(6131.061) be amended for the purpose of adopting new section 49  
numbers as indicated in parentheses; and new sections 940.25, 50  
940.26, 940.27, 940.28, 940.29, 940.30, and 940.34 and sections 51  
940.38, 940.39, and 6131.101 of the Revised Code be enacted to 52  
read as follows: 53

**Sec. 305.31.** The procedure for submitting to a referendum 54  
a resolution adopted by a board of county commissioners under 55  
division (H) of section 307.695 of the Revised Code that is not 56  
submitted to the electors of the county for their approval or 57  
disapproval; any resolution adopted by a board of county 58  
commissioners pursuant to division (D)(1) of section 307.697, 59  
section 322.02, or 322.06, sections ~~940.31-940.32~~ and ~~940.33-~~ 60  
940.35, division (B)(1) of section 4301.421, section 4504.02, 61  
5739.021, or 5739.026, division (A)(6), (A)(10), or (M) of 62  
section 5739.09, section 5741.021 or 5741.023, or division (C) 63  
(1) of section 5743.024 of the Revised Code; or a rule adopted 64  
pursuant to section 307.79 of the Revised Code shall be as 65  
prescribed by this section. 66

Except as otherwise provided in this paragraph, when a 67  
petition, signed by ten per cent of the number of electors who 68  
voted for governor at the most recent general election for the 69  
office of governor in the county, is filed with the county 70  
auditor within thirty days after the date the resolution is 71  
passed or rule is adopted by the board of county commissioners, 72  
or is filed within forty-five days after the resolution is 73  
passed, in the case of a resolution adopted pursuant to section 74  
5739.021 of the Revised Code that is passed within one year 75  
after a resolution adopted pursuant to that section has been 76  
rejected or repealed by the electors, requesting that the 77

resolution be submitted to the electors of the county for their 78  
approval or rejection, the county auditor shall, after ten days 79  
following the filing of the petition, and not later than four 80  
p.m. of the ninetieth day before the day of election, transmit a 81  
certified copy of the text of the resolution or rule to the 82  
board of elections. In the case of a petition requesting that a 83  
resolution adopted under division (D) (1) of section 307.697, 84  
division (B) (1) of section 4301.421, or division (C) (1) of 85  
section 5743.024 of the Revised Code be submitted to electors 86  
for their approval or rejection, the petition shall be signed by 87  
seven per cent of the number of electors who voted for governor 88  
at the most recent election for the office of governor in the 89  
county. The county auditor shall transmit the petition to the 90  
board together with the certified copy of the resolution or 91  
rule. The board shall examine all signatures on the petition to 92  
determine the number of electors of the county who signed the 93  
petition. The board shall return the petition to the auditor 94  
within ten days after receiving it, together with a statement 95  
attesting to the number of such electors who signed the 96  
petition. The board shall submit the resolution or rule to the 97  
electors of the county, for their approval or rejection, at the 98  
succeeding general election held in the county in any year, or 99  
on the day of the succeeding primary election held in the county 100  
in even-numbered years, occurring subsequent to ninety days 101  
after the auditor certifies the sufficiency and validity of the 102  
petition to the board of elections. 103

No resolution shall go into effect until approved by the 104  
majority of those voting upon it. However, a rule shall take 105  
effect and remain in effect unless and until a majority of the 106  
electors voting on the question of repeal approve the repeal. 107  
Sections 305.31 to 305.41 of the Revised Code do not prevent a 108

county, after the passage of any resolution or adoption of any 109  
rule, from proceeding at once to give any notice or make any 110  
publication required by the resolution or rule. 111

The board of county commissioners shall make available to 112  
any person, upon request, a certified copy of any resolution or 113  
rule subject to the procedure for submitting a referendum under 114  
sections 305.31 to 305.42 of the Revised Code beginning on the 115  
date the resolution or rule is adopted by the board. The board 116  
may charge a fee for the cost of copying the resolution or rule. 117

As used in this section, "certified copy" means a copy 118  
containing a written statement attesting that it is a true and 119  
exact reproduction of the original resolution or rule. 120

**Sec. 940.01.** As used in this chapter: 121

(A) "Soil and water conservation district" means a 122  
district organized in accordance with this chapter. 123

(B) "Supervisor" means one of the members of the governing 124  
body of a district. 125

(C) "Landowner," "owner," or "owner of land" means an 126  
owner of record as shown by the records in the office of the 127  
county recorder. With respect to an improvement or a proposed 128  
improvement, "landowner," "owner," or "owner of land" also 129  
includes any public corporation and the director of any 130  
department, office, or institution of the state that is affected 131  
by the improvement or that would be affected by the proposed 132  
improvement, but that does not own any right, title, estate, or 133  
interest in or to any real property. 134

(D) "Land occupier" or "occupier of land" means any 135  
person, firm, or corporation that controls the use of land 136  
whether as landowner, lessee, renter, or tenant. 137

(E) "Due notice" means notice published at least twice, 138  
stating time and place, with an interval of at least thirteen 139  
days between the two publication dates, in a newspaper of 140  
general circulation within a soil and water conservation 141  
district. 142

(F) "Agricultural pollution" means failure to use 143  
management or conservation practices in farming or silvicultural 144  
operations to abate wind or water erosion of the soil or to 145  
abate the degradation of the waters of the state by residual 146  
farm products, manure, or soil sediment, including substances 147  
attached thereto. 148

(G) "Urban sediment pollution" means failure to use 149  
management or conservation practices to abate wind or water 150  
erosion of the soil or to abate the degradation of the waters of 151  
the state by soil sediment in conjunction with land grading, 152  
excavating, filling, or other soil disturbing activities on land 153  
used or being developed for nonfarm commercial, industrial, 154  
residential, or other nonfarm purposes, except lands being used 155  
in a strip mine operation as defined in section 1513.01 of the 156  
Revised Code and except lands being used in a surface mining 157  
operation as defined in section 1514.01 of the Revised Code. 158

(H) "Uniform assessment" means an assessment that is both 159  
of the following: 160

(1) Based upon a complete appraisal of ~~each~~ both of the 161  
following: 162

(a) Each parcel of land, together with all improvements 163  
thereon, within a project the area that will benefit from a 164  
proposed improvement; and of the 165

(b) The benefits or damages brought about as a result of 166

the ~~project~~ proposed improvement that is determined by criteria 167  
applied equally to all parcels within the ~~project area~~, that 168  
will benefit from the proposed improvement. 169

(2) Levied upon the parcels at a uniform rate on the basis 170  
of the appraisal. 171

(I) "Varied assessment" means any assessment that does not 172  
meet the criteria established in division (H) of this section. 173

~~(J) "Project area" means an area determined and certified-~~ 174  
~~by the supervisors of a soil and water conservation district-~~ 175  
~~under section 940.25 of the Revised Code.~~ 176

~~(K)~~ "Benefit" or "benefits" means advantages to land and 177  
owners, to public corporations, and to the state resulting from 178  
drainage, conservation, control, and management of water and 179  
from environmental, wildlife, and recreational improvements. 180  
"Benefit" or "benefits" includes, but is not limited to, any of 181  
the following factors: 182

(1) Elimination or reduction of damage from flooding; 183

(2) Removal of water conditions that jeopardize public 184  
health, safety, or welfare; 185

(3) Increased value of land resulting from an improvement; 186

(4) Use of water for irrigation, storage, regulation of 187  
stream flow, soil conservation, water supply, or any other 188  
incidental purpose; 189

(5) Providing an outlet for the accelerated runoff from 190  
artificial drainage if a stream, watercourse, channel, or ditch 191  
that is under improvement is called upon to discharge functions 192  
for which it was not designed. Uplands that have been removed 193  
from their natural state by deforestation, cultivation, 194

artificial drainage, urban development, or other human methods 195  
shall be considered to be benefited by an improvement that is 196  
required to dispose of the accelerated flow of water from the 197  
uplands. 198

~~(I)~~ (K) "Improvement" or "conservation works of 199  
improvement" means an improvement that is made under the 200  
authority established in division (C) of section 940.06 of the 201  
Revised Code. 202

~~(M)~~ (L) "Land" has the same meaning as in section 6131.01 203  
of the Revised Code. 204

~~(N)~~ (M) "Manure," "operation and management plan," and 205  
"residual farm products" have the same meanings as in section 206  
939.01 of the Revised Code. 207

~~(O)~~ (N) "Voluntary nutrient management plan" has the same 208  
meaning as in section 905.31 of the Revised Code. 209

(O) "Lead county" means the county in which the majority 210  
of the initial length of a proposed improvement would be 211  
located, as set forth in a petition, when the proposed 212  
improvement would be located in two or more counties. 213

(P) "Day" means calendar day. 214

**Sec. 940.02.** There is hereby established in the department 215  
of agriculture the Ohio soil and water conservation commission. 216  
The commission shall consist of seven members of equal status 217  
and authority, six of whom shall be appointed by the governor 218  
with the advice and consent of the senate, and one of whom shall 219  
be designated by resolution of the board of directors of the 220  
Ohio federation of soil and water conservation districts. The 221  
directors of agriculture, environmental protection, and natural 222  
resources, the vice-president for agricultural administration of 223

the Ohio state university, and an officer of the Ohio federation 224  
of soil and water conservation districts, or their designees, 225  
may serve as ex officio members of the commission, but without 226  
the power to vote. A vacancy in the office of an appointed 227  
member shall be filled by the governor, with the advice and 228  
consent of the senate. Any member appointed to fill a vacancy 229  
occurring prior to the expiration of the term for which the 230  
member's predecessor was appointed shall hold office for the 231  
remainder of that term. Of the appointed members, four shall be 232  
persons who have a knowledge of or interest in agricultural 233  
production and the natural resources of the state. One member 234  
shall represent rural interests and one member shall represent 235  
urban interests. Not more than three of the appointed members 236  
shall be members of the same political party. 237

Terms of office of the member designated by the board of 238  
directors of the federation and the members appointed by the 239  
governor shall be for four years, commencing on the first day of 240  
July and ending on the thirtieth day of June. 241

Each appointed member shall hold office from the date of 242  
appointment until the end of the term for which the member was 243  
appointed. Any appointed member shall continue in office 244  
subsequent to the expiration date of the member's term until the 245  
member's successor takes office, or until a period of sixty days 246  
has elapsed, whichever occurs first. 247

The commission shall organize by selecting from its 248  
members a chairperson and a vice-chairperson. The commission 249  
shall hold at least one regular meeting in each quarter of each 250  
calendar year and shall keep a record of its proceedings, which 251  
shall be open to the public for inspection. Special meetings may 252  
be called by the chairperson and shall be called by the 253

chairperson upon receipt of a written request signed by two or 254  
more members of the commission. Written notice of the time and 255  
place of each meeting shall be sent to each member of the 256  
commission. A majority of the commission shall constitute a 257  
quorum. 258

The commission may adopt rules as necessary to carry out 259  
the purposes of this chapter, subject to Chapter 119. of the 260  
Revised Code. 261

The governor may remove any appointed member of the 262  
commission at any time for inefficiency, neglect of duty, or 263  
malfeasance in office, after giving to the member a copy of the 264  
charges against the member and an opportunity to be heard 265  
publicly in person or by counsel in the member's defense. Any 266  
such act of removal by the governor is final. A statement of the 267  
findings of the governor, the reason for the governor's action, 268  
and the answer, if any, of the member shall be filed by the 269  
governor with the secretary of state and shall be open to public 270  
inspection. 271

All members of the commission shall be reimbursed for the 272  
necessary expenses incurred by them in the performance of their 273  
duties as members. 274

Upon recommendation by the commission, the director of 275  
agriculture shall designate an executive secretary and provide 276  
staff necessary to carry out the powers and duties of the 277  
commission. 278

The commission shall do all of the following: 279

(A) Determine distribution of funds under section 940.15 280  
of the Revised Code, recommend to the director and other 281  
agencies the levels of appropriations to special funds 282

established to assist soil and water conservation districts, and 283  
recommend the amount of federal funds to be requested and 284  
policies for the use of such funds in support of soil and water 285  
conservation district programs; 286

(B) Assist in keeping the board of supervisors of soil and 287  
water conservation districts informed of ~~their~~its powers and 288  
duties, program opportunities, and the activities and experience 289  
of all other districts, and facilitate the interchange of 290  
advice, experience, and cooperation between the districts; 291

(C) Seek the cooperation and assistance of the federal 292  
government or any of its agencies, and of agencies of this 293  
state, in the work of the districts; 294

(D) Adopt appropriate rules governing the conduct of 295  
elections provided for in this chapter, subject to Chapter 119. 296  
of the Revised Code, provided that only owners and occupiers of 297  
lands situated within the boundaries of the districts or 298  
proposed districts to which the elections apply shall be 299  
eligible to vote in the elections; 300

(E) Recommend to the director priorities for planning and 301  
construction of small watershed projects, and make 302  
recommendations to the director concerning coordination of 303  
programs as proposed and implemented in agreements with soil and 304  
water conservation districts; 305

(F) Recommend to the director, the governor, and the 306  
general assembly programs and legislation with respect to the 307  
operations of soil and water conservation districts that will 308  
encourage proper soil, water, and other natural resource 309  
management and promote the economic and social development of 310  
the state; 311

(G) Recommend to the director of agriculture a procedure 312  
for coordination of a program of agricultural pollution 313  
abatement. Implementation of such a program shall be based on 314  
water quality standards adopted pursuant to section 6111.041 of 315  
the Revised Code. The director of environmental protection may 316  
coordinate with the division of soil and water conservation in 317  
the department of agriculture and soil and water conservation 318  
districts for the abatement of agricultural pollution. 319

**Sec. 940.05.** The ~~governing body~~ board of supervisors of a 320  
soil and water conservation district shall consist of five 321  
supervisors, as provided for in section 940.04 of the Revised 322  
Code. 323

The ~~supervisors~~ board shall organize annually by selecting 324  
a chairperson, a secretary, and a treasurer. ~~They~~ It shall 325  
designate one of ~~their~~ its members as fiscal agent. A majority 326  
of the ~~five supervisors~~ board shall constitute a quorum. The 327  
concurrence of a majority of the ~~five supervisors~~ board in any 328  
matter shall be required for its determination. A supervisor 329  
shall receive no compensation for the supervisor's services, 330  
except when both of the following occur: 331

(A) A district board of supervisors designates one or more 332  
of its supervisors to represent the district on a joint district 333  
board or if an agency or instrumentality of the United States, 334  
of this state, or of a political subdivision of this state 335  
requires or requests district board representation; 336

(B) Such compensation is provided for by public moneys 337  
other than moneys in the special fund of the local district 338  
created pursuant to section 940.12 of the Revised Code. 339

A supervisor is entitled to be reimbursed for the 340

necessary expenses incurred in the discharge of official duties. 341

The ~~supervisors~~ board of supervisors shall furnish to the 342  
Ohio soil and water conservation commission, upon its request, 343  
copies of rules, orders, contracts, forms, and other documents 344  
~~they adopt or employ~~ it adopts or employs and other information 345  
concerning ~~their~~ its activities as it requires in the 346  
performance of its duties under this chapter. 347

At least once each year, a district shall submit to the 348  
commission a report of progress and operations, including a 349  
summary of receipts and disbursements during the period covered 350  
by the report. A district shall submit additional financial 351  
reports as requested by the commission. 352

The ~~supervisors~~ board shall provide for the execution of 353  
surety bonds for all employees and officers who are entrusted 354  
with funds and shall provide for the keeping of a full and 355  
accurate record of all proceedings and of all resolutions and 356  
orders issued or adopted. Any supervisor may be removed by the 357  
commission upon notice and hearing for neglect of duty or 358  
malfeasance in office. 359

**Sec. 940.06.** The board of supervisors of a soil and water 360  
conservation district have the following powers in addition to 361  
~~their~~ its other powers: 362

(A) To conduct surveys, investigations, and research 363  
relating to the character of soil erosion, floodwater and 364  
sediment damages, and the preventive and control measures and 365  
works of improvement for flood prevention and the conservation, 366  
development, utilization, and disposal of water needed within 367  
the district, and to publish the results of those surveys, 368  
investigations, or research, provided that no district shall 369

initiate any research program except in cooperation or after 370  
consultation with the Ohio agricultural research and development 371  
center; 372

(B) To develop plans for the conservation of soil 373  
resources, for the control and prevention of soil erosion, and 374  
for works of improvement for flood prevention and the 375  
conservation, development, utilization, and disposal of water 376  
within the district, and to publish those plans and information; 377

(C) To implement, construct, repair, maintain, and operate 378  
preventive and control measures and other works of improvement 379  
for natural resource conservation and development and flood 380  
prevention, and the conservation, development, utilization, and 381  
disposal of water within the district on lands owned or 382  
controlled by this state or any of its agencies and on any other 383  
lands within the district, which works may include any 384  
facilities authorized under state or federal programs, and to 385  
acquire, by purchase or gift, to hold, encumber, or dispose of, 386  
and to lease real and personal property or interests in such 387  
property for those purposes; 388

(D) To cooperate or enter into agreements with any 389  
occupier of lands within the district in the carrying on of 390  
natural resource conservation operations and works of 391  
improvement for flood prevention and the conservation, 392  
development, utilization, and management of natural resources 393  
within the district, subject to such conditions as the 394  
supervisors consider necessary; 395

(E) To accept donations, gifts, grants, and contributions 396  
in money, service, materials, or otherwise, and to use or expend 397  
them according to their terms; 398

(F) To adopt, amend, and rescind rules to carry into effect the purposes and powers of the district;	399 400
(G) To sue and plead in the name of the district, and be sued and impleaded in the name of the district, with respect to its contracts and, as indicated in section 940.07 of the Revised Code, certain torts of its officers, employees, or agents acting within the scope of their employment or official responsibilities, or with respect to the enforcement of its obligations and covenants made under this chapter;	401 402 403 404 405 406 407
(H) To make and enter into all contracts, leases, and agreements and execute all instruments necessary or incidental to the performance of the duties and the execution of the powers of the district under this chapter, provided that all of the following apply:	408 409 410 411 412
(1) Except as provided in section 307.86 of the Revised Code regarding expenditures by boards of county commissioners, when the cost under any such contract, lease, or agreement, other than compensation for personal services or rental of office space, involves an expenditure of more than the amount established in that section regarding expenditures by boards of county commissioners, the <del>supervisors</del> <u>board</u> shall make a written contract with the lowest and best bidder after advertisement, for not less than two nor more than four consecutive weeks preceding the day of the opening of bids, in a newspaper of general circulation within the district or as provided in section 7.16 of the Revised Code and in such other publications as the supervisors determine. The notice shall state the general character of the work and materials to be furnished, the place where plans and specifications may be examined, and the time and place of receiving bids.	413 414 415 416 417 418 419 420 421 422 423 424 425 426 427 428

- (2) Each bid for a contract shall contain the full name of every person interested in it. 429  
430
- (3) Each bid for a contract for the construction, demolition, alteration, repair, or reconstruction of an improvement shall meet the requirements of section 153.54 of the Revised Code. 431  
432  
433  
434
- (4) Each bid for a contract, other than a contract for the construction, demolition, alteration, repair, or reconstruction of an improvement, at the discretion of the ~~supervisors~~ board, may be accompanied by a bond or certified check on a solvent bank in an amount not to exceed five per cent of the bid, conditioned that, if the bid is accepted, a contract shall be entered into. 435  
436  
437  
438  
439  
440  
441
- (5) The ~~supervisors~~ board may reject any and all bids. 442
- (I) To charge, alter, and collect rentals and other charges for the use or services of any works of the district; 443  
444
- (J) To enter, either in person or by designated representatives, upon lands, private or public, in the necessary discharge of their duties; 445  
446  
447
- (K) To enter into agreements or contracts with the department of agriculture for the determination, implementation, inspection, and funding of agricultural pollution abatement measures whereby landowners, operators, managers, and developers may meet adopted state standards for a quality environment, except that failure of a ~~district board of supervisors~~ to negotiate an agreement or contract with the department authorizes the department to implement the required program; 448  
449  
450  
451  
452  
453  
454  
455
- (L) To conduct demonstrations and provide information to the public regarding practices and methods for natural resource 456  
457

conservation, development, and utilization; 458

(M) To enter into contracts or agreements with the 459  
director of environmental protection in furtherance of actions 460  
to abate urban sediment pollution; 461

