

**PROPONENT TESTIMONY OF:**

Marsha Meddock  
2401 Brahms Blvd, Dayton Ohio 45449

**IN SUPPORT OF:**

HB 55

*Allow House committees/sessions be conducted virtually*  
House Government Oversight Committee

I am not able to travel to Columbus to participate in testimony to Ohio legislators. I have severe arthritis and accessibility is an issue for me. Virtual testimony would allow me to participate in the legislative process. A mask mandate would help to make others comfortable to attend the Statehouse in person.
