person responsible for the requested public record may deny the 480
request but shall provide the requester with an opportunity to 481
revise the request by informing the requester of the manner in 482
which records are maintained by the public office and accessed 483
in the ordinary course of the public office's or person's 484
duties. 485

(3) If a request is ultimately denied, in part or in 486
whole, the public office or the person responsible for the 487
requested public record shall provide the requester with an 488
explanation, including legal authority, setting forth why the 489
request was denied. If the initial request was provided in 490
writing, the explanation also shall be provided to the requester 491
in writing. The explanation shall not preclude the public office 492
or the person responsible for the requested public record from 493
relying upon additional reasons or legal authority in defending 494
an action commenced under division (C) of this section. 495

(4) Unless specifically required or authorized by state or 496
federal law or in accordance with division (B) of this section, 497
no public office or person responsible for public records may 498
limit or condition the availability of public records by 499
requiring disclosure of the requester's identity or the intended 500
use of the requested public record. Any requirement that the 501
requester disclose the requester's identity or the intended use 502
of the requested public record constitutes a denial of the 503
request. 504

(5) A public office or person responsible for public 505
records may ask a requester to make the request in writing, may 506
ask for the requester's identity, and may inquire about the 507

intended use of the information requested, but may do so only 508
after disclosing to the requester that a written request is not 509
mandatory, that the requester may decline to reveal the 510
requester's identity or the intended use, and when a written 511
request or disclosure of the identity or intended use would 512
benefit the requester by enhancing the ability of the public 513
office or person responsible for public records to identify, 514
locate, or deliver the public records sought by the requester. 515

(6) If any person requests a copy of a public record in 516
accordance with division (B) of this section, the public office 517
or person responsible for the public record may require that 518
person to pay in advance the cost involved in providing the copy 519
of the public record in accordance with the choice made by the 520
person requesting the copy under this division. The public 521
office or the person responsible for the public record shall 522
permit that person to choose to have the public record 523
duplicated upon paper, upon the same medium upon which the 524
public office or person responsible for the public record keeps 525
it, or upon any other medium upon which the public office or 526
person responsible for the public record determines that it 527
reasonably can be duplicated as an integral part of the normal 528
operations of the public office or person responsible for the 529
public record. When the person requesting the copy makes a 530
choice under this division, the public office or person 531
responsible for the public record shall provide a copy of it in 532
accordance with the choice made by that person. Nothing in this 533
section requires a public office or person responsible for the 534
public record to allow the person requesting a copy of the 535
public record to make the copies of the public record. 536

(7) (a) Upon a request made in accordance with division (B) 537
of this section and subject to division (B) (6) of this section, 538

a public office or person responsible for public records shall 539
transmit a copy of a public record to any person by United 540
States mail or by any other means of delivery or transmission 541
within a reasonable period of time after receiving the request 542
for the copy. The public office or person responsible for the 543
public record may require the person making the request to pay 544
in advance the cost of postage if the copy is transmitted by 545
United States mail or the cost of delivery if the copy is 546
transmitted other than by United States mail, and to pay in 547
advance the costs incurred for other supplies used in the 548
mailing, delivery, or transmission. 549

(b) Any public office may adopt a policy and procedures 550
that it will follow in transmitting, within a reasonable period 551
of time after receiving a request, copies of public records by 552
United States mail or by any other means of delivery or 553
transmission pursuant to division (B) (7) of this section. A 554
public office that adopts a policy and procedures under division 555
(B) (7) of this section shall comply with them in performing its 556
duties under that division. 557

(c) In any policy and procedures adopted under division 558
(B) (7) of this section: 559

(i) A public office may limit the number of records 560
requested by a person that the office will physically deliver by 561
United States mail or by another delivery service to ten per 562
month, unless the person certifies to the office in writing that 563
the person does not intend to use or forward the requested 564
records, or the information contained in them, for commercial 565
purposes; 566

