Chairman Wilkin, Vice Chair Swearingen, Ranking Member Brown, and members of the House Government Oversight Committee,

My name is Deanna Wyche. I want to thank you for the opportunity to provide witness testimony on HB 294. I stand in opposition to HB 294 as introduced. Because It creates unnecessary barriers to vote. These proposed changes do not address any pressing issue and will create additional barriers and cause many ballots to not count.

I appreciate your time and consideration in this matter.
