SECTION 1. That sections 5739.01, 5739.012, 5739.02, 5739.03, 5747.01, and 5747.08 of the Revised Code be amended to read as follows:

The construction contractor is the consumer of such tangible personal property, provided that the sale and installation of carpeting, the sale and installation of agricultural land tile, the sale and erection or installation of portable grain bins, or the provision of landscaping and lawn care service and the transfer of property as part of such service is never a construction contract.

As used in division (B)(5) of this section:

(a) "Agricultural land tile" means fired clay or concrete tile, or flexible or rigid perforated plastic pipe or tubing, incorporated or to be incorporated into a subsurface drainage system appurtenant to land used or to be used primarily in production by farming, agriculture, horticulture, or floriculture. (10) All transactions in which "guaranteed auto protection" is provided whereby a person promises to pay to the consumer the difference between the amount the consumer receives from motor vehicle insurance and the amount the consumer owes to a person holding title to or a lien on the consumer's motor vehicle in the event the consumer's motor vehicle suffers a total loss under the terms of the motor vehicle insurance policy or is stolen and not recovered, if the protection and its

price are included in the purchase or lease agreement;

(11)(a) Except as provided in division (B)(11)(b) of this section, on and after October 1, 2009, all transactions by which health care services are paid for, reimbursed, provided, delivered, arranged for, or otherwise made available by a medicaid health insuring corporation pursuant to the corporation's contract with the state.

Beginning with the first day of the month following that notification, the transactions described in division (B)(11)(a) of this section are not sales for the purposes of this chapter or Chapter 5741. of the Revised Code. (12) All transactions by which a specified digital product is provided for permanent use or less than permanent use, regardless of whether continued payment is required.

Except as provided in this section, "sale" and "selling" do not include transfers of interest in leased property where the original lessee and the terms of the original lease agreement remain unchanged, or professional, insurance, or personal service transactions that involve the transfer of tangible personal property as an inconsequential element, for which no separate charges are made.

(C) "Vendor" means the person providing the service or by whom the transfer effected or license given by a sale is or is to be made or given and, for sales described in division (B)(3)(i) of this section, the telecommunications service vendor that provides the nine hundred telephone service; if two or more persons are engaged in business at the same place of business under a single trade name in which all collections on account of sales by each are made, such persons shall constitute a single vendor.

Physicians, dentists, hospitals, and veterinarians who are engaged in selling tangible personal property as received from others, such as eyeglasses, mouthwashes, dentifrices, or similar articles, are vendors. Veterinarians who are engaged in transferring to others for a consideration drugs, the dispensing of which does not require an order of a licensed veterinarian or physician under federal law, are vendors.

The operator of any peer-to-peer car sharing program shall be considered to be the vendor.

(D)(1) "Consumer" means the person for whom the service is provided, to whom the transfer effected or license given by a sale is or is to be made or given, to whom the service described in division (B)(3)(f) or (i) of this section is charged, or to whom the admission is granted.

(4)(a) In the case of a person who purchases printed matter for the purpose of distributing it or having it distributed to the public or to a designated segment of the public, free of charge, that person is the consumer of that printed matter, and the purchase of that printed matter for that purpose is a sale.

(b) In the case of a person who produces, rather than purchases, printed matter for the purpose of distributing it or having it distributed to the public or to a designated segment of the public, free of charge, that person is the consumer of all tangible personal property and services purchased for use or consumption in the production of that printed matter. That person is not entitled to claim exemption under division (B)(42)(f) of section 5739.02 of the Revised Code for any material incorporated into the printed matter or any equipment, supplies, or services primarily used to produce the printed matter.

(7) In the case of a transaction for health care services under division (B)(11) of this section, a medicaid health insuring corporation is the consumer of such services. The purchase of such services by a medicaid health insuring corporation is not subject to the exception for resale under division (E) of this section or to the exemptions provided under divisions (B)(12), (18), (19), and (22) of section 5739.02 of the Revised Code.

(E) "Retail sale" and "sales at retail" include all sales, except those in which the purpose of the consumer is to resell the thing transferred or benefit of the service provided, by a person engaging in business, in the form in which the same is, or is to be, received by the person.

(F) "Business" includes any activity engaged in by any person with the object of gain, benefit, or advantage, either direct or indirect. "Business" does not include the activity of a person in managing and investing the person's own funds.