(ii) A public office that chooses to provide some or all 567
of its public records on a web site that is fully accessible to 568

and searchable by members of the public at all times, other than 569
during acts of God outside the public office's control or 570
maintenance, and that charges no fee to search, access, 571
download, or otherwise receive records provided on the web site, 572
may limit to ten per month the number of records requested by a 573
person that the office will deliver in a digital format, unless 574
the requested records are not provided on the web site and 575
unless the person certifies to the office in writing that the 576
person does not intend to use or forward the requested records, 577
or the information contained in them, for commercial purposes. 578

(iii) For purposes of division (B) (7) of this section, 579
"commercial" shall be narrowly construed and does not include 580
reporting or gathering news, reporting or gathering information 581
to assist citizen oversight or understanding of the operation or 582
activities of government, or nonprofit educational research. 583

(8) A public office or person responsible for public 584
records is not required to permit a person who is incarcerated 585
pursuant to a criminal conviction or a juvenile adjudication to 586
inspect or to obtain a copy of any public record concerning a 587
criminal investigation or prosecution or concerning what would 588
be a criminal investigation or prosecution if the subject of the 589
investigation or prosecution were an adult, unless the request 590
to inspect or to obtain a copy of the record is for the purpose 591
of acquiring information that is subject to release as a public 592
record under this section and the judge who imposed the sentence 593
or made the adjudication with respect to the person, or the 594
judge's successor in office, finds that the information sought 595
in the public record is necessary to support what appears to be 596
a justiciable claim of the person. 597

(9) (a) Upon written request made and signed by a 598

journalist, a public office, or person responsible for public 599
records, having custody of the records of the agency employing a 600
specified designated public service worker shall disclose to the 601
journalist the address of the actual personal residence of the 602
designated public service worker and, if the designated public 603
service worker's spouse, former spouse, or child is employed by 604
a public office, the name and address of the employer of the 605
designated public service worker's spouse, former spouse, or 606
child. The request shall include the journalist's name and title 607
and the name and address of the journalist's employer and shall 608
state that disclosure of the information sought would be in the 609
public interest. 610

(b) Division (B) (9) (a) of this section also applies to 611
journalist requests for: 612

(i) Customer information maintained by a municipally owned 613
or operated public utility, other than social security numbers 614
and any private financial information such as credit reports, 615
payment methods, credit card numbers, and bank account 616
information; 617

(ii) Information about minors involved in a school vehicle 618
accident as provided in division (A) (1) (gg) of this section, 619
other than personal information as defined in section 149.45 of 620
the Revised Code. 621

(c) As used in division (B) (9) of this section, 622
"journalist" means a person engaged in, connected with, or 623
employed by any news medium, including a newspaper, magazine, 624
press association, news agency, or wire service, a radio or 625
television station, or a similar medium, for the purpose of 626
gathering, processing, transmitting, compiling, editing, or 627
disseminating information for the general public. 628

(10) Upon a request made by a victim, victim's attorney, 629
or victim's representative, as that term is used in section 630
2930.02 of the Revised Code, a public office or person 631
responsible for public records shall transmit a copy of a 632
depiction of the victim as described in division (A) (1) (gg) of 633
this section to the victim, victim's attorney, or victim's 634
representative. 635

(C) (1) If a person allegedly is aggrieved by the failure 636
of a public office or the person responsible for public records 637
to promptly prepare a public record and to make it available to 638
the person for inspection in accordance with division (B) of 639
this section or by any other failure of a public office or the 640
person responsible for public records to comply with an 641
obligation in accordance with division (B) of this section, the 642
person allegedly aggrieved may do only one of the following, and 643
not both: 644

(a) File a complaint with the clerk of the court of claims 645
or the clerk of the court of common pleas under section 2743.75 646
of the Revised Code; 647

