House State and Local Government Committee

Chair Wiggam, Vice Chair John, Ranking Member Kelly, and members of the committee, thank you for allowing me to provide testimony in opposition to House Bill 62.

Gun Violence in Ohio is out of control. If passed, HB 62 would exacerbate the problem by enabling extremists to defy common sense gun laws. The bill seeks to override federal laws and punish those tasked with enforcement. This is a dangerous bill. Its passage would jeopardize the safety of all Ohians, NOT enhance it. I urge you to reject it.
