

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Amanda Lyons and I work in a clerical position in the healthcare field. I support House Bill 248. I call on Ohio Representatives to stand up and vote yes on this bill. We need these protections. Healthcare workers are experiencing an ultimatum get the shot or no job. I'm terribly afraid that this trend will continue if our Ohio Representatives don't take urgent action to support this bill.

Please support House Bill 248. Please help your fellow Ohioan's. Please don't let us lose our rights and freedoms. We cannot allow the COVID-19 vaccination to become a condition for participation in public life.

Thanks,
Amanda
