material damage to an aquifer such that the aquifer 17303  
will no longer yield the amount of water it did before the 17304  
withdrawal or consumptive use. 17305

(B) Before suspending a permit, the chief shall make a 17306  
reasonable attempt to notify the permittee that the chief intends 17307  
to suspend the permit. If the attempt fails, notification shall be 17308  
given as soon as practicable following the suspension. 17309

(C) Within five days after the suspension, the chief shall 17310  
provide the permittee an opportunity for a hearing. At the hearing 17311  
the permittee may present evidence that the continued withdrawal 17312  
or consumptive use of water is warranted because the reasons for 17313  
suspension specified in division (A) of this section do not apply. 17314

(D) Prior to the expiration of a suspended permit, a 17315  
permittee may request the chief to amend the suspended permit. The 17316  
chief may amend the permit and allow the withdrawal or consumptive 17317

use of water under it to be resumed if the chief determines that, 17318  
under the amended permit, the reasons for suspension specified in 17319  
division (A) of this section will no longer apply. 17320

(E)(1) Any six or more residents of this state may petition 17321  
the chief for an investigation of a withdrawal of water resources 17322  
that they allege is in violation of a permit issued under section 17323  
1521.29 of the Revised Code. 17324

(2) In the petition, the petitioners shall identify the 17325  
permittee and detail the reasons why the petitioners believe that 17326  
grounds exist for the suspension of the permit under this section 17327  
or the revocation of the permit under section 1521.33 of the 17328  
Revised Code. 17329

(3) Upon receipt of the petition, the chief shall send a copy 17330  
to the permittee and, within sixty days, make a determination 17331  
whether grounds exist for suspension of the permit under this 17332  
section or revocation of the permit under section 1521.33 of the 17333  
Revised Code. 17334

**Sec. 1521.33.** The chief may revoke a permit issued under 17335  
section 1521.29 of the Revised Code pursuant to an adjudication 17336  
conducted in accordance with Chapter 119. of the Revised Code if 17337  
one of the following applies: 17338

(A) The continued withdrawal or consumptive use of water 17339  
under the permit will endanger the public health, safety, or 17340  
welfare. 17341

(B) The withdrawal or consumptive use of water will result in 17342  
a significant lowering of the water level within an aquifer, the 17343  
overdrafting of an aquifer, or the imminent threat of irreparable 17344  
material damage to an aquifer such that the aquifer will no longer 17345  
yield the amount of water it did before the withdrawal or 17346  
consumptive use. 17347

(C) The permittee has violated, is violating, or is threatening to violate any provision in sections 1521.23 to 1521.36 of the Revised Code, rules adopted under those sections, or a permit or order issued under those sections. 17348  
17349  
17350  
17351

**Sec. 1521.34.** (A) For purposes of this section, "public water system" has the same meaning as in section 6109.01 of the Revised Code. 17352  
17353  
17354

(B) The chief shall provide written notice to the director of environmental protection and the permittee at least ten business days prior to requiring a permittee that is a public water system to decrease its withdrawal, or prior to revoking, suspending, or amending the public water system's permit issued under section 1521.29 of the Revised Code. Nothing in this section affects a public water system's obligation to comply with Chapter 6109. of the Revised Code and the rules adopted under it. 17355  
17356  
17357  
17358  
17359  
17360  
17361  
17362

**Sec. 1521.35.** (A) An owner of real property that is located within the geographic area established under section 1521.28 of the Revised Code with respect to a permit issued under section 1521.29 of the Revised Code may submit a written complaint to the permittee or to the chief of the division of water resources informing the permittee or the chief that there is a diminution or interruption of the owner's water supply if both of the following apply: 17363  
17364  
17365  
17366  
17367  
17368  
17369  
17370

(1) The owner obtains all or part of the owner's water supply for domestic, agricultural, industrial, or other legitimate use from ground water. 17371  
17372  
17373

(2) There is a diminution or interruption of that water supply. 17374  
17375

The owner shall include in the complaint the owner's name, address, and telephone number. 17376  
17377

(B) If the chief receives a written complaint submitted in accordance with division (A) of this section, upon receipt the chief shall send a copy of the complaint to the permittee, and the permittee shall immediately respond by sending the chief a statement that explains how the permittee resolved or will resolve the complaint. 17378  
17379  
17380

17383

If the permittee receives the written complaint in accordance with division (A) of this section, the permittee shall send a copy of the complaint, within fourteen days after receiving the complaint, to the chief and include a statement that explains how the permittee resolved or will resolve the complaint. Nothing in this section relieves a permittee from performing the duties specified in division (C) of this section. 17384  
17385  
17386  
17387  
17388  
17389  
17390

(C) Not later than seventy-two hours after the permittee receives the complaint and if the complaint is not resolved as verified by the chief, the permittee shall provide the owner with a supply of water that is comparable to the owner's water supply prior to the diminution or interruption of the owner's water supply. The chief shall approve the method of providing the water supply. The permittee shall maintain that water supply unless the chief determines that the permittee has rebutted the presumption established in division (D) of this section. 17391  
17392  
17393  
17394  
17395  
17396  
17397  
17398  
17399

(D) A rebuttable presumption exists that the withdrawal by the permittee caused the diminution or interruption of the owner's water supply. However, not later than fourteen days after receipt of the complaint, the permittee may submit to the chief information showing that the permittee is not the proximate cause of the diminution or interruption of the owner's water supply. The chief shall evaluate the information submitted by the permittee to determine if the presumption is rebutted. 17400  
17401  
17402  
17403  
17404  
17405  
17406  
17407

(E) If the permittee fails to rebut the presumption, the chief shall notify the permittee and the owner in writing that the 17408  
17409

permittee failed to rebut the presumption. 17410

(F) If the permittee rebuts the presumption, the chief shall 17411  
notify the permittee and the owner that the permittee rebutted the 17412  
presumption. Upon receipt of that notice, the permittee may cease 17413  
providing a supply of water to the owner under division (C) of 17414  
this section. 17415

(G) If, within fourteen days after receipt of the complaint, 17416  
the permittee fails to submit to the chief information showing 17417  
that the withdrawal is not the proximate cause of the diminution 17418  
or interruption of the owner's water supply, such failure shall be 17419  
considered a failure to rebut the presumption. 17420

**Sec. 1521.36.** (A) An owner of real property that is located 17421  
outside the geographic area established under section 1521.28 of 17422

1521.29 of the Revised Code may submit a written complaint to the 17424  
permittee or to the chief of the division of water resources if 17425  
both of the following apply: 17426

(1) The owner obtains all or part of the owner's water supply 17427  
for domestic, agricultural, industrial, or other legitimate use 17428  
from ground water. 17429

(2) There is a diminution or interruption of that water 17430  
supply. 17431

The owner shall include in the complaint the owner's name, 17432

receives the written complaint, upon receipt the permittee shall 17437  
send the chief a copy of the complaint. 17438

(C) The chief shall investigate the complaint. Upon 17439

completion of the investigation, the chief shall send the results 17440  
of the investigation to the permittee and to the owner that 17441  
submitted the complaint. 17442

(D) The owner that submitted the complaint may resolve the 17443  
diminution or interruption of the owner's water supply with the 17444  
permittee or may commence a civil action for that purpose. 17445

**Sec. 1521.40.** (A) No person shall violate any provision of 17446  
this chapter, any rule or order adopted or issued under it, or any 17447

watershed that is not otherwise exempt under section 1522.14 of 17599  
the Revised Code shall obtain a withdrawal and consumptive use 17600  
permit from the chief of the division of water resources if the 17601  
facility meets any of the following threshold criteria: 17602

(1) The facility has a new or increased capacity for 17603  
withdrawals or consumptive uses from Lake Erie or a recognized 17604  
navigation channel of at least two and one-half million gallons 17605  
per day. 17606

(2) Except as provided in division (A)(3) of this section, 17607  
the facility has a new or increased capacity for withdrawals or 17608  
consumptive uses from any river or stream or from ground water in 17609  
the Lake Erie watershed of at least one million gallons per day. 17610

(3)(a) Except as provided in division (A)(3)(b) of this 17611  
section, the facility has a new or increased capacity for 17612  
withdrawals or consumptive uses from any river or stream in the 17613  
Lake Erie watershed that is a high quality water of at least one 17614  
hundred thousand gallons per day. Division (A)(3) of this section 17615  
does not apply to withdrawals and consumptive uses from 17616  
outstanding state waters that are designated as such by the 17617  
environmental protection agency due to their exceptional 17618  
recreational values. 17619

(b) If a river or stream or segment thereof is designated as 17620  
a high quality water as of September 4, 2012, the threshold 17621  
established in division (A)(3)(a) of this section applies to the 17622

river or stream or segment thereof and the entire watershed 17623  
upstream of that river, stream, or segment. If a river or stream 17624  
or segment thereof is designated as a high quality water after 17625  
September 4, 2012, the threshold established in division (A)(3)(a) 17626  
of this section applies to the river or stream or segment thereof 17627  
and the entire watershed upstream of that river, stream, or 17628  
segment, provided that the director of environmental protection 17629  
and the director of natural resources, or their designees, jointly 17630  
determine that the proposed withdrawal or consumptive use would 17631  
cause the high quality water to lose its designation as a high 17632  
quality water. If the directors determine that the proposed 17633  
withdrawal or consumptive use would not cause the high quality 17634  
water to lose that designation, the threshold established in 17635  
division (A)(2) of this section applies to the withdrawal or 17636  
consumptive use at a point beginning one thousand feet upstream of 17637  
the upstream end of the designated high quality water segment or 17638  
at a point beginning two times the length of the river, stream, or 17639  
segment that has been designated as a high quality water, 17640  
whichever is greater. 17641

~~Upon establishment of the withdrawal and consumptive use 17642  
permit program under this division, the owner or operator of a 17643  
facility that is not otherwise exempt under section 1522.14 of the 17644  
Revised Code and that is subject to a threshold specified in 17645  
division (A)(1) or (2) of this section, after submitting an 17646  
application for a permit under this section and a determination by 17647  
the chief that the application is complete, may commence 17648  
installation of the facility or equipment that will result in a 17649  
new or increased withdrawal or consumptive use of water in the 17650  
Lake Erie watershed prior to issuance of the withdrawal and 17651  
consumptive use permit. 17652~~

~~Upon establishment of the withdrawal and consumptive use 17653  
permit program under this division, the (B) An owner or operator 17654~~

of a facility that is not otherwise exempt under section 1522.14 17655  
of the Revised Code and that is subject to a threshold specified 17656  
in division (A)~~(3)~~ of this section shall not install or operate 17657  
the facility or equipment that will result in a new or increased 17658  
withdrawal or consumptive use of water in the Lake Erie watershed 17659  
without first obtaining a withdrawal and consumptive use permit. 17660

~~(B)~~ (C) Permits issued under this section shall be issued 17661  
only for the amount of withdrawal or consumptive use capacity of a 17662  
facility that meets or exceeds threshold amounts established in 17663  
division (A) of this section. A permit shall not be required for 17664  
the portion of the withdrawal and consumptive use capacity of the 17665  
facility below that threshold amount. 17666

~~(C)~~ (D) An applicant for a permit shall submit an application 17667  
to the chief on a form that the chief prescribes. The applicant 17668

(c) The locations and sources of water proposed to be 17679  
withdrawn; 17680

(d) The locations of proposed discharges or return flows; 17681

(e) The locations and nature of proposed consumptive uses and 17682  
the applicable consumptive use coefficient for the facility; 17683

(f) The estimated average annual and monthly volumes and 17684

rates of withdrawal; 17685

(g) The estimated average annual and monthly volumes and 17686  
rates of consumptive use; 17687

(h) The environmentally sound and economically feasible water 17688  
conservation measures to be undertaken by the applicant; 17689

(i) Other ways the applicant's need for water may be 17690  
satisfied if the application is denied or modified; 17691

~~(j)~~ (4) All information required in sections 1522.121 to 17692  
1522.124 of the Revised Code if the source of water for the 17693  
proposed withdrawal is ground water; 17694

(5) Any other information the chief may require to adequately 17695  
consider the application; 17696

~~(4)~~(6) A nonrefundable application fee of one thousand 17697  
dollars, the proceeds of which shall be credited to the water 17698  
management fund created in section ~~1501.32~~1521.22 of the Revised 17699  
Code. 17700

~~(D)~~ (E) Provided that a facility meets all applicable permit 17701  
conditions, a permit for the facility is valid until the facility 17702  
is the subject of facility abandonment. Once every five years, the 17703  
owner or operator of a facility shall certify to the chief that 17704  
the facility is in compliance with the permit that has been issued 17705  
for the facility. 17706

~~(E)~~ (F) No person that is required to do so shall fail to 17707  
apply for and receive a withdrawal and consumptive use permit. 17708

~~(F)~~ (G) A permit issued under this section shall include 17709  
terms and conditions restricting the withdrawal and consumptive 17710  
use by a facility to amounts not exceeding the capacity of the 17711  
facility. 17712

~~(G)~~ (H) The chief shall issue or deny a permit not later than 17713  
ninety days after receipt of a complete application. If 17714

applicable, the chief shall comply with the requirements regarding 17715  
prior notice established in Section 4.6 of the compact. The chief 17716  
shall issue or deny a permit through issuance of an order. The 17717  
chief shall issue a permit if all applicable criteria for 17718  
receiving the permit are met as provided in sections 1522.10 to 17719  
~~1522.21~~ 1522.30 of the Revised Code and neither of the following 17720  
applies: 17721

(1) A withdrawal or consumptive use will result in a 17722  
significant lowering of the water level within an aquifer, the 17723  
overdrafting of an aquifer, a significant diminution in the amount 17724  
of water available in existing wells, or the interruption of 17725  
existing ground water supplies within the geographic area 17726  
established by the chief pursuant to section 1522.125 of the 17727  
Revised Code without a suitable replacement water supply source. 17728

(2) A withdrawal or consumptive use would cause irreparable 17729  
material damage to an aquifer such that the aquifer could no 17730  
longer yield the amount of water it did before the withdrawal or 17731  
consumptive use proposed in the application. 17732

(I) If the facility for which a permit has been issued under 17733  
this section withdraws ground water, the chief may require the 17734  
continued monitoring and reporting of water levels in each aquifer 17735  
via existing wells or new monitoring wells drilled by the 17736  
permittee. 17737

**Sec. 1522.121.** Along with an application for a permit 17738

of the Revised Code to establish the geographic area defined by 17904  
the ten-foot contour line of the projected cone of depression for 17905  
any approved application for the withdrawal of ground water. 17906  
However, the chief may designate a different contour line based 17907

the compact. 17915

established in Section 4.11.2 of the compact, the chief shall 17917  
require that a withdrawal or consumptive use will be implemented 17918  
so as to ensure that the withdrawal or consumptive use will result 17919  
in no significant individual or cumulative adverse impacts on the 17920  
quantity or quality of the waters and water dependent natural 17921  
resources of the great lakes basin considered as a whole or of the 17922

Lake Erie source watershed considered as a whole. As part of the 17923  
evaluation of a permit application under Section 4.11.2 of the 17924  
compact, the chief shall do all of the following: 17925

(1) Rely on the best generally accepted scientific methods 17926  
appropriate for this state derived from professionally accepted 17927  
resources and practices; 17928

(2) Consider the long-term mean annual inflow and outflow of 17929  
the Lake Erie source watershed; 17930

(3) Consider the withdrawal and the portion of the withdrawal 17931  
that is not returned to the Lake Erie source watershed. 17932

(C) Impacts of a withdrawal or consumptive use on the 17933  
quantity or quality of waters and water dependent natural 17934  
resources of more localized areas that affect less than the great 17935  
lakes basin considered as a whole or the Lake Erie source 17936  
watershed considered as a whole shall be considered as a part of 17937  
the evaluation of whether a proposed withdrawal or consumptive use 17938  
is reasonable as provided in Section 4.11.5 of the compact. 17939

(D) The chief shall not submit an application for a 17940  
withdrawal and consumptive use permit for regional review under 17941  
Section 4.5.2(c)(ii) of the compact to the regional body as 17942  
defined in Section 1.2 of the compact unless regional review is 17943  
agreed to by the applicant. 17944

(E) Nothing in sections 1522.10 to ~~1522.21~~ 1522.30 of the 17945  
Revised Code shall be construed to affect, limit, diminish, or 17946  
impair any rights validly established and existing under the laws 17947  
of this state as of December 8, 2008, including, but not limited 17948  
to, sections 1506.10 and 1521.17 of the Revised Code, or to limit 17949  
a person's right to the reasonable use of ground water, water in a 17950  
lake, or any other watercourse in contravention of Section 19b of 17951  
Article I, Ohio Constitution. 17952

the watershed of the river or stream is less than one hundred 17972  
square miles but greater than fifty square miles. 17973

Division (B) of this section does not apply to withdrawals of 17974  
a facility from a river or stream that is a high quality water 17975

result in imminent harm to human health or property; 18000

(G) A facility that is establishing a new or is increasing 18001

(M) A facility that is increasing its withdrawal or consumptive use capacity directly related to supplying a major electric generating facility that is subject to regulation under Chapter 4906. of the Revised Code.	18022 18023 18024 18025
<b>Sec. 1522.15.</b> (A)(1) Transfer of a withdrawal and consumptive use permit upon the sale or transfer of a facility may occur so long as the location of the facility, the source of water, and the withdrawal and consumptive use capacities do not change. Transfer of the baseline withdrawal and consumptive use capacity of a baseline facility upon the sale or transfer of the baseline facility may occur so long as the location of the facility, the source of water, and the withdrawal and consumptive use capacities do not change. Transferred capacity of a baseline facility does not require a withdrawal and consumptive use permit.	18026 18027 18028 18029 18030 18031 18032 18033 18034 18035
Notice of a transfer shall be provided to the chief of the division of water resources in a manner prescribed by the chief.	18036 18037
(2) If the owner of a facility for which a withdrawal and consumptive use permit has been issued sells or transfers a portion of the facility, transfer of the applicable portion of the withdrawal and consumptive use capacity authorized by the withdrawal and consumptive use permit may occur so long as the location of the facility, the source of water, and the total	18038 18039 18040 18041 18042 18043

withdrawal and consumptive use capacities do not change. The 18044  
permittee shall provide notice of such a transfer to the chief in 18045  
a manner prescribed by the chief. Upon receipt of the notice and 18046  
if a permit is required for the transferred portion based on the 18047  
threshold amounts established in divisions (A)(1) to (3) of 18048  
section 1522.12 of the Revised Code, the chief shall issue a new 18049  
permit for the transferred portion of the facility to the 18050  
transferee and a modified permit for the remaining portion of the 18051  
facility to the original permittee upon a showing that the 18052  
transferee will meet the conditions of the original permit and all 18053  
applicable requirements of this chapter and rules adopted under 18054  
it. Any new permit shall reflect the portion of the withdrawal and 18055  
consumptive use capacity that has been transferred. 18056

(3) If the owner of a baseline facility sells or transfers a 18057  
portion of the baseline facility, transfer of the applicable 18058

location of the facility, the source of water, and the total 18061  
withdrawal and consumptive use capacities do not change. The owner 18062  
shall provide notice of such a transfer to the chief in a manner 18063  
prescribed by the chief. The chief shall not require the owner of 18064  
the baseline facility or the transferee to obtain a withdrawal and 18065  
consumptive use permit, but shall update the baseline report to 18066  
reflect the transfer. 18067

(4) The chief may deny a transfer under this section by 18068  
issuing an order denying the transfer and sending written notice 18069  
to the permittee and the transferee not later than thirty days 18070  
after notice of the intended transfer. The chief shall deny the 18071  
transfer if the chief determines that the transfer will result in 18072  
noncompliance with this chapter, rules adopted under it, or the 18073  
terms and conditions of a withdrawal and consumptive use permit. 18074

(5) The chief shall remove a facility from the baseline 18075

report when the facility is subject to baseline facility 18076  
abandonment. However, a baseline facility shall not be removed 18077  
from the baseline report due to the transfer of the facility's 18078  
baseline capacity. 18079

(B) No person shall sell or transfer a withdrawal and 18080  
consumptive use permit for purposes of evading the requirements 18081

withdrawal and submit a revised ground water model under section 18087  
1522.124 of the Revised Code if either of the following applies: 18088

(1) The reported ground water monitoring data conflicts with 18089  
the permittee's ground water model. 18090

(2) The results of the division of water resources' 18091  
investigation of any written complaint under section 1522.25 of 18092  
the Revised Code indicate that the permittee's withdrawal caused 18093  
the diminution or interruption of a person's water supply. 18094

(B) If so required under division (A) of this section, the 18095  
permittee shall submit the revised ground water modeling using 18096  
additional data that reflects the permittee's impact on ground 18097  
water. Based upon the revised ground water modeling and additional 18098  
data, the chief may amend the permit to decrease the withdrawal or 18099  
establish a revised projected cone of depression and amend the 18100  
permit accordingly. 18101

(C) A permittee may request the chief to amend a permit 18102  
issued under section 1522.12 of the Revised Code when another 18103  
ground water user affects or has the potential to affect the 18104  
projected cone of depression. The permittee shall submit with the 18105

request a revised ground water model using additional data that 18106  
reflects the other ground water user's impact on ground water. 18107  
Based upon the revised ground water model and additional data, the 18108  
chief may establish a revised projected cone of depression and 18109  
amend the permit accordingly. 18110

(3) That the withdrawal or consumptive use of water under a 18121  
permit issued to the person under section 1522.12 of the Revised 18122  
Code will result in a significant lowering of the water level 18123  
within an aquifer, the overdrafting of an aquifer, or the imminent 18124  
threat of irreparable material damage to an aquifer such that the 18125  
aquifer will no longer yield the amount of water it did before the 18126  
withdrawal or consumptive use. The 18127

to amend the permit or suspended permit prior to its expiration. 18166  
The chief may amend the permit and allow the withdrawal or 18167

(5) Suspends or revokes a permit issued under this chapter. 18243  
~~If~~ 18244

(C)(1) If the chief receives a written objection from a 18245  
person who is or will be aggrieved or adversely affected by the 18246  
issuance of the final order, the chief shall conduct an 18247  
adjudication hearing with respect to the proposed order in 18248  
accordance with Chapter 119. of the Revised Code. A person who is 18249  
or will be aggrieved or adversely affected by the issuance of the 18250  
final order and who submitted a written objection under this 18251  
division may be a party to the adjudication. 18252

(2) Any person who is issued a proposed order or a final 18253

This division is in addition to any other rights that a person may 18256  
have as a person aggrieved or adversely affected. If the chief 18257  
proposes to suspend or revoke a permit after making a 18258

the Revised Code, the permittee, at the hearing, may present 18260

applicable, do not apply. 18264

~~(C)~~(D)(1) After the issuance of a final order, a person who 18265  
is or will be aggrieved or adversely affected by the issuance of 18266  
the order may appeal the order to the court of common pleas of 18267  
Franklin county or the court of common pleas of the county in 18268  
which the facility that is the subject of the order is located. 18269  
Subject to the exceptions specified in section 2506.03 of the 18270  
Revised Code, the court is confined to the record as certified to 18271  
it by the chief if an adjudication hearing was conducted by the 18272  
chief under division ~~(B)~~ (C) of this section. However, the court 18273  
also may grant a request for the admission of additional evidence 18274  
when satisfied that the additional evidence is newly discovered 18275  
and could not with reasonable diligence have been ascertained 18276  
prior to the hearing before the chief. If no adjudication hearing 18277  
was conducted under division ~~(B)~~ (C) of this section, the court 18278  
shall conduct a hearing de novo. 18279

(2) The filing of an appeal under division ~~(C)~~(D)(1) of this 18280  
section does not automatically suspend the order that is the 18281  
subject of the appeal. Upon application by the appellant, the 18282  
court may suspend or stay the order, pending an immediate hearing 18283  
on the appeal. 18284

(3) If the court finds that the order was lawful and 18285  
reasonable, it shall issue a written order affirming the order. If 18286  
the court finds that the order was unreasonable or unlawful, it 18287  
shall issue a written order vacating or modifying the order. The 18288  
judgment of the court is final unless reversed, vacated, or 18289  
modified on appeal. 18290

(4) ~~Attorney's~~ A court shall not award attorney's fees shall 18291

Sec. 1522.23. The chief of the division of water resources 18299  
shall provide written notice to the director of environmental 18300  
protection and the permittee at least ten business days prior to 18301  
requiring a permittee that is a public water system to decrease 18302  
its withdrawal, or prior to revoking, suspending, or amending the 18303  
public water system's permit under this chapter. Nothing in this 18304  
section affects a public water system's obligation to comply with 18305  
Chapter 6109. of the Revised Code and the rules adopted under it. 18306

Sec. 1522.24. (A) An owner of real property that is located 18307

the Revised Code with respect to a permit issued under section 18309  
1522.12 of the Revised Code may submit a written complaint to the 18310  
permittee or to the chief of the division of water resources 18311  
informing the permittee or the chief that there is a diminution or 18312  
interruption of the owner's water supply if both of the following 18313  
apply: 18314

(1) The owner obtains all or part of the owner's water supply 18315  
for domestic, agricultural, industrial, or other legitimate use 18316  
from ground water. 18317

(2) There is a diminution or interruption of that water 18318  
supply. 18319

The owner shall include in the complaint the owner's name, 18320  
address, and telephone number. 18321

(B) If the chief receives a written complaint submitted in accordance with division (A) of this section, upon receipt the chief shall send a copy of the complaint to the permittee, and the permittee shall immediately respond by sending the chief a statement that explains how the permittee resolved or will resolve the complaint. 18322

18326  
18327

If the permittee receives the written complaint in accordance with division (A) of this section, the permittee shall send a copy of the complaint, within fourteen days after receiving the complaint, to the chief and include a statement that explains how the permittee resolved or will resolve the complaint. Nothing in this section relieves a permittee from performing the duties specified in division (C) of this section. 18328

