In support of HB-118
Ohio House Public Utilities Committee
March 9, 2021**

Chairman Hoops, Vice Chair Ray, ranking member Smith, members of the committee, We write as proponents of HB-118.

My wife and I would like to express our support for the passage of HB 118 which would allow Ohio's residents in each township a vote on whether or not to allow a wind or solar project to be developed in our area. Ohio's residents deserve a voice and this piece of legislation promotes that.

Respectfully,
Joe and Erika Geiger
