

Dylan Halper

Chair Manchester, Vice Chair Cutrona, Ranking Member Liston, and members of the House Families, Aging, and Human Services Committee, thank you for this opportunity to voice my opposition to House Bill 454.

Thank you for allowing me to testify today. My name is Dylan Halper. I am strongly opposed to House Bill 454, preventing transgender youth from receiving proper medical care. This bill would only increase harm to trans youth who already face higher risks of suicide and death. I urge you to oppose this bill.

I urge you to oppose HB 454 and protect our state's youth.