18334

(C) Not later than seventy-two hours after the permittee receives the complaint and if the complaint is not resolved as verified by the chief, the permittee shall provide the owner with a supply of water that is comparable to the owner's water supply prior to the diminution or interruption of the owner's water supply. The chief shall approve the method of providing the water supply. The permittee shall maintain that water supply unless the chief determines that the permittee has rebutted the presumption established in division (D) of this section. 18335  
18336  
18337

18339  
18340  
18341  
18342  
18343

(D) A rebuttable presumption exists that the withdrawal by the permittee caused the diminution or interruption of the owner's water supply. However, not later than fourteen days after receipt of the complaint, the permittee may submit to the chief information showing that the permittee is not the proximate cause of the diminution or interruption of the owner's water supply. The chief shall evaluate the information submitted by the permittee to determine if the presumption is rebutted. 18344  
18345  
18346  
18347  
18348  
18349  
18350  
18351

(E) If the permittee fails to rebut the presumption, the chief shall notify the permittee and the owner in writing that the 18352  
18353

permittee failed to rebut the presumption. 18354

(F) If the permittee rebuts the presumption, the chief shall 18355  
notify the permittee and the owner that the permittee rebutted the 18356  
presumption. Upon receipt of that notice, the permittee may cease 18357

(G) If, within fourteen days after receipt of the complaint, 18360  
the permittee fails to submit to the chief information showing 18361  
that the withdrawal is not the proximate cause of the diminution 18362  
or interruption of the owner's water supply, such failure shall be 18363  
considered a failure to rebut the presumption. 18364

**Sec. 1522.25.** (A) An owner of real property that is located 18365

permittee or may commence a civil action for that purpose. 18389

**Sec. ~~1522.19~~1522.30.** (A) No person shall violate any 18390

applicable facility is located. In an action for injunction, any 18402  
factual findings of the chief presented at a hearing conducted 18403  
under section 1522.21 of the Revised Code is prima facie evidence 18404  
of the facts regarding the order that is the subject of the 18405  
hearing. 18406

(C) A person who violates any provision of this chapter, any 18407  
rule or order adopted or issued under it, or any term or condition 18408

constitutes a separate offense. 18424

(B)(1) Except as otherwise provided in this section, division 18425  
(A) of section 1533.12 of the Revised Code, or in rules adopted 18426

A small game hunting license or an apprentice nonresident 18483

ducks, geese, or brant without having obtained, in addition to the 18485  
small game hunting license or the apprentice nonresident hunting 18486  
license, a wetlands habitat stamp as provided in section 1533.112 18487  
of the Revised Code. A small game hunting license or an apprentice 18488

concerning the presentation of a previously held hunting license 18528  
or evidence of it. 18529

(3) No person shall issue a hunting license, except an 18530

by the director under this division shall be in writing and shall 19104  
set forth the conditions under which the waiver or modification is 19105  
authorized, and the department shall retain separate records of 19106

may by ordinance establish a schedule of fees to be taxed as costs 19479  
in any civil, criminal, or traffic action or proceeding in a 19480  
municipal court for the performance by officers or other employees 19481  
of the municipal corporation's police department or marshal's 19482  
office of any of the services specified in sections 311.17 and 19483  
509.15 of the Revised Code. No fee in the schedule shall be higher 19484  
than the fee specified in section 311.17 of the Revised Code for 19485  
the performance of the same service by the sheriff. If a fee 19486  
established in the schedule conflicts with a fee for the same 19487

service established in another section of the Revised Code or a 19488  
rule of court, the fee established in the other section of the 19489  
Revised Code or the rule of court shall apply. 19490

(ii) When an officer or employee of a municipal police 19491  
department or marshal's office performs in a civil, criminal, or 19492  
traffic action or proceeding in a municipal court a service 19493  
specified in section 311.17 or 509.15 of the Revised Code for 19494  
which a taxable fee has been established under this or any other 19495  
section of the Revised Code, the applicable legal fees and any 19496  
other extraordinary expenses, including overtime, provided for the 19497  
service shall be taxed as costs in the case. The clerk of the 19498  
court shall pay those legal fees and other expenses, when 19499  
collected, into the general fund of the municipal corporation that 19500  
employs the officer or employee. 19501

(iii) If a bailiff of a municipal court performs in a civil, 19502  
criminal, or traffic action or proceeding in that court a service 19503  
specified in section 311.17 or 509.15 of the Revised Code for 19504  
which a taxable fee has been established under this section or any 19505  
other section of the Revised Code, the fee for the service is the 19506  
same and is taxable to the same extent as if the service had been 19507  
performed by an officer or employee of the police department or 19508  
marshal's office of the municipal corporation in which the court 19509  
is located. The clerk of that court shall pay the fee, when 19510  
collected, into the general fund of the entity or entities that 19511  
fund the bailiff's salary, in the same prorated amount as the 19512  
salary is funded. 19513

(iv) Division (A)(1)(b) of this section does not authorize or 19514  
require any officer or employee of a police department or 19515  
marshal's office of a municipal corporation or any bailiff of a 19516  
municipal court to perform any service not otherwise authorized by 19517  
law. 19518

(2) The municipal court, by rule, may require an advance 19519

deposit for the filing of any civil action or proceeding and 19520  
publication fees as provided in section 2701.09 of the Revised 19521  
Code. The court shall waive the requirement for advance deposit 19522  
for a party that the court determines qualifies as an indigent 19523  
litigant as set forth in section 2323.311 of the Revised Code. 19524

(3) When a jury trial is demanded in any civil action or 19525  
proceeding, the party making the demand may be required to make an 19526  
advance deposit as fixed by rule of court, unless the court 19527  
determines that the party qualifies as an indigent litigant as set 19528  
forth in section 2323.311 of the Revised Code. If a jury is 19529  
called, the fees of a jury shall be taxed as costs. 19530

(4) In any civil or criminal action or proceeding, each 19531  
witness shall receive twelve dollars for each full day's 19532  
attendance and six dollars for each half day's attendance. Each 19533  
witness in a municipal court that is not a county-operated 19534  
municipal court also shall receive fifty and one-half cents for 19535  
each mile necessarily traveled to and from the witness's place of 19536  
residence to the action or proceeding. 19537

(5) A reasonable charge for driving, towing, carting, 19538  
storing, keeping, and preserving motor vehicles and other personal 19539  
property recovered or seized in any proceeding may be taxed as 19540  
part of the costs in a trial of the cause, in an amount that shall 19541  
be fixed by rule of court. 19542

(6) Chattel property seized under any writ or process issued 19543  
by the court shall be preserved pending final disposition for the 19544  
benefit of all persons interested and may be placed in storage 19545  
when necessary or proper for that preservation. The custodian of 19546  
any chattel property so stored shall not be required to part with 19547  
the possession of the property until a reasonable charge, to be 19548  
fixed by the court, is paid. 19549

(7) The municipal court, as it determines, may refund all 19550

deposits and advance payments of fees and costs, including those 19551  
for jurors and summoning jurors, when they have been paid by the 19552  
losing party. 19553

(8) Charges for the publication of legal notices required by 19554  
statute or order of court may be taxed as part of the costs, as 19555  
provided by section 7.13 of the Revised Code. 19556

(B)(1)(a) The municipal court may determine that, for the 19557  
efficient operation of the court, additional funds are necessary 19558  
to acquire and pay for special projects of the court including, 19559  
but not limited to, the acquisition of additional facilities or 19560  
the rehabilitation of existing facilities, the acquisition of 19561  
equipment, the hiring and training of staff, community service 19562  
programs, mediation or dispute resolution services, the employment 19563  
of magistrates, the training and education of judges, acting 19564  
judges, and magistrates, and other related services. Upon that 19565  
determination, the court by rule may charge a fee, in addition to 19566  
all other court costs, on the filing of each criminal cause, civil 19567  
action or proceeding, or judgment by confession. 19568

(b) If the municipal court offers a special program or 19569  
service in cases of a specific type, the municipal court by rule 19570  
may assess an additional charge in a case of that type, over and 19571  
above court costs, to cover the special program or service. The 19572  
municipal court shall adjust the special assessment periodically, 19573  
but not retroactively, so that the amount assessed in those cases 19574  
does not exceed the actual cost of providing the service or 19575  
program. 19576

(c) Any fee or charge assessed under division (B)(1)(a) or 19577  
(b) of this section on the filing of a civil action or proceeding 19578  
shall be waived if the court determines that the person on whom 19579  
the fee or charge is assessed qualifies as an indigent litigant as 19580  
set forth in section 2323.311 of the Revised Code. 19581

(d) All moneys collected under division (B) of this section shall be paid to the county treasurer if the court is a county-operated municipal court or to the city treasurer if the court is not a county-operated municipal court for deposit into either a general special projects fund or a fund established for a specific special project. Moneys from a fund of that nature shall be disbursed upon an order of the court in an amount no greater than the actual cost to the court of a project. If a specific fund is terminated because of the discontinuance of a program or service established under division (B) of this section, the municipal court may order that moneys remaining in the fund be transferred to an account established under this division for a similar purpose.

(2) As used in division (B) of this section:

(a) "Criminal cause" means a charge alleging the violation of a statute or ordinance, or subsection of a statute or ordinance, that requires a separate finding of fact or a separate plea before disposition and of which the defendant may be found guilty, whether filed as part of a multiple charge on a single summons, citation, or complaint or as a separate charge on a single summons, citation, or complaint. division shall be in addition to any other court costs imposed in 19622  
the action or proceeding and shall be collected at the time of the 19623  
filing of the action or proceeding. The court shall not waive the 19624  
payment of the additional filing fees in a new civil action or 19625  
proceeding unless the court waives the advanced payment of all 19626  
filing fees in the action or proceeding for the party that the 19627  
court determines is qualified as an indigent litigant as set forth 19628  
in section 2323.311 of the Revised Code. All such moneys collected 19629  
during a month except for an amount equal to up to one per cent of 19630  
those moneys retained to cover administrative costs shall be 19631  
transmitted on or before the twentieth day of the following month 19632  
by the clerk of the court to the treasurer of state in a manner 19633  
prescribed by the treasurer of state or by the Ohio ~~legal~~ 19634

ninety-six per cent of the funds collected under this division to 19639  
the credit of the legal aid fund established under section 120.52 19640  
of the Revised Code. 19641

The court may retain up to one per cent of the moneys it 19642  
collects under this division to cover administrative costs, 19643  
including the hiring of any additional personnel necessary to 19644  
implement this division. If the court fails to transmit to the 19645  
treasurer of state the moneys the court collects under this 19646

division in a manner prescribed by the treasurer of state or by 19647  
the Ohio ~~legal assistance~~ access to justice foundation, the court 19648  
shall forfeit the moneys the court retains under this division to 19649

to the treasurer of state all moneys collected under this 19652  
division, including the forfeited amount retained for 19653  
administrative costs, for deposit in the legal aid fund. 19654

(D) In the Cleveland municipal court, reasonable charges for 19655  
investigating titles of real estate to be sold or disposed of 19656  
under any writ or process of the court may be taxed as part of the 19657  
costs. 19658

(E) Under the circumstances described in sections 2969.21 to 19659  
2969.27 of the Revised Code, the clerk of the municipal court 19660

(2) "Half day's attendance" means a day on which a witness is 19668  
required or requested to be present at an action or proceeding 19669

special project. Moneys from a fund of that nature shall be 19783  
disbursed upon an order of the court in an amount no greater than 19784  
the actual cost to the court of a project. If a specific fund is 19785  
terminated because of the discontinuance of a program or service 19786  
established under division (B) of this section, the county court 19787  
may order that moneys remaining in the fund be transferred to an 19788

whether filed as part of a multiple charge on a single summons, 19795  
citation, or complaint or as a separate charge on a single 19796  
summons, citation, or complaint. "Criminal cause" does not include 19797  
separate violations of the same statute or ordinance, or 19798

the advanced payment of all filing fees in the action or 19823  
proceeding for the party that the court determines is qualified as 19824

The court may retain up to one per cent of the moneys it collects under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division. If the court fails to transmit to the treasurer of state the moneys the court collects under this division in a manner prescribed by the treasurer of state or by the Ohio ~~legal assistance~~ access to justice foundation, the court shall forfeit the moneys the court retains under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division, and shall transmit to the treasurer of state all moneys collected under this division, including the forfeited amount retained for administrative costs, for deposit in the legal aid fund.

physician-patient relationship, and the attorney or physician 20675  
shall make a report pursuant to division (A)(1) of this section 20676  
with respect to that communication, if all of the following apply: 20677

(a) The client or patient, at the time of the communication, 20678

physical impairment. 20681

(b) The attorney or physician knows, or has reasonable cause 20682

wound, injury, disability, or condition of a nature that 20686  
reasonably indicates abuse or neglect of the client or patient. 20687

(c) The abuse or neglect does not arise out of the client's 20688  
or patient's attempt to have an abortion without the notification 20689  
of her parents, guardian, or custodian in accordance with section 20690  
2151.85 of the Revised Code. 20691

(4)(a) No cleric and no person, other than a volunteer, 20692

society, or faith who is acting in an official or professional 20695  
capacity, who knows, or has reasonable cause to believe based on 20696

to believe, that a child under eighteen years of age, or a person 20698

under twenty-one years of age with a developmental disability or 20699  
physical impairment, has suffered or faces a threat of suffering 20700  
any physical or mental wound, injury, disability, or condition of 20701  
a nature that reasonably indicates abuse or neglect of the child, 20702  
and who knows, or has reasonable cause to believe based on facts 20703  
that would cause a reasonable person in a similar position to 20704

volunteer, designated by a church, religious society, or faith 20706  
acting as a leader, official, or delegate on behalf of the church, 20707

report that knowledge or reasonable cause to believe to the entity 20711  
or persons specified in this division. Except as provided in 20712  
section 5120.173 of the Revised Code, the person making the report 20713  
shall make it to the public children services agency or a peace 20714  
officer in the county in which the child resides or in which the 20715  
abuse or neglect is occurring or has occurred. In the 20716  
circumstances described in section 5120.173 of the Revised Code, 20717  
the person making the report shall make it to the entity specified 20718  
in that section. 20719

(b) Except as provided in division (A)(4)(c) of this section, 20720  
a cleric is not required to make a report pursuant to division 20721  
(A)(4)(a) of this section concerning any communication the cleric 20722

accordance with division (C) of section 2317.02 of the Revised 20724  
Code, the cleric could not testify with respect to that 20725  
communication in a civil or criminal proceeding. 20726

(c) The penitent in a cleric-penitent relationship described 20727  
in division (A)(4)(b) of this section is deemed to have waived any 20728  
testimonial privilege under division (C) of section 2317.02 of the 20729  
Revised Code with respect to any communication the cleric receives 20730

from the penitent in that cleric-penitent relationship, and the 20731  
cleric shall make a report pursuant to division (A)(4)(a) of this 20732  
section with respect to that communication, if all of the 20733  
following apply: 20734

(i) The penitent, at the time of the communication, is a 20735

years of age with a developmental disability or physical 20737  
impairment. 20738

(ii) The cleric knows, or has reasonable cause to believe 20739  
based on facts that would cause a reasonable person in a similar 20740  
position to believe, as a result of the communication or any 20741  
observations made during that communication, the penitent has 20742  
suffered or faces a threat of suffering any physical or mental 20743  
wound, injury, disability, or condition of a nature that 20744  
reasonably indicates abuse or neglect of the penitent. 20745

(iii) The abuse or neglect does not arise out of the 20746

(d) Divisions (A)(4)(a) and (c) of this section do not apply 20752  
in a cleric-penitent relationship when the disclosure of any 20753  
communication the cleric receives from the penitent is in 20754  
violation of the sacred trust. 20755

(e) As used in divisions (A)(1) and (4) of this section, 20756  
"cleric" and "sacred trust" have the same meanings as in section 20757  
2317.02 of the Revised Code. 20758

(B) Anyone who knows, or has reasonable cause to suspect 20759  
based on facts that would cause a reasonable person in similar 20760  
circumstances to suspect, that a child under eighteen years of 20761

age, or a person under twenty-one years of age with a 20762  
developmental disability or physical impairment, has suffered or 20763  
faces a threat of suffering any physical or mental wound, injury, 20764  
disability, or other condition of a nature that reasonably 20765  
indicates abuse or neglect of the child may report or cause 20766  
reports to be made of that knowledge or reasonable cause to 20767  
suspect to the entity or persons specified in this division. 20768  
Except as provided in section 5120.173 of the Revised Code, a 20769  
person making a report or causing a report to be made under this 20770  
division shall make it or cause it to be made to the public 20771  
children services agency or to a peace officer. In the 20772  
circumstances described in section 5120.173 of the Revised Code, a 20773  
person making a report or causing a report to be made under this 20774  
division shall make it or cause it to be made to the entity 20775  
specified in that section. 20776

(C) Any report made pursuant to division (A) or (B) of this 20777  
section shall be made forthwith either by telephone or in person 20778  
and shall be followed by a written report, if requested by the 20779  
receiving agency or officer. The written report shall contain: 20780

(1) The names and addresses of the child and the child's 20781  
parents or the person or persons having custody of the child, if 20782  
known; 20783

(2) The child's age and the nature and extent of the child's 20784  
injuries, abuse, or neglect that is known or reasonably suspected 20785  
or believed, as applicable, to have occurred or of the threat of 20786  
injury, abuse, or neglect that is known or reasonably suspected or 20787  
believed, as applicable, to exist, including any evidence of 20788  
previous injuries, abuse, or neglect; 20789

(3) Any other information, including, but not limited to, 20790  
results and reports of any medical examinations, tests, or 20791  
procedures performed under division (D) of this section, that 20792  
might be helpful in establishing the cause of the injury, abuse, 20793

or neglect that is known or reasonably suspected or believed, as 20794  
applicable, to have occurred or of the threat of injury, abuse, or 20795  
neglect that is known or reasonably suspected or believed, as 20796  
applicable, to exist. 20797

(D)(1) Any person, who is required by division (A) of this 20798  
section to report child abuse or child neglect that is known or 20799  
reasonably suspected or believed to have occurred, may take or 20800  
cause to be taken color photographs of areas of trauma visible on 20801  
a child and, if medically necessary for the purpose of diagnosing 20802  
or treating injuries that are suspected to have occurred as a 20803  
result of child abuse or child neglect, perform or cause to be 20804  
performed radiological examinations and any other medical 20805  
examinations of, and tests or procedures on, the child. 20806

(2) The results and any available reports of examinations, 20807  
tests, or procedures made under division (D)(1) of this section 20808  
shall be included in a report made pursuant to division (A) of 20809  
this section. Any additional reports of examinations, tests, or 20810  
procedures that become available shall be provided to the public 20811  
children services agency, upon request. 20812

(3) If a health care professional provides health care 20813  
services in a hospital, children's advocacy center, or emergency 20814  
medical facility to a child about whom a report has been made 20815  
under division (A) of this section, the health care professional 20816  
may take any steps that are reasonably necessary for the release 20817  
or discharge of the child to an appropriate environment. Before 20818  
the child's release or discharge, the health care professional may 20819  
obtain information, or consider information obtained, from other 20820  
entities or individuals that have knowledge about the child. 20821  
Nothing in division (D)(3) of this section shall be construed to 20822  
alter the responsibilities of any person under sections 2151.27 20823  
and 2151.31 of the Revised Code. 20824

(4) A health care professional may conduct medical 20825

examinations, tests, or procedures on the siblings of a child 20826  
about whom a report has been made under division (A) of this 20827  
section and on other children who reside in the same home as the 20828  
child, if the professional determines that the examinations, 20829  
tests, or procedures are medically necessary to diagnose or treat 20830  
the siblings or other children in order to determine whether 20831  
reports under division (A) of this section are warranted with 20832  
respect to such siblings or other children. The results of the 20833  
examinations, tests, or procedures on the siblings and other 20834  
children may be included in a report made pursuant to division (A) 20835  
of this section. 20836

(5) Medical examinations, tests, or procedures conducted 20837  
under divisions (D)(1) and (4) of this section and decisions 20838  
regarding the release or discharge of a child under division 20839  
(D)(3) of this section do not constitute a law enforcement 20840  
investigation or activity. 20841

(E)(1) When a peace officer receives a report made pursuant 20842  
to division (A) or (B) of this section, upon receipt of the 20843  
report, the peace officer who receives the report shall refer the 20844  
report to the appropriate public children services agency, unless 20845  
an arrest is made at the time of the report that results in the 20846  
appropriate public children services agency being contacted 20847  
concerning the possible abuse or neglect of a child or the 20848  
possible threat of abuse or neglect of a child. 20849

(2) When a public children services agency receives a report 20850  
pursuant to this division or division (A) or (B) of this section, 20851  
upon receipt of the report, the public children services agency 20852  
shall do both of the following: 20853

(a) Comply with section 2151.422 of the Revised Code; 20854

(b) If the county served by the agency is also served by a 20855  
children's advocacy center and the report alleges sexual abuse of 20856

a child or another type of abuse of a child that is specified in 20857  
the memorandum of understanding that creates the center as being 20858  
within the center's jurisdiction, comply regarding the report with 20859  
the protocol and procedures for referrals and investigations, with 20860  
the coordinating activities, and with the authority or 20861  
responsibility for performing or providing functions, activities, 20862  
and services stipulated in the interagency agreement entered into 20863  
under section 2151.428 of the Revised Code relative to that 20864  
center. 20865

(F) No peace officer shall remove a child about whom a report 20866  
is made pursuant to this section from the child's parents, 20867  
stepparents, or guardian or any other persons having custody of 20868  
the child without consultation with the public children services 20869  
agency, unless, in the judgment of the officer, and, if the report 20870  
was made by physician, the physician, immediate removal is 20871  
considered essential to protect the child from further abuse or 20872  
neglect. The agency that must be consulted shall be the agency 20873  
conducting the investigation of the report as determined pursuant 20874  
to section 2151.422 of the Revised Code. 20875

(G)(1) Except as provided in section 2151.422 of the Revised 20876  
Code or in an interagency agreement entered into under section 20877  
2151.428 of the Revised Code that applies to the particular 20878  
report, the public children services agency shall investigate, 20879  
within twenty-four hours, each report of child abuse or child 20880  
neglect that is known or reasonably suspected or believed to have 20881  
occurred and of a threat of child abuse or child neglect that is 20882  
known or reasonably suspected or believed to exist that is 20883  
referred to it under this section to determine the circumstances 20884  
surrounding the injuries, abuse, or neglect or the threat of 20885  
injury, abuse, or neglect, the cause of the injuries, abuse, 20886  
neglect, or threat, and the person or persons responsible. The 20887  
investigation shall be made in cooperation with the law 20888

enforcement agency and in accordance with the memorandum of 20889  
understanding prepared under division (K) of this section. A 20890  
representative of the public children services agency shall, at 20891  
the time of initial contact with the person subject to the 20892  
investigation, inform the person of the specific complaints or 20893  
allegations made against the person. The information shall be 20894  
given in a manner that is consistent with division (I)(1) of this 20895  
section and protects the rights of the person making the report 20896  
under this section. 20897

A failure to make the investigation in accordance with the 20898  
memorandum is not grounds for, and shall not result in, the 20899  
dismissal of any charges or complaint arising from the report or 20900  
the suppression of any evidence obtained as a result of the report 20901  
and does not give, and shall not be construed as giving, any 20902  
rights or any grounds for appeal or post-conviction relief to any 20903  
person. The public children services agency shall report each case 20904  
to the uniform statewide automated child welfare information 20905  
system that the department of job and family services shall 20906  
maintain in accordance with section 5101.13 of the Revised Code. 20907  
The public children services agency shall submit a report of its 20908  
investigation, in writing, to the law enforcement agency. 20909

(2) The public children services agency shall make any 20910  
recommendations to the county prosecuting attorney or city 20911  
director of law that it considers necessary to protect any 20912  
children that are brought to its attention. 20913

(H)(1)(a) Except as provided in divisions (H)(1)(b) and 20914  
(I)(3) of this section, any person, health care professional, 20915  
hospital, institution, school, health department, or agency shall 20916  
be immune from any civil or criminal liability for injury, death, 20917  
or loss to person or property that otherwise might be incurred or 20918  
imposed as a result of any of the following: 20919

(i) Participating in the making of reports pursuant to 20920

division (A) of this section or in the making of reports in good faith, pursuant to division (B) of this section; 20921  
20922

(ii) Participating in medical examinations, tests, or procedures under division (D) of this section; 20923  
20924

20926  
20927  
20928

(iv) Participating in a judicial proceeding resulting from a report made pursuant to division (A) of this section or participating in good faith in a proceeding resulting from a report made pursuant to division (B) of this section. 20929  
20930  
20931  
20932

(b) Immunity under division (H)(1)(a)(ii) of this section shall not apply when a health care provider has deviated from the standard of care applicable to the provider's profession. 20933  
20934  
20935

(c) Notwithstanding section 4731.22 of the Revised Code, the physician-patient privilege shall not be a ground for excluding evidence regarding a child's injuries, abuse, or neglect, or the cause of the injuries, abuse, or neglect in any judicial proceeding resulting from a report submitted pursuant to this section. 20936  
20937  
20938  
20939  
20940  
20941

(2) In any civil or criminal action or proceeding in which it is alleged and proved that participation in the making of a report under this section was not in good faith or participation in a judicial proceeding resulting from a report made under this section was not in good faith, the court shall award the prevailing party reasonable attorney's fees and costs and, if a civil action or proceeding is voluntarily dismissed, may award reasonable attorney's fees and costs to the party against whom the civil action or proceeding is brought. 20942  
20943  
20944  
20945  
20946  
20947  
20948  
20949  
20950

(I)(1) Except as provided in divisions (I)(4) and (O) of this 20951

section, a report made under this section is confidential. The 20952  
information provided in a report made pursuant to this section and 20953  
the name of the person who made the report shall not be released 20954  
for use, and shall not be used, as evidence in any civil action or 20955  
proceeding brought against the person who made the report. Nothing 20956  
in this division shall preclude the use of reports of other 20957  
incidents of known or suspected abuse or neglect in a civil action 20958  
or proceeding brought pursuant to division (N) of this section 20959  
against a person who is alleged to have violated division (A)(1) 20960  
of this section, provided that any information in a report that 20961  
would identify the child who is the subject of the report or the 20962  
maker of the report, if the maker of the report is not the 20963  
defendant or an agent or employee of the defendant, has been 20964  
redacted. In a criminal proceeding, the report is admissible in 20965  
evidence in accordance with the Rules of Evidence and is subject 20966  
to discovery in accordance with the Rules of Criminal Procedure. 20967

