SYNOPSIS

Credit transfer appeal information

R.C. 3333.16(E)

Requires state universities to provide information regarding the institution's transfer appeal process and the Department of Higher Education's student complaint portal to students who were not granted transfer credit for certain general education coursework.

Removes a provision of the bill that requires a state university to report refusals to accept and grant college credit for certain general education coursework completed by a student at another state institution of higher education to the Chancellor of Higher Education.

Study of credit transfer rules; Ohio Articulation and Transfer Network Oversight Board

R.C. 3333.16(F)

Renames the bill's Transfer Practices Advisory Committee as the Ohio Articulation and Transfer Network Oversight Board. (The bill requires the Transfer Practices Advisory Committee to conduct a study of, and prepare a report about, current rules regarding the transfer of college credit between state institutions of higher education.)
