

PROPONENT TESTIMONY OF:

Gerald Bishop
10314 Streng Road Milford Center, Ohio 43045

IN SUPPORT OF:

HB 55

Allow House committees/sessions be conducted virtually
House Government Oversight Committee

As a nurse, I want every Ohioan to take all reasonable precautions against COVID-19. So I urge members of the Ohio statehouse to give every citizen every reasonable opportunity to testify virtually. In 2021, I cannot see any reason to prohibit virtual testimony. Thank you.