- (i) The consumer presents a coupon, certificate, or other document to the vendor to claim a price reduction or discount where the coupon, certificate, or document is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any vendor to whom the coupon, certificate, or document is presented;
- (ii) The consumer identifies the consumer's self to the seller as a member of a group or organization entitled to a price reduction or discount. A preferred customer card that is available to any patron does not constitute membership in such a group or organization.

(c) "Price" does not include any of the following:

For the purposes of this division, a gift card is not sold by a vendor or purchased by a consumer if it is distributed pursuant to an awards, loyalty, or promotional program. Past and present purchases of tangible personal property or services by the consumer shall not be treated as consideration exchanged for a gift card.

(2) In the case of a sale of any new motor vehicle by a new motor vehicle dealer, as defined in section 4517.01 of the Revised Code, in which another motor vehicle is accepted by the dealer as part of the consideration received, "price" has the same meaning as in division (H)(1) of this section, reduced by the credit afforded the consumer by the dealer for the motor vehicle received in trade.

(D) The levy of this tax on retail sales of recreation and sports club service shall not prevent a municipal corporation from levying any tax on recreation and sports club dues or on any income generated by recreation and sports club dues.

(E) The tax collected by the vendor from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state, and of counties levying an additional sales tax pursuant to section 5739.021 or 5739.026 of the Revised Code and of transit authorities levying an additional sales tax pursuant to section 5739.023 of the Revised Code. Except for the discount authorized under section 5739.12 of the Revised Code and the effects of any rounding pursuant to section 5703.055 of the Revised Code, no person other than the state or such a county or transit authority shall derive any benefit from the collection or payment of the tax levied by this section or section 5739.021, 5739.023, or 5739.026 of the Revised Code.

Sec. 5739.03. (A) Except as provided in section 5739.05 or section 5739.051 of the Revised Code, the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee for the state of Ohio, the full and exact amount of the tax payable on each taxable sale, in the manner and at the times provided as follows:

(1) If the price is, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent to the vendor or the vendor's agent, the vendor or the vendor's agent shall collect the tax with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the vendor or the vendor's agent shall, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to the account of the consumer, which amount shall be collected by the vendor from the consumer in addition to the price. Such sale shall be reported on and the amount of the tax applicable thereto shall be remitted with the return for the period in which the sale is made, and the amount of the tax shall become a legal charge in favor of the vendor and against the consumer.

(B)(1)(a) If any sale is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11), (28), ~~or (55), or (57)~~ of section 5739.02 of the Revised Code, or if the consumer claims the transaction is not a taxable sale due to one or more of the exclusions provided under divisions (JJ)(1)

to (5) of section 5739.01 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter 5741. of the Revised Code. Relief under this division from liability does not apply to any of the following:

(i) A vendor that fraudulently fails to collect tax;

(ii) A vendor that solicits consumers to participate in the unlawful claim of an exemption;

(iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the vendor in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.

(6) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the vendor. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(C) As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale

and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031 of the Revised Code or provides to the contractor or vendor an exemption certificate as provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741. of the Revised Code, the contractor or vendor may in good faith rely on the contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those materials.

If a contractee fails to provide such certification upon the request of the contractor or vendor, the contractor or vendor shall comply with the provisions of this chapter and Chapter 5741. of the Revised Code without the certification. If the tax commissioner determines that such compliance has been performed in good faith and that certain property treated as tangible personal property by the contractor or vendor is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the construction contractor or vendor shall be excused from any liability on those materials.

This division does not apply to any contract or agreement where the tax commissioner determines as a fact that a certification under this division was made solely on the decision or advice of the contractor or vendor.

(D) Notwithstanding division (B) of section 5739.01 of the Revised Code, whenever the total rate of tax imposed under this chapter is increased after the date after a construction contract is entered into, the contractee shall reimburse the construction contractor for any additional tax paid on tangible property consumed or services received pursuant to the contract.

(E) A vendor who files a petition for reassessment contesting the assessment of tax on sales for which the vendor obtained no valid exemption certificates and for which the vendor failed to establish that the sales were properly not subject to the tax during the one-hundred-twenty-day period allowed under division (B) of this section, may present to the tax commissioner additional evidence to prove that the sales were properly subject to a claim of exception or exemption. The vendor shall file such evidence within ninety days of the receipt by the vendor of the notice of assessment, except that, upon application and for reasonable cause, the period for submitting such evidence shall be extended thirty days.

The commissioner shall consider such additional evidence in reaching the final determination

on the assessment and petition for reassessment.

