(E) If the immunity described in division (B) or (C) of 366

Section 2. That existing section 2305.2311 of the Revised 391

Code is hereby repealed. 392

Section 3. Section 2305.2312 of the Revised Code, as 393
enacted by this act, is intended to apply broadly to all sectors 394
of the economy that own property, operate a business, engage in 395
a nonprofit or religious activity, or otherwise engage with the 396
public. The General Assembly declares its intent in enacting 397
section 2305.2312 of the Revised Code that the use of the terms 398
"services" and "service provider" in that section be broadly 399
construed in an effort to promote commerce, recovery from 400
disasters or emergencies, and to alleviate suffering throughout 401
this state. 402

Section 4. The General Assembly declares its intent that 403
orders and recommendations from the Executive Branch, from 404
counties and local municipalities, from boards of health and 405
other agencies, and from any federal government agency, do not 406
create any new legal duties for purposes of tort liability. Any 407
such orders and recommendations are presumed to be irrelevant to 408
the issue of the existence of a duty or breach of a duty. 409
Furthermore, any such orders and recommendations are presumed to 410
be inadmissible at trial to establish proof of a duty or breach 411
of a duty in tort actions. 412

Section 5. This act applies from the date of the 413
Governor's Executive Order 2020-01D, issued on March 9, 2020, 414
declaring a state of emergency due to COVID-19. 415

Section 6. This act is hereby declared to be an emergency 416
measure necessary for the immediate preservation of the public 417
peace, health, and safety. The reason for such necessity is that 418
it is crucial to provide immunity in response to a disaster or 419
emergency declared by the federal government, state government, 420
or political subdivision of the state. Therefore, this act shall 421

go into immediate effect.