(N) To develop operation and management plans as 462  
necessary; 463

(O) To determine whether operation and management plans 464  
developed under division (A) of section 939.03 of the Revised 465  
Code comply with the standards established under division (E) (1) 466  
of section 939.02 of the Revised Code and to approve or 467  
disapprove the plans, based on such compliance. If an operation 468  
and management plan is disapproved, the board shall provide a 469  
written explanation to the person who submitted the plan. The 470  
person may appeal the plan disapproval to the director of 471  
agriculture or the director's designee, who shall afford the 472  
person a hearing. Following the hearing, the director or the 473  
director's designee shall uphold the plan disapproval or reverse 474  
it. If the director or the director's designee reverses the plan 475  
disapproval, the plan shall be deemed approved under this 476  
division. In the event that any person operating or owning 477  
agricultural land or an animal feeding operation in accordance 478  
with an approved operation and management plan who, in good 479  
faith, is following that plan, causes agricultural pollution, 480  
the plan shall be revised in a fashion necessary to mitigate the 481  
agricultural pollution, as determined and approved by the board 482  
~~of supervisors of the soil and water conservation district.~~ 483

(P) To develop timber harvest plans; 484

(Q) To determine whether timber harvest plans developed 485  
under division (A) of section 1503.52 of the Revised Code comply 486

with the standards established under division (A) (1) of section 487  
1503.51 of the Revised Code and to approve or disapprove the 488  
plans based on such compliance. If a timber harvest plan is 489  
disapproved, the board shall provide a written explanation to 490  
the person who submitted the plan. The person may appeal the 491  
plan disapproval to the chief of the division of forestry or the 492  
chief's designee, who shall afford the person a hearing. 493  
Following the hearing, the chief or the chief's designee shall 494  
uphold the plan disapproval or reverse it. If the chief or the 495  
chief's designee reverses the plan disapproval, the plan shall 496  
be deemed approved under this division. 497

(R) With regard to composting conducted in conjunction 498  
with agricultural operations, to do all of the following: 499

(1) Upon request or upon their own initiative, inspect 500  
composting at any such operation to determine whether the 501  
composting is being conducted in accordance with section 939.04 502  
of the Revised Code; 503

(2) If the board determines that composting is not being 504  
so conducted, request the director to take corrective actions 505  
under section 939.07 of the Revised Code that require the person 506  
who is conducting the composting to prepare a composting plan in 507  
accordance with rules adopted under division (E) (5) (a) of 508  
section 939.02 of the Revised Code and to operate in accordance 509  
with that plan or to operate in accordance with a previously 510  
prepared plan, as applicable; 511

(3) In accordance with rules adopted under division (E) (5) 512  
(b) of section 939.02 of the Revised Code, review and approve or 513  
disapprove any such composting plan. If a plan is disapproved, 514  
the board shall provide a written explanation to the person who 515  
submitted the plan. 516

As used in division (R) of this section, "composting" has	517
the same meaning as in section 939.01 of the Revised Code.	518
(S) With regard to conservation activities that are	519
conducted in conjunction with agricultural operations, to assist	520
the county auditor, upon request, in determining whether a	521
conservation activity is a conservation practice for purposes of	522
Chapter 929. or sections 5713.30 to 5713.37 and 5715.01 of the	523
Revised Code.	524
As used in this division, "conservation practice" has the	525
same meaning as in section 5713.30 of the Revised Code.	526
(T) To develop and approve or disapprove voluntary	527
nutrient management plans in accordance with section 905.323 of	528
the Revised Code;	529
(U) To do all acts necessary or proper to carry out the	530
powers granted in this chapter.	531
The director shall make recommendations to reduce the	532
adverse environmental effects of each project that a soil and	533
water conservation district plans to undertake under division	534
(A), (B), (C), or (D) of this section and that will be funded in	535
whole or in part by moneys authorized under section 940.17 of	536
the Revised Code and shall disapprove any such project that the	537
director finds will adversely affect the environment without	538
equal or greater benefit to the public. The director's	539
disapproval or recommendations, upon the request of the district	540
filed in accordance with rules adopted by the Ohio soil and	541
water conservation commission, shall be reviewed by the	542
commission, which may confirm the director's decision, modify	543
it, or add recommendations to or approve a project the director	544
has disapproved.	545

Any instrument by which real property is acquired pursuant 546  
to this section shall identify the agency of the state that has 547  
the use and benefit of the real property as specified in section 548  
5301.012 of the Revised Code. 549

**Sec. 940.07.** (A) As used in this section: 550

(1) "Judgment" includes a consent judgment. 551

(2) "Tort action" means a civil action for damages for 552  
injury, death, or loss to person or property, other than a civil 553  
action for damages for a breach of contract or another agreement 554  
between persons. 555

(B) Except as provided in divisions (C) and (D) of this 556  
section, the provisions of Chapter 2744. of the Revised Code 557  
apply to soil and water conservation districts as political 558  
subdivisions of the state and to their boards of supervisors and 559  
other officers, employees, and agents as employees of political 560  
subdivisions of the state. 561

(C) (1) The attorney general, an assistant attorney 562  
general, or special counsel appointed by the attorney general 563  
shall defend a soil and water conservation district in any tort 564  
action that is commenced against the district as a political 565  
subdivision of the state under or pursuant to Chapter 2744. of 566  
the Revised Code, if a written request for the legal 567  
representation is submitted to the attorney general by the Ohio 568  
soil and water conservation commission. If a request is so 569  
submitted, the prosecuting attorney of the county associated 570  
with the district does not have legal representation duties in 571  
connection with the tort action under section 940.13 of the 572  
Revised Code. 573

(2) The attorney general, an assistant attorney general, 574

or special counsel appointed by the attorney general shall 575  
defend a supervisor or other officer, employee, or agent of a 576  
soil and water conservation district in any tort action that is 577  
commenced against that person and based upon an action or 578  
omission allegedly associated with that person's employment or 579  
official responsibilities for the district, if both of the 580  
following apply: 581

(a) At the time of the action or omission, the person was 582  
not acting manifestly outside the scope of the person's 583  
employment or official responsibilities for the district or 584  
acting with malicious purpose, in bad faith, or in a wanton or 585  
reckless manner; 586

(b) A written request for the legal representation is 587  
submitted to the attorney general by the Ohio soil and water 588  
conservation commission. 589

(3) If a request for legal representation is submitted to 590  
the attorney general pursuant to division (C) (2) of this 591  
section, divisions (A) and (D) of section 2744.07 of the Revised 592  
Code do not apply to the soil and water conservation district 593  
and the defense of its supervisor or other officer, employee, or 594  
agent. 595

(D) (1) The state shall indemnify and hold harmless a soil 596  
and water conservation district as follows: 597

(a) In the amount of any judgment that is rendered against 598  
the district in a tort action that is commenced under or 599  
pursuant to Chapter 2744. of the Revised Code; 600

(b) In the amount of any settlement of a tort action 601  
against the district as described in division (D) (1) (a) of this 602  
section, or of a claim for damages for injury, death, or loss to 603

person or property that could become a basis of a tort action 604  
against the district as described in division (D) (1) (a) of this 605  
section. 606

(2) The state shall indemnify and hold harmless a 607  
supervisor or other officer, employee, or agent of a soil and 608  
water conservation district as follows: 609

(a) Subject to the limitations specified in division (D) 610  
(3) of this section, in the amount of any judgment that is 611  
rendered against that person in a tort action based upon an 612  
action or omission allegedly associated with the person's 613  
employment or official responsibilities for the district; 614

(b) Subject to the limitations specified in division (D) 615  
(3) of this section, in the amount of any settlement of a tort 616  
action as described in division (D) (2) (a) of this section or of 617  
any settlement of a claim for damages for injury, death, or loss 618  
to person or property that could become a basis of a tort action 619  
as described in division (D) (2) (a) of this section. 620

(3) (a) The maximum aggregate amount of indemnification 621  
paid directly from state funds to or on behalf of any supervisor 622  
or other officer, employee, or agent of a soil and water 623  
conservation district pursuant to divisions (D) (2) (a) and (b) of 624  
this section shall be one million dollars per occurrence, 625  
regardless of the number of persons who suffer injury, death, or 626  
loss to person or property as a result of the action or omission 627  
of that person. 628

(b) An indemnification may be made pursuant to division 629  
(D) (2) (a) or (b) of this section only if, at the time of the 630  
action or omission, the supervisor or other officer, employee, 631  
or agent of a soil and water conservation district was not 632

acting manifestly outside the scope of the supervisor's or other 633  
officer's, employee's, or agent's employment or official 634  
responsibilities for the district or acting with malicious 635  
purpose, in bad faith, or in a wanton or reckless manner. 636

(c) An indemnification shall not be made pursuant to 637  
division (D) (2) (a) or (b) of this section for any portion of a 638  
consent judgment or settlement that is unreasonable or for any 639  
portion of a judgment that represents punitive or exemplary 640  
damages. 641

(4) Division (B) of section 2744.07 of the Revised Code 642  
does not apply to a soil and water conservation district, or to 643  
any of its supervisors or other officers, employees, or agents, 644  
to the extent that division (D) of this section requires the 645  
state to indemnify and hold harmless a supervisor or other 646  
officer, employee, or agent of that district. 647

**Sec. 940.08.** The board of supervisors of a soil and water 648  
conservation district may employ assistants and such other 649  
employees as ~~they consider it~~ considers necessary and may 650  
provide for the payment of the reasonable compensation of such 651  
assistants and employees and expenses incurred by them in the 652  
discharge of their duties from the special fund established for 653  
the district pursuant to section 940.12 of the Revised Code. 654

District employees are entitled to the sick leave benefits 655  
that are provided in section 124.38 of the Revised Code and the 656  
vacation leave benefits that are provided in section 325.19 of 657  
the Revised Code and are entitled to participate in the sick 658  
leave donation program established under section 940.09 of the 659  
Revised Code. 660

The ~~supervisors~~ board may designate the amounts and forms 661

of other benefits, including insurance protection, to be 662  
provided to employees and may make payments of benefits from the 663  
district fund that is created with moneys accepted by the 664  
supervisors in accordance with division (E) of section 940.06 of 665  
the Revised Code or from the special fund created pursuant to 666  
section 940.12 of the Revised Code. The board of county 667  
commissioners may make payments of benefits that are provided 668  
under this section. 669

The board of supervisors may purchase such materials, 670  
equipment, and supplies, may lease such equipment, and may rent, 671  
purchase, or construct, and maintain, such offices, and provide 672  
for such equipment and supplies therefor, as ~~they consider it~~ 673  
considers necessary and may pay for the same from the special 674  
fund established for the district pursuant to section 940.12 of 675  
the Revised Code. 676

**Sec. 940.10.** (A) When the board of supervisors of a soil 677  
and water conservation district find, by resolution, that the 678  
district has personal property, including motor vehicles 679  
acquired for the use of district officers, road machinery, 680  
equipment, tools, or supplies, that is not needed for public 681  
use, or is obsolete or unfit for the use for which it was 682  
acquired, the ~~supervisors board~~ may sell such property at public 683  
auction or by sealed bid to the highest bidder~~7~~. The board may 684  
sell the property after giving at least ten days' notice of the 685  
time, place, and manner of sale by posting a typewritten or 686  
printed notice in the office of the board of county 687  
commissioners. If the fair market value of the property to be 688  
sold pursuant to this division is, in the opinion of the board 689  
of supervisors, in excess of two thousand dollars, notice of the 690  
time, place, and manner of the sale shall also be published in a 691  
newspaper of general circulation in the district at least ten 692

days prior to such sale. The ~~supervisors board~~ may authorize the 693  
sale of such personal property without advertisement or public 694  
notification and competitive bidding to the federal government, 695  
the state, or any political subdivision of the state. 696

If the ~~supervisors conduct~~ board conducts a sale of 697  
personal property by sealed bid, the form of the bid shall be as 698  
prescribed by the ~~supervisors board~~, and each bid shall contain 699  
the name of the person submitting it. Bids received shall be 700  
opened and tabulated at the time stated in the notice. The 701  
property shall be sold to the highest bidder, except that the 702  
~~supervisors board~~ may reject all bids and hold another sale, by 703  
public auction or sealed bid, in the manner prescribed by this 704  
section. 705

(B) Where the ~~supervisors find~~ board finds, by resolution, 706  
that the district has vehicles, equipment, or machinery that is 707  
not needed, or is unfit for public use, and the ~~supervisors~~ 708  
~~desire~~ board desires to sell such vehicles, equipment, or 709  
machinery to the person or firm from which ~~they propose it~~ 710  
proposes to purchase other vehicles, equipment, or machinery, 711  
the ~~supervisors board~~ may offer to ~~sell~~ do both of the 712  
following: 713

(1) Sell the vehicles, equipment, or machinery to such 714  
person or firm, ~~and to have~~ 715

(2) Have such selling price credited to the person or firm 716  
against the purchase price of other vehicles, equipment, or 717  
machinery. 718

(C) Where the ~~supervisors advertise~~ board advertises for 719  
bids for the sale of new vehicles, equipment, or machinery to 720  
the district, ~~they it~~ may include in the same advertisement a 721

notice of ~~their~~its willingness to ~~accept~~do both of the  
following:

(1) Accept bids for the purchase of district-owned  
vehicles, equipment, or machinery that is obsolete or not needed  
for public use~~;~~; and ~~to have~~

(2) Have the amount of such bids subtracted from the  
selling price of the other vehicles, equipment, or machinery as  
a means of determining the lowest responsible bidder.

**Sec. 940.11.** (A) Not later than three months after ~~the~~  
~~effective date of this amendment~~ November 2, 2018, the board of  
supervisors of a soil and water conservation district that hold  
a credit card account on ~~the effective date of this amendment~~  
November 2, 2018, shall adopt a written policy for the use of  
credit card accounts. Otherwise, the ~~supervisors~~ board shall  
adopt a written policy before first holding a credit card  
account.

The policy shall include provisions addressing all of the  
following:

(1) The ~~supervisors~~ members of the board or positions  
authorized to use a credit card account;

(2) The types of expenses for which a credit card account  
may be used;

(3) The procedure for acquisition, use, and management of  
a credit card account and presentation instruments related to  
the account including cards and checks;

(4) The procedure for submitting itemized receipts to the  
fiscal agent or the fiscal agent's designee;

(5) The procedure for credit card issuance, credit card

reissuance, credit card cancellation, and the process for 750  
reporting lost or stolen credit cards; 751

(6) The district's credit card account's maximum credit 752  
limit or limits; 753

(7) The actions or omissions by an officer or employee 754  
that qualify as misuse of a credit card account. 755

(B) The name of the soil and water conservation district 756  
shall appear on each presentation instrument related to the 757  
account including cards and checks. 758

(C) If the fiscal agent of the district does not retain 759  
general possession and control of the credit card account and 760  
presentation instruments related to the account including cards 761  
and checks, the ~~supervisors board~~ shall appoint a compliance 762  
officer to perform the duties enumerated under division (D) of 763  
this section. The compliance officer may not use a credit card 764  
account and may not authorize a ~~supervisor board member or~~ 765  
employee to use a credit card account. The fiscal agent is not 766  
eligible for appointment as compliance officer. 767

(D) The compliance officer, if applicable, and the 768  
~~supervisors board~~ at least quarterly shall review the number of 769  
cards and accounts issued, the number of active cards and 770  
accounts issued, the cards' and accounts' expiration dates, and 771  
the cards' and accounts' credit limits. 772

(E) If the fiscal agent retains general possession and 773  
control of the credit card account and presentation instruments 774  
related to the account including cards and checks, and the 775  
~~supervisors board~~ authorize a ~~supervisor board member or~~ 776  
employee to use a credit card, the fiscal agent may use a system 777  
to sign out credit cards to the authorized users. The ~~supervisor~~ 778

board member or employee is liable in person and upon any 779  
official bond the ~~supervisor-member~~ or employee has given to the 780  
district to reimburse the district treasury the amount for which 781  
the ~~supervisor-member~~ or employee does not provide itemized 782  
receipts in accordance with the policy described in division (A) 783  
of this section. 784

(F) The use of a credit card account for expenses beyond 785  
those authorized by the ~~supervisors-board~~ constitutes misuse of 786  
a credit card account. A ~~supervisor-board member~~ or employee of 787

defined under section 2921.01 of the Revised Code who knowingly 789  
misuses a credit card account held on behalf of a soil and water 790  
conservation district violates section 2913.21 of the Revised 791  
Code. 792

(G) The fiscal agent or the fiscal agent's designee 793  
annually shall file a report with the ~~supervisors-board~~ 794  
detailing all rewards received based on the use of the soil and 795  
water conservation district's credit card account. 796

(H) As used in this section, "credit card account" means 797  
any bank-issued credit card account, store-issued credit card 798  
account, financial institution-issued credit card account, 799  
financial depository-issued credit card account, affinity credit 800  
card account, or any other card account allowing the holder to 801  
purchase goods or services on credit or to transact with the 802  
account, and any debit or gift card account related to the 803  
receipt of grant moneys. "Credit card account" does not include 804  
a procurement card account, gasoline or telephone credit card 805  
account, or any other card account where merchant category codes 806  
are in place as a system of control for use of the card account. 807

**Sec. 940.12.** The board of county commissioners of each 808

county in which there is a soil and water conservation district 809  
may levy a tax within the ten-mill limitation and may 810  
appropriate money from the proceeds of the levy or from the 811  
general fund of the county. The money shall be held in a special 812  
fund for the credit of the district, to be expended for the 813  
purposes prescribed in section 940.08 of the Revised Code or 814  
under the policy adopted under section 940.11 of the Revised 815  
Code, for construction and maintenance of improvements by the 816  
district, and for other expenses incurred in carrying out the 817  
program of the district upon the written order of the fiscal 818  
agent for the district after authorization by a majority of the 819  
board of supervisors of the district. 820

**Sec. 940.13.** (A) The prosecuting attorney of a county in 821  
which there is a soil and water conservation district ~~shall be~~ 822  
is the legal adviser of the district. The prosecuting attorney 823  
~~shall be~~ is the legal counsel of such district in all civil 824  
actions brought by or against it and shall conduct all such 825  
actions in the prosecuting attorney's official capacity. The 826  
board of supervisors of a district may also employ such 827  
attorneys as may be necessary or desirable in the operations of 828  
the district. 829

(B) The prosecuting attorney of a lead county that is 830  
represented on a joint board of supervisors created under 831  
section 940.34 of the Revised Code is the legal advisor of the 832  
joint board in all civil actions brought by or against the joint 833  
board. The prosecuting attorney shall conduct all such actions 834  
in the prosecuting attorney's official capacity. The joint board 835  
may employ other attorneys as may be necessary or desirable in 836  
the operations of the joint board. 837

**Sec. 940.19.** (A) An owner of land that is located in a 838

soil and water conservation district may file a petition with 839  
the board of supervisors of the district requesting the 840  
construction of a conservation work of improvement. ~~Upon the~~ 841  
~~receipt of such a petition, the supervisors shall make a~~ 842  
~~preliminary determination to accept or reject the petition.~~ 843

~~A petition may be rejected if the supervisors determine.~~ 844  
Prior to filing a petition, the petitioner shall consult with 845  
the district to discuss the proposed drainage improvement and to 846  
determine the proper forms and procedures for filing the 847  
petition. 848

(B) The petition shall include all of the following: 849

(1) A statement of the nature of the work for which a 850  
petition is filed, including locating, cleaning, removing 851

(2) A description, including location, of the course and 859  
termini of the proposed improvement and the branches, spurs, or 860  
laterals, if any are petitioned for; 861

(3) A statement that the construction of the improvement 862  
is necessary and will benefit the petitioner; and 863

(4) A statement that all costs of engineering, 864  
construction, and future maintenance will be assessed to the 865  
benefiting parcels of land. 866

(C) The board shall make a preliminary determination to 867

accept or reject the petition at the board's next scheduled 868  
meeting. 869

(D) (1) The board may reject the petition for any of the 870  
following reasons: 871

(a) The board determines that the information that ~~it~~ the 872  
petition contains about the proposed improvement is insufficient 873  
to enable the ~~supervisors board~~ to proceed with the petition 874  
under this chapter ~~or if the~~. 875

on the proposed improvement. The hearing shall occur not ~~later~~ 899  
~~fewer~~ than thirty nor more than ninety days after the date 900  
established for the view. 901

(F) If a petitioner proposes an improvement that would be 902  
located in two or more adjoining soil and water conservation 903  
districts, the board of supervisors that receives the petition 904  
shall provide notice of the petition to the board of supervisors 905  
of each other county in which the proposed improvement would be 906  
located. The boards then shall create a joint board of 907  
supervisors under section 940.34 of the Revised Code and proceed 908  
in accordance with that section. 909

**Sec. 940.20.** ~~As soon as the supervisors of a soil and~~ 910

States department of agriculture that is involved with the 955  
district together with any other people that the ~~supervisors~~ 956  
~~consider~~ board considers to be necessary to the proceedings. 957

(D) As used in this section, "internet identifier of 958  
record" has the same meaning as in section 9.312 of the Revised 959  
Code. 960