(F) Whenever a vendor refunds the price, minus any separately stated delivery charge, of an item of tangible personal property on which the tax imposed under this chapter has been paid, the vendor shall also refund the amount of tax paid, minus the amount of tax attributable to the delivery charge.

Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any authority, commission, instrumentality, territory, or possession of the United States to the extent that the interest or dividends are exempt from federal income taxes but not from state income taxes.

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.

(5) Deduct benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code.

(6) In the case of a taxpayer who is a beneficiary of a trust that makes an accumulation distribution as defined in section 665 of the Internal Revenue Code, add, for the beneficiary's taxable years beginning before 2002, the portion, if any, of such distribution that does not exceed the undistributed net income of the trust for the three taxable years preceding the taxable year in which the distribution is made to the extent that the portion was not included in the trust's taxable income for any of the trust's taxable years beginning in 2002 or thereafter. "Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b)(i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by reason of a prior accumulation distribution. Any undistributed net income included in the adjusted gross income of a beneficiary shall reduce the undistributed net income of the trust commencing with the earliest years of the accumulation period.

(7) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.

(8) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that the interest or interest equivalent is included in federal adjusted gross income.

(9) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent that the loss has been deducted or the gain has been included in computing federal adjusted gross income.

(10) Deduct or add amounts, as provided under section 5747.70 of the Revised Code, related to contributions to variable college savings program accounts made or tuition units purchased pursuant to Chapter 3334. of the Revised Code.

(11)(a) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer paid during the taxable year for medical care insurance and qualified long-term care insurance for the taxpayer, the taxpayer's spouse, and dependents. No deduction for medical care insurance under division (A)(11)(a) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(11)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. The deduction allowed under division (A)(11)(a) of this section shall be the net of any related premium refunds, related premium reimbursements, or related insurance premium dividends received during the taxable year.

(b) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income during the taxable year, the amount the taxpayer paid during the taxable year, not compensated for by any insurance or otherwise, for medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income, any amount included in federal adjusted gross income under section 105 or not excluded under section 106 of the Internal Revenue Code solely because it relates to an accident and health plan for a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(d) For purposes of division (A)(11) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue

Code.

(12)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A) (12)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(13) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(a) It is allowable for repayment of an item that was included in the taxpayer's adjusted gross income for a prior taxable year and did not qualify for a credit under division (A) or (B) of section 5747.05 of the Revised Code for that year;

(b) It does not otherwise reduce the taxpayer's adjusted gross income for the current or any other taxable year.

(14) Deduct an amount equal to the deposits made to, and net investment earnings of, a medical savings account during the taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(14) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income.

(15)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code;

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(16) Add any amount claimed as a credit under section 5747.059 of the Revised Code to the extent that such amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code;

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the amount deducted under division (A)(17) of this

section.

(18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

(19) Add any reimbursement received during the taxable year of any amount the taxpayer deducted under division (A)(18) of this section in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.

(20)(a)(i) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(ii) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of qualifying section 179 depreciation expense, including the taxpayer's proportionate or distributive share of the amount of qualifying section 179 depreciation expense allowed to any pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(iii) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, if the increase in income taxes withheld by the taxpayer is equal to or greater than ten per cent of income taxes withheld by the taxpayer during the taxpayer's immediately preceding taxable year, "two-thirds" shall be substituted for "five-sixths" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.

(iv) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, a taxpayer is not required to add an amount under division (A)(20) of this section if the increase in income taxes withheld by the taxpayer and by any pass-through entity in which the taxpayer has a direct or indirect ownership interest is equal to or greater than the sum of (I) the amount of qualifying section 179 depreciation expense and (II) the amount of depreciation expense allowed to the taxpayer by subsection (k) of section 168 of the Internal Revenue Code, and including the taxpayer's proportionate or distributive shares of such amounts allowed to any such pass-through entities.

(v) If a taxpayer directly or indirectly incurs a net operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.

The tax commissioner, under procedures established by the commissioner, may waive the add-backs related to a pass-through entity if the taxpayer owns, directly or indirectly, less than five per cent of the pass-through entity.

(b) Nothing in division (A)(20) of this section shall be construed to adjust or modify the adjusted basis of any asset.

(c) To the extent the add-back required under division (A)(20)(a) of this section is attributable to property generating nonbusiness income or loss allocated under section 5747.20 of the Revised Code, the add-back shall be situated to the same location as the nonbusiness income or loss generated by the property for the purpose of determining the credit under division (A) of section 5747.05 of the Revised Code. Otherwise, the add-back shall be apportioned, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(d) For the purposes of division (A)(20)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(e) For the purposes of divisions (A)(20) and (21) of this section:

(i) "Income taxes withheld" means the total amount withheld and remitted under sections 5747.06 and 5747.07 of the Revised Code by an employer during the employer's taxable year.

