about the applicable polling place during the casting of the 93  
ballots and shall be permitted to watch every proceeding of the 94

the closing of the polls. The observer also may inspect the 96  
counting of all ballots in the polling place or board of 97  
elections from the time of the closing of the polls until the 98  
counting is completed and the final returns are certified and 99  
signed. Observers appointed to serve at the board of elections 100  
on the day of an election under this section may observe at the 101  
board of elections and may observe at any precinct in the 102  
county. The precinct election officials shall protect such 103  
observers in all of the rights and privileges granted to them by 104  
Title XXXV of the Revised Code. 105

(D) No persons other than the precinct election officials, 106  
the observers, a police officer, other persons who are detailed 107  
to any precinct on request of the board of elections, or the 108

secretary of state or the secretary of state's legal 109  
representative shall be admitted to the polling place, or any 110  
room in which a board of elections is counting ballots, after 111  
the closing of the polls until the counting, certifying, and 112  
signing of the final returns of each election have been 113  
completed. 114

(E) Not later than four p.m. of the twentieth day prior to 115  
an election at which questions are to be submitted to a vote of 116  
the people, any committee that in good faith advocates or 117  
opposes a measure may file a petition with the board of any 118  
county asking that the petitioners be recognized as the 119  
committee entitled to appoint observers to the count at the 120  
election. If more than one committee alleging themselves to 121  
advocate or oppose the same measure file such a petition, the 122  
board shall decide and announce by registered mail to each 123  
committee not less than twelve days immediately preceding the 124  
election which committee is recognized as being entitled to 125  
appoint observers. The decision shall not be final, but any 126  
aggrieved party may institute mandamus proceedings in the court 127  
of common pleas of the county in which the board has 128  
jurisdiction to compel the precinct election officials to accept 129  
the appointees of such aggrieved party. Any such recognized 130  
committee may appoint an observer to the count in each precinct. 131  
Committees appointing observers shall notify the board of 132  
elections of the names and addresses of its appointees and the 133  
precincts at which they shall serve. Notification shall take 134  
place not less than eleven days before the election on forms 135  
prescribed by the secretary of state and may be amended by 136  
filing an amendment with the board of elections at any time 137  
until four p.m. on the day before the election. A person so 138  
appointed shall file the person's certificate of appointment 139

with the voting location manager in the precinct in which the 140  
person has been appointed to serve. Observers shall file their 141  
certificates before the polls are closed. In no case shall more 142  
than six observers be appointed for any one election in any one 143  
precinct. If more than three questions are to be voted on, the 144  
committees which have appointed observers may agree upon not to 145  
exceed six observers, and the precinct election officials shall 146  
appoint such observers. If such committees fail to agree, the 147  
precinct election officials shall appoint six observers from the 148  
appointees so certified, in such manner that each side of the 149  
several questions shall be represented. 150

(F) No person shall serve as an observer at any precinct 151  
or at the board of elections unless the board of elections of 152  
the county in which such observer is to serve has first been 153  
notified of the name, address, and location at which such 154  
observer is to serve. Notification to the board of elections 155  
shall be given by the political party, group of candidates, or 156  
committee appointing such observer as prescribed in this 157  
section. No such observers shall receive any compensation from 158  
the county, municipal corporation, or township, and they shall 159  
take the following oath, to be administered by one of the 160  
precinct election officials: 161

"You do solemnly swear that you will faithfully and 162  
impartially discharge the duties as an official observer, 163  
assigned by law; that you will not cause any delay to persons 164  
offering to vote; and that you will not disclose or communicate 165  
to any person how any elector has voted at such election." 166

Sec. 3505.331. (A) After declaring the official results of 167  
a general election or of a primary election held in an even- 168  
numbered year, as described in section 3505.33 of the Revised 169

Code, the board of elections shall audit those results in 170  
accordance with this section. Except as otherwise provided in 171  
this division, the board shall begin the audit not earlier than 172  
six days after it declares the official results and shall 173  
complete the audit not later than the twenty-first day after it 174  
declares the official results. If the board conducts a recount, 175  
the board shall begin the audit immediately after the board 176  
certifies the results of the recount and shall complete the 177  
audit not later than the fourteenth day after it certifies the 178  
results of the recount. 179

(B) The board shall conduct the audit in accordance with 180  
procedures prescribed by the secretary of state, which shall 181  
include all of the following: 182