**Sec. 940.21.** (A) On the date established for the view of a 961  
proposed improvement, the board of supervisors of a soil and 962  
water conservation district or its designee shall ~~meet at the~~ 963  
~~designated location near the proposed improvement at the~~ 964  
~~established time. At that time, they shall hear proof of the~~ 965  
~~need for the proposed improvement offered by any landowner that~~ 966  
~~is affected by it.~~ 967

~~The supervisors shall view the area in which the proposed~~ 968  
~~improvement is to be constructed. If the proposed improvement is~~ 969  
~~a ditch, the view shall include the line of the proposed ditch~~ 970  
~~and each branch, lateral, or spur of the ditch that is mentioned~~ 971  
~~in the petition. If present an overview of the proposed~~ 972  
improvement. In the presentation, the board or its designee 973  
shall use methods and means that the board determines will 974  
adequately inform those attending the view about the proposed 975  
improvement's location and the drainage issues intended to be 976  
addressed by the proposed improvement. 977

(B) Upon the request made at the view of a member of the 978  
board or of a landowner in the area to be benefited by the 979  
proposed improvement, the board or its designee shall recess the 980  
view and reconvene at a site along the proposed improvement for 981  
the purpose of gaining additional information about the drainage 982  
issue intended to be addressed by the proposed improvement. If 983  
the area to be viewed is extensive, the ~~supervisors~~ board or its 984

designee may conduct the view on more than one day and may 985  
adjourn from day to day, or a longer period, until the view is 986  
completed. 987

**Sec. 940.22.** (A) Upon acceptance of a petition requesting 988  
the construction of an improvement, the board of supervisors of 989  
a soil and water conservation district shall begin to prepare, ~~7-~~ 990

construction for the proposed improvement; 999

(2) Comments on the feasibility of the ~~project, and a~~ 1000  
proposed improvement; 1001

(3) A statement of the ~~supervisors'~~ board's opinion as to 1002  
whether the benefits from the ~~project~~ proposed improvement are 1003  
likely to exceed the estimated cost. ~~The preliminary report~~ 1004  
~~shall identify;~~ 1005

(4) A list of all factors ~~that are apparent to the~~ 1006  
~~supervisors~~ identified by the board, both favorable and 1007  
unfavorable to the proposed improvement, so that the petitioners 1008  
may be informed concerning what is involved with the 1009  
construction of the proposed improvement. 1010

(C) In addition to ~~reporting~~ preparing a preliminary 1011  
report on the improvement as petitioned, the ~~supervisors~~ board 1012  
may submit alternate proposals to accomplish the intent of the 1013

petition. ~~The~~ 1014

(D) The preliminary report and all alternate proposals 1015  
shall be reviewed and receive concurrence from an engineer who 1016  
is employed by the department of agriculture or by the natural 1017  
resources conservation service in the United States department 1018  
of agriculture and who is responsible for providing technical 1019

**Sec. 940.23.** (A) On the date and at the time established 1023  
by the board of supervisors for the hearing on a petition for a 1024  
proposed improvement, the supervisors of a soil and water 1025  
conservation district board shall conduct the hearing. Prior to 1026  
the hearing, landowners affected by the proposed improvement may 1027  
file objections to it with the supervisors, and at the hearing 1028  
the supervisors shall hear any objections so filed. In addition 1029  
At the hearing, the supervisors board shall present their do 1030  
both of the following: 1031

(1) Present the board's preliminary report on the proposed 1032  
improvement and shall hear; 1033

(2) Hear any comments or evidence offered by any landowner 1034  
for or against construction of the proposed improvement. If 1035

(B) If necessary, the hearing may occur on more than one 1036  
day and may be adjourned from day to day or for a longer time 1037  
that board may recess and continue the hearing on subsequent 1038  
days as may be reasonable to consider additional information 1039  
about the proposed improvement or so that all interested 1040  
landowners may have an opportunity to be heard in favor of or in 1041  
opposition to comment on the proposed improvement. 1042

(C) At the conclusion of the hearing, the board shall vote 1043  
to decide whether to proceed with a project survey and design or 1044  
to dismiss the petition. In making its decision, the board shall 1045  
take into consideration all of the following: 1046

(1) The petition; 1047

(2) The preliminary report; 1048

(3) Comments on the proposed improvement; 1049

(4) The protection of environmentally significant areas 1050  
when those areas could be adversely affected by the construction 1051  
of the proposed improvement and, if necessary, alternative plans 1052  
providing for that protection and for construction of the 1053  
proposed improvement. 1054

(D) The board may proceed with the project survey and 1055  
design for a proposed improvement if both of the following 1056  
apply: 1057

(1) The board finds that a proposed improvement is 1058  
necessary and is conducive to the public welfare. 1059

(2) The board is reasonably certain that the benefits of 1060  
the proposed improvement will outweigh its costs. 1061

~~Sec. 940.26~~ 940.24. ~~Upon approval by~~ After a vote of the 1062  
~~board of~~ supervisors of a soil and water conservation district 1063

~~considered to be a~~. Gates are part of the original improvement 1114  
and subject to maintenance along with the improvement. 1115

~~The supervisors shall submit the plans, specifications,~~ 1116  
~~and other information prepared in accordance with this section~~ 1117  
~~to the board of county commissioners of each county in which the~~ 1118  
~~proposed improvement is to be located.~~ 1119

**Sec. 940.25.** (A) After preparing the project survey, 1120  
design, and plans for constructing the proposed improvement, the 1121  
board of supervisors of a soil and water conservation district 1122  
shall prepare a schedule of damages as part of the estimate of 1123  
the total cost of constructing the proposed improvement. 1124

(B) The schedule of damages shall include both of the 1125  
following: 1126

(1) An estimate of the value of land or other property 1127  
necessary to be acquired through purchase or voluntary transfer 1128

or appropriated in accordance with sections 163.01 to 163.62 of 1129  
the Revised Code and a description of that land or other 1130  
property; 1131

(2) An estimate of the total damages to be sustained by 1132  
any landowner as a result of the construction and subsequent 1133  
maintenance of a proposed improvement, along with the name and 1134  
address of each landowner that is alleged to be damaged, the 1135  
amount of each landowner's estimated damages, and an explanation 1136  
of each landowner's damages. 1137

**Sec. 940.26.** After preparing a schedule of damages, the 1138  
board of supervisors of a soil and water conservation district 1139  
or its designee shall make an estimate of the cost of the 1140  
proposed improvement. The estimate shall include all of the 1141  
following: 1142

(A) Actual construction costs, including costs of 1143  
addressing the construction specifications set forth in section 1144  
940.24 of the Revised Code; 1145

(B) The estimated costs included in the schedule of 1146  
damages prepared under section 940.25 of the Revised Code; 1147

(C) Any expenses incurred in investigations, consulting 1148  
services, and notifications related to the proposed improvement, 1149  
and any other incidental costs. 1150

**Sec. 940.27.** (A) After preparing an estimate of the cost 1151  
of a proposed improvement, the board of supervisors of a soil 1152  
and water conservation district or its designee shall prepare a 1153  
schedule of estimated assessments on land within the area that 1154  
will be benefited by a proposed improvement. The board shall 1155  
include in the schedule the name and address of each landowner 1156  
whose parcel of land will be benefited by the proposed 1157

improvement and a description of each landowner's parcel. The 1158  
board shall obtain the names and addresses from the tax 1159  
duplicates of the county. The board shall obtain the 1160  
descriptions from the county recorder's office. For purposes of 1161  
the description the county recorder shall not require a metes 1162  
and bounds survey. 1163

(B) In determining the estimated assessment on a parcel of 1164  
land, the board or its designee shall do both of the following: 1165

(1) Use the information compiled in accordance with 1166  
sections 940.24 to 940.26 of the Revised Code; 1167

(2) Consider, and incorporate when applicable, the 1168  
following factors in the calculations: 1169

(a) Acreage of the parcel; 1170

(b) Volume of water produced by the parcel; 1171

(c) Distance of the parcel from the proposed improvement; 1172

(d) Percentage of the proposed improvement to be used by 1173  
the parcel; 1174

(e) The construction of works that are determined to 1175  
solely benefit the particular parcel; 1176

(f) Soil types of the parcel; 1177

(g) The county auditor's land value or current 1178  
agricultural use value, if applicable, of the parcel; 1179

(h) Existing drainage infrastructure that can be 1180  
incorporated into the proposed improvement and associated cost 1181  
savings; 1182

(i) Any other factors pertinent to the proposed 1183  
improvement and the watershed that will be affected by the 1184

proposed improvement; 1185

(j) Any benefits as defined in section 6131.01 of the 1186  
Revised Code. 1187

(C) Unless the board determines for good cause that a 1188  
lower amount is appropriate, the board shall not establish an 1189  
estimated assessment for a parcel of land in an amount less than 1190  
twenty-five dollars, including the cost of preparing and mailing 1191  
the notice required under section 940.32 of the Revised Code. If 1192  
a dwelling is located on a lot that comprises two or more 1193  
contiguous parcels of land, the board may establish an estimated 1194  
assessment of not less than twenty-five dollars for all of the 1195  
parcels, including the cost of preparing and mailing the notice 1196  
required under section 940.32 of the Revised Code. 1197

(D) The board shall ensure that the total of the estimated 1198  
assessments, including the total estimated assessments allocated 1199  
to public corporations and the state, is not greater than the 1200  
estimated cost of the proposed improvement. 1201

**Sec. 940.28.** After a board of supervisors of a soil and 1202  
water conservation district completes the schedule of estimated 1203  
assessments, the board shall submit the petition, preliminary 1204  
report, surveys, plans, specifications, schedule of damages, 1205  
cost estimates, estimated assessments, and any other information 1206  
obtained or prepared for the petition to the board of county 1207  
commissioners of the county in which the proposed improvement is 1208  
to be located. 1209

**Sec. 940.29.** (A) Upon receiving the information submitted 1210  
by a board of supervisors of a soil and water conservation 1211  
district under section 940.28 of the Revised Code, the board of 1212  
county commissioners shall establish the date, time, and 1213

location of a hearing regarding the proposed improvement. 1214

(B) At least twenty-one days prior to the date established 1215  
for the hearing, the clerk of the board of county commissioners 1216  
shall send a written notice of the hearing by certified mail to 1217  
all landowners that are adjacent to the proposed improvement. 1218  
The clerk shall send such notice by certified or first class 1219  
mail to all other landowners within the area to be benefited by 1220  
the proposed improvement, the board of supervisors of the 1221  
applicable soil and water conservation district, and the county 1222  
engineer. The clerk shall include all of the following in the 1223  
notice: 1224

(1) The date, time, and location of the hearing; 1225

(2) A description of any easement on the landowner's 1226  
property that is necessary for purposes of the improvement; 1227

(3) A landowner's estimated assessment; 1228

(4) A statement that a landowner may file comments on the 1229  
proposed improvement and exceptions to the estimated assessment 1230  
in writing before the hearing or in person at the hearing; 1231

(5) The address at which to submit written comments on the 1232  
proposed improvement and exceptions to the estimated assessment. 1233

(C) The clerk shall include printed words in plain view on 1234  
the envelope containing the notice that read "Legal Notice of 1235  
Proposed Drainage Improvement." 1236

**Sec. 940.30.** (A) On the date established for the hearing, 1237  
the board of county commissioners shall conduct the hearing by 1238  
doing both of the following: 1239

(1) Presenting the project design, construction plans, 1240  
schedule of damages, cost estimates, and estimated assessments 1241

for the proposed improvement as submitted by the board of 1242  
supervisors of the applicable soil and water conservation 1243  
district; 1244

(2) Hear any comments offered by any landowner regarding 1245  
the estimated assessments and proposed improvement. 1246

(B) If necessary, the board of county commissioners may 1247  
adjourn and continue the hearing on subsequent days as may be 1248  
reasonable to consider additional information about the proposed 1249  
improvement, make changes that will better accomplish the 1250  
purpose and object of the proposed improvement, or allow all 1251  
interested landowners to have an opportunity to comment on the 1252  
proposed improvement. 1253

~~Sec. 940.29 940.31. Upon receipt of a certification under~~ 1254  
~~section 940.25 of the Revised Code, the board of county~~ 1255

competitive bidding requirements in sections 307.86 to 307.91 of 1331  
the Revised Code, ~~except that in constructing an improvement.~~ 1332  
However, the board may designate the board of supervisors of a 1333  
soil and water conservation district as the contracting agency 1334  
~~and it~~. The board of supervisors shall follow division (H) of 1335  
section 940.06 of the Revised Code, ~~or except that if~~. If the 1336  
improvement is being undertaken through the joint efforts and 1337  
cooperation of the board of county commissioners or board of 1338  
supervisors and another state or federal agency, and if the 1339  
state or federal regulations or procedures are in conflict with 1340  
those sections with respect to the procedures for the preparing 1341  
of contracts, the issuing of bids, the making of awards, and 1342  
generally the administering of the contracts, the board of 1343  
county commissioners or board of supervisors may adopt the state 1344  
or federal regulations or procedures in those areas where 1345  
conflict exists and proceed with the improvement in accordance 1346  
with the requirements of the state or federal regulations or 1347  
procedures. 1348

(F) If a board of county commissioners does not approve a 1349  
petition for a proposed improvement, the applicable board of 1350  
supervisors may revise the proposed improvement and submit the 1351  
revision to the board of county commissioners for 1352  
reconsideration of the petition. 1353

~~(C) Any land owned and managed by the department of  
natural resources for wildlife, recreation, nature preserve, or  
forestry purposes is exempt from assessments if the director of  
natural resources determines that the land derives no benefit  
from the improvement. In making such a determination, the  
director shall consider the purposes for which the land is owned  
and managed and any relevant articles of dedication or existing  
management plans for the land. If the director determines that  
the land derives no benefit from the improvement, the director  
shall notify the board of county commissioners, within thirty  
days after receiving the assessment notification required by  
this section, indicating that the director has determined that  
the land is to be exempt and explaining the specific reason for  
making this determination. The board of county commissioners,  
within thirty days after receiving the director's exemption  
notification, may appeal the determination to the court of  
common pleas. If the court of common pleas finds in favor of the  
board of county commissioners, the department of natural  
resources shall pay all court costs and legal fees.~~

~~(D) (1) (B)~~ The board of county commissioners shall give  
notice by first class mail to every public and private property  
owner whose property is subject to assessment, at the tax

mailing or other known address of the owner. The notice shall 1418

(4) A statement that an owner may file written exceptions 1429  
to the amount of the assessments with the clerk of the board of 1430  
county commissioners within thirty days of the date of the 1431  
notice. 1432

(C) If the residence of any owner cannot be ascertained, 1433  
or if any mailed notice is returned undelivered, the board shall 1434  
publish the notice to all such owners in a newspaper of general 1435  
circulation within the project area to be benefited by the 1436  
improvement, once each week for three weeks or as provided in 1437  
section 7.16 of the Revised Code. The notice shall include the 1438  
information contained in the mailed notice, ~~but shall state that~~ 1439

~~(5) The (D) If an owner files an exception to the~~ 1469  
~~estimated assessment, the board, within thirty days of the date~~ 1470  
~~of the filing, shall establish a date and time for hearing the~~ 1471  
~~exception to the estimated assessments. The board may hear each~~ 1472  
~~owner's exception in an individual hearing or hear all~~ 1473  
~~exceptions in a single hearing. Not less than fourteen days~~ 1474  
~~prior to the hearing date, the clerk of the board shall notify~~ 1475

each owner who filed an exception of the date and time of the 1476  
owner's exception hearing. Upon hearing the objector's 1477  
exceptions, the board may adopt a resolution amending and 1478  
approving the final schedule of estimated assessments and shall 1479  
enter it in the journal. 1480

If the board amends the final schedule of estimated 1481  
assessments after hearing exceptions, the clerk of the board 1482  
shall send by certified or first class mail a written notice of 1483  
the revised final schedule of estimated assessments to all 1484  
owners within the area to be benefited by the improvement. The 1485  
notice shall contain both of the following: 1486

(1) The amount of the final estimated assessment for the 1487  
owner's property; 1488

(2) A statement that an owner may appeal the final 1489  
estimated assessment to the applicable court of common pleas 1490  
pursuant to section 940.38 of the Revised Code within twenty-one 1491  
days of the notice of final estimated assessment. 1492

(E) The board shall certify the schedule of final 1493  
estimated assessments to the county auditor, who shall certify 1494  
the assessments to the county treasurer. The collection of the 1495  
assessments shall be made in accordance with Chapter 323. of the 1496  
Revised Code. 1497

(F) The county treasurer shall deposit the proceeds of the 1498  
assessment in the fund designated by the board and shall report 1499  
to the county auditor the amount of money from the assessment 1500  
that is collected by the treasurer. Moneys shall be expended 1501  
from the fund for purposes of the improvement. 1502

~~(E)~~ (G) Any moneys collected in excess of the amount 1503  
needed for construction of the improvement and the subsequent 1504

first year's maintenance may be maintained in a fund to be used 1505  
for maintenance of the improvement. In any year subsequent to a 1506  
year in which an assessment for construction of an improvement 1507  
levied under this section has been collected, and upon 1508  
determination by the board of county commissioners that funds 1509  
are not otherwise available for maintenance or repair of the 1510  
improvement, the board shall levy on the property within the 1511  
~~project~~ area to be benefited by the improvement an assessment 1512  
for maintenance at a uniform percentage of all construction 1513  
costs based upon the assessment schedule used in determining the 1514  
construction assessment. The assessment is not subject to the 1515  
provisions concerning notice and petition contained in this 1516  
section. An assessment for maintenance shall not be levied in 1517  
any year in which the unencumbered balance of funds available 1518  
for maintenance of the improvement exceeds twenty per cent of 1519  
the cost of construction of the improvement, except that the 1520  
board may adjust the level of assessment within the twenty per 1521  
cent limitation, or suspend temporarily the levying of an 1522  
assessment, for maintenance purposes as maintenance funds are 1523  
needed. 1524

(H) For the purpose of levying an assessment for 1525  
maintenance of an improvement, a board may use the procedures 1526  
established in Chapter 6137. of the Revised Code regarding 1527  
maintenance of improvements as defined in section 6131.01 of the 1528  
Revised Code in lieu of using the procedures established under 1529  
this section. 1530

~~(F)~~ (J) The board of county commissioners may issue bonds 1531  
and notes as authorized by section 131.23 or 133.17 of the 1532  
Revised Code. 1533

**Sec. ~~940.34~~940.33.** (A) A board of county commissioners may 1534

declare by resolution that it is necessary to levy a tax upon 1535  
the property within the ~~project~~ area to be benefited by an 1536  
improvement in order to pay the costs of the improvement not 1537  
otherwise funded. 1538

~~Such~~ The resolution shall specify ~~the~~ all of the 1539  
following: 1540

(1) The rate that it is necessary to levy, ~~the purpose~~ 1541  
~~thereof, and the;~~ 1542

(2) The purpose of the tax levy; 1543

(3) The number of years during which ~~such~~ the increase 1544  
~~shall be~~ is in effect, which ~~levy~~ may include a ~~levy upon the~~ 1545  
~~duplicate of~~ the current year. 1546

(B) A copy of the resolution shall be certified to the 1547  
board of elections for the county not less than ninety days 1548  
before the general election in any year and the board shall 1549  
submit the proposal to the electors within the ~~project~~ area to 1550  
be benefited by an improvement at the succeeding November 1551  
election in accordance with section 5705.25 of the Revised Code. 1552  
For purposes of that section, the subdivision is the ~~project~~ 1553  
area to be benefited by an improvement. 1554

(C) If the per cent required for approval of a levy as set 1555  
forth in section 5705.26 of the Revised Code vote in favor 1556  
thereof, the board of county commissioners may levy a tax within 1557  
the ~~project~~ area to be benefited by an improvement, outside the 1558  
ten-mill limitation, during the period and for the purpose 1559  
stated in the resolution, or at any less rate or for any less 1560  
number of years. 1561

(D) The board may issue bonds and notes in anticipation of 1562  
the collection of taxes levied under this section, and notes in 1563

anticipation of the issuance of bonds. 1564

Sec. 940.34. (A) Upon receiving a petition pursuant to 1565  
section 940.19 of the Revised Code for a proposed improvement 1566  
that would be located in two or more adjoining soil and water 1567  
conservation districts, the board of supervisors of the 1568  
adjoining districts shall, with approval of the Ohio soil and 1569  
water conservation commission, create a joint board of 1570  
supervisors. Each district shall have the same number of 1571  
supervisors on the joint board. However, if the membership of 1572  
the joint board would be an even number, an additional 1573  
supervisor from the lead county shall be designated. 1574

(B) A joint board of supervisors shall exercise the same 1575  
powers, execute the same duties, and follow the same procedures 1576  
in connection with an improvement under this chapter as the 1577  
board of supervisors of a single soil and water conservation 1578  
district with the following conditions: 1579