(2)(a) Except as provided in division (I)(2)(b) of this 20968  
section, no person shall permit or encourage the unauthorized 20969  
dissemination of the contents of any report made under this 20970  
section. 20971

(b) A health care professional that obtains the same 20972  
information contained in a report made under this section from a 20973  
source other than the report may disseminate the information, if 20974  
its dissemination is otherwise permitted by law. 20975

(3) A person who knowingly makes or causes another person to 20976  
make a false report under division (B) of this section that 20977  
alleges that any person has committed an act or omission that 20978  
resulted in a child being an abused child or a neglected child is 20979  
guilty of a violation of section 2921.14 of the Revised Code. 20980

(4) If a report is made pursuant to division (A) or (B) of 20981  
this section and the child who is the subject of the report dies 20982  
for any reason at any time after the report is made, but before 20983

the child attains eighteen years of age, the public children 20984  
services agency or peace officer to which the report was made or 20985  
referred, on the request of the child fatality review board or the 20986  
director of health pursuant to guidelines established under 20987  
section 3701.70 of the Revised Code, shall submit a summary sheet 20988  
of information providing a summary of the report to the review 20989  
board of the county in which the deceased child resided at the 20990  
time of death or to the director. On the request of the review 20991  
board or director, the agency or peace officer may, at its 20992  
discretion, make the report available to the review board or 20993  
director. If the county served by the public children services 20994  
agency is also served by a children's advocacy center and the 20995  
report of alleged sexual abuse of a child or another type of abuse 20996  
of a child is specified in the memorandum of understanding that 20997  
creates the center as being within the center's jurisdiction, the 20998  
agency or center shall perform the duties and functions specified 20999  
in this division in accordance with the interagency agreement 21000  
entered into under section 2151.428 of the Revised Code relative 21001  
to that advocacy center. 21002

(5) A public children services agency shall advise a person 21003  
alleged to have inflicted abuse or neglect on a child who is the 21004  
subject of a report made pursuant to this section, including a 21005  
report alleging sexual abuse of a child or another type of abuse 21006  
of a child referred to a children's advocacy center pursuant to an 21007  
interagency agreement entered into under section 2151.428 of the 21008  
Revised Code, in writing of the disposition of the investigation. 21009  
The agency shall not provide to the person any information that 21010  
identifies the person who made the report, statements of 21011  
witnesses, or police or other investigative reports. 21012

(J) Any report that is required by this section, other than a 21013  
report that is made to the state highway patrol as described in 21014  
section 5120.173 of the Revised Code, shall result in protective 21015

services and emergency supportive services being made available by 21016  
the public children services agency on behalf of the children 21017  
about whom the report is made, in an effort to prevent further 21018  
neglect or abuse, to enhance their welfare, and, whenever 21019  
possible, to preserve the family unit intact. The agency required 21020  
to provide the services shall be the agency conducting the 21021  
investigation of the report pursuant to section 2151.422 of the 21022  
Revised Code. 21023

(K)(1) Each public children services agency shall prepare a 21024  
memorandum of understanding that is signed by all of the 21025  
following: 21026

(a) If there is only one juvenile judge in the county, the 21027  
juvenile judge of the county or the juvenile judge's 21028  
representative; 21029

(b) If there is more than one juvenile judge in the county, a 21030  
juvenile judge or the juvenile judges' representative selected by 21031  
the juvenile judges or, if they are unable to do so for any 21032  
reason, the juvenile judge who is senior in point of service or 21033  
the senior juvenile judge's representative; 21034

(c) The county peace officer; 21035

(d) All chief municipal peace officers within the county; 21036

(e) Other law enforcement officers handling child abuse and 21037  
neglect cases in the county; 21038

(f) The prosecuting attorney of the county; 21039

(g) If the public children services agency is not the county 21040  
department of job and family services, the county department of 21041  
job and family services; 21042

(h) The county humane society; 21043

(i) If the public children services agency participated in 21044  
the execution of a memorandum of understanding under section 21045

Upon making a determination that additional funds are required for 21960  
either or both of those purposes, the court shall authorize and 21961

than the actual cost to the court of procuring and maintaining 21973  
computerization of the court, computerized legal research 21974  
services, or both. 21975

(3) If the court determines that the funds in the fund 21976  
described in division (A)(2) of this section are more than 21977

court may declare a surplus in the fund and, subject to an 21980  
appropriation by the board of county commissioners, expend those 21981  
surplus funds, or upon an order of the court, subject to the court 21982  
making an annual report available to the public listing the use of 21983  
all such funds, expend those surplus funds, for other appropriate 21984  
technological expenses of the court. 21985

(B)(1) The court of common pleas of any county may determine 21986  
that, for the efficient operation of the court, additional funds 21987

that determination, authorize and direct the clerk of the court of 21990  
common pleas to charge an additional fee, not to exceed twenty 21991  
dollars, on the filing of each cause of action or appeal, on the 21992  
filing, docketing, and endorsing of each certificate of judgment, 21993  
or on the docketing and indexing of each aid in execution or 21994

moneys collected under division (B)(1) of this section shall be 22000  
paid to the county treasurer to be disbursed, upon an order of the 22001  
court of common pleas and subject to appropriation by the board of 22002  
county commissioners, in an amount no greater than the actual cost 22003  
to the court of procuring and maintaining technology and computer 22004  
systems for the office of the clerk of the court of common pleas. 22005

(2) If the court of common pleas of a county makes the 22006  
determination described in division (B)(1) of this section, the 22007  
board of county commissioners of that county may issue one or more 22008  
general obligation bonds for the purpose of procuring and 22009  
maintaining the technology and computer systems for the office of 22010  
the clerk of the court of common pleas. In addition to the 22011  
purposes stated in division (B)(1) of this section for which the 22012  
moneys collected under that division may be expended, the moneys 22013  
additionally may be expended to pay debt charges on and financing 22014  
costs related to any general obligation bonds issued pursuant to 22015  
division (B)(2) of this section as they become due. General 22016  
obligation bonds issued pursuant to division (B)(2) of this 22017  
section are Chapter 133. securities. 22018

(C) The court of common pleas shall collect the sum of 22019  
twenty-six dollars as additional filing fees in each new civil 22020

in addition to any other filing fees imposed in the action or 22033  
proceeding and shall be collected at the time of the filing of the 22034  
action or proceeding. The court shall not waive the payment of the 22035  
additional filing fees in a new civil action or proceeding unless 22036  
the court waives the advanced payment of all filing fees in the 22037  
action or proceeding. All such moneys collected during a month 22038  
except for an amount equal to up to one per cent of those moneys 22039  
retained to cover administrative costs shall be transmitted on or 22040

the Revised Code and ninety-six per cent of the funds collected 22047  
under this division to the credit of the legal aid fund 22048

collects under this division to cover administrative costs, 22051  
including the hiring of any additional personnel necessary to 22052

treasurer of state the moneys the court collects under this 22054

division in a manner prescribed by the treasurer of state or by 22055  
the Ohio ~~legal assistance~~ access to justice foundation, the court 22056  
shall forfeit the moneys the court retains under this division to 22057

to the treasurer of state all moneys collected under this 22060  
division, including the forfeited amount retained for 22061

the court of common pleas shall collect the sum of thirty-two 22064  
dollars as additional filing fees in each new action or proceeding 22065  
for annulment, divorce, or dissolution of marriage for the purpose 22066

additional filing fees in a new action or proceeding for 22073

waives the advanced payment of all filing fees in the action or 22075  
proceeding. On or before the twentieth day of each month, all 22076  
moneys collected during the immediately preceding month pursuant 22077  
to this division shall be deposited by the clerk of the court into 22078  
the county treasury in the special fund used for deposit of 22079  
additional marriage license fees as described in section 3113.34 22080  
of the Revised Code. Upon their deposit into the fund, the moneys 22081

(F)(1) Whoever violates division (B)(1), (2), (4), (5), or 22938  
(6) or (C) of this section is guilty of illegal distribution of 22939  
cigarettes, other tobacco products, or alternative nicotine 22940  
products. Except as otherwise provided in this division, illegal 22941  
distribution of cigarettes, other tobacco products, or alternative 22942  
nicotine products is a misdemeanor of the fourth degree. If the 22943  
offender previously has been convicted of a violation of division 22944  
(B)(1), (2), (4), (5), or (6) or (C) of this section, illegal 22945

(2) Whoever violates division (B)(3) of this section is 22948  
guilty of permitting ~~children~~ a person under twenty-one years of 22949  
age to use cigarettes, other tobacco products, or alternative 22950  
nicotine products. Except as otherwise provided in this division, 22951  
permitting ~~children~~ a person under twenty-one years of age to use 22952  
cigarettes, other tobacco products, or alternative nicotine 22953  
products is a misdemeanor of the fourth degree. If the offender 22954  
previously has been convicted of a violation of division (B)(3) of 22955  
this section, permitting ~~children~~ a person under twenty-one years 22956  
of age to use cigarettes, other tobacco products, or alternative 22957  
nicotine products is a misdemeanor of the third degree. 22958

(G) Any cigarettes, other tobacco products, alternative 22959  
nicotine products, or papers used to roll cigarettes that are 22960  
given, sold, or otherwise distributed to a ~~child~~ person under 22961

under Chapter 2981. of the Revised Code. 22966

(H) This section shall not apply to a person who is eighteen 22967  
years of age on or before October 1, 2019. The version of this 22968

section that was in effect prior to the effective date of this 22969  
amendment shall apply to a person who is eighteen years of age on 22970  
or before October 1, 2019. 22971

**Sec. 2927.022.** (A) A seller or an agent or employee of a 22972  
seller may not be found guilty of a charge of a violation of 22973  
section 2927.02 of the Revised Code in which the age of the 22974  
purchaser or other recipient of cigarettes, other tobacco 22975  
products, or alternative nicotine products is an element of the 22976  
alleged violation, if the seller, agent, or employee raises and 22977  
proves as an affirmative defense that all of the following 22978  
occurred: 22979

(1) A card holder attempting to purchase or receive 22980  
cigarettes, other tobacco products, or alternative nicotine 22981  
products presented a driver's or commercial driver's license or an 22982  
identification card. 22983

(2) A transaction scan of the driver's or commercial driver's 22984  
license or identification card that the card holder presented 22985  
indicated that the license or card was valid. 22986

(3) The cigarettes, other tobacco products, or alternative 22987  
nicotine products were sold, given away, or otherwise distributed 22988  
to the card holder in reasonable reliance upon the identification 22989  
presented and the completed transaction scan. 22990

(B) In determining whether a seller or an agent or employee 22991  
of a seller has proven the affirmative defense provided by 22992  
division (A) of this section, the trier of fact in the action for 22993  
the alleged violation of section 2927.02 of the Revised Code shall 22994  
consider any written policy that the seller has adopted and 22995  
implemented and that is intended to prevent violations of section 22996  
2927.02 of the Revised Code. For purposes of division (A)(3) of 22997  
this section, the trier of fact shall consider that reasonable 22998  
reliance upon the identification presented and the completed 22999

transaction scan may require a seller or an agent or employee of a seller to exercise reasonable diligence to determine, and that the use of a transaction scan device does not excuse a seller or an agent or employee of a seller from exercising reasonable diligence to determine, the following:

(1) Whether a person to whom the seller or agent or employee of a seller sells, gives away, or otherwise distributes cigarettes, other tobacco products, or alternative nicotine products is ~~eighteen~~ twenty-one years of age or older;

(2) Whether the description and picture appearing on the driver's or commercial driver's license or identification card presented by a card holder is that of the card holder.

(C) In any criminal action in which the affirmative defense provided by division (A) of this section is raised, the registrar of motor vehicles or a deputy registrar who issued an identification card under sections 4507.50 to 4507.52 of the Revised Code shall be permitted to submit certified copies of the records of that issuance in lieu of the testimony of the personnel of or contractors with the bureau of motor vehicles in the action.

Sec. 2927.024. (A) No person who is eighteen years of age or older but younger than twenty-one years of age shall knowingly furnish false information concerning that person's name, age, or other identification for the purpose of obtaining tobacco products.

(B) Whoever violates division (A) of this section is guilty of furnishing false information to obtain tobacco products. Except as otherwise provided in this division, furnishing false information to obtain tobacco products is a misdemeanor of the fourth degree. If the offender previously has been convicted of or pleaded guilty to a violation of division (A) of this section, furnishing false information to obtain tobacco products is a

misdemeanor of the third degree. 23031

**Sec. 2929.13.** (A) Except as provided in division (E), (F), or 23032  
(G) of this section and unless a specific sanction is required to 23033  
be imposed or is precluded from being imposed pursuant to law, a 23034  
court that imposes a sentence upon an offender for a felony may 23035  
impose any sanction or combination of sanctions on the offender 23036  
that are provided in sections 2929.14 to 2929.18 of the Revised 23037  
Code. 23038

If the offender is eligible to be sentenced to community 23039  
control sanctions, the court shall consider the appropriateness of 23040  
imposing a financial sanction pursuant to section 2929.18 of the 23041  
Revised Code or a sanction of community service pursuant to 23042  
section 2929.17 of the Revised Code as the sole sanction for the 23043  
offense. Except as otherwise provided in this division, if the 23044  
court is required to impose a mandatory prison term for the 23045  
offense for which sentence is being imposed, the court also shall 23046  
impose any financial sanction pursuant to section 2929.18 of the 23047  
Revised Code that is required for the offense and may impose any 23048  
other financial sanction pursuant to that section but may not 23049  
impose any additional sanction or combination of sanctions under 23050  
section 2929.16 or 2929.17 of the Revised Code. 23051

If the offender is being sentenced for a fourth degree felony 23052  
OVI offense or for a third degree felony OVI offense, in addition 23053  
to the mandatory term of local incarceration or the mandatory 23054  
prison term required for the offense by division (G)(1) or (2) of 23055  
this section, the court shall impose upon the offender a mandatory 23056  
fine in accordance with division (B)(3) of section 2929.18 of the 23057  
Revised Code and may impose whichever of the following is 23058  
applicable: 23059

(1) For a fourth degree felony OVI offense for which sentence 23060  
is imposed under division (G)(1) of this section, an additional 23061

community control sanction or combination of community control 23062  
sanctions under section 2929.16 or 2929.17 of the Revised Code. If 23063  
the court imposes upon the offender a community control sanction 23064  
and the offender violates any condition of the community control 23065  
sanction, the court may take any action prescribed in division (B) 23066  
of section 2929.15 of the Revised Code relative to the offender, 23067  
including imposing a prison term on the offender pursuant to that 23068  
division. 23069

(2) For a third or fourth degree felony OVI offense for which 23070  
sentence is imposed under division (G)(2) of this section, an 23071  
additional prison term as described in division (B)(4) of section 23072  
2929.14 of the Revised Code or a community control sanction as 23073  
described in division (G)(2) of this section. 23074

(B)(1)(a) Except as provided in division (B)(1)(b) of this 23075  
section, if an offender is convicted of or pleads guilty to a 23076  
felony of the fourth or fifth degree that is not an offense of 23077  
violence or that is a qualifying assault offense, the court shall 23078  
sentence the offender to a community control sanction or 23079  
combination of community control sanctions if all of the following 23080  
apply: 23081

(i) The offender previously has not been convicted of or 23082  
pleaded guilty to a felony offense. 23083

(ii) The most serious charge against the offender at the time 23084  
of sentencing is a felony of the fourth or fifth degree. 23085

~~(iii) If the court made a request of the department of 23086  
rehabilitation and correction pursuant to division (B)(1)(c) of 23087  
this section, the department, within the forty five day period 23088  
specified in that division, provided the court with the names of, 23089  
contact information for, and program details of one or more 23090  
community control sanctions that are available for persons 23091  
sentenced by the court. 23092~~

~~(iv)~~ The offender previously has not been convicted of or 23093  
pleaded guilty to a misdemeanor offense of violence that the 23094  
offender committed within two years prior to the offense for which 23095  
sentence is being imposed. 23096

(b) The court has discretion to impose a prison term upon an 23097  
offender who is convicted of or pleads guilty to a felony of the 23098  
fourth or fifth degree that is not an offense of violence or that 23099  
is a qualifying assault offense if any of the following apply: 23100

(i) The offender committed the offense while having a firearm 23101  
on or about the offender's person or under the offender's control. 23102

(ii) If the offense is a qualifying assault offense, the 23103  
offender caused serious physical harm to another person while 23104  
committing the offense, and, if the offense is not a qualifying 23105  
assault offense, the offender caused physical harm to another 23106  
person while committing the offense. 23107

(iii) The offender violated a term of the conditions of bond 23108  
as set by the court. 23109

~~(iv) The court made a request of the department of 23110  
rehabilitation and correction pursuant to division (B)(1)(c) of 23111  
this section, and the department, within the forty five day period 23112  
specified in that division, did not provide the court with the 23113  
name of, contact information for, and program details of any 23114  
community control sanction that is available for persons sentenced 23115  
by the court. 23116~~

~~(v)~~ The offense is a sex offense that is a fourth or fifth 23117  
degree felony violation of any provision of Chapter 2907. of the 23118  
Revised Code. 23119

~~(vi)~~(v) In committing the offense, the offender attempted to 23120  
cause or made an actual threat of physical harm to a person with a 23121  
deadly weapon. 23122

~~(vii)~~(vi) In committing the offense, the offender attempted 23123  
to cause or made an actual threat of physical harm to a person, 23124  
and the offender previously was convicted of an offense that 23125  
caused physical harm to a person. 23126

~~(viii)~~(vii) The offender held a public office or position of 23127  
trust, and the offense related to that office or position; the 23128  
offender's position obliged the offender to prevent the offense or 23129  
to bring those committing it to justice; or the offender's 23130  
professional reputation or position facilitated the offense or was 23131  
likely to influence the future conduct of others. 23132

~~(ix)~~(viii) The offender committed the offense for hire or as 23133  
part of an organized criminal activity. 23134

~~(x)~~(ix) The offender at the time of the offense was serving, 23135  
or the offender previously had served, a prison term. 23136

~~(xi)~~(x) The offender committed the offense while under a 23137  
community control sanction, while on probation, or while released 23138  
from custody on a bond or personal recognizance. 23139

~~(c) If a court that is sentencing an offender who is 23140  
convicted of or pleads guilty to a felony of the fourth or fifth 23141  
degree that is not an offense of violence or that is a qualifying 23142  
assault offense believes that no community control sanctions are 23143  
available for its use that, if imposed on the offender, will 23144  
adequately fulfill the overriding principles and purposes of 23145  
sentencing, the court shall contact the department of 23146  
rehabilitation and correction and ask the department to provide 23147  
the court with the names of, contact information for, and program 23148  
details of one or more community control sanctions that are 23149  
available for persons sentenced by the court. Not later than 23150  
forty five days after receipt of a request from a court under this 23151  
division, the department shall provide the court with the names 23152  
of, contact information for, and program details of one or more 23153~~

~~community control sanctions that are available for persons 23154  
sentenced by the court, if any. Upon making a request under this 23155  
division that relates to a particular offender, a court shall 23156  
defer sentencing of that offender until it receives from the 23157  
department the names of, contact information for, and program 23158  
details of one or more community control sanctions that are 23159  
available for persons sentenced by the court or for forty five 23160  
days, whichever is the earlier. 23161~~

~~If the department provides the court with the names of, 23162  
contact information for, and program details of one or more 23163  
community control sanctions that are available for persons 23164  
sentenced by the court within the forty five day period specified 23165  
in this division, the court shall impose upon the offender a 23166  
community control sanction under division (B)(1)(a) of this 23167  
section, except that the court may impose a prison term under 23168  
division (B)(1)(b) of this section if a factor described in 23169  
division (B)(1)(b)(i) or (ii) of this section applies. If the 23170  
department does not provide the court with the names of, contact 23171  
information for, and program details of one or more community 23172  
control sanctions that are available for persons sentenced by the 23173  
court within the forty five day period specified in this division, 23174  
the court may impose upon the offender a prison term under 23175  
division (B)(1)(b)(iv) of this section. 23176~~

~~(d) A sentencing court may impose an additional penalty under 23177  
division (B) of section 2929.15 of the Revised Code upon an 23178  
offender sentenced to a community control sanction under division 23179  
(B)(1)(a) of this section if the offender violates the conditions 23180  
of the community control sanction, violates a law, or leaves the 23181  
state without the permission of the court or the offender's 23182  
probation officer. 23183~~

~~(2) If division (B)(1) of this section does not apply, except 23184  
as provided in division (E), (F), or (G) of this section, in 23185~~

determining whether to impose a prison term as a sanction for a 23186  
felony of the fourth or fifth degree, the sentencing court shall 23187  
comply with the purposes and principles of sentencing under 23188  
section 2929.11 of the Revised Code and with section 2929.12 of 23189  
the Revised Code. 23190

(C) Except as provided in division (D), (E), (F), or (G) of 23191  
this section, in determining whether to impose a prison term as a 23192  
sanction for a felony of the third degree or a felony drug offense 23193  
that is a violation of a provision of Chapter 2925. of the Revised 23194  
Code and that is specified as being subject to this division for 23195  
purposes of sentencing, the sentencing court shall comply with the 23196  
purposes and principles of sentencing under section 2929.11 of the 23197  
Revised Code and with section 2929.12 of the Revised Code. 23198

(D)(1) Except as provided in division (E) or (F) of this 23199  
section, for a felony of the first or second degree, for a felony 23200  
drug offense that is a violation of any provision of Chapter 23201  
2925., 3719., or 4729. of the Revised Code for which a presumption 23202  
in favor of a prison term is specified as being applicable, and 23203  
for a violation of division (A)(4) or (B) of section 2907.05 of 23204  
the Revised Code for which a presumption in favor of a prison term 23205  
is specified as being applicable, it is presumed that a prison 23206  
term is necessary in order to comply with the purposes and 23207  
principles of sentencing under section 2929.11 of the Revised 23208  
Code. Division (D)(2) of this section does not apply to a 23209  
presumption established under this division for a violation of 23210  
division (A)(4) of section 2907.05 of the Revised Code. 23211

(2) Notwithstanding the presumption established under 23212  
division (D)(1) of this section for the offenses listed in that 23213  
division other than a violation of division (A)(4) or (B) of 23214  
section 2907.05 of the Revised Code, the sentencing court may 23215  
impose a community control sanction or a combination of community 23216  
control sanctions instead of a prison term on an offender for a 23217

felony of the first or second degree or for a felony drug offense 23218  
that is a violation of any provision of Chapter 2925., 3719., or 23219  
4729. of the Revised Code for which a presumption in favor of a 23220  
prison term is specified as being applicable if it makes both of 23221  
the following findings: 23222

(a) A community control sanction or a combination of 23223  
community control sanctions would adequately punish the offender 23224  
and protect the public from future crime, because the applicable 23225  
factors under section 2929.12 of the Revised Code indicating a 23226  
lesser likelihood of recidivism outweigh the applicable factors 23227  
under that section indicating a greater likelihood of recidivism. 23228

(b) A community control sanction or a combination of 23229  
community control sanctions would not demean the seriousness of 23230  
the offense, because one or more factors under section 2929.12 of 23231  
the Revised Code that indicate that the offender's conduct was 23232  
less serious than conduct normally constituting the offense are 23233  
applicable, and they outweigh the applicable factors under that 23234  
section that indicate that the offender's conduct was more serious 23235  
than conduct normally constituting the offense. 23236

(E)(1) Except as provided in division (F) of this section, 23237  
for any drug offense that is a violation of any provision of 23238  
Chapter 2925. of the Revised Code and that is a felony of the 23239  
third, fourth, or fifth degree, the applicability of a presumption 23240  
under division (D) of this section in favor of a prison term or of 23241  
division (B) or (C) of this section in determining whether to 23242  
impose a prison term for the offense shall be determined as 23243  
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 23244  
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 23245  
Revised Code, whichever is applicable regarding the violation. 23246

(2) If an offender who was convicted of or pleaded guilty to 23247  
a felony violates the conditions of a community control sanction 23248  
imposed for the offense solely by reason of producing positive 23249

results on a drug test or by acting pursuant to division (B)(2)(b) 23250  
of section 2925.11 of the Revised Code with respect to a minor 23251  
drug possession offense, the court, as punishment for the 23252  
violation of the sanction, shall not order that the offender be 23253  
imprisoned unless the court determines on the record either of the 23254  
following: 23255

(a) The offender had been ordered as a sanction for the 23256  
felony to participate in a drug treatment program, in a drug 23257  
education program, or in narcotics anonymous or a similar program, 23258  
and the offender continued to use illegal drugs after a reasonable 23259  
period of participation in the program. 23260

(b) The imprisonment of the offender for the violation is 23261  
consistent with the purposes and principles of sentencing set 23262  
forth in section 2929.11 of the Revised Code. 23263

(3) A court that sentences an offender for a drug abuse 23264  
offense that is a felony of the third, fourth, or fifth degree may 23265  
require that the offender be assessed by a properly credentialed 23266  
professional within a specified period of time. The court shall 23267  
require the professional to file a written assessment of the 23268  
offender with the court. If the offender is eligible for a 23269  
community control sanction and after considering the written 23270  
assessment, the court may impose a community control sanction that 23271  
includes addiction services and recovery supports included in a 23272  
community-based continuum of care established under section 23273  
340.032 of the Revised Code. If the court imposes addiction 23274  
services and recovery supports as a community control sanction, 23275  
the court shall direct the level and type of addiction services 23276  
and recovery supports after considering the assessment and 23277  
recommendation of community addiction services providers. 23278

