

Dear Chair Roegner and members of the government oversight committee, My name is Julie and I am writing today in opposition of HB 325. I oppose this bill because of language like this; "Provides that no state agency, political subdivision, or elected or appointed official or employee of this state or any political subdivision may do any of the following during an emergency: "Place restrictions or quantity limitations on any entity regarding the lawful sale or servicing of any firearm, ammunition, ammunition-reloading equipment, or deadly weapon;" Also this language; " Prohibit the sale, offering for sale, dispensing, or transportation of firearms or other dangerous weapons, ammunition, dynamite, or other dangerous explosives in, to, or from the cordoned off areas." This language is alarming and these are unnecessary additions and I believe the bill itself is totally unnecessary. I am strongly encouraging a NO vote.

Thank you.