(1) For purposes of making a preliminary determination to 1580  
accept or reject a petition in accordance with section 940.19 of 1581  
the Revised Code, the joint board shall make the determination 1582  
within sixty days of the approval of the creation of the joint 1583  
board. 1584

(2) For purposes of a petition, the joint board shall do 1585  
both of the following: 1586

(a) Send the petition and accompanying information to the 1587  
board of county commissioners of the lead county; and 1588

(b) Send notification of the need for the creation of a 1589  
joint board of county commissioners under section 940.35 of the 1590  
Revised Code to the board of county commissioners of each county 1591  
in the area to be benefited by the proposed improvement. 1592

(C) Upon the creation of a joint board of supervisors, the 1593  
elected officials in the lead county, including the engineer, 1594  
recorder, auditor, prosecutor, treasurer, judges, and clerk of 1595  
the board of county commissioners, shall serve as the 1596  
administrative officers for the joint board of supervisors. 1597

~~Sec. 940.31~~ 940.35. ~~The boards of county commissioners of~~ 1598

~~joint board of county commissioners for the improvement.~~ (A) If 1602  
a proposed improvement would affect more than one county, the 1603  
board of county commissioners from each of the counties that 1604  
would be affected by the proposed improvement shall meet on a 1605  
date fixed by the clerk of the board of county commissioners of 1606  
the lead county. The boards shall meet in the lead county to 1607  
organize a joint board of county commissioners and elect a 1608  
president, which shall be the first order of business at the 1609  
hearing. 1610

(B) A joint board of county commissioners ~~may do all the~~ 1611  
~~things that a board of county commissioners may do in connection~~ 1612  
~~with the improvement and shall proceed as if it were a board of~~ 1613  
~~county commissioners representing a county that included all the~~ 1614  
~~territory within the project area~~ shall exercise the same 1615  
powers, execute the same duties, and follow the same procedures 1616  
in connection with an improvement under this chapter as the 1617  
board of county commissioners of a single county . 1618

~~The joint board may agree to apportion any cost of the~~ 1619  
~~improvement, or expenses incurred in connection therewith, not~~ 1620  
~~paid by assessments or taxes levied for the improvement, or~~ 1621  
~~funds other than county funds, among the participating counties.~~ 1622

~~The joint board shall elect one of its members president— 1623  
and designate a clerk of one of the boards of county— 1624  
commissioners of the participating counties as clerk of the— 1625  
joint board. A majority of the county commissioners constituting— 1626  
the joint board constitutes a quorum. All decisions of the joint— 1627  
board shall be made by a majority vote of the county— 1628  
commissioners constituting the joint board.— 1629~~

~~For the purpose of bringing a referendum petition against— 1630  
a soil and water conservation project under section 305.31 of— 1631  
the Revised Code, a resolution adopted by a joint board of— 1632  
county commissioners shall be considered to be a resolution— 1633  
adopted by the board of county commissioners of each county in— 1634  
the project area. The electors of any county in the project area— 1635  
may file a petition for referendum under that section against a— 1636  
resolution adopted by the joint board of county commissioners as— 1637  
if it had been adopted by the board of county commissioners for— 1638  
that county. The referendum shall be conducted only in the— 1639  
county in which the referendum petition was filed. The electors— 1640  
of any county in the project area in which no referendum— 1641  
petition was filed shall not be eligible to vote in the— 1642  
referendum, and the outcome of a referendum shall have effect— 1643  
only in the county in which the referendum was held. Any county— 1644  
in the project area in which a referendum is not held remains— 1645  
subject to the provisions of the resolution adopted by the joint— 1646  
board of county commissioners for the soil and water— 1647  
conservation district.— 1648~~

(C) The clerk of the board of county commissioners of the 1649  
lead county shall do all of the following: 1650

(1) Act as clerk and administrator of the joint board; 1651

(2) Enter the findings of the joint board in the journal 1652

of the board of county commissioners of the lead county; 1653

(3) Make the final record of the improvement in the lead 1654  
county; 1655

(4) Provide copies of all proceedings to the clerks of the 1656  
boards of all affected counties. 1657

(D) A majority of the county commissioners constituting 1658  
the joint board shall constitute a quorum. All decisions of the 1659  
joint board shall be made by a majority vote of the quorum 1660  
present at a meeting of the joint board. 1661

(E) The director of natural resources shall be an ex 1662  
officio member of the joint board and may participate, in person 1663  
or through a designated representative, in deliberations and 1664  
proceedings of the joint board. The director shall have no vote 1665  
on any proceedings of the joint board except in the case of a 1666  
tie for or against an improvement. If the director or the 1667  
director's designee is not present at the proceeding, the 1668  
director shall review the proceedings and cast the deciding vote 1669  
within thirty days of the proceeding. A failure to cast a vote 1670  
for or against the improvement within thirty days constitutes an 1671  
affirmative vote for the improvement. The clerk shall record the 1672  
final resolution of the tie. 1673

(F) Upon the creation of a joint board of county 1674  
commissioners, the elected officials in the lead county, 1675  
including the engineer, recorder, auditor, prosecutor, 1676  
treasurer, judges, and clerk of the board of county 1677  
commissioners, shall serve as the administrative officers for 1678  
the joint board of county commissioners. 1679

~~Sec. 940.32 940.36. The county auditor and county~~ 1680  
~~treasurer of one of the counties represented by a joint board of~~ 1681

~~county commissioners under section 940.31 of the Revised Code,~~ 1682  
~~to be designated by the joint board, shall ex officio become the~~ 1683  
~~fiscal agents of all the participating counties. Such~~ (A) The 1684  
auditor of the lead county shall certify to the auditor of the 1685  
other counties a schedule of any taxes or assessments to be 1686  
levied for the improvement, and the auditor of such other county 1687  
immediately shall ~~proceed forthwith to~~ place such tax or 1688  
assessment upon the duplicates. Taxes or assessments so 1689  
certified for collection to an auditor of another county are a 1690  
lien on the land within such county from the date such 1691  
certificate is received by the auditor of such other county. ~~The~~ 1692

(B) ~~The~~ treasurer of each county shall ~~proceed to collect~~ 1693  
~~the same any taxes or assessments levied for the improvement~~ 1694  
pursuant to the orders made in the proceedings of the joint 1695  
board of county commissioners, and such taxes or assessments 1696  
when collected shall be paid to the treasurer for the joint 1697  
board. ~~The~~ 1698

(C) ~~The~~ auditor and treasurer of the lead county shall 1699  
receive and account for ~~such funds any taxes or assessments~~ 1700  
levied for the improvement in the same manner as they would for 1701  
taxes or assessments collected within their county. The 1702  
treasurer and auditor of the lead county with their bondspersons 1703  
are liable on their official bonds for any misappropriation of 1704  
such funds. All warrants for the payment of costs in connection 1705  
with the improvement shall be drawn by the auditor ~~designated~~ 1706  
~~under this section~~ of the lead county, on the treasurer of the 1707  
lead county, payable out of the fund designated by the joint 1708  
board to receive moneys for the improvement. 1709

~~Sec. 940.35~~ 940.37. The board of county commissioners, or, 1710  
if a joint board of county commissioners has been created under 1711

section ~~940.31~~940.35 of the Revised Code, the joint board, 1712  
shall maintain the ~~works of improvement~~improvements constructed 1713  
~~by the board for a soil and water conservation district under~~ 1714  
this chapter. For that purpose, the board of county 1715  
commissioners or joint board may use procedures and requirements 1716  
established in ~~sections 6137.08 to 6137.14~~ Chapter 6137. of the 1717  
Revised Code and may contract with or authorize the board of 1718  
supervisors or joint board of supervisors of a soil and water 1719  
conservation district to perform maintenance of such works of 1720  
improvement. 1721

Sec. 940.38. Any affected landowner may appeal to the 1722  
appropriate court of common pleas any action or determination of 1723  
a board of supervisors, joint board of supervisors, board of 1724  
county commissioners, or joint board of county commissioners 1725  
under this chapter. The affected landowner shall make the appeal 1726  
within thirty days of the date of the action or determination. 1727  
The appeal may be based on, but is not limited to, any of the 1728  
following questions: 1729

(A) Is the improvement necessary? 1730

(B) Will the improvement be conducive to the public 1731  
welfare? 1732

(C) Is the cost of the improvement greater than the 1733  
benefits conferred? 1734

(D) Is the route, termini, or mode of construction the 1735  
best to accomplish the purpose of the improvement? 1736

(E) Are the assessments levied according to benefits? 1737

(F) Is the award for compensation or damages just? 1738

Sec. 940.39. (A) For purposes of this section, references 1739

to a "board of supervisors of a soil and water conservation district" or a "board" includes a joint board of supervisors of a soil and water conservation district. 1740  
1741  
1742

(B) Notwithstanding any other provision of law to the contrary, a board of supervisors of a soil and water conservation district, when practicable, may conduct meetings by video conference or, if video conference is not available, by teleconference. The board of supervisors shall make provisions for public attendance at any location involved in such a meeting. The board shall establish the board's main office or board room as the primary meeting location for the video conference or teleconference. The conference shall be held at that location in an open meeting at which the public is allowed to attend. 1743

gaining additional information about the drainage issues 2209  
intended to be addressed by the proposed improvement. 2210

(C) If the area to be viewed is extensive, the board of 2211  
commissioners may conduct the view on more than one day and may 2212  
adjourn from day to day, or a longer period, until the view is 2213  
completed. 2214

Sec. 6131.101. (A) At the first hearing on a petition for 2215  
a proposed improvement, the board of county commissioners shall 2216  
do both of the following: 2217

(1) Hear the preliminary report of the county engineer 2218  
required under section 6131.09 of the Revised Code; 2219

(2) Hear any evidence offered by any owner for or against 2220  
the granting of the proposed improvement or for or against the 2221  
granting of any laterals, branches, spurs, or change of route, 2222  
course, termini, or manner of construction described in the 2223  
petition or in any amendment. 2224

(B) If necessary, the board of county commissioners may 2225  
recess and continue the hearing on subsequent days as may be 2226  
reasonable to consider additional information about the proposed 2227  
improvement or so that all interested owners may have an 2228  
opportunity to comment on the proposed improvement. 2229

(C) At the conclusion of the first hearing, the board 2230  
shall vote to determine whether to proceed with the project 2231  
survey and design or to dismiss the petition, taking into 2232  
consideration the petition, the preliminary report, and comments 2233  
on the proposed improvement. 2234

Sec. 6131.11. (A) If the board of county commissioners, at 2235  
finds at the conclusion of the first hearing, finds for a 2236  
proposed improvement that a proposed improvement is not 2237  
necessary, or finds that a proposed improvement will not be 2238  
conducive to the public welfare, or finds that the estimated 2239  
cost of a the proposed improvement will exceed the benefits to 2240  
be derived if it is constructed, the board shall dismiss the 2241  
petition for the proposed improvement and enter its findings 2242  
upon its journal. 2243

(B) Any owner who is affected by the order of dismissal 2244  
may appeal to the court of common pleas of the county in which 2245  
the petition was filed, as provided in sections 6131.12 to 2246  
6131.64 of the Revised Code. If no appeal is filed within 2247  
~~twenty one~~ thirty days, pursuant to section 6131.25 of the 2248  
Revised Code, the ~~petitioner bond shall pay cover~~ all the costs 2249  
incurred in the proceedings ~~and the~~. Any remaining funds from 2250  
the bond shall be released returned to the petitioner. 2251

(C) An order issued by the board under this section is 2252  
effective on the day of the hearing at which the board issued 2253  
it. 2254

**Sec. 6131.12.** ~~If~~ (A) At the conclusion of the first 2255  
hearing on a petition for a proposed improvement, the board of 2256  
county commissioners may decide to proceed with the project 2257  
survey and design for a proposed improvement if the board finds 2258  
that all of the following: 2259

(1) That a proposed improvement is necessary and that it 2260  
will be; 2261

(2) That the proposed improvement is conducive to the 2262  
public welfare, ~~and if the board is;~~ 2263

(3) That it is reasonably certain that the cost thereof 2264  
benefits of the proposed improvement will be less than the 2265  
benefits, it may grant the prayer of the petition. When deciding 2266  
whether to grant the prayer of the petition, the outweigh its 2267  
costs. 2268

(B) The board shall give consideration to the protection 2269  
of environmentally significant areas when those areas could be 2270  
adversely affected by the construction of the proposed 2271  
improvement and, if necessary, to alternative plans providing 2272

for that protection as well as for construction of the proposed 2273  
improvement. ~~Upon granting the prayer of the~~ 2274

(C) After deciding to proceed with a petition for a 2275  
proposed improvement, the board shall determine do all of the 2276  
following: 2277

(1) Determine the route and termini of the proposed 2278  
improvement and of the branches, spurs, and laterals thereof and 2279  
the manner of constructing the same. ~~On any petition for any~~ 2280  
~~improvement of a ditch, drain, watercourse, or levee, the~~ The 2281  
board, without request or application, may by its order change 2282  
either terminus of the proposed improvement or the route thereof 2283  
if it finds that the change is necessary to accomplish the 2284  
purposes of the improvement. ~~An order issued by the board under~~ 2285  
~~this section granting the prayer of the petition is effective on~~ 2286  
~~the day of the hearing at which the board issued it.~~ 2287

~~Upon granting the petition, the board shall order the~~ 2288  
~~county auditor to transfer from the general revenue funds of the~~ 2289  
~~county, not otherwise appropriated, to the general drainage~~ 2290  
~~improvement fund an amount not more than twenty five per cent of~~ 2291  
~~the engineer's preliminary estimate. After the twenty one day~~ 2292  
~~period for appeal, as provided in section 6131.25 of the Revised~~ 2293  
~~Code, has expired and no appeal has been taken, and as soon as~~ 2294  
~~the transfer of funds has been authorized, the board shall order~~ 2295

(2) Order the county engineer to prepare the reports, 2296  
plans, and schedules as provided in ~~sections 6131.01 to 6131.64~~ 2297  
~~of the Revised Code~~ this chapter. ~~It shall fix~~ 2298

(3) Set a date for the filing of ~~the~~ reports, plans, and 2299  
schedules by the engineer, allowing such time as is necessary 2300  
for the preparation of the reports, plans, and schedules by the 2301

engineer, and such time may be extended from time to time by the 2302  
board. 2303

~~The board shall adjourn the hearing on the improvement to 2304  
the date that it has fixed for the filing of the reports, plans, 2305  
and schedules by the engineer and adjourn the proceedings from 2306  
time to time, if necessary, thereafter. No change in the route 2307  
or termini of any proposed improvement shall be made, no 2308  
branches, laterals, or spurs shall be granted, and no change 2309  
shall be made in the nature of the work proposed after the first 2310  
hearing is completed, except upon application of an interested 2311  
owner affected by the proposed improvement and upon notice given 2312  
to all owners affected by the change, as provided in sections 2313  
6131.01 to 6131.64 of the Revised Code. All the findings and 2314  
orders of the board shall be entered in its journal. 2315~~

~~The route of an improvement shall so far as practicable be 2316  
located so as to avoid running the improvement diagonally across 2317  
property and shall where practicable follow property lines, 2318  
section lines, and lines of public highways, but where the line 2319  
of a public highway is followed, approval must be obtained from 2320  
the agency owning the highway. 2321~~

(D) After the thirty-day period for appeal provided under 2322  
section 6131.25 of the Revised Code has expired and no appeal 2323  
has been filed, the board may order the county auditor to 2324  
transfer funds of the county not otherwise appropriated to the 2325  
appropriate drainage improvement fund. The board shall not 2326  
appropriate an amount that exceeds twenty-five per cent of the 2327  
engineer's preliminary cost estimate. 2328

(E) If the board ~~finds for the~~ decides to proceed with a 2329  
petition for a proposed improvement, and if the improvement is 2330  
being undertaken through the joint efforts and cooperation of 2331

the board and any federal or state agency, and if the federal 2332  
regulations, state agency rules, or other procedures of the 2333  
cooperating agency are in conflict with Chapter 6131. of the 2334  
Revised Code with respect to the procedures for the preparing of 2335  
contracts, the issuing of bids, the making of awards, and 2336  
generally the administering of the contracts, the board may 2337  
adopt the federal regulations, state agency rules, or procedures 2338  
in those areas where conflict exists and proceed with the 2339  
improvement in accordance with the requirements of the federal 2340  
regulations, state agency rules, or procedures. 2341

(F) The board shall enter all of its findings and orders 2342  
in the board's journal. An order issued by the board under this 2343  
section granting the intent of the petition is effective on the 2344  
day of the hearing at which the board issued it. 2345

**Sec. 6131.13.** The board of county commissioners ~~may hear~~ 2346  
~~and determine at the same time and under one petition, upon~~ 2347  
~~proper averments, the following questions:~~ 2348

~~in any manner of, an old ditch, drain, or watercourse;~~ 2354

~~(C) The connecting into a single system of two or more~~ 2355  
~~improvements.~~ 2356

The board, on application of owners interested or at its 2357  
own discretion, may consolidate and treat as a petition for one 2358  
improvement petitions pending at the same time for two or more 2359  
separate improvements which connect with each other, or which 2360

serve common territory, or which can readily be combined into 2361  
one system. In case of such consolidation, the board shall enter 2362  
its action upon its journal, and if necessary, it shall order 2363  
the county engineer to re-estimate and make such further reports 2364  
and schedules as are necessary upon its order consolidating the 2365  
improvements. If two or more improvements are consolidated, the 2366  
proceedings after consolidation shall be the same as if all the 2367  
matters were petitioned for in one petition. 2368

Sec. 6131.14. ~~The~~ (A) Upon the board's determination to 2369

and the cost of notices, publication, and other incidental 2390  
expenses. ~~The~~ If applicable, the engineer shall ~~may~~ recommend 2391  
the maintenance district in which the improvement shall be 2392  
placed. The assessment of the improvement for maintenance for 2393  
one year ~~shall be added to the cost of construction in making~~ 2394  
~~the actual assessment and~~ shall be credited to the maintenance 2395  
fund of the district. 2396

(6) Prepare a schedule of damages that includes both of 2397  
the following: 2398

(a) An estimate of the value of land or other property 2399  
necessary to be acquired through purchase or voluntary transfer 2400  
or appropriated in accordance with section 163.01 to 163.62 of 2401  
the Revised Code, and a description of that land or other 2402  
property; 2403

(b) An estimate of the total damages to be sustained by 2404  
owners as a result of the construction and subsequent 2405  
maintenance of a proposed improvement, along with the name and 2406  
address of each owner that is alleged to be damaged, the amount 2407  
of each owner's estimated damages, and an explanation of each 2408  
owner's injury. 2409

(C) The county engineer shall set proper construction 2410  
stakes and shall note the intersection of the line of the 2411  
improvement with the apparent land boundaries of separate 2412  
owners, township and county lines, natural landmarks, road 2413  
crossings, or other lines or marks. The engineer shall take and 2414  
note any necessary levels off the line of the improvement to 2415  
determine the area of the land subject to drainage. 2416

~~The engineer shall also establish, at intervals of not~~ 2417  
~~less than one in each mile, in the most practicable permanent~~ 2418

~~form, and in locations where destruction or disturbance is~~ 2419  
~~improbable, bench marks from which the original levels of the~~ 2420  
~~improvement can be established. The bench marks and all levels~~ 2421  
~~of the improvement shall be based upon some established~~ 2422  
~~elevation of the geological survey of the United States, if any,~~ 2423  
~~in the county, and the relation of any assumed elevation used by~~ 2424  
~~the engineer in the work upon any improvement to the elevation~~ 2425  
~~established by the geological survey shall be accurately stated~~ 2426  
~~in the engineer's report. The engineer shall make a plan of the~~ 2427  
work proposed to be done, which shall show the grade, the depth, 2428  
the excavating to be done, the location of the permanent bench 2429  
marks and their actual elevation based on the most recent United 2430  
States geological survey data above or below the base elevation 2431  
used, and such other data as in the judgment of the engineer 2432  
will aid in retracing lines, levels, or other features of the 2433  
improvement. The plan shall indicate the profile and the nature 2434  
of the excavation. 2435

~~As soon as the engineer has completed the maps, profiles,~~ 2436  
~~and plans for the improvement, the~~ (D) (1) The engineer shall 2437  
transmit copies ~~thereof~~ of the construction drawings to the 2438  
director of natural resources, the director of transportation 2439  
when a state highway is affected, and the board of directors of 2440  
any conservancy district within which any part of the lands or 2441  
streams affected by the proposed improvement may lie. 2442

(2) The director of natural resources, the director of 2443  
transportation, and the board of directors of the conservancy 2444  
district shall review the plans submitted and within thirty days 2445  
file with the county engineer a report indicating approval or, 2446  
in case that approval cannot be given, a report with 2447  
recommendations. 2448

