

*Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.*

*My name is Rachel Dunn and I am a stay at home mom and a business owner and the reason I support House Bill 248 is because we hire independent contractors for our industry. We do not discriminate based on race, gender or religion. It is a personal decision that each person should be allowed to make without the fear of it impacting their chance to work.*

*Thank you once again for this opportunity to provide testimony on the need for and urgency of House Bill 248.*

*Sincerely,*

*Rachel Dunn*
