

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Dr. Jarek Esarco and I am a Doctor of Chiropractic and the reason I support House Bill 248 is because the freedom of choice includes the right to choose how we care for our health and the health of our family.

Thank you once again for this opportunity to provide testimony on the need for and urgency of House Bill 248.

Sincerely, Jarek Esarco, DC, CACCP
