

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Martin A. Nichols and I am a father of two children.

The reason I support House Bill 248 is because I and my family's health information needs to remain private. Discrimination in any form should never be allowed within our society.

Thank you once again for this opportunity to provide testimony on the need for and urgency of House Bill 248.

Sincerely,

Martin A. Nichols
