Re: Opposition to HB 62

Dear Representative Wiggam,

My Name is Neil Moore. I have been a gun owner for over 50 years and do believe in the lawful right to own guns in a responsible way. Currently, I am a member of several gun safety organizations. Thank you for giving me the time to hear my opposition testimony to HB 62.

When I joined the United States Navy in 1965, I took an oath to defend the Constitution of the United States. I find it hard to believe that State Legislators would attempt to pass a law that was in violation of the Constitution. In addition this law can encourage criminal activity by creating confusion and undermining the rule of law.

As a gun owner I have devoted many hours of my time to promote gun safety laws that will reduce the number of deaths and accidents as a result of misuse of guns. I urge you to not approve this bill.