(ii) "Increase in income taxes withheld" means the amount by which the amount of income taxes withheld by an employer during the employer's current taxable year exceeds the amount of income taxes withheld by that employer during the employer's immediately preceding taxable year.

(iii) "Qualifying section 179 depreciation expense" means the difference between (I) the amount of depreciation expense directly or indirectly allowed to a taxpayer under section 179 of the Internal Revised Code, and (II) the amount of depreciation expense directly or indirectly allowed to the taxpayer under section 179 of the Internal Revenue Code as that section existed on December 31, 2002.

(21)(a) If the taxpayer was required to add an amount under division (A)(20)(a) of this section for a taxable year, deduct one of the following:

(i) One-fifth of the amount so added for each of the five succeeding taxable years if the amount so added was five-sixths of qualifying section 179 depreciation expense or depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code;

(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense;

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be situated to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(21)(a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section

179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. If no such deduction is available for a taxable year, the taxpayer may carry forward the amount not deducted in such taxable year to the next taxable year and add that amount to any deduction otherwise available under division (A)(21)(a) of this section for that next taxable year. The carryforward of amounts not so deducted shall continue until the entire addition required by division (A)(20)(a) of this section has been deducted.

(d) No refund shall be allowed as a result of adjustments made by division (A)(21) of this section.

(22) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as reimbursement for life insurance premiums under section 5919.31 of the Revised Code.

(23) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as a death benefit paid by the adjutant general under section 5919.33 of the Revised Code.

(24) Deduct, to the extent included in federal adjusted gross income and not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, military pay and allowances received by the taxpayer during the taxable year for active duty service in the United States army, air force, navy, marine corps, or coast guard or reserve components thereof or the national guard. The deduction may not be claimed for military pay and allowances received by the taxpayer while the taxpayer is stationed in this state.

(25) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year and not otherwise compensated for by any other source, the amount of qualified organ donation expenses incurred by the taxpayer during the taxable year, not to exceed ten thousand dollars. A taxpayer may deduct qualified organ donation expenses only once for all taxable years beginning with taxable years beginning in 2007.

For the purposes of division (A)(25) of this section:

(a) "Human organ" means all or any portion of a human liver, pancreas, kidney, intestine, or lung, and any portion of human bone marrow.

(b) "Qualified organ donation expenses" means travel expenses, lodging expenses, and wages and salary forgone by a taxpayer in connection with the taxpayer's donation, while living, of one or more of the taxpayer's human organs to another human being.

(26) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, amounts received by the taxpayer as retired personnel pay for service in the uniformed services or reserve components thereof, or the national guard, or received by the surviving spouse or former spouse of such a taxpayer under the survivor benefit plan on account of such a taxpayer's death. If the taxpayer receives income on account of retirement paid under the federal civil service retirement system or federal employees retirement system, or under any successor retirement program enacted by the congress of the United States that is established and maintained for retired employees of the United States government, and such retirement income is based, in whole or in part, on credit for the taxpayer's uniformed service, the deduction allowed under this division shall include only that portion of such retirement income that is attributable to the taxpayer's uniformed service, to the extent that portion of such retirement income is otherwise

included in federal adjusted gross income and is not otherwise deducted under this section. Any amount deducted under division (A)(26) of this section is not included in a taxpayer's adjusted gross income for the purposes of section 5747.055 of the Revised Code. No amount may be deducted under division (A)(26) of this section on the basis of which a credit was claimed under section 5747.055 of the Revised Code.

(28) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received as a veterans bonus during the taxable year from the Ohio department of veterans services as authorized by Section 2r of Article VIII, Ohio Constitution.

(29) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, any income derived from a transfer agreement or from the enterprise transferred under that agreement under section 4313.02 of the Revised Code.

(30) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, Ohio college opportunity or federal Pell grant amounts received by the taxpayer or the taxpayer's spouse or dependent pursuant to section 3333.122 of the Revised Code or 20 U.S.C. 1070a, et seq., and used to pay room or board furnished by the educational institution for which the grant was awarded at the institution's facilities, including meal plans administered by the institution. For the purposes of this division, receipt of a grant includes the distribution of a grant directly to an educational institution and the crediting of the grant to the enrollee's account with the institution.