(F) Notwithstanding divisions (A) to (E) of this section, the 23279  
court shall impose a prison term or terms under sections 2929.02 23280  
to 2929.06, section 2929.14, section 2929.142, or section 2971.03 23281

of the Revised Code and except as specifically provided in section 23282  
2929.20, divisions (C) to (I) of section 2967.19, or section 23283  
2967.191 of the Revised Code or when parole is authorized for the 23284  
offense under section 2967.13 of the Revised Code shall not reduce 23285  
the term or terms pursuant to section 2929.20, section 2967.19, 23286  
section 2967.193, or any other provision of Chapter 2967. or 23287  
Chapter 5120. of the Revised Code for any of the following 23288  
offenses: 23289

(1) Aggravated murder when death is not imposed or murder; 23290

(2) Any rape, regardless of whether force was involved and 23291  
regardless of the age of the victim, or an attempt to commit rape 23292  
if, had the offender completed the rape that was attempted, the 23293  
offender would have been guilty of a violation of division 23294  
(A)(1)(b) of section 2907.02 of the Revised Code and would be 23295  
sentenced under section 2971.03 of the Revised Code; 23296

(3) Gross sexual imposition or sexual battery, if the victim 23297  
is less than thirteen years of age and if any of the following 23298  
applies: 23299

(a) Regarding gross sexual imposition, the offender 23300  
previously was convicted of or pleaded guilty to rape, the former 23301  
offense of felonious sexual penetration, gross sexual imposition, 23302  
or sexual battery, and the victim of the previous offense was less 23303  
than thirteen years of age; 23304

(b) Regarding gross sexual imposition, the offense was 23305  
committed on or after August 3, 2006, and evidence other than the 23306  
testimony of the victim was admitted in the case corroborating the 23307

(2) If the offender is being sentenced for a third degree 23477

offender also is convicted of or also pleads guilty to a 23483  
specification of the type described in section 2941.1413 of the 23484  
Revised Code or shall impose upon the offender a mandatory prison 23485  
term of sixty days or one hundred twenty days as specified in 23486  
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 23487

the one-, two-, three-, four-, or five-year mandatory prison term 23493  
consecutively to and prior to the prison term imposed for the 23494  
underlying offense and consecutively to any other mandatory prison 23495  
term imposed in relation to the offense. In no case shall an 23496  
offender who once has been sentenced to a mandatory term of local 23497  
incarceration pursuant to division (G)(1) of this section for a 23498  
fourth degree felony OVI offense be sentenced to another mandatory 23499  
term of local incarceration under that division for any violation 23500  
of division (A) of section 4511.19 of the Revised Code. In 23501  
addition to the mandatory prison term described in division (G)(2) 23502

of this section, the court may sentence the offender to a 23503  
community control sanction under section 2929.16 or 2929.17 of the 23504  
Revised Code, but the offender shall serve the prison term prior 23505  
to serving the community control sanction. The department of 23506  
rehabilitation and correction may place an offender sentenced to a 23507  
mandatory prison term under this division in an intensive program 23508  
prison established pursuant to section 5120.033 of the Revised 23509  
Code if the department gave the sentencing judge prior notice of 23510  
its intent to place the offender in an intensive program prison 23511  
established under that section and if the judge did not notify the 23512  
department that the judge disapproved the placement. Upon the 23513  
establishment of the initial intensive program prison pursuant to 23514  
section 5120.033 of the Revised Code that is privately operated 23515  
and managed by a contractor pursuant to a contract entered into 23516  
under section 9.06 of the Revised Code, both of the following 23517  
apply: 23518

(a) The department of rehabilitation and correction shall 23519  
make a reasonable effort to ensure that a sufficient number of 23520  
offenders sentenced to a mandatory prison term under this division 23521  
are placed in the privately operated and managed prison so that 23522  
the privately operated and managed prison has full occupancy. 23523

(b) Unless the privately operated and managed prison has full 23524  
occupancy, the department of rehabilitation and correction shall 23525  
not place any offender sentenced to a mandatory prison term under 23526  
this division in any intensive program prison established pursuant 23527  
to section 5120.033 of the Revised Code other than the privately 23528  
operated and managed prison. 23529

(H) If an offender is being sentenced for a sexually oriented 23530  
offense or child-victim oriented offense that is a felony 23531  
committed on or after January 1, 1997, the judge shall require the 23532  
offender to submit to a DNA specimen collection procedure pursuant 23533  
to section 2901.07 of the Revised Code. 23534

(I) If an offender is being sentenced for a sexually oriented offense or a child-victim oriented offense committed on or after January 1, 1997, the judge shall include in the sentence a summary of the offender's duties imposed under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and the duration of the duties. The judge shall inform the offender, at the time of sentencing, of those duties and of their duration. If required under division (A)(2) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that section, or, if required under division (A)(6) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that division.

(J)(1) Except as provided in division (J)(2) of this section, when considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit an offense in violation of section 2923.02 of the Revised Code, the sentencing court shall consider the factors applicable to the felony category of the violation of section 2923.02 of the Revised Code instead of the factors applicable to the felony category of the offense attempted.

(2) When considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section:

(1) "Community addiction services provider" has the same meaning as in section 5119.01 of the Revised Code.	23567 23568
(2) "Drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.	23569 23570
(3) "Minor drug possession offense" has the same meaning as in section 2925.11 of the Revised Code.	23571 23572
(4) "Qualifying assault offense" means a violation of section 2903.13 of the Revised Code for which the penalty provision in division (C)(8)(b) or (C)(9)(b) of that section applies.	23573 23574 23575
(L) At the time of sentencing an offender for any sexually oriented offense, if the offender is a tier III sex offender/child-victim offender relative to that offense and the offender does not serve a prison term or jail term, the court may require that the offender be monitored by means of a global positioning device. If the court requires such monitoring, the cost of monitoring shall be borne by the offender. If the offender is indigent, the cost of compliance shall be paid by the crime victims reparations fund.	23576 23577 23578 23579 23580 23581 23582 23583 23584
<b>Sec. 2929.15.</b> (A)(1) If in sentencing an offender for a felony the court is not required to impose a prison term, a mandatory prison term, or a term of life imprisonment upon the offender, the court may directly impose a sentence that consists of one or more community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the court is sentencing an offender for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, in addition to the mandatory term of local incarceration imposed under that division and the mandatory fine required by division (B)(3) of section 2929.18 of the Revised Code, the court may impose upon the offender a community control sanction or combination of community control sanctions in accordance with	23585 23586 23587 23588 23589 23590 23591 23592 23593 23594 23595 23596 23597

sections 2929.16 and 2929.17 of the Revised Code. If the court is 23598  
sentencing an offender for a third or fourth degree felony OVI 23599  
offense under division (G)(2) of section 2929.13 of the Revised 23600  
Code, in addition to the mandatory prison term or mandatory prison 23601  
term and additional prison term imposed under that division, the 23602  
court also may impose upon the offender a community control 23603  
sanction or combination of community control sanctions under 23604  
section 2929.16 or 2929.17 of the Revised Code, but the offender 23605  
shall serve all of the prison terms so imposed prior to serving 23606  
the community control sanction. 23607

The duration of all community control sanctions imposed upon 23608  
an offender under this division shall not exceed five years. If 23609  
the offender absconds or otherwise leaves the jurisdiction of the 23610  
court in which the offender resides without obtaining permission 23611  
from the court or the offender's probation officer to leave the 23612  
jurisdiction of the court, or if the offender is confined in any 23613  
institution for the commission of any offense while under a 23614  
community control sanction, the period of the community control 23615  
sanction ceases to run until the offender is brought before the 23616  
court for its further action. If the court sentences the offender 23617  
to one or more nonresidential sanctions under section 2929.17 of 23618  
the Revised Code, the court shall impose as a condition of the 23619  
nonresidential sanctions that, during the period of the sanctions, 23620  
the offender must abide by the law and must not leave the state 23621  
without the permission of the court or the offender's probation 23622  
officer. The court may impose any other conditions of release 23623  
under a community control sanction that the court considers 23624  
appropriate, including, but not limited to, requiring that the 23625  
offender not ingest or be injected with a drug of abuse and submit 23626  
to random drug testing as provided in division (D) of this section 23627  
to determine whether the offender ingested or was injected with a 23628  
drug of abuse and requiring that the results of the drug test 23629

indicate that the offender did not ingest or was not injected with a drug of abuse. 23630  
23631

(2)(a) If a court sentences an offender to any community control sanction or combination of community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, the court shall place the offender under the general control and supervision of a department of probation in the county that serves the court for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer. Alternatively, if the offender resides in another county and a county department of probation has been established in that county or that county is served by a multicounty probation department established under section 2301.27 of the Revised Code, the court may request the court of common pleas of that county to receive the offender into the general control and supervision of that county or multicounty department of probation for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer, subject to the jurisdiction of the trial judge over and with respect to the person of the offender, and to the rules governing that department of probation. 23632

division (B) or (C) of section 2301.32 of the Revised Code, or 23662  
under an entity authorized under division (B) of section 2301.27 23663  
of the Revised Code to provide probation and supervisory services 23664  
to counties for purposes of reporting to the court a violation of 23665  
any of the sanctions, any condition of release under a community 23666

(b) If the court imposing sentence upon an offender sentences 23670

2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 23673

multicounty department of probation with general control and 23682  
supervision over the offender under division (A)(2)(a) of this 23683  
section or the officer of that department who supervises the 23684  
offender, or, if there is no such department with general control 23685  
and supervision over the offender under that division, to the 23686  
adult parole authority unless the court has entered into an 23687  
agreement with the authority as described in division (B) or (C) 23688  
of section 2301.32 of the Revised Code, or to an entity authorized 23689  
under division (B) of section 2301.27 of the Revised Code to 23690

public or private person or entity that operates or administers 23692  
the sanction or the program or activity that comprises the 23693  
sanction reports the violation or departure to the county or 23694

multicounty department of probation, the adult parole authority, 23695  
or any other entity providing probation and supervisory services 23696  
to the county, the department's, authority's, or other entity's 23697  
officers may treat the offender as if the offender were on 23698  
probation and in violation of the probation, and shall report the 23699  
violation of the condition of the sanction, any condition of 23700  
release under a community control sanction imposed by the court, 23701  
the violation of law, or the departure from the state without the 23702  
required permission to the sentencing court. 23703

(3) If an offender who is eligible for community control 23704  
sanctions under this section admits to being drug addicted or the 23705  
court has reason to believe that the offender is drug addicted, 23706  
and if the offense for which the offender is being sentenced was 23707  
related to the addiction, the court may require that the offender 23708  
be assessed by a properly credentialed professional within a 23709  
specified period of time and shall require the professional to 23710  
file a written assessment of the offender with the court. If a 23711  
court imposes treatment and recovery support services as a 23712  
community control sanction, the court shall direct the level and 23713  
type of treatment and recovery support services after 23714

of sentencing, and recommendations of the professional and other 23716  
treatment and recovery support services providers. 23717

(C) If an offender, for a significant period of time, 23791  
fulfills the conditions of a sanction imposed pursuant to section 23792  
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 23793  
manner, the court may reduce the period of time under the sanction 23794  
or impose a less restrictive sanction, but the court shall not 23795  
permit the offender to violate any law or permit the offender to 23796  
leave the state without the permission of the court or the 23797  
offender's probation officer. 23798

(D)(1) If a court under division (A)(1) of this section 23799

department of probation, the adult parole authority, or any other 23802  
entity that has general control and supervision of the offender 23803  
under division (A)(2)(a) of this section may cause the offender to 23804  
submit to random drug testing performed by a laboratory or entity 23805  
that has entered into a contract with any of the governmental 23806  
entities or officers authorized to enter into a contract with that 23807  
laboratory or entity under section 341.26, 753.33, or 5120.63 of 23808  
the Revised Code. 23809

of this section has entered into a contract as specified in that 23811  
division, the department of probation, the adult parole authority, 23812  
or any other entity that has general control and supervision of 23813  
the offender under division (A)(2)(a) of this section shall cause 23814  
the offender to submit to random drug testing performed by a 23815  
reputable public laboratory to determine whether the individual 23816  
who is the subject of the drug test ingested or was injected with 23817  
a drug of abuse. 23818

(3) A laboratory or entity that has entered into a contract 23819

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of 23852

(B) The board of county commissioners shall establish a 23943  
schedule of fees by case or on an hourly basis to be paid by the 23944  
county for legal services provided by appointed counsel. Prior to 23945

the commission shall notify the board of county commissioners of 24010  
the county that the county system for paying appointed counsel has 24011  
failed to comply with its rules. Unless the board corrects the 24012  
conduct of its appointed counsel system to comply with the rules 24013  
within ninety days after the date of the notice, the state public 24014  
defender may deny all or part of the county's reimbursement from 24015  
the state provided for in this section. 24016

until it becomes part of a final decree of adoption or an 24074  
interlocutory order of adoption, the agency or attorney that 24075  
arranges an adoption for the prospective adoptive parent shall 24076  
conduct a search of the United States department of justice 24077  
national sex offender public web site regarding the prospective 24078  
adoptive parent and all persons eighteen years of age or older who 24079  
reside with the prospective adoptive parent. 24080

(B) A petition for adoption may be denied based solely on the 24081  
results of the search of the national sex offender public web 24082  
site. 24083

(C) The director of job and family services shall adopt rules 24084  
in accordance with Chapter 119. of the Revised Code necessary for 24085  
the implementation and execution of this section. 24086

**Sec. 3107.14. (A)** The petitioner and the person sought to be 24087  
adopted shall appear at the hearing on the petition, unless the 24088  
presence of either is excused by the court for good cause shown. 24089

(B) The court may continue the hearing from time to time to 24090  
permit further observation, investigation, or consideration of any 24091  
facts or circumstances affecting the granting of the petition, and 24092  
may examine the petitioners separate and apart from each other. 24093

(C) If, at the conclusion of the hearing, the court finds 24094  
that the required consents have been obtained or excused and that 24095  
the adoption is in the best interest of the person sought to be 24096  
adopted as supported by the evidence, it may issue, subject to 24097  
division (C)(1)(a) of section 2151.86, section 3107.064, and 24098  
division (E) of section 3107.09 of the Revised Code, and any other 24099  
limitations specified in this chapter, a final decree of adoption 24100

or an interlocutory order of adoption, which by its own terms 24101  
automatically becomes a final decree of adoption on a date 24102  
specified in the order, which, except as provided in division (B) 24103  
of section 3107.13 of the Revised Code, shall not be less than six 24104  
months or more than one year from the date the person to be 24105  
adopted is placed in the petitioner's home, unless sooner vacated 24106  
by the court for good cause shown. In determining whether the 24107  
adoption is in the best interest of the person sought to be 24108  
adopted, the court shall not consider the age of the petitioner if 24109  
the petitioner is old enough to adopt as provided by section 24110  
3107.03 of the Revised Code. 24111

In an interlocutory order of adoption, the court shall 24112  
provide for observation, investigation, and a further report on 24113  
the adoptive home during the interlocutory period. 24114

(D) If the requirements for a decree under division (C) of 24115  
this section have not been satisfied or the court vacates an 24116  
interlocutory order of adoption, or if the court finds that a 24117  
person sought to be adopted was placed in the home of the 24118  
petitioner in violation of law, the court shall dismiss the 24119  
petition and may determine the agency or person to have temporary 24120  
or permanent custody of the person, which may include the agency 24121  
or person that had custody prior to the filing of the petition or 24122  
the petitioner, if the court finds it is in the best interest of 24123  
the person as supported by the evidence, or if the person is a 24124  
minor, the court may certify the case to the juvenile court of the 24125  
county where the minor is then residing for appropriate action and 24126  
disposition. 24127

(E) The issuance of a final decree or interlocutory order of 24128  
adoption for an adult adoption under division (A)(4) of section 24129  
3107.02 of the Revised Code shall not disqualify that adult for 24130  
services under section 2151.82 or 2151.83 of the Revised Code. 24131

**Sec. 3109.061.** Nothing in sections 2151.233 to 2151.236 and 24132  
2301.03 of the Revised Code shall be construed to prevent a 24133  
domestic relations court from certifying a case to a juvenile 24134  
court under division (D)(2) of section 3109.04 of the Revised Code 24135  
or section 3109.06 of the Revised Code. Consent of the juvenile 24136  
court shall not be required for the certification. 24137

As used in this section, "domestic relations court" has the 24138  
same meaning as in section 2151.233 of the Revised Code. 24139

**Sec. 3119.023.** (A) At least once every four years, the 24140  
department of job and family services shall review the basic child 24141  
support schedule issued by the department pursuant to section 24142  
3119.021 of the Revised Code to determine whether child support 24143  
orders issued in accordance with that schedule and the worksheets 24144  
created under rules adopted under section 3119.022 of the Revised 24145  
Code adequately provide for the needs of children who are subject 24146  
to the child support orders. ~~The department may consider the 24147  
adequacy and appropriateness of the current schedule, whether 24148  
there are substantial and permanent changes in household 24149  
consumption and savings patterns, particularly those resulting in 24150  
substantial and permanent changes in the per cent of total 24151  
household expenditures on children, and whether there have been 24152  
substantial and permanent changes to the federal and state income 24153  
tax code other than inflationary adjustments to such things as the 24154  
exemption amount and income tax brackets, and other factors when 24155  
conducting its review.~~ The review is in addition to, and 24156  
independent of, any schedule update completed as set forth in 24157  
section 3119.021 of the Revised Code. The department shall prepare 24158  
a report of its review and include recommendations for statutory 24159  
changes, and submit a copy of the report to both houses of the 24160  
general assembly. 24161

(B) Each review shall include all of the following: 24162

<u>(2) Analysis of all of the following, to be used to ensure that deviations from the basic child support schedule are limited and that support amounts are appropriate based on criteria established under division (G) of section 3119.05 of the Revised Code:</u>	24173 24174 24175 24176 24177
<u>(a) Case data on the application of and deviations from the basic child support schedule, as gathered through sampling or other methods;</u>	24178 24179 24180
<u>(b) Rates of default, child support orders with imputed income, and orders determined using low-income adjustments such as a self-support reserve or another method as determined by the state;</u>	24181 24182 24183 24184
<u>(c) A comparison of payments on child support orders by case characteristics, including whether the order was entered by default, based on imputed income, or determined using the low-income adjustment, as described in division (B)(2)(b) of this section.</u>	24185 24186 24187 24188 24189
<u>(3) Meaningful opportunity for public input, including input from low-income custodial and noncustodial parents and their representatives.</u>	24190 24191 24192

(C) For each review, the department shall establish a child support guideline advisory council to assist the department in the completion of its reviews and reports. Each council shall be composed of:	24193 24194 24195 24196
(1) Obligors;	24197

<u>(4) The date of the next review.</u>	24223
<u>(F)</u> The advisory council shall cease to exist at the time	24224
that the department submits its review to the general assembly	24225
under this section.	24226
<del>(E)</del> <u>(G)</u> Any expenses incurred by an advisory council shall be	24227
paid by the department.	24228
<b>Sec. 3119.05.</b> When a court computes the amount of child	24229
support required to be paid under a court child support order or a	24230
child support enforcement agency computes the amount of child	24231
support to be paid pursuant to an administrative child support	24232
order, all of the following apply:	24233
(A) The parents' current and past income and personal	24234
earnings shall be verified by electronic means or with suitable	24235
documents, including, but not limited to, paystubs, employer	24236
statements, receipts and expense vouchers related to	24237
self-generated income, tax returns, and all supporting	24238
documentation and schedules for the tax returns.	24239
(B) The annual amount of any court-ordered spousal support	24240
actually paid, excluding any ordered payment on arrears, shall be	24241
deducted from the annual income of that parent to the extent that	24242
payment of that court-ordered spousal support is verified by	24243
supporting documentation.	24244
(C) The court or agency shall adjust the amount of child	24245
support paid by a parent to give credit for children not included	24246
in the current calculation. When calculating the adjusted amount,	24247
the court or agency shall use the schedule and do the following:	24248
(1) Determine the amount of child support that each parent	24249
would be ordered to pay for all children for whom the parent has	24250
the legal duty to support, according to each parent's annual	24251

income. If the number of children subject to the order is greater than six, multiply the amount for three children in accordance with division (C)(4) of this section to determine the amount of child support.

(2) Compute a child support credit amount for each parent's children who are not subject to this order by dividing the amount determined in division (C)(1) of this section by the total number of children whom the parent is obligated to support and multiplying that number by the number of the parent's children who are not subject to this order.

(3) Determine the adjusted income of the parents by subtracting the credit for minor children not subject to this order computed under division (C)(2) of this section, from the annual income of each parent for the children each has a duty to support that are not subject to this order.

(4) If the number of children is greater than six, multiply the amount for three children by:

- (a) 1.440 for seven children;
- (b) 1.540 for eight children;
- (c) 1.638 for nine children;
- (d) 1.734 for ten children;
- (e) 1.827 for eleven children;
- (f) 1.919 for twelve children;
- (g) 2.008 for thirteen children;
- (h) 2.096 for fourteen children;
- (i) 2.182 for more than fourteen children.

(D) When the court or agency calculates the annual income of a parent, it shall include the lesser of the following as income from overtime and bonuses:

(1) The yearly average of all overtime, commissions, and bonuses received during the three years immediately prior to the time when the person's child support obligation is being computed;	24281 24282 24283
(2) The total overtime, commissions, and bonuses received during the year immediately prior to the time when the person's child support obligation is being computed.	24284 24285 24286
(E) When the court or agency calculates the annual income of a parent, it shall not include any income earned by the spouse of that parent.	24287 24288 24289
(F) The court shall issue a separate medical support order for extraordinary medical expenses, including orthodontia, dental, optical, and psychological services.	24290 24291 24292
If the court makes an order for payment of private education, and other appropriate expenses, it shall do so by issuing a separate order.	24293 24294 24295
The court may consider these expenses in adjusting a child support order.	24296 24297
(G) When a court or agency calculates the amount of child support to be paid pursuant to a court child support order or an administrative child support order, the following shall apply:	24298 24299 24300
(1) The court or agency shall apply the basic child support schedule to the parents' combined annual incomes and to each parent's individual income.	24301 24302 24303
(2) If the combined annual income of both parents or the individual annual income of a parent is an amount that is between two amounts set forth in the first column of the schedule, the court or agency may use the basic child support obligation that corresponds to the higher of the two amounts in the first column of the schedule, use the basic child support obligation that corresponds to the lower of the two amounts in the first column of	24304 24305 24306 24307 24308 24309 24310

the schedule, or calculate a basic child support obligation that 24311  
is between those two amounts and corresponds proportionally to the 24312  
parents' actual combined annual income or the individual parent's 24313  
annual income. 24314

(3) If the annual individual income of either or both of the 24315  
parents is within the self-sufficiency reserve in the basic child 24316  
support schedule, the court or agency shall do both of the 24317  
following: 24318

(a) Calculate the basic child support obligation for the 24319  
parents using the schedule amount applicable to the combined 24320  
annual income and the schedule amount applicable to the income in 24321  
the self-sufficiency reserve; 24322

(b) Determine the lesser of the following amounts to be the 24323  
applicable basic child support obligation: 24324

(i) The amount that results from using the combined annual 24325  
income of the parents not in the self-sufficiency reserve of the 24326  
schedule; or 24327

(ii) The amount that results from using the individual 24328  
parent's income within the self-sufficiency reserve of the 24329  
schedule. 24330

(H) When the court or agency calculates annual income, the 24331  
court or agency, when appropriate, may average income over a 24332  
reasonable period of years. 24333

(I) Unless it would be unjust or inappropriate and therefore 24334  
not in the best interests of the child, a court or agency shall 24335  
not determine a parent to be voluntarily unemployed or 24336  
underemployed and shall not impute income to that parent if any of 24337  
the following conditions exist: 24338

(1) The parent is receiving recurring monetary income from 24339  
means-tested public assistance benefits, including cash assistance 24340

payments under the Ohio works first program established under 24341  
Chapter 5107. of the Revised Code, general assistance under former 24342  
Chapter 5113. of the Revised Code, supplemental security income, 24343  
or means-tested veterans' benefits; 24344

(2) The parent is approved for social security disability 24345  
insurance benefits because of a mental or physical disability, or 24346  
the court or agency determines that the parent is unable to work 24347  
based on medical documentation that includes a physician's 24348  
diagnosis and a physician's opinion regarding the parent's mental 24349  
or physical disability and inability to work. 24350

(3) The parent has proven that the parent has made continuous 24351  
and diligent efforts without success to find and accept 24352  
employment, including temporary employment, part-time employment, 24353  
or employment at less than the parent's previous salary or wage. 24354

(4) The parent is complying with court-ordered family 24355  
reunification efforts in a child abuse, neglect, or dependency 24356  
proceeding, to the extent that compliance with those efforts 24357  
limits the parent's ability to earn income. 24358

(5) The parent is ~~incarcerated or~~ institutionalized for a 24359  
period of twelve months or more with no other available income or 24360  
~~assets, unless the parent is incarcerated for an offense relating~~ 24361  
~~to the abuse or neglect of a child who is the subject of the~~ 24362  
~~support order or an offense under Title XXIX of the Revised Code~~ 24363  
~~against the obligee or a child who is the subject of the support~~ 24364  
~~order.~~ 24365

(J) When a court or agency calculates the income of a parent, 24366  
it shall not determine a parent to be voluntarily unemployed or 24367  
underemployed and shall not impute income to that parent if the 24368  
parent is incarcerated. 24369

(K) When a court or agency requires a parent to pay an amount 24370  
for that parent's failure to support a child for a period of time 24371

prior to the date the court modifies or issues a court child support order or an agency modifies or issues an administrative child support order for the current support of the child, the court or agency shall calculate that amount using the basic child support schedule, worksheets, and child support laws in effect, and the incomes of the parents as they existed, for that prior period of time.

~~(K)~~(L) A court or agency may disregard a parent's additional income from overtime or additional employment when the court or agency finds that the additional income was generated primarily to support a new or additional family member or members, or under other appropriate circumstances.

~~(I)~~(M) If both parents involved in the immediate child support determination have a prior order for support relative to a minor child or children born to both parents, the court or agency shall collect information about the existing order or orders and consider those together with the current calculation for support to ensure that the total of all orders for all children of the parties does not exceed the amount that would have been ordered if all children were addressed in a single judicial or administrative proceeding.