(b) Commence a mandamus action to obtain a judgment that 648
orders the public office or the person responsible for the 649
public record to comply with division (B) of this section, that 650
awards court costs and reasonable attorney's fees to the person 651
that instituted the mandamus action, and, if applicable, that 652
includes an order fixing statutory damages under division (C) (2) 653
of this section. The mandamus action may be commenced in the 654
court of common pleas of the county in which division (B) of 655
this section allegedly was not complied with, in the supreme 656
court pursuant to its original jurisdiction under Section 2 of 657
Article IV, Ohio Constitution, or in the court of appeals for 658

the appellate district in which division (B) of this section 659
allegedly was not complied with pursuant to its original 660
jurisdiction under Section 3 of Article IV, Ohio Constitution. 661

(2) If a requester transmits a written request by hand 662
delivery, electronic submission, or certified mail to inspect or 663
receive copies of any public record in a manner that fairly 664
describes the public record or class of public records to the 665
public office or person responsible for the requested public 666
records, except as otherwise provided in this section, the 667
requester shall be entitled to recover the amount of statutory 668
damages set forth in this division if a court determines that 669
the public office or the person responsible for public records 670
failed to comply with an obligation in accordance with division 671
(B) of this section. 672

The amount of statutory damages shall be fixed at one 673
hundred dollars for each business day during which the public 674
office or person responsible for the requested public records 675
failed to comply with an obligation in accordance with division 676
(B) of this section, beginning with the day on which the 677
requester files a mandamus action to recover statutory damages, 678
up to a maximum of one thousand dollars. The award of statutory 679
damages shall not be construed as a penalty, but as compensation 680
for injury arising from lost use of the requested information. 681
The existence of this injury shall be conclusively presumed. The 682
award of statutory damages shall be in addition to all other 683
remedies authorized by this section. 684

The court may reduce an award of statutory damages or not 685
award statutory damages if the court determines both of the 686
following: 687

(a) That, based on the ordinary application of statutory 688

law and case law as it existed at the time of the conduct or 689
threatened conduct of the public office or person responsible 690
for the requested public records that allegedly constitutes a 691
failure to comply with an obligation in accordance with division 692
(B) of this section and that was the basis of the mandamus 693
action, a well-informed public office or person responsible for 694
the requested public records reasonably would believe that the 695
conduct or threatened conduct of the public office or person 696
responsible for the requested public records did not constitute 697
a failure to comply with an obligation in accordance with 698
division (B) of this section; 699

(b) That a well-informed public office or person 700
responsible for the requested public records reasonably would 701
believe that the conduct or threatened conduct of the public 702
office or person responsible for the requested public records 703
would serve the public policy that underlies the authority that 704
is asserted as permitting that conduct or threatened conduct. 705

(3) In a mandamus action filed under division (C) (1) of 706
this section, the following apply: 707

(a) (i) If the court orders the public office or the person 708
responsible for the public record to comply with division (B) of 709
this section, the court shall determine and award to the relator 710
all court costs, which shall be construed as remedial and not 711
punitive. 712

(ii) If the court makes a determination described in 713
division (C) (3) (b) (iii) of this section, the court shall 714
determine and award to the relator all court costs, which shall 715
be construed as remedial and not punitive. 716

(b) If the court renders a judgment that orders the public 717

office or the person responsible for the public record to comply 718
with division (B) of this section or if the court determines any 719
of the following, the court may award reasonable attorney's fees 720
to the relator, subject to division (C) (4) of this section: 721

(i) The public office or the person responsible for the 722
public records failed to respond affirmatively or negatively to 723
the public records request in accordance with the time allowed 724
under division (B) of this section. 725

(ii) The public office or the person responsible for the 726
public records promised to permit the relator to inspect or 727
receive copies of the public records requested within a 728
specified period of time but failed to fulfill that promise 729
within that specified period of time. 730