(3) The approval or report with recommendations, which, 2449  
where appropriate, shall include recommendations regarding the 2450  
use of best management practices that are consistent with the 2451  
prayer of the petition, shall be transmitted by the engineer to 2452  
the board of county commissioners, who shall take notice of the 2453  
approval or recommendations and shall authorize the engineer to 2454  
make any changes or alterations that in the judgment of the 2455  
board are necessary or desirable. 2456

(4) Upon receipt of approval of the plans by the director 2457  
of natural resources, the director of transportation, and the 2458  
board of directors of any conservancy districts affected, or 2459  
upon completion of any changes authorized by the board of county 2460  
commissioners, the engineer shall file the construction drawings 2461  
with the clerk of the board of county commissioners ~~all maps,~~ 2462  
~~profiles, and plans as provided by this section.~~ 2463

(E) The engineer shall prepare specifications for the 2464  
construction of the improvement. ~~The engineer shall specify a~~ 2465  
~~width of temporary easement for construction purposes. The~~ 2466  
~~specifications shall provide for~~ that include all of the 2467  
following: 2468

(1) The route of an improvement, which, as practicable as 2469  
possible, shall be located to avoid running the improvement 2470  
diagonally across property and to follow property lines, section 2471  
lines, and lines of public highways. However, where the line of 2472  
a public street or highway is followed, approval must be 2473  
obtained from the governmental entity owning the street or 2474  
highway. 2475

(2) The width of the temporary easement for construction 2476  
required for the improvement. The specifications shall require 2477  
the temporary easement to include spreading and leveling of 2478

spoil banks and shall prohibit the temporary easement from being 2479  
more than seventy-five feet from the top of the bank. 2480

(3) The width of the permanent easement required for the 2481  
improvement. The specifications shall provide for erosion and 2482  
sediment control through the establishment of a sod or seeded 2483  
strip not fewer than ~~four-ten~~ feet nor more than fifteen feet 2484  
wide, measured at right angles to the top of the ditch bank, on 2485  
both sides of the ditch, except where suitable vegetative cover 2486  
exists. The strip or other such controls shall be considered a 2487  
part of the permanent improvement. ~~Sod~~ 2488

(F) The county engineer shall provide to the county 2489  
auditor the acreages of sod or seeded strips established and 2490  
~~maintained in excess of four feet under this section and the~~ 2491  
county auditor shall be compensated for by their removal ~~remove~~ 2492  
the entire amount of each sod or seeded strip from the taxable 2493  
valuation of the property of which they are a part. ~~The engineer~~ 2494  
~~shall make estimates of the cost of excavating and of the cost~~ 2495  
~~of material and may divide the construction of the improvement~~ 2496  
~~into construction areas as considered expedient.~~ 2497

(G) The engineer shall make a note of all fences, 2498  
floodgates, culverts, or bridges that will be removed in 2499  
constructing the improvement and of all culverts or bridges that 2500  
must be adjusted or the channel of which must be enlarged to 2501  
construct the improvement. 2502

(H) In estimating the cost of an improvement, the engineer 2503  
may include the cost of installing gates in fences on the 2504  
reserved right-of-way where needed to provide access for 2505  
maintenance. The gates shall be kept locked when requested by 2506  
the owner and shall be considered a part of the original 2507  
improvement and subject to maintenance as provided by ~~sections~~ 2508

~~6137.01 to 6137.12~~ Chapter 6137. of the Revised Code. 2509

(I) The engineer shall make an estimate of the cost of 2510  
inspecting the work as it progresses and shall, with the 2511  
assistance of the prosecuting attorney, prepare forms for 2512  
contracts with bidders and forms of bid guaranties that meet the 2513  
requirements of section 153.54 of the Revised Code. 2514

(J) Upon the acceptance of the contract work, the engineer 2515  
shall file with the county recorder ~~a~~ all of the following: 2516

(1) A property plat showing the ~~general~~ owners of record 2517  
and parcel numbers along the drainage improvement; 2518

(2) The location of the improvement ~~and a;~~ 2519

(3) A statement describing the width of the permanent 2520  
easement for maintenance as provided for in section 6137.12 of 2521  
the Revised Code; 2522

(4) An affidavit listing the owners of record, complete 2523  
property descriptions, and parcel numbers subject to the 2524  
permanent easement. The engineer shall note the property plat in 2525  
the affidavit. 2526

The engineer shall include the permanent easement in the 2527  
county's geographic information systems or other mapping system, 2528  
if available. ~~The~~ 2529

The engineer shall make an itemized bill of the costs and 2530  
expenses incurred in the proper discharge of duties set forth in 2531  
this section and shall file the maps, profiles, plans, 2532  
schedules, and reports with the clerk of the board of county 2533  
commissioners upon completing them. 2534

**Sec. 6131.15.** (A) The county engineer shall ~~estimate the~~ 2535  
prepare a schedule of assessments that includes all of the 2536

following: 2537

(1) The name and address of each private owner of land and 2538  
a description of the land to be benefited by the proposed 2539  
improvement. The engineer shall obtain the names and addresses 2540  
from the tax duplicates of the county. The engineer shall obtain 2541  
the description from the county recorder's office. For purposes 2542  
of the description the county recorder shall not require a metes 2543  
and bounds survey. 2544

(2) The amount of the estimated assessment to be assessed 2545  
to each tract of land. An assessment shall not be less than ten 2546  
dollars. The total amount of the estimated assessments, 2547  
including the total estimated assessments allocated to public 2548  
corporations and the state, shall equal the estimated cost of 2549  
the proposed improvement. 2550

(3) An explanation of each assessment that is for purposes 2551  
other than drainage; 2552

(4) The benefits accruing to ~~public corporations~~ political 2553  
subdivisions and any department, office, or institution of the 2554  
state. The engineer shall determine the estimated cost of the 2555  
improvement that each ~~public corporation~~ political subdivision 2556  
and any department, office, or institution of the state shall be 2557  
assessed by reason of the benefit to public health, safety, 2558  
convenience, the environment, wildlife, recreation, and welfare, 2559  
or as the means of improving any street, road, or highway under 2560  
the control or ownership of any ~~public corporation~~ political 2561  
subdivision or any department, office, or institution of the 2562  
state, or for benefit to any land owned by any public 2563  
corporation or any department, office, or institution of the 2564  
state. The engineer shall prepare a schedule of assessments 2565  
containing the name and address of each ~~public corporation~~ 2566

political subdivision and each department, office, or 2567  
institution of the state so benefited, the amount of the 2568  
estimated assessment, and an explanation of the assessment if 2569  
the assessment is for purposes other than drainage. 2570

~~The county engineer shall also include in the schedule of-~~ 2571  
~~assessments the name and address of each private owner of land-~~ 2572  
~~and a description of the land believed to be benefited by the-~~ 2573  
~~proposed improvement, which names and descriptions shall be-~~ 2574  
~~taken from the tax duplicates of the county. The engineer shall-~~ 2575  
~~enter in the schedule the amount of the estimated assessment,-~~ 2576  
~~which in no case shall be less than ten dollars, to be assessed-~~ 2577  
~~to each tract of land and an explanation of the assessment, if-~~ 2578  
~~the assessment is for purposes other than drainage, by reason of-~~ 2579  
~~the construction of the improvement upon which the assessment is-~~ 2580  
~~based. The total of these estimated assessments including the-~~ 2581  
~~total estimated assessments allocated to public corporations and-~~ 2582  
~~the state shall equal the estimated cost of the proposed-~~ 2583  
~~improvement.~~ 2584

~~In determining the estimated drainage assessments for a-~~ 2585  
~~parcel, the county engineer shall give primary consideration to-~~ 2586  
~~the potential increase in productivity that the parcel may-~~ 2587  
~~experience as a result of the improvement and shall also give-~~ 2588  
~~consideration to the quantity of drainage contributed, the-~~ 2589  
~~relative location of the property to the project, the portion of-~~ 2590  
~~the project through which the drainage from the parcel flows,-~~ 2591  
~~the value of the project to the watershed, and benefits as-~~ 2592  
~~defined in section 6131.01 of the Revised Code.~~ 2593

~~The county engineer shall also estimate the value of land-~~ 2594  
~~or other property necessary to be taken and the damages to be-~~ 2595  
~~sustained by any owner as a result of the construction of the-~~ 2596

~~proposed improvement and the subsequent maintenance of the~~ 2597  
~~improvement. The engineer shall prepare a schedule of damages~~ 2598  
~~containing the name and address of each owner alleged to be~~ 2599  
~~damaged, the amount of the estimated damages, and an explanation~~ 2600  
~~of the injury upon which the estimate is based. The engineer's~~ 2601  
~~schedule of damages shall also contain the value of the land or~~ 2602  
~~other property necessary to be taken, the name and address of~~ 2603  
~~the owner, and a complete description of the land or other~~ 2604  
~~property. The engineer shall include the total of the estimated~~ 2605  
~~damages and valuations as part of his estimate of the total cost~~ 2606  
~~of constructing the improvement.~~ 2607

(B) In calculating each estimated assessment, the county 2608  
engineer shall do both of the following: 2609

(1) Use the information compiled in accordance with 2610  
divisions (B) (5) and (6) of section 6131.14 of the Revised Code; 2611

(2) Consider the following factors: 2612

(a) Acreage of a parcel; 2613

(b) Volume of water produced by a parcel; 2614

(c) Remoteness of the parcel to the improvement; 2615

(d) Percentage of the improvement used by the parcel; 2616

(e) Work determined to benefit that particular parcel only 2617  
and not the remainder of parcels in the watershed; 2618

(f) Soils; 2619

(g) County auditor's land value or current agricultural 2620  
use value, if applicable; 2621

(h) Existing drainage infrastructure that can be 2622  
incorporated into the improvement and associated cost savings; 2623

(i) Any other factors pertinent to that particular 2624  
petition and watershed; 2625

(j) Any benefits as defined in section 6131.01 of the 2626  
Revised Code. 2627

(C) The county engineer, in making~~his~~ the estimate of the 2628  
amount to be assessed each tract of land, each ~~public~~ 2629  
~~corporation~~ political subdivision, and the state in accordance 2630  
with this section, and the board of county commissioners, in 2631  
amending, correcting, confirming, and approving the assessments 2632  
in accordance with section 6131.22 of the Revised Code, shall 2633  
levy the assessments according to benefits. Each tract of land 2634  
and ~~public corporation~~ political subdivision affected by an 2635  
improvement and the state shall be assessed in the proportion 2636  
that each is benefited by the improvement, as "benefit" and 2637  
"improvement" are defined in section 6131.01 of the Revised 2638  
Code, and not otherwise. 2639

**Sec. 6131.16.** (A) Upon the filing with the clerk of the 2640  
board of county commissioners of the reports, plans, and 2641  
schedules by the county engineer as provided in section 6131.14 2642  
of the Revised Code, the board of county commissioners shall fix 2643  
a date not fewer than twenty-five nor more than ninety days 2644  
thereafter when a final hearing on the report shall be held. 2645  
~~Upon the fixing of the date~~ 2646

(B) At least twenty-one days prior to the date established 2647  
for the hearing, the clerk shall ~~immediately give~~ provide notice 2648  
~~by certified mail, return receipt requested, or by first class~~ 2649  
~~mail in a five-day return envelope. For each improvement, all~~ 2650  
~~individual notices shall be sent by the same type of mail.~~ 2651  
~~Whichever method the board chooses, the~~ to all owners that are 2652  
adjacent to the proposed improvement by certified mail and to 2653

all others in the area to be benefited by the proposed 2654  
improvement by certified or first class mail. The clerk shall 2655  
ensure that the words "Legal Notice of Proposed Drainage 2656  
Improvement" shall be are printed in plain view on the face of 2657  
the envelope. ~~Notice~~ The clerk shall be sent send the notice to 2658  
all the owners whose names appear in the engineer's schedules of 2659  
assessments and damages. ~~The notice clerk shall be mailed mail~~ 2660  
the notice to each address as given in the petition or to such 2661  
address as the clerk learns to be the correct address, as 2662  
provided in section 6131.07 of the Revised Code. If the schedule 2663  
of assessments or the schedule of damages filed by the engineer 2664  
contains the names of owners other than those mentioned in the 2665  
petition, ~~notices the clerk shall also be mailed mail the notice~~ 2666  
to those owners. The clerk shall include in the notice all of 2667  
the following: 2668

(1) An owner's estimated assessment, the estimated 2669  
damages, if any, and of any compensation for land or other 2670  
property necessary to be taken on each tract of land owned by 2671  
the owner, as estimated and described in the schedules; 2672

(2) The date, time, and location of the final hearing by 2673  
the board on the report of the engineer and on the proceedings 2674  
for the improvement; 2675

(3) A statement that an owner may file an exception to the 2676  
assessments or a claim for compensation or damages with the 2677  
clerk of the board of county commissioners not less than five 2678  
days before the date fixed for the final hearing; 2679

(4) A statement that if bonds or notes are to be issued, 2680  
an owner may pay an assessment in cash by giving notice to do so 2681  
on a form proscribed by the board of county commissioners not 2682  
more than twenty-one days after the final hearing or that an 2683

owner may pay the assessments in installments payable with 2684  
interest added at the same rate that bonds or notes bear 2685  
interest. 2686

(C) The clerk shall cause to be published a legal notice 2687  
in at least one newspaper of general circulation in the area 2688  
affected by the improvement, stating the name and number, if 2689  
any, of the proposed improvement, the location and nature of the 2690  
work proposed in the petition, and the date, time, and location 2691  
of the final hearing. The publication of this notice shall be 2692  
made in one issue of the newspaper if the individual notices are 2693  
sent by certified mail. If the individual notices are sent by 2694  
first-class mail in five-day return envelopes, the publication 2695  
of this newspaper notice shall be made in two issues of the 2696  
newspaper, and the notice shall include a list of the names of 2697  
all addressees whose individual notices were undelivered. The 2698  
publication shall be not fewer than thirteen days prior to the 2699  
date of the final hearing. The publication shall serve as public 2700  
notice to all owners of the substance of the proposed 2701  
improvement and of the pendency of the final hearing of the 2702  
board of county commissioners in the proceedings to authorize 2703  
the construction of the proposed improvement whether or not they 2704  
were individually named and notified. 2705

~~The mailed legal notice shall notify the owners of the~~ 2706  
~~assessment or the estimated damages, if any, and of compensation~~ 2707  
~~for any land or other property necessary to be taken on each~~ 2708  
~~tract of land owned by the owner, as estimated and described in~~ 2709

~~if bonds or notes are to be issued, the owner must give written~~ 2716  
~~notice within twenty one days after the final hearing of~~ 2717  
~~hisintention to pay in cash. The clerk shall include with the~~ 2718  
~~legal notice to the owner a form prescribed by the board of~~ 2719  
~~county commissioners that the owner shall use to notify the~~ 2720  
~~board of hisintention to pay in cash. If hedoes not give notice~~ 2721  
~~of hisintention to pay in cash within twenty one days, the~~ 2722  
~~installments will be payable with the interest added at the same~~ 2723  
~~rate that the bonds or notes bear interest.~~ 2724

Proof of notice by publication shall be verified by 2725  
affidavit of the ~~printer or other person knowing that fact,~~ 2726  
newspaper and the clerk of the board of county commissioners 2727  
shall prepare a certificate showing the service of the notices 2728  
by mail, both of which shall be filed with the clerk of the 2729  
board of county commissioners on or before the day of the final 2730  
hearing. Notices ~~If any notices are returned undelivered, the~~ 2731  
clerk shall keep the returned undelivered notices and their 2732  
receipts shall be kept on file as a permanent record of the 2733  
improvement with the permanent file of records required under 2734  
section 6131.061 of the Revised Code. 2735

assessments. 2896

(D) The board's board shall enter the orders approving the 2897  
assessments~~and ordering,~~ the order requiring the engineer to 2898  
receive bids, and any other orders made at ~~this~~the final 2899  
hearing, ~~shall be entered on~~ in its journal. The clerk of the 2900  
board of county commissioners shall immediately transmit to the 2901  
county auditor the schedules listing all assessments as approved 2902  
by the board. 2903

(E) Any owner opposed to the granting of the petition, or 2904  
any owner opposed to further proceedings in the improvement, or 2905  
any owner who claims that the assessment levied against~~him~~the 2906  
owner is excessive or is not in proportion to benefits, may 2907  
appeal from any order made pursuant to this section, as provided 2908  
in section 6131.25 of the Revised Code. 2909

(F) An order issued by the board under this section is 2910  
effective on the day of the hearing at which the board issued 2911  
it. 2912

**Sec. 6131.23.** (A) The assessments estimated in accordance 2913  
with section 6131.14 of the Revised Code shall be payable in not 2914  
less than two semiannual installments. At the time of the final 2915  
hearing, in the order approving the levying of the assessments, 2916  
the board of county commissioners shall determine how long a 2917  
period of time, in semiannual installments, as taxes are paid, 2918  
shall be given the owners of land benefited to pay the 2919  
assessments that are made for an improvement and whether or not 2920

bonds or notes shall be issued and sold in anticipation of such 2921  
payments. If bonds or notes are to be issued, the interest shall 2922  
be added to the assessments. 2923

(B) If the estimated cost of the improvement does not 2924  
exceed five hundred dollars, not more than two semiannual 2925  
installments, as taxes are paid, shall be given to owners of 2926  
lands benefited to pay the assessments that are made for the 2927  
improvement. If the estimated cost of the improvement exceeds 2928  
five hundred dollars, the board may determine the number of 2929  
installments in which the assessments are to be paid. If any 2930  
such assessment is twenty-five dollars or less, or whenever the 2931  
unpaid balance of any such assessment is twenty-five dollars or 2932  
less, the same shall be paid in full, and not in installments, 2933  
at the time the first or next installment would otherwise become 2934  
due. 2935

(C) When assessments are payable in installments and 2936  
county general funds are used to pay for the improvement, the 2937  
assessment shall not exceed thirty semiannual installments, ~~as~~ 2938  
~~computed by the county auditor pursuant to section 6131.49 of~~ 2939  
~~the Revised Code,~~ and shall be payable upon completion of the 2940  
contract. 2941

(D) When assessments are made payable in installments and 2942  
bonds or notes have been sold to pay for the improvement, 2943  
interest shall be added to the installments of assessments at 2944  
the same rate as is drawn by the bonds or notes issued to pay 2945  
for the improvements. Any owner may pay the estimated 2946  
assessments on the owner's land in cash within thirty days after 2947  
the final hearing without paying any interest thereon. If the 2948  
legislative authority of a political subdivision chooses to pay 2949  
the assessments on all parcels within the subdivision, both 2950

public and private, in one installment, it shall pass a 2951  
resolution so stating and shall send the resolution, or a copy 2952  
thereof, to the board of county commissioners before making the 2953  
payment. The legislative authority shall pay all subsequent 2954  
maintenance assessments levied under section 6137.03 of the 2955  
Revised Code if it chooses to pay the construction assessments 2956  
on all parcels within the subdivision. 2957

(E) Bonds may be sold for any repayment period that the 2958  
board of county commissioners may determine proper, not to 2959  
exceed thirty semiannual installments, ~~except that for bonds~~ 2960  
~~sold by a board of county commissioners for soil and water~~ 2961  
~~conservation district improvements pursuant to section 940.33 of~~ 2962  
~~the Revised Code, the repayment period shall not exceed thirty~~ 2963  
~~semiannual installments.~~ 2964

**Sec. 6131.24.** (A) The board of county commissioners shall 2965  
fix a date, time, and place at the final hearing for the county 2966  
engineer to receive bids. The county engineer shall prepare the 2967  
necessary bid documents and legal advertisements as provided in 2968  
sections 307.87 and 307.88 of the Revised Code. 2969

(B) If an appeal has been taken to the court of common 2970  
pleas, as provided in section 6131.25 of the Revised Code, the 2971  
bids may be received and tabulated, but the bid guaranties with 2972  
the bids shall immediately be returned to the bidders, and no 2973  
further steps shall be taken on the bids. 2974

**Sec. 6131.25.** (A) Any affected owner may appeal to the 2975  
court of common pleas within ~~twenty-one~~ thirty days of the date 2976  
that any order was issued by the board of county commissioners, ~~as~~ 2977  
~~provided in sections 6131.01 to 6131.64 of the Revised Code~~ 2978  
under this chapter, and may appeal any one or more of the 2979  
following questions: 2980

