Proponent Testimony SB 202

Prohibit blindness from denying or limiting care of minors

Dear Chair, Brett Hudson Hillyer, Vice Chair, Diane V. Grendell, and Ranking Member, Tavi Galonski,

My name is Henry Butler and I would like to highly encourage you to support (Parental Right Bill SB 202) for a swiftly motion moving it out of committee to the House Floor for a passing vote.

I am aware of several blind and disabled parents who have successfully raised their children. These children are living a productive life; as other children who were raised by parents with no disabilities. We can not continue to witness the removal of children from the arms of loving, caring and successful parents and care givers.

So, please support SB 202.

Thank you for all of your support.

Henry Butler