(1) (a) Except as otherwise provided in division (B) (1) (b) 183  
of this section, a requirement that the board audit not less 184  
than three contested races, questions, or issues, as directed by 185  
the secretary of state. If fewer than three contested races, 186  
questions, or issues appear on the ballot at the election, then 187  
the board shall audit every contested race, question, and issue. 188  
In any election, every contested race, question, or issue shall 189  
be eligible to be audited. 190

(b) If the board ordered a countywide recount of the 191  
results of a race, question, or issue under section 3515.011 of 192  
the Revised Code, the recount shall be considered an audit for 193  
purposes of meeting the requirement that the board audit not 194  
less than three contested races, questions, or issues. 195

(2) A requirement that every ballot that was included in 196  
the canvass of the election returns be eligible to be audited, 197  
including regular ballots cast on the day of the election, 198  
absent voter's ballots, and provisional ballots. 199

(3) Either a provision allowing the board to choose one of 200  
the following protocols to use in conducting the audit or a 201  
provision requiring the board to use a protocol selected by the 202  
secretary of state from the following protocols in conducting 203  
the audit: 204

(a) A risk-limiting audit protocol, which shall use 205  
statistical methods to limit to acceptable levels the risk of 206  
certifying an incorrect outcome for a particular race, question, 207  
or issue. The protocol shall require bipartisan teams of 208  
election officials to physically examine and hand count randomly 209  
sampled ballots and to continue the hand counting until the 210  
results of the hand count provide sufficiently strong evidence 211  
that a hand count of all of the ballots would confirm the 212  
election result declared under section 3505.33 of the Revised 213  
Code or until all of the ballots have been hand counted, 214  
whichever occurs first. 215

(b) (i) A percentage-based audit protocol, which shall 216  
require bipartisan teams of election officials to physically 217  
examine and hand count a number of randomly sampled ballots 218  
equal to a given percentage of the total number of ballots cast 219  
in the county at that election, as prescribed by the secretary 220  
of state. After the election officials complete the initial 221  
audit, the board shall calculate, as a percentage, the accuracy 222  
rate of each audited race, question, or issue by dividing the 223  
sum of any discrepancies for the race, question, or issue 224  
discovered during the audit by the total number of ballots 225  
audited for the race, question, or issue and subtracting the 226  
resulting number from one. 227

(ii) If the accuracy rate for an audited race, question, 228  
or issue is less than the acceptable accuracy rate prescribed by 229

the secretary of state, the board shall escalate the audit of 230  
that race, question, or issue by requiring bipartisan teams of 231  
election officials to physically examine and hand count a second 232  
set of randomly sampled ballots equal to a given percentage of 233  
the total number of ballots cast in the county at that election, 234  
as prescribed by the secretary of state. The second set of 235  
ballots shall not include any ballots that were included in the 236  
first set of audited ballots. After the election officials have 237  
counted the second set of ballots, the board shall calculate the 238  
combined accuracy rate for both audited sets of ballots for that 239  
race, question, or issue. 240

(c) Another audit protocol approved by the secretary of 241  
state. 242

(C) The board shall give public notice of the times and 243  
places for preparing for and conducting the audit in accordance 244  
with section 121.22 of the Revised Code. At all times while the 245  
board prepares for and conducts the audit, the board shall 246  
permit observers appointed under section 3505.21 of the Revised 247  
Code. 248

No person other than a member of the board or a designated 249  
employee of the board shall be permitted to handle a ballot. 250

(D) (1) Not later than five days after completing the 251  
audit, the board shall certify the results of the audit to the 252  
secretary of state in the form and by the method prescribed by 253  
the secretary of state. The secretary of state shall make the 254  
results of the audit available to the public on the secretary of 255  
state's official web site. 256

(2) If the board conducted a percentage-based audit and 257  
was required to escalate the audit of a race, question, or issue 258

under division (B) (3) (b) (ii) of this section, and the combined 259  
accuracy rate for that race, question, or issue is less than the 260  
acceptable combined accuracy rate prescribed by the secretary of 261  
state, the secretary of state may require the board to order 262  
bipartisan teams of election officials to physically examine and 263  
hand count all ballots cast for that race, question, or issue. 264  
The requirements of division (C) of this section apply to any 265  
full hand count conducted under this division. 266

(3) If the results of the completed audit or the results 267  
of any full hand count ordered under division (D) (2) of this 268  
section indicate that the canvass or the previously declared 269  
official election results must be amended, the board promptly 270  
shall amend the canvass or issue an amended declaration of the 271  
official results, as applicable. 272

(E) As used in this section: 273

(1) "Ballot" means either a paper ballot or the relevant 274  
entry on a voter verified paper audit trail. 275

(2) "Voter verified paper audit trail" has the same 276