<del>(A)</del> <u>(1)</u> Is the improvement necessary?	2981
<del>(B)</del> <u>(2)</u> Will the improvement be conducive to the public welfare?	2982 2983
<del>(C)</del> <u>(3)</u> Is the cost of the improvement greater than the benefits conferred?	2984 2985
<del>(D)</del> <u>(4)</u> Is the route, termini, or mode of construction the best to accomplish the purpose of the improvement?	2986 2987
<del>(E)</del> <u>(5)</u> Are the assessments levied according to benefits?	2988
<del>(F)</del> <u>(6)</u> Is the award for compensation or damages just?	2989
<u>(B)</u> The appeal may be taken from any order affecting any part of the improvement as well as from any order affecting the entire improvement.	2990 2991 2992
<b>Sec. 6131.27.</b> If an appeal is <del>perfected by filing the bond and statement provided in</del> <u>filed pursuant to section 6131.26-6131.25</u> of the Revised Code, the clerk of the board of county commissioners shall promptly prepare a transcript of the orders made by the board of county commissioners, and shall file such transcript with the clerk of the court of common pleas, together with <del>all the original papers in said proceedings. The clerk of the court of common pleas shall file such transcript and papers in the court of common pleas</del> <u>the permanent files of records of the proceedings maintained by the board of county commissioners and county engineer as required under section 6131.061 of the Revised Code. <b>Sec. 6131.28.</b> Several owners may appeal from the orders in	3008

the same improvement ~~and file separate bonds and separate~~ 3009  
~~statements stating the matters appealed.~~ If several owners 3010  
appeal, only one transcript need be made by the clerk of the 3011  
board of county commissioners. All the appeals shall be filed in 3012  
one action in the court of common pleas, which court, on any 3013  
appeal, may separate for hearing or trial the issues appealed to 3014  
said court, and render its order, judgment, or decree upon the 3015  
issues as the same are determined. The case on appeal shall be 3016  
advanced, or tried as soon as the court can hear it. 3017

**Sec. 6131.30.** (A) The court of common pleas, on appeal, 3018  
shall hear the matters appealed de novo. ~~The proceedings shall~~ 3019  
~~be conducted under the rules of law and procedure for civil~~ 3020  
~~cases. An appeal shall bring into the court all the owners who~~ 3021  
~~in any way may be interested in or affected by the matter~~ 3022  
~~appealed. The court, exercising equitable jurisdiction, shall~~ 3023  
~~hear all matters appealed, except an appeal from an order~~ 3024  
~~allowing or refusing to allow compensation or damages. The court~~ 3025  
~~may view the premises the same as views in other civil cases and~~ 3026  
~~shall make such judgment, order, or decree as is warranted by~~ 3027  
~~the evidence. Any owner aggrieved by the judgment, order, or~~ 3028  
~~decree may appeal for a review of the proceedings, the same as~~ 3029  
~~in other civil cases. On appeal, the burden of proof shall be on~~ 3030  
~~the owner having the affirmative of the proposition, who shall~~ 3031  
~~have the opening and closing. The court, exercising equitable~~ 3032  
jurisdiction, shall bring the entire proceedings before it in 3033  
order to determine all the issues raised in the proceedings and 3034  
enter a final judgment, order, or decree for or against the 3035  
improvement petitioned for and for or against the assessments to 3036  
be levied and the compensation and damages to be paid. 3037

(B) If the court orders the county engineer to make a 3038  
survey and file ~~his~~ the engineer's reports, plans, and 3039

schedules, the court also shall enter an order for transfer from 3040  
the general revenue funds of the county to the general drainage 3041  
improvement fund a sum of not more than twenty-five per cent of 3042  
the engineer's preliminary estimate. 3043

~~The court of common pleas may appoint a board of 3044  
arbitrators to assume the duties of the judge. The board shall 3045  
be comprised of three disinterested persons chosen by the judge, 3046  
who shall designate one of the persons to be chairman. A 3047  
decision of the board shall require approval of a majority of 3048  
the members. Either party may appeal the board's decision to the 3049  
court of common pleas, which shall decide the case on the record 3050  
of arbitration. 3051~~

**Sec. 6131.32.** On appeal from an order made by the board of 3052  
county commissioners allowing or refusing to allow compensation 3053  
or damages, the owners interested shall have the right of trial 3054  
by jury. ~~The issues shall be made by the application or claim 3055  
filed with the clerk of the board of county commissioners for 3056  
compensation or damages, and the statements in such applications 3057  
shall be deemed denied. The claimant for compensation or damages 3058  
shall have the affirmative and shall have the opening and 3059  
closing of the trial. The case shall proceed pursuant to the law 3060  
and the rules governing civil procedure, with the same rights 3061  
for motions for new trial and the right of appeal as in other 3062  
civil cases. The jury may view the premises, as in other civil 3063  
cases. Just compensation or damages shall be awarded, as 3064  
provided in the Ohio constitution. 3065~~

**Sec. 6131.33.** ~~The jury authorized by section 6131.32 of 3066  
the Revised Code, upon submission of the case to it under proper 3067  
charge of the court of common pleas, and upon a form of verdict 3068  
provided by the court, shall return its verdict determining the 3069~~

~~matter in issue, upon which verdict a judgment shall be entered~~ 3070  
~~by the court as in other civil cases. The verdict shall be~~ 3071  
~~signed by the jury. Nine or more of the jurors must concur in a~~ 3072  
~~verdict.~~ If there is more than one appellant in a trial by jury 3073  
authorized under section 6131.32 of the Revised Code with 3074  
separate claims on the question of ~~allowance or compensation or~~ 3075  
~~damages, or the refusal to allow compensation or damages,~~ or if 3076  
there are issues as to different properties, the court may 3077  
submit all the several claims and issues to the same jury, with 3078  
appropriate verdicts as to each claim, ~~or it~~. The court also 3079  
may direct separate trials for the separate claims and issues, ~~or~~ 3080  
~~any one or more of them. In said proceedings the~~. The court 3081  
shall instruct the jury shall be instructed that in its verdict 3082  
~~for compensation for land taken or for damages to any land by an~~ 3083  
~~improvement~~ it shall not consider or deduct the value of any 3084  
benefits that such land will receive from the construction of 3085  
such improvement. 3086

**Sec. 6131.34.** ~~The court of common pleas shall receive the~~ 3087  
~~verdict referred to in section 6131.33 of the Revised Code, and~~ 3088  
~~if no motion for new trial thereof is filed within three days,~~ 3089  
~~which motion may be filed as in other civil cases and for like~~ 3090  
~~causes, or if such motion for a new trial is overruled, it shall~~ 3091  
~~render judgment according to said verdict, and for or against~~ 3092  
~~the owners, separately, if there is more than one. The court~~ 3093  
~~shall tax the costs of appeal, including jury fees, in favor of~~ 3094  
~~the prevailing party, and where two or more appeals are tried~~ 3095  
~~together the court shall divide the costs as is equitable.~~ ~~If~~ 3096  
the appellants, on claims for compensation or damages, do not 3097  
recover a judgment for more than the amount of compensation or 3098  
damages awarded by the board of county commissioners, the costs 3099  
on the hearing as to compensation or damages on appeal shall be 3100

taxed against the appellants. If the amount recovered is greater 3101  
than the amount awarded by the board, the costs shall be taxed 3102  
against the county. 3103

The prosecuting attorney shall represent the county in all 3104  
appeals on questions of compensation or damages. On appeals of 3105  
other matters which are tried to the court sitting as a court of 3106  
equity, the court shall adjudge the costs as it deems just and 3107  
equitable except as otherwise provided in section 6131.01 to 3108  
6131.64, inclusive, of the Revised Code. 3109

**Sec. 6131.36.** (A) After the final judgment, order, or 3110  
decree upon any appeal is rendered by the court of common pleas, 3111  
the clerk of the court of common pleas shall, within twenty-one 3112  
days, make a transcript of the same and shall certify and 3113  
transmit it with all original papers in the case to the clerk of 3114  
the board of county commissioners, who shall forthwith enter the 3115  
judgment, order, or decree upon the journal of the board. If the 3116  
judgment, order, or decree is in favor of the granting of the 3117  
improvement, the board shall proceed with the improvement 3118  
proceedings in compliance with the final judgment, order, or 3119  
decree from the point at which they were terminated by the 3120  
appeal or from the point at which the court orders the board to 3121  
proceed. 3122

(B) Upon the expiration of the twenty-one day appeal 3123  
period provided in section 6131.25 of the Revised Code, the 3124  
clerk of the board of county commissioners shall transmit the 3125  
schedules of assessments and damages to the county auditor. The 3126  
board of county commissioners and the county engineer shall 3127  
proceed with letting contracts and constructing the improvement, 3128  
and the county auditor shall proceed to levy and collect 3129  
assessments and to pay compensation and damages as if no appeal 3130

had been taken. If an appeal is ~~perfected to the court of~~ 3131  
~~appeals and a supersedeas bond is given~~ filed pursuant to 3132  
section 6131.25 of the Revised Code, the board and the engineer 3133  
shall stay their proceedings until the final determination of 3134  
the proceedings in the court of appeals or in the supreme court. 3135

**Sec. 6131.42.** ~~Any owner who has suffered any loss or~~ 3136  
~~damage by reason of the failure of the contractor to perform his~~ 3137  
~~contract, or by his negligence in performing the contract, may~~ 3138  
~~bring suit against the contractor and his bondsmen to recover the~~ 3139  
~~damages so sustained. Two or more owners who are assessed for~~ 3140  
~~the construction of the improvement may in one suit bring an~~ 3141  
~~action against the contractor and his bondsmen to recover the~~ 3142  
~~damages which may be sustained by all the plaintiffs by reason~~ 3143  
~~of the failure of the contractor to construct the improvement~~ 3144  
~~according to the contract.~~ 3145

~~When two or more owners join in one suit in an action for~~ 3146  
~~damage against the contractor, the jury in one verdict shall~~ 3147  
~~find the damages suffered by all the plaintiffs. The court shall~~ 3148  
~~enter judgment on the verdict in favor of the plaintiffs for the~~ 3149  
~~amount of damages, as found by the jury, and shall at the time~~ 3150  
~~of entering the judgment find what part of said judgment should~~ 3151  
~~be paid to each of the plaintiffs respectively, and shall order~~ 3152  
~~the clerk to the court to pay to each of said plaintiffs the~~ 3153  
~~part of said judgment as found by the court when said judgment~~ 3154  
~~is paid. Any owner who is assessed for the construction of any~~ 3155  
improvement may bring an action to enjoin the payment of any 3156  
money owed a contractor who has not constructed the work 3157  
according to the contract and specifications until the 3158  
contractor has constructed the improvement according to the 3159  
contract and specifications. The remedies provided in this 3160  
section are in addition to all other remedies provided by law. 3161

Sec. 6131.43. (A) Upon the completion of the work and the approval of it by the county engineer, the board of county commissioners shall order the county auditor to reduce pro rata the assessments confirmed by it by the difference between the estimated cost of the construction and the final cost as certified by the county engineer. The assessments so reduced, including the cost of location, engineering, compensation, damages, and contingency and the assessment for maintenance for one year, shall be levied upon each parcel of land, each public corporation, and each department, office, or institution of the state as stated in the schedules as of the date of the order of the board approving the contracts and ordering the levying of the assessments.

(B) The auditor shall notify the owners of all assessed lands of the amount of the actual assessment, which shall be not less than ten dollars, and of the payment plan for the collection of the assessments. The auditor shall immediately place the assessments so levied upon the duplicates of the county, and the assessments shall be a lien upon the several parcels of land respectively from and after the date of the order of the board approving and levying the assessments. The auditor shall be liable on ~~his~~ the auditor's bond for any damages sustained by any person by reason of the auditor's failure to place promptly the assessments upon the proper duplicates of the county.

(C) The county auditor shall transmit to the governing body of any ~~public corporation~~ political subdivision affected by an improvement the assessments levied against it. The governing body shall authorize payment to be made to the county treasurer of the county in which the improvement is located from the general fund of the ~~public corporation~~ political subdivision,

except as otherwise provided by law. 3193

(D) The county auditor shall also transmit to the director 3194  
of any department, office, or institution of the state, affected 3195  
by an improvement the assessments levied against any department, 3196  
office, or institution of the state. Payment shall be made to 3197  
the county treasurer of the county in which the improvement is 3198  
located from the drainage assessment fund in the manner provided 3199  
by section 6133.15 of the Revised Code. In presenting their 3200  
proposed expenses to the director of budget and management 3201  
pursuant to section 126.02 of the Revised Code, the directors of 3202  
all departments, offices, or institutions of the state shall 3203  
list all unpaid assessments received before the first day of 3204  
October of the year preceding the first regular session of the 3205  
general assembly for the state's proportionate share of the cost 3206  
of any improvement authorized or constructed under ~~sections~~ 3207  
~~6131.01 to 6131.64, 6133.10 to 6133.15, and 6135.01 to 6135.27~~ 3208  
this chapter and Chapters 6133. and 6135. of the Revised Code 3209  
and all unpaid assessments for maintenance as provided by 3210  
~~sections 6137.01 to 6137.14 Chapter 6137.~~ of the Revised Code. 3211  
The assessments so listed shall be included in the state budget 3212  
estimates of revenues and expenditures for each state fund and 3213  
budget estimates for each state agency prepared and submitted to 3214  
the governor under section 126.02 of the Revised Code. 3215

**Sec. 6131.47.** ~~During the execution of the work on an~~ 3216  
~~improvement, the county engineer shall cause notice to be given~~ 3217  
~~to the owner within seven days in advance of removal or~~ 3218  
~~alteration of a culvert, bridge, fence, or floodgate, where the~~ 3219  
~~removal or alteration is necessary to the progress of the work~~ 3220  
~~of the improvement, to remove or make such alteration as the~~ 3221  
~~engineer finds necessary.~~ 3222

~~During the formulation of the plans, the~~ (A) The county 3223  
engineer shall evaluate all culverts and bridges, except those 3224  
on state and federal highways, for adequacy of capacity, 3225  
vertical and horizontal alignment, and stability. ~~Any~~ The county 3226  
engineer shall schedule any bridge or culvert found not 3227  
~~conforming that does not conform~~ with the design of the drainage 3228  
improvement ~~shall be scheduled for removal and replacement or~~ 3229  
repair as the engineer considers necessary. 3230

~~(B) If, in the judgment of the county engineer,~~ determines 3231  
that the culverts and bridges were adequate in capacity or 3232  
vertical and horizontal alignment at the time of their 3233  
installation, the removal and replacement ~~with a comparable,~~ 3234  
~~adequate culvert or bridge~~ shall be made at the expense of the 3235  
project less any costs, which shall be apportioned by the 3236  
engineer, for correction, maintenance, or replacement of the 3237  
culvert or bridge in whole or in part due to deterioration or 3238  
instability had the structure been left in place. The latter 3239  
costs shall be specially assessed to the owner. 3240

~~Any~~ (C) The county engineer shall schedule in the project 3241  
plans any culvert or bridge, except those on state and federal 3242  
highways, that is washed out in whole or part, but that 3243  
otherwise ~~meeting~~ meets the requirements of the drainage 3244

be assessed to the appropriate owner ~~for reasons that the~~ 3249  
~~culvert or bridge was improperly designed and constructed.~~ 3250

(D) Fences and floodgates impeding the flow of water shall 3251  
be removed as a part of the drainage improvement. Replacement 3252

may be made by the owner, provided that prior written approval 3253  
is obtained from the county engineer. 3254

(E) The county engineer shall cause notice to be given to 3255  
the owner not later than seven days in advance of removal or 3256  
alteration of a culvert, bridge, fence, or floodgate. 3257

(F) Any owner may furnish the work and material in lieu of 3258  
a special assessment, provided ~~he makes~~ the owner does all of 3259  
the following: 3260

(1) Makes written application to the county engineer 3261  
within ten ~~calendar~~ days after the final hearing, ~~furnishes;~~ 3262

(2) Furnishes the work and materials in accordance with 3263  
the specifications for the improvement, ~~performs same;~~ 3264

(3) Performs the work so as not to delay the project 3265  
contractor, ~~and completes;~~ 3266

(4) Completes the work prior to the completion of the work 3267  
on the whole improvement. 3268

~~Should~~ (G) If the owner default defaults on any or all of 3269  
these conditions, the county engineer shall recommend to the 3270  
board of county commissioners that the default be completed by 3271  
an extra work order to the project contractor and its cost 3272  
assessed to the owner. 3273

**Sec. 6131.50.** (A) The board of county commissioners of 3274  
each county ~~shall~~ may provide and establish the "general 3275  
drainage improvement fund," ~~which fund shall to~~ be used as a 3276  
sinking fund for all bonds issued under sections 6131.01 to 3277  
6131.64, inclusive, of the Revised Code. ~~Said~~ 3278

(B) The fund shall may consist of any of the following: 3279

<del>(A)</del> <u>(1)</u> Any taxes levied and collected for ditch and drainage purposes under county levies, not by law otherwise disposed of;	3280 3281 3282
<del>(B)</del> <u>(2)</u> The proceeds of all bonds issued and sold under sections 6131.01 to 6131.64, inclusive, of the Revised Code;	3283 3284
<del>(C)</del> <u>(3)</u> The collections from all special assessments for benefits to property, as provided in such sections;	3285 3286
<del>(D)</del> <u>(4)</u> Such other funds as by law are provided to be paid therein.	3287 3288
<b>Sec. 6131.51.</b> <u>(A)</u> All costs and expenses of improvements under <del>sections 6131.01 to 6131.64 of the Revised Code</del> <u>this chapter</u> , including contract prices of construction and the costs of locating the improvement, <del>shall</del> <u>may</u> be paid from the general drainage improvement fund. <del>No warrants shall be drawn to be paid from the fund unless it contains a sufficient amount not otherwise specifically appropriated to pay them.</del>	3289 3290 3291 3292 3293 3294 3295
<u>(B)</u> The letting and approving of any contract for an improvement shall be considered a specific appropriation of the amount of the obligation, and that amount shall be set apart for the purpose of the payment and contingently charged against the fund. If at any time the fund contains the proceeds of bonds or notes issued and sold under such sections, the fund shall not be depleted below the obligations incurred by the bond or note issue unless assessments or levies have been made or ordered made in sufficient amount to redeem the bonds or notes as they fall due. If at any time obligations legally incurred exceed the amount of the drainage improvement fund, an amount of the general revenue funds in the county treasury equal to the deficiency, unless otherwise appropriated, may by resolution of	3296 3297 3298 3299 3300 3301 3302 3303 3304 3305 3306 3307 3308

the board of county commissioners be transferred to the general 3309  
drainage improvement fund. 3310

(C) At any time after assessments collected for a drainage 3311  
improvement exceed the amount allocated to the board for 3312  
engineering expenses, the board of county commissioners may by 3313  
resolution transfer from the drainage improvement fund to the 3314  
general revenue fund of the county an amount equal to that 3315  
amount as reimbursement of the sum previously transferred under 3316  
section 6131.12 or 6131.30 of the Revised Code. 3317

**Sec. 6131.52.** ~~The~~ (A) If necessary, the board of county 3318  
commissioners, ~~at its each March session, annually, shall, if~~ 3319  
~~necessary,~~ levy upon the grand duplicate of the county a tax, 3320  
not to exceed five-tenths of one mill on the dollar, that is 3321  
sufficient to pay for the location and construction of the 3322  
portions of the respective improvements located by ~~it~~ the board 3323  
or for which the county has been assessed under ~~sections 6131.01~~ 3324  
~~to 6131.64, 6133.01 to 6133.15, 6135.01 to 6135.27, or 6137.01~~ 3325  
~~to 6137.14~~ this chapter or Chapter 6133., 6135., or 6137. of the 3326  
Revised Code, ~~which tax, when~~. When collected, the tax shall be 3327  
credited to the general drainage improvement fund. 3328

(B) For the purposes of ~~sections 6131.01 to 6131.64,~~ 3329  
~~6133.01 to 6133.13, 6135.01 to 6135.25, and 6137.01 to 6137.14~~ 3330  
this chapter and Chapters 6133., 6135., and 6137. of the Revised 3331  
Code, the board of county commissioners may levy a tax under 3332  
division (X) of section 5705.19 of the Revised Code upon all of 3333  
the property listed and assessed for taxation in the county. In 3334  
addition to the actions required under section 5705.19 of the 3335  
Revised Code, the board shall cause to be filed with the county 3336  
auditor and the board of elections of the county, at least sixty 3337  
days prior to the passage of the resolution required under that 3338

section, an accurate map showing the locations and types of any 3339  
proposed improvements, the areas to be benefited, and the 3340  
existing system of drainage improvements that is to be 3341  
maintained from the proceeds of the levy. 3342

Any funds collected as a result of such a levy ~~shall~~may 3343  
be credited to the general drainage improvement fund of the 3344  
county in which the tax is levied. 3345

