Thank you for the opportunity to provide proponent testimony on House Bill 248. Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee ,

My name is Shannon Barrett. I'm married and we have 3 kids in Cincinnati, Oh. My children go to Northwest Local School district , with one about to go to college here in Ohio. I support HB 248 because I believe Vaccines are a personal choice and should stay that way. My family should be totally free and not discriminated by public places if They choose not to be Vaccinated. My major concern is my daughter who will be choosing a college in Ohio. She should not be Discriminated for her choice not to get a Vaccine. Thank you all for representing my voice and taking the time to read my testimony.

Once again, Thank you for this opportunity to provide testimony on the need for and urgency of House Bill 248.

Sincerely,

Shannon Barrett
