IN SUPPORT OF:

HB 55
Allow House committees/sessions be conducted virtually
House Government Oversight Committee

Dear Members of the Government Oversight Committee,

I am writing in support of HB 55, to allow the business of the Ohio legislature to be conducted virtually. This is a large state and virtual business has become a way of life during the past year. We need as many voices as possible to form fair and smart laws for the people of Ohio.

Respectfully,
Rita Williams