~~(M)~~(N) A support obligation of a parent with annual income subject to the self-sufficiency reserve of the basic child support schedule shall not exceed the support obligation that would result from application of the schedule without the reserve.

~~(N)~~(O) Any non-means tested benefit received by the child or children subject to the order resulting from the claims of either parent shall be deducted from that parent's annual child support obligation after all other adjustments have been made. If that non-means tested benefit exceeds the child support obligation of the parent from whose claim the benefit is realized, the child support obligation for that parent shall be zero.

~~(O)~~(P) As part of the child support calculation, the parents shall be ordered to share the costs of child care. Subject to the limitations in this division, a child support obligor shall pay an amount equal to the obligor's income share of the child care cost incurred for the child or children subject to the order.

(1) The child care cost used in the calculation:

(a) Shall be for the child determined to be necessary to allow a parent to work, or for activities related to employment training;

(b) Shall be verifiable by credible evidence as determined by a court or child support enforcement agency;

(c) Shall exclude any reimbursed or subsidized child care cost, including any state or federal tax credit for child care available to the parent or caretaker, whether or not claimed;

(d) Shall not exceed the maximum state-wide average cost estimate ~~issued by the department of job and family services, using the data collected and reported as required in section 5104.04 of the Revised Code~~ determined in accordance with 45 C.F.R. 98.45.

(2) When the annual income of the obligor is subject to the self-sufficiency reserve of the basic support schedule, the share of the child care cost paid by the obligor shall be equal to the lower of the obligor's income share of the child care cost, or fifty per cent of the child care cost.

(O) As used in this section, a parent is considered "incarcerated" if the parent is confined under a sentence imposed for an offense or serving a term of imprisonment, jail, or local incarceration, or other term under a sentence imposed by a government entity authorized to order such confinement.

**Sec. 3119.30.** (A) In any action or proceeding in which a 24559  
child support order is issued or modified, the court, with respect 24560  
to court child support orders, and the child support enforcement 24561  
agency, with respect to administrative child support orders, shall 24562  
determine the person or persons responsible for the health care 24563  
coverage of the children subject to the child support order and 24564  
shall include provisions for the health care coverage of the 24565  
children in the child support order. The order shall specify that 24566  
the obligor and obligee are both liable for the health care 24567  
expenses for the children who are not covered by private health 24568  
insurance according to a formula established by each court, with 24569  
respect to a court child support order, or each child support 24570  
enforcement agency, with respect to an administrative child 24571  
support order. 24572

(B) The child support obligee is rebuttably presumed to be 24573  
the appropriate parent to provide health insurance coverage for 24574  
the children subject to the child support order. The order shall 24575  
specify that the obligee must provide the health insurance 24576  
coverage unless rebutted pursuant to division (B)(1) of this 24577  
section. 24578

(1) The court or child support enforcement agency may 24579  
consider the following factors to rebut the presumption when 24580  
determining if the child support obligor is the appropriate parent 24581  
to provide health insurance coverage: 24582

(a) The obligor already has health insurance coverage for the 24583  
child that is reasonable in cost; 24584

(b) The obligor already has health insurance coverage in 24585

place for the child that is not reasonable in cost, but the 24586  
obligor wishes to be named the health insurance obligor and 24587  
provide coverage under division (A)(2)(a) of section 3119.302 of 24588  
the Revised Code; 24589

(c) The obligor can obtain health insurance coverage for the 24590  
child that is reasonable in cost through an employer or other 24591  
source. For employer-based coverage, the court or child support 24592  
enforcement agency shall consider the length of time the obligor 24593  
has worked with the employer and the stability of the insurance. 24594

(d) The obligee is a non-parent individual or agency that has 24595  
no duty to provide medical support. 24596

(2) If ~~private~~ health insurance coverage for the children is 24597  
not available at a reasonable cost to the obligor or the obligee 24598  
at the time the court or agency issues the order, the order shall 24599  
include a requirement that the obligee obtain ~~private~~ health 24600  
~~insurance~~ care coverage for the children not later than thirty 24601  
days after it becomes available to the obligee at a reasonable 24602  
cost, and to inform the child support enforcement agency when 24603  
~~private~~ health ~~insurance~~ care coverage for the children has been 24604  
obtained. 24605

(3) If ~~private~~ health insurance coverage becomes available to 24606  
the obligor at a reasonable cost, the obligor shall inform the 24607  
child support enforcement agency and may seek a modification of 24608  
health ~~insurance~~ care coverage from the court with respect to a 24609  
court child support order, or from the agency with respect to an 24610  
administrative support order. 24611

(C) When a child support order is issued or modified, the 24612  
order shall include a cash medical support amount consistent with 24613  
division (B) of section 3119.302 of the Revised Code for each 24614  
child subject to the order. The cash medical support amount shall 24615  
be ordered based on the number of children subject to the order 24616

and split between the parties using the parents' income share. 24617

(D) Any cash medical support paid pursuant to division (C) of 24618  
this section shall be paid through the department of job and 24619  
family services by the obligor to either the obligee if the 24620  
children are not medicaid recipients, or to the department of 24621  
medicaid when a medicaid assignment is in effect for any child 24622  
under the support order. 24623

(E) The cost of providing health insurance coverage for a 24624  
child subject to an order shall be defrayed by a credit against 24625  
that parent's annual income when calculating support as required 24626  
under section 3119.02 of the Revised Code using the basic child 24627  
support schedule and applicable worksheet. The credit shall be 24628  
equal to the total actual out-of-pocket cost for health insurance 24629  
premiums for the coverage. Any credit given will be less any 24630  
subsidy, including a premium tax credit or cost-sharing reduction 24631  
received by the parent providing coverage. 24632

(F) Both parents may be ordered to provide health care 24633  
coverage and pay cash medical support if the obligee is a 24634  
nonparent individual or agency that has no duty to provide medical 24635  
support. 24636

**Sec. 3119.302.** (A) When the court, with respect to a court 24637  
child support order, or the child support enforcement agency, with 24638  
respect to an administrative child support order, determines the 24639  
person or persons responsible for the health care coverage of the 24640  
children subject to the order pursuant to section 3119.30 of the 24641  
Revised Code, all of the following apply: 24642

(1) The court or agency shall consider any ~~private~~ health 24643  
insurance coverage in which the obligor, obligee, or children, are 24644  
enrolled at the time the court or agency issues the order. 24645

(2) If the cost of ~~private~~ health insurance coverage to 24646

either parent exceeds a reasonable cost, that parent shall not be 24647  
ordered to provide ~~private~~ health insurance coverage for the child 24648  
except as follows: 24649

(a) When the parent requests to obtain or maintain the 24650  
~~private~~ health insurance coverage that exceeds a reasonable cost; 24651

(b) When the court determines that it is in the best interest 24652  
of the children for a parent to obtain and maintain ~~private~~ health 24653  
insurance coverage that exceeds a reasonable cost and the cost 24654  
will not impose an undue financial burden on either parent. If the 24655  
court makes such a determination, the court must include the facts 24656  
and circumstances of the determination in the child support order. 24657

(3) If ~~private~~ health insurance coverage is available at a 24658  
reasonable cost to either parent through a group policy, contract, 24659  
or plan, and the court determines that it is not in the best 24660  
interest of the children to utilize the available ~~private~~ health 24661  
insurance coverage, the court shall state the facts and 24662  
circumstances of the determination in the child support order. 24663

(4) Notwithstanding division ~~(C)~~(B) of section 3119.29 of the 24664  
Revised Code, the court or agency may do either of the following: 24665

(a) Permit primary care services to be farther than thirty 24666  
miles if residents in part or all of the immediate geographic area 24667  
customarily travel farther distances ; 24668

(b) Require primary care services be accessible by public 24669  
transportation if public transportation is the obligee's only 24670  
source of transportation. 24671

If the court or agency makes either accessibility 24672  
determination, it shall include this accessibility determination 24673  
in the child support order. 24674

(B) The director of job and family services shall 24675  
periodically update the amount of the cash medical support 24676

obligation to be paid pursuant to division (C) of section 3119.30 24677  
of the Revised Code. The updates shall be made in consideration of 24678  
the medical expenditure panel survey, conducted by the United 24679  
States department of health and human services for health care 24680  
research and quality. The amount shall be based on the most recent 24681  
survey year data available and shall be calculated by multiplying 24682  
the total amount expended for health services for children by the 24683  
percentage that is out-of-pocket divided by the number of 24684  
individuals less than eighteen years of age that have any private 24685  
insurance. 24686

**Sec. 3119.31.** In any action or proceeding in which a court or 24687  
child support enforcement agency is determining the person 24688  
responsible for the health care coverage of the children who are 24689  
or will be the subject of a child support order, each party shall 24690  
provide to the court or child support enforcement agency a list of 24691  
any group health insurance policies, contracts, or plans available 24692  
to the party and the cost ~~for self only and family~~ of coverage 24693  
under the available policies, contracts, or plans. 24694

**Sec. 3119.32.** A child support order shall contain all of the 24695  
following: 24696

(A)(1) If the obligor, obligee, or both obligor and obligee, 24697

requirement that whoever is required to provide ~~private health~~ 24700  
~~insurance~~ care coverage provide to the other, not later than 24701  
thirty days after the issuance of the order, information regarding 24702  
the benefits, limitations, and exclusions of the coverage, copies 24703  
of any ~~insurance~~ forms necessary to receive reimbursement, 24704  
payment, or other benefits under the coverage, and a copy of any 24705  
necessary ~~insurance cards~~ proof of coverage; 24706

(F) A statement setting forth the full name and date of birth

of each child who is the subject of the child support order. 24738

(G) A notice that states the following: "If the person 24739

section 3119.34 of the Revised Code, which may result in the 24743  
issuance of a notice requiring the new employer to take whatever 24744  
action is necessary to enroll the children in private health care 24745  
insurance coverage provided by the new employer, when insurance is 24746

submitted pursuant to this division available in such a way that 24825  
allows for comparison between financial information included in 24826  
these reports and financial information included in reports 24827  
produced prior to July 1, 2013. The department shall post these 24828  
reports in a prominent location on its web site and shall notify 24829

boards of education, educational service center governing boards, 24836  
treasurers of such boards, teachers, and other school officers and 24837  
employees, or other public officers or employees, to file with it 24838

(D)(1) Wherever in Titles IX, XXIII, XXIX, XXXIII, XXXVII, 24841  
XLVII, and LI of the Revised Code a reference is made to standards 24842  
prescribed under this section or division (D) of this section, 24843  
that reference shall be construed to refer to the standards 24844  
prescribed under division (D)(2) of this section, unless the 24845  
context specifically indicates a different meaning or intent. 24846

(2) The state board shall formulate and prescribe minimum 24847  
standards to be applied to all elementary and secondary schools in 24848  
this state for the purpose of providing children access to a 24849  
general education of high quality according to the learning needs 24850  
of each individual, including students with disabilities, 24851  
economically disadvantaged students, ~~limited English proficient~~ 24852  
~~students~~ learners, and students identified as gifted. Such 24853  
standards shall provide adequately for: the licensing of teachers, 24854  
administrators, and other professional personnel and their 24855

facilities; the proper organization, administration, and 24858  
supervision of each school, including regulations for preparing 24859  
all necessary records and reports and the preparation of a 24860  
statement of policies and objectives for each school; the 24861  
provision of safe buildings, grounds, health and sanitary 24862

facilities and services; admission of pupils, and such 24863  
requirements for their promotion from grade to grade as will 24864  
assure that they are capable and prepared for the level of study 24865  
to which they are certified; requirements for graduation; and such 24866  
other factors as the board finds necessary. 24867

The state board shall base any standards governing the 24868  
promotion of students or requirements for graduation on the 24869  
ability of students, at any grade level, to earn credits or 24870  
advance upon demonstration of mastery of knowledge and skills 24871  
through competency-based learning models. Credits of grade level 24872  
advancement shall not require a minimum number of days or hours in 24873  
a classroom. 24874

The state board shall base any standards governing the 24875  
assignment of staff on ensuring each school has a sufficient 24876  
number of teachers to ensure a student has an appropriate level of 24877  
interaction to meet each student's personal learning goals. 24878

In the formulation and administration of such standards for 24879  
nonpublic schools the board shall also consider the particular 24880  
needs, methods and objectives of those schools, provided they do 24881  
not conflict with the provision of a general education of a high 24882  
quality and provided that regular procedures shall be followed for 24883  
promotion from grade to grade of pupils who have met the 24884  
educational requirements prescribed. 24885

(3) In addition to the minimum standards required by division 24886  
(D)(2) of this section, the state board may formulate and 24887  
prescribe the following additional minimum operating standards for 24888  
school districts: 24889

(a) Standards for the effective and efficient organization, 24890  
administration, and supervision of each school district with a 24891  
commitment to high expectations for every student based on the 24892  
learning needs of each individual, including students with 24893

disabilities, economically disadvantaged students, ~~limited English~~ 24894  
~~proficient students~~ learners, and students identified as gifted, 24895  
and commitment to closing the achievement gap without suppressing 24896  
the achievement levels of higher achieving students so that all 24897  
students achieve core knowledge and skills in accordance with the 24898  
statewide academic standards adopted under section 3301.079 of the 24899  
Revised Code; 24900

(b) Standards for the establishment of business advisory 24901  
councils under section 3313.82 of the Revised Code; 24902

(c) Standards for school district buildings that may require 24903  
the effective and efficient organization, administration, and 24904  
supervision of each school district building with a commitment to 24905  
high expectations for every student based on the learning needs of 24906  
each individual, including students with disabilities, 24907  
economically disadvantaged students, ~~limited English proficient~~ 24908  
~~students~~ learners, and students identified as gifted, and 24909  
commitment to closing the achievement gap without suppressing the 24910  
achievement levels of higher achieving students so that all 24911

for whom no appropriate accommodations are available based on 25292  
guidance issued by the department shall not be required to take 25293  
the assessment prescribed under division (B)(1) of section 25294  
3301.0712 of the Revised Code. 25295

(b) Any ~~limited English proficient student learner~~ who has 25296  
been enrolled in United States schools for less than one full 25297  
school year shall not be required to take any reading, writing, or 25298

English language arts assessment. 25299

However, no board shall prohibit ~~a limited~~ an English 25300  
~~proficient student learner~~ who is not required to take an 25301  
assessment under division (C)(3) of this section from taking the 25302  
assessment. A board may permit any ~~limited~~ English ~~proficient~~ 25303  
~~student learner~~ to take an assessment required to be administered 25304  
under this section with appropriate accommodations, as determined 25305  
by the department. For each ~~limited~~ English ~~proficient student~~ 25306  
learner, each school district shall annually assess that student's 25307  
progress in learning English, in accordance with procedures 25308  
approved by the department. 25309

(4)(a) The governing authority of a chartered nonpublic 25310  
school may excuse ~~a limited~~ an English ~~proficient student learner~~ 25311  
from taking any assessment administered under this section. 25312

(b) No governing authority shall require ~~a limited~~ an English 25313  
~~proficient student learner~~ who has been enrolled in United States 25314  
schools for less than two years and for whom no appropriate 25315  
accommodations are available based on guidance issued by the 25316  
department to take the assessment prescribed under division (B)(1) 25317  
of section 3301.0712 of the Revised Code. 25318

(c) No governing authority shall prohibit ~~a limited~~ an 25319  
English ~~proficient student learner~~ from taking an assessment from 25320  
which the student was excused under division (C)(4) of this 25321  
section. 25322

(D)(1) In the school year next succeeding the school year in 25323  
which the assessments prescribed by division (A)(1) or (B)(1) of 25324  
section 3301.0710 of the Revised Code or former division (A)(1), 25325  
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 25326  
existed prior to September 11, 2001, are administered to any 25327  
student, the board of education of any school district in which 25328  
the student is enrolled in that year shall provide to the student 25329

intervention services commensurate with the student's performance, 25330  
including any intensive intervention required under section 25331  
3313.608 of the Revised Code, in any skill in which the student 25332  
failed to demonstrate at least a score at the proficient level on 25333  
the assessment. 25334

(2) Following any administration of the assessments 25335  
prescribed by division (D) of section 3301.0710 of the Revised 25336  
Code to ninth grade students, each school district that has a 25337  
three-year average graduation rate of not more than seventy-five 25338  
per cent shall determine for each high school in the district 25339  
whether the school shall be required to provide intervention 25340  
services to any students who took the assessments. In determining 25341  
which high schools shall provide intervention services based on 25342  
the resources available, the district shall consider each school's 25343  
graduation rate and scores on the practice assessments. The 25344  
district also shall consider the scores received by ninth grade 25345  
students on the English language arts and mathematics assessments 25346  
prescribed under division (A)(1)(f) of section 3301.0710 of the 25347  
Revised Code in the eighth grade in determining which high schools 25348  
shall provide intervention services. 25349

Each high school selected to provide intervention services 25350  
under this division shall provide intervention services to any 25351  
student whose results indicate that the student is failing to make 25352  
satisfactory progress toward being able to attain scores at the 25353  
proficient level on the Ohio graduation tests. Intervention 25354  
services shall be provided in any skill in which a student 25355  
demonstrates unsatisfactory progress and shall be commensurate 25356  
with the student's performance. Schools shall provide the 25357  
intervention services prior to the end of the school year, during 25358  
the summer following the ninth grade, in the next succeeding 25359  
school year, or at any combination of those times. 25360

(E) Except as provided in section 3313.608 of the Revised 25361

Code and division (N) of this section, no school district board of education shall utilize any student's failure to attain a specified score on an assessment administered under this section as a factor in any decision to deny the student promotion to a higher grade level. However, a district board may choose not to promote to the next grade level any student who does not take an assessment administered under this section or make up an assessment as provided by division (C)(2) of this section and who is not exempt from the requirement to take the assessment under division (C)(3) of this section.

(F) No person shall be charged a fee for taking any assessment administered under this section.

(G)(1) Each school district board shall designate one location for the collection of assessments administered in the spring under division (B)(1) of this section and those administered under divisions (B)(2) to (7) of this section. Each district board shall submit the assessments to the entity with which the department contracts for the scoring of the assessments as follows:

(a) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was less than two thousand five hundred, not later than the Friday after all of the assessments have been administered;

(b) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was two thousand five hundred or more, but less than seven thousand, not later than the Monday after all of the assessments have been administered;

(c) If the district's total enrollment in grades kindergarten through twelve during the first full school week of October was seven thousand or more, not later than the Tuesday after all of

the assessments have been administered. 25393

However, any assessment that a student takes during the 25394  
make-up period described in division (C)(2) of this section shall 25395  
be submitted not later than the Friday following the day the 25396  
student takes the assessment. 25397

(2) The department or an entity with which the department 25398  
contracts for the scoring of the assessment shall send to each 25399  
school district board a list of the individual scores of all 25400  
persons taking a state achievement assessment as follows: 25401

(a) Except as provided in division (G)(2)(b) or (c) of this 25402  
section, within forty-five days after the administration of the 25403  
assessments prescribed by sections 3301.0710 and 3301.0712 of the 25404  
Revised Code, but in no case shall the scores be returned later 25405  
than the thirtieth day of June following the administration; 25406

(b) In the case of the third-grade English language arts 25407  
assessment, within forty-five days after the administration of 25408  
that assessment, but in no case shall the scores be returned later 25409  
than the fifteenth day of June following the administration; 25410

(c) In the case of the writing component of an assessment or 25411  
end-of-course examination in the area of English language arts, 25412  
except for the third-grade English language arts assessment, the 25413  
results may be sent after forty-five days of the administration of 25414  
the writing component, but in no case shall the scores be returned 25415  
later than the thirtieth day of June following the administration. 25416

(3) For assessments administered under this section by a 25417  
joint vocational school district, the department or entity shall 25418  
also send to each city, local, or exempted village school district 25419  
a list of the individual scores of any students of such city, 25420  
local, or exempted village school district who are attending 25421  
school in the joint vocational school district. 25422

(4) Beginning with the 2019-2020 school year, a school 25423

district, other public school, or chartered nonpublic school may 25424  
administer the third-grade English language arts or mathematics 25425  
assessment, or both, in a paper format in any school year for 25426  
which the district board of education or school governing body 25427  
adopts a resolution indicating that the district or school chooses 25428  
to administer the assessment in a paper format. The board or 25429  
governing body shall submit a copy of the resolution to the 25430  
department of education not later than the first day of May prior 25431  
to the school year for which it will apply. If the resolution is 25432  
submitted, the district or school shall administer the assessment 25433  
in a paper format to all students in the third grade, except that 25434  
any student whose individualized education program or plan 25435  
developed under section 504 of the "Rehabilitation Act of 1973," 25436  
87 Stat. 355, 29 U.S.C. 794, as amended, specifies that taking the 25437  
assessment in an online format is an appropriate accommodation for 25438  
the student may take the assessment in an online format. 25439

(H) Individual scores on any assessments administered under 25440  
this section shall be released by a district board only in 25441  
accordance with section 3319.321 of the Revised Code and the rules 25442  
adopted under division (A) of this section. No district board or 25443  
its employees shall utilize individual or aggregate results in any 25444  
manner that conflicts with rules for the ethical use of 25445  
assessments adopted pursuant to division (A) of this section. 25446

(I) Except as provided in division (G) of this section, the 25447  
department or an entity with which the department contracts for 25448  
the scoring of the assessment shall not release any individual 25449  
scores on any assessment administered under this section. The 25450  
state board shall adopt rules to ensure the protection of student 25451  
confidentiality at all times. The rules may require the use of the 25452  
data verification codes assigned to students pursuant to division 25453  
(D)(2) of section 3301.0714 of the Revised Code to protect the 25454  
confidentiality of student scores. 25455

(J) Notwithstanding division (D) of section 3311.52 of the Revised Code, this section does not apply to the board of education of any cooperative education school district except as provided under rules adopted pursuant to this division.

(1) In accordance with rules that the state board shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to divisions (A) to (C) of section 3311.52 of the Revised Code may enter into an agreement with the board of education of the cooperative education school district for administering any assessment prescribed under this section to students of the city, exempted village, or local school district who are attending school in the cooperative education school district.

(2) In accordance with rules that the state board shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to section 3311.521 of the Revised Code shall enter into an agreement with the cooperative district that provides for the administration of any assessment prescribed under this section to both of the following:

(a) Students who are attending school in the cooperative district and who, if the cooperative district were not established, would be entitled to attend school in the city, local, or exempted village school district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(b) Persons described in division (B)(8)(b) of this section.

Any assessment of students pursuant to such an agreement shall be in lieu of any assessment of such students or persons pursuant to this section.

(K)(1)(a) Except as otherwise provided in division (K)(1) or

(2) of this section, each chartered nonpublic school for which at least sixty-five per cent of its total enrollment is made up of students who are participating in state scholarship programs shall administer the ~~elementary~~ assessments prescribed by division (A) of section 3301.0710 of the Revised Code or an alternative standardized assessment determined by the department. In accordance with procedures and deadlines prescribed by the department, the parent or guardian of a student enrolled in the school who is not participating in a state scholarship program may submit notice to the chief administrative officer of the school that the parent or guardian does not wish to have the student take the ~~elementary~~ assessments prescribed for the student's grade level under division (A) of section 3301.0710 of the Revised Code. If a parent or guardian submits an opt-out notice, the school shall not administer the assessments to that student. This option does not apply to any assessment required for a high school diploma under section 3313.612 of the Revised Code.

(b) Any chartered nonpublic school that enrolls students who are participating in state scholarship programs may administer an alternative standardized assessment determined by the department instead of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

Each chartered nonpublic school subject to division (K)(1)(a) or (b) of this section shall report the results of each assessment administered under those divisions to the department.

