

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Tiffany Spencer. I am a business owner in Kettering, Ohio. I am writing to express my support of House Bill 248.

As a business owner, I feel I do not have the right to make someone else's medical decisions and make decisions for them that could affect them or harm their bodies for years to come. That is not my place or the government's place. I respect peoples religious, philosophical and spiritual beliefs. They should not be discriminated against due to these beliefs.

Thank you for your time and consideration.

Sincerely,  
Tiffany J. Spencer
