Chairman Lipps
Vice Chair Holmes
Ranking Member Russo
Members of the House Health Committee,

Thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Elisha Cerino and I am a Christian, wife, and mother and the reason I support House Bill 248 is because I believe all Ohioans deserve protections for healthcare privacy and from "vaccine passports" or other "registries". I believe all Ohioans should be protected against discrimination regardless of vaccine status.

Thank you once again for this opportunity to provide testimony on the need for and urgency of House Bill 248.

Sincerely,

Elisha Cerino