(2) A chartered nonpublic school may submit to the superintendent of public instruction a request for a waiver from administering the elementary assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The state superintendent shall approve or disapprove a request for a waiver submitted under division (K)(2) of this section. No waiver shall be approved for any school year prior to the 2015-2016 school

year. 25519

To be eligible to submit a request for a waiver, a chartered nonpublic school shall meet the following conditions: 25520

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychiatrist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome. 25521

(b) The school has solely served a student population described in division (K)(1)(a) of this section for at least ten years. 25522

(c) The school provides to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including diagnostic assessments and nationally standardized norm-referenced achievement assessments that measure reading and math skills. 25523

(3) Any chartered nonpublic school that is not subject to division (K)(1) of this section may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The chief administrator of the school shall specify which assessments the school will administer. Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which assessments are administered and shall include a pledge that the nonpublic school will administer the specified assessments in the same manner as 25524

adopted by the department. 25551

(4) The department of education shall furnish the assessments 25552  
prescribed by section 3301.0710 of the Revised Code to each 25553  
chartered nonpublic school that is subject to division (K)(1) of 25554  
this section or participates under division (K)(3) of this 25555  
section. 25556

(L) If a chartered nonpublic school is educating students in 25557  
grades nine through twelve, the following shall apply: 25558

(1) Except as provided in division (L)(4) of this section, 25559

Revised Code or take an alternative assessment approved by the 25565  
department under section 3313.619 of the Revised Code. However, a 25566  
student who is excused from taking an assessment under division 25567  
(C) of this section or has presented evidence to the chartered 25568  
nonpublic school of having satisfied the condition prescribed by 25569  
division (A)(1) of section 3313.618 of the Revised Code to qualify 25570  
for a high school diploma prior to the date of the administration 25571  
of the assessment prescribed under division (B)(1) of section 25572  
3301.0712 of the Revised Code shall not be required to take that 25573  
assessment. No governing authority of a chartered nonpublic school 25574  
shall prohibit a student who is not required to take such 25575  
assessment from taking the assessment. 25576

(2) For a student who is enrolled in a chartered nonpublic 25577  
school that is accredited through the independent schools 25578  
association of the central states, and who is not attending the 25579  
school under a state scholarship program, the student shall not be 25580  
required to take any assessment prescribed under section 3301.0712 25581

or 3313.619 of the Revised Code. 25582

(3)(a) Except as provided in divisions (L)(3)(b) and (4) of 25583  
this section, for a student who is enrolled in a chartered 25584  
nonpublic school that is not accredited through the independent 25585  
schools association of the central states, regardless of whether 25586  
the student is attending or is not attending the school under a 25587  
state scholarship program, the student shall do one of the 25588  
following: 25589

(i) Take all of the assessments prescribed by division (B) of 25590  
section 3301.0712 of the Revised Code; 25591

(ii) Take only the assessment prescribed by division (B)(1) 25592  
of section 3301.0712 of the Revised Code, provided that the 25593  
student's school publishes the results of that assessment for each 25594  
graduating class. The published results of that assessment shall 25595  
include the overall composite scores, mean scores, twenty-fifth 25596  
percentile scores, and seventy-fifth percentile scores for each 25597  
subject area of the assessment. 25598

(iii) Take an alternative assessment approved by the 25599  
department under section 3313.619 of the Revised Code. 25600

(b) A student who is excused from taking an assessment under 25601  
division (C) of this section or has presented evidence to the 25602  
chartered nonpublic school of having satisfied the condition 25603  
prescribed by division (A)(1) of section 3313.618 of the Revised 25604  
Code to qualify for a high school diploma prior to the date of the 25605

(4) The assessments prescribed by sections 3301.0712 and 25611  
3313.619 of the Revised Code shall not be administered to any 25612

student attending the school, if the school meets all of the 25613  
following conditions: 25614

(a) At least ninety-five per cent of the students enrolled in 25615  
the school are children with disabilities, as defined under 25616  
section 3323.01 of the Revised Code, or have received a diagnosis 25617  
by a school district or from a physician, including a 25618  
neuropsychologist or psychiatrist, or a psychologist who is 25619  
authorized to practice in this or another state as having a 25620  
condition that impairs academic performance, such as dyslexia, 25621  
dyscalculia, attention deficit hyperactivity disorder, or 25622  
Asperger's syndrome. 25623

(b) The school has solely served a student population 25624  
described in division (L)(4)(a) of this section for at least ten 25625  
years. 25626

(c) The school makes available to the department at least 25627  
five years of records of internal testing conducted by the school 25628  
that affords the department data required for accountability 25629  
purposes, including growth in student achievement in reading or 25630  
mathematics, or both, as measured by nationally norm-referenced 25631  
assessments that have developed appropriate standards for 25632  
students. 25633

Division (L)(4) of this section applies to any student 25634  
attending such school regardless of whether the student receives 25635  
special education or related services and regardless of whether 25636  
the student is attending the school under a state scholarship 25637  
program. 25638

(M)(1) The superintendent of the state school for the blind 25639  
and the superintendent of the state school for the deaf shall 25640  
administer the assessments described by sections 3301.0710 and 25641  
3301.0712 of the Revised Code. Each superintendent shall 25642  
administer the assessments in the same manner as district boards 25643

are required to do under this section and rules adopted by the 25644  
department of education and in conformity with division (C)(1)(a) 25645  
of this section. 25646

(2) The department of education shall furnish the assessments 25647  
described by sections 3301.0710 and 3301.0712 of the Revised Code 25648  
to each superintendent. 25649

(N) Notwithstanding division (E) of this section, a school 25650  
district may use a student's failure to attain a score in at least 25651  
the proficient range on the mathematics assessment described by 25652  
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 25653  
an assessment described by division (A)(1)(b), (c), (d), (e), or 25654  
(f) of section 3301.0710 of the Revised Code as a factor in 25655  
retaining that student in the current grade level. 25656

(O)(1) In the manner specified in divisions (O)(3), (4), (6), 25657  
and (7) of this section, the assessments required by division 25658  
(A)(1) of section 3301.0710 of the Revised Code shall become 25659  
public records pursuant to section 149.43 of the Revised Code on 25660  
the thirty-first day of July following the school year that the 25661  
assessments were administered. 25662

(2) The department may field test proposed questions with 25663  
samples of students to determine the validity, reliability, or 25664  
appropriateness of questions for possible inclusion in a future 25665  
year's assessment. The department also may use anchor questions on 25666  
assessments to ensure that different versions of the same 25667  
assessment are of comparable difficulty. 25668

Field test questions and anchor questions shall not be 25669  
considered in computing scores for individual students. Field test 25670  
questions and anchor questions may be included as part of the 25671  
administration of any assessment required by division (A)(1) or 25672  
(B) of section 3301.0710 and division (B) of section 3301.0712 of 25673  
the Revised Code. 25674

(3) Any field test question or anchor question administered under division (O)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (O)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.

(5) Each assessment prescribed by division (B)(1) of section 3301.0710 of the Revised Code shall not be a public record.

(6)(a) Except as provided in division (O)(6)(b) of this section, for the administrations in the 2014-2015, 2015-2016, and

2016-2017 school years, questions on the assessments prescribed 25706  
under division (A) of section 3301.0710 and division (B)(2) of 25707  
section 3301.0712 of the Revised Code and the corresponding 25708  
preferred answers that are used to compute a student's score shall 25709  
become a public record as follows: 25710

(i) Forty per cent of the questions and preferred answers on 25711  
the assessments on the thirty-first day of July following the 25712  
administration of the assessment; 25713

(ii) Twenty per cent of the questions and preferred answers 25714  
on the assessment on the thirty-first day of July one year after 25715  
the administration of the assessment; 25716

(iii) The remaining forty per cent of the questions and 25717  
preferred answers on the assessment on the thirty-first day of 25718  
July two years after the administration of the assessment. 25719

The entire content of an assessment shall become a public 25720  
record within three years of its administration. 25721

The department shall make the questions that become a public 25722  
record under this division readily accessible to the public on the 25723  
department's web site. Questions on the spring administration of 25724  
each assessment shall be released on an annual basis, in 25725  
accordance with this division. 25726

(b) No questions and corresponding preferred answers shall 25727  
become a public record under division (O)(6) of this section after 25728  
July 31, 2017. 25729

(7) Division (O)(7) of this section applies to the 25730

division (B)(2) of section 3301.0712 of the Revised Code. 25732

Beginning with the assessments administered in the spring of 25733  
the 2017-2018 school year, not less than forty per cent of the 25734  
questions on each assessment that are used to compute a student's 25735

score shall be a public record. The department shall determine 25736  
which questions will be needed for reuse on a future assessment 25737  
and those questions shall not be public records and shall be 25738  
redacted from the assessment prior to its release as a public 25739  
record. However, for each redacted question, the department shall 25740  
inform each city, local, and exempted village school district of 25741  
the corresponding statewide academic standard adopted by the state 25742  
board under section 3301.079 of the Revised Code and the 25743

consecutive three school years of data. 25750

(2) "Dropout" means a student who withdraws from school 25751  
before completing course requirements for graduation and who is 25752

reasons other than dropout are subtracted from the calculation. If 25760  
a student who was a dropout in any previous year returns to the 25761  
same school district, that student shall be entered into the 25762  
calculation as if the student had entered ninth grade four years 25763

**Sec. 3301.0712.** (A) The state board of education, the 25778  
superintendent of public instruction, and the chancellor of higher 25779  
education shall develop a system of college and work ready 25780  
assessments as described in division (B) of this section to assess 25781  
whether each student upon graduating from high school is ready to 25782  
enter college or the workforce. Beginning with students who enter 25783  
the ninth grade for the first time on or after July 1, 2014, the 25784  
system shall replace the Ohio graduation tests prescribed in 25785  
division (B)(1) of section 3301.0710 of the Revised Code as a 25786  
measure of student academic performance and one determinant of 25787  
eligibility for a high school diploma in the manner prescribed by 25788  
rule of the state board adopted under division (D) of this 25789  
section. 25790

(B) The college and work ready assessment system shall 25791  
consist of the following: 25792

and career readiness and are used for college admission. The 25794  
assessments shall be selected jointly by the state superintendent 25795  
and the chancellor, and one of which shall be selected by each 25796  
school district or school to administer to its students. The 25797

assessments prescribed under division (B)(1) of this section shall 25798  
be administered to all eleventh-grade students in the spring of 25799  
the school year. 25800

(2) ~~Seven~~ (a) Except as provided in division (B)(2)(b) of 25801  
this section, seven end-of-course examinations, one in each of the 25802  
areas of English language arts I, English language arts II, 25803

Advanced placement examinations and international baccalaureate 25809  
examinations, as prescribed under section 3313.6013 of the Revised 25810  
Code, in the areas of science, American history, and American 25811  
government may be used as end-of-course examinations in accordance 25812

areas of science, American history, and American government may be 25816

division (B)(4)(a)(ii) of this section. 25818

(b) Beginning with students who enter ninth grade for the 25819  
first time on or after July 1, 2019, five end-of-course 25820  
examinations, one in each areas of English language arts II, 25821  
science, Algebra I, American history, and American government. 25822  
However, only the end-of-course examinations in English language 25823  
arts II and Algebra I shall be required for graduation. 25824

The department of education shall, as necessary to implement 25825  
division (B)(2)(b) of this section, seek a waiver from the United 25826  
States secretary of education for testing requirements prescribed 25827  
under federal law to allow for the use and implementation of 25828  
Algebra I as the primary assessment of high school mathematics. If 25829

the department does not receive a waiver under this division, the 25830  
end-of-course examinations for students described in division 25831  
(B)(2)(b) of this section also shall include an end-of-course 25832  
examination in the area of geometry. However, the geometry 25833  
end-of-course examination shall not be required for graduation. 25834

(3)(a) Not later than July 1, 2013, each school district 25835  
board of education shall adopt interim end-of-course examinations 25836  
that comply with the requirements of divisions (B)(3)(b)(i) and 25837  
(ii) of this section to assess mastery of American history and 25838  
American government standards adopted under division (A)(1)(b) of 25839  
section 3301.079 of the Revised Code and the topics required under 25840  
division (M) of section 3313.603 of the Revised Code. Each high 25841  
school of the district shall use the interim examinations until 25842  
the state superintendent and chancellor select end-of-course 25843  
examinations in American history and American government under 25844  
division (B)(2) of this section. 25845

(b) Not later than July 1, 2014, the state superintendent and 25846  
the chancellor shall select the end-of-course examinations in 25847  
American history and American government. 25848

(i) The end-of-course examinations in American history and 25849  
American government shall require demonstration of mastery of the 25850  
American history and American government content for social 25851  
studies standards adopted under division (A)(1)(b) of section 25852  
3301.079 of the Revised Code and the topics required under 25853  
division (M) of section 3313.603 of the Revised Code. 25854

(ii) At least twenty per cent of the end-of-course 25855  
examination in American government shall address the topics on 25856  
American history and American government described in division (M) 25857  
of section 3313.603 of the Revised Code. 25858

(4)(a) Notwithstanding anything to the contrary in this 25859  
section, beginning with the 2014-2015 school year, both of the 25860

following shall apply: 25861

(i) If a student is enrolled in an appropriate advanced 25862  
placement or international baccalaureate course, that student 25863  
shall take the advanced placement or international baccalaureate 25864  
examination in lieu of the science, American history, or American 25865  
government end-of-course examinations prescribed under division 25866  
(B)(2) of this section. The state board shall specify the score 25867  
levels for each advanced placement examination and international 25868  
baccalaureate examination for purposes of calculating the minimum 25869  
cumulative performance score that demonstrates the level of 25870  
academic achievement necessary to earn a high school diploma. 25871

(ii) If a student is enrolled in an appropriate course under 25872  
any other advanced standing program, as described in section 25873  
3313.6013 of the Revised Code, that student shall not be required 25874  
to take the science, American history, or American government 25875  
end-of-course examination, whichever is applicable, prescribed 25876  
under division (B)(2) of this section. Instead, that student's 25877  
final course grade shall be used in lieu of the applicable 25878  
end-of-course examination prescribed under that section. The state 25879  
superintendent, in consultation with the chancellor, shall adopt 25880  
guidelines for purposes of calculating the corresponding final 25881  
course grades that demonstrate the level of academic achievement 25882  
necessary to earn a high school diploma. 25883

Division (B)(4)(a)(ii) of this section shall apply only to 25884  
courses for which students receive transcribed credit, as defined 25885  
in section 3365.01 of the Revised Code. It shall not apply to 25886  
remedial or developmental courses. 25887

(b) No student shall take a substitute examination or 25888  
examination prescribed under division (B)(4)(a) of this section in 25889  
place of the end-of-course examinations in English language arts 25890  
I, English language arts II, Algebra I, or geometry prescribed 25891  
under division (B)(2) of this section. 25892

(c) The state board shall consider additional assessments 25893  
that may be used, beginning with the 2016-2017 school year, as 25894  
substitute examinations in lieu of the end-of-course examinations 25895  
prescribed under division (B)(2) of this section. 25896

(5) The state board shall do all of the following: 25897

(a) Determine and designate at least five ranges of scores on 25898  
each of the end-of-course examinations prescribed under division 25899  
(B)(2) of this section, and substitute examinations prescribed 25900  
under division (B)(4) of this section. Not later than sixty days 25901  
after the designation of ranges of scores, the state 25902  
superintendent, or the state superintendent's designee, shall 25903  
conduct a public presentation before the standing committees of 25904  
the house of representatives and the senate that consider primary 25905  
and secondary education legislation regarding the designated range 25906  
of scores. Each range of scores shall be considered to demonstrate 25907  
a level of achievement so that any student attaining a score 25908  
within such range has achieved one of the following: 25909

(i) An advanced level of skill; 25910

(ii) An accelerated level of skill; 25911

(iii) A proficient level of skill; 25912

(iv) A basic level of skill; 25913

(v) A limited level of skill. 25914

(b) Determine a method by which to calculate a cumulative 25915  
performance score based on the results of a student's 25916  
end-of-course examinations or substitute examinations; 25917

(c) Determine the minimum cumulative performance score that 25918  
demonstrates the level of academic achievement necessary to earn a 25919  
high school diploma under division (A)(2) of section 3313.618 of 25920  
the Revised Code. However, the state board shall not determine a 25921  
new minimum cumulative performance score after the effective date 25922

<u>of this amendment.</u>	25923
(d) Develop a table of corresponding score equivalents for the end-of-course examinations and substitute examinations in order to calculate student performance consistently across the different examinations.	25924 25925 25926 25927
A score of two on an advanced placement examination or a score of two or three on an international baccalaureate examination shall be considered equivalent to a proficient level of skill as specified under division (B)(5)(a)(iii) of this section.	25928 25929 25930 25931 25932
(6)(a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:	25933 25934
(i) The student received high school credit prior to July 1, 2015, for a course for which the end-of-course examination is prescribed.	25935 25936 25937
(ii) The examination was not available for administration prior to July 1, 2015.	25938 25939
Receipt of credit for the course described in division (B)(6)(a)(i) of this section shall satisfy the requirement to take the end-of-course examination. A student exempted under division (B)(6)(a) of this section may take the applicable end-of-course examination at a later date.	25940 25941 25942 25943 25944
(b) For purposes of determining whether a student who is exempt from taking an end-of-course examination under division (B)(6)(a) of this section has attained the cumulative score prescribed by division (B)(5)(c) of this section, such student shall select either of the following:	25945 25946 25947 25948 25949
(i) The student is considered to have attained a proficient score on the end-of-course examination from which the student is exempt;	25950 25951 25952

(ii) The student's final course grade shall be used in lieu 25953  
of a score on the end-of-course examination from which the student 25954  
is exempt. 25955

The state superintendent, in consultation with the 25956  
chancellor, shall adopt guidelines for purposes of calculating the 25957  
corresponding final course grades and the minimum cumulative 25958  
performance score that demonstrates the level of academic 25959  
achievement necessary to earn a high school diploma. 25960

(7)(a) Notwithstanding anything to the contrary in this 25961  
section, the state board may replace the algebra I end-of-course 25962  
examination prescribed under division (B)(2) of this section with 25963  
an algebra II end-of-course examination, beginning with the 25964  
2016-2017 school year for students who enter ninth grade on or 25965  
after July 1, 2016. 25966

(b) If the state board replaces the algebra I end-of-course 25967  
examination with an algebra II end-of-course examination as 25968  
authorized under division (B)(7)(a) of this section, both of the 25969  
following shall apply: 25970

(i) A student who is enrolled in an advanced placement or 25971  
international baccalaureate course in algebra II shall take the 25972  
advanced placement or international baccalaureate examination in 25973  
lieu of the algebra II end-of-course examination. 25974

(ii) A student who is enrolled in an algebra II course under 25975  
any other advanced standing program, as described in section 25976  
3313.6013 of the Revised Code, shall not be required to take the 25977  
algebra II end-of-course examination. Instead, that student's 25978  
final course grade shall be used in lieu of the examination. 25979

approach to mathematics instruction, the district or school may do 25981  
either or both of the following: 25982

reimburse the department an amount equal to the excess funds, in 26547  
accordance with a payment schedule determined by the department. 26548

(iii) A score that is less than or equal to one standard 26895  
error of measure ~~above~~ below the mean score but greater than ~~or~~ 26896  
~~equal to one~~ two standard ~~error~~ errors of measure below the mean 26897  
score shall be designated as a "C." 26898

(iv) A score that is ~~not greater~~ less than ~~one~~ or equal to 26899  
two standard ~~error~~ errors of measure below the mean score but is 26900  
greater than ~~or equal to two~~ three standard errors of measure 26901  
below the mean score shall be designated as a "D." 26902

(v) A score that is ~~not greater~~ less than ~~two~~ or equal to 26903  
three standard errors of measure below the mean score shall be 26904  
designated as an "F." 26905

Whenever the value-added progress dimension is used as a 26906  
graded performance measure, whether as an overall measure or as a 26907  
measure of separate subgroups, the grades for the measure shall be 26908

calculated in the same manner as prescribed in division (A)(1)(e) 26909  
of this section. 26910

(f) The value-added progress dimension score for a school 26911  
district or building disaggregated for each of the following 26912  
subgroups: students identified as gifted, students with 26913  
disabilities, and students whose performance places them in the 26914  
lowest quintile for achievement on a statewide basis. Each 26915  
subgroup shall be a separate graded measure. 26916

(2) Not later than April 30, 2013, the state board of 26917  
education shall adopt a resolution describing the performance 26918  
measures, benchmarks, and grading system for the 2012-2013 school 26919  
year and, not later than June 30, 2013, shall adopt rules in 26920  
accordance with Chapter 119. of the Revised Code that prescribe 26921  
the methods by which the performance measures under division 26922  
(A)(1) of this section shall be assessed and assigned a letter 26923  
grade, including performance benchmarks for each letter grade. 26924

At least forty-five days prior to the state board's adoption 26925  
of rules to prescribe the methods by which the performance 26926  
measures under division (A)(1) of this section shall be assessed 26927  
and assigned a letter grade, the department shall conduct a public 26928  
presentation before the standing committees of the house of 26929  
representatives and the senate that consider education legislation 26930  
describing such methods, including performance benchmarks. 26931

(3) There shall not be an overall letter grade for a school 26932  
district or building for the 2012-2013 school year. 26933

(B)(1) For the 2013-2014 and 2014-2015 school years, the 26934  
department shall issue grades as described in division (E) of this 26935  
section for each of the following performance measures: 26936

(a) Annual measurable objectives; 26937

(b) Performance index score for a school district or 26938  
building. Grades shall be awarded as a percentage of the total 26939

possible points on the performance index system as created by the 26940  
department. In adopting benchmarks for assigning letter grades 26941  
under division (B)(1)(b) of this section, the state board shall 26942  
designate ninety per cent or higher for an "A," at least seventy 26943  
per cent but not more than eighty per cent for a "C," and less 26944  
than fifty per cent for an "F." 26945

(c) The extent to which the school district or building meets 26946  
each of the applicable performance indicators established by the 26947  
state board under section 3302.03 of the Revised Code and the 26948  
percentage of applicable performance indicators that have been 26949  
achieved. In adopting benchmarks for assigning letter grades under 26950  
division (B)(1)(c) of this section, the state board shall 26951  
designate ninety per cent or higher for an "A." 26952

(d) The four- and five-year adjusted cohort graduation rates; 26953

(e) The overall score under the value-added progress 26954  
dimension of a school district or building, for which the 26955  
department shall use up to three years of value-added data as 26956  
available. 26957

(f) The value-added progress dimension score for a school 26958  
district or building disaggregated for each of the following 26959  
subgroups: students identified as gifted in superior cognitive 26960  
ability and specific academic ability fields under Chapter 3324. 26961  
of the Revised Code, students with disabilities, and students 26962  
whose performance places them in the lowest quintile for 26963  
achievement on a statewide basis. Each subgroup shall be a 26964  
separate graded measure. 26965

(g) Whether a school district or building is making progress 26966  
in improving literacy in grades kindergarten through three, as 26967  
determined using a method prescribed by the state board. The state 26968  
board shall adopt rules to prescribe benchmarks and standards for 26969  
assigning grades to districts and buildings for purposes of 26970

division (B)(1)(g) of this section. In adopting benchmarks for 26971  
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 26972  
this section, the state board shall determine progress made based 26973  
on the reduction in the total percentage of students scoring below 26974  
grade level, or below proficient, compared from year to year on 26975  
the reading and writing diagnostic assessments administered under 26976  
section 3301.0715 of the Revised Code and the third grade English 26977  
language arts assessment under section 3301.0710 of the Revised 26978  
Code, as applicable. The state board shall designate for a "C" 26979  
grade a value that is not lower than the statewide average value 26980  
for this measure. No grade shall be issued under divisions 26981  
(B)(1)(g) and (C)(1)(g) of this section for a district or building 26982  
in which less than five per cent of students have scored below 26983  
grade level on the diagnostic assessment administered to students 26984  
in kindergarten under division (B)(1) of section 3313.608 of the 26985  
Revised Code. 26986

(h) For a high mobility school district or building, an 26987  
additional value-added progress dimension score. For this measure, 26988  
the department shall use value-added data from the most recent 26989  
school year available and shall use assessment scores for only 26990  
those students to whom the district or building has administered 26991  
the assessments prescribed by section 3301.0710 of the Revised 26992  
Code for each of the two most recent consecutive school years. 26993

As used in this division, "high mobility school district or 26994  
building" means a school district or building where at least 26995  
twenty-five per cent of its total enrollment is made up of 26996  
students who have attended that school district or building for 26997  
less than one year. 26998

(2) In addition to the graded measures in division (B)(1) of 26999  
this section, the department shall include on a school district's 27000  
or building's report card all of the following without an assigned 27001  
letter grade: 27002

(a) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations;

(b) The number of a district's or building's students who have earned at least three college credits through dual enrollment or advanced standing programs, such as the post-secondary enrollment options program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's transcript or other official document, either of which is issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree.

(c) The percentage of students enrolled in a district or building who have taken a national standardized test used for college admission determinations and the percentage of those students who are determined to be remediation-free in accordance with standards adopted under division (F) of section 3345.061 of the Revised Code;

(d) The percentage of the district's or the building's students who receive industry-recognized credentials as approved under section 3313.6113 of the Revised Code.

(e) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations.

