

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Sandra Wimmer. I am a stay-at-home mom and homeschool teacher of two high school students. I support House Bill 248 because I believe that it is my Constitutional right to make my own medical decisions—without fear of the punishment of the two-class system that would inevitably follow mandated vaccines.

Thank you for this opportunity to provide testimony on the need for and urgency of House Bill 248.

Sincerely,
Sandra Wimmer
