

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Dr. Kevin Bilant and I am a physician, investor, and real estate professional. The reason I support House Bill 248 is because it not only reinforces existing exemptions but strengthens them. Furthermore, it (HB 248) protects from discriminatory acts that will inevitably make our society worse, not better.

Thank you once again for this opportunity to provide testimony on the need for and urgency of House Bill 248.

Sincerely,
Dr. Kevin P Bilant