(f) The percentage of the district's or building's students

who receive an honors diploma under division (B) of section 27034  
3313.61 of the Revised Code. 27035

(3) Not later than December 31, 2013, the state board shall 27036  
adopt rules in accordance with Chapter 119. of the Revised Code 27037  
that prescribe the methods by which the performance measures under 27038  
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 27039  
and assigned a letter grade, including performance benchmarks for 27040  
each grade. 27041

At least forty-five days prior to the state board's adoption 27042  
of rules to prescribe the methods by which the performance 27043  
measures under division (B)(1) of this section shall be assessed 27044  
and assigned a letter grade, the department shall conduct a public 27045  
presentation before the standing committees of the house of 27046  
representatives and the senate that consider education legislation 27047  
describing such methods, including performance benchmarks. 27048

(4) There shall not be an overall letter grade for a school 27049  
district or building for the 2013-2014, 2014-2015, 2015-2016, and 27050  
2016-2017 school years. 27051

(C)(1) For the 2014-2015 school year and each school year 27052  
thereafter, the department shall issue grades as described in 27053  
division (E) of this section for each of the performance measures 27054  
prescribed in division (C)(1) of this section. The graded measures 27055  
are as follows: 27056

(a) Annual measurable objectives. For the 2017-2018 school 27057  
year, the department shall not include any subgroup data in the 27058  
annual measurable objectives that includes data from fewer than 27059  
twenty-five students. For the 2018-2019 school year, the 27060  
department shall not include any subgroup data in the annual 27061  
measurable objectives that includes data from fewer than twenty 27062  
students. Beginning with the 2019-2020 school year, the department 27063  
shall not include any subgroup data in the annual measurable 27064

objectives that includes data from fewer than fifteen students. 27065

(b) Performance index score for a school district or 27066  
building. Grades shall be awarded as a percentage of the total 27067  
possible points on the performance index system as created by the 27068  
department. In adopting benchmarks for assigning letter grades 27069  
under division (C)(1)(b) of this section, the state board shall 27070  
designate ninety per cent or higher for an "A," at least seventy 27071  
per cent but not more than eighty per cent for a "C," and less 27072  
than fifty per cent for an "F." 27073

(c) The extent to which the school district or building meets 27074  
each of the applicable performance indicators established by the 27075  
state board under section 3302.03 of the Revised Code and the 27076  
percentage of applicable performance indicators that have been 27077  
achieved. In adopting benchmarks for assigning letter grades under 27078  
division (C)(1)(c) of this section, the state board shall 27079  
designate ninety per cent or higher for an "A." 27080

(d) The four- and five-year adjusted cohort graduation rates; 27081

(e) The overall score under the value-added progress 27082  
dimension, or another measure of student academic progress if 27083  
adopted by the state board, of a school district or building, for 27084  
which the department shall use up to three years of value-added 27085  
data as available. 27086

In adopting benchmarks for assigning letter grades for 27087  
overall score on value-added progress dimension under division 27088  
(C)(1)(e) of this section, the state board shall prohibit the 27089  
assigning of a grade of "A" for that measure unless the district's 27090  
or building's grade assigned for value-added progress dimension 27091  
for all subgroups under division (C)(1)(f) of this section is a 27092  
~~"B"~~ "C" or higher. 27093

For the metric prescribed by division (C)(1)(e) of this 27094  
section, the state board may adopt a student academic progress 27095

measure to be used instead of the value-added progress dimension. 27096  
If the state board adopts such a measure, it also shall prescribe 27097  
a method for assigning letter grades for the new measure that is 27098  
comparable to the method prescribed in division (A)(1)(e) of this 27099  
section. 27100

(f) The value-added progress dimension score of a school 27101  
district or building disaggregated for each of the following 27102  
subgroups: students identified as gifted in superior cognitive 27103  
ability and specific academic ability fields under Chapter 3324. 27104  
of the Revised Code, students with disabilities, and students 27105  
whose performance places them in the lowest quintile for 27106  
achievement on a statewide basis, as determined by a method 27107  
prescribed by the state board. Each subgroup shall be a separate 27108  
graded measure. 27109

The state board may adopt student academic progress measures 27110  
to be used instead of the value-added progress dimension. If the 27111  
state board adopts such measures, it also shall prescribe a method 27112  
for assigning letter grades for the new measures that is 27113  
comparable to the method prescribed in division (A)(1)(e) of this 27114  
section. 27115

(g) Whether a school district or building is making progress 27116  
in improving literacy in grades kindergarten through three, as 27117  
determined using a method prescribed by the state board. The state 27118  
board shall adopt rules to prescribe benchmarks and standards for 27119  
assigning grades to a district or building for purposes of 27120  
division (C)(1)(g) of this section. The state board shall 27121  
designate for a "C" grade a value that is not lower than the 27122  
statewide average value for this measure. No grade shall be issued 27123  
under division (C)(1)(g) of this section for a district or 27124  
building in which less than five per cent of students have scored 27125  
below grade level on the kindergarten diagnostic assessment under 27126  
division (B)(1) of section 3313.608 of the Revised Code. 27127

(h) For a high mobility school district or building, an 27128  
additional value-added progress dimension score. For this measure, 27129  
the department shall use value-added data from the most recent 27130  
school year available and shall use assessment scores for only 27131  
those students to whom the district or building has administered 27132  
the assessments prescribed by section 3301.0710 of the Revised 27133  
Code for each of the two most recent consecutive school years. 27134

As used in this division, "high mobility school district or 27135  
building" means a school district or building where at least 27136  
twenty-five per cent of its total enrollment is made up of 27137  
students who have attended that school district or building for 27138  
less than one year. 27139

(2) In addition to the graded measures in division (C)(1) of 27140  
this section, the department shall include on a school district's 27141  
or building's report card all of the following without an assigned 27142  
letter grade: 27143

(a) The percentage of students enrolled in a district or 27144  
building who have taken a national standardized test used for 27145  
college admission determinations and the percentage of those 27146  
students who are determined to be remediation-free in accordance 27147  
with the standards adopted under division (F) of section 3345.061 27148  
of the Revised Code; 27149

(b) The percentage of students enrolled in a district or 27150  
building participating in advanced placement classes and the 27151  
percentage of those students who received a score of three or 27152  
better on advanced placement examinations; 27153

(c) The percentage of a district's or building's students who 27154  
have earned at least three college credits through advanced 27155  
standing programs, such as the college credit plus program under 27156  
Chapter 3365. of the Revised Code and state-approved 27157  
career-technical courses offered through dual enrollment or 27158

statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree.

(d) The percentage of the district's or building's students who receive an honor's diploma under division (B) of section 3313.61 of the Revised Code;

(e) The percentage of the district's or building's students who receive industry-recognized credentials as approved under section 3313.6113 of the Revised Code;

(f) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations;

(g) The results of the college and career-ready assessments administered under division (B)(1) of section 3301.0712 of the Revised Code;

(h) Whether the school district or building has implemented a positive behavior intervention and supports framework in compliance with the requirements of section 3319.46 of the Revised Code, notated as a "yes" or "no" answer.

(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2017-2018 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:

(a) Gap closing, which shall include the performance measure

in division (C)(1)(a) of this section;	27190
(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;	27191 27192
(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;	27193 27194
(d) Graduation, which shall include the performance measure in division (C)(1)(d) of this section;	27195 27196
(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C)(1)(g) of this section;	27197 27198 27199
(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. The state board shall develop a method to determine a grade for the component in division (C)(3)(f) of this section using the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. When available, the state board may incorporate the performance measure under division (C)(2)(g) of this section into the component under division (C)(3)(f) of this section. When determining the overall grade for the prepared for success component prescribed by division (C)(3)(f) of this section, no individual student shall be counted in more than one performance measure. However, if a student qualifies for more than one performance measure in the component, the state board may, in its method to determine a grade for the component, specify an additional weight for such a student that is not greater than or equal to 1.0. In determining the overall score under division (C)(3)(f) of this section, the state board shall ensure that the pool of students included in the performance measures aggregated under that division are all of the students included in the four- and five-year adjusted graduation cohort.	27200 27201 27202 27203 27204 27205 27206 27207 27208 27209 27210 27211 27212 27213 27214 27215 27216 27217 27218 27219
In the rules adopted under division (C)(3) of this section,	27220

the state board shall adopt a method for determining a grade for 27221  
each component in divisions (C)(3)(a) to (f) of this section. The 27222  
state board also shall establish a method to assign an overall 27223  
grade of "A," "B," "C," "D," or "F" using the grades assigned for 27224  
each component. The method the state board adopts for assigning an 27225  
overall grade shall give equal weight to the components in 27226  
divisions (C)(3)(b) and (c) of this section. 27227

At least forty-five days prior to the state board's adoption 27228  
of rules to prescribe the methods for calculating the overall 27229  
grade for the report card, as required by this division, the 27230  
department shall conduct a public presentation before the standing 27231  
committees of the house of representatives and the senate that 27232  
consider education legislation describing the format for the 27233  
report card, weights that will be assigned to the components of 27234  
the overall grade, and the method for calculating the overall 27235  
grade. 27236

(D) On or after July 1, 2015, the state board may develop a 27237  
measure of student academic progress for high school students 27238  
using only data from assessments in English language arts and 27239  
mathematics. If the state board develops this measure, each school 27240  
district and applicable school building shall be assigned a 27241  
separate letter grade for it not sooner than the 2017-2018 school 27242  
year. The district's or building's grade for that measure shall 27243  
not be included in determining the district's or building's 27244  
overall letter grade. 27245

(E) The letter grades assigned to a school district or 27246  
building under this section shall be as follows: 27247

(1) "A" for a district or school making excellent progress; 27248

(2) "B" for a district or school making above average 27249  
progress; 27250

(3) "C" for a district or school making average progress; 27251

(4) "D" for a district or school making below average progress;	27252 27253
(5) "F" for a district or school failing to meet minimum progress.	27254 27255
(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:	27256 27257 27258
(1) Performance of students by grade-level;	27259
(2) Performance of students by race and ethnic group;	27260
(3) Performance of students by gender;	27261
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	27262 27263
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	27264 27265 27266
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	27267 27268
(7) Performance of students grouped by those who are economically disadvantaged;	27269 27270
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	27271 27272 27273
(9) Performance of students grouped by those who are classified as <del>limited</del> English <del>proficient</del> <u>learners</u> ;	27274 27275
(10) Performance of students grouped by those who have disabilities;	27276 27277
(11) Performance of students grouped by those who are classified as migrants;	27278 27279
(12) Performance of students grouped by those who are	27280

identified as gifted in superior cognitive ability and the 27281  
specific academic ability fields of reading and math pursuant to 27282  
Chapter 3324. of the Revised Code. In disaggregating specific 27283  
academic ability fields for gifted students, the department shall 27284  
use data for those students with specific academic ability in math 27285  
and reading. If any other academic field is assessed, the 27286  
department shall also include data for students with specific 27287  
academic ability in that field as well. 27288

(13) Performance of students grouped by those who perform in 27289  
the lowest quintile for achievement on a statewide basis, as 27290  
determined by a method prescribed by the state board. 27291

The department may disaggregate data on student performance 27292  
according to other categories that the department determines are 27293  
appropriate. To the extent possible, the department shall 27294  
disaggregate data on student performance according to any 27295  
combinations of two or more of the categories listed in divisions 27296  
(F)(1) to (13) of this section that it deems relevant. 27297

In reporting data pursuant to division (F) of this section, 27298  
the department shall not include in the report cards any data 27299  
statistical in nature that is statistically unreliable or that 27300  
could result in the identification of individual students. For 27301  
this purpose, the department shall not report student performance 27302  
data for any group identified in division (F) of this section that 27303

(A) As used in this section, "principal" includes an assistant principal.

(B) The board of education of each municipal school district annually shall adopt a differentiated salary schedule for teachers based upon performance as described in division (D) of this section. The board also annually shall adopt a differentiated salary schedule for principals based upon performance as described in division (D) of this section.

For each teacher or principal hired on or after October 1, 2012, the board shall determine the teacher's or principal's initial placement on the applicable salary schedule based on years of experience and area of licensure and any other factors the board considers appropriate. For each teacher hired prior to October 1, 2012, the board shall initially place the teacher on the applicable salary schedule so that the teacher's annual salary on the schedule is comparable to the teacher's annual salary for the school year immediately prior to the school year covered by the schedule. For each principal hired prior to October 1, 2012, the board shall initially place the principal on the applicable salary schedule consistent with the principal's employment

contract. 28175

(C) The salary of a teacher shall not be reduced unless such 28176  
reduction is accomplished as part of a negotiated collective 28177  
bargaining agreement. The salary of a principal shall not be 28178  
reduced during the term of the principal's employment contract 28179  
unless such reduction is by mutual agreement of the board and the 28180  
principal or is part of a uniform plan affecting the entire 28181  
district. 28182

(D) For purposes of the schedules, the board shall measure a 28183  
teacher's or principal's performance by considering all of the 28184  
following: 28185

(1) The level of license issued under section 3319.22 of the 28186  
Revised Code that the teacher or principal holds; 28187

~~properly certified or licensed teacher, as defined in section~~ 28189  
~~3319.074 of the Revised Code;~~ 28190

of the Revised Code; 28193

~~(4)~~(3) Any specialized training and experience in the 28194  
assigned position. 28195

(E) The salary schedules adopted under this section may 28196  
provide for additional compensation for teachers or principals who 28197  
perform duties, not contracted for under a supplemental contract, 28198  
that the board determines warrant additional compensation. Those 28199  
duties may include, but are not limited to, assignment to a school 28200  
building eligible for funding under Title I of the "Elementary and 28201  
Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.; 28202

"No Child Left Behind Act of 2001," as defined in section 3302.01 28204

executive officer's designee, annually shall review the salary of 28211  
each teacher and principal and make a recommendation to the board. 28212  
Based on the recommendation, the board may increase a teacher's or 28213  
principal's salary based on the teacher's or principal's 28214  
performance and duties as provided for in divisions (D) and (E) of 28215  
this section. The performance-based increase for a teacher or 28216  
principal rated as accomplished shall be greater than the 28217  
performance-based increase for a teacher or principal rated as 28218  
skilled. Notwithstanding division (C) of this section, division 28219  
(C) of section 3319.02, and section 3319.12 of the Revised Code, 28220  
the board may decrease the teacher's or principal's salary if the 28221  
teacher or principal will perform fewer or different duties 28222  
described in division (E) of this section in the school year for 28223  
which the salary is decreased. 28224

(G) Notwithstanding any provision to the contrary in Chapter 28225  
4117. of the Revised Code, the requirements of this section 28226  
prevail over any conflicting provisions of a collective bargaining 28227  
agreement entered into on or after October 1, 2012. However, the 28228  
board and the teachers' labor organization shall negotiate the 28229  
implementation of the differentiated salary schedule for teachers 28230  
and may negotiate additional factors regarding teacher salaries, 28231  
provided those factors are consistent with this section. 28232

**Sec. 3311.79.** (A) When assigning teachers to schools of a 28233  
municipal school district prior to the start of a school year, 28234  
teachers may apply for open positions. All applicants shall be 28235  
considered. Applicants may be interviewed by a building level team 28236

comprised of the building principal, a representative of the 28237  
district teachers' labor organization, a parent, a staff member in 28238  
the same job classification as the posted position, and any other 28239  
members mutually agreed upon by the principal and the labor 28240  
organization representative. When openings occur, the principal 28241  
and labor organization representative shall mutually select the 28242  
members of the building level team. Interviews by the building 28243  
level team shall not be delayed due to the unavailability of duly 28244  
notified team members. The team shall make recommendations whether 28245  
to assign a teacher to an open position in the building based on 28246  
how suitably the teacher's credentials fulfill the needs of the 28247  
particular school. For this purpose, the building level team shall 28248

Revised Code that the teacher holds; 28251

(2) The number of subject areas the teacher is licensed to 28252

Code, in the open position; 28256~~

~~(4) The results of the teacher's performance evaluations 28257  
conducted under section 3311.80 of the Revised Code; 28258~~

~~(5)(4) Whether the teacher has recently taught and been 28259  
evaluated in the subject areas the teacher would teach at the 28260  
school; 28261~~

~~(6)(5) Any specialized training or experience the teacher 28262  
possesses that are relevant to the open position; 28263~~

~~(7)(6) Any other credentials established by the district 28264  
chief executive officer or a building level team. 28265~~

(B) The building level team shall make its recommendations to 28266

the district chief executive officer or the chief executive 28267  
officer's designee for the chief executive officer's or designee's 28268  
final approval of the assignment. 28269

(C) In the event that open positions in one or more school 28270  
buildings have not been filled through the procedures set forth in 28271  
divisions (A) and (B) of this section, or if the building level 28272  
team has not been able to reach a consensus on a candidate, by ten 28273  
days prior to the first work day for teachers of the school year, 28274  
the district chief executive officer or the chief executive 28275  
officer's designee shall assign teachers to any of those open 28276  
positions based on the best interests of the district. In making 28277  
an assignment under this division, the chief executive officer or 28278  
the chief executive officer's designee shall take into 28279  
consideration all input from the building level team members. 28280

(D) In the event that a position opens after the first 28281  
student day of the school year, the building level team interview 28282  
and recommendation procedures set forth in divisions (A) and (B) 28283  
of this section shall be used to fill the open position. If any 28284  
positions remain open, or if the building level team has not been 28285  
able to reach a consensus on a candidate, after a reasonable 28286  
period of time as determined by the chief executive officer or the 28287  
chief executive officer's designee, the chief executive officer or 28288  
the chief executive officer's designee shall assign teachers to 28289  
any of those open positions based on the best interests of the 28290  
district. In making an assignment under this division, the chief 28291  
executive officer or the chief executive officer's designee shall 28292  
take into consideration all input from the building level team 28293  
members. 28294

(E) In the event it becomes necessary to assign, reassign, or 28295  
transfer a teacher, whether voluntarily or involuntarily on the 28296  
part of the teacher, for the purpose of promoting the best 28297  
interests of the district, the chief executive officer or the 28298

chief executive officer's designee shall first meet with the 28299  
teacher, the principals of the affected buildings, and a 28300  
representative of the district teachers' labor organization. The 28301  
assignment, reassignment, or transfer shall not be delayed due to 28302  
the unavailability of the meeting participants who have been duly 28303  
notified. 28304

(F) The district chief executive officer or a building level 28305  
team shall not use seniority or continuing contract status as the 28306  
primary factor in determining any teacher's assignment to a 28307  
school. 28308

(G) Notwithstanding any provision to the contrary in Chapter 28309  
4117. of the Revised Code, the requirements of this section 28310  
prevail over any conflicting provisions of a collective bargaining 28311  
agreement entered into on or after October 1, 2012. However, the 28312  
board and the teachers' labor organization shall negotiate 28313  
regarding the implementation of this section, including the 28314  
processes by which each building level team conducts its 28315  
interviews and makes recommendations, consistent with this 28316  
section. 28317

(D) Notwithstanding division (B) of this section, a school district board may renew any agreement it originally entered into prior to June 30, 2011, to lease real property to an entity other than a community school, college-preparatory boarding school, or STEM school. Nothing in this section shall affect the leasehold arrangements between the district board and that other entity.

(E)(1) Except as provided in division (E)(2) of this section, the governing authority of a community school, board of trustees of a college-preparatory boarding school, or governing body of a STEM school shall not sell any property purchased under division (B) of this section within five years of purchasing that property.

(2) The governing authority, board of trustees, or governing body may sell a property purchased under division (B) of this section within five years of the purchase, only if the governing authority, board of trustees, or governing body sells or transfers that property to another entity described in that division.

**Sec. 3313.5315.** Any student from a country or province outside the United States, who attends an elementary or secondary school in this state ~~that began operating a dormitory on its campus prior to 2014,~~ shall be permitted to participate in interscholastic athletics at that school on the same basis as students who are residents of this state, so long as the student holds an F-1 visa issued by the United States department of state. Such a student shall not be denied the opportunity to participate in interscholastic athletics solely because the student's parents do not reside in this state.

No school district, school, interscholastic conference, or organization that regulates interscholastic conferences or events shall have a rule, bylaw, or other regulation that conflicts with this section.

Sec. 3313.5316. A city, local, or exempted village school district, interscholastic conference, or organization that regulates interscholastic athletics shall have the same pupil transfer rules for public schools and nonpublic schools.

No district, interscholastic conference, or organization that regulates interscholastic athletics shall adopt a rule, bylaw, or other regulation contrary to this section.

Also, the parent, guardian, or legal custodian of each student who chooses to take advanced computer science in lieu of algebra II shall sign and submit to the school a document containing a statement acknowledging that not taking algebra II may have an adverse effect on college admission decisions.

In developing the curriculum required by this paragraph, schools shall use available public-private partnerships and resources and materials that exist in business, industry, and through the centers for economics education at institutions of higher education in the state.	28612 28613 28614 28615 28616 28617 28618 28619 28620 28621 28622 28623 28624 28625

training corps (JROTC) program approved by the congress of the 28635  
United States under title 10 of the United States Code, or English 28636  
language arts, mathematics, science, or social studies courses not 28637  
otherwise required under division (C) of this section. 28638

Ohioans must be prepared to apply increased knowledge and 28639  
skills in the workplace and to adapt their knowledge and skills 28640  
quickly to meet the rapidly changing conditions of the 28641  
twenty-first century. National studies indicate that all high 28642  
school graduates need the same academic foundation, regardless of 28643  
the opportunities they pursue after graduation. The goal of Ohio's 28644  
system of elementary and secondary education is to prepare all 28645  
students for and seamlessly connect all students to success in 28646  
life beyond high school graduation, regardless of whether the next 28647  
step is entering the workforce, beginning an apprenticeship, 28648  
engaging in post-secondary training, serving in the military, or 28649  
pursuing a college degree. 28650

The requirements for graduation prescribed in division (C) of 28651  
this section are the standard expectation for all students 28652  
entering ninth grade for the first time at a public or chartered 28653  
nonpublic high school on or after July 1, 2010. A student may 28654  
satisfy this expectation through a variety of methods, including, 28655  
but not limited to, integrated, applied, career-technical, and 28656  
traditional coursework. 28657

Stronger coordination between high schools and institutions 28658  
of higher education is necessary to prepare students for more 28659  
challenging academic endeavors and to lessen the need for academic 28660  
remediation in college, thereby reducing the costs of higher 28661

education for Ohio's students, families, and the state. The state board and the chancellor of higher education shall develop policies to ensure that only in rare instances will students who complete the requirements for graduation prescribed in division (C) of this section require academic remediation after high school.

School districts, community schools, and chartered nonpublic schools shall integrate technology into learning experiences across the curriculum in order to maximize efficiency, enhance learning, and prepare students for success in the technology-driven twenty-first century. Districts and schools shall use distance and web-based course delivery as a method of providing or augmenting all instruction required under this division, including laboratory experience in science. Districts and schools shall utilize technology access and electronic learning opportunities provided by the broadcast educational media commission, chancellor, the Ohio learning network, education technology centers, public television stations, and other public and private providers.

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2016, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the requirements for graduation prescribed in division (C) of this section if all of the following conditions are satisfied:

(1) During the student's third year of attending high school, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this

section and acknowledging that one consequence of not completing 28694  
those requirements is ineligibility to enroll in most state 28695  
universities in Ohio without further coursework. 28696

(2) The student and parent, guardian, or custodian fulfill 28697  
any procedural requirements the school stipulates to ensure the 28698  
student's and parent's, guardian's, or custodian's informed 28699  
consent and to facilitate orderly filing of statements under 28700  
division (D)(1) of this section. Annually, each district or school 28701  
shall notify the department of the number of students who choose 28702  
to qualify for graduation under division (D) of this section and 28703  
the number of students who complete the student's success plan and 28704  
graduate from high school. 28705

(3) The student and the student's parent, guardian, or 28706  
custodian and a representative of the student's high school 28707  
jointly develop a student success plan for the student in the 28708  
manner described in division (C)(1) of section 3313.6020 of the 28709  
Revised Code that specifies the student matriculating to a 28710  
two-year degree program, acquiring a business and 28711  
industry-recognized credential, or entering an apprenticeship. 28712

(4) The student's high school provides counseling and support 28713  
for the student related to the plan developed under division 28714  
(D)(3) of this section during the remainder of the student's high 28715  
school experience. 28716

(5)(a) Except as provided in division (D)(5)(b) of this 28717  
section, the student successfully completes, at a minimum, the 28718  
curriculum prescribed in division (B) of this section. 28719

(b) Beginning with students who enter ninth grade for the 28720  
first time on or after July 1, 2014, a student shall be required 28721  
to complete successfully, at the minimum, the curriculum 28722  
prescribed in division (B) of this section, except as follows: 28723

(i) Mathematics, four units, one unit which shall be one of 28724

the following:	28725
(I) Probability and statistics;	28726
(II) Computer science;	28727
(III) Applied mathematics or quantitative reasoning;	28728
(IV) Any other course approved by the department using	28729
standards established by the superintendent not later than October	28730
1, 2014.	28731
(ii) Elective units, five units;	28732
(iii) Science, three units as prescribed by division (B) of	28733
this section which shall include inquiry-based laboratory	28734
experience that engages students in asking valid scientific	28735
questions and gathering and analyzing information.	28736
The department, in collaboration with the chancellor, shall	28737
analyze student performance data to determine if there are	28738
mitigating factors that warrant extending the exception permitted	28739
by division (D) of this section to high school classes beyond	28740
those entering ninth grade before July 1, 2016. The department	28741
shall submit its findings and any recommendations not later than	28742
December 1, 2015, to the speaker and minority leader of the house	28743
of representatives, the president and minority leader of the	28744
senate, the chairpersons and ranking minority members of the	28745
standing committees of the house of representatives and the senate	28746
that consider education legislation, the state board of education,	28747
and the superintendent of public instruction.	28748
(E) Each school district and chartered nonpublic school	28749
retains the authority to require an even more challenging minimum	28750
curriculum for high school graduation than specified in division	28751
(B) or (C) of this section. A school district board of education,	28752
through the adoption of a resolution, or the governing authority	28753
of a chartered nonpublic school may stipulate any of the	28754

following:	28755
(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;	28756 28757
(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;	28758 28759 28760 28761 28762 28763
(3) That no exception comparable to that provided in division (D) of this section is available.	28764 28765
<u>If a school district or chartered nonpublic school requires a foreign language as an additional graduation requirement under division (E) of this section, a student may apply one unit of instruction in computer coding to satisfy one unit of foreign language. If a student applies more than one computer coding course to satisfy the foreign language requirement, the courses shall be sequential and progressively more difficult.</u>	28766 28767 28768 28769 28770 28771 28772
(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the requirements for graduation prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:	28773 28774 28775 28776 28777 28778 28779 28780 28781 28782
(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.	28783 28784
(2) The program enrolls students who, at the time of their	28785

initial enrollment, either, or both, are at least one grade level 28786  
behind their cohort age groups or experience crises that 28787  
significantly interfere with their academic progress such that 28788  
they are prevented from continuing their traditional programs. 28789

(3) The program requires students to attain at least the 28790  
applicable score designated for each of the assessments prescribed 28791  
under division (B)(1) of section 3301.0710 of the Revised Code or, 28792  
to the extent prescribed by rule of the state board under division 28793  
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 28794  
of that section. 28795

(4) The program develops a student success plan for the 28796  
student in the manner described in division (C)(1) of section 28797  
3313.6020 of the Revised Code that specifies the student's 28798  
matriculating to a two-year degree program, acquiring a business 28799  
and industry-recognized credential, or entering an apprenticeship. 28800

(5) The program provides counseling and support for the 28801  
student related to the plan developed under division (F)(4) of 28802  
this section during the remainder of the student's high school 28803  
experience. 28804

(6) The program requires the student and the student's 28805  
parent, guardian, or custodian to sign and file, in accordance 28806  
with procedural requirements stipulated by the program, a written 28807  
statement asserting the parent's, guardian's, or custodian's 28808  
consent to the student's graduating without completing the 28809  
requirements for graduation prescribed in division (C) of this 28810  
section and acknowledging that one consequence of not completing 28811  
those requirements is ineligibility to enroll in most state 28812  
universities in Ohio without further coursework. 28813

(7) Prior to receiving the waiver, the program has submitted 28814  
to the department an instructional plan that demonstrates how the 28815  
academic content standards adopted by the state board under 28816

section 3301.079 of the Revised Code will be taught and assessed. 28817

(8) Prior to receiving the waiver, the program has submitted 28818  
to the department a policy on career advising that satisfies the 28819  
requirements of section 3313.6020 of the Revised Code, with an 28820  
emphasis on how every student will receive career advising. 28821

(9) Prior to receiving the waiver, the program has submitted 28822  
to the department a written agreement outlining the future 28823  
cooperation between the program and any combination of local job 28824  
training, postsecondary education, nonprofit, and health and 28825  
social service organizations to provide services for students in 28826  
the program and their families. 28827

Divisions (F)(8) and (9) of this section apply only to 28828  
waivers granted on or after July 1, 2015. 28829

If the department does not act either to grant the waiver or 28830  
to reject the program application for the waiver within sixty days 28831  
as required under this section, the waiver shall be considered to 28832  
be granted. 28833

(G) Every high school may permit students below the ninth 28834  
grade to take advanced work. If a high school so permits, it shall 28835  
award high school credit for successful completion of the advanced 28836  
work and shall count such advanced work toward the graduation 28837  
requirements of division (B) or (C) of this section if the 28838  
advanced work was both: 28839

(1) Taught by a person who possesses a license or certificate 28840  
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 28841  
Code that is valid for teaching high school; 28842

(2) Designated by the board of education of the city, local, 28843  
or exempted village school district, the board of the cooperative 28844  
education school district, or the governing authority of the 28845  
chartered nonpublic school as meeting the high school curriculum 28846  
requirements. 28847

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript.

