

MY TESTIMONY

8/10/2021

Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the House Health Committee, thank you for the opportunity to provide proponent testimony on House Bill 248.

My name is Amy J Schlosser and I have lived and loved in Ohio my entire life. My family ties are strong and my children and abundant grandchildren are each a cause for unique joy.

Vaccine CHOICE and freedom from DISCRIMINATION would seem self evident but in these turbulent times we turn to those who represent us BY OUR CONSENT and ask that you pass this House Bill 248 to protect your citizens who rightfully claim the freedom to decline this vaccination without having to lose means to work, shop or participate in all that makes each life meaningful. This forced coercion is immoral.

Thank you once again for this opportunity to provide my testimony on the NEED for and indeed URGENCY of passage of HB248.

Sincerely,

Amy J Schlosser
