

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Sarah Wesley and I'm a licensed cosmetologist. The reason I support House Bill 248 is because I believe all people should have the right to bodily autonomy , as well as the right to Informed consent regarding all medical procedures and decisions and that they should not be discriminated against based upon exercising these rights!

Thank you once again for this opportunity to provide testimony on the need for and

urgency of House Bill 248.

Sincerely,

Sarah Wesley