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the state board has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered through integrated instruction, the school district or school may administer the related subject area examinations upon the student's completion of the integrated course.

Nothing in division (I) of this section shall be construed to excuse any school district, chartered nonpublic school, or student from any requirement in the Revised Code related to curriculum,

assessments, or the awarding of a high school diploma. 28880

(J)(1) The state board, in consultation with the chancellor, 28881  
shall adopt a statewide plan implementing methods for students to 28882  
earn units of high school credit based on a demonstration of 28883  
subject area competency, instead of or in combination with 28884  
completing hours of classroom instruction. The state board shall 28885  
adopt the plan not later than March 31, 2009, and commence phasing 28886  
in the plan during the 2009-2010 school year. The plan shall 28887  
include a standard method for recording demonstrated proficiency 28888  
on high school transcripts. Each school district and community 28889  
school shall comply with the state board's plan adopted under this 28890  
division and award units of high school credit in accordance with 28891  
the plan. The state board may adopt existing methods for earning 28892  
high school credit based on a demonstration of subject area 28893  
competency as necessary prior to the 2009-2010 school year. 28894

(2) Not later than December 31, 2015, the state board shall 28895  
update the statewide plan adopted pursuant to division (J)(1) of 28896  
this section to also include methods for students enrolled in 28897  
seventh and eighth grade to meet curriculum requirements based on 28898  
a demonstration of subject area competency, instead of or in 28899  
combination with completing hours of classroom instruction. 28900  
Beginning with the 2017-2018 school year, each school district and 28901  
community school also shall comply with the updated plan adopted 28902  
pursuant to this division and permit students enrolled in seventh 28903  
and eighth grade to meet curriculum requirements based on subject 28904  
area competency in accordance with the plan. 28905

(3) Not later than December 31, 2017, the department shall 28906  
develop a framework for school districts and community schools to 28907  
use in granting units of high school credit to students who 28908  
demonstrate subject area competency through work-based learning 28909  
experiences, internships, or cooperative education. Beginning with 28910  
the 2018-2019 school year, each district and community school 28911

shall comply with the framework. Each district and community 28912  
school also shall review any policy it has adopted regarding the 28913  
demonstration of subject area competency to identify ways to 28914  
incorporate work-based learning experiences, internships, and 28915  
cooperative education into the policy in order to increase student 28916  
engagement and opportunities to earn units of high school credit. 28917

(K) This division does not apply to students who qualify for 28918  
graduation from high school under division (D) or (F) of this 28919  
section, or to students pursuing a career-technical instructional 28920  
track as determined by the school district board of education or 28921  
the chartered nonpublic school's governing authority. 28922  
Nevertheless, the general assembly encourages such students to 28923  
consider enrolling in a fine arts course as an elective. 28924

Beginning with students who enter ninth grade for the first 28925  
time on or after July 1, 2010, each student enrolled in a public 28926  
or chartered nonpublic high school shall complete two semesters or 28927  
the equivalent of fine arts to graduate from high school. The 28928  
coursework may be completed in any of grades seven to twelve. Each 28929  
student who completes a fine arts course in grade seven or eight 28930  
may elect to count that course toward the five units of electives 28931  
required for graduation under division (C)(8) of this section, if 28932  
the course satisfied the requirements of division (G) of this 28933  
section. In that case, the high school shall award the student 28934  
high school credit for the course and count the course toward the 28935  
five units required under division (C)(8) of this section. If the 28936  
course in grade seven or eight did not satisfy the requirements of 28937  
division (G) of this section, the high school shall not award the 28938  
student high school credit for the course but shall count the 28939  
course toward the two semesters or the equivalent of fine arts 28940  
required by this division. 28941

(L) Notwithstanding anything to the contrary in this section, 28942  
the board of education of each school district and the governing 28943

authority of each chartered nonpublic school may adopt a policy to 28944  
excuse from the high school physical education requirement each 28945  
student who, during high school, has participated in 28946  
interscholastic athletics, marching band, show choir, or 28947

section, the program shall apply to any public school in which 30157  
seventy per cent or more of the students enrolled in the school 30158  
during the previous school year were eligible under federal 30159  
requirements for free or reduced-price breakfasts or lunches. 30160

(b) In the second school year after the effective date of 30161  
this section, the program shall apply to any public school in 30162  
which sixty per cent or more of the students enrolled in the 30163

(C)(1) The department shall monitor each school participating 30187  
in the program and ensure that each participating school complies 30188  
with the requirements of this section. 30189

(2) If the board of education of a school district determines 30190  
that, for financial reasons, a school under the board's control 30191  
cannot comply with the requirements of this section or the board 30192

requirements. 30195

(D) Not later than the thirty-first day of December of each 30196  
school year, the department shall provide statistical reports on 30197

each school building; 30211

(2) The type of breakfast model used by each school building 30212

reduced-price lunch for each school building. 30215

**Sec. 3313.843.** (A) Notwithstanding division (D) of section 30216  
3311.52 of the Revised Code, this section does not apply to any 30217  
cooperative education school district. 30218

(B)(1) The board of education of each city, exempted village, 30219  
or local school district with an average daily student enrollment 30220  
of sixteen thousand or less, reported for the district on the most 30221  
recent report card issued under section 3302.03 of the Revised 30222  
Code, shall enter into an agreement with the governing board of an 30223  
educational service center, under which the educational service 30224  
center governing board will provide services to the district. 30225

(2) The board of education of a city, exempted village, or 30226  
local school district with an average daily student enrollment of 30227  
more than sixteen thousand may enter into an agreement with the 30228  
governing board of an educational service center, under which the 30229  
educational service center governing board will provide services 30230

to the district. 30231

(3) Services provided under an agreement entered into under 30232  
division (B)(1) or (2) of this section shall be specified in the 30233  
agreement, and may include any of the following: supervisory 30234  
teachers; in-service and continuing education programs for 30235

assistance in the provision of special accommodations and classes 30239  
for students with disabilities; or any other services the district 30240  
board and service center governing board agree can be better 30241  
provided by the service center and are not provided under an 30242  
agreement entered into under section 3313.845 of the Revised Code. 30243  
Services included in the agreement shall be provided to the 30244  
district in the manner specified in the agreement. The district 30245  
board of education shall reimburse the educational service center 30246  
governing board pursuant to division (H) of this section. 30247

(C) Any agreement entered into pursuant to this section shall 30248  
be filed with the department of education by the first day of July 30249  
of the school year for which the agreement is in effect. 30250

(D)(1) An agreement for services from an educational service 30251  
center entered into under this section may be terminated by the 30252  
school district board of education, at its option, by notifying 30253  
the governing board of the service center by March 1, 2012, or by 30254  
the first day of January of any odd-numbered year thereafter, that 30255  
the district board intends to terminate the agreement in that 30256  
year, and that termination shall be effective on the thirtieth day 30257  
of June of that year. The failure of a district board to notify an 30258  
educational service center of its intent to terminate an agreement 30259  
by March 1, 2012, shall result in renewal of the existing 30260  
agreement for the following school year. Thereafter, the failure 30261  
of a district board to notify an educational service center of its 30262

intent to terminate an agreement by the first day of January of an 30263  
odd-numbered year shall result in renewal of the existing 30264  
agreement for the following two school years. 30265

(2) If the school district that terminates an agreement for 30266  
services under division (D)(1) of this section is also subject to 30267  
the requirement of division (B)(1) of this section, the district 30268  
board shall enter into a new agreement with any educational 30269  
service center so that the new agreement is effective on the first 30270  
day of July of that same year. 30271

(3) If all moneys owed by a school district to an educational 30272  
service center under an agreement for services terminated under 30273  
division (D)(1) of this section have been paid in full by the 30274  
effective date of the termination, the governing board of the 30275  
service center shall submit an affidavit to the department 30276  
certifying that fact not later than fifteen days after the 30277  
termination's effective date. Notwithstanding anything in the 30278  
Revised Code to the contrary, until the department receives such 30279  
an affidavit, it shall not make any payments to any other 30280  
educational service center with which the district enters into an 30281  
agreement under this section for services that the educational 30282  
service center provides to the district. 30283

(E) An educational service center may apply to any state or 30284  
federal agency for competitive grants. It may also apply to any 30285  
private entity for additional funds. 30286

(F) Not later than January 1, 2014, each educational service 30287  
center shall post on its web site a list of all of the services 30288  
that it provides and the corresponding cost for each of those 30289  
services. 30290

(G)(1) For purposes of calculating any state operating 30291  
subsidy to be paid to an educational service center for the 30292  
operation of that service center and any services required under 30293

Title XXXVIII of the Revised Code to be provided by the service center to a school district, the service center's student count shall be the sum of the total student counts of all the school districts with which the educational service center has entered into an agreement under this section.

(2) When a district enters into a new agreement with a new educational service center, the department of education shall ensure that the state operating subsidy for services provided to the district is paid to the new educational service center and that the educational service center with which the district previously had an agreement is no longer paid a state operating subsidy for providing services to that district.

(H) Pursuant to division (B) of section 3317.023 of the Revised Code, the department annually shall deduct from each school district that enters into an agreement with an educational service center under this section, and pay to the service center, an amount equal to six dollars and fifty cents times the school district's total student count. The district board of education, or the district superintendent acting on behalf of the district board, may agree to pay an amount in excess of six dollars and fifty cents per student in total student count. If a majority of the boards of education, or superintendents acting on behalf of the boards, of the districts that entered into an agreement under this section approve an amount in excess of six dollars and fifty cents per student in total student count, each district shall pay the excess amount to the service center.

(I)(1) An educational service center may enter into a contract to purchase supplies, materials, equipment, and services, which may include those specified in division (B) of this section or Chapter 3312. of the Revised Code, or the delivery of such services, on behalf of a school district or political subdivision that has entered into an agreement with the service center under

this section or section 3313.844, 3313.845, or 3313.846 of the 30326  
Revised Code. 30327

(2) Purchases made by a school district or political 30328  
subdivision that has entered into an agreement with the service 30329  
center as described in this division are exempt from competitive 30330  
bidding required by law for the purchase of supplies, materials, 30331  
equipment, or services. No political subdivision shall make any 30332  
purchase under this division when the political subdivision has 30333  
received bids for such purchase, unless the same terms, 30334  
conditions, and specifications at a lower price can be made for 30335  
such purchase under this division. 30336

(J) Any school district, community school, or STEM school 30337  
that has entered into an agreement with an educational service 30338  
center under this section or section 3313.844 or 3313.845 of the 30339  
Revised Code shall be in compliance with federal law and exempt 30340  
from competitive bidding requirements for personnel-based services 30341  
pursuant to the authority granted to the Ohio department of 30342  
education under federal law, provided the service center has met 30343  
the following conditions: 30344

(K) For purposes of this section, a school district's "total 30351  
student count" means the average daily student enrollment reported 30352  
on the most recent report card issued for the district pursuant to 30353  
section 3302.03 of the Revised Code. 30354

section 3327.06 of the Revised Code. 30377

(2) A student may decide to utilize a pilot project 30378

(4) The department shall provide the parent of each scholarship student enrolled in a registered private school with information comparing the student's performance on the assessments administered pursuant to division (A)(11) of section 3313.976 of the Revised Code with the average performance of similar students enrolled in the building operated by the pilot project school	30521

district that the scholarship student would otherwise attend. In 30541  
calculating the performance of similar students, the department 30542  
shall consider age, grade, race and ethnicity, gender, and 30543  
socioeconomic status. 30544

(H)(1) Except as provided in division (H)(2) of this section, 30545  
for scholarships awarded the 2020-2021 school year and for each 30546  
school year thereafter, the department shall conduct two 30547  
application periods each year for the pilot project scholarship 30548  
program, as follows: 30549

(a) The first application period shall open not sooner than 30550  
the first day of February prior to the first day of July of the 30551  
school year for which a scholarship is sought and run not less 30552  
than seventy-five days. 30553

(b) The second application period shall open not sooner than 30554  
the first day of July of the school year for which the scholarship 30555  
is sought and run not less than thirty days. 30556

(2) If the pilot scholarships awarded in the first 30557  
application period for any school year use the entirety of the 30558  
amount appropriated by the general assembly for such scholarships 30559  
for that school year, the department need not conduct a second 30560  
application period for scholarships. If, after the first 30561  
application period, there are funds remaining to award, the 30562  
department shall conduct a second application period in accordance 30563  
with division (H)(1)(b) of this section. 30564

(3) Not later than the thirty-first day of May of each school 30565  
year, the department shall determine whether funds remain 30566  
available for scholarships under the pilot project scholarship 30567  
program after the first application period. 30568

(4) For scholarships awarded for any school year prior to the 30569  
2020-2021 school year, the state superintendent shall establish a 30570  
deadline for a single application period. 30571

Sec. 3314.016. This section applies to any entity that 30572  
sponsors a community school, regardless of whether section 30573  
3314.021 or 3314.027 of the Revised Code exempts the entity from 30574  
the requirement to be approved for sponsorship under divisions 30575  
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 30576  
office of Ohio school sponsorship established under section 30577  
3314.029 of the Revised Code shall be rated under division (B) of 30578  
this section, but divisions (A) and (C) of this section do not 30579  
apply to the office. 30580

(A) An entity that sponsors a community school shall be 30581  
permitted to enter into contracts under section 3314.03 of the 30582  
Revised Code to sponsor additional community schools only if the 30583  
entity meets all of the following criteria: 30584

(1) The entity is in compliance with all provisions of this 30585  
chapter requiring sponsors of community schools to report data or 30586  
information to the department of education. 30587

(2) The entity is not rated as "ineffective" under division 30588  
(B)(6) of this section. 30589

(3) Except as set forth in sections 3314.021 and 3314.027 of 30590  
the Revised Code, the entity has received approval from and 30591  
entered into an agreement with the department of education 30592  
pursuant to section 3314.015 of the Revised Code. 30593

(B)(1) The department shall develop and implement an 30594  
evaluation system that annually rates and assigns an overall 30595  
rating to each entity that sponsors a community school. The 30596  
department, not later than the first day of February of each year, 30597  
shall post on the department's web site the framework for the 30598  
evaluation system, including technical documentation that the 30599  
department intends to use to rate sponsors for the next school 30600  
year. The department shall solicit public comment on the 30601  
evaluation system for thirty consecutive days. Not later than the 30602

first day of April of each year, the department shall compile and 30603  
post on the department's web site all public comments that were 30604  
received during the public comment period. The evaluation system 30605  
shall be posted on the department's web site by the fifteenth day 30606  
of July of each school year. Any changes to the evaluation system 30607  
after that date shall take effect the following year. The 30608  
evaluation system shall be based on the following components: 30609

(a) Academic performance of students enrolled in community 30610  
schools sponsored by the same entity. The academic performance 30611  
component shall be derived from the performance measures 30612  
prescribed for the state report cards under section 3302.03 or 30613  
3314.017 of the Revised Code, and shall be based on the 30614  
performance of the schools for the school year for which the 30615  
evaluation is conducted. In addition to the academic performance 30616  
for a specific school year, the academic performance component 30617  
shall also include year-to-year changes in the overall sponsor 30618  
portfolio. For a community school for which no graded performance 30619  
measures are applicable or available, the department shall use 30620  
nonreport card performance measures specified in the contract 30621  
between the community school and the sponsor under division (A)(4) 30622  
of section 3314.03 of the Revised Code. 30623

(b) Adherence by a sponsor to the quality practices 30624  
prescribed by the department under division (B)(3) of this 30625  
section. For a sponsor that was rated "effective" or "exemplary" 30626  
on its most recent rating, the department may evaluate that 30627  
sponsor's adherence to quality practices once over a period of 30628  
three years. If the department elects to evaluate a sponsor once 30629  
over a period of three years, the most recent rating for a 30630  
sponsor's adherence to quality practices shall be used when 30631  
determining an annual overall rating conducted under this section. 30632

(c) Compliance with all applicable laws and administrative 30633  
rules by an entity that sponsors a community school. 30634

(2) In calculating an academic performance component, the department shall exclude all community schools that have been in operation for not more than two full school years and all community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code. However, the academic performance of the community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code shall be reported, but shall not be used as a factor when determining a sponsoring entity's rating under this section.

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization.

(4)(a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B)(3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section.

(b) The department shall require individuals participating in peer review under division (B)(4)(a) of this section to complete training approved or established by the department.

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program.

(5) Not later than July 1, 2013, the state board of education shall adopt rules in accordance with Chapter 119. of the Revised

Code prescribing standards for measuring compliance with 30666  
applicable laws and rules under division (B)(1)(c) of this 30667  
section. 30668

(6) The department annually shall rate all entities that 30669  
sponsor community schools as either "exemplary," "effective," 30670  
"ineffective," or "poor," based on the components prescribed by 30671  
division (B) of this section, where each component is weighted 30672  
equally. A separate rating shall be given by the department for 30673  
each component of the evaluation system. 30674

The department shall publish the ratings between the first 30675  
day of October and the fifteenth day of November. 30676

Prior to the publication of the final ratings, the department 30677  
shall designate and provide notice of a period of at least ten 30678  
business days during which each sponsor may review the information 30679  
used by the department to determine the sponsor's rating on the 30680  
components prescribed by ~~divisions~~ division (B)(1)(~~b~~) and (~~e~~) of 30681  
this section. If the sponsor believes there is an error in the 30682  
department's evaluation, the sponsor may request adjustments to 30683  
the rating of ~~either~~ any of those components based on 30684  
documentation previously submitted as part of an evaluation. The 30685  
sponsor shall provide to the department any necessary evidence or 30686  
information to support the requested adjustments. The department 30687  
shall review the evidence and information, determine whether an 30688  
adjustment is valid, and promptly notify the sponsor of its 30689  
determination and reasons. If any adjustments to the data could 30690  
result in a change to the rating on the applicable component or to 30691  
the overall rating, the department shall recalculate the ratings 30692  
prior to publication. 30693

The department shall provide training on an annual basis 30694  
regarding the evaluation system prescribed under this section. The 30695  
training shall, at a minimum, describe methodology, timelines, and 30696  
data required for the evaluation system. The first training 30697

session shall occur not later than March 2, 2016. Beginning in 30698  
2018, the training shall be made available to each entity that 30699  
sponsors a community school by the fifteenth day of July of each 30700  
year and shall include guidance on any changes made to the 30701  
evaluation system. 30702

(7)(a) Entities with an overall rating of "exemplary" for at 30703  
least two consecutive years may take advantage of the following 30704  
incentives: 30705

(i) Renewal of the written agreement with the department, not 30706  
to exceed ten years, provided that the entity consents to 30707  
continued evaluation of adherence to quality practices as 30708  
described in division (B)(1)(b) of this section; 30709

(ii) The ability to extend the term of the contract between 30710  
the sponsoring entity and the community school beyond the term 30711  
described in the written agreement with the department; 30712

(iii) An exemption from the preliminary agreement and 30713  
contract adoption and execution deadline requirements prescribed 30714  
in division (D) of section 3314.02 of the Revised Code; 30715

(iv) An exemption from the automatic contract expiration 30716  
requirement, should a new community school fail to open by the 30717  
thirtieth day of September of the calendar year in which the 30718  
community school contract is executed; 30719

(v) No limit on the number of community schools the entity 30720  
may sponsor; 30721

(vi) No territorial restrictions on sponsorship. 30722

An entity may continue to sponsor any community schools with 30723  
which it entered into agreements under division (B)(7)(a)(v) or 30724  
(vi) of this section while rated "exemplary," notwithstanding the 30725  
fact that the entity later receives a lower overall rating. 30726

(b) Entities with an overall rating of "exemplary" or 30727

"effective" for at least three consecutive years shall be 30728  
evaluated by the department once every three years. 30729

(c)(i) Entities that receive an overall rating of 30730  
"ineffective" shall be prohibited from sponsoring any new or 30731  
additional community schools during the time in which the sponsor 30732  
is rated as "ineffective" and shall be subject to a quality 30733  
improvement plan based on correcting the deficiencies that led to 30734  
the "ineffective" rating, with timelines and benchmarks that have 30735  
been established by the department. 30736

(ii) Entities that receive an overall rating of "ineffective" 30737  
on their three most recent ratings shall have all sponsorship 30738  
authority revoked. Within thirty days after receiving its third 30739  
rating of "ineffective," the entity may appeal the revocation of 30740  
its sponsorship authority to the superintendent of public 30741  
instruction, who shall appoint an independent hearing officer to 30742  
conduct a hearing in accordance with Chapter 119. of the Revised 30743  
Code. The hearing shall be conducted within thirty days after 30744  
receipt of the notice of appeal. Within forty-five days after the 30745  
hearing is completed, the state board of education shall determine 30746  
whether the revocation is appropriate based on the hearing 30747  
conducted by the independent hearing officer, and if determined 30748  
appropriate, the revocation shall be confirmed. 30749

~~(e)~~(d) Entities that receive an overall rating of "poor" 30750  
shall have all sponsorship authority revoked. Within thirty days 30751  
after receiving a rating of "poor," the entity may appeal the 30752  
revocation of its sponsorship authority to the superintendent of 30753  
public instruction, who shall appoint an independent hearing 30754  
officer to conduct a hearing in accordance with Chapter 119. of 30755  
the Revised Code. The hearing shall be conducted within thirty 30756  
days after receipt of the notice of appeal. Within forty-five days 30757  
after the hearing is completed, the state board of education shall 30758  
determine whether the revocation is appropriate based on the 30759

hearing conducted by the independent hearing officer, and if 30760  
determined appropriate, the revocation shall be confirmed. 30761

(8) For the 2014-2015 school year and each school year 30762  
thereafter, student academic performance prescribed under division 30763  
(B)(1)(a) of this section shall include student academic 30764  
performance data from community schools that primarily serve 30765  
students enrolled in a dropout prevention and recovery program. 30766

(C) If the governing authority of a community school enters 30767  
into a contract with a sponsor prior to the date on which the 30768  
sponsor is prohibited from sponsoring additional schools under 30769  
division (A) of this section and the school has not opened for 30770  
operation as of that date, that contract shall be void and the 30771  
school shall not open until the governing authority secures a new 30772  
sponsor by entering into a contract with the new sponsor under 30773  
section 3314.03 of the Revised Code. However, the department's 30774  
office of Ohio school sponsorship, established under section 30775  
3314.029 of the Revised Code, may assume the sponsorship of the 30776  
school until the earlier of the expiration of two school years or 30777  
until a new sponsor is secured by the school's governing 30778  
authority. A community school sponsored by the department under 30779  
this division shall not be included when calculating the maximum 30780  
number of directly authorized community schools permitted under 30781  
division (A)(3) of section 3314.029 of the Revised Code. 30782

(D) When an entity's authority to sponsor schools is revoked 30783  
pursuant to division (B)(7)(b) or (c) of this section, the office 30784  
of Ohio school sponsorship shall assume sponsorship of any schools 30785  
with which the original sponsor has contracted for the remainder 30786  
of that school year. The office may continue sponsoring those 30787  
schools until the earlier of: 30788

(1) The expiration of two school years from the time that 30789  
sponsorship is revoked; 30790

(2) When a new sponsor is secured by the governing authority 30791  
pursuant to division (C)(1) of section 3314.02 of the Revised 30792  
Code. 30793

Any community school sponsored under this division shall not 30794  
be counted for purposes of directly authorized community schools 30795  
under division (A)(3) of section 3314.029 of the Revised Code. 30796

(E) The department shall recalculate the rating for the 30797  
2017-2018 school year for each sponsor of a community school that 30798  
receives recalculated ratings pursuant to division (I) of section 30799  
3314.017 of the Revised Code. 30800

**Sec. 3314.017.** (A) The state board of education shall 30801  
prescribe by rules, adopted in accordance with Chapter 119. of the 30802  
Revised Code, an academic performance rating and report card 30803  
system that satisfies the requirements of this section for 30804  
community schools that primarily serve students enrolled in 30805  
dropout prevention and recovery programs as described in division 30806  
(A)(4)(a) of section 3314.35 of the Revised Code, to be used in 30807  
lieu of the system prescribed under sections 3302.03 and 3314.012 30808  
of the Revised Code beginning with the 2012-2013 school year. Each 30809  
such school shall comply with the testing and reporting 30810  
requirements of the system as prescribed by the state board. 30811

(B) Nothing in this section shall at any time relieve a 30812  
school from its obligations under the "No Child Left Behind Act of 30813  
2001" to make "adequate yearly progress," as both that act and 30814  
that term are defined in section 3302.01 of the Revised Code, or a 30815  
school's amenability to the provisions of section 3302.04 or 30816  
3302.041 of the Revised Code. The department of education shall 30817  
continue to report each school's performance as required by the 30818  
act and to enforce applicable sanctions under section 3302.04 or 30819  
3302.041 of the Revised Code. 30820

(D)(1) The state board's rules shall prescribe the expected performance levels and benchmarks for each of the indicators prescribed by division (C) of this section based on the data gathered by the department under division <del>(F)</del> (G) of this section. Based on a school's level of attainment or nonattainment of the expected performance levels and benchmarks for each of the indicators, the department shall rate each school in one of the following categories:	30861 30862 30863 30864 30865 30866 30867 30868

The rating and the relevant performance data for each school shall be posted on the department's web site, and a copy of the rating and data shall be provided to the governing authority of the community school.
