Section 9. The amendment to section 101.83 of the Revised Code in this act requires that a Sunset Review Committee be convened during each General Assembly thereby providing two bienniums to complete the review of agencies under Sunset Review Law. The intent of this section is to establish that, at the conclusion of the 134th General Assembly, approximately one-half of all agencies subject to Sunset Review Law will be scheduled to expire on December 31, 2024, and approximately one-half will be scheduled to expire on December 31, 2026.

The Sunset Review Committee that is convened during the 134th General Assembly shall review all agencies that are scheduled to expire on December 31, 2022, including agencies listed in Section 5 of this act. The Committee also shall select a number of agencies, which have been renewed by Section 6 or 7 of this act until December 31, 2024, to be reconsidered for a renewal to expire on December 31, 2026. The Sunset Review Committee, at the Committee's discretion, may recommend that the expiration date of any agency renewed by Section 6 or 7 of this act be extended until December 31, 2026, without further review, or may require the agency to submit to the requirements of sections 101.82 to 101.87 of the Revised Code.