(iii) The public office or the person responsible for the 731
public records acted in bad faith when the office or person 732
voluntarily made the public records available to the relator for 733
the first time after the relator commenced the mandamus action, 734
but before the court issued any order concluding whether or not 735
the public office or person was required to comply with division 736
(B) of this section. No discovery may be conducted on the issue 737
of the alleged bad faith of the public office or person 738
responsible for the public records. This division shall not be 739
construed as creating a presumption that the public office or 740
the person responsible for the public records acted in bad faith 741
when the office or person voluntarily made the public records 742
available to the relator for the first time after the relator 743
commenced the mandamus action, but before the court issued any 744
order described in this division. 745

(c) The court shall not award attorney's fees to the 746
relator if the court determines both of the following: 747

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(4) All of the following apply to any award of reasonable attorney's fees awarded under division (C) (3) (b) of this section:

(a) The fees shall be construed as remedial and not punitive.

(b) The fees awarded shall not exceed the total of the reasonable attorney's fees incurred before the public record was made available to the relator and the fees described in division (C) (4) (c) of this section.

(c) Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount

of the fees and to otherwise litigate entitlement to the fees. 777

(d) The court may reduce the amount of fees awarded if the 778
court determines that, given the factual circumstances involved 779
with the specific public records request, an alternative means 780
should have been pursued to more effectively and efficiently 781
resolve the dispute that was subject to the mandamus action 782
filed under division (C) (1) of this section. 783

(5) If the court does not issue a writ of mandamus under 784
division (C) of this section and the court determines at that 785
time that the bringing of the mandamus action was frivolous 786
conduct as defined in division (A) of section 2323.51 of the 787
Revised Code, the court may award to the public office all court 788
costs, expenses, and reasonable attorney's fees, as determined 789
by the court. 790

(D) Chapter 1347. of the Revised Code does not limit the 791
provisions of this section. 792

(E) (1) To ensure that all employees of public offices are 793
appropriately educated about a public office's obligations under 794
division (B) of this section, all elected officials or their 795
appropriate designees shall attend training approved by the 796
attorney general as provided in section 109.43 of the Revised 797
Code. A future official may satisfy the requirements of this 798
division by attending the training before taking office, 799
provided that the future official may not send a designee in the 800
future official's place. 801

(2) All public offices shall adopt a public records policy 802
in compliance with this section for responding to public records 803
requests. In adopting a public records policy under this 804
division, a public office may obtain guidance from the model 805

public records policy developed and provided to the public 806
office by the attorney general under section 109.43 of the 807
Revised Code. Except as otherwise provided in this section, the 808
policy may not limit the number of public records that the 809
public office will make available to a single person, may not 810
limit the number of public records that it will make available 811
during a fixed period of time, and may not establish a fixed 812
period of time before it will respond to a request for 813
inspection or copying of public records, unless that period is 814
less than eight hours. 815

The public office shall distribute the public records 816
policy adopted by the public office under this division to the 817
employee of the public office who is the records custodian or 818
records manager or otherwise has custody of the records of that 819
office. The public office shall require that employee to 820
acknowledge receipt of the copy of the public records policy. 821
The public office shall create a poster that describes its 822
public records policy and shall post the poster in a conspicuous 823
place in the public office and in all locations where the public 824
office has branch offices. The public office may post its public 825
records policy on the internet web site of the public office if 826
the public office maintains an internet web site. A public 827
office that has established a manual or handbook of its general 828
policies and procedures for all employees of the public office 829
shall include the public records policy of the public office in 830
the manual or handbook. 831

(F) (1) The bureau of motor vehicles may adopt rules 832
pursuant to Chapter 119. of the Revised Code to reasonably limit 833
the number of bulk commercial special extraction requests made 834
by a person for the same records or for updated records during a 835
calendar year. The rules may include provisions for charges to 836

be made for bulk commercial special extraction requests for the 837
actual cost of the bureau, plus special extraction costs, plus 838
ten per cent. The bureau may charge for expenses for redacting 839
information, the release of which is prohibited by law. 840

(2) As used in division (F)(1) of this section: 841

(a) "Actual cost" means the cost of depleted supplies, 842
records storage media costs, actual mailing and alternative 843
delivery costs, or other transmitting costs, and any direct 844
equipment operating and maintenance costs, including actual 845
costs paid to private contractors for copying services. 846

