

Hello!

My name is Mae Miller and I'm a business owner and a professional. The reason I support Bill 248 is because I believe in advocating for each individual to be able to have an informed choice on what is right for their own body. I do not believe that there should ever be a one size fits all approach when it comes to health.

Thank you for giving me this opportunity to provide testimony on the need for and urgency of house bill 248.

Sincerely,
Mae Miller
