Re: HB 90 - Emergency Powers Should be Co-Equal

To: Chairman Wiggam, Vice Chairman John, Ranking Member Kelly, and members of the State and Local Government Reform Committee,

I am submitting written testimony only in favor of HB 90 as an Ohio resident very concerned about courses of action being taken during this Plandemic and the emergency powers and the dire effects on our economy, health and wellness.

This bill restores the balance of power to where it should be, between the three, COEQUAL branches of government, and finally gives a VOICE to the PEOPLE of Ohio via their legislators during a declared emergency.

Our businesses, our economy, our social and emotional well-being and the future of our children are on the line. Ohio cannot thrive under the thumb of pharmaceutical interests, captured government agencies, and media bought by big pharma. Governor DeWine needs to follow the dirty money trail before following recommendations. The oppressive and unopposed restrictions need more elected officials with authority to rectify this untenable situation.

**Please stand up
and protect our personal liberties
and the future of our state
by voting YES on HB 90!**

Thank you,

Cindy Ladig