(b) "Bulk commercial special extraction request" means a 847
request for copies of a record for information in a format other 848
than the format already available, or information that cannot be 849
extracted without examination of all items in a records series, 850
class of records, or database by a person who intends to use or 851
forward the copies for surveys, marketing, solicitation, or 852
resale for commercial purposes. "Bulk commercial special 853
extraction request" does not include a request by a person who 854
gives assurance to the bureau that the person making the request 855
does not intend to use or forward the requested copies for 856
surveys, marketing, solicitation, or resale for commercial 857
purposes. 858

(c) "Commercial" means profit-seeking production, buying, 859
or selling of any good, service, or other product. 860

(d) "Special extraction costs" means the cost of the time 861
spent by the lowest paid employee competent to perform the task, 862
the actual amount paid to outside private contractors employed 863
by the bureau, or the actual cost incurred to create computer 864
programs to make the special extraction. "Special extraction 865

costs" include any charges paid to a public agency for computer 866
or records services. 867

(3) For purposes of divisions (F) (1) and (2) of this 868
section, "surveys, marketing, solicitation, or resale for 869
commercial purposes" shall be narrowly construed and does not 870
include reporting or gathering news, reporting or gathering 871
information to assist citizen oversight or understanding of the 872
operation or activities of government, or nonprofit educational 873
research. 874

(G) A request by a defendant, counsel of a defendant, or 875
any agent of a defendant in a criminal action that public 876
records related to that action be made available under this 877
section shall be considered a demand for discovery pursuant to 878
the Criminal Rules, except to the extent that the Criminal Rules 879
plainly indicate a contrary intent. The defendant, counsel of 880
the defendant, or agent of the defendant making a request under 881
this division shall serve a copy of the request on the 882
prosecuting attorney, director of law, or other chief legal 883
officer responsible for prosecuting the action. 884

(H) (1) Any portion of a body-worn camera or dashboard 885
camera recording described in divisions (A) (17) (b) to (h) of 886
this section may be released by consent of the subject of the 887
recording or a representative of that person, as specified in 888
those divisions, only if either of the following applies: 889

(a) The recording will not be used in connection with any 890
probable or pending criminal proceedings; 891

(b) The recording has been used in connection with a 892
criminal proceeding that was dismissed or for which a judgment 893
has been entered pursuant to Rule 32 of the Rules of Criminal 894

Procedure, and will not be used again in connection with any 895
probable or pending criminal proceedings. 896

(2) If a public office denies a request to release a 897
restricted portion of a body-worn camera or dashboard camera 898
recording, as defined in division (A)(17) of this section, any 899
person may file a mandamus action pursuant to this section or a 900
complaint with the clerk of the court of claims pursuant to 901
section 2743.75 of the Revised Code, requesting the court to 902
order the release of all or portions of the recording. If the 903
court considering the request determines that the filing 904
articulates by clear and convincing evidence that the public 905
interest in the recording substantially outweighs privacy 906
interests and other interests asserted to deny release, the 907
court shall order the public office to release the recording. 908

Sec. 2919.13. (A) No person shall purposely take the life 909
of a child born by attempted abortion who is alive when removed 910
from the uterus of the pregnant woman. 911

(B) No person who performs an abortion shall purposely 912
fail to take the measures required by the exercise of medical 913
judgment in light of the attending circumstances to preserve the 914
health or life of a child who is alive when removed from the 915
uterus of the pregnant woman. 916

(C) Whoever violates this section is guilty of abortion 917
manslaughter, a felony of the first degree. 918

(D) (1) A woman on whom an abortion is performed or 919
attempted may file a civil action for the wrongful death of the 920
woman's child against a person who violates division (A) of this 921
section. 922

(2) A woman on whom an abortion is performed or attempted 923

available at least clinical laboratory services, diagnostic x- 947
ray services, treatment facilities for surgery or obstetrical 948
