

Chairman Lipps, Vice Chairman Holmes, Ranking Member Russo, and Members of the House Health Committee,

Thank you for the opportunity to provide proponent testimony on House Bill 248. My name is Rayna Schwab and I am a stay-at-home mother from Dayton, Ohio. I fully support House Bill 248 because every person deserves the right to bodily autonomy and medical privacy. I find it concerning that this bill must be passed in order to preserve our liberties. If we do not have freedom over our own bodies, what freedom do we have? Ohio's citizens should never be excluded, marginalized, or violated due to their personal beliefs.

Thank you for your time and consideration,

Rayna Schwab