(31) Deduct from the portion of an individual's federal adjusted gross income that is ~~eligible~~ business income, to the extent not otherwise deducted or excluded in computing federal adjusted gross income for the taxable year, one hundred twenty-five thousand dollars for each spouse if spouses file separate returns under section 5747.08 of the Revised Code or two hundred fifty thousand dollars for all other individuals.

(32) Deduct, as provided under section 5747.78 of the Revised Code, contributions to ABLE savings accounts made in accordance with sections 113.50 to 113.56 of the Revised Code.

(i) Compensation paid to a qualifying employee described in division (A)(14)(a) of section 5703.94 of the Revised Code to the extent such compensation is for disaster work conducted in this state during a disaster response period pursuant to a qualifying solicitation received by the employee's employer;

(ii) Compensation paid to a qualifying employee described in division (A)(14)(b) of section 5703.94 of the Revised Code to the extent such compensation is for disaster work conducted in this state by the employee during the disaster response period on critical infrastructure owned or used by the employee's employer;

(iii) Income received by an out-of-state disaster business for disaster work conducted in this state during a disaster response period, or, if the out-of-state disaster business is a pass-through entity,

(ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes

the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. Nothing in division (BB)(5)(a)(iii) of this section shall be construed to provide for any deduction or exclusion in computing any trust's Ohio taxable income.

For purposes of this division, "franchisor" and "franchisee" have the same meanings as in 16 C.F.R. 436.1.

(JJ) "Modified adjusted gross income" means Ohio adjusted gross income plus any amount deducted under division (A)(31) of this section for the taxable year.

(KK) "Qualifying Ohio educator" means an individual who, for a taxable year, qualifies as an eligible educator, as that term is defined in section 62 of the Internal Revenue Code, and who holds a certificate, license, or permit described in Chapter 3319. or section 3301.071 of the Revised Code.

Sec. 5747.08. An annual return with respect to the tax imposed by section 5747.02 of the Revised Code and each tax imposed under Chapter 5748. of the Revised Code shall be made by every taxpayer for any taxable year for which the taxpayer is liable for the tax imposed by that section or under that chapter, unless the total credits allowed under division (E) of section 5747.05 and divisions (F) and (G) of section 5747.055 of the Revised Code for the year are equal to or exceed the tax imposed by section 5747.02 of the Revised Code, in which case no return shall be required unless the taxpayer is liable for a tax imposed pursuant to Chapter 5748. of the Revised Code.

(A) If an individual is deceased, any return or notice required of that individual under this chapter shall be made and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(B) If an individual is unable to make a return or notice required by this chapter, the return or notice required of that individual shall be made and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(C) Returns or notices required of an estate or a trust shall be made and filed by the fiduciary of the estate or trust.

(D)(1)(a) Except as otherwise provided in division (D)(1)(b) of this section, any pass-through entity may file a single return on behalf of one or more of the entity's investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code. The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business credits as defined in division (D)(2) of this section. A single check drawn by the pass-through entity shall accompany the return in full payment of the tax due, as shown on the single return, for such investors, other than investors who are persons subject to the tax imposed under section 5733.06 of the Revised Code.

(b)(i) A pass-through entity shall not include in such a single return any investor that is a trust to the extent that any direct or indirect current, future, or contingent beneficiary of the trust is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(ii) A pass-through entity shall not include in such a single return any investor that is itself a pass-through entity to the extent that any direct or indirect investor in the second pass-through entity is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(c) Nothing in division (D) of this section precludes the tax commissioner from requiring such investors to file the return and make the payment of taxes and related interest, penalty, and interest penalty required by this section or section 5747.02, 5747.09, or 5747.15 of the Revised Code. Nothing in division (D) of this section precludes such an investor from filing the annual return under this section, utilizing the refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor under division (I) of this section, and making the

payment of taxes imposed under section 5747.02 of the Revised Code. Nothing in division (D) of this section shall be construed to provide to such an investor or pass-through entity any additional deduction or credit, other than the credit provided by division (I) of this section, solely on account of the entity's filing a return in accordance with this section. Such a pass-through entity also shall make the filing and payment of estimated taxes on behalf of the pass-through entity investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(2) For the purposes of this section, "business credits" means the credits listed in section 5747.98 of the Revised Code excluding the following credits:

- (a) The retirement income credit under division (B) of section 5747.055 of the Revised Code;
- (b) The senior citizen credit under division (F) of section 5747.055 of the Revised Code;
- (c) The lump sum distribution credit under division (G) of section 5747.055 of the Revised Code;
- (d) The dependent care credit under section 5747.054 of the Revised Code;
- (e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;
- (f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;
- (g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;
- (h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;
- (i) The twenty-dollar personal exemption credit under section 5747.022 of the Revised Code;
- (j) The joint filing credit under division (E) of section 5747.05 of the Revised Code;
- (k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;
- (l) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;
- (m) The earned income tax credit under section 5747.71 of the Revised Code;
- (n) The lead abatement credit under section 5747.26 of the Revised Code.