(C) For the purposes of ~~sections 6131.01 to 6131.64,~~ 3346  
~~6133.01 to 6133.13, 6135.01 to 6135.25, and 6137.01 to 6137.14~~ 3347  
this chapter and Chapters 6133., 6135., and 6137. of the Revised 3348  
Code, the board of county commissioners may adopt a resolution 3349  
designating any portion of the county as a drainage improvement 3350  
district. If a copy of the resolution and a map or legal 3351  
description of the district's boundaries have been filed with 3352  
the county auditor in such form as the county auditor 3353  
prescribes, the board may levy a tax within the district under 3354  
division (X) of section 5705.19 of the Revised Code. The board 3355  
shall base its designation on the location of a system of 3356  
drainage improvements and on the areas to be benefited by that 3357  
system. The proceeds of the levy shall only be used for the 3358  
construction and maintenance of the system of drainage 3359  
improvements within the drainage improvement district. 3360

For the purposes of this section, the board of county 3361  
commissioners is constituted the "taxing authority" and the 3362  
county auditor is the "fiscal officer," within the purview of 3363  
Chapter 5705. of the Revised Code. 3364

**Sec. 6131.55.** (A) Any owner of land affected by an 3365  
improvement who has not received notice thereof and has not had 3366  
an opportunity to be heard as provided in ~~sections 6131.01 to~~ 3367  
~~6131.64, 6133.01 to 6133.11, or 6135.01 to 6135.27~~ this chapter 3368

or Chapter 6133., 6135., or 6137. of the Revised Code may bring 3369  
an action in the court of common pleas of the county wherein ~~his~~ 3370  
the owner's land is located, against the board of county 3371  
commissioners in its official capacity, to recover any tax or 3372  
assessment ~~therefor, if paid,~~ to enjoin any tax, assessment, or 3373  
levy ~~therefor upon his~~ the owner's lands, to recover for any 3374  
damages sustained, or for compensation for any property taken. 3375  
~~The owner's rights and remedies in the action shall be the same~~ 3376  
~~as for any like demand. In the action the~~ 3377

(B) The board may plead and prove the value of any actual 3378  
benefit to the land by reason of the improvement ~~in litigation.~~ 3379

(C) The rights granted by this section shall be in 3380  
addition to all other rights provided by law. 3381

**Sec. 6131.60.** If one or more members of a board of county 3382  
commissioners are petitioners for an improvement or own land 3383  
that will be taken, benefited, or damaged by the improvement 3384  
petitioned for, the clerk of the board of county commissioners 3385  
shall notify the judge of the court of common pleas of the 3386  
county who shall within ten days appoint as many disinterested 3387  
~~freeholders~~ owners of the county as are necessary to take the 3388  
place of the interested members. ~~The appointees shall not be~~ 3389  
~~related by blood or affinity to the interested members. They~~ 3390  
~~shall before acting be sworn to perform faithfully and~~ 3391  
~~impartially the duties of the members in the matter of the~~ 3392  
~~improvement, which oath shall be signed by them and by the~~ 3393  
~~officer before whom the same is taken and filed with the clerk.~~ 3394  
~~Upon appointment and qualification the appointee~~ The appointees 3395  
~~shall, in the proceedings upon the improvement,~~ perform all the 3396  
duties of the disqualified members and ~~shall~~ may receive from 3397  
the general drainage improvement fund the same per diem rate as 3398

~~the disqualified member receives, as shown by the record for~~ 3399  
~~such services, and the amount so paid shall be costs taxed in~~ 3400  
~~the proceedings members receive.~~ 3401

**Sec. 6131.63.** ~~Except when an owner whose land is used for~~ 3402  
~~agricultural purposes desires to install tile by extending or~~ 3403  
~~adding to his own laterals or desires to expel water therefrom~~ 3404  
~~into an open ditch on his own land in the same watershed, when~~ 3405  
(A) When one or more owners desire to join in the construction 3406  
~~of an improvement that will benefit the land of the owners, and~~ 3407  
~~when the owners are willing to construct the and pay the costs~~ 3408  
of a drainage improvement and pay the cost thereof that will 3409  
benefit the land of the owners, they may enter into a written 3410  
agreement for the construction of the improvement, ~~or they may~~ 3411  
~~enter into an agreement to construct such which may include each~~ 3412  
owner constructing part of the improvement as a person mutually 3413  
~~agreed upon apportions to each of them respectively. In the~~ 3414  
~~agreement the owners shall provide that~~ 3415

(B) The owners shall file the agreement and the plan and 3416  
schedules for construction of the proposed improvement shall be 3417  
~~filed with the clerk of the board of county commissioners of the~~ 3418  
~~county in which the improvement is to be constructed. When the~~ 3419  
~~agreement and schedules are so signed, the plan is approved by a~~ 3420  
~~professional engineer registered in this state, and the~~ 3421  
~~agreement, schedules, and plan are filed with the clerk of the~~ 3422  
~~board of county commissioners, the~~ The clerk shall immediately 3423  
~~refer submit~~ the agreement, plan, and schedules to the county 3424  
engineer for examination and review. 3425

(C) The county engineer shall determine the adequacy of 3426  
the plan and schedules and the effect of the proposed 3427  
improvement on any other improvements and ~~on any~~ highways in the 3428

area affected. 3429

(D) The county engineer shall also prepare a schedule of 3430  
proposed assessments for the maintenance of the improvement 3431  
according to an estimate of benefits accruing to each owner and 3432  
an estimate of maintenance costs including the engineer's costs 3433  
in preparing the schedules. ~~The board shall pay the engineer's~~ 3434  
~~costs out of the county general fund.~~ 3435

(E) The engineer shall file with the clerk of the board of 3436  
county commissioners, within sixty days, a report of ~~his~~ the 3437  
engineer's review together with such recommendations for change, 3438  
amendment, or alteration of the agreement, plan, and schedules 3439  
~~as he may determine to be necessary in the public interest.~~ 3440

(F) When the agreement, plan, and schedules, as presented 3441  
or as amended by the owners pursuant to the county engineer's 3442  
recommendations, are approved by the county engineer, the 3443  
engineer shall file, within sixty days, a certificate of 3444  
approval with the clerk of the board of county commissioners. 3445  
Failure to file a certificate of approval within sixty days 3446  
constitutes a presumption of certification and the owners may 3447  
proceed to construct. 3448

~~Upon the filing with the clerk of the board of county~~ 3449

~~prepared by the county engineer as provided by this section,~~ 3451  
~~together with his certificate of approval, the~~ 3452

(G) The board shall ~~proceed to~~ set a hearing date on the 3453  
engineer's proposed maintenance assessments for the drainage 3454  
improvement not less than twenty-five nor more than ninety days 3455  
~~thereafter~~ after the engineer files a certificate of approval 3456  
and shall notify all persons whose names appear in the 3457

engineer's schedule of maintenance assessments in accordance 3458  
with section 6131.16 of the Revised Code. At the hearing on the 3459  
proposed assessments the board of county commissioners shall 3460  
hear any evidence offered for or against the assessments 3461  
proposed to be levied against any owner as shown by the schedule 3462  
of assessments filed by the county engineer and shall hear any 3463  
competent evidence on the question of benefits. 3464

(H) The board, from the evidence offered, may amend and 3465  
correct the assessments, and the assessments so amended or 3466  
corrected shall be approved by the board and the approval 3467  
entered on its journal. Once the assessments have been approved, 3468  
all further proceedings in connection with the maintenance of 3469  
the improvement shall be in accordance with Chapter 6137. of the 3470  
Revised Code. 3471

(I) The clerk shall record the agreement, plan, and 3472  
schedules in the drainage records of the county, and the 3473  
agreement shall locate and establish the improvement as a ~~public~~ 3474  
~~watercourse~~ drainage improvement. The improvement shall then be 3475  
constructed by the owner in accordance with the approved plans. 3476

(J) This section shall not be interpreted to include 3477  
improvements or changes in stream channels that may be made by 3478  
the department of transportation or other public agencies or 3479  
railroads at their own expense for the purpose of providing a 3480  
more adequate waterway along a highway or at the site of a 3481  
bridge or culvert or to improve conditions of flow through them 3482  
or for the purpose of protecting the highway or road bed and 3483  
that do not limit future deepening of the channel. 3484

**Sec. 6131.631.** (A) When construction of a new single span 3485  
bridge or culvert or extension of an existing culvert that will 3486  
limit the future deepening of a public watercourse is 3487

contemplated in connection with the construction of a state 3488  
highway or other public improvement, the director of 3489  
transportation or other public agency proposing the construction 3490  
shall file plans for the construction with the clerk of the 3491  
board of county commissioners of the county in which the 3492  
construction or improvement is to be constructed, ~~who~~. 3493

(B) The clerk shall immediately refer the plans to the 3494  
county engineer ~~for examination and review~~. 3495

~~The county engineer who~~ shall review the proposed 3496  
location, both horizontal and vertical, of the proposed 3497  
structures and the effect of the proposed improvements on any 3498  
other improvements and on any highways in the area. 3499

(C) The county engineer shall file, within sixty days, 3500  
with the clerk of the board of county commissioners and the 3501  
director of transportation or other public agency a report of 3502  
the review with such recommendations for change, amendment, or 3503  
alteration in the plans for the proposed improvement as the 3504  
engineer may determine to be necessary in the public interest. 3505

(D) When the plans for the proposed improvements as 3506  
presented, or as amended pursuant to the county engineer's 3507  
recommendations, are approved by the county engineer, the 3508  
engineer shall file, within sixty days, a certificate of 3509  
approval with the clerk of the board of county commissioners. If 3510  
the engineer does not file such a report of ~~his~~ the engineer's 3511  
review with the clerk within sixty days after the date that the 3512  
plans were referred to ~~him~~ the engineer, the engineer's approval 3513  
shall be presumed by the clerk. 3514

(E) The improvement shall then be constructed in 3515  
accordance with the approved plans at the expense of the 3516

department of transportation or other public agency. 3517

**Sec. 6131.64.** (A) Upon a petition being filed and a bond 3518  
given as provided for the location and construction of an 3519  
improvement, and upon the same proceedings with notice to 3520  
interested parties for a hearing upon the petition, and with the 3521  
same hearing as is provided for the location of an improvement, 3522  
the board of county commissioners may determine whether any 3523  
ditch or drain described in the petition has ceased to be a 3524  
public utility, whether the public welfare no longer demands the 3525  
maintenance thereof, and whether its vacation will be to the 3526  
advantage of the public welfare. 3527

(B) If the board finds that the vacation of the ditch or 3528  
drain will be conducive to the public welfare, it may declare 3529  
the same to be vacated and abandoned as a public ditch or drain 3530  
and its location and establishment held for naught. The private 3531  
rights of persons acquired by reason of the location and 3532  
establishment of the ditch or drain shall not be interfered with 3533  
nor impaired ~~thereby~~ without due compensation being made 3534  
~~therefor~~, which compensation may be assessed on property that is 3535  
benefited by the vacation of the ditch or drain. 3536

(C) All proceedings relating to the vacation of a ditch or 3537  
drain shall be conducted in accordance with ~~sections 6131.01 to~~ 3538  
~~6131.64 of the Revised Code~~ this chapter, with all rights of 3539  
appeal as provided in such sections. 3540

**Sec. 6133.01.** As used in ~~sections 6133.01 to 6133.11,~~ 3541

"benefit," and "improvement" have the ~~meaning set forth same~~ 3544  
meanings as in section 6131.01 of the Revised Code. 3545

(B) "Lead county" means the county in which the majority 3546  
of the initial length of a joint county drainage improvement 3547  
would be located, as specified in an original petition filed 3548  
under section 6133.02 of the Revised Code. 3549

**Sec. 6133.02.** (A) When an improvement is proposed to be 3550  
located in or benefits or damages land in two or more counties, 3551  
the proceeding shall be conducted by a joint board of county 3552  
commissioners consisting of the members of the boards of county 3553  
commissioners of the several counties in which land may be 3554  
benefited or damaged by the proposed improvement. ~~In such case,~~ 3555

(B) The petition for ~~the~~ a joint county drainage 3557  
improvement shall be filed with the clerk of the board of county 3558  
commissioners of the lead county ~~in which the majority of the~~ 3559  
~~proposed improvement is located.~~ 3560

**Sec. 6133.03.** (A) A joint board of county commissioners 3561  
may do all the things that a board of county commissioners may 3562  
do in a single county improvement, and shall be governed by and 3563  
be subject to sections 6131.01 to 6131.64 of the Revised Code, 3564  
relating to single county ditches insofar as applicable. ~~The~~ 3565  
~~proceedings~~ 3566

(B) Except as otherwise provided for in this chapter, a 3567  
petition for a joint county improvement shall proceed before the 3568  
joint board of county commissioners the same as if the joint 3569  
board were a board of county commissioners representing a county 3570  
that included all the territory of all the counties represented 3571  
by the commissioners on the joint board, except as otherwise 3572  
modified in accordance with this chapter. ~~The~~ 3573

(C) The cost of a joint county improvement shall be paid 3574

by the counties affected by such improvement, in proportion to 3575  
their total ~~ditch-drainage~~ assessments, or as otherwise 3576  
apportioned by the joint board, for such improvement. To meet 3577  
its portion of such cost, a board of county commissioners may 3578  
borrow such sums of money as are apportioned to the county, and 3579  
may issue and sell the bonds of the county to secure the payment 3580  
of the principal and interest of the sum borrowed. Such 3581  
principal and interest shall be paid as provided in section 3582  
133.26 of the Revised Code. ~~All rights of appeal, and all other~~ 3583  
~~rights or remedies as provided in sections 6131.01 to 6131.64 of~~ 3584  
~~the Revised Code, apply to joint county improvements. All~~ 3585  
~~officers doing any acts or making any findings for or against~~ 3586  
~~such improvement shall perform all the duties required of them~~ 3587  
~~under such sections.~~ 3588

(D) All owners affected by the proceedings for a joint 3589  
county improvement shall have all the rights and remedies given 3590  
them in the case of single county improvements. ~~The proceedings~~ 3591  
~~in joint county improvements shall be the same as the~~ 3592  
~~proceedings in single county improvements except as modified in~~ 3593  
~~sections 6133.02 to 6133.11 of the Revised Code. All rights of~~ 3594  
appeal and all other rights or remedies as provided in Chapter 3595  
6131. of the Revised Code apply to joint county improvements. 3596

**Sec. 6133.04.** (A) On the date fixed by the clerk of the 3597  
board of county commissioners with whom the petition was filed, 3598  
the board of county commissioners from each of the counties 3599  
affected by a proposed joint county improvement shall meet ~~in~~ 3600  
~~the county in which the petition is filed~~ and organize a joint 3601  
board of county commissioners by electing one of their number 3602  
president. ~~The~~ 3603

(B) The clerk of the board of county commissioners of the 3604

lead county in which the petition is filed shall act as clerk 3605  
and administrator of the joint board and shall enter the 3606  
findings of the joint board in the journal of the board of 3607  
county commissioners of ~~his~~ the clerk's county, shall do all 3608  
things required to be done by the clerk, and shall make the 3609  
final record of the improvement in ~~his~~ the clerk's county. The 3610  
clerk shall ~~file certified~~ provide copies of all proceedings 3611  
with the clerks of the boards of all affected counties. ~~A~~ 3612

(C) A majority of the county commissioners constituting 3613  
the joint board shall constitute a quorum. All decisions of the 3614  
joint board shall be made by a vote of a majority of the county 3615  
commissioners constituting the joint board. ~~The~~ 3616

(D) The director of ~~the department of~~ natural resources 3617  
shall be a member ex officio of the joint board and may 3618  
participate, either in person or through a designated 3619  
representative, in deliberations and proceedings of the joint 3620  
board but shall have no vote except in case of a tie, in which 3621  
case the proceedings shall be adjourned for thirty days, during 3622  
which time the director shall review the proceedings and cast 3623  
the deciding vote. The vote shall be recorded in the journal. 3624  
~~After~~ 3625

(E) After the view of ~~the~~ a proposed improvement by the 3626  
joint board of county commissioners, all hearings shall be held 3627  
in the lead county in which the petition is filed unless a 3628  
majority of the joint board of county commissioners agree to an 3629  
alternative location. 3630

(F) When the joint board of county commissioners is 3631  
formed, the joint board of county commissioners shall be 3632  
administered by the lead county's elected officials, including 3633  
the lead county's county engineer, county recorder, county 3634

auditor, county prosecutor, common pleas judges, county 3635  
treasurer, and clerk of the board of county commissioners. 3636

**Sec. 6133.041.** (A) Notwithstanding any other provision of 3637  
this chapter or Chapter 6131. of the Revised Code to the 3638  
contrary, a joint board of county commissioners, when 3639  
practicable, may conduct ~~proceedings regarding existing~~ 3640  
~~improvements meetings~~ by video conference or, if video 3641  
conference is not available, by teleconference. The joint board 3642  
of county commissioners shall make provisions for public 3643  
attendance at any location involved in such a ~~proceeding~~ 3644  
~~meeting~~. The ~~participation of any commissioner or board of~~ 3645  
~~county commissioners in a video conference or teleconference~~ 3646  
~~shall occur at the location of the commissioners' main office or~~ 3647  
~~board room~~ joint board shall establish the joint board's main 3648  
office or board room as the primary meeting location for the 3649  
video conference or teleconference. The conference shall be held 3650  
at that location in an open meeting at which the public is 3651  
allowed to attend. 3652

(B) Before convening a meeting of a joint board of county 3653  
commissioners by video conference or by teleconference, 3654  
designated staff shall send, via electronic mail, facsimile, or 3655  
United States postal service, a copy of meeting-related 3656  
documents to each member of the joint board. 3657

(C) The minutes of each joint county ~~ditch drainage~~ 3658  
improvement meeting shall specify who was attending by 3659  
teleconference, who was attending by video conference, and who 3660  
was physically present. Any vote taken in a meeting held by 3661  
teleconference that is not unanimous shall be recorded as a roll 3662  
call vote. 3663

(D) Nothing in section 121.22 of the Revised Code 3664

prohibits a joint board of county commissioners from conducting 3665  
a ~~proceeding meeting~~ in a manner authorized by this section. 3666

**Sec. 6133.05.** ~~In the matter of an improvement under~~ 3667  
~~sections 6133.02 to 6133.11 of the Revised Code, there shall be~~ 3668  
~~included as a portion of the costs and expenses to be paid by~~ 3669  
~~the petitioners, if the petition authorized by section 6133.02~~ 3670  
~~of the Revised Code is dismissed, or assessed to them as a part~~ 3671  
~~of the costs, if the petition is granted, the~~ (A) As used in 3672  
this section, "actual expenses" means the actual expenses of the 3673  
members of the joint board of county commissioners for the 3674  
performance of their duties at places other than in their own 3675  
county . 3676

(B) If a petition filed under section 6133.02 of the 3677  
Revised Code is dismissed, the actual expenses shall be paid by 3678  
the petitioners. 3679

(C) If a petition filed under section 6133.02 of the 3680  
Revised Code is granted, the actual expenses shall be included 3681  
in the costs of the project. 3682

**Sec. 6133.06.** (A) Upon the filing of the a petition 3683  
~~authorized by under~~ section 6133.02 of the Revised Code, the 3684  
clerk of the board of county commissioners ~~with whom the~~ 3685  
~~petition is filed of the lead county~~ shall call a joint meeting 3686  
of the boards of county commissioners of all ~~the affected~~ 3687  
counties ~~interested~~ to be held at a designated place in the 3688  
~~county in which the petition is filed~~ affected area at a date 3689  
not more than thirty days after the filing of the petition for 3690  
the purpose of organizing the joint board. ~~The~~ 3691

(B) The clerk of the lead county shall give notice of the 3692  
filing of the petition and of the meeting to the board of ~~his~~ 3693

the clerk's county and shall mail the notice together with a 3694  
copy of the petition to the clerks of the boards of the county 3695  
commissioners of the other counties interested who shall 3696  
immediately notify the boards of their counties of the filing of 3697  
the petition and of the date fixed for the meeting of the joint 3698  
board. ~~All applications, remonstrances, claims for compensation-~~ 3699  
~~or damages, reports, schedules, certificates, statements,~~ 3700  
~~contracts, bonds, and other papers shall be filed with the clerk-~~ 3701  
~~with whom the petition is filed.~~ 3702

(C) The clerk of the lead county shall file certified 3703  
copies of all proceedings and filings with the clerks of the 3704  
boards of all affected counties. 3705

**Sec. 6133.07. (A) (1)** The county auditor and county 3706  
treasurer of the lead county in which the petition authorized by 3707  
section 6133.02 of the Revised Code is filed shall ex officio- 3708  
~~become~~ are the fiscal agents of all the counties interested in 3709  
the proposed improvement. Such 3710

(2) The clerk of the joint board shall present bills for 3711  
payment to the fiscal agents in the same manner as a request for 3712  
payment would be made with respect to a single county drainage 3713  
improvement. 3714

(3) The fiscal agents shall process and pay each bill for 3715  
the joint board of county commissioners presented. 3716

