

Dear House State and Local Government Reform Committee members:

I am testifying today in favor of HB 90 as an Ohio resident as I am deeply concerned about courses of action being taken under the current emergency powers. The unchecked emergency powers have had dire effects on all the residents of the great state of Ohio.

This bill restores the balance of power to where it should be, between the three, coequal branches of government, and finally gives a voice to the people of Ohio through their legislators during a declared emergency.

Our businesses, our economy, our social and emotional well-being and the future of our children are all at risk. Our state cannot thrive under the continued oppressive and unopposed orders of an over-reaching Governor.

Please stand up and protect our personal liberties and the future of our state by voting YES on HB 90!

Thank you,
Michael Hollanshed