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that would have been paid by the pass-

through entity had the single return been filed in a manner reflecting the commissioner's findings. Nothing in division (D) of this section shall be construed to make or hold a pass-through entity liable for tax attributable to a pass-through entity investor's income from a source other than the pass-through entity electing to file the single return.

(E) If a husband and wife file a joint federal income tax return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.

If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, on or before the fifteenth day of April of each year, on forms that the tax commissioner shall prescribe, together with remittance made payable to the treasurer of state in the combined amount of the state and all school district income taxes shown to be due on the form.

Upon good cause shown, the commissioner may extend the period for filing any notice or return required to be filed under this section and may adopt rules relating to extensions. If the extension results in an extension of time for the payment of any state or school district income tax liability with respect to which the return is filed, the taxpayer shall pay at the time the tax liability is paid an amount of interest computed at the rate per annum prescribed by section 5703.47 of the Revised Code on that liability from the time that payment is due without extension to the time of actual payment. Except as provided in section 5747.132 of the Revised Code, in addition to all other interest charges and penalties, all taxes imposed under this chapter or Chapter 5748. of the Revised Code and remaining unpaid after they become due, except combined amounts due of one dollar or less, bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code until paid or until the day an assessment is issued under section 5747.13 of the Revised Code, whichever occurs first.

If the commissioner considers it necessary in order to ensure the payment of the tax imposed by section 5747.02 of the Revised Code or any tax imposed under Chapter 5748. of the Revised Code, the commissioner may require returns and payments to be made otherwise than as provided in this section.

To the extent that any provision in this division conflicts with any provision in section 5747.026 of the Revised Code, the provision in that section prevails.

(H) The amounts withheld by an employer pursuant to section 5747.06 of the Revised Code,

a casino operator pursuant to section 5747.063 of the Revised Code, or a lottery sales agent pursuant to section 5747.064 of the Revised Code shall be allowed to the recipient of the compensation casino winnings, or lottery prize award as credits against payment of the appropriate taxes imposed on the recipient by section 5747.02 and under Chapter 5748. of the Revised Code.

(I) If a pass-through entity elects to file a single return under division (D) of this section and if any investor is required to file the annual return and make the payment of taxes required by this chapter on account of the investor's other income that is not included in a single return filed by a pass-through entity or any other investor elects to file the annual return, the investor is entitled to a refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor. The investor shall claim the credit for the investor's taxable year in which or with which ends the taxable year of the pass-through entity. Nothing in this chapter shall be construed to allow any credit provided in this chapter to be claimed more than once. For the purpose of computing any interest, penalty, or interest penalty, the investor shall be deemed to have paid the refundable credit provided by this division on the day that the pass-through entity paid the estimated tax or the tax giving rise to the credit.

(J) The tax commissioner shall ensure that each return required to be filed under this section includes a box that the taxpayer may check to authorize a paid tax preparer who prepared the return to communicate with the department of taxation about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the department of taxation to contact the preparer concerning questions that arise during the processing of the return and authorizes the preparer only to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the department and has shown to the preparer.

(K) The tax commissioner shall permit individual taxpayers to instruct the department of taxation to cause any refund of overpaid taxes to be deposited directly into a checking account, savings account, or an individual retirement account or individual retirement annuity, or preexisting college savings plan or program account offered by the Ohio tuition trust authority under Chapter 3334. of the Revised Code, as designated by the taxpayer, when the taxpayer files the annual return required by this section electronically.

(L) A taxpayer claiming the deduction under division (A)(31) of section 5747.01 of the Revised Code for a taxable year shall indicate on the taxpayer's return the north American industry classification system code of each business or professional activity from which the taxpayer's business income was derived. The tax commissioner shall provide space on the return for this purpose and shall prescribe, by rule adopted in accordance with Chapter 119. of the Revised Code, the manner by which such a taxpayer shall determine the taxpayer's proper classification codes and business or professional activities from which the taxpayer derives business income.

(M) The tax commissioner may adopt rules to administer this section.