(B) The auditor of the lead county shall certify to the 3717  
auditor of the other counties a schedule of the assessments to 3718  
be levied for the cost of locating and constructing the 3719  
improvement and the auditor of such other county shall ~~proceed-~~ 3720  
~~forthwith to~~ place such assessment upon the duplicates. The 3721  
assessments so certified for collection to an auditor of another 3722

county shall be a lien on the land within such county from the 3723  
date such certificate is received by the auditor of such other 3724  
county. ~~The~~ 3725

(C) The treasurer of each county shall proceed to collect 3726  
the same assessments pursuant to the orders made in said the 3727  
proceedings for a joint drainage improvement, and such shall pay 3728  
the assessments when collected shall be paid to the treasurer of 3729  
the lead county in which the petition was filed. The 3730

(D) The auditor and the treasurer of the lead county shall 3731  
receive and account for such funds in the same manner as they 3732  
receive and account for assessments collected for single county 3733  
improvements. ~~The treasurer and the auditor with their bondsmen-~~ 3734  
bonders shall be liable on their official bonds for any 3735  
misappropriation of such funds. ~~All~~ 3736

(E) All warrants for the payment of costs of location and 3737  
for costs of construction of a joint county improvement shall be 3738  
drawn by the auditor of the lead county in which the petition is 3739  
filed, on the treasurer of said the lead county, payable out of 3740  
the general ditch drainage improvement fund of said the lead 3741  
county. ~~If the~~ 3742

(F) If a petition for the a joint drainage improvement is 3743  
dismissed after the costs and expenses have been incurred in 3744  
making the lead county engineer's reports and schedules provided 3745  
for in section 6133.08 of the Revised Code, such costs shall be 3746  
paid by the several counties respectively, as the joint board of 3747  
county commissioners deems just and equitable. All assessments 3748  
when collected in all the counties and any amount which another 3749  
county should pay shall be paid into the treasury of the lead 3750  
county ~~in which the petition was filed,~~ and credited to the 3751  
general ditch drainage improvement fund of said the lead county. 3752

Sec. 6133.08. ~~(A) The joint board may designate the county~~ 3753

responsible for the field work and shall make the survey, plans, 3755  
and estimates, ~~but the~~ for the joint drainage improvement. The 3756  
county engineer of each affected county ~~interested~~ shall assist 3757  
in making the reports and schedules. All reports and schedules 3758  
of the lead county's county engineer shall be signed and 3759  
approved by all the county engineers of the several affected 3760  
counties ~~interested~~ and shall be filed with the clerk ~~with whom~~ 3761  
~~the petition is filed~~ of the lead county. ~~If the engineers of~~ 3762  
~~the several counties interested do not concur in the reports or~~ 3763  
~~schedules, separate reports or schedules may be filed by one or~~ 3764  
~~more of the engineers, and the costs thereof shall be paid by~~ 3765  
~~the counties from which the separate reports or schedules are~~ 3766  
~~filed. In making up the schedules and reports the engineers~~ 3767  
~~shall proceed to make the schedules and reports of the~~ 3768  
~~improvement the same as if the improvement were an improvement~~ 3769  
~~within a county of the size of the several counties interested~~ 3770  
~~in the proposed improvement. The engineers who do not make the~~ 3771  
~~survey may make such observations and take such levels as are~~ 3772  
~~necessary to assist them in making their schedules and in~~ 3773  
~~arriving at the proper amount to be assessed against each tract~~ 3774  
~~of land.~~ 3775

(B) The county engineer ~~who did the field work and made~~ 3776  
~~the survey and plans of the lead county~~ shall proceed to take 3777  
bids, inspect the progress of the work and make estimates and 3778  
reports on the progress of the work, accept the work and 3779  
material for the improvement, and issue certificates therefor, 3780  
as in the case of single county improvements, ~~and shall do all~~ 3781  
~~things to be done by an engineer after the letting of the~~ 3782  
contracts under Chapter 6131. of the Revised Code. 3783

**Sec. 6133.09.** (A) The hearing on the reports and schedules 3784  
of the county engineers provided for by section 6133.08 of the 3785  
Revised Code and all other proceedings relative to a proposed 3786  
joint county improvement shall be had the same as in single 3787  
county ~~ditches~~ drainage improvements. ~~Claims~~ 3788

(B) Claims for compensation for land taken or for damages 3789  
to land may be appealed by an affected owner~~interested~~, or by 3790  
the prosecuting attorney, to the court of common pleas of the 3791  
county in which the land for which the owner claims compensation 3792  
or damages is located. ~~All~~ 3793

(1) All claims for compensation or damages which are 3794  
allowed shall be paid out of the treasury of the county in which 3795  
such land is located. ~~The~~ 3796

(2) The county auditor of the lead county ~~in which the~~ 3797  
~~petition is filed~~ shall certify the amounts of compensation or 3798  
damages so found by the joint board of county commissioners to 3799  
the auditors of the other counties, respectively, for payment. 3800

(C) If an appeal is taken on the question of compensation 3801  
or damages, the auditor of the lead county ~~in which the petition~~ 3802  
~~is filed~~ shall transmit to the clerk of the court of common 3803  
pleas of the county in which the land of the appellant is 3804  
located the original papers relating to the claim for 3805  
compensation or damages and a certified transcript of the 3806  
findings on the improvement and on the claim, which shall be 3807  
docketed by the clerk and shall proceed the same as an appeal on 3808  
a claim for compensation or damages in a single county 3809  
improvement proceeding. 3810

**Sec. 6133.10.** (A) All appeals to the court of common pleas 3811  
except appeals on claims for compensation or damages shall be 3812

heard by a panel of judges consisting of one judge of the court 3813  
of common pleas from each of the affected counties ~~interested,~~ 3814  
~~sitting en banc.~~ If 3815

(1) If the panel cannot reach a decision, the panel may 3816  
request the addition of a judge from a court of common pleas in 3817  
the area of the state in which the joint drainage improvement is 3818  
located. 3819

(2) The panel shall follow court opinions and precedent 3820  
established by the appellate district in which the petition for 3821  
the joint drainage improvement was filed. 3822

(3) If a judge is disqualified or for any reason does not 3823  
care or refuses to hear the a case, the chief justice of the 3824  
supreme court shall designate a judge to sit in ~~his~~ the judge's 3825  
place. Appeals 3826

(B) All appeals on claims for compensation or damages 3827  
shall be tried by jury as provided in ~~sections 6131.01 to~~ 3828  
~~6131.64, inclusive, Chapter 6131.~~ of the Revised Code. 3829

**Sec. 6133.11.** (A) If the a joint board of county 3830  
commissioners ~~finds for the~~ approves a proposed joint drainage 3831  
improvement ~~and but,~~ at the final hearing for the improvement, 3832  
is unable to agree ~~upon on~~ the amount to be assessed to each an 3833  
affected county to be paid by the county because the improvement 3834  
is for improvements conducive to the public welfare, or of 3835  
benefit to public highways or ~~to~~ land owned by the an affected 3836  
county, ~~then such the~~ joint board shall by resolution state the 3837  
~~fact that such the~~ joint board is not able to agree as to such 3838  
~~fact on the assessments.~~ Upon 3839

(1) Upon the adoption of such the resolution, the question 3840  
shall be appealed to the court of common pleas as is provided in 3841

sections 6133.02 to 6133.11, ~~inclusive,~~ of the Revised Code. ~~No~~ 3842

(2) No bond on appeal need be filed, and the resolution of 3843  
the joint board ~~stating such inability to agree shall be deemed~~ 3844  
the statement on appeal. ~~The~~ 3845

(3) The clerk of the joint board shall perfect the appeal 3846  
by filing a transcript, ~~including of the resolution of the joint~~ 3847  
~~board finding that the joint board cannot agree, with all of the~~ 3848  
~~original papers, in the court and the record of proceedings for~~ 3849  
~~the joint improvement. The~~ 3850

(B) The court shall hear such an appeal under this section 3851  
the same as other appeals under sections 6133.02 to 3852  
6133.11, ~~inclusive,~~ of the Revised Code, and make such order as 3853  
to costs as is equitable. 3854

**Sec. 6133.14.** The state shall pay to the county treasurer 3855  
of the lead county in which the petition for a drainage 3856  
~~improvement was filed~~ the assessment levied against it for the 3857  
state's proportionate share of the cost of any improvement 3858  
authorized or constructed under sections 6131.01 to 6131.64, 3859  
6133.01 to 6133.15, and 6135.01 to 6135.27 of the Revised Code 3860  
and all unpaid assessments for maintenance as provided by 3861  
sections 6137.01 to 6137.12 of the Revised Code. 3862

(1) Make an estimate of the cost of the necessary work; 4063

(2) Determine the most efficient and economical manner to 4064  
complete the work, including conducting the work in various 4065  
phases if determined necessary. The county engineer shall take 4066  
into account local conditions that may pertain to a maintenance 4067  
program such as excavation, snagging, clearing, cleaning, 4068  
physical and chemical control of vegetation, and reparation of 4069  
banks and structures. The county engineer may determine whether 4070  
the work shall be performed by force account, contract, or a 4071  
combination of the two. However, if a contract is used for the 4072  
work, the county engineer shall comply with sections 307.86 to 4073  
307.92 of the Revised Code. 4074

(3) Determine a schedule for completion of the work 4075  
subject to the availability of funds in the appropriate 4076  
maintenance fund; 4077

(4) Certify the actual cost of completion of the work to 4078  
the county auditor or lead county's county auditor for payment 4079  
from the appropriate maintenance fund. 4080

(D) The board or joint board and the county engineer may 4081

the present permanent assessment base for maintenance 4364  
assessment, the proposed new permanent assessment base amount 4365  
with respect to each owner so changed, and the date of a hearing 4366  
on the change. The hearing shall be set by the board for a date 4367  
not less than twenty nor more than thirty days from the date of 4368  
adoption of the changes. 4369

(D) At the expiration of six years from the date of the 4370  
first review of the permanent assessment base of maintenance 4371  
assessments, and at six-year intervals thereafter, the board of 4372  
county commissioners shall may again review the permanent 4373  
assessment base and shall set a hearing on any proposed changes 4374  
by in accordance with the procedure provided procedures 4375  
established in division (C) of this section for the first such 4376

review. 4377

(E) The board of county commissioners at any time may add 4378  
to the schedule of benefited owners any other owner who, in the 4379  
judgment of the board, is benefited by the operation and 4380  
maintenance of the improvement as the result of new conditions 4381  
that have arisen since the improvement was constructed. The 4382  
~~additional clerk of the board shall provide such an owner shall~~ 4383  
~~be given notice in writing of his the owner's permanent~~ 4384  
~~maintenance fund assessment base and the date of a hearing by~~ 4385  
~~the same procedure as provided by in accordance with the~~ 4386  
~~procedures established in division (C) of this section for any~~ 4387  
owner whose permanent assessment base has been changed by the 4388  
board. Notice to ~~the additional~~ such an owner shall be sent by 4389  
the same type of mail as the board uses for owners whose 4390  
permanent assessment base has been changed. 4391

~~The~~ (F) A hearing on the changes in, or additions to, the 4392  
permanent assessment base for maintenance assessment may be 4393  
adjourned from time to time by the board of county commissioners 4394  
and, upon conclusion of the hearing, the revised permanent 4395  
assessment base shall be certified to the county auditor and 4396  
shall become the permanent assessment base for maintenance 4397  
~~assessments~~, except as changed from time to time with respect to 4398  
individual owners. 4399

(G) If the board of county commissioners finds that any 4400  
owner was not assessed for the construction of an improvement, 4401  
but now is receiving substantial benefit therefrom, or was 4402  
assessed for construction, but now is receiving substantially 4403  
greater benefits therefrom, the board ~~may,~~ after providing a 4404  
thirty ~~days~~ day notice pursuant to section 6131.07 of the 4405  
Revised Code, may hold a hearing and determine an equitable 4406

amount as an equalization assessment to be paid by the owner. 4407  
The equalization assessment shall be divided into the same 4408  
number of payments as the assessments for the construction of 4409  
the improvement, and the payment shall be added to the next 4410  
succeeding maintenance assessments of the owner until the entire 4411  
amount of the equalization assessment has been paid. 4412

(H) Any owner affected by an increase in the permanent 4413  
assessment base as it applies to ~~him~~ the owner, or who has been 4414  
added to the schedule of benefited owners, or who has been 4415  
determined to be subject to an equalization assessment, all as 4416  
provided in this section, may appeal to the court of common 4417  
pleas from a final order made by the board of county 4418  
commissioners, in the manner provided by sections 6131.25 to 4419  
6131.36 of the Revised Code, the question of whether any such 4420  
assessment is levied according to benefits. 4421

(I) In the case of drainage maintenance districts for 4422  
which the board of county commissioners has authorized a single 4423  
~~drainage~~ maintenance fund, a review of the permanent assessment 4424  
base ~~of maintenance assessments~~ shall be made not later than six 4425  
years after the creation of the drainage maintenance district, 4426  
and at six-year intervals thereafter, by the same procedure as 4427  
provided by this section for review of the permanent assessment 4428  
base with respect to a single improvement, and it shall not be 4429  
necessary to review the entire ~~maintenance~~ permanent assessment 4430  
base for any improvement included in the maintenance district 4431  
until the board reviews the ~~maintenance~~ permanent assessment 4432  
base for the entire district. 4433

**Sec. 6137.111.** (A) In lieu of the permanent assessment 4434  
base and procedure specified in section 6137.11 of the Revised 4435  
Code, the board of county commissioners may by resolution levy 4436

upon the benefited property assessments apportioned according to 4437  
tax value. The assessments shall be in the amount determined by 4438  
the board to be necessary to obtain funds for the ~~ditch~~ 4439  
maintenance fund. 4440

(B) Prior to the adoption of ~~the~~ a resolution levying the 4441  
assessments, the board shall give at least ten days' notice in 4442  
one newspaper of general circulation in the county, which shall 4443  
state the time and place when and where the resolution shall be 4444  
taken up for consideration. At that time and place or at any 4445  
adjournment thereof, of which no further published notice need 4446  
be given, the board shall hear all persons whose properties are 4447  
proposed to be assessed, shall correct any errors and make any 4448  
revisions that appear to be necessary or just, and may then pass 4449  
a resolution levying upon the properties determined to be 4450  
benefited such assessments as so corrected and revised. 4451

(C) Any owner of property to be so assessed may appeal to 4452  
the court of common pleas from the resolution made by the board 4453  
of county commissioners, in the manner provided by sections 4454  
6131.25 to 6131.36 of the Revised Code, the question of whether 4455  
any such assessment is levied according to benefits. 4456

(D) The assessments levied by the board's resolution shall 4457  
be certified to the county auditor for collection as other taxes 4458  
in the year or years in which they are payable. Any increase or 4459  
reduction of the assessments levied under this section shall be 4460  
made at the regular six-year reappraisal of all property in the 4461  
county under section 5713.01 of the Revised Code or through 4462  
adjustments made for property divisions, improvements, and 4463  
changes. 4464

**Sec. 6137.112.** (A) At the time that the board of county 4465  
commissioners reviews the permanent assessment base of an 4466

improvement ~~for maintenance fund assessments~~ after six annual 4467  
~~maintenance fund assessments~~ have been made as provided in 4468  
section 6137.11 of the Revised Code, the board may request the 4469  
county engineer to estimate the construction cost of the 4470  
improvement if that improvement were to be constructed at the 4471  
time of the permanent assessment base review. Not less than 4472  
thirty days prior to a hearing at which the board will consider 4473  
the estimate as the construction cost of the improvement, the 4474  
clerk of the board shall send to each owner that would be 4475  
affected a notice by certified mail, return receipt requested, 4476  
or by first class mail in a five-day return envelope. For each 4477  
improvement, all individual notices shall be sent by the same 4478  
type of mail. Whichever method the board chooses, the words 4479  
"legal notice" shall be printed in plain view on the face of the 4480  
envelope. The notice shall state the amount of the present 4481  
permanent assessment base ~~for maintenance assessment~~, the 4482  
proposed new permanent assessment base amount with respect to 4483  
the owner, and the date of the hearing on the proposed change. 4484

(B) The board of county commissioners, by adoption of a 4485  
resolution at the hearing required under division (A) of this 4486  
section, may approve the ~~estimate as the construction cost of~~ 4487  
~~the improvement~~ permanent assessment base, as determined by the 4488  
county engineer according to division (B) (5) of section 6131.14 4489  
of the Revised Code in lieu of the original ~~construction cost~~ of 4490  
the improvement. If approved, the ~~estimate total estimated cost~~ 4491  
of ~~construction cost~~ the improvement shall be the permanent 4492  
assessment base that is used to calculate maintenance fund 4493  
assessments for owners benefiting from the improvement. The 4494  
approved estimate of ~~construction cost~~ the improvement shall 4495  
serve as the permanent assessment base for the purposes of this 4496  
chapter until such time as it is revised in accordance with this 4497

section. 4498

**Sec. 6137.12.** (A) In the cleaning, repair, and other 4499  
maintenance work on drainage improvements, the persons whose 4500  
duty it is to perform the maintenance work may go upon the 4501  
adjoining or abutting lands within the permanent easement 4502  
necessary for proper operation of the required machinery, tools, 4503  
motor vehicles, conveyances, or other equipment. 4504

(B) (1) In the case of open ditches, the permanent easement 4505  
so used shall be not more than twenty-five feet from the top of 4506  
the bank, measured at right angles thereto, and wherever 4507  
practical the area so used shall be on one side of the ditch 4508  
only. ~~When in his opinion~~ 4509

(2) In the case of an open ditch log-jam removal project 4510  
within a wooded riparian corridor, a maintenance easement may be 4511  
created from the top of the bank to twenty-five feet outside of 4512  
the edge of the wooded riparian corridor. 4513

(3) When the county engineer determines that an emergency 4514  
situation exists at an open ditch needing maintenance, the 4515  
county engineer may, with the approval of the board of county 4516  
commissioners, temporarily extend the easement to not more than 4517  
seventy-five feet from the top of the bank, measured at right 4518  
angles thereto, in order to conduct the necessary maintenance 4519  
work and alleviate the condition or conditions causing the 4520  
emergency situation. ~~The~~ 4521

(C) The maximum width of permanent easement for closed 4522  
ditches shall not exceed eighty feet centered on the centerline 4523  
of the improvement. ~~The~~ 4524

(D) The permanent easement for all other improvements 4525  
shall be as located and the width as specified by the county 4526

engineer. ~~When~~ 4527

(E) When the performance of maintenance requires the 4528  
damage of existing crops beyond the permanently established sod 4529  
or seeded strip, the owner of the crops shall ~~be granted~~ submit 4530  
a written request for payment for damages to the county 4531  
engineer. The county engineer shall award the crop owner damages 4532  
equal to market value, to be paid from the permanent maintenance 4533  
fund established for the improvement. ~~Under~~ 4534

(F) (1) Under contract work, the county engineer may 4535  
specify the right-of-way to be used within the permanent 4536  
easement. Where the nature of the surface of the adjoining or 4537  
abutting land does not prevent it, and there are growing crops 4538  
on one side of the ditch but none upon the other, the right-of- 4539  
way provided for shall be used on that side of the ditch on 4540  
which there are no growing crops. ~~In~~ 4541

(2) In using the right-of-way, the persons performing 4542  
maintenance shall, as far as possible, avoid damage to the owner 4543  
of the adjoining or abutting lands. 4544

(3) If in the doing of this work it is necessary to damage 4545  
or temporarily remove any fences, poles, or wire lines, the cost 4546  
of repairing, removing, and replacing the fences, poles, and 4547  
wire lines shall be included in the total cost of the 4548  
maintenance. 4549

(G) This section does not authorize passage across, along, 4550  
or between railroad tracks until thirty days after notice has 4551  
been mailed in accordance with section 6131.07 of the Revised 4552  
Code. 4553

**Sec. 6137.13.** That part of interstate ~~ditches~~ drainage 4554  
improvements within the state may be cleaned or repaired 4555

pursuant to sections 6137.01 to 6137.12, ~~inclusive,~~ of the 4556  
Revised Code. ~~Such sections shall apply insofar as they are~~ 4557  
~~applicable.~~ 4558

**Sec. 6137.14.** The county engineer, in inspecting drainage 4559  
channels, shall note any and all apparent violations of sections 4560  
6111.01 to 6111.04 of the Revised Code, as such sections refer 4561  
to the pollution of drainage channels. Whenever it appears to 4562  
the county engineer, ~~after investigation,~~ that there ~~has been~~ 4563  
may be a violation of section 6111.04 of the Revised Code, the 4564  
county engineer shall ~~give written notice to notify the county~~ 4565  
~~board of health~~ director of environmental protection, setting 4566  
forth any thing or act done or omitted to be done or claimed to 4567  
be in violation of such section. The ~~county board of health~~ 4568  
director shall immediately pursue the alleged violation to its 4569  
legal conclusion. 4570
