Chairman Wilkin, Vice Chair Swearingen, Ranking Member Brown, and members of the House Government Oversight Committee:

Thank you for considering my testimony. I am from Beavercreek in Greene County, 70th Ohio House District. I am a parent of two young adults, I have served more than twenty five years as a Sunday School teacher and I am a retired chemist.

I strongly oppose HJR 6 and I urge you to oppose it. The ability to amend our constitution is a vital part of freedom and democracy in Ohio. HJR 6 would put minority rule into our constitution. This is unacceptable and people on “both sides of the aisle” oppose it.

Please do not pass HJR 6 out of committee.

Thank you.
